It is official, Fall has begun. Earlier in the week there was Sun and it was in the mid 80's. Well Saturday morning we awoke or 40's and cloudy skies with little wind. It warmed up to the mid 50's but the wind was spotty and shifty at best. The race committee worked hard to get in 3 races Saturday in the very trying conditions. The sun eventually poked out for the nice evening festivities. Sunday was another cold morning with the hint of rain in the air, it rained overnight. The wind was up a little though and steadier. The fleet went out and completed two nice races with the rain holding of till the afternoon.

This year the Ohio State Governorship trophy was awarded to Lisa Austin. This trophy awarded to the boat who does the best and attends most of the Districts events. Congratulations Lisa.
