# DEDICATION

Back in the summer of 1976, after having come thirteenth in the Lake Erie Districts with the top twelve going to the North Americans, little did I know how lucky I'd be when I called Helen Limbaugh at the I.L.C.A. headquarters to ask if she knew of anybody who needed a crew or if she knew of a press boat from which I could take pictures of the North Americans. Helen asked me if I'd help with the Year Book, as Assistant Editor last year and Editor this year. I accepted and I've been fortunate enough to work with some great people — Dave White, Tom Bierman, Helen, Marie and the others at the I.L.C.A. office.

Working with these people has reinforced my belief that Lightning Sailors are the best people in the World.

No Year Book is the effort of one person; it's the effort of many. Although I know I'll miss saying that you to some people, I'd like to give thanks to Tom Bierman, who edits the back half of the Year Book with all the Fleet and District reports. I would also like to give a special thanks to my crew, Cathy and Stewart, for all the work they did on my boat at the North Americans in 1977 (we did manage to qualify last year) while I wandered around the Canoe Club trying to line up articles for the book. Without them, we never would have made it to the starting line anywhere near on time.

I'd also like to thank Asim, Scott, Garth, Rody, Jim and Kerry for helping take pictures from CF-QZM.

A special thanks has to go out to all the people who submitted articles for the book. Thanks are also due to Mary Huntsman for her coverage of the North Americans; and a special thanks to Jake Jacobson who has donated the front cover of the book, as well as supplying many good sailing shots.

1978, the year coming up, is the 40th Anniversary year of the Lightning and the Class couldn't have made it this far if it weren't for the likes of Helen Limbaugh and the rest of the staff at the I.L.C.A. headquarters, as well as you, the Lightning people.

I hope to see you all at the 40th Anniversary Regatta at Skaneateles, New York, July 8th and 9th, 1978.

A handwritten signature in cursive script that reads "David Sprague". The signature is fluid and elegant, with a large, sweeping 'D' and a long, trailing flourish at the end.

David Sprague, Editor

# THE PRESIDENT'S MESSAGE

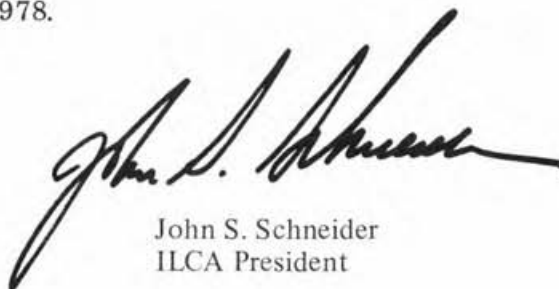

It is a particular pleasure for me to serve as President of the International Lightning Class Association in 1978, our 40th anniversary year. Due to the foresight and efforts of our predecessors and the present strength of our organization and membership, we have an opportunity now to provide for the future growth and prosperity of the Class.

In 1978 we need to address ourselves to particular subjects such as financial security, international and youth sailing, maintenance and improvement of the one-design characteristics of our boat while improving its popular appeal, sustaining activity and membership in geographical areas where the Lightning is currently popular, and offering substantial encouragement to those developing areas where there is a strong nucleus for growth.

In order to accomplish these considerable undertakings many of our members are committing substantial time and effort. The results of these efforts will be published in monthly issues of *Flashes* and discussed at our winter and North American meetings.

On behalf of the Class, I would like to take this opportunity to thank each of these individuals for their invaluable assistance and dedication, and urge each of you to express your opinions to the officers of the Class and to support their efforts to improve our position in this competitive and changing world of international sailing.

Thank you and good sailing in 1978.

John S. Schneider  
ILCA President

# Officers of the International Lightning Class Association

## PRESIDENT — John S. Schneider

Since the time John first started sailing the Lightning at Buckeye Lake in Ohio, he has moved more than any other Lightning owner on record. Taking his boat along each time, he has belonged to the Ohio, Dixie, and Metropolitan Districts, serving as Commodore of the latter for two years.

John's first Lightning was 5559, he now races 13177. His wife, Nancy, does not sail but tolerates new boat and sail purchases and the countless hours John spends with his boat. She renews Lightning acquaintances during the trips to World Championships.

He devotes any spare time to his real estate investment firm in New Jersey.

## TREASURER — John R. Nixon

John has raced Lightnings since the late 1950's with two sets of kid crews starting at age nine and running through teenage years—first with lake neighbors, then with his own children. One son, Chris, last summer acquired a wife and his own racing Lightning. Colorado U. daughter Lynn still loves racing "more than anything else I do." Wife Jane, Greg, Susan and Carol pitch in when pappy's short on crew but enjoy just plain sailing the best, usually in the family's Skylark or Chrysler 22.

John was one of three who were instrumental in establishing the Indiana District and started a Lightning fleet in his home town of Peru, Indiana, although he races with Fleet 154 at Lake Wawasee, Ind. For the past eight years he has helped the non racing Peru fleet conduct a highly successful regatta which attracts many top midwestern region skippers.

He set up a Peru Sea Scout Explorer post several years ago, training sailing instructors in Lightnings. Last summer he helped establish a YMCA Lightning sailing training program, created a sailing training book and watched the Y as it turned out nine instructors, 32 participants and five qualified skippers in the final weeks of summer.

In ILCA work John has been active in the publicity and promotional areas and is a former editor of the Year Book. He is president of Nixon Newspapers, Inc., which has six dailies in Indiana and Louisiana, has held many top slots in local civic work, is a past president of the Hoosier State Press Assoc. and is on the board of directors of the nation-wide Inland Daily Press Assoc.

Executive Secretary  
**HELEN E. LIMBAUGH**  
of Worthington, Ohio,  
I.L.C.A. member since  
1956. Husband Jay.

Ass't. Measurer and VP  
**GEORGE V. FISHER** of  
Columbus, Ohio. I.L.C.A.  
member since 1948. Partner - Law Firm of  
Krumm, Schwenker &  
Fisher. Wife Marty.

## SECRETARY — Dr. Donald P. Delorme

Don is a gynecologist in Alexandria Virginia practicing gynecology and gynecological oncology in the Alexandria-Mt. Vernon area. Without the rigors and demands of obstetrics and with the help and understanding of some colleagues he is able to get most weekends and several weeks a year free for local regattas at the Severn Sailing Association and distant international trips. When not doing this they ski occasionally and travel some. Don and Wanda have owned a Lightning since 1963 and are on their sixth boat. In the years before this Don crewed occasionally on Lightnings in the Lake Erie District growing to respect the boat and the Class. They originally grew up in Hamilton, Ontario Canada but moved to Baltimore Maryland for post-graduate training. At this time they found the long sailing seasons and the beauty of the Chesapeake Bay overwhelming and have stayed in the area since.

Donald Jr., age 11, has been sailing more and more and attends Camp Seagull in North Carolina where he has been learning to sail Lightnings and is showing more and more interest in sailing and the Lightning Class.

Becky, age 14, is leaning toward becoming a full-time ballerina.

Presently they are sailing only Lightnings and trying to get one more big shot to knock off a big one here or there.

## CHIEF MEASURER &

## VICE PRESIDENT — David O. Peters

Dave has sailed Lightnings since his family purchased #1214 when he was two years old. Since then he has had Lightnings 11055, 11855, 12154 and his current boat, 12754.

Racing Lightnings is a large part of Dave's leisure time. He has attended Lightning Worlds since Helsinki in '71, was part of the winning crew in Buffalo in '73, and also participated in World Championships in Salinas '75 and Speiz '77. He has sailed the Southern Circuit and has raced his own boat in the North Americans and in the Michigan District circuit.

Dave has served as Michigan District Commodore, Secretary/Treasurer, and District Measurer. He has also been an I.L.C.A. Assistant Measurer and Vice President.

When not sailing, Dave is a partner in Fry/Peters Associates, an architectural firm, and President of F/P Development Co., Inc., a construction management company. Both are in Ann Arbor, Michigan.

The Peters are members of Fleet 374, located at Douglas Lake, near Pelston, Michigan. Dave's wife, Shrub, is also a Lightning sailor. They are the proud parents of a third generation Lightning skipper, Jonathan.

SPECIFICATIONS AND RESTRICTIONS FOR LIGHTNING CLASS

1. The following specifications and restrictions are to govern the construction of the LIGHTNING Class boats until such a time as a regular measurement committee is appointed to draw and administer permanent restrictions. Certain tolerances have been drawn up to cover measurements. These tolerances will be made known to only the Class Secretary so that the tendency of intentionally altering the boat within these tolerances for the purpose of increasing the speed may be avoided. If in the opinion of the measurement committee a boat has been built so as to take advantage of any tolerances she may be refused a measurement certificate. Boats built with reasonable accuracy and as nearly as practical to the offsets will pass. Suitable tolerances have been drawn to apply to the table of offsets but they will be known only to the Secretary of the Class.

2. Before a yacht is officially accepted by the LIGHTNING Class she must be measured by a certified measurer and passed by the measurement committee of the Class. Upon being passed by the measurement committee the yacht's official number must be burned or cut into the starboard side of the centerboard trunk, in numbers at least 2½" high. This is the only permanent means of identification.

3. HULL To be entirely of wood. Either Spruce, Mahogany Cedar, Cyprus or similar woods as are normally accepted in Yacht practice. Weight to be between 22 and 38 pounds per cubic foot. Framed with no less than the number of frames shown on the plans. Bottom frames, sided 7/8", moulded 1½". Planking as specified. Deck beams, sided 7/8" and moulded 1-¼" minimum.

Keel plank shall stand 1/2" proud of the bottom which must then be allowed in - measuring all heights as shown on line's drawing.

Chines and keel may not be rounded to a greater radius than 1/2". The chine log shall be installed as shown on plans.

Deck beams are to have a camber of arcs of a circle of 20' radius. Deck should be canvas covered. The widths of the deck around the cockpit shall be no narrower than shown on plans.

Cockpit shall start at frames number four and run aft to frame number 8-1/2.

Minimum weight of the hull with all rigging, mast and boom, rudder and centerboard to be not less than 800 pounds.

HULL Con'd.

Cockpit braces, doubling blocks and etc. to be not less than 7/8" thick. Material optional.

Any difference in weight between complete hull and the minimum weight specified shall be made up by the addition of any material to under side of deck. This shall be securely fastened and may be removed in the amount that soakage increases the weight of the hull.

4. Seats optional. Material optional.

5. All material to be no less than the specified dimensions, except where so stated.

6. RUDDER 3/4" thick and not to vary more than 3/8" from official plans. To be made of wood, chamfer may not extend more than 2" from any edge.

7. CENTERBOARD To be 5/16" thick and not to vary more than 1/4" from any dimensions from official pattern except in an area bounded by a triangle formed at the top end and forward edges at their intersection and having legs 6" long, to allow for pennant fitting. To be of galvanized iron or steel. Other materials not allowed.

8. MAST To be hollow and rectangular in section, Made of Spruce or Douglas Fir with walls not less than 1/2" in thickness at any point. Minimum dimension at deck 2" x 3-1/16". and to have a continuous convex taper to a point at the top of sheave where the dimensions shall be 1-3/8" x 1-5/8". as per spar drawing. Length of mast from top of step to top of sheave shall not be greater than 27'5". Mast must not be grooved to take bolt rope of sail.

The bolster at the mast head must be the same outline as in the detailed drawing. Forward side of stem to forward side of mast must measure 6'9". Rotating masts prohibited. No change in position of mast at any point will be allowed during any race. With boat in sailing trim aft side of mast must be a straight line.

9. BOOM Must be solid T section as per plans. Foot of sail must fasten in a straight line in both plan and profile. No arched or curved tracks are allowed and no transverse movement is permissible in the foot of the sail. The sail must be attached to boom with track the same as on mast. Length of boom from aft side of mast to extreme end effecting outhaul of sail shall not be greater than 10'0". The spinnaker pole shall be 6'9" over all when measured square off. Size and shape as per plans.

10. RIGGING As shown on plans as to position and number of stays. Strength of wire to be at least the amounts noted on plans.

Method of attaching to spars optional. Any change in the set of standing rigging except as occasioned by accident or by means other than conventional turnbuckles during the race shall be prohibited.

## *Lightning* SPECIFICATIONS

Length Over-All 19' 0", Beam 6' 6", Sail Area 177½ sq. ft.

**DOUBLE PLANKED BOTTOM** of selected vertical grain clear cedar in two layers. The side planking is formed of full length selected vertical grain cedar, double tongue and grooved, glued into one piece.

**MAHOGANY TRIM.** The transom, coamings, gunwales, rudder and all trim are of Mahogany.

**FRAMES AND STRUCTURAL MEMBERS.** Sitka Spruce or Mahogany, resulting in a very strong, yet lightweight hull of superior weight distribution.

**BRONZE FITTINGS,** plain finish, specially designed for LIGHTNING. More efficient and attractive than stock fittings. The tiller is pivoted to permit raising and lowering. The centerboard is operated by a specially developed winch.

**RACING FINISH.** Three coats of the best marine finishes carefully rubbed between coats. Bottom, racing copper bronze; topsides, gloss yacht white; deck, Skaneateles gray-green; inside of hull, spars, cockpit trim, transom, rudder, tiller gunwales, seats, floor boards and centerboard case, three coats of best spar varnish.

**LIGHT WEIGHT SPARS.** Expertly made of Sitka spruce carefully selected for greatest strength and lightest possible weight aloft.

**RACING SAILS.** Skaneateles Racing Sails are normally supplied. Jib and mainsail, nicely finished and of good cut and material, are standard equipment. They are complete with headboard slides on hoist and foot, battens, bag. LIGHTNING emblem and racing number. Skaneateles Special Racing Sails, also available or sails by any sailmaker specified can be furnished.

**RIGGING.** Two lower shrouds, two upper shrouds with spreaders, two jumper stays and struts, and permanent backstay all of 1 x 19 double galvanized plow steel wire rope. Complete running rigging of Manila or similar material. See separate price list on spinnaker rigging, including double ended spinnaker boom with fittings for tack and guys at both ends; halyard with snap shackle, block and cleat; guy and sheet.

**OUTBOARD WELL** permitting the use of standard outboard motors can be supplied at small extra cost.

**MEASUREMENT CERTIFICATE** of the Lightning Class Yacht Racing Association will be on file with the Chief Measurer when your boat is delivered. Your number is cut in the centerboard trunk as well as sewed on the sail.

**WEIGHT** in racing trim, approximately 725 lbs.; crated for rail shipment, approximately 1100 lbs.

**TRUCK DELIVERY** can usually be arranged to destinations in eastern United States, effecting an economy and having the added convenience of delivering the boat to the exact spot you wish, often including launching.

**EASY TO BUY.** We can in all probability arrange a time payment purchase plan in most states.

**NOTE.** If at any time it is, in our mind, for the improvement of the boat or our service, we reserve the right to alter these specifications within the class rules, without notice.

# THE STORY OF LIGHTNING 120

by Ted Siferd

*(Editor's Note: Ted Siferd is a former Class President who put the following story on tape to help commemorate the Class's 40th Anniversary in 1978. We feel it gives a bit of information about the people who helped build the Class to where it is.)*

Back in 1937, my wife and I and four children were up in Michigan and the row boats to rent were so poor I decided to build myself a boat. I saw a 10' pram advertised in Popular Mechanics so I proceeded to build it. What this has to do with the Lightning is hard to understand, but what I'm leading up to is that I built the boat and used it successfully in trips to Michigan and the Indian Lake Reservoir for fishing. I found out that I could build boats and a friend here who was a Westinghouse engineer, Larry Miller, was interested in the few boats that there were to sail on Indian Lake on Sundays, and we got him really interested in sailing.

Larry had read Yachting Magazine and he was familiar with the new Lightning Class plans which were just coming out in 1938. I had already purchased the plans for an 18 footer, Crosby design, but Larry was so enthusiastic about the Lightning that I gave up the Sea Gull idea and decided we would both build Lightnings, which we proceeded to do in the early part of 1939. I had purchased my plans first, number 45, but Larry was going to be ready to build before I was so I turned my plans over to him and re-ordered plans and they came in as 120. So we proceeded to get busy and build boats.

Larry was an accomplished woodworker and had a shop full of tools. He got along splendidly with his and helped us with ours. He was ready to go in the water in early June of '39 and I think I got in the 4th of July in '39. I'm not sure now, but I think we had just the two Lightnings down there in 1939, although I think there was a carpenter out in the country who was building one for the Morris brothers. Anyway, by '41, we had four boats. We formed our Lightning Fleet here on Indian Lake and got things going.

You may be interested to know something about the cost of a boat at that time. I built my boat with wood frames bought from the Delta Boat Company over in New York and they were \$42.00 including freight. Then I bought the planking and lumber for the boat and the keel from Kels Mill Lumber and Supply Company, which was approximately \$60.00 including the freight. By the way, any of you folks who are interested in working with wood would be interested in knowing that I bought cedar at that time for 20¢/square foot and red cedar at 18¢. I bought Philippine Mahogany at 20¢/square foot and the Oregon pine tongue and groove for the decking under the canvas was 3¢ a foot. The rigged mast complete, at that time, wood of course, was \$50.00 and the sails, from Iry Caldwell down in Boulevard, South Carolina, were \$36.00 for the main and jib and \$30.00 for the spinnaker; so I gave \$66.00 for the sails. I had the centerboard made at the Lima Locomotive Works and it cost me \$20.00 as I remember it, and the miscellaneous hardware from a Detroit firm cost \$27.00 and the extra materials, rope, life preservers, anchor, paddle, and paint ran \$14.00. Regular ship preservers at that time were \$2.25. Making a total of \$279.32 paid for materials. I still have the bills in an envelope here along with

the official set of plans.

It so happened that the boat was constructed lighter possibly than any other in our fleet of four boats, but with my total inexperience as a sailor we didn't do well at all the first year in 1939, but we got on to it the next year. The floorboards ran clear up to the bow in the boats of the original plan and I decided to lighten my boat up as much as possible so we took the floorboards out up ahead of the mast and took them out behind the seats where they ran clear to the transom.

Of course, I was interested in getting a smooth paint finish on the bottom. Copper boat paint was the best at that time and properly put on and hand rubbed it just looked like a sheet of copper and it was as smooth as silk. When we went to South Haven a little later, and as my boat was named the *Jean S* after my wife, there was a standing joke up at the banquet about *Jean S* having the smoothest bottom in the Fleet.

The planking on the outside of most of the boats at that time, except Skaneateles which was a double thickness boat, was planking and of course you had to leave an eighth of an inch approximately opening on the outside and fill that with seam filler. Then after it had been in the water awhile, it swelled up and maybe raised an eighth of an inch or so. You would then have to take it out of the water, turn it over and take a thin razor blade down the whole length of the boat and skin that little raised place off, then give her another coat of paint, rub it in and she'd be good for the rest of the season.

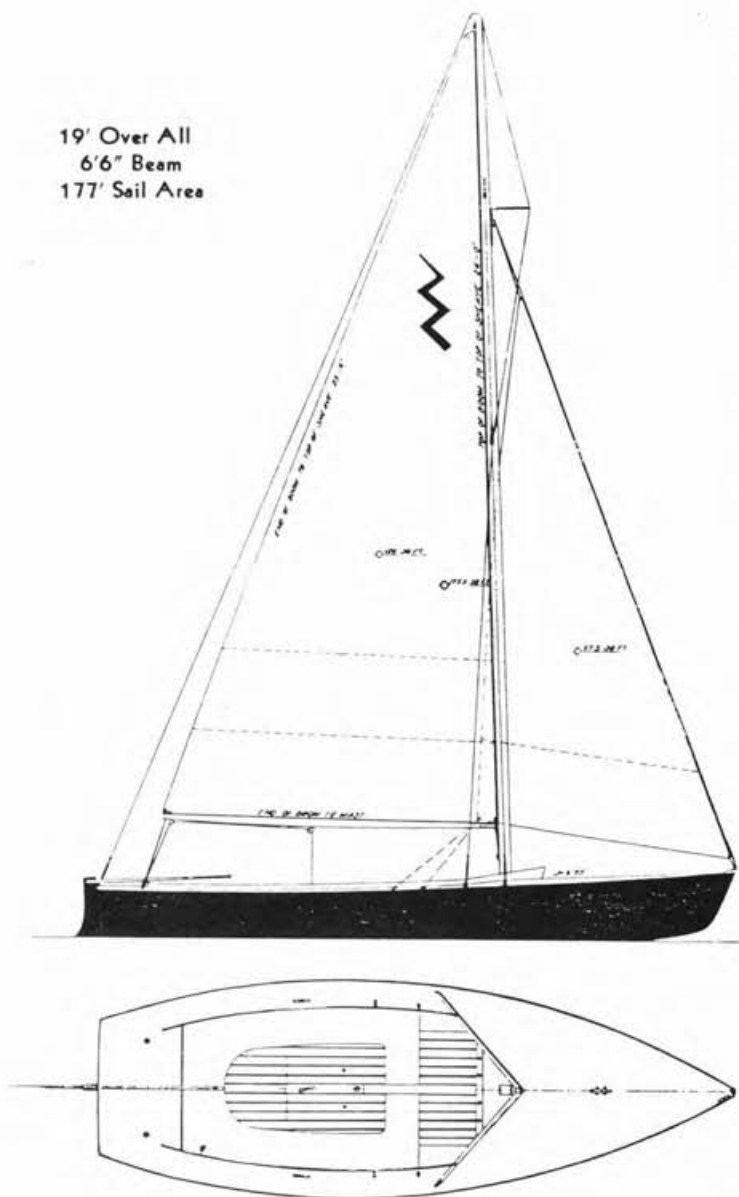

There was quite a bit of maintenance on a wood boat but it was the maintenance of love, the beauty of the wood and the wonderful feeling you had of having made it yourself so it didn't create any problem. You were just tickled to death that you had such a wonderful boat and having such a wonderful time with it.

The next year, as I remember in 1940, we did a little better in our sailing down here. We had quite a few races and it was a bit competitive and quite interesting at the Yacht Club. We never had a regular race committee because we didn't really have a Yacht Club; we just had a group of people who were anchored in the Bay. On a vacant lot there, a fellow gave us permission to build some docks. We had four Lightnings and an indiscriminate number of boats of all kinds - Snipes, Vampires, Seagull, and several Condors, a Penguin, a Comet, We lined up as near as we could - just sailed down towards the line and tried to get lined up and a fellow stood in a row boat, at the imaginary end of the line, and shot the gun off and we went. We never started with a regular starting line, a regular committee, or five minutes interval between Classes and everything like we have now.

We were quite inexperienced and I told my wife and son, Charles, who crewed for me, that if we did pretty well that year, next year we'd go to South Haven, Michigan and sail up there with those big water sailors out of Chicago. We ought to be able to learn a lot by sailing with those people who had that kind of experience and that background in sailing, because there is very limited sailing down in the puddle here in Central Ohio that we sailed on. So after a fairly successful 1940 season, the 1941 season came along and we had our boat in excellent shape and everything was all set so we decided to take in the regatta at South Haven.

If I remember correctly there were 23 boats started that

year in the Lake Michigan District Regatta, from the Devils Lake, Indian Lake and the Great Lakes and so forth. So never having started with a starting line and stop watch and all of the formality that the racing is done by, we were quite fearful of fouling out, so we never started better than 17th out of 23 boats. We stayed back in the starting line and were quite surprised to see how well we did. We came within one point from winning the Regatta. Barney Crittenden, as I remember it, from Devils Lake, was coming down on port tack and I was on starboard and I didn't know enough about the rules and he hailed me for the right of way. I turned out of the way and gave him the right of way, so he beat me by about half a boat length, or we would have won the regatta.

One of the interesting things, of course, was coming up along the river there at the South Haven Yacht Club to get to the lake, we sailed through those boats like they were standing still. The only thing I can account for it is the fact that on our small lake here we do a lot of tacking and so forth and we were used to maneuvering and possibly not sailing in a straight line for mile after mile. Anyway, that was our experience at South Haven and what a wonderful experience it was.

So with the success we had at South Haven in the District Regatta, naturally we wanted to take in the Nationals at Skaneateles, New York, on one of the Finger Lakes over there. So we arranged to go over to New York and take that in. We, of course, were sailing there against some of the Eastern sailors, many of them with many years experience in sailing and I think we finished 7th in that Regatta out of 20 or 30 boats.

We were not used to sailing in heavy weather and they had terrific weather, 35 to 40 mile an hour winds. Of course my son and wife weren't very heavy, and as I said, I had my family with me, so we were quite apprehensive, or I was, about sailing in that kind of weather. The early Lightning sails had two rows of reefing points in them, so we were reefed down to the lowest reefing point, shortening the sail as much as we could, and took the jib off but we still had a hard time staying up. John Stern won the Regatta and he had Bob Woods with him, the designer of the Bellaire Cobra of World War II, and Bob weighed 230 pounds or 320 pounds. Anyway, he was just the kind of ballast you needed for that kind of a day and John was sailing around there with all his sails up and, of course, left most of the rest of us far behind.

The next year we came back to the Lake Michigan District regatta held at Devils Lake. Barney had won the regatta by a half a point over me, so naturally we were anxious to go up there and get our revenge on him. This regatta was held in mid-summer and it was a very lovely regatta. We were able to win it and the Lake Michigan District Championship. Many of the early sailors we were competing against became very active in the Lightning Association:—Len Ladenberger, President from South Haven; Walt Swindemann, National Championship several times from Toledo; Bill Girkins; Art Bercher was Chief Measurer; Walt, of course, was National President; and Dick Krause was also sailing. Karl Smithers sailed with us at South Haven then in the Wartime Regatta, so we were getting quite deeply involved in racing at this time.

It was now wartime and of course our good sailors were in the service and only got a chance to sail when they were home on leave. Also it wasn't possible to transport our boats any distance and we had to use borrowed boats, so the Wartime

Reprinted from Skaneateles Boats, Inc. Brochure

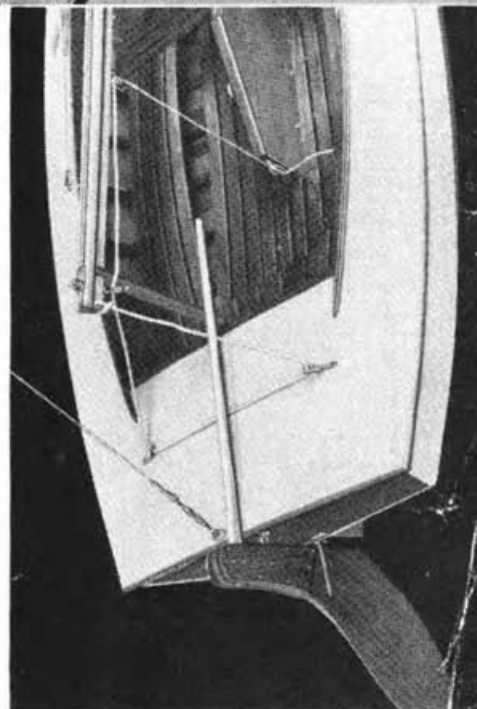

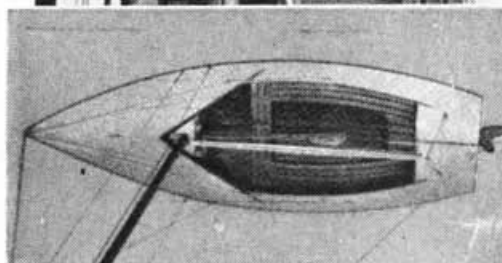

Regatta in 1942 was moved from the East, to South Haven Yacht Club in South Haven. One of the reasons being that South Haven had the largest fleet of Lightnings of any of the Yacht Clubs in the organization. They had started their new club there with 12 Lightnings and consequently that provided a large number of boats from the local area, and of course a lot of the sailors from the Mid west and Chicago area were able to bring their boats because they didn't have too much distance to travel.

It may interest you to know that in the early Lightning sailing there was no bent masts and no mast rake of any account. The original plans called for 12 inches of rake and the mast straight at the dock. This was interpreted by most everybody we came in contact with that the mast was supposed to be perfectly rigid at all times. If you will look at the early Year Books, back in the early 40's, you will notice that the mast is as straight as a toothpick and no bend. But in this year of '42, we began to have our eyes opened. A young 16 year old sailor, Dave Cruett, came out from the east and took an old clunker that had never done anything in the South Haven Fleet at all, (*Butch II* was the name of it), and then proceeded to show the top sailors in the Class just what can be done by tuning the boat a little differently than we had been doing. Dave's mast was bent backwards, had a curve in it, and it also fell off to the side.

We had very heavy winds — South Haven is famous peach country and, at the time we were there, the peaches were ripe and of course we were all presented with peaches. So we were out racing one day in very high winds, 8 to 10 foot waves. That's not my kind of sailing, the boat swamped full of water, the peaches even sailed right out over the cockpit, we were that swamped at times. That didn't appeal to me, so we came in.

However back to Dave, he really showed us how to tune the boat. He had the mast up toward the slot and had the back shrouds a little loose so it fell off a little bit and would bend a little bit. Dave also showed us true seamanship; one of the side shrouds came out of the spreader in that heavy weather so one of his crew stood on the deck with his hand on the mast and the other hand holding the shroud out so that they could finish the race. It dropped him down to about 5th place in that race, but nevertheless he regained enough points to win the Championship. I believe Karl Smither took 3rd in that, if I'm not mistaken.

It's been quite a pleasant experience in my life to have had the connections I've had and the contacts in the Lightning Class Association. I've met so many fine people and made many fine friends over the many years. During the course of event, I became President in 1943. Judge L. Stauffer Oliver was the President before me and at Bay Head, New Jersey in 1943 he proposed that I become President. I wasn't even at the meeting and had never met Judge Oliver except once several years before, so I was quite thrilled that he thought enough of my enthusiasm for the Lightning Class to suggest that I be President. And then my experience as President was very gratifying. I travelled to Columbus where there were about 10 boats being built by a group of fellows there and I helped to develop the enthusiasm and organize the Fleet at Leatherlips Yacht Club. I had an unusual experience as time went on; one of the fellows that built his boat privately outside of the group that was building cooperatively and he wanted me as President to just write him out a Measurement

Certificate. Of course, his boat didn't conform, so far as the deck specifications were concerned, to the Class Specifications and I had no way of knowing how close he might have conformed to the actual specifications of the hull shape. This rather perturbed him; in fact, it made him mad, and he later left the Class although he had had some success in sailing in the Class and winning consistently at Buckeye Lake. We then went on to Cincinnati and met the wonderful group there, Frank Pfefferle was a long time friend and helped to organize that fleet, and over at Mansfield later. My family enjoyed the sailing and they all participated. I had one son and three daughters. The three daughters' families now all have sailboats of their own and my son sails my boat down here at Indian Lake. He regularly takes out friends and uses it for part-time relaxation for him, his family and friends.

As the years went by, of course my Grandsons and Granddaughters graduated into sailing with me. We travelled quite a bit of the time, as I got older, I couldn't participate too much in distance regattas but the Grandsons went on and crewed at different places, so it's been a very enjoyable experience in our lives, the sailing and the special involvement in the Lightning Class. We still sail. We have 12287 now and we still are able at our age to go down and have a little fun sailing. Last summer in '76, we raced in lighter airs and got quite a thrill out of it. My wife and I both enjoy it very much and we hope this year to participate again, at least to do some day sailing. Last fall we both attained the three quarter century mark and almost half of that time it's been involved in the Lightning Class Association and it has been a very pleasurable experience.

To celebrate the 40th year of the launching of the Lightning a four color decal has been designed and is available from I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085. It can be used or displayed on boats, cars, foul weather gear, jackets, notebooks, etc. Cost for 1 — \$1.00. 5 — \$4.00. 50 — \$37.00.

When ordering specify whether or not you want the outer rim with black or white ink. (Black will show better on white boats and vice versa.) Actual size is 5½" diameter.

# IX WORLD CHAMPIONSHIP

by Tom Allen

The 1977 World Championship Races were the culmination of many months of planning and dreaming for everybody going and at the end I am sure the trip fulfilled everyone's dreams of what they would experience.

Switzerland, with its snow-capped mountains, green countryside, many flowers, and chalet-type houses is a beautiful, clean, and well-maintained country.

On July 6 we drove non-stop from Buffalo to New York, arriving an hour early for our plane, which was two hours late leaving. It arrived in Zurich around noon Swiss time on the 7th.

At the airport the Schmiegies and we rented a Volkswagen bus, which had been arranged by Andre Noel, a Lightning sailor from Montreal. Tired after a long day of travel, the nine of us spent the night in a downtown hotel. The next day we drove about three hours on an expressway to Spiez.

Greeting us near the field of boats were various people, including Claude and Laurent Lambelet, Hans Rahn, and Jean Hess of Switzerland.

We found all the boats that had been shipped in good shape, sitting on the grass without trailers. The trailers had been left at the port because most were too wide to be legal on

the narrow Swiss roads. (For some unexplained reason we were given a better rate by the shipping company for using the wide trailers).

After measurement, the boats were launched for the duration of the regatta. Large numbers were attached to the bow of each boat for identification purposes.

The harbor was lined with parks and flowers and there was a view of the town's castle on one side. We had decided to enjoy this natural beauty of camping out with the Schmiegies. They were good enough to supply us with two tents, which we threw in the boat for shipment, and we bought a couple of cots and other camping supplies when we arrived.

Because of the rainy, wet conditions that prevailed throughout the week our tent city affectionately became known as "Camp Granada," — "Hello mudder, hello fadder, here I am..."

There were two large tents with four of us in a tent and Tommy had his own small private tent.

We ate most of our breakfasts and lunches at the campsite or from the backdoor of the van.

There were two days of practice races. We were a little late getting to the first one and were ahead in the second when Brenda wouldn't let us finish because she thought it was bad luck.

Opening ceremonies were held on the town park at the head of the harbor. The flags of participating countries were raised to the accompaniment of trumpets and a reception followed a variety of short speeches.

The first race was abandoned on the fourth leg with us ahead, Crane and Buckles behind. Wind was from the SW and light. It went flat with the lead boats still going to windward and the rest of the fleet on the same leg with their spinnakers up.

The first official race, held on an Olympic course, was started after a storm in light winds from the SW. At the windward mark we were fifth or sixth. Hess rounded first, followed by Buckles, Buckup and Neville. The wind died and shifted right on the second leg, turning it into a beat for some. We lost three or four boats on this leg. The third leg was a close reach.

We picked up a couple of boats and lost a couple on the light dead run to the shortened finish. We finished eighth, just behind Cal Schmiede on this leg, which saw boats spread all across the lake. Buckup came from behind, tacking downwind to win.

That night we went with three bus loads to folkloric evening of wine, Swiss food and music. A good party.

The second race was a triangular course, started in winds 8-10 miles per hour, from the SW-W. There was a thermal breeze that continually got lighter but this time did not change direction. By this time many skippers had decided the best way to go was always right. For the whole regatta most people continually did this even disregarding some good shifts from the other direction.

On the first leg we went up the middle. About 3/4 of the way up the leg we were fourth or fifth and then the shifts took us left and a good one let us come back to approach the first mark on port. Mario, on starboard, had overstood a bit and therefore was really rolling. I'm sure we both knew that whoever would be first to the mark would have a commanding position. Hence, he and his crew made numerous loud hails and noises (considerably more than necessary to let us know of his rights and presence) to discourage us from tacking into a commanding position in front. We realized the true nature of the calls and tacked legally in front.

We were able to hold him off and then gained a bit more of a lead on the two reaches. We covered and gained a bit more on the fourth and last leg, shortened because of dying air, to win, followed by Buckup and Carson. Delorme went way into shore and got a huge starboard lift that no one else got to that extent. He picked up five boats. The wind never shifted but I'm sure the committee was afraid it would.

The third race was an Olympic course, held in similar conditions as the previous one. Shore went all the way right and we went mostly right. He was on the starboard tack lay line when we tacked in front of him and were first to the first mark. We gained on the two reaches and the next beat. At the last windward mark, we and Shore were followed by a very tight group of Delorme, Lambelet, Adams, and Nickerson. On the run we lost some as the wind strengthened. Crane and Buckup stayed low on the run and passed everyone except us, Shore and Adams. We covered Shore and held the lead to the finish. Third to seventh places were fought out between Adams, Buckup, Crane, Hutchinson, Nickerson, and Claude Lambelet. On the last beat, Hutchinson went all the way right, caught a nice lift and finished third. Crane caught Buckup at the same time that Buckup passed Adams.

The fourth race we sailed a triangle twice around, shortened at the second beat. This was the only race in which it paid to go all the way to the left side of the course on the first leg. We played the left center of the course and were first to the windward mark, followed by Dieter Dyck of Ecuador who had also gone left. Positions between third and eighth were totally unsettled until the last leg. With the wind dying, Hutchinson and Carlos Arteaga played the right side of the course on the last leg and neatly handled Crane, Buckup and Neville who decided to play the center of the course. The wind quickly died and the rest of the fleet drifted over the line.

The fifth race was an Olympic course and the right center of the course was favored. Boats that went to the left side of the course on the last leg looked good but they couldn't get back across. Dieter Dyck led at the first mark, followed by Crane and Delorme. On the second reach, Crane passed Dyck and we moved into third on the fourth leg. The fifth leg was very light downwind. We went low and almost overlapped with Crane at the leeward mark. On the last leg we were able to sail over him and covered him to the finish. Dyck dropped to fifth and Jean Claude DuPasquier did a nice job moving into third.

During the whole race we were watching Buckup to see how he would do. If we did well and there were enough boats between us we would not have to sail the sixth race. As it turned out, when we won we counted the boats and were thrilled because we knew we'd won the regatta.

I was especially pleased since it had been awhile since we'd won and two of the family sailed with me. For Brenda and Tommy it was an experience they won't forget.

The sixth race was triangular. There was a shift just before the start to favor the boat end of the line. The majority of the boats were at the buoy. Dyck was the first boat at the committee boat and Neville was the second. Shortly after the start Dyck crossed the whole fleet on port. He was first to the mark, followed by Neville. By the second mark the fleet had closed on them. Shortly after, Shore gained the lead and easily held it to the finish.

We had a bad start because we had a snap between the jib clew and jib sheet fall apart and we were unable to sheet the jib. We followed the shifts, which took us pretty much left on the course. We thought we were in fair position and then on the last port tack to the mark the wind shifted right again and we ended up probably 30th to the first mark. We showed our true form in getting the spinnaker fouled up badly but the wind became quite shifty and from there we seemed to do nothing wrong.

A couple of times sailing to leeward, people's spinnakers were collapsing while ours stayed full. We picked up groups of boats at a time, rounding the last leg sixth or eighth. We tacked to starboard, at times close to laying the finish. Most boats continued over to shore. When we got left we found we had a shift that brought us back to third, just behind Buckup who was unable to hold us to the finish. With a possibly undeserved second place, in this race, we completed a most successful regatta.

The social events were also memorable occasions. Midweek

there was a wine and cheese party hosted by the Town of Speiz at the castle overlooking the harbor.

The party given by Claude Lambelet and his wife was held on the porch of the hotel, overlooking the harbor. The wine and food never ran out.

A pisco sour party given before a race, by Carlos Navarro and other Peruvians, was also a lot of fun. Nobody dares drink too many of these very potent drinks.

The last of the parties was the banquet held at a gambling casino in Interlochen, in a richly wood paneled room decorated with many flowers. The first and second place boats were displayed inside this room with their sails up.

Speeches thanking the various organizations and committees for their work were followed by the awards.

The trophy for first place was a marine chronometer with cups and watches for the crew. Brenda who was the woman to finish highest in the regatta received a sterling silver necklace. Other prizes consisted of cups and famous Swiss watches. Daughter Jane was presented a bouquet of flowers because some sailors made a mistake and threw her in, instead of Brenda, along with me. Tom and Brenda disappeared very quickly and have not been thrown in YET for their victory.

The next day we took a trip by cog rail and cable car with the Schmiegies to the top of Schilthorn Mountain, which afforded a beautiful view of snow and other mountains. At the top we saw the Nevilles and the Navarros.

The next day we had to return by charter.

The Eleventh Lightning World Championships were conducted on picturesque Lake Thun, Switzerland. The lake is situated in the middle of Switzerland, bordered in the distance by Alps and rimmed with foothills. The topography provides breathtaking scenery but does not seem to be conducive to strong or steady winds.

Foreign sailors either shipped their own boats or rented local ones. The local boats available were "Euro-Lightnings" produced by a relatively new European builder. While they proved to be very good (the second and third place finishers rented Euro-Lightnings) some boats required maintenance. Larry MacDonald's boat was missing a skeg which was not repaired until the first day of official races and Jim Crane's boat bottom was covered with an anti-fouling paint which had to be wetsanded off; repeatedly.

Because of boat problems and inclement weather, there were few full-scale practice races. Unfortunately, many of the practice races were held in an unusual east wind which never recurred during the course of the regatta. The dominant wind was an afternoon thermal from the west with reasonably predictable behavior. Each race was a variation on that theme. Occasionally it was lighter and shifter; occasionally it was affected by storm winds. Once there was a 180° shift for an interesting dead-downwind finish.

The first official day of racing was the worst day of racing. There was no race. Late in a windless second day, now two races behind schedule, boats were sent out amid rain squalls and thunderstorms to get in a four-legger with a downwind finish. The subsequent races were less dramatic. The regatta

ended with an eternally long course consisting of three triangles and a windward in very light, fluky air.

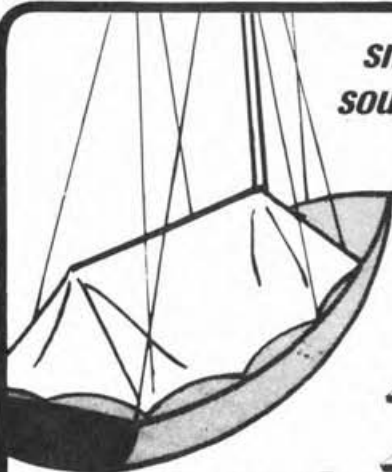

The non-racing events were a little more interesting. The Swiss provided many unique social events. There was a wine party in a local Spiez castle and a fondue dinner at a traditionally Swiss chalet. The social events were sponsored by a cigarette company Muratti Ambassador, and the hostess Edith Hess was quite an ambassador.

Fortunately, the racing schedule was such that the day of the banquet was free. Many sailors took short trips to the nearby Jungfrau range in the Alps, rode on cog railways or cable cars, visited picturesque mountain villages. Others went shopping in Thun or Interlaken, the two nearby cities, or just took a ferry around the lake (as if we hadn't been on the lake enough).

The banquet was a spectacular finale. Sailors were brought by bus to a casino in Interlaken, served cocktails amid fountains and flowers in the casino gardens, then wine and dined in the casino ballroom. The weather was an aberration of its usual pattern and provided clear skies and pleasant temperatures.

The casino itself defies description. The banquet room held a stage and a large open area for dancing by the stage. Beside all this were dining tables for two hundred people and two fully-rigged Lightnings, those of champion, Tom Allen, and runner-up, Mario Buckup! There was good food, plenty of wine, and a jovial atmosphere. Each boat received a trophy in a brief ceremony. After the awards ceremony was dancing until late into the night when the last buses returned to Spiez. Thus ended the Eleventh Lightning World Championships, Lake Thun, Switzerland.

# WORLD CHAMPIONSHIP

by Peter Herzog and Hans K. Rahn

Bob Smither was presiding the World Meeting in October 1975 at Salinas, Ecuador, when the decision was made by the Class, that the next Worlds would be held in Switzerland, upon invitation of the Swiss District. "There won't be a Swiss Navy present to organize and assist in the organization of the World Championship", indicating that this valuable asset in most of the countries, where World Championships were held, would have to be replaced by a private organization and much personal effort. The sailors at Salinas appreciated this "big problem" with a broad smile.

18 months of intense preparation preceded the Championship at Spiez. Upon our return from Ecuador, a management committee was immediately set up and the different departments attributed to responsible members of the Class as well as the Yacht Club Spiez. The latter would be responsible for the races and the District for housing, entertainment, boat availability and transportation. As the different Swiss sport organizations had no money available for even such a large event, a special fund raising committee had to see to it, that the necessary money be made available through a private fund drive. The \$1,000 in our district chest would certainly not be sufficient.

Parallel to the organization of the Worlds, the development and launching of the new Europe-Lightning was a second project to be realized. We all knew that much of the success of the Worlds would depend on our capability of putting at disposal a fleet of boats available to overseas participants who were not in a position to ship their boats to Switzerland. Back in October 1975, the Europe-Lightning was just on the drawing-board of Ruedi Fluhmann.

At the opening ceremony, after hundreds of hours of meetings, a fund drive which resulted in contributions totalling \$12,000, 16 Europe-Lightnings having been built, of which 12 for charter, an attractive tourist package available for sailors and onlookers, everything seemed to be ready to get the Worlds off to a start. The only part of the Championship in which our influence could not be exercised would be wind and weather....

But from 12 different nations, 53 crews were happily watching their national flags raising at the pole and enjoying the soft drinks and the sausages offered by the organizing Club.

Peter Herzog recalls the racing days as follows:

## First day:

While on the previous two training days for tune ups a fine wind with sunshine was prevailing, the World Championship started off with a capricious demonstration of nature. Wind puffs and lulls changed in short intervals and the gun for the first start went off in a terrible thunderstorm which left our barechested South American friends rather perplexed under the black rainy clouds. The race was called off, the temperature dropped and the wind died down leaving 53 crews rather unhappy without a race sailed and with nothing much left but a tow-back to the port.

## Second day:

With much trying of our patience and with wind shifts up

to 180°, the first race was brought in. At the finish line the boats arrived with their spinnakers set, and we saw the defending World Champion Buckup/Fenneberg/Christian from Brazil leading the fleet, which they had under good control being on the leeward side of the race course, in front of the American Bill Buckles. They were followed by the surprisingly good Swiss crew Hess/Frei/Haberli, crossing the line in front of the US crew Neville/Neville/Neville and the crew of Claude Lambelet of Switzerland. Tom Allen sailed with an 8th place his throwout race. The rumor was passed around after the race that some of the sailors would protest against the race committee, but in the end an official protest was not deposited.

## Third day:

On an equilateral course the second race was sailed, leaving only a beating leg of one mile due to the narrowness of the lake. After the first leg Mario Buckup was to be found again at the head of the fleet, but under spinnaker Tom Allen seemed to be developing tremendous power and speed and overtook clearly. Finishing first, he demonstrated that he and his US friends could dominate the event, since in the following places there were only boats with the national letters US to be seen on the main sail. Among the first ten, eight North Americans were to be found and only Mario Buckup with a second place defended his position well. On place 6 surprisingly the Swiss crew of Hanspeter Schmid sailed tactically a good race.

On the same day the starting gun for the third race went off, a good decision since the north-eastern wind blowing Bf 2-4 kept on. Tom Allen sailed an impressive start - finish line winning race and also the following places were held by US sailors will Bill Shore, Bob Hutchinson and Jim Crane establishing themselves well. Despite a fifth place, Mario Buckup could retain his leadership in the general classification and Claude Lambelet from Neuchatel was the best European with a sixth place.

## Fourth day:

Here again, Tom Allen could not be matched. With his third consecutive victory he moved to place number one in the general classification. As on the previous day a north-easterly wind was blowing, calming down towards the end of the race. By now the Ecuadorian Dieter Dyck seemed to have discovered the trick in the local sailing situation and his second place confirmed him as a good sailor. In the prevailing shifting winds the tactical superiority of the US sailors was clearly visible. Despite some unsuccessful starts of US boats seven were among the first ten at the finish line. Only Swiss Champion Jean Hess, as the only European, could be discovered in the leading group where he could retain his ninth place until the finish line.

## Fifth day:

Still no changes! Despite a failed start, Tom Allen with his blue Lightning was leading the field at the finish line with a considerable advantage. With this race the title of the World Champion was definitely assured. Also in this race, the ever-dreamed-of thermic winds would not come in and we had

to settle down again for the north-westerly winds. The first leg would decide the course of the race and those sailors covering the Ho Chi Minh trail would come out in front. It is quite significant that the Swiss would have so much difficulty in coming to grips with the situation in their own country, while our overseas guests, particularly the Americans would almost easily find their way to top places. The European Champion, the Swiss Jean-Claude Du Pasquier was fifth at the windward mark, crossing the finish line in the third position, confirming with this result that boat speed was not the problem. Just before him Jim Crane crossed the line in second position, Bill Buckles arriving fourth, followed by the longtime leader Dieter Dyck from Ecuador. Against these top positions, Mario Buckup had to bury his dreams of a title defendant with his eighth place.

#### Sixth day:

Finally a victory of former World Champion and sailmaker Bill Shore. Tom Allen was to turn out his most gentlemanlike side and crossed the starting line with some of the last boats. Shifty winds assured a turbulent race and confronted the sailors with ever changing situations. For the first time there were numerous boats bumping into each other, but with the new 720-rule, these mistakes could be compensated. The crew of Dieter Dyck was almost all of the race in front, but in the end they left a windshift unobserved which threw them back by eighteen places. The last beat Tom Allen started at fifteenth place but at the finish line he crossed it in second position behind Bill Shore. Mario Buckup was third in front of six North American boats, demonstrating also this time

superiority. On tenth place we found Ruedi Fluhmann, builder of the Europe-Lightning with his crew Erni/Spinnler.

#### Tom Allen fourth World Champion

Twelve years after winning the World Championship title in Naples, the American boatbuilder, Thomas G. Allen, with his daughter Brenda and son Tom triumphed for the fourth time in the Lightning Class. Under the typical Swiss conditions of light shifty winds Allen demonstrated surprising superiority. Mainly his own nationals were caught by surprise by the demonstration of the boatbuilder from Buffalo, who showed dominating technique on Lake Thoun. Allen was already well known in Switzerland and Europe before this victory on the Swiss mountain lake, but by now this most well known American Lightning sailor seems to become a legend.

8 US boats among the first 10 positions are speaking a clear language and the unsuccessful defending World Champion Mario Buckup from Brazil who earned silver medals at the Worlds is convinced that with the absent Goldsmith, Fisher and Bryant three contenders for the world title were missing.

The honor of the South Americans was saved by the Hamburg born Dieter Dyck, sailing under the Ecuadorian flag with his sons and, after a difficult beginning, obtained a sixth place in the general classification. There were 4 South American boats among the first 10 at the last World Championship.

But the Europeans, who have made great efforts in the past few years in improving boats and crews, still have trouble to get in contact with top places and had to remain content in their role as starlets at the IXth World Championship. Some of

the Swiss, at times, obtained good results in the individual races, but in the general classification we have to move down to the 12th place to find the Swiss Champion Jean Hess with his crew Frei and Haberli. Finland appears on the 25th place with V. Tapola, I. Tapola and P. Nyman, whereas the best Italian boat ranked 32nd with Luigi Merola and his longtime friend Franco Lo Sardo with his son Marc. But if the present trend of sailing more races with better boats and intensified training keeps on it is to be observed in Switzerland, it is not to be excluded that on the next World Championship in Europe, one or more boats could be found among the first 10.

But in the meantime there is much to be learned from our friends across the "big pond". A clear demonstration of continuity in performance was given by the New Yorker Jim Crane, who has never won a race but always was to be found among the first 10, which resulted in the 3rd place in the general classification. But also James D. Neville from Cleveland reached his 4th place only with regular performance in top positions, followed by the gynecologist D. P. Delorme of Washington.

So much for the races. All in all there was no doubt, Tom Allen was the best sailor on Lake Thoun and the honours well deserved.

While the weather had played quite a few tricks during the Championship the reserve day opened up the mountains to our foreign guests and they all took advantage of the possibility to visit the surrounding mountain peaks on a beautiful day, while the long expected thermic wind blew somewhat teasingly over a deep blue lake. While our guests were enjoying the day, fleet members of Lake Thoun were preparing for the evening. The ladies in beautiful gowns and the gentlemen donned in etiquette made their appearance at the closing banquet in the late 19th-century-style Kursaal of Interlaken. Under the colorful roof the two winning Lightnings were displayed and in reaching distance for the many curious eyes of competitors and guests. After a fine dinner the honours were awarded to the new World Champion Tom Allen and his crew Brenda and Tom jun., followed by the 52 crews who made this IX World Championship the largest Worlds ever held in the history of the International Lightning Class.

# **SPIEZ, THE WORLDS AND THE TOURIST**

By Richard Embleton

I am sure that, over the years, each of us has imagined the perfect setting for a major regatta. For many, no doubt, the site of the 1977 World's Championship might seem to be this perfect setting. A small village nestled against the beginnings of the most powerful mountain system in all of Europe, with a small glacial lake of emerald green at its feet. Two outlying folds of the Alps jut skyward directly across from the village, to act as a backdrop for the duel to come. A Medieval castle built on the edge of the harbour, with vineyards set behind and extending up the hillside, create what surely must be one of the most spectacular settings for any World's Championship.

And yet, a flaw. The prevailing wind patterns of July fail to materialize and within a few days the sailors are being called down to their boats at eight a.m. in hope of a morning breeze. Often they would wait until late afternoon before a race could be started.

One quiet day, after waiting several hours the boats were called out to the course. Wind was about to come. Now, this particular day the temperature was in the mid-eighties, the wind was light and the sailors dressed accordingly; short sleeves and short pants were the order on most boats. No sooner had the race begun than a thunder storm funnelled through the valley. By this time, as I watched hail bouncing off the boats, and lightning flashing everywhere I was beginning to appreciate the fact that I was here to watch the races, not to compete. This feeling was further strengthened when the boats came in, with crews blue with cold from the glacial melt water of the lake, and white with fright from the passing storm.

The regatta at Spiez must be considered one of the best from a spectator point of view. The host club had arranged a

spectator boat for the races which was superb. The boat was at least 100 feet long and provided both open deck areas and spacious salons from which the races could be watched. The Captain did an excellent job of positioning the boat along the course so that we could see all the action and hear much of the conversation as Italians calmly asked Americans for a bit more room at the marks.

This regatta was in other respects also a "tourist" regatta. While the sailors waited a good part of every day for the wind to fill in, those of us not racing could take advantage of our spectacular location for short trips to shop in Interlaken or Berne, to ride the cablecars to the top of the Shilthorn, or to the ice fields of the Jungfrau. Many of the people not racing took two or three days and travelled to France, Germany or Austria, or just spent time visiting the sights of Switzerland. So much is so close in Europe, it was a shame to be there and not get to see a good deal of the country.

Meanwhile, the competition was developing on the race course. Some of us found a trail up through the vineyards behind the castle to a cliff that overlooked the entire race course. Here one could see the race develop far below. Spectators from Ecuador, Peru, Italy, the United States and Canada gathered here, shared binoculars, and wished each well, as far below the competitors vied for the favoured wind.

Mario Buckup won the first race, and Tom Allen commented that everyone, except one, was going to do better in the next. Indeed, Mario hoped only to do as well in the races to come. Such was not to be, for Thomas Allen won the second, the third, and then the fourth race. Now the loud speaker on the spectator boat was all "Der yacht Allen." as the Europeans looked on in awe at this Magician who was continually finding the shortest course in the tricky wind-

shifts.

And then the final race. By now the spectator boat was in an uproar at the mere mention of the Allen boat. But at the weather mark it was Bill Shore who finally broke out and took the lead. At the gybe mark he was over five minutes ahead of the second place boat! But the concern was with Allen.

Where was Tom Allen?

By the midpoint of the race Tom was in twenty-ninth place. Even his most stalwart supporters felt that this would not be a good race for the Allens.

Bill Shore finished with a lead of over three minutes on the next boat.

"But who is this? Who is coming in as the second place boat?"

"It's Mario Buckup!"

"Isn't that Allen coming across on port?"

"It is going to be very close!"

Then followed one of the most spectacular finishes that I have ever seen. A short quick tacking duel that put Tom Allen on the right side of a sudden gust and left Mario fifty feet from the finish, and the regatta was over. The spectator boat was alive with cheers and a race that meant nothing to the final results had become Tom Allen's finest effort. Congratulations to both Tom Allen and Mario Buckup for a fine regatta.

# IMPRESSIONS OF THE EUROPEAN CHAMPIONSHIP IN NUMANA, ITALY

by Jean-Claude DuPasquier, Fleet 169

Let us write first about the hearty welcome of our Italian friends in Numana, everything was done for our feeling great. Every night we were invited to a private estate where we could enjoy magnificent buffet and delicious Italian wine. At one of these parties, authentic folk dances were performed, just for us, by peasants of the region in their beautiful typical dress. All the members of the club, and especially the ladies, did their utmost for us ashore so that everything was easy and natural. I should add that my crew and I had special support from our Italian friends, being among the best right from the start, and their enthusiasm helped us a lot in our good result.

