INTERNATIONAL LIGHTNING CLASS

# INTERNATIONAL LIGHTNING CLASS ASSOCIATION

## 1980 YEAR BOOK

John D. Dees, *Editor*

Margaret Mary (Mimi) Dimon, *Assistant Editor*

Helen Limbaugh, *Executive Director*

International Lightning Class Association  
808 High Street, Worthington, Ohio 43085  
(Telephone [614] 885-0475)

Cover — A composite of three color slides none of which by themselves were very interesting. Each slide was projected on high contrast Kodalith reprographics film, cut, re-touched, and combined to make two new black and white negatives. One negative is printed in black, the other a golden-orange. (A technique to achieve the full color look on a black and white printing budget.)

# **EDITOR'S COMMENTS**

I've often wondered why yearbook editors, with bags under blurring eyes, seem compelled to add a few more words. Now I think I know why. In the pursuit of attempting another "best year" a lot of solitary thought is put in on just what role is the yearbook to play, what does everyone want or expect, and what will be best for the class and members. That, in-and-of-itself is not very profound, but how those types of thoughts spill over on to the class itself in general, is.

First, we are probably the biggest and certainly best organized one-design class. None have a book like this every year and none have "Helen" to keep it and everything else moving.

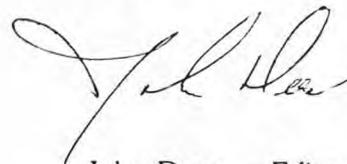

Second, we seem to have a classic class. We're an old design and not fast in appearance, but very respectably fast compared to current all out racing dinghy designs. Our boat can daysail with a picnic basket, case of beer, a handful of kids and their dog. (Ever notice how much beer is carried on a 470 or 505?). And finally the truly hardy (brave?) even go cruising in Lightnings.

Third, we're a very sociable class. Perhaps it's the third crew. In club races it seems okay to note a pretty sunset and spouse arguments seem tempered by the third crew.

Back to the subject at hand. This year I've tried to add a few articles on subjects other than racing and to improve the photo section. With Helen's good help major regatta winners wrote the re-cap articles of their moments of triumph. There was roughly one ton of photos from which to pick and for the too "manyth" year in a row Mary Huntsman was our number one photographer ... you win the prize Mary.

The hardest worker was Mimi Dimon, our assistant editor who really had to do the most work editing all the fleet and district reports. Thanks, Mimi, we're all indebted.

In closing I simply want to express my appreciation to all who contributed and for the opportunity to contribute to the growth and continued success of the finest one design class there is.

John Dees — Editor

# **PRESIDENT'S MESSAGE**

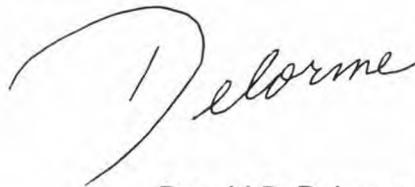

It's been said before but is appropriate again, these are the worst of times and these are the best of times. With an obvious recession upon us and uncertainties in fuel it may be difficult for some of us to travel the great distances we have in the past. However, on the good side, this may be the time to rebuild local fleets and participate more in fleet and district sailing.

This may be a time to consolidate and reinforce the foundations of the Class. The Class is as strong as ever internationally. The boats are better than ever. The concept of a family day-sailing boat that can be raced is still a reality. We still have the nicest families participating with us in our Lightning activities. We hope that 1980 will be a super year for the Association and all its members.

It is particularly encouraging to see the growth of the Junior programs and the Women's North American Championships. There are also good Junior sailors sailing locally and nationally, assuring the Class of a good strong future. The Association is strong with so many active people giving so much of their time and talents on our behalf.

In closing, I would like to remind everyone that our best asset is ourselves, used properly this is unbeatable.

Great Sailing in 1980

A handwritten signature in cursive script that reads "Delorme". The signature is written in black ink and is positioned above the printed name.

Donald P. Delorme, M.D.  
I.L.C.A. President

# Officers of the International Lightning Class Association

**PRESIDENT — Donald P. Delorme, M.D.**

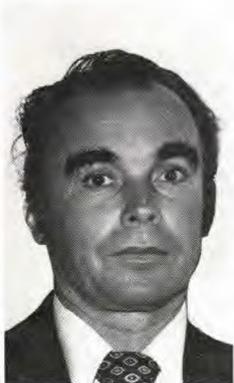

Don is a gynecologist practicing in the Alexandria and Mt. Vernon areas of Northern Virginia. Originally from Canada, he crewed on Lightnings there years ago in the Lake Erie District and began to sail them actively when he moved to Baltimore in 1962. Since that time the activity has moved to Annapolis where the Lightning is extremely active at Severn Sailing Association. Presently sailing 11036 — the eighth Lightning.

Wife Wanda, age 26, has crewed most of the last 16 years with the exception of time spent with small babies.

Becky, age 16, deep into ballet and talking on the telephone, but tolerates the others sailing and enjoys it when she gets the chance.

Donald, age 14, is rapidly becoming one of the finest Lightning crews available due to his size, strength, and durability.

*(Editor's Note: Don mentioned that his family helped to prepare this.)*

**SECRETARY — Djoerd Hoekstra**

Shortly after moving to America from the Netherlands — where he had raced a number of other one-design classes — Djoerd crewed on a Lightning at Little Egg Harbor and became an addict. He has been an I.L.C.A. member since 1964 when he bought Lightning 7529 and he is now sailing his fourth boat.

His wife Frances, who had never before been on a boat, ably crewed for many years, but recently oldest son Roel has begun to take her place.

Djoerd is a member of Fleet 228 at the Riverton Yacht Club in Riverton, N.J. He has been active in the Central Atlantic District, serving as Treasurer, Secretary and Commodore, and edited the 1976 Yearbook.

He is Manager of Commercial Development for the Pennwalt Corporation in Philadelphia, Pa.

**CHIEF MEASURER & VICE PRESIDENT — George V. Fisher**

George began racing Lightnings at Buckeye Lake Fleet 43 in 1947.

In the 1963 Yearbook, when George was Assistant Chief Measurer, there was a reference to his looking forward to the day his two boys would be racing their own Lightnings. This Greg and Matt are doing and George is very proud of them. His wife, Marty (George and she sailed his Lightning at St. Pete Mid-Winters on their Honeymoon) and daughter, Gayle, still crew for George and the boys at Buckeye Lake and other local regattas.

George has served as Commodore of the Ohio District, Vice President, Assistant and Chief Measurer, and Legal Counsel of I.L.C.A.

George is in the private practice of law in Columbus, Ohio.

**TREASURER — David W. White**

Dave started sailing Lightnings at age 5 or 6 on his Dad's boat #755 on Skaneateles Lake, but didn't start racing until age 17 in the same boat. Later he acquired numbers 8555, 10555, 12233 and now sails 10196. He is a member of Fleet 471 and sails in the New England District. Previously he sailed in the Metropolitan and Central New York Districts.

Dave's work for the Class has included: Assistant Editor and Editor of the Year Book. Two years on the Budget Committee, and Chairman of the 40th Anniversary Regatta. Last year Dave organized his own company called Benefit Services, Inc. which left him little time for sailing. He hopes to have more time in '80 to spend with his boat and family.

Honorary Commodore  
DAVID O. PETERS of Ann Arbor, Michigan. I.L.C.A. member since 1945. Partner Fry/Peters Associates, an architectural firm. Wife Shrub.

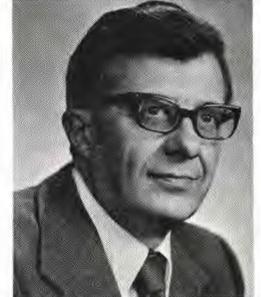

Executive Director  
HELEN E. LIMBAUGH of Worthington, Ohio. I.L.C.A. member since 1956. Husband Jay.

Ass't Measurer & VP  
DON BRUSH of Charlotte, Vermont. I.L.C.A. member since 1962. Engineer, General Electric. Wife Ann.

Ass't Measurer & VP  
PAUL A. "Sandy" HUNTSMAN, JR. of Rumson, New Jersey. I.L.C.A. member since 1959. Teacher. Wife Mary.

Ass't Measurer & VP  
CALVIN H. SCHMIEGE of Lewiston, New York. I.L.C.A. member since 1960. Chemical Engineering Consultant. R. B. MacMullin & Associates. Wife Phyllis.

Vice President  
**GEORGE S. ANDREADIS** of Athens, Greece. I.L.C.A. member since 1955. Assistant General Manager, Commercial Bank of Greece. Wife Anna.

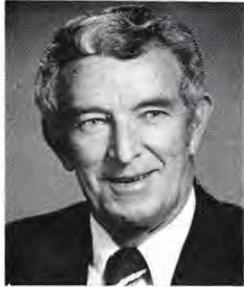

Vice President  
**WILLIAM F. MCKINLEY** of Saginaw, Michigan. I.L.C.A. member since 1947. Insurance Broker — Partner in the firm of MCI Insurance.

Vice President  
**BYRON K. HARVEY** of St. Petersburg, Florida. I.L.C.A. member since 1960. President Harco Marine Enterprises, Inc. Wife Carol.

Vice President  
**JOHN GORRIE** of Toronto, Ontario, Canada. I.L.C.A. member since 1971. Account Supervisor, Gorrie Advertising Services. Wife Janis.

Vice President  
**BARNEY E. MEAD III** of Huntsville, Alabama. I.L.C.A. member since 1949. Corporate Marketing Manager Martin Marietta Aerospace. Wife Peggy.

Vice President  
**ROBERT EDMONDSON** of Kaneohe, Hawaii. I.L.C.A. member since 1952. Service-Sales Engineer, John J. Harding Co., Ltd. Wife Patricia H.

Vice President  
**T. R. "Tom" BIERMAN** of Sparta, New Jersey. I.L.C.A. member since 1949. Eastern Sales Manager, DoBoy Packaging Machinery. Wife Sharon.

Vice President  
**HANS K. RAHN**, of Zurich, Switzerland. I.L.C.A. member since 1965. General Manager, Hans Rahn & Company. Wife Argelia.

Vice President  
**FRANCISCO SOLA** of Guayaquil, Ecuador. I.L.C.A. member since 1955. Executive President - Norlop Advertising — Ecuador. Wife Cecilia.

Vice President  
**RALPH E. MESSERSMITH** of Rahway, New Jersey. I.L.C.A. member since 1957. Sales Engineer, Pumping Equipment Company. Wife Janet.

Vice President  
**MARIO BUCKUP** of Sao Paulo, Brazil. I.L.C.A. member since 1965. Engineer & Business Administrator Royal Diamond Dielectrics S.A. Wife Telma.

Vice President  
**DUNCAN PORTER** of Dallas, Texas. I.L.C.A. member since 1965. Manager of Linear Circuit Planning, Texas Instruments, Inc. Wife Lee.

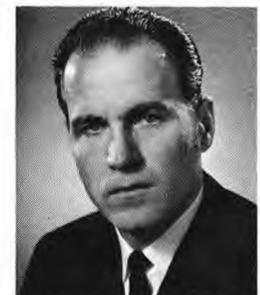

Vice President  
**DENIS RICHARD CLEMENCE** OF Niteroi, Brazil. I.L.C.A. member since 1968. Managing Director and Engineer for Equipamerica Ltda. Wife Maria Augusta.

Vice President  
**CARLOS MARCELO COLLET** of Buenos Aires, Argentina. I.L.C.A. member since 1958. President of Pianello Y San Guinetti Marmoles S.A. Wife Marta.

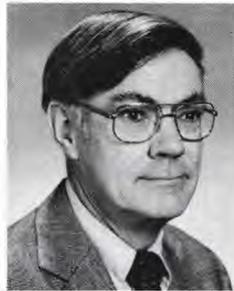

Vice President  
**ROBERT G. BURRIDGE** of St. Louis, Missouri. I.L.C.A. member since 1967. Lawyer — Partner in firm of Anderson, Gilbert, Wolfort, Allen, & Bierman. Wife Patricia.

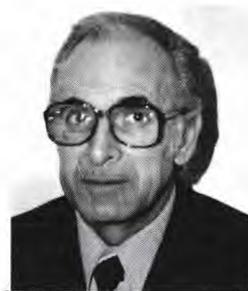

Vice President  
**LARRY MacDONALD** of Hamilton, Ontario, Canada. I.L.C.A. member since 1962. Mechanical Contractor with John A. MacDonald Plumbing & Heating Ltd. Wife Betty.

Vice President  
ANNE S. ALLEN of Buffalo, New York. I.L.C.A. member since 1951. Husband Tom.

Vice President  
DR. JOHN H. ESSER of Milwaukee, Wisconsin. I.L.C.A. member since 1953. Physician. Wife Sue.

Vice President  
DR. C. H. "Chuck" MALTBIE of Canfield, Ohio. I.L.C.A. member since 1954. Dentist. Wife June.

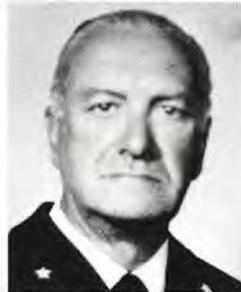

Vice President  
PERTTI J. PYY of Hyryla, Finland. I.L.C.A. member since 1973. Airline Captain Finnair. Wife Ritva.

Vice President  
CARLOS NAVARRO, M.D. of Lima, Peru. I.L.C.A. member since 1955. Physician-Plastic Surgeon. Wife Elvira.

Vice President  
ALBERT H. BERRY, Jr. of Savannah, Georgia. I.L.C.A. member since 1948. Building Contractor, Berry, Incorporated.

Vice President  
GIOVANNI ARCIPRETE of Rome, Italy. I.L.C.A. member since 1960. Navy Officer, Defense Department. Wife Gina.

Vice President  
JOHN DE BENEDETTI of Portland, Oregon. I.L.C.A. member since 1959. Manager Steinbart & Company. Wife Mary Kay.

Vice President  
MYRON C. LYON of San Diego, California. I.L.C.A. member since 1964. Owns and operates motels and apartments. Wife Andrea.

				GOVERNOR'S CUP	RUNNER-UP
				Dr. Charles H. Malthie Youngstown, Ohio Fl. 36, #6033 (Hot Canary)	Robert Birmingham Pittsburgh, Pa. Fl. 198, #7611 (Civite)

## THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945 the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961 the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

YEAR	PLACE	N.A. CHAMPION	RUNNER-UP	PRESIDENT'S CUP	RUNNER-UP	GOVERNOR'S CUP	RUNNER-UP

**Footnote:**

Deep South Regatta sailed at Savannah Yacht Club, Savannah, Georgia.

Trophies: Deep South Regatta Perpetual Trophy, deeded by the Savannah Yacht Club, retired by winner of it three times. (R)  
August A. Busch, Jr. Trophy, deeded to S.Y.C.C. for the Lightning Regatta.

Winter Lightning Championship sailed at St. Petersburg Yacht Club, St. Petersburg, Florida.

Trophies: Wally Bishop Trophy, presented by Wally Bishop, retired by winner of it three times. (R)  
I.L.C.A. Past Presidents Trophy, deeded by Past Presidents of I.L.C.A. to I.L.C.A. for the winner of combined Savannah and St. Petersburg.

Midwinter Championship sailed at Coral Reef Yacht Club, Miami, Florida

Trophies: Regal Cup, deeded to I.L.C.A. by a Miami Company.  
Alex Carlin Trophies, presented by Alex Carlin for the Miami-St. Petersburg (Special Formula). Retired to top skippers' Yacht Club after nine years.  
Buffalo Canoe Club received the trophy in 1969. The second Trophy was retired, after the 1978 Regatta, to Tom Allen for the Buffalo Canoe Club.  
A new Trophy was then inaugurated by Alex's wife Ethel in his memory.

I.L.C.A. Southern Circuit Champion, presented by I.L.C.A. for the winner of combined Savannah, St. Petersburg, and Miami. No retirement.

# GO TO THE HEAD OF THE CLASS.

## Shore Sails' Lightning Class performance record reads as if there's no other sailmaker.

We're proud to say that presently every major lightning class championship has been won by a great crew and their Shore Sails. In addition, this year more district-winning skippers won with Shore Sails than all the other brands of sails combined.

## It's Academic

Why? Because Shore Sails are better? Sure. But, we've also done our homework and it's what's behind every Shore Sail that puts us out front. Our boat tuning and sail trimming guidelines (standard features with every Shore Sail) can help shorten the distance between you and the best sailors in the class. In fact, the information in our lightning sail trimming guide is a compilation of the fastest, most accurate techniques used on any of the race courses today. Used together with our boat tuning guide, it assures you of getting maximum performance from your boat in every wind condition. And when you need a little extra help, rely on a phone call. We're always on hand to answer your questions. Each of our lofts is staffed by top-notch sailors who are always ready to talk winning, over the telephone or in person.

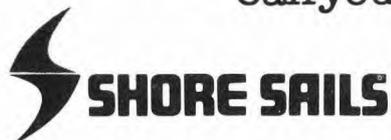

## Proud? Yes. Content? No.

Sure we're proud of our outstanding victory record. But, we're dedicated to more than just winning. At Shore we're constantly developing new sail designs and to try out those designs we've instituted an innovative, rigorous testing program. In the steady southwest winds off Newport, we experimented with 5 or 6 different sails to conclude that our current design is not only faster, but more easily handled, to allow more time for critical steering and tactics.

We're sure that our Lightning Class sails are the best.  
Can you say that about your current sails?

# FIBERGLASS CONSTRUCTION AND MAINTENANCE JACK MUELLER SPEAKS AT THE PACIFIC NORTHWEST MID WINTER MEETING

*Editor's Note: This article is a distillation of a presentation by Jack Mueller who was the featured speaker at the mid-winter meeting of the Pacific N.W. Lightning District. Traditionally the N.W. District invites one of the Class's superstars to this annual business meeting, get smarter session, and skiing weekend. It does wonders for mid-winter "sailing hornies" and gets everyone looking forward to the upcoming season. In fact, this meeting often draws as well as the District Championship Regatta.*

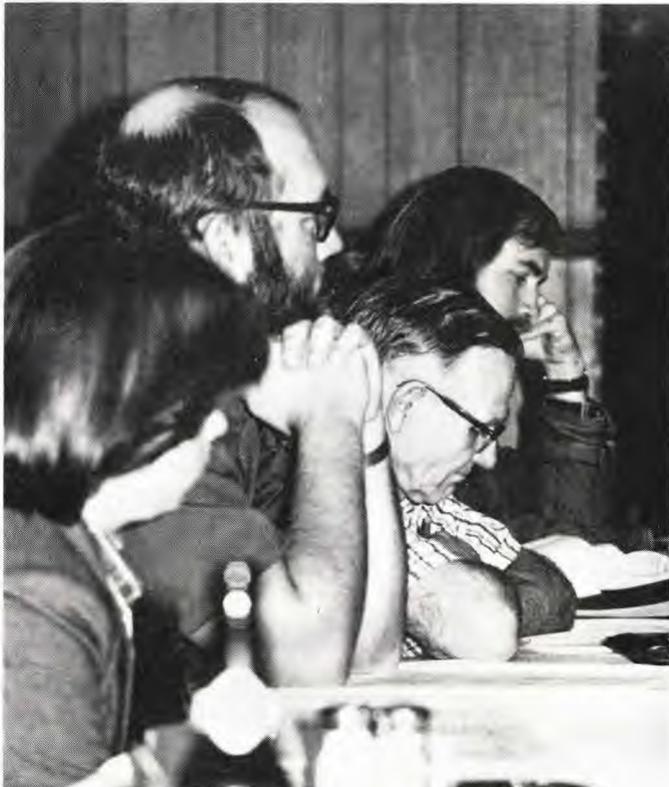

"Hi, I'm Jack Mueller and I'm from Cleveland, Ohio. I'm in the business of building fiberglass sail boats, including Lightnings, Snipes, and several other classes.

First, I will go through the building of a one design boat and then go a little bit into boat shapes, primarily, the Lightning. Then I'll go into a general maintenance of glass boats and repair.

I also would like to apologize for my wife not being here. We had hoped that she could come but with kids and things it just didn't work out. She's important because she's my crew and has a lot to offer. She sails with me all the time. And even though I wouldn't sail without her, there are strong words between us occasionally. She is very important on the boat and she is the one thing I really look to when I race. Hopefully she can come out here next trip when we're sailing in the North Americans in 1980.

## Building One Design

When you consider building a one design in an established class, there are many things to think about. First, you get measurement certificates and plans to which you have to build. For speed there are very skimpy details which result in

*Jack Mueller making a point.  
Photos by K. H. Wolvington*

using "trial and error" to get the boat to go best. Also, there is a lot of research you must do yourself.

When we first started, the boat company was called Eichenlob Boat Company. I went to college and studied metallurgical engineering so I don't have much of a formal background in boat building. But through trial and error I've learned quite a lot. We got into the boat building business in the mid-sixties mainly to bring a point out to the Lightning Class.

A very good friend of the family's who was president of the Class at that time, John Rhulman, capsized on the Southern Circuit. The boat was awash and it was very cold. Two of the crew had to get off the boat because they were in shock. It became necessary to just leave the boat because it had just the minimum amount of flotation required at that time. We

saw the direction that a lot of one design classes were going, to self-rescuing boats. At the time my family and I were sailing in Lippincotts and John Lippincott was a friend of the family. I believe that my father was a vice president of the Class at that time. We tried to work with Lippincott to develop a boat that would be self-rescuing. We tried to get them interested in building a self-rescuing boat. At the time we had exactly zero interest in going into the boat business. We felt that something had to be done to save the Class as without self-rescuing boats the Class would die. The flotation was minimal. It would not float well with three people in it. And, there was absolutely no way a Lightning could be sailed out of a capsized.

Lippincott at that time wasn't interested, things were going well and it would increase the cost of their boats. So we contacted Allen and Nickels and Holman and got essentially the same story. Finally we contacted Carl Eichenlob and he said I'm in the wood boat building business and I do capsize occasionally, but I mostly break masts. But, he said I agree with you, but I am not interested in producing those kind of boats myself. I will, however, work with you and tell you what I have learned as far as hull shapes are concerned. I will come out and help you get set-up.

So after many discussions we figured out a way to make a fiberglass Lightning that would be self-rescuing. This scared the Class. They said right away we could make only three boats and that we would have to put an "x" on the sails. So we said that's okay. We felt that once we did this it would show the benefits of self-rescuing. And then rulings could be made that would allow the building of a self-rescuing boat. So, we went ahead and made the three boats. We used a polyurathane foam sprayed into place. We built the floor very thick, seven inches. The maximum the class allows now is five, which is more than adequate. I think we figured out that with the seven inches there would be 1900 lb. flotation on a boat that weighs 700 lb. With a maximum crew of 600 lb. that easily left enough to allow the boats to be self-rescued; righted and sailed away.

Well, we made these boats and took them down to the Southern Circuit. Boy, were they rough because we weren't in the boat manufacturing business. We were simply trying to show the Class that this could be done and that the current rules should be changed so the Lightning would be safer. These boats were well received and the class did change the rules, but originally limited us to four inches of foam. And that is how we got into the boat building industry.

### Hull Construction Material

The Lightning is kind of a strange boat to build compared to a Thistle, 470 or most of the modern design boats. This is because the Lightning has many flat sections on it. The problem with flat sections is that built with fiberglass they are flexible. Here is a section of fiberglass from a transom and you can see how flexible it is. To eliminate this problem a core is placed between two layers of fiberglass. This must be a material that won't flex and that will hold some compression. Here are a couple of cored sections from the topsides of a Lightning and you can try to bend them. You see you just can't bend them.

There are several cores materials that can be used in boat construction. Another is a honeycomb made of either alumi-

num or resin. The problem with honeycomb in a one design boat is the outside fiberglass coat is very thin and if the surface gets fractured at all or if the boat is wet-sailed for any period of time, all the little holes will fill up with water. The boat will gain a lot of weight. A solution is to try to fill up the honeycomb holes with a foam, but it is a "bear" to fill up all those little holes. So honeycomb has not worked out well for light weight one design construction. (It is used successfully in larger boats.)

Here's a piece of foam without the fiberglass on either side and you can see now it is very flexible. The flex resistance comes from the inner and outer fiberglass skins being bonded to the foam, making a sandwich. This PVC closed cell foam will not soak up water. Some foam is scored to go around compound curves. Here's a polyurethane type of foam with strands of fiberglass through it which is very strong. The problem with this is that the scores are so deep it is difficult to get the cracks created by the scores to fill up with resin thus leaving a space for water. Now, foam will soak up water once water gets to it. The way it happens is by going through changes from hot to cold and the expansion and contraction that results, in turn, breaks down the cells and lets water in. This can occur in a damaged area of a boat. So you have to maintain your boat and make sure there are no breaks in either the inner or outer skin which will allow water to come in contact with the foam. A boat can easily pick up 20 lb. to 100 lb. of water if this is allowed to happen.

Foam is rated by its weight per cubic foot and runs from 2 to 4 lb. During the last 6 months we have changed to PVC and the research on it shows much less water absorption through breakdown. Remember that fiberglass boat construction is only 15 years old and a lot of developments are

still taking place. Balsam was once used as a core; but, we don't allow it in the shop. It soaks up water at a fantastic rate. It was the original material used for coring.

We use plywood at points of stress such as the floor area of the cockpit between the thwart seat and the centerboard truck and around the splash rail because these are areas where people are jumping and landing. Its more expensive. But, foam would break down after several years.

Up to about three years ago we used a spray on foam that was only two lb. per cubic foot filled up the entire flotation space, so that is there was no air space or air tank. The problem with air spaces is they will leak occasionally where a fitting is attached. Also, if you are holed an air tank will fill up to some degree; however, the boat will not sink and may still be sailed out. The problem with the spray on polyurethane foam and the reason we stopped using it is we could not be sure it got into every space. This caused some problems with delamination and bubbles under the fiberglass. We would still like to be able to use it and give 100% positive flotation; but, we could not guarantee the boat. So, this means having air tanks. We still use it in special places like filling spinnaker poles and for patching.

Polyurethane foam has been used to fill under the seats of boats that do not have flotation but I would not recommend it. It tends to break down with temperature changes and then soak up water, much more so than PVC foam. In block form it would be okay under seats because you replace it when it gets heavy. Airex is another foam that is used a lot but it is not good for boats that sit on trailer or dolly bunks because the heat build up on a hot day will allow dimpling.

## Hull Shape

Now let's talk a little about hull shape. Anyone can go out and build a Lightning, it's one of the Class policies. Many boats before 1960 were home built and a few still are today. You can write the Class and purchase a number and with it you will receive a set of plans and tolerances for the various measuring points. The tolerances allow the builder to make little errors and still have the boat measure satisfactorily. During construction a jig could slip a little without a disaster. But what has happened is builders are getting a very high level of consistency. So what all the major builders have done is use these tolerances to develop a boat that they think is going to be a little bit faster than other boats. Now, most builders figured this out over 15 years ago so boats have not changed much. In fact, the shape of our boat was taken from the wooden boats that Eichenlob was building. To get these "best" shapes within the tolerances builders years ago would try to find particular boats that seemed to be very fast and then order from the Class the measurement certificates for these boats to determine where they were within the tolerances. They would find boats that were fast upwind and boats that were fast down wind. No one boat shape is best on both points of sail so what you find are compromises. So what has happened with the consistency that is now possible is that we build boats that are right on these best sides of the tolerances at over half of the measurement stations. Usually a class boat that goes right down the middle of the tolerances will not be a competitive boat.

Earlier I mentioned that a 470 or other round bottomed boats were easier to build. The reason is that it is not necessary to put a core in for stiffness because a little flex in

the hull will not effect their performance the same way it will a boat with flat surfaces, like a Lightning. This is a reason why the Lightning is as expensive as it is. In fact about 2/3rds of the time building the hull is in the coring, an expense not necessary with round bottomed boats. Snipes, Stars and Fireballs all have to be cored.

Another reason that a Lightning is as expensive as it is is the rigging. The retail price for the rigging, not counting the blanks for the mast or boom, is around \$2200. Not all of this rigging is necessary for racing, but is usually desired. By comparison the cost for rigging on the smaller Chrysler boat is \$800. Both prices include the centerboard. Some of the things that are not needed are: a double ended back stay (single would do); the elaborate vang arrangements; Barber haulers (a hook would do); if you are a good sail trimmer you don't need the elaborate jib fittings found on most boats. The elaborate down hauls and various drum systems are not necessary (block and tackles would do), and the cunningham doesn't need to be rigged to both sides. We figure it takes two people three days to rig just the Lightning hull (not including the mast). All this stuff makes the boat easier to sail.

The hull shape we use is from Lippincotts, Olsens, and Etchells, mostly for upwind performance. There are no secrets to boat builders. It is best to have maximum bouyancy at the mast step which means going to maximum chine depth in the tolerances at the mast step. This is for upwind performance, also the maximum keel depth. Then going up to the bow it is best to go to the minimums. It also helps to keep the shape as round as possible. Etchells made their boats very flat going aft and were very fast down wind. So we try to design the boat as flat as possible both across the boat and going aft from about station 3½. The same ideas are used for Snipes and Thistles.

## Maintenance

Now I'll go on to maintenance. The hardest thing on a boat is to wet sail it. This is because Polyester is slightly porous and over a period of time will soak up water and into the core. Another thing especially around fresh water is algae which attacks the polyesters. This causes the gelcoat to blister with little pin heads. So you need something like anti-fouling paint on the bottom. This also can happen under the trailer bunks, so we try to use a bunk covering that will drain or dry very quickly. We fix the blisters by wet sanding, filling and then spraying on paint or re-gelcoating. A week or ten days of wet sailing won't cause any problems.

When you get any damage on your boat the most important thing is to protect the core of your boat. We use gray duck tape to cover any cracks or holes. When this happens finish your race if you can and then immediately pull the boat and open up all areas so they'll dry and then tape'em. Be sure to remove the tape when the boat is out of the water and let the hole dry. We re-duck tape the boat every week until we get a chance to repair it.

The sun's X-rays really do a lot of damage to a boat so it is best to try to keep the boat well covered. Boat covers are well worth their cost in helping save the resale value of a boat.

If you have a boat that is pretty well oxidized then you can use a regular auto polishing compound, not a rubbing compound which is too abrasive. Polish it out with a medium speed buffer. A high speed buffer can burn through the

surface of the boat. Then to protect the boat put on a coat of wax. Use a straight wax, most auto waxes are also polishers or cleaners which means they have an abrasive in them.

#### **You must use a plain wax.**

If your boat is beyond what can be rubbed out with polishing compound then you can use 400 and then 600 wet/dry sand paper. And then use the polishing compound followed by buffing and then waxing just like I mentioned a minute ago. There are a lot of waxes in the boating industry, but one we use is Mirror Glaze. Another is McGuire's Wax. Any paste wax will do. We buff with a towel.

A lot of people make a big deal out of whether a boat should be just wet sanded or waxed. A drop of water will roll down a wet sanded surface a lot faster than down a waxed one. So it looks like sanded is faster. But a couple of things happen to a wet sanded surface such as water sticks higher up on the hull so you actually have a little greater wetted surface with a sanded boat. Another thing, the polyester of which the boat and gelcoat are made is slightly porous and when you sand the hull you are opening up little holes so it will absorb more water and increase the weight of the boat. Also the surface becomes very susceptible to picking up dirt. Another thing we do with our boats is to use a fluorocarbon spray before we go to any major regatta. It doesn't make the boat any faster but it does keep the boat cleaner (and therefore faster). Land's End used to sell something called Sail Tack which was a fluoro-carbon. A less expensive product that is the same as MS 22 by Miller Steffenson.

Gelcoat has a lot of funny characteristics such as: it has a limited shelf life, it won't harden tack free, and mixed colors tend to separate out. It's a tough thing to patch with. It's very difficult to spray. It is pigmented resin. In order to get it to harden tack free you can get a wax to put in it or simply cover it when it sets up so that no air gets to it. Cellophane, wax paper, or something like that works well. It's best to avoid using a wax because if it isn't mixed properly it can cause a patch to fall out.

One of the problems with the Lightning is when stored on

trailer bunks it tends to dimple. The boat was not designed to be dry sailed. Especially when rigging the boat before or after a race there can be several people on it and the total weight is just too much. Most manufacturers put extra strength in the bunk areas but often it is not enough. One of the things you can do is have larger bunks and even more important be sure they fit the boat well. The hull does have a memory and over a winter will go back almost to its original shape if there is no weight on the dimpled areas. One thing you can do is set the boat on the trailer a little further forward or back from its normal position.

#### **Repair**

Fiberglass is one of the easiest materials to repair. However it is the most difficult material to repair really well. It is almost impossible to get repaired gelcoat to match the original because the sun oxidizes it and changes the color. But it is very easy to do just the fiberglass patch and finish it up with auto body filler such as White Diamond or Black Magic which are polyesters and will stick well to the fiberglass base and sand easily. Always use a block sander. Then on quick patches we go to an auto supply store and get some enamel or lacquer that matches the boat. This holds up well and you can usually find some that matches well.

For more permanent repairs there are excellent paints now mostly intended for the auto industry. These are two part paints that are often even harder than the gelcoat. All-Grip is a two part polyurethane paint that is excellent. Imeron is another one that is more available and cheaper. It's made by DuPont. Peterbilt and Kenworth trucks are painted with it. You can paint it over gelcoat when properly prepared.

# YOU CAN TELL THE PLAYERS WITHOUT A PROGRAM

by Joe Mark

Sailors are usually so busy fiddling with their boats and sails that they have no time to examine a common by-product of the experience of racing a Lightning. That ingredient involves the social relationships that develop in a fleet. Sailing a Lightning with the same bunch summer after summer results in the development of a certain palship similar to that of shipmates on a long voyage.

We want to take a peek here at some of the fascinating types of characters that make up an average fleet. See if you can recognize some of these types in your fleet:

**The Gentleman Sailor** — He's usually a top sailor, but above all, he is a gentleman, a man of unquestionable integrity and honesty. His actions on the race course are never reckless. He is never involved in tawdry controversies or protests. He may, however, be the Judge at the Hearing. Everyone involved in a protest would want him on the panel of any wrongdoing. Win or lose, the gentleman skipper's behavior is impeccable. He sits tall at the tiller. And you just know that when the day comes that he sails his boat into the great beyond, The Great Measurer at the Pearly Bridge will pass him with a knowing but perfunctory nod.

**The Bully** — in contrast to the gentleman sailor, is a complete rascal. He will do anything to win: absolutely ruthless on the race course, capable of any and all dirty tricks. If you don't know your rules, he'll yell a few out at you just to throw you off while trying to pass you. He may try that even if you know your rules. After the race, his fellow sailors huddle in bunches to recount his dastardly deeds and unbelievable chutzpah. When his boat comes in there's always some other skipper there to meet him screaming and waving a red flag about some outlandish action he perpetrated on the race course. His answer: an equally vehement counter protest. Well, every club needs a villain, and I hope that you have a peachy one, or, a reasonable facsimile.

**The Technician** — This is the scientist-engineer type. His boat is mathematically perfect, as planned out with the aid of a computer. Compasses, angles of incline, sail shapes, weather reports (including the effect of the rotation of the earth), water temperature, wind variables are all carefully measured and weighed. The main problem for this wizard is his crew. Crew come in all shapes and sizes (their weight, for example, is constant and frequently not appropriate for wind conditions) and they have emotions (a troublesome barrier to efficient operation). The crew is supposed to make only useful suggestions, largely of a descriptive or factual variety for the computer, i.e., the skipper to process. But it is most dismaying for this paragon of science to hear from his crew useless input like, "Oh ----, we took the wrong tack again." Well, what are you going to do, it takes three to race a Lightning!

**The Slob** — His boat is always a dirty mess. Fittings are broken, lines are frayed, the paint is bleached, and there are odds and ends all over the place. At home his wife yells at him for leaving his underwear on the bedroom floor, and on his boat he has three years worth of old and rusty fittings, nuts, bolts and such in the bilges. He's always borrowing something big — not just a pair of pliers or some tape — but something like a rudder, or, a jib that he forgot to bring. His personal appearance is similarly unkempt, but he is saved there, because almost all the sailors dress like slobs — it's the accepted and proper uniform.

**The Fleet Champion** — Ah. . . Here we have the cynosure of all eyes, the cock of the walk, respected, admired, even feared — but perhaps secretly hated! They may rush up to him and congratulate him on his remarkable victory after a race, but the hidden thought may be "What's he got that I ain't got — luck, that's all!" The competitive instinct emerges most sharply here, and it really keeps the pot boiling. The Fleet Champion gets the big silver and the 'oohs' and 'ahs' of the admiring crowd. The hope and desire, even need, to displace him springs eternal in every skipper's breast. Some may generate a genuine respect for the accomplishments of the champ, but others may envy his accomplishments and spend all winter devising strategems for his overthrow — short of sinking him.

**The Loser** — Absolutely loved by all. He calls forth sympathy. Everyone gives him advice. Always encouraged: "Hang in there Ebenezer. You're doing much better compared to last year" (when he was last). The Loser isn't just last by five or ten seconds. He is so far behind at the finish that the Committee Boat pulls up anchor and leaves, yelling to him as they pass him that they counted his finish. The Loser takes this humiliation without any anger or a tear. Once, a long time ago, you see, the Loser won a race. There was a 180° wind shift while he was one mile behind on the wrong side of the race course, while the fleet was totally becalmed, and that fluky wind shift swept him clear across the finish line. On that memory, he is nourished, waiting for another day when fortune will smile on him.

**The Beauty** — Every fleet has a Miss or Mrs. America (and probably a Ms. as well). She's the one who sails in a bikini on a hot day (or even on a not-so-hot day). Boats have been known to crash into one another while skippers were intently watching her wrestle with a spinnaker pole on the foredeck. She screams when the boat heels and laughs when jokes are tossed about, but she is apparently totally unaware of her effect on the males in the fleet. Recently when a divorce in one fleet resulted in one such Mrs. America departing the scene, a noticeable sadness settled over the male participants on the race course — but strangely the quality of the racing picked up.

**The Visiting Expert or "Pro"** — is held in reverence and awe. In this respect, a visiting pro racing at a club is treated with the attention and respect of the Pope paying a visit to the U. S. He is the champion of champions — (the one who wins the Nationals and Worlds, and so on. The Loser sidles up to ask him, "How can I become a winner?", and the knowing Pro has a ready answer: "Try my new mainsail. I call it the 'Turkey.' It sets itself to all wind conditions automatically and is especially designed for tur...I mean, modestly performing sailors, like yourself. A new resin applied to the leach causes it to hum a funeral dirge if by some impossible chance it is set wrong, giving you a chance to re-adjust it immediately," Hope returns to the Loser's eyes. The Technician asks the Pro if setting the jib at 93½" for medium airs is right. And the Pro responds with "Yes, of course, you bought my other creation, the ACE, which is only for top notch sailors. That jib can be set optimally for varying winds from 93-¾" to 93-⅝" which makes your 93-½" just right." The Technician smiles and the Pro tries to leave his adulating sailors with a friendly wave of his starboard arm. But the Beauty stops him to ask what colors his sails come in, The Pro is temporarily overcome by the depth of the question, but he recovers his poise regally and answers: "Virginal White, Honey."

**The Athlete** — He's the physical specimen who flexes his muscles as he talks. He can lift boats, climb a mast, pull and push docks around and so on. He'll sail only on winning boats, and his favor is carefully carried by the appreciative skipper. One summer he was an alternate (who never got to sail) ape on the winches on one of the America's Cup losing boats in the trials and in the winter he is sought by the likes of Ted Turner for the Southern Ocean Racing Circuit. I use the word 'sought' in its weakest sense, as I believe he actually heads down to Florida looking for a berth, and it seems to me he is too old to be called a 'college boy' any longer. Nevertheless, he is widely admired by the younger set and sought after as a crew in our Lightnings. Do you have one?

**Mrs. Landlubber** — She wouldn't be caught dead on a Lightning and has never set foot on her husband's boat. But she is always at the club cheering hubby on, a devoted adherent of the sport. She helps out with the lunches, and so on, but she keeps a careful eye on Daddy's new female crew. He, on the other hand, is a regular grouch on land but somehow seems more carefree and cheerier when he leaves shore. When asked why she doesn't crew, she offers, "Oh, I would probably get seasick, or, fall overboard...I just cannot do that sort of thing." Somehow, it seems that hubby never seems to try to persuade her to give it a try.

Well, you can probably add a few types of your own. And, of course, there are mixtures. But put them all together — along with the average sailor, the guy in the middle of the fleet — and you have, more or less, a Lightning sailing fleet. A slice of apple pie away from the turmoil of grim reality. Where else can you get a chance to meet and enjoy such a colorful cast of real live characters — all doing their thing and enjoying it?

# WHEN TO FOOT AND WHEN TO POINT

by Bruce Goldsmith

Maybe you have wondered what happened to the boat that was right next to you for most of the way up the windward leg, but all of a sudden was at the mark way ahead of you. You know you did not do anything drastically wrong — but what did he do that was so drastically right? Just how did he get away?

