**even today you can hear the rumble**

Last year, in the International Lightning Class, 11 of the 22 District Championships on the North American Continent were won by sailors using Murphy & Nye All-Weather sails.

In other parts of the world, M & N's were used to win the South American Championship, The European Championship and the Canadian Open Championship. It was quite a year.

In the last 7 years, Murphy & Nye sails have been used to win 5 North American Championships and the only two World Championships the class has held.

Spectacular as this winning of important Championships appears, even more spectacular is the degree of improvement in their home fleet races, by those who selected us as their sailmaker.

If you race to place, wherever it is—we'd like to be on your team. All it takes is a call or letter, 312-384-2828 or 2243 Elston, Chicago, Ill., U.S.A.
