2016 Tawas Bay Lightning Regatta

Tawas Bay Yacht Club was the host. Tony Kus volunteered the offshore racing yacht, Bad Medicine, to be our RC platform. Chase boats were TBYC Commodore Neil Ericsson, William Busch, and Mike Scott on Sue's boat. Of course there were dozens of volunteers manning these craft. We appreciate their efforts!

Saturday was beautiful, sunny, warm, smooth water. The winds were very shifty with the RC changing course in two of four races. Most of the day the winds were between 120 degrees and 180 degrees at 9 knots or less. Tom Klaban and crew Beth and Rick dominated day one.

Sunday was sketchy. Overcast, muggy, smooth water. A rum front seemed to come thru the fleet Saturday night and a storm front was threatening Sunday morning. The fleet went out and just before the warning signal the wind died. Luckily after almost an hour under AP, the RC was able to get a race started and then followed that with the best sailing of the day with winds increasing to almost 15 knots. Ernie Dieball and crew Jaqueline and Maureen dominated day two!

Ryan Mabie zipping along under quite the distinctive spinnaker

1st place winners Tom Klaban, Beth Groesbeck and Rick Dishaw...."gee, thanks...We're ready for the NA Masters in Rochester now." Rick: "Yes!", Beth "hmmm...Tom yells allot."

2nd place winners Ernie, Jacquie Dieball, Maureen Ferries... "Dean, this is how it's done."

3rd place winners (and still leading in the season HI Point Standings) Matt Morin, Marcie Levey (PRO Chris Princing in middle) Marcie: "Kevin's replying to Taylor Swift's congratulatory Instagram. We've lost him." Matt: "Really?!" Chris: "I'll pose for Kevin"

4th place winners Leroy (Matt) Princing, Jennifer Princing, William Coberly...not so much - quite eloquent, actually!

5th place winners Gary Sowden, Drew Hilger, Carrie Houtman...speechless.