But our good preparation, starting with the equipment of my new Tom Allen boat in April, helped us also. My crew did the most part of the work and this made both of them more interested in the boat and its performances. We had found a

terrific speed that seemed to impress our competitors! Anyway, we had this feeling, and this is very important for being able to win, and often this feeling does not stay very long (see our finish in the World Championship!).

Speaking of the races, they were well organized on a splendid racing area along the beautiful Adriatic coast. We had mostly steady wind from 2 to 4 Beaufort, except the first two races which had a changing light wind. With the northwest wind blowing for the other four races, there was no other possibility than tacking towards the coast on the upwind leg; even if one seemed to reach the weather mark directly, one had to tack again and again in the other direction to be sure to round the mark. This did not suit everybody!

The level of the competition was fairly good for Europe; the fighting took place mainly between Finnish and Swiss boats. The Italians still have a good job to do for recovery of their past supremacy, and they will make it if their enthusiasm is spread over to more competitors.

My personal conclusion of this championship: since then *Numana* is also the name of my boat!!!

# XXV EUROPEAN CHAMPIONSHIP

by Nanco De Amicis

The 1977 European Championship was held June 26-July 3, in Numana on the Adriatic coast, hosted by the Circolo Nautico Numana and by the Italian District.

A very good organization by all the local authorities permitted an easy parking for thirty-three boats, trailers and cars.

Besides the welcome cocktail-party and the final ceremony with prize-giving and banquet, three wonderful garden-parties were offered to all the participants.

The friendship was unforgettable.

Helen Limbaugh with her husband Jay and the pretty niece Sherry were with us. Unfortunately their trip in Italy was too short, but their meeting with the Italian Lightning Sailors was very enthusiastic and all the district's members were grateful for the visit, it was a very pleasant surprise.

The race committee with Chairman Giuseppe Volpi, our old friend, and the International Protest Committee with Chairman Mr. Marsilio Vidulich did a very good job. The secretarial service was excellent.

The races were sailed with 33 boats from three nations only because Greece was absent.

The delegations were: Finland with 6 boats, Switzerland with 8 and Italy with 19 boats.

For the Italian Lightning Sailors the final result was valid for the District Championship and for the first time after 15 years an Italian Championship was sailed with 19 boats.

It was very important to us the participation of two complete juniors' Italian teams and of several junior crews in other boats.

A prototype glass boat of the new Italian builder, Salvetti of Brindisi, was skippered by Luigi Merola the 1976 Italian Champion.

This boat raised the curiosity and the great interest among the participants. The new boat is a very solid glass construction and the hull's drawing modern and competitive.

The final result of the boat was 10th, but Merola sailed for the first time with this boat and for the first time with an oval spar.

For this reason it is possible that Merola had several difficulties with the tune up.

The six races were sailed with Olympic course (Solving Class mm. 11,8) and Olympic score was adopted.

The first race, started in pleasant wind conditions, had a finish with a very light wind and only fifteen boats were scored because all the others did not finish in minimum time prescribed.

The other five races were sailed with a regular NNO wind from 10 to 18 m.p.h. in pleasant sea conditions and with wonderful sunny days.

After three races the situation of the score was:

1st DuPasquier, Switzerland; 2nd Hammar, Finland; 3rd Lambelet, Switzerland; 4th Ruuskanen, Finland; 5th Fluhmann, Switzerland; 6th Wyler, Switzerland.

For the Italian Championship, De Amicis was the first in 11th position, Merola second in 12th position, Magoni and Crucitti third ex aequo in 17th position.

The next three races saw the break down of Hammar and the formidable two first places of Tapola sent him up to the final good 5th. The final results were:

1st DuPasquier, Switzerland; 2nd Ruuskanen, Finland; 3rd Lambelet, Switzerland; 4th Fluhmann, Switzerland; 5th Tapola, Finland; 6th Wyler, Switzerland; 7th Schmid, Switzerland; 8th Nisonen, Finland; 9th Magoni, Italy and 10th Merola, Italy.

For the Italians the three good results of Magoni changed the situation.

Bruno Magoni won the Italian Championship, Luigi Merola was the runner up, Nando De Amicis 3rd, Alberto Vivani 4th, Vasco Bardi 5th, Roberto Crucitti 6th.

The new European Champion, Jean Claude DuPasquier, was the runner-up at Grandson in the 1976 Europeans in his first regatta with a Lightning.

Previously Jean Claude sailed Finn and 470, but never a Lightning.

He is a very nice new friend and a good new entry for the Lightning Class. The new name of his boat is at present *NUMANA*.

Bravo Jean Claude and Bravissimi Yann and Joel, faultless crews!

# THE CANADIAN OPEN

By Jay Hansen

We had been driving for 15 straight hours as a magnificent view of Lake Superior appeared around a rocky bend. We pulled off the road and enjoyed a crude breakfast amazed by the awesome sights.

Asked to write an article on the Canadian Open Lightning Championships, I think first of the superb scenery north of Lake Superior. Yes, it was a long way to drive to Thunder Bay (18 hours from Toronto), but that incredible view was worth every minute. We were not disappointed upon entering Thunder Bay, the grain terminal of Western Canada. The city is beautiful and the people of the Temple Reef Yacht Club were exceedingly anxious to make us feel at home. Countless hours had been spent making docks and launching ramps, organizing social functions and preparing race and measurement committees. The time was well spent as the regatta was definitely a success.

Sunday was a practice day spent by some of us sailing in the perfect 12 knot breezes under the watchful eye of the Sleeping Giant (a gigantic rock formation that guards the entrance to the Bay). Monday was windy and we spent it scaling the cliff of Mt. McKay. Our reward was an inspiring view of the gigantic bay and twin cities of Thunder Bay.

The first race on Tuesday began in light breezes. Sulman, Cameron and Cochrane got away quickly to the right hand side, while we, MacDonald, and others were forced to the unfavoured left. The second beat was equal on both sides of the course but we felt the wind really wanted to come in from the right. By the last leeward leg Sulman Cameron, Spence, Cochrane and Richards were the leaders. We had caught up to about 8th and managed to keep free air and head toward the right, which we were convinced was better. Luckily for us the leaders tacked away to cover each other giving us and Ken Inglis a free shot at the windy corner. Sure enough the shift and wind came, allowing us to cross the fleet to win with Inglis second. Cameron was third, Sulman 4th.

As the fleet sailed down for the 2nd race the famous Thunder Bay thermal came in like a line squall sporting winds of 25 and a murderous chop. The reaches were wild and the beats exceedingly wet as we planed through the cold, cold waters of Lake Superior. Peter Sulman sailed an excellent race to win, MacDonald was 2nd, Cameron 3rd, we were 4th, and Sprague 5th.

Wednesday was a repeat of Tuesday's weather, but more interesting. The light wind died on the 2nd reach and went 30°

"Bonbo" #5493 - A banquet table at the Canadians.

to the left allowing us and others to catch many boats. Inglis and Bob Richards, the early leaders watched helplessly as 6 or 7 boats sailed right around them. The committee then wisely changed the weather mark to make a beat, but two of the leaders, Cameron and Mike Vollmer chose to go to the old weather mark, while the rest of the fleet went to the new mark. This allowed Larry MacDonald to take the lead, which he held to the finish. We nipped Norm Clegg for 2nd, Sulman was 4th and Dave Sprague 5th. The most amazing of thermals came zipping through the last leg to thoroughly wake up the competitors. The wind went from 4 to 25 knots in about 3 minutes.

By the start of the 4th race the wind has built up to "your basic screamer". Vollmer, MacDonald, Hansen, Cameron and Sprague all had good starts and by the weather mark the old pro Cameron had a good lead with Hansen 2nd and Sprague 3rd. We caught Cameron on the reach, but reckless fools that we were, jibed the chute, nearly losing John Vance into the icy waters. The more intelligent sailors took down their spinnakers and planed like crazy on the growing swells. By the end of the race Cameron easily held us off to win, Sprague was 3rd, Clegg 4th, Vollmer 5th, Sulman 6th and MacDonald 7th.

After a memorable cruise around the harbour of Thunder Bay on Wednesday evening, we awoke the next morning to learn that Cameron and Vollmer were disqualified for going to the wrong mark. If Cameron had not made the error he would have most likely been tied with us for the series lead. As it was we had 6 points on Sulman and 9 on MacDonald. The last race was a leader's nightmare, light, dying wind with very lumpy seas and fog. Naturally our two nearest competitors went

opposite directions leaving us to fight our way up to middle trying to cover both.

Ron Cochrane, footing well through the waves, worked his way out to a comfortable lead which he held until the finish. Peter Sulman seemed to find one hole too many and was never able to threaten. We managed to work our way up to 6th, while MacDonald took 2nd in the series by sailing well to finish 2nd in the race. Mike Vollmer sailed well to come 3rd, Clegg came out of the fog 4th, while Dave Sprague sailed fast to cross 5th in the race and lock up 4th in the series behind Sulman.

The Thunder Bay fleet did an excellent job at running the regatta. They have an incredibly keen fleet of sailors and a well organized series of regattas and seminars. To me, they stand as an excellent example of how to promote Lightning sailing, but perhaps more importantly how to have amazing amounts of fun doing it. Certainly many Lightning fleets in Canada or in the United States could use some of their enthusiasm and willingness to work.

# XXIII SOUTH AMERICAN CHAMPIONSHIP

by Hernan Barahona

This year the Championship was held 800 kms. south of Santiago in Pucon, a privileged summer and winter resort along Villarrica lake, a smoky white volcano at its back, a golf course in a peninsula, a beautiful view over the lake, and that feeling of spiritual peace you find in contact with the wild nature. In this place you sail in summer and ski on the volcano in winter. From the top of the ski course you can see five lakes.

Starting on February 24, 1977 visiting crews from Argentina, Brazil, Ecuador and Peru started to arrive. One Peruvian, two Ecuadorians, and three Argentinians brought their own boats; among them was Mario Isola, defending runner up and Paco Sola, one of the favorites; they sent their boats by steamer to Valparaiso and from there the Organizing Committee transported the boats by truck to the lake.

Sail measuring, weighing boats and lending boats to crews who had not brought their own took all Saturday 26. That night we had the Inaugural Ceremony and cocktail party at the "Gran Hotel Pucon" where most of the participants were housed. This cocktail party was followed by others during the week and I hope all participants and guests enjoyed them.

On Sunday 27 we had the tune up race that was won by Javier Pascuchi who took advantage of the varying wind conditions in direction and intensity. Participants tested their gear, met the unpredictable wind and knew there was no current in the lake. The lake is quite big so the course was placed about in the middle to avoid effects of the surrounding mountains on the wind near shoreline.

## 1st Race

11 A.M. Monday 28. As it was scheduled boats left the beach and sailed towards the olympic triangle; three quarters of an hour sailing in moderate wind. The wind was clearly increasing and by the time boats reached the sailing area the wind turned to be a "Puelche", the name given by the natives to the wind that blows 30-35 knots from the East. In half an hour the lake was white with 35 knot puffs. The R.C. decided to postpone till afternoon. At 3 P.M. the wind had changed in direction 220° and blowing 4-5 knots from the S.W. The Committee boat was favored in the starting line, but the wind was stronger at the leeward end.

Ritter and Dyck that started on the middle and sailed to the left rounding far ahead first and second. The wind was light and shifty so places in the pack were changing a lot. In the last weather leg rounding first and second were Ritter and Dyck, 150 mts. behind was Abramowitz, fourth Fernandez, fifth Collet and Sola. Ritter and Dyck went up the middle playing the shifts. Abramowitz and Fernandez took a long port tack to the right while Collet and Kunze did the contrary. Sola went by the middle. The wind died and Ritter and Dyck were caught in a hole in the middle. Momentaneously it looked as though they were lost.

A new wind appeared in the left side of the course.

Collet and Kunze tacked beyond the port tack lay line and they were lifted to the finish line. Ritter was ahead and first; second Kunze; third Collet; fourth Sola; Abramowitz was seventh; Dyck sixth and Fernandez tenth.

## 2nd Race

Once more this Tuesday morning Kg Puelche was over the lake. We had to wait till afternoon when the wind veered 220° to its normal S. Westerly pattern blowing 15 knots. The boat again was favored, Mario Isola and Jaime Fernandez had a perfect start at the boat and they continued on starboard tack towards the left, from where the puffs were coming. At the weather mark it was Fernandez first; Isola second close behind; third Rodrigo Zuazola and fourth Gallyas who had showed a super speed and pointing angle in the first leg. He passed Fernandez and they continued a private duel where in the last windward leg Fernandez crossed Gallyas but did not cover him. Gallyas inspired, managed to win; second Jaime Fernandez; third Mario Isola; fourth Abramowitz. The wind was strong and steady during all the race and positions didn't change too much.

## 3rd Race

Wednesday 11 A.M. Winds from the S.W. 6-7 knots shifty. This race started with the line about even. It seemed on the right side there was more wind. Dyck and Fernandez sailed toward that side playing the shifts. They rounded in that order in a horizon job. Sola was well behind. In the second weather leg Dyck was covering Fernandez. As they worked once more to the right side of the course, Dyck decided to leave Fernandez and tacked to the middle. Fernandez played the shifts better, and he rounded first followed by Dyck; he maintained the lead in the last leg and won easily followed by Dyck. The recovery of Sola in this race was magnificent since he worked up a lot of boats and ended third.

After this race the overall score started to become interesting. J. Fernandez had 13 low points, Dyck had 16 points, Abramowitz and Collet tied with 19 and Sola 21.

## 4th Race

Thursday 10 A.M. All the boats were dry sailed remaining in the black beach of the Gran Hotel Pucon at night. In the early morning everybody was towed by motor boats to the sailing area.

The starting line was perfect, although at times the wind phased 10-15 degrees. Paco Sola started near the committee boat and immediately tacked to the right in the S.W. winds of 5-6 knots. So did the Argentinians. All the boats on the right side became stronger and lifted wind towards the mark. Boats that sailed towards the left corner got in a hole with no wind. On the weather mark Gatti was in the lead followed by Sola, third Irizar, and the pack well behind. Sola with excellent spinnaker job passed Gatti on the gybe and takes the lead. In this lake you can recover and lose places easily so nobody was sure until the finish line was crossed. Sola crossed first. Fernandez came from behind and caught Gatti near the finish line so he was second and Gatti third. Dyck was fourteenth! Abramowitz eleventh and Collet seventh.

To compile points again. Fernandez was leading with 15 followed by Sola 22, Collet 26 and Gallyas 28. Abramowitz

and Dyck were tied with 30.

#### 5th Race

Friday 11 A.M. Southwesterly light wind 5-6 knots phasing.

Sola was early on the race course checking sailing angles and wind intensity, he was far away and suddenly on time the 10 minutes flag; it looked as though he wouldn't get to the starting line. He hoisted his spinnaker and ran to the line, the wind dying.

The starting line was favored on the port end but it seemed on the right side near the R.C. boat there was more wind; you could tell this for the darker water on that side. The whole fleet decided to start on port. One minute before the starting gun Sola arrived near the Committee Boat, the wind was very light. Sola decided to start near the boat, he had no alternative. Fernandez is starting in the middle of the line

suddenly, 25 seconds before the start he decided to go to the R.C. boat and he crossed the stern of Sola and started on port tack crossing very closely the bow of a couple of starboard started by the R.C. boat. Fernandez took a short port tack and then tacked to starboard covering Sola who was behind, obviously he was only looking at Sola. The left side of the course proved to be the best since puffs were coming from that side. On the weather mark Abramowitz was first followed by Isola, Zuazola, Pascuchi, Santos and Fernandez. Sola rounded 12th. Positions remained the same in the two reaches, Sola with crew Juan Manuel Neira and Jose Rafael Lecaros once more did an excellent spinnaker job and managed to be close behind Fernandez. Boats tacked towards the windy left side of the course while they maintained positions. All the fleet was going there. Even on the run they gybed towards that side of the course to get better wind no matter how long they sailed. On the last weather leg Jose Barreda with crew Fernando Barreda and Gonzalo de Cossio came from behind and kept going finishing third. Abramowitz won. Mario Isola was second; Pascuchi fourth; Fernandez fifth; Zuazola sixth; Sola seventh; Collet eighth.

Discarding the worst race points were: Fernandez 10; Sola 15; Abramowitz 20; Collet 25; Dyck 29.

Sola could win the Championship in the last race if he placed 5 boats between him and Jaime. Jaime with his low score is already runner up.

#### 6th Race

11 A.M. Saturday. Wind blowing as usual from the S.W. 7-8 knots almost no waves. As the boats arrived at the starting line, the wind died completely. We wait for an hour; no wind. The R.C. decided to postpone till afternoon.

Time limit for starting was 6 P.M. We waited till 5 P.M. in the sunny beach. It was an excellent day for water skiing but not for sailing. The lake was smooth as a cup of milk. At 5 P.M. boats were towed to the line. The drift was "blowing" from the North, unusual in the lake. Starting line was favored on the pin end about 20 degrees. On the start Fernandez was more to the leeward end than Sola covering him. First start voided.

Second start Sola started in the middle of the line and immediately tacked to port. Fernandez also tacked to port, slightly more to windward than Sola, Dyck tacked in front of Jaime and he was buried. The rest of the pack chose the leeward favored end of the starting line and after sailing 200 meters they tacked to port. Collet who had started on the pin end was to windward of the fleet and in the light wind of 2-3 knots paid a lot since he was receiving the wind first. Dyck sailing to leeward but in front of the pack with clear air tacked to starboard near the lay line and crossed all except Collet who rounded ahead, then Dyck, behind were the rest, Sola who went to the right side of the course and tacked on the starboard lay line was backed by the wind and rounded 7th. Fernandez was in trouble following Sola since he rounded 15th putting Sola in the regatta lead. On the first reach also being to windward paid and Fernandez passed one or two boats. On the second reach there was almost no wind, some went to leeward, Sola among them, passed a couple of boats. Fernandez was recovering from behind and in the two legs he passed 8 boats doing a good job with his crew Tristan Aicardi and Javier Melero. In the middle weather leg the wind veered 90° to the left as expected and was stronger. The R.C.

changed the windward mark. In the lead was Collet with Dyck behind, Sola third, Pascuchi fourth and Fernandez seventh. The wind was increasing and in the last windward leg it was blowing 18-20 knots. It was very shifty and with stronger puffs each time. Collet managed to cover Dyck and he did the same with Sola. Positions stayed the same except for Loli dropping to 13th from 5th. Finally they crossed the line with winds over 22 knots. The change in wind velocity had been so drastic and sudden that it gave no opportunity to form a single wave. It was incredible to be sailing to windward in such smooth condition and be near to tipping over at any moment.

Collet first; Dyck second; Sola third; Pascuchi fourth; Gonzalez fifth; Gallyas sixth and Fernandez seventh.

Fernandez with his crew Javier and Tristan did a tremendous job in this race and when things got tough he was able to pull himself up to win the Championship.

That night was held the Closing Ceremony in which the trophies were awarded followed by a Dinner in the Gran Hotel Pucon.

It was a successful regatta with all kinds of winds and lake conditions, with a very pleasurable stay, the accommodations were excellent, the Race Committee presided by Gerardo Polette and Fernando Saxton authorities of the Chilean Yachting Federation worked perfectly, thanks to all of them.

Probably this will be one remembered S.A. Championship in which we made many good friends.

# FIRST YEAR AS A SAILOR

By Brian Beattie

Every Lightning sailor could no doubt tell a few stories about his first year with the Class, and as someone who has gone "cold-turkey" both into sailing and owning a Lightning this year, I have plenty of them. It was a great summer, and even though I picked up many pieces of information, it will be a few years before I achieve any respectable results at a regatta.

My previous boating experience was limited to several years of navigating the Great Lakes and Ontario's canals in my parents' power cruiser. While this was extremely comfortable, it was also removed from a direct interaction with the wind and the water. I discovered the Lightning last winter as an ideal small sailboat, and soon bought a one year old boat which was eventually named *Fantaisie Impromptu* (12878).

The winter gave me time to prepare for sailing; through reading, attending seminars, joining the local fleet and a club and just generally absorbing as much information as I could. You can not, however, learn to sail without practical experience. Once the season opened the fun really began. Other sailors in the fleet were very kind in teaching me the ropes (literally) of racing on the renowned "Humber Hole", in

Toronto Bay. Yet, even after all the coaching, the first few times that I sailed without experienced help I made some rather embarrassing mistakes.

My biggest problems involved the spinnaker. For example, one time, it ended up disconnected except at the head, flying like some sort of huge pennant wrapping itself around and around the top of the mast.

As the summer progressed my mistakes were, in comparison, of a more subtle nature (example: not following the racing rules). Nevertheless, in spite of my dismal performances in the standings, I had a lot of fun – the regatta at Silver Lake (*Editor's Note: he only dumped once.*) and the local fleet's Balloon Race come to mind. This season has taught me that the best way to learn how to handle a Lightning is by getting involved with the activities of the fleet, and listening to the guidance provided by other Class sailors, whom you will soon come to recognize as one of the friendliest and helpful group of people around. The errors that are made are never insurmountable, but they are inevitable. On the other hand the enjoyment from racing a Lightning is just as inevitable.

## ILCA JUNIOR CHAMPIONSHIP

By Jay Lutz

The North American Junior Championship was once again a highlight of the International Lightning Class Association's sailing season. With 37 participants from all over the U.S. and Canada, it was the largest turnout yet.

We arrived on Tuesday night and by 10:00 the following morning we were ready to sail. The measuring of the boats went extremely well with the measurement committee headed by Matt Bryant and Jack Quigley doing a fine job.

The Buffalo Canoe Club is to be commended for running a fantastic regatta.

### Race No. 1: Winds N-NW 10-20

We started at the windward end which was favoured by about 10°. Randy Ruhlman was right below us. We sailed out on starboard tack and about half way up the leg we were able to take advantage of a starboard tack header and consolidate on the fleet. Randy was close behind until he fell out of phase the last part of the windward leg. We rounded about 100 yards in front of Randy. After that, we were able to increase our lead by receiving the fresh air, which was coming through in puffs and luckily stayed in phase. We bulletted that race. Randy Ruhlman glued on Larry MacDonald for second. Chris Jones was fourth.

### Race No. 2: Winds NW 15-25

The leeward end was favoured by about 10° – that's where we started and missed a 15° shift favouring the windward end right at the start. After that, it was catch up for us. Larry MacDonald and Ted Forhecz started at the windward end and both were looking golden up by the windward mark. Rounding the first mark, it was Larry MacDonald followed by Ted Forhecz and Paul Gelenitis. We were fourth and Randy Ruhlman fifth. The reaching leg was too tight to fly spinnakers as Paul Gelenitis found out the hard way. We were able to get by Paul and Ted on the reach and popped the spinnaker as we jibed. On the next leg, we got juiced up and caught up to Larry MacDonald.

As we approached the leeward mark, the committee found it necessary to shorten course since it was getting late in the day and the casualty list for boats was getting longer and longer. At the take-down mark, Larry MacDonald rounded first. We rounded right behind. As we came around the mark, we tacked onto port quickly as to split with Larry. He in turn tacked to cover us but we were able to work out slowly and finally get by and go on to our second Bullet. Doug Heussler came on strong to finish second, followed by Larry MacDonald third, and Randy Ruhlman fourth.

After the first day of racing, things sum up this way: We were winning with 2 points; MacDonald had 6 points; Ruhlman 6 points; and Paul Gelenitis was still in the regatta with 12 points.

#### **Race No. 3: Winds NW 7-20**

By now, since we got the jump on the fleet by winning the first two races, we knew we had to keep the pressure on. With one bad race, we could blow the regatta as fast as we could win it.

The starting line once again was fairly even, with the windward end favoured by just 5°. We were able to start near the committee boat with clear air. Larry MacDonald also had a good start and was able to, as we were, stay in phase with the shifts up the windward leg. At the windward mark, we snuck in first with Larry right behind. The rest of the race was a real duel with Larry catching the better part of a 30° shift towards the finish which made it much more interesting for the spectators watching. At the finish line, we were first, Larry second, Matt Burrige was third, and Brenda Allen came on like a steamroller to finish fourth.

#### **Race No. 4: Winds W 7-20**

Once again, the Race Committee did a fine job setting lines and courses. This line was slightly favouring the leeward end by 5°. That's where we started, only the third layer back. Matt Burrige had a good start and was first to the windward mark. Randy Ruhlman rounded second and Larry MacDonald third. We were able to catch a big port tack lift into the windward mark and round fourth just ahead of a large pack of starboard tackers. On the reaches, we were able to get by Randy Ruhlman and round the take-down mark third. The next windward leg was a real boat race. Matt Burrige again was first at the windward mark. Larry glomped on us just before rounding which enabled Randy to round third. We were fourth. At the finish, Matt was first, Larry was second; we were able to get by Randy on the reaches and finished third.

After the second day of sailing, the results were: Lutz 6 points; MacDonald 10 points; Ruhlman 16 points; Burrige 21 points; and Paul Gelenitis 29 points.

#### **Race No. 5: Winds SW 5-15**

This race we started right at the committee boat with Larry MacDonald just to leeward. We tacked as soon as possible on to port and sailed to the right side with Larry. At the windward mark, Matt Burrige was first. We rounded right with him. Dan Roshon was third, with Larry MacDonald sixth. On the reaches, position stayed the same. The next windward leg we got by Matt and went on to our fourth Bullet of the series and the Championship. Matt was second and Dan Roshon was third.

The final results were: Lutz 7 points; MacDonald 14 points; Burrige 23 points; Ruhlman 24 points; Gelenitis 34 points.

I'd like to again thank the Buffalo Canoe Club for running a fantastic regatta in all aspects, from the starting lines to free housing. Also, thanks to my crew of Don Schon and my brother Jody for getting me through a tough regatta.

# 1977 SEARS CUP

by Will Petersilge, BLYC

I'd like to start out by telling you what a great thing the Sears Cup is, it gives juniors something to try for, a realistic goal in sailing. But winning doesn't come easy, it takes a lot of practice. In the spring of 1974 I started participating in the Sears Cup, the National Junior Championship for three-man boats sponsored by the United States Yacht Racing Union.

The first year we placed ninth in our quarter finals using Thistles at Put-In-Bay on Lake Erie held by Inter-Lake Yachting Association in Junior Race Week. In 1975 we came back and won the quarter finals and went on to the semi-finals held at CYC on Lake Erie in Lightnings. We placed third in a field of eight boats. We still weren't defeated; in 1976 we only placed third in our quarter finals. Finally in 1977, with a crew composed of Dan Roshon, Dan Dressel and myself as skipper we got a break, we won our quarters which were held at Put-In-Bay with constant 10-15 knot winds. It was the third year for Dan Roshon on the crew and the first year for Dan Dressel. We would represent I-L.Y.A. at the semi's.

We then traveled to Buffalo Canoe Club, Point Abino, Ontario for the semi-finals where again we had beautiful air, but this time we were in Lightnings. We were all familiar with Lightnings, so after a slow start we soon pulled out to win the semi-finals. The Buffalo Canoe Club Lightning Fleet, club members and race committee hosted a top notch series. We were presented the Commodore Al Wakefield trophy for Great Lakes Junior Championship.

Now we were on to Dallas, Texas for the finals which were luckily in Lightnings and on an inland lake, both of which we were most familiar. Arriving in Dallas with sun glasses and zinc oxide in hand ready for the worst in drifters, we were greeted warmly by a finely prepared committee. Housing was given all contestants in private homes or condominiums of members of Rush Creek Yacht Club. On Wednesday, August 24, we got underway with a practice race on Ray Hubbard Lake in dying winds which were most typical of Texas in August.

That evening Bob Chilton chaired the opening event for the Smythe, Bemis and Sears competition. Jim Anderson, race committee, Commodore and Mrs. Eldrige, the Mayor of Dallas with his wife, Head Judge — Jack Bartlett and his wife, along with our 'house mother' Linda Chilton were introduced. The special 'National Junior Championships' banners were flying, diners were seated at tables covered with sea-blue cloths with white runners. Eager sailors and individual introductions heightened the memorable occasion. Each skipper and crew was presented with a ceramic plaque to commemorate the event. A brilliant sunset below rolling storm clouds with two bands of sun rays preceded the electrical storm. Dancing lightning raced between clouds and the spectacle finally brought the comment "We thought we had fireworks on the Fourth of July, but they didn't compare with this." The rains held off, the intricate lightning patterns improved, short-circuiting the clouds just over the yacht club roof. The dinner committee won their race with the weather and deserved a ribbon for the excellent food, fast service and utter determination to outdo Mother Nature.

Thursday we awoke to the blowing wind through the trees which was a true miracle and never ceased till after we had gone home. In the first race we found out how tough our competition was and we placed third behind Gary Ross of Galveston Bay (Texas) and Russ Lucas of Bay Head (N.J.) Yacht Club. By the end of the day we were in second place behind Gary Ross. We knew we would have to work hard to win. The competition was unbelievable and races were always going right down to the wire. By the second day the winds had built to 15-20 knots and crew work was of the utmost importance. My crew of Dan Roshon and Dan Dressel worked very well together and we managed to get a 1-4-1 which put us well ahead of Ross who had encountered some problems including a capsize while in first place.

Saturday the winds had again increased, puffing to 25-30 knots. In the first race of the day we had a bad start, but were gaining fast on the second reach when our mast broke forcing the committee to postpone the race. Resailing the seventh race we finished fourth while Russ Lucas easily won bringing his total points to 25 and 3/4, and ours to 19 and 1/2. After lunch the winds had again built, now blowing over 30 knots and puffing to 40. The Smythe and Bemis series abandoned the race course and the Lightnings (Sears series) had a bare-mast race waiting for a start. Needless to say the races were called for the day.

On Sunday Donald Croty of Harraseeket Yacht Club, Maine, was the only boat in contention for the final race. Before the race we agreed to cover Croty at any cost. After a few tacking duels we were both in the back of the fleet which was fine with us. The rest of the race we followed Croty; he finished fifth and we finished sixth. To show how close the standings were—Croty was second overall going into the last race but he finished fifth overall, only 1.25 points between second and fifth places. Peter Truman of Richmond Yacht

Club, California placed third with 29.25 points and three firsts! Russ Lucas of Bay Head totaled 28.75 for second place, and the fourth place finisher was the Galveston team headed by Gary Ross. Mr. Chilton and the respective judges presented trophies on the terrace in a very impressive ceremony. Thank you Rush Creek Yacht Club for being host.

The Sears Cup series of the National Junior Championships was a great success and I encourage anyone between 13 and 18 years of age to compete in the sailing races of their own organizations which support this worth-while event. Lastly, I greatly appreciate the opportunity I was given by Buckeye Lake Yacht Club, the training and encouragement from sailing instructors such as Greg and Matt Fisher as well as George Fisher, and the terrific support each adult and yacht club has given the junior teams along the way. This excellent series could not have been held without the full cooperation of the Lightning Fleets. Thank you all!

As an added highlight, the Wakefield Trophy now has a second generation name on it as Dan is Jim Dressel's 13 year old son. Jim's name is inscribed there for 1956 and 1957.

# 1977 NORTH AMERICAN CHAMPIONSHIPS BUFFALO CANOE CLUB — CANADA

By Matt Fisher

My crew of Mary Lou Ford, my dad and myself rolled into the Buffalo Canoe Club Friday morning at 4:00 A.M., took a little nap and got an early start getting our boat measured. I had been on a hectic schedule and had just flown back from England where I was fortunate to be one of the six members of the United States Inter-Collegiate Sailing Team, sailing team races against the British and Irish. After a great welcoming home party by our Buckeye Lake Fleet, we got away for Buffalo the following afternoon.

The organization of the Buffalo Canoe Club was tremendous as we expected. I have always looked forward to sailing at the Canoe Club, not only because of its great racing, but because I also know that the race committee work and the over-all organization of the regatta will be ideal and this year's North American's was no exception. We were very impressed with the speed and effectiveness of the measurement people in the club.

Unfortunately, however, it was the consensus of our crew that it was blowing too hard to get anything accomplished so we waited until evening and settled for a 45 minute sail before a squall came in.

My brother, Greg, and his crew of John Wilson and Patti Burton and my crew and myself all stayed in the same apartment in Crystal Beach throughout the week which really worked out great.

We all woke up early Saturday and were on the water brushing with Greg by 9:30 A.M. While I was in England all summer, I continually heard how well Greg was sailing up wind. By 9:35 I found out exactly what they meant. For the first two hours Greg really cleaned our clocks, but after several changes and adjustments, mostly at Greg's suggestion, by midafternoon and no lunch, we were sailing a little closer with him. Greg has always been one of those guys that whatever he knows or thinks is working for him he is willing to share with anyone. It is a great attitude.

The first qualifying day dawned with conditions somewhat different from what we were hoping for. The winds were steady and over 20 and I must admit that I was concerned with my steering ability especially with the three to five foot swells because I had not sailed a Lightning since the Southern Circuit. Looking back on the series, I can't pick out our best race, but I find it easy to determine that our worst race was our first one in the qualifying series. One thing I have found in switching classes of boats frequently (nearly all of the boats we sailed in England were under fourteen feet) is that your starting technique is completely disorganized. Our starts in the first two qualifying races were terrible. My timing for the last 30 seconds was completely off. We also weren't very pleased with our boat speed up-wind. During the Southern Circuit in St. Pete we thought that our speed was great when it was

blowing, but it seems we just couldn't put it together for this first race. One minor change we made that helped was moving the main-sheet leads to my outboard blocks on the back deck. It helped settle the boat down and allowed me to concentrate on things other than kicking the boom back and forth.

Things fell together finally in the third qualifying race which we won fairly comfortably. It helped regain our old confidence and boat speed and I am not saying this in a cocky sense, but that race really was the turning point in our attitude.

The first championship race on Wednesday morning was blowing from the north about 12-15 miles per hour. We arrived at the starting area fairly early and had a good chance to check the starting line and get our compass readings. After a couple of recalls, the pin end became more favored and the race started on the third try. We were ten boat lengths from the leeward end and were pulled right to the line by Stu

Anderson who was right on top of us. Stu timed his start perfectly and was able to tack and cross the fleet eight seconds after the gun. Once we saw that he made it, we also tacked and ended up with a good start.

Midway up the first beat, the right side (which looked poor in the beginning) began to fill in. Shore, Lutz, Carson and Delorme were all there and we had a tough time working our way over from the left side. Bill Shore played the last part of the beat perfectly and rounded first about five boat lengths ahead of Lutz, Carson, Crane, Delorme, Anderson and ourselves.

For the first time in a long while, we found our boat fast down-wind. By the time we got to the jibe mark we had pulled away from the pack behind us and it appeared that we were gaining on Shore. Midway down the second reach we came back down to reality and Bill Shore got one of his famous "private puffs" and tripled the distance he had and was never to be seen again.

The second lap we more or less conceded Bill and just tried to stay between the third, fourth, and fifth place boats and the mark. Shore won by two minutes, but there was a close finish between ourselves, Delorme, Crane and Stu Anderson.

We sailed in very pleased and hoped that the wind velocity would stay about the way it was.

We drifted out to the starting area of the second race and with the wind still in about the same direction, we felt that the starboard end was favored and that the wind would fill in from the right when it finally settled in. Well, it turned out that we were wrong on both counts. A slight shift at one minute to the gun made the leeward end favored (which we were nowhere near) and to top it off, we had a poor start which made us bail out to the right side. The only thing I can remember after that is seeing John Schneider, Don Brush, Jim Dressel and Jim Carson on the left side, with about a 30 degree better heading and 5 mph more wind. After that it was a long race for us.

Seriously, we learned a lot in that race that could have been the "key" to our final win. We ended up facing the fact that we had no connections upstairs which would allow us to predict which side would be favored. So thereafter, we decided that we would play the middle the first half of every weather leg and then dive for the side that seemed to be filling in. The only way we could get ourselves in the middle of the course was by starting in the middle of the line with clean air.

Another lesson we learned is to be conservative all the way around the course. At one time in the race we were in fifteenth place and very close to the five boats in front of us. But we kept shooting corners on each weather leg hoping for that golden top five position. A tenth or twelfth would have been so much more comfortable than that deadly twenty-fifth.

The second day of racing proved to split the top six boats from the rest of the fleet. The wind was light out of the south southwest and again the weather end appeared to be favored. As we approached the line on port at about one minute to go, we saw twenty boats at the weather end trying for a starting area that could only accept ten boats. We tacked below them, but still ended up starting in the middle of the line. We noticed most of the fleet tacking to the right side and our thoughts flashed back to the old Buffalo Canoe Club golden rule "Go to the right when the wind is out of the southwest". Our luck turned in a new direction and the wind backed to the left and

filled in a little stronger. Jack Elfman, Jim Crane, Jim Carson, ourselves and Greg were lined up above the fleet on port tack in that order. Jack Elfman had first wired, but the rest of us were very close about 400 yards from the weather mark. Greg really poured it on and squeezed us off on port and tacked to starboard to round the mark second. The first lap showed several position changes with our boat moving to second and Jay Lutz moving up to fifth. On the reaches we did happen to notice that a lot of the big boys were back and were either sailing their throw out or were going to have to eat one of their precious bad races. Shore, Delorme, Allen, Dressel and McIntosh were all in the fifteen to thirty place area.

The race was a parade the second lap, but the final leg was a true beat and allowed Greg to power through Elfman, Carson and ourselves to win the race by almost a minute. We finished fourth behind Elfman and Carson, with Lutz and Crane behind us. Bill Shore sailed a remarkable last lap and caught at least twelve boats to finish seventh.

The fourth race was started soon after the finish of the third and the conditions were very similar. We started in the middle of the line and tacked to port with the rest of the fleet. We felt fairly fast on a long port until we got near Tom Allen who motored away from us to round the first mark with a comfortable lead. We rounded second, but Jim Crane and my brother, Greg, gained a lot of distance to round right behind us. As the reach freed up, Crane passed us on the second up-wind leg and the three of us were bunched together, but Greg blew through both of us to start the second lap in second place.

The wind had died by now to three to four miles per hour and on the second "reach" (actually a loose beat) we got air that neither Greg nor Jim got and moved into second around the leeward mark. Tom Allen was over the horizon by now with a three minute ad. Meanwhile, with the three of us playing cat and mouse, Lutz sailed from fifth right by all of us to finish second. We finished third and Crane fourth. Greg got caught in the left side of the course and dropped to sixth.

We felt very happy with our finishes, considering the "survival" conditions with that twenty-fifth place constantly staring us in the face.

On Friday Jim Crane led us around the course for two hours ten minutes and five seconds after four legs only to have the race cancelled because of the two hour and ten minute time limit. It seemed everybody said they were in the top ten at the time of the three guns, but although we had what we thought was fourth, it would have been an extremely hectic run and beat back since the top ten boats were within one minute of each other in drifting conditions.

We were towed in, emotionally drained, realizing the points were still the same after all that work.

The points in the top six were incredibly close. With a throw-out, we had nine points; Crane, Carson and Shore all had fourteen; Lutz had fifteen and Greg had sixteen. You have to remember that we held an extremely vulnerable position with that twenty-fifth leaning over our backs.

Saturday morning appeared to be the same conditions with the winds light out of the southwest, but instead of dying, it picked up to about six to eight miles per hour at the start. Again, we had four to six recalls but it should be noted that this was not the race committee's fault. Bill Hughes and his

committee set perfect lines, but this fleet was simply very aggressive. All competitive fleets are having this problem today – people are too smart to settle for being squeezed out at the gun so there are just more and more recalls.

We had a mediocre start in the middle of the line while Crane, Greg and Shore all had good starts but were heading to the left. We tacked onto port and took about ten transoms but caught a couple of shifts and worked up to fourth at the mark just ahead of two very important boats – Crane and Greg. Spinnaker problems moved us back to ninth and we remained in this position until the last leg. Greg was again sailing smart and fast and picked up two big points at the finish to end up third. Crane was fourth and we were seventh. Shore and Carson both had bad races. Jay Lutz had another consistent ninth. It is probably hard to believe, but we were very happy that there were two contenders instead of one. We could not afford to get in any match race with another boat because Greg and Jim Crane both had throw-out races of eighth and ninth. Once they got us below that place, we were in bad shape.

Going into the last race we had sixteen points, Crane had eighteen, and Greg had nineteen. Both of those guys had to put two boats between us to win. Jay Lutz had twenty-three, Shore had twenty-five and Carson had twenty-eight, so things were still very close.

On the sail back to the starting line for the last race, we got with Greg and checked the points of all the boats. Our twenty-fifth didn't seem to matter now as much as we thought it would. Greg, Jay Lutz and Jim Crane were all so consistent that it didn't matter if the twenty-fifth was even eleventh. The worst throw-out of the three was a ninth.

The pressure was on us to have a good race (top eight), even if we beat Greg and Crane but finished below seventh, we would lose.

With the conditions still unpredictable, our only "game plan" was to stay near both Greg and Crane and not let them get away from us to either side of the course. Greg and I both had the same idea since for every recall the two of us were within two boat lengths of each other's attempted starts. We noticed Crane at the weather end of every recall, so we made a mental note that he obviously wanted to go to the right.

Another thing we had learned during the series was not to let Greg get in a near safe-leeward position (like at the start). When we could get in a position to drive away and then point up when he felt he needed to, his speed was incredible.

As our luck seemed to go the whole series, the start that counted turned out to be our best start. Greg was two boat lengths above us and had to tack within three minutes of the gun. Crane was buried at the weather end along with Shore. Lutz and Carson both had excellent starts above us in the middle of the line and about one-quarter of the way up the beat we all tacked.

The puffs were coming in from the left and we found ourselves in fourth place as we approached the weather mark.

We noticed Crane was in bad shape and we had to drop four boats for Lutz to beat us (he was in first at the time), so the series was now between Greg and ourselves. As we neared the starboard tack layline Greg was understanding the mark by quite a bit. Brotherly love came to a slight halt as we tacked right on Greg's wind. It halted even more as we matched

Greg's next four tacks.

There was some discussion on our boat whether or not we should be doing this quite as early in the race, but if there is one thing I learned team racing in England all summer, it is that if you are covering somebody you can kill him by driving him out to the layline. We put at least three boat lengths on Greg that we knew we would need for the next weather leg.

The distances stayed the same on the reaches and we figured that we would not cover Greg tack for tack because the two boats were close enough behind us that we couldn't afford to let them tangle in between Greg and me. Somehow we let Greg slip out from underneath us and we lost him midway up the second weather leg. It may sound drastic, but we really weren't that concerned at that time because Greg had to put two boats between us. Jay Lutz and Fisk Hayden seemed out of reach and Jim Carson, Greg and ourselves were almost a minute ahead of the sixth place boat.

We sailed the next two reaches a little worried as Lutz and Hayden started running each other up and it seemed like the boats behind us were gaining. Going upwind the breeze picked up to 10-12 miles per hour and Greg turned on the speed to catch Carson. We were busy covering Bill Clawson and still feeling a little uneasy. One-quarter mile from the finish things took a turn for the worse. Lutz and Hayden were covering each other a little too close for our cause and Greg was right on their tail. Also, Phil Griffin, the winner of the fifth race, had moved up to where he was just about even with us. The finish line seemed to be moving away from us during the last 200 yards. We tacked with Griffin at least ten times within 100 yards. Although he was a touch faster, we held on and Greg missed beating Fisk Hayden by a boat length at the finish.

As we crossed the finish line, it was obvious that the spectator fleet had not figured us to win because of our twenty-fifth. The only cheering I heard was that of my dad. The next best feeling we had was looking up at Greg and seeing that he was as happy as we were.

It is still hard for me to conceive that we won. With the team work that my dad and Mary Lou put together, basically all I had to do was point the boat in the right direction.

I can't overemphasize the advantage we had with my dad on our boat. He always told us all the information we needed and he really helped me keep the boat moving when we were in a tight spot. Mary Lou has always done an excellent job in our boat and I'm sure that she is one of the reasons our downwind speed improved. Our crewwork got us out of a lot of close situations – these guys just did a super job.

Greg coming in second had to be the icing on the cake and to think that this is Greg's first time that he sailed in the Lightning's North American Championship.

My thanks and congratulations to Tom Ward, General Chairman of the North American Championships, and Bill Hughes, Race Committee Chairman, and his great committee, who did a great job under all conditions.

There aren't any words to describe how I feel about winning the North Americans. I still don't think it has sunk in.

# DAVID PETERSON WINS 1977 PRESIDENTS' CUP

By Gusto (Jack D. Burwell)

Dave Peterson of Niantic, Connecticut easily won this year's President's Cup Regatta. In fact, while using the low point system, had he counted all six races he still would have won by a 6 point margin instead of a 10 point margin. Peterson's 8 low points for the best 5 races is the lowest score this author has ever heard of for winning the President's Cup. Dave, his wife Anne and Chris Vann put together finishes of four, one, three, one, two, one in extremely light air and joined Stu Anderson in the North American flight in proving that "wooden boats still go fast". Needless to say, Dave sailed an extremely consistent series did just about everything right and is to be congratulated on an exceptional series.

Before I get into the actual racing, I would like to comment on how I happened to be asked to write this article. First of all, having finished 12th in our District, we did not qualify for Buffalo and it was not until the preceding Tuesday night at 11:30 PM did we learn that we had indeed backed into it by virtue of one of the New England boats having to drop out at the last minute. After scurrying around and coming up with a crew of John Tarling from Portland, Maine and Ricardo Crespo from Ecuador, year book editor, Dave Sprague, asked me if I would do a story on the President's Cup for the year book. Looking at our finishes it would have been far more appropriate had I done the story on the Governors Cup, since we spent a good deal of the week sailing in the Yellow division, although we did have a green flag attached to our backstay. We did work hard in putting an accurate story together. However near the end of the week we decided we should have brought a telescope rather than a mere pair of binoculars and a pad of paper to record who was rounding what mark at what time.

The following is the best account of the races that we are able to come up with:

First Race — relatively light air with leeward end of the line favored. Bob Wardwell who normally sails in the Blue Division started to leeward and led at every mark. He was joined by Joe Friebele, Merle Pindell, Bill Buckley, John Gall and Dave Peters. Our friend, Dave Sprague, was sailing in a drum which he has pushed the sides out of and stapled a new deck to and scraped some of the name off, rounded the first weather mark in 7th place. Gusto rounded this mark in 11th place (thought we'd put that in there just so you'd know that we were in the race for a while). At this point Dave Peterson limped around the weather mark in 26th position. However, the second beat proved to be a good one for Dave Peterson as he rounded the second weather mark in 13th position. At the second weather mark Bob Wardwell continued to open up with Joe Friebele in a good second place and Dennis Farley coming from 10th to third with our old friend the janitor moving up to fourth and Bill Buckley hanging in at fifth. I'm not sure you would print what I recall of the next two legs, however, at the drop mark we do know that Bob Wardwell led the second place boat by some three minutes and forty-five seconds. The last weather

leg proved to be a real nail biter with Wardwell barely beating Dave Peters, closely followed by Joe Friebele and eventual winner, Dave Peterson, in fourth while Al Mast made many right moves on the last leg to work his way up to fifth. The Janitor, who at the last weather mark was fourth dropped back to 26th and was close enough to us so we got a good look at his boat and decided to rename it "the garbage man". Back to the club for lunch in extremely light air. After a brief lunch the departure gun for the second race fired and again we were off to the start for the second race. As the afternoon progressed, the air seemed to be lightening. Weather end of line looked favored to us, however, the hot shots snuck away from the leeward end and were off. Dave Peterson tacked to the far left while Peters, Wardwell, and ourselves went far right. Twenty minutes later Peterson was exactly abeam of us, approximately one quarter of a mile to windward. The roundings at the first weather mark were Dave Peterson well out in front with fellow New Englander, Peter Hubbard, sailing well in second and Bill Buckley in third with Merle Pindell fourth and another fellow New Englander, John Collins, in fifth. At this point Farley rounded eighth, Wardwell rounds 28th, and Peters rounds 30th. Shortly before the drop mark the Race Committee shortened the course to four legs and the winner was Dave Peterson with Dennis Farley sailing well working his way back to second, John Collins working his way to third, Merle Pindell finishing fourth and Pete Hubbard fifth. First race winner Wardwell was 34th while Dave Peters who was second in the first race ended up 29th. Shortly after the finish, the air picked up and we had a good sail back to the Club.

Third Race — the bulletin board indicated that the 3rd and 4th races would be sailed back to back so we proceeded to the starting area for the 3rd race while the wind was still light. Right hand side of the course was favored to the first mark and the first five boats were Gall, Farley, Ruhlman, Gusto, and Nolan. Peterson was eighth Peters tenth, Wardwell 24th, and Friebele 34th. We finally had a couple of offwind legs that did not go too badly and at the 2nd weather mark Gall still led with Farley 2nd followed by Ruhlman, Peterson, and Gusto. Dave Peters was tenth and Rick Tears beginning to come on strong was 11th. The air lightened considerably on the last weather leg, however, John Gall sailed perfectly to finish first, followed by Dennis Farley second, Dave Peterson third, John Collins fourth (from 13th), and Dave Peters fifth with Rick Tears working his way into sixth. The Race Committee hoisted the flag which told us to stay in the area of the Committee Boat as they would be starting the 4th race upon finishing the third race. By this time the wind was getting lighter — in fact, it seemed to us that there was almost no wind at all. Knowing that the race would not start, yours truly was lying on the fore deck of Gusto with his head in a bucket to shade himself from the sun. Head wouldn't fit into the same bucket earlier in the day. At any rate, the 10 minute gun sounded and we got out

the paddle and paddled for four minutes and 58 seconds and ended up starting 7 minutes late. I believe this race was to be an olympic course, however, the wind proved to be from many directions so its hard to accurately tell. At any rate, Dave Peters led at the first mark with Rick Tears second, Paul Nolan third, Bob Knop fourth and the old fox, Dave Peterson fifth. This is a difficult leg for me to describe as we rounded the weather mark with perhaps ten green boats behind us and probably 20 yellow boats ahead of us. The downwind legs were pretty cluttered up as the Green and Yellow fleets with the exception of the first ten or so green boats, were packed in pretty tightly together. We go into the gybe mark with perhaps 15 other boats and our crew from Equador, Ricardo Crespo, starts hollering at the other boats in Spanish. I'm not sure what he said but it certainly paid off as many boats took him seriously and made a nice little hole so we were able to pick up perhaps 15 boats at the gybe. We were pretty pleased with this until we discovered that 14 of the 15 were Yellow and decided that was a great deal of work for one boat. This was one race that we were sure that Peterson would not catch Dave Peters as Peters appeared to us to have at least 1/4 mile lead. However, the next weather leg proved to be something else for good old Dave Peterson as the skillful Peterson from Light Air, Long Island, knocked the doors off everybody going upwind and rounded the second weather mark first, followed by

Peters, Tears, Knop, and Huntsman. The 2nd downwind leg was a repeat of the first and the windward mark was moved considerably to provide a short weather leg to the finish. This race was won by Dave Peterson with second going to the ever-climbing Rick Tears, followed by Al Mast, Dave Peters, and Paul Nolan. After having finished in a whole slew of yellow boats, we proceeded to sail into the Canoe Club knowing that wife Marilyn, had flown in that afternoon and at long last we were going to have a Den Mother who was going to insist on a more orderly kept cabin as well as a far more rigidly enforced sleeping system. I guess it is fair to say that up to this point, while we had not won any races, we understood that we were in contention for the lead in several of the evening events which took place ashore. Upon arriving at the Canoe Club, we met Marilyn and since she hadn't seen many of the Lightning people since Sheboygen or at least since the Southern Circuit, much to my horror she wanted to stay up and party most of the night to get reacquainted with many old friends. Therefore, Thursday night didn't provide a great deal more sleep than the previous nights. However, we did have a fine time with many of the great people who are attracted to the Lightning class.

The fifth race was held on Friday – we awoke early Friday morning to listen to the waves beating on the shore and to hear the wind banging the shutters on the cottage and thought

— ha, ha, here we finally have a good deal of air, let's see what those sissies are going to do today. Well, as we arrived at the club the wind velocity had dropped considerably and as we sailed to the starting line, it continued to drop. By the time the race started the air was light, however, it was heavier than it had been on the previous day. The leeward end of the starting line appeared to be favored and Dennis Farley shot out and was leading by a fair margin at the first weather mark. He was followed by the ever-pressing Rick Tears with former ILCA President, Bob Smither, in third. Tom Bierman was in fourth while the hard sailing Dave Peterson was fifth, followed closely by Bill Buckley. Positions seemed relatively stable on the next two downwind legs, however, on the second weather leg it was again Rick Tears who pressed onward and rounded the second weather mark first. He was followed by Peterson, Farley, Smither, and Bierman. Just as a point of interest, on the other end of the fleet, the garbage man and I were having a real battle with 7 yellow boats between us. At the finish it was Rick Tears who had improved his position in every race starting with an 18, 8, 6, 2, 1. With Farley having a bad fourth race in which he finished at 28, Tears was our bet for second place finish in the President's Cup Division at this point. Second place in this race went to Dave Peterson with Farley third, Bob Smither fourth and Dave Peters fifth. After this race it was inevitable that no one could catch Dave Peterson as counting all of his races, he had 11 low points while Farley

had 14, Peters 16 and Tears 17 when throwing out their one high race each. Therefore, the 6th race was going to produce a great battle for second, third and fourth, as well as fifth and sixth which two New Englanders, John Collins and Pete Hubbard, were in contention for. That evening the New England group got together at a nearby campsite and traded lies about how well we could have been doing had this or that happened. Actually our friends, Don Brush in the Blue Division were doing very well as well as Fred Hamblet in the Yellow division, not to mention John Collins and Pete Hubbard in the Green. Somehow at this little get-together the haze and poor visibility set in and seemed to continue that way throughout the 6th race which was held on Saturday.

Sixth Race — wind was back to a nice sailing breeze and the weather end of the line was definitely favored. Not being smart enough to believe the course which was indicated on the Committee Boat, about 14 of us tacked off to the right and proceeded to sail into the Blue division's drop mark and gybe pin. Different from the Yellow division, we had the advantage of seeing the Blue division sailing around these marks and, therefore, eventually came to the conclusion that we might have slightly overstood our weather mark and that the course indicated on the Committee Boat was the proper one. Needless to say, it was! So, the group of 14 or so of us proceeded to set our spinnakers and took off looking for the true weather mark. The entire Yellow fleet with one or two exceptions saw

# GRAND PRIX

## 40th Anniversary Lightning Grand Prix

In October 1977 President John Schneider announced that in order to provide additional interest in our racing program during this 40th anniversary year, we are planning an Anniversary Lightning Grand Prix.

A trophy will be awarded for the combined winner of four series which are:

- (1) Savannah, St. Petersburg and Miami (The Southern Circuit)
- (2) The 40th Anniversary Regatta at Skaneateles
- (3) A major geographical area championship of choice (The European Championships, The North American Championships (North American, Presidents' Cup or Governors' Cup Flights), The South American Championship, etc.)
- (4) A major regional championship of choice (for example, such regattas as any District Championship, the Atlantic Coast Championships in North America, the On The Rocks Regatta in Finland, the Peru-Chile Cup Regatta, etc.)

President Schneider has asked the International Race Committee to take responsibility for the implementation of the Grand Prix. They will rule on whether or not a specific championship qualifies as a major championship. They will establish the rating formula for determining the Grand Prix winner.

The formula, rules, entry blank and other details will be announced prior to the Southern Circuit.

us setting spinnakers and decided that we must have just rounded the weather mark and, therefore, we pulled almost the entire Yellow fleet with us. Unfortunately we have no mark roundings but only finishes in this race. The race, as I remember it, was to have an olympic course. Unfortunately for the Yellow division as they sailed down what was their first downwind leg, they were mixed in with a lot of Green boats which were sailing what was their second downwind leg. Seeing the change of course which was necessary to get a weather leg on the last leg, many of the Yellow division boats incorrectly assumed they had a course change so we had a good group of Yellow boats sailing up the last weather leg with us. At any rate, this race was won by some fellow in a red wooden boat by the name of Dave Peterson. We wondered

what the hell he was doing out here in the first place since he had the regatta won the night before. Anyhow, our sincere congratulations to Dave Peterson with his 1, 3, 1, 2, 1 finishes for an undisputed first place in the Presidents Cup Division. Second in this race went to Merle Pindell with third going to Joe Friebele, fourth to Dennis Farley and fifth to John Collins. Unfortunately, Pete Hubbard was in that group of boats that went far right on the first weather leg and ended up with a 31st in this race which probably cost him fifth place in the regatta. The final results are listed below and our sincere congratulations to the Skippers and Crews of the top boat and our sincere thanks to the Buffalo Canoe Club for the tremendous job and effort which went into this super week of fun.

