THE EDITOR'S PAGE

To our ADVERTISERS:

We feel that in a large degree this book is yours; we truly appreciate your interest in our Class, and the financial support you have given us in years past, and especially this year. We would like to feel that our pride in The Lightning Class Association and its success is shared by you, our advertisers, because you have helped to make it so.

We trust that many Lightning Class Association members will be your good customers and make 1960 a very successful year.

L.C.A. Membership

Dear Fellow Members:

This is your L.C.A. 1960 Year Book. The thought and preparation that goes into putting it together is considerable and painstaking. Anyone wishing a real understanding of The Lightning Class need only to ask to be Editor and I'm sure he would get the job.

We tried this year to shorten the fleet reports and use more articles and pictures of general interest.

I wish to express my appreciation to all the District and Fleet secretaries for their cooperation in getting their material to me on time.

Without the understanding help of Margaret Teske, her secretary June Satkey, your year book could not be possible. Lou Madden and his staff deserve recognition for all their patience and professional help.

My thanks to "Chuck" Buck, last year's editor, for all his unselfish help and words of wisdom, and to my secretary, Mrs. Harold Morrow for many hours at the typewriter.

One suggestion to the Southern Circuit; if Savannah and Miami could be held before the St. Pete's date, not later than the 3rd week in February, it would be easier to meet our April 1st "Dead Line."

Now I can return to my family (and Wyatt Earp) and "re-live" your many interesting experiences I have set forth in the L.C.A. Year Book.

Sincerely,

"Doc" Arnold, Editor
