Sheboygan's Fleet 187 enjoyed another year of excellent weather, close competition and growth in 1987. Tryg Jacobson won the fleet championship in a close dual with Ric Larson. Ric repeated as Lake Michigan Champion placing first at the Evans Regatta in Green Bay, first at Milwaukee's P&T Regatta, second in the Midwest Districts, and fifth at the Red Flannels in Chicago.

Lightnings are enjoying renewed interest in Sheboygan as many of our young members, who in the past had been crew on the big boats, have discovered the fun and excitement of small boat, one design sailing. We anticipate an even better year in 1988 and invite all sailors to join us for the Brotz Regatta next summer.

We can say 1987 has been a great year, and 1988 promises to be even better.

The 22nd Annual California Lightning Circuit was a real success. Held over Easter week, the event was sailed in San Diego's South Bay and in the ocean off Mission Bay Yacht Club. The week brought together a great bunch of people for a combination of great sailing and great parties.

The week's sailing included two days at Coronado Yacht Club followed by the famed twenty mile ocean Marathon Sail Around. The "Marathon" sends sailors up and then out of San Diego Bay and north up the coast and finally back into the sheltered waters of Mission Bay. The final two days of racing were held at the site of the 1988 "North American's" in the ocean off Mission Beach. Both Tom Allen, Sr., and Tom Allen, Jr. cleaned-up in overall standings, with Tom, Jr. the overall winner. John Lyon, Scott Finkboner and Warren Gross, all of the Mission Bay Yacht Club, rounded out the top five in that order.

For any of you Lightning "Hot-Shots" that are planning on coming to the "NA's" next summer, the "Hot-Tip" is to come out for "The Other Circuit" next spring. Not only will you get first hand experience on 1988 "NA" courses, but you will get an opportunity to sample some great California sailing and parties. Come on out, we'd love to have you.

The Lightning 1987 California Districts were held the weekend of July 18 and 19 at King Harbor Yacht Club in Redondo Beach. Twelve boats participated, representing both northern and southern California racing contingents. Overall results were mixed, with a different boat winning one of each of the five races sailed. John Lyon proved most consistent and became 1987 California District Champion.

Late summer and early autumn were busy with Lightning activity. John Lyon managed a 2 1/4 point advantage over Warren Gross to best the fleet at the annual Billie Boswell Memorial Regatta. This lake regatta is always a lot of fun. Two weeks later, John once again was able to pull out a win in the Bowen Memorial Regatta. A mere 1 1/4 points separated the top three contenders, with Scott Finkboner and Larry Swearingen picking up second and third respectively. This one was sailed on the ocean racing course for the 1988 "NA's."

1987 has been a good year for the San Diego fleet. Not only did we uphold the Lightning's unbroken record of superiority over the rival Thistle fleet and see San Diego bring back the America's Cup, but we earned the opportunity to host the 1988 "NA's". We look forward to seeing you, if not next Spring, certainly at the "NA's".

SURF CITY (196)

The members of Fleet 196 had an active year, both at home and on the road. Fran Temme narrowly edged out Jack Elfman for the Club Championship in a series that went down to the last Sunday. Both Fran and

Jack were breaking in new boats and each had great speed and sailed well all year. It's encouraging to see the "young blood" in this fleet in the persons of Andy Temme, Joe Freeman, Gary Hofing and Steve Marshall. Gary and Steve bought Ralph Messersmith's boat at the end of the season and should quickly become contenders in 1988.

This year our "Districts" were hosted by our neighbors at Barnegat Light Y.C. Fleet 196 had a great weekend with Jack Elfman taking the championship by a point over Rich Warren with Tim Robinson a close fourth. Jack, Rich and Tim all went to the "N.A.'s" at Buffalo C.C. where they all managed to qualify for the "Blue Fleet." Jack led the way with a fine 11th place finish which may have been much better but for a tough last day. Rich and Tim learned a lot about waves and how tough the "N.A.'s" can be — they'll be back.

Surf City Y.C. again hosted the Long Beach Island YRA Championship for Lightnings and attracted a fleet of 19 boats. Jack Elfman nipped Fran Temme by 1/4 point with Dave Coward from Brant Beach Y.C. third, the victim of a premature start in the final race.

The 9th Annual Manahawkin Bay Cup was sailed with a fleet of 15 boats enjoying ideal Barnegat Bay conditions. The strangle-hold of the Lutz family on this regatta was finally broken (at least loosened) as Jack Elfman easily won in a series marked by a number of breakdowns and capsize (including J. L. —). Keith Taboada from Metedeconk River finished second with Rich Warren/Randy Swartley third. This regatta has developed into a terrific fall weekend and we invite all to attend in 1988.

With Charley Howe, ILCA Past President, recently installed as Commodore of Surf City Y.C., we are looking forward to our best season ever.

Close competition is what it's all about, and Fleet 212's, 1987 season saw very close, hard-fought races. The first three boats often finished within seconds of one another, and over half of the fleet placed in the winning position.