Your “boat speed” was good, you hung in there for most of the weather leg, only to be on the outside of 8 boats that “just squeezed around the mark” ahead of you, or you were on the inside of 8 boats that “powered over” you as you tried to squeeze around the mark. You simply ended up in the wrong place! What really happened was that your judgement of when to foot and when to point has not been cultivated.

To change direction when sailing to windward, you can tack or foot or point. You have to continuously choose where you would like to be relative to other boats within these limitations. This article will explore when to foot and when to point. Footing is steering below a normal windward angle to gain more forward speed at the expense of windward pointing. Pointing is steering closer to the wind than a normal windward angle to gain windward distance at the expense of speed. Either can fine tune our position without such a drastic measure as tacking. The difference in the effective sailing angle between footing and pointing might be up to 25°, where as tacking varies between 70° and 100°.

The basic rule is to foot to the headers and point to the lifts. In this way you end up on the upwind side of the next shift relative to boats around you. When we consider footing and pointing, we always have six different ways to go instead of just two. The top sailor is constantly juggling the six possibilities of: sailing either tack, footing, pointing, or normal. He picks spots that can be reached by one or a combination of the above that will improve or protect his position. Usually footing or pointing is a subtle way of positioning yourself on a few boats around you. For example, assume you are 20 yards astern of a pack but in clear air. Footing puts you in bad air, Sailing normal gains nothing. Tacking gains big if wind lifts later, but loses big if wind heads. Pointing avoids bad air, gains if wind lifts later, loses slightly if wind heads, but allows a tack that gives clear air ahead and to leeward of the pack rather than just to leeward. Now we again have the option of pointing up or footing, where as any other choice but pointing would have given us no choice.

Sometimes footing or pointing can cause more than subtle positioning. The most extreme usually occurs right after the start or near the weather mark. After the start, you generally cannot tack because of starboard boats, so close attention must be paid to keeping your air clear by footing or pointing. If boats to weather are rolling over you, you should foot only as much as you need to keep your sails ahead of their wind shadow. If boats to leeward are pinching you off, you must point enough to stay to windward of their backwind. When both problems exist, you either started late or are just plain slow. Normally, however, it is a time to be very aware of footing or pointing. If successful you are in the

first row among the leaders. If not you are automatically in bad air and back in the pack looking for a place to tack.

Near the weather marks it can become very critical to foot or point. For instance, you may be just short of the starboard layline on starboard tack. Pointing gets you around the mark ahead of a wall of starboard layline boats. If you don't start pointing soon enough you'll have to take a pair of short tacks and be behind the whole wall. When you have overstood slightly, you must foot or boats will tack to leeward and ahead and round the mark inside of you. Take advantage of your option to foot to position yourself so that someone tacking below you can't lay the mark and someone who takes your stern overstands.

In addition to using footing and pointing for positioning, there are classic times that call for one or the other regardless of position. In general you foot to reduce leeway or side slippage, and gain steering control. Examples are: sloppy water, before port-starboard crossings, before and after tacking. You point to take advantage of the potential close winded conditions. Examples are: smooth water, steady wind, after footing for control, and when overpowered, especially on smooth water and with light crew.

At every post-race rap session the subjects of boat speed and going the wrong way are bantered about vigorously. Sometimes someone gets credit for a smart move or super boat handling. Seldom does a discussion occur about our subject. I'm suggesting that we should all pay more attention to when to foot and when to point.

*Eugene Masker*

# THE NEW CREW

by John DeBenedetti

Much has been written about selecting, teaching and training the optimum crew; about how to get that ideal combination of weight, experience, intelligence and personalities to win the Districts or National championships. We all know its best to have this same crew all year — but for many members of the class having your best or the same crew for every race is not possible.

A planned-for crew can't make it or doesn't show up. This seems to happen to me quite often, particularly for local club races. What does one do when this happens, forget about sailing? No, you find another crew and go sailing!

Many clubs maintain a crew list of available people for crewing. Good crew are offered positions early. As soon as you find you're going to need another crew, get on the phone to line one up.

Many people would be good crew. Most novices are enthusiastic and do need training, but many skippers will not take time to train new crew. It would be wise to have a pool of people you could draw on to fill in crew spots.

In looking for new crew, find someone fairly athletic, a swimmer who will be able to move around the boat with ease. It would be nice to find someone with a cool temperament, who wouldn't mind being yelled at when there are tense moments! I've found that enthusiasm for learning, coupled with athletic ability can cover the deficiency of inexperience.

When you are short of crew and have a novice to fill the spot, spend some time with him going over the boat, equipment, etc. Show him the things he will have to contend with, how they work, and the effect they have on the boat, trim, etc. Try to explain to your novice crew exactly what will be happening in certain maneuvers and just what he'll be doing — being very specific at this time. Get out on the race course early to give him some actual experience or practice without the pressure of being in a race.

*A District Championship (Pacific Northwest)*

Prepare your boat by having everything including the spinnaker in ready position before the race. Once on the course with your new crew it just makes good sense to go through some drills. When I have one crew with little experience we put him in the middle position and coach him from both sides! In pre-start activities I handle the mainsheet myself, the forecrew the jib and I ask the middle crew to keep a watch out for boats and weather — glancing there myself especially to leeward.

Tactics and strategies are discussed with the forecrew, all the time trying to include the middle crew in what is going on and why. When tacking, we try to give a few seconds warning and have the middle crew cross over a little ahead of the rest of us since he will be slower at first. Explain how to hike properly, and you'll be surprised how someone with little experience can help you.

Mark roundings, with spinnaker hoists and lowerings will be your toughest challenge. I usually have the new crew feed the spinnaker out of the cockpit as it is being raised. I, as skipper, bring the guy around to the pole in the correct position while the sheet is left untended for a short while. After hoisting the spinnaker, we raise the board and adjust the main sheet. After hoisting, the skipper can fly the spinnaker until foredeck duties are done. Then our foredeck crew can fly the bag until the jibe.

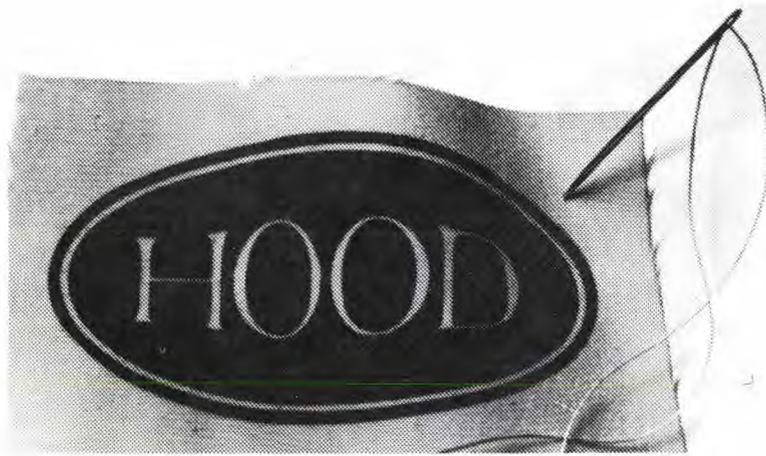

At that point we get busy. Try to start the jibe procedure earlier than usual, possibly falling off to a short run before the jibe. We choke the chute a little more than usual for control. Here a decision must be made. If the novice crew can do it, let him take the new guy coaching all the while as to how much to let out and when to cleat. Meanwhile, the skipper can control the new sheet. Let the main jibe itself, having choked it a bit beforehand if necessary. If the skipper does not feel confident with this idea, he could handle both sheets. Another way would be to let off and pre-cleat the new guy just prior to jibing.

Spinnaker lowerings should be started early, with enough time to allow forecrew to be ready at the point of rounding the mark. The novice crew could lower the halyard during the takedown, skipper handling the sheet, or on a leeward drop, the guy. Skipper can even handle the jib sheet, if it is led to him before hand. You may let the novice crew handle the spinnaker if you feel he can do it. Centerboard, backstay and cunningham adjustments can be done prior to the drop.

All this may seem like leaving most of the work for two people, but within a short time the novice will have picked up a bit of experience, and you'll be able to spread the duties around.

If you are unfortunate in having two novice crew in a race, it will be tough, but it can work out with judgement, patience and calmness. If the skipper can present these qualities during the circumstances outlined above he will help himself and others considerably.

Best of all you will have sailed, had some fun, and had the chance to develop a new crew. Maybe he'll wind up being a permanent crew for you. It's happened before!

**THE NEW STANDARD OF EXCELLENCE**  
with the Murphy & Nye experience and  
the **HOOD** technology, the 1980 **HOOD** sails  
are the fastest you can buy.

All weather Main — Also available for wood mast with tracks.

All Purpose Light Medium Jib — Recommended for winds 0 to 15 MPH and choppy heavy weather.

All Purpose Medium Heavy Jib — Recommended for winds 8 to 25 MPH, light weight crew, and/or smooth water.

Tri-Radial Spinnaker — We recommend this spinnaker as our all purpose sail. The construction makes this an especially durable sail. It performs best on reaches, especially tight reaches, however, it is full size and will run well.

Radial Head Spinnaker — If you sail in light winds, most of your reaches are broad, or for a second spinnaker, this is the sail we recommend.

**HOOD SAILMAKERS**

# LIGHTNING CRUISING

*Editor's Note: In the heat of the racing season I suspect many of us (certainly I) forget one of the strengths of the Lightning that has significantly helped make it the classic that it is. Mainly that this little boat of ours is a very stable and comfortable day sailer. Indeed, as the next three articles point out it even is a serviceable cruiser, though more like back-packing than camping in a motor home.*

*We should be proud of and continue our racing efforts for the Class as this is what best supports our organization. This year we are fortunate that three members have contributed these cruising articles. Past efforts to obtain articles for the Year Book or Flashes on subjects not related to racing have not been well supported by the membership. There is a lot that can and should be written. It is up to the membership.*

*The continued growth of our Class is in part dependent on generating interest in sailing by our younger children. I for one plan to do more day sailing next summer with a couple of youngsters (perhaps future crew) in my family who think sailing around is fun.*

## CRUISING HAWAII IN A LIGHTNING

**"The Owl and the Pussy-cat went to sea**

**in a beautiful Lightning boat."**

**By Morrie and Barb Craig**

My wife and I came to the Hawaiian Islands by sea via a forty-foot sailboat; she as tutor, I as navigator. Having arrived on the "big island," exploring it by boat, and delivering the owner and his family to Maui, we were now land locked and had been so for the past seven months while working at the University of Hawaii-Hilo. The seas were beckoning and we dreamed of exploring Molokai and Lanai by sailboat before returning home.

One of our trips to the University of Hawaii-Manoa campus included a visit to Kaneohe Yacht Club where we discovered a Lightning fleet. Here a boat was for sale and before we realized, our dream became a reality. Our plan was to visit Molokai by land and then sail a Lightning around the island of Lanai to some of the more remote places in the Hawaiian Islands.

Lanai especially haunted our dreams. We had heard of its unspoiled beauty, the coral sand beaches not yet discovered by condominiums, hotels, or hords of people. The island is owned by the Dole Pineapple Company and the two thousand people who live on Lanai are employed mostly in the pineapple industry. We had by now spent some time in the Islands and looked forward to visiting a place not yet caught-up in the twentieth century; and doing this via a Lightning was beyond our wildest dreams.

We chose a Lightning for two reasons: We had traveled the Lightning racing circuit in the Pacific Northwest for three years and felt we knew how to handle it well in all types of conditions. If the weather was unfavorable we could pull up the centerboard, remove the rudder and drag the boat up on the beach. A Lightning is a sturdy boat and fairs well in high winds; moreover, it has a lot of storage room for camping gear and provisions ample for two weeks.

Omitting such details as how to get a nineteen foot boat from Kaneohe to Honolulu and barge it to Molokai, the

next thing we knew it was the afternoon before our anticipated departure. That afternoon my wife commented in that special voice all husbands know, "if we are to die, at least we'll do so together". The channel between Molokai and Lanai was still wearing its caps of white and the subsiding seas didn't comfort me much when a gaze to seaward pictured such turmoil. We had already waited a week-and-a-half for the winds to subside and the cancellation of small craft warnings.

Each day began with a ritual. At four in the morning, one of us would begin our forty-five minute walk on foot to the local docks at Kaunakakai Harbor. Just at day-break we would check the sea conditions by looking out into the channel we anticipated crossing. The locals enjoyed teasing my wife about our plans to sail in such a small boat without an engine across the Kaholi Channel to the island of Lanai. Our departure was a much anticipated event, but as usual the final decision was left to five a.m. the following morning.

The following morning as anticipated, we left Kaunakakai Harbor. The seas were still aroused from the week-and-a-half of small craft advisories but the winds were supposedly eight to twelve knots. We beat up the coast of Molokai for a couple of miles to Kawela, so we could easily reach across the channel. The winds were so still that we either ghosted along or paddled. As we reached out into the channel and lost the lee of the island the winds freshened up to seventeen to twenty-one knots and we found more than a few white caps. Even now it is surprising that we couldn't see the "wind-line." Initially the seas looked over-powering and I had one of those "weak-in-the-knee" feelings, but as the crest of the first wave approached, instinctively we pointed "Owl & Pussy-cat" downwind. Often we had been in races with overpowering winds and the Lightning's spinnaker had taught the survival response of falling off when sailing down wind. We returned to a reach and our intended course to

Shipwreck Beach. However, a few threatening eight foot frothy green curls and trying to control our Nantucket sleigh. At first we were not planing easily because all our gear was stowed forward. By the second big wave, the first mate was thrusting gear aft, while trying to hike to keep the planing boat level. It was one of the few times she wished to weigh two-hundred-fifty pounds instead of half that. Since the captain was ordered to keep his eyes glued seaward and a steady hand on the helm, the mate relegated herself official photographer. Some of our pictures are priceless and depict our first feelings of uncertainty. After a few minutes we were accustomed to the groans and creaks of the boat, and twangs of the rigging. We proceeded to enjoy the challenge of the very fast crossing. Fifty minutes later we had traversed the eleven miles of Kalohi Channel; safe, reasonably dry, and excited over the exhilarating Nantucket sleigh ride we had just encountered. The "first time", no matter how trival, is always special and so was the first crossing for us.

Just a little east of Pohakuloa lighthouse on Lanai there is a break in the reef. After consulting the chart again and scanning the area, this channel was chosen as our entrance. As we neared the lighthouse, the sails were dropped and centerboard slightly raised. We paddled in thru a narrow channel until we could get out and walk the boat down the reef. Here the boat lay behind a protective reef in about two feet of water with a coral sand bottom. We set up camp among the Kaiwe trees and enjoyed the rest of the day skin diving for lobster and shells, and sleeping on the beach as we would a number of times in the ensuing weeks.

Our camping adventure from Pohakauloa Point to the pineapple harbor of Kaumalapau, our trip to Five Needles and to Palaoa Point (an ancient fishing village), and our return crossing to Kaunakakai Harbor all remain untold. After three years we still reminiscence and think of this crossing as one of the most exciting segments of our year-and-a-half traveling throughout the Hawaiian Islands.

# THOUGHTS ON CRUISING AFTER TEN YEARS EXPERIENCE

by Susan Peterson

While the Lightning is widely acknowledged as a fine all around day sailor and racer, relatively few people seem to be enjoying their boat as a cruiser, though in these inflationary times it seems logical to do so (see Buckman's article in the Small Boat Journal, 1979 nos. 4 and 5). The Lightning is a fast and able little cruiser which can penetrate shoal waters and harbors forever denied to larger boats. With a little imagination, a few precautions, and some relatively inexpensive equipment, the Lightning can be a reasonably safe and comfortable overnighter.

I cruised my boat, 4879, for two summers on the Chesapeake and travelled hundreds of miles without mishap. There are many other areas equally as well suited to Lightning cruisers and I hope this article will encourage a few individuals to venture forth with the family Lightning who, contrary to popular belief, is a surprisingly capable and versatile cruiser.

I found conventional camping gear adequate for my needs, but all of my cruising was done solo, and it may be that with more than two people more extensive use of lightweight backpacking gear would be necessary. An inexpensive tarp served me as a boom tent and was carefully folded and stowed forward under the foredeck each morning ready for easy deployment at the next evening's anchorage. I anchored out each night preferring not to risk landowner hassles by camping ashore. I slept under the foredeck of my boat and used a foam pad and piece of plywood under my sleeping bag. On a fiberglass boat with a forward buoyancy tank it might be necessary to devise a way of converting the cockpit seats to bunks perhaps by using a piece of plywood or canvas between the seats and centerboard trunk.

For cooking I employed a Coleman stove and used mainly canned goods and fresh produce. I did not carry ice as I found it too bulky and expensive. Bread and some fresh vegetables and fruits will keep for at least three or four days even in Maryland's warm summer climate, provided the produce is carefully selected. Fruits and vegetables must be unblemished and not too ripe to begin with. Sweet potatoes, carrots, apples and pears all keep fairly well. I usually cooked breakfast and supper on shore, and for lunch relied on a quick sandwich and a cup of coffee from a thermos while under way. When it rained I used a solid fuel 'Sterno' stove on board the boat to heat a can of stew as I felt the gas fueled Coleman stove shouldn't be used on the boat. Breakfast was usually hot cereal, pancakes, or occasionally granola type cereal.

Supper often centered around some convenience type food such as flavored instant rice with canned meat added, or it consisted of a one pot creation like spaghetti or tunafish and noodles mixed with mushroom soup. One should take the precaution if carrying canned goods to be sure they are well water proofed. Labels wash off and cans will rust through in a surprisingly short time if wetted by brackish or salt water. I carried about a week's supply of food and preferred to buy fresh produce every few days. (Make sure, in the South at least, that you unpack the groceries before you go aboard. I spent half an hour hunting down a stowa-

way cockroach one day after I brought a bag aboard in Solomons, Maryland. Because of its weight I carried only three or four gallons of water in individual one gallon containers. I then frequently visited either a marina or an anchored cruiser to replenish my supply every few days. While perhaps not the ideal approach, I never ran out in the relatively populous waters I sailed in.

Stowage of food and equipment was not difficult for a solo cruiser but might call for more attention as to optimum trim of the boat if several people are aboard. Most of my gear went forward under the foredeck near the mast step with the space under the seats, sidedecks and after deck reserved for a few easy to reach items such as a thermos or a package of "munchies". A net hammock under the side deck near the helmsman and forward under the foredeck along one side of the boat were handy for small items. Some older Lightnings have a handy drawer under the after deck for "fragiles" and dry storage. All gear must be stored in large plastic bags or otherwise water proofed to protect it from spray and bilgewater. I kept my matches in several different areas of the boat.

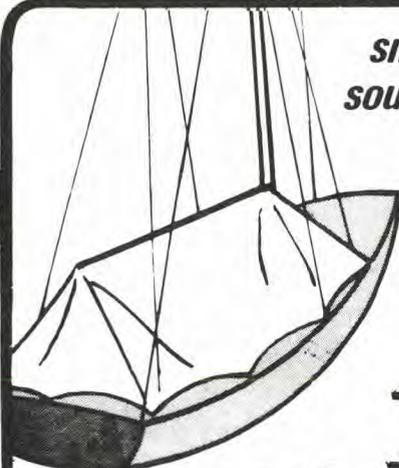

My day of cruising would begin with breakfast on shore after which I would stow sleeping bag, the "gallery" and tarp, and get underway with at least a vague idea of my day's destination in mind. The distance of each day's run depended in part on wind and weather as initially evaluated each morning.

While cruising, getting there is most of the fun, but occasionally the winds can strengthen or die while you still have several miles to go. When becalmed an outboard of two or three horsepower is an ample auxiliary but don't expect it to push your boat against strong headwinds or four foot seas. Motors have drawbacks such as the need for a bracket and carrying flammable fuel, but in some situations such as negotiating narrow channels against tidal currents little else will suffice. Most small motors will get ten miles to the gallon and a two gallon fuel supply was adequate for my weekend cruises. Carry a shearpin, spare plugs, a fuel filter, and the motor should keep running. Paddles are fine for short distances with flat water and no wind but Lightnings make poor canoes. I have never tried oars but suspect the boat's beam would require sweeps of at least eight feet with attendant stowage problems. A single scull off the stern would probably work better.

If the winds freshen it is imperative to reef when the boat becomes overpowered (about fifteen knots for a light weight single hander). When cruising a small capsizable boat one must never hesitate to reduce sail. It is far more difficult to take in sail after the wind gets so strong. When in doubt, reef. It is always easy to take a reef out again. Tied in reef points are easier and quicker to use than threading a single long lace through the grommets. I recently installed a small cheek block on the end of the boom and a cleat several feet inboard for jiffy reefing which has worked very well allowing me to reduce sail area in a few seconds.

If the wind gets too strong for reefed main and jib the Lightning will sail under main alone, though she is slow and

*snug,

Flannel lined, water & mildew resistant canvas. Lightweight and easy to store. Quick closing dot fasteners. **FREE Dacron or Duck repair kit** (List price (2.50) with any order of \$25.00 or more. **Domestic shipping charges prepaid.** Add local sales tax on New York shipments. Send check or money order and address to:

will not go to weather as well. If it is blowing that hard it is probably best to forget any windward progress for that day anyway. The Lightning will reach under jib alone, but will not make much progress to weather even in smooth water. I never had to try using the jib as a storm trysail though with some line for lacing it to the spars it would probably be fairly easy to rig.

Always when cruising in a Lightning plans must be flexible. If the winds shift or lighten or if a squall threatens, you must have an alternative to your original goal in mind. With an open boat such willingness to change plans is essential for cruising in comfort and safety.

It goes without saying one should have acquired some heavy weather sailing experience before starting off on a cruise.

Although most cruisers usually reach their anchorages by sunset occasionally you may have to sail at night. Running lights are an absolute necessity (*ed. note: legally required*) in the populous waters of the Chesapeake as is a big flashlight to shine on your sails should an oncoming power boat overlook your running lights. A small bow mounted light should be placed all the way forward or it may be obscured by a deck sweeper jib or by the deck itself if the boat is heeled much. At anchor a light is also required. I used a cheap kerosene lamp which was secured to the forestay with my wire spinnaker topping lift.

The type and size of anchor to carry depends on your area, and the bottom types in your anchorages. The advice of local cruisers is best sought on this. On the Chesapeake with its usual soft mud or sand anchorages a light six pound Danforth was adequate for my needs. I also carried a larger anchor for peace of mind on windy nights. I carried only 100 feet of 3/8 nylon line, minimal even for the shallow Chesapeake Bay. In an emergency one could use extra dock lines or the mainsheet to lengthen the scope. Always set the anchor well and take bearings before retiring as wind shifts or tidal currents can trip the anchor. Lightnings seem to be especially active at anchor compared to larger heavier boats and will swing about in wide arcs in a strong wind, (always have the board up all the way or the boat will sail about her anchor even more actively.

Aside from a good anchor some other safety gear I found useful included a compass, a large bucket for bailing, a spare paddle, a sail mending kit, and an assortment of screws, bolts, pins and extra line. I also take along a few hand tools and on long cruises, some glass cloth and resin, epoxy putty, and caulk for emergency repairs. One should also have a good bilge pump on board. I take binoculars to identify bouy numbers and a portable radio to receive weather reports.

Common sense and anticipation go far in making a Lightning cruise safe. Conditions can change radically in an hour or so, and a wise cruiser is always looking aloft for clues in the clouds. My elderly Lightning is equipped with side floatation (Sept. '72 *Flashes*). Obviously it is best to avoid situations where capsizing is likely, but if one occurs it is usually best to stay with the boat. Probably the most common hazard for open boat cruisers is the summer thunder squall. These can be very dangerous with their short lived but strong winds and may give only a half hour's notice of their approach. In some areas you may sail near shipping channels and if you decide to cross a narrow channel look both ways first! It is very easy to underestimate an oncoming freighter's speed. They are often traveling twelve knots or more and even a tug may be steaming at a good speed. At night look for the two white masthead lights and be sure they are never paired vertically. Generally the best route to go in open boat cruising is the most conservative route. Given reasonable care, however, and sailed sensibly, the Lightning will also take care of you.

Once tried, Lightning cruising may prove addictive. I have made cruises up to four hundred miles in length without major difficulty, and most of the time when I have gotten into a tight spot it was due to poor judgement rather than to any deficiency on the boat's part. Indeed, she has gotten me out of several situations that a less able craft might not have. The Lightning is a fine little cruiser. After ten years of sailing my Lightning I am still impressed. I would not have missed the pleasures of thirty mile spinnaker runs, snug tree lined coves, and social exchanges with fellow cruisers at a popular anchorage for anything during our years on the Chesapeake.

# Bare Bones Cruising — The Simplest Way to Go

by David Buckman

*Editor's Note: Reprinted from May, 1979 "Cruising World"*

It's a bit of a disappointment for the owner of a small sailboat to find that the book he just bought on cruising considers the *small* boat to fall in the 24' to 35' range. Further leafing through the pages reveals cabin arrangements, sleeping accommodations, winch placement, tankage figures, engine options, wheel steering and flush-mounted instruments.

There are thousands of small sailboat owners who consider their 15' to 20' craft to have some cruising potential but find that almost all the books written on the subject have little bearing on their circumstances.

As the owner of a 19' Lightning class sailboat that has been customized slightly for cruising, I have begun to explore our coasts and lakes. This bare bones approach allows me to cruise while still within the limits of current economic realities. Also it presents an intensive learning experience and provides background for a longer cruise in a larger boat.

Extensive offshore cruising has been done in craft within these dimensions but it is not my intention to deal with that. Instead, I'll relate some of my bare bones experience which might be helpful to the sailor ready to expand his or her horizons.

There are hundreds of boats in the 15' to 20' range. Of this group, most are open cockpit centerboarders. A few feature small cuddy cabins. Some of the notable and tested designs include A. R. True's Rocket, the Rhodes 19, the Comet, Lightning, Drascombes, Flying Scott, Mariner and many other local favorites.

The Lightning is a Sparkman & Stephens design that

*RIGGING..It takes about 45 minutes to launch and rig the Bare Bones Cruiser. This scene was captured at Muncongus, Maine.*

*SAILPLAN ADDITION..Gilford, N.H. Lightning Sailor, David Buckman has added a 100 sq. ft. genoa to the sail inventory in his "Bare Bones Cruiser" which he uses for coastal cruising and inland lake sailing. With the boom tent up and bunk boards installed it also provides sleeping accommodations.*

came off the board in 1938. It was billed as a family daysailer/class racer and is one of the most popular class boats in the world with almost 14,000 of them active in 1979.

This hard chine boat features a hefty 6'6" beam and a draft of 5' with the board down. With the board up you can glide along in a mere 16" of water and it beaches easily.

In stock form the boat carries 177 sq. ft. of sail in the main and jib and flies one of the largest spinnakers in this size group, an impressive 300 sq. ft. In racing trim the boat weighs close to 700 lbs. Fitted out for cruising my boat tips the scales between 780 to 820 lbs. This figure includes food and gear for two crew on a two or three-day jaunt. The large cockpit offers enough space for two adults, and there is plenty of storage space forward and under the seats.

The interior of the boat has been slightly modified to improve its cruising capability. Two drawers and a stowage area were built into the lazarette area. These hold tools, spare parts, cameras, batteries (C-D types), wet gear, cushions, navigation gear, lights, horn and other small items. Thin pine slats attached to the frames next to the mast step accommodate the 2½ gal. fuel tank, sails, anchor, blanket, pad, food and clothing. Several small shelves built into the topside frames hold tonic cans and other gear that always seems to clutter the seats. A water container is strapped beneath the thwart seat and life jackets are wedged neatly between the topside frames and seats.

The Lightning cannot be classified as a “tippy” centerboard boat. Its design makes it a surprisingly upright machine. During the 1967 Pan American Games a sudden storm, packing winds of up to 45 kts., almost leveled the entire fleet of Finns and Snipes but all but one of the large Lightning class completed the race!

Certainly the kind of cruising I’m talking about has little to do with these feats. It does, however, point out the stability and safety of the boat. In eight years of racing and four years of cruising, I have yet to capsize ... in spite of getting caught in winds of up to 65 mph.

To enhance the already good light air performance of the boat I have added a 100-sq. ft. genoa to the sail inventory. It adds spirited performance on all tacks. With a main and genoa of similar size (125 to 100 sq. ft.), this arrangement makes a stable downwind rig when running wing and wing. The sail can be trimmed without a winch and uses the same car and block as the jib.

The genoa was hanked on about 70% of the time during last summer’s sailing season. On a recent trip from Perkins Cove, Maine, to Rye, New Hampshire, the big jib helped us ghost 25 miles in seven hours despite the fact the occasional zephyrs barely rippled the water. In a moderate breeze you can make five to eight knots comfortably and when the

winds get rolling the miles will tick off at up to 10 kts. or perhaps even a bit more.

When the winds get up into the 20-kt. range, this 227-sq. ft. combination has to be reduced. A 50-sq. ft. working jib with a high clew makes for an easier motion in a breeze and provides excellent windward performance.

Reducing sail requires some planning and solid footing, particularly in sloppy going. I usually wear a safety harness. With practice, you can reduce the time of a sail change to as little as five minutes, doing it alone in a fair chop. Planning ahead by moving cars and blocks to the appropriate track, leading the lines and knotting the ends adds efficiency.

A concession to technology is a 3-hp outboard engine mounted on the transom. It’s a convenience and has performed well for us. Though I have seen none, the Lightning could be outfitted with oarlocks and 8’ to 10’ oars. This combination would probably move the boat quite well.

A Lightning or similar craft may offer sailors looking for performance and economy an attractive buy. With the switch to fiberglass construction, wood Lightnings can be found in many parts of the country. The class newspaper, *Lightning Flashes*, issued monthly, lists dozens of boats for sale. Prices for an older boat range from \$1,000 to \$3,000 and most of them include a trailer, cockpit cover and sail inventories. Write to the Lightning Class Association, 808 High St., Worthington, Ohio 43085.

A properly-designed centerboard boat may be able to deal better with a number of conditions than its fixed keel counter-part. Lying ahull or running under bare poles, the motion is easy and broaching is unlikely as the tripping force is absent.

In heavy winds or when singlehanded the skipper needs only to raise the board a foot or so to lower the tripping force. This does not always create as much leeway as you might suspect, though the helmsman should be aware of the possibility. The ability to raise the centerboard opens up miles of gunkhole cruising that excludes deeper drafts. Encounter an occasional ledge or sandbar and the board simply rides up and over the offending object with no damage other than a bit of chipped paint.

For coastal cruising we carry some basic navigation equipment such as a compass, charts, watch, dividers, plotter and a speed measuring device. The Davis Knotmeter, which is held over the side in the water, is accurate enough

*BREAKFAST..Scrambled eggs for breakfast is a good way to start the day and just about the limit of the authors cooking skills. Part of the sleeping arrangements can be seen under the boom.*

for short hops. The two radios I bring along are a multiband receiver with AM, FM, shortwave and weather frequencies and an inexpensive, handheld CB. Navigation is done on a 18" by 24" charboard which I hold on my lap. The charts are held in place with shock cord that also keeps pencils, plotter and dividers in place.

My cruises, up to this point, have been within sight of land, with several exceptions. I have wandered no farther than 10 miles offshore and most of the time stay within five miles of land.

Night sailing, we've discovered, is a wonderful new realm of moonlight and stars and often light winds that make sailing a joy. Once night vision develops it is relatively easy to identify buoys and landmarks. Illumination for my bare bones cruiser consists simply of Coast Guard approved, battery-operated stern and bow lights, but since changes in lighting requirements are apparently in the works an inquiry should be made to insure compliance. Early evening boat traffic calls for a sharp watch but after 10 pm you may have the waters to yourself.

My passages have not been of awe-inspiring length but have been plenty for us so far. I have sailed among the islands of Maine and have made a run from Portland to Cape Small and back. Another trip from Rye, New Hampshire, took me off the Maine coast on my way to Kennebunkport and Perkins Cove in Maine and back to Rye the next day. From Portsmouth, New Hampshire, I have explored the Isle of Shoals and York, Maine. A cruise on Narragansett Bay, Rhode Island, was cut short by a broken mast. I have sailed the waters of Lake Ontario as well as the 280-mile shoreline of my home waters, Lake Winnepesaukee, New Hampshire.

Where you make your cruises depends, of course, on your location and situation. Unless you've had considerable offshore experience most sailors would not attempt a blue water excursion. Due care must be used to insure you don't overextend your knowledge, skills and the ability of your equipment. As skills and experience accumulate, your horizons will expand.

Since small boats provide varying amounts of protection from the elements, it is important to keep abreast of the weather. The acquisition of local knowledge is an interesting part of any cruise. I try to inquire of fishermen and boatyard personnel about local peculiarities and notes of interest. I have always been treated courteously and have found that most people appreciate having their opinion valued. As a guest at any dock or mooring, you have a responsibility to conduct yourself and boat in a proper manner.

Launching ramps are found in almost all ports and they range from good to really poor. Check it out before you use it. Find out if you can retrieve at or near low water and look for a paved or concrete ramp. Launching fees run around \$2 with daily car parking about that same figure. I have paid as little as \$6 for weekend dock space. You cannot count on guest moorings or dock space during the high season.

During several of my overnights, I have slept on the cockpit floor upon a pad. This spartan system is adequate but I am devising a new arrangement for next season's cruising that will consist of  $\frac{3}{8}$ " mahogany slats that can be slid into brackets and supports so that they are flush with the seats and create a sleeping surface over 30" wide. The lightweight slats can be quickly taken out in the morning and stored beneath the deck. A foam pad will serve as a mattress

with a blanket which I prefer over a sleeping bag because of its ability to dry quickly.

Carrying an adequate supply of food poses no problem in the *Lightning*. My experience has been that food requirements for a three-day cruise with two crew can be stored in a cooler and a small box. Whether you plan to cook aboard or to eat prepared foods is up to the crew. I have found that a mixture of both works out well for us. You can cook ashore over a campfire or aboard at anchor by using a compact, single-burner stove. Restaurant meals offer another alternative, but keep in mind that prices increase with the popularity of the port.

Planning is the most important aspect of cruising in a boat this size. This means selecting carefully the gear, supplies, spares, navigation tools and many other items you take along. Essential planning is necessary because without it situations can arise where injury and aggravation are a real possibility. I have found through experience that there are many small but logical procedures that can be used to increase the efficiency of living in tight quarters and promote safety. Singlehanded is probably the best learning situation there is. A poorly executed move can often set off a chain of events that can occasionally make for moments of anxiety.

The economics of bare bones cruising are attractive when compared to other vacation trips, short of hiking. Your major expenses will be for food, parking and launching fees as well as mooring or docking charges, if any. I have found that after Labor Day several Maine yacht clubs made no charge for launching, parking, mooring and launch service. The expenses for my recent trip from Rye, New Hampshire, to Perkins Cove, Maine, totaled just \$25.

I suppose that many sailors who have graduated up through the ranks from daysailers to weekenders and offshore cruisers still have fond memories of the simple class and production boats in which they began. Certainly, in the case of the *Lightning* you have a high performance boat that handles well on all tacks. Enhancing this is the skipper's ability to cope with a minimum amount of time and cost with a very human-sized package.

*CAMDEN, ME..An important part of the cruising experience in the *Lightning* is the discovery of new worlds and the constant learning experience that it presents. We spent several days in this port and tied up among 5 schooners.*

# FOUR HEAVY WIND EXPERIENCES

## Jim Crane

Our editor has bridled me with the Machiavellian task of recounting to you my worst sailing diaster under the guise that it will enliven the Year Book. Edgar Allen Poe's tales of doom and destruction ironically made for popular reading, so why not the sufferings of some poor soul riding the hull of his turtled Lightning. Upon musing on this problem, I surmised that it would at least teach me humility, always a worthy quality. The problem, however, is not whether I have a tale to recount, but rather which one. Reliving my brief career on the water, I've found that the disasters are not only numerous but abundant.

I have turned a Lightning over 7 or 8 times and lost at least three masts. On a more grand scale, I have dismasted a ½ Tonner 65 miles off Montauk, Long Island, with only a half gallon of diesel in the tank. Here is my favorite.

It was the coldest early June morning on record as my crew and I prepared to push off from the Buffalo Canoe Club for the first race of the Frontier Regatta. Frost lay heavily on the Canadian countryside and it was rumored that ice had been floating in Lake Erie only ten days before. It was blowing a very stiff 20-25 knots out of the north as my crew and I lumbered about the boat in ski jackets and heavy foul weather gear. Fingers were not working very well and, while never uttered, we wondered why we were going sailing. Probably only because everyone else was.

We went out early to practice a bit as it was our first time sailing that year. On practicing a tack the jib sheets jammed and the boat instantly went in. Everyone realized that the water must be unbearable as we all scrambled for the high side. The boat being a sinker, however, slowly settled in and the frigid water inched up our bodies. The crew looked to me with the message: It's your boat, you get to go swimming. A power boat eventually arrived on the scene, but its owner had absolutely no concept of what to do. After much scrambling, yelling and suffering, we were dragged to shore. After a hot shower, we rationalized that it was only a capsized, it wasn't that bad, and we were going to tear them apart in the afternoon race.

For the afternoon's race we had a mediocre start and arrived at the weather mark in fair shape. We quickly set the chute and planed into third spot at the jibe. Victory was within our grasp. The two lead boats dropped their chutes but we made the decision to go for it. We executed the jibe successfully and were now in second. However, a huge puff had descended upon us out of the north and we found ourselves on an absolutely flat-out plane heading 40° below the mark. We knew this wouldn't do and while we were discussing our options I informed my crew that the rudder had just sheared off. They looked at me with total disbelief as we all realized what this meant. We did a total cartwheel as the boat turtled. It was spectacular! Even the water felt colder than the first time.

Once again we were dragged to shore to the cheers of our friends. Besides the wounding of our pride and the loss of two spinnakers, I found that I had taken the car keys out sailing and they now resided at the bottom of Lake Erie. Have you ever tried to find a locksmith on a Sunday in Canada?

## "Count" Zettler

Let us talk of jaws that bite — and claws that catch — and vorpal blades that turn you over. Back in the days of my youth when I battled the "Frumious Bandersnatch" way down in Louisiana on Lake Pontchartrain, we Cajuns capsized with reckless abandon. We did it on the start line, on the finish line and at the gybe mark. We did it winning the race, losing the race and some of the foregoing simultaneously. No problem. A Lightning doesn't pitch-pole like a multi-hull or become a catapult to oblivion like an iceboat. Rather, it offers a somewhat benign baptism for violators of the laws of physics. However, in retrospect there was a time which makes me shudder to think how the hand of fate might have been played.

Having somehow forgotten to show up for work, I gimbled on the waters of the lake quite alone about two miles offshore. Then a thunderhead darkened the sky in the northwest, and I could see the beast scuttling across the water burbling as it came. I remember sailing to a mark close by, tying on and taking the sails down. I do not recall the logic of this at the time, but the next thing that comes to mind was ... snicker-snack ... being in the burbling water holding on to the uffish boat. The vorpal blast had knocked old 9176 flat with bare spars.

For a long minute I agonized over whether or not to swim for the rudder which was rapidly whiffing away in a 2 or 3 foot frothy sea. What would you do — swim for it, or untie the boat and drift for it? I did neither ... which was nothing ... which is the easiest thing to do. I don't think I saved the paddle, bailing bucket, or my life jacket either because three hours later when some shrimpers came by, I was still tied on that slithy mark with the uffish boat floating on its side.

This episode has little moral or educational value except that if you want to sail without a paddle or bucket, you might take up racing as I did. (I never said I was playing with a full deck, did I?) Stay well out in front as I do so if the Jabberwock strikes, you will be noticed floating directly in the path of those on-coming boats which will be galumphing in your wake (loaded down with all them paddles and stuff).

## Jack Mueller

One time we were caught in an 85 mph squall on the way to the finish and I wasn't going to give up. We were moving up and we figured that if we capsized we probably needed to capsize. Also, if we did we would hold the boat down until the wind settled down. Well, we went over and huddled on the board. The wind then turned us around until we were pointed into the wind. I had to walk out to the spreaders to make sure wind didn't get under the sail and right the boat because that would have been an even bigger mess. Something we really didn't need. Another way to prevent the boat from turning around into the wind is to have someone sit on the hull at the stern to hold it down into the water to reduce the windage aft. After what seemed like years we righted the boat, a decision aided by the fact that our fellow competitors were getting back up and going too. I believe the whole

fleet went over, temporarily delaying the finish of the race.

While now heading for the finish we looked around to see how our mighty sea fairing friends survived. We took particular delight in viewing one of the better known old salts of the class climbing mast and headed for the finish with mainsail head in hand. It seems that in the true tradition of sea they had slashed their halyards in these survival seas.

### **Bill & Bonnie Shore**

Having very little experience sailing in 50 - 60 mph thunderstorm-type winds, I'll try to describe some of the things we do in very, very heavy air — 25 to 35 mph. To start with, we assess our ability as this will determine how aggressively we will sail around the Lightning course.

After the start, it is most important to sail the boat as flat as possible, pinching to keep the boat on its feet. The backstay should be pulled quite hard to flatten the main. However do not pull the backstay to the extent that the main turns inside out. The main must have some fullness. Depowering must be accomplished by easing the mainsheet, letting the upper portion of the mainsail twist open. This is extremely fast in heavy wind, big sea conditions.

