The 32nd annual Spring Classic was held at Pymatuning Yacht Club on May 14-15. Even with the weather forecast looking less than inviting, 21 boats showed up with sailors ready to hop in their boats. As eager as they all were, Mother Nature had the upper hand on Saturday with strong westerly winds, and poor weather conditions kept the fleet from getting any races started.

Sunday provided a small window to get a shortened race in; however, all competitors and on- the- water help had to deal with rain, snow, sleet, hail and fog from start to finish. Visibility was low, but Ernie Dieball, Jacqueline Dieball and Meredith Ryan were able to come out with the win!

A huge thanks goes out to all of the club members at PYC for their help and support throughout the regatta! PYC also greatly appreciates all the competitors coming from as far as North Carolina and Rhode Island for braving the weather to come play in the snow on your sailboats! I guess next year might need commemorative snow globe trophies!