The Championship Series was decided by one half point, and the Fall Series was tied going into the last race.

When the mist settled and the points were tallied, Dave Gall had bested all contenders, finishing first in the Spring, Commodore's, Summer, and Championship Series, with a second in the Fall Series. Dave did not miss a single race all season.

Dean Caley picked up a first in the Fall Series, after second place finishes in the Spring, Summer, and Championship Series.

Tim McCain scored a second in the Commodore's and third in the summer.

Bod Neading picked up third in the Fall and Championship.

Mike Partridge placed third in the Spring and Commodore's.

In August we welcomed the John Green family to our fleet, bringing our number to 11 boats. The Lightning is the Green's fourth type of sailboat but their first opportunity to experience racing.

Our annual Harvest Moon Regatta saw a break in several weeks of nearly constant rain, with modest but not embarrassing winds. Tom Varley traveled from Columbus, Ohio, and placed first, followed by our own Dean Caley, Dave Gall, and Tim McCain. The locals pressed Tom much of the time, leaving him mumbling in good humor about "team sailing" tactics.

This year also marked the twelfth consecutive visit to our regatta by George Auer from Cleveland. I would think that if George does not hold some sort of record, he certainly deserves an honorable mention.

1987 was a spectacular year for Lightning Fleet 215. Eddy Martin, Perry Owen and Jay Mann went to the World Championship at Cartagena, Colombia and distinguished themselves by finishing second. The winner was Chile. The boys worked very hard to achieve this success and they well deserved the many congratulations they received as a result of their accomplishment.

Also from our Fleet, Peter Hall, Scott Morgan and Alain Boucher represented Canada in the Pan Am Games at Indianapolis. Here again, our crew came through with flying colours and was second, this time to Argentina. A spectacular performance under extremely difficult and fluky conditions. Needless to say, the Fleet was very proud of their efforts which was a result of a tremendous amount of dedication and work. We might add that this crew also won the Canadian Open in August in Toronto.

Meanwhile back at the ranch, we had a lot of activity. There was a great deal of interest in Lightning sailing at the club, particularly as a consequence of the outstanding achievement of the crews mentioned above. Peter Hall was the Fleet Champion, Billy Layton was the runner-up. The interest in Lightnings at our club is continuing and there is every indication that next season we will expand our fleet with the addition of a number of new names. The Pointe Claire Fleet, which is just up the Lake from us, is also performing enthusiastically and we are combining our affairs as much as possible in the interest of developing Lightnings in this area.

Our Lightning Fleet sailing on Saginaw Bay had a wonderful season this year.

The Wednesday Evening Championship Series ended September 9. The last race of the season, as several before it, was under drifting conditions. As all good things must end, so must our series.

The top five sailors were:

Skippers	Crew
1. Joe Dissette	John Lauderbach, Greg Bull
2. John McCree	Robin McCree
3. Steve Swanson	Dave Cochran, Marshall Long Train
4. Chris Hesse	Ruth Howell, Sue Schmerheim
5. Bob Hafford	Karen Smith, Pat Zaplitny

The New Fleet Member Award was presented to Mike and Patti Olgaard, our newest members. Mike and Patti did very well in their Lightning for the first season. The Mid-Fleet Award was earned by John Johnson.

The Ruben Clamso Capsize Award went to Chris Hesse. The Capsize Award is a trophy that travels back and forth thru the fleet for the best capsized of the season.

A very busy season for us all, and it all began with our Spring meeting in May at Treadwells — where the first order of business was to honor our own May P. Robinson, having left us this year to sail in loftier waters. With a timely assistance from the Grandfather clock's chime, we all paused and remembered May. But May wouldn't want us to be sad for her — but rather be remembered — as a great person, a Lightning sailor, and one forever young at heart. She'd want us to go right out there at that starting line and go for it and have fun — and we did just that this year. We inaugurated a Spring Series in June — and got three races in. David Parker blew everyone aside for 1st, with Jerry Bezner, 2nd, and Irwin Stone, 3rd. The Appleblossom and Barnes Memorial ended up being sailed together due to a prior rained out date, with John Treadwell winning this event, after finally overhauling Harry McMillan-2nd, and Jerry Bezner took 3rd with a spin-

