## FOUR TIMES AS FAST

> "Because of our consistently fast boatspeed, we can concentrate on winning tactics."

Brad won the 50th Anniversary Regatta and was 4th in both the 1989 Worlds and Europeans. He is always available at regattas to answer any sail trimming or tactical questions, or is available for fleet seminars. Call Brad at Shore Sails Rhode Island.

## "We guarantee the highest standard of quality in the industry."

Besty is a three-time Rolex Yachtswoman of the Year and is possibly the winningest crew in the Lightning class. She began her Lightning career as a junior at Metedeconk YC in New Jersey, going on to win the Women's Championship as skipper in 1984. Betsy personally oversees construction of each Shore Lightning sail.

## "It's nice to come back to a suit of

 sails that are easy to trim."Mark has won two North American titles and is consistently in the top ten. He is one of the most knowledgeable Lightning sailors in the class. After trying another sailmaker for two seasons, he came back to Shore to revive his upwind and downwind speed. Since the change, Mark and his crew have won both the Bluenose and Sugar Bowl Regattas. Talk to Mark at any regatta; he'll be happy to tell you why he came back to Shore.

Mark Bryant

## "Through intense sail testing, we are able to ensure that you're getting the fastest suit of sails on the market."

A two-time World Champion and six-time North American Champion, Bill has been on the cutting edge of Lightning sail design for more than 20 years. He coached Lynne Jewell and Allison Jolly to a gold medal in the 470 class in the 1988 Olympics. Now he is utilizing his coaching techniques in Shore Lightning tuning sessions, refining sail shapes and developing our 1990 light air jib.