## GOVERNORS' CUP

By Jon Schwartz

Those of us who sail on Lake Erie are too familiar with what can happen when you get caught with the wrong sails up. So after two years of thorough testing on the world's most fickle lake, we are able to offer you a suit of sails that will put you in the lead and keep you there, no matter how often the conditions change.

Let us take the worry out of having to outguess the wind; sail with **THOMAS** and be ready for anything.

**THOMAS** Sailmakers

Arriving at the Buffalo Canoe Club this year, I could feel the Blue Fleet within my reach. Little did I realize that I was to turn *HikeLes* into a submarine, before the qualifying races were over. I enjoyed it so much that in the second qualifying race after turning over and breaking a mast, I decided to do it again in the third. Consequently, the blue quickly faded into yellow.

After the heavy winds in the qualifying races, we were looking forward to more of the same, the rest of the week. The first race began with 15 mph breezes. We started at the pin with John Cuccio and Ronnie Blair to the leeward of us. Sailing off on starboard tack for about seven or eight minutes, and tacking to port we seemed to have the fleet. We rounded the weather mark with about a hundred yard lead. Tom Allen, Jorge Freeland and Buck Ballatin, followed in that order, as the air lightened. Our 550 pound crew weight slowed us down considerably. At the drop mark Tom Allen was right behind us. The wind continued to lighten and Freeland became too much for us. Our race then became a drifting contest, and we quickly faded back into the fleet. Tom Allen went off on port tack, we went out on starboard, Tom went the right way and finished first, we were second and following right behind in third was Ballatin, followed by Freeland and Fred Mertes.

Second Race: At the start of the second race, the weather end was heavily favored, in light to moderate air. The gun went off, and we found ourselves three rows back, fortunately, for us it was a recall. The race started with a very close first weather leg. We battled with Tom Kennel, Bob Ruhlman, Dean Cady, Hank Hodgson and Fred Mertes, we managed to squeak around the first mark second, with Tom Kennel in first place. The wind shifted even more then it had at the start, and many boats had to drop their chutes before the jibe mark. I finally consulted Les to see if he would mind hiking so we could make the mark without dropping the kite. He bribed me

for a beer, and not being in a very good bargaining position, I was forced to accept. That is all it took to make the mark. The course was shortened because daylight was starting to fade. The wind picked up on the final beat as we battled with Cady and Ruhlman; before too long Dean Cady with his two daughters, Karen and Dana, had closed to within inches, as they demonstrated to Les how to hike. We barely held them off until the finish. We finished first, with Cady second, Ruhlman third, followed by Hodgson and Mertes.

Third race: The air was light again at the start, and the leeward end seemed favored. We got off that end, but had problems getting into gear, and wound up spectating more than racing. We saw some super sailing by Hank Hodgson, as he led most of the race with "Fast Fred" Hamblett closing all the way. The wind had spiraled a couple of times, it finally came in from the northwest, and "Fast Fred" had maneuvered into first place. He held on to the finish, with Hayes second and, "The New Orleans Shrimp King," Buck Ballatin, third, followed by Robert Klug and Hodgson.

Fourth Race: The southwest winds which normally pipe in strong in the afternoon did just the opposite. At the start of the race, we seemed to have the fleet in our hip pocket until "The Brain" (Dad) realized that we and a few other boats were the only ones to start. Everybody else remained on the starting line. It seemed that the Race Committee had raised a fifteen minute starting signal. We headed back to the start jibing in at the Committee Boat with thirty seconds left, we pulled off a lucky start. By the first mark, we rounded 25th in the Green Fleet, and third in the Yellow Fleet with George Buckingham and Buck Ballatin in front of us. I had my crew move way forward because the wind had dropped to nothing. This way, we had an advantage over most of the boats, because we were going downhill with a lot of momentum. We managed to catch Buck, and bargaining for some shrimp after the race, I let him believe we would let him beat us!!!! We had too much momentum and decided not to wait any longer, but to pull ahead, then we closed on the first boat. After a tacking duel with George Buckingham we moved into first place. It looked as though "Fast Fred" was gaining on the second place boat,

and going so fast he ran into the transom. He then let Charles White, Buck Ballatin and George Buckingham slip away to finish second, third and fourth respectively.

Fifth Race: The fifth race was more of the same with little to no air. Many of the skippers couldn't believe that they ever started the race with this amount of air. The left side of the course seemed favored, so we tried to get over there as soon as possible. Tom Kennel in Celebration rounded first, but the wind lightened even more and our momentum carried us into first place. Most of the Yellow fleet sailed with the Green fleet the entire race. It was hard to tell what position any of the boats were in until the final standings were posted. However, we did see that Buck Ballatin had started sailing back to New Orleans, and mathematically that clinched the Regatta for Seaweed (Me).

Sixth Race: We had good breezes for the sixth race and the course was slightly lopsided. The fog started to roll in and many of the boats disappeared from our view. Proceeding up the first weather leg, beer in hand, it seemed as though the whole fleet was going to the wrong mark with the exception of Marshall Walker who peeled off early and headed to the proper weather mark. The "Brain" Arnie, and Les seemed to think that we were going to the wrong mark, so we popped our chute and followed four or five other boats as most of the fleet continued sailing to the wrong mark. When a Patrol Boat zoomed into the weather mark (wrong mark, it was the Blue Fleets jibing mark) picked it up and put it in to his boat. Most of the skippers realized that they had gone to the wrong mark, some jibed at the mark and went to the leeward mark, some skippers thought they had won the race and had actually missed marks while less than half of the fleet had rounded the proper marks. It was a wild way to end a long fun week of sailing!!!!

I wish to personally thank the Buffalo Canoe Club for another excellent series, and look forward to coming back in June for the Spring Regatta. I would also like to express my gratitude to my crew, "Lester the Molester", for hiking, and to my father, "The Brain", for his perfect navigation.

## BRAZIL DISTRICT

District Commodore . . . . . Robert Buckup  
District Measurers . . . . . Oscar Weckerle,  
Enio Lineburger, Erik Schmidt, Dillermando  
Augusto de Mello & Arne S. Arnesen  
District Champion . . . . . Mario Buckup  
District Runner-Up . . . . . Walmor Soares

Fleets: Sao Paulo (147); Florianopolis (162); Niteroi (351); Pernambuco (373); Brasilia (375); Guanabara (401); Guarapiranga (462).

Our 1977 season started with our most important event, the District Championship. There were 18 boats participating with skippers from Rio de Janeiro, Sao Paulo, Brasilia and Florianopolis. The Championship was very well organized by the Federacao de Vela e Motor de Santa Catarina, the Veleiros da Ilha Yacht Club in Florianopolis — Santa Catarina State and the ILCA Fleet 162. The race course was set on the Florianopolis South Bay. Steady winds from 8 to 18 mph, few currents and flat sea concurred to make for the successful results. Counting his 5 best races out of 6, Mario Buckup had a brilliant performance. He finished first four times and in one race second. Second over-all was Walmor Soares, who also showed great speed. In the next positions were Robert Buckup, Claudio Abramowitz and George Rider. There was a friendly and enthusiastic atmosphere all the time and it was great being together with the Brazilian Lightning family. Unfortunately Fleet 373, from Pernambuco was absent.

A few weeks later, two of our best skippers went to Chile, in order to participate in the XXIII South American Championship, at Lake Villa-Rica. As our boys told us later, the organization and the hospitality were excellent and they sailed with the beautiful landscape of the Andes Mountains in the background. On this race course the two Claudios, — Abramowitz and Kunze, had a difficult time choosing the good side of the lake, as the winds were very shifty and unsteady. Feeling at home and knowing, (not guessing), where the next wind would come from, the Chilean, Jaime Fernandez was first after six races. Once more everybody could feel the fraternization among all South American Lightning sailors.

In July Mario Buckup, Walmor Soares and Michael Norris took their sails and luggage and flew to old and hospitable Switzerland to participate in the IX World Championship held at Lake Thun, Spiez. There Mario had the great responsibility of defending his title. As he would use a borrowed boat, although a quite new one, he left Brazil with mixed emotions. He and his crew — Joaquim Feneberg and Ralph Christian, did a tremendous job by finishing second. Mario has to be considered one of the best small boat skippers in the world. He is still trying to understand (and we are sure he is not the only one) how the "old fox" Tom Allen could be so fast, but we all agree that Tom was and still is one of the top Lightning skippers in the world. The young Michael Norris was 42nd out of 53, and this was a very important result too, if we consider that he is a beginner in International Competition.

Later on in November, we were visited by Bill Shore. He came to Brasil to train the Sao Paulo sailors and to try and better their level of competition. His trip was sponsored by the Federacao de Vela do Estado de Sao Paulo (Sao Paulo Sailing Association). It was a very active week for Fleets 147 and 462, with the training divided into three parts. In the two week-ends we sailed 10 races, each one consisting of 2 relatively short triangles. In each regatta Bill skippered a different boat. During the week he gave individual instruction to each crew on tuning and tactics. Almost every evening we had conferences, slides or films. On the first two evenings John Bertrand also talked to us, — about his experiences. He had just won for the second time the World Championship of the Laser Class — this time in Cabo Frio, Rio de Janeiro. So we had, with Mario Buckup also present, a meeting of big champions in this profitable week. We want to thank Bill once more for his coming. We naturally also had some "churrascos" (barbecues) and cocktails with lots of "caipirinhas" (Brazilian sugarcane brandy with lemon, sugar and ice).

Presently all the Brazilian District is working hard to prepare for the XXI Brazilian Championship as well as the XXIV South American Championship. Both will be held at Guarapiranga Lake (reservoir) in Sao Paulo — at Easter 1978. We will do our best to give our South American guests as warm a welcome in return for the friendly way they've always treated us in their countries.

It is also very important to say that our District must work hard to keep all the activities of the class at a good level. With the prohibition of importing new equipment there isn't any possibility of renewing our boats — and that is bad!!! Another difficult problem is the fact that a large number of boats is concentrated in the Fleet at Sao Paulo, which has approximately 20 active boats, — while in the others the number is not greater than 5 or 8.

Anyway, we will go to working to take the Brazilian Lightning Class to the position it deserves.

## CALIFORNIA DISTRICT

District Commodore . . . . . Charles Gotschalk  
District Secretary . . . . . Mark Patty  
District Champion . . . . . Myron Lyon  
District Runner-Up . . . . . Bruce Arnold

Fleets: Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

1977 has proven to be the most exciting year of the past decade for the California District. Although promotion was this year's top priority item, District racing, as always, provides the bread and butter of our organizational diet. The California District comprises only three fleets, but the members of those fleets are the most dedicated, tightly knit group of Lightning sailors found anywhere.

Tom Allen graced this year's California Circuit during Easter Week. No doubt determined to hit the "California Big Time" before a casual swing through Switzerland, he cannonballed his *Plymouth Hilton* straight from the Southern Circuit. The weather for our circuit was beautiful, and although attendance was down a few boats, we still had good District representation along with another special guest, Brian Coleman, all the way from British Columbia.

The Circuit opener, a two day, three race series at Fleet 102's home, King Harbor Yacht Club in Redondo Beach, served as a calling card for the Tom Allen Speed Show. Final standings were: Tom Allen, first; John Lyon, second; Jack McCarthy, third; Warren Gross, fourth and Myron Lyon, fifth.

The Fleet transferred south to San Diego and Coronado Yacht Club for the Marathon segment of the Circuit. Finishes were: Tom Allen, first; Myron Lyon, second; Warren Gross, third; John Lyon, fourth, and Mark Patty, fifth. The 15 mile classic from Coronado, out San Diego Bay, around Point Loma, and up the coast to Mission Bay was climaxed by an incredible three mile spinnaker screamer followed by a torturous six mile beat in very heavy ocean conditions.

The weather lightened a little for the two day Mission Bay segment dominated by Myron Lyon, first; Tom Allen, second; John Lyon, third; Warren Gross fourth and Randy Smith, fifth. Overall Circuit standings were Tom Allen, John Lyon, Myron Lyon, Warren Gross and Jack McCarthy.

Our District Championships were hosted by Fleet 102 and were marked by the surprise participation of long lost Manning and Merrit Barber. Vowing to return to the active scroll, they finished third, followed by Quinton Foster and Wendell Harter. Our District Champ is Myron Lyon of San Diego who seems to be quite comfortable out front these days. Runner-up, in an excellent challenge was Bruce Arnold from San Francisco.

The San Francisco Fleet hosted the Pacific Coast Championships out of Richmond Yacht Club and offered such wonderful conditions as too much wind and no current, too much current and not enough wind, and varying degrees of famous Bay chop thrown in for good measure.

Actually, better variety for a Championship could not have been supplied, and regatta organization by RYC was as usual — excellent. Dominators were Ken White, fifth; Jack McCarthy, fourth; Charlie Gotschalk, third; Myron Lyon, second and Jamie Nelson of Portland, Pacific Coast Champ.

Our next intermural event was the Billie Boswell Memorial at beautiful Lake Cachuma near Santa Barbara. The San Francisco Fleet missed this regatta due to being placed on probation by their local Small Boat Racing Association. In all prudence, we shall leave that story alone and say only that they missed a great one Championed by Myron Lyon, Charlie Gotschalk, and Warren Gross, all from Mission Bay.

The Bowen Memorial Regatta held at Fleet 194's home, Mission Bay Yacht Club was won by Chris Gotschalk, first; Myron Lyon, second; Warren Gross, third and Mark Patty, fourth. A couple of weeks later, Fleet 102 reciprocated with their invitational, "Hurricane Gulch", which closes the District calendar, running from April through October. Mark Patty, in his farewell-to-Fleet 102-regatta, having been transferred back to San Francisco, won this very close contest with Charlie Gotschalk, second and Mike Boswell, third.

General racing participation was down slightly this year due largely to tremendous promotion efforts. Each fleet had at least a couple of projects in the works and the small average rate of success is certainly not a reflection of the effort. Finally one person, Myron Lyon, made a personal commitment to establish the long wished for west coast source of Lightnings.

Tom Allen's visit in the spring was really of a partly business nature. He was delivering the first new boats to enter the State since 11802. Since the delivery of those two boats, Myron (now our west coast Lightning distributor) has solved the plaguing transportation problem, and several more new boats have hit California. But Myron's biggest scheme was to sponsor a Lightning in the Long Beach Sailboat Show, the second largest boat show in the nation.

Sure enough, in conjunction with Tom Allen and with coordination and booth staffing by Fleet 102's Mike Boswell, the really big show became a reality. This single event is probably the most significant story of our District year. And Myron continues to do more.

Lastly, the California District would like to present to all members of the Lightning Class, our new ILCA Vice-President, Myron Lyon and to give special recognition to Andrea Lyon for her patience and encouragement. Myron is California's best; he will serve all of us well.

## CENTRAL ATLANTIC DISTRICT

District Commodore . . . . . George F. Dennis, Jr.  
District Secretary . . . . . Bruce R. Kloss  
District Measurer . . . . . James G. Carson  
District Champion . . . . . Jack Elfman  
District Runner-Up . . . . . Jay Lutz  
Junior Champion . . . . . Jay Lutz  
Junior Runner-Up . . . . . Don Schon

Fleets: Bay Head (3); Metedeconk River (34); Great Egg Harbor (99); Lavallette (104); Brant Beach (173); Surf City (196); Riverton (228); Red Dragon (357); Normandy Beach (366); Penn Manor (422); Ocean City (430).

Reflecting back over the 1977 sailing season, all of our regattas were well attended and competition ran high as is expected in our district. Of the four Skippers we qualified for the Worlds, two attended. Jim Carson and Bob Adams both finishing in the top ten. No less than ten Skippers and their crews attended the North American Championships, with four of these sailing in the Championship fleet. Congratulations are in order for Jay Lutz who not only won the Junior N.A.'s decisively, but also was third overall in the championship fleet. Jim Carson always in contention held onto fifth position in less than ideal wind conditions.

Back on the home front:

Surf City Yacht Club hosted this years District Championships. The first two races on Saturday were sailed in moderate air. Sundays races, however, were sailed in real gale force winds, or better put, Jack Elfman type weather. Jack Elfman, with daughter Holly and George Gaynor took first place followed closely by Jay Lutz in second and Glen Reiting in third. Jay Lutz outclassed the juniors the following weekend to win the Junior CAD Championship followed closely by Don Schon in second and Mark Schneider in third.

The New Jersey Governors Cup, always hosted by Riverton Yacht Club in June was won this year by Franz Schneider. This is no small feat because the regatta has classes other than just Lightnings and the cup is awarded to the winner of the best performing class and therefore requires the co-operation of the other boats in the fleet. Franz walked away with what appeared to be a two-year supply of silver.

Among the fall activities in the District is the Gamma Series which consists of three weekend regattas held by Penn Manor, Red Dragon and Riverton. In addition to having individual weekend competition, the scores accumulate and an overall winner emerges. Bill Clausen won the Gamma all three previous years and was winning this year after the first two regattas. He gave us a break, however, by not being able to attend the third weekend, thus creating a close contest among Gregg Funari, Bucky Kloss, and Djoerd Hoekstra and the three finished in that order.

The Atlantic Coast Championship held this year at Cedar Point, Connecticut saw three of our best sailors place in the top five — Jack Elfman second, Jay Lutz third and Jim Carson fifth.

With the season drawing to a close Glen Reitingner won the Indian Summer Regatta at Brant Beach and Jim Carson was first at Quantico with eight of our district sailors in attendance.

The past season was a successful one in the Central Atlantic District in both enthusiastic turnouts at regattas and extremely high calibre competition.

Fleets: Skaneateles Country Club (1); Lake Delta Y.C. (4); Mayfield Y.C. (13); Pultneyville Y.C. (61); Newport Y.C. (77); Great Sodus Bay (108); Red Jacket (125); Willow Bank Y.C. (164); Henderson Harbor Y.C. (225); Keuka Y.C. (252); Brockport Y.C. (267); Galway Lake Y.C. (338); Thousand Islands Fleet (382); South Skaneateles Lightning Assoc. (439).

It has been customary in recent years to begin planning our season at the Winter District Meeting in December. This time, we were fortunate enough to have Tom Allen with us to share some pointers on

tuning and tactics. We didn't realize at the time that we were listening to the next World Champion. We enjoyed Tom's talk and also his presence at two of our regattas during the season.

A few were fortunate enough to make the trip south in March for the Southern Circuit to begin the season. The less fortunate majority waited till May and the Newport Invitational. This has been a joint affair with the Lake Erie District for the past couple of years. For once we were ready for them and managed to keep the top three spots for the local boys, Kirk Reynolds, Fisk Hayden and Dick Hallagan. As usual, the Lake Erie guys got even (and then some) at the Niagara Frontier in June.

It's really great to see a fleet spring up almost out of nowhere and become active. Such has been the case with Fleet 4 at Lake Delta. Lightning sailing was dormant their for many years, but within the past two years, a thriving fleet has emerged. I'm sure we will hear a lot more from this corner of the district in years to come. They did a fine job of sponsoring the Lake Shore Lightning Squadron regatta which this year was the first leg of the Triple Crown.

The Triple Crown has been a two-boat duel between Dick Hallagan and Fisk Hayden for several years now, and this one was no exception. They traded first and second spots at Lake Delta and Pultneyville. The third leg was at Keuka which is easily our largest regatta of the season. (Somehow it got on the Lake Erie schedule too). Neither Dick nor Fisk won the big Champagne money, but Dick was close enough to take the Triple Crown handily. Fisk Hayden was second and Jeff Penfield third. Our Lake Erie visitors took most of the top spots at Keuka with Mark Bryant winning it again! (We're going to hide Keuka Lake next year where Mark can't find it). Dave Parker also sailed an outstanding series there to pull down a second in the midst of some real tough competition.

Our District Championship was held at Red Jacket Y.C. on Cayuga Lake, and provided a good test of skill and teamwork with four races in moderate-to-heavy air. It looked like Fisk Hayden was going to win this one, but Dick Hallagan pulled it out in the last race to win by a one-point margin. Merle Pindell sailed a very consistent series to take third place.

The Junior Districts also at Red Jacket attracted a healthy seven entries. Bill Dodge overcame a three-point deficit in the final race to win.

The CNYIRA regatta was held at Rochester where the younger skippers took all the Lightning hardware. Bill Dodge, Dave Parker, and Jim Pindell were 1,2,3. The best any of us old guys could do was fifth.

The final regatta of the year at Onondaga was a super heavy air series. Jed Dodge looked like a shoo-in till the last jibe mark. While Jed and crew were self rescuing, Tom McAuliffe breezed by to win the race and the series. What a way to end the season, eh Tom?

## CENTRAL STATES DISTRICT

District Commodore ..... Doug Edwards  
District Secretary ..... Harlan Long  
District Measurer ..... Fritz Toussaint  
District Champion ..... John Gall  
District Runner-Up ..... Chris Merrilat

**Fleets:** Jayhawk (60); Odd Winds (296); Keystone (402); Perry (438).

This year's district regatta was held in June at Lake Jacomo, Missouri. We started out by first weighing and measuring the boats and sails, then proceeded with the real of sailing. The winds varied from light to heavy giving a variety of sailing conditions which also promoted a few token dunkings.

Lunches were provided by the women of the Jacomo Fleet, who did an excellent job. After it was all over John Gall took honors this year with Chris Merrilat as runner-up.

In August, the Jaw Hawk Fleet at Lake Shawnee hosted an invitational for Lightnings. The sailing was good, along with having the whole lake for ourselves. The Club put on a steak fry after the regatta along with some real foot stompin' music that night.

Dick Bartlett, who was elected District Commodore for 1978, promises to have a real good regatta at Keystone Lake next year. David Shea was elected District Secretary.

Hope all can make it!

## CHILE DISTRICT

District Commodore .... Fernando Magnasco Aste  
District Secretary ..... Edmundo Perez Yoma  
District Measurer ..... Pablo Gallyas, Sr.  
District Champion ..... Manuel Gonzalez Mas  
District Runner-Up ..... Alberto Gonzalez

**Fleets:** Yacht Club Chile (317), Algarrobo (318); Capricornio (319); Higuierillas (342); Pichidanguí (346).

The Chilean District showed intense National and International activity during the past season.

Due to the fact that the XXIII South American Lightning Class Championship was to be held at Lago Villarrica, Pucon, the Chilean Association of the Lightning Class invited Mr. Tom Allen to participate in the training of the Chilean team.

The Favaro Cup served to classify Chilean helmsmen, and was won by Alberto Gonzales M. The following people also classified as part of the team: Manuel Gonzales M., Jaime Fernandez, Pablo Gallyas, Rodrigo Zuazola and Manuel Gonzales B.

Previous to the South American Championship, a new edition of the traditional Chile-Peru Cup was held in these same waters.

The results were as follows: First - Manuel Gonzales (Chile), Second - Alberto Gonzales (Chile), Third - Jose Barrera M. (Peru), Fourth - Jaime Fernandez (Chile), Fifth - Gunter Ritter (Peru), Sixth - Luis Loli (Peru).

Crews from Argentina, Brasil, Ecuador, Peru and Chile participated in the XXIII South American Championship amid the beautiful landscape of Southern Chile.

It was the first time that a South American Championship was run on a lake; the water and wind behavior being to the entire satisfaction of all participants. Ample information and details of this Championship appear in this Year Book. It was narrowly won by Chilean Jaime Fernandez, with Javier Melero and Tristan Aircardi as crew.

The National Lightning Class Championship was held at Algarrobo in April of this year and it classified the crews that were to participate in the IX World Lightning Class Championship. It was won by Manuel Gonzales M. with Cristian Parro and Felipe Galvez; Alberto Gonzales was runner-up and third place went to Hugo Cuneo.

Chile participated with 3 crews in the World Championship, obtaining results notably superior to those reached in previous championships of this type even though the crews were not able to have the best boats available.

Finally, to celebrate El Mercurio, Valparaiso's renowned newspaper's 150th anniversary, an International Regatta was organized, to which the present World Champion and Vice Champion of the class were invited. Jose Barrera, the outstanding Peruvian yachtsman also took part.

The Championship was won by Mario Buckup with Ehelma and Joaquin Feneberg; second place went to Tom Allen with Brenda and Tom Jr. and third place to Rufino Melero, a Chilean helmsman who proved to be the revelation of this season.

This Regatta was very interesting as it enabled an interchange of ideas with these visitors which will, of course, benefit the Chilean Lightning Class.

For the coming season, a new Commodore, Mr. Fernando Magnasco, will head the Chilean District and will undoubtedly have a very good performance.

## COLOMBIA DISTRICT

District Commodore ..... Gian Luca Fiori  
District Secretary ..... Jorge Uzategui B.  
District Champion ..... Fernando de la Concha  
District Runner-Up ..... Stefano Paccini

**Fleets:** Club Nautico del Muna (73); Colombian Navy (275); Club Nautico Del Tomina (432).

Club Nautico Del Muna was the most active fleet in the District during the 1977 season. The trials for the World's and South American Championships were held at our Club. The District couldn't send any crew to these Championships. Our National's were held in October at our Club also with the winners being Fernando de la Concha, Muguel Cano and Joaquin Tamayo. Out of 18 competitors most of them are very young and very active in the class.

It is nice to see this bunch of young people sailing Lightnings on our lake.

On November 3 crews from our fleet flew to Lake San Pablo for a regatta with the people of Ecuador. The winner was Dieter Dyck from Quito and runner-up Fernando de la Concha from our fleet.

District Champion ..... David Peterson  
District Runner-Up ..... Dick Haise

Fleets: Housatonic Boat Club (6); Black Rock Yacht Club (17); Niantic Bay Yacht Club (85); Cedar Point Yacht Club (126); Madison Beach Club (129).

This district has been struggling through a period attempting to sustain interest in the Lightning. The energy needed around this effort is best carried by an interested and psyched group actively racing. We seem to be on the upswing thanks to the strong and steady Cedar Point group and recently Niantic. Black Rock, Madison Beach, and Housatonic seem to be reinfected with renewed interest. Niantic, for 1978, has initiated a new regatta called The Governor's Cup Open Invitational, hoping to make it an annual event.

Right side Dave Peterson won every District Regatta this year. "Woody" only seems at a loss in a strong breeze and a sea. Speaking of wind and sea, there sure was plenty of each at this year's NA's.

To the 1977 North Americans the Conn.-R.I. District sent — Bill Shore, Phil Griffin, Dave Peterson, and John Cuccio. The wind and sea were strong during the qualifying series, in which the then current NA champ Bill Shore did not have to sail. Phil Griffin qualified fifth and finished seventh, one boat behind sixth place Bill Shore. Dave Peterson qualified for the Presidents' Cup and won it. John Cuccio qualified for the Governors' Cup.

### DIXIE DISTRICT

District Commodore ..... Fred Mertes  
District Vice-Commodore ..... Al Mast  
District Secretary ..... Dieter Grotheer  
District Treasurer ..... Kitty Racine  
District Measurer ..... Dave Racine  
District Champion ..... Rob Pratt

District Runner-Up ..... Joe Friebele  
Junior Champion ..... Bill Bush  
Junior Runner-Up ..... David Buckley

Fleets: Washington (50); Indiana River (72); North East River (192); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Marine Corps D & E Command (354); Smith Mountain Lake (377).

In the span of 27 weekends between the Southern Circuit and the first of November this District has hosted 21 major regattas. Six weekends were reserved for travel to other Districts. No wonder it's hard to plan a vacation. The season started out traditionally with the Azalea Regatta in Norfolk and ended on the Potomac River at the Quantico Marine Corps Base with the Frostbite Regatta. In the second Regatta, the No-Gas at Severn, Dr. Jim Gilbert meant business when finishing first, ahead of Goldsmith and Hopkins.

During the summer two of our Sailors left temporarily to participate at the the Lightning Worlds in Switzerland. Congratulations to both Jim Crane, finishing third and Dr. Don Delorme in fifth place.

The Districts this year were held on Chesapeake Bay and hosted by the Severn Fleet. After all 37 boats had been towed home from a windless and raceless first day, light winds allowed three races the next day at which time Joe Friebele impressed everyone with two firsts and a second, followed by Bill Buckley, Al Mast and Rob Pratt. The last day's racing took place under rather wet and gusty conditions with poor visibility at times. With two firsts, Rob Pratt zoomed ahead to win the championship with nearby Friebele in second and Buckley in third.

One of the more exciting and certainly important events is the Dixie Junior Championship Regatta. Held for the seventh year, it is known to be the oldest District Juniors. Again it was hosted by Fleet 192 at Upper Chesapeake Yacht Club and organized by Bob Crowder. Enthusiastic skippers and crews demonstrated their ability without Dad's help. Congratulations to Champion Bill Bush and Runner-Up Dave Buckley. Many thanks to Bob Crowder and wife. Read the write-up in the September '77 *Flashes*.

Rumors have it that the Dixies are host to the 1978 NA's. So come and visit us. The racing and competition is great.

### ECUADOR DISTRICT

District Commodore ..... Dieter Dyck  
District Secretary ..... Francisco Sola  
District Measurers ..... Felipe Eljuri and  
Ing. Miguel Izurieta  
District Champion ..... Dieter Dyck  
District Runner-Up ..... Ing. Alberto Maspons

Fleets: Quayaquil Y.C. (272); Salinas Y.C. (405), Armada del Ecuador (411); Club Lago San Pablo (447).

1977 was a year of normal activity for the Ecuador District. The season started with participation in the South American Championships in March. We sent three crews with their own boats to Chile. Francisco Sola with his crew, Rafael Lecaro and Jonny Meira, brought back the runner-up trophy. Dieter Dyck and his sons, Lars and Olaf, were fifth and Juan Santos with Werner Moeller, Jr., and Oscar Viteri, fifteenth.

During May, Club Nautico San Pablo held their yearly Fleet Championship with Dieter Dyck first and Mauricio Martinez, second.

In July we had planned to send at least four boats to the World's in Switzerland, but only Dieter Dyck managed the trip to a country so far away. A sixth place in that important event was more than we expected for our district.

The Salinas Yacht Club hosted the District Championships starting November 2. All fleets participated and the first ten positions were as follows: Dieter Dyck 7 points, Ing. Alberto Maspons 12, Arturo Ituralde 16, Mauricio Martinez 18, Miguel Perez 20, Felipe Eljuri 24, Esteban Crespo 31, Jorge Matheus Jr. 41, Fernando Bermeo 51, Oscar Enriquez 52.

The following weekend, November 12 - 13, Fleet 447 invited sailors from Bogota, Columbia, for the first regatta to be held every year between Club Nautico del Muna and Club Nautico San Pablo. The visitors from Bogota were: Fernando de la Concha with his crew, Morge Uscategui and Miguel Cano, Jaime Casabianca with his wife, Carmen Luz Casabianca, and Jorge Londono, Stefan Pacini with Jean Lucas Fiori, and H. Vazquez. The trophy, which will be sailed for 6 years, was won by C. N. San Pablo. The finishes were: Dieter Dyck first, Fernando de la Concha second, Mauricio Martinez third, Jorge Matheus fourth,

Lars, Olaf and Dieter Dyck, the new District Champions.

Esteban Crespo fifth, Juan Santos sixth, Mario Ribadeneira seventh, Stefan Pacini eighth, Guenther Langpap ninth, Jaime Casabianca tenth, Jose Maria Perez eleventh and Alfred Zeller, Jr. twelfth.

We hope to defend the cup next year in Bogota successfully.

Finally, we should mention that Alberto Maspons attended the Southern Circuit and Mauricio Martinez, the North Americans.

For December we have planned to participate in team racing with the Peruvian District sailing in Ca-lao. This will be an entirely new experience. Six Ecuadorian boats will compete with six Peruvian boats.

## FINLAND DISTRICT

District Commodore ..... Hartti Nisonen  
District Secretary ..... Lauri Heikkila  
District Measurer ..... Terho Aromaa  
District Champion ..... Leif Haglund  
District Runner-Up ..... Pertti Pyy

Fleets: Helsinki (166); Kotka (298); Pori (306); Oulu (307); Raahe (308); Kemi (310); Jyvaslyla (328); Nasijarvi (394); Pyhaselka (428); Tuusulanjarvi (456); Valkeakoski (468); Jamsa (469).

The Finland District had a fantastic season this year with the District Championships being held at the Hoytiaisen Pursiseura in the eastern part of Finland. The hosting Yacht Club showed its activity in arrangements and we saw for the first time over thirty boats (30) on the starting line. This year the competition was closer than other years and the difference between the four top boats was two points. The new Finnish Champions are Leif Haglund, Veikko Valkama and Pentti Puupera, boat *Ariana V* with nine points. Runner-up - Pertti Pyy, Ritva Pyy and Lauri Heikkila had the same number of points with boat *Amarillo*. Third was Lasse Hammar, Simo Koski and Harry Hammar, boat *Rio-Rita II*, 4th *Charlie Brown* - Antti Ruuskanen, 5th *Fanny III* - Seppo Lahdemaki, 6th *Punkku* - Kari Maenpaa, 7th *Kikka II* - Markku Paloma, 8th *Cobra* - Esa Nording, 9th *Mister X* - Jouko Lehtinen, 10th *Pohjan Akka* - Aulis Naykki, 11th *Pilpatu* - Timo Patosuo, 12th *Vahine II* - Unto Maenpaa, 13th *Vipunen* - Lauri Hamalainen, 14th *Triple* - Ahti Immonen, 15th *Masi III* - Terho Aromaa.

Six of our boats were trailed to Italy Numana in May to take part in the Europeans. The results of Finnish boats were: Antti Ruuskanen 2nd, Vesa Tapola 5th, Hartti Nisonen 8th, Timo Patosuo 14th, Markku Paloma 15th, Lasse Hammar 16th.

Four of these boats then moved on to Switzerland where Yacht Club Spiez hosted the 1977 Lightning World Championship. Three other boats came direct from Finland so that seven Finnish boats took part in this event. After ten days, at a fantastic time, "thank's for Swiss

people," we had to pack our boats and travel back to Finland. The Finnish results at the World's were: 25th V.I.P. Vesa Tapola, Ilkka Tapola, Pertti Nyman (the only boat with wooden mast), 29th Antti Ruuskanen, 40th Kari Maenpaa, 41st Hartti Nisonen, 45th Leif Haglund, 46th Pertti Pyy and 44th Lasse Hammar.

The ranking series were sailed in six regattas during the season under new rules. Twenty-one boats totaled the results of three regattas. Antti Ruuskanen, Ilpo Hanninen and Kari Kahkonen won this series with boat *Charlie Brown*. Second place was Hartti Nisonen, Ilpo Nisonen and Antero Uitto, boat *Asterix*. Third place went to *Amarillo*, skippered by Pertti Pyy.

The Finland District picked up eleven new boats and two new fleets, Valkeakoski and Jamsa, during this season.

Representatives of our district participated in the Winter Meeting at St. Petersburg (Pertti and Ritva Pyy) and the ILCA World Meeting at Spiez (Antti Aromaa, Lauri Heikkila, Pertti and Ritva Pyy) and we can say that these contacts with other Lightning sailors from all over the world are very important to the future of the Class in Finland.

Helping to promote the Lightning at a Finnish Boat Show.

## FLORIDA DISTRICT

District Commodore ..... Jim Pinion  
District Secretary (acting) ..... Jim Pinion  
District Champion ..... Fred Hutchinson, II  
District Runner-Up ..... Jorge Freeland

Fleets: Biscayne Bay (226).

At this time the only organized Lightning activity in the Florida District is taking place within Fleet 226, which is located on beautiful Biscayne Bay. However, just a few miles north of Miami, at North Palm Beach, a new interest in Lightning Sailing is coming on strong; Dr. John Swenson recently accepted delivery of Boat 13218 and there is a promise of more activity in that area.

In Fleet 226, a new enthusiasm has prevailed all year. One of the reasons is the interest sparked by the annual gathering at Mid-Winter time of the Southern Circuit Races. This same spark has stayed around all year.

Our District Championship Races, hosted by Coconut Grove Sailing Club, as usual, set up super race courses and conducted an excellent race series. The races were held on April 30 and May 1, 1977.

Fred Hutchinson, II took top honors, while Jorge Freeland finished

Fleet 420 "Wanfinlapimup"	October 7-8
Mississinewa Lake, Peru, Indiana	

\* First Regatta in the Northern Spring Circuit

\*\* Annual Indiana District Meeting will be held

with a very close second. Third place was claimed by Sam Pearl. The top three places were taken by people all under 17 years of age. This is indicative of the competition in our area.

We were fortunate to have Jorge Freeland, along with his crew, Mara Freeland and Jim Alman to represent our District at the Jr. North Americans and North Americans.

Overall it was a very active year for the Florida District. We are expecting an even greater year in 1978.

### INDIANA DISTRICT

District Commodore .....	Bill Saeger
District Secretary .....	June Schubert
District Measurer .....	John Leath
District Champion .....	Tom McDermott
District Runner-Up .....	Bruce Baiden
Junior Champion .....	Charlie Medlock

**Fleets:** Wawasee Yacht Club (154); Indianapolis Sailing Club (270); Mississinewa Reservoir (420); Tippecanoe Lake Yacht Club (425); Muncie Sailing Club (460); Lake Monroe Sailing Association Lightning Fleet (464).

Hoosier is Indiana! And we hear it at all our regattas. Hoosier skipper? Hoosier crew? Hoosier competition? Hoosier race committee? Hoosier scorer? Hoosier purveyor of fine food and grog? Happily, — we seldom hear Hoosier protest committee?

This year's Indiana Opean was sailed on April 30 and May 1 at Geist Reservoir. Host Fleet 270 Indianapolis Sailing Club came up with some lovely light to medium air and nice temperatures. Forty boats participated from Iowa, Illinois, Michigan and Ohio with of course a liberal sprinkling of Hoosier entries. Top skipper was Jack Mueller from Cleveland. Hank Hodgson of Devil's Lake, Michigan was runner-up with third spot going to Bill Crow.

Fleet 270 promises to continue its post race super supper and cocktail hour, however, watch out next year. Hoosier hospitality has its limits. We'll try to keep more silver at home next year.

On June 18-19, Fleet 154 presented the Hoosier Regatta. Wawasee Yacht Club filled their lovely punch bowl and brought on a wind to be remembered. Wawasee's Loch Monster devoured several boats in the ensuing melee. Ron Scherrer's watch along with several assorted sailors was thrown in as sacrifice but the wind monster was not to be appeased. All surviving hardy sailors retired to a great roast beef dinner. Winner Bill Buckles, second place Ron Blair, third Bill Crow, and fourth George Buckingham were toasted with blistered hands around the great bottomless punch bowl.

Muncie Sailing Club Fleet 460 was the setting for the Indiana District Championship and the Annual District Meeting on June 25-26. Weather Saturday morning was not auspicious, however, one very fine wind chant executed by our resident Indian, Ray Trotta, scared up some fine breezes for both days. The District Championship was won by Tom McDermott! Second spot went to Bruce Baiden and third to Keith Swihart. The District Meeting was conducted under the capable direction of George Buckingham and was concluded rapidly. New officers are Commodore Bill Saeger and Secretary-Treasurer June Schubert, both from Fleet 270. The reason business was concluded rapidly was because we all could smell the steak and corn roast subtly urging us on. By the way they certainly have unique pepsi cola in Muncie.

Lake Monroe Sailing Association Fleet 464 gave us all her best weather on August 27-28. A first regatta for this fleet showed the way with strong winds and medium chop on this largest lake in Indiana. We were favored with beautiful skies, spectacular sunsets, and moonlit night waters. Saturday showed us good wind but blew us in safely for a fine supper and happy hour. The wind came up on Sunday and gave us all enough to keep skippers happy and crews hopping. Let's hear a cheer for Sam Ertle's cure for a chipped elbow and cracked rib — a cheer for Fleet 464's great hospitality and help in launching and hauling everyone. Blowing into first place was Brad Wagnon of Muncie (this in spite of a man overboard) second went to Bob Schubert, Indianapolis and third to Bob Carter, Indianapolis. We all enjoyed this first Zephyr Regatta but have rechristened it in light of their winds "Big Blow at Monroe".

Wanfinlrapmup Fleet 420 Mississinewa Lake — That's where the action was on October 1-2. We've been building winds all season but Fleet 420 mixed them up and we had light air on Saturday leaving standings of Hank Hodgson in first and Jack Mueller in second.

Sunday morning after a particularly lovely party given by some very special people, the wind came up a little too much, and with the safety boat's engine protesting, John Nixon decided someone was telling him something. So — Sunday's races were cancelled leaving the regatta winners as of Saturday's standings and leaving all of us with good feelings about our Lightning Sailors, friends and great plans for next year's regattas....And the winds up!.....

## ITALIAN DISTRICT

District Commodore ..... C. V. Mario Lo Sardo  
District Secretary ..... Nando De Amicis  
District Champion ..... Bruno Magoni  
District Runner-Up ..... Luigi Merola  
Junior Champion ..... Umberto Talamonti

Fleets: Marivela (235); del Garda (249); di Roma (271); di Anzio (278); Lega Navale Italiana Anzio (312); La Spezia (321); Lido degli Estensi (355); Formia (389); Flotta del Faro Cervia (390); Marsala (449); Trasmene (453); Conero (466); Flotta del Lario (467).

The past year has been a very important one for Lightning sailors in Italy. The European Championship was hosted by our district and was held at Numana on the Adriatic coast with 33 boats participating from Switzerland, Finland and Italy. For the Italians the final results were valid for the District Championship. Magoni, with DeAngels and Rizieri in 13068 *Sistiana* of fleet 235, was the new Italian Champion. Merola, with Mario and Francesco Lo Sardo in 13061 *Lola uno* of fleet 235, was the runner-up. DeAmicis, with his son, Alberto, and Matteo Bortolaso in 8763 *Sindbad* of fleet 249, was third. Other results were as follows: Viviani, Armenii and Moroni were fourth in 12427 *Julia* of fleet 466; Bardi, Mandrioli and Gasperini were fifth in 9316 *Cap. Morino* of fleet 321; Crucitti, Giacalone and Martinez were sixth in 12905 *Easy Wave* of fleet 449; Salvetti, Saulini and Salvetti were seventh in 13037 *Joe Condor* of fleet 453; De Segni, Mieli and Federici were eighth in 12475 *Coed* of fleet 312; DeRegis, Ciurnelli and Rustichelli were ninth in 12297 *Gargantua* of fleet 453; and Tremante, Tezza and Perin were tenth in 9450 *Tretepe* of fleet 249.

Six Italian boats took part in the World Championship at Spiez, but the results were not good. Luigi Merola with 32nd place and Nando DeAmicis with 43rd place were the best.

Very important for the district was the building of a new glass boat in Italy. 13061 is the prototype of the Salver of Brindisi and is of very solid glass construction and is a very competitive boat. There is possibility of diffusion of the new glass boat during the next year with the help of promotional activity by the District.

We are very happy to welcome Lightning Fleet 467 "Flotta del Lario" on Como Lake in north Italy. The situation of the other fleets has ameliorated. Fleets 449, 453, 466 and 467 constitute a solid base for increase of activity in the respective areas. Fleets 235 and 249 include skippers most available for large transfers, but the Trasmene's skippers (F 453) found the best way and took part in a large number of regattas.

Altogether there are about 200 members of the I.L.C.A. in Italy at the present time and more than 50 boats took part in 1977 regattas. These are meaningful figures!

BULLETIN: TOM ALLEN WINS 1977 LIGHTNING WELT- MEISTERSHAFT IN SWITZERLAND.

This has to be the biggest news in the Lake Erie District this year. Our boy did it!!! Tom won the World's for the fourth time. The District is proud of him and congratulates Tom and his crew, daughter Brenda and son Tom. Congratulations too to Jim Neville and his all-girl crew, sisters Candy and Nancy, for a very respectable fourth place finish. This "all in the family" thing really works.

Back to the basics—the Spring District Meeting was held at Buffalo Canoe Club in April. In the afternoon, there were "Tales of the 1977 Southern Circuit". After dinner ILCA President Bob Adams, our guest speaker, let us know what was new in the Lightning Class. Following this there was a unique and outstanding video entertainment provided by Fleet 118, RHYC.

Our sailing season began as usual with the Eby Series at BCC. Also, as usual, the weather was not very cooperative, but the heartiest souls were there. Of 18 boats, Stu Anderson was first followed by Jay Hansen and Ed Roseberry...all BCC members.

At the Niagara Frontier Invitational Regatta, 52 Lightnings were on the starting line. Overall winner was Ed Roseberry-BCC with Jim Dressel of Buckeye Lake second and Stu Anderson-BCC third. The afternoon race was blown out on Saturday and the NFIR ended as a two-race series.

The interdistrict competition, combining the results of The Newport Yacht Club Invitational (Central New York District) and the Niagara Frontier Invitational (Lake Erie District), produced Fisk Hayden (CNYD) as the winner with Kirk Reynolds (CNYD) second and Stu Anderson (LED) third. The Lake Erie District will have to "try harder" in 1978.

For those who chose to ravel, there were Lightning regattas at various clubs in the District every weekend throughout the sailing season. Stories on these will be found in the Fleet Reports.

Another first for the Lake Erie District—the District Regatta was held at Niagara Sailing Club with the golden opportunity to compete in the current and fluky winds of the upper Niagara River. The John Y. Sloan Junior District Championship was won by Chris Jones-BCC with Doug Hunter-RHYC second and Skip Wilday-CLYC third. There were six enthusiastic young skippers on hand for the starting gun. Under the capable direction of Race Committee Chairman Doug Hooper, five races were completed in the District Regatta with forty-four boats competing. Mark Bryant-SBYC was the winner with a two-point margin over Jay Hansen-BCC who was second. The others who qualified for the North Americans, in order, were Bill Neal-SLYC, Stu Anderson-BCC, Ron Cochrane-NYC, Bob Starck-NSC, Ed Roseberry-BCC, Dave Sprague-BYC, Dave Ingram-Chautauqua, Peter Bone-SLYC, Matt Bryant Jr.-BCC, Don Cutler-CLYC and Judy Walker-NSC. A vote of thanks to Regatta Chairman Jack Swanson and the Niagara Sailing Club.

Meanwhile, back at the World's in Spiez, Switzerland, the District was represented by Tom Allen, Larry MacDonald Jr., Cal Schmiede and Jim Neville.

The 1977 Canadian Open was held in far away Thunder Bay on cold, cold Lake Superior. Twenty-seven boats competed and the Lake Erie District took the first three places. First was Jay Hansen, second-Larry MacDonald Jr. and third-Pete Sulman.

The Lake Erie District placed nine boats in the Blue Fleet in the North Americans at Buffalo Canoe Club. The best finisher was Stu Anderson with an overall 8th.

The fourth annual Old Salts Regatta, all skippers and crew under 100 but over 50 and young at heart, was won by young Ward Wilday.

The Northern Fall Circuit includes regattas at Dunkirk on Lake Erie, Silver Lake and Sandy Beach Yacht Club on the upper Niagara River. At Dunkirk, the racing was blown out on Saturday, but on Sunday two races were sailed. The next two weekends, at Silver Lake and Sandy Beach, black rain clouds followed the Lightnings, but we sailed in spite of Mother Nature's handicaps. There were 28 boats at Dunkirk, 50 at Silver Lake and 33 at Sandy Beach. Nineteen boats completed the three-regatta circuit. First place in the "A" Fleet went to Larry MacDonald Jr. followed by Stu Anderson and Matt Bryant Jr. In the "B" Fleet, Judy Walker was first, Gordy Compson was second and Dale Taulbee was third.

Overall the Lake Erie District had a very successful season. A special thank you goes to Commodore Bill Hunter who did a super job in directing District affairs.

### LONG ISLAND DISTRICT

District Commodore . . . . . Alan Pearlman  
District Secretary . . . . . Frank Marianaccio  
District Champion . . . . . Tom Green

Fleets: Northport Bay (98); Manhasset Bay (133); Great South Bay (178); Southampton (431).

The Long Island District has had an active year both at home and away. We started the year by sending a contingent to the Red Bank Regatta. Our boats didn't win, but we had lots of fun. After a lot of local sailing the District Championship was hosted by the Southampton Fleet. Their graciousness was exceeded only by the excellence of their courses and the super sailing had by all. Tom Green won all three races by a large margin to lead a Great South Bay Fleet sweep of the top five places. Second was Frank Marinaccio followed by Frank Atkinson, Jr., Frank Atkinson, Sr., and Tom Tyler. Misters Green and Tyler had a great time at the North Americans as our representatives. Our district activities closed with the trip to Cedar Point for their invitational.

The racing membership of the Long Island District has concentrated into two major fleets. The increasing cost of membership at some of the "old line" yacht clubs on the north shore has driven out the Lightning Fleets. There are however rumors of a resurgence of the Setauket Yacht Club Fleet (323). Our Great South Bay (178) and Southampton (431) Fleets are alive, well, and growing as the Lightning makes itself known. 1977 was a good year, but 1978 will be even better.

District Secretary . . . . . Patrick Corr  
District Measurer . . . . . Denis Farley  
District Champion . . . . . John Brewster  
District Runner-Up . . . . . Jack Huntsman

Fleets: Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Redbank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

The Metropolitan District sailing season got off to an early and chilly start with the Long John Regatta sponsored by Fleet 70 at Monmouth Boat Club. Fisk Hayden mastered the tricky April wind to take two firsts and a 14th to win this regatta.

The Mid-Hudson Circuit was won again this year by the High Tor team of Mark Lewis and George Bitler. They did not have an easy win, though, as Gary Hurban of Nyack came in a close second, only 1½ points behind them.

Our Districts were held at beautiful Lake Wallenpaupack this year. The hospitality of the members of Fleet 16 combined with excellent weather conditions to make a great sailing weekend. 38 boats participated in the regatta, competing for the six available slots for the North American's. For the first time, we had a Junior District's. Jack Huntsman was 1st, Kevin Corr 2nd and Frank Mergenthaler and Kurt Wilson tied for 3rd.

At the N.A.'s, John Schneider captured a 15th and Sandy Huntsman a 28th in the Championship Fleet. In the Presidents Cup, Denis Farley

was 2nd, Tom Bierman 19th and Jack Huntsman 26th. Jon Schwartz was 1st in the Governors Cup.

For the first time, our District was represented at the Junior North American's. Jack Huntsman and Kevin Corr made the trip to the Buffalo Canoe Club with Sandy and Mary Huntsman. Sandy and Mary deserve a Medal for putting up with the appetites and antics of six 15 year old boys for 432 miles and a week. When the heavy air and high waves subsided, Kevin finished in 17th place and Jack in 28th. Since both are only 15 years old, we hope to hear more about them in future Junior N.A.'s.

September also means the Short Circuit in the Metropolitan District. Tom Bierman of Mohawk was overall winner this year. Tom was a close second last year.

Our congratulations are extended to John Schneider on becoming President of the I.L.C.A.

Our congratulations also go to Bob Hutchinson on his 11th place finish at the Worlds. Hutch was 4th at the Atlantic Coast Championship Regatta at Cedar Point in a fleet of 68 boats.

**Fleets:** South Haven (30); Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Y.C. (54); Higgins Lake (110); Gull Lake (137); Tawas Bay Y.C. (152); Saginaw Bay (216); Grand Traverse Y.C. (326); Pentwater (340); Douglas Lake (374); Les Cheneaux (378); Lansing Sail Club (387); Neahawanta Y.C. (403); Clark Lake (416); Union Lake Y.C. (458).

The Michigan District again got off to a tremendous start with our first regatta at Lake Lansing on May 4-5 just about a month after we put away the ice boats. Bill McKinley proved victorious with John Corbett following close behind. Three weeks later all the hot shots headed for North Cape, down on Lake Erie. The reason for all the interest in an Ohio District Regatta is that the Devils Lake Lightning Fleet was planning on holding our Districts at the North Cape Club and everyone was interested in getting a taste of Lake Erie water, ha, ha. Fortunately, however, no one did.

June brought many of our sailors to Crescent Sail Yacht Club on Lake St. Clair with the highlight of having Bruce Goldsmith and Bob Knop give a seminar on heavy air sailing techniques. We then went out into the lake with 23 boats and came back with 10 finishers after two races. Included in the casualties was Bruce with a broken spar. As the Sunday races were cancelled because of too much air, Garry Demarest emerged as the winner with Tryg Jacobson from Wisconsin following in second place. Our next big event was the Michigan District team race. Eight four-boat teams sailed in this closely fought contest. Douglas Lake was first, Pontiac Y.C. second and the host club, Fenton third.

Hank Hodgson was first and Rick Larson second at Gull Lake. Our District Championship followed with Hank Hodgson again coming out on top of the pile. This was a very close contest as we found Demarest, McKinley, Cameron and H. Nickel making up the first five places.

The next big event was the combination Senior Invitational Regatta and the Michigan Junior District Championship sponsored by the Bay City Lightning Fleet held on Saginaw Bay. The winner of the senior race was again Hank Hodgson with three "bullets" followed by Dave Fury with three seconds and Gordon Gotberg with three thirds. These races were fun but not near as interesting as watching the nine juniors race. Among the nine was this author's little son skippering for the first time in big water with a total crew weight of 340 lbs. This was really exciting as they figured out how to make a Lightning go and finally in the last race popped out in front and lead the fleet for all seven legs. All you dads with kids old enough to hold a tiller should plan on bringing theirs next year. Congratulations to Junior Champion Jim Morse and Runner-Up Kyle Militzer. Good sailing guys! Our last regatta before the N.A.s was held on beautiful Higgins Lake, said to be one of the most beautiful lakes in the world. This was won by past Michigan District Champion Garry Demarest with this year's Champ, Hank Hodgson close behind in second place.

This year we sent eleven boats to the N.A.s in Buffalo with young Clarence Holman doing the best as he qualified for the Championship Fleet. In addition, we had five boats in each of the other two fleets. Pontiac Y.C. was the best represented with five boats in attendance. After Buffalo, everyone went home and rested up for the biggest regatta in Michigan at the Pontiac Yacht Club. This event has a higher participation record than most districts with 40 to 48 boats usually sailing. This year we held true to our name of the White Cap Regatta with 30 m.p.h. gusts on Saturday. This was enough to do in your secretary with a capsized, turtle, mast stuck in the mud and finally a three piece mast when it finally came up. For the third year in a row Gary Cameron with Garry Demarest as crew was the victor. Bill Campbell tied with Hank Hodgson for second, but the tie breaker gave Campbell the second place trophy. It should be noted that this club gives equal size trophies to the first ten skippers and all of their crews in addition to the perpetual first place trophy.

The season ended with two regattas in south central Michigan. The first was at Devils Lake which again drew Bruce Goldsmith back to Michigan waters. This time Bruce kept his spar in one piece and beat out Garry Demarest for first place. Garry, however, was a close second.

The last regatta was held at Clark Lake. Again Hank Hodgson stole first place honors, but a new name, Dale Mahrle from Union Lake, ended up in second. Dale must have been watching closely when he crewed for Hank earlier in the season. Nice going Dale.

The final activity of the District was the display of a new Lightning at the Great Lakes Boat Show at Metropolitan Beach on Lake St. Clair. Thanks go to Hank Callahan and his gang from Pontiac Yacht Club for this successful undertaking. Some of the comments heard; "Gee, I didn't realize the Lightning had turned into such a sophisticated racing boat"; and, "As soon as I can sell my big boat, I am going back to a Lightning".

Our annual winter meeting held in December brought out about 75 people as Bruce Goldsmith gave us a talk on "How to Capitalize on Other People's Mistakes"

## MIDWEST DISTRICT

District Commodore .....	Eric R. Larson
District Secretary .....	Donna Larson
District Measurer .....	Nicholas K. Smith
District Champion .....	Bruce Goldsmith
District Runner-Up .....	Gordon Ettie
Junior Champion .....	Adam Loory
Junior Runner-Up .....	Karen Cady

**Fleets:** Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393).

This past season might be remembered for its foggy June, hot (!) July, and rainy August. Come to think about it, we had a good time anyway.

There seemed to be much excitement at January's Midwinter meeting when Fleet 393 (Manitowoc) announced that it would like to host a regatta. Since we had an early June weekend open in our schedule, the appropriately named Icebreaker Regatta was inserted there. However, somebody must have been fooling with Mother Nature as dense fog and high winds combined to wipe out all races. It was a great disappointment to the fine people of Manitowoc who had done everything to make for a good regatta. We all had a good time playing poker and pool and drinking large quantities of beer.

The P & T Regatta in Milwaukee was next. Gordon Ettie, formerly of Atlanta, Georgia and a most welcome addition to our district, showed the way with a first. Second was Rick Larson of Sheboygan and third went to Dr. John Esser of Milwaukee.