naker jam problem. The Commodore's Cup was next with eight boats hitting the starting line. Dave Parker and crew provided the entertainment for this one, as they had some minor difficulties at the windward mark. The 1st time around he lost his crew, Doug Averill, overboard and went from 1st to 7th — and the 2nd time around thought it was the finish line (he missed the skippers meeting!) — and in his haste to raise chute and stay close to the leaders, hoisted and ripped the top third out of his spinnaker! These antics allowed John Treadwell to take 1st, with Parker 2nd, and Chuck Stone 3rd. The Pickslay Ramble saw five Lightnings race — and was an extremely close affair won by Jerry Bezner, followed by John Treadwell and Dave Parker. Throughout the summer we sailed 2 series — our new Thursday Series and our regular Sunday Series. The Thurs. Series, intended to be a tad less serious and more laid back — was just that — as 11 races were sailed with the most amazing results you've ever seen. I mean, who ever heard of a 3-way tie for first? — something about a delicate beer exchange in that one; and then there was Jack Jones borrowing Treadwell's old Lightning and winning 2 races — sailing singlehanded! That Thur. bunch were quite a group, as 7 boats participated and had a ball. The results showed Jerry Bezner 5th, Jack Jones 4th (and he doesn't even own a Lightning), Dick Grissinger 3rd, Irwin Stone 2nd, and Sara Treadwell 1st.....now wouldn't that put a smile on May's face! The Sunday Series was composed of 10 races and had 9 boats compete. Winning his 5th championship was John Treadwell (of course his new boat didn't hurt any!); 2nd, David Parker; 3rd, Jerry Bezner; 4th, Charles Stone, and 5th, Irwin Stone. The Stoney Island race showed Irwin Stone 1st, the Matthews boys in "May Day" 2nd, and Dick Grissinger 3rd. Four nice races were sailed in the Fall as the fine weather continued for that Series — 1. Jerry Bezner 2. John Treadwell 3. Dave Parker. And our final scheduled race was the Frostbite — a very light and tender affair, won by Jerry Bezner, John Treadwell was 2nd, and Irwin Stone 3rd. The following weekend Sackets Harbor hosted their 1st Fall Regatta in an effort to bring together the local area Lightning Fleets, and two of ours joined others from Sackets, Crescent, Oswego and T. I. Park. Dick Grissinger and Jack Jones finished 4th, while John and Sara Treadwell and Rick Stevens finished 2nd overall. Odds 'n Ends: We missed the Lawrences this year — hope to see more of them next year...enjoyed those younger Stones and their pretty new boat...and how about those 3 past Commodores, Stone, Joor & Studdiford teaming up in the Commodore's Cup; rumor has it though they couldn't quite get up on a plane — all that good living I suppose...it was fun having Rick Stevens onboard at Sackets — he hasn't lost his touch! — but how many know what happened on the return trip home?...and wasn't that a nice practical trophy Rick gave for the Thursday Series — and only 47 lbs....this year's snow job goes to the Treadwells, they had everyone buffaloed about their new boat — until it was published in the *Flashes* that is...but no secret about the next new one — watch out for Dick Grissinger and his new boat next year...and speaking of boats, Treadwells have one for sale — ya hear me, Jones?...and finally this year's Black Cloud Award has to go to those that contributed to the season's only capsized — that ace Coast Guard crew who knows how to slowly bring down a Lightning — ie: when it's blowing 30, stay to leeward and cleat the main — works every time; and just so he can practice a rescue drill!

The Parkers and Treadwells — preparing for the maiden voyage of Treadwell's new Hendershore.

As always Fleet 226 had a busy year with a full 12-month racing schedule and other planned Fleet activities including Star Wars, Silver Strand, match races and many traveling regattas.

Continuing to concentrate on encouraging our Junior Sailors, the Annual Pram Day Regatta was held in moderate breezes and with a turnout of over nine boats. Many of the Juniors are now interested in crew spots in our regular racing series. We are proud that our Junior Sailors have done very well this year in other one design events including Peter Dreyfuss who captured the Snythe Cup Championship sailed in Lasers, and the team of Kevin Downey, Greg Enos and Kim Logan who "brought the cup home" winning the Sears Cup competition held in Marblehead. It's been eleven years now since the Cup was won by three of our Fleet members, Reid Hutchinson, Fred Hutchinson and Mike Alexander.

Some of the boats in our fleet remained here but changed owners. Welcome to Paul Messina, 13351, Roland Santos, 10700, Rich Raymond, 11981 and Robert Show, 13545. We look forward to encouraging new owners to share in all of our racing events.

Some of our boats suffered minor cuts and bruises and some not so minor this year. Fay Regan, 12050, survived a "watermelon" size hole in her port forward area and Bill Caterham, 13070 now has a mast that's packable (in a suitcase!) for traveling — five pieces at least. The Fleet did a lot of traveling this year, and in an effort to promote more boats participating in "away" events, the Fleet purchased a set of tandem bars for towing two boats on one trailer. It's been used several times and Jim Nolan, 13779 and Alix Morgan, 14212, are planning to make the long trek to California for the N.A.'s this summer.

One of our more interesting traveling regattas was the Annual Eustis Invitational held on Lake Eustis in Florida. Fisk Hayden's hospitality (17 of us stayed at his house) was unmatched and the normally light, shifty breezes were consistently 20+ all weekend. In one race during the regatta several boats (we won't name names) capsized at the jibe mark one after the other, somewhat like a water ballet.

The Fleet was active in both District events as well as the N.A.'s this year. Congratulations to the team of Eamonn Delisser, Heidi Wood and Robert Pincus, 14098, who made the Blue Fleet this year. Other memers who participated were Stu Anderson, 11702, and Tommy Degan and Kitty Kemminck who crewed for other boats in the District.

