August 9: The Sodus Bay Yacht Club has done a spectacular job preparing for the North American Championship. The first day started off with a nice breeze for the first day of qualification. After the first race was completed a large thunderstorm moved through the area. The Fleet came in to the club in advance of the storm. Further racing today has been cancelled.

August 10: Another very large thunderstorm came through last night, drenching Sodus Point with 1 1/2" of rain and putting on quite a light show! Under sunny skies this morning the boats got out in a nice gentle breeze, one race has been completed thus far.

Tuesday August 11:
The sun is shining and the breeze is holding steady around 10. The first race is completed and they are doing the second one now. The second race of the day will be 5, 1.5 mile legs.

Wednesday August 12:
Early morning was cool and gray, no wind. The committee postponed for an hour and then towed the boats out as the "sea breeze" was filling in. The racing is underway in 5-6 knots of wind. Two races completed today. Boats are in.

Thursday August 13:
It's a beautiful sunny day. More breeze this morning, great day for racing. Racing is underway with 9-10 knots of wind. One race completed, second is underway.