Next stop on the Circuit was the Oxie Regatta at Lake Geneva. Always one of the most popular regattas, this year's added incentive was a chance to trade tacks with Bruce Goldsmith. When the spray had cleared after the last race, we found Gordon Ettie again in the victory circle. Rounding out the top five were Goldsmith, Esser, Dick Hinze of Chicago, and Bob Novak of Lake Geneva. As always, a highlight is the Saturday night banquet. After dinner, many of the crews looking for relaxation could be found at the Thumbs Up, swinging and swaying to the gentle and melodic sounds of Rick Larson and his Stumpf Fiddle.

It was apparent that after his two fine showings, Gordon Ettie and his yellow *SaZerac* were strong contenders for the District Championship crown of perennial Champ and favorite Bruce Goldsmith. With all sorts of weather and current conditions, it was a frustrating time for everyone. After 3 races, Gordon held a 1 point advantage over Bruce. The fourth race was won by Bruce with Gordon managing a third in very heavy and building winds, causing the Race Committee to wisely cancel the remaining race. The top five were rounded out by Dick Hinze, Rick Larson, and Dr. John Esser.

In the Junior Districts held in Milwaukee immediately preceding the regular Districts, Adam Loory of Wilmette, Ill. beat out Karen Cady of Milwaukee. There were six boats competing and we will be trying new ways to increase that number for 1978.

As in recent past years, two major regattas fell on the same weekend: Sheboygan's Brotz and Chicago Corinthian's Hobelman. This unfortunate scheduling conflict cut down somewhat on the level of competition, but not on the enthusiasm of the participants. Both regattas reported good times and each crowned a new champ. Gordon Ettie continued his steady sailing with 2-1-5 finishes for first place with Dick McClure of Chicago, Hinze, Dennis Burke, Chicago, and young Dave Blair, also of Chicago behind him in that order. In Sheboygan, Rick Larson finally put his act together with 1-1 finishes followed by Mike Elmergreen, Karl Miller, Richard Bemis, and Eric Graf. All but

To qualify, The Districts and 3 other (\*) Regattas must be sailed.

Miller, who's from Manitowoc, are from Sheboygan.

With the summer racing out of the way, the heartier sailors converged on Chicago and Davenport for the "Red Flannels" and the "Polar Bear". Both regattas enjoyed heavy winds the first day, resulting in some capsize and very exciting reaches for those brave (?) enough to fly spinnakers. The Red Flannels Champ is Bruce Goldsmith with out-of-staters Corbett (Michigan), Johns (Michigan), Gall (Kansas), and Peters (Michigan) all within 5 points. Mike Steffenson demonstrated his fine local knowledge and ability with three bullets to win the Polar Bear. Next in order came Gene Mathews, Henry Neuman, Jim Flick, and Ken Jensen all of the host club except for Mathews from Lake Geneva.

Five of the District Regattas must be sailed to qualify for the Lake Michigan Championship. Gordon Ettie won this year with his wife and son as crew. Congratulations on a super summer of racing.

1978 is a year of hope for Green Bay to renew its Evans Regatta. With 10 active boats, and possibly several more over the winter, their future looks very bright. Manitowoc also has good news in that they will have 2 new boats for next year.

If the weather person cooperates, next year will be a very good year.

#### MISSISSIPPI VALLEY DISTRICT

District Commodore	Roger Miller
District Vice Commodore	Robert Hochstetler
District Junior Commodore	Matthew Burridge
District Measurer	Stuart Bernstein
District Champion	Robert Wardwell
District Runner-Up	Augie Paoli

Fleets: Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274).

The Mississippi Valley District is a long narrow north-south district. As its active fleets tend to have two centers one in the northern half and one in the southern half our District Championship alternates. In 1977 the District Championships were held at Kentucky Lake through

the courtesy of the Ken Lake Sailing Club. Our districts are run on a joint venture basis with all fleets contributing effort and manpower. In even numbered years District Championships are held at Lake Carlyle in middle Illinois on the same joint venture basis.

The 1977 District Championship had for some members of the district been preceded by enjoyment of the Southern Circuit in March and for others at the Tennessee Regatta in Nashville in April, the Hernando DeSoto Regatta at Memphis in early May, the Kentucky Lake Governors Cup in mid May or the Wild Turkey Regatta at Kentucky Lake in late May.

In this year's district regatta a newcomer to the district, Bob Wardwell won and became the District Champion. He has moved to Chattanooga, Tennessee where he and his Lightning are orphans, but fall within the geographical boundaries of the Mississippi Valley District. We were happy to welcome Bob even if he did walk off with all the silver. The runner-up was Augie Paoli of the Carlyle Sailing Association. Third place was Matthew Burridge of the Carlyle Sailing Association. Fourth place went to Bob Hochstetler of the Harbor Island Yacht Club at Nashville. Fifth place was Tom Hudgens also of Harbor Island Yacht Club. This year after much debate we tried a six race series with one throw out. The weather and water cooperated to make it a howling success. Following the racing Roger Miller of Decatur was elected to the office of District Commodore. Bob Hochstetler of Nashville was elected Vice Commodore. This year there is a new district office that has been created in conformity with the policies of the ILCA and that is Junior Commodore. Matthew Burridge of the Carlyle Sailing Association was elected to this position.

Following the districts the season continued with Decatur's "Inter-city Regatta" which occurred in late June.

This year strangely enough the midwest was blessed with wind during July and August and great local sailing was had by all fleets at their home locations.

In mid August the district sent two boats to the Lightning Junior North Americans at Buffalo. One of these boats skippered by Matthew Burridge of the Carlyle Sailing Association with crew of Ron and Randy Dibler wound up third.

Of the five boats from the district that qualified for the North Americans, we had representatives in all three fleets. No ones final standings were startlingly good, but here was some awfully good sailing done by Mississippi Valley District sailors.

After the North American's the local regatta circuit continued with the Carlyle Sailing Association's Labor Day "impromptu" regatta. This is a regatta that started actually before Lake Carlyle was formed, racing for a case of beer. It has grown from that humble beginning to a good regatta attended by quite a few out of town boats. Unfortunately this regatta has a rival in the southern half of the district where the Island Bay Yacht Club has its McDougal Regatta on the same weekend.

In mid September the Mammoth Whale-of-a-Sail Regatta is held by the Carlyle Sailing Association which is a multiclass, multicourse regatta usually drawing somewhere between 200 and 300 boats in some 15 different classes. In recent years the use of three separate courses and race committees has done a great deal to smooth out the traffic problems that were earlier experienced. We all hope that Lightning participation in the Whale will improve as it has been minimal in the last couple of years.

In late September there is the Watkins Regatta at Kentucky Lake which is an open regatta and usually includes The Lightning Class. The last regatta of the season is the fabled Blue Nose Regatta hosted by Island Bay Yacht Club and Lightning Fleet 262 on Old Hickory Reservoir near Nashville. This is a regatta that is known to many people from outside of the district for its hospitality and good competition.

The Mississippi Valley District has, as detailed above, many regattas and welcomes Lightning sailors from nearby fleets. The particular dates for our regattas for next year are listed in the district ad elsewhere in this book. Please come and visit us.

## NEW ENGLAND DISTRICT

District Commodore . . . . . Donald C. Brush, Jr.  
District Secretary . . . . . Georges Peter  
District Champion . . . . . John Collins  
District Runner-Up . . . . . Donald C. Brush, Jr.

**Fleets:** Centerboard Y.C. (14); Merrimac River Fleet (121); Spofford Lake (145); Annisquam Y.C. (151); Marblehead Harbor (189); Bomoseen Lake S.C. (227); Lake Dunmore (243); Harraseeket Y.C. (244); Massebesic Y.C. (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Cohasset (369); Pontoosuc (417); Androscoggin Lightning Fleet (450); Granite Lake (457).

The 1977 District schedule opened in Burlington, Vermont in early June where the Mallet's Bay Boat Club sponsored the New Hampshire-Vermont championships. The "factory team" of Bill Shore and Greg Fisher prevailed, followed by Don Brush Jr., Dave Little, and 16 other skippers on a cold, blustery weekend. Defending District Champion Don Brush won the award for the highest N.H.-Vt. finisher after a close battle with clubmate Dave Little. The following weekend 21 skippers and crews answered the starting gun at Newburyport. The weather warmed up, but controversy plagued this regatta. Both of Saturday's races were protested and no one seems to remember who won the hardware. One week later order (and good racing) was restored at the Annisquam Yacht Club. Greg Fisher bested a field of 14, followed by Jack Burwell, Georges Peter, Don Brush, Sr. (with a pickup crew from Vermont!), and Stu Nickerson.

Three weeks later, the District Championships were hosted by the Harraseeket Yacht Club in South Freeport, Maine. Thirty plus boats contested for the championship and eight North American berths in a regatta that will be long remembered for both the fine competitive sailing under the direction of R.C. Chairman Gardner Brown and the "Down East" hospitality, led by Jack and Marilyn Burwell. John Collins and Don Brush tied on overall low points, with Collins (and crew of Ann Hayes and Larry Fretts) winning his third District Championship in four years on the tie breaker. Dave Curtis finished third after leading the regatta until the final leg. Fred Hamblet (4th) and Georges Peter (5th) also finished in the money.

Two weeks later at Marblehead Race Week, Georges Peter edged out Buddy Duncan and John Collins for the Larsen trophy. Peter and Collins tied for the State of Massachusetts Championship (comprised of the weekend races) followed by Brush, Len Pratt, and Joel Humphrey. The weekend of August 13-14, just prior to the North Americans, both Wellfleet on Cape Cod (22 boats) and Mallet's Bay Boat Club on Lake Champlain (17) hosted Lightning events. At Wellfleet Bill Shore bested Stu Nickerson, both having just returned from the World Championship

in Switzerland, followed by David Jones, one of the fine young sailors in the District. Burwell and Dave Fitch completed the top five. In Vermont, Brush, followed by Bill Dunnington, Peter Hubbard, and Pratt, led the field.

At the Junior North Americans in Buffalo two N.E. representatives, Bill Fastiggi of Burlington and Tom Wynn of Spofford, qualified for the N.A.'s with 10th and 12th place finishes respectively. The District congratulates both on their fine performances.

At the North Americans, three N.E. representatives, Brush (6th qualifier), Peter, and Curtis qualified for the "Blue" flight. Brush (with a 2nd in race #2) and Curtis were in contention for the top ten until in the final race. In the President's Cup, Collins finished 5th. Other N.E. representatives, in addition to the Junior qualifiers, were Peter Hubbard (with a very creditable 6th in the Governor's Cup). The District cocktail party again provided a welcome respite from the week-long, highly competitive sailing.

Back in New England, the District schedule, concluded with September regattas at Lake Massebecic and Lake Spofford. Don Brush, followed by Buck Wynn and Hale, topped 15 boats from throughout New England, 5 of which capsized in Sunday's gusty 30 knot breezes. At Spofford, Bonnie Shore came from behind on a light air, cold weekend to take top honors in a 30 boat field. Hubbard, Dave Petersen, Don Brush, and John Hughes followed. Undaunted spirits and the usual Spofford hospitality more than overcame the inclement weather at this very popular event.

With nine regattas, a hard fought District Championship, and continued growth of several fleets, the season was an unqualified success. In addition, Stu Nickerson represented the District at the World Championship, and Jack Burwell, Dave Curtis, Don Brush Sr., Don Brush Jr., and Bob Gustafson went to the Southern Circuit. New England was also well represented in the top ten at the two Westport regattas. Most important, however, the District looks forward to 1978, another successful season, and the 40th anniversary of the Lightning Class.

## OHIO DISTRICT

District Commodore ..... Ron Schulster  
District Secretary ..... Burt Preston  
District Measurer ..... Bucky Powless  
District Champion ..... Greg Fisher  
District Runner-Up ..... Jim Dressel  
Junior Champion ..... Will Petersilge  
Junior Runner-Up ..... Richard Wilber

Fleets: Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Toledo (42); Buckeye Lake (43); Rocky River (71); Mansfield (150); Northeast (207); Atwood Lake (212); Cowan Lake (303); Hoover Dam (353); Sandusky Bay (386); St. Marys (400).

Bill Shore was the speaker at our 1977 winter meeting. He reviewed the basic elements necessary for top boat speed and discussed his starting procedure. Afterwards there was a question and answer period.

Indian Lake's Spring Shake Down Regatta started Ohio's racing season. Jack Mueller was the winner with John Mueller second, Bob Strempel was third and Bernie Malcolm fourth. The following week North Cape Yacht Club hosted the Great Lakes Championship regatta. Bruce Goldsmith was the winner with Jim Dressel second, and Garry Demarest third. The Northern Spring Circuit is comprised of these two regattas along with the Indiana Open Regatta. The winner of the circuit was Jack Mueller.

The Thundermug Regatta, sponsored by St. Mary's Boat club was sailed June 4-5. Dick Pugh and Mike Wilkins took first and second respectively.

Leatherlips hosted the Windshift Regatta. Ron Schulster took first, Bucky Powless second, Dick Pugh third, Tom Varley fourth, and Paul Howard fifth.

On the Fourth of July weekend, Pymatuning Yacht Club sponsored their Independence Day Regatta. The winner was Chuck Maltbie, with Bob Baumgardner finishing second, and Rob Ruhlman third.

The Ohio Districts were held at the Cleveland Yacht Club. At the summer meeting it was decided to shorten the District Championship to five races with a throwout. The series continues as a three day event, but with less pressure on the race committee and more time for socializing. Greg Fisher won the District Championship and later went on to place second in the North American Championships (brother Matt took first). Second place went to Jim Dressel, third to Jack Mueller, fourth to George Fisher and fifth to Bernie Malcolm.

Bill Buckles took the honors at the annual Cleveland Yacht Club Regatta with Jack Mueller taking second, and Dave Austin third.

The Sandusky to Put-In-Bay Steeplechase was won by Ron Schulster, Jack Mueller took second and Bob McBride third. The Put-In-Bay Regatta was won by Bill Buckles with Jack and John Mueller taking the next two places.

Atwood Lake Yacht Club hosted the Harvest Moon Regatta September 10 and 11. The winners were George Auer, Rick Cooper, Burt Preston, Nelson Caley and Herb Jestel, respectively.

Buckeye Lake's Snowball Regatta attracted some of the best sailing talent east of the Mississippi. Bruce Goldsmith hailed victorious on the water but seemed uninspired at the cocktail party. Greg Fisher took second, Matt Fisher third, Bill Shore fourth, and Mark Bryant fifth.

Cowan Lake's Fall-In Regatta closed the season with perfect weather. Ron Schulster won by an impressive margin. Second was Hank Hodgson, third Burt Preston, fourth George Auer, and fifth Bob Mains.

Ron Schulster's strong finish at the Cowan Lake Regatta made him the second winner of the Ohio Governor's Cup. This trophy is presented to the Ohio sailor with the best overall record in the Thundermug, Windshift, and Fall-In Regattas. Dick Pugh was a close contender until he missed the last two races at Cowan Lake due to illness.

District Commodore ..... Jamie Nelson  
District Secretary ..... George Blumel  
District Measurer ..... Van Conklin  
District Champion ..... Phil Parshley  
District Runner-Up ..... Greg Zettler

Fleets: Maple Bay (64); Vancouver (90); Chinook (229); Columbia (283); Okanagan (368); Juanita Bay (414); Comax Bay (437); Klamath (455).

We're all crazy! This was my conclusion after going over the notes for this report. For the whole summer of '77 our sailors travelled an incredible amount of miles to get to regattas, mid-winter meetings, pick up new boats in the East (6000 miles round trip) and have smashing parties to which the ladies contribute more time and effort than should be permitted by the human rights committee. I ask myself, Why? Well, I came up with the keyword as being COMRADSHIP! What a swell bunch of sailors who certainly look for doing battle out on the course, but even more than that, they know that Tom, Dick, Harry and all the others are there as well and that is why they do it. Conclusion: WE ARE NOT CRAZY, but it helps.

We started our racing season in May at Kelowna, B.C. Many of our sailing buddies were still hibernating (or fixing) and therefore the turnout was light. The racing however was anything but light. On Saturday we had good winds (18-20 mph.) and the planing reaches were exhilarating, only to be outdone by even faster Hobie 16's which make an incredible sound while passing at high speed. Speaking of Hobies, their hulls are lethal weapons as Neil MacGibbon discovered while being on starboard, he was smartly holed by a Cat just at the waterline and it took all his skill to keep the boat afloat and return to the club. A Tupperware lid and some tape solved his problem and he was back racing in the next race. All in all it appeared that Brian Coleman was the man to beat although that turned out to be impossible and he took top honors with Blumel and MacGibbon tying for second. Bob Bazett's party on Saturday was as good as usual and breakfast at Dee's and Neil's was much appreciated.

The following weekend was the Memorial Day Weekend and traditionally we sail in Eugene on this weekend, but the lack of water forced us to move over to Klamath Falls where a total of 27 boats showed up. We had fair winds on Saturday and after two races Jamie Nelson had bagged two first which seemed to be a comfortable situation. On Sunday, with good winds, John Benedetti cranked up his boat and went all the way to take the series. Jamie Nelson was second and Smoke Fischer third. The Portland Fleet dominated the first six spots with the exception of fourth which was won by Ken White of Klamath Falls. It was good to see younger sailors such as Vicki Benedetti, Lisa and Hap Parshley crew with their dad's respectively and do a good job in making the boats go fast. The party at White's was staggering. I never saw so much popcorn in one place as I did at that great party!

The Districts for the Pacific Northwest were held in Seattle this year and offered much excitement with Saturday being a real gear buster. Greg Zettler put on a strong showing during the first three races but bombed out in the fourth which put him in second place. The ever pressing Phil Parsley took honors. Jamie Nelson was third, "Lightning" Rod Johnson fourth and Portland's "Father of Lightnings" John Benedetti came in fifth. Phil's new boat is beautiful and performs equally well with the capable help of his son and daughter. The party at Pam and Kurt Seiffert's lovely home, with 100 sailors attending, was again a success and the feast of boiled crabs was enjoyed by all.

Lack of water was our worst enemy this year and our Portland regatta was no exception. The races had to be moved to Yale Lake, some 40 miles from the dried out reservoir. The conditions were perfect! Clear skies, warm weather and wind ranging from 8 - 14 mph on Saturday and 12 - 18 mph on Sunday. There was no doubt after three races that Zettler was the man to beat. Rod Johnson had problems on the starting line in one race and to top it off split his boom as well. Therefore after some good racing Greg Zettler was first, Kurt Seiffert second, and Rod Johnson third. Yale Lake is very picturesque and perhaps more races will be held here in the future.

In conclusion, the overall winner for this seasons racing was "The Incredible" Greg Zettler. This fellow is unreal and I hope he will offer us tough competition again next year.

In closing, our District is planning to have its first Junior Championship next year, and I can see that we will have some very good junior sailors competing. The need for a builder on the West Coast is apparent and having one would help us greatly.

A note of thanks to Cheryl Zettler for her excellent work in sending race reports and results to *Flashes* to keep us all informed.

So much for this year! We met a lot of people, made a lot of friends, travelled a lot of miles, raced in a lot of races and are ready to do it again next year.

## SOUTHERN DISTRICT

District Commodore ..... Larry Frost  
District Secretary ..... Frances Hughes  
District Measurer ..... Buck Ballatin  
District Champion ..... Rick Skinner  
District Runner-Up ..... L. D. "Debbie" Lallande

Fleets: Southern Yacht Club (62); Mobile Bay Lightning Fleet (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209); Morgan City Yacht Club (443).

The Southern District stretches from Mobile Bay in the southeast corner of Alabama, across the Gulf to New Orleans and north west to Shreveport, Louisiana and is comprised of five fleets totaling 50 or so Lightnings. Regatta competition begins with the Sugar Bowl Classic held around the first of the year on Lake Ponchartrain in New Orleans, on to the Holiday-in-Dixie event in Shreveport the last week-end in April and concludes, usually, with the Jackson Mississippi Yacht Club hospitality shindig the end of October. Fairhope's Wadewitz is calendered the first week-end in October. Besides these always "fun events" there is the Gulf Yachting Association Lightning Class Championships, won this year by Buck Ballatin, and the Southern District of ILCA Championships, captured in 1977 by Rick Skinner. These two events are the main attractions of the year usually drawing Lightnings from all the fleets of the area, and are held in June and July. Southern Yacht Club, New Orleans, has a Labor Day Lightning regatta every year.

Marshall Walker, Shreveport Yacht Club, Tommy Allen, Southern Yacht Club and Buck Ballatin, New Orleans Yacht Club represented the District in The North Americans in 1977. Buck Ballatin took second place in the Governors Cup.

Officers during the first half of the 1977 sailing season were John Butcher, Commodore and Larry Frost, Secretary. New Officers, Frost and Hughes took over at the annual meeting during Southern District Championships.

The Jackson Mississippi Yacht Club annual Hospitality Regatta invites Lightnings to attend their regatta each year late in October. The Lightning Fleet at Jackson is inactive, yet seventeen Lightnings arrived on the scene this year - all from distant yacht clubs. If you sail within 300 miles or so of Jackson Yacht Club, we highly recommend this "Indian Summer" affair.

The Shreveport Yacht Club's "Holiday-in-Dixie" regatta the last week-end in April each year usually fields a large fleet of Lightnings (28 in 1977, 32 in 1976) and always has strong to stronger winds. You are

invited to come to Shreveport's regatta and get a taste of "Early Summer" and great Lightning racing. Fleet 175 at Shreveport Yacht Club is very much alive.

## TEXAS DISTRICT

District Commodore ..... Richard Ruimnan  
District Secretary ..... Ann Wach  
District Measurer ..... Dr. S. R. Newman  
District Champion ..... Stephen Craig

Fleets: Dallas Corinthian (35); Rush Creek Yacht Club (435); Galveston Bay Sailing Club (448).

The Texas District has been on a slow downhill slide with the exception of Fleet 435 (Rush Creek Yacht Club) for the past five years. In my opinion, this problem is caused, in part, by failure of builders to reach satisfactory terms with retail dealers. The number of inferior sailboats sold to inexperienced purchasers in this area is incredible. Eventually, many of these people may turn to Lightnings if their sailing experience leads them to an enclave of Lightning people, which in this area is not likely. We feel that more people would buy Lightnings if the boat dealers would sell them. The Texas District now has one active fleet, fortunately it is one of the best.

On the bright side, due to the efforts of Fleet 435 and more notably Jim Craig and Bob Chilton, it appears likely that a Lightning fleet will be started at the Fort Worth Boat Club. Fort Worth has some excellent sailors who for years have sailed keel boats, some of extreme size for an inland lake. The club is experiencing a back to basics movement by a number of sailors who have bought Lightnings. We hope this will be the nucleus of a large and competitive fleet in years to come.

Thanks to the efforts of Duncan Porter, Jim Craig and Jeannie Craig, the Rush Creek Yacht Club has been selected as the site for the 1979 Lightning Worlds. This event will definitely help promotion of Lightnings in our area. The District is sending out a newsletter informing all nonaffiliated Lightning owners in Texas of the worlds site selection and encouraging them to join the I.L.C.A. It is hoped that this effort may increase the District's membership in the I.L.C.A. and permit more of our boats to qualify for the North Americans. For the past several years the District has only been able to send two boats, for 1978 it is our goal to send three.

The District has been doing better in national competition. Our District Champion, Stephen Craig, qualified in the blue fleet at the N.A.'s for the first time in several years. It is hoped that the new boats in Fort Worth will help raise our level of competition.

We are hopeful with the establishment of a fleet at Fort Worth, the coming of the World Championship and the continued promotional efforts of some of our dedicated Lightning pushers, the Texas district will grow and the good news of Lightning sailing will be brought to potential Lightning owners in the Texas District.

Texas District Champions Jeff Grinnan, Stephen Craig & Stewart Thomas.

## URUGUAY DISTRICT

District Commodore . . . . . Homero R. Came  
District Secretary . . . . . Daniel Zannier  
District Treasurer . . . . . Ricardo Molinelli

**Fleet:** Yacht Club Paysandu (423).

Class activity during last season was normal in our district. The highlight of the year was Homero M. Came's participation in the World Championship at Spiez.

Thanks to Mr. Hans K. Rahn, the Swiss District Commodore, Homero, our top skipper who was in Europe on a business trip, was able to borrow a boat and participate in the Worlds. The boat was rather out-dated; wood, 120 lbs. overweight, and had a tired suit of sails, but with an excellent crew, and conditions similar to those of our home waters, managed a 31st place overall. He was 6th among the Latin Americans at the Regatta. Considering that at 23 Homero was the youngest skipper at the Championship, and that this was his first International Regatta, his results were extremely gratifying.

We are now preparing ourselves for the upcoming South American Championship in Brazil.

## "LIGHTNING" FILM

You can still schedule the half-hour color film "Lightning" by writing to I.L.C.A. Headquarters.

This 16mm sound/color motion picture "Lightning" gives a brief glimpse of the heart of small boat one-design sailing — the people and their boat.

Filmed on the waters of Tampa Bay during the 1974 Mid-Winter Lightning Championship and at "Red Bank" on the Navesink River during the Monmouth Boat Club Regatta; and on land at the St. Petersburg Yacht Club, the movie combines racing shots with regatta activity shots.

"Lightning", of course, stars the Lightning, a 19' centerboard, three man boat, and features Lightning crews and families.

The movie was sponsored by the Lightning Class Association and some of the Lightning Builders and Sailmakers - Allen Boat & Sail Company, Eichenlaub-Mueller Boat Company, Nickels & Holman, Todd Boat Company, Murphy & Nye Sailmakers, Seidemann Sails, and Shore Sail Company. Steered by Lightning sailor Anthony V. Curto of New York, the movie project began in the Spring of 1973. Tony located and contracted Victor Kayfetz Productions Inc., New York City commercial film producers, to do the job. Victor Kayfetz proved to be a fortunate selection. A sailor himself, a professional perfectionist, Victor has produced a colorful interesting movie. Using sound recordings of on location interviews along with narration against a specially composed musical background the audio portion of the movie complements the film.

One bit of history is recorded in the movie. The designer of the Lightning, Olin Stephens, took time out from his tight schedule during the 1974 America Cup competition to speak about the Lightning and its design.

The rental of the film is \$25.00. For scheduling contact the International Lightning Class Association, 808 High Street, Worthington, Ohio 43085.

Fleet 3 was enormously proud of I.L.C.A. President Bob Adams, his wife, Tay, and daughter, Jennifer, who, along with many Lightning sailors from the United States, journeyed to Switzerland for the World Championships. Bob skippered his 'old' Lightning *Envy* and, with Tay and daughter Jennie as crew, finished tenth!

This summer marked the conclusion of Bob's presidency of the I.L.C.A. and his fellow members of Fleet 3 admire his accomplishments which emphasized youth sailing, the start of an excellent women's program, as well as more and better communications and personal relations world-wide among Lightning sailors.

Jim Simpson, our Fleet Captain, had an active year sailing the Barnegat Bay Yacht Racing Association Series and finishing as the Bay Head Yacht Club Fleet Champion. Although the July series did not pan out, a very active August series was sailed among seven boats. Corbin Day finished second for the Series and young Bob O'Brien was third.

Plans are already afoot for a strong revival of Lightning sailing next year, particularly among the Juniors. The Club has just purchased a competitive Lippincott and will actively promote the Lightning among the youngsters to insure the viability of our Fleet.

In June we were proud to host the 1st leg of the N.Y.S. Triple Crown Regatta. We got in 5 races, with 20/22 mph winds on Saturday, a slower Sunday of 10/15, but steady. The awards went to the top five places with Fisk Hayden, Liverpool, taking home almost everything. This included our new award, "The Ringdahl Trophy" to be presented to the winner of the 1st Leg (only) of the Crown Series, and donated by Eskil Ringdahl, (#86) Rome. We thank Eskil for such an impressive piece of silver.

*Fisk Hayden, right, getting some assistance with his silver.*

C.N.Y. Commodore Dick Hallagan took second with a one point difference, followed by Kirk Reynolds, Skaneateles, Merle Pindell, Manlius and Dr. Jeff Penfield, Fayetteville. A local was 6th with "super skipper" Tom Allen at the helm (but a less-than-super crew!). Saturday evenings' buffet dinner was followed by music for dancing (or telling each other what went wrong).

A sailing club gives no awards to tennis playing sailors; the Tom McAuliffes, Hallagan and Allen, who went on into the night with the rackets. Stam - in - a !

There was an "all-out" club effort, sailors and non-sailors working for the Lightning weekend. We hope the C.N.Y. people enjoyed their visit with us.

Memorial Day weekend our beautiful lake gave us EVERYTHING... gusts to forty on Saturday, easing off for Sunday, a drifter on Monday. Saturday Bob doubled his mast before take-off. Everyone had cold swimming except for Jack. 13160 got the Saturday gun, then Mark Doyle, Barb and Art had three successive knockdowns, taking the swimming honors. Our finale for this weekend was Jack (we don't know if he can swim) Martin, Dr. Skip Van Slyke second, Colonel Harry Winberg third. They are good in the water, too.

The July 4th weekend water was warmer for Art on Saturday. Then the calms set in for the next two days. Harry got the first, Skip Van Slyke second, then ties with Bob and Jack for third position.

Labor Day weekend had two post-poned races because of heavy rains, no winds. The Air Force swept the civilians with the "Colonel Crew"; Colonels Winberg, Kozuma, and Mahoney. Everything they did was right. We totalled that weekend with Jack second (wife Sukie and sister Marilyn taking orders), Dr. Skip doing third with Tony Kimball and wife Chris, now known as the 'Jaunty-Lass'.

The travellers on a small scale included Jack & Harry who tried the 3rd Leg of the Triple Crown at the Keuka Champagne Regatta. Their report was....champagne first, weather 2nd, L.D.Y.C.....somewhere in the pack. We sailed again at the Onondaga Invitational in September, 12823, 13160 and 13166. On arrival we were greeted by a beautiful sun, a graceful lake and moderate winds. But for the sun, everything changed. 5 races were decreased to 3 when the wind started screaming to 42 by the meter. Once again, it was an Air Force endeavor with Major Skip Little, Colonels Winberg, Mahoney and Abel, and all available offspring for crews. The group practiced their over-hand strokes again!

One skipper, Angie Norelli, in a boat he had never sailed previously made a respectable 6th place finish in one race, despite a light crew, a 720<sup>0</sup>, late start and one sand-bar! After cancelled races, drying out, we

adjourned to an open house hosted by the Tom McAuliffes. Their hospitality took away some of our thoughts of 'stowing it all in' and forgetting about Sunday. Major 'Skip' compared Onondaga 'action' to 600 combat hours...hazardous!

With a finale to 1977, we can't forget: Corinthian awards to gals who 'hung-in-there' all season, Sukie Martin, Carol Carrier and Chris Van Slyke; well earned under difficult situations, i.e., 'I told you what to do! Why'd you do THAT?'

Overall seasonal to Harry, plus the Spinnaker Award, 2nd to Jack, third to Bob.

Remembrances of Dave Woods' seaplane and his touch and go landings, adding some extra chop to Delta.

Walt McCann enjoying the winning gun with heavenly assistance from Father Bud Humphrey (who was using his 'divine guidance' system).

A fine Commodore, Sherm Pike.

Knowing that the Diamonds will 'sparkle' next season...

That Bob Carrier will be an excellent Commodore....

That Harry will never be without a crew on his new 42 footer...

The 1977 season was again very gratifying for Fleet 5 with an active racing program consisting of five club series and two regattas. Consistently good sailing weather brought an average of 12 boats to the starting line each Saturday and Sunday. Newcomer Gordon Ettie provided a new dimension to Club competition by winning most of the races he participated in.

The Fleet Championship Series was won by Gordon Ettie with Richard McClure and Dennis Burke finishing second and third respectively. Three active Club competitors mixed it up for the Corinthian and Commodore Series with the former being won by Dennis Burke followed by Richard Hinze and Richard McClure. The latter by Richard Hinze followed by Richard McClure and Dennis Burke.

The Ding Dong Series and the Wednesday night Moonbeam Series were won by Fred House with a show of dogged persistence. William Zamzow and Don Tyler finished second and third in the Ding Dong while Richard McClure and Richard Hinze were second and third in the Moonbeam Series.

The Club-sponsored Hobelman Sunlight Regatta was won by none other than Gordon Ettie with Richard McClure and Richard Hinze second and third. The Fleet-sponsored Red Flannels Regatta attracted many out-of-town sailors again this year. The winner was Bruce Goldsmith with John Corbett of Pontiac Y.C. and John Johns of Douglas Lake taking second and third places.

The year 1978 promises to be at least the equal of 1977 with respect to participation of fleet members due to the body politic's collective resolve to "BEAT SAZERAC" (property of Mr. G. Ettie). Even beyond this desire to take revenge on 12457, the continued and growing interest in Lightning sailing at Chicago Corinthian creates an environment which allows full opportunities for competition to all interested sailors. This interest and participation will again in 1978 result in Fleet 5 remaining one of the most active Lightning Fleets in the country.

Fleet 12 had a tremendous 77 sailing season! The instant recap reads as follows: First and most important, we had a lot of fun. The "champ" regained his title at the Worlds. The racing was superb and we initiated team racing. We had a race series for training some of the newer skippers. Fleet 12 and B.C.C. members hosted another great North American Championship.

It all began in early spring when Doug Oak, president of Fleet 12, set up a series of meetings. A number of goals and projects were outlined and various sailors put in charge. By and large, we accomplished most everything we had in mind.

The traditional Eby Invitational series began the season. We had a large number of boats anticipating the NA's later in the season. Since the Worlds were going to be held soon in Switzerland, many other top skippers were "tuning up". Tom Allen was seen often on the race course in the early season checking out new sails. Fleet 12 is very proud that Tom Allen - Brenda and Tommy Allen, Jr. regained the World Championship in Switzerland.

Stu Anderson organized four evenings of team racing. The races were run on a shorter course with multiple races each evening. The tactics were interesting and everyone enjoyed this innovative program.

Ed Roseberry, Jr. made special use of the Wednesday Meyers Series for training new and prospective Lightning skippers. Ed coordinated our "A Skippers" as crew on each of the boats in the series. What an opportunity for a new skipper having Stu Anderson or Tom Allen on board as crew! This program was aimed at fostering more interest and developing better talent for our regular races.

The Fleet 12 auction was back this year and Matt Bryant Sr., auctioneer, sure brought in the dough! We all got together for a fun time and raised enough funds to stage a good Fleet 12 Beer Party at the North Americans.

Tom Ward did a marvelous job of running the North Americans. It was terrific to see so many of the Fleet 12 members busy launching boats, hauling trailers, measuring sails, running races, patrolling and providing sleeping quarters. Fleet 12 would like to thank all the B.C.C. members who helped, especially our scorekeepers. Fleet 12 was represented by Stu Anderson and Tom Allen who placed in the top ten of the NA's.

The girls enjoyed the Mother Carey series won by Ms. Coleman and the old salts lead by Ward Willday proved they can sail forever.

As noted above our Fleet Champion and runner-up for the second straight year are Ed Roseberry, Jr. and Stu Anderson respectively.

Fleet 13 had another exciting year of racing on Great Sacandaga Lake. Twenty races were completed rather than the customary eighteen even though eight races were cancelled and rescheduled because of light air, heavy air, and insufficient boats on the weekend of the District Regatta. The Sailing Committee of the Mayfield Yacht Club must be commended for their patience and help in making this a successful season.

In the July Series Rob Klug was first, Bill Schultz second, and third place was held by Ed Koenig. For August Rob Klug continued his hold on first place, Walt Ryan roared into second with a new boat, while Bill Schultz was third. Overall Rob Klug was first, Bill Schultz second and Walt Ryan third.

Three boats went to the Districts this year and Rob Klug's performance brought him a trip to the North Americans. The Klugs and Ryans graciously hosted cook-outs where the day's races were analyzed with the aid of the usual refreshments and food which identify this activity. We expect to have at least one additional boat joining us for the 1978 season. It is supposed to be a brand new one. In the meantime, we will be thinking about the 1978 season while sitting before a fire or while riding a ski lift.

### PAUPACK FLEET (16) Metropolitan District

Lincoln Rowley will replace Mindy Rowley on John's boat in 1978! That will mean that *Moby Duck* will not be as far ahead of the fleet until Lincoln learns all the finer points of sail handling and attendant skills. Should 1978 be a summer with "normal" weekend winds, George Madel and Stan Moldawsky are sure to be up front! Stan has a fast boat and is beginning to understand its kinks and George finally broke down and bought a new suit of sails; he popped from sixth in 1976 to Second in '77 like a cork!

Our Fleet had the pleasure of hosting the "Mets" this year and planning started early (February) to insure a smooth run. The effort paid off! This was a Fleet effort as no one person or even three could have arranged such a fine week-end. And blessings of all blessings, three quarters of the thirty-eight boats competing were registered, weighed, measured and stamped true blue Friday evening. The few boats remaining Saturday morning left some room to breathe and enjoy meeting old friends.

We had the first weekend of the Short Circuit Regatta September 10th and 11th. Twenty-eight boats from the District had a good windy week-end and fine social affair to close out our season.

The year was good, happy, and busy!

11890	Zephyrus	John E. Meyer
12124	Ariel	David W. Orange & Gordon R. Burrows

1977 was a banner year for Fleet 17. The roster of active Lightnings grew from 7 to 14, a rate of growth undoubtedly not matched by many other fleets and attributable in large part to the enthusiasm and energy of all Fleet 17 members. Flushed by success, all are working for equally impressive growth in the upcoming season.

As part of its commitment to growth, the fleet played host to the Connecticut-Rhode Island District Championship and Connecticut Governor's Cup regatta on July 16-17, attended by over thirty boats. Another major regatta, the Long Island Sound Lightning Championship, will be hosted by Fleet 17 in August, 1978.

The fastest Lightning in the fleet in 1977 was *Zephyrus*, skippered by John Meyer. In a close second place was *Fiddler's Green* (J. Nelson) followed by *Footloose* (M. Curran), *Ariel* (D. Orange and G. Burrows), *Thor* (R. Sperry) and *Sno-Bird* (T. Tamoney).

The Memorial Day Long Race was the opener for the season. The 18 miles to Long Point and return was a closely fought battle all the way, but Jim McDonnell edged out Will Wendell and Dick Harding at the finish line.

The thirteenth Annual Cornball Regatta was moved up to June 11-12 this year. There were 24 boats representing 10 different yacht clubs from Toronto to Cleveland. Bill Buckles of the Cleveland Y.C. was the winner. Mark Bryant of Sandy Beach Y.C. was second and Ron Cochrane of the National Y.C., Toronto, was third. As usual, it was a fun regatta with good winds, good sailing and an overall good time.

In the July Fourth Series, Jim McDonnell and his crew could do no wrong and chalked up four first place finishes to lock up the series. Dick Harding and Ed Burger finished second and third.

The Labor Day race to Long Point and back was run thru light, variable, shifty and flukey winds. Jim McDonnell was the lucky leader at the finish, but Dick Harding and Ed Burger were gaining fast in second and third place respectively.

During the year Chautauqua Lake Yacht Club initiated a combined fleet handicap series for Thistles, Lightnings, Flying Scots and O'Day Daysailers. The Lightning Fleet made a very fine showing with Jim McDonnell ending the season as winner and Dick Harding fourth.

Congratulations to Ed Burger and his crew Cindy and Chuck Hodges. Newcomers to our fleet this year, Ed and his crew finished up third in the overall Hi-point Series for the year. Ed was awarded the "Most Improved Sailor" trophy. Great job, Ed. Chuck and Cindy hope to get a new boat next season so we are looking forward to lots of action out there next year.

Sailing on Lake Mohawk is keener than ever. This is in ready evidence provided by the close competition for series championships and in the local regattas. Our past best skippers are still our best skippers but they are being pressed harder and those of us doing the chasing know they are going faster. Bob Graham, our consistent Fleet Champion, demonstrated his speed at the Atlantic Coast Championships by finishing in the money winning one of the races in the process. Two of our boats sailed the North American Championships and the fleet fielded five boats for the nine race Short Circuit Regatta held at Lake Wallenpaupack, Penn., Greenwood Lake, New Jersey, and Lake Mohawk, New Jersey. Those five entrees finished in the first five positions and this without the benefit of our Fleet Champion, Bob Graham.

Our local series scoring showed Bob Graham winning the Spring Series followed by Tom Bierman, Dave MacDonald, Ron Beard, and Jim Wavle. The Summer Series was won by Bob Graham. Tom Bierman sailed into second while Ron Beard, Dave MacDonald, and Jim Wavle captured third, fourth, and fifth respectively. Dave MacDonald came through with a first in the Fall Series with Ron Beard, Tom Bierman, Bill Wagner, and Jim Wavle close behind in the next four places. Fleet competition is very close. As-a-for-instance, in the fall series the difference between first and fifth place was only .6 of a point using average finish scoring.

Dave MacDonald improved steadily all year winning several races toward the end of the year. This in part due to a fine young crew he has trained. Scott Walker won the Crew Of The Year award for his efforts.

Another of our up and coming skippers, Jim Wavle, sailed the North Americans and finished fifth overall in the Short Circuit. Jim has been sailing only two years and certainly earned the Most Improved Skipper award.

The fleet sustained some major damage before the season began this year when three of our Lightnings became the down range deceleration areas for a misguided automobile. Bernie Cole's *Gramboko* [8990], was

converted to fireplace kindling while Bob Watters managed to repair the hole in the bottom of his. Bob Tomassetti's *Jackie* sustained major damage to the chine area but he did a beautiful job of repairing it. He bought a new boat but we wonder about the repair job on the old one. Not only does it look good, it goes good. While demonstrating it to a prospective customer he walked away from the rest of the fleet; easily winning a race. Hopefully, he'll soon get the new one to move that fast.

Our sailing school and enthusiasm of the skippers in training new crews and skippers has been very effective in the growth of our fleet. Next year we'll see three new skippers at the starting line. Marty Jachts has Bob Tomassetti's proven 10207 well in hand. John Kindschi, who has crewed for Jim Wavle and Ron Beard, is moving to the tiller of his own *Lightning* next year. Our local Sun Fish fleet has provided us with another excellent skipper. Dick Schoell has won so many races in the Sun Fish fleet they finally took up a collection to help him buy a *Lightning*. I'm happy to report he'll be sailing the more stable of Tom Bierman's last two boats.

It looks like we will field some good competition for the District Championships which will be held here next year. If not on the race course, at least at the elbow bender, if past experience is any indication. Our social activities as a club and as a fleet were outstanding this past year thanks to Sharon Bierman. She managed many excellent diversions throughout the year even when the water got hard. We finally found out how to beat Bob Graham—take him bowling!

Lake Mohawk's capricious winds provide the normal degree of equipment and crew failure as the many turtle awards at the end of the year prove but the "piece-de-resistance" must have been when Bill Wagner brought the committee boat flag home at his mast head. The picture unfolds this way: one capsized resulting from a boat oscillating under a spinnaker, the boat being righted with a bent spreader and the masthead fouling the committee boat flag standard in the righting process, tipping the boat at the dock by pulling on the shrouds to retrieve the flag pole, breaking the wooden mast in the process making the retrieval much easier. Said he was thinking of upgrading the fleet by getting an oval mast anyway.

1978 promises to provide better competition than ever as our eager new skippers prepare to open season on the front runners. Now if we could get some control over the wandering garages placed at random about the lake we'd really have something.

The summer of 1977 was the year where the past three years of hard work by everyone in Fleet 27 began to pay off. Anyone seeing the start of a Fleet 27 race in 1974 could easily have mistaken it for an America's Cup race. Now we have ten to twelve members racing at home and four or five travelling the regatta circuit. With prospects for at least two new members next year and hopefully some more of our

sailors on the regatta circuit, we are eagerly awaiting the 1978 season.

Our racing season started the first Sunday of April, which almost coincided with the ice melting on the Scioto. Paul Howald showed up with his new boat and quickly sailed away with the Spring, Memorial Day and Summer Series. Mike Denning and Ron Sehulster finished behind Paul on Memorial Day and Bill and Eric Hilsman were behind him in the Summer Series. Ron finally got cranked up and won the 4th of July Series, with Paul Howald second and Bill Hilsman third. George Hodge came out of a thunderstorm right-side-up to win the Labor Day Series, followed by Ron and Eric, who switched placed in the Fall Series. Mike Denning, who was unable to sail the Labor Day Series because of school, used his consistent sailing on Memorial Day and July 4th to win his first Fleet Championship.

We hosted our third annual Windshift Regatta on June 11 and 12. Twenty boats showed up for the second leg in the Ohio Governor's Cup race. Ron Sehulster, Bucky Powless and Dick Pugh of Cowan Lake all entered the last race with a chance to win. Ron finished just within the time limit to win that race and the regatta. Other trophy winners were Bucky Powless, Dick Pugh, Tom Varley of Hoover Yacht Club, and Paul Howald.

Our out of town travellers included Paul Howald, George Hodge, Mike Denning, Ron and Dixie Sehulster, Bertie Gerling and Carl and Charita Clipp. Ron was the most active traveller, going to St. Pete, Bay Week and the North Americans, where he sailed in the yellow fleet. Ron managed to make it home in time to go to Cowan Lake where he won the regatta and with it, the Ohio Governor's Cup. After all the work Ron has put into our fleet, everyone was quite happy with his win. Our end of season fleet awards party was held in November. "Winners" were: George Hodge, Most Improved Skipper, his crew Bertie Gerling, Most Improved Crew and Swimmer of the Year. Eric Hilsman received the "Broken Spinnaker Pole" award, which incidentally, just about matches the rest of his fittings. Carl Clipp was elected Fleet Captain and George Hodge was elected Secretary-Treasurer for the 1978 season. Our congratulations to Ron Sehulster on his election as Ohio District Commodore for 1978.

We had a great year in 1977. Plan on joining us at the Windshift in 1978.

Lightning Fleet 31 sailors participated in an active schedule of racing throughout the summer. Fleet Captain elect, Steve Thomas, inaugurated his new boat by winning the Decoration Day series. However, Hank Hodgson won the Fourth of July and Labor Day series to take the Fleet Championship. Our fleet was very proud of Hank who also won the Michigan Districts. Merrill Bales won the first and second summer series and was runner-up for the Fleet Championship. Merrill also won the night race and Sportsmanship Award. Doug Kapnick won the stay at home series. Charlie Smith received the Novice and Most Improved Skipper awards. Bill Draheim was awarded the Junior Sailing trophy and Outstanding Crew award. Karen Hodgson was also the recipient of the Outstanding Crew award.

13162	.....	Robert Tell
13184	.....	James G. Carson

This was a routine year for Metedeconk River Fleet 34, except for one major turnaround; Jay Lutz bought Jim Carson's *Ugly Fuzzy* and repeatedly beat him with it. Jay started the season by being fifth overall on the Southern Circuit. Mr. Carson, sailing a new, *Fuzzy*, claims he was there but failed to jingle the silver until Miami. Such was the pattern of the year.

George Francis, Jr. sailed consistently to win the Fleet Championship. Lutz, runner-up sailed fast enough to win but found a number of ways to lose races (i.e., upset, round marks in the wrong direction, etc.) Mimi Dimon won a close battle with Fleet Captain Werner Schon for third, as did Jim Daley to nose out Dick Thomas for fifth. Rick Tell, still getting the feel of a new boat, was seventh ahead of Frank Di Fazio, a newcomer to our fleet. Once again, the overall Club Championship was sailed in Lightnings with Paul Gelenites an easy winner. Metedeconk hosted the New Jersey States and the Spring Tuneup Regatta on consecutive weekends in June and, despite sailing on the River, played the part of perfect host by letting visiting sailors win. Jay Lutz was the top local sailer in both. Once again, Metedeconk hosted an active Spring Series, won by *Fuzzies* Francis and Schon. A storm plagued Fall Series was won by Monmouth's Bob Hutchinson.

Toward the end of Spring, the traveler's saga began with Mr. Lutz picking up a second in the Cedar Point Spring Regatta. At the Worlds, Fleet 34 was represented by Mr. Carson who wound up eighth overall. The Districts were marked by Lutz coming in second (again), Dave Ruiter fourth, and Carson using a breakdown as an excuse. On to the Junior North Americans, where four Metedeconkers sailed and Jay Lutz

finally cracked the barrier winning it all. Congratulations CHAMP! Paul Gelenites scrapped to a fifth with George Francis, Jr. and Teddy Forhez back in the pack. At the North Americans Carson and Lutz fought it out for top qualifier with Jim coming out on top (believe it or not.) However, it was a different story in the finals as Jay streaked to a third with Jim trailing in fifth. Two in the top five — not bad, guys! George Francis, Jr. and Charlie Thrower put on valiant efforts, but were doomed by light air.

In the meantime, Carson won the BBYRA Championship for the 10th time in 21 years, beating out Tommy Schon, who finished second. They were followed by Mimi Dimon, Charlie Thrower and Dick Thomas for a complete Metedeconk sweep. On the Fall regatta circuit, Lutz and Carson repeated the three/five sequence at the Atlantic Coast. Jim changed his pace by moving south and getting a fifth at Annapolis and a first at Quantico, thereby winning the Barney Mead Trophy for best combined score in these regattas. At the Nashville Bluenose Regatta Jim once again proved himself master of consistency by picking up yet another fifth. However, at the Dallas Thanksgiving Regatta, Carson found the heavy going to his liking improving his position to third. If it sounds like Carson did a lot of traveling, he did — more miles in 1977 than any other Lightning sailor with the exception of Tom Allen — and he's in the business.

Metedeconk has the "heavies" to compete on an International scale. However, travelers do not make a fleet. Fortunately, Fleet 34 is enthusiastic at home as well as away, with a good fleet of local sailors and an abundance of up and coming Juniors.

The twice-a-weekend racing of Fleet 36 begins the Saturday after spring Work Day early in May; this Eager Beaver Series was won by Jon Ruhlman, with Jack Borland runner-up and Commodore Don Courtsal

third. The Spring Series saw Jerry King winning first; Courtsal, second; and Rob Ruhlman, third. The Fall Series was won by Chuck Maltbie, Al Caldwell was second, Don Courtsal third.

The Fleet Championship is determined by the Saturday and Sunday Summer Series combined results. This year's Fleet Champion was Randy Ruhlman, repeating again from last year. Runners-up were Al Caldwell, Chuck Maltbie, Rob Ruhlman, and Bob Baumgardner, in that order.

The Independence Day Regatta saw our own fleet copping the trophies: Chuck Maltbie, first; Bob Baumgardner, second; and Rob Ruhlman, third. We hope more visiting Lightning sailors will join us next Fourth of July, so we can share the silver!

Fleet 36 members can always be counted on to make a good showing in the corrected-time, club-sponsored races. This year's successful Lightning winners were Bob Baumgardner (two firsts), Randy Ruhlman, Bob Scher, and George Prince.

Our usual six race Stay-at-Home Series (scheduled to coincide with the three weekends of District and North American championship racing) was renamed the Goof-off Series this year, and it featured some fun competition as dreamed up by our imaginative fleet racing chairman, Jack Borland. Districts weekend found the stay-at-homers engaged in team racing, with the two teams each winning one. Rotating skipper races, where each crew of the boat had to skipper two legs including the mark rounding and the usual skipper was helmsman for three of the seven legs, comprised the next two races. Fun "trophies" for this pair of races were sets of T shirts saying "First (Second/Third) Rate Skipper", and (for the youngest and lightest-weight crew) "Under Rated Skipper." The fifth race in the Goof-off Series was a Rig-ger-ous Race, where the unrigged boats were moored (some tied stern-to-dock) and the sails (each in a separate bag) were piled in one heap on the lawn, awaiting a LaMans start. At the signal, a mad scramble for the required "proper" sails was followed by a dash to the waiting boats and an immediate start upon reaching the line. The final Goof-off-Race was called a Weight Watchers Race, where a boat received one point for each person on board and one point per boat beaten, with high points winning. Perhaps due to the heavy weather of that day, three of our usual top-flight skippers (who sailed with the regular number of crew) finished ahead of all of the "extra-handed" boats. All in all, it was a fun mixture of sailing and "goofing off", while fleet members who represented PYC at the North Americans: Randy Ruhlman, Peter Swartz, and Rob Ruhlman, were doing some really serious sailing.

Our awards dinner was held at the lovely home of Fleet Captain Bob and Betsy Scher; hard-earned trophies were presented to the season's top skippers. A weekend of gracious entertaining was culminated at Sunday brunch hosted by Bob and Bridget Frymier.

A fleet with high caliber sailing, whose social activities are also top notch, just seems to attract new members. So we were pleased to welcome eight new skippers to our Lightning fleet this year: Bob Cotton, Tom Fry, Lud Lekson, Robert Lilly, Jim Martuccio, Ralph Meacham, Ralph Snelson, and John and Peter Swartz. Best wishes for many successful sailing years!

Bill, Brian and Steve reaping the reward for "Blue Chips."

We started our '77 season by going to the Mid-winter meeting in New Jersey. A few of our other preracing events was the annual dinner and speakers night sponsored by our fleet.

April started our sailing season. The spring series was won by Bill Gordon, second place honors went to Steve Schwark. In the B series first place went to Bill Gordon and second place Frank Newman. The C and D series were both won by Bill. Frank took second in the C series, with Steve capturing second in the D series. Bill Gordon, with the assistance of Brian Sloat and Steve Calhoun become Fleet Champ for the second year. Steve Schwark was runner-up again. At the CYC Open Regatta Bitler/Lewis took the silver followed by Gary Hurban and Roy Sengstacken.

Our fleet was represented at several away regattas by Sam York, Tammie Korber (sailing the Explorers boat), Frank Newman, Steve Schwark and Bill Gordon. Marty Minot a member of the Naval Academy sailing team skippered Newman's boat at Shattamuc; the results proved the boat is fast and Frank needs more practice. Our Explorer Post continues to grow and has just acquired another Lightning. We are happy to welcome two new members to our fleet — Jim Van Fleet and Tad Burnett. Tad took top honors for our fleet in the Club's Long Distance Race. Bill Gordon sailed his Lightning to the top spot out of 37 boats in the CYC handicap. He also proved he can do it alone by winning the single handed race against 28 boats.

Something new this year was an oldtimers race. With six boats on the line, skippered by former Lightning owners, Eric Fuegel took top honors. Our plans for next year are to promote the class for new members and attempt to increase the number of boats on the starting line.

The 1977 sailing season was an outstanding one for Fleet 41 Lightning sailors. Mark Lewis and co-skipper, George Bitler, along with crew, Barbara Bitler, repeated as winners of the Hudson Circuit. During the course of the nine races sailed at three Hudson River fleet locations, the weather presented every possible challenge from the heaviest to the lightest conditions. The Bitler-Lewis syndicate also repeated as Fleet Champions, but the club competition is stronger than ever. Bill Meyer, sailing with wife, Donna, and alternate kids, Wendy and Billy, sailed consistently well to nail down the runner-up position. Bill also had the best showing of the home fleet in the Sutherland Regatta with a third overall, and placed third in the Greenwood Lake Regatta of the "Short Circuit." Paul Krick, sailing with new crew, Beth and Nick Mazzeo, finished the season in fine form with a convincing win in the "Last Blast" Regatta, and a first place in the fall series. Nick and Beth have purchased #13044 and are looking forward to sailing their new boat next season. Not to be outdone by all the improvement, Eric Schreck beat the local "hotshots" on a few occasions, turning and perhaps amazing several heads in the process. Eric Jr., daughter Carol, and young crew, Eric Knight and Frank Wanstall, consistently hang tough, particularly in the heavy stuff. Game for anything is freshman sailor Tony Schweiker, with teenage crew, John Knight and Don Wickstrom.

1977 also resulted in the net expansion of our fleet with additions of skippers, Gurran Kane, Nick Mazzeo, and Jan Terlouw, and the loss of *Huff* and *Puff* owned by teenage twins, Mike and Jeff Rosenberg.

Greg and Matt Fisher - Runner-up and North American Lightning Champions.

The Buckeye Lake Fleet is one of the proudest fleets in the world this year. 1977 will be a year that will never be forgotten at the Buckeye Lake Yacht Club or by its Lightning Fleet.

Matt Fisher and his brother Greg finished 1, 2 in the Lightning North Americans at Buffalo. Matt and Greg literally grew up at Buckeye Lake and have been in Lightnings literally all their lives. For the two of them to finish in that order is almost beyond comprehension. Mary Lou Ford and his Dad crewed for Matt, while Patty Burton and John Wilson crewed for Greg. Halfway through the last race of the series it became certain that neither Matt nor Greg could not finish any worse than second and the whole last lap and final weatherleg was a race between themselves for first place. Greg was unable to put another boat between he and Matt and Matt was able to cover the boat that could be the point that Greg needed and so they finished that one point apart. What a finish to a great series!