Lots of activities and racing events are being planned for 1988 and, as always, all of us look forward to visiting with our Northern friends during the Miami Midwinters this March where Fleet 226 will once again sponsor the "famous" \$6.00 steak dinner. We hope to see you there — and happy sailing!

In 1987 our fleet welcomed the addition of two new active skippers; congratulations to John Mahoney for an outstanding rebuilding job that is finally finished, and welcome back to Brian Lawrence. We are expecting 1988 to bring more new skippers and boats to Fern Ridge Reservoir.

Our summer racing season was full, even though the reservoir wasn't! The fleet championship was decided over a four race series, a close battle with Verson Pandian inching out Morrie Craig for the trophy. The final race also decided the winner of the Barber Cup Trophy; a double victory for

Verson. John Mahoney walked away with the New Skipper Trophy this year; hopefully next year will bring a bit more competition for this award. The fleet celebrated its 35th anniversary in July with a day of fun racing, food, and old friends.

The season ended with a business meeting to elect new officers for 1988 and plan a battle strategy for continuing the growth and enthusiasm in the fleet which our 1987 Captain Leslie McBride started. Special thanks to EYC, our host club, for their patience while we reactivate the fleet.

The sailing season began as usual at the end of April on the lake of Hallwil, where four boats from the lake started against four boats from Fleet 169 and Fleet 358. The team of Herzog/Luthy/Fuchs sailing together finished 2nd over all behind Wyler and before Schmid (both Fleet 358). Also, this year all Lightning sailors had been invited by Ruedi and Greti Herzog for a great barbeque dinner in the clubhouse of the sailing club of Hallwil.

The first weekend in May, nine boats met for the fleet championship on the lake of Sempachersee. The first race was won by Wyler before Scharer. In the 2nd race a thunderstorm was announced by black clouds. As it happens quite often in this season, the wind could come very strongly, when it comes downhill from the southwest. We call it "Heubeeri". With beaufort 7 the boats were even flying under spinnaker. Domi-nike — 7th at the first mark — rounded in front at the leemark. But before Luthy could reach the finish line, the wind died totally and the race was abandoned. The Sunday race was won again by Wyler, and he became Fleet Champion 1987, winning the "Luthy-Bell" Trophy for the second time.

As in other years Luthy was sailing abroad, winning in Fallanden and getting fourth at the District Championship in Neuchatel. As former winner of a Swiss Championship (1974) and as European Champion (1985) he was invited to sail the Race of Champions on Lasers, a race which is sailed in a cup system, where only half of the boats will reach the next final. Because of very strong and unsteady wind conditions, there was no chance for yachtsmen and Lightning sailors however. Peter Taschler was crewing this year for Hanspeter Schmid, getting 6th at the European Championship in Numana. Otherwise he was very strongly engaged crewing in the 5.5m series — or he did military service. Also our new fleet member Anton Fuchs was quite active this season.

"Paddle — no Motor" is the device of Ursus Merz's sailing school on the lake of Hallwil.

The Keuka Lake Fleet enjoyed an extremely successful racing season on beautiful Keuka Lake. We had a June and September series as well as our official season series from July 4th to Labor Day.

Spectacular growth has occurred in our fleet which now numbers ten racing boats. Tom Hall, Rowland Stebbins, Paul Schnipelsky, and John Mastrostefano are most welcome new skippers.

The Keuka Fleet again sponsored the very popular Bully Hill Champagne Regatta on August 2nd and 3rd. Moderate winds created ideal sailing conditions for the twenty-one participating boats to complete a five race series. Champagne, dinner and dancing gave everyone a chance to renew friendships and make new ones. We look forward to seeing all of you next year at our 1988 Bully Hill Champagne Regatta which will be the Central New York District Regatta.

At our annual picnic in September, officers elected for the 1988 season were John Wahlig, Fleet Captain; James Staunton, Vice Fleet Captain; John Mastrostefano, Secretary-Treasurer.

For information on Lightning Sailing on Keuka, please contact John B. Wahlig, 60 East Fifth Street, Corning, New York 14830 — phone (607) 962-6898.

SUSQUEHANNA YACHT CLUB (253)

Fleet 253 had a good year, keeping one-design sailing alive at the Susquehanna Yacht Club. Comet, Scot, Dutchmen and other fleets have come and gone, but the Lightning lives on, albeit in slightly diminished numbers.

Starling "Mike" Mikell, Jr. emerged as fleet champion for the zillionth time in our Sunday afternoon racing series, nipping Barry Dunwoody. Regatta winners were Fred Bush in light air over Memorial Day weekend, and Dunwoody in three rainy Labor Day weekend races.

Upstate New York visitor, Dick Hallagan won the Pennsylvania Governors Cup Regatta Oct. 3-4 for the fourth year in a row. Chris Raubacher of Rehoboth Bay was second in the 17-boat fleet and Steve Bachman of Annapolis third.

SYC folk crewing "in the big time" at away regattas during the season included Bucky and Mike Beaver, Sandy Martin and Bob Bush.

