

Registry of Lightning Boats

(Corrected to April 25, 1994)

This is the boat information which has been computerized to this date. We expect this information to be collated with the general boat number list by next year. If you have specific questions, check last year's book or call the I.L.C.A. office in Worthington. You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is noted following the owner's name. If the name is followed by a "0", this signifies the owner is unaffiliated.

To all ILCA members,

My heartfelt thanks to the members who contributed articles and photos for this yearbook. The following are those, to the best of my knowledge, who sent photos to the ILCA office or to me: Bill Allen, Indiana District; Sally Atkins, Central New York District; Crit Currie, Mississippi Valley District; Brian Hayes, New England District; Tom Hudson, Michigan District; Tryg Jacobson, Midwest District; Jens Renschmann, Brazil District; Bob Smither and Bruce Thompson, Midwest District; and Maria White, Connecticut-Rhode Island District. A special thanks to Donna Foote and Karen Johnson for their assistance.

How would you like to receive your yearbook before the Southern Circuit next year? It is a distinct possibility. In the past the yearbook had been done by hand, typeset, proofed, edited, cut and pasted. This year about 130 pages containing statistics were put "on the computer" to which additions and changes can be made quickly and easily. The cover was done in Photoshop and all pages were done in QuarkXPress desktop publishing.

If the general membership would like an earlier yearbook, everyone could: plan ahead, send in any thoughts for articles of a technical, humorous or inspiring nature, also photos (action, humorous, or of human interest, with or without captions, but definitely with photo credit information attached to the back of each photo, in case they are separated during production). Send them to the ILCA office anytime during the year. So, if all you members can meet the December deadline for articles, photos, fleet dues, district and fleet reports, you all could be chatting and reminiscing with the yearbook in St. Pete or wherever you live.

Producing this issue was time consuming this year, but I assure you I did my best and it was a labor of love. I hope you enjoy it.

Sincerely, Audrey Matteson, Editor
