We had two great days of sailing on ocean courses outside Mission Bay, having six races with no throw outs. Mother Nature kept the winds in the 6 knot range for most of Saturday with the right side of the course consistently favored. Sunday's breezes looked more promising but started much the same as Saturday and still with the right side favored. However, as we started the last race, the sun overcame the overcast skies, the wind picked up and we had a full race of hiking weather. Beautiful! It was great to have Steve Davis from Colorado join us with crew John Faus (from New Jersey) and Becca Huyard. We welcome you back anytime.

We finished off the regatta with hors-d'oeuvre on the back deck of Mission Bay Yacht Club enjoying after-race conversation and watching the kite sailors, foiling catamarans, hot tub pontoon boats, donut boats and other crazy things people put on the water.

Many special thanks to PRO Andrea Caroe and her entire race committee team for flawless race committee work. Their work made the event.

From Left to Right: Team Martin, First Place. Becca Huyard and John Faus - missing their fearless leader Steve Davis who had to catch a flight, Second Place. Team Finkboner, Third Place
