THE EDITOR'S PAGE

It has been my pleasure to edit the Lightning Class Association Yearbook. I believe that you as readers would like to at least meet by pictures the people who have assembled the information, typed it, proof read it, and set it into type twice before this book takes it's final form. I am pleased to introduce:

Margaret Teske, Executive Secretary of the Lightning Class Association.

Margaret proof reads and types all of the fleet reports, district reports, and all other statistical information. When this information is collected, eighty percent of the Yearbook is at hand. (Margaret, I hope the LCA will purchase you a new typewriter so that the shift key puts the caps on the same line as the small type.)

Thank you, Margaret, for your excellent assistance.

Louis F. Madden, Production Manager for the Spencer-Walker Press, Inc.

Lou is responsible for two phases of our yearbook. He solicits all the advertising for our yearbook. Also, Lou takes all of the copy submitted by Margaret and myself and has it set in type or mat form and submits galley proofs for editing. After editing, Lou looks after the printing and mailing to each member.

Thank you, Lou, for the excellent help and direction.

Editing the LCA Yearbook is a very interesting insight on the association. In case I walk up to you and say hello, it is because I have read your reports and seen your pictures and I feel that I know you from this experience. I regret that each of our fleets did not send in their report. I would suggest that your fleet report be written at the last regatta and sent in to Margaret in September of each year so that it would appear in your Yearbook.

In addition to expressing my appreciation to the above two people, I would like to thank each author of the articles that appear in this book. Do not feel that you have to be invited to write such an article. Several of our most interesting instruction articles were submitted, unsolicited. Interesting facts of activities or equipment are always in demand. You can always say that your article was included with such distinguished authors as Richard Powell of "Philadelphian Fame" who also wrote Fleet #173 report in this Yearbook.

Finally, I would like to thank each of the advertisers for their financial assistance in making this book possible. I feel sure that our members will support your product with their purchases.

To our members outside The United States, I wish to state that this book, though printed in U.S.A., is also your book and all of your reports on major Lightning Regattas will be published if you give us a full account

of such Regattas. I look forward to our first truly World International Regatta in 1961 and hope it can be attended by all Countries where Lightnings are sailed.

Good sailing to all in 1961.

Editor Al Bernel shuffling fleet reports.