At times, the boat will balance better with the centerboard

slightly aft of its "all the way down" position. However, expect some difficulty tacking with the board aft of its normal location. We sail with the board all the way down all the time while beating.

In some conditions, when the wind exceeds 35-40 mph, a Lightning can be faster with the mainsail only. However, in taking the jib down it is extremely important to be sure it is fastened securely under the shock cord.

As you reach the end of the weather leg, you must decide whether or not you will fly your spinnaker. If you decide to do it (most people won't) have it ready as soon as you round the windward mark. Hoist it immediately and sail low of the course if need be. Do not be caught in the predicament of rounding up continuously while you are trying to point high enough to reach the next mark. You will find your over-all performance will be much faster if you bear away sail the boat on its feet as low as you have to, until you reach a point where you can set the jib, take down the spinnaker and readily plane to the next mark. When you do set the spinnaker after rounding the mark, leave the jib up. It will not hamper your performance and will be ready to go when you decide to take the spinnaker down. Concentrate full time on keeping the boat planing fast.

In very heavy wind conditions, be careful in assessing the ability of your crew. It will be a long race — wait for the other guy to make a mistake. He almost always will!

The terrific Lightning posters designed as one of the gifts for participants in the International Lightning Class Association North American Championships and also for use by the Class are now available to all sailors.

Described as "real eye catchers superbly portraying our favorite sloop" by one who wrote for a set, the posters are full of color and action. Taken from color slides of shots during actual races they are eye catching. Each is 20 by 28.

The set of four costs \$5.00.

Available from I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085.

# THE WORLD CHAMPIONSHIP DECIDED BY A CLOSE FINISH AND TACTICS

by Glenn Darden  
(who won)

The 1979 Lightning Worlds will probably best be remembered as the year of the blow.

Some 53 competitors from 12 countries came to Lake Ray Hubbard and Rush Creek Yacht Club expecting moderate to light breezes and hot temperatures. Well we got the temperatures, but there was just a little more velocity to the wind than anticipated.

A large low-pressure system stalled in the Texas panhandle and didn't move for the entire week. This produced 20-30 knot southerly winds which never quit.

The organization of the regatta by host fleet #435 and Rush Creek Yacht Club was excellent and the hospitality tremendous. The races were expertly run by Jim Anderson

and his assistants. The fleet averaged two general recalls per race and on the whole was aggressive.

The first race was held in 20-25 knot wind. Don Brush, Jim Neville and Jack Elfman led the fleet around with Bill Shore and Tom Allen close behind. We rounded back and slowly picked off boats. Brush, showing us all great speed and pointing ability, won the race with Neville and Elfman in second and third. We took Allen and Shore on the final beat to finish fourth. Stephen Craig sailed a fine last leg also catching Shore to finish fifth.

The second day was cranking harder than the first. Two races were scheduled for the day. The puffs were over 30 at times for the morning race. We had an excellent middle of

the line start and played shifts up the middle to round first. We set our chute, hit a huge puff, and blew out a clew. Jim Crane passed us as did a few other boats. Shore rounded in a pack and capsized. We set out runner on the next reach and gained back to fifth. The leaders went right while we played the left. We caught an excellent port lift to round 200 yards in front. We set, jibed, and capsized. Jim Dressel held off raising the spinnaker, then set it on a long starboard reach. He doused, jibed and came to the leeward mark under jib. Crane was more aggressive and took the lead. Brush was in good shape, but flipped later on the run. We recovered to round the leeward mark 9th. Brush fell to 19th. Crane covered and won by a good margin with Dressel second. Shore couldn't sail out and took a DNF.

The race committee cancelled the afternoon race due to high winds and breakdowns.

Matt Fisher had an excellent start in the third race and rounded the weather mark first. We started down low and picked shifts up the middle to round second. Crane got inside us at the jibe mark and Brush gained on us. The leaders went left the second time up. Shore, rounding in 5th or 6th, got a big shift on the right and took the lead by a good margin, increasing his lead on the reaches to win. We rounded the leeward mark in third outside of Fisher, but with good speed we soon forced him to tack. Brush went farther right and took us coming to the finish line for second place.

I feel in Kelly Gough and Doug Shelton that I had the best crew there. They never doubted winning even in the darkest moments. We stuck to our game plan of consistent top "five" each race and we never gave up. We also had a large portion of luck, a necessary ingredient for any win.

The fourth race was all Bill Shore's. He got out to an early lead and was never threatened. Larry MacDonald, Brush,

and Crane were following. We had a terrible start but were able to cross the grain immediately without ducking too many sterns. On the second triangle we got an overlap on Crane and Brush at the jibe mark and were able to round the leeward mark third behind Shore and MacDonald. It was now a battle for second as Shore had a good lead. Near the finish we tacked below Brush, who came from the right, and above Crane and MacDonald. We crossed second just ahead of Brush, with Crane fourth and MacDonald fifth.

Shore won his third straight race by starting well, being close on the first beat, and passing boats on the reaches. Elfman rounded the weather mark first. We were around second but were caught low and were passed by Dressel, Shore, and Brush. The leaders played the right side on the second beat and gained. We were left and fell further behind. Shore pulled out to win and Dressel just took Brush at the line for second. We passed Elfman who was on the left side to finish fourth. Crane had his worst race to tighten the scores even more.

We had plenty of time to figure the scores as the final race was scheduled for the next day. Going to the last race four boats had a shot at the title. With a throwout Shore was leading with 9 points. Brush was one point back at 10. We had 13 and Crane had 18. Jim Dressel in 5th had a mathematical chance to beat everyone but us. Shore and Brush each had a bad race while our worst was a 9th and Crane's an 8th.

The final race, an Olympic course, was sailed in the lightest air of the regatta, 15-20 knots. After the usual general recall we got off to a good start near the committee boat. Dressel was right above us and Shore with a better start was a few boat lengths to leeward. Brush started behind and tacked right. We battled with Shore in the middle of the course. They were slightly ahead and crossed us on port.

Instead of planting it on top, Shore continued to the right to make sure he had Brush. We got out from under him and had the lead at the weather mark. Brush rounded about 7th but capsized with his chute up. Crane was back also so the two-boat battle was on. We increased our lead but Shore was still in second. We closely covered Shore on the second beat but the fleet gained very little distance. Shore gained on the run but we kept our inside at the mark. Garry Demarest, Fisher, Dressel and Mario Buckup were gaining but were still behind. We stayed directly in Shore's wind going back up, driving off when he did. After about four tacks, Dressel had taken Shore. Fisher and 3 other boats were heading right. Halfway up the leg we had lost the lead and were in about third or fourth with Shore in fifth. It was here that we

decided to let him go and to try for the lead. Shore tacked back right to try to consolidate but took a bad heading across. We were near the port tack layline when we tacked. Demarest crossed and tacked above us but left our air clear. Fisher crossed the line to win the race. We were able to drive out from under Demarest to just take second. As we crossed we turned to see a line of boats on the starboard layline coming in to the finish — Dressel, Buckup, MacDonald, and Shore.

We had done it with not one boat to spare!

It was a hard fought series all the way. Don Brush sailed very well throughout the regatta but had two unfortunate capsizes. Bill Shore had a super series with three firsts but was unlucky at the end.

## EUROPEAN CHAMPIONSHIP IN HELSINKI — JULY 79

by Jean-Claude Dupasquier  
(who won)

*"I was really amazed by my boatspeed..."*

For the second time in my Lightning life, I have the pleasure of winning a European Championship.....and accordingly, of writing the difficult report for the Yearbook. But I take it as a privilege, because it's important to transmit the good spirit of the Lightning Class!

I must confess that I was very surprised to be again at the top — and already for the tuning-up race — for several reasons:

- My training had been very poor before the championship.
- I hadn't used my new sails, just coming from the USA.
- My crew had been partly changed.

Anyway, I was really amazed by my boatspeed and my pointing up wind; with such rapidity, it was almost easy to get the first place. And my new crew was absolutely perfect!

Unfortunately, the weather conditions were not very good, and the winds were mostly weak from 0 to 3 Beaufort. This was a big change for our Finnish friends who had just raced their district championship in very heavy winds. It didn't suit well either the other Swiss except Reudi who had also a very good speed and could obtain the 6th position, in spite of one disqualification and a 27th place. Italy placed one boat in the first ten, i.e. Luigi Merola, who was sailing with his usual talent.

Among the Finns, I was very happy to meet for the first time the Aromaa family, a skilled Lightning sailing team.

The races depend also on the general atmosphere, mostly created by the host country. I thank all the Finns who set up this nice championship and welcomed us with care and enthusiasm. We kept this in mind just before crossing on the ferry to get to the club situated on an island. Our team was very late, the ceremony couldn't start without us, but the ferry was not coming and some of the committee members were calling us on the other side. Having no solution we took a small rowing boat!

The different parties organized during the championship gave us the chance to strengthen our old friendship ties and to visit a bit the countryside, mostly covered with big green forests and lakes. That's why we felt almost at home; I say "almost" because Finland is quite flat. We also enjoyed "saunatime" which is really an important relaxing time in Finnish life. After sailing, it isn't unpleasant! We appre-

ciated the different, very healthy, typical dishes.

Next year, you are invited in Switzerland. The European Championship of 1980 will be held in Neuchatel from the 29th of June to the 6th of July. What a challenge for you...and for me, because we say in French: "Nul n'est prophete dans son pays"! (no one is a prophet in his country).

We hope to welcome you as well as in Finland!

A tres bientot

## I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1979. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning Owners have moved since the Registry was prepared (months ago). Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts and Yacht Clubs. Will address envelopes at .035¢ per name for any District. Additional charge is made for the amount of postage required to mail the envelopes to you. Names available are those of Lightning owners who are in good standing for 1979 and 1980. This service is also available to commercial advertisers at .05¢ per name. Contact I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085, giving sufficient lead time.

# SOUTH AMERICAN CHAMPIONSHIP

by Paco Sola  
(who won)

The 1979 South American Championship was sailed in Ancon-Peru early in March. Ancon Bay is a beach resort located 30 miles north of Lima.

As usual we decided to participate at the last minute. We started to prepare my boat to travel to Ancon, Peru but due to business problems I canceled the project. However, at last minute my wife Cecilia insisted and finally I decided to sail in a borrowed boat.

Cecilia, crewmember Johnny Meira and myself arrived to Ancon Saturday morning to watch the final races of the traditional Peru-Chile Lightning trophy which I thought important to watch since I remembered Ancon from previous Lightning and Sunfish regattas as an extremely tricky place.

My other crewmember Juan Santos Jr. was participating at the same time in the annual Ecuador-Peru Sunfish Regatta and was able to comment about Ancon's winds. We matched his comments with my observations and came up with several conclusions.

- Usual winds were south to south west with a tendency to rotate to north west after 4 p.m.
- Ancon bay is surrounded by high mountains and winds from the south coming across a canyon that ends at the beach. For the same reason there is an increase in wind velocity near the beach and a 10 to 15 degree lift on the left corner of the course.
- If these conditions remain, races will be one way to the left until reaching the lay line. Tack too soon to the mark means leaving the windy area sooner.
- It is a place where you can recover pretty easily by observing the general one way rule and by watching boats in dead holes.

We had our borrowed boat and after washing and some "make up" went out sailing and discovered that it was impossible to change tuning since the halyards were welded to turnbuckles. Happily I noticed the boat was very fast upwind and felt it very similar to mine.

Later the same day we won the first tune up race easily and found out that we were very fast upwind and that we were in bad shape with spinnaker handling.

We decided not to sail the second tune-up and returned to the club for more washing and more psychological work. While working several friends told me, Paco you will never win this one since tradition says "the winner of the tune-up races never wins."

I wasn't worried about that because I solved the problem with another old Ecuadorian tradition; that night we went to Hector Sabogal's beautiful yacht and had in advance the weekly quota of Pisco Sour and Scotch and Soda. It was enough to forget our winning the tune-up race. The next morning we were ready for serious racing.

Before going out we made a list of people to watch - that proved to be a mistake. We included the Brazilians, and Navarro and Zanatti the local hot shots high on the list. But, we didn't know about the progress of the young Chilean sailors and anything about the winning of the Gonzales

Brothers in a recent champions regatta where they beat the world's best sailors.

After the last race I learned that the class is growing in South America and that you can not know how good new faces are and the caliber is actually very high. In the future everybody will be on my list.

## First Race

Wind six to eight miles from the west.

We chose the left side of the starting line and got beautiful clear air to leeward of the fleet. We resist all temptations to play the shifts and went all the way to the lay line. We tacked on a lift and rounded the first windward mark one hundred yards ahead of Dieter Dyck, Rufino Melero and the Gonzales Brothers all of them on a close fight for second place.

After increasing our lead we jibed and immediately went into a hole and were passed by at least 10 boats.

On the second beat and trying desperately to recover we play with the compass only to lose two more boats.

In the final leg we decide to repeat our first beat and went all the way to the left. We found again the lift on the left corner and finished a beautiful fourth place.

Rufino Melero won the race followed by Manuel Gonzales from Chile and Carlos Navarro from Peru.

After first race it was evident that consistency was the key and that our upwind speed was more than good.

Claudio Abramowitz from Brazil, Alberto Gonzales and Luis Herman from Chile, all of them high on our list of people to watch, were 23rd, 9th and 8th. Dieter Dyck from Ecuador was 7th.

## Second Race

Conditions were the same as the first race. We decided to repeat the first race and forget about the compass. Again we got a nice leeward start and rounded first mark in third very close to Alberto Gonzales and Manuel Gonzales from Chile. We were closely followed by Rufino Melero, Carlos Navarro and Doctor Barreda.

Positions remained the same until the last leeward mark when we rounded and immediately tacked to the left trying to find clear air and more wind near the beach. At the first moment it looked like we were leading and moving faster however the wind was dying and shifting to the north. We were caught to leeward of a 30 degree lift that favored those who tacked a few yards to our windward.

Finally Alberto Gonzales won the race followed by Carlos Navarro, Rufino Melero and Jose Barreda. We finished a not so bad fifth.

After second race we were sure that if unpredictable changes were going to repeat on each race a fifth was a respectable finish. We were also sure that a little bit of luck was a must.

Watching the top guys on our list Manuel Gonzales was 9th, the Brazilians were all out and so was Dieter Dyck who finished 14th.

### Third Race

A cloudy day with very light air from the west. We noticed two 20 degree changes to the north before the start but finally wind came back to the west. We chose a conservative start in the middle got clear air and decided again to go all the way to the left trying to find the usual lift near the coast. Soon after the start two winds came into the bay. The usual from the west and a north wester favoring those boats that started near the committee boat and even more to those who tacked to the right immediately after the start.

We were mad watching how the leaders were pointing 30 degrees higher with more wind than us. We decided to tack to the new wind instead of waiting until it came to us or instead to try to reach the beach area where the normal west was clearly blowing. It was the right decision since when we tack again all the boats who stayed to the left were one mile away with no wind at all.

We were crossed by 16 boats and 6 boats were leading by half a mile.

It was evident that there was no wind near the windward mark and that due to the large swell it was going to be difficult to round it. We went all the way to the coast and got an extra breeze, tacked after the lay line and rounded 15th. But, at the first reach was a dead run and by watching boats that fell in the many holes we rounded the jibing mark in an incredible second place.

The rest of the race was a continuous switch of positions and finally Alberto Gonzales won his second race followed by Cesar Zanatti, his brother Manuel and us with smiling faces.

After the third race Rufino Melero and Carlos Navarro,

the early leaders, finished 21st and 15th and our 4-5-4 was good enough to keep our hopes since Alberto Gonzales had 9-1-1 and his brother Manuel 2-9-3.

### Fourth Race

This looked much more like conditions I remembered from other regattas in Ancon. Sunny day and winds from the south at 10 to 12 miles.

Immediately after the start Carlos Lecaro from Ecuador, Manuel Gonzales and Cesar Zanatti took a large lead and rounded the first mark in that order.

We recovered pretty well from a bad start and rounded 8th. We passed 2 other boats on the reaches and 3 more on the second beat and rounded the last leeward mark in a very close third.

However lady luck was not 100% with us since wind rolled to the west and final leg was one way with no chances to play the shifts and use our good upwind speed. Manuel Gonzales won the race followed by Carlos Lecaro and ourselves.

After fourth race Rufino Melero and Carlos Navarro were out of any possibility. Manuel Gonzales had 2-9-3-1, Alberto Gonzales 9-1-1-7 and we had 4-5-4-3.

Our only advantage was our consistency even with our not so brilliant positions.

### Fifth Race

Conditions were the same. Winds from the south at 10 miles.

We concentrated our efforts on a clear air start and tried to beat the Gonzales brothers. We chose the starboard end of the line and took the lead soon after. Alberto Gonzales started at the leeward end and looked under control. He was

sailing very fast and reached the lift at the lay line first, then crossed the fleet and led all the way to the finish line.

We sailed the rest of the race in second place followed by Walmor Soarez from Brazil and Manuel Gonzales.

After fifth race things looked very bad since the Gonzales brothers were tied in first position three points ahead of us. Our only chance was if Alberto finished worse than eighth and Munuel worse than seventh or if we finished better than fifth with three boats in between. Both possibilities looked difficult but not impossible since both had erratic races on top of their brilliant finishes; Alberto had a 9th and a 7th and Munuel a 9th.

### Sixth Race

Again wind was blowing from the south but at 10 to 14 miles.

We decided to sail our own race and try to win since we knew that everybody was going to look for the left side and try to get first to the lift near the lay line.

We were fouled at the start by several boats running the line and looked in poor shape. However, when the smoke cleared we had big smiles watching Manuel near last and covered by a bunch of boats that forced him to tack several times to the right trying desperately to find clear air. Alberto was covering us.

It seemed that every body was showing good speed in this race since the leaders were new faces. Jose Blanco and Horacio Tettamanti from Argentina, our country mate Dieter Dyck, Luis Hermann and Manuel Melero from Chile and Enrique Conterno and Cesar Zanatti from Peru.

They were all sailing well and we saw them switch posi-

tions and fight for the first place all over the race.

Alberto Gonzales rounded first mark in tenth we were eleventh and Manuel fifteenth but it was clear that they were only trying to beat us without noticing that they must finish better than ninth and seventh.

Starting the last beat we were in the same positions. We tacked to the left covered by Alberto but we broke the cover with 3 tacks and passed him. Manuel was still fourteenth.

Then we covered Alberto all the way to the lay line when we were sure there was no way to loose our position. Then to our surprise Alberto tacked again and went far over the lay line and we saw ourselves with a 15 degree lift very close to the leading boats. We tried hard to recover and finish better than fifth, but we missed two boats right on the line and finished sixth after Blanco, Dyck, Tettamanti, Hermann and Zanatti.

Manuel Gonzales came in ninth and Alberto in twelfth so we got it. Our winning was confirmed after the committee solved several protests involving the results of the race.

It was my thirteenth participation in a South American Championship in 21 years on which we collected a number of bad luck stories and made several mistakes that cost us at least two previous winnings.

The Peruvian friends did a great job running this regatta and we can say this was one of the best South Americans we ever had. We must thank Dr. Barreda and especially Dr. Hector Sabogal and his nice family. They made things look a lot easier. Of course I thank my fantastic crew Juan Santos Jr. and Johnny Meira Sabotinsky and my wife Cecilia who helped to keep high moral and acted as the lone cheerleader.

# BUCKUP WINS VI PAN AM GAMES

by Mario Buckup  
(who won)

If you can imagine an island with tropical weather (25 to 30°C), good wind on all days (trade winds 15 to 30 mph), warm water and nice people ... this is Puerto Rico. Add to this the American Organization with a little Latin flavour so it comes out a very good regatta.

Ralph, Jo and I arrived in Puerto Rico after a two week stay in the U.S.A. for the '79 Lightning Worlds in Texas which was brilliantly won by Glenn Darden (we finished 6th).

After a crazy trip from San Juan to Ponce (100 miles) through the island with a heavy police escort we had our first surprise. The Hotel Holiday Inn Ponce on top of a mountain with a spectacular view of the Ponce Bay! After this, dinner with tropical sounds at the swimming pool (Tommy Allen couldn't believe it!?!).

The next day we began working on our new super Allen boat to prepare every detail for the really impressive wind and waves of this place. Again my crew were super, not forgetting the valuable help of our team leader Clovis Puperi and carpenter Oscar Wekerle (Lightning 7435). Around us everybody was working hard. Nothing nicer than being together with a nice sailing group. 'Specially the Lightning Class preparing for a big regatta.

In the meantime unfortunately, we heard that Jeff Boyd from Canada couldn't race because of a badly timed mononucleosis. Poor Jeff, but congratulations for your well prepared boat and crew. Gil Mercier, Canadian Laser

Coach, skippered and won the silver medal in Jeff's boat. This proved again that the Laser is a very good preparing class for other bigger classes!

The first practice race came and showed that one of the most competitive classes in Puerto Rico was the Lightning. On the first beat the Puerto Rico boat rounded first easily, Bill Shore was second and we did very badly. The winds were about 25 to 30 mph and the surfing was incredible. We were flying and recovered to second place. At the leeward mark everybody went home to prepare their boats better.

Two more days and the Pan Ams would begin. One day we went out to practice with Tito Gonzalez Mas from Chile. The wind was really heavy, puffs of around 35 mph. We came back soon to avoid tiring out our boat and crew. We saw Tito still sailing and practicing with his spinnaker!! When we dry docked we checked if we could still see Tito, and we couldn't. Panic came up in us! But soon, we found him capsized and a power boat near him. He was jibing and his crew, Tristan, was on the foredeck. Then came a big wave and he capsized to windward and Tristan fixed his foot between and around the two side stays. When the boat capsized he couldn't escape. Then he asked for help and Tito and Fernando, who were on the centerboard, tried to help him. The boat turtled and Tristan disappeared. Some seconds later Tito saw a hand, and it was Tristan, still a prisoner and able to get air only between waves. Thank God a power boat was near and came soon with the pliers to cut the stays. Tristan was born again! Thanks to his boots there wasn't much damage to his foot.

**First race:** Abandoned because there were too many windshifts from a heavy rain weather cell.

**Second race:** Winds 10 to 15 mph. Very close racing with everybody near first place. Gil Mercier from Canada won nicely with Tom Allen a close second. Larry MacDonald third, we were fourth and Bill Shore fifth.

**Third race:** Again 10 to 15 mph winds and a very nice race because of close sailing. After going far to the left Manuel Gonzales Mas from Chile rounded first at the first mark and never lost it. Second was Mario Isola from Argentina, third Shore, fourth Larry, and we were fifth. This day Tom Allen had a very good race, but on the last beat, when he had a chance to catch Manuel Gonzalez he broke his main halyard. He then capsized and finished just one place before last.

**Resailed first race:** Wind still 10 to 15 mph. Again very, very close racing. You have to imagine that because of the current coming with the wind and the course being very big each of these races took around three hours to be completed. After being in the first group during the entire race, together with Blanco from Argentino and Abramowitz from Brazil, we won with a three minute margin over Abramowitz and then Blanco. Fourth was Mercier from Canada and fifth after a good race was Andres Lisocki from Colombia.

**Fourth race:** Winds of 15 mph with very close racing between Manuel Gonzalez of Chile, ourselves and Mercier of Canada. On the last beat we tacked to the left and passed Gonzalez to win. Gonzalez was second and Mercier third.

*Opening ceremonies at the VI Pan Am Games in Ponce, Puerto Rico. Mario Buckup, representing Brazil won with Gil Mercier of Canada second and Bill Shore of the U.S.A. third.*

Photo by Ellen Horan

**Fifth race:** The wind increased to 18 to 22 mph and the right side became more and more favored. At the first mark, Tom led, Larry was second, Shore third and we were fourth. At the finish it was Allen, Larry, ourselves, Casellas from Puerto Rico (with a very nice race) and Alberto Gonzalez Mas from Chile was fifth.

**Sixth race:** Winds 25 to 30 mph. For us it was the deciding race because we could finish third and still win even if our foes Mercier and Allen finished ahead of us. After a crazy first reach with Shore first, ourselves second and Allen third we capsized at the jibe mark. We came back thanks to our very useful transom bailers but couldn't do better than 10th. Allen won, Shore second and Mercier third.

This night Allen joked with us about eating fish which we caught during the capsize. He couldn't imagine that something very similar would happen to him the next day.

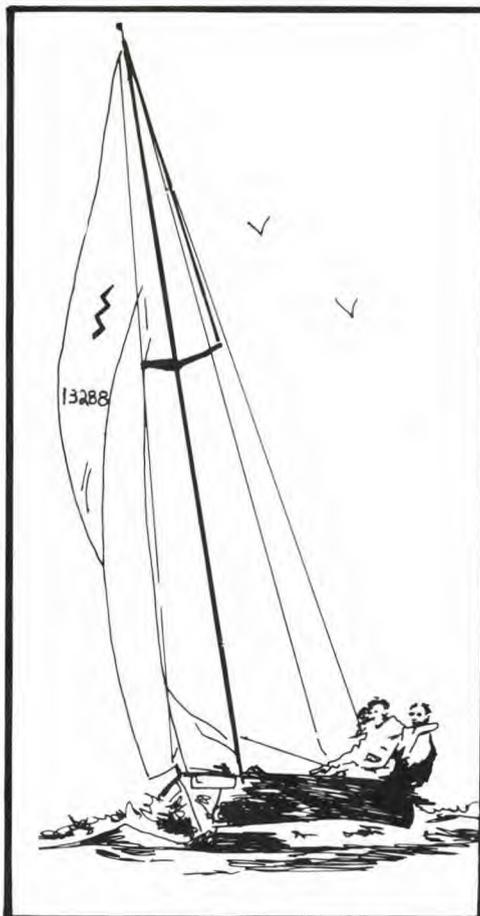

**Seventh race:** Winds 25 to 30 mph. First mark: Blanco, Argentina; Abramowitz, Brazil; Mercier; ourselves and Tom Allen. Crazy reaching, we passed everybody and opened up a 200 meter advantage. Allen capsized at the jibe mark. At the end, we won, Shore was second (winning the third place bronze medal), Abramowitz was third and Mercier fourth (winning the second place silver medal).

Our final conclusion was that we won this regatta going downwind and reaching and this was only possible because of tremendous teamwork by my crew (Ralph and Jo). To go down on the really big Puerto Rico waves we pumped simultaneously the spinnaker and main. We never reached the first mark in first place and everytime recovered a lot reaching and going downwind.

Winner Mario Buckup of Brazil returns victorious.

The Canadian Opens were held at the Royal St. Lawrence Yacht Club in Montreal, Quebec July 20-21-22. St. Lawrence Valley District Commodore Russ Scrim was General Chairman of this five race series. (I.L.C.A. Headquarters staff would like to take this opportunity to publicly thank Russ for his cooperation — past and present — in complying with every detail requested by the Class of District Commodores and Championship Chairman.)

The Story of the Opens which was to come from Larry Jr. never arrived, so all we can report is what appeared in the Toronto Bay Lightning Fleet 146 Newsletter; "Speaking of the Canadians, Larry MacDonald with 5 bullets edged out Dick Hallagan who had 5 seconds. David Sprague came third (no, he didn't get all thirds). Weather conditions at Montreal were excellent with lots of sun and good winds. That combination at Lake St. Louis is almost unheard of. Royal St. Lawrence did their usual super job of hosting the event!

"Judging by the behavior of a certain skipper who is well known to most of us, all the Toronto people had a good time, particularly late at night around the pool."

# CLOSE TEAM WORK BRINGS CRANE THE NORTH AMERICAN CROWN

by Jim Crane  
(who won)

The Cleveland Yachting Club was the gracious host of this year's Lightning North American Championship, and was run as well as any of the 13 North Americans I've been in.

We were blessed with light to moderate winds, and if they were at times fickle in direction, at least we weren't buffeted by gales or baked by drifters. Bruce Goldsmith, of Dallas fame, did not even encounter one "brown duster." If there is one word to characterize this year's racing I would have to say it was uneventful. There were no last race battles for the championship, or 90 boat mark roundings a la Rehoboth — but for us, it was a fantastic week! (*Editors Note: winning helps.*)

For the first time in many years I had a crew who had sailed with me prior to the North American's. My brother, Bill, who was with me at the World's and our local Districts, and Pete Bone who was with me at the Mid-Winter's. I can't give these guys enough credit. Mechanically they were perfect, but more importantly, we worked intuitively together sensing when the boat was going well or slowing up. Adjustments to trim were automatic without the customary, "let the jib out or flatten the boat" being barked out. We were all attuned to the nuances of the boat and the sailing was virtually automatic. I have always felt that I've sailed my best when I did not have to consciously think about what I was doing, and for most of our week in Cleveland this was the case. Arthur Ashe best describes this as "being in the zone." If there is any credence to this theory, then all I can say is that we were in the zone all week.

The individual races were a blend of shifting winds. Race 1 began in a fresh south-easterly and finished in a spotty and dying breeze from the same direction. Off the line, the boats that favored the right side of the course held a substantial lead at the weather mark while those on the left struggled for respectability. Jim Dressel, Don Brush, Bill Buckley, Bob Wardwell, and Larry MacDonald all had the breeze figured out and rode a lovely starboard tack lift to the mark. We played the shifts up the center of the course and salvaged a

sixth place at the turn as a large majority of the fleet overstood. As the race progressed, the wind became lighter and lighter, nerves frayed, and positions began to juggle. At the finish, Dressel won as we nipped Bill Buckley and Don Brush for second.

For Race 2 the wind had shifted another 30° to the east and had freshened just slightly. I am sure everyone in the fleet thought that the wind might continue to back, but the big question was — when? As we crossed the line we saw Jack Mueller and Jim Dressel heading for the beach on port tack. These two are the local honchos, so we quickly covered them to see if they knew anything. They did! The boats on the right side of the course, which was the opposite of the direction of the shift, led at the mark. Bruce Goldsmith, all the way left, must have thought that the Texas curse was still upon him. This was even more true for as soon as the fleet reached the leeward pin the wind shifted another 60° to the left. The race turned into a parade at this point. Jim Carson won, we were second, Jim Pindell, 3rd, and Eric Larson 4th.

We were overjoyed at our two second places, especially considering the shifty conditions. Close on our heels, however, was Dressel with 8 points and Lutz with 12. This really did not mean much, however, since this was a six race series that included a throw-out. Everyone was still in contention.

The next day dawned windy and gray. The wind was blowing 12-15 out of the south by southeast (offshore), and the shifts were numerous. We started at the committee boat and led the pack of Mueller, Goldsmith, and Dodge into shore on starboard tack. The closer we got to shore, the more pronounced the header and the stronger the wind. This translated into a beautiful port tack angle to the mark. We rounded first followed by Mueller and Goldsmith. The boats behind us were fighting for clear air, letting us sail to a very comfortable lead. At the finish, it was ourselves, Goldsmith, Mueller, and Dodge.

With a first and two seconds we were feeling absolutely terrific, but scared to death that we could not keep it up. We had been on a streak from the first qualifying race that

included four firsts and three seconds. It is hard to explain when something like this happens, but we knew it could not go on forever. The next race was our undoing. We had a poor start and went the wrong way on every beat, finishing 12th. Matt Fisher won, sailing an excellent race in overcoming George Peter who had a huge lead for most of the race. The wind was shifty and spotty, and Peter who was trying to cover seemed to fall into hole, after hole. George was definitely not in the zone.

Heading to the harbor we realized that if we had one more reasonably good race we could ice the series. All we wanted was a steady fair wind.

What we got was a shifty, frustrating breeze, and we had to fight like mad to finish 7th. Had we won? After compiling the scores we learned that if Jay Lutz won the last race and we finished worse than 12 we would tie. But lo and behold, upon exploring the tie breaking procedures we found we couldn't lose. We had beaten Jay in 3 of the 4 races that we would both count.

The last race was a fight for 2nd through 5th. When the dust settled, Goldsmith was second, Lutz 3rd, Mueller 4th, and Dressel 5th.

I think that I speak for everyone when I say that it was a week of good racing among old friends. Perhaps for us it was a little bit sweeter but, then again, how often is it that you are in the zone. It's a nice place to be!

*North American Champ Jim Crane and crew, brother Bill and the loot.*

**EARLY BIRD  
OPEN  
MAY 17, 18**

**CEDAR POINT  
WESTPORT, CONN.**

**Eastern U.S.  
CHAMPIONSHIP  
SEPT. 13, 14**

You know: we all enjoy going to a regatta sailing with all of our Lightning friends, and at Cedar Point we like producing events that bring us all together. On occasion something doesn't go quite right with all the things going into a regatta, but we try very hard and succeed as well and better than most.

Here is what you can expect from us. — Our races are run according to I.L.C.A. standards, with a couple of exceptions keeping you our sailors in mind. Realizing most of you drive from three to seven hours getting to us, we will try to get you on your way home by mid-afternoon Sunday. To do this we may need to shorten courses or eliminate a race from the four scheduled, but all RACES must have at least four legs and good beats. We will run Olympic courses, giving that extra chance to catch up. Saturday evenings let loose during our dinners, with free beer and soft drinks, and lots and lots of fun friendly people. You all enjoy clear skies, good breezes, a nice club, and the Lightning Players — so do we.

# The Presidents' Cup

by Willy Petersilge  
(who won)

Exceptional is the only word that comes to mind when thinking of the committees responsible for the running of the 1979 North American Championships. Lines were set square and weather pins were moved as necessary to provide fair weather legs. I greatly appreciated the effort these people put forth to host the N.A.'s. However, these were not the only people who performed exceptionally. My crew of George Whatron and Bill Draheim also did an excellent job. All the comforts of home were bestowed upon us by John Aras. His house was within walking distance of the club.

## Race One

The first race of the Presidents' Cup was started in an 8-10 mph southeast breeze. After the first lap Bill McKinley was in the lead followed closely by Bailey, Vander Meulen, McClure, and ourselves. The wind had veered left 10°, and the first four boats took the lift into the right corner. We tacked to the center of the course putting ourselves in the favored position if the wind continued to veer left. We were lifted across the fleet and rounded the second weather mark in first place. We were able to hold off the fleet till the finish. Ross Bailey finished second followed by Vander Meulen, Ruhlman, and Peters.

## Race Two

The wind, still veering left, was from the east at the start. We started two-thirds of the way down the line with Sandy Huntsman two boats to leeward. Sandy rounded the weather mark first well ahead of the fleet leaving a pack of us to fight it out for second place. The second beat became a parade as the wind shifted 40° to the left. Excellent crew work enabled us to pull away from Tim Vander Meulen, and Ross Bailey, and gain on Sandy Huntsman. On the last reach, we were able to decrease Sandy's lead to a boat length. The last beat was once again to windward. Sandy covered us up the first half of the weather leg but allowed us to get left of him at the end of the beat. We shot up at the finish line and won the race by inches. Bailey finished third followed by Kellogg and Vander Meulen.

## Race Three

We had been watching the championship fleet start and noticed an incredible sag in the starting line. We decided to take advantage of this situation during our start. At the gun we were a full boat length ahead of the boats around us and amazingly enough, not over the line. The wind held its direction till the end of the race and we were able to hold off John Schneider till the finish. The top five were: Petersilge, Schneider, Faria, Starck, and Penfield.

## Race Four

The wind was once again from the unpredictable southeast at 10 m.p.h. We again took advantage of the mid-line sag and had a beautiful start. We played the shifts up the first beat and rounded the pin in first place. We were able to hold our lead to the finish despite the gapping hole in our spinnaker. Bob Starck was second at the finish followed by Drewes, Faria, and Sherburne.

## Race Five

The fifth race was started in a 7-10 m.p.h., wind from the south. We started in the leeward third of the line expecting the wind to veer to the left as it had two days before. Soon after the start the wind shifted 10° to the right. Making a much regretted decision, I continued to the left hoping the wind would come back to the left. We hit the left corner so hard that the fleet could hear the crash, and we could feel it as we rounded the weather pin 24th. It was even more disturbing to see Bailey well ahead of the fleet. Bailey went on to win the race with a big lead over Alzir Faria, Randy Ruhlman, Jeff Penfield, and Tim Vander Meulen respectively.

## Race Six

Bailey needed seven boats between us in order for him to win the series. Our game plan was to stay as near to Bailey as possible. We tailed him from the five minute gun until the start. We started two boats to leeward of Bailey and covered him for the first two thirds of the weather leg. We tacked away to go for some new air on the right and rounded the pin in 5th place. Bailey found himself in the middle teens. John Schneider led the entire race until the finish where he fell into a hole and lost two boats. At the finish line, Jim Martuccio slipped into first place followed by Carter, Schneider, Petersilge, and McClure. Fortunately for us, Bailey and Faria both found their throw out race.

Looking back on my first N.A.s, I found them to be a truly fun and learning experience. I'm looking forward to sailing many more N.A.'s in the future.

# GOVERNORS' CUP

by Jim McCoy  
(who won)

As Bob, Keith and I descended the narrow road to the bottom of the Rocky River Gorge with *Odyssey* in tow, we were struck by the scenic beauty of the Cleveland Yachting Club. The facilities of this island club are first-rate, and I've never seen a more hospitable and genuinely friendly group. Bob Mathers, my middle crew, was attending his seventh North Americans and soon assumed the role of den mother, making sure we arrived where we were supposed to on time with the right equipment. Keith Thatcher, my forward crew, was attending his first nationals and wasn't sure what to expect. This was my sixth North Americans. I looked forward to a week of good sailing and socializing with the top sailors in the class.

Unfortunately, our good organization didn't carry over to the practice race, as we arrived late in the starting area and were caught totally unprepared at the gun. We finished dead last. Nevertheless, this race allowed Bob and Keith a chance to iron out some kinks since it was their first time sailing together as crew. We also learned the races would start promptly, a good point to remember.

The four qualifying races allow the cream of the fleet to rise to the top. We were definitely in the skimmed milk portion as we qualified 93 out of 96. Our finishes were 24, 26, 28, and 28. We were on a "downer" as we sailed back to the

club. My crew had performed well, and it was hard for me to believe I could be that bad. I seemed to be out to prove the old adage, "Fast boats sailed poorly get further behind more quickly." Something radical had to be done. That afternoon while the rest of the fleet were comparing stories up at the club, we were comparing our rigging with some of the "hot shots." We tightened our upper stays five turns and our lowers eight turns until we got the right note when we "twanged" them.

## Race I

The first race started right on time in a light breeze. We tried for clear air on the weather leg and wound up laying the mark on port, taking a little gas near the flag. We rounded in fifth. Tom Allen IV and Peter Huston were first around and held their positions until the second weather leg — we had managed to work up to third at this point. Allen IV and Huston sailed the middle as we went far right. This paid off for us as we took over first. Allen IV and Huston held second and third. On the last weather leg, Allen IV went left and Huston went right, creating the usual dilemma — who to cover. We sailed the middle until it seemed Huston had moved into second place. We then covered Huston to the finish, managing to win by two boat lengths, as Allen IV finished third. Rick Klug came in fourth and Bill Wynn fifth. We were in better spirits now as we returned to the starting area. We finally had *Odyssey* cranked up.

## Race II

We got a poor start and ended up on the right side. The wind backed 15° and held, however, which allowed us to round sixth just ahead of John Mueller. We reached on the second leg with jib and main, passing the leaders to weather as they fought their spinnakers on the tight reach in the freshening breeze. Papa John was right on our transom. We sailed high and threw up our chute 100 yards from the jibe mark, coming down to the flag first. Mueller rounded close behind, jibed, and then raised his chute, effectively blanketing us and moving into first. We barely managed to get inside Mueller at the leeward mark. The wind continued to back, making this weather leg a tight reach all the way. We again sailed the offwind legs as before, putting up our chute 100 yards from the jibe mark while trying to cover Mueller. The race committee had moved the weather mark to make the last leg a beat. We rounded the leeward flag first with Mueller and Chuck Medlock close behind. Mueller went left center and Medlock right as we again sailed the middle. Mueller persisted and seemed to pull even as we parried our way to the finish. We won by a half boat length as the breeze slowly died. Chuck Medlock was third, Bill Fastiggi fourth and Allen IV fifth. With two bullets in the bag, we had a great time at Papa John's cocktail party that evening.

1980 N. A. Chairman Myron Lyon (left) at Mission Bay Yacht Club.

30 Boats, DNF/DNS - 31 Points, DSQ - 32 Points, ( ) - Throw-out Race.

## Race III

The wind was very light. Peter Huston moved into an early lead and was never headed as he won comfortably over Richard Thomas. Third was Bill Fastiggi. Greg Florian was fourth and Bob Smither fifth. We started poorly, never

caught up, and finished tenth. At this point the standings showed Huston with 11 points, McCoy with 12, and Allen IV with 19.

## Race IV

Huston again started well and tacked to port. When he

returned to starboard about three minutes into the race, he had a formidable lead and the fleet covered. We managed to move into second at the second weather mark, but there was no catching Huston this day as he won with a horizon job. Gary Oetgen was third, Rick Klug fourth, and Bill Wynn moved into contention with his fifth.

