Kirk Reynolds, Lynn & Allister Thompsen

27 boats met at Cazenovia Lake on June 17-18 for the 2006 CNY District Championship. This was an open regatta and we had two out of district guests. The Bush's from Mass and Benjamin Forman and crew from Washington, DC.

The weather was great and the wind was typical Caz! Velocity was good most of the time on most of the lake, but those shifts kept everyone on their toes!
