Fleet 75 hosted its' 32nd annual Magnus Pederson Regatta on June 3rd and 4th at Nyack Boat Club. Eight races were sailed in winds varying from 3 to 18 knots from the northwest. The threat of heavy rains and thunderstorms did not deter 14 teams from the tri-state area from competing in a very competitive series of races. The rain turned out to be only intermittent, and for the most part was not noticeable during the races.

At the end of the first day of racing, we had sailed 5 races and Ched Proctor was in the lead, 3 points ahead of Gary Hurban. At the cocktail party Ched led a roundtable discussion of the days races with a very attentive audience, and lots of input from the top sailors in the regatta. This was followed by Joan Hurbans' famous steak barbeque, complete with fresh picked corn, baked potatoes, and lots of scrumptious deserts.

By Sunday morning, the rain had stopped and we sailed 3 more good races as Charlie Greene again constantly adjusted the bearing and distance of upwind and downwind legs in shifty northwest winds to give us good courses. Unfortunately, Ched was committed to a family graduation ceremony and could not sail on Sunday (Congratulations Judy!) . Gary Hurban managed to fend off Dick Moyer to win the regatta. Dick was 2nd, Bob Sengstacken 3rd, and Joan Hurban won a tiebreaker against defending champion Hugh Hutchinson to take 4th and 5th respectively. (Complete results of the regatta are posted on the ILCA website)

The Nyack fleet recaptured the coveted Riverton / Nyack Cup by out sailing the Riverton Fleet in this regatta. Riverton will now establish rules by which to challenge Nyack at the next regatta in which we compete against each other, in accordance with the deed of gift. (The rivalry lives on!)

For those of you who have not been to Nyack Boat Club lately, we would love to have you join us at our Last Blast Regatta on October 9th. This is a one-day event, which traditionally has lots of wind, and is truly a Blast!