### Race V

Since we were about fifteenth to the weather mark, I am not sure of the early leaders. The wind hauled during the race, making leg six a tight reach. Huston started this leg in first with Warren Lewis, Hugo Castro and Hank Hodgson close behind. Everyone took his chute down for the tight reach to the leeward mark — everyone, that is, except Hodgson, who sailed off to leeward of the rhumb line under spinnaker. Hank dropped his chute at the appropriate time and beat to the mark, taking over first in the process. Hodgson prevailed on the final leg to finish first, Huston was second, Warren Lewis third and Hugo Castro fourth. McCoy passed five boats on the last leg to salvage a fifth.

With one race to go and a throwout involved, Huston had 14 points, McCoy 19, Lewis 42, Castro 43 and Wynn 48.

### Race VI

To win the regatta, we had to finish no worse than fourth and put at least three boats between Peter Huston and us. We arrived in the starting area early. We decided the wind was a little stronger on the right side of the course. In addition, we noted a gradual clockwise wind shift. We started well fairly near the committee boat. Peter Huston was astern of us in the second row. We got clear air and tacked to port to get to the right side. We worked out to a nice lead and tacked back to starboard to cover the fleet. We could see Huston and the fleet to the left side. They seemed to have somewhat lighter air. We worked out a hundred-yard lead at one point, but Chris Kuhn and Bill Fastiggi narrowed that margin considerably on the last two legs. On leg six the three of us were two third's of a leg ahead of the rest of the fleet. We had a few anxious moments on the last

leg as the wind died and our lead narrowed. However, we managed to win by three boat lengths over Chris Kuhn. Fastiggi was third. We stayed near the finish line to see if we had the necessary three boats between us and Huston to give us the series. Huston went far right and passed a few boats but crossed the finish line tenth. We had won the regatta. Hodgson finished fourth and Doug Barbar finished fifth in this race.

The 45-minute sail back to the Cleveland Yachting Club was a happy one for us as we had the view every racing sailor loves. The whole fleet, with colorful spinnakers flying, could be viewed across our stern.

# 2ND WOMEN'S NORTH AMERICANS

by Cherie Neville  
(who won)

North American Women's Champion Cherie Neville (right) and crew accept congratulations. Photo Mary Huntsman

The 2nd Women's North Americans were scheduled over three days beginning Wednesday, August 15th. Many women and juniors arrived at the Cleveland Yachting Club early Tuesday and prepared to practice with their crews, most of whom had never sailed together. Because of high winds and waves on Lake Erie, the most shallow of the Great Lakes, we didn't start sailing until Thursday, a day late.

Wednesday, we waited in expectation of a race. The RC boat made several trips to the course area. Each time they returned to report, "It's not that bad." We listened to the wind whistle through the bridge over the club, to the wild tales of the Fastnet race, and to the exaggerated Lake Erie conditions. They finally cancelled the races for the day, around 3 o'clock. (I think it was something about the juniors not being able to handle the conditions.)

The first attempt at a race started Thursday morning. The wind was a gentle Southwest but the waves were still rolling in from the previous few days of strong north wind, a very nauseating combination. Unfortunately a few crews suffered because of motion sickness. The women started 10 minutes after the juniors and women were rounding the windward/jibe mark, en masse.

We sailed two races that morning. There were still good size waves but the breeze had filled nicely. My super crew, Jane Allen from Buffalo and Betsy Trefts from Chautauqua, and I managed to lead both races, but they insisted the competition was all still too close. Bonnie Shore took second in both races. Marilyn Maras and Brenda Allen finished third in the 1st and 2nd races, respectively.

The afternoon race began with similar conditions though both the waves and wind were slowly diminishing. Bonnie fought off Brenda for first in the 3rd race, which was shortened to 6 legs. We followed in third. At the end of 3 races,

Bonnie and I were tied for first, with Brenda second. We expected only one deciding race to be sailed Friday because of a noon deadline.

The morning brought flat, SW, light air, conditions. Places were shuffled more this race than the first three. We rounded the windward mark first with Judy Walker second and Bonnie Shore third. By the jibe mark Bonnie and Brenda moved into second and third respectively. However, the wind died on the last leg and Vickie Mathews sniffed out some wind to move through the fleet into first. We held onto second and Brenda Allen was third. In the overall standings, we placed first with 7 points; Bonnie Shore, with her crew Nancy Mueller and Nancy Dressel, finished second with 10 points; Brenda Allen, with her crew Anne Allen and Lynn Kosetecke, came in third with 12 points.

Despite the decline in number of entrants this year, more than half returned from last year, along with a few newcomers who were welcome additions. Pymatuning Yacht Club brought 3 boats, the largest contingent from one Club. It was a good group of participants and proved there is great promise for more Women's North American's. I learned a lot from last year's and this year's competitions. We all appreciate the efforts by the Lightning Class and the Cleveland Yachting Club.

Thanks to the Peanut Gallery that supported us during the week.

## FASTEST

*For the past two years you have been hearing North make bold claims that our sails have a performance "edge." This has been difficult to prove, especially when we have been outnumbered on the race course 10 to 1 by our competitor's sails. But against all odds, look what has happened in 1979.*

## NORTH SAILS IN 1979

# ILCA JUNIOR CHAMPIONSHIP

by Stephen Craig  
(who won)

The sixth I.L.C.A. Junior North American Championship was held August 14-17 at the Cleveland Yachting Club. It was a well attended regatta with boats from as far away as Florida, Oregon, and Brazil.

Registration and measurement were taken care of on Tuesday from about 1:00 until 7:00 which left plenty of time to hear stories about the BIG chop. When Bill Buckles was queried he would only smile and mutter something about inverted triangles. We thought we might find out what he was talking about when we got to the club Wednesday and it was blowing 30 in the lulls. The Committee wisely called off races for the day.

On Thursday the first race was started in dying southerly winds that shifted 180 degrees and filled during the first 'windward' leg. The committee quickly abandoned and re-started the first race in the new breeze. I would like to congratulate Dan Dressel who led at every mark and won the first race. (Some said that he used a special go-fast juice but he was observed wearing a pink shirt.) Mark Hallman edged Willy Petersilge for second. I'm sorry that I can't fill in any details on this race, but we were so far back we were worried about making the second start. Jim Gelenitis was ready for the second start and he won that race. Unfortunately for Jim the second race was thrown out because of a one minute timing error in the starting sequence.

After lunch we resailed the second race. On the second weather leg Petersilge was leading until a 15-20° shift to port allowed us to pass him. (Willy encountered more trouble at the second weather mark which cost him four more boats and set up the equivalent of a four way tie for first going into

the third race.) The second race had been finished at the end of the fourth reach in an unsuccessful attempt to start a third race within the time limit. Aided by the shortening we won the second race with Fred Hunger second, Jack Huntsman third, Ian Jones fourth and George Francis fifth.

With one race left we had eight points, Petersilge, Jones and Hallman all had nine. The next boat was George Francis with 15. I was over early in the third race and Petersilge wasn't about to lay the pin which allowed Jones and Hallman to get a quick lead. Jones rounded the first weather mark second following Jody Lutz. Hallman rounded seventh, we were eighth. At the leeward mark Jones was still in second a minute and 15 seconds in front of us in sixth, immediately followed by Hallman in seventh. At the second weather mark we were still in sixth but only 15 seconds behind Jones in fifth with Hallman still in seventh but over a minute and a half back. On the reaches Jones caught Kevin Corr and moved into fourth, we rounded sixth immediately behind Corr. With the help of light and variable winds we were able to catch and cover Ian to the finish line. Jody Lutz led all the way through the race and won. He was followed by Kevin Corr in second and Fred Hunger in third.

I would like to thank the Cleveland Yachting Club and all the people who helped on the Race Committee for running the regatta. This regatta marked the emergence of a new Texas Turkey; Congratulations to Mark Hallman who finished third in his second Lightning regatta. I would also like to extend a very large thank you to my crew Ira Johnson and Electra Thomas for their fine work.

## SABOGAL-VALLAZZA BROTHERS WIN PERU'S SECOND NATIONAL YOUTH CHAMPIONSHIP

by Carlos Navarro

As one of the main promoters of youth sailing activities in Peru I was very pleased to see the great enthusiasm of the ten crews that entered this second National Youth Championship of the Lightning Class in Peru, that will also serve to qualify the two entries to represent us at the Second World Youth Championship to be held in Canada next year.

Hector Sabogal Jr. (16) with his sisters Gisella (18) and Lorena (14) acting as crew tied in points with Carlos Navarro Jr. (15) former champion together with his crew, his brother Augusto (14) and Antonio Fortunio-Oliveira (17) but because Hector had won 3 races as opposed to 2 for Carlos, he was officially declared the new Champion.

Third place went to Emilio Levaggi-Tocci (14) with his brother Bruno (13) and Fernando Garcia (16) acting as crew. He is a newcomer and it was a great surprise to all to see him come in third.

The racing was done at La Punta, the same location where the First World Youth Championship was held last year and with similar unusually strong wind conditions during the same month. The competition was very good and the championship was not decided until the last race. Hector Sabogal Jr. had to win or else he would lose to the defending champion Carlos Navarro-Mulanovich. At the start Carlos had a nice lead over Hector and at the weather mark Hector was fourth and Carlos fifth, then Hector really got going on the reach and eventually kept on moving ahead on the beats while Carlos kept falling further behind. On the last beat Hector had to fight his way up from second and almost on the finish line managed to win the race he needed so badly to tie in points and win due to more first places over Carlos. The competition was followed in all races by interested parents in Dr. Hector Sabogal Sr.'s yacht, Givelohe, and there emotions ran high especially during the last part of the sixth race.

I believe this competition will continue to stimulate youth sailing in Peru and I am certain that next year we will have even more boats with younger crews participating at the third National Youth Championship.

# International Lightning

# Class Association Districts

# Lightning Districts

## ARGENTINA DISTRICT

District Commodore..... Mario Isola  
District Secretary ..... Angel Vila  
District Measurer ..... Angel Vila  
District Champion ..... Mario Isola  
District Runner-Up..... Jose Maria Blanco  
Junior Champion ..... Hugo Castro

**Fleets:** Olivos (206); Yacht Club Olivos (356); Club Univerisitario De Buenos Aires (446).

This year was a year of normal activity for the Argentina District. The season started with participation in the El Mercurio-Dunhill Trophy race in Vina del Mar (Chile District). We sent two crews to Chile; they were Mario Isola with Luis Buglioni and Gabriel Borgstrom and Angel Vila with Guillermo Calegari and Alberto Zanetti. During March we sent three boats to Lima, Peru for the XXV South American Championship. Those who represented our District were Mario Isola, Jose' M. Blanco, and Horacio Tettamanti.

Fleet 206 held the trials for the Pan American Games and World Championship. Mario Isola with Luis Buglioni and Gabriel Borgstrom plus Jose' M. Blanco with his crew of Alberto Nayo and Luis Serra attended the Pan Am trials. The following five boats attended the Worlds: Horacio Tettamanti with H. Arazi and J. J. Grande; Angel Vila who had two American crew, Lance Drewes and Ira Johnson; Javier Pascuchi with his wife, Maria, and Dave Peters; Mario Abinzano with his brother, Fidel, and Stewart Thomas; and Anibal Gatti with crew of Antonio Gneri and Walter Gentillini.

Finally, we should mention that Hugo Castro, Rolando Turrado, and Roberto Ricoveri attended the North Americans.

This was a very good effort for us in the International events. Also, the District picked up some boats during this season and at last a new fleet. At our annual meeting, Mario Isola was elected District Commodore and former Commodore Angel Vila was elected Secretary.

## CALIFORNIA DISTRICT

District Commodore..... Charles Gotschalk  
District Secretary ..... Mark Patty  
District Measurer ..... Myron Lyon  
District Champion ..... Myron Lyon  
District Runner-Up..... Charles Gotschalk

**Fleets:** Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

California Lightning activity remained at a stable pace of slow but steady growth this past year, in spite of the suspicious gas crisis and the myriad of rationing programs successfully designed to confuse the motoring public.

Although all of the California Fleets enjoy year round sailing, the District Calender is kicked off annually by the popular California Circuit. Patterned after the concept of the east coast's Southern Circuit, our Easter week event, in its thirteenth staging, draws most of the active California boats, as well as several more from our Northwest friends as far away as British Columbia.

Racing on the Circuit begins at the home of Fleet 102, King Harbor Yacht Club, on Palm Sunday. Off-the-course activities can include surfing, swimming, volleyball, sunbathing, deep sea fishing, etc. The racing itself is well organized and the facilities are excellent. The winds are always manageable in the 8 to 12 knot range with oscillating 10 degree shifts. After the conclusion of Monday's race, most of the fleet scoots the two and a half hours to San Diego while some can't resist the stop at Disneyland on the way.

The last two legs of the Circuit are sailed in San Diego, truly the plumb of the Southern California lifestyle. From beautiful Coronado, the fleets sets off on the famous Marathon race, a from here-to-there race starting under the Coronado Bridge and finishing 17 miles later after sailing out San Diego Bay up the Pacific Coast into Mission Bay and to the Mission Bay Yacht Club.

The day following the Marathon is an off-day spent with a trip to

Mexico, the San Diego Zoo, Sea World or just leisurely sailing in Mission Bay. At the bar-b-que that night is the time to start campaigning for any cause that will prevent racing inside Mission Bay for the last third of the Circuit. This is merely a tradition and has nothing to do with the actual racing conditions "inside" which always provide for INTERESTING events. Compromise prevails and the two ocean triangle races scheduled for Thursday stand with one "inside" extravaganza on Friday.

The Mission Bay Yacht Club has been accepted as the capable host for the 1980 North American Championships. It has been quite a few years since that privilege has visited the West coast and all participants will be assured a super championship and an unforgettable good time. Very few cities in the nation can offer the relaxing comfort of a San Diego vacation. Very few yacht clubs are as easy to enjoy as Mission Bay Yacht Club.

This year was California's turn to host the Pacific Coast Championships. Traditionally, the San Francisco Fleet is charged with the responsibility of this regatta and again found the Richmond Yacht Club willing to sponsor the racing. As usual, they did a super job on the water in varying conditions. Our District dominated the top five spots with Myron Lyon, fifth; Mark Patty, fourth; and Charlie Gotschalk capturing the 1979 Pacific Coast Championship.

Myron Lyon reigns again as the California District Champion with Charlie Gotschalk as runner-up, after a regatta full of surprises in San Diego.

After the Districts, the fleets intermix again for the Billie Boswell Memorial and Hurricane Gultch Regattas hosted by the Santa Monica Bay Fleet and the Bowen Memorial hosted by San Diego. By the end of October, the pace slows down with some respect to our "sort-of" winter. District Officers for 1980 are Commodore Mark Patty and Secretary Quintin Foster.

Next year? Of course, we are looking forward to meeting many of our Lightning friends from other Districts at the North Americans and hope many of you will investigate the San Diego sailing conditions at our Circuit. In either case, we offer all of you the warmest welcome.

## CENTRAL ATLANTIC DISTRICT

District Commodore..... Bruce Kloss  
District Vice Commodore ..... John Parker  
District Secretary ..... Gary Swangler  
District Treasurer ..... Jack Elfman  
District Measurer ..... James Carson  
District Champions — tie ..... Bruce Kloss  
Jay Lutz  
Junior Champion ..... George Francis

**Fleets:** Bay Head (3); Metedeconk River (34); Great Egg Harbor (99); Lavallette (104); Brant Beach (173); Surf City (196); Riverton (228); Red Dragon (357); Penn Manor (422); Ocean City (430).

The 1979 sailing season started with a very festive annual meeting held jointly with the Metropolitan District at Metedeconk River Yacht Club. George Fisher gave a very interesting lecture on family sailing and crew preparation followed by a great cocktail party and dinner prepared by the local fleet members.

Many CAD sailors got the racing season off to an early start at the Southern Circuit including Jim Carson, Jay Lutz, Mark Beaton, Jack LeFort, Jack Elfman, Bucky Kloss, Rick Tell, and Mark Schneider. Our locals did well with overall finishes of Jay Lutz, fourth; Jim Carson, eighth; and Mark Beaton, 12th. Congratulations also go to Circuit crews Paul Gelenitis (for Jim Carson) and John Parker (for Bob Wardwell) who sailed their skippers' boats to finishes of first and third at the Sanford Regatta.

The Long John Regatta, held each year at Monmouth Boat Club, was won by Jack Elfman with Jay Lutz finishing sixth, Bill Clausen finishing ninth, and Jim Carson taking tenth.

The highlight of the season, the District Championship, was held in June at the Red Dragon Canoe Club on the Delaware River. The two races on Saturday were characterized by light air with holes, 180 degree wind shifts, and lot of current. Under these most trying conditions, Bucky Kloss and Jay Lutz sailed super races to finish tied after two races, far ahead of the rest of the 30 boat fleet. Bucky won the first

race with Jay second, then they reversed positions in the second race.

Unfortunately, Sunday came and went with no wind. The Co-Champions flipped a coin for the first place trophy which Bucky Kloss won. The other top overall finishers were John Fenlin, third; Bill Clausen, fourth; and Jack LeFort, fifth.

Our representatives to the windy (!!) World Championships in Dallas were Jay Lutz, Dave Ruiter, Bob Adams, and Jack Elfman. Congratulations to Jay Lutz who finished ninth. I'm sure we will be hearing stories about this Worlds for many years to come.

At the Atlantic Coast Championship held at Havre De Grace Yacht Club, Jay Lutz was second and Mimi Dimon took sixth. The next event on the calendar was the N.J. States held by the Lavellette Fleet. After several years away from the competitive circuit, Bill Newman of Metedeconk River returned to win this championship with Dave Ruiter taking second.

A highly competitive North American Championship was held at Cleveland in August. Once again, congratulations to Jay Lutz, who captured third (four years in a row in the top five at the North Americans) and to Jim Carson, who finished sixth. Our locals George Francis and Jody Lutz did well in the Junior's placing sixth and seventh respectively, while Mimi Dimon finished seventh in the Women's.

The Gamma Series, a fall three weekend accumulation of points was again won this year by Greg Funari, with Bill Clausen, second; and John Parker, third. Generally excellent conditions prevailed.

At the Annapolis Frigid Digit, Jay Lutz finished third and Jim Carson, fifth. The Quantico Frostbite Regatta was won by Jay Lutz with Dave Ruiter, second; and Jim Carson, fourth.

In closing, 1979 proved to be a very exciting and competitive season with the outlook for 1980 just as bright. See you in San Diego!

### CENTRAL NEW YORK DISTRICT

District Commodore.....Jed Dodge  
 District Secretary.....Walter T. Ryan  
 District Measurer.....Edward F. Beadel Jr.  
 Asst. District Measurer.....Leonard Tiedemann  
 District Champion.....Richard W. Hallagan  
 District Runner-Up.....Jed Dodge  
 Junior Champion.....Peter Hallagan  
 Junior Runner-Up.....Jerry Dodge

**Fleets:** Skaneateles Country Club (1); Lake Delta Y.C. (4); Mayfield Y.C. (13); Pultneyville Y.C. (61); Newport Y.C. (77); Great Sodus Bay (108); Red Jacket (125); Willow Bank Y.C. (164); Henderson Harbor Y.C. (225); Keuka Y.C. (252); Brockport Y.C. (267); Galway Lake Y.C. (338); Thousand Island Fleet (382); South Skaneateles Lightning Assoc. (439).

This year, we again received warm hospitality from the Red Jacket Yacht Club, hosts for our winter meeting. Plans were made for our Summer schedule, under the direction of our 1979 Commodore Ray Nelson whose hard work did much to make our season a success.

The critical ingredient of wind was, unfortunately, absent at a number of our regattas with frequent "drifters" and lots of mental anguish for skippers. Some of us who usually finish down in the standings hoped to drift well this year, but found our best sailors winning regardless of wind conditions. Dick Hallagan and Jed Dodge went fast throughout the season with a considerable challenge from Merle and Jim Pindell. Ray Nelson and Jeff Penfield continued consistent smart sailing with other fast races turned in by Jungjohann, McAuliffe, Ric Klug, Orlen, and Sals.

The season opener at Newport was won convincingly by Tom Allen whose skillful steering got him through the light winds with three firsts out of three races.

Newport and the Niagara Frontier Regatta made up this year's Lake Erie-Central Challenge with top honors going to Ed Roseberry from Buffalo. We'll get that back next year.

The Triple Crown Series this year put an emphasis on light wind sailing with races at Lake Delta, Red Jacket, and Keuka. All three clubs did an excellent job of hosting the events. The champagne and hospitality continue to make Keuka one of our most popular regattas, but the winds this year showed those of us who thought we were getting a little smarter than it's always possible to go the wrong way. The overall winner of the series was Merle Pindell beating Dick Hallagan by only 3½ points in 10 races. Third and fourth went to Jed Dodge and Tom McAuliffe respectively.

Our District had the good fortune of having our Championship Regatta at Sodus Bay this year and many of us got to see why some of our best sailors are from Sodus. Not only is it a great place to sail, but the surroundings and people of the area seem to generate a heightened enthusiasm for the sport of sailing. Five Juniors got the strongest wind of the weekend with Peter Hallagan taking it in the last race over Jerry Dodge.

The five Championship races were sailed in a variety of wind conditions and even some current which amply rewarded those who were aware of it. The first three overall positions went to Dick Hallagan, Jed Dodge, and Ray Nelson. Jim Pindell sailing his first District regatta as a skipper, took fourth-place.

Six of our sailors went on to the North Americans in Cleveland with three finishing in the Blue, one in the Green, and two in the Yellow. Jim Pindell finished 12th in the Blue and won the Rookie of the Year award. Congratulations!

Onondaga was the final regatta of the season with first going to Jed Dodge and second to Ace Finn.

We hope all the skippers and crews enjoyed the sailing this year and we look forward to a good season in 1980.

## CENTRAL STATES DISTRICT

District Commodore..... Fritz Toussaint  
District Secretary ..... Martin Klotzbach  
District Measurer ..... Fritz Toussaint  
District Champion ..... John Gall  
District Runner-Up..... Steve Thomas

**Fleets:** Jayhawk (60); Odd Winds (296); Keystone (402); Perry (438).

Probably the most significant event this past year was the continued growth of Fleet 60 at Shawnee. Even since the end of the sailing season new skippers continue to join the fleet.

The Central States District Regatta was written up this past August issue of the *Flashes*. What was not reported was the hotly and closely contested election of John Gill as the new District Commodore. Also, we did miss racing and visiting with our many Oklahoma friends. Maybe in 1980, under John's leadership, we can have one of the largest gatherings of all time. Fritz and fellow Fleet 60 members conducted a truly enjoyable District in 1979.

## CHILE DISTRICT

District Commodore..... Hugo Cuneo S.  
District Secretary ..... Gerardo Polette P.  
District Jr. Commodore... Juan Pablo Barahona F.  
District Measurer ..... Pablo Gallyas S.  
District Champion ..... Manuel Gonzalez M.  
District Runner-Up..... Rufino Melero U.  
Junior Champion ..... Sergio Cabezas  
Junior Runner-Up ..... Rafael Mas

**Fleets:** Yacht Club de Chile (317); Algarrobo (318); Capricornio (319); Higuierillas (342); Pichidangui (346).

This season, the Chile District showed a long schedule of National tournaments and a positive participation of yachtsmen in International events. The results of this show that the Class has a good place in the Latin-American relationship.

As a promotional and selection system, the Class put into the schedule a Grand Prix comprised of different regattas. The Grand Prix helped us to get an idea as to whom should represent our District at the Worlds in Dallas, USA, and in the Pan-American Games in Puerto Rico.

In the Grand Prix Championship, the Favaro Cup was won by Manuel Gonzalez with Juan Pablo and Christian Barahona as his crew. Following Manuel were Rodrigo Zuazola, Alberto Gonzalez, and Luis Herman, Jr.

The Interoceanic Cup was won by Luis Herman, Jr. with Luis Herman, Sr. and Christian Herman as crew; second went to Manuel Gonzalez and third went to Alberto Gonzalez.

In the Lightning Cup, the winner was Rufino Melero with Javier Melero and Victor Mardones as crew. Second place was won by Rodrigo Zuazola and third went to Manuel Gonzalez.

The results of the Grand Prix were: Manuel Gonzalez with Juan Pablo and Cristian Barahona, first; Rodrigo Zuazola with Jorge Zuazola and Carlos Rossi, second; Rufino Melero with Javier Melero and Victor Mardones, third. Following the first three were Alberto Gonzalez, Luis Herman, Isidoro Melero, Gerardo Polette, and others.

For the second time, the Recreo Yacht Club hosted the International Cup "El Mercurio-Dunhill". Participating were the champions from Brasil, Mario Buckup; Ecuadore, Dieter Dyck; Argentina, Mario Isola; and USA, Bill Shore; Peru, Jose Barreda Moller; and Argentina, Angel Vila. The results, after a really nice championship, are as follows: Manuel Gonzalez, first; Alberto Gonzalez, second; Bill Shore (USA), third; Mario Buckup (Brazil), fourth; Rodrigo Zuazola, fifth; and Dieter Dyck (Ecuador), sixth.

The Chile District also participated in the XXIV South American Championship in Sao Paulo, Brazil. Manuel Gonzalez was the Chilean with the best finish.

The Chilean National Championship was held in Algarrobo. First place was won by Manuel Gonzalez; second place went to Rufino Melero and third went to Alberto Gonzalez.

The Chile-Peru Cup was held in Ancon, Peru, before the South Americans. Luis Herman took first and Rufino Melero took second. This is the first time that a Chilean has won this cup in Puruvian waters.

Then in the South Americans in Ancon, Alberto Gonzalez was second and Manuel Gonzalez was third. Their crews were Tristan Aircardi and Fernando Gallyas (Alberto) and Cristian and Juan Pablo Barahona (Manuel).

Chile was also represented in the Worlds by Manuel and Alberto Gonzalez. Manuel and Alberto also participated in the Pan-Am Games with Manuel finishing sixth and Alberto finishing ninth.

Chile will host the XI World Championships and Dr. Hernan Barahona, the Chairman, is working very hard to make this the finest Worlds of all times.

For the next season, our Commodore will be Gerardo Polette with Jaime Silva as Secretary and Hugo Cuneo as Treasurer.

*The National Chilean Champion Manuel Gonzalez (at right) with his crew Cristian Barahona (center) and Juan Pablo Barahona (at left) shown at the Pan-Am Games in Ponce, Puerto Rico.*

## COLOMBIA DISTRICT

District Commodore.....Garry Jackson  
District Secretary .....Rudy Salmang  
District Measurer ..... Gian Luca Fiori/  
Roberto Londono  
District Champion ..... Andres Lisocki  
District Runner-Up..... Gian Luca Fiori  
Junior Champion ..... Santiago Uscategui  
Junior Runner-Up ..... Juan Carlos Uscategui

**Fleets:** Club Nautico del Muna (73).

1979 was a good year for the class in Colombia as we increased our fleet through the acquisition of 12 new boats, re-initiated National Juvenile and National Woman's Championships, and were able to send representatives to the South Americans, the Worlds, and the Pan Am Games.

The threat or promise of International events is undoubtedly the life blood of the class, from fun-times with our Ecuadorian friends both here and in Ecuador to hairy spills at the windy Worlds. The big news for us, and what has undoubtedly helped in the growth of our fleet, is that the next South Americans will be held in Bogota from January 26th to February 2nd, 1980. This will be the first open South American Championship and we hope for a good participation.

Our District Champion, once again, is Andres Lisocki who has psyched us all into believing that he is just about unbeatable. However, New Year resolutions of all fleet members will include a new name on the trophy next year as already with new boats and lots of enthusiasm in the fleet, Andres is having to pull up his socks to keep his edge.

The most exciting race of the year will be our internal selection for representatives to next year's South Americans. Side bets have been prohibited to avoid confusion. Andres is taking psyche lessons and everyone else is enrolled in transcendental meditation.

## CONNECTICUT—RHODE ISLAND DISTRICT

District Commodore.....John Cuccio  
 District Secretary .....David Fagin  
 District Junior Commodore .....Nancy Young  
 District Measurer .....Bill Gutzwiller  
 District Champion ..... Jim Crane  
 District Runner-up ..... Phil Griffin  
 Junior Champion ..... Jay Renehan  
 Junior Runner-Up .....Chris DeChabert

**Fleets:** Housatonic Boat Club (6); Black Rock Yacht Club (17); Niantic Bay Yacht Club (85); Cedar Point Yacht Club (126); Madison Beach Yacht Club (129); Noroton Yacht Club (134).

The first place results of the 1979 Connecticut-Rhode Island District Regattas were: Cedar Point Early Bird; Bob Hutchinson; Niantic North East Regionals; Phil Griffin; Cedar Point Districts; Jim Crane; Black Rock Long Island Sound Championship; Bill Lynn; Niantic Governor's Cup; Peter Jordan; Cedar Point Eastern U.S. Championship; Jim Crane.

The Connecticut-Rhode Island District is looking forward to the increased racing activity and number of Lightnings at Noroton Yacht Club in 1980. Jim Crane, who won the 1979 Districts, is spearheading this movement. The rest of the fleets are maintaining the same number of boats, some newcomers having replaced the ones we lost.

Emphasis will also be put on the successful development of the Junior Districts in 1980. Unfortunately, this year's event was run concurrently with Larchmont's Junior Race Week, resulting in few participants. This does not, however, detract from Jay Renehan's splendid victory.

## DIXIE DISTRICT

District Commodore.....Dieter Grotheer  
 District Vice-Commodore .....David Racine  
 District Secretary .....Bill McShane  
 District Treasurer ..... Kitty Racine  
 District Measurer ..... Ron Buchanan  
 District Champion ..... Joe Friebele  
 District Runner-Up..... Don Delorme  
 Junior Champion ..... Ron Grotheer  
 Junior Runner-Up ..... Howard Edson

**Fleets:** Washington (50); Indiana River (72); North East River (192); Susquehanna (253); Sassafra River (314); Rehoboth (325); Severn River (329); Marine Corps D & E Command (354); Smith Mountain Lake (377).

If you had to point to the one thing that made the Dixie District 1979 season better than 1978, it would probably be the increase in the level of competition. It is fair to say that in each of the 25 regattas, any one of a number of sailors had the potential to win. This made the racing more exciting and rewarding than ever. Ten different Skippers shared first place laurels in the 25 regattas.

The District Championship, held in Annapolis and hosted by Fleet 329 with Fleet 50's assistance, was won by Joe Friebele with his wife Elaine and Doug Perly crewing. Joe's win made it the fourth year in a row that a different skipper had won the Championship and the first for Joe. Second went to Don Delorme followed by Bill Buckley, Steve Bachman, and Al Mast.

Three of these very same sailors (Delorme, Friebele, and Buckley) then pulled off the hat trick others had been trying to do for some time. Each qualified for the Blue Fleet in the North Americans, thus enabling the District to send one additional competitor to the San Diego North Americans, in addition to the slot vacated by Class President, Don Delorme, who slides in for free. San Diego, gas willing, will look like a Dixie Reunion.

The Robert Purnell traveling trophy, instituted two years ago for the purpose of encouraging sailors to travel to "non-major regattas", was won by Fred Mertes, a very close second went to Steve Bachman.

The Junior Championship went to Ron Grotheer with Howard Edson second. Crewing for Ron were his brother Philip and Rose Gentile.

Of this year's major Dixie Regattas usually attended by sailors from other districts, Jor Friebele took first in both the Atlantic Coasts Championship and the Frigid Digit. Jay Lutz of the CAD was runner up at the Atlantic Coasts so they will be held in Metedeconk next year. Jay also won

the Quantico Frostbite, which incidentally unveiled a new trophy this year. The James Gilbert Trophy will be awarded to the 10th place finisher and bears "Doc's" name because in the 27 years since the regatta's inception, Doc has been there **26** times, an enviable record.

Look for our regatta schedule in one of the Spring *Flashes*; then make plans to drop in for some good racing next year.

## ECUADOR DISTRICT

District Commodore..... Francisco Sola M.  
 District Secretary ..... Dieter Dyck  
 District Measurer .....Felipe Eljuri

**Fleets:** Guayaquil Yacht Club (272); Salinas Yacht Club (405); Armada del Ecuador (411); Club Nautico San Pablo (447).

This was a very active and successful year for our District. In February, Dieter Dyck, Carlos Lecaro, and Francisco Sola participated in the South American Championship held in Ancon, Peru. Paco Sola won the title with Dieter Dyck, sixth, and Carlos Lecaro, 11th.

During May, Club Nautico San Pablo hosted the traditional Regatta between Ecuador and Peru. Dieter Dyck won the races followed by Juan Santos, Paco Sola, Esteban Crespo, and two other Ecuadorian crews.

In November, Club Nautico San Pablo hosted the traditional Club Nautico del Muna (Colombia) vs. Club Nautico San Pablo rally. This time Andres Lisocki from Colombia won followed by Lars Dyck, Mauricio Martinez, Carlos Ramsauer, and Esteban Crespo, all of them from the local Fleet 447.

Our National Championship was held early in November in Salinas Bay and was won by Arturo Iturralde followed by Paco Sola and Juan Santos.

The District Championship is going to be held on Lake San Pablo on December 6-9 and the results will be published in the *Flashes*.

## CONNECTICUT/RHODE ISLAND

### 1980 District Schedule

Cedar Point	Early Bird May 17-18
Wellfleet	North East Regionals Aug. 16-17
Noroton Y.C.	DISTRICTS July 12-13
Noroton Y.C.	Jr. Districts July 14-15
Madison Beach	Long Island Sound July 19-20
Niantic	Governor's Cup Sept. 6-7
Cedar Point	Eastern U.S. Championship Sept. 13-14

District Champion Pentti Puupera and his crew in Olga.

## FLORIDA DISTRICT

District Commodore..... Frank H. Atkinson, Jr.  
 District Measurer ..... Frank H. Atkinson, Jr.  
 District Champion ..... Frank H. Atkinson, Jr.  
 District Runner-Up..... Mike Alexander

**Fleets:** Biscayne Bay Fleet (226).

This year saw a dramatic increase in participation. Even though we are presently a one fleet District, there were 16 boats at our District Championship. We sailed five races in 5 to 15 knots of breeze under sunny skies. It was a perfect weekend for racing. Frank Atkinson, Jr., held off the attack by Mike Alexander, past Sears Cup Champion, in a chartered boat, to win by a one boat margin.

In 1980, there are plans for the addition of two more fleets to the District. The Lightning once again seems to be becoming a popular boat for juniors and adults looking for a boat to race in addition to their cruising-racing boats. With juniors moving into Lightnings, this seems to be a healthy sign. One of our best young sailors, Reid Hutchinson, came away with a second at Miami during the Southern Circuit!!

By the way, don't forget to come to Miami on the last leg of the Southern Circuit, even if only for the steak! Florida is without a doubt, the best place for Lightning racing, bar none!!!

## INDIANA DISTRICT

District Commodore..... William M. Hall  
 District Secretary ..... Patricia Hall  
 District Measurer ..... John Leath  
 District Champion ..... Chuck Medlock  
 District Runner-Up..... William Hall

**Fleets:** Wawasee Yacht Club (154); Indianapolis Sailing Club (270); Mississinewa Reservoir (420); Tippecanoe Lake Yacht Club (425); Muncie Sailing Club (460); Lake Monroe Sailing Association Lightning Fleet (464).

The 1979 sailing season for the Indiana District started with the GREAT Indiana Open which is the first Regatta on the increasingly popular Northern Spring Circuit. This race has attracted the best sailors in the class the last couple of years with names like Allen, Fisher, Goldsmith, MacDonald, and Mueller to name a few. This year was no exception with Matt Fisher winning, followed by Bruce Goldsmith, then Larry MacDonald (last year's winner). There are always good winds in Indiana during May which makes this regatta even more exciting.

The District had the honor of having the third leg of the Northern Spring Circuit this year (with Indian Lake bowing out) at Lake Wawasee. Boy oh boy, the top sailors were in Indiana again, this time in June. Jim Dressel made this one as did Bruce Goldsmith and Larry MacDonald, Jr. How are the winds in Indiana in June? Well, how does 25-30 sound? The winds on Saturday were causing great problems with the gusts saying "Slam Bam" everytime they hit. Sunday was no better, causing some changes in the top ten boats from Saturday. Larry MacDonald capsized at the jibe mark as did Bill Hall which put both out of the running. In all, four or five boats made it into the water. Upon coming back to the club house Sunday, Jim Dressel was overheard saying he loved the wind like that, and understandably so, he won the race and the Regatta followed by Greg Florian, Bruce Goldsmith, Chuck Medlock, and George Buckingham.

Our District Regatta, a five race series, was held at the beautiful Lake Monroe, home of Fleet 464. As usual there was a good turnout of Indiana sailors. Winds began light and variable on Saturday and picked up to 10-12 on Sunday which made for a very enjoyable race series. Chuck Medlock carried home first place, Bill Hall second, and Bob Carter third.

Three of our top sailors, Chuck Medlock, Bob Carter, and Bill Hall, qualified to attend the North Americans in Ohio. Chuck qualified and placed well in the Governor's Cup. Bob qualified for the Presidents' Cup and placed twenty-third. Bill was unable to attend, much to his dismay, as he was on his honeymoon.

Our District did not have the Lake Monroe Regatta this year because of complications, but it is hoped that this new Regatta can be started again next year.

This year was over all a steady year; there were no large changes in the number of boats in the District but we will keep trying to increase the number. The District did lose one of its most loyal skippers and crew from Indianapolis. Tony Chavez and family moved to the west coast, to southern California, so they could sail 365 days a year. They are truly missed as are the Mike Carrolls who also moved to 365 days a year sailing in Florida.

## FINLAND DISTRICT

District Commodore..... Juhani Haila  
 District Vice President ..... Pertti Pyy  
 District Secretary ..... Lauri Heikkila  
 District Measurer ..... Terho Aromaa  
 District Champion ..... Pentti Puupera  
 District Runner-Up..... Lars Hammar

**Fleets:** Helsinki (166); Kotka (298); Pori (306); Oulu (307); Raahe (308); Kemi (310); Jyvaskyla (328); Nasijarvi (394); Pyhaselka (428); Tuusulanjarvi (456); Valkeakoski (468); Jamsa (469).

Finnish legislation for associations provides for certain official procedures which differ from those which we are accustomed to using within ILCA. We must have two meetings each year. Our annual meeting was held in November in Helsinki and our electoral meeting was held in June along with our District Championship in Kotka. To get fresh blood into our District, some changes were made in our executive committee. District Commodore, Secretary, Measurer, and one member were changed. We thank all these old members of the committee for their work, especially Commodore Hartti Nisonen, and welcome the new ones to do their best for our class in Finland.

Foreign affairs were handled by our Vice President who made a long journey to the ILCA World Meeting in Dallas, USA. Since the Europeans were in Helsinki this year, the meeting of European Districts wasn't so far away. We had three participants with our Italian and Swiss colleagues in that meeting.

The activity in fleets isn't too high here in Finland. In fact, we only have four active fleets namely Kemi, Tuusula, Kotka, and Helsinki. That is a question which needs ideas and work next year.

If the soul of the Lightning is the people, we could say that the body is the boat itself. Here in Finland the soul feels fine but the body suffers from deficiencies. We got only one new boat number this year. Some more are expected for next season. These difficulties with new boats also influence in some extent the old ones too. Oval masts are fabricated in Finland but the specification of the black color makes us send the tubes to Sweden for surfacing. This odd-seeming detail surprises us because it makes the rig very expensive. Top sailors in our District use American sails because similar ones are not available here. This may be one of the reasons of sufferings in the body of Finnish Lightning.

Our District issues a magazine called *Lightningviesti*. We had three issues last year. Main work for that was done by Lauri Heikkila. Worth mentioning is that our reports on our big regattas were presented in the Finnish press. Also, PR was made for Lightnings on Finnish TV.

We had two boats attend the Worlds. Our District Championship was in Kotka with 36 participants. Europeans were in Helsinki with 45 boats. Jean-Claude DuPasquier from Switzerland took the trophies to Neuchatel. Our ranking-series was won by Kari Maenpaa.

For next summer, the Finland District is planning to give more to the soul of Lightning and to solve the problems with the body as well. We wait for the good sailing season of 1980.

*\*Regatta In Northern Circuit*

**\*\*ANNUAL INDIANA DISTRICT MEETING WILL BE HELD.**

Have you ever wanted something no one else had? We did and we got it, our very own 1,000 lbs. scale, just like the one the class has. In fact, ours was used at the Worlds. But, on the serious side, the District would like to publicly thank the individual who made this possible. "Long Live San Clemente".

Bill Hall thanks all the people who have helped him as District Commodore these last two years which have been challenging and fun.

## ITALIAN DISTRICT

District Commodore..... Luigi Merola  
District Secretary ..... Nando De Amicis  
District Champion ..... Luigi Merola  
District Runner-Up..... Alberto Vivani

**Fleets:** Marivela (235); Garda (249); Roma (271); Anzio (278); Lega Navale Anzio (312); La Spezia (321); Flotta degli Estensi (355); Flotta del Faro (390); Marsala (449); Trasimeno (453); del Conero (466); Flotta del Lario (467).