During the same week of the North Americans, Willie Petersilge with a crew of Dan Dressel and Dan Roshon, all three of whom are fine Lightning sailors in our fleet, won the Sears Cup which is emblematic of the North American Junior Championship. They won this after winning the semifinals at Buffalo Canoe Club and the Quarter finals at Put-In Bay, Ohio. These three skippers plus Mike Hein, another Junior Lightning Skipper are looking forward to great sailing careers in the Lightning class and Buckeye Lake is very, very proud of them.

In addition to these great championships, Greg Fisher won the Ohio District Championship, Jim Dressel won the Shakedown Regatta at Indian Lake, and Greg and Matt came in 2nd and 3rd respectively at the Buckeye Lake Snowball Regatta (won by Bruce Goldsmith). Greg also won the Anisquam Yacht Club Regatta in Massachusetts and finished 2nd in the Blue Nose Regatta in Nashville. Matt finished 2nd in Savannah on the Circuit, while Jim Dressel finished 5th at the St. Petersburg Regatta.

Matt was not racing with the fleet most of the summer because of his being on the United States Collegiate Sailing Team with 5 other members that raced in England and Ireland for two months. He returned home just in time to pick up his Lightning and drive to Buffalo.

Although we're looking forward to 1978, this is one year that we are bathing in our laurels for our season of 1977. You can't blame us for that!

Good Luck and Good Sailing!

Left to right - Peter Humphrey, Bill Neal and John Humphrey, Peter & John with their Jerry Blake Memorial Trophy.

The 24th Annual Silver Lake Yacht Club dinner brought to a close a successful year of sailing. With a 22 boat membership and active racing participation, this is one of the largest Lightning Fleets in the Erie District. Commodore Bill Neal opened the meeting with the announcement that the Race Committee Barge's mortgage will be liquidated by Mrs. Joan Mokdesi in memory of her husband, Dr. George Mokdesi. The barge will be named the GEM, a compilation of George's initials. George was an enthusiastic sailor; now son Paul is skippering their Lightning. Honored guest was Ms. Roxanne Walton, who has looked after the feeding of the hungry sailors.

Our new Commodore, "Hoss" Bone praised immediate Past-Commodore, Bill Neal, for two years of successful leadership, then introduced brother Peter Bone and sister-in-law Becky, who presented the trophies for the year.

The WILLIAMS' STAY AT HOME TROPHY was presented to Dave Saunders, with crew Dave Haddad and Cal Abplanalp. Dave sails the oldest boat on the lake, which shoots down the theory that one must own a newer boat to win races.

The CALDWELL BUCKET, awarded for the Turn-up Series of five short races, back to back was awarded to Mark Grinder, with crew Joe Heizmann and Ken Thompson.

A 6 race series, sailed over two days, THE BILL HUMPHREY MEMORIAL, was won by Todd Jones with brothers Peter and Kevin. Returning skipper, Barney Matteson with crew, wife Sybil and son David, placed second, and Doug Bliss with wife Sally and son Bill placed third. Bill Bliss at 10 years old, is the youngest crew member in the fleet, and he shows signs of following in his father's and grandfather's footsteps. Earl Fowlston received the Mid-fleet award.

The three race JANE VAN ARSDALE MEMORIAL series, sailed over Memorial Day weekend, was won by Mark Grinder and crew, wife Lora and Joe Heizmann. Bud Van Arsdale, with his imported all girl crew Marije and Pam placed second, and "Hoss" Bone with brothers, Pete and Larry as crew, was third.

The annual NEAL MEMORIAL TROPHY was sailed July 3rd and 4th. Commodore Bill Neal won his father's Memorial trophy, placing first in all three races with crew John and Peter Humphrey. Doug Bliss with Sally and Bill were in second place, and Hoss Bone with Pete and Larry were in third place. Todd Jones received Mid-fleet recognition.

Labor Day weekend's BENEDICT MEMORIAL TROPHY series saw Mark Grinder's boat winning the series with Hoss Bone in second place and Doug Bliss in third place, and J. A. Emmens's boat and his newly trained crew, Stephen and Roger Slade taking Mid-fleet position.

The SILVER LAKE YACHT CLUB CHAMPIONSHIP 10 race series was won this year by Bill Neal, second place was Mark Grinder and third place, Todd Jones. The Club Championship Mid-fleet position was held by Rob Williams.

The MOST IMPROVED SKIPPER trophy based on two years accumulative points was awarded to Mark Dadd. The C. L. VAN ARSDALE MEMORIAL trophy for the best positioned Silver Lake boat at the Harvest Regatta, was awarded to Bill Neal, who sailed to a 5th place overall. Bill Neal also received the Mid Neal-Brown Memorial Trophy for the Silver Lake skipper sailing the best Away Races. One of the most treasured awards, the JACOB HOFSTEAD MEMORIAL TROPHY for the best crew, voted on by a panel of skippers was awarded to Joe Heizmann, a crew member for four years on Mark Grinder's *Hustler*.

This year the first Jr. Club Championship series was held for skippers under 19 years of old. Winner was Paul Mokdesi, second place, Kevin Jones and third place, Dave Matteson. It is hoped that this will be an annual series.

John and Peter Humphrey were awarded the JERRY BLAKE MEMORIAL TROPHY at the Lake Erie Lightning District Series held at the Niagara Sailing Club. John and Peter crew for Bill Neal.

Peter Bone and Bill Neal and their crews sailed the Erie Districts and qualified for the North Americans. Mark Grinder and crew sailed the Northern Fall Circuit, earning a 4th place.

The twentieth annual HARVEST REGATTA at the Silver Lake Yacht Club was the largest event in the Lake Erie District. Fifty-eight Lightnings gathered from as far north as Toronto and east from Keuka Lake, to sail three highly competitive races. Courses were laid the length of the lake under the direction of Regatta Race Committee Chairman, Jack Grinder, assisted by Ken Thompson. Platt Fowlston, Fred Shade, Jr. and Ruth Fowlston manned the Committee Barge. Sue Eaton was in charge of scoring. Dr. Bergeson, Dave Saunders, J. A. Emmens, and George Sommerholder ran crash boats. Vice Commodore "Hoss" Bone's delegation of responsibilities created a smoothly run regatta. Welcomed by Jo Mokdesi's committee, the sailors passed through registration under the direction of Dorothy Emmens. The cocktail party flowed smoothly at Dr. Williams' grounds with Earl Fowlston in charge. Doug and Sally Bliss, Mark and Lora Grinder, and Peter and Becky Bone planned attractive and tasty meals, decorations and entertainment. Jean Neal was in charge of promotion. Each member worked and contributed according to his talents.

Trophy Winners: First place - Richard Hallagan, Sodus Bay Yacht Club; Second Place - James Neville, Chataqua Lake Yacht Club; Third Place - Fisk Hayden, Cross Lake Sailing Association; Fourth Place - Larry Hamilton, Royal Hamilton Yacht Club, Canada, Fifth Place - Bill Neal, Silver Lake Yacht Club.

For those of you readers who need a change while visiting the Nations Capital, we recommend a trip across Memorial Bridge, just south of National Airport. The place is called Washington Sailboat Marina, which is the home of Fleet 50. Lightning races are conducted nearly every weekend from spring through fall, sponsored by either Potomac River Sailing Association or National Yacht Club. We race a Spring Series, two Summer Series and a Fall Series in addition to three major Regattas, the Memorial Day (Spring) Regatta, Walter Collier and President's Cup Regattas in September.

As in the past, Fleet 50 members met during the winter about once every month at members' homes, holding seminars and discussing our favorite sport. A number of seminars were held together with our not so distant sister Fleet 329, from Annapolis. We were fortunate to have had Jim Crane, Jim Lippincott and Bill Shore, lecturing at different occasions on the subject of racing tactics. Our own Doc Hulburt started with the first seminar by telling us how to get the boat and gear ready for the coming season.

Racing on our home waters got started soon after the ice had melted on the Potomac with the PRSA Frostdite Regatta. Grotheer, Arnold and Davis lead the fleet. Next in line was a four weekend Spring Series, which started a year long battle between defending Fleet Champion Frank Gallagher and prior multiple Fleet Champion Mike Arnold. This series ended with Arnold leading Gallagher and Jim Dillard. Our first major regatta for the year took place on Memorial Day weekend off Hains Point. (In this race area wind shifts are not detected by compass, but by observing landmarks such as the Washington Monument, Jefferson Memorial, Capitol, or Crystal City.). Top finishers were Gatenby/Dick, Arnold, Grotheer, Gallagher. In the Walter Collier Regatta Arnold finished in front of Morgenstern and Gallagher, thereby ending the suspense over who would be the next Fleet Champion. Using the combined scores of the Memorial Day and Collier Regattas, Mike Arnold again became Fleet Champ, with Frank Gallagher second, and Dieter Grotheer third. The following weekend in the President's Cup Regatta, Grotheer finished ahead of Gallagher and Morgenstern with Gallagher being awarded the Bill Lyon Trophy for best performance in both the Collier and President's Cup Regattas. The Fall Series, won by Mike Arnold, completed a successful 1977 season.

During the summer our juniors, conducted their own series at which Ann Jacob defended and retained the Fleet 50 Junior Champion Title. Thanks to Ann for organizing the races and to the Seniors for lending their boats and helping. Congratulations go to Windy Randolph, our new Fleet 50, Division B Champion.

Many thanks to Doc Hulburt and his co-officers for leading Fleet 50 through a successful 1977.

The 1977 season fleet racing was exciting during the year with all boats participating. Fleet Captain Fred Eng won the Wednesday night series and also placed first as overall Champion. The Boyle family took the Sunday series title and second place overall with both Vince and son Dennis doing the skippering. This year with the loss of our former Fleet Champion Bob Knop, just about everybody took their return at a first place finish. It was this kind of competitive spirit that led to extending the Wednesday night series for 2 extra weeks.

CSYC hosted the Annual Lightning Invitational Regatta in June. Twenty-three boats participated, headed by guest Bruce Goldsmith. The first race tested the swimming ability of many as the winds were estimated at 20 knots gusting to over 30. With similar conditions in the second race, Bruce Goldsmith's boat was dismasted, and it was several hours later until Bob Schoonbeck's damaged boat was brought in with the mast still buried in Lake St. Clair. Saturday night and Sunday morning saw a lot of activity as damaged goosenecks, boom vang, etc. were replaced or repaired. Sunday's winds were blowing even harder. An episode which seemed amusing to many saw Bob Werenski, currently in third place, dash out late for the starting line after a last minute boat repair and capsize minutes after putting up his chute. Bob did finish third as the remaining races were called and was the only Crescent sailor with a trophy.

The skippers and crews were treated to free beer and chips following the Saturday races. Over eighty people stayed to participate in the delicious Bratwurst dinner and enjoy a rehash of the day's adventures. We would like to invite all to come to Crescent's Invitational in June next year.

Although we concentrated on Fleet races, Bob Schoonbeck, Vince Boyle, Fred Eng and Arlyn Kinkel did participate in at least one Michigan Regatta. Bob Werenski, Dick Drew, and Vince Boyle represented Crescent at the Michigan Districts. Bob Schoonbeck after getting his boat repaired survived a broken toe at Traverse City and traveled to Ohio to participate in the Buckeye Lake Snowball Regatta. Fred Kinkel was the only junior from Fleet 51 to participate in the Junior Championships at Bay City.

This season we saw 3 new boats in our fleet and some upgrading of the older boats. New members Tom Vickers, Bob Lees, and Mike Konon were welcome additions to our fleet this year. We also welcome Jono Oram to the Fleet and look forward to next season's races.

The 1977 Fleet Championship again went to Herman Nickels. The race for runner-up position went right down to the final day of racing, with Paul Militzer earning second place and Dave Nickels third. David Furey again earned the Traveling Trophy for having the best record in away regattas. Morris Gushen was given the Margaret Nickels Award for being the most improved sailor in the fleet.

Paul Militzer was elected Commodore of the Michigan District for the 1977-78 sailing season.

Our Michigan District Team Races again were very successful and enjoyed by all. Douglas Lake finished first with a record of five wins and one loss (to Devils Lake). Pontiac #2 team was second and host Lake Fenton was third.

*Fleet Champion Bill McKinley sets up for another Horizon Job.*

The 1977 season got off to an early start on May 1 with our annual Bug Out Regatta. Bill McKinley got the "bugs" out early and won the regatta which kicked off the 84 race schedule organized by Fleet Captain Lauren Bowler. Our schedule consists of races on Sundays and Wednesday evenings and it provides competition for all comers because we averaged 15 boats on the line for the entire race schedule.

The sailing skills of Fleet 54 as a whole seem to be improving as many races listed the winner as someone other than the "regulars". The balance of our fleet's skills can be seen in our awards list. Winners of the Sunday-Spring series: Bob Mathers, first; Jim McCoy, second; Lou Zednik, third. In the Sunday-Summer series: Lou Zednik, first; Wally Smith, second; Bob Mathers, third. Wednesday night Spring series: John Scott, first; Bob Knop, second; John Corbett, third. In the Wednesday Summer series: Lou Zednik, first; Rick Mullen, second; John Scott, third. When the cold winds of fall began blowing, Lauren Bowler, Gordon Gotberg, and Bob Mathers were there on Sunday to take first, second, and third, respectively, in our Sno Ball series. The running lights came on during the Fall Wednesday Night series to help Gordon Gotberg win the Die Hard Series followed by Jim McCoy and Bert Okma.

Our Club Commodore Lou Zednik showed his leadership both on and off the water and also earned the Clarence Holman Award as the most improved sailor in the fleet. The Good Sportsmanship Award went to Gordon Gotberg. Bill McKinley captured the Michigan High Point Trophy by being the highest PYC finisher in the Michigan Districts. For his outstanding contribution to our club in keeping "Old Blue", our race committee boat, going, Bill Boyd was the recipient of the Ray Ransom Award.

The Club Championship was a hotly contested race. The top 12 skippers are allowed to sail this series on the July 4th holiday weekend. This year Bill McKinley was our winner followed by John Corbett and Jim McCoy. Only 3½ points separated the three boats.

We tried one new innovative idea to encourage the development of all skippers this year. On two race days we allowed skippers race credits if they crewed for another skipper. The intent was to let the better skippers sail with the newer skippers without a penalty. The results

were encouraging and we will continue the idea next year. As a further inducement to developing skills of our fleet, we hold our Challenge Regatta on Labor Day and disallow the Club Championship qualifiers from sailing. This allows some hardware to go to our up-and-coming skippers. This year's Challenge winners were, in order of finish, Bill Green, Bob Capps, and Dick Abbott.

The Club's participation in sailing goes beyond fleet sailing, too. John Mathers and Kevin Gotberg ably represented the club in the Michigan Junior Districts and the Bemis Cup. Our wives, Jackie Sipple, skipper, Jay Edwards, and Esther Callahan represented PYC in the Adams Cup. We sent two teams to the Lake Fenton District Team Races and managed a second and a fourth out of the seven teams represented. And when the Michigan contingent left for the North Americans, six of the thirteen Michigan qualifiers were PYC sailors.

The Annual White Cap Invitational Regatta is always the high point of our season. Under the guidance of our Vice-Commodore, Dick Patton and his wife, Bette, we sent 41 boats to the line in our two day event. With a "whistler" on Saturday and a near drifter on Sunday, the whole spectrum of skills was tested and Gary Cameron, once again, was not found wanting. However, PYC sailors were not too disheartened as we were able to place four boats in the top ten. As the membership departed the club after our fall work party, the words "Wait till next year..." were heard drifting off in the fall winds.

We can hardly wait!

1977 was a busy year for Fleet 59. In addition to our regular club races and annual river championship, for the first time in history we hosted the Lake Erie Districts.

The Bowen Lightning Championship, emblematic of the club championship, was won handily this year by Cal Schmiede. Cal also showed well in many other area regattas throughout the season and was our representative at the Worlds at Lake Thun.

In Cal's absence in Switzerland, Bob Starck took the Wardell Series and Judy Walker the Blake Memorial Series. This is the first year in memory that a different skipper has won each of these trophies.

The racing results of the Lake Erie Districts are listed elsewhere on these pages. Suffice it to say that although taking on a regatta of this scope turned out to be a monumental task, the club came through with flying colors and a good time was had by all. Bob Starck and Judy Walker qualified for the N.A.'s.

Our annual Niagara River Lightning Championship was won for the umpteenth time by the original river rat, Stu Anderson. Bob Starck almost caught him this year, but when the chips were down, Stu came through again. Ted Sullivan sailed a consistent series to garner third in this regatta, and rounding out the top five were Judy Walker and Jack Swanson.

Come on down and see us at the river championship next year.

Under the leadership of Fleet Captain Bud Hunt a growing and enthusiastic Lightning Fleet is emerging and building a strong base for years to come.

Fleet racing seemed somewhat abbreviated at the beginning of the season but as boats and hardware were conditioned, things started to happen — competition was at it's maximum as positions changed frequently through the course of most races and interesting situations occurred. At the close of the season Fritz Toussaint in *Southern Comfort* emerged victorious.

The Prairie League Regatta, August 6 & 7, proved to be quite an event with 12 boats qualifying - racing in all types of air and what a party! John Gall (Fleet 438) finished 1st, Bill Merillat 2nd and Don MacClymont (Fleet 438) finished 3rd. The home Fleet will have a better showing in 78!

Chris Merillat represented the home fleet well in bringing home a 2nd from the Central States Districts.

In anticipation of Ross Freeman, David Thurston, Stacey Florence, Hall Bowling, William Patterson and Bob Sommers joining the Fleet; 1978 should be an interesting year.

In all '77 has been a great year — good food, good drink, good sailing and great people.

With the 1977 Sugar Bowl Regatta scheduled for the day after Christmas 1976, we did not have our usual Yankee invasion and the local sailors were able to fight it out in private. Tommy Allen, with his crew of Jean Paul Lanaux and Micheal Tubbs, won with Buck Ballatin second, and Billy Appel, third.

The second off-season regatta, The Mardi Gras, sailed in February, took place under beautiful sunny skies in spring-like weather. The series was won by Hoggey Herman of NOYC sailing his brother Cal's boat while Cal crewed for O.J. Young in the Southern Circuit. Tommy Allen, of the home fleet, took second in the series with Greg Florian of Decatur, Ill. getting third.

Our official sailing season beginning with an Opening Regatta on April 17th and closing with a Final Regatta in mid-October, was chock full of races nearly every weekend. Only a few of the high points will be covered here. One of the best was Southern Yacht Club's annual One-Design Regatta, sailed each year the last weekend in May. This years event in a close series, went to Tommy Allen with Cal Herman coming in second.

The biggest series this year was the Southern District Championship hosted by our club. Normally, the home town boys do well on their own course, but not this year. The Championship was taken by Rick Skinner of Fairhope, Alabama. Second went to Debby Lallande of Morgan City, third to Cal Herman of NOYC, and fourth to Marshall Walker of Shreveport, La. The best the host fleet could do was a fifth by Tommy Allen.

For the record, Past President of the ILCA Ross Allen, was General Chairman of the Regatta and did a beautiful job. At the Annual Meeting Larry Frost, Jr. of our fleet was elected District Commodore with Fran Frost getting the job of secretary. Also at the Annual Meeting the members accepted an invitation to sail the 1978 District Championship at the Gulfport Yacht Club under the General Chairmanship of ILCA Life Member, Gene Walet. We're all looking forward to it.

Mid-season Tommy Allen returned to form to win the Capdeville Regatta, and tie the Labor Day Classic with Buck Ballatin. At the end, however, it was all Jeff Reisch, who for the past several years had been an unhappy also-ran. He finally put it all together with his crew of Gerald Minor and Jeff, Jr. to wrest the Fleet Championship from Tommy who had won it a total of thirteen previous times. To put icing on the cake Jeff also won the final regatta.

This year, as last, no single boat dominated the racing, and with everyone in Fleet 62 getting new sails this Fall, the racing should be quite competitive in 1978.

The 1977 racing season has been one in which our yacht club has undergone a great transition. A new causeway with electric crane has been installed, as has a floating breakwater, a 180 berth marina and a dry storage area for dinghies. The activities attendant to the installation caused some disruption to our sailing activities, but the last race of the season (a 12 mile long-distance race) saw two of our four Lightnings launched from the front of the club, a long awaited occurrence in Maple Bay. This convenient launch facility, coupled with the close competition we enjoy leaves us with the hope that we can attract more members to our fleet.

The racing season saw spirited and close competition among our four boats, and despite the dominance of P. Idema and G. Blumel, each of us managed to finish in the winners circle at least once. The coveted Lightning Championship Trophy was taken home by P. Idema, with G. Maggs finishing second. (George Blumel was in Germany).

Our most challenging long distance race was the 45 mile "Round Saltspring Island Race", entered by 5 lightnings and won by Don Gillingham (a former crew member with G. Blumel), who edged out his former master approximately 1/2 (one-half) mile from the finish line (at 3 AM. the next morning!). The final finisher (yours truly) arrived back at the Bay a full twenty-four hours after the start having had a beautiful star-light sail. (It took my crew and I about 2 days to straighten out all the kinks.)

It gave us great pleasure to see George Maggs nominated as the third Honorary Life Member of the MBY Club. The second Honorary Life Member is the man who introduced Lightnings to Maple Bay, Hunter Vogel. The Fleet is honored indeed to number men of this calibre among its members.

We of Fleet 64 extend a hearty invitation to any Lightning sailor to come and sample the most beautiful inland salt-water sailing anywhere. To the heartiest among you we extend a challenge to come to Maple Bay and take us on in the "Round Saltspring Island Race."

Lake Michigan — at least Milwaukee's part of her — once again showed herself to be a wayward, contentious, difficult mistress upon which to race small boats. Half the month of June was lost to storms, and most of July and August were spent in light air. Mal de mare and frustration were Fleet 69's greatest tactical problems on the water. John Esser, the "Doc," proved himself the master of the big blue lady, instructing us all in a three month course on how to sail a nineteen foot, sloop-rigged, hard chined, bendy-mast centerboard boat called a Lightning twice around a three-cornered course. He actually threw a second place finish out in the season series scoring. Not that John was alone out on the Lake. Runnerup Dave Barrett, who is intense, quiet, who sails in a precise, logical sort of way and who won silver in MYC's Brill Series, Commodores' Regatta, Labor Day Regatta and the Little Mackinac, gave him a good run for the Fleet Championship. Dean Cady and his daughters had nearly as many first place finishes as John. Now the Cady Family sails with FLAIR: when they win it is usually a horizon job. They missed eight races during the season, which, given John's and Dave's consistency, they couldn't overcome. Dean, Dana and Karen did, with characteristic flair, win a fifth in this year's Governor's Cup in Buffalo — certain compensation for a few races missed in Milwaukee.

Once again in 1977 Fleet 69 acted as concertmaster to four Milwaukee Yacht Club events; the Commissioning Ceremony, in which John Esser was installed as Club Commodore; the Marine Handicap, a regatta for centerboard and keel boats using Portsmouth ratings and co-sponsored annually by the Marine National Exchange Bank; the Brill Series, for Lightnings and Flying Scots; and the Little Mackinac Race, another handicapped event, which sends keel- and centerboard boats out into Lake Michigan toward a mysterious buoy — position uncertain — and back again. Fleet 69 also had the privilege of hosting three major Lightning regattas this year, the P&T — a Lake Michigan Championship event, won by Gordon Ettie of Chicago Corinthian, the Junior Midwest Districts, and the Midwest Districts, won on the final day in a gale by Bruce Goldsmith.

1977 was a pretty good year for Fleet 69. The oldtimers proved themselves to be still the best, that consistency is the name of the game. But there is a new competitive feeling about the place. A feeling that some of the younger sailors want to take it to the perennial winners and are willing to try hard enough to do it. What could be better for the Fleet and the Class than more and better competition?

*Sandy Huntsman, Fleet 70 Champ looking good at the N.A.'s — crew Eric Olving and Patty Meade.*

No one can ever accuse our fleet of being inactive. We start before the leaves are on the trees in April and end when the leaves are coming off in October. In addition, we have a growing number of sailors who do not think this is enough and attend the Southern Circuit. This year there were 6 skippers sailing 5 boats. John Schneider and Sandy Huntsman/Denis Farley sailed the entire circuit while John Brewster and Jon Schwartz sailed two regattas, and Al Schroeder sailed at Savannah.

This was the year of the wind, especially in the spring, and it seemed like everyone wanted to win the capsized award of the year. Brewster, Huntsman, Jon Schwartz and Farley all had one each on the Circuit but that was hardly the end. Denis finally beat out Jon by a score of 4 to 3 by seasons end while Les Hathaway won the crew prize for participating in 4 capsizes.

Our Long John Regatta in April was again one of the most successful on the east coast with 59 on hand for two light air races and one heavy one. Fisk Hayden and Dick Hallagan, both from Sodus Bay, N.Y. showed the way ahead of Joe Friebele, Bill Shore and Jack Elfman. We look forward to having everyone back in 1978.

Ralph Messersmith sailed well in the windy Spring Series to take first ahead of a host of hungry competitors. Bill Clausen finished second for the second straight year followed by Jack Elfman, Bob Hutchinson and Sandy Huntsman. Per tradition, we all gathered at Mary's mansion to celebrate and crown the champion.

Sandy Huntsman and his female crew got moving in the Memorial Day Regatta and hung on nicely in the strong wind of the last day to win the 5 race event. Dave "Gorilla" Devlin and Bob Hutchinson were 2nd and 3rd.

In June, a number of our fleet raced two weekends at Metedeconk in CAD country. Bob Hutchinson emerged as New Jersey State Champion on the first weekend, and Sandy Huntsman sailed tough on the next weekend to finish 3rd.

Back at MBC, Sandy won the Independence Day Regatta and moved closer to the Atwater Trophy for the best score for the 3 Holiday Regattas. Dave Von Holle and Rob Held took 2nd and 3rd.

It isn't every year that we have a representative at the World's and our fleet was proud to have Bob Hutchinson in attendance. Bob finished 11th overall, sold his sails to an Italian, and promptly switched sailmakers on his return. It seems Hutch wasn't going as fast as he thought he should go.

The highlight of the season was the Met District Championship at Lake Wallenpaupack. We broke all records by having 14 boats from the fleet make the 140 mile trip. First of all, it was a great party, and second of all, we had some fleet members do well.

John Brewster returned from a tour of duty in Iran, borrowed a boat, won the first race, and also won the regatta. Lucky for us, John went back to Iran after the regatta.

Fifteen year old Jack Huntsman in his first year as a Lightning skipper sailed a strong series to take second, a point behind John, while MBC skippers, John Schwartz and Denis Farley took 3rd and 4th in the 38 boat fleet. Individual race winners were all from MBC: Brewster, Dave Von Holle, and Farley.

Talbot Ingram, a noted Comet and Laser sailor, borrowed the same green boat that Brewster won the Districts in and won the National Sweepstakes on our river in August. Hutch had two firsts on Saturday but was late for the third start when he was out testing the wind and didn't hear the guns.

Kevin Corr and Jack Huntsman attended the Junior NA's at BCC and while they didn't win, they were the two youngest skippers in the series and bear watching in 1978.

There were 5 sailors from Fleet 70 at the NA's and they were all trying to make the Blue Fleet. John Schneider and Sandy Huntsman made it which is the first time two from our fleet have made it in the same year. They finished 15th and 27th respectively in the tough competition.

Denis Farley barely made the green fleet but got going when it counted to take 2nd, and Jack Huntsman made the green with ease, but found the light air a problem and finished 28th.

Jon Schwartz capsized twice, broke a mast in the qualifying races, and wound up in the Yellow Fleet. He and his stalwart crew of Arnold Schwartz and Les Hathaway then went out and won to become King of the Turks.

Somehow, while all these things were going on, we had a summer series. The winner was Reid Dickerson, followed by Charlie Roden, Pat Corr, and Ralph Wilson.

Denis Farley won the Labor Day Regatta with Sandy Huntsman in

2nd and an easy winner of the Atwater Trophy. Bill Mergenthaler and Jack Huntsman co-skipped to a 3rd.

The rainy fall series was strictly a two boat event with Denis beating out Jack Huntsman. Von Holle, Dickerson, and Ken Roden were the other trophy winners.

We added six new members during the year: Tom McKeon, Ralph Wilson, Brud Patterson, Mike Haydis, Mike Smith and Bob Kane. Since we only lost the Robrock's who moved to Chicago, we are still the fastest growing fleet in MBC despite being the largest.

While many of the same names keep popping up in the winners circle, we have a number of up and coming skippers who are getting tough. Watch out for Dave Pezzutti, Al Schroeder, Tony Price and the always tough Hagler/Shaw syndicate.

And then just before the end of the season, Walt Colantuono bought a competitive used boat which he sailed with son and daughter, Larry and Laurie. Walt can't wait to start that long season next April.

In 1977, Fleet 71 had a busy schedule with several new social functions as well as the Ohio Districts. One of the new social events was the Ebenezer Sneade Volleyball Tourney which brought sailors from all of the Club Fleets and power boaters together. We also started the Buddy Series, which was a number of quick races around a very short course.

This year seems to be the year of the nickname. For example we now have: Dave "Foremost" Austin, Judy "Tumbles" Austin, Nancy "Don't touch the Committee Boat" Mueller, Bill "The Aerialist, but the East German judge only gave him 'S'" Buckles, Barry "This ain't the Dodgers" Wilson, Jim "I don't want to sail in the Districts" Disch, and Bill "it wasn't tuned" Rudge to name a few.

Many thanks to the Fleet members who helped out with our social program. This year we even had a western style rodeo. Our special thanks to our friend Ed Disch for his superb mark setting at the Districts, for his ever-present race course patrol, and for his unique Edie VI race. Depending upon who you talk to it is a kind of folded dogbone with a circle around the olympic course with a couple of figure eights thrown in for good measure, or at least something like that. We appreciate Ed Kennedy's fine work on the Districts, the second year in a row that he has helped us.

We welcomed new boat owners this year — Lewis Wallner/Tom Scanlon, Jules Gerlack, and Brad and Ted Samuels. Also a special note. We have a fleet member who ought to win some kind of award for

trailer maintenance. We had fine support this year on the race course from Jack and John Horton, Wally Sellars, Jack Mueller, John Mueller, Bill Buckles, Harry Hooker, Brad Samuels, Jules Gerlack, George Auer, Scott Gazelle, Ken Gilbert, Dave Austin, Jim Disch, Barry Wilson, and Dick Scofield. Fleet 71 enjoyed one of its best years. Watch out Columbus!

Racing or fun? This season it was not a question of which, but how much of both the average Lightning sailor and his crew could stand. The Lightnings are the largest class sailing on Lake Decatur, have the most competitive and largest group racing, and have the best attendance at the fun sailing functions.

Our racing season was close and hard fought. There were several new masts and a lot of new sails brought to the lake this past spring. Roger Grohne had the only new boat, but the older craft got their share of

*Action at the Inter-City Regatta.*

varnish, paint, polish, and "T.L.C." Greg Florian won the Spring Series, Vince Daube was second, and Carl Sternaman was third. The Summer Saturday Series was won by Lloyd Irish, with Carl Sternaman second, and Roger Grohne third. Carl Sternaman made his steady progression into a first place finish in the Summer Sunday Series with Dan Ohlsen second and Roger Grohne third. Todd Sternaman did not need as long a warm-up as his dad. When the father-son act let the son take the tiller, Todd won the Fall Series. Roger Grohne took second and Jim Lackman finished third in this final series. The Lightnings were also well represented in the club's Ladies Series; B. J. Daube finished first and Barb Ohlsen finished second. Two fleet members are sailing on collegiate teams this year. Greg Florian is on the Tulane team and Dan Ohlsen is on the Cal Tech team. Roger Miller is the Commodore of the Mississippi Valley District this year. Trophies and recognition aside, everyone in the fleet was a winner in some way. There was a lot of help and advice shared by old hands with the new sailors. The end of the season brought closer and closer finishes in the fleet. It occasionally also brought new winners and high finishes for new sailors. Next year this is going to be one tough league.

The Inter-City Regatta was an outstanding success this year under the chairmanship of Vince Daube. The winner was Bill Buckles, a former Fleet 74 sailor. But class really tells in the fact that Bill also won the sportsmanship award named after his father, Bob Buckles. As usual, the rest of us were most successful at drinking a canoe full of beer and then going to Natalie Buckles' house for some serious partying and bench racing. Join us next year—we'll get another canoe.

Roger Grohne put on the ultimate "fun sail" with his "Pirates of the Caribbean" moonlight sail and costume party. There were forts to attack, villages to burn (these were floating on the water and with the torch, dacron sails, and a good breeze...), and buried treasure to find. It is hard to imagine how much fun buckling all that swash can be.

Next year? We would like to grow and we would like to get more people actively racing. I don't know if we can enjoy ourselves more, but I know we will put on our fun hats (Gary Quinlan and Lloyd Irish had a couple of beauts at the Impromptu this year) and try. Come see us, come to our Inter-City Regatta, we would love to have you.

Fleet 75's 6-month racing season of 29 scheduled races began on May 1, 1977. Only one race was cancelled for lack of wind. Perennial Lightning ace Tom DeStasio in Madame Blue captured the spring, summer, and fall series with his loyal crew Ed Bonacci and Thad Cook. And that's no Mickey Mouse. Second place winners were Marty Low, Bill Day, and Gary Hurban. Bill Day, Marty Low, and Howie Rinehart placed third.

The Nyack Boat Club of which Fleet 75 is a part, distributed participation awards to those skippers sailing at least 60% of each series. Nine skippers received awards for the spring series and six for the summer and fall series. Tom DeStasio was presented a special award at the Annual Boat Club Dinner staged by the Lightning and Open Fleets for the Most Active Lightning Skipper.

Fleet captain Ed Deeb ran away with the "Most Soggy Sailor Award" when he turned his boat over twice in the same day. Ed was able to get his boat, *Different Drummer*, under control for the Annual Dinner where she lured dinner goers, while Ed cajoled couples into a Landlubber's Competition.

Rod Johnson spent the spring sprucing up his boat and it sure showed. Not only did it look good, but he placed fourth in the fall series.

Bill Day made quite a recovery from last winter's operation to place second in the summer series.

Dick Weitzman, handicapped without his son Lenny, still has his boat moving well.

Howie Rinehart became the owner of another Lightning and is looking forward to next year.

The sailing season ended with the Left-over Trophy Race. The race had 14 starters vying for left-over Windmill, Penguin, and other class boat trophies not seen in years around Nyack. The race was followed by a wine and cheese party, a good time was had by all.

Fleet Champion Tom Jungjohann

The addition of eight, count 'em, eight brand spanking new Lightnings to Fleet 77 this year was one of the many highlights of our 1977 season. A person would think that with all that shiny new fiberglass floating around Irondequoit Bay waving thirteen thousand-plus numbers on their mainsails that the skippers would be sailing on egg shells. On the contrary, this season proved to be one of the most competitive in our history.

Tom Jungjohann in *Bottoms Up* needed the last race in our 51 race season to squeeze out a .025 point victory over Dick Doherty's *Irish* for the Fleet Championship. As if that wasn't close enough, Steve Sahs sailed *Reunion* to a .003 point edge for fifth place over our resident master sailor Dr. John McIntosh in *Blue Jacket*.

'Fast Eddie' Howe, in his beautiful new *Anemone* locked up third place over all along with a first place in the summer and fall series to take home the most improved trophy for 1977.

Tony Orlen in *Zing*, the orange Lightning whose transom we all have memorized, was fourth over all. Fourth place, by the way, was only .8 points behind first.

Every year we have an event in which the skippers get to show how easy it is to sail a Lightning. This is our single-handed series. Nine skippers participated this year, sans crew, in this popular Saturday series.

Tom Jungjohann took top honors in the single handed series this year. When asked how one jibes a chute with no one steering he replied, "Quickly!"

An early spring warm spell saw Kirk Reynolds win our annual Newport Invitational Regatta under perfect sailing conditions. 44 boats showed up from the north east U.S. and Canada this year and word is spreading that this is a top notch event.

Participation by our fleet was at an all time high. Fields of twenty or more boats were not uncommon on a typical Sunday.

Special note should be given to members Steve Sahs and Tom Jungjohann who sailed in the N.A.'s this year.

Larry Stephens, a first year member, won the "Missal" Series while veteran Al Platt took home the "Burns-Hanna" trophy. Howard Stickney won the B-fleet championship and has his sights set on the top five next year.

Fleet 77 was represented at every major regatta in our district and as far away as Quantico, Va. where we took four boats. Several members are stocking up on sun tan lotion for next spring. St. Pete, watch out!

Fleet 77 would like to thank all the members and visiting friends for making this year a great success.

As the summer of '77 came upon us we started to repair the damage caused by the Winter of '77. Through a concerted effort by our entire club membership we managed to get our season underway by mid May, despite some of the worst waterfront damage seen in recent years.

This season Fleet 78 exemplified the axiom of the Lightning Class that one-design racing provides the closest of sailing competition. On any given Sunday, it was typical to see five boats abreast, spinnakers flying, moving up the river bow to bow.

The season opened with Gordy Compson getting the gun in the Art Little Tune-Up series by one point over Dave Duchscherer. Mark Bryant followed with a clean sweep in the Law Series, winning all of the races. Although Mark did not sail in too many of the races at the Club, he was an invaluable aid to our overall fleet improvement.

The Compson Series was won by Rick Hensel, with the lead changing weekly among the leaders. Gordy Compson finished second and Dave Duchscherer third. Rick, again, prevailed over the same two in the July 4th classic, "Bridge to Bridge" race. On the downwind start he screamed into the lead, never to be caught, while the rest of the fleet blanketed one another. At the finish it was D. Duchscherer second with M. Remmes third. "Topsy-T" Taggart brought in 10482 somewhat later but cleaner.

This season the Lightning Championship series consisted of five races with one throw-out. This most important series was not decided until the fifth race when Fritz Dusel finished one-half boat length ahead of runner-up Rick Hensel to take the championship. Tom Lafferty took third place thanks to his perseverance in finishing following flipping in the early going of the fourth race.

This year Sandy Beach hosted the Tri-Club regatta and destroyed our reputation as perfect hosts by winning the "Ole-Oken Bucket" team racing trophy for the third straight year. The regatta weather was wild with some of the best planing conditions of the season and some of the wettest crews of the year. In the latter category special commendations go to "Topsy-T" for flipping twice in three attempts.

Labor Day brought out a twelve boat fleet to race up the river, around the water intake, and back. The Hank Duchscherer Trophy was taken by the "George Blanda" of the river, Tom Lafferty.

This year, for the first time, we had a Home Series for the racing which was done during the District Regattas. Dave Duchscherer won this award with a three way tie for second among Fritz Dusel, Gordy Compson and Tom Lafferty.

Finally, the overall results compiled for the Commodore's Trophy went to Rick Hensel - First, Dave Duchscherer - Second, and Gordy Compson - Third.

The highlight of this season, as always, is the Haul-Out regatta. Open to all classes of boat, including auxiliaries, the Haul-Out attracts 70 plus boats from all over western New York and southern Ontario. This year heavy East winds resulted in some long, hard, up river boats and challenged skippers in all classes.

Fleet 78 representatives were, once again, the most active participants in all District Regattas. With Mark as our sailing leader, the S.B.Y.C. skippers placed higher in regattas than in years before, and the enthusiasm of these skippers and crews is unequalled in the Lake Erie District.

This past summer was a very exciting as well as a very successful one for our fleet, for many reasons. The first being that we had very strong participation in all of our races including our Individual Series and our Summer Series. This strong participation made it necessary for all of us to get as much out of our boats as possible because the racing was very close.

The season started with Nelson Hoffman winning our Independence Day series. The races were sailed at a steady 15 knot Southwest breeze. However, Nelson had a lot of strong competition from Moriarty & Serntingle, Vann & Sons, Peterson & Seiffert.

The Summer Series went to defending champions Tom Moriarty & Rick Bernstingle. They defended their throne very successfully by sailing very steady all summer long. When they weren't winning they were finishing second or third. John Vann & Sons sailed to a very strong second followed by George Mitchell & Aristedes Manthous, Nelson Hoffman & Bruce Seiffert.

The Labor Day Series was won by Dave Peterson who did a Horizon Job on the fleet by winning all three races. It must be said that after he got his mainsail recut in mid July that when he raced he never was beaten.

While it was an exciting and successful year in our fleet racing, it was even more exciting & successful at regattas we traveled too. First of all at the districts we qualified three boats for the North Americans.

Lead by Dave Peterson who won with two firsts and a third was Rick Bernstingle and Nelson Hoffman. Dave continued his winning ways by winning the Long Island Sound Championships (with Nelson Hoffman second), and the Northeast Championships. However, these were just his tune-up races. He went on to win the Presidents Cup at the North Americans with finishes of 1,4,1,3,1,2,1. Many felt he would have done quite well in the championship division if he could have kept his wooden boat bailed out in the qualifying races. He proved this by winning the last qualifying race, in a moderate breeze.

We are all eagerly waiting next spring when we are going to start our season earlier. All in all it was a very exciting year and we are planning on an even more successful season next summer.

Fleet #95 began its activities in March by joining two other Metropolitan District Fleets in sponsoring a Lightning at the Suffern Boat Show in an attempt to recruit new sailors for our respective fleets. Our exhibit booth was manned continually by volunteers from each fleet.

Our sailing schedule commenced in June with the first of four six race series. While Ron Wulff was quick to get back into the swim of things with his capsized on opening day, it was Chet Howell who picked up where he left off last season by winning the first three series of the 1977 season. Second place honors for these three series were shared by Ole Olsen and Nick Santoro. In July three boats from our fleet travelled to the District Championships held at Lake Wallenpaupack -- all three returned.

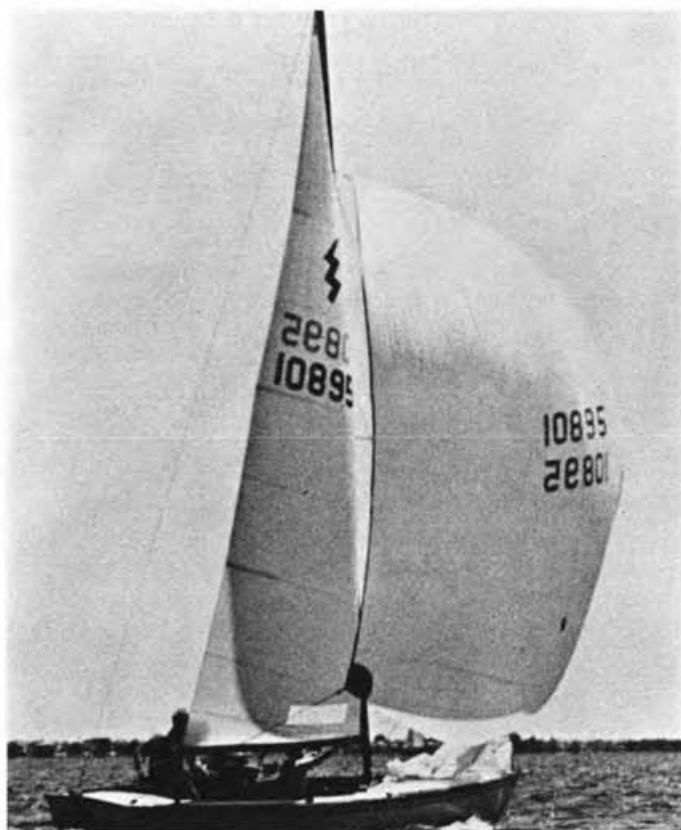

In the last series of the season, Nick managed to turn things around with two firsts and two seconds giving him first place for the series over Chet, who finished second. Once again it was Chet Howell with the help of veteran crew, Chris Nearing, who had the best record in the Fleet and who retained the Fleet Championship.

Our regular season drew to a close with the annual Labor Day Race, a one race event sailed over an extended course. This time it was Roy Sengstacken who took charge and successfully fought off the challenges of Chet, who finished second, and Gus Zimmerman.

At a Fleet meeting held in August, Gus Zimmerman was chosen to be Fleet Chairman for 1978 and Anne Sengstacken was picked to fill the post of Fleet Secretary. We wish them well during the coming year.

Once again Fleet 95 hosted the annual Whiskerpole Regatta, one of a three weekend series in September that go to make up the Short Circuit. Boats representing six fleets in the Metropolitan District competed in spite of the unrelenting downpour that persisted throughout all three races. While the first three places were taken by visiting sailors led by Tom Bierman of Lake Mohawk who won the event with first place finishes in all three races, our own Ole Olson survived a broken jib halyard in the second race to finish fourth over all. The cold and damp weather helped to make the delightful dinner put on by Jeannette Santoro and Maga Cosmas even more welcome and it was heartily enjoyed by all.

We hope the winter passes quickly so that before too long we can get out there and do it all again.

I wish I could report that Fleet 99 had an active racing season on Great Egg Harbor Bay, but I cannot. Fleet 99's activities involved day sailing only on the home front.

*Reject*, yours truly and many dependable crews from all over New Jersey enjoyed an active and successful year.

I would like to thank the following Yacht Clubs that we sailed at this season; Monmouth B.C., Met. River Y.C., Bay Head Y.C., Surf City Y.C., Ocean City Y.C., Red Dragon C.C. and Riverton Y.C. Last but not least the Buffalo Canoe Club where we sailed in the North American Championships.

With the help and dedication of the following crews, this season was a success for *Reject*. Mary Huntsman, Philip Dennis, Henry O'Hern, Chick Lloyd, Dosie Clausen, John Parker, Elenor Parker, Mark Schneider and Ed Kavle.

Many of us in the ILCA still hope Bob Seidelmann gets that Lightning rigged that he has in the yard and shows us "how it's done" again.

We are looking forward to 1978 and hope to see you at Monmouth B.C. in the Spring.

## SANTA MONICA BAY LIGHTNING FLEET (102)

The 1977 season was very active for the Santa Monica Bay Fleet, with the fleet championship competition being closer than it has been in many a year. However, when the wind had died down and the boats were stored away for the winter, once again it was Wendell Harter who proved unbeatable. He retained the number one spot in our fleet.

Our season began in March and ended in November. During the year, Harter won the most regattas, winning the Spring Centerboard, Dinghy Day, The Cecil R. King, and the Fall Series Regattas. Mark Patty, who looked like he might have a chance to beat Wendell this year before he was transferred to San Francisco, won two regattas — The Spring One-Design, and the Hurricane Gulch Regattas. Mike Boswell was our other winner, in the Autumn One-Design. Other members who sailed well were Quintin Foster, who started off the year going great-guns, Don Rondeau, who seemed to improve with each outing, and Bob Newman, who finally got it going again at the end of the year.

In April, our fleet in conjunction with the San Diego Fleet, hosted the California Lightning Circuit. The turnout was good as eighteen boats were on the starting line. Tom Allen from Buffalo, and Brian Coleman from Richmond, B.C. joined our Regatta, and provided some close competition to our local sailors, with Tom winning the Regatta.

On July 9th and 10th we held the California District Championships at King Harbor Yacht Club. Myron Lyon of MYBC became the new District Champion by taking two firsts. Bruce Arnold of RYC was second. Lake Cachume, in Santa Barbara was the scene of our annual Billie Boswell Regatta, in September. The weather was warm and the

surroundings beautiful. While San Diego boats captured the first three spots, our fleet has two trophy winners in Wendell Harter, 4th, and Bob Newman 5th.

In October the fleet, along with Myron Lyon of San Diego, sponsored a new Lightning in the Long Beach Sailboat show. There was much interest in the boat. As a direct, or indirect, result of the show, we have added two new members to our fleet. Next year we hope to have a larger turnout for some of our regattas. Now that there are two new boats in our area, and two or possibly three new members who have bought used boats we are anticipating a renewed interest in Lightning racing in the Santa Monica Bay area.

We will start this year's article with a little quiz. What do the Oakland Raiders, Portland Trailblazers, New York Yankees and Bob Williams have in common? The answer is absolutely nothing except for the fact that Bob also won in 77. For the second year in a row we congratulate our Fleet Champion. Bob's victory was well deserved especially in a year that many feel marked the beginning of a new interest in the Lightning class at Lavallette.

During the past season examples of this resurgence were: new skippers, Walter Kruger and Bill D'Costa; Chris Larsen making the grand entry with a new boat; John Schneeberger returning and with strong rumors he'll be back next year with a "hot" boat, and the fact that many of our skippers took advantage of the afternoon schedule to use more juniors as crew.

Our season started on the upbeat with the unveiling of our renovated clubhouse. Many of us, both members and visiting skippers, have developed a special affection for Lavallette and were pleased to see improvements that enhanced the spirit of the old club without changing its character.

We were blessed with fine weather which made this past season one of the most competitive in recent memory. Skills were tested in light and heavy air with only one race cancelled because of weather conditions.

It seemed that each week the standings would change as Ross, Zabrycki, Larsen and Schneeberger took turns trying to catch Williams. Fred Slovak continued his role as master of light wind and would on occasion race, take a pennant, puff his pipe and smile. Fred was the mentor this season, and many of our juniors got some excellent help crewing and skippering Fred's boat. Bill D'Costa and Walter Kruger made it through their "rookie" season with the usual "spinnaker dunks", capsize, and confusion. However, they continued to smile, and that occasional "good leg" has hooked them both on the Lightning.

Doc Ross continued to be our most consistent attendee of the regatta circuit with Zabrycki and Williams occasionally finding time to travel. In the future we hope to see more Lavallette boats on the road.

We look forward to next season, to strong competition, fun and good fellowship.

Once again Higgins Lake beckoned sailors throughout the mid-west with its clear water and sandy beaches for another fun and excitement filled summer.

The annual invitational regatta opened with 74 entries, 16 of which were Lightnings. It was under the competent direction of Commander Fred Krauss and his wife Jenny.

Mr. Tom Baldwin was instrumental in increasing the number of participants in our novice races, which are gaining in popularity.

The two week beginning sailing course, teaching the fundamentals of cruise and racing, was taught by Mr. Mike Dow and Mr. Gary Cutler.

Join us next summer for the best in Lightning racing.

Delay in the repair of our committee boat, and unusually bad spring weather, prevented us from getting our markers in early for the spring racing series. Once started, we had a full summer and fall racing series for all boats fortunate enough to reach the racing area. Low water at the dock, prevailing southwest winds, and a pile of submerged rocks strategically located by a gudgeon manufacturer, stripped us of more rudders this year than we have lost in the last ten. Since the University's fleet of Tech Dingies suffered the same fate as our Lightnings, we have some hope that the dock area will be dredged before the next sailing season.

Our final race for the Walter Masse Memorial Cup and the Beaumont Pot was held on a Saturday afternoon in a gale. There were only six boats, but it was a spirited race. Brian Phelan, skippering *Hayseed II*, in trying to make up for a bad start, flew his spinnaker and paid the penalty during a jibe. The water was cold! Doug Olson's boat lost its rudder coming down the side of a large wave. Joe Gagnon won the handicap cup and Bill Dean in his new Nichols & Holman 13141 took the Beaumont Pot for being the first Lightning over the line.

The GBSC is seriously considering reinstating the Evans Regatta next spring and is planning a full range of activities for the coming year. With the excellent facilities shared with the University of Wisconsin, Green Bay, and the enthusiasm of our membership, the club is looking forward to a great summer of sailing in 1978.

Fleet 118 started the season with a series of practice races in early May and an early spring seminar arranged by Larry MacDonald. This early practice is becoming a traditional function with our fleet, and helps us get an edge on the season with some valuable coaching from Larry.

Both our Fleet, and our Club are in the midst of some drastic changes. A new Club house is now under construction, and a new Committee Boat has been purchased to run our Club Races and Regattas. Many of you who attend our Regattas will enjoy these improvements in the coming seasons.

Within our Fleet changes are taking place as well. On the one hand, we are losing a number of long time Fleet members. Hopefully we will regain members in the coming seasons. On the other hand, competition within the Fleet is becoming keener. This is best exemplified this year by Max Ahlfors, who moved through the Fleet to finish the season as runner-up in the Fleet Championships.

Generally speaking, we have had a great season at Hamilton, and we look forward to even better sailing next year.

The 1977 sailing season has come and gone, and what a season it was in Newburyport. We found ourselves with a whopping 18 boats as the season opened, and had 11 boats race on a regular basis. John Bouchard, showing us he hadn't lost any of his 1976 style, won two of the first three races and went on to win the tough 14 race series for the second year in a row.

The fight for second and third was very close between three boats, with the final standings not being decided until the results of an after the season protest was decided. The results found Joyce Stoehr in the second spot and Steve Fram in third. Al DeBernardi was a very close fourth, so close in fact, that if the protest had been found in his favor, he would have ended up second overall.

Al Lavender won our Twilight Series for the second year in a row. Al is becoming known as the night marauder of the fleet. If he could make *Nadine* go that fast in daylight, we'd all be in trouble.

The Young Memorial Race was won by Al DeBernardi in his new 13000 series boat (*DeeBee VI or VII or ??*). The Yankee Homecoming Regatta was won by Sue Tattersall in a boat that she borrowed for the event. Not bad Sue!

One of the highlights of the season came in Fleet 121's 1977 District Invitational Regatta, when hometown sailor Fred Young walked away with the gold. Considering some of the heavies who were there, the hometown fleet showed well with a 1st, 9th, and an 11th out of 26 entries. Perhaps our level of competition is finally being upgraded — 1978 could very well tell.

Fleet 121 wishes Lightning sailors everywhere a happy 40th anniversary. Let's make it 40 more!!

High above Cayuga's waters a new spirit of Lightning competition has been re-born. Fleet 125 lives! After years of dormancy, held together by the grit and determination of three sailors, we have seen the growth of the fleet. We are seriously on the upswing and welcome the addition of even more racing companions by next season — we certainly have the room!

Favorably positioned on the site of the camping grounds of that great and noble Indian, Chief Red Jacket, Fleet 125 commands one of the most scenic views in all the Finger Lakes. With its ample grounds and large parking areas, 19th century gingerbread club house, spacious and sunny bar, generous docks, and 1000 feet of waterfront, as well as pool and social activities, Red Jacket Yacht Club is truly a tribute to family sailing. There is nothing formal here and we like it that way. On any given weekend it is the scene of lake and lawn activities of every variety, with participation by friends and neighbors from 1 to 92. The friendliness of our Central New York sailors extends to the places they call home — Rochester, Seneca Falls, Waterloo, and Syracuse, N.Y., among others.

This season the challenge of victory has spurred a camaraderie and rivalry which is being expressed in new racing interest and dedication. Our present boats are mostly skippered by new sailors whose boatmanship and competitive commitment is nothing short of astounding. This is best personified by Jim Heckey and his gung-ho crew of Dave and Dan. The guts of raising their spinnaker in 18 knot gusty, shifty winds is what put them in second place. Perhaps some of our other sailors still think that the pole is that funny looking paddle, without ends, that rolls around in the bottom of the boat...well never mind, what they lack in experience they make up for in sheer ferocity. They learn real fast and this has been accelerated by regular racing lessons.

No single race can be described as the best. Rather, what made our season so exciting was the changing positions with different winners from race to race. The winner was anyone's guess and surprises were frequent. Almost everyone had the opportunity at some time to get the finish gun. Whew! All of us worked our fingers to the bone. Even that intrepid and skilled jib-man Arlene Abend went through two pair of gloves and a fresh box of band-aids.

Cayuga Lake, 42 miles long, is no ocean, but we have on occasion, unexpected line squalls that would make the Caribbean seem like a bathtub. Does this concern Dave and Fran Wenderlich? Not a bit! Thunder and/or lightning, they manage to wobble back with the stick up. All this makes for hair-raising competition. Remember the time Maggie McPhee who was last seen as a dot behind the fleet showed up first at the finish line? Of course, you have to remember that regardless of the wind force, once Magee steps aboard no self respecting center-board would dare tilt up its luster; it merely stays planted in the water where it's supposed to. With all the excitement, we may have had a few mishaps, but nothing that ten square feet of Fiberglass wouldn't patch up. By comparison our co-fleet, those large Sunfish with keels, frequently called Star-Boats, generally stock up on 5,000 yards of bailing wire and a carload of thirty foot spars well before the season gets under way.

All this Lightning fever brings tears to the eyes of our champion sailors, Pete Bodine and Andy Batty, ably assisted by club Commodore, John Felton, a veteran Lightning sailor. When they see our growing fleet snapping and furling at the dock before the race, they think they are seeing visions — which, considering their time at the bar, is not to be disputed.