In a fleet-building, public relations effort, Mikell, Bush and Charlie Noble went up to the Harrisburg Red Cross Regatta on tiny Pinchot Lake near the Pennsylvania capital. Our three Lightnings were the "Big Boats" in a 30-boat handicap fleet that included Windsurfers, Sunfish, Lasers and a variety of other craft. Mike took a second on corrected time and our Lightnings got a lot of attention that we're hoping will pay off in future years. We're planning to invite the Pinchot sailors to the SYC and more-spacious Susquehanna waters this summer.

Lightning fleet 270 has concluded another exciting year. Our sailing season this year stretched from the 8th of April to the 1st of November. As always it was highlighted by the Indiana Open on the first weekend in May in which more than 30 boats competed again this year. Fleet membership increased for the second year in a row, and our sailing activities were complemented by our "off the water" activities including a progressive dinner and a backyard barbecue.

Competition in the fleet intensified as some of the younger members challenged the previous champions for the fleet honors. Karl Suter won both the spring and fall series in the Gold Fleet after hard fought battles with Joe Lassaux in the Spring and the Higgins family (alternating skippers William Higgins Jr., William Higgins III, Jeff Higgins and Beth Higgins) in the Fall. Joshua Fineberg won the Silver Fleet in the Spring Series edging our Ken Woods, and Fleet Captain Walt Tinsley won the Silver Fleet in the Fall Series.

Attendance on the race course has been good this year with seven to twelve boats on the line during the seven major club regattas. The outlook for 1988 is even brighter with the potential for more active fleet members than we've had for the last five years. Once again Fleet 270 will host the Indiana Open in the spring, and the Indiana districts in mid-summer.

Things got off to a slow start this spring. Ron was off playing with the big boats in the Marion race. Walter had loaned his boat to his son. Jack was playing the wood boat routine and it was too early for Doc to be in the water. George and Bill were traveling. Somehow we managed to get thru the Spring Series with George leading the pack in first place.

Summer found everyone going their own way and not enough boats together to qualify for a series.

Finally August rolled around. Walter got his boat back and Jack got a primer coat on his. Ron was back sailing his Lightning. Doc got his boat dusted off and in the water. It was nice to see everyone back sailing again. We were managing to get 6 to 7 boats on a starting line each race.

A Junior Day was put together for the first time. George and his brother Ken rounded up all the juniors in the club and put them in Lightnings. We started out with 4 boats and before the first race started, one boat broke a rudder which put it out of commission for the day. Crews were swapped around after each race. Mike Deyett was in first place by the end of the day. A cookout was held for all participants. The day was a big success and everyone agreed we should do this more often next year. Great job, boys!

Fall Series had good participation with Norm in first place. Walter in second and Ken in third. It seemed like we just got everyone together and the season ended. The first race in 1988 seems like a long way off. I hope we have a good winter for ice boating, as this will make the long winter more bearable until we can start sailing in the spring.

The 1987 season began before the water was high enough to float a boat in Lake Arkabutla. We found a spot on the floor of the Memphis Convention Center at the local boat show in February and used a rigged Lightning to build on the enthusiasm generated by the America's Cup to try and attract some new faces. This and an early season "open-house" event on the water was worth the effort in raising awareness, signing up some new crew, and even getting a new boat on the water. The new owners are Ken and Susan Prince and they join Roy and Mary Jane Robbins as new skippers. The Robbins' eager and persistent efforts have paid off this year when they tied for third at the Muddy Rudder Regatta in St. Louis in October where our fleet sent five representatives. A little help from the growing talents of young Bill Baxter III must be acknowledged.

Our fleet's premier event of the season, the Hernando DeSoto Regatta, held in May, was again a success and continues to draw the best sailors in the District as well as from Dallas. Twenty boats participated and Bill Baxter got a clear indication of how his season would go by becoming the first local skipper in several years to win the event. Of course, the consistent and spirited participation of daughter Cecile in the boat this year with Bill and Barbara sure helped. Second place went to Jim Ward and third to Frank Kelly, both of Nashville. Race Committee duties by the steady experts, Lee Breazeale and Bob Shedd, complimented the organization of Ken Davis and Lynn Jones and the help of volunteers from Delta Sailing Association to make for a fine event.

Fleet members did their share of traveling this year. Crit Currie again went to St. Pete and Crit was joined by Max Shelton at the North Americans. Bill Baxter III and co-gung-hoer Peter McDonnell sailed in the Juniors at BCC and then crewed for Max in the main event. The fleet was well represented at the Districts and at the previously-mentioned Muddy Rudder where Bill Baxter took the first place trophy with ease after building a season of momentum. Lynn Jones and various crew traveled this past year from Dallas to Nashville and from New Orleans to St. Louis, and points inbetween.