The Italian District is 30 years old!

The official event was held at Trasimeno Lake during the 30th Italian Championship. Captain Luigi Merola of the Italian Navy in 13264 *Excelsior* was the 1979 Italian Champion. This was an extraordinary event because Luigi Merola, at that time a young Lieutenant, was the first District Champion in 1950!

The 1979 Runner-up was Alberto Vivani. Alberto took advantage because of the DSQ of Roberto Crucitti.

Roberto, Antonio De Vita, Giuseppe Palomba, Franco De Regis, and Guido Tulli were the protagonists of the Italian Championship where 21 participants raced.

Two Italian crews took part in the Worlds at Dallas. Roberto Crucitti, with a very good performance, finished 31st where as Nando De Amicis was ignobly the last!

At the European Championship in Helsinki, the Italian District obtained fairly good results: Merola finished fifth; De Amicis, 11th; and Vivani, 22nd.

The Ciga Hotels Inc. gave considerable support to the District International activity and organized the Di Lorenzo Memorial Trophy by the new Excelsior Yacht Club ad Lido of Venice. Jean-Claude DuPasquier of the Swiss District was the winner, followed by Claude Lambelet and Luigi Merola.

The Excelsior Yacht Club is a very good candidate for the organization of the 1983 World Championship if the Italian District will be awarded.

*Choppy for the sailors and for the photographer too!*

# LAKE ERIE DISTRICT

\*\* Fall Circuit Regattas

## LAKE ERIE DISTRICT

District Commodore . . . . . Calvin Schmiede  
 District Secretaries . . Mark Bryant & Judy Walker  
 District Champion . . . . . Peter Bone  
 District Runner-up . . . . . Mark Bryant  
 District Junior Champion . . . . . Tom Allen IV  
 District Women's Champion . . . . . Cherie Neville  
 District Measurer . . . . . Bill Potter

**Fleets:** Buffalo Canoe Club (12); Chautauqua Lake Y.C. (19); Silver Lake Y.C. (47); Niagara Sailing Club (59); Sandy Beach Y.C. (78); Buffalo Y.C. (81); Cuba Lake Y.C. (115); Royal Hamilton Y.C. (118); Toronto Bay (146); Conneaut Bay (180); Chautauqua Y.C. (198); Dunkirk Harbor (311); London (347); Parkway Sailing Club (406); Lake Arthur L. F. (441); Lake Glendale Y.C. (444).

The 1979 Sailing Season for the LED was, as usual, a great success even though Regatta attendance was less than anticipated. The first major series, The LED-CNY District Challenge, included the combined scores of the Reunion Regatta at Newport Y.C. (for CNY) and the Niagara Frontier Invitational at Buffalo Canoe Club (for LED). Even with first place overall winner Ed Roseberry, the LED could only tie for Challenge honors with CNY due to the second, third, and fourth place finishes of their sailors, Tom Jungjohann, Jed Dodge, and Dick Hallagan. What the LED lacked in top finishers, we made up in numbers to tie the 1979 Challenge.

June saw five of our top competitors off to the World Championships in Texas. The LED was most proud to have Jim Neville, Larry MacDonald, Tom Allen III, Bill Hunter, and Mike Vollmer qualify and sail in this most important Championship of 52 boats. Three of our boats finished in the top eleven with Jim Neville, seventh; Larry MacDonald, Jr., tenth; and Tom Allen III, 11th. Competitors of this quality make winning in the LED difficult but serve to give us all a keen edge in racing to sharpen our skills against some of the best.

The Junior and Women's Districts preceded the District Championship at Sandy Beach Y.C. Competition was keen in both series with aggressive tactics in both groups. Most of the winds ranged from 15-25 mph and, combined with the Niagara River currents, the large group of spectators for these races were continually being thrilled with smart maneuvers, daredevil tactics, and smashing recoveries. Tom Allen IV easily won the Junior's with Skip Wilday and Bruce Hein close behind. Cherie Neville captured the Women's MacDonald Trophy but Ann Allen and Judy Walker finishing second and third respectively made Cherie work all the harder. The District is very happy that Cherie and her crew went on to win the Women's North Americans in Cleveland.

The winds for the Districts were much milder, actually diminishing into drifting conditions. This didn't seem to bother Peter Bone of Silver Lake Y.C. or Mark Bryant of B.C.C. Mark and Peter tied with 30 points each in the Regatta after five races. The tie was broken by horseracing with Peter emerging as District Champion and Mark as Runner-up. Bob Starck of Niagara Sailing kept Peter and Mark honest, finishing with a total of 33 points.

As always, one of the most successful Regattas was the "Ole Salts" chaired annually by John Sloan. The winds were perfect, 12-15 mph, for the 17 boat fleet. The only entry requirement is that skipper and crew must be at least 50 years of age. With his all girl crew of Marge Anderson and Marie Fallon, Stuart Anderson became the LED "Ole Salt" Champion. Luckily, no spinnakers were allowed. Close behind finished Jack Swanson of B.C.C. and Tom Robinson of R.H.Y.C. Among the notables competing was Karl Smither with one of his original crew from 1938, Bob Crane. Ali Hamsen completed this threesome with at least 40 years each of sailing experience.

The Fall Circuit, a three Regatta Series was off to a great start with near perfect sailing at Dunkirk Y.C. Mark Bryant took top honors with Judy Walker, second, and brother Matt Bryant, Jr. finishing third. The following weekend saw Paul Emens of S.L.Y.C. finishing first at Silver Lake along with Stuart Anderson and Tom Allen, second and third respectively. The final series was held at Sandy Beach Y.C. with Tom Allen, first; Matt Bryant, Jr., second; and Clarence Holman, third. The overall Fall Circuit winner was Fritz Dusel who proudly took home the Skaneateles Trophy.

One of our last Regattas was the Turkey Regatta held at Royal Hamilton Y.C. This Regatta is more commonly known as the Canadian-American Feud and, since the Canadians run the Regatta, they usually take care of their own. Only first place winner Ron Cochrane of Toronto Bay took home a coveted Turkey, but many Canadians took home luscious hams as determined by place finishes as drawn from a hat. The best the Americans could do was the conciliatory prize, awarded to the top American finisher, Stuart Anderson, who was awarded a future turkey — known as an "egg".

1979 Regatta Season is over. We all in the LED enjoyed ourselves, made many new friends, and will have fond memories to carry us over into the 1980 Regatta Season. We expect greater attendance at Regattas and plans have been formulated to insure the success and fun of our District Regattas.

## METROPOLITAN DISTRICT 1980 Regatta Schedule

April 13, 20	Spring Series	Red Bank N.J.
May 4, 11, 18		
April 26, 27	Long John	Red Bank, N.J.
<b>MID-HUDSON CIRCUIT</b>

June 7-8	Hi-Tor Sutherland	Stony Point, N.Y.
July 12-13	Chelsea Open	Chelsea, N.Y.
<b>June 28-29</b>	<b>DISTRICTS</b>	<b>Stony Point, N.Y.</b>
August 9	Sea Bright Cup	Atlantic Highlands, N.J.
Sept. 13-14	Lake Wallenpaupack	Paupack, Pa.
<b>SHORT CIRCUIT</b>		
Sept. 6-7	Whisker Pole	Greenwood Lake, N.Y.
Sept. 20-21	Lake Mohawk	Sparta, N.J.
Oct. 11	MBC Regatta	Red Bank, N.J.

## METROPOLITAN DISTRICT

District Commodore . . . . . George Bitler  
 District Secretary . . . . . Denis Farley  
 District Measurer . . . . . Denis Farley  
 District Champion . . . . . Jon Schwartz  
 District Runner-Up . . . . . Bob Graham

**Fleets:** Paupack (16); Lake Mohawk (25); Chelsea (39); Highton, (41); Red Bank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

One would think that a District called Metropolitan would have all the fleets close to one another and there would be strong ties amongst the fleets. In reality, the Met District is large geographically and is fragmented into three friendly groups: the lake sailors, the Hudson River sailors, and the Monmouth Boat Club. The former two have their own circuits which are open to all while the MBC sailors battle amongst themselves and head in every direction in search of competition.

The season started with the Lightning Southern Circuit for six Met District sailors last March. John Schneider sailed the entire circuit while Jon Schwartz, Bob Graham, Sandy Huntsman, Jack Huntsman, and Denis Farley all sailed at least one regatta.

Gasoline was beginning to be in short supply in April and held

attendance at the Long John at MBC to only 54. Jack Elfman sailed fast and well to top a star studded field. A number of others claimed to have won the party.

The Hudson River sailors held their Circuit in June and July and Tom DeStasio of Nyack emerged as winner for the second straight year. The Mid-Hudson Circuit consisted of regattas at Nyack, Hitor, and Chelsea.

Three Met sailors drove the 1500 miles to Dallas for the Worlds in June. It was a windy and wild regatta and there were great stories told of sailing in winds up to 40 mph. Dennis Farley was 18th; Jon Schwartz, 19th; and Bob Hutchinson, 37th in the 53 boat field.

Light wind and strong tide made the Districts at Chelsea in July an interesting series. A windless Sunday resulted in a two race regatta won by Jon Schwartz. Runner-up was Bob Graham of Lake Mohawk.

Then it was off to Cleveland for the Junior North Americans and the North Americans. Jack Huntsman again did well in the Junior's with a fifth. Kevin Corr finished 10th and then hopped a plane to Boston to sail in the Sears Cup finals. Kevin finished fifth overall in this event.

Top finisher from the Met District in the North Americans was Jon Schwartz at 17th in the Blue Fleet. John Schneider was sixth in the Presidents' Cup with Sandy Huntsman, 11th; Jack Huntsman, 24th, and Joe Sullivan, 26th. Jed Kwarther was 20th in the Governors' Cup and Bill Garder was 30th.

John Schneider won the Sea Bright Cup Regatta on the open water of Sandy Hook Bay in early August. On the next weekend, Bill Ewing moved from another class, borrowed a Lightning, and won the National Sweepstakes at MBC.

The Short Circuit was again held at Lakes Greenwood, Wallenpaupack, and Mohawk. Bob Graham won for the second straight year.

As you can see from the above, we have a diverse District with many opportunities to sail in interesting places. We had a great year and we hope that some of our friends from other Districts will join us in racing on our unique waters.

## MICHIGAN DISTRICT

District Commodore.....James S. McCoy  
 District Secretary ..... Tim Vander Meulen  
 District Junior Commodore ..... John Mathers  
 District Measurer ..... Bob Knop  
 District Champion ..... Terry Timm  
 District Runner-Up..... Bill McKinley  
 Junior Champion ..... John Mathers  
 Junior Runner-up..... Brian Hussey, Jr.

**Fleets:** South Haven (30); Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Tawas Bay Yacht Club (152); Saginaw Bay (216); Grand Traverse Yacht Club (326); Pentwater (340); Douglas Lake (374); Lansing Sail Club (387); Neahtawanta Yacht Club (403); Union Lake Yacht Club (458).

The Michigan District began its year with a new, three weekend regatta series starting at Lake Lansing, Union Lake, and ending at Gull Lake. An average of 20 boats participated each weekend with heavy winds and numerous capsizes prevalent. Three boats dominated the series however, with overall finishes of one, two & three respectively in each of the three weekends. First place winner was Henry Hodgson and crew from Union Lake; second place was Bob Knop from Pontiac; and third place was Dave Furey from Lake Fenton. A really excellent series for all three boats.

Lake Fenton hosted its annual District Team Race weekend and used their homecourt advantage to win first place overall.

The newcomer to our circuit this year was Douglas Lake which hosted its first annual regatta. Dave Peters gave up his boat to serve as Race Committee Chairman and watched Les Kastura and crew from Pontiac Yacht Club win the series.

The highlight of our season came in July with the Michigan District Championship. This year's Friday, Saturday, and Sunday event was hosted by the Crescent Sail Club on Lake St. Clair who went so far as to invite Fred Eng, our last year's District Secretary, to fly in from Philadelphia and serve as Race Committee Chairman. He forgot to bring wind however, and the first day's racing had to be cancelled. The next two days eventually brought better winds allowing us a three race back-to-back-to-back marathon on Saturday and two more on Sunday. Terry Timm and crew won the series

with Bill McKinley from Pontiac, Dave Peters from Douglas Lake, Clarence Holman III from Pontiac, and Herm Nickels from Lake Fenton rounding out the top five. Terry became the first recipient of the George Sipple Memorial Trophy provided by the Devils Lake Yacht Club. George was killed in a tragic car accident late last year and was certainly missed by all. The old district trophy was retired at Devils Lake. A total of 31 boats participated in this year's championship with Gull Lake providing the largest increase in boat participation by sending seven boats.

Grand Traverse Bay surrendered its 1st place trophy to "outsider" Chuck Medlock from Indiana while Higgins Lake gave theirs to local Mike Dow and crew.

Bill McKinley and crew took first place in the annual Bay City regatta which also was the site of our Junior District Championships. John Mathers and Brian Hussey, Jr. with crews each got two first place finishes and two second place finishes in the four race series to end in a tie. A coin was used to declare John the winner and Brian the runner-up. Nice racing.

Pontiac Yacht Club's White Cap Regatta, traditionally the largest regatta in the district, saw 40 boats challenge several wild windshifts. Michigan's "Ancient Mariner" Herm Nickels emerged on top to better Bruce Goldsmith in second and Clarence Holman III in third.

Garry Demarest took top honors at the Devils Lake Yacht Club Regatta, the world's longest, continuously running regatta series. Localite Merrill Bales finished second.

Clark Lake provided the season finale with Henry Hodgson repeating as winner.

Special congratulations go to our District Commodore Jim McCoy who won the Governors' Cup with crew Keith Thatcher and Bob Mathers at the North American Championships in Cleveland. Tim Vander Meulen qualified for his first North Americans and finished fifth overall in the Presidents' Cup with crew Lynn Pyke and Doug Byerly. He also reigned as this year's recipient of the prestigious "Let It All Hang Out Award" after compiling a three year record of falling out of every boat he has crewed on at least once. Henry Hodgson repeated as winner of the George Stueland Trophy for the overall best performance on the Michigan circuit. He also honored our district by qualifying for the Mallory Cup finals held this year in Marblehead, Massachusetts.

We have a lot of great people in our district who, besides being great sailors, excell in having a good time. Come join us on our circuit next year and we'll show you how much fun sailing can be. See you next year!

## MIDWEST DISTRICT

District Commodore.....Gene Matthews  
 District Secretary ..... Vicki Matthews  
 District Measurer ..... Bob Smither  
 District Champion ..... Gordon Ettie  
 District Runner-Up..... Bruce Goldsmith

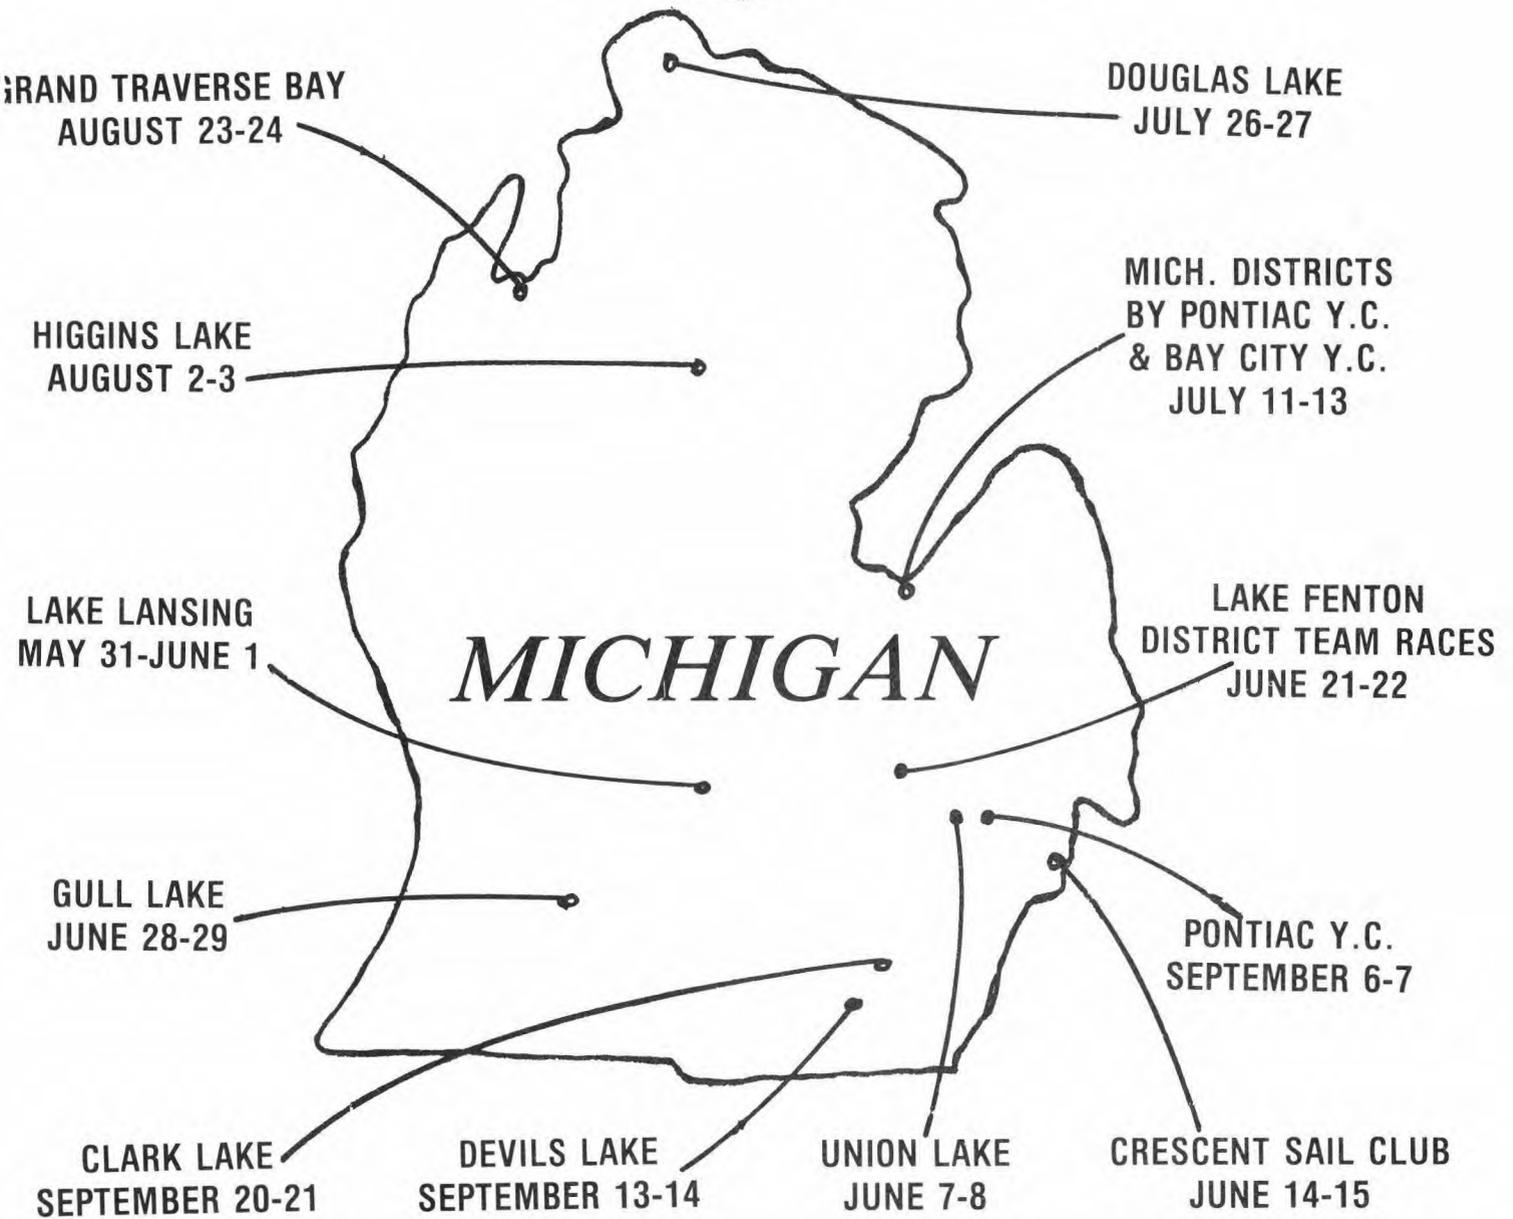

**Fleets:** Chicago Corinthian (5); Burnham Park (56); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393).

Most of us in our District waited until June to start our sailing and racing but some hardy and venturesome crews were able to start in March with the Southern Circuit. It was then on to some early spring regattas in Indiana. It was great to see skippers participating in other districts when there was an open weekend in the schedule and we welcomed the participation of other districts in our events this season.

The regatta schedule began with the Ice Breaker in Manitowoc which was won by Ron Schaper with Rick Larson, second; and Bob Waid, third. The next event was in Green Bay for the Evans Regatta. The District Commodore won with a close second going to Gordon Ettie only after losing his foredeck crew. Third place went to John Esser. Many thought the Commodore was starting a winning streak when he went on to win the P & T at Milwaukee in light winds. Matt Burrige of St. Louis was second and Rick Larson, third. Another long-distance competitor was Bill Hall of the Indianapolis Sailing Club. The District Championships were held in Chicago at Corinthian Yacht Club. The name of the game was summed up by Gordon Ettie as being patient and consistent, which he finally learned from his crew. See, it pays to listen to the crew. Second place went to Bruce Goldsmith and Bob Smither was third. Gordon's newly acquired skill of patience and consistency helped him win the Oxie in Lake Geneva. It seems many of the other top competitors needed to learn this skill as they were inconsistent with a few of their finishes. Second place went to Bruce Goldsmith, a new member to the host fleet, and Keith Swihart of Wawasee, Indiana, third.

# MICHIGAN

# DISTRICT

***START THE EIGHTIES  
WITH THIS 50 RACE  
MICHIGAN CIRCUIT***

The Brotz Regatta in the Sheboygan with their famous brats was next on the schedule. They showed their hospitality with brats and beer which was unanimously tapped before the first race which wasn't held until Sunday due to lack of wind. The winners were Gordon Ettie, first; Bob Smither; second; John Esser, third. The Mississippi District was well represented by Matt Burrridge and Greg Florian. It was then back to Chicago for the next two regattas, the Hobelman and the Red Flannels. The Hobelman was tied by Gordon Ettie and Bob Smither, second place went to David Blair. The Red Flannels was won by Chicago's Dick Hinze, seconded by Dennis Burke, and third by Buck Wynn. The Polar Bear was the final event of the District. Breaking away from the traditional Polar Bear Regatta comprising of C's, M-16's, and Lightnings, the Lightning Regatta had 17 participants — seven from out of town. Top honors went to Bruce Goldsmith, second to Mike Steffenson, and third to Bob Novak. The Lake Geneva fleet members showed great talent for river sailing capturing three out of the top five places.

The Lake Michigan Championship comprising of the Districts and three other Regattas was won this year by Gordon Ettie with Bob Smither, second; and John Esser, third.

Two of our newer skippers showed their talents as they represented the District in the Junior and Women's North American Championships in Cleveland. They were David Blair with crew Jeff Fishman and John Wis; Vickie Matthews with her crew of Nina Ettie and Lynn Nixon. All agreed that these two events were well worth entering for the quality of competition and great fun. Our District was well represented at the North Americans with three in the top division. Our highest finisher was Bruce Goldsmith taking second over all with his light weight female crew.

Over all, the regattas were well attended in spite of the summer gas shortages. We all look forward to a great season next year.

## MISSISSIPPI VALLEY DISTRICT

District Commodore..... Mitch Bohnenkamp  
 Vice Commodore ..... Bill Baxter  
 District Junior Commodore .... Matthew Burrridge  
 District Measurer ..... Stuart Bernstein  
 District Champion ..... Matthew Burrridge  
 District Runner-Up..... Greg Florian

**Fleets:** Decatur (74); Harbor Island (262); Caryle Sailing Association (266); Memphis (274).

The highlight of our 1979 District activities was the District Regatta held at Kentucky Lake in June. We had 27 boats participating in the five race series, with strong representation from each of our active fleets. The top ten were:

- |                      |               |
|----------------------|---------------|
| 1) Matthew Burrridge | Carlyle       |
| 2) Greg Florian      | Decatur       |
| 3) Don Sherburne     | Harbor Island |
| 4) Jim Bryant        | Memphis       |
| 5) Bob Wardwell      | Unattached    |
| 6) Roger Grohne      | Decatur       |
| 7) Jack Benz         | Harbor Island |
| 8) Barney Mead       | Harbor Island |
| 9) Lloyd Irish       | Decatur       |
| 10) Mitch Bohnenkamp | Carlyle       |

Congratulations on a fine series to each of these sailors!

We are represented by five boats at the North Americans and were proud to have two qualifiers in the Blue Fleet as well as one in the Green. This effort represents a decided improvement in quality as well as quantity

# MIDWEST DISTRICT 1980 Regatta Schedule

* June 21-22	Evans Regatta	Green Bay
* June 28-29	Oxie	Lake Geneva
July 12-13	P & T	Milwaukee
<b>July 18-19-20</b>	<b>DISTRICTS</b>	<b>Milwaukee</b>
* July 26-27	Brotz	Sheboygon
August 2-3	Hobelman	Chicago Corinthian
* August 16-17	Ice Breaker	Manitowac
* September 20-21	Red Flannels	Chicago Corinthian
* September 27-28	Polar Bear	Davenport

\* Lake Michigan Championship To qualify, the Districts and 3 other \* Regattas must be sailed.

\* Prime Lightning Regattas

over recent years and renews our efforts to maintain a strong and viable District.

We continue to have good competition at the fleet level and we encourage participation in the various District Regattas which are listed elsewhere.

Many thanks to Bob Hochstetler for his fine work as District Commodore and Stuart Bernstein for his continuing efforts as District Measurer.

### NEW ENGLAND DISTRICT

District Commodore.....Dr. Georges Peter  
 District Secretary ..... David H. Fitch  
 District Champion ..... Donald C. Brush, Jr.  
 District Runner-Up..... W. Stuart Nickerson

**Fleets:** Centerboard Yacht Club (14), Merrimac River Fleet (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake S.C. (227); Lake Dunmore (243); Harrasket Yacht Club (244); Masebesic Yacht Club (273); Chequesset (280); Lake Champlain (417); Androscoggin Lightning Fleet (450); Granite Lake (457); Casco Bay Lightning Fleet 471).

Uncertainties of gas and fickle winds diminished District participation this summer. In June at the Northeast Regatta, Len Pratt finished third among 21 boats in light air at Niantic, Connecticut. June's real highlight saw Don Brush, Jr.'s near triumph in the Worlds in Texas. One capsized too many dropped him to fifth. Commodore Georges Peter's 16th place finish at the same event was good news to us all.

In mid-June, the Portland Yacht Club Regatta was held in beautiful weather and moderate breezes. Dick Thackaberry of Connecticut won followed by Hale Walcoff and Len Pratt. Manchester, New Hampshire hosted a 15 boat fleet on Massabesic Reservoir. Gusty north breezes were to

the liking of Fred Hamblet who posted a win over local Dick Hale while Dave Fitch notched third.

In early July, Dick Hale captured the State of Maine Trophy on Casco Bay in Maine. Our New England Districts followed on Lake Champlain with Friday and Saturday seeing the Mallet's Bay water an unrippled mirror. Sunday was quite a change — southerlies, moderate to heavy, gusting to 25, and three races of screaming muscles, tight reaches, and occasional swims. Dave White showed amazing seamanship unstepping his mast in the three-foot chop, only to be denied as he resteped his mast in the deck supports gave way at the partners. Dick's tiller was graciously lent to Spofford's Tommy Thompson after his first race breakdown. Bill Fastiggi finished second in the first race and was in the top five in the second race when the gudgeons let go and he was through for the day. Don Brush, Jr., with three first place finishes, easily won over Stuart Nickerson while Dick Hale, Georges Peter, Hale Walcoff, Jim Russell, Kurt Kling, and Peter Hubbard all sailed extremely well.

It was encouraging to find Brush, Jr., Peter, and Russell in the Blue Fleet at Cleveland and all enjoyed great sailing on Lake Erie. New England's Wellfleet on Cape Cod found the summer's most pleasant sailing and fine hospitality. Dick Hale, Stu Nickerson, Fred Hamblet, Tim Dickey, and Dave Fitch enjoyed it the most. The next weekend, John Collins bested all comers at Marblehead in light air. Great fellowship and little wind made the New Hampshire-Vermont Championship a one-race affair on beautiful Squam Lake. Don Brush, Jr., won it. The State of Massachusetts Championship at Newburyport saw no wind Saturday and 35 knots on Sunday — we shall try again next year!!

Massabesic's fall wrap-up saw Dave Fitch win two Saturday races and hang on for the win over locals Dick Hale and Dennis Collins with Rev. Parkman Howe in fourth.

Our finale at Spofford Lake began with rain but turned perfect despite the momentary lull in the wind on Sunday. Dick Halligan, Don Brush, Jr., Dave Fitch, and Dick Hale were the top finishers. Len Pratt sailed a new builder's Lightning to Sunday's first place finish over the 27 boat fleet.

# NEW ENGLAND DISTRICT

## REGATTA SCHEDULE

**1980**

June 28-29	Lake Bomoseen, NH-VT Championship
July 12-13	Centerboard Yacht Club, State of Maine
July 18-20	Marblehead, NE Districts
July 26-27	Newburyport, State of Massachusetts

<b>August 15-24</b>	<b>San Diego, California Nationals</b>
August 23-24	Open (Junior District Championships - Tentative)
September 6-7	Massabesic Regatta
(September 13-14)	(Westport, Connecticut, Cedar Point)
September 20-21	Spofford!!

## OHIO DISTRICT

District Commodore..... Jack Mueller  
 District Secretary ..... Carl Clipp  
 District Measurer ..... Ralph (Bucky) Powless  
 District Champion ..... Will Petersilge  
 District Runner-Up..... Bill Buckles  
 Junior Champion ..... Will Petersilge

**Fleets:** Indian Lake (23), Leatherlips (27), Turkeyfoot (33); Pymatuning (36); Toledo (42); Buckeye Lake (43); Rocky River (71); Mansfield (150); Northeast (207); Atwood Lake (212); Cowan Lake (303); Hoover (353); St. Mary's (400).

The season got off to an early start with the Winter Meeting. With all the national level skippers in our District, Bill Shore decided not to share any boat speed tips, giving instead an interesting talk on sail design.

Ohio's racing season started with the Great Lakes Championship hosted by North Cape Yacht Club which was won by Jim Dressel.

The Thundermug Regatta was hosted by the St. Mary's Fleet on June 2-3. Jim Dressel was first; Addis Katterheinrich, second; Ron Schulster, third; Mark Wilkins, fourth; and Warren Schieser, fifth.

Leatherlips hosted their Windshift Regatta the following week. The top five sailors were Dick Pugh, Tom Varley, Ron Schulster, Nelson Caley, and Dan Roshon.

The Ohio Districts were hosted by St. Mary's Fleet with the help of Indian Lake. Except for one afternoon downpour, five races were sailed in excellent conditions. The top five were Will Petersilge, Bill Buckles, Rob Ruhlman, George Fisher, and Jim Dressel.

Fleet 71 at Cleveland Yachting Club hosted the North Americans and did their usual great job of making everyone feel welcome. Although Jim Crane won the Championship, Ohio District was well represented by Jack Mueller, Jim Dressel, and Matt Fisher who finished fourth, fifth, and seventh, respectively. Will Petersilge made everyone in the Presidents' Division wish he hadn't been the last boat cut from the Blue Fleet, as he started the series with four bullets and won handily.

Atwood Lake hosted their annual Harvest Moon Regatta September 9-10 with good sailing and great hospitality. Bill Buckles was pushed by Warren Schieser, but won the Regatta with Warren a close second; Jack Mueller was third; George Auer, fourth; and Herb Jestel, fifth.

Hoover, Buckeye Lake, and Leatherlips Fleets got together on Sept. 23-24 for their annual Columbus Mayor's Cup Regatta. With the air gusting up to 2 mph at times, Dan Dressel edged Ron Schulster to become the first Buckeye Lake sailor to win the Mayor's Cup; Ed Whiteman finished third; Warren Schieser, fourth; and Carl Clipp, fifth.

As usual, Buckeye Lake's Snowball attracted the best talent in the east. Bruce Goldsmith proved you don't need a lot of weight to win a heavy air series; Matt Fisher was second; Jim Dressel, third; Bill Buckles, fourth; and Jack Mueller, fifth.

Cowan Lake's Fall-In Regatta closed the season on October 20-21 with 70 degree temperatures and 20+ mph winds. Bill Buckles and his syndicated boat won impressively with five firsts; John Mueller was second; Carl Clipp, third; Ken Irwin, fourth; and Dick Pugh, fifth.

Dick Pugh's fifth at the Fall-In was enough to win him the Ohio Governor's Cup Series. The Governor's Cup Series is based on the best finishes in the St. Mary's, Leatherlips, and Cowan Lake Regattas. Last year's winner, Ron Schulster, finished second and Warren Schieser was third.

## PACIFIC NORTHWEST DISTRICT

District Commodore ..... George Blumel  
 Vice Commodore ..... Frank Wise  
 District Secretary ..... Ralph Mergen  
 Treasurer ..... John DeBenedetti  
 District Junior Commodore .... Philip Parshley  
 District Measurer ..... David Hickman  
 District Champion ..... Greg Zettler  
 District Runner-Up ..... Ken White  
 Junior Champion ..... Philip Parshley

# 1980 Ohio District Regatta Schedule

District Seminar & Regatta	Pymatuning	May 10-11
Great Lakes Championship	North Cape Y.C.	May 17-18
St. Mary's 400	St. Mary's Boat Club	June 7-8

### PERU DISTRICT

**Fleets:** Maple Bay Fleet (64); Vancouver Fleet (90); Lake Washington (132); Chinook Fleet (229); Columbia Fleet (283); Okanagan Fleet (368); Juanita Bay (414); Klamath Falls Fleet (455).

The 1979 sailing season started with a District meeting in Portland, Oregon, Feb. 10th. Jack Mueller gave an interesting talk about boat construction. His racing stories got everyone excited about the coming season.

The Northwest District is spread over thousands of miles, but is the fellowship of the sailors that makes the distance seem small. The regulars on the circuit form a warm circle of friends and are quick to extend that friendship to newcomers. No other class promotes as much as the Northwest District Lightnings. Promote they must, because racing is on an ebb. The North Americans will be held in San Diego in 1980 and excitement is rising. Several new boats are being ordered, making competitive used boats available for the new sailor.

The Districts were sailed on English Bay, Vancouver, British Columbia. Members of Vancouver Fleet 90 were excellent hosts. The racing was dominated by Greg Zettler with three first place finishes and one second. He was well in the lead in what was to become his throw-out race when he broke a rudder. Ken White and Neil MacGibbon finished in a tie with 12 points but the tie-breaker rules gave second to Ken White.

The second Annual Junior Championship was sailed the day before the Districts and was won by Phil Parshley, Jr. A beautiful new Junior Trophy was unveiled and presented. Phil, Senior and Phil, Junior were the only ones from the District able to go "back East" to sail in the North Americans this year. It was Phil Jr.'s last year to compete as a junior so the trip was a big event for him.

So as 1979 fades, some return their boats to the garage and break out the snow skis. Others spend the winter preparing their boats for next year. As 1980 approaches, it appears the tide has turned and Lightning sailing will be on the increase.

District Commodore..... Cesar Zanatti T.  
 District Secretary ..... Dr. Jose Barreda-Moller  
 District Treasurer ..... Luis Bryce  
 District Champion ... Carlos Navarro-Mulanovich  
 District Runner-Up..... Dr. Jose Barreda-Moller  
 District Youth Champion ..... Carlos Navarro-Mulanovich  
 District Runner-Up..... Alex Zimmerman

**Fleets:** Club Regatas Lima (261); Yacht Club Ancon (264); Yacht Club Peruano (265); Universitario de Regatas (424); Peruvian Naval School (452).

We are happy to report that as an aftermath of the First World Youth Championship held in Peru a year ago, we are experiencing "Youth Fever". That is, there are more and more young sailors in the scene, some as skippers with youth crews participating in all scheduled activities (seven boats), some others are crewing as steady members in other boats. Their number is increasing fast and there have been six boats added to the Naval Academy where nearly all skippers and crews are 19 years of age or less. This is great as it ensure future growth of the Class in our District.

At the time of this writing, there are 10 boats competing in the Second Youth National Championship, that is four more entries than last year and there are two who are not competing due to illness. In March, we hosted the 24th South American Championship and a full report of it appears elsewhere in this Yearbook. We were sorry not to have the champion come from our ranks but we feel that Paco Sola, our good friend from Ecuador, raced extremely well and consistently and deserved to be the champion. Our congratulations to this fine sportsman, sailor, and good friend.

Cesar Zanatti and Carlos Navarro with their crews represented us in Dallas during the Worlds. They did not win, but did learn a lot about heavy weather sailing and renewed friendship with other world members of the Class.

*COMPLIMENTS of*

### SOUTHEASTERN DISTRICT

We invite you to our 1980 Regattas —

March 1 & 2 Third Annual Ice Breaker at Charleston Yacht Club

March 9 & 10 Deep South Regatta at Savannah Yacht & Country Club

Other Regattas will be announced in *Flashes*.

## SOUTHEASTERN DISTRICT

District Commodore..... Harry Hintz  
 District Secretary ..... Mickey Boyd  
 District Measurer ..... Bert Berry &  
 Paul Rodesiler  
 District Champion ..... Lennie Krawcheck  
 District Runner-Up..... John McIntosh

**Fleets:** Savannah (127); Clark Hill (257); Lake Murray (341); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Wateree (459); St. John's River (461); Waccamaw (463).

1979 was an exciting and interesting year in our area. Unfortunately, we had a smaller number of participants — we hope it was due to lack of gas not lack of interest. Lenny Krawcheck and his gals, wife Townie and Ann Sloger, made it impossible to catch him as the season wore on and is our new Champ. Big John McIntosh, with daughter and son-in-law Aileen and Joe Bel, settled for second place; George Scarborough, his wife Janet, and Billy Smith made third. Will Sloger, sister Maria, and David Sears were fourth; and Tom Waters and his daughters, Cindy and Lisa came in fifth. One thing you can say for the Southeastern District — the families that sail together prevail together.

We are mighty proud that Pete Russell, wife Pam, and Susie did so well in the Worlds and never turned over. And our North American contestants did us mighty proud too. We have been fortunate in having Bob Wardwell of Chattanooga sailing with us frequently; although he has been sailing so well, we may rescind the invitation. Fisk Hayden got smart and moved to the sunny South so we hope he will be sailing with us more often bringing some of the St. John's River Fleet from Jacksonville with him.

Y'all come to the Ice Breaker and the Deep South, you hear !!!

## SOUTHERN DISTRICT

District Commodore..... Jeff Reisch  
 District Secretary ..... Walter P. Tyree, III  
 District Measurer ..... John "Buck" Ballatin  
 District Champion ..... Rick Skinner  
 District Runner-Up..... Bob Borneman

**Fleets:** Southern Yacht Club (62); Mobile Bay (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209); Morgan City Yacht Club (443).

Things have quieted down in the Southern District. Long gas lines and long distances between clubs have curbed our traveling a little. We did manage to make plans for our own "Southern Circuit" starting with Holiday In Dixie Regatta at Shreveport in April. This regatta is always fun with boats from three Districts participating; then, on to One Design at Southern in New Orleans and finally Wadewitz at Fairhope on Mobile Bay. Because of our fine year-found sailing, our winter regattas draw boats from the northern climes. The Sugar Bowl in New Orleans is always well attended by those "Damnyankees."

The Mobile Bay fleet hosted the Districts this year and walked off with the first three places. However, our hard working Commodore, Rob Bernhardt, spent too much time organizing and not enough time sailing and so he spent his time transom watching.

We have planned to combine Districts with our Gulf Yachting Association (GYA) Championships in New Orleans this year. These two regattas will be held on back-to-back weekends to try and ease the traveling burden a little and only incidentally to give us all an excuse to spend a week on "Bourbon Street."

## INVITATION TO THE 1980 EUROPEAN LIGHTNING CHAMPIONSHIP

The "Cercle de la Voile de Neuchâtel" has the pleasure to invite you to participate in the 1980 European Lightning Championship which will be held on the Lake of Neuchâtel, at Port du Nid-du-Cro, Neuchâtel, Switzerland.

### Schedule:

Saturday, June 28:	Welcome, Measurement	Thursday, July 3:	Races
Sunday, June 29:	Measurement	Friday, July 4:	Races
Monday, June 30:	Races	Saturday, July 5:	Races
Tuesday, July 1:	Races	Sunday, July 6:	Reserve
Wednesday, July 2:	Races		

Lightning sailors who are interested are requested to write to Claude Lambelet, Port du Nid-du-Cro, 2000 Neuchâtel 7, Switzerland. Telex 35504. Attention: Claude Lambelet.