Fleet 125 lives, is growing, and is a hellava place to be. Come and join us whenever you're up in Central New York.

*Phil Griffin Fleet 126's 1977 Fleet Champ.*

Fleet 126 at Cedar Point had another fantastic, competitive, joyous, successful and fun racing season in 1977.

Phil Griffin, our (almost) perennial champion, copped about every prize available by combining his gigantic talent, a fast boat and the rather sneaky — but clearly legal — strategy of marrying one of his crew members (wife Jeffie, who also spends time as CPYC sailing instructor developing future Griffin-type sailors).

We had over 25 boats racing in our Fleet, several new members, new boats, the traditional CPYC Early Bird Regatta, our Season Series, Saturday and Sunday Series', Commodore's, Vice Commodore's and Rear Commodore's Cup regattas and, to cap it all off, this year we combined the annual Fall Invitational Regatta with the Atlantic Coast Championships at the end of the summer.

Fleet 126 was ably represented by a number of our boats at the Districts (grabbing two of the top five places), North Americans, and a host of other "away" regattas (including the always-fun Spofford event).

The gods of the winds were kind to us this season. We had only one or two "drifters" and no abandonments/cancelled races (things are getting better every year on Long Island Sound).

The top five performers in our season series were the ubiquitous Phil Griffin, tenacious Jack Lewis, rising star Mike Willetts, the ever-present Dr. Dick Thackaberry, and super-fast Chris Wurster.

Perhaps the best evidence of the strength and depth of Fleet 126 this year was the fact that, in addition to our "Fabulous Five," there were another half-dozen skippers who were always threatening those guys and who often nabbed first place. This made our racing much more exciting because on any given race day anyone could win.

Our Commodore's Cup series winner was Phil Griffin, with "Uncle" John Cuccio second and newcomer Ted Juraschek third. In the Vice Commodore's Cup regatta it was Phil Griffin again, followed by Jack Lewis and Mike Willetts (Mike's crew, in addition to being highly skilled, helps provide the "Mike Psych" via the "visual distraction" technique — needless to say, this ploy is effectively carried off by two quite lithesome females).

In the "boy-was-that-close" Rear Commodore's Cup series held over the Labor Day weekend, there were at least six boats in contention for first place after the first two days. Dick Thackaberry proved the old rule about consistency, coming out in front with Jack Lewis and Mike Willetts close behind.

The year the Cedar Point Fall Invitational was combined with the Atlantic Coast Championships. NEARLY 70 BOATS converged on CPYC for a weekend of fantastic racing and lots of laughs (especially for the spectators at the rounding marks). Bill Shore emerged victorious, but folks like Jack Elfman, Tom Allen, Phil Griffin, Dr. Don Delorme, Jay Lutz and many other "Lightning luminaries" gave Bill a run for his money (while others gave Bill money for a run by buying a chute or two while he was there).

We had a great time at Cedar Point in 1977.

We expect even more excitement in 1978. Come race with us—anytime!

Fleet 127's racing year starts with the Deep South Regatta. As always it gets us ready for the year and starts us off with enthusiasm. We appreciate the support the Lightning Class has shown for this Regatta over the years and we're proud to be a part of the Lightning Class Southern Circuit. Unfortunately, also as always, we showed our hospitality by letting our guests cart off the silver.

John McIntosh was our leading contender placing 8th in the Deep South and representing our fleet well in the Southern Circuit placing 8th in St. Pete and 9th in Miami for an 8th overall on the Circuit.

Fleet 127 and the Savannah Yacht Club are proud that the Lightning Class decided to honor Wally Aggett with a Life Membership for his many years of service as Deep South Regatta Race Committee Chairman.

Neff McIntosh rejoined the fleet purchasing Bob Sherman's Lightning and immediately proceeded to win the District Championship. It's

rumored to be the first time he sailed the boat after buying it.

The District Championships are a part of the 10 Regatta Southeastern District Circuit and we were well represented. In addition to Neff's victory at High Rock, John McIntosh won at Jacksonville, Charleston and finished up winning the Atlanta Cup to take an overall second on the Circuit followed by Bert Berry third, and Neff fourth. Randy Brooks, Gary Oetgen and Chip Ogletree also qualified on the Circuit.

In our own Lightning Invitational, which is a part of the Circuit, Neff McIntosh was second, Bert Berry third and Randy Brooks fourth. Those first places do seem to be eluding us. Neff McIntosh won one and John McIntosh won three out of the 10. Bert Berry didn't win any first place silver on the Circuit but sailed consistently well enough to place third overall, so he won a good share.

Bert did win the Lightning Class at the Savannah Yacht Club's annual 4th of July Open Regatta with Randy Brooks second and Charlie Kilpatrick third. Charlie, although presently without a boat, joins us now and then and we hope to see him full time again soon.

John McIntosh represented us in the Big Time sailing to a respectable 12th in the North Americans and 13th in the Worlds.

The final event in our Summer Series is the Labor Day Regatta won by Bert Berry with Randy Brooks second and Gary Oetgen third.

Bert ended up our Fleet Champion as determined by the Summer Series with Randy Brooks as runner-up. Jim Black sailed to third.

Sandwiched in between all his sailing, Bert Berry found time to serve as Commodore of the Savannah Yacht Club this year. With more time to devote to sailing next year he's going to be even tougher.

This was a year of growth for our fleet after a slow start. There are rumors around about boat sales and we hope to see the old boats in new hands in our fleet and some new boats too. We think we'll be bigger and better next year, so come help us start our new year at the Deep South Regatta.

## MADISON BEACH CLUB (129)

11773	Franste II	Jay W. Jackson

Despite its small size, the Madison Beach Club Lightning Fleet had another enjoyable sailing season. Our perennial champion, John Johnstone, however, was among the missing, having decided to spend his time sailing J-24s. Another boat was added to the fleet however, when Bill West purchased 10689, formerly owned by another Madison skipper, Linda Baylis Zanes.

The Fourth of July weekend marked the beginning of the Summer Racing, and Jane Hilton surprised everyone by winning the Roger Pape Memorial Race, an annual contest in which skippers draw lots for the boats they will sail. Many thanks go to Nancy Young's excellent crew of Chris deChabert and George Young.

Throughout the summer, our fleet travelled the Connecticut shoreline to several regattas. In July, a few of us raced at Black Rock in the Connecticut-Rhode Island District. David Deephouse raced well and finished sixth out of a fleet of 33 boats, failing by one position to go on to the nationals. David then tried his luck at Niantic Bay in the Long Island Sound Championship, but suffered a broken shroud in the first race. Nancy Young was luckier, and finished fourth overall in the regatta.

As a result of these out-of-town regattas, the July series was rather short, and Nancy Young had little trouble taking first place, with David Deephouse second.

August brought excellent weather, and we had several outstanding races: for once Long Island Sound produced more than drifting matches! Nancy Young finished first again in the August series, with David Deephouse close behind. Labor Day weekend brought an end to the summer sailing season. In addition to the regular Saturday series,

the annual G. B. Fisher Race was held and was won by Nancy Young.

All in all we had a fantastic summer. First place for the season went to Nancy Young, with David Deephouse and Jane Hilton finishing second and third respectively. Next year promises to be even better, especially if we manage to get more people involved. Many thanks go to everyone who helped make the season so enjoyable.

13011	Dutchman's Gold	Robert Bernhardt
13060	Bigeminy III	Barney March

Fleet 135 started the year at a party hosted by Bob Borneman. We had the current film for all to see. We invited several non Lightning sailors to enjoy the afternoon with us. A good party until it started to snow. Snow in Mobile?

We had two new boats brought into the fleet. Barney March was kind enough to let Jim Lippincott sail 13060 to 2nd overall on the Southern Circuit before he picked up *Bigeminy III*. And Bob Borneman checked the classifieds in March *Flashes* and purchased 12956. The new *Sunkiss too* allowed him to sail to a 3rd in the Fleet races.

Robert Jeffcott received the highest honor that can be received by a Mobile Bay sailor - The Arch McKay Trophy. An award given to a sailor for his unselfish devotion to other sailors, a true Corinthian.

With seven regattas held on Mobile Bay, our sailors don't have much travel time, but Barney March and Rick Skinner put miles on their cars. Skinner and crew went to the Districts to relax and captured a first. Barney and crew won one race and finished high in the series. In all, members made - St. Petersburg, Atlanta Cup, Jackson, Miss. Hospitality, and more.

A most enjoyable regatta was held by Fairhope Yacht Club where we were joined by skippers from New Orleans, Southern Yacht Club, Morgan City, La. and Baton Rouge, La. Good winds Saturday set everyone up for the buffet dinner hosted by the Barney March's. Sunday the winds were light until the last boat finished, then a squall raised cain with everyone left on the water. Cal Herman from New Orleans won the Ed Overton trophy.

The regattas, parties, and all have not been as nice as new owners - Bob Colclough, Tom Ford, Wesley Overton, Tom Pennington, and John Stringfellow joining us this year. We all hope that their enthusiasm continues through the coming years.

We finished our year on Nov. 13th with a party. Awarded trophies to Fleet Champion Robert Jeffcott and crew, also runner-up Robert Bernhardt, Jr. and crew. Robert Bernhardt, Jr. was elected Fleet Captain and Bob Borneman Fleet Secretary for the new year. Fleet 135 has had a very good year.

1977 was a year of Ups and Downs for the Gull Lake Lightning Fleet. Ups include gusts of up to 45 knots, and Downs include Bruce Goldsmith's mast bobbing down among the white caps. Other Ups include five new boats — they belong to Carter Brooks, Matt Howard, Scott Greenburg, Fred Harrison and Bill Patton. These new Lightning sailors also garnered two very important awards in our fleet. Matt Howard was recognized as our most promising new skipper and Bill Patton won the Transom Award. That means that though he finished last in most races, he still finished and under some of the most difficult sailing conditions we've seen over the past five years.

Another Down was the Prestigious Turtle Award won this year by Tim VanderMeulen, last year's Fleet Captain. Tim won this outstanding achievement trophy for capsizing within one hundred yards of the starting line.

Carl Engels continued his "winning through intimidation" hold on first place while Dan Chappel was the first runner-up. We also crowned a new Floater Champion when Wes Cromie won the toughest light air race of the year.

In addition to our fleet faithfuls, the Ellinger's, Crawford's, Crookston's, Stewart's, Levin's, Byerly's, and those previously mentioned, our fleet will be Up four new boats for next season. That is in addition to the new boats this year.

The Gull Lake Regatta was again a success as 27 boats showed up to watch Hank Hodgson win the event the week before he also won the Michigan Districts.

Fleet 137 continues to grow and have great races. Our only problem seems to be that we can't get anyone but the Nordwind's to sail to our annual *Sail To Breakfast*.

Lightning Fleet 143, sailing on Kaneohe Bay in gorgeous Hawaii had a slightly unusual problem this year. Whether it was caused by "Big Bertha" or the atom bomb, or what, we had weather problems. It seemed like for every other series you'd get down to the club to find the red rag flying and gusts up to 35 knots. That seemed a bit much, so we declined and sat in the bar and drank a lot instead.

But we did have some really hot racing, with Fran Vaughan and Dave Fergusson fighting it out on the starting line and the finish line and a lot of infighting between. Carl Meierdiercks has come way up in the fleet, giving all the usual winners a real hard time. He only seems to slow down a little on the downwind legs. Sounds like new spinnaker time. This coming year shows promise of being one of the better ones for our fleet with more of our old sailors coming back to join us having taken sabbaticals this past year for one reason or another.

Our fleet captain, Fran Vaughan, went to Seattle to compete in the Adams Cup Area "H" runoffs and came in a pretty creditable second place. Beaten by a Thistle sailor from Seattle! She's going to try again another year.

The Kaneohe Yacht Club is very honored to have the 60 foot Polynesian voyaging canoe "Hokule'a" tied up at the pier in December. She is an inspiration to all of us. It takes a really intrepid seaman to sail

from Hawaii to Tahiti in a canoe with no modern navigating equipment aboard and only dried fish, dried fruits and vegetables and the fish you can catch to eat. A really major accomplishment for our Hawaiian "kanes".

The Spofford Fleet had good times at all the away regattas and hosted a super 30 boat regatta to wind up the New England season the last of September.

Most rewarding was Tom Wynn's 12th place finish in the Junior North Americans. Jody and Rick Turner did a nice job as crew members.

The Fleet enjoyed three good sailing days on Casco Bay at the Districts. Five boats participated with Fred Hamblet winning silverware for fourth, Len Pratt notching 8th and Dave Fitch 11th in the 32 boat fleet.

Weather played a big factor in the Spofford Championships with only two of the seven races sailed over the Fourth of July and only two of the five scheduled for Labor Day. Final standings saw Dave Fitch edge out Bud Hamblet, with Buck Wynn and Fred Turner tied for third.

Our hats are off to Len Pratt, Dot Fitch and volunteers who again taught mid-week sailing to our club members. This is the key to continued sailing growth at Spofford. Two proposed new fleet members will be most welcome next year.

During 1977 our sailing season was very good and we had much fun. Our Fleet Championship was won by Robert Buckup. Our fleet was very well represented at the Worlds by Mario Buckup, who was the Runner-Up. Two of our crews also went to the very well organized South American Championship in Chile.

On November 12 to 20, Fleets 147 and 462 received Bill Shore's news about sails, boats and tactics. Many short races were sailed at this event with 14 boats participating. In each regatta Bill changed boats, to discuss specific problems with each skipper. We had a nice time and this activity will inject new blood in our fleet.

Our fleet and Fleet 462 will promote the Lightning National's and South American Championship on March 25th to April 2nd, 1978.

Fleet 150's season began in mid-May with our Principal Series. Come the end of August, the final tabulation showed Burt Preston reigning as Fleet Champion, with Bob Konstam in second and Bob Bonham in third.

Our Sunday Morning Series started Memorial Day weekend and concluded at the end of August. Burt Preston won the series while Bernie Dillon came in second and Bob Bonham took third.

The Wednesday Evening Series provided a welcome break in the week throughout the summer months. Prue Preston came in first overall with Tom McDermott in second.

The Fall Series, commencing with Labor Day weekend allowed us to enjoy Clearfordk's finest sailing weather. The scoring, done on a handicap basis, showed Tom McDermott to be the winner with Bob Konstam in second.

Our Club Championship pitted the three best sailors in the Lightning Fleet against the top competition in the Flying Scot Fleet. After six grueling races, Burt Preston emerged the winner.

Several of our Fleet members have distinguished themselves in areas other than "tiller handling". Al Barbone reigns "Spaghetti Chef Supreme" for his annual club spaghetti feast prepared in September. Bill Woodrow was named to the Club Board of Trustees and he promises some drastic changes in the coming year (probably along the line of mandatory wine consumption prior to all racing events). Bob Konstam very capably headed up the race committee for the US1 Class National Championship, held at our Club in September. Finally, our newest fleet member, Jim Huffman, spent the summer becoming an expert in repairing broken masts. Perhaps next year, armed with his professional crew, Starboard and Port (identical twin sons), he'll join us more often on the race course.

Fleet 151 activities were limited to the hosting of a Lightning Regatta that attracted fourteen boats in late June. Greg Fisher from Buckeye Lake and Newport demonstrated the ability that later in the summer nearly won him the North Americans, by winning top honors, followed by Jack Burwell, Georges Peter, Don Brush, Sr., and Stu Nickerson (in spite of a capsized). All three races were sailed in excellent breezes. Annisquam looks forward to another regatta in the near future with, we hope, as excellent conditions as we've enjoyed in past years.

Fleet 152, located at Tawas Bay Yacht Club, East Tawas, Michigan, situated on the shores of beautiful Tawas Bay, had rather minimal activities in 1977.

Of the fleet members, Garry Demarest and Gary Cameron continued to be active on the Michigan District racing circuit. As usual, Demarest dominated, winning at Crescent, Tawas, Higgins, and Traverse, and coming in a very close second at the District Championship and Devil's Lake.

Cameron, with the usual outstanding crewing aid of Demarest, again won at Pontiac. On his own, he managed a second at Tawas and a close fourth at the Districts.

In the District Team Race, amidst cries of "break up Tawas," Demarest and Cameron temporarily switched to Douglas Lake and, along with Dave Peters and Bill Crow, won the Team Races once more.

Fleet 152 held its Lightning Invitational in mid summer. For the second year running there were only 11 entries due to a controversial entry fee arrangement. However, the sailing was superb as usual on Tawas Bay and Demarest prevailed again.

A change in policy has been arranged for 1978 and Fleet 152 will host the Michigan District Championship for the first time since 1973. With more reasonable cost figures we expect a large turnout as Michigan sailors come back to race on the great waters of Tawas Bay.

Our sincere congratulations to George Buckingham on another repeat performance as Fleet Champion. Skipper, Nixon was wrong when he said "Oh, he's just lucky." Three years in a row. Enough of George.

Our Club sponsors a full summer of races for its members, and an annual "Hoosier Invitation Regatta." This year approximately 40 boats attended the Hoosier from surrounding states. Excellent sailing was provided and we look forward to another big turnout next year.

Results of this year's sailing on Lake Wawasee are as follows: Memorial Day series — George Buckingham, first; John Nixon, second; Doug Schmahl, third. Early Bird Series — George Buckingham, first; John Nixon, second; Bruce Baiden, third. July 4th Series — George Buckingham, first; Bruce Baiden, second; Chuck Medlock, third. Labor Day Series — George Buckingham, first; Bruce Baiden, second; Chuck Medlock, third. Championship Series — George Buckingham, first; Bruce Baiden, second; Chuck Medlock, third. Commodore's Cup — Jack Girson, first; Rick Winter, second; William Stucky, third. Cynthia Cup — George Buckingham.

Again, Chuck Medlock represented our club at the Junior Nationals, and George Buckingham, Bruce Baiden, John Nixon, and Keith Swihart represented us at the Buffalo Nationals.

We wish to express our thanks and appreciation to our past Commodore, Robert Troutman and wife Marge, for their contribution to the Club, and effort as our Fleet Captain. Just a super job, Bob!

We should like to express our annual thanks and appreciation to the women of our club for their support as crews, cooks, committee boat chairman, hostesses, and all other thankless endeavors.

The Willow Bank Lightning Fleet continued to grow in number and strength during the 1977 season as members launched an assertive campaign against local and regional competition. While the bulk of the fleet battled at home each weekend, we had aggressive representation in all Central New York regattas. Three boats (Penfield, Pindell, & McAuliffe) finished in the top five of the "Triple Crown" (three major regattas combined) and also represented us at the North Americans.

At home, the Rubenstein family (Milt, Elaine, & Jeff) abandoned a very successful Flying Dutchman career to join our Lightning Fleet. At first they had some trouble adjusting to awkward devices like spinnakers that are launched from the cockpit and jibs that don't wrap around the forestay (intentionally). Nevertheless, they soon caught on and finished third in the fleet standings. Looking ahead to next year, fellow Lightning sailors have asked that they race without a trapeze!

Norman and Dorothy Washburn finally began to taste the "...thrill of victory..." after two years of concentrated effort. In his quest, Norman invested in so much "go fast" gear that his boat is now the only floating sample of the entire Land's End catalog in North America.

Speaking of victory, Jeff Penfield and Merle Pindell battled down to the final gun for the Fleet championship once again and we congratulate both of them on a fine season. Next year the rest of us promise to make it an even more hotly contested campaign.

The Fleet did suffer a significant loss when Fred and Melinda Twichell moved to St. Louis in the Fall. Their substantial contributions to the Fleet and the Yacht Club will long be appreciated — many thanks!!! In recognition of his vast experience chasing spinnaker halyards, Fred volunteered to climb the club flagpole for minor repairs one more time as a parting gesture.

We may also have lost Jim Preston who, after winning his first race of the season, retired to the golf course for the rest of the summer so as not to risk spoiling a perfect record.

Nevertheless, competitive intensity at home and "on the road" continues to draw both new and experienced sailors to our Lightning Fleet. The ranks are strong and the enthusiasm high as we look forward to the 1978 season.

This summer was special because the World Championship would be held in Europe. The main effort would be to participate in both the Europeans in Italy and the Worlds in Switzerland.

The first regatta of the season was held on Lake Tuusulanjarvi at the end of May. Of the 21 boats attending, seven were from our fleet. Antti Ruuskanen placed second, Terho Aromaa fifth and Leif Haglund seventh. The second regatta was held at Vammala on Lake Rautaes with it being the first for the New Vammalan Venekentto Yacht Club. Arrangements were very good. There were 13 boats this time with Lauri Korpinen from our fleet placing fifth. The following week 12 boats gathered in front of the harbor at Pori Town with four being from our fleet. Antti Ruuskanen was first and Leif Haglund fifth.

The European Championship followed, at Numana Italy with

thirty-five boats attending, six from Finland, Antti Ruuskanen in *Charlie Brown* sailed excellently to place second overall.

In the Worlds at Spiez, Switzerland, Antti Ruuskanen placed 29th and Leif Haglund 45th in a fleet of 53 boats.

The next large regatta was the Finland Districts held at Kontiolahti on Lake Hoytiainen with a record of 32 participating Lightnings. The weather was fine and living in a village of tents was not too uncomfortable. Of the seven boats from our fleet, Leif Haglund won the Championship and Antti Ruuskanen was fourth.

Antti also won our ranking series and is our Fleet Champion

Next year will show at least one more good racer in that Pentti Puupera has purchased a new hull. The activity of the fleet is increasing but much more is to be done.

Fleet 167 Champion "Screamer" skippered by Mike Steffenson with crew Jean Steffenson and Larry Liebscher.

At the Lake Davenport Sailing Club the 1977 season began by practice races on Memorial Day weekend with favorable river conditions and fair weather. Racing continued during the summer with two

races every other Sunday afternoon and throughout the fall on each Sunday. Day sailing was enjoyed by many who cruised on the ten miles of deep water between the navigation dams and who sometimes beached on an upstream island or docked at a riverfront restaurant. The season ended on the last of October after many rare days of good racing and day sailing.

Six scheduled race events were held with about a quarter to a third of the fleet participating. The summer series in June, July, and August were the most popular with Neuman, Steffenson, and Quaintance taking 1st, 2nd, and 3rd respectively. The fall series in September and October were sailed in brisk breezes and were won by narrow margins with Steffenson, Neuman, and Jensen taking the honors. The special two-day trophy races included the following winners: Fourth of July and also Founders Day were taken by Henry Neuman and crew of Jerry Holton and Joe Kelly. Labor Day and also the Polar Bear Regatta were won by Mike Steffenson and a crew of Jean Steffenson and Larry Liebscher. Other recipients of hardware at the Polar Bear were second place to Gene Matthews (L.G.Y.C.) and third to Neuman and clean up to Don Perkins, also, WOC Perpetual Trophy to Steffenson and Mayors Cup to Flick. The Fleet Champion and winner of the Ebert trophy was Mike Steffenson.

Lightning skippers and crews gathered early in the year for the traditional spring break-up party and annual meeting with '76 Fleet Captain Linda Neuman as host. Later, new skippers, Van Hyfte, Mueller, and Perkins were initiated to racing on a river with not much current this season. Several of the old salts did not shake out the sails often and were missed during the Sunday afternoon races. However the expert day sailors, Roys, Walker, Hughes, Gage, and White were out challenging the stronger northwest winds. Two families trailed boats to Wisconsin lakes for day cruising vacations on clear water. Four local boats sailed in three out-of-town regattas in the Midwest District Championship Series.

Social events were part of the L.D.S.C. activities and included a breakfast, several dinners, some special lunches and the Awards Banquet. A racing seminar was held early in the spring and boats were shown at the sea wall in mid-summer. The annual Polar Bear Regatta on the first weekend in October was the racing highlight of the season.

For our fleet the sailing season has not been much different from the other years with the exception that many of our crews took part in Italian regattas.

On last New Years Eve three of our crews took part in the President's Cup in Marsala (Sicily). In June and July we went to San Giorgio and then to Numana where we were happy enough to acclaim as European champion one crew of our fleet. Later we went to Gravedano and Trasimeno, and in all these meetings our crews were successful and brought back a lot of cups.

At the world's the three crews of ours finished with more or less luck.

As usual we closed our season with the "melted cheese regatta", our fleet championship. In spite of poor winds, but fair weather, we could nevertheless achieve four mini-runs. Our European champion, Jean-Claude DuPasquier won the event and our congratulations. Of the 15 crews who took part, six belonged to our fleet, and we were happy to welcome an Italian crew from Trasimeno. The results of this event are:

1st - J. Cl. DuPasquier 9.5 pts.; 2nd - G. Despland 9.6 pts.; 3rd - P. Wyler 15.9 pts.; 4th - E. Schaar 16.9 pts.; 5th - J. Hess 20.5 pts.; 6th - L. Lambelet 23 pts.; 7th - H. P. Schmid 28 pts.; 8th - J. P. Monnier 33 pts.; 9th - H. R. Rahn 38 pts.; 10th - R. Herzog 38.9 pts.; 11th - Cl. Lambelet 42 pts.; 12th - H. Zollinger 43 pts.; 13th - M. A. Lehmann 45 pts. and 14th - G. C. Chielli 52 pts.

We hope that next year new crews will increase the number of competitors in local and regional meetings.

Fleet 173 just wrapped up another year of rewarding sailing on Little Egg Harbor Bay, with the annual Indian Summer Regatta won by none other than the one and only Glen Reitingner and his super crew of brother Carl and Tom Monk. They are the Fleet champions for 1977.

Sailing on this bay of ours with steady winds and keen competition is the only way to spend a summer, and that is exactly what we did. We started off with an eighteen race series for the Summer, and mixed in the District Champs Warm Up Regatta and the District Regatta, with two of our sailors qualifying for the North Americans. Don't forget the Holiday Regattas and, last but not least, our Super Race Committee.

This year's mast rearranger award goes to Ed Serrill for over-simplifying his rig at the districts, and again the weekend after. The Reitingner brothers with crew Hubert Streep, put in a good show at the North Americans and in doing so they win the Rudder Rearranger Award. At times there was heavy air and the Reitingner Brothers, with Tom Monk as crew, had their share of HJs.

In light air, the true test is the skipper's patience. Again Bob Roth did his usual and convinced us all to follow him around the course. Nobody wins like he does in light air.

Our long list of steady crews here at BBYC deserves some recognition and this year several new faces joined the regulars in the fun - Tom Monk, Lance Bacchai, Hubert Streep, Mike Stephan, Barbara Serrill, Chuck Hitchler, Paul Barylski, Chris Quigly, Bev King, Diane Heeney, Steven Roth, Sue Phillips, Pete Hyndman. The crews put up with sometimes ornery skippers, but they do enjoy with him the feeling of competition and excitement that is racing a LIGHTNING.

As in the past, sailing has been a year round sport on Shreveport's Cross Lake, and the Lightning fleet has again set an example for the sailing classes both in participation and in interclass competition. In size, our fleet has remained essentially unchanged, but the level of competition has grown measurably keener. Our neighboring fleets are becoming increasingly aware of the Shreveport "boats to beat".

In late July our fleet suffered a very real loss in the death of Chapin Plumer, whom, with his wife Barbara, we have counted among our close friends for several years. Traveling from seventy-five miles away every Sunday to join the Lightning fleet on Cross Lake, they were an inspiration to all of us. We will miss Chape and the green-hulled *Rivet* he sailed so consistently and so well.

Additions to the fleet during the year are David McCary, Ben Miller, and Don Moore. David brings a vintage model 4158 with him that is in remarkable condition, and with a raked mast and new suit of sails, her performance should be excellent. Ben and wife Patty have brought 8099 back to life and already are providing lively competition to the glass-bottoms. The Moores have just purchased the notorious *Shady Deal*, and with their two teenage boys already experienced as crew members, they should make their presence felt very shortly.

Although our sailing season never really ends, it begins in earnest each year with the annual Holiday-in-Dixie regatta. Coming in the last week of April, this event serves as a "kick off" regatta for the eight most active sailing classes in Louisiana and neighboring states. Total entries from all classes in this event numbered ninety-five. Twenty-two Lightnings were registered. It is of special interest that young Stephen Craig from Dallas' Rush Creek Yacht Club was winner in the Lightning class since last year's winner was his father, Jim Craig. No shortage of sailing talent in that family. Rick Tears, also from Rush Creek, won second, and Cal Herman took the third place trophy home to New Orleans.

Shreveport boats had their share of the glory in out-of-town regattas during the year. The Southern District Championships were held in New Orleans. Marshall Walker captured a fourth in that event and gained his second invitation to the North Americans and, for the second time in as many years, he represented our fleet at the N.A.'s. At the GYA, also in New Orleans, John Butcher claimed a second, and at the Jackson invitational later in the year, he again earned a second. Marshall Walker placed fourth at Jackson. At the annual "Turkey Day" regatta, in Dallas, which ends the circuit, our fleet was literally blown off the lake and left the silver for the survivors.

On the local scene, Marcus Millican, after twelve agonizing years of defeat, finally put it all together and became fleet champ. His new boat and an exceptionally fine crew didn't hurt. Marshall Walker, a past champ, was the closest contender and kept the action very lively. The fleet championship is awarded as though a circuit were being sailed. The best composite score taken from four weekend series held on Cross Lake during the spring, summer and fall determines the winner. Although Millican led the four events, Walker pressed for a close second in three of them and Henry Coutret kept the pressure on in the fourth.

In interclass competition on Cross Lake, Lightnings proved their superiority, which none of us ever doubted. A new event was introduced at the club in the early spring, CLOI, the Cross Lake Offshore Invitational. The event consists of a forty mile course set up around the perimeter of the lake with a mark or two set interestingly in the middle. Our lake not being too large, it requires three times around the course to achieve the forty mile total. All classes compete on a handicap basis, separated into centerboard and keelboat divisions. In the first CLOI, Lightnings came in first, second and third on corrected time in the centerboard division. Winning Skippers were Walker, Pledger and Millican. Mild protests were heard from other classes concerning the handicap system. So, prior to CLOI II held in the fall, handicaps were adjusted to make a repeat occurrence less likely. CLOI II was sailed in winds 15 to 25 mph. It was a gruelling forty miles, many boats dropping out. Lightnings again came in one, two, three. Skippers this time were Millican, Walker and Pledger. Next years' CLOI may see Lightnings in a division of their own, judging from the cries of the other centerboarders. Or perhaps exiled to another lake!

We have missed James Mills who is off to college, but look forward to his return during the summer especially since he's been sailing in collegiate competition while away. Leroy Peters will have to make a new start next year since he's lost his crew, the Moore brothers, who went off and bought their own Lightning as mentioned above. Last years' fleet champion, John Butcher, whose absence for several months can be attributed to a severe case of tennis fever, plans a comeback in '78. We all look forward to another active year and again invite our

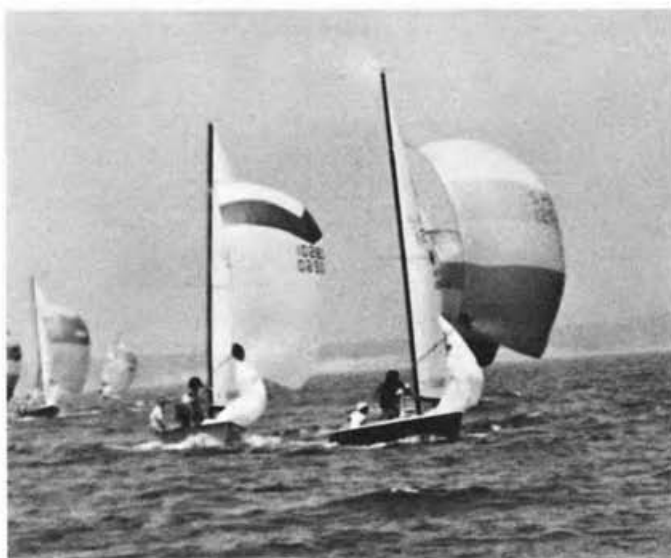

Lightning friends in other fleets to join us at the Holiday-in-Dixie regatta next spring.

Frank Marinaccio and Frank Atkinson fighting it out for the Fleet Championship.

FRANK ATKINSON is again our Fleet Champion for the third consecutive season, but this year the rest of us made it more difficult for him! Frank also won the G.S.B.Y.R.A. season trophy and the Invitationals at Long Island Yacht Club, Race Week, and Sayville Yacht Club. Frank placed fourth at the Districts behind his son Frank Jr., and Frank Jr. won the Point O'Woods Invitational with his dad's boat.

FRANK MARINACCIO was runner-up in the Fleet Championship and also runner-up at the Districts. He also won the Spring Series and Fall Series at Narrasketuck Yacht Club and the Unqua Yacht Club Invitational.

TOM GREEN is the fleets hottest skipper winning the Districts with three firsts, and has the highest average in the fleet. He would have won the Fleet Championship, but did not have enough races to qualify. Tom

goes to many 'away' invitationals and this year went to the N.A.'s, as did TOM TYLER. TOM also won the Babylon Invitational.

The Narrasketuck Yacht Club Invitational was won by MIKE GARGIULO and a bottle of the bubbly. MIKE, unfortunately, lost part of the season while dabbling in real estate.

JOE ROSSBOTHAM won his first race ever during the Fall Series. He got the traditional fleet christening (we threw him in the drink).

The fleet continues to grow; adding five (5) new members this year. We welcome MICHAEL FUNK, JEFFERY LAZARUS, JOHNDAVIDSON, VINCENT DEL CASTILLO and ANGELO DI MARTINO. The fleet lost only one valued member this year, RICHARD KOPKA, he married his crew.....Judy! They had a great wedding reception that was held in proper tradition.....on a boat.

On the social side, the fleet also did very well beginning in March with a party and meeting hosted by the DAVID's, and a cocktail party by the WEINER's in April. The KOLLER's hosted a shrimp and champagne dock-side party at Babylon, at which there were many foolish happenings. The GERAGHTY's hosted their Third Annual Meatball and Spaghetti Party again, with BILL WISE in charge of the meatballs. JOE added a new dimension in cruising to Regattas in a MORGAN O/I 41. He took almost the entire fleet for a cruise at Sayville. I do not think anyone will forget the night at Point O'Woods, when a midnight thunderstorm rolled through.

The ATKINSON's hosted a fine cheese and champagne party after the races at Long Island Yacht Club, which revived the spirits.

With so many members now bringing cruising boats to Regattas, there is always a get-together or party to revive us after the races.

The Fall Frostbite Series has just been concluded and the winners were KATHY GERAGHTY, RON THOMPSON and ANDY GOODWIN. They took turns skippering the boat.

With the same kind of spirit and enthusiasm we look forward to '78.

## CONNEAUT LAKE YACHT CLUB (180)

Lake Erie District

Sailing on Conneaut Lake, Pennsylvania

Fleet Commodore ..... Att. Mark Prather  
Fleet Captain ..... Charles Good  
Fleet Secretary ..... Carol Prather  
Fleet Champion ..... Bob Lilly  
Runners-Up ..... John E. Shaffer &  
Skipper Ragghianti

Boat No.	Boat Name	Skipper

17747	Heid Aweigh III	Charles & Dr. Duane Good
12864	.....	Skipper Ragghianti

Our friendly fleet (180) started the season in mid June, and concluded on Labor Day weekend. Bob Lilly retained the championship with superb sailing, but his competition is getting closer. You should have been there to see him go overboard on a quick wind shift, and to have a crew member try the same thing a week later. Ed Shaffer wouldn't share his second place this year, but Skip Ragghianti breathed down his neck. Out of 16 races, five different skippers finished with one or more firsts — this made for a real close season. Our Labor Day weekend series saw Lilly, Ragghianti, and Dr. Good leading the pack, and each received an appropriate silver engraved bowl.

The upside-down trophy was passed on to our Commodore Att. Mark Prather, who couldn't handle a bad wind shift with the spinnaker on a broad reach. Several others came close to joining him. Generally speaking our winds and weather were quite satisfactory.

Each skipper and his crew were pleasantly surprised, as they received a lovely fiberglass serving tray with a color picture of their Lightning, in competition, printed on it, along with the fleet name and year. We are all indebted for this fine work to Ed Shaffer, this years runner-up skipper. These trays will enable us all to relive 1977 summers races many times.

Several of our skippers like to see how other fleets handle races, as Bob Lilly and crew took 11063 to Pymatuning Yacht Club to compete. Skip Ragghianti and Dr. Good took their boats to St. Petersburg, Florida, and then also over to the Pennsylvania Governor's

Cup Regatta at the Susquehanna Yacht Club. They recommend more of this as the hospitality is great, and the experience very rewarding.

Our social activity started with a Spring banquet — then a July picnic at Ed Shaffer's and finally a Labor Day picnic at Dick Rentz. We all look forward to these friendly get-togethers. They provide a great opportunity to talk sailing.

## SHEBOYGAN LIGHTNING FLEET (187)

Life Member	.....	F. C. Jacobson

The 1977 sailing season was considerably more placid than the 1976 season when Sheboygan hosted the North American Championship. Not only did we have less activity we had considerably less wind than we did during the 1976 NA's.

The Fleet was divided into an "A" and "B" Fleet in an attempt to give more enthusiasm to the skippers of the "B" Fleet. The results of the two series saw Tryg Jacobson taking first in Fleet A Gresholt and Rick Larson taking second. Dean Pratt took first in Fleet "B" of the Gresholt series. The Piper Series was won by Tim Gottsacker a newcomer to the trophy circle followed by John Visser in second and Dean Pratt in third.

One of our sailors, Tryg Jacobson, was lucky enough to sail in the World's in Switzerland this summer where he pulled off a 26th place.

The season "Bust-up" has been scheduled for November 19 during which time we plan to review slides of the World's taken by Frank Jacobson, and present trophies. With the new fleet captain installed we look forward to a fun, exciting and enthusiastic year on the shores of Lake Michigan.

The 1977 season for our Fleet was an exciting season of racing, social gatherings, individual exploits at the New England District Regatta, at the North Americans and here on the ocean at Marblehead as well as right in the harbor during starts of the Twilite Series. Much pleasant weekend and evening day sailing up and down the North Shore, up to Gloucester, past Manchester-by-the-Sea or around Baker's Island and the Misery Island and into Manchester Harbor or deep into Salem Sound to Beverly Harbor, (maybe the birthplace of the U.S. Navy,) also filled the Fleet's 1977 sailing agenda.

Early in the season, America's Cup contenders for Defenders honors — Independence and Courageous slipped their moorings at either Little Harbor or at local yacht club, launch floats and proceeded out onto the ocean for trails and training side by side with fleet members heading out for Spring Series starts. Yes, we had our share of turtles and near turtles, Rick Humphrey in the Twilites, Gerard Hosman in the Saturday Championship Series and even John Collins during Raceweek. John righted his craft and hung in for a respectable finish. Fred Juden got past Bob Gauthier in sufficient fashion to gleefully hand his cousin Bob the "Elephants Tail" trophy complete with hanging hooks for display in the Gauthier living room.

The season began with a lovely spring cocktail party at Fleet Captain Gerard and Marian Hosman's home in historic Salem. Raceweek in July saw visiting skippers and members of the fleet vying for awards, Thursday through Sunday and another mix of 14 Lightnings ready to cross the line for the State of Massachusetts honors on Saturday and Sunday. The two concurrent events went like this — Thursday it blew HARD for two back to back races, Friday a more gentle wind for two races, Saturday a total loss except for the scrumptious cook-out at the Stovers home in Marblehead. That day there was dense fog with the Lightning fleet, visitors et al strung out in a line moored to each other to the speed limit buoy at the mouth of the harbor. Every one had a snooze protected under the loose cover of their main sail. Sunday there were two salvage races in exasperating winds. Georges Peter and John Collins tied for first place in the State of Massachusetts Regatta, by a flip of the coin. Georges Peter gave John Collins the State of Massachusetts trophy. However, Georges took honors for Race Week overall. Georges name is now engraved on the "Larsen" Lightning Trophy along with many other outstanding skippers of years past.

The season's awards, as explained by Race Committee Chairman, Larry St. Clair went like this — John Collins won a large rear-view mirror for the season's Championship. John also received a lovely Revere Bowl for that feat. Joel Humphrey and his crew won a book "Plain Speaking" plus a mug for First Runner-Up position and Tom Stover won a can of helium to lighten his boat and a Revere Bowl for second Runner-Up position in the Championship Series. For winning the Tuesday Twilite's first place finish, John Collins received a stainless steel horn to call his flock following him; and for the Thursday Twilite's first place finish, John won a canvas bag to carry all his goodies home. Gerard Hosman won the Hourglass Trophy for his amazing feats with a spinnaker. The Best Performance of a Wooden Boat prize, a book on the new racing rules, went to Larry St. Clair. The Elbow Grease Award for the best brightwork went to Bob Gauthier and it was a package of very fine sandpaper. The Fog Award (it has nothing to do with the mental state of the skipper) went to Tom Stover for being able to miss all the marks in the fog, and it was a small compass. The Frank Shorter Long Distance Award goes to Charlie Pace for being the best skipper to drive from the furthest away. Charlie received a pair of sailing gloves that could also be used for driving. The Turtle Award goes to that skipper that tries the hardest to make his boat look like a turtle — Gerard Hosman won a clinometer. Fred Juden won the Never Give-Up Award, which was a set of tell-tails. The Bunker "All in the Family" Award went to Fred Juden and Bob Gauthier for being the best and most harmonious cousins to race this year. Their prize was a book on sailing tactics. The last and most coveted award was the Lou Pocharski Award which must be carried in the winner's boat for ever and ever. It is given to the skipper that wins the most trophies for the season so John Collins won a big cinderblock. Larry made these awards at the very wonderful and pleasant Awards Dinner attended by the full extent of the fleets stay at home and don't go away to school contingent Friday evening, October 28 at the Corinthian Yacht Club. The dinner so genteely chaired by Gerard Hosman closed our Fleet activities for the 1977 season.

The North East River Lightning Fleet 192, sails in the mouth of the Susquehanna River at Havre De Grace, Maryland.

This year with an infusion of new blood the fleet is making a recovery from a period of low activity. The year started in February and March with a recruiting drive with advertisements in the local newspapers followed by a campaign to interest local known unaffiliated Lightning Owners and inactive fleet members. A series of classroom seminars were conducted in April and May followed by a series of mini races in May and June.

On July 16th and 17th the fleet hosted the Dixie District Junior Championship. While the turn out could have been better, it was heartening to see the spirit of competition and comradery displayed between the participants.

The Fleet Championship was held in real drifting conditions over the Labor Day weekend. A runoff race was necessary, with Tom Thompson just beating Bruce Hardy at the wire for the hotly contested Championship.

The silver Wallace E. McKee memorial tray, symbolic of our Fall series was won by Cliff Matson and his family. While the turnout was spotty, the sailing conditions were good. The last three races were cancelled when the wind conditions dictated that disgression rule over valor. Race ten saw Bruce Hardy and his crew take an impromptu swim when he became careless at the final jibe mark.

We are looking forward to next season with lots of anticipation, hopefully with a larger membership, some new gear and sails and a new boat or two.

## MISSION BAY FLEET (194)

### California District

Fleet Secretary/Treasurer ..... Al Poindexter  
Fleet Champion ..... Myron Lyon  
Runner-Up ..... Charles Gotschalk

At our annual Installation Dinner in January, Hugh Kimball was installed as the new Fleet Captain, and John Lyon as secretary-treasurer. However, when the Kimballs moved to Seattle in July, and John Lyon left for college in the Fall, these officers were replaced by Warren Gross and Al Poindexter.

After the "Frostbite Series" the Kimballs were on Cloud 9, having won their first Series ever. Charles Gotschalk was second, Knauer third. The five race Winter Series was won by Myron Lyon, the first of his many wins this year. Kimball took another trophy for second place, and Gotschalk was third.

Series I, in March, was won by John Lyon, son of Myron, with Kimball second, and Daira Gross, third. The Spring Regatta, held at Coronado Y.C., was also won by John Lyon, with Warren Gross second. The others, not in contention for the trophy, came in early because of high and very gusty winds. Heavy chop and waves, made it a question of survival, rather than racing.

The eleventh Southern California Lightning Circuit had 20 boats participating, with skippers coming from as far as Buffalo and Vancouver, as well as the usual crowd from San Francisco and Redondo Beach. We enjoyed having Tom Allen, frequently North American and World Champion, here for the first time since he won the North American's at MBYC in 1961. We had beautiful weather and fresh breezes all week. Tom won the overall Circuit and demonstrated his great sailing ability by winning every race except one, in which he was over early at the start. Myron Lyon took advantage of that lapse, and won the Easter Regatta portion of the Circuit at MBYC by 3/4 point over Allen. Further details on the Circuit are contained in the report of the California District. The eating was as good as the sailing, with fantastic dinners hosted by KHYC, Bernard and Muriel Gross, Myron and Andrea Lyon, and MBYC. As it said on the cake, "Lightning Sailors Have More Fun." Incidentally, preliminary reports indicate that a great attendance for the 1978 Circuit (March 19-24) is expected, and we urge all Lightning skippers to come, especially those in Portland, Seattle, Klamath Falls, and Vancouver, in addition to our usual participants.

The Memorial Day Series, five races in the ocean, was won by Myron Lyon, who took a close series over Gotschalk; Knauer was third. Myron followed this by winning Series II, with Gotschalk second and Fastenau third. Myron Lyon continued his winning streak at KHYC in the YRU Regatta; his son John was second and Mike Boswell of KHYC, third. A couple of weeks later, Myron was successful at KHYC again, winning the California Districts for his first time. MBYC's Barber twins also placed with a third.

In July the Barbers won the Firecracker Series handily, with Knauer second, and Sundsmo (who bought the Kimball's boat when they moved to Seattle), third. That month we also had our big annual social event - the Beer Bust and Abalone Feast, hosted by the Bradys in their beautiful garden on a perfect evening. Hank Fastenau had done the necessary diving to get the abalone.

In August, Chris Gotschalk (son of Charles) won all three races to take Series III. Myron Lyon had three seconds and John Lyon three thirds. Series IV was taken by Charles Gotschalk with a coin toss, after he and Myron Lyon finished in a tie.

Three of our skippers trailed to San Francisco for the Pacific Coast Championships. Myron Lyon took second, losing by one point to Nelson of Portland. His crew, Al Coia, went overboard in one race. Charles Gotschalk gathered in third place. John Lyon would have finished in the top five if he hadn't gotten back late from having breakfast downtown Sunday morning - he got 19th in that race.

Myron Lyon won the five day Labor Day Series. In a very close battle for second place Gotschalk's 3-1-3-3-1 for 10½ points topped the Barber's 2-3-2-1-3 for 10¼ points. A week later Myron kept his winning streak alive by capturing first place at the Billie Boswell Memorial Regatta at beautiful Lake Cachuma. The three lead boats were very close in all the races. Lyon had 1-1-3, Gotschalk 2-3-1, and Gross 3-2-2. At the District meeting which followed the BBQ dinner, it was announced that Myron Lyon had been elected Vice-President of the International Lightning Class Association.

In September our Bowen Memorial Regatta was won by Chris Gotschalk, who had ended up with Myron Lyon at 5½ each; Gross took third. After Mark Patty came Kurt Johnson, our fleet's latest acquisition from Tennessee, for the fifth place trophy. In October at KHYC's Hurricane Gulch Regatta, Charles Gotschalk battled three close races with Mark Patty, who won the Regatta. Boswell was third and our Al Poindexter, fourth. At MBYC our Spook Series ended with Myron Lyon and Knauer, both at 5½, but Lyon won on 2 out of 3. Charlie Gotschalk was third. Although we still have to finish our Fall Series, and sail our Turkey Series, it looks as if Myron Lyon will edge out Gotschalk for the Fred J. Knauer Trophy as Outstanding Lightning Skipper of the Year in Club races; he also has definitely won the same trophy for Regattas, and he is Fleet Champion for 1977. Truly this has been the year of the Lyon.

Another successful season has come and gone for Fleet 196. Most club races saw fleets of 7 or 8 boats turn out for the competition and as in recent years Jack Elfman was the man to beat. As it turned out, Jack wasn't beaten too often and once again emerged as the Fleet Champion. Ralph Messersmith and the Temme brothers also kept a torrid pace all season long. The remainder of the fleet hung tough, however, and the pack kept growing tighter as the season progressed. Much of the credit goes to Fran Temme whose sailing classes brought several young and enthusiastic crew members to our service and what a job they did! Hopefully they will be skipping their own Lightnings in the future.

This year's most improved skipper award went to 19 year old Lint Weber who sailed solid, consistent races all year long. Lint is a very industrious fellow, and for this first regatta chose to mix it up with the "heavies" in the District Championships. Although finishing out of the money, he was in the thick of each race, and will be one to reckon with next summer.

The fleet was sorry to see the departure of Chuck Swartley from active participation. Chuck was last year's most improved skipper and sailed some dandy races. However, he did manage to convince Les Hunton, a crew of many years at the club, to reach down into his change purse and buy the Blew Cheese, thus keeping her in the fleet. Les claims that if he ever learns port from starboard he's going to be a terror.

The highlight of the season was the Central Atlantic District Championship which was hosted by Surf City. In conditions which ranged from serenity to a howling screamer, Jack Elfman outran a fleet of 28 Lightnings to carry off the top prize. Also in the money were Fran Temme 5th and Ralph Messersmith 8th. Jack and Ralph went to Buffalo where both performed extremely well.

Once again this year it was Elfman who kept Surf City on the map. His performances throughout the racing circuit were outstanding. Among his many good finishes were firsts in the CADs and the Surf City Annual, seconds in the Atlantic Coast and Pennsylvania State Championships and a strong finish in the North Americans.

Finally, Fleet 196 wishes to heartily thank Race Committee Chairman Gerry Murray and his able assistants who gave so unselfishly all season long so that we Lightning folks could enjoy ourselves every weekend.

We wish everyone a warm and prosperous winter and we hope to see everyone when the first white shape goes up in the spring.

*Jim Neville and crew in World Class form.*

The summer of 1977 was marked both by keen competition on Lake Chautauqua and an increase in participation at outside regattas by Fleet 198 members.

The season got off to an early start at the Cornball Regatta. With eight or nine CYC Lightnings participating, the fleet was well represented by spotty but strong finishes by boats "from the other end of the lake." At the Niagara Invitational Regatta at the Buffalo Canoe Club, a strong contingent of Chautauqua sailors ventured off the "pond" and onto the lake. Fleet 198 showed good speed in the light Lake Erie slop on Saturday, but on Sunday strong winds and high seas proved tough to take.

At the District Championships in July the fleet continued to show

its enthusiasm. The nine boats from Chautauqua put in a respectable performance — the Ingram brothers qualified for the NAs while three other Chautauqua crafts placed in the teens. Both the river current and the unusual courses seen at the Niagara Sailing Club will be difficult to forget.

Perennial Fleet Champion, Jim Neville, sailed in the World Lightning Championships in Switzerland. He, along with his sisters, Nancy and Candy, were able to take advantage of the "Chautauqua-like" conditions that prevailed and brought home a fourth place finish.

Back on Chautauqua Lake, the July and August Series proceeded without interruption. The results were as follows: Missing only two official races while in Switzerland, Jim Neville managed to finish first in the July Series. Dave and Tom Ingram finished second, and in a closely contested battle for third, Cherie Neville triumphed. In August, Jim again took first. John Turney sailed to a second place finish and the Bargar brothers, who shared the helm of "Afternoon Delight," squeezed into third place.

With still growing interest and enthusiasm, the Lightning Fleet at Chautauqua looks forward to another successful and enjoyable summer of sailing.

### CLUB NAUTICO OLIVOS (206)

#### Argentina District

#### Based at Olivos (Buenos Aires, Argentina)

Fleet Captain ..... Martin Canepa  
Fleet Secretary ..... Maria C. de Pascuchi  
Fleet Champion ..... Mario Isola

Boat No.	Boat Name	Skipper

11043	Mancarron	Mario Isola

Although our fleet still remains small at the Club Nautico Olivos, we are at a stones' throw from the Yacht Club Olivos (both on the same port) and very near the Club Universitario de Buenos Aires, also on the Rio de la Plata. Sailors from the three clubs rally 'round for the 4-6 race championships we have scheduled for most weekends of the period March-December. January and February are the summer months when we rest our weary bones and take our much-needed vacations.

Our local District Championship in 1977 totalled a fleet of 22 Lightnings which is one of the highest in recent years. There are 22 oval masts in Argentina at present and 22 enthusiastic crews that enjoy an even competition.

Carlos Collet has handed over 11037's tiller to his son Daniel, who is doing very well. Martin Canepa has stepped off 11043 after many years to skipper a borrowed boat, with borrowed sails, tiller, mast, etc. It is a good addition to the fleet as he sails consistently well.

Angel Vilas' 4351 is a rather heavy and much battered hull, but with an oval spar and a satisfactory set of sails, it is generally among the leaders at the windward mark.

We are very close to solving the lack of equipment problem which is the only limitation that keeps the Class from growing further. Hopefully during 1978 we will have an important increase of Lightnings sailing on the River Plate.

Our activities this season were somewhat spotty partly because our Fleet Captain and Great Leader, Dr. Archibald Cameron sold his boat at the Canadian Open in Thunder Bay and thus reduced his activities thereafter. Also, Russ Scrim acquired a Whitby 42 and the "learning curve" on this boat interfered with his Lightning activities throughout the season, particularly on the weekends. We missed the Neapole brothers who were among the absent — mostly because of overseas travel.

On the other hand, competition was keen among those who came out and we were delighted at the increased participation of Andre Noel who ended up the season with two, or maybe even three, boats. Archie Cameron has ordered another new boat, so all is not lost and we are looking forward to renewed activity at a higher level for 1978. He again ended up the season as Fleet Champion.

The big news for us was Cameron almost winning the Canadian Open. He had it in the bag but, unfortunately, there was a mix-up with the Race Committee when they changed the course in the second to last race and he was disqualified. In any event, he made an excellent showing and obviously is a man to be heard from in the days ahead.

There is considerable enthusiasm in the Fleet towards the Southern Circuit. If current plans develop favorably, we should have an unusually large contingent. We are certain that this project will help encourage renewed vitality and enthusiasm for Lightning sailing.

Fleet Champion Bill Boice (middle) with crew Burris and Greg Smith.

This year we hosted the Michigan Junior Districts, combined with our State Invitational. Many of the Seniors appreciated the combined event because they could participate in the Senior Invitational by crewing for a member of their own fleet while keeping an eye on their own pride and joy. Ideal conditions prevailed both days with 8-12 mph winds out of the Northeast. Al Peloquin, Joe Dissette and Dave LaRue served as race committee for the event. George Nichols and Roger Bauer did an excellent job serving on our stake boat, so the results of the Juniors were as follows: Jim Morse, Adrian - first, Kyle Militzer, Fenton - second, Bill Crow, St. Joseph - third, and Cully Hesse, Bay City - fourth. The Senior event was won by Hank Hodgson of Devils Lake, with Dave Fury of Fenton, second.

The 15 week evening Cowl Series continued to be popular this year. Weather conditions were favorable as only one race was lost due to heavy winds. Bill Boice won the closely contested series with a low total score of 17 points. Consistent sailing in all weather conditions resulted in 6 firsts and 4 seconds for Boice. He narrowly defeated Lee Klopfenstein, who posted a season score of 19 points for second place. Jim Schofield led the fleet to the finish line on 3 occasions, which helped him secure third place for the season. The newest member, Cully Hesse placed fourth for the season. Adding to fleet competition were Dick Burrow, Hugh Sulfridge, Chick Burda, and Jim Peters.

We want to welcome Denny Bergevin, Bill Stewart, Tom Burk and Ed Woods, as new members of the fleet. We hope that one of our top skippers, John Johnsen will return as an active member after spending this season building a new home.

Fleet 216 wound up the 1977 season with a closely contested Labor Day Regatta. Joe Dissette returned after two season's absence to take second place in this event. Bill Boice was first, and Carl Hesse took

third after missing much of the season fulfilling his obligations as Club Commodore.

Next year Fleet 216 hopes to welcome all Michigan sailors to our new club house, improved facilities, and mosquito-less swamp land.

Although the number of Active Members has further diminished in 1977 a hard core of sailing cracks stepped up activity considerably. Fleet 219 has been represented in every major national or international regatta. Even our 'veterans' were set on fire by the enthusiasm of our younger sailors and were seen at our regional races.

Nevertheless, we couldn't have made it without the help of our neighboring fleet Greifensee which supported our efforts of re-activating racing activity on Lake Zurich. It was the first time since many years that our traditional autumn-regatta saw more than 10 boats participating. However, we are sorry to say that our annual Lightning-Weekend had to be cancelled due to bad weather conditions and lack of interest.

