North American *CHAMPIONS*

The first National Championship was held when the first boat was publicly less than eight months old. Nineteen boats participated, and John Barnes won with three firsts.

In 1945, the Championship was renamed International, there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

The North Perspective:

When the view is this good from the top we love looking down on ourselves.
