PERU ROCKS

Peru is on fire! April 29-30 marked the start of our sailing season in Peru. We kicked it off in La Punta - Callao with 9 sailboats in the starting line. With 8 knots of wind and 180 degrees of wind direction, we ran 6 races on Saturday and Sunday.

We had great surprises, the youth crew got the second place, the participation of a crew from Colombia was exciting and 2 crews that raced for the first time a championship.

Congratulations to Daniel Mendoza and his crew for winning the championship, to Angello Giuria, our junior crew for the 2nd place and to the other crews for their participation.

Do not forget that in August we will have the pre-panams regattas. More details will be available soon.

"I am very happy with this first place. Thanks to Jimena and Sergio for their great work and commitment. This is the beginning of our training for the Pan-American games of # Lima2019 qualifying . I hope we can participate in the 2018 North American Championship in San Diego" Daniel Mendoza (Team center Right)