## SWISS DISTRICT

District Commodore.....Urs Wyler  
District Secretary ..... Ernst Schar  
District Champion ..... Bernhard Adam  
District Runner-up ..... Urs Wyler

**Fleets:** Lac de Neuchatel (169); Zuerichsee (219); Sempachersee (250); Bielersee (268); Vierwaldstattersee (281); Greifensee (309); Murtensee (358); Thundersee (454).

1979 represented a rather positive year to our district. Quite a few members improved their mooring facilities and it allowed them to expand their activities from local contests to district and international championships. This is to say that only the very active and strong fleets were able to move in that direction. Yet, most everybody agreed that they found it much more difficult to keep in very "close touch" with each other in such a large group. Our responsible leaders were very much aware of this fact. Their interest is to keep high morals and good sportsmanship among their people.

The Swiss Championship at Greifensee proved to be an excellent event to prove this standard. It turned out to be a hit! Top organization — top entertainment and the timing was also perfect. We proudly started thirty boats.

Here are the top results in the major championships; skipper and crew: La Neuville (Bielersee), Rahn, Huber, Bosshard, first; Pfauen Cup (Murtensee), Wyler, Wyler, Wyler, first; Neuhaus (Thunersee), Wyler, Wyler, Wyler, first; World Championship (Dallas), Rahn, Huber, Bosshard, twenty fourth; European Championships (Helsinki), DuPasquier, DuPasquier, Eggenberger, first; Swiss Championship Faellanden (Greifensee), Adam, Pfister, Koller, first; Winter European Championship (Marsala); Schmid, Wyler, Stadelmann, first; Kami-Kaze-Cup, Wyler, Wyler, Wyler, first.

## TEXAS DISTRICT

District Commodore.....Bob Chilton  
District Secretary ..... Regina Ploch  
District Champion ..... Glen Darden  
District Runner-Up..... Bob Chilton

**Fleets:** Dallas Corinthian (35); Rush Creek Yacht Club (435); Chandler's Landing Yacht Club (473).

1979 was an outstanding year for our District and, in particular, the fleets located at Lake Ray Hubbard. The World Championship being held at Rush Creek Yacht Club stimulated quite a bit of interest and the performance among our fleet members improved immeasurably. As is usually the case, however, when the level of competition increases we lost some of our long time fleet competitors.

Glenn Darden's victory in the Worlds and Stephen Craig's victory in the Junior Worlds were strengthened by Glenn winning the Mallory Cup for the second year and Stephen winning the National Junior title. The other significant individual achievement was by Mark Holman placing third in the Juniors, competing for the first time. With this caliber of talent it is not hard to maintain a superior level of performance during the coming years.

Chandler's Landing Fleet 473 was chartered during the year after a considerable amount of work by George Hatfield, last year's District Commodore, and by Hal Ploch, a Lightning sailor for so many years who recently returned to Dallas. There is a great deal of potential at Chandler's Landing and we look forward to their help in increasing their fleet's activity thereby boosting overall competition within the District.

Plans for the coming year include trying to maintain the quality and quantity of competitors during the World Championship year and investigating the possibility of a new fleet in the Houston area.

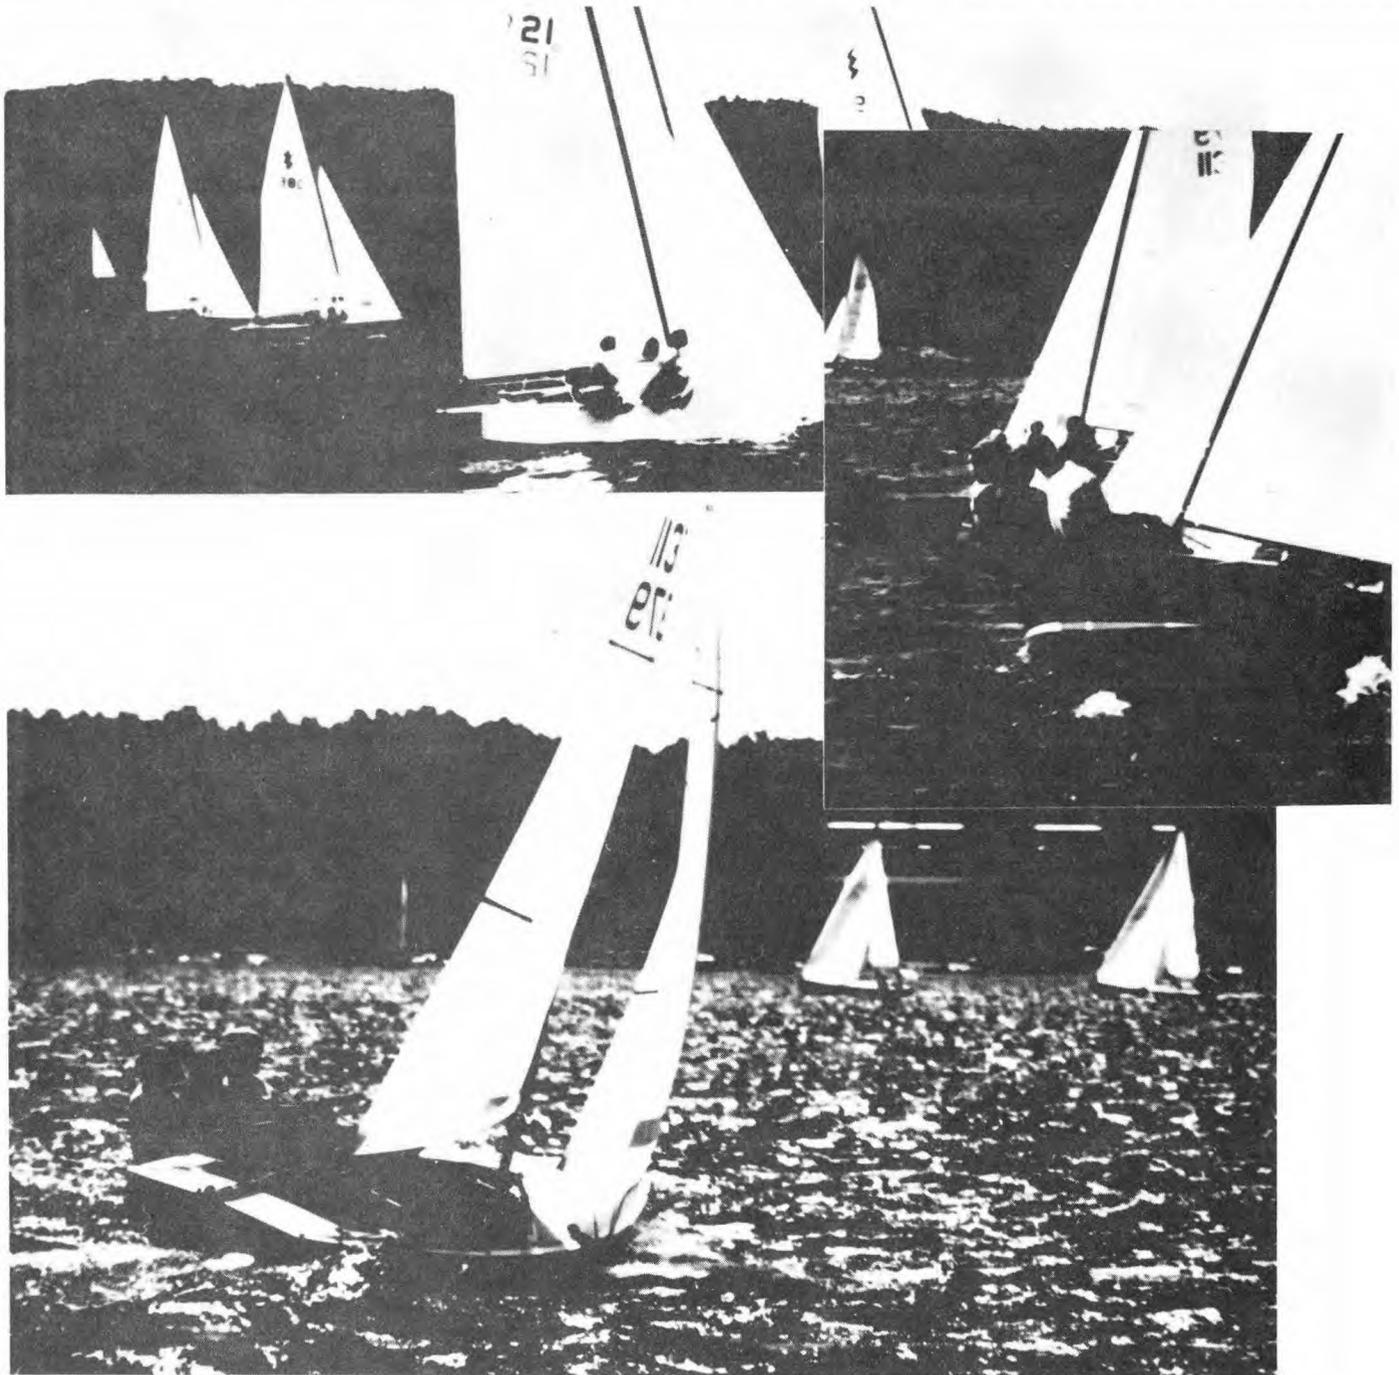

*Faellanden: Swiss Championship*

12823	Papillon	Nita Skogland
13160	Sub-Lime	Barb Brodock
13166	Lil' Jimbo	Maj. John R. Little, Jr.

The Lake Delta Yacht Club sailing season got underway with a Memorial Day Regatta, which found most Lightning sailors rushing to get everything in readiness for the season. This Memorial Day Regatta of five races gave everyone a chance to check out equipment and crews in preparation for our Lightning Invitational, which was held June 9-10. This attracted 18 boats from throughout Central New York and as expected Dick Halligan went home the winner.

The rest of the season was spent racing weekends with special regattas held on July 4th and Labor Day. As the season progressed it was quite evident that the *Yellow Jauntess* and *Papillon* were the boats to beat. As indicated above they finished first and second for the season.

Central New York Lightning Fleet 4 is moving, let's have it continue.

## CHICAGO CORINTHIAN YACHT CLUB (5)

13426	.....	Fred G. House

Windward Mark in the "Windy City."

Fleet Five had another exciting season this year. The "Windy City" fleet raced four series in addition to sponsoring the Midwest Districts, the Hobelman Regatta and the Red Flannels.

Again nobody was able to come up with the trick to beat Gordon Ettie. Gordon took our Fleet Championship Series for the third year in a row. In spite of the fact that we were all gunning for him, Gordon took first in almost every race of the series. Bob Smither was the leading challenger and our runner-up. Dennis Burke, Dick Hinze and Buck Wynn rounded out the first five places.

Our fourteen race Corinthian series was won by Dick Hinze in *Frolic* followed by Dennis Burke and Roger Seitz.

The Ding Dong series, scheduled on Midwest regatta weekends, was taken by Buck Wynn followed by Bill Zamzow and John Walter.

Our no-spinnaker evening series called Moonbeam was won by John Walter who nosed out Gail Norstrom by one point.

This year was the second year the fleet gave a most-improved sailor award. This year's award went to John Walter for first and third place series

finishes as well as a good performance in the Districts.

This was our year to host the Districts. Twenty boats gathered and our own champ, Gordon Ettie, won with Bruce Goldsmith, Bob Smither, John Esser and John Walter following up. Three of our sailors headed out to Cleveland for the North Americans but alas no one brought home any silver.

Our Hobelman winners were Gordon Ettie and Bob Smither. They finished in a tie that no scoring rules could break. Dave Blair was second.

Our sailing season ended with Dick Hinz aceing the Red Flannels with three straight first place finishes. After the Regatta we pulled our boats out and wrapped up the season with a party (what could be more fitting). Roger Seitz provided the house and we gathered together to salute our winners and ourselves on a good season. And although we may not have had the same version of how our races went, we agreed on our new officers. Jerry O'Kane was elected captain and Bill Marting was elected secretary/treasurer.

Unfortunately we had to say good-bye to Bill Crowell and Bud Wilson who are leaving our fleet. Bill is moving to St. Louis and Bud to the east coast. Good luck, we'll miss you.

And so our season is over but we'd like to take the space to invite you to come sail and race with us in our regattas. Racing is always great in the "Windy City."

Our Fleet's 1979 season opened with a February party at Barb and Ed Roseberry's home.

The Allen family set off for St. Petersburg in March for the Lightning Mid-Winter Championship Regatta, which was also the United States Qualifying Regatta for the Pan-American Games. Tom's second place finish at St. Pete earned him his Pan-American berth. Tom, Tom, Jr., and Anne finished fourth in Puerto Rico.

Mat Georger, Jack Swanson, and Jack Kosteki raced regularly with us in their new yachts. Jack Swanson showed us his old championship form in mid-season with strong showings in the Lake Erie Districts and Club Championship.

Five junior crews entered the revived Friday evening Franclemont Junior Lightning Series, won by Kevin Robinson.

Interest was also keen in the Wednesday evening Myers Series for those skippers who do not compete in all the weekend races. Bob Fretz emerged the victor, with "old timer" Townie Wilson and others rejoining Fleet 12. The popular "Mother Carey" Series for women did not have a winner due to inclement weather over Labor Day weekend.

Other socials included an auction chaired by Chris and Matt Georger at the Hughes/Fretz compound and a party after the last Championship race.

Stu Anderson had a fantastic year winning the NFIR Regatta and the Fallon Club Championship, the latter with five fleets. His crew was Paul Neiderlander and Chris Reif. Stu also won the "Old Salts Regatta."

Tom Allen, Ed Roseberry, Jr., Peter Huston, and Tom Allen, Jr. represented the B.C.C. at the North American Championships. Tom and Ed sailed in the Championship Division. Peter and Tom, Jr. competed in the Governor's Cup, with Peter gaining 2nd place.

Ian Jones, with crew members Kevin Robinson and Chris Reif, finished second in the Junior North Americans. This was a superb performance by Ian, considering he has only skippered Lightnings three times during the season. This qualifies him for the Lightning Junior World Championship which the B.C.C. will host in July 1980.

David Fretz, assisted by J. R. Cummings and Chris Clair, qualified for the National Junior Sears Cup Semi-Final Series in Chicago and finished a respectable fourth.

We are all looking forward to a super sailing season in 1980.

**MAYFIELD YACHT CLUB (13)  
Central New York District  
Sailing on Great Sacandaga Lake  
Mayfield, New York**

Fleet Captain . . . . . William Schultz  
Fleet Secretary . . . . . Ric Klug  
Fleet Champion . . . . . Rob Klug  
Runner-Up . . . . . Walt Ryan

Boat No.	Boat Name	Skipper
12130	Viva	Sam Folger
12379	.....	Robert Klug
12636	Kittiwake	Edgar F. Koenig
13143	.....	Gerald & Walter Ryan
13251	.....	Ric Klug

Fleet 13 again had an enjoyable season of sailing. As in the past year, Rob Klug dominated our fleet racing and won our July, August, and Season trophies. Walt Ryan, Sam Folger, Ed Koenig, and Ric Klug all challenged Rob at various times during the season but could not match Rob Klug's overall consistency. Bill Schultz spent most of the summer on home repairs and crewing for traveling Fleet 13 boats. We hope to see Bill more frequently on the starting line this summer.

Again we were active in the regatta circuit. Four boats participated in the Districts and at Lake Delta. Ric Klug was fortunate to qualify for the North

Americans along with his crew of Mark Sturges and Russell Ley. Mark and Russ named Ric's boat *The Engineer* over the mild protest of the skipper while at the North Americans. Other regattas in which we participated included Keuka, Newport, Red Bank, Cedar Point and Galway Lakes.

One final note: Jerry Ryan retired from active sailing this year and his fine spinnaker handling will be missed by all Fleet 13 members who have had the opportunity to sail with Jerry. However, Jerry contributed greatly to Fleet 13 by operating a committee boat this year. Many thanks!!

See ya next year.

### PAUPACK FLEET (16)

#### Metropolitan District

#### Sailing on Lake Wallenpaupack in the Pocono Mountains at Tafton, Pennsylvania

Fleet Captain ..... Stan Moldawsky  
 Fleet Secretary ..... Joe Mark  
 Fleet Champion ..... John Rowley  
 Runner-Up ..... Stan Moldawsky

Boat No.	Boat Name	Skipper
819	Scotch Mist	Leonard H. Fox
7298	Cloud Nine	Franklin H. Shive
7931	.....	Neal W. Merrill
8676	Rooster	Herm Henschen
10115	Gail Winds	Gail Chestnut
10301	Mimsy II	Joe Mark
11801	Moby Duck	John Rowley
11907	Mach I	George Madel
11960	.....	Hank Fretz
12416	.....	Peter Boettcher
12867	Sister Kate	Stan Moldawsky

Fleet 16 races on Lake Wallenpaupack in the Pocono Mountains of Pennsylvania. The lake is 15 miles long, the largest in the state — and beautiful. But its charm is being marred by pollution. One could see it coming slowly, but this summer it was noticeably worse. It was dismaying to sail in the rapidly increasing weeds and algae along with the bubbles from phosphates and waste. How are you other Lightning sailors doing?

John Rowley and his non-pareil crew consisting alternately of his daughters, Cindy and Mindy, and his son, Lincoln, took all of the prizes. It was a clean sweep again for John and the *Moby Duck*.

Stan Moldawsky is undoubtedly the best Dixieland pianist in the Poconos. Now he and his favorite crew, Dave Coutts, shimmied *Sister Kate* comfortably into second place and the runner-up honors.

George Madel took a lot of long tacks and even won a race that way, but he couldn't catch John or Stan. George (crew, son Danny) came out third. Wait till next year.

Joe Mark has a nifty crew combination in Gary Tompkins and Gail Chestnut. They finally began to gel at the end of the season and finished strong — but too late — in fourth place.

Heinz Kornmann and wife, Eleanor, made a gallant comeback this year to capture fifth place. Heinz was a winner in making the most beautiful 'stained glass-leaded' Lightnings.

Fleet night was a big bash. The local Scranton T.V. luminaries were in attendance. This was a light air season, so the local T.V. weatherman was booed by the sailors when he got up to speak. The Bard of Wallenpaupack, Joe Mark, and the Muse of the Poconos, Joan Rowley, held fourth in their usual inimitable style. There were no T.V. contracts forthcoming for their foray into the performing arts.

The Fall Regatta was won by Bob Graham. Franz Schneider and wife Sheila finished in the money along with Herm Henschen.

12960	St. Elmo's Fire	Susan G., Dan & Peter Hagar
13189	.....	Dick Collier
.....	.....	Bernie Malcolm
Life Member	.....	Alex Kaye

Our 1979 season opened in May with a 10 race series that was won by Mark Wilkins, with David Stremple, second; and John Timmermeister, third.

Fleet 23 helped Fleet 400 of St. Marys host the Ohio District Championship this year by furnishing people to measure sails and help run the Race Committee boat (this was done by Sue Wilkins and Dick and Joan Collier). Three of our fleet, Mark Wilkins, Bob Stremple, and Don Hagar, raced in the Districts. Mark went on to Cleveland to race in the North Americans and he sailed well in the Presidents' Cup. This was extremely good since it was his first time skippering in the North Americans.

In our Fall Series of 10 races, Mark Wilkins was first again; second was Bob Stremple; third was Dick Collier.

It was a good sailing season at Indian Lake and now we have all winter to remember it, to get new hardware, sails, crew, and to think up new excuses for 1980. Good Sailing!!!

### LAKE MOHAWK YACHT CLUB (25)

#### Metropolitan District

#### Sailing on Lake Mohawk, Sparta, New Jersey

Fleet Captain ..... Dick Schoell  
 Fleet Secretary ..... Barbara Schoell  
 Fleet Champion ..... Bob Graham  
 Runner-Up ..... Tom Graham

Boat No.	Boat Name	Skipper
5617	Bali Hai	George F. Sweeney
9984	Cumulonimbus	Robert Watters
10014	Puff	Mike Venus
10207	Jax Delight	Martin Jachts
10220	.....	Victor Haines
10480	.....	Richard Schoell
11420	.....	Bob Graham
11565	.....	John Kindschi
11572	Apple Jack	James E. Wavle, Jr.
12166	.....	Ronald Beard
12786	.....	Donald R. Ploetner
12912	Ruptured Duck	Tom Bierman
13154	Jackie	Armond R. Tomassetti
13211	.....	Richard Miner
13373	.....	David MacDonald

The year of 1979 was the culmination of diligent recruiting by many members of Fleet 25 over the last few years. It saw our fleet grow to nine boats at the starting line for the first race of the Spring Series on April 29th.

1979 was a year of strange wind patterns on Lake Mohawk. We never have an easterly breeze.....this year we sailed two Sundays in an easterly. Almost as rare are south winds yet we sailed three Sundays with winds coming directly out of the South.

The best breezes of the year were on the weekend of September 22-23rd which, as luck would have it, was the same weekend we hosted the Lake Mohawk leg of the Short Circuit Regatta. With winds at 14 knots gusting to 21, we had two super days of sailing. Sandy Huntsman showed his stern to everyone, wrapping up first place. He was pressed hard by Bob Graham who took second, followed by Tom Bierman, Jim Wavle, and Rich Miner. The overall Regatta was won by perennial Lake Mohawk Fleet Champion, Bob Graham.

The Spring Series ended with Tom Bierman, the winner, followed by Bob Graham, and Dave MacDonald in his new boat. Bob Graham proceeded to replace his brand new sails with another set of brand new sails and quickly moved back into first place for the Summer Series. Tom Bierman, Ron Beard, Dave MacDonald, and Rich Miner tied down second, third, fourth, and fifth respectively.

The Fall Series was won by Bob Graham followed by Tom Bierman and Jim Wavle. Jim came back strong in the fall after passing up the summer series in favor of an extended family vacation in Hawaii. Both Tom and Jim flew new spinnakers this fall with Tom opting to fly his upside down in one race. After 31 years of sailing Lightnings, I guess Tom wanted to try something different.

The value of new sails was proven conclusively this year. Six of our nine regulars improved their performance and final standings. Rich Miner, Dave MacDonald, Ron Beard, Bob Graham, and Don Ploetner all sprung for new sails. Don Ploetner's performance might equally be attributed to his new boat. Don, who changes boats like most of us change underclothes, presently is the happy (?) owner of two Lightnings and two Snipes.

For those of us who didn't fair so well in the sailing, the social events so ably organized by Pat Graham provided the opportunities we needed for "excuse making."

We're all looking forward to fiercer competition and even more fun in 1980.

It's hard to believe it, but we've had two consecutive years of good sailing weather at Leatherlips. Super-heavy-air days and drifters were at a minimum, the exception being the Mayor's Cup Series. Of course, we still had a few "crap shoots" during the season which began April 8th and concluded November 4th.

This past year should be dedicated to Fleet 27's wives. Many do double duty: crewing in the regattas and then into the kitchen to prepare and serve the meals for which Fleet 27 has gained an envious reputation. Dixie Sehulster and Charita Clipp again skippered the kitchen crew with the full cooperation of the other wives.

No new boats joined our Fleet this year, but we had some new skippers. The second generation of Sehulsters and Howalds tried to outshine their

parents as they took over the tiller. We are expecting at least three new Fleet members to start off the 80's.

George Fisher once again conducted the Ohio District Educational Seminar which was held at our club in April. With George in full command, both the novice and the experienced skipper learned some of the tricks of getting more out of their boats.

Carl Clipp repeated as our Fleet Champion in 1979. Carl seemed unbeatable, winning every Series up to Labor Day. The results of the Series sound like a broken record: Spring, Summer, Memorial Day, July 4th — Carl Clipp, first; and Ron Sehulster, second. George Hodge finished third in the Memorial Day and July 4th Series. A short tradition was broken when Ron won the Labor Day Series and Carl came in second, with Paul Howald finishing third.

Five must be our lucky number as we had good air for our Fifth Annual Windshift Regatta. For a welcome change, no boats had to be towed to the starting line and memories of the frustrations (drifters) of the first four Windshifts were blown away with the wind. This is a fun regatta with trophies for new sailors, non-winners, "old salts", and wooden boats, as well as the overall winners. This year's champion was Dick Pugh of Cowan Lake, challenged by Tom Varley of Hoover and Ron Sehulster.

Drifting on the Scioto was the theme of the Mayor's Cup Series. Originally, this was an intra-city Series between Hoover YC and Leatherlips YC, but it has been expanded to include our friends from Buckeye Lake YC. This year, Buckeye's Dan Dressel drifted the fastest to win the series. Ron Sehulster continued his unbroken string of second place finishes in the Mayor's Cup and Ed Whiteman of Hoover finished third. Sam Fairchild, a new sailor on our waiting list, is now the proud possessor of the coveted Broken Rudder Award.

Our traveling skippers this year were Ron Sehulster, George Hodge, and Carl Clipp. Ron and George went to St. Mary's Thunderbug where they finished third and seventh, respectively. Our Fleet was represented at the Ohio Districts by Ron and Carl. While neither skipper had a good series, Carl managed to get himself "elected" Ohio District Secretary. Carl went to Atwood Lake's Harvest Moon Regatta and Carl brought home the third place trophy. Ron's finishes at St. Mary's, Leatherlips, and Cowan Lake earned him a second behind Dick Pugh in the Ohio Governor's Cup Series.

Competition for Fleet 27's "Swimmer of the Year" award was very close this year. George Hodge and his crew Harry Robertson took the coveted award away from Ron Sehulster with their capsiz at Cowan Lake. However, it must be noted that Ron was George's third crew when they capsized on the Scioto earlier in the summer!

Ron and Carl served on Leatherlips YC Board of Governors as Rear Commodore and Fleet Captain, respectively. In 1980 they will both move up a step to become Vice and Rear Commodores. Join us at our Windshift Regatta in June and see what a good job they're doing.

Life Member	.....	Jack Beal
Life Member	.....	Barnie Crittenden

Fleet 31 was small in numbers this year but strong in spirit. Our race committee chairman, Barney Crittenden, predicts that with the renewed interest in Junior sailing programs, Fleet 31 will again be a producer of champions.

Jim Sayre started the season off by winning the Memorial Day Series, followed by Jack Tibbs and Merrill Bales. Jim also won the Novice Award and sailed consistently in the top group of boats and finished as Fleet Runner-up.

The annual Night Race was won going away by Newcomer to the Fleet, Dick Elwell. Dick attributes this victory and his Captain Series win to super boat speed.

Charlie Smith and his "Best Crew combination of Don Fraser and George Teller", finished a close second in the 4th of July Series and was chosen the Most Improved Skipper.

Merrill Bales sailed extremely consistent this summer and captured a majority of the hardware: 4th of July, Stay-at-Home, Labor Day, Commodore Series, and the Fleet Championship.

The sailing season ended with DLYC's 36th Annual Regatta which was won by Garry Demerest, closely followed by Merrill Bales.

The Fleet purchased three new "Puffer" sailboats to be used by our Junior Sailing Program. The "George Sipel Youth Sailing Award" will be presented to the outstanding young sailer in our club, starting in 1980. George was involved with this program for many years and his memory will be perpetuated through this annual award.

13306	Dirty Schwantz	Jay Lutz

Metedeconk River Yacht Club once again had a good year on the Lightning schedule with Jay Lutz, Dave Ruiter, and Jim Carson leading the way in the major regattas with other members of the fleet following close behind.

The Southern Circuit started things off with Jim Carson, Jay Lutz, and Mark Beaton traveling the entire circuit. Jay ended up third overall with Jim eighth; and Mark 12th. The Long John Regatta was next with Jay

*Pictured is the new Michigan District Trophy donated by Fleet 31 and members of the Michigan District in memory of George Sipel.*

placing sixth and Jim taking tenth. The World Championship held in June was attended by Jay Lutz and Dave Ruiter. Jay finished ninth and Dave twenty-first. The Atlantic Coast Championship in Havre de Grace saw first place just elude Jay Lutz with him finishing second, Mimi Dimon in a strong showing finished sixth, and Jim Carson tenth. As August rolled around so did the North American Championship in Cleveland. Our fleet was represented in the Junior North Americans by Jody Lutz, George Francis, and Jim Gelenitis. George and Jody finished sixth and seventh respectively. The Women's Championship held the same week was attended by Mimi Dimon with Mimi finishing seventh. The following week the North Americans were held with Jay Lutz tying for second but losing on the tie breaker therefore finishing third. Jim Carson finished a strong sixth. Dick Thomas also attended and sailed in the Yellow Fleet, but his couple of good finishes were doomed by DSQ. The Eastern US Championship started off the fall regattas with Dave Ruiter ending up sixth and Jody Lutz taking over the helm to finish tenth. At the Frigid Digit Jay Lutz finished third, Jim Carson fourth; and Dave Ruiter, seventh. Dick Thomas enjoyed a good weekend finishing in the top 15. Rob Piccolli, skippering in his first major Lightning Regatta, finished very impressively overall and in the top 10 in one race. The following weekend at Quantico Jay Lutz won with Dave Ruiter following close behind in second, Jim Carson fourth; and Mark Beaton, seventh. Jay also won the combined trophy for the two regattas.

On the home front, the co-skippers of Jay Lutz, Jody Lutz, and Don Schon won the Fleet Championship with relative ease. While the race for first was never really in doubt the race for second went right down to the last race. Dave Ruiter snared the runner-up spot and George Francis/Jim Gelenitis team ended up third. Mimi Dimon who started out strongly ended up fourth. She was tied percentage points with third but lost the tie breaker. The overall Club Championship was held in Lightnings this year. The winners of each class sailing in the Sunday Series competed for the overall Championship. Paul Gelenitis from the M-16 Class just nosed out the Lightning Champions, Jay and Jody Lutz and Don Schon. Third place went to Sunfish Champion, Jim Carson. The Junior Club Championship was won by Jody Lutz. This Championship was sailed in Lightnings.

With the addition of Mark Beaton and with Jay Lutz obtaining another boat so his brother Jody can skipper one, the future of Fleet 34 looks very bright.

13255	Gone with The Wind	Dr. James & Jim, Jr. Martuccio
13318	.....	Dr. Ralph & Marc Snelson

Fleet 36 racing began in May with the Eager Spring Series of ten races won by Jerry King with Dave Lewis, second; and Al Caldwell, third. The Championship Series of 14 races during June, July, and August was dominated by John Swartz (9½) with Chuck Maltbie, second (13); and Al Caldwell, third (16¼), 20 points ahead of fourth place.

On June 30 and July 1, we held our Annual Independence Day Regatta and in August we had a Stay-at-Home Series while our ladies and men were competing at CYC. Joe Redding was first, followed by Dave Lewis; second; and Lud Lekson, third.

At the Women's Championships, our Marilyn Maras, Barbara Swartz, and Kathy Scher were fourth, fifth, and sixth respectively, as first time entries. The next week Chuck Maltbie, Jim Martuccio, Rob Ruhlman, and Peter Swartz carried the Fleet 36 pennant in the North Americans. Jim Martuccio, our very promising Junior, got a first in one of the Presidents' Cup races. Another Lightning Junior, of whom we're very proud, is David Werley who replaced his brother Mike as crew on this year's PYC Sears Team which finished second in the 1979 Sears National Championships at Groton, Connecticut.

Our racing season closed with the Fall Series of ten races in September. Chuck Maltbie was first, PYC Commodore Jack Borland was second, and our newest member, Lud Lekson was third.

The social calendar of Fleet 36 was also very full. We started the season in May by entertaining the whole Pymatuning Yacht Club with beer, soft drinks, hors d'oeuvres, and a Disco Dance complete with instructor. About 100 attended and had a "ball."

In August we had our annual corn roast with beer and 20 dozen each of corn and weiners. The 60 who attended also brought their own delicious salads and desserts.

Trophy Night on November 10 topped off another great year. Our Fleet Captain George Cummings and his wife, Jackie, hosted us for a super dinner at their home in Canton, Ohio. The next morning we were hosted by Chuck and June Maltbie for a delicious breakfast at their home in Youngstown, after which we reluctantly called it a season and headed home.

## CHELSEA YACHT CLUB (39)

Metropolitan District  
Sailing on the Hudson River at Chelsea, New York

11431	R. B.	James W. & Donna S. VanFleet
11570	.....	Donald B. & Ben D. Williams
11578	.....	Ed Garber
11604	Toy Boat	Stephen Schwark
11623	Challenger	R. Samuel York

With "Racing Tactics" from Coach Ken Legler of the U.S. Merchant Marine Academy, an average of nine of Fleet 39's Lightnings competed in 16 series races from April 29 through October 21. Competition remained keen as first place continued contested to the next to last race, when Bill Gordon took the Championship over Joe Sullivan by 1.36 points, retaining his title for the fourth consecutive year. Steve Schwark, the last three years' runner up, placed third overall.

Recapping the four series: A Series, A Fleet — Joe Sullivan, first; Bill Gordon, second; B Fleet — Don Williams, first; B Series, A Fleet — tied Bill Gordon and Joe Sullivan; B Fleet — Frank Newman, first; C Series — Don Williams, first; Joe Sullivan, second; D Series, — A Fleet — Bill Gordon, first; Joe Sullivan, second; B Fleet — Tad Burnett, first.

The five race Mini-Series (intended for sailors who could compete only once a month and with only those eligible who did not win other series trophies) resulted in a tie between Jim Van Fleet and Sam York. Sam was also voted this year's Most Improved Skipper.

CYC Special Races yielded seven other Lightning trophies: At-Anchor Start — Jim Van Fleet; Single-handed — Bill Gordon; Handicap — Bill Gordon; Skipper-Crew — Bill Heaney (sailing Bill Gordon's *Blue Chips*), first, and Donna Van Fleet (sailing Jim Van Fleet's *R. Boat*), second; and Long Distance — Bill Gordon, first; Ben Hunter, second.

The Chelsea Open (part of the Hudson River Yacht Racing Association

Circuit and third leg of the Mid-Hudson Circuit) was won by John Schneider from Red Bank, followed by Tom De Stasio from Nyack, then Chelsea's own Bill Gordon and Jim Van Fleet in third and fourth places, respectively.

Fleet 39 hosted the Metropolitan Districts in July's fluky weather. Racing against 31 boats, Jon Schwartz of Red Bank took first, Bob Graham of Lake Mohawk, second; CYC's Bill Gordon, third; John Schneider from Red Bank, fourth; and Tom Bierman from Lake Mohawk, fifth. From the Districts, Bill Gordon and Joe Sullivan went on to the North Americans in Cleveland.

Bill and Joe also took honors at other away regattas: Bill took third overall in the Mid-Hudson Circuit, with a second at Nyack, and Joe was fourth in the Sutherlands at Stony Point.

The Third Annual Lightning Clambake Old-Timers Race brought silver to Walt Neidhardt, former skipper of 11431, who demonstrated how to sail in light air. In contrast, Ed Garber demonstrated this season how to immerse oneself in heavy air.

The season ended with the traditional dinner at Schwarks', where the psychological competition for 1980 got off to a good start.

Fleet Champion Bill Gordon sailing Blue Chips with crew Tammie Korber and Bill Heaney. Photo Credit: Adeline Boiley

## HIGH TOR LIGHTNING FLEET (41)

### Metropolitan District

#### Sailing on Hudson River, Grassy Point, N.Y.

Fleet Captain ..... Nick Mazzeo  
 Fleet Secretary ..... Dennis Szokolay  
 Fleet Champion ..... G. Bitler & M. Lewis  
 Runner-Up ..... Bill Meyer

Boat No.	Boat Name	Skipper
8883	Thunder	Tony Schweiker
10261	Imposter	Dennis Szokolay & David P. Reddy
10784	"Heads Up"	Eric Schreck
11227	Heuristic	Paul J. Krick
11583	Meliora III	George Bitler & Mark Lewis
12991	Afternoon Delight	Bill Meyer
13044	Teacher's Pet	Nick Mazzeo

For most of Fleet 41's sailors, the season opened with our own Sutherland Regatta. The Regatta was well attended by the home fleet and representatives from nearby fleets. Winner of the Regatta was Tom DeStasio (Nyack Fleet 75) on his way to the Hudson River Championship.

The Spring Series ended with Bitler-Lewis in first place; Meyer in second; and Mazzeo in third.

Keen competition was the byword for club races. Bill Meyer, sailing with wife Donna and alternating Wendy and Billy, and Eric Schreck, with son Eric and Eric Knight as crew, duelled the Bitler-Lewis team for top honors. Szokolay, Schweiker, and Mazzeo enthusiastically vied for runner-up positions and/or an improved showing from the previous week's disaster. Summer Series results: Szokolay, sixth; Schweiker, fifth; Mazzeo, fourth; Schreck, third; Meyer, second and runner-up for the year; Bitler-Lewis team captured first place and the Fleet Championship.

A fitting ending to the summer was our Last Blast Regatta. The sailing was good, the food congeniality first rate. Third place finisher was Bob Sengstacken (Awostring Fleet 95); second, Tom DeStasio (Nyack Fleet 75); and first, Bill Meyer.

We eagerly look forward to the 1980 sailing season as we will be hosting the Metropolitan Districts on June 28-29.

This year's season was highlighted by the outstanding performance of the Emens' boat, skippered by both Justus A. Emens and Paul Emens. For the first time in recent history, a local boat was victorious in the Harvest Regatta. Jay Emens, sailing beautifully against some of the top sailors in the district, captured the trophy in the last race.

Peter Bone had the winning boat in the District Championship held on Niagara River and was also crew on the winning boat in the North Americans. Bill Neal turned in his usual consistent performance when he captured the Fleet Championship.

The Mid-Fleet Overall Award went to Jerry Strout.

The Most Improved Skipper trophy based on two years of sailing was awarded to Doug Bliss. One of the most treasured awards, the Jacob Hofstead Memorial Trophy for the best crew, was won by Larry Bone. Paul Emens received the C. L. Van Arsdale Memorial trophy for the best positioned Silver Lake boat at the Harvest Regatta and the Mid-Neal-Brown Memorial trophy for the skipper sailing the best away races was awarded to Peter Bone.

The Williams' Stay-At-Home Trophy was presented to Jay Emens and crew and the Caldwell Bucket was won by Peter Bone.

The six race series, The Bill Humphrey Memorial, was won by Todd Jones, Bill Neal second, Peter Bone third and Mark Grinder winning the Mid-Fleet award.

The three race Jane Van Arsdale Memorial series was won by Peter Bone with Bill Neal second, Mark Dadd third and the Mid-Fleet award going to Peter Humphrey.

The Neal Memorial Trophy was won by Paul Emens, Peter Bone second, Doug Bliss third and the Mid-Fleet award going to Barney Matteson.

The Benedict Memorial Trophy series was won by Bill Neal with Mark Grinder coming in second and Jay Emens third.

Socially, the 1979 season opened at MCYC with a seminar by Bill Shore. Wednesday night sailing gave us a nice mid-week break all season long and sharpened all participants' sailing skills. The mid-summer sail to Mike and Carol Arnold's party was again a huge success with a very competitive junior race emerging spontaneously. The Walter Collier Regatta party again highlighted the social year. The social season closed with an annual banquet in December and a very fun party at the Buchanan brothers' house afterwards. The Fleet gives special thanks to Mike and Carol Arnold for the generous use of their very nice home and mo-mo boat on the Potomac River.

In addition to a full social season, Fleet 50 members participated in regattas almost every weekend, from the Southern Circuit through the Nashville Bluenose Regatta. Between out of town regattas the fleet championship was decided in a 14 race spring/fall series. Jenny Hulbert won the Summer Series and was awarded the Junior Championship. Joe Warren was nominated the B-Fleet Champion. Our Frostbite, Heart Fund, Walter Collier, and Presidents Cup Regattas held on the river were all well attended by local and out-of-town Lightnings. We thank our out-of-town guests and invite them back again in 1980.

Fleet 50 Lightnings were especially pleased to be pictured on the 1979 Heart Fund Regatta literature cover. The Heart Fund cause is very good and the Lightning publicity was great!

Sailing on a narrow and somewhat shallow river with jets landing and taking off overhead is sometimes difficult — but always challenging. As Bill Shore said in his seminar: "If the course or conditions in a race are not perfect — someone will have an advantage. You can complain about that inflection — or take advantage of it."

We of Fleet 50 invite all to drop by in 1980 and "take advantage of us". Try it — you'll like it!!!!

13388	.....	Tom Vickers

The highlight of the 1979 season was Crescent's hosting of the Michigan District Championships on July 12-16. Ex-Fleet Champion Fred Eng was brought in from Philadelphia to run the races which were abandoned on Friday due to lack of wind. It's a good thing Freddy wasn't in charge of the

beer! Following the festivities and imaginary wet T-shirt contest won by Gull Lake, four races were sailed. Terry Timm dethroned Garry Demarest to take the title. Dennis Boyle had the best two races of any Crescent member, but two tube-jobs put him out of contention. Jon Oram did qualify for a trip to Cleveland where he became a footnote to the Presidents' Cup.

Our Annual DRYA Regatta was won by Bob Knop with Dick Drew, second. Fleet Captain Ron Summers won the prestigious Watermelon Race, leaving Thistles, Lasers, and (believe it or not) two Tornado catamarans in his wake.