Good winds, plenty of lake water, and fleet participation made the season at Arkabutla a success. We were glad to welcome back three veterans who had taken short sabbaticals, these being Jim McDonnell with a new (to him) boat, Broady ("Get up there and hike!") Sharpe, and Dan Daniel, who along with crew Jacques Kregting, is making it a real battle for fleet "hot shot." Larry Jenkins and Max Shelton, as well as Bill Baxter, never needed to look far to see Danny this year.

We had our share of memorable events this year, but two are worth mentioning: (1) a brand new boat and new sails which helped Col. Joe Kelly and son Tony to a first in one race of our fall Cotton Pickin' Regatta (where Don Sherburne of Nashville won it all); and (2) a late season exhibition of single-handed wizardry by Frank Bermel who even set and jibed the spinnaker on his way to winning the race! Needless to say, if you're in our area, stop by for some "southern hospitality" — Memphis style!

Fleet standings: Spring Series — Bill Baxter, first; Max Shelton, second; Broadus Sharpe, third. Fall Series — Bill Baxter, first; Dan Daniel, second; Broadus Sharpe, third.

Close action in the Hernando DeSoto Regatta.

TEMPLE REEF SAILING CLUB (279)

1987 has been a rebuilding year for the Temple Reef fleet. Regular racing has not materialized but local sailors have enjoyed several successful regattas. Jim Cameron was the top local Lightning sailor winning the Wind Jamboree and Loon Lake regattas. Jim also competed in the "North Americans." Ross and Nancy Bailey finished rigging their newly rebuilt boat twenty minutes after the starting gun and then raced to victory in the Amethyst Races in September. The Bailey's winning ways continued into the Slush Cup. The season finished with Jim Cameron taking the silver in the Snow Bowl Regatta.

1987 was also the year that Temple Reef saw new sailors to the class. Most fanatical was Willy Evans who placed in the top five in all regattas and who logged more sailing hours than the rest of the fleet combined.

Light winds and "balmy" weather were the order of the day for the start of our 1987 season, on January 18th. During this Frostbite Series our hard working Fleet Captain was rewarded with a bent beer can for winning Vancouver Lake Sailing Club's "America's Cup Commemorative Race."

The spit-roasted lamb dinner that was part of opening day on April 12th was not enough to keep Jerry & Sandy Neuburger and Allan Weber from attending the California Circuit. They returned with tales of good racing and the Neuburgers had acquired a Laser.

The fleet held team races at VLSC in April. This type of racing is a regular event in our district and we felt that we should introduce it to our fellow club members. To make things fair a team consisted of two Lightnings and an Int'l-470.

The Memorial Day Regatta at the Eugene Yacht Club was the first big regatta of the year. Sadly, there was very little wind or racing; but, when all of the hoopla was over, Phil Parshley snagged a first and "Father" John DeBenedetti had nailed down a second.

June brought our own VLSC regatta, referred to in the *Flashes* as a "Mud Wrestling Event." The winds were 12 to 18 on Saturday and from little to none on Sunday. Also, due to a very dry winter and spring, the water was minimal. The Seattle fleet proved that they were better in the mud, taking 1st, 2nd and 4th. Lisa Parshley and John DeBenedetti saved our honor, taking a third and a fifth respectively.

The Neuburgers got the travelling itch again in July, and, along with the DeBenedettis, attended the Firecracker Regatta at Klamath Falls. Besides a 600 mile trip, "THE" DeBenedetti got a second and the Neuburgers a third.

The 1987 Districts were held in July, in Vancouver, B.C., at Kitsiland Yacht Club, on the weekend following the regular Kits Regatta. This meant a lot of travelling in the space of a week, or just doing the Districts. Our hardy travelers were Dave Hickman, the Parshleys, the DeBenedettis and the Neuburgers.

For most, the place to be in August was the Buffalo Canoe Club, and we all know why. Lisa Parshley started August by capturing first place in the Women's Districts, held at VLSC, and filled in the rest of the month by competing in both the Women's Championships and the "North Americans" at Buffalo. Unfortunately, somewhere between the west coast and Buffalo she contracted the flu and had to compete at a slight disadvantage.

The rest of us competed in a one-design regatta for keel boats, held on the Columbia River. The Lightning was the only center-boarder asked to participate. Our showing was such that the fleet has been invited back to compete in the 1988 event.

October saw the Seattle Regatta, on Puget Sound, with Phil Parshley coming away with a second and DeBenedetti landing fourth. The end of October had the fleet again trekking back to Vancouver, B.C., to close out 1987 by defending our reputation in the district's team races.

Should any of you find yourselves in our area in 1988, please do not hesitate to stop by VLSC. There is usually something going on all the time, and I am sure that we can find you a boat to use. If you cannot make it, we still hope to see you in San Diego.

The sailing activity of this season was limited at Fleet 310 due to bad weather — it rained nearly every day — and bigger sailing competitions which locked most of the Lightning-men to bigger boats. Some Lightning-sailors didn't even get their boats off their trailers.

However, Aulis Naykki and Heikki Ulen did manage to get in the District Championships in Hanko. Aulis Naykki with his crew Jari Makineste and Reijo Ilmasti finished fifth and Heikki Ulen was 16th.