Still, we think that after years of inactivity our fleet is coming back to life and we feel a definite up-trend for 1978. A new competitive Swiss Euro-Lightning will certainly help. The past season was not bad at all - the next one will even be better.

Lightning Fleet 226 is the OH WOW group in one-designs on Biscayne Bay. During the past three months, we have doubled our membership and added three more boats to the racing scene. We are famous for our parties as well as our sailing skills.

Highlights of our social year included an "over-night" sail to Elliott Key in March, a "Tacos/Nachos/Beans Supper and Sailing Seminar" in April (which earned money to buy a swedge tool set), a "Ya Gotta Be Kidding" *Lady-Skippers-Only* race in June with a Keystone Kops course and a stern-first, Bikini-Tops-Flying finish, and a Dutch-treat Fleet Dinner after the BBYRA Awards in October. We wound up a fantastic year for Lightnings in Miami with our annual Christmas Dinner Party and Fleet Awards in December at the Freeland's home. Seventy members and friends gathered for barbeque, sangria and all the trimmings provided by the group. Add a guitarist, a hand-writing expert, a Chinese auction and slides of past races — not to mention "trophy presentation" — and you have some idea of why this party is a hit.

One-design races are scheduled one week-end each month, sponsored by the five local yacht clubs (Coconut Grove Sailing Club, Coral Reef, Biscayne Bay, Key Biscayne and Miami Yacht Clubs) which comprise the Biscayne Bay Yacht Racing Association. In addition, we have several annual regattas, the District Championship and the Southern Circuit Mid-winters.

B.B.Y.R.A. 1977 "Lightning" championship was won by our District Commodore, Jim Pinion and Randy Cleo. Texan Jim and Randy have really gotten their act together this year on *Preparation H* (10827). They took the honors at Coconut Grove Sailing Club's annual regatta on Oct. 22/23rd, with 2nd place going to Don Riedel and 3rd to 16 year old Sam Pearl. Coral Reef's annual regatta on December 10th had winds gusting to 30 knots. Pinion and Cleo took a first in both races. (A big cheer to Reid Hutchinson who is usually the 3rd member on this dynamite boat.) 2nd place went to Dr. Jack Swenson from Palm Beach racing his new Lightning (13218) for the first time. 3rd place to Joe Baumie and Frank Adkinson, Jr. (also racing with us for the first time in 9975). Nine Lightnings raced in our final regatta for 1977. We were the largest fleet of one-designs present.

Congratulations to the three Fleet Champions for 1977. 1st Place going to Jim Pinion/Randy Cleo, 2nd place to 16 year old Jorge Freeland and 3rd place to Mike D'Agostino and 17 year old Freddie Hutchinson (younger brother of Reid Hutchinson). Pinion/Cleo win the "Nelson" perpetual trophy for the year. Trophies were framed "original" pencil sketches of Lightnings rounding the windward mark, done by Miami sailor/artist Zoe Todd. Charlie Beedle and Alan Westcott were presented with engraved lucite sloops, honoring them for their years of devotion and service to the Lightning Class and to Fleet 226. Every

member has received the beautiful "I.L.C.A. — 40 years" decals for their boat and car. 1978 will be action packed with Lightnings as the "hot" boat in one-designs on Biscayne Bay.

12981	.....	Paul Schoenbucher

Although we have decreased in size in the last two to three years, Fleet 227 is still afloat. We sailed a full race schedule in 1977 consisting of our regular summer series and three weekend regattas.

Dave Stagg jumped off to an early lead in the summer series, and won both the Memorial Day Regatta and the Stowell Series on July 4th weekend. Jim Leamy came on strong in the latter part of the season, and ended the year by sweeping the Bellrose Memorial Series on Labor Day Weekend. The final tabulation for fleet champion gave the honors to Dave Stagg by a narrow margin.

Ray Harrington, Jr. proved to be a definite threat to the fleet leaders. Although he was unable to put it all together, he did have his share of first place finishes. The Schoenbuchers, with 15-year-old Carl at the helm, provided additional competition. Carl's performance in the latter part of the season assured the fleet of a tough contender in the future.

Scholastic and social responsibilities associated with medical school prevented Jim Russell from sailing regularly with the fleet. Although infrequent, his appearances were greatly appreciated, especially when he brought his topless crew. Jim represented Fleet 227 in the New England District championships, and went on to the North American championships, where he placed 23rd in the President's Cup.

Bill Potter's boat, due to hull problems, spent much of the 1977 series in dry dock. Looking back, it seems as though Bill's boat also spent much of the 1976 season in dry dock. To insure against his retirement to the list of permanently inactive skippers, Bill was elected Fleet Captain for 1978.

David Stagg our Fleet Champion.

Riverton had its most successful season in many years. The number of our boats has increased quite remarkably to twenty, and so we once again can give our up-river neighbors at the Red Dragon Canoe Club and the Penn Manor Yacht Club some good competition.

With the increase in number of boats, have come new social activities, fun things to do like picnics and games, as well as stronger fields at our various club series. Our very successful Wednesday Night Series, for example, saw 8-10 boats for each of ten evenings. We also were able to hold a Fall Series again for the first time in several years. One of the extracurricular activities was a Lightning-Come relay race, which was sailed in Flying Juniors in 25 mph winds, followed by a picnic and a volleyball match.

The Governors Cup Regatta in June was won by Franz Schneider from the Red Dragon Canoe Club; this was the first year in recent memory that the Governors Cup Trophy itself was awarded to the

winner of the Lightnings as well, so Franz went home with lots of silver. The Lightning Regatta in September was won, again, by Bill Clausen from Great Egg Harbor. The Gamma trophy, which is awarded to the skipper who compiles the best overall record in the three-regatta circuit comprised of Red Dragon, Riverton, and Penn Manor, was won this year by Gregg Funari of Red Dragon, who sailed his new boat consistently fast.

The results of our local series are given below:

Thaw-Out Series – Tom Barnett, first; Ed Termini, second; Walt Cincotta, third.

Club Championship series – Djoerd Hoekstra, first; Peter Marvin, second; Tom Barnett, third.

Wednesday Night Series – Tom Barnett, first; Bill Graff, second; Walt Cincotta, third.

Summer Series – Bob Haag, first; Walt Cincotta, second; Tom Barnett, third.

Fall Series – Frank Helsel, first; Bill Graff, second; Steve Perkel, third.

We are sorry that Tom Barnett decided to take a breather from active sailing; fortunately his boat stayed in the fleet when he sold it to Steve Perkel. Tom is also the "official" fleet photographer, and the accompanying picture shows his professional touch.

Our season came to an end with the Riverton Yacht Club's Awards Dinner the day after Thanksgiving when Fleet Captain Bill Graff was elected to the Yacht Club's Board of Directors.

We are looking forward to 1978 when Riverton will host the Central Atlantic Districts.

*A dry year in Oregon.*

"drought (drou), n. 1. Dryness; want of rain. 2. A dry spell, esp. when protracted." That pretty well defines Fleet 229's sailing season in 1977. The drought in Oregon did it to our normal and accustomed place for sailing — Fern Ridge Reservoir. No water! Mud flats greeted the beached sailors and generated unlimited frustration all summer.

In spite of very low water, we managed to squeeze in two or three weekends on the lake in late June. The Barber Series, the annual "Oregon only" race was held and included participants from the Portland and Klamath Falls Fleets. John Benedetti, Fleet 283, took the honors.

All other fleet activities in 1977 depended entirely on using someone else's water. Two great races in Newport on the Oregon coast in spring and fall provided challenging opportunities to battle wind, current and the Portland Fleet. Travel to Klamath Falls for a great Memorial Day event, and Portland's regatta held on Yale Lake in Washington's cascades rounded off an unusual season. The districts in Seattle were an interesting hodge-podge of heavy air and drifter races attended by members of Fleet 229.

All in all, 1977 was a season to be remembered for its lack of home port sailing that we have taken so much for granted year after year. Perhaps the most missed was the "around the campfire" fellowship normally found when sailing every weekend at home. Our beautiful club grounds were virtually abandoned after June. As this article is written, the normal Oregon rains are falling, promising a great year for 1978.

The activity of the fleet has increased. Salvatore Belgenio with his daughter and son, Paola and Massimo, joined the regatta activities stimulated by De Amicis and Tremante.

In the beginning of the season, Gino Filippini won the regattas on Trasimeno Lake and at La Spezia, but after this he ceased his activity.

Nando De Amicis, with his son, Alberto, and Matteo Bertolaso, was the runner-up in the Di Lorenzo Memorial Trophy Regatta held at Porto San Giorgio, third in the Italian Championship, and 13th in the European Championship. Nando and his crew were also 43rd in the World Championship at Spiez, Switzerland.

Salvatore Tremante with Luigi Tezza and Giambruno Perin took part in the Italian Championship (10th place) and the Europeans (24th) place. Salvatore Belgenio and his home-made crew were 13th in the Italian Championship and 27th in the Europeans.

We hope to host a regatta at Garda Lake in the near future!

There are almost forty Lightnings on our two lakes. Eleven of them are quite active in the fleet and participate in training, regattas, and other fleet activities. The highlight of the year 1977 had to be the World Championship on the Lake of Thun. Four or five boats wanted to participate and had to qualify in difficult selection races held in 1976 and in the spring of this year.

In early March we began with the usual training organized by Ruedy Herzog in Hallwil. The Swiss national trainer Albin Molnar gave us much professional help and critiques with his video tape recorder. At the end of April one of the selection races was held at Sempach. Sometimes we have wind at Sempach; and it blew up to a beautiful eight. Only half of the participating boats were qualified. There were capsize, broken masts, and other misfortunes. *Quand Meme III* lost his skipper and finished eighth.

In May the Swiss Championship was held on the Lake of Zurich. Our fleet was represented by Luthy (9th), Herzog (14th), Merz (15th),

Kathy and Hans Luthy before the big championship: "It will not be easy!"

Kunzle (17th) and Taschler (21st). Ruedy Herzog participated at the European Championship at Numana and finished 17th out of 34. His son Peter was crewing for Lambelet (Fleet 169) and got the very good third place; bravo!

Selected for the World Championship were Herzog, Luthy and Kunzle. Only *Quand Meme III* took part with skipper Hans Luthy. His son Christopher, and daughter-in-law Dominique, just arriving home from a fantastic trip to California, crewed for him. They placed 33rd and were not unhappy. There was a great time in Spiez, together with old friends coming from overseas, Italy and Finland.

Autumn came and most of us were tired of traveling. So only Christopher Luthy and Edgar Merz sailed the dramatic race on the Lake of Greifensee (Fleet 309). Puffs of a beautiful kind were seldom and the spinnaker flying was a question of luck. We used it and got third and fifth out of twenty! Within our fleet we hardly had time to be together. Next year we will do it more. We will be a family of happy Lightning sailors with a growing fleet again.

We just began the new season with a fondue party in October; it was great!

One last word; Dominique and Christopher had a great time in California with the San Francisco Fleet 372. Many hearty thanks to Stan, Gail, Jack, Linda, and all the others who invited them to sail in San Francisco Bay and to spend such a good time in friendship. Come see us soon!

9731 pulls ahead, "Temporarily"

George Kalinich, an originator of Lightning sailing at Keuka Lake, charter member of Fleet 252, and winner of the Lightning Association Stetee Trophy in 1976, passed away this winter. At the 1977 spring meeting, the fleet membership paid tribute by voting a new memorial trophy to typify the interest and enthusiasm represented by George. Mark Bryant then showed us how to rig and tune a Lightning, conveniently located off the 9th hole at the Corning Country Club. For golfers, this incredulous sight was amplified as a gust of wind started the boat and trailer moving. After dinner, Mark expounded on starting and racing tactics. Each of the captains left the meeting primed for aggressive starts and eyeing others as potential "turkeys".

Well, 1977 was a great summer. Eighteen races covered the summer series, following a good Memorial Day and June series. And once again, the Champagne Regatta attracted 65 boats. World Champion, Tom Allen, District Aces Hallagan, Penfield, Hayden, Mark Bryant and Fleet 252's bests Kennel, Schaaf, Leiser and Eckstrom were there. We even brought in ringers, Glenn Levine from the RPI sailing team, Don Tylor from Chicago Corinthian Club, and Ms. Burns and Ms. Penfield to help Copley and Powers. Allen wasted no time in showing why he is World Champ. However, he was buried on the start of the afternoon race, setting the stage for the Saturday Evening Festivities. Fleet Captain Copley declared that the two hundred guests tied for the champagne drinking, roast beef eating and rock and rolling. The adrenaline was flowing for the start of the final race Sunday morning. After three recalls, the race committee lengthened the starting line and, yup, another first for Tom Allen. However, with solid consistent performances first place went to Mark Bryant, a three time winner. There was a good sportman's award to the captain who picked up Brent Olmstead after Ms. Burns caused him to fall overboard and a good sport award to Ron Hogan who consistently placed in the high 60s.

Talking about other stories, remember when the Korner's self rescuing boat took off leaving them in the water and requiring a power boat - John Wayne horse-leaping rescue? Then there's the September day with the gusting west wind which capsized Brown and Eckstrom before the race started...and Glenn Levine's one race, one first, and returning to school undefeated...and Rich Schaaf's winning the Labor Day and September series, showing Fred that he is ready - willing, and able...and Bea Levine crewing and being first at each mark, then watching Harmon Dunathan drift by at the finish line; and when Glenn Patrizzo started captaining...and when Smolik and Simon showed Harmon that sweet taste of a first and ..... and, and, gee - I can't wait for May, 1978.

Oh, by the way, Fleet Champ is Schaaf, then Kennel, Korner and Eckstrom.

After an eventful pre-season tune up race in which two boats capsized, Fleet 253 started with a Memorial Weekend Regatta in which 28 boats competed. John Richardson of Severn Sailing Association went home the winner, followed by Al Mast of Sassafras River, Bill McShane of Sassafras River, Bill Buckley of Severn Sailing Association, and Tom Johnstone of the host club. The next big weekend was July 4th, where light winds prevailed. In a two race series, Fred Bush beat Starling Mikell, Jr. by one point, with Tom Johnstone third.

Labor Day had even lighter winds and only one race was completed. Leading the small fleet were Don Dallmeyer, Barry Dunwoody, and Tom Johnstone. The final big event of the year was the Pennsylvania Governor's Cup Regatta. This time heavy air prevailed, with several boats capsizing in the first race. After three exciting long races, Mike Huffman, who recently moved to Pennsylvania from Buffalo, N.Y., emerged the winner over Jack Elfman and Bill McShane.

The regular club series saw a variety of wind conditions and fleet sizes. The following trophies were awarded for each series: Spring, 1st, Starling Mikell, Jr., 2nd, Fred Bush, 3rd, Barry Dunwoody. Summer, 1st, Fred Bush, 2nd, Charles Cockerham, 3rd, Barry Dunwoody. Fall, 1st, Starling Mikell, Jr., 2nd Charles Cockerham, 3rd, Fred Bush.

All boats are now in storage with everyone planning on those changes they will make for more speed next year.

The six month sailing season at the Carlyle Sailing Association, Carlyle Lake, Illinois was just about ideal this year. Good wind was present through the spring, summer and fall and some super races were held. The "One of a Kind" Regatta which was hosted by the CSA at Carlyle Lake this past spring was an outstanding success for all involved including the many spectators. The news of the super sailing on Carlyle Lake is obviously spreading.

Many of the Fleet members participated in the Club racing program. However, the top positions were tenaciously held on to by the established champs. The winner of the Championship Series was young Matthew Burrige. Matthew also took a first in the Labor Day Impromptu Regatta and led the Lightning Fleet in the Whale of a Sail Regatta. On the national level, Matthew placed third in the Junior North Americans and for the first time in the short history of the Carlyle Sailing Association, earned a spot in the Championship Series of the North Americans, qualifying 18th out of 35 boats. Matt is going to be hard to beat for a long time to come.

Taking the runner-up position in the Championship Series was Augie Paolo who also swept first place in the spring, summer and fall series. Glen Hegel finished third and Bob Nebelsick took fourth place. Mitch Bohnenkamp, assisted by his young but improving crew (his two daughters) finished in second place in the Whale of a Sail and the number 5 position in the Impromptu Regatta. Keep up the great work, girls.

In June, the Mississippi Valley Lightning District Regatta was held at Kentucky Lake. Bob Wardwell from Chattanooga, Tennessee finished first followed closely by Augie Paolo and Matthew Burrige of CSA. Two Nashville sailors, Bob Hochstetler and Tom Hudgens rounded out the top five positions. In June of 1978 the Mississippi Valley Districts will again be held at Carlyle Lake.

All in all it was an outstanding season for sailing and racing this year. The Fleet put the new observation building to good use. The already excellent facilities for boat handling underwent continued

improvements. Now if we could just build some condominiums on the property, we would be ready for the North Americans.

Sailing on Lake Ontario was great this season, as usual. We were very happy to welcome two newcomers to the fleet, Tom Tickner and Bill Dalter. In addition, Ken Lindsay brought his boat here from Michigan and joined us for a weekend late in the season. We look forward to having Ken with us on a regular basis next year.

A back injury prevented Fred Burch from defending his Fleet Championship. We sincerely hope he will be sailing again next season. Fred's absence permitted Ray Nelson to regain the big bowl. Al Waugh was the most consistent sailor, and was rewarded with the PM Handicap trophy in addition to the fleet runner-up spot. Besides local sailing, one or more of us attended five different regattas in the Central New York District and enjoyed that privilege very much.

Practice makes perfect! An old saying which applies to sailboat racing even more than most other team sports. Our new fleet champion Tony Chavez with his loyal, steady and hard-working crew, daughter Laura and son Steve proved this point by participating in 37 or 41 races held during our season from early May until early November. The practice paid off as they finished consistently among the leaders in all local races, placed fifth in the Districts and won both the Spring and Fall "A" Series.

This year, we changed our method for determining the Fleet Champion from results in a single regatta to best percentage performance in both the Spring and Fall Series with at least twenty-two at home starts required to qualify. The changed format was successful with a 16% increase in boats starting in one-third more races than in 1976. In addition, twenty-three of twenty-six fleet boats got to the line this year with Mike Connelly and his family, our newest members, taking part in eighteen races - a great start. Mike joined the fleet after visiting our exhibit and talking with members in a January 1977 local boat show. For the second consecutive year our fleet, under the chairmanship of Bob Kinsey, exhibited both an old and new boat as a way to attract new members and keep interest up among old timers during the off season.

The season was sprinkled with many social events beginning with the Indiana Open Regatta in early May and ending with the Long John on October 30th. A LeMans evening race and supper, pool party and picnics at the point were all part of the fun.

Last but not least, Bill Saeger was elected District Commodore to succeed George Buckingham and June Schubert was re-elected District Secretary during the District Regatta at Muncie. Congratulations.... you'll have our support.

Don Brush makes clean sweep at Massabesic

Massabesic's 32nd Annual Regatta had all the makings of a good mystery story for sailors ..... Would there be enough wind to sail? Definitely not on Saturday when fifteen Lightnings were towed back and forth from the starting line several times during the miserable, drizzly, windless afternoon.

Doc Howard's famous Vodka Punch saved the day as minutes after sampling Doc's secret recipe, disappointed sailors' dispositions brightened. Doc's Punch was followed by a catered, Prime Sirloin Steak Dinner and, spirits restored, everyone was anticipating terrific sailing conditions for Sunday.

SUNDAY WE HAD WIND!!! 30 knots and GUSTING!!! YAHOO!!! We had two exciting races and broke for lunch. The third race was a BOOM BUSTER! The winds were GUSTING! spinnakers were FLYING, and Lightnings were CAPSIZING! Seven Lightnings went over, six during the race, and one nonentrant at his mooring. He has been nominated for a "special" club award.

All three races were won handily by Don Brush of Vermont. Buck Wynn of Spofford, N.H. came in a solid second place. Third place was taken by Massabesic's own Dick Hale who is sailing a Lightning for the first time this year!!!

Our 32nd Invitational Regatta was a smashing success with Lightnings coming from all the New England states.

Here's hoping everyone reading this will plan on attending our 33rd Invitational Regatta the weekend following Labor Day, September 1978.

Come for Great Sailing, Superb Steak, and Massabesic's most talked about tradition, Doc Howard's FAMOUS PUNCH!!!

The Delta Sailing Association welcomed four new skippers this year. Ron Bladon, Max Sheldon, Jim McDonnell and Charles Simco joined us for the enjoyment of sailing.

Mid-March started the year for the more hearty sailors. They were gradually joined by the rest of the racing fleet as weather conditions improved. The racing fleet eventually swelled to 24 boats. After nearly 100 races the last weekend in October brought another competitive season to a close. Lee Breazeale is again our Fleet Champion and Crit Currie is again second. Per Huffeldt who came to us last year finished third, followed by Broadus Sharpe fourth, and Bill Baxter was fifth.

The annual club regatta, the Hernando DeSoto, was again held to coincide with the Memphis Cotton Carnival. Our fleet took all of the trophies this year. Crit Currie finished first, Dave Pittman was second and Lee Breazeale was third.

The annual petticoat regatta gives the women from the fleet a chance to skipper for three races in one day. The two trophies awarded to the Lightning Fleet went to Nancy Breazeale who finished first and Bobbie Richardson who finished second.

The rookie regatta was held again this year. Jim McDonnell won the first place trophy and Ron Bladon won the second place silver.

Crew trophies will be awarded for the most improved crew members for 1977 at our winter party. Crew participation is an important part of any competitive fleet and trophies represent an important part of their recognition. Congratulations to our trophy winning crew members listed in alphabetical order — Chuck Breazeale, K. William Chandler, Jr. and Mike Hicks.

The summer of 1977 once more saw Stafford Frazier capture the Season Series to become Fleet Champion. Stafford's consistent excellence was clearly indicated by the other trophies he took home: first in the August, Saturday and Sunday series (tie); winner of the Fox Cup, Tea Cup and Frazier Memorial Trophy, and second in the July series.

The greatest threat, and most improved skipper of the year, was David Jones, who finished second in the season series. Although he failed to finish first in any event, he was second in the Saturday, and third in the August and Sunday series; as well as taking second in the Fox Cup, Tea Cup and Frazier Memorial.

Bill and David Oliver came in third for the season, with firsts in the July and Sunday series (tie), and in the Coffee Cup.

Other season-long participants included Pres. Moore and Matteo Moore, sailing only in July; Bob Campbell, who shifted from his own boat to take the helm of the Moore's in August; and the Dickey's. The two Stu Armstrongs sailed regularly in July. Charlie Sweet scored a come-from-behind victory in the Commodore's Race in July, but was seldom able to return to Wellfleet during the rest of the summer. Stuart Nickerson sailed less often than usual at Wellfleet this summer. One reason for his absence from Wellfleet was his trip to Spiez, Switzerland to participate in the World Championships in mid-July, where he did moderately well in the shifty mountain winds on Lake Thun.

The Wellfleet Regatta, enjoying a better date (13-14 August) than last year, drew more visitors, including N.A. Champion Bill Shore and the present Lightning Class President, John Schneider. Shore cleaned up with three firsts, including a horizon job in Sunday's heavy weather race. Stuart Nickerson and David Jones of Wellfleet finished second and third, while Jack Burwell of Portland took home fourth place silver. We are looking forward to our largest regatta next summer, when we will act as hosts for the New England District Championship.

Participation in fleet races was down slightly from last year. Our core of regular racers is about the same, and we are looking forward to new blood from two sources. Bill Webb, after one year's trial in Rhodes 19 races, has bought another Lightning and will be back with us again next summer — a welcome addition.

This last summer's Junior Program was highly successful. Head Instructor Eric Lewis and his assistant Tim Richards generated great enthusiasm among the Juniors, some of whom raced in Lightnings.

It seems very likely that graduates of his program will begin to take part in the fleet races, either in presently owned family boats, or in newly acquired additions to the Fleet.

*"John, can I have a light? No Trish I'm opening a beer."*

How do you begin to describe the 1977 racing activities of the most active fleet on the West Coast? It won't be easy without our own section in the yearbook. The Portland Fleet started its Lightning promotion early in the year, on January 14th to be exact, with our boat display in the Portland Boat Show. Fleet Captain Dennis Torgeson's brand new boat was the eye catcher to start the questions from the interested public. Ninety persons signed up for a demo sail at a later date. Next, our fleet hosted the Pacific Northwest Mid-Winter District Meeting, attended by 85 district sailors. The highlight was guest speaker Bruce Goldsmith who deftly demonstrated on Jamie Nelson's new boat (Bruce's previous boat *Snoopy*) the sail trim that will get you the gold.

Our actual racing began on April 3rd on the Columbia River, since our usual sailing lake, Vancouver Lake, was almost empty with little prospect for the usual Oregon rain. The "Great Oregon Drought" was on! We had six new boats this year with 22 actively racing out of our 38 boat fleet. It was apparent from the very beginning that the Parshley

clan, namely Dr. Phil, son Phil Jr., and daughters Maryann and Lisa, were out for all the "iron" this year in their new boat. Phil Jr. started off by winning the first Sunday series of 11 races with Paul Fischer 2nd, Smoke Fischer 3rd, John Benedetti 4th and Van Conklin 5th. The first Tuesday series started April 26th with Dr. Phil winning the first, second and third races and a lowly third place to win the series despite a strong effort by Vance Smith 2nd, John Benedetti 3rd, Smoke Fischer 4th and John Dees 5th.

Next, off to the first out-of-town regatta on April 30th in Newport, Oregon. A nice warm-up for the really tough ones ahead. Dennis Torgeson won his first "iron" with 1st and John Benedetti 2nd. Then came the big one — Memorial Day Regatta, — usually held at Eugene Yacht Club (one of the finest racing facilities in the Northwest), however, because zip rain equals zero water, Klamath Falls Fleet Captain Dick Marlett ("Old Yeller") invited all of the district to K. Falls. So 24 boats were on the line including three from California and three from Canada. After a great 5 race series Portland's own John Benedetti was 1st, Jamie Nelson 2nd, Smoke Fischer 3rd and Phil Parshley 5th. Back in Portland for the second Tuesday series, this time John Dees took his first 1st, John Benedetti 2nd, Bruce Deitz 3rd, John Sanford 4th and Woody Woodward 5th. This year's Fleet Championship race was going to be a tough one!

Then came June 18th, our regatta, held at Yale Reservoir in Washington, 40 miles from Portland since that same tune "No Water in Our Lake" was still being played. Twenty-eight boats from throughout the district gathered for the best racing conditions encountered the entire year. Unfortunately, (for Portland) the Seattle fleet took home the first three places with Portland's Bruce Deitz 4th and Ken Conklin 5th (both sailing new boats and also relatively new Lightning sailors).

We were out for revenge when Seattle hosted the Districts on Lake Washington in Seattle. The racing was pure gut busting on Saturday and Sunday delivered a drifter. Dr. Phil put it all together and bested the entire district for 1st with Jamie Nelson 3rd and John Benedetti 5th.

In between all the racing we have annual campouts which are definitely non-racing events and few boats ever get into the water. We have an abundance of beautiful camping areas close to Portland including some great picnicing islands on the Columbia River. Back to the racing, this time the Pacific Coast Championship was hosted by the San Francisco Fleet at beautiful Richmond Yacht Club on the BIG Bay. Our Fleet sent five boats, with one of them, Jamie Nelson, winning the PCC's with Dennis Torgeson 6th, Phil Parshley, Jr. 7th, John Benedetti 9th and Smoke Fischer 15th.

Back to Portland again for a joint sailing club (CYC/VLSC) Tuesday series, producing finishes of 1st for Phil Parshley Jr., 2nd for John Benedetti, 3rd Paul Anderson, 4th Woody Woodward and 5th Bruce Deitz. Then we had the "Italian Ran Away With 1st Place" series in the fall. Six races, 17 hot racers and 3 firsts and 3 seconds gave John Benedetti a 1st, Woody Woodward 2nd, Paul Anderson 3rd, Maryann Parshley 4th, and Dennis Torgeson 5th. Phil Parshley ventured back to the state of Washington to Lake Chelan and again bested the Seattle sailors to win the regatta. Once again the Portland fleet headed north to Seattle for their PIYA regatta on Puget Sound. After five very tough races (gut busters again) Phil Parshley gained a 2nd and Bruce Deitz 3rd. If you have been paying attention during this lengthy report you will have noticed constant mention of Phil and Phil Jr. Parshley and John Benedetti. Well, the Fleet Championship after counting 40 local races was won by John Benedetti with only a one point edge over the Parshleys who received the Fleet Runner-up trophy. John Dees was declared Most Improved Sailor — coming from 16th place in 1976 to 5th place in 1977!

The last big sailing event of the year which the Portland Fleet looks forward to with gusto is the Annual Pacific NW District Team Races. Held this year at Kitsilano Yacht Club, Vancouver, B.C. the racing was challenging, committee work super and five teams from Canada, Washington, and Oregon hotly contesting to bring home the coveted "Scuttlebutt" trophy. We didn't win.

The last big social event of the year is the presentation of our fleet awards at the annual Christmas Party. The award most **not** sought after is the "Broken Rudder" trophy, awarded to the sailor who displays a unique ability to do un-cool (mostly dumb) things like going for a ride on a catamaran (though always anti-catamaran) and falling into San Francisco Bay at the dock at the Pacific Coasts (in front of **everybody**!) — what a clutz. That person is none other than our resident Lightning Vice-President, John Benedetti (now a 2 time recipient)! Just in fun, John. Thanks to all the great support from our sailors, fleet officers, and just fine people — we had a great one in Portland, Oregon in 1977!

The racing season started early for Fleet 296 this year as activity and preparation for the Central States District Regatta got underway. We were the host fleet for this regatta, which was held at Lake Jacomo June 9-11.

Highlighting the racing season was the come-back sailing of Don Skouse as he took the Fleet Championship. Runner-up was Doug Edwards.

A change in the scoring was made this year with the best nine of twelve races being counted toward the results. Previously, the season was divided into a spring, summer and fall series with the Last Mark Regatta also being counted.

The first meeting of the sailing season was held January 29, 1977, at "Dean's Marina." Refreshments were served. In addition to the officers elected as listed above, Paul Sanders was selected to be the representative on the race and equipment committees and Dean Arnold was chosen to be the representative on the Protest Committee for the Jacomo Sailing Club.

The annual Spring Social was held April 2, 1977, at Capt'n Jeremiah Tuttle's with Fleet Captain Doug Edwards presiding.

This past season was our first active one in many years. We have one boat in Kotka and one in Hamina, and it was not until this year that the skippers found out about each other. Both boats raced actively.

Our team trailed the rest of the participants in the District Championship Team Race, and in the Districts. Our final positions were 25th (*Melanie*) and 32nd (*Bella*). *Bella* participated at the Lake Pajanne long distance race, but unfortunately, could not finish. *Melanie* visited the Lake Saimaa Regatta and lost the silverware to Timo Patosuo and his *Pilpatu*s. The points were even, but *Pilpatu*s took the deciding, winner's gun. Both our boats also raced in many local regattas.

We closed our racing season at the Tuusulanjarvi Autumn Regatta. Our positions among 19 boats were 7th (*Melanie*) and 18th (*Bella*).

Our racing success was not one of the greatest, but we hope that our activity has promoted the Lightning Class in the Eastern Gulf of Finland. We welcome all our Lightning friends to our regattas in 1978.

1977 was a year for modest growth in numbers and increasingly competitive fleet, district, and national racing for members of Fleet 301.

The season began with the Vermont-New Hampshire Championship at Malletts Bay, hosted by our fleet. Visiting co-skippers Bill Shore and Greg Fisher pulled off top honors, but were followed closely by Don Brush, Jr. and Dave Little of the local fleet.

Series A, covering weekend racing in the months of June and July, ended in a tie between perennial Lightning skippers, Vern Emerson and Dick Fastiggi, with the latter getting the nod on tie-breaking procedures. Bob Young sailed a consistent series for third place. Don Brush kept busy building boats and competing at District regattas on the road, but when he sailed at home he was usually out front. Bill Dunnington, last year's Fleet Champion, got off to a slow start with his new boat, started to come on strong in July as the tuning fell into place.

The fleet was well represented at the New England District Championships in mid-July, with nine of the 33 competitors coming from Malletts Bay. Defending New England champion, Don Brush, sailed his brand new boat to second place after an extremely tight regatta-long struggle against John Collins and David Curtis from Marblehead. Pete Hubbard, after a late season start due to illness in the family, ended up in ninth place and qualified for the North Americans. Dave Little, tenth, and Dick Fastiggi, fourteenth, also sailed in the top half of the fleet, but wished they were faster.

Malletts Bay Boat Club's Race Week in mid-August attracted 15 competitive Lightnings. Don Brush, tuning up for the North Americans, took overall honors by winning two of the three races. Bill Dunnington showed his familiar old (but fast!) form to take second place, and Pete Hubbard was third. Visiting ace Len Pratt ended up in fourth place.

Bill Fastiggi and crew of Chris Morgan and Dave Young represented the fleet and district at the Junior North Americans in Buffalo, and ended up a creditable tenth place. Not bad for a district with no formal junior competition! Hopefully, Bill will get another shot at the title next year, and he may not have to twist his father's arm quite so hard.

Series B in late July and August was characterized by variable participation and smaller fleets. When the dust settled, Bill Dunnington emerged as winner, just ahead of Don Brush (who only sailed in half the races). Dave Little edged out a much-improved new Lightning sailor, Todd Cox, for third.

Don Brush sailed well at the North Americans, ending up thirteenth in the championship flight. Pete Hubbard also represented the fleet handsomely, with a fifth place finish in the Presidents Cup. Congratulations to both skippers for dedicated excellence at the national level.

The Chiott Regatta on Labor Day weekend marks the end of formal fleet racing at Malletts Bay. To no one's surprise, Don Brush won the Chiott Cup for the third time in the past four years. Dave Little was second in an extremely flukey light air series. Dick Fastiggi capped off one of his most successful seasons with a third place finish.

Final fleet standings for the summer showed none other than Vern Emerson in first place. *Peppermint Patty* and her experienced crew of Vern, wife Barbara, and Ken Wolvington have now won the season championship Bob Sidle Trophy for the tenth time in the past twelve years. Second place went to the Fastiggi family team of Dick, wife Pat, and son Bill. Janice Lange, our retiring fleet captain, was awarded the Emerson Trophy for outstanding contribution to the Lightning fleet.

Our small fleet has been very active and successful this season. Both the boats of our fleet started the season in Italy. This took place at Numana at the European Championship. Success was not as expected, although conditions were like those in Oulu with the exception of the temperature. Rio-Rita II started excellently being second after three races, but lost her chances at a good final position because of protests. Markku Paloma this time was better than Lasse Hammar and their final positions were 15th and 16th. From Italy Lasse Hammar travelled to Switzerland to the World Championship. Markku Paloma had difficulties in getting a crew and he could not take part in the World Championship. The weather and wind conditions at Lake Thun were too difficult for Lasse Hammar (and other Finnish skippers) and his final position was not very good – 44th. Nevertheless we received much experience in those races. The most important race in Finland – the Finnish championship – was held on Lake Hoytiainen at the beginning of August. Both the boats of our fleet took part in it. Lasse Hammar was third losing by only one point to the winner. Markku Paloma with his *Kikka II* was seventh. Finally, it was quite a good season for our fleet.

In last year's report I put the question "is the Greifensee Lightning fleet in a position to survive? Is the Lightning an attractive boat at all for the Lake Greifensee?" With great optimism I answered this question positively due to the fact that the production of the new Lightning of Siegfried Meier was taken up. Furthermore, the Lightning was an ideal boat for families and also for the sailing sport.

My optimism was confirmed and rewarded by the increase in the number of boats from 17 to 22 and it is with some pride that we note that our fleet can book one of the best ratio of increase. As five new Lightnings in one year are of some rarity value we should like to come back to the reasons for this development. One of the main reasons is the fact that the Lightning of Siegfried Meier meets with much approval. The second and also very important reason is the fact that these new boats were sold with a discount of SFr. 750. – due to the World Championship in Spiez. 3 of the 5 new Lightnings were bought by former owners of wooden Lightnings, 2 by owners which for the first time made acquaintance with our boat. Although the beginning is said to be difficult, matters went easier as soon as Hermann Himmel's decision for a new boat was known.

With respect to your question about the activities in our fleet I have to point out again that most members of our fleet are family men enjoying their boats mostly for sailing tours. Nevertheless they like it to participate in regattas of our class. Accordingly the district regatta of October 1-2 organized by the sailing club Fallanden was the great event of the season with 21 boats at the start. At this occasion the fleet championship was carried out. The ranking; 1. ZH 13091 - Fritschi/Schurch/Schurch; 2. ZH 13090 - Fruh/Fruh/Gwerder; 3. ZH 5664 - Jager/Grein/Ellenberger; 4. ZH 7802 - Dohrn/Dohrn/Dohrn; 5. ZH 13086 - Giesch/Harry/Harry; 6. ZH 7590 - Gmur/Goren/Gmur; 7. ZH 7591 - Albin/Albin/Straubhaar.

A fact worthy of note is the very good contact with the fleet Lake Zurich, 219, and especially the excellent contact with the management of the district. Without the active assistance of Mr. H. K. Rahn, Commodore, and the secretary, Miss E. Hess, our fleet could hardly have been reactivated and for this help I would like to thank again.

The 1977 sailing season in Kemi began with a training session in sailing and navigation theory. Many of the Lightning sailors from northern Finland gathered together in our home town to learn new sailing skills.

In April it was time for the local boat exhibition; our Lightning Fleet presented for the public a Lightning, named *Wilma* which had just gotten a new captain, Martti Rasanen. When the ice melted in the Gulf of Bothnia we at last had the possibility of the first regatta this year.

The 5th and 6th of June turned out to be this exciting happening. Two quite new boats, *Mister X* (Jouko Lehtinen) and *Pohjan Akka* (Aulis Naykki) battled for the first position. Other Lightnings, *Turso* (Veikko Vuori) and *Veera* (Kari Jestila) sailed also and made the competition very tough. The winner was *Mister X* in pretty cool weather.

Three Lightnings from our fleet traveled to the Arctic Circle to participate in the Arctic Yacht Race. Sailing in the mid-summer night's sun in the middle of the wilderness was a great experience.

July 9th and 10th was our own Kemi Regatta. Unfortunately, we didn't have our good old competitors from the neighboring town of Oulu; they had traveled to Central Europe for European and World Championships. So, in our regatta *Mister X* won, *Pohjan Akka* was second. *Wilma*, *Turso*, *Viri II*, *Veera* and *Irene II* (Juhani Hedberg) also participated.

Our fleet sent three boats to Hoytiainen for the Finnish Championship. Among 35 Lightnings our fleet took places: 9, 10 and 23rd. Again in the same order; *Mister X*, *Pohjan Akka* and *Wilma*. Besides regattas our fleet participated in some traditional long distance sailings.

The representative of our fleet, Heikki Ulen, was in the European Championship Race as a crewmember on Lightning *Kikka II* from Oulu. Kemi Lightning Fleet now has 27 seasons behind us. We are looking forward very hopefully to new Lightnings every season and junior sailors' increasing interest, in dinghies and especially Lightnings for the future.

With only three boats there wasn't much sport in fleet Lightning races this season, especially with Ernie Sommitz's *Blue Devil* so overweight from extra screws in the planking. However, Ernie and family did enjoy their day sailing while Van Poortvliet and Cas Zielinski enjoyed running away from the field in the Club sailboat races.

As usual, the highlight of the season was the Dunkirk Lightning Regatta the weekend after Labor Day. For the third consecutive year opening day races were cancelled due to heavy weather and seas. However, sailing conditions on the second day (Sunday) were good and all 28 entries were at the starting line at 9:30 am for the revised two-race series. Larry MacDonald of the Royal Hamilton Y.C. won both races. In second place overall was Matt Bryant, Jr., of the Buffalo Canoe Club. Next came two veterans, Cal Schmiede of the Niagara Sailing Club and Stu Anderson of B.C.C. Young Mark Grinder of the Silver Lake Y.C. was fifth. The host, Dunkirk Yacht Club, was very pleased with the large number of fleets represented in the regatta and is looking forward to even greater participation in 1978.

13056	Squeeze Me	Bill McShane
.....	.....	Doc Walbert

Do the names Hopkins, Mast, McShane, and Ganley mean anything to Fleet 314 Lightning sailors? Well, between the four of them, they pretty well cleaned up the competition both here and "abroad."

Aside from the "Big Four," there isn't much of a story to tell about racing on the Sassafas last summer, as you will see: The Early Series went to Al Mast, with Tom Hopkins second, and Bill Winter sneaking in third, in spite of his handicap. (It should be noted that Bill McShane

was absent from most of the races.) The Walbert and Buss Neff Cups were taken by Jim Ganley and Tom Hopkins respectively, and the Summer Bay Race went to late-starter McShane, with Tom Hopkins second, and Bob Horne (who?) third.

The Late Series went pretty much the same way, only with the names appearing in different order: Jim Ganley first, Tom Hopkins second (again), and Bill McShane third. Al Mast and Jim Ganley captured the Skipper's and Commodore's Cups, and the Fall Bay Race went to Tom Hopkins, with Ganley and Mast finishing close behind.

The annual Regatta races in August brought victories to Bill Winter and Sally Edson in the Matlack Trophy races, and to John Farquhar and Arlene Meyer in the Taylor Cup races.

Young Kirk Williams was the undisputed Champion of the Open L-fleet, with a very impressive string of solid firsts. Howard Edson and Arlene Meyer each dominated both halves of the season-long Junior L-fleet and Junior B-fleet competition.

The Stardust Trophy was won by Scott Ingram, who finished quite consistently in the (high) middle of the fleet. One of the highlights of the summer was the June wedding of Scott's twin Brandy and "hometown girl" Debbi, who then crewed for Scott.

Not to be outdone, and in order to keep the action in the family, Grace (Ingram) Hopkins won the Butt Trophy. This resulted from Skipper Tom's trying to cop a race by lightening ship.

Our peripatetic corinthians continued to improve their performance at "outside" regattas, beginning with Al Mast's 2nd at the Susquehanna Yacht Club Memorial Day Regatta, and Tom Hopkins' 3rd at the No-Gas Regatta at Annapolis. Mast followed with a 2nd at an Upper Chesapeake Bay YC Regatta, and Mast, McShane, and Hopkins did well at the Delaware Governors' Cup at Rehoboth, where they were pleased to find the Governor, Pete DuPont, a fellow competitor.

While Papa Tom Hopkins was finishing 12th at the Dixie Districts to Mast and McShane's 4th and 5th son Leigh was in Switzerland helping Don Delorme sail to a 5th in the Worlds. Don, Wanda, and Leigh then zipped out to the North Americans, where they finished 9th, while Mast finished 9th in the Presidents' Cup fleet, and McShane placed 12th in the Governors' Cup fleet.

Next came the Maryland Governors' (Acting? Lieutenant?) Cup Regatta at Annapolis, where Mast finished 3rd and Hopkins tied for 5th. McShane jumped down to the Rehoboth Beach Fall Regatta, where he copped a 2nd. All three then journeyed north of the Mason-Dixon Line, where they placed as follows in the Pennsylvania Governors' Cup: McShane - 3rd; Mast - 4th; and Hopkins - 6th.

Bill McShane "finished up" the season by attending the Frigid Digit at Annapolis, with every intention of cleaning up the local competition. Unfortunately, the regatta more closely resembled a fall version of the NA's, and Bill and crew felt fortunate to finish in the top half!

By way of a challenge, how many other fleets around the country, composed of non-"professional," weekend sailors, can boast of a group who can compete on the scale of these guys?

12050	.....	Jacob & Tom Zimmerman
12850	Don't Look Back	Fred Mertes

The 1977 season at Rehoboth Bay Sailing Association was very successful. Our Spring Series began May 8 with two races each Sunday afternoon until May 29. The overall finishes came out with Fred Mertes on top, Tom Zimmerman in second, and Dave Hastings third. Spring gives us the opportunity to have the Bay to ourselves and usually gives us good steady breezes.

The Early Summer Series encompassed 10 races during the period from June 5 to July 10. Again, the elusive Fred Mertes took the top spot, followed by Dave Racine in second, and Dave Hastings third.

In our Late Summer Series, the finishes were scrambled up quite a bit. Bob Currie, skipping his previously winless *Chingadings*, finally got it all together to take top honors. Bill Buckley, R.B.S.A. Commodore, put in some time to take second with Fred Mertes finishing a strong third.

In addition to our fleet races (28 in all), R.B.S.A. was host to three regattas this year: the Delaware Governors' Cup, the Fall Regatta, and a new addition the R.B.S.A. Multi-Class Invitational. The 11th Annual Delaware Governors' Cup was a great success with our own Fred Mertes bringing the Cup home for the first time in eight years. Mertes was followed closely by Dr. Don Delorme in second with John Richardson, Sr. taking third.

The R.B.S.A. Multi-Class Invitational was held August 13-14. This was the first regatta of this type R.B.S.A. has sponsored and it was very worthwhile with Lightnings, Fireballs, Hobie-16's, and Sunfish. In Lightnings, Doc Delorme turned things around to grab 1st place, followed by Fred Mertes in second with John Richardson, Sr. taking third. Sound familiar?

Our Fall Regatta, held September 24-25, seemed to please everyone with good winds, warm weather, and the bay practically to ourselves. The winner? Who else, but Fred Mertes who polished off a fantastic season at home. Finishing behind Fred were Bill McShane in second with Doc Delorme pulling out a third.

In conclusion, I would like to take this opportunity to thank those who served as Race Committee Chairmen in the various regattas: Jake Zimmerman for the Governors' Cup, Dan Layton for the Multi-Class, and Co-Chairmen Sarah Hastings and Jake Zimmerman for the Fall Regatta. Also, many thanks to our chief score-person Kitty Racine, and to our Fleet Secretary and odds-n-ends coordinator, Carol Mertes.

Finally, I would like to invite everyone to join in the fun at R.B.S.A. in 1978 and experience the best sailing on the East Coast.

1977 Fleet 326 Champ Sandy Blumenfeld and crew perform a heavy weather jibe. A great year for Sandy and his 24 different crew members. Good Luck in '78.

Fleet 326 asks 10 questions:

1. The conditions on Grand Traverse Bay this year were — a) cloudy, b) foggy, c) windy, d) calm, e) shifty, f) all of the above, g) none of the above, h) b and d only.
2. The preseason favorite(s) was — a) Babel, b) Lindsay, c) P. Tobin, d) Herman Munster, e) all of the above, f) none of the above, g) a, b, & c only.
3. The winner of our great 1977 Invitational Regatta was — a) Hank Hodgson, b) R. G. Demarest III, c) Hank Cawthra, d) Herman Munster
4. The 1977 Fleet 326 Champ is — a) B. Babel, b) K. Lindsay c) S. Blumenfeld, d) R-2, D-Z, e) None of the above, f) Tie between a & d.
5. The boat most likely to sail off the edge of the earth is — a) Marikate, b) Pig Meat Pie, c) Blind Faith, d) Bitchene, e) Mariwer, f) all of the above.
6. Who dumped the most in the 1977 season — a) Jim McGlothlin, b) Kew May, c) Jeff Jones, d) Sandy Blumenfeld, e) Pat Tobin, f) c & e only.
7. Most likely to ignore the rules was — a) Pat Tobin, b) Don Mitchell, c) H. R. Haldeman, d) Richard Nixon, e) Herman Munster, f) c & d

8. The second place finisher for 1977 season was — a) George Brown, b) Bill Howard, c) Ken Lindsay, d) Pat Tobin, e) none of the above.
9. The people that did a great job as race committee were — a) Ken Lindsay, b) Alice Lindsay, c) Dick Babel, d) John McGuffin, e) Jeb Jones, f) Herman Munster, g) All of the above except f.
10. Who tells some really great jokes — a) Don Mitchell, b) Don Melvoin, c) Jim Babel, d) Sandy Blumenfeld, e) George Brown, f) Herman Munster
11. True or false?

All in all we had a great year with some new faces appearing in the top of our final fleet standings. Sandy B. sailed well all year to take an overall first. Steady Pat Tobin was second, followed by George Brown, Don Mitchell, and "The Babel Boat" rounding out the top five places.

Don Mitchell was elected our Fleet Captain for 1978 and says we are going to have some great sailing in "78". We hope Don is correct, but how can he be wrong, because we always have great sailing on our beautiful Grand Traverse Bay.

Thanksgiving Day in Dallas, Texas finds me with a few minutes to reconstruct the sailing season, and ponder why I'm getting ready for another regatta tomorrow. When I hung up my topsiders at Quantico I was ganged up on by the I.L.C.A. President and Secretary — who lie about little things like the distance between Annapolis and Texas.

Fleet 329 welcomes Mike Gillner, Robert Pratt, and Jim Lippincott to its ranks, while losing Steve Harper to Salt Lake City.

Charles White, our newly elected Fleet Captain, captured our Most Improved Skipper's Award, while Don Delorme distinguished himself with the Swimmer of the Year, for most times capsized. Jim Lippincott started off the year at the Southern Circuit with a second overall. Some other S.S.A. skippers were there — somewhere!

Joe Friebele, in a field of heavies was third at the Long John in Red Bank, N.J. S.S.A.s Men's Champion is again Don Delorme and Jim Gilbert had a great comeback to win our No Gas Regatta. Jim Crane and Don Delorme sailed at the World Championships in Switzerland and came in third and fifth respectively.

The Dixie Districts were held at Severn this year, and Fleet 329 took the top honors with Robert Pratt the Champion.

Joe Friebele and Bill Buckley were the runners-up.

Six boats of the seven district qualifiers to the North Americans were from Severn. Jim Crane was fourth and Don Delorme ninth in the blue fleet. Bill Buckley and Joe Friebele qualified for the Presidents' Cup and Jim Gilbert and Charles White, the Governors' Cup.

Bill Buckley won our Maryland Governors' Cup and Robert Pratt, our Fall Series.

Could Roberta's weaving hobby have anything to do with Bob's boat name — *Super Shuttle*?

Our 1977 season was dominated by two new boats to the fleet who led us most of the season seldom allowing the rest of the fleet to occupy the first two slots. Bob Ayotte and Allan Whatley both sailed their new acquisitions exceedingly well to finish the season one-two. The rest of us had an exciting season with much shuffling of positions among ourselves. Next year we will improve our speed.

This year was notable for its gentle breezes as compared to 1976; in fact one race had to be called for lack of wind. It was a relief to be relatively free of broken masts, capsized boats, and blown out sails.

The final fleet standings were so close between Bob Ayotte and Allan Whatley that they were finally calculated less than an hour before the awards were made. While Bob was acclaimed Champion, Allan won the Clusson Cup.

Despite weddings, concerts, several drifters, and sundry things, the Galway Lightning Fleet completed another successful season. Jim Dickson started the summer by edging out Ken Buhrmaster for the opening day trophy, however Ken inched past Dale Brown and Jim for the season championship.

Since our fleet is nearly half and half, fibre glass and wood, we have instituted a "Vintage Trophy" to enhance competition among the latter. Fred Lyngard walked away with the first annual award, and was promptly voted Fleet Captain for 1977-78.

Another new wrinkle saw the fleet sponsor a Lightning race week held each weekday evening during the last week of July. These races featured all manner of crew and skipper combinations, and were swept by one of our guests from neighboring Sacandaga Lake, Rob Klug.

The competition is better than ever, more of our sailors are going to regattas off the lake, and more are considering newer boats or tinkering with the old ones. We are all looking forward to next year.

Although many of this year's Pentwater Lightning races were characterized by a noticeable lack of wind, the fleet nevertheless had its usual unusual season. At least one positive result came out of this tame weather — none of the races had to be rescheduled or postponed.

The Club continued with last year's scheduling practice of holding two Sunday-only, back-to-back races and was thereby able to comfortably accommodate both its Lightning and Sunfish fleets. In addition, more diversity in courses to be sailed was accomplished through the setting of a new mark.

Joining in the races as "regulars" this year were Doug Basler and Jim March, as well as many of those from previous years, but Basler definitely emerged at season's end the star, in spite of the stiff competition.

Basler, with his crew of Debbie Roth and George Graettinger, took top honors in the July, August and Club Championship series. Close on their rudder in the July series (for the Herbert Behr Trophy) was the Lambrix boat, crewed by Don, Jeff and Tom Lambrix. Alan Graettinger, Arnie Samuel and Laura Fawkes followed in third place in *Frantic*, last year's championship boat.

Second place honors in the August series (for the Commodore's Trophy) went to the Graettinger-Samuel-Fawkes crew, with owner Tim Miller adding his energies to the total effort. Third place went to the Lambrix family.

In the Championship series, *Frantic* took second place; Lambrix's, third; Chris Cowles and crew, fourth and newcomer Jim March and crew, fifth. Other boats that sailed occasionally, adding to the competition, were sailed by the Northrup's and Ramey Galt.

An enjoyable addition to the races themselves has been, for the past several years, the pot-luck luncheons and the end-of-season Sailors' Dinner. These events, sponsored by the sailors, have become Yacht Club traditions to which all look forward year after year. Next year will be no exception.

It was another battle of the heavyweights this year on Lake Geneva. Bob Novak finally got his new boat cranked up, edging traditional rival and defending Fleet Champ Gene Matthews in a 956-955 series squeaker. The two have been passing the top trophy back and forth for several years.

Gene is blessed with an almost unheard of abundance of good crews...sons Matt and Ken, a very competent daughter, Vicki; and now a daughter-in-law, Matt's new wife, Chris. Obviously, this leaves a Matthews or two left over to crew for the opposition! Gene has a new boat on the way, and there should be another battle next year.

Results of the special races bore a certain sameness. The Memorial Day classic went to Matthews, with Novak second and Steve Novy third. The Gage Marine event had the same three in the same order. On Labor Day it was again Matthews and Novak. This time Jim Haughey was third. Likewise, the Chase Hess Cup race! On July 4th, for the "Illinois" trophy, it was (yawn) Matthews and Novak, but Buck Boyington took third.

Fleet Champ Bob Novak, bearing last year's number 10222, in action at the Oxie.

The fleet is hoping that charter member Boyington has not sung his swan song. Late in the season he turned over racing chores to crewman Russ True. It's good to see another young skipper on the course, but the Club can ill afford to lose a competitor of Buck's stature.

Year's highlight was another successful running of the annual Oxie Memorial Regatta. As previously noted in FLASHES, the five race series was won by Chicago Corinthian's new threat, Gordon Ettie, who bested clubmate Bruce Goldsmith. Milwaukee's John Esser was third; Dick Hinze, also of C.C., fourth; and Bob Novak rounded out the top five finishers. Bob also won the trophy for the best local showing in the regatta.

Overall, it was a rather quiet, perhaps sobering season. In addition to Boyington, the fleet was short two other long time skippers. Hank Kelley and Jim Truelsen, although still active Club members, they were not on the starting line.

Luckily, Jim and Barb Haughey are helping make up the loss, and they were fitting recipients of Lake Geneva's sportsmanship award.

The year ended on a bright note with the return of former Lightning sailors Judy and Don Akerley with their "big boat" entry, and with the comeback of honorary life-member Sophia (Mrs. Chase) Hess, who was taken seriously ill just a year ago. It was great to see Soph and Chase looking happy and well at the awards dinner!

Start of the third race of the famous "Atlanta Cup"

Photo Credit: Lucia Pulgram - Atlanta

Lightning activity at the Lake Lanier Sailing Club is improving every year. Membership is on the upswing and enthusiasm is at its best as Fleet 348 prepares for the 40-year anniversary of the Lightning Class. Since the latter part of 1976 our Fleet has lost five active fleet members due to job transfers and three fleet members for other reasons; but even with this reduction, enthusiasm is solid and growing within our ranks. There are fewer boats on the starting line than before, but competition is extremely intense and by an influx of new ideas and by experimenting with new concepts we can feel the pendulum swing the other way.

Our biggest success this year has been the "First-Time-In-First-Place" trophy which is awarded to all those participants who placed first at least once during the year. It gives people like me (who competes for next-to-last weekly) a shot at some silver.

Next year we are planning to experiment with a "crew pool" arrangement whereby each week each of the skippers will draw from a hat the name of one or both of his crew (whichever is needed). The participants in the crew pool, known as floaters, will receive trophies at the end of the year for 1st, 2nd, 3rd place floater. These floaters will qualify along the same method currently used by the skippers. The skippers get the advantage of a seasoned crew, share the disadvantages of drawing a greenhorn and will receive new ideas from the floaters as the season progresses. Most promising of all, we will build a seasoned crew pool who will hopefully continue as Lightning skippers in years to come.