Bob and Linda Schoonbeck used their three boats extensively on the regatta circuit, notching a close sixth at Traverse City. Tom Vickers, Vince Boyle, Arlyn Kinkel, and Jon Oram also showed up at local regattas. The results indicated that they were more at home in the freighter wakes and weird chop of Lake St. Clair.

This year's Fleet racing was often close, as eight different boats won at least one of the thirty-odd races. Jon Oram ended two years of Chinese water torture by handily winning the overall Championship, while Tom Vickers edged Arlyn Kinkel for Runner-up honors.

"Wednesday Night Fever" was one Series win for the ugly black and yellow boat. Dick Drew's consistency and great downwind speed earned him second place and Tom Vickers overcame the gremlins that seem to be delivered with each new boat to finish third. The beer and pizza blasts following the races had a new twist this year with the "protest meeting in a pitcher." Numerous experiments revealed that the blue and red boats floated and the black and yellow boats sank in beer. Such is the treachery of Canadian waters.

The Sunday Series was split into pre- and post-District events. "Jon O" swept the first over Bob Werenski, the only skipper with a certified World-class crew. Wife Sally crewed for Garry Demarest in Texas. Third place went to Arlyn Kinkel. Tom Vickers, occasionally sailing under reefed main, ended the Oram domination by winning the last race and the post-District series, '92-'91 in the Cox-Sprague system. Arlyn Kinkel was third.

Jon Oram, who also led the league in snagged marks, horizon jobs, and wet spinnakers, gave full credit to super crew Dave Miller and Rick Schott. How good were they? In one race Rick fell out of the boat while flying the spinnaker. He managed to return to the boat, which was still on a plane, without breaking the spinnaker or losing his hat!

The annual October Lobster Roast was a huge success and a super team effort by the Fleet. Master Chefs Dick Drew and Bob Werenski presided over the cook fire. In the pleasant after glow, everyone agreed they couldn't wait for next summer!

## LAKE FENTON SAILING CLUB (53)

### Michigan District

#### Sailing on Lake Fenton, Michigan

Fleet Captain ..... David Furey  
 Fleet Secretary ..... Paul Militzer  
 Fleet Champion ..... Herm Nickels  
 Runner-Up ..... David Nickels

Boat No.	Boat Name	Skipper
9965	Polution Solution	Dennis Staley
11156	Gray Ghost	Terrence F. Bigda
11793	.....	Carl Pohly
12334	Bligh Spirit	Paul Militzer
12763	In Between	Al Bauer
13031	.....	Morris Gushen
13077	.....	Dave Nickels
13334	Demon II	Dave Furey

Sailing on Lake Fenton this year was pretty much a copy of the past few years with Herm Nickels winning the Club Championship. The exception to this copy is that the whole fleet has improved itself from having sailed with and against Herm.

This was shown at the Michigan District Team Championships held on Lake Fenton. Our team of Herm, Dave Furey, Dave Nickels and Al Bauer sailed the six races without a loss to come away champs this year. At other District Regattas, Lake Fenton had someone in the top three at six out of eight regattas attended.

The Wednesday night series went to Paul Militzer. The Margaret Nickels Trophy (Most Improved) went to Carl Pohly. The Traveling Trophy (Best Regatta Performance) went to Dave Furey.

## PONTIAC YACHT CLUB (54)

.....	.....	Richard P. Beaubien

The 1979 season began early with our Annual Bug Out Regatta on May 6. Bill McKinley showed his strength early this year by winning the Bug Out, which launched the 80 race schedule organized by Fleet Captain Bill Boyd. Our schedule consists of races on Sunday and Wednesday evenings. This year we averaged 13 boats per race for the entire schedule.

This year, the World's Largest Lightning Fleet split into A and B Fleets for the Summer Series based on performances during the Spring Series.

Winners of our varied Series were as follows: Sunday-Spring: Wally Smith, first; Bill McKinley, second; Jim McCoy, third; Sunday-Summer A: Les Kastura, first; Jim McCoy, second; Mel Bleitz, third; Sunday-Summer B: Jim Bowers, first; John Ostrander, second; Gene Peterson, third; Sunday-Overall: Jim McCoy; Wednesday Spring: Wally Smith, first; Lou Zednik, second; Les Kastura, third; Wednesday Summer A: Wally Smith, first; Lou Zednik, second; Les Kastura, third; Wednesday Summer B: Dale Clixby, first; Jim Bowers, second; Dick Beaubien, third; Wednesday Overall: Wally Smith; Sunday Sno-Ball Series: Rick Frank, first; Wally Smith, second; Lauren Bowler, third; Wednesday Fall Series: Bob Mathers, first; Wally Smith, second; Lauren Bowler, third.

This year's Club Championship was won by Bill McKinley, followed by Wally Smith and Lauren Bowler.

The Commodore Regatta, held for those not qualifying for the Club Championship, was won by Bob Knop, followed by Ralph Waibel and Ed Stack.

This year's Challenge Regatta, held over Labor Day weekend, was taken by Bob Sturgill; Mike Bissett was second and John Scott, third.

Former Commodore, Lou Zednik, was presented with the Ray Ransom Award for his contributions to P.Y.C. Jim Bowers was awarded the Clarence Holman Trophy representing the Most Improved Sailor for the second consecutive year. The Good Sportsmanship Award was given to Bob Knop. The Michigan High Point Trophy again went to Bill McKinley.

This year's Commodore, Jim McCoy, showed his sailing expertise both at home and away by winning this year's Governors' Cup at the North Americans.

Johnny Mathers represented P.Y.C. at the Michigan Junior Districts this year and won that event.

The Annual White Cap Invitational Regatta is always a high point of our season. Under the guidance of Vice-Commodore Les Kastura, we sent 40 boats to the line. Michigan's "Ancient Mariner", Herm Nickels showed us how to do it this year.

As we closed up the club for the season, there were already thoughts of how to improve next year.

Hoping for a fast winter.

**NIAGARA SAILING CLUB (59)**

**Lake Erie District**

**Sailing on Niagara River at Grand Island, N.Y.**

Fleet Secretary ..... Bob Starck  
 Fleet Champion ..... Cal Schmiede  
 Runner-Up ..... Judy Walker

Boat No.	Boat Name	Skipper
6345	.....	John Swanson
11398	Black Mariah	Richard J. Carrel
11501	Ole Yeller	Dale Taulbee
11788	Vampira II	Judy Walker & Philip C. Barth II
12877	.....	Calvin H. Schmiede & Robert B. Starck
12937	.....	Theodore Sullivan
13366	.....	John Swanson

It seems to be getting harder and harder every year to complete club racing series. Since most of us would just as soon frustrate ourselves at are; regattas as at home, the Fleet Captain was unable to run the required number of races in any series.

In any event, Cal Schmiede won the Bowen Lightning Class Championship. He's had this trophy for so long that it must be stuck to his mantle by now. Judy Walker was runner-up in this one. Judy and Cal traded places in the Wardell Series, and Bob Starck retained the Blake Memorial Trophy.

The Fleet Secretary traded places with Cal Schmiede to sail in the big regatta at Cleveland this year after a fairly good showing at the Districts. He learned for the third time, however, that river sailing is quite a bit different from big lake sailing, finishing a disappointing eighth in the Presidents' Cup.

Our most important club regatta of the year, the Niagara River Lightning Championship, was won by Cal Schmiede. Cal has come very close to winning this event many times and his victory was a popular one. Rounding out the top five were Stu Anderson, Fritz Dusel, Ed Roseberry and Rick Hensel.

All in all, 1979 was a very good year.

**JAYHAWK FLEET (60)**

**Central States District**

**Sailing on Lake Shawnee at Topeka, Kansas**

Fleet Captain ..... Chris Merillat  
 Fleet Secretary ..... Stacy Florence

13026	RoeBoat	Byron K. Roe, Jr.
13259	.....	Marvin F. Whalen, Jr.

This season at the Milwaukee Yacht Club was one of the best we've had in years. The number of boats at the starting line averaged nearly twice that of last year. We managed to sail twenty-five races in our season series, a rather spectacular amount considering Milwaukee's odd summer weather. The competition was fierce, with Barrett, Esser, Roe, and Cady swapping positions in the standings from Saturday to Saturday. After three months of racing only eight points separated these stalwarts, and only on September 2nd was Dave Barrett able to nail down the Fleet Championship for the second year in a row. Second and third weren't settled until the very last race of the summer.

For those of us in the second half of the fleet the summer was, to say the least, educational. All of us sailed a few races of which we could be proud. And though none of us sailed as often nor as consistently well as our trophy winners, the gap in speed and experience seems to be narrowing. Nothing will help revitalize Fleet 69, which has been losing boats for the last few years, more than just that kind of squeezing toward the top. It is, after all, fun to be up near the top once in a while. And for some members of our fleet such as Wayne Babler and Marv Whalen, it would seem that their apprenticeship in Lightnings is nearing an end.

Reasons for the apparent decline in popularity of the Lightning in the Milwaukee area are not so difficult to find. Other classes, especially Solings and Finns and Cruisers, have greater appeal for the young sailors in our Club than our seemingly old-fashioned boat. The ambience of Olympic status, like a state of special grace or universal seal of approval, captures their attention. Single-handed sailing has its own virtues and rewards. Our Soling Fleet, on the other hand, seeks out potential new owners with a missionary zeal unmatched by either used car salesmen or football scouts looking for fresh meat. And so, too, the glamour of the big boats, their size, their machinery, the very names of their races like the Queen's Cup and the Mackinac, as well as their voracious need for manpower, work to pull sailors away from the class.

The demise of the Lightning in Milwaukee is not, however, inevitable. The boat itself is too good. Lake Michigan is a brute, docile enough at times, but always dangerous. In early June, when we start to race, its surface temperature has rarely yet reached forty degrees. In mid-August, as our season draws to an end, it is rarely sixty. The Milwaukee Yacht Club begins each season with a ceremony, the Commissioning Ceremony, which for many years now has been arranged and orchestrated by Lightning Fleet 69. Flags and bunting fly, cannon fire, officers are installed with much pomp and pleasure. And there is always a prayer offered up for the safety of those who sail their small boats upon the great water. Then children carry a wreath of flowers out to the harbor mouth and give it to the Lake, a modern gesture toward a very old belief. It is also a reminder that the Lake will exploit error, and that the boats we sail must be strong, forgiving, safe. What better description of a Lightning could there be? That it is reasonably fast in the light air of early summer and stable and powerful enough in the heavy air and confused chop of late August to bring us safely home, all that flexibility proves the boat's worth, and explains affection for her.

## RED BANK OF THE SHREWSBURY (70)

### Metropolitan District

#### Sailing on the North Shrewsbury River at Red Bank, New Jersey

13314	Passing Wind	Rob Held
13352	.....	Jack & Karen Huntsman
13369	.....	Paul A. Huntsman, Jr.
13386	.....	Kevin Corr
.....	.....	David E. Van Holle

During 1979, Fleet 70 welcomed some former members namely John Brewster, Kevin Robinson, Chuck Hunnewell, and Reid Dickerson. New members in 1979 include Nick Smith, Tom Clynes, and Charles Reade who is reactivating the founding heritage of M.B.C. by competing in rowing regattas.

1979 marked the centennial of M.B.C. which was celebrated in May and included a 10 mile race with 30 mph breezes using 1879 racing rules which allow any number of crew. Rob Held with a crew of four and Walt Colantuono with a crew of one placed high among the finishers.

About 20 boats competed in the Spring Invitational series after the ice melted from the Navasink River. The competition was intense and the first five finishers were Bill Clausen, Bob Hutchinson, Sandy Huntsman, John Parker, and Denis Farley. 55 boats came for the Annual Long John Regatta in April which was won by Jack Elfman.

The Memorial Day Regatta, part of the weekend celebration of the Centennial, was won by Jack Huntsman and he was awarded the Irv Lewis trophy. Trailing Jack were Denis Farley, Bill Mergenthaler, John Brewster, and Arnold Schwartz.

**ATTENTION ALL WHO HAVE SOLD YOUR LIGHTNING RECENTLY - Please look at your address on the next issue of *Flashes*. If your old boat number is shown it indicates that the I.L.C.A. Office has not been notified of the sale of that boat. Please help us keep the records up to date by letting us know the boat's number, new owner's name and address.**

The summer series was hotly contested with Sandy Huntsman and family edging out Hutch who placed second and Walt Colantuono, a close third. John Brewster and Pat Corr were fourth and fifth. Kevin Corr represented M.B.C. at the Junior National Championships at New Bedford, Mass. The Independence Day Regatta was won by Jack Huntsman with Sandy Huntsman second; and Denis Farley, third. Denis won the Labor Day Regatta and again won the Atwater Trophy for lowest total points in the three Holiday Regattas. Second and third on Labor Day went to Quentin Foster, who is now in California, and Reid Dickerson. Bill Ewing, Albacore National Champion, sailing *River Blues* and tuning up for the Mallory's, edged out Jon Schwartz and Bob Hutchinson in the National Sweepstakes Regatta.

For the second time, Lightnings were invited to sail in the Sea Bright Cup in Sandy Hook Bay. Twelve Fleet 70 members and Bob Stengstacken participated and again Jon Schwartz was the winner.

The M.B.C. fall series was won by Bob Hutchinson. Young Larry Colantuono placed second and Charlie Roden was third.

Bob Hutchinson was awarded the Cox Trophy for the best 24 races on the Navasink River and is the Fleet 70 Champion.

When we recall along with the above sailing activities at M.B.C. and the outstanding social eating and drinking functions which were enjoyed by all including the folks who may not have won a trophy this year, we can pack away our boats knowing that we sailed and partied to the limit. We can now do our winter things, frostbiting, ice boating, skiing, or just lying around looking forward to the 1980 Sailing Season.

### ROCKY RIVER LIGHTNING FLEET (71)

#### Ohio District

#### Sailing on Lake Erie at Cleveland Yachting Club Rocky River, Ohio

It was a very busy and fun filled summer for Fleet 71, despite a few weekends of too much or too little wind. Socially, we started the year off with our Annual Winter Banquet. Next came Krautmeir Night, an evening full of gastronomical pleasure followed by a rigging party and by some very enjoyable after the race cocktail parties, brunches, potlucks, and a steak roast. The high point of the summer was, of course, the North American Championships which were hosted by Fleet 71 at the Cleveland Yacht Club. We had a great turnout for this event and the excellent cooperation from the participating skippers, crews, and guests went a long way in making the '79 North Americans such an enjoyable and successful regatta.

For the coming sailing season, we hope to attract more women and young people into our sailing program. The method by which we hope to achieve this is still on the drawing board. Any input you can give us, whether it is based upon experience or something you conjured up over a brew, will be appreciated and is hereby requested.

11133	Full House	J. Parke Boyer
11290	.....	Allan S. Penwell
12057	Patience	Richard B. Daykin
12321	Bon Homme II	Al Kirkman
12458	Aeolus VI	Bob Buckles, Jr.
12464	Jolly Roger	J. Roger Miller
12540	.....	Carl Sternaman
12554	Pink Campaign	Vince Daube
12974	Bionic Chicken	Greg Florian
13059	.....	William E. Badorek
13078	Enterprise	Roger & Todd Grohne
13102	Merry Bee	R. Nicholas Burton
13308	Dammit II	Barton L. Cole

After the third record breaking winter in a row, the Lake Decatur ice finally yielded to southerly winds, the docks were floated, and another racing season was underway. Our fleet was replenished by several new sailors, including Bart Cole, Nick Burton, Kurt Faxon, and Phil Penwell. Our Summer Series was one of the best in years with generally good weather and always some wind. Competition was stiff and action fierce but Todd Sternaman emerged as the Fleet Champion capturing first place in both the Saturday and Sunday Series. Lloyd Irish was runner-up in both

the Saturday and Sunday Series, while Roger Grohne (training a new crew each week) placed third in the Saturday Series, but was bested by Bob Buckles, Jr. for third place in the Sunday event.

Highlighting the year was our Silver Anniversary Intercity Regatta in June. Sailors from points as distant as Ohio, Tennessee, and Kansas competed for the trophies, in spite of concern whether or not gas would be available to get home. Four of the top five finishers were our own Fleet 74 skippers. Greg Florian finished first overall, followed by Todd Sternaman who missed a possible first by not denoting a final leeward-windward add on to the course in the third race until after he allowed three boats to pass him on the leeward run. David Blair of Chicago finished third, with Bob Buckles, Jr. and Lloyd Irish taking fourth and fifth respectively.

Greg Florian completed his degree requirements at Tulane University and began demonstrating the finer points of sailing around the midwest. Aside from the above mentioned first place in the Intercity Regatta, he was second at Wa-wa-see, second in the Districts, fifth at the Lake Geneva classic, but slipped to sixth in the Governors' Cup at the Nationals.

How quickly time seems to pass when you're having fun! A chill in the northerly winds announced that the end of the sailing season was near as the Fall Series concluded. Ed Cave and his all-family crew captured first place, Vince Daube made his eighty mile commute worthwhile by garnering second, and Bob Ohlsen outlasted the rest of the fleet to finish third.

'79 was a good year for "74". Consistently good weather, nationally competitive skippers, and new faces combined into fun, fellowship and fantastic sailing.

Fleet Champion Todd Sternaman carefully studying the directions of the race course!

### NYACK LIGHTNING FLEET (75)

#### Metropolitan District

#### Sailing on Hudson River at Nyack, New York

Fleet Captain ..... Howie Rinehart  
 Fleet Secretary ..... Gary Hurban  
 Fleet Treasurer ..... Rod Johnson  
 Fleet Champion ..... Tom Destasio  
 Runner-Up ..... Dick Weitzman

Boat No.	Boat Name	Skipper
3322	Nordvind	Mons Grinager

Fleet 75 started off the 1979 season in February with a sailing clinic for a new group of Lightning sailors in our fleet. We are very happy to welcome our new fleet members Dave & Wendy Beardsley, Bill & Stephanie Mayo, Curt Deyrup and Dan Parietti, who participated in the clinic and joined us on the starting line.

The seasons racing results were, Spring: Tom DeStasio, first; Gary Hurban, second; Howard Rinehart, third. Summer: Tom DeStasio, first; Dick Weitzman, second; Rod Johnson, third. Fall: Tom DeStasio, first; Howard Rinehart, second; Rod Johnson, third.

Tom DeStasio also captured the Mid-Hudson Circuit and the Hudson River Yacht Racing Association Circuit with his ace crew members, Thad Cooke and Ed Bonacci. The Most Improved Trophy went to Elliot Carman and his wife Barbara (Watch out next year!). The Most Valuable Crew Award went to Joan Hurban who has been the work horse in the "Hurban Sailing Syndicate" for 13 years. (That's a dedicated crew!)

The high point of our season was our Magnus Pederson Regatta. We had boats from Long Island Sound, Lake Mohawk, Greenwood Lake, Chelsea, Stony Point and, of course, Nyack. The draft beer and charcoaled steaks put the finishing touches on a great weekend. We hope even more boats join us next year.

Our present officers will stay on for another year with Jeff Parker and Vinney Accordino assisting in the duties. We look forward to an even more active season in 1980 which will once again begin next spring with a sailing clinic. We've got some rookies who intend to move up to the front of the fleet as fast as possible.

Best of Sailing to you!!

### SANDY BEACH YACHT CLUB (78)

#### Lake Erie District

#### Based on the Niagara River, Grand Island, New York

Fleet Captain	.....	Fritz Dusel
Fleet Secretary	.....	Ted Kumrow
Fleet Champion	.....	Fritz Dusel
Runner-Up	.....	Rick Hensel

Boat No.	Boat Name	Skipper
7549	.....	Tom Ide
9582	Bad Company	Rick Hensel
11126	Air Bear	David C. Duchscherer
12555	Little Boomer	Tom & T. Robert Lafferty
12818	Mariah	John C. Boyce
13179	Top Banana	Ted Kumrow
13338	Splash Gordon	Gory & Norm Compson

This season our fleet staged an ambitious racing schedule beginning May 28 with the Art Little Series with Rick Hensel, first; Gordon Compson, second; and Dave Duchscherer and Bruce Heine, third; and concluding on September 23 with the 35th Annual Haul-Out Regatta.

Our Big Event of this season was the honor of being the Host Club for the Women, Junior, and Lake Erie District Championships in late July. Co-Chairmen were our Club Commodore Jack Taggart and Fleet Member Rick Hensel. Our Fleet Captain was a top qualifier for the North American Championships in Cleveland.

Racing results for our many series are as follows: FLOYD LAW MEMORIAL — Fritz Dusel, first; Rick Hensel, second; Gordon Compson, third; HOME SERIES — Fritz Dusel, first; Tom Lafferty, second; Dave Duchscherer, third; BOYCE TROPHY — Fritz Dusel, first; Gordy Compson, second; Tom Lafferty, third; BRIDGE TO BRIDGE — Gordy Compson, first; Fritz Dusel, second; Rick Hensel, third; DUCHSCHERER SERIES — Fritz Dusel, first; Rick Hensel, second; Tom Lafferty, third; COMPSON SERIES — Dave Duchscherer, first; Fritz Dusel, second; John Boyce, third; CHAMPIONSHIP SERIES — Fritz Dusel, first; Rick Hensel, second; Dave Duchscherer, third.

Our Lightning skippers attended and performed well at area regattas such as the Niagara Frontier Invitational, the Niagara River Championship, and the Fall Series held by Dunkirk Fleet 311, Silver Lake Fleet 47, and Sandy Beach Fleet 78.

### NIANTIC BAY YACHT CLUB (85)

#### Connecticut-Rhode Island District

#### Sailing on Niantic Bay, Long Island Sound at Niantic, Connecticut

Fleet Captain	.....	Barry Buehler
Fleet Secretary	.....	Donna Barrett
Fleet Champion	.....	Nelson Hoffman
Runner-Up	.....	David Peck

Boat No.	Boat Name	Skipper
7170	Baby Makes 3	Martin J. O'Meara, Jr.
7912	Jack Flash	Jack R. Sauer
8599	My Sally	David Peck
9089	Thunder &	Gary W. Saunders

10066	.....	James Fennema
10801	Woody	David M. Peterson
10901	Puff	George P. Mitchell & Aristedes K. Manthous

The 1979 season at Niantic Bay was longer and busier than any in the Fleet's history. From its beginning on Memorial Day to its culmination in early September, the Fleet experienced a full and varied racing schedule.

The year started in earnest for most of us with NBYC hosting the Northeast Regional Regatta. Although the fleet size was fairly small and the winds light, the quality of the racing was good. Phil Griffin showed us the way with excellent performances in both races. Len Pratt finished second; Jim Crane, third; and Dick Thackaberry came from light years back in the second race to finish fourth. David Peck was our top finisher in fifth place.

The Season Series was captured by Nelson Hoffman despite some early season woes. So often was *Puff-Puff* in front that his competitors had acquired a taste for pipe tobacco by the end of the season. Newcomer David Peck took second in the Season Series with some brilliant upwind speed and solid tactics. David was our lone qualifier in the Districts and went on to sail in the Blue Fleet in his *My Sally*, the oldest and only wooden boat in the fleet. Third place went to John and Chris Vann. They sailed consistently, were seldom waiting for a crew, and always made it to the line. Some of the rest of us were not so fortunate and were often involved in two competitions on race days: one on shore searching for a third body and the other on sea sailing the scheduled race. Hopefully, we will be able to find more crews next year to ensure a healthy number of boats at the line for all of the races.

The finale of the season was the Connecticut Governor's Cup held in September. Since this was made an open event two years ago, many competitors from outside the state have come to participate. This year the cup stayed at home with Peter Jordan ending up on top. This regatta has been winning fans each year and we hope that next year will see even more boats.

Until next year.....

### VANCOUVER FLEET (90)

#### Pacific Northwest District

#### Sailing on English Bay, Vancouver, B.C., Canada

Fleet Captain	.....	Josh Fitch
Fleet Secretary	.....	Dr. Clifford Harris
Fleet Champion	.....	Jane Henley
Runner-Up	.....	Geoff Harris

Boat No.	Boat Name	Skipper
626	Red Devil	Peter Runkle
6751	The Zipper	Matthew Henley
7071	Waibalong	Cornelis G. Zandbergen
7606	Panique	Dr. Clifford Harris
8337	Bugaboo	Gerry Lockhart
8605	Barak	John Lamble
9268	Pirko	Dick Pearce
9820	My Fir Lady	Josh Fitch
10065	Ghost Ship	Brian Coleman

1979 was the year of change for Fleet 90. Four stalwarts of the Fleet sold their boats and have moved on to bigger and better (?) things. Gerry Caunter last year's Fleet Captain has bought a new fiberglass Thunderbird and John Morrison has purchased a 26' Folkboat. Brian Coleman and Derek Neale haven't decided on their new "dream boat", but it shouldn't be too long. Fortunately, three of the four boats have stayed within the Fleet and are being actively sailed by their new owners. In fact, Jane and Matthew Henley the new owners of 11645 are the 1979 Fleet Champions.

Fleet 90 hosted the Pacific Northwest Districts in July and the weekend turned out to be one of the best sailing weekends of the summer with sunny skies and winds of 8-15 knots all weekend. Twenty-one boats from seven of the eight fleets in the District took part.

The Fleet was saddened in October with the death of one of their

members, Peter Runkle. Peter and Helen have been members of the Fleet for several years and Peter's kindness and good humor will be missed in the Fleet.

1979 Fleet 90 Champion Jane Henley taking the mark during the Junior Pacific Northwest Districts.

**AWOSTING YACHT SQUADRON (95)  
Metropolitan District  
Sailing on Greenwood Lake at  
Awosting, Hewitt, New Jersey**

Fleet Captain ..... Ronald Wulff  
Fleet Secretary ..... Jim Cosmas  
Fleet Champion ..... Chet Howell  
Runner-Up ..... Ole Olsen

11771	.....	Irwin & Jed Kwartler
11983	.....	Nick Boon, Jr.
12013	Dilly Dilly	Gus H. Zimmerman, Jr.
12045	Yield	Royal Sengstacken
12603	Last Chance	Chet Howell

Fleet 95 sure started out slow this year what with no one participating in the spring regattas around us and a core of seven boats left. However they were all out for the first race of the season — which was CANCELLED — a forecast of things ahead! Rainy weekends and light winds seemed to dog us all summer. However, we came to race and race we did and the competition was keen and winning spirits pulled off a successful season of racing for Fleet 95.

The Secretary Series (after the bad opener) was won by veteran Chet Howell with two firsts and two seconds followed by Ole Olsen with one first and two seconds before he dropped to a fourth place. Ron Wulff had two firsts in this series but then slipped a bit further.

The Rear Commodore Series found one race cancelled (what did I tell

you) and another where we all took DSQ's so we could get outta there, the wind was so bad. I can't remember that ever happening to us (the joint decision to pull out, that is). The four remaining races of this series resulted in Ron Wulff taking the blue pennant quite handily with the second place boat, Roy Sengstacken, a good 3-plus points behind. It must be said that Roy had two straight firsts and then went into a hole! Next came the Vice Commodore Series and two of these six races were cancelled (one we quit) and what looked to be a battle between Ole Olsen and Roy Sengstacken suddenly changed to a Chet Howell triumph over Roy. (With a small fleet and as many cancellations as we've been having when you slip a little you slip a lot! The scoring jumped like a yo-yo week to week.)

During this time one of our boats went regatta hopping and Irwin Kwartler and crew found themselves qualified for the North Americans — and of course — they went — and of course they participated. Nuff said! However, we hear they had a terrific time. They even brought the boat back in one piece!

The powers that be set up a Piz Buin Regatta this year (our Specialty Series) during which Jim Cosmas pulled a horizon job on all of us and took a first AND THE GUN MISFIRED. I still say you were so fast they didn't even see you finish, Jim! However, when the scoring was done and totaled Ole Olsen came up the winner with Wulff and Sengstacken tied for second, receiving medals for same at special ceremonies honoring "Greenwood Lake Day." Steak dinners the night before the last race were out of this world!

The Commodore Series was next and that resulted in a dead heat six race tie for the series between Chet Howell and Ole Olsen and this was settled by a sail-off on the very next race (our Labor Day Classic) during which Ole beat out Chet in a grueling shifty race just beating out the time limit for cancellation — by one boat. So ... Ole won the Commodore Series and Chet had to settle for second.

Our Labor Day Race was actually won by Roy Sengstacken and Ole Olsen was runner up and the rest of us cried!

So the season ends — but not the sailing at Greenwood with Chet Howell eeking out Ole Olsen for the Championship by ONE POINT. We hosted our Annual Whiskerpole Regatta on September 8 - 9 during which some of our Lightning friends came from other fleets in the Metropolitan District. Fifteen boats participated amid fair skies and excellent wind for three races broken only by our hot dog-hamburger-beer and soda lunch with soup and a great Saturday nite cocktail dinner after the party, er Saturday nite party after the dinner cocktail, er Saturday nite dinner after the cocktail party. When the smoke cleared away from the scoreboard on Sunday we found Bob Graham took first place hardware with a 2, 4, 1 score; Jim Wavle silvered in a 1, 2, 5; Roy Sengstacken of the home fleet YEA! copped third place memento with 4, 10, 2; Tom Bierman scooped up fourth place with 7, 7, 3 and last (fifth and last TROPHY that is) went to *Last Chance* skipper Chet Howell. How nice! We really want to thank everyone who came and everyone who helped to make this regatta so successful.

It would not be fitting to close this report without giving lots of credit to our crews (the hidden element in racing so often overlooked) — we thank them heavily — from the bottom of our keels to the top of our masts to the end of the tiller. Our Fleet Champion Chet Howell has retired the *Last Chance* (sold it) far away from here — thank heaven! Now with that 68 year old walrus outta there mebbe somebody else can get some of that silver!

Speaking of somebody else ... a pre-season welcome is in order to Walter Johnson and son who we understand has bought Lightning 12013, once a part of our fleet and now returning from the mothballs. Welcome and lots of luck to you Walter ... may you always keep your sails DRY and full of wind.

Like Chet always sez ... Bye!

**GREAT EGG HARBOR FLEET (99)  
Central Atlantic District**

**Based on Great Egg Bay, Ocean City, N.J.**

Fleet Captain & Secretary ..... Bill Clausen III

Boat No.	Boat Name	Skipper
10895	Reject	William P. Clausen

Once again, poor old *Reject* and crew had no one at home against whom to race. So we traveled to as many regattas and friendly yacht clubs as we could. We found everyone friendly and hospitable from Red Bank to Riverton.

We won some regattas, we lost some regattas, and some we had trouble getting the crew to show up!

Faithful and loyal crews are the real backbone of the Lightning Class. I

would like to thank and commend all the people who make the front end of the Lightning work and who tell the person in the back which way he should have gone!!

The people who made it possible for *Reject* and me to get to and around the race course this year were Mary Huntsman, Phil Dennis, Henry O'Hern, Eric Mauer, George Gaynor, Mary Beck, and the little kid I pulled off his bike at the 10 minute gun at Riverton. To these people, I say thanks!

*Reject* and crew hope to be back in 1980 for another summer of fun. See you all then.

### SANTA MONICA BAY LIGHTNING FLEET (102)

#### California District Sailing on Santa Monica Bay at King Harbor

Fleet Captain ..... Bert Winther  
Fleet Secretary ..... Mike Boswell  
Fleet Champion ..... Wendell Harter  
Runner-Up ..... Max Rosenberg

Boat No.	Boat Name	Skipper
6543	Solar Prominence	Greg Pierson
8122	Rusalka	Dick Vianden
8525	Chapaleo	Peter Aperlo
11373	Sea Fever	Mike Boswell
12815	Lotsa Work	Ralph Stober
13186	Paddlin Madelyn III	Wendell Harter
13191	.....	Mike Boswell
.....	.....	Max Rosenberg

As we go to press, Wendell Harter is in the lead for the 1979 Fleet Championship closely pursued by Max Rosenberg. Wendell won both the Spring and Summer One Design Regattas. Max beat everyone in the Cecil R. King and Autumn One Design Regattas. Don Rondeau continued to improve with his new sails showing the Fleet that wood boats can still be fast! Dick Brewer, with his son Mike crewing, raced with us extensively during the year. Bert Winther repaired the damage to his boat sustained during a capsiz in time to race the entire season. Mike Boswell, for the first time, won trophies in the Southern California Circuit and the Billie Boswell Memorial Regatta. Peter Aperlo came out and competed in nearly every regatta. In the fall, Quinton Foster moved back to California from New Jersey. He joined our Fleet again after a two year absence. Finally, in our last regatta of the year we welcomed a newcomer, Ed Spurl. Ed bought a brand new boat and we look forward to seeing him often in 1980!

We again hosted the King Harbor portion of the Southern California Lightning Circuit. Boats came from as far away as British Columbia to compete in a week long series of racing both here and at San Diego during the Easter vacation period. We also hosted the Billy Boswell Memorial Regatta at Lake Cachuma and the Hurricane Gulch Regatta at King Harbor. Our racing season stretches from January through November giving us many hours of enjoyment on the ocean.

In 1980, we are looking forward to having the North American Championships in our own District at Mission Bay. Also, we will again co-host the Southern California Circuit and hold the Districts at King Harbor. Good sailing during the New Year!

### LAVALLETT LIGHTNING FLEET (104)

#### Central Atalantic District Sailing on Barnegat Bay, Lavallette, New Jersey

Fleet Secretary ..... Bob Williams

Boat No.	Boat Name	Skipper
2067	.....	Chris J. Larsen
9250	Puck	Walter H. Krueger
9484	Spook	R. John Schneeberger
10633	Star Dust Again	Fred Slovak & Aileen M. Meares
11444	Artful Dodger	George Zabrycki
11728	Blue Max	Bob Williams
12209	Flying Cloud II	R. Ira Ross
12350	.....	Chris J. Larsen

This past season saw a continuation of the highly competitive spirit that has become a part of the summer ritual for Lightning skippers at Lavallette.

Though we were disappointed that the number of Lightnings did not increase in 1979, we were pleased that a lot of Lavallette skippers, not usually found in a Lightning, took part in the series as crew or substitute skippers—this is a very positive sign for the future.

The summer series was won for the second year in a row by George Zabrycki. This now sets up an interesting drama for the 1980 series. Not since 1963, when J. J. Bonn accomplished the feat, has any skipper been able to win three championships in a row.

To add to the interest Zabrycki has sold his boat to Todd Elsasser, a hot M-Scow skipper, and is obviously planning a little psyche job with a new boat. Not to be outdone, Bob Williams headed over to Metedeconk to practice all fall with that group of hotshots. Ira Ross was up racing with the Monmouth bunch, and Walter Kruger was upgrading with a new mast.

During the summer, the Lavallette Yacht Club hosted the New Jersey State Lightning Championships. As usual, the wind became fickle; however, all who attended agreed the Race Committee headed by Del Kusma did an outstanding job.

As most thoughts now turn to skiing and other winter pastimes, we have the good memories of the season ended and a promise of more fellowship, excitement, and fun next summer.

### GREAT SODUS BAY LIGHTNING FLEET (108)

#### Central New York District Sailing at Sodus Bay, Sodus Point, N.Y.

Fleet Secretary ..... R. W. Hallagan

Boat No.	Boat Name	Skipper
11456	.....	P. Thomas Jungjohann
11537	Superchick	L. Tiedemann
12064	.....	Jed, Bob & Jerry Dodge
12355	Shadow	Dick Hallagan
13363	.....	Jed Dodge
13381	.....	P. Thomas Jungjohann

Lightning activity at Sodus Bay centered around the District Regatta held July 5-8. The Sodus Bay Yacht Club opened its doors for that week and Lightning were here, there, and everywhere.

On the 4th of July we gathered seven boats together and held a three race tune up on the lake. It was just as easy to be last as first. Peter Hallagan edged out Jed Dodge by a point and everyone got the feel of the lake for the upcoming big regatta.

On the fifth of July, five junior skippers showed up for the Junior Central New York Championship. Good winds made it easy to sail five races in one afternoon. Jerry Dodge had a 1-1-2-2 and Peter Hallagan had a 2-2-1-1 after four races. In the fifth race, Jerry led at the weather mark and the jibe mark but didn't use his chute. Peter, with chute ragging, eventually passed Jerry to win the race and regatta.

On July 6-8, 29 boats registered for the big regatta. The last one at Sodus was in 1967. Two races on Friday were sailed in the Bay as the lake was too rough. Two races on Saturday and one on Sunday were sailed in the lake with beautiful weather conditions. The two locals, Hallagan and Dodge were first and second. Jim Pindell won the Central New York District Rookie Award and later won the I.L.C.A. Rookie Award at the North American Championship.

Sodus is a great place for a regatta and hopefully we can host another one in the immediate future.

### HIGGINS LAKE FLEET (110)

#### Michigan District Sailing on Higgins Lake at Roscommon, Michigan

Fleet Captain ..... Michael Dow  
Fleet Champion ..... Mike Dow, Jr.  
Runner-Up ..... Cameron Carlin

Boat No.	Boat Name	Skipper
10221	.....	Herbert "Ted" Doan
11070	Serendipity	Michael Dow
11185	.....	Ormond Barstow
11433	.....	James Henning
12108	Serenity	Gary Cutler
.....	.....	John N. Dent
Life Member	.....	Dr. Floyd R. Arnold

Our sailing season on Higgins Lake began with a 4th of July "Fire-cracker" Regatta which was won this year by John Dent. Our Annual Invitational Regatta on the first weekend in August continues to be great fun. Mike Dow, Jr. won the Regatta this year and became the first local sailor to do so in many years. Bill McKinley of Pontiac was second and Hank Hodgson, Jr. of Union Lake was third.

After a complete season of Saturday racing, we concluded with our Labor Day Regatta which was won again by Mike Dow, Jr. The runner-up was Cameron Carlin and the third place boat was Gary Cutler.

The entire Higgins Lake Boat Club is working hard on continually improving its early August Regatta and we invite all Michigan area sailors to attend.

**GREEN BAY SAILING CLUB, INC. (112)**

**Midwest District**

**Sailing on Green Bay at Green Bay, Wisconsin**

Fleet Captain ..... Ellen Blakeley  
 Fleet Secretary ..... Jennifer Bracker  
 Fleet Champion ..... David Roznowski  
 Runner-Up ..... Bill Dean

Boat No.	Boat Name	Skipper
1578	.....	Dale Phillips
2557	.....	Eugene Goffard
7375	Snafu II	John Evans
8350	.....	Karen Cowan
8634	Blood Sweat & Tears	Ellen Blakeley
8644	Crocodile	Lyle M. Bracker
8749	Bright Eyes	Bruce Miller
9309	Old Hickory	J. Gagnon, III, David & Betsey Whitton
9634	.....	Robert Minahan
10178	American Fox	Douglas E. Olson
11490	B-Kaz	Dr. Bruce Bressler
11547	.....	Eugene Goffard
11953	Olson Eater "1980"	Patrick Berndt
12457	.....	David M. Roznowski
13141	Flying High	Bill R. Dean

Supercalifragilisticexpialidocious might describe Green Bay Sailing Club's 1979 season. In early May we took time out from sanding, polishing, and rigging to celebrate the club's 32nd Anniversary. Many GBSC alums gathered with present members to reminisce and advise in anticipation of the coming season.

In June the Evans Regatta saw familiar faces from the Midwest District as Gene Matthews, Gordon Ettie, and John Esser took the honors from among the 24 Lightnings represented. A first for Green Bay Sailing Club this year was The Chancellor's Race, a one day invitational for Green Bay area sailors. The gorgeous half-hull Lightning trophy stayed in the club as David Roznowski skippered his boat to victory through a recall start and pouring rain. GBSC also co-sponsored the Green Bay Yachting Association Small Boat Regatta with neighboring Windjammer Sailing Club. The regatta was the first of its kind in the lower bay and was attended by 50-plus boats in off-shore cruising, centerboard, and catamaran classes. Lightnings were well represented as GBSC's Bruce Bressler placed second overall. Rounding out the season was the club's annual handicap race for the Walter Masse Cup. Bob Minahan won the cup, and old salt, Bill Dean, took honors with the Beaumont Pot for first Lightning over the line.

A total of 24 races comprised our regular racing season and when the smoke cleared, David Roznowski had the well-earned title of Fleet Champion, breaking Lyle Bracker's five year winning streak. Bill Dean came in second overall, followed by Doug Olson in third.

The Awards Banquet included the addition of some awards new to GBSC members. Along with numerous first place trophies, several dubious honors were bestowed. Pat Berndt won the "This Side Up Award" as fleet tip-over champ. The "Purple Shaft Award" went to Jim Robinson for worst luck of the season and Michael Quinn, new to sailing this year, won the "Last But Not Least Cup" for most points season overall.

Our fleet continues to grow with two new Lightnings already on order and rumors of more in the works. We are looking forward to a super-competitive season next year as our new sailors continue to improve and the varsity team grows ever more sophisticated. In the 1980 sailing season Patrick Berndt will be Fleet Captain, John Evans as Secretary and Betsy Whitton Treasurer. Winter activities include seminars, parties, and cross-country skiing. Anything, in short, as an excuse to get together and talk about sailing.