This summer we got a new Lightning-sailor in our fleet. He is the youngest one too, only fourteen years old. Welcome to the fleet, Carl Hansen! We also had a visitor, Harri Raikamo, who moved from Kemi to Helsinki several years ago. He represented Fleet 166 in some of our racing competitions. The Fleet Champion this year was Heikki Ulen and the runner-up Seppo Posti, who took part in almost every contest we had.

.....	James V. Ganley, D.P.M.

Good wind and good competition highlighted the 1987 season, which was made all the more enjoyable by a modest growth in our fleet. After several years of having only six or seven boats out regularly, we had nine boats in almost every race. With a couple of new boats already committed, and with the return of a couple more who have been left ashore of late, we hope to field at least a dozen in 1988!

This year's results were somewhat predictable, but the trophies were

nicely spread around even so. Our young star sailor, Ted Ganley, found enough time in his med school curriculum to finish first in both the Early and Late Series, and won both the Buss Neff and Skipper's Cups. Tom Hopkins placed second (tied with Jack Gregg in the Early in both series, won the Commodore's trophy, and placed third in the Summer Bay Race.

Al Mast won the Walbert Cup and the Summer Bay Race, and placed third in both the Late Series and the Fall Bay Race. Bob Horne finished third in the Early Series, and second in the Fall Bay Race.

Jim Ganley won the Fall Bay Race, and Charles Witomski placed second in the Summer Bay Race. Our sailing family of Roseann, Joe, and John Spych (not all in the same boat) managed to qualify for the Butt Award, thus becoming the newest members of the Kentmore Park Polish Navy.

See you all next season — Let's go for an even dozen on the water in 1988!

Newlyweds — Fleet 325 champion Fred Mertes and bride Mary Katherine.

The Rehoboth Bay Sailing Association Lightning Fleet 325 began its 1987 season with the hosting of the Twenty-First Annual Delaware Governor's Cup. Twenty-five boats were on hand to participate in the moderate to heavy air on Saturday and light and variable conditions on Sunday. Local favorite, Fred Mertes, won the event with consistent finishes, followed by Steve Bachman and Doug Heussler in second and third, both being from Annapolis, Maryland.

On July 25th and 26th, the R.B.S.A. hosted the Atlantic Coast Cham-

pionships; thirty-one boats participating from as far away as Columbus, Ohio, and Newport, Rhode Island. Conditions were light to moderate, with Newport sailor, Brad Read, taking away the top spot, followed by Jack Huntsman, of Red Bank, New Jersey, and in third place Matt Fisher, of Columbus, Ohio.

In between regattas, the local fleet hosted the Summer Series, Fall Series, and Fleet Championships. The Summer Series was won by Fred Mertes and followed by Chris Raubacher. A shorter version of the Fall Series, due to Rehoboth Bay Sailing Association hosting the Sunfish North American Women's Championships, was won by Fred Mertes, with Dave Racine taking second.

A combination of the Summer and Fall Series resulted in Fred Mertes being the 1987 Fleet Champion, with Dave Racine as the Runner-Up.

Rehoboth Bay wrapped up the season with the Purnell Memorial Regatta. Attendance was excellent this year, with 16 boats participating from Rehoboth, Maryland, and Virginia. Steve Bachman, of S.S.A., was first, followed by local sailors Fred Mertes in second, and Dave Racine in third.

R.B.S.A. looks forward to a very busy 1988 season with the hosting of the Twenty-Second Annual Delaware Governor's Cup on June 11th and 12th; and Dixie District Championships on June 25th and 26th; and the Purnell Fall Regatta on September 10th and 11th. Hope you all can find time to come visit us and sail on our excellent waters.

Summer '87 was the rainiest of the whole century in Finland. Despite the rain, the activities in our fleet were much livelier than they had been for many years. We got a new Lightning skipper Timo Holma and his beautiful female crew members. Ari Kokko with his boat *Lola* showed his sailing skill this summer when he placed quite well in several competitions. Maybe the biggest change in our fleet of boats is happening in the *Valko* in which Anssi Lilja, who is only 16 years old, is taking the command into his hands. His father, Ilkka Lilja, who is the most successful sailor in our fleet, is unfortunately leaving the Lightning because he is going to sail with big keelboats.

The Finnish Championships were held on the sea off Hanko which is the southernmost point in Finland. The sailing area was very fine and suitably protected by many islands. Our fleet was represented only by the *Kristiina*. This time the final result was an average placing of 11th out of 25. Four boats took part in our own Championship which was more than for many years. This year's Fleet Champion is the *Kristiina*, Samppa Salminen, and the Runner-up is the *Lola*, Ari Kokko.

We are looking forward very eagerly to next summer, because the World Youth Championships and the European Championships will be hosted by the Finland District. Both races will be sailed on Lake Nasijarvi at Tampere. Our fleet is going to send four boats to the Europeans. Anssi Lilja and his crew will represent our fleet in the Worlds and we wish them the utmost success!

