

# Registry of Lightning Owners

(Corrected to January 1, 1959)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated.

Where boat number is followed by an asterisk (\*), it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.
