Day 3/Final Report: July 19, 2015

Sailors were greeted to sunshine and beautiful 12-18 knot breeze for the final day of racing in the International Master Championship held at the Buffalo Canoe Club, Ridgeway, Ontario, Canada. After yesterdays fog delays, PRO Jeff Borland announced to the Fleet that they would be trying to get in three races to complete a full schedule.

The fleet was anxious and after several recalls, the Z-Flag was hoisted and the RC called a proper start to race four. After 4 legs, David Dellenbaugh, Easton, CT and his team of Jeff Eiber and Jay Lurie took their third consecutive race win and was followed by Ched Proctor, Southport, CT and Matt Fisher, Westerville, OH. Racing was close and the winds oscillated between 240-260. Gradually shifting Right as the day went on.

Team Dellenbaugh (Above) at the windward mark and below, Race 4 win.

Race six called for a course 5. Jed Dodge from Rochester, NY lead around the first mark, M. Fisher and Dellenbaugh were close behind. With Team Fishers great downwind speed, they caught up to Dodge downwind and rounded the left gate that allowed them to sail to the upwind right side of the course which was slightly favored. Dodge split and went around the right gate. Santos followed behind Fisher up course right. Team Dellenbaugh was coming up to the leeward mark in 4th, followed closely by Team Proctor, Lenny Krawcheck from Charleston, SC and Steve Warren from Manahawkin, NJ. Team Dellenbaugh had a spinnaker halyard issue which allowed those close to him to slip past them. With Fisher and Santos on the favored (right) side, they were able to pass Dodge and finish 1-2 when the RC shortened the race to three legs. With Dodge in 3rd, Krawcheck in 4th, Warren in 5th and Dellenbaugh in 6th.

Steve Warren, Liem McCarthy and Tim Robinson

Teams Dellenbaugh and Santos tied for 1st place, with Dellenbaugh winning the tie breaker with three wins over the very consistent Team Santos from Ecuador. Team Matt Fisher finished in 3rd with 20 points followed by Team Proctor with 27 pts. Larry MacDonald from Hamilton, Ontario with teammates Jody Starck and Ian Jones finished in 5th with 40 points.

The 3 generation family team from Sanford, FL of Fisk Hayden, his son Steve and grandson Jeffrey won the Great Grand Master Division (75+ skipper). Ched Proctor and his team won the Grand Master Division (65+ skipper).

The 3 generation family team from Sanford, FL of Fisk Hayden, his son Steve and grandson Jeffrey won the Great Grand Master Division (75+ skipper). Ched Proctor and his team won the Grand Master Division (65+ skipper).

19 of the 63 teams will stay on and compete in the 2015 Lightning World Championship. The 9 race series begins on Tuesday and concludes on Saturday, July 25th. Watch for more updates to be posted on the ILCA website (www.lightningclass.org) or the [ILCA Facebook page](#) or [Twitter](#) feed.

Tight mark roundings. Team Santos leading this one.

John Werley, Bertie Werley and Lisa Fisher planing down wind!

Day 2 Report: July 18, 2015

The fleet headed out this morning for a scheduled 1000 warning. The first start was a general recall.

Morning recalled start

Then the fog rolled in... and it was thick! Competitors and the RC couldn't see the pin from the boat end of the line! After some time waiting on the water and no improvement in the conditions, the RC sent the fleet ashore.

Around 3pm, the fleet headed back out. The fog had cleared and some breeze filled in. Team Matt Fisher noticed the fog canoe to roll back in. With the fog they also noticed an increase in pressure. From his many years of sailing at the Canoe Club, his gut told him to go right, but his team of Tobie and Dan Moriarty encouraged him to stick with the pressure and go left. In agreement, their plan was to start pin to middle and play the left side of the course. They had a good start, and were able to put the bow down. Teams Santos and Dellenbaugh both started to leeward of Fisher and all three had nice lanes out to the left side of the course.