Racing trophies were well distributed. Dwight Gertz won the season championship and the annual open Lightning regatta. Bob Ayotte beat 21 boats ranging from a Sunfish to a Hobie 18 in the annual "Around the Lake" Race. Dave Closson won the "Pop" Closson Bowl for the last three races of the season. Jack Russell was season runner-up and notched a first place on a day when a member of the Australian America's Cup crew borrowed a boat to race with us but couldn't touch Jack. Doug Walker and Ginny Welles both showed great improvement in their second season. Doug won a race on Labor Day. Ginny had a second and a third and repeatedly threatened the leader. Peter Adams and Wally Ackley came out

On Labor Day weekend, 31 people ranging from fleet founders Howdy Wood and Dick Blair to newest member (that day!) Peter Adams gathered for dinner at the fleet co-captains' house and talked into the night about good seasons past and better seasons to come. Bob Custance would have approved.

July brought good weather and racing to Galway as we had four to six boats on the line for most races. Unfortunately, August weather deteriorated, Maury Gardner returned to Oregon, Jim Millard and crew went to Africa (no sailing — too many hippos), and Ken Buhrmaster and Harold Hansen were on injured reserve. Walt and Dale match-raced most of the month with Jim Dickson.

Jim Millard, with super crew Nell and Doug, was able to get in enough races to retain the trophy, with Walt and Dale a close second.

Hopefully, our numbers will return to normal next year.

Fleet 348 concluded a very competitive season of racing on Lake Lanier. Although the weather was beautiful for racing, the drought was draining the Lake. We had ten participants race in 20-22 local races this year. The Spring Series was won by Marty Headlee, followed by Ken Wallace and Bob Shingler. The Summer Series was taken by Bob Shingler with Ken Wallace and Bob Schindel capturing second and third places. The Fall Series was decided in the last race with Ken Wallace beating out Marty Headlee for first place honors with Bob Shingler claiming third place.

Also dependent on the best race was the Fleet Champion Trophy which went to Ken, with Marty as Runner-up.

The Atlanta Cup, held October 3-4, was an exciting Series with Bob Wardwell holding off Lenny Krawcheck to take the fifteen boat event.

Fleet 348 adds two competitive sailors to next year's activities as well as several new boats. We look forward to a great 1988 (if the lake fills back up).

The 1987 sailing season proved to be a year of consolidation for our fleet. Long time member and top partier, Bill Ehmann, has moved. However, he hopes to find an active racer in our area so that his boat continues to be campaigned. We wish Bill the best of luck in his new career, but he will be missed by all.

Our club conducts Tuesday night racing from early May through August and although we seemed to be plagued by light winds — it seemed to be the only night that it didn't blow! — we still managed several close, exciting races.

Two of our members participated in the Pacific Northwest district this year with longtime absentee, Neil MacGibbon, making his presence felt at the Kits Invitational and the Districts, both of which were held in Vancouver, British Columbia. Bob Bazett also attended these events picking up second and third place finishes respectively. The racing at the Districts was particularly exciting as only two points separated the top four boats. Bob also attended the Seattle sponsored Fleet Championship Regatta, which in

his words resulted in a comedy of errors. However, good winds and sunny skies made the trip worthwhile.

We hope that next year will see a resurgence in fleet activity and hopefully some new members.

1987 can be best summed up as an OK year for Fleet 372. Our ILCA memberships were at a record high, but early season participation was a little dismal. Later in the year, things heated up quite a bit, so we closed the regular season on an upbeat swing.

Followers of Fleet 372 know we spend a lot of time on the road. But our combined mileage can't match the single effort put in by Chuck Ellery. Of course, a trip to the Southern Circuit alone is good for one oil change, but he also hit everything else within five fleets' range.

It was great to have Bob Smith bring his boat out of long retirement, signaling the end of his home building project. Bob's teaming up with two-time Fleet Champ Tim Barnes means real problems for others with intentions for the 1988 Fleet Crown.

This year's Fleet Championship was a very close race between Bruce Arnold, Chuck Ellery, and Mark Patty. Mark was awarded the title, his seventh. One of our most coveted awards also refers to this same guy; it's the Mark Patty "Sizer of the Year", recognizing the season's best lay-down. Well, there is a reason for its name. Once again it was Patty who stunned the Fleet with a now well practiced double-entertainment-bonus-extravaganza. Regular Year Book readers know what this is.

Two great things did happen this year. First, Mike and Arlene became Mr. and Mrs. Molina. Their outdoor wedding and reception was terrific.

The second thing is our big story. Bruce Arnold was named SBRA Yachtsman of the Year. The award was presented at the SBRA 50th Anniversary Banquet in October. The Lightning Class is honored that one of our own has been selected for this prestigious title. Bruce, who now joins a very exclusive list of Northern California's finest yachtspersons, recognized his wife Sue and sons Kevin and Rand for their mutual enthusiasm and support. Anyone who has been around the Arnolds knows they are special. To Bruce, all our heartiest congratulations.