This year, we have a new Fleet Champion, "Kinetic" Ken Wallace, who has done a terrific job as Fleet Captain and has been selected to be the 1978 Southeast District Commodore. Ken finished 2nd in the Spring Series behind Sputter Howard, but came back in the Fall with a commanding 1st to emerge victorious by a very narrow margin. The Howard Racing Team, which participated in all but a few of the S.E. District regattas as well as the North Americans, has vowed that their boat, *Long Gone*, shall return!! Great Fun & Excitement! We can't wait!

This year Fleet 348 proudly announces the following new additions to our ranks: Marshall Sansbury from Columbia, S.C., Julian Shaw from Atlanta, Ga., and Paul Prichard from Glen Cove, N.Y.

Next year we are shooting for a realistic 50% increase in our fleet membership. If you know of anyone moving to Atlanta interested in Lightning racing, send his name and address to Tom Barnett (Fleet Lt.), 2922 Parkridge Dr., N.E. Atlanta, GA 30319.

Buck Harris remains in office for 1978 as Fleet Treasurer, Tom remains as Fleet Correspondent. Our thanks to outgoing officers Captain Ken Wallace, Secretary Foye Wallace and Lieutenant Marshall Sansbury.

## HARVEYS LAKE LIGHTNING FLEET (350)

### Metropolitan District Sailing on Harveys Lake at Harveys Lake, Pennsylvania

Fleet Captain ..... Fred Becker, III  
Fleet Secretary ..... Bob Casselberry  
Fleet Champion ..... Bill Craig  
Runner-Up ..... Fred Becker

Boat No.	Boat Name	Skipper

12363	Red Baron	Paul Priebe
12779	Eastwind	Bill & Bill Craig, Jr.

Fleet 350 sails from the Harvey's Lake Yacht Club. Races to determine the Fleet Championship were scheduled for every Sunday at 1 p.m. from Memorial Day to Labor Day. Since this is a small fleet, the skippers voted to use the high point scoring system in order to get the maximum recognition for the number of boats beaten in each race.

This season Paul Priebe, Jr. skippered *Red Baron*, and on occasion Bill Craig, Jr. and Bob Casselberry, Jr. skippered *East Wind* and *Sly Vixen* when their fathers were out of town or unable to sail. Fred Becker sailing in 11171 with his wife Elaine and son Rick as crew took the honors for the most improved performance throughout the year. By the end of the season he was hard to beat in any variety of wind conditions.

The most exciting race of the season was sailed in extremely strong and gusty winds. A powerful gust caught Bill Craig with spinnaker on a beam reach. He capsized, turned turtle, and bent his centerboard trying to right his boat. This was Bill's first capsize. Even though Fred Becker had the lightest crew, he won the race.

This season the Lightning Fleet won two of the three handicap races held at the Yacht Club with Bill Craig beating all the Mobjack and Comet skippers on the 4th of July and Becker, Craig, and Casselberry taking first, second, and fourth places in the Labor Day Weekend Regatta with the Mobjack Fleet.

The overall standings at the end of the season were: First, Bill Craig, in 12779; Second, Fred Becker, in 11171; Third, Bob Casselberry, in 5920; Fourth, Paul Priebe, Jr., in 12363.

It was Tom Varley again this year (in a new boat) as Fleet Champion. There are, however, several sailors, Andrews, Rogers & Schwartz, who are getting close enough to read the name on *Sunrise II*'s stern. We're proud to have Jim Dressel as a new member of our Fleet and if he ever gets off the regatta circuit we will have some real competition.

The social events this season were super— including: a memorable Memorial Day picnic, a fun moonlight sail with the Interlake Fleet that

included competition in locating and bringing on board the most ping pong balls, that had been scattered over the Reservoir, also a great September cookout at the Varley's complete with Jim Dressel giving us pointers on tuning and racing to win. The Varley's conveniently had there boat in the back yard.

Tom Varley kept the Mayor's Trophy at Hoover by winning the Annual Hoover Leatherlips Yacht Club Regatta. Ron Schulster of Leatherlips was second place winner. Following the Regatta, Phil and Marilee Kimball engineered a delightful awards banquet.

Members of the Lightning Fleet were very active in the promotion of a most successful Junior Sailing Program at Hoover this year.

It was another wonderful sailing year, one that made the time between Docks-in-day and docks-out-day very short.

10979	Morningstar	John Morgenstern

Fleet Champion John Morgenstern and crew Harold Manger and Dick Crowe.

Fleet 354 started the season with three boats traveling to Norfolk, Va. for the Azalea Regatta. All boats showed good speed and Morgenstern captured 2nd place silver.

Throughout the season Mike Fallon was the most active participant at out of town regattas, improving the standings with the *Leatherneck Too* and his fine, devoted crew.

Morgenstern captured 2nd place in the Collier Regatta and 3rd place in the Presidents Cup regatta, both sailed in Washington, DC during September.

Our fleet members were busy this season as we conducted sailing classes twice each week in the TEN (10) Marine Corps owned Lightnings. A total of 120 new Lightning sailors received their sailing permits and we hope, in this way, to add to the numbers of the Lightning Class as a whole. We continually hope to interest people in the fine sport of sailing and stress the beauty of the Lightning as a good

one design boat for the family or racing sailor.

One new member joined our fleet this year and we hope to have more in 1978.

The Quantico Frostbite Regatta was sponsored by the Marine Corps Base and hosted by the Quantico Yacht Club. This ambitious undertaking received much help from yacht club members, not part of the Lightning fleet, who helped make this event a very fine one this year.

In absolutely beautiful northerly winds of 10 to 15 Knots, 42 boats competed for the first 5 places of silver. Following the 3 races the final winner was Jim Carson. In 2nd place Kirt Reynolds, 3rd Dick Hallagan, 4th Bob Hutchinson and 5th Tom Allen.

Fred Slovak was happy when he, finally, after 7 years, was able to present the "Marie Slovak Memorial Trophy" for the middle of the fleet sailor to: John Morgenstern of the Quantico Yacht Club.

The Race Committee headed by "Woody" Woodbury of Virginia Beach and ably assisted by "Kitty" Racine of Rehoboth, "Rusty" Arcuni of Triangle Virginia and Fred Slovak, did an absolutely SUPER JOB. A super race course, excellent starting line and "perfect" weather legs for all three races was certainly enjoyed by all sailors.

With 5 boats in our fleet now, we hope to have a good Spring series in 1978 and host a few invitationals for neighboring fleets.

Fleet 357 sailed on the Delaware in increasing numbers in 1977, totaling 28 by year end. One of our men members, Gregg Funari, assisted by brothers Gary and Joek, tuned up *Stinger* and walked away with Fleet Championship honors. Bucky Kloss took second place with Dan Walsh and daughter Kris crewing. Bucky also represented Fleet 357 at the North Americans in Buffalo.

The sailing season included a Spring, Summer and Fall Series on Sunday afternoons. Fleet Championship races were followed by cocktails and a cookout on the lawn overlooking the Delaware. Delightful!

Regattas were held on all major holidays. Shifting winds and changing currents challenged all comers. Lightning fleet winners were: Memorial Day Regatta, Franz Schnieder, Independence Day Regatta, Franz Schnieder, Labor Day Regatta, Djoerd Hoekstra.

The RDCC Lightning Regatta in September found stiff breezes in the early races. A few DNF's, and these winners: 1st place, Djoerd Hoekstra, 2nd place, Gregg Funari, 3rd place, Franz Schnieder, 4th place, John Fenlin, 5th place, Gary Swangler.

John Fenlin won the annual Boyer Cup in late June, and Franz Schnieder took the Governors' Cup at Riverton Y.C.

Bill Bliss beset by good luck and uniquely qualified crews, won the Novice Regatta in July and the infamous Burlington Island Race in October.

It was another fine year for Lightning sailors at the Red Dragon. Rumor has it that Fleet 357 skippers have heavy schedules for Winter Go-Fast modifications and repairs.

See you in April!

A long and beautiful sailing year is now ended. A year in which the wind hardly ever let us down. We actually were able to sail several fantastic races in which strong winds contributed greatly to the experience.

Some of our crews sailed in all the races on the Lake Of Murten and competed also in all district races and the Swiss, European and World Championships.

Although we were again this year unable to realize the big cup we were compensated to a great extent through the binding team spirit within the fleet and in our district.

This year brought our members a great amount of work due to organizational functions within the Sailing Club of Murten and also for the fleet and within the district.

The World Championships meant an additional organizational engagement for several of the members of our fleet.

I would like to take this opportunity to thank all of you for this fantastic contribution.

*Angermeier, "Where is everybody?"*

1977 started off a good year for Fleet 365 with the addition of Neal Broome and Bill Campbell, Jr. The Spring Series saw an excellent turnout with seven boats racing regularly. The Series wound up on the Fourth of July with Ric Newton taking a narrow victory over Geary Angermeier and George McQuilkin. The Spring Invitational, held the last weekend in April provided a good turnout and was won by Ric Newton. The Fourth of July Regatta was raced in good wind conditions and along with the racing the annual party proved to be fun for all. The Regatta was won by George McQuilkin. The usual inland lake doldrums failed to materialize and the summer racing was good. For the first time in many years all races were held with no cancellations due to lack of wind. During the summer Neal Broome spent many afternoons practicing which showed its value as he moved up in the fleet standings. Using the Cruiser Class fleet as a yardstick the Lightning Fleet is definitely improving. Labor Day festivities provided the setting for the last big get together for the year. The Series was won by some excellent sailing by George McQuilkin with Bill Campbell and wife Muffin in second. We look forward to Bill getting into his own Lightning next year. The fall provided some excellent sailing weather through November with many days of 15+ winds. As the Fall Series ended George McQuilkin pulled out a narrow victory with Ric Newton in second. The fall sailing ended on an excellent note with the addition to our fleet of Russ Fleming and his 12520. Fleet 365 looks forward to next year with promise of more and more activity and participation.

*Fleet Champion Robert Bazett, is closely followed by Alt Puder at the leeward mark during the Fleet Championship.*

The 1977 sailing season seems to have been a turning point for Fleet 368. In our local racing action five or six Lightnings consistently made the starting line which is the best showing in many years. There was even enough interest to enable a Fleet Championship to be held. Our Fleet Captain, Robert Bazett, sailed to three first place finishes in the light air to capture the title while Jim MacDonnell picked up second place.

Robert Bazett and Neil MacGibbon actively participated in the Pacific North-west Lightning circuit this year attending seven of the ten Regattas. Although our Fleet did not bring home any silver from the out of town Regattas, some very respectable finishes were recorded. The first Regatta of the year was our own Blossom Time, in which Neil MacGibbon captured third out of the nine boats competing. Following this initial success our Fleet had to wait over one month for the Kitsilano Regatta before our next respectable showing. Robert Bazett and Neil MacGibbon attended this event and placed sixth and seventh respectively in the 23 boat fleet. The last Regatta of the year was on Lake Chelan which produced a fourth place finish for Bill Ehmann, a newcomer to the racing scene, and a sixth place for Robert Bazett out of the 19 boat field.

Between hopping around to the Pacific North-west Regattas Neil MacGibbon and Robert Bazett found time to attend the Canadian National Lightning Championships in Thunder Bay, Ontario. Although neither boat managed to finish in the top half of the fleet they were treated to some great hospitality and experienced some sailing which would never be encountered on Okanagan Lake (now they know why it is called Thunder Bay).

Over this past year there has been a lot of progress made in an effort to acquire suitable land for a dry land moorage facility and it is hoped that by next year we will have such a facility. This, coupled with the interest shown by several people in acquiring a Lightning makes next year seem even brighter for Fleet 368.

Fleet 372 may be small (like the years before) but we're dedicated. This year we trailed our boats to regattas from Oregon to the Mexican border, running up over 3000 miles in the process. We plan to do just as much and more with our new fleet members, Bruce Hanover and his family, Ants Uiga and Sam Anderson. We also have Mark Patty who returned from Los Angeles with his wife Ann. We now have nine active racing boats.

Our Fleet now sails all year round. We sail during the summer season with the Small Boat Racing Association from the San Francisco Bay to the Pacific Ocean, to the shifts of our inland lakes. We have started a winter season sailing out of Richmond Yacht Club on the San Francisco Bay.

We hosted the Pacific Coast Championship this year at Richmond Yacht Club and had a great turn out from our northern and southern friends. Unfortunately they took all the glory this time around. We will do better next year when we go to Klamath Falls, Oregon for the next Pacific Coast Championships.

Fleet Champion this year was Bruce Arnold and his all family crew: Sue his wife and Randy his son. We all knew he couldn't have done it without his fantastic crew. Congratulations to them from the Fleet. Second was Jack McCarthy who took a step down from his last years title. Third was a first season skipper, Timothy Barnes sailing Bill Holes *Genie II*. Bill had a back and neck operation and let his crew, Tim, Mike and Michele sail the season for him. We are welcoming Bill back next year. He is one of our tough skippers. We will continue to look for additional active boats and look forward to a season of good sailing and good times in 1978.

The group of sailboats seen on Douglas Lake on most summer weekends are skippered and crewed by those who race as Lightning Fleet 374.

The Fleet involves families in its weekend races and while cottages are considered for R & R (rest & relaxation), the competitive spirit of sailing these Lightning class sailboats brings the families out into the fun area.

There is a very competitive spirit and a beach party (attitude adjustment hour) after each race day boosts interest and slows the adrenaline so that husbands, — and wives who have crewed, are able to return to their cottages and enjoy a more peaceful dinner hour.

Howard Eddy with sons Ray and David as crew have again taken the Fleet Championship with Bud Osgood and wife Jean as runner up.

Gary Demarest, Gary Cameron, Dave Peters and Bill Crowe grouped together and won the tenth Annual Lake Fenton team races for Douglas Lake and Fleet 374 is proud to exhibit the fine trophy.

The Annual Labor Day event was won by Dave Peters with Maury Olsaver second. Rene Hall was awarded the "most improved" trophy while no one would claim the "get the lead out" trophy although the officers felt they could use it due to their record for the season.

As there were no takers for the "bottoms up" trophy, it was kept by Jack Young.

Blending the adventure of racing with the pleasure and relaxation of sailing should offer continued enjoyment.

In February the boat *Cartola* with Ralph V. Rosa as skipper participated at the Brazilian Championship and obtained 11th out of 18 boats.

Many races have been sailed at Brasilia Lake, some of the most important being the "Clube Naval de Brasilia's Birthday" sailed in March, the "Brasilia's Birthday" in April, "Day of Communications" in May, and the "General Mallet - Artillery Patron" and the "Alte Barroso", the Admiral winner at naval battle - June 11, 1865, both sailed in June.

The standings are as follows: 1st - Ralph, Okamoto, Areas and Ralphinho with *Cartola*; 2nd - Joao Fatima, Mario and Lauro with *Sunday*; 3rd - Kehl, Heide and Ricardo with *Blitz*; 4th - Padilha, Fernandes and Marcio with *Fafa*; 5th - Walter with *Dordao*.

The "Army Race" took place in August with 1st place going to Ralph Rosa, Okamoto and Areas in *Cartola*; 2nd - Paulo Padilha, Marcio and Fernandes in *Fafa*; 3rd - Mario Cavalcanti, Paulo and Manzanza in *Blikzen*.

In October we had the "Air Force Race" with 1st place Baramba, Marcio and Fernandes in *Fafa*; 2nd - Ralph, Okamoto and Areas in *Cartola*; 3rd - Joao, Fatima and Arnaldo in *Sunday*; 4th - Walcles,

Walter and Cristina in *Dordao*; and 5th - Oto, Mario and Paulo in *Blikzen*.

Next came the "Brasilia Race" with 1st - Baramba, Marcio and Fernandes in *Fafa*; 2nd - Ralph, Okamoto and Areas in *Cartola*; 3rd - Joao, Fatima and Arnaldo in *Sunday*; 4th - Walcles, Walter and Cristina in *Dordao*; 5th - Romel, Torben and Guilherme in *Shalon*; and 6th - Oto, Mario and Paulo in *Blikzen*.

We will have our final race, the "Navy Race" on December 13, too late for the results to appear with this report. We are not only very busy sailing but we are also working to find a large number of new members for I.L.C.A.

The fleet has enjoyed many barbeques and parties and have had visitors from Rio de Janeiro. We are planning to invite other Champions such as Mario Buckup for our next sailing season.

Fleet 387's annual "tune-up" regatta was set back one month this spring to the first weekend in June and the weather promptly changed to make the normal May date the better of the two. Nevertheless, Bill McKinley still showed the Michigan sailors the way to win whatever the month.

Our fleet had its normal departure of fleet members with job transfers, but we also acquired new members to replace them. Because of this mobile society the fleet decided to include in our organizational records, a pictorial book of the Lightning members and their families together with their boat number so wherever they go we will remember them.

Lightning Fleet 391 had a good year in 1977 led by Fleet Captain Bill Sloger. The fleet gained two new members (Sandy Horton and Will Sloger). We scheduled 32 races and sailed all but four which were cancelled due to bad weather. Our fleet hosted its annual Southeast District Jib-N-Tonic Regatta Sept. 24-25. Twenty-nine boats registered. Winds were light and shifty. One of the three scheduled races had to be cancelled due to lack of wind. Winners were Gordon Kellogg and John McIntosh. Everyone had troubles and many of the district's top sailors unluckily sailed into holes and just sat there while others "inched" around the course. The Jib-N-Tonic social hour was a "hit" as usual and was followed by a delicious barbeque chicken dinner.

The Sloger Family sailed hard all season; Bill and Evelyn in 11738, and Will, his Grandfather Paul, and others, in 10807. In the end, Will was the victor by a slight margin. Kip Smith in Blue Jeans (11007) fought off Jim Marlow (10432) and Jim Hudson (10101) all season to just barely get a 3rd place. Marlow captured a 4th place when Hudson tried to use his spinnaker for a sea anchor while sailing to windward during the last leg of the last race.

Fleet 393's season proved to be the most exciting since the fleet was formed ten years ago. Twenty races were held in three separate series with Karl Miller emerging as Fleet Champion. The presence of Chuck Hunter's Columbia 28 as committee boat encouraged the skippers to sail in heavier air and improved the quality of our races greatly. Karl Miller's return to our fleet after three years of sailing with the Sheboygan fleet prompted the skippers to invest in new sails, spars, and practice to give Karl a run for his silver.

By seasons end we could count on the lead changing several times in any given race as sailing skills were sharpened by the keen competition. In fact if this reporter had not made a tactical error the boats would have finished the second race of the Labor Day series in reverse order from the first race. Trophies were presented at the Manitowoc Yacht Club's awards banquet Oct. 22, 1977.

This year Fleet 393 with the enthusiastic help of Yacht Club members hosted the first Icebreaker Regatta for the Midwest District June 11-12. Chuck Hunter and John Rather did a great job preparing the race committee and Bob Sheehan organized a fine party for the sailors. Unfortunately the weather was not cooperating as fog kept us off the lake Saturday and gusty 30 knot northeast winds Sunday caused the committee to cancel the races. We gained a lot of organizing experience anyway and plan on making the 1978 Icebreaker a huge success.

The '78 season promises to be even brighter. We expect to add at least two boats to the fleet. Walt Arndt joined the fleet late this fall with Dave Wilhelm and Bob Krowiorz looking for boats to sail in the spring. An at home and away series with the Sheboygan fleet is in the

works which promises to help both fleets. In addition the fleet is working hard to get a junior sailing program started in Manitowoc. Two training boats have been ordered and the Lightning Fleet in cooperation with the Racing/Cruiser Fleet and the Yacht Club are planning joint money raising projects to finance this program.

All in all, '77 was a very good year and '78 looks to be even better for the sport of Lightning sailing in Manitowoc.

After the worst winter on record and a gorgeous spring, a shoreline improvement project at Parkway, made the sailing on the Niagara River even better than in previous years.

With a course mark just off the end of the club dock, spectators always had a good view of the races. Sailing to the starting line and home from the finish is usually a minor part of the time spent on the water. The added challenge of a three mile an hour current also makes any race more interesting.

Unfortunately, a wet and cool autumn dampened spirits in the latter part of the season and reduced participation in our small but enthusiastic fleet.

Des Smith repeated as Fleet Champion with Don Boon as the runner-up. In the fleet handicap series, Dieter Weinman finished second to Smith and also was Club runner-up to a Fireball in the Club Handicaps. In the Class racing series, Ray Filsinger was runner-up to Smith.

Visiting sailors are always welcome at our Sunday afternoon races on the Niagara Parkway between Fort Erie and Niagara Falls, Ontario.

We did it! The Pacific Northwest District team race trophy, the Scuttlebutt, has found a home at long last. Juanita Bay began competing in this traditional season-ender just four years ago, winning the last three in a row. Two other fleets, Vancouver (90) and Columbia (283) have had consecutive wins. Lake Washington (132) has the most wins, six but none consecutive. And now it's ours to keep.

We conducted an abbreviated race schedule this year, due, in part, to being between "homes". Frank Wise dominated the April tuneup

series (the fair weather sailors were home by the fires). Rod Johnson eeked out victories in the Spring Twilight and Summer Evening Series (he started every race). Everyone is pleased (read with clinched teeth) for Dick Muffett, winner of the Spring and Summer Sunday Series. Bill will sail his new BaBa-30 in the Victoria-Maui race, July 1, with an all girl crew. (Need a navigator, Dick?) Five other skippers collected place and show trophies at the November awards banquet. The Outstanding Crew award went to Lorraine Forgie. This is a perpetual trophy with the current years recipient selected by last years winner. The ASCEND trophy (accent on the second syllable, please) for most promising new skipper went to John Cournoyer. Special thanks to Bob Forgie for keeping the race program alive and his heroic efforts to keep the site, such as it was, operational. Hopefully, things will be better in '78 at our new Lakeside Marina site.

*The "Scuttlebutt" with victorious but humble team.*

Under the stern but (com)passionate supervision of Cheryl, "Count" Zettler found time to add a new wing to the family castle, and collect wins at the Portland, Vancouver, B.C., and the Seattle small boat regattas and a lowly third at Lake Chelan. This was good enough to repeat as Lightning Circuit Champion making Greg the first district skipper to win three Circuit Championships and, all in a row. Eight other skippers travelled to circuit regattas with Kurt Seiffert, Circuit Runner-up, taking seconds at Portland and Lake Chelan and a third at Vancouver. After breaking a boom in the final race, Rod Johnson hung on for a third overall at Portland, giving Juanita Bay a clean sweep in this regatta.

Seattle skippers have won the District Championship eight of the last ten years. Both losses have been on home waters. Juanita Bay hereby refuses to host the District Championship ever again. On Saturday John Stam, Dick Muffett and Bob Forgie suffered serious equipment failures. Kurt Seiffert capsized and Frank Wise tried to sink the leeward mark by ramming it twice (the second time, while rerounding).

On Sunday, Rod Johnson, defending Champion, salvaged a fourth overall after a depressing fourteenth in the first race. Greg Zettler repeated as District Runner-up despite being on the wrong side of almost every wind shift.

Its been four years since Juanita Bay Lightning skippers began competing in district events. During that time our skippers have collected the lions share of the trophies. While there are outstanding sailors in each district fleet, even in the Portland social club, we still crave constant competition. Are there any districts/fleets out there who would send a team of nine quality sailors to our next district team race? That's the fall of '78 in Eugene, Oregon. The host fleet provides the boats.

Fleet activity has been slightly down this year as some boats have not raced as often as usual. We are lucky to be able to sail all year 'round on Rio Uruguay, but do have trouble re-equipping our fleet. Up till now all the boats are wood and well built and maintained. The first oval spars are arriving and these, with new sails, are up-grading our fleet slowly.

The main event so far has been the Regatta Meseta de Artigas-Paysandu, a rather wild down-stream race with two legs totaling 64 miles, and all kinds of boats racing, from Finns to 30 ft. cruiser racers. More often than not, this regatta is won by a Lightning as we are able to hound the 30 footers when racing downwind in light air as well as up-wind in light shifty breeze that is common in our waters.

At the time of this report, our Fleet Championship has not been held as December is the month chosen to race it.

## PYHASSELKA LIGHTNING FLEET (428)

#### Sailing on Lakes Pyhaselka and Hoytiainen, Finland

Pyhaselka Lightning Fleet has got a strong new base on Lake Hoytiainen 20 km north of Lake Pyhaselka. In the fleet there are 14 Lightnings, eight of which are active fleet members. It's not easy to be active in an area like ours because all the other active clubs are at distances of 500 km or more.

This summer we had the honor to host the Finnish Championship on Lake Hoytiainen. This was a big promotion to the class, because the continental high pressure maintained the air temperature near 30 degrees C and the competition was very keen. The four top finishers were within three points of each other. The fleet of 32 participants was the biggest ever seen on these waters and we received a great amount of positive attention in the newspapers.

*Lightnings on Lake Hoytiainen during Finnish Championships.*

The main activity of the fleet this summer has been in preparing for the Finnish Championship. The club is very new and almost all the facilities had to be made, or borrowed, for this event. After countless hours of work everything was ready and we were happy to welcome our guests who arrived after long drives from different directions. Only one boat was missing due to a minor accident.

Our own boats have visited Tuusula, Vammala and Kuopio. Osmo Tanskanen has been the best all around sailor of the year. In the Districts his crew was Markku Vatanen and Timo Tanskanen, and they finished 17th. Osmo was 17th in the Finnish Districts.

12868	.....	J. Donald Gartland III & James Accardi
13163	Shogun	Bud Hopkins

Consistently high winds and the addition of two new boats highlighted a good summer of competitive racing for Fleet 430. Gordon Buzby, who was edged out last year by John Parker, recaptured the Fleet Championship, with his wife Linda and George Gaynor as crew. Jim Kavle, with his sons Jim and Ed, finished a very close second. John Parker, with his wife Eleanor and Emily Henderson, finished third. Our two new members, Bud Hopkins with his son Chappy and friend, Sondra, and Don Gartland and Jim Accardi in their boat, did very well this summer. Gartland and Accardi, who never could put a first together all year, but had a very impressive string of seconds, won the last race of the year going away.

Fleet 430 also held three regattas during the year, the Flag Officers, the America's Cup, and an Open. Once again the winds howled at the Open, enabling the Kavles, with their heavy weather crew, to sweep with three firsts.

There were also many sailors who travelled outside. Gidge Glenn, Phil Dennis, and Jim Kavle sailed at the Junior C.A.D.'s. John and Eleanor Parker sailed once again this year in the Gamma series with Bill Clausen, and got a first at Penn Manor. Bud Hopkins, Jim Accardi, Don Gartland and Ed Kavle, also sailed at the three Gamma series regattas and put together a very good showing for our fleet.

Fleet 430 has grown in the past several years to nine boats, thanks to the interest shown by the younger members of the Yacht Club. Andy Hitchings, Brian Hitchings, Jim Glenn, Tony Migliaccio, Henry and Lizanne Backe, all crewed and helped out the fleet considerably this past season. We hope this interest, as well as the number of boats, will continue to grow in the coming seasons.

Southampton Club hosted the Long Island District Championship in July with perfect sailing weather — good winds, sun and tides. Again I want to thank all who helped make the three race series a great success.

In August, we hosted the Area "B" semifinals for the U.S. Sailing Championship for the Charles D. Mallory Cup. There are six racing associations in Area B with five of them competing.

The series consisted of a five race round robin event sailed in Lightnings. Phil Griffin owner of Lightning 10738 out of Westport, Ct. came in first, 4 of the 5 races to take first place and become eligible to go to the finals.

Once again, the fleet sailed in the Southampton Town Regatta held in late August with Wally Carucci the winner of the Lightning Division.

The club sailing season started off slow but gained momentum as the District Championship race weekend arrived in mid July and stayed very active till the last race in September.

The final standings were Early Season — Alexander D. Irving II, Late Season — Americo S. Fiore and runner up for Fleet Champion Douglas Wright and Wally Carucci regaining the Fleet Championship.

Once again the highlight of our season has been the annual Texas Thanksgiving Regatta — and this year had to be one of the best. Bruce Goldsmith, with his "green" crew of his wife Pam and Paul Adams, edged out Tom Allen, with third place going to Jim Carson and fourth to Bill Buckles. We are proud to have such other Lightning notables as Jay and Helen Limbaugh, John Schneider and Don Delorme at the regatta, which was sailed in 70° temperatures and 20-30 mph winds.

Another major highlight of the season has been the starting of a new fleet at the nearby Fort Worth Boat Club. We have been eager to get more active fleets in the Texas District, and now with six boats in hand and the promise of more new members, it looks like we have the beginning of a good crosstown rivalry. Add to this our regular trips to Shreveport and other regattas, and we have had a full sailing season. All in all, under the leadership of Fleet Captain Harris Garret, we have had a very successful season.

Of course, we are looking forward to hosting the Worlds in 1979, and even Bill Buckles promises to attend and help pull stumps.

Our fleet continues to grow — is now up to 30 boats. This year we welcomed the following new members: Murray Benenson, David Card,

Bob Chilton, Harmon Cohen, Tom DuBose, Albert Hall, Milo Johnson, Jim Lewis, Hal Ploch, John Skiles and Frank Stephens.

With the racing season just finished, Stephen Craig has nailed down the Lord Frumplingham Trophy — our annual award to the Fleet Champion, but it was not until the final week that the race was decided, with Richard Guinan a very close second.

This past season has been another tremendous success for Fleet 440. We welcomed aboard a number of new families to join in the fun: Tom & Esther Wilson, Stan & Rita Jacques, Sonny Gresham, Charles & Barbara Iliff and Jim Campbell.

Our season started in March with a great turnout from area sailors for an evening with Bill Shore. We are most grateful to Bill for sharing with us some of his thoughts on tactics and strategy.

Our annual Invitational drew 37 boats making this years event our biggest ever. The greatest thing about 37 boats coming to our regatta is that so many great people from all over the district come with them. Of course, being perfect hosts, we let them go away with most of the silver. Other highlights of the season were traveling to all the other regattas on the circuit. Our fleet this year sent six to nine boats to most of the Invitationals on the District circuit in both Carolinas and Georgia.

We reduced the number of races this year for our Fleet Championship to 12. The series was hotly contested with Tom Wilson and family nosing out ahead of Wilburn Brewer and family for the Championship.

The season finale was the annual Lightning/Thistle challenge race. Avenging a very narrow defeat of two years ago, the Lightning Fleet displayed flawless sailing and blew the "bathtubs" off the course. In 8 to 10 knots for the first of two races, we didn't even need the Portsmouth handicap to claim an undisputed victory. Maybe next year we'll give them time.

The year 1977 was the sixth season for Fleet 444, sailing with the Lake Glendale Sailing Club. Our racing schedule included 15 regular races, 6 junior races, and the end-of-season round-the-lake race.

We also have many LGSC people camping near the lake, and there are many social activities associated with our sailing and camping.

We are proud of our beautiful lake and welcome visiting sailors any time.

Our young talents, Stefan Holguin, Jorge Matheus and Santiago Gonzales.

After finishing some construction work, especially gaining land from our lake, we could start our activity again in April with intensive trainings. During May we had our Fleet Championship with great enthusiasm.

Most active was our Fleet Champion who was able to assist the South American Championship in Chile and the Worlds in Switzerland, finishing 5th and 6th respectively.

Also our runner-up showed passion and traveled to attend the North Americans. He was very impressed and we noticed that he learned a lot.

Five boats of our fleet participated at the District Championships in Salinas and we are proud that four finished within the first eight positions out of 17 entries.

Since we could not find a sponsor for an International regatta this year we arranged together with Club Nautico del Muna for a trophy which will be sailed for six years, one year at San Pablo and the next year at Tomine Lake. We had the pleasure to receive this year three crews from Bogota, Fernando de la Concha with his crew Jorge Uscategui and Miguel Cano, Stefan Pacini with Jean Lucas Fiori and H. Vazquez, Jaime Casabianca with his wife Carmen Luz and Jorge Londono. The regattas were sailed the weekend of Nov. 12-13. We managed 3 regattas on Saturday, with strong winds up to 20 knots. The first start was at 12:00 and the last finish was at 17:30. We figured that we sailed about 25 nautical miles that day. On Sunday we sailed 2 regattas with less and changing winds.

We were very happy to win for the first year the beautiful trophy. The results were as follows: Dieter Dyck 4 points, Fernando de la Concha 10, Mauricio Martinez 11, Jorge Matheus Jr. 16, Esteban Crespo 18, Juan Santos 18, Mario Ribadeneira 20, Stefan Pacini 28, Guenther Langpap 30, Jaime Casabianca 35, Jose Maria Perez 41, Alfred Zeller, Jr. 45.

Our youth is preparing a Junior Championship for the end of the year.

13035	Scirocco	Tino Pernice
13036	Lian II	Nuccio De Vita

This year, as in past years, our fleet has been present in many important meetings which have taken place in Italy and in Europe. In fact, three of our boats sailed in the World Championship, which took place in Switzerland and a boat *Easy Wave* was present in the Italian and European Championship in Numana. The World Championship was, for us, a very exciting experience because we had the opportunity to race side by side with the best skippers in the world.

This year our Circolo Volce patronized the "Campionato Siculo-Calabre, which was won by Roberto Crucitti and his *Easy Wave*. The runner up was *Milouin*, Skipper De Vita Antenine.

In this past season, we organized many social meetings as the "Cape bee's Cup" which was won by the new unbeatable Roberto Crucitti, with his *Easy Wave*, the last boat born in the "Cantieri Pellegrine-De Vita".

In the month of December we will organize the "Coppa del Presidente" where many European crews will take part.

## ANDROSCOGGIN LIGHTNING FLEET (450)

### New England District

#### Sailing on Lake Androscoggin at Wayne, Maine

Fleet Captain ..... Bob Foster  
 Fleet Secretary ..... Clinton P. Carhart  
 Fleet Champions ..... George & Jimmy Place  
 Runner-Up ..... Bob & Lynn Foster

Boat No.	Boat Name	Skipper
67	Nuclear Phylis	Richard Hoddinott
70	.....	Stefan M. Pakulski
82	Slainlat	Clinton Carhart
7896	.....	Bob & Lynn Foster
12194	Phoebe	George Place

The club race committee sponsored 15 races this past season and contrasted to last year, no races were cancelled by bad weather although we had a few "drifters". In the Lightning fleet, we had one boat beached for the season because of severe damage in a storm last fall. Carhart was hospitalized and the chief crew member had to be out of state, so truly there were only two boats, Place and Foster who raced regularly enough to really count. Despite a gallant effort by Capt. Bob

Foster on Labor Day week-end, he lost the season Championship by one point to Capt. George Place. Hoddinott tried valiantly but could not keep up the pace set by the other two. We were joined mid-season by Dr. Peter Leadley who brought his boat over from another lake, so that Harvey Mercier and some of the beached crew did get to sail. They did quite well for the time they sailed. Next season we hope to get Dr. Leadley to join the I.L.C.A. and our fleet. Our Fleet Champion is George Place and the Fleet Captain is Bob Foster. With a new mast, good health and a new crew *Slain Lat* captained by our secretary Clint Carhart will be back in action, so watch out.

## BOMBAY HARBOUR LIGHTNING FLEET (451)

### Sailing in the Bay of Bombay, India

Fleet Captain ..... Gulshan Rai  
Fleet Secretary ..... Krishnan Kuttu  
Fleet Champion ..... Gulshan Rai  
Runner-Up ..... Cyrus Hirjee

Boat No.	Boat Name	Skipper
10082	Wahoo	Philip Bragg
.....	Gita	Colaba Sailing Club
.....	Black Fin	Himmat Kalsi
.....	Speedball	Gulshan Rai
.....	Parvati	Colaba Sailing Club
.....	Stingray	Cyrus Heerjee & Philip Samson
.....	.....	Derek Cook

Fleet 451 sailing season starts in October with the withdrawal of the Monsoon and lasts till May when the Southwest torrential rains lash Bombay. The boats are taken out of the water for about five months. During this period of hibernation, the sailors regularly meet at the bar of the Royal Bombay Yacht Club, especially on Fridays.

The Lightnings are regularly sailed, and raced on weekends. The prestigious Lightning Cup (donated by Lightning builder, Philip Bragg) was raced for in excellent wind conditions from Bobay to Mandwa, 12 K/M south east and back. Gulshan Rai won the cup by a slender margin of 18 seconds. Racing his *Speedball* he covered the 24 K/M course in 3 hrs. 22 minutes and 12 seconds, followed by N. P. Tolani in *Parvati*, 3 hours 22 minutes and 30 seconds. *Bonito* helmed by V. S. Thirumalai finished in 3 hours, 33 minutes and 6 seconds. The other yachtsmen who raced were Tim Divecha in *Gita*, C. Hirjee in *Blackfin*, and M. Gandhi in *Stingray*. Racing Lightning skippers and their crew members had an interesting barbeque evening at Mandwa Beach, organized by the Bombay Sailing Association.

The season series (12 total races) and the Lightning Championship (3 races) were regularly sailed by Cyrus Hirjee, Hakim Sabir, Himmat Kalsia, Akbar Abdulali, V.S. Thirumalai, Gulshan Rai and Munir Gandhi. Gulshan Rai won the season series and the Lightning Championship. Cyrus Hirjee was the runner-up and was awarded the Commodore prize. The single handed race was won by Gulshan Rai, runner-up Hakim Sabir. first day and final day Regatta Lightning races, a part of the annual Bombay Harbour Regatta, were won by Gulshan Rai. Runner-up Hakim Sibir.

Besides racing, the two Lightnings, *Parvati* and *Gita* owned by Colaba Sailing Club, regularly cruise around Bombay Harbour almost every afternoon.

The fleet is steadily losing its stalwarts, like Dr. E. Schimmel, P. Squeliro, and now H. McBrinn (1976 runner-up). It was due to the efforts and dedication to Lightnings of these gentlemen sailors that Fleet 451 blossomed into the most enthusiastic competitive racing fleet in India. They have either gone back to their own countries or are posted somewhere else abroad. As if this is not enough, Derek Cook, Fleet Champion (1975) has sold his *Dar-el-Bedia* to a cruising enthusiast, further diminishing the ranks of an already depleted racing fleet.

We look forward to a better racing season in 1978 with more participation from the newer and less experienced sailors in the Bombay Harbour.

## THUNDERSEE LIGHTNING FLEET (454)

### Switzerland District

#### Sailing on Lake of Thoun

Fleet Captain ..... T. Bichsel  
Fleet Secretary ..... Jurg Haudenschild

On April 8, after a long break during winter, we met for the general assembly in Neuhaus. The most important items were the following:

The boat of Mr. Fanti stayed in our fleet and we were happy to welcome Mr. Aellen as new owner and we wish him many pleasant hours. Although Mr. Rolli does not own a boat anymore he kept faith with us as crew member.

The traditional first sailing in Neuhaus on April 30 was attended only by local sailors and a first success could be booked for the Lightning as boat Z12304 was winner in front of 2 Trias.

Only one boat of our fleet participated in the Swiss Championship on the Lake Zurich. Ruedi Fluhmann and his crew fought successfully and I congratulate them for their very good 5th place.

For the Neuhaus-regatta on June 25/26 we hoped for numerous participation in view of the World Championship in July. But on the contrary. Only the crews Schar, Gerber and Bichsel were present to join in the regatta. On Saturday, with winds of 2-3 Bf 2 regattas were sailed and both won by Ernst Schar.

On Sunday, no winds until 13.00 h. At 13.30 h we started for the third regatta and the wind freshened up to 8 Bf. Ernst Schar could not pass the starting line as his boat overturned before the starting shot, the crew Gerber did not even turn up and, therefore, the crew of boat Z12304 "won clearly".

Final ranking list: 1. Schar; 2. Bichsel; 3. Gerber. I congratulate Ernst Schar on his first place and am grateful for his loyalty to the fleet Lake Thoun.

Our best crew seems to have reached top form just at the right moment, as they finished the European Championship in Italy with an excellent 4th place. Congratulations.

July 10: only 3 days until the World Championship last preparations are made.

July 12: official evening of the fleet Lake Thoun. 168 persons participated in this event and the folklore evening at Restaurant Rohrmoos was a great success and all Lightning sailors were delighted.

July 13: official start of the World Championship. As this event has already been reported on separately, I will not go into details.

July 19: closing banquet in the Kursaal Interlaken organized also by the fleet Lake Thoun. A second great success could be booked to our account.

At this occasion, I would like to congratulate again the crew Fluhmann which was second best of the Swiss boats and reached the 16th place on the ranking list of the World Championship.

The "Sternfahrt" on August 27-28 could, unfortunately, not be sailed due to bad weather. It was a pity.

On September 10-11 the fleet Championship took place at Neuhaus. The beautiful cup "of the great Apothecary" was waiting for the new fleet Champion. Unfortunately, only 8 boats participated in this regatta. Many were noticed to be absent - as e.g. the fleet captain! With 2 - 3 Bf and beautiful weather 4 regattas could be sailed. New fleet Champion became Hess in front of Wyler & Fluhmann. Congratulations to the Champion!

Conclusion: The great event (World Championship) could increase the hoped for activities of the fleet only partly (are our members tired of sailing?).

## KLAMATH LIGHTNING FLEET (455)

### Pacific Northwest District

#### Sailing on Klamath Lake at Klamath Falls, Oregon

Fleet Captain ..... Dick Marlatt  
Fleet Secretary ..... Bill Sisemore  
Fleet Champion ..... Ken White  
Runner-Up ..... Dick Marlatt

Boat No.	Boat Name	Skipper

11879	Shalom	Bruce Niles
12093	.....	Larry & Suzanne Gaye
13029	This Side Up	Bill Sisemore

We were luckier than some of the fleets in the Pacific Northwest District - we had water in our lake.

Our Fall series was converted to a Sunday Series to insure that we

would be able to complete it while we still had water. It is getting rather boring to report each year, but Ken White was again the over-all champion. Dick Marlatt's daughter, Margot, was finally able to get Dick to listen to her, and he placed second over-all for the year.

When the Eugene Yacht Club decided that they could not hold their annual Memorial Day Regatta, Fleet 455 jumped into action and held a Short Notice Regatta that attracted 27 Lightnings. The Columbia Fleet from Portland went home with five of the first six places — Ken White pulled out a fourth.

The Midsummer Regatta was a little better for the local sailors, with Bruce Niles first, Dick Wickline second, Ken White third, and Bill Sisemore fourth.

We sent some of our fleet members on the Circuit this year, but did not add much to the local trophy collection, maybe we will have better luck next year.

The Lightning Fleet acted as the Race Committee for the 470 Pacific Coast Championship this year. This gave us some good insight for the next summer when we will again hold the Lightning Pacific Coast Championship at Klamath Yacht Club. In 1976 we got 42 boats for the Pacific Coast Championship, and hope to do better this year. We will announce the date in the *Flashes* as soon as it is set.

Our fleet activity started early in the winter. We had meetings once a month from October to May. In April we fulfilled our dream of a seminar for newcomers. We spent two evenings with 30 enthusiastic novice sailors in the classroom of a primary school. No wonder those passing by the school gave long looks to the Lightning jibing on the school yard with all sails set — our local lake was still heavily ice covered.

In May the fleet got an opportunity to train the muscle power by constructing a dual Lightning slip for the club. The need of these slips was obvious because our lake has become the most active Lightning racing area in Finland. In addition to two major open regattas we raced every Tuesday night throughout the season.

As a result of this activity we had good racing success in the summer of 1977. Four out of seven boats qualifying for the Worlds came from Fleet 456 and the best Finn was Vesa Tapola, crewed by Ilkka Tapola and Pertti Nyman. This team was also fifth in the Europeans at Numana. The other representative of our fleet, Hartti Nisonen finished eighth.

In the Finnish Championships we had 8 boats among the 32 participants. The best was Pertti Pyy crewed by Ritva Pyy and Lauri Heikkila. They were second, losing the gold by a quarter boat length, but still having equal points with the winner, Leif Haglund.

On the Finnish ranking list we had four boats in the top ten. Best of those was Hartti Nisonen in second place. From the two open regattas on our lake our fleet succeeded in keeping first place home.

The fleet members have good reason to fill their stomachs and maybe their heads, too, at the closing party of the season in October.

Fleet Commodore ..... Dale Mahrle  
Fleet Secretary ..... Judy Aird

This season U.L.Y.C. sailors have become a real part of the Michigan circuit. Our "hard core" circuit travelers Dale and Jo Mahrle and Judy Aird in *Blue-it*, 12888, spent the better part of the year packing and unpacking. Beginning in Savanna and ending in Peru, Indiana, they gave what can now be called a solidly "respectable" performance for the season placing 2nd at Clark Lake with Steve Paski and 8th at Peru.

For some of the more "colorful" sailors of our club Ralph Waibel, 12891, with crew Jackie Waibel and David Zuzula, traveled and even had a fair chance of winning one race when the "boarding" rule disqualified 12891.

Brian Hussey, 12288, with crew Brian, Mark or John Hussey traveled and generally made the social scene when they weren't busy replacing their mast or drying out.

Others traveling this year were John Crawford, 12534, and new boat owners Ron Sievertson, 12645, and Fred Paski, 12928.

Our first invitational was held with *one* boat being invited from Pontiac Yacht Club, (we like to start slowly), Bob Knop, 12188, will not be invited back next year because he won this year. Dale Mahrle, 12888, finished a close second followed by Fred Paski, 12928. Next

year we may invite two boats, but we'll have to screen the candidates better.

Our special regatta's were won by the same boat causing us to consider giving him membership to another yacht club, Ralph Waibel, 12891. Dale Mahrle, 12888, brought in two seconds, one third. Bill Gregory, 12645, one second, one third, and Brian Hussey had one third.

Dorothy Farmer, 2884, ran away with our Ms. Trophy with Linda Paski and Cheri Mukai. Second tied Debbie Zajac, 12928, with crew Kathy Crissman and Dorothy Crawford, and Jackie Waibel, 12891. Third went to Judy Aird, 12888, with crew Joann Mahrle, and Marge Percival. Fourth, Jan Aird, 10388, with crew Kay Aird and Marie Abbott.

Our newest races came with the innovation of the Pee Wee Regatta's. Kids 13 and under competed in sunfish for T-shirts, Pewter, and Ice Cream. Red Nose Pee Wee winners were Mike and Mark Crawford, second John Hussey and crew. Labor Day things really got going for an exciting race, (twice around triangle, marks to starboard, what jibes!). It was a close race the lead changed four times. Mike and Mark Crawford winners! John Hussey and Kirk Waibel were second by a hair, and Kristin and Scott Mahrle were third with Susie Dey bringing in fourth.

The Wayfarers came to sail with us a couple of times to show us how things should be run.

Ralph Waibel, 12891, and crew Jackie Waibel and Dave Zuzula, ran away with the spring season, but surprise Ralph, Fred Paski, 12928, with Steve and Linda Paski stole summer right from underneath you! Season finals: Waibel, 12891, Gregory, 12645, Paski, 12928, Crawford, 12534, Farmer, 2884, Mahrle, 12888, Hussey, 12288, Swarze, 12927, Aird, 10388, DeConick 5585.

A special thanks to this year's Commodore Dale Mahrle, and fellow officers Steve Paski, Debbie Zajac, and Lin Storgaard. Watch out Lightnings, Union Lake is on the move!

#### WATEREE FLEET (459)

##### Southeastern District

##### Sailing on Wateree Lake at Camden, South Carolina

Fleet Secretary ..... Hal Storey  
Fleet Champion ..... Bill Canniff  
Runner-Up ..... Sam Cheek

Boat No.	Boat Name	Skipper
10516	Square Root	Harold J. Storey
10599	Underdog	Frank W. Oglesby
11553	Nan-Sea	Samuel J. Cheek
11821	Iron Butterfly	Robert A. Rowan
11914	Seven C's	William J. Canniff
12742	Gail Wind	William S. & Gail E. Marshall

For the first time, we completed our fall series in time to get the results in the current yearbook. Bill Canniff moved back to the tiller for the series and showed the fleet that he has not lost his winning touch. Sam Cheek was runner-up this year. Bill Marshall finished third, followed by Frank Oglesby, Hal Storey, and Bob Rowan.

Just for the record, since the 1976 series was completed too late to make the yearbook, last year's results showed Cheek first, Marshall second, Storey third, and Canniff fourth.

One thing was evident to everyone during this fall series. Although our fleet is small, the competition has now reached the highest level ever. As the less experienced skippers have gained experience and updated equipment this year, we often find the competition at home just as tough as on the circuit.

Bill Marshall parted with the *Gael Wynd* (9379) and then bought a new *Gail Wind* (12742). The new boat must have made a difference since they had their best year yet, winning two open regattas, placing third in another, and finishing fourth in the Wateree Invitational, and the Southeastern District Championship. Pete Russell of Fleet 429 joined Bill and Gail for their first trip to the North Americans, where they finished seventh in the President's Cup.

Sam Cheek started the year with a bang as he captured seventh place in Savannah at the Deep South Regatta, with help from his wife Nancy and their steady crew Dick Dommel. The trio then went on to win silver in several invitationals, including a seventh at Lake Murray, a

fourth at Western Carolina, and a third in the Southeastern District Championship, as well as a second in the Midlands Open Regatta.

Frank Oglesby finally managed to break his wooden mast and promptly replaced it with an oval and new sails. Frank's *Underdog* (10599) has always been fast and the change allowed him to show his transom to everyone in the Fall Series. Strong showings in the Wateree and Waccamaw Invitationals put all of us on notice that Frank will soon be getting his hands on some silver.

Bill Canniff has crewed for son Greg and daughter Liz more often than he has skippered for the last couple of years. (It was only fair, since they have been crewing for him as long as they can remember.) This year Liz skippered the Seven C's to several creditable finishes. Bill showed us in the fall series, however, he can still be the best when he wants to be. Bill's contributions to our fleet are great and we're always looking to him for good advice.

Hal Storey's enthusiasm for sailing his *Lightning* (10516) has earned him the job of Fleet Secretary for 1978. Hal has really put a lot of time and effort into his boat and the improved results are readily evident. A new mast and sails last spring, along with a crewing assist from Buck Babb (Fleet 341) enabled Hal and his son Sean to get a taste of running at the front of the fleet several times this year. This was Hal's first full year on the circuit, and next year should see him showing his transom to a lot of boats.

Bob Rowan prefers to keep his *Iron Butterfly* on home waters and enjoys the pleasure of daysailing. We're hoping to build up our fleet with more daysailing activities and Bob presents a very pleasant change for those who may be wary of racing after hearing all the commotion during some of our club races!

Despite stormy weather, we had a good turnout for our Second Annual Invitational last April. Twenty-one Lightnings hit the line for three well-run races. After Saturday's races, the fleet enjoyed a keg of beer and a delicious steak dinner. Everyone enjoyed visiting with old friends and meeting new ones. We hope next year's regatta will be even better, so ya'all come if you can.

Our second year has been a relatively quiet one — one sailor transferred, one never got his boat in the water, and the rest sailed with and without crews whenever they could. The highlight of the season was our district race held in September.

The final event of the season was our Lightning Challenge Haulout Regatta and Oyster Roast. This year's event was won by Dick Coburn, a Tanzer 16 sailor, because he was the only one that put in and sailed (a very cold and blustery day). Everyone enjoyed the oysters and cornbread, and said how glad they were that they had not sailed.

This was our second year as a fleet. Even though we were unable to enlarge our fleet, enthusiasm is high and gaining new Lightnings is our primary goal for 1978.

Our fleet supported three Indiana Regattas in 1977 — the Indiana Open at Indy Sailing Club — great hospitality! — the Hoosier Regatta at Lake Wawasee — did they have wind! — and the Districts at Muncie. The competition was tough, but we learned a lot and had a great time.

In August, we hosted our first regatta at Lake Monroe — The Zephyr Lightning Invitational. Eight boats participated with first to Muncie's Brad Wagnon and "man-overboard crew"; second to Indy's Bob Schubert and crew; and third to Indy's Bob Carter and crew. Both days were favored with steady 15-20 knot winds and sunny skies. Perfect Lightning weather. We even had a full moon for our evening meals. In 1978, we will have our regatta the weekend of September 16 & 17. We enthusiastically encourage you-all to come sail with us. You provide the boats; we provide the red carpet. Lake Monroe is the largest lake in Indiana with a beautifully wooded shoreline. We have a new larger shelter house with fireplace, and we think you'll have fun and good competition.

Our Club, The Lake Monroe Sailing Association, holds two races every Sunday afternoon from May through October. These are handicap races with Thistles, 407's, Hobies, etc. Competition is keen, but friendship abounds. Our Lightning Fleet moved up in the club standings this year (5th & 6th of 15 boats), and our 1977 Fleet Captain won the Most Improve Skipper trophy at the annual Fall Awards Banquet.

Again, we invite you to come sail with us; Lake Monroe has plenty of water and provides us a sensational race course — we think you'll enjoy it.

European Lightnings in harbour of Numana.

In June of 1977 the fleet hosted the "Di Lorenzo Memorial Trophy Regatta" organized by the Lega Navale Italiana of Porto San Giorgio. The final results were as follows: Claude Lambelet of S.C. Neuchatel skippering *Garoupa* was first; second was De Amicis with *Sindbad*, and third was Bruno Magoni with *Sistiani*. Our friend Antonio Romani Adami was the faultless organizer.

At Numana, June 28 through July 3, the Circolo Nautico Numana hosted the European and Italian Championships. The six races were sailed with a pleasant wind on wonderful, sunny days. The district's Secretary, Nando De Amicis, did a very good job for the friendly relations among the old Lightning sailors and the new.

We hope to promote the Lightning in all the Adriatic coasts.

Many thanks to Andriano Pelonara for the enthusiastic job as Fleet Secretary in 1977!

### FLOTTA DEL LARIO (467)

Captain Guicciardi smiling from his "Lolita".

We obtained our charter in 1977 so we had our first experience and activity last summer. With extremely rainy weather all of us were very anxious to start with the "De Marzi Trophy" Regatta which had been scheduled as the "meeting of the Italo-Swiss friendship," for the Swiss sailors are our nearest neighbors. The silver trophy was donated by Captain Ludovico De Marzi, who was the fabulous steersman of the Rio Tigre (Argentina) racing-eight in 1914. He gave this permanent trophy to the Associazione Velica Alto Lario with the wish that the challenge will forever promote the love of sailing among the people of Lario (Lake of Como). Now the club allowed it to our fleet for the Lightning Class. Our fleet hosted in Gravedona the De Marzi Trophy Regatta which drew only 12 boats because of bad weather. Nevertheless on Saturday, September 3rd, the sun was shining and the first race was sailed in fairly light winds for the most part. Saturday night the banquet was attended by 51 members and guests. On Sunday after the start some thunder and lightning began to fall among the mountains, then the storm burst over the boats flying their spinnakers but none of them turned turtle. Good sailors! The final results were: Claude Lambelet, Switzerland, first; Weilenmann, Switzerland, second; De

Regis, Italy, third; De Amicis, Italy, fourth; Salvetti, Italy, fifth. Pino Zecchinelli headed up the race committee; Cristina Motti and Mara Grisotti served as judges. Next year each District will be represented by a team.

The winner of the Fleet Championship was the boat *Mazzagallo* (9676) skippered by Claudio Motti and crewed by Joe Motti and Fabio Marinsalta. We are looking forward to 1978 as we hope it will bring new members to our fleet. We would like to express thanks to Mr. De Amicis for helping us throughout the year and we want to wish the best of sailing to all Lightning sailors.

This cold and rainy summer of 1977 was the first season for this fleet here in the middle of Finland.

In June we had only four boats afloat, because Jukka Lainkari had some difficulties getting a mast and sails for his new boat. The best part of the summer was the sailing race on Lake Paijanne. This race occurs on the long and narrow Paijanne at the end of July. The length of the race is about 60 miles. This year it took nearly 28 hours. In the final results Martti Lahti was 5th, Seppo Raiskila 7th, Jukka Lainkari 8th and Harri Ritala 9th in the Lightning class. In August we had many unofficial races between our fleet members.

This first fleet season included only one race, but next season we will attend many Finnish races.

The terrific Lightning posters designed as one of the gifts for participants in the International Lightning Class Association North American Championships and also for use by the Class are now available to all sailors.

Described as "real eye catchers superbly portraying our favorite sloop" by one who wrote for a set, the posters are full of color and action. Taken from color slides of shots during actual races they are eye catching. Each is 20 by 28.

The set of four costs \$5.00.

# Registry of Lightning Boats

(Corrected to January 13, 1978)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner's address is unknown.

Where boat number is followed by an asterisk, it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.