*Skipper Doug Olson shares refreshments with his crew while Bill Dean comes smokin' up to close the gap.*

## CUBA LAKE YACHT CLUB (115)

### Lake Erie District

#### Sailing on Cuba Lake at Cuba, New York

Fleet Captain ..... Robert Buckley  
 Fleet Secretary ..... Ward Wilday  
 Fleet Champion ..... Robert Buckley

Boat No.	Boat Name	Skipper
5851	Nite Cap	Laurence C. Older
6358	Wimbrel	Robert Hendryx
7744	Sno Wonder	Bob Buckley
8792	Blue Dolphin	Bill Rollo
11175	Wildfire	Bill McIntyre
11599	Bote	Don Cutler
12053	Dorrie	Arthur E. Hornburg
12926	Jenny Bell	Ward Wilday
.....	.....	C. Paul Clark
.....	.....	Kingman Page

Due to the lack of water in Cuba Lake this year, there was very limited sailing. The Lake did finally fill on Labor Day and we joined forces for some good sailing.

thanks to Al DeBernardi becoming the chairman of the overboard fraternity for the year. The lead that Al spotted everyone had vanished by the seventh race but he went on to repeat as the Fleet Champion. In second place was Tom Valeo, followed in third by Joe Peterson.

The Twilight Series was no different, as Al won the series by a single point.

The Yankee Homecoming race went to Joyce Stoehr, just beating out Ben Hersey for top spot. The race was sailed in very light conditions with Joyce coming from way back to take the victory within 100 yards of the finish.

The State of Massachusetts Championship Regatta returned in 1979 to Newburyport for the second time. Saturday found 0 to 5 knots of wind as the gun sounded to start race one. After the entire fleet of 19 boats floundered for over two hours, racing for the day was abandoned in favor of the afternoon cocktails and the steak barbecue for supper. Sunday dawned and all we found was rain and wind gusting to 40 knots. All that was left to do was to get all of the boats out of the water, no easy task in all of that wind and chop. Oh well, we'll try again in 1980.

To round out the season with a third first place trophy, The Young Memorial Race was won by Al DeBernardi by a handsome margin. We understand Al is enlarging his trophy room to accommodate all of the new hardware.

As a great ending to a great season, three of our Fleet members trailed to Spofford Lake to be frustrated by their winds once again. As usual, a great time was had by all.

## ROYAL HAMILTON YACHT CLUB (118)

### Lake Erie District

#### Sailing on Hamilton Bay, Hamilton, Ontario

13200	Red Peppers	Jack Lewis
13206	Giannina	John Cuccio

Our 1979 season started early with a terrific Christmas party hosted by Ken and Sally Shauer. We're losing the Shauers to the cruising fleet next year and we'll miss them. They've done one of the mainstays of Fleet 126 over the years. Many of you saw Ken and Sally this summer on the race course — not racing, but helping out with their cruising boat *Uncle Bill* at the Early Bird, Districts, and Eastern U.S. Championships. Good sailing Ken and Sally!

In the dead of winter we gathered for some more partying — good food, good wine, good company at Mary and Bill Gutzwiller's and at Jo and Bud Titsworth's. Thanks to all these folks for being such gracious hosts.

We got down to business in May with our annual Rigging Day, followed by a USYRU clinic on a cold, blustery mid-May weekend. Dave Perry did a great job, despite the weather, ably assisted by Bill Shore who came down from the north country to teach us a thing or two. These USYRU clinics are great devices for stimulating interest and encouragement within a fleet.

The 1979 overall series winner was Dr. Dick Thackaberry crewed admirably by wife Kathy and Adam ("had 'em") Lewis. The top finishers following Dick were Bill Gutzwiller, (second); Allen and Glen Bemus, (third); Jack Lewis, (fourth); and Mike Willets, (fifth).

The Memorial Day Commodore's Cup series saw Dick Thackaberry starting out his winning year with a first. Mike Willets was second and Tom LeBrun, third. Mike Willets moved up to a win in the Vice Commodore's Cup 4th of July Series, followed by Jack Lewis and the ubiquitous Dr. Thackaberry. Phil Griffin took the Rear Commodore's Cup on the Labor Day weekend with Jimpin' Jack Lewis again in second and Marvellous Mike Willets in third.

1979 marked a milestone for Dick Thackaberry. In the past seven years he had finished in the top four but had never won. This was his first Fleet Championship, and he had a remarkable year: he won the CPYC Commodore's Cup, the Portland (Me.) Regatta (with three bullets), was fourth at the New England Regionals, sixth at Spofford, seventh in the Eastern U. S. Championships, and won a whole lot of races at home. Congratulations Dick!

Fleet 126 worked as hard as usual in 1979, hosting the Early Bird, the Connecticut-Rhode Island Districts, and the Eastern U.S. Championships. The Early Bird was well-attended, as usual, with over 40 boats and the winner was, as usual, Bob Hutchinson. The Connecticut-Rhode Island District has three former North American Champions, Jim Crane, Matt Fisher, Bill Shore, which makes for pretty tough competition (does any other District have this many superstars?). Fortunately, Bill Shore didn't have to qualify in the Districts, but the 36-boat series was still hotly competitive. Jim Crane was the 1979 District Champion sailing brilliantly in some very confusing weather. Fleet 126 placed four boats in the top ten, headed by Phil Griffin who was second in the series. Fisher, Jordan, and Peck were the visiting firemen rounding out the top five qualifying for the North Americans. Aside from Griffin, the other CPYC skippers in the top ten were Jack Lewis, Johnny Cuccio, and Bill Gutzwiller. This was one of the best CPYC performances in the Districts in recent years. We should mention that our own Bill Gutzwiller and his staff did a super job measuring in sails, weighing boats, and generally making sure that we were all on the up and up.

Jim Crane (whose 1979 record was not too shabby) came back to win the Eastern U. S. Championships in a 47-boat fleet. CPYC put two boats in the top ten (Phil Griffin and Dick Thackaberry), but the top three places were all aliens (Crane, Jordan, Schneider). We enjoyed having everybody there and it was fun to see how the hot shots do it. A special note of thanks to R. C. Chairman Ted Fontelieu (a Thistler) who performed miracles keeping the lines square and the windward marks to windward. It wasn't easy and Ted did a heck of a job.

Nearly half of Fleet 126 participated on the road this summer, sailing in Maine (Portland regatta), Georgia and Florida (Southern Circuit), Ohio (North Americans), New Hampshire (Spofford), New Jersey (Red Bank), and Connecticut (Black Rock, Niantic Bay). Phil Griffin won the New England Regionals at Niantic with nothing but firsts. Dick Thackaberry

"THACK", running "AMOK".

notched a fourth and Bud Titsworth was sixth, closely followed by Chuck Whittelsey. Phil Griffin sailed well at Red Bank but last minute rigging process kept him out of the money. As already noted, Dick Thackaberry swept Portland with three fractions. Chuck Whittelsey won the Long Distance award travelling to the Southern Circuit and the North Americans. Six CPYC boats went to the Long Island Sound Championships at Black Rock — Wayne Atwell, Johnny Cuccio, Bill Gutzwiller, Bud Titsworth, Will Wendell, and Chuck Whittelsey. John Cuccio and Mike Willets went back to Niantic for the Governor's Cup. Four of us went to Spofford this year where the SYC says that sails are optional. It was a super weekend with tasty cook-out dinner, glorious leaf peeping, and even some wind! Bill Gutzwiller and Dick Thackaberry were really in the thick of things after the first day's racing. Bill Gutzwiller won fifth place (of nearly 30 boats). Dick Thackaberry won the party.

Nearly 60 percent of our skippers had at least one first in 1979 — Allen Bemus, John Cuccio, Johnny Cuccio, Phil Griffin, Bill Gutzwiller, Tom LeBrun, Jack Lewis, Dick Price, Dick Thackaberry, Bud Titsworth, and Mike Willets — congratulations guys!

Fleet 126 had some fun in 1979 ashore, starting with a champagne party in the spring, a post-race pizza party, and a wonderful swim-dinner party at John Cuccio's. We awarded some special prizes this year including Sportsmanship to Dave Fagin, Highest Participation to Mike Willets, Best Crew to Allan Chaplin, and the Clamdigger Trophy to Johnny Cuccio (figure it out).

1979 Fleet officers were Phil Griffin, Fleet Captain and Publicity; Mike Willets, Secretary; Dick Thackaberry, Treasurer. We elected Will Wendell Fleet Captain for 1980; Mike Willets as Secretary; Dave Fagin, Publicity; and Dick Thackaberry, Treasurer. The Fleet thanks the outgoing officers for a job well done and congratulates the newly elected officers, wishing them every success in 1980.

Our Fleet was well represented among the District executives with Phil Griffin as Commodore, Dave Fagin, Vice Commodore; and Jennifer Griffin, Secretary. Thanks to all of them and also to Nelson Hoffman, our District Treasurer.

A special note about Phil Griffin. Phil as sold his boat and won't be sailing with us next year. Phil has been sailing Lightnings at Cedar Point for six years. He won every season championship in which he qualified (three years). There's no question in our minds that Phil has been in a class by himself (countless horizon jobs). Serving in a variety of Fleet and District offices, promoting the Class and the Fleet, helping less gifted skippers, freely giving of advice on tuning and tactics, Phil has been a good friend. Phil's wife Jennifer has also been someone very special to Fleet 126, working tirelessly at dinners and regattas with an always effervescent, friendly, smiling, and engaging presence. We'll miss the Griffins.

The Fleet expresses its appreciation to the Cedar Point Yacht Club, its Race Committee members, all the Lightning ladies - wives, girlfriends, sisters, cousins, and aunts — who worked so hard and so successfully at all the regattas, dinners, parties. Thanks also to all the skippers and crews who came to sail with us from other parts of the country.

Here's only a partial list (because some skippers missed the annual meeting) of our crews who were there and made us go: Nick and Missy Cannistraro, Allan Chaplin and his son, Bill Chase, Tim Clark (who has turned over his "Crash" title to Bud Titsworth), Maureen Ford (who distracted Bud and his Father all summer and probably caused the crashes), Ellie and Maury Hallowell, Beth Laidlaw (the best spinnaker flyer at Harvard), Cathie LeBrun, Adam Lewis, Rob (up, up) Nye, Dick Price Sr. and granddaughter Jenny who are both part of the super-nice Price contingent, Ricky Ryder, Chris Szeppsy, Kathy (Oh Richard) Thackaberry, Dayton Tisworth (silver medalist in Sunfish at the Senior Olympics), John Verelli, Gisselle Wagner — one of the greats, Sharon Wallace, Gene ("My back will be back") Wurster, and, last but not least, Laurie Voigt who helped one of our struggling skippers to his only — but very satisfying — first place.

See you at the Early Bird!

Renehan's Blood Vessel moves out from the fleet in clean air.

## SAVANNAH LIGHTNING FLEET (127)

### Southeastern District

#### Sailing on Wilmington River at Bradley Point, Savannah, Ga.

Fleet Captain	Randy Brooks
Fleet Secretary	Sidney Oetgen
Fleet Champion	Randy Brooks
Runner-Up	Bert Berry

Boat No.	Boat Name	Skipper
9098	.....	Chip Ogletree
10327	Black Magic	Gary G. Oetgen
11336	.....	James L. Daniell
12055	Urge	Randy Brooks
12828	.....	Albert H. Berry, Jr.
13013	Jinx	C. A. McMurray, Jr.
13190	.....	John McIntosh, Sr.
Life Member	.....	J. Wallace Aggett

Savannah's sailing season began in early March with the Deep South Regatta which gives us the opportunity to renew our northern acquaintances. This year's Deep South was won by Bruce Goldsmith and is reported in detail in a separate article.

Most of our Lightning sailing is done in our District Circuit ... a series of eight or nine regattas in the Southeastern District which are scored together. All of these regattas were reported in various *Flashes*; however, as a summary, Savannahians achieved the following results, John McIntosh won at Lake Murray, finished Runner-up at Savannah, took a third at Atlanta, and posted fourths at Charleston and Western Carolina. These finishes were good enough to give John a second place on the circuit. Congratulations! Gary Oetgen started off with a strong finish (fourth) at Augusta and added a fifth at Charleston. Bert Berry had fifth at Savannah and Western Carolina, but neither he nor Randy Brooks sailed enough regattas to qualify for circuit trophies.

On the local scene Randy Brooks successfully defended his title as Fleet Champion in a five race series held Labor Day weekend. Bert Berry, '77 Fleet Champion, was Runner-up this year. The Lightning Crew of the Year trophy was awarded to Kenny Meyer who sails front end for Gary Oetgen. Kenny is a great competitor and is always glad to help others.

Once again this report would be incomplete if we did not thank Mickey Boyd and Betsy Daniell who handle Race Committee chores for Lightnings, Sunfish, and quite often ocean races. Thank you ladies!

## MADISON BEACH CLUB (129)

### Connecticut - Rhode Island District

#### Sailing on Long Island Sound at Madison, Conn.

Commodore	Richard C. Maxwell
Vice Commodore	Nancy Young
Rear Commodore	John J. Renehan
Fleet Champion	Richard D. Grant

Boat No.	Boat Name	Skipper
11113	.....	Nancy D. Young
11207	Early Times	James R. Deephouse
11773	Franste II	Jay W. Jackson
12068	Blood Vessel	John M. Renehan
12277	.....	Dick Grant
.....	.....	William G. West

The 1979 season in Madison was one of the best in recent memory. The hours and days of work and planning by Commodore Maxwell and his staff resulted in a first class sailing program and an excellent racing season. Our Lightning fleet grew in size, grew in competitiveness, and grew in esprit. Gone were the days of weekly "Horizon jobs" by Nancy and George Young — the fleet improved.

The Series Championship was tight all year. The Championship was won on the last day. Everybody was capable of winning any particular race, and often did. As the season went by, the races became more and more challenging. The leaders were being beaten consistently. As one of those leaders I can say "in retrospect" that having Jay Jackson and Jim Deephouse roar over me to windward was a sign of the strength of our fleet. John Renehan was moving in August and is frostbiting this winter. He will be tough again. Jane Hilton has a fast boat and experience. She is always up there and is

always a threat. The prospect of sailing regularly against the Sulzbach's and the Gurnham's sends us to the books, the sailmakers, and the worry beads.

Skippers steer, disburse, sometimes comment, and always stay dry. They also tend to get most of the attention. We skippers know who makes the boats go well, the crew. Many thanks from all the skippers to the regular crews. If you show me a fast boat, I'll show you a regular crew. Congratulations to Bill Gleason and Abigail Abbott, the crew of the winning boat.

The future of the Lightning in Madison is bright. We have a growing fleet and are now putting boats in the top ranks of the regional regattas. Several of us are wishful about San Diego this year. We also have an active Blue Jay fleet. Our Juniors are doing very well on the circuit.

We are hopeful that we will host the Long Island Sound Lightning Championship in 1980. Watch the *Flashes* for events scheduled in Madison. We are both centrally located and "wet". Plan on attending our events. We also are planning a Blue Jay regatta for the juniors. We will run spectator boats so the seniors can observe. Plan on attending and watching the future Lightning hot shots.

### LAKE WASHINGTON LIGHTNING FLEET (132)

#### Pacific Northwest District

#### Sailing on Shilshole Bay at Seattle, Washington

Fleet Captain ..... Greg Zettler  
 Fleet Secretary ..... Frank Wise

Boat No.	Boat Name	Skipper
8578	Hecate	John Burt
9024	.....	Allen Hunt
11457	Mrs. Henry VIII	Greg Zettler
13242	Silver Fox	Frank Wise

After an absence of seven years, the Lake Washington Lightning Fleet is again active with one minor change. The fleet is now sailing on Shilshole Bay in Puget Sound. Sailing on and mooring near saltwater certainly requires a whole 'nother approach.

The fleet was re-activated by three former members of Juanita Bay Sailing Fleet (414). Most of the year has been spent locating and recruiting Lightning owners in the vicinity of the sailing site. While we were only successful in signing up one new member, we did get half-a-dozen Lightning owners to join us for one or more races during the season. Alan Hunt was the most successful in bringing out new people. As a reward, we will probably elect him Fleet Captain for the coming year.

Greg, Alan, and Frank each did their share of traveling to participate in the Pacific Northwest District Lightning Circuit regattas. This was Alan's first try at District events and he found that forty boats on the course at a time sure does clutter up the water! By the end of the season, Alan had become an expert at 720's. Frank did his usual to win a few races and lose a few races. It would have helped if he could have trained his crew to arrive before the regatta was half over. Better work on that next year, Frank! This typewriter is fresh out of superlatives to describe the performances of Greg. All he did was again win the District Championship (the last time was 1974) and win the Lightning Circuit Championship for the FOURTH time. Monotonous, but nice.

All of us are looking forward to the North American Championships in San Diego next year. From experience, we know you all will enjoy it. Oh, by the way, rig your boats for light air; Greg wants to repeat as Presidents' Cup Champion.

### MOBILE BAY FLEET (135)

#### Southern District

#### Sailing on Mobile Bay at Fairhope, Alabama

Fleet Captain ..... Barney March  
 Fleet Secretary ..... Bob Bornemann

Boat No.	Boat Name	Skipper
7399	Mauvillian I	John Alan Stringfellow
7748	Thumper	Peter Phillips
8365	.....	Robert Jeffcott
8375	Expediter	Robert Bernhardt, Jr.
8890	.....	Wesley Overton
11689	Got 'cha	Rick Skinner
11712	Flo-N-Dee	Tom Ford, Jr.
12956	Sun Kiss II	Robert Borneman
13060	Bigeminy III	Barney March

Greg and Cheryl Zettler agree, "It's all in a day's sailing."

This year has been a lean year for our fleet, it just seems like something else is going on the same day we have scheduled outings. However all was not lost, we sailed in several local races, conducted our District Championship and fought off Hurricane Frederick.

The big event of the year for our racing sailors was the Districts held in late June. The three top finishers were from our fleet. The winner, Rick Skinner, is a long time district winner but Robert Jeffcott, the fleet standard, made a very strong showing and Bob Borneman placing second was a first time silver winner.

season, we will close out the year in New Orleans for the annual Sugar Bowl Regatta, which is fast becoming a strong Lightning event with 19 boats last year and more this year.

We are hoping and planning a big year in 1980 and hope to see you in the water next year.

### GULL LAKE YACHT CLUB (137)

#### Michigan District

#### Sailing on Gull Lake at Richland, Michigan

Fleet Captain ..... Jack Engels  
 Fleet Secretary ..... Mike Rathbun  
 Fleet Champion ..... Carl Engels  
 Runner-Up ..... Tim Vandermuellen

Boat No.	Boat Name	Skipper
7911	Minnow	Scott Greenberg
9734	Merritorious	Tom Merritt
10842	.....	Mike Rathbun
11016	Second Wind	Carter Brooks
11068	Sea Nymph	Dick Howard
11806	.....	Bill Patten
12103	Red Baron	Fred Harrison
12595	Tim-Buck II	Tim Stewart
12718	.....	Marty Levin
12806	.....	Roger Klettke
12931	.....	Tom Merritt
12938	.....	Dan Chappell
12958	Tektite	Jack Engels
13112	.....	Carl Engels
13279	Cyxobeu	Tim VanderMeulen
.....	.....	Ken Byerly

Lightning sailing on Gull Lake is on the upswing. Past weekends saw 12 to 15 boats on the starting line. After a winter of boat purchasing and trading, our fleet totaled 17. Newest members to the fleet are Mike and Bonnie Rathbun with boat number 10842.

The 24th Annual Gull Lake Regatta was held in June. Twenty-seven boats participated in the three-race event. Two races were held on Saturday with winds blowing 10-12 knots. The first race was won by Carl Engels followed by Jack Engels and Dave Furey. Sunday morning brought winds of 10-15 knots with gusts exceeding 25. First day leader Carl Engels capsized at the gybe mark; however, he was not alone as Marty Levin also capsized and Bill Patton was demasted. Results of the tragic third race: Hodgson, Knopp, VanderMeulen. Final regatta results: Hodgson, first; Knopp, second; Furey, third; J. Engels, fourth; and VanderMeulen, fifth. A better turnout is expected next year as plans have been made to provide ample housing for all off the Lake crews.

A record seven Gull Lake boats traveled to Lake St. Clair for the Michigan Districts in July. Tim VanderMuelen, Carl Engels, and Jack Engels qualified for the North Americans. Tim VanderMuelen and Jack Engels went to Cleveland to compete. Both boats qualified for the Presidents' Cup. Tim VanderMeulen got it all together for a fifth place finish. Fleet 137 was also represented in 8 other annual regattas statewide.

Fleet racing was held every weekend from May through September. The fleet honors were hotly contested by several boats. Defending Fleet Champion, Carl Engels, shared his *JuJu Magic* with son, Jim, who co-skippered their new boat 13112 to repeat as Fleet Champion. Improved performances by Carter Brooks and Tim Stewart resulted in their moving up in the fleet standings.

The top ten results for this season are as follows: Carl and Jim Engels, first; Tim VanderMeulen second; Jack Engels, third; Dan Chappell; fourth; Tim Stewart, fifth; Fred Harrison, sixth; Matt Howard, seventh; Carter Brooks, eighth; Mike Rathbun, ninth; and Marty Levin, tenth.

Fleet 145 Champion Fast Fred (Bud) Hamblet.

**HAWAII FLEET (143)**  
**Hawaii District**  
**Sailing on Kaneohe Bay, Hawaii**

Fleet Secretary . . . . . Frances Vaughan

Boat No.	Boat Name	Skipper
7151	OOffice	Joe Ebeling
9622	.....	Chuck Gustin
10920	Protea	Dave Fergusson
11084	Horizon	Frances C. Vaughan
11729	Luana	W. A. Heine
11786	.....	Frances C. Vaughan

No report.

**SPOFFORD LAKE FLEET (145)**  
**New England District**  
**Sailing on Lake Spofford at**  
**Spofford, New Hampshire**

Fleet Captain . . . Spurgeon J. (Tommy) Thompson  
 Fleet Secretary . . . . . Bob Pinard  
 Fleet Champion . . . . . Fred (Bud) Hamblet  
 Runner-Up . . . . . David Fitch

Boat No.	Boat Name	Skipper
6888	Cutty Sark	Frederick H. Edwards
8339	Wood Wind	Robert Pinard
9550	.....	John W. Getsinger
10093	Namy	H. Fletcher Willey
11194	Straight Arrow	Spurgeon W. Thompson
11210	.....	Jody B., Rick & Frederick Turner, Jr.
11288	Bon Joy	Leonard Pratt
11346	Gail	Fred H. & Christopher B. Hamblet
12362	Three Cheers	David H. Fitch
12982	Bluet	David C. Bischoff

Junior Racing saw more activity this year thanks to Tommy Thompson our Fleet Captain and Junior Race Program Director. Dave Pinard won the Spring Series with Tom Fitch winning the Fall Championship Series. Laura Fitch, my future crew, showing her light air ability late in the season finishing just behind brother Tom in a close race. Rick Turner made the trip to the North Americans this year crewing for Buck Wynn in the Governors' Cup.

Part-time sailor Len Pratt demonstrated his light air savvy once again by taking second overall at the Northeast Regionals in Niantic, Conn. Tommy Thompson earned a second in the Spring Series and was seen to be up with the leaders in at least one race of most Regattas. I've got the feeling we will all have to reckon with *Straight Arrow* next season. Fred Turner proved to be good competition sailing his boat at home with daughter Jodi, Coast Guard Academy Cadet and professional crew, as tactician. Wouldn't be surprised to see an oval in the light blue boat next year. *Wood Wind*, the Pinard boat, spent the summer of '79 in the dry sail lot as David and Bob spent their summer crewing.

*Three Cheers*, campaigned by Dave Fitch, wife Dottie, and son Tom turned in an impressive record with a fifth at Wellfleet, third at Massabesic in the spring, third at Spofford, a second at Squam and a first at Massabesic's Fall Regatta. The Fitches' garnered a solid second in the club's Championship Series with four seconds and a first.

"Fast Fred" (Bud) Hamblet had his boat honed to optimum performance this season. The green boat was deadly in anything between 10 and 18. Bud, always in the top ten, was third at Wellfleet behind super sailors Dick Hale and Stu Nickerson. Massabesic's Spring Invitational, with its gusty NW winds, was a lake sailors dream as Bud hit all the shifts to edge our 1978 District Champ Dick Hale for first place in a super Regatta. Four firsts and a second during Spofford Lake's Labor Day Championship Series earned Bud the long sought after Fleet Championship. Congratulations skipper.

Congratulations also to Dick Hallagan and Don Brush for their one two showing at Spofford's 18th Annual Fall Regatta. Fleet 145 invites all you Lightning sailors to drop in and sail with us anytime.

**TORONTO BAY LIGHTNING FLEET (146)**

**Lake Erie District**

**Sailing on Lake Ontario at Toronto, Ontario, Canada**

Fleet Captain ..... Dave Roost  
 Fleet Secretary ..... Stewart Sprague  
 Fleet Champion ..... Harvey Harman  
 Runner-Up ..... Dave Roost

Boat No.	Boat Name	Skipper
5223	Seabiscuit	Ed Hearn
8152	Mimi	Elliot M. Wilson

13356	.....	Jeff Boyd

Fleet 146 activities began early in the year as it participates in the Toronto Boat Show in January. The Ontario Sailing Association provides the space for 22 classes to display and explain their boat at the show. We've prepared our own brochure — in all modesty, the best of all participating classes — and with about 45 volunteers try to tell everyone who stops by the joys of sailing Lightnings. This year we demonstrated the ease with which the boat could be transported: the boat took its turn in a 21 by 21 foot pool which was 4 feet off the ground — it took only 8 people to get it in and out!

For the past several years our Fleet has hosted an Ontario Juvenile Championship for sailors under 19 years of age. This year's was the biggest with 20 entries some from as far away as Thunder Bay. Steve Cochrane from Toronto won this year's series. Next year the Fleet will sponsor the qualifying series on July 5-6 for the Canadian qualifiers to the Youth World Championship to be held at the Buffalo Canoe Club later in the month.

Fleet racing was, as usual, active. This season opened up with Larry MacDonald from Hamilton winning the Hurrell Shaker trophy in late May. The horrible Humber Hole preserved its reputation this season with its usual varied conditions.

The National Yacht Club Regatta began in a fog so thick that the pin end was not visible from the boat end. Miraculously, everyone found the weather mark with little trouble. Circumstances at the gybe mark bore more than just a resemblance to the fourth mark at the last race at the North Americans at Rehobeth last year as everyone hit it at the same time. The Elliott-Nolan boat persevered and won this race. Fortunately, few of our races were sailed under as trying conditions as this one. The final race of the season in late September, the Fall series, was won by Ben Willings.

When it was all over, Harvey Harman won the Fleet Championship and Dave Roost was Runner-up. Third and most improved sailor was Ben Willings.

Toronto area sailors seemed to stick closer to home this year and local racing benefited as a result. Early in the season John Gorrie and Garth Dixon crewed for Hamilton's Bill Hunter at the Worlds at Dallas. In July the usual big contingent went to the Canadian Open at Montreal. Toronto boats captured five out of the first 10 spots led by David Sprague's third place finish. A group headed by Ron Cochrane, who won it, traveled to the Ontario Open held at Thornbury on Georgian Bay. David Sprague made it to the North Americans while Ben Willings found himself at the Junior North Americans.

As we are looking forward to next year, we hope everyone has a good winter trying to convince themselves that the only reason they didn't win it this year was because of the 300 wind shifts and the fog.

The 1979 racing season was, to say the least, unusual. May and June winds almost blew us off the lake, but July and August couldn't stir a breath of air as we lost five weekends of sailing. Volleyball, tennis, and elbow bending excelled. The only thing not unusual was that George Buckingham retained the Fleet Championship for the fifth consecutive year, although he was hard pressed by an eager and aggressive group of sailors throughout the season.

Our Memorial Day Series took on new interest for the season as Keith Swihart and his very interchangeable crew took first, followed by Doug Schmahl and his youngins and third was picked up by Rick Winter. The Early Bird Series saw George Buckingham back in contention, but Keith kept close with his determined consistency and Chuck Medlock closed in for third.

During our July 4th Series George decided to turn his Lightning into a submarine and opened the door for Bruce Baiden to take first followed by John Nixon and our Commodore, Doug Schmahl. September brought some wind back and a valiant effort to unseat George, but his luck prevailed as Bucky finished first; John Call, second; and Dick Boerger, third. The final season's standings once again showed George Buckingham in the lead; Dick Boerger in second who learned it's not how well you sail, but when;

and Keith Swihart who kept his concentration all season, but lost Rob's due to the onboard scenery.

Other awards for the season went to Rick Winter, winner of the Commodore's Cup, followed by Bob Troutman and Ray Gans. The Cynthia Cup, initiated by Eli Lilly for the most sailing points garnered in a season, was once again won by George Buckingham. The Yacht Club also wishes to praise the work done by our Race Committee throughout the season. Paul Penn, Barb Medlock, Jean Stucky, Lee Witwer et. al. did a tremendous job under some difficult weather conditions. Next year we even hope to get them a good sea anchor.

In all, we had a good year with great fun, super carryins, and a very fine Silver Anniversary Hoosier Regatta won by Jim Dressel. Our fleet is growing in both numbers and competition and we look forward to next year and our 26th Hoosier Regatta. We hope you'll be able to make it next June when we'll definitely have a new look at our club, the old one disappeared. Good sailing.

The Willow Bank Yacht Club Lightning Fleet enjoyed a super-active sailing season in 1979. Fleet membership increased and WBYC skippers placed well at many of the major regattas in Central New York.

Sixteen skippers participated in the summer championship. Competition was keen with six skippers winning races at one time or another during the twenty-three race series. Dave Guinther, an ex-470 sailor who joined our fleet late in the 1978 season, won the Fleet Championship with the help of his wife, Jane, and second crew, Jeff Childress, a Cornell University Fireball sailor. The Guinthers continued their winning ways as Labor Day weekend approached by winning the Crewettes race and Charter Member's Cup race. Jim Hole was the most active skipper this summer sailing in sixteen races and, with his wife Linda, and son Chris, put together a combination that won them second place overall in the Fleet Championship. Tadd Helmer with Dick and Janet Sinn used the experience gained by sailing in several CYN events to earn a third place in the Fleet's Summer Championship.

Six new skippers were added to Fleet 164's roster this summer; four of them bringing new boats and two of them sailing in boats already in the fleet. Only one boat was dropped from the 1979 roster bringing our fleet up to a total of 22. New members Gerry Bezner and Dave Bull set a good example for all by sailing in over half of the races, while Don Barter raced with us later in the season.

Our fleet officers also kept busy this year. Norm Washburn was responsible for the club's racing program and, as a result, missed out on a few of the early season races. A sprained ankle and crutches, however, didn't prevent him from placing first in the 29 July Race. The Rubensteins narrowly missed qualifying for the Summer Series because of an overcrowded summer schedule including a trip to Israel and Jeff's marriage (Congratulations).

WBYC was well represented on "the circuit" in 1979, with Fleet 164 represented at every Central New York Regatta. Tom McAuliffe not only won his first race in a regatta, but in doing so placed third in the Central New York District Triple Crown Series (Lake Delta, Red Jacket, and Champagne Regattas). Dick Tuttle ended his six-regatta summer with a win at the Skaneateles Sailing Club Regatta held late in September.

Jim Pindell, a WBYC alumnus whose family is in the process of moving, not only placed well in Central New York regattas, but also placed 12th in the North Americans. Even with time out for a two-week teaching stint in Bangladesh and a weekend off to see his son David married (Congratulations), Jeff Penfield put together a very active summer. In addition to top finishes in several Central New York regattas, he finished fifth in the Districts and fourth in the President's Division at the North Americans. His wife Kathy also spent a lot of time on the water, both in providing excellent coaching to new fleet members, and in helping her daughter Linda run the best junior racing program WBYC has ever seen.

The Willow Bank Yacht Club Lightning Fleet is the second largest Lightning fleet in Central New York and is still growing. Our fleet looks forward to an even better year in 1980 with plans under way for an expanded racing program including the L.S.L.S. Regatta.

### HELSINKI LIGHTNING FLEET (166)

#### Finland District

#### Sailing at Gulf of Finland, Helsinki, Finland

Fleet Captain ..... Juha Aromaa  
 Fleet Secretary ..... Oili Ruuskanen  
 Fleet Champion ..... Kari Maenpaa

Boat No.	Boat Name	Skipper
4334	.....	Hasse Wasenius
5552	.....	Antti Pramila
9866	.....	Kimmo Rihto
10344	Lipla	Paavo Korhonen

11544	Kesahella	Raimo Aromas
11818	Hippopotamus	Kaj Lindstrom
12583	.....	Per-Erik Heninsaari
12759	Jumbo	Bollebens
12799	.....	Petri Janhunen
12805	Charlie Brown	Antti Ruuskanen
12906	Triple	Ahti Immonen
12914	Vahine	Unto & Kari Maenpaa
12919	Ariana V	Leif Haglund
13130	Masi the 3rd	Terho Aromaa
13135	.....	Pentti Puupera

The 1979 season began in April. For some years, the activity of Fleet 166 has been very low. So the meeting in April was some kind of rejuvenation of our Fleet. We probably have now one of the youngest Fleet Captains in the world. He just reached the age of 17.

In June, we had a Wednesday Afternoon Series. After four races on every Wednesday Ahti Immonen was the winner.

At Finnish Championships in Kotka, Pentti Puupera took the golden medal home and, at the Europeans held on our home waters, Terho Aromaa took the Runner-up title.

The Helsinki Autumn Regatta was sailed as the Fleet Championship. Kari Maenpaa showed again how to sail and won the title of Fleet Champion.

We also had another regatta worth mentioning. The First Lightning Regatta for Juniors in Finland was held in the beginning of August. Three boats participated and P. Immonen won the regatta clearly. We hope that more junior crews will be seen in Finland next summer.

### LAKE DAVENPORT LIGHTNING FLEET (167)

#### Midwest District

#### Sailing on the Mississippi River at Davenport, Iowa

Fleet Captain ..... Henry Strieder  
 Fleet Secretary ..... Gemma Flick  
 Fleet Champion ..... Mike Steffenson  
 Runner-Up ..... Henry Neuman  
 Club Commodore ..... Lee Schnieder

3312	Cutty's Ark	Dick Gage
5955	Twilight	G. W. Charlesworth
6033	Tippy T	Rufus Roys
7391	Endurance	Charles Nelson
8028	Scorpion	Edmund Barch
8222	Kati-D	Ron Hughes
9368	Ta De Win	Jerry Miller
10156	Misque "25"	Bill Quaintance
10232	.....	Chuck White
10891	Blue Dragon	Donald Perkins
12022	Screamer	Mike Steffenson
12732	Gemma M	James Flick
12817	.....	Don Morrison
12884	.....	Ken Jensen
12942	Hummer	Henry Neuman
13202	.....	Henry Strieder

There was good news and there was bad news. The Spring season was officially opened with the fleet meeting at the home of Ken Jensen. Officers were elected and rules for the year were reviewed. The Summer Series was a disappointment. Lack of wind and mismanagement of the race course made it possible for the fleet to finish only one of the scheduled races. This was won by Henry Neuman. There were, however, many pleasant times for day sailing.

The 4th of July Series was won by Mike Steffenson with his crew being his wife Jean, and his son, Doug. Chuck Nelson won the Labor Day Series.

There were two big successes this year at Lake Davenport. The special "Fourth of July Piz Buin", a club regatta, featured the entire club racing the three miles from the club house to the Memorial Bridge, circling it, and returning. This was the most well attended event of the year. Awards were given to the winning skipper of each fleet. An E-Scow won the Regatta and Mike Steffenson was the winner for the Lightings.

Over a hundred of the sailors, crews, and families stayed on for the bratwurst dinner. Jim Flick did an efficient job of organizing this occasion and the club benefited from the shared efforts.

One effort that was not shared this year was the Polar Bear Regatta. For the first time, the Lightnings held their own separate activities. This, too, was an unqualified success. We were glad to welcome many friends, old and new. Some of us had been to regattas at Lake Geneva, Indianapolis, and Chicago and were glad to see our friends return here. We were able to house our guests for the weekend. A welcome dinner and seminar, by Bruce Goldsmith, were held Friday night. Saturday brought three successful races and a dinner party at the home of Mike Steffenson. On Sunday there was one race and the remaining races were canceled due to lack of wind. The

trophies were passed out and the visitors headed out. Taking home the gold was Bruce Goldsmith with his crew, Sherri Goldsmith and Vicki Matthews, all of Lake Geneva. Second was our hometown boy, Mike Steffenson, and third was Bob Novak of Lake Geneva.

Fall sailing was among the best. The Series offered a variety of weather and racing conditions, dominated mostly by the mild Fall. Henry Heuman, with his crew Jerry Holton and a variety of others, finished first. Mike Steffenson finished second and Ken Jenson, third.

It must be noted that Chuck Nelson, an experienced sailor with an older boat, did a fine job in providing stiff competition this fall.

As the year ends, some are reluctant to step down their masts. Steffenson, Jenson, and Flick were seen on or about Thanksgiving trying for one last sail.

We are looking forward to the New Year with some new sailors and many of the old.

**LAKE OF NEUCHATEL FLEET (169)  
Switzerland District  
Based on Lac de Neuchatel, Switzerland**

Fleet Captain & Secretary . . . Jean-Pierre Monnier  
Fleet Champion . . . . . Claude Lambelet  
Runner-Up . . . . . Urs Wyler

Boat No.	Boat Name	Skipper
6739	Grognard	Gilbert Despland
11859	Pinocchio	Hans Muhlbach
12860	Garoupa	Claude Lambelet
13065	Gargantua	Gilbert Despland
13066	Sarcelle	Jean-Pierre Monnier
13067	Numana	Jean-Claude Dupasquier

One season has passed and it is time to do the balance sheet of the activities of our fleet.

We did have the satisfaction of sending one junior crew to the World Championship in Peru. The crew was Yann de Pasquier, Gil de Coulon, and Joel von Allmen. They did very well, a 10th place, and in the last race finished third. But it is a shame that we don't have any young members to help our team!

Our presence has been developed, like never before, on the International level. It began by the race on New Year's in Marsala, Italy, where Jean-Jean-Claude du Pasquier was second after Hans-Peter Schmid. At the end of May, Jean-Claude du Pasquier was first and Claude Lambelet, second, in the race at Venice, Italy. And then at Helsinki, at the European championship, Jean-Claude du Pasquier was, one time more, the European Champion. Meanwhile Claude Lambelet and his crew went to Dallas to participate in the World Championship. The last race out of Switzerland was held on the Lake of Trasimeno, Italy, and Gilbert Despland had a brilliant second place. Also in Switzerland at the "Coupe de Faoug" on the Lake of Morat Claude Lambelet took second and Jean-Pierre Monnier took fourth.

The Swiss Championship at Fallanden gave the opportunity for the crew from the Lake of Neuchatel to take part at the game and to end very nicely. The four boats present finished in the first eight and with the title of Swiss Champion.

We finished with our Fleet Championship. We had very nice weather, but unfortunately a very slow wind. We could have the races on Saturday; the next day, we tried to race, but there was not enough wind. There are some people to thank for this championship; first of all, Claude Lambelet who offered an excellent "Fondue"; and George Baertschi and Pierre-Andre Giroud who gave the starts and did a very nice job. The results are as follows: 1st, Fleet Champion, Lambelet, 2,9 points; 2nd, Wyler, 3,2; 3rd, Chopard, 5; 4th, Luthy, 6,9; 5th, Despland 12; 6th, du Pasquier, 13; 7th,

*Crowded lake sailing in light winds but with no waves and no current.*

A beautiful view of the city and the lake.

Scharer, 16; 8th, Monnier, 17; 9th, Herzog, 17; 10th, Bachmann, 19; 11th, Weilenmann 19; 12th, Kunz, 22.

For 1980, we hope that each member of our fleet can participate in the European Championship that we have the privilege to organize in Neuchatel at the end of June.

### BRANT BEACH YACHT CLUB (173)

Central Atlantic District  
Sailing on Little Egg Harbor at  
Brant Beach, New Jersey

Fleet Captain ..... J. Edward Serrill  
Fleet Secretary ..... Carl Reitingner  
Fleet Champion ..... Glen Reitingner  
Runner-Up ..... J. Edward Serrill

Boat No.	Boat Name	Skipper
5837	Barracuda	J. Edward Serrill
9217	.....	Alfred C. Morton
11176	.....	Tom Hyndman & Bill Phillips
11235	.....	Herbert Streep & Peter Hyndman
12872	Snooky	Glen & Carl Reitingner
12873	Quakers	J. Edward Serrill

The 1979 season started out with our annual meeting held at the Reitingners. Thanks to Bev, she really out did herself, the spread was enjoyed by all. Here, we placed the groundwork for our coming season and awaited the starting gun.

From the start to the finish of the season it was a three boat race, with two others adding some interest to the top finishers. The Reitingner's *Snooky* came out on top. With Tom Monk and Beth Stewart as crew, they showed the same consistency as they have over the last few years. The Serrill-Hitschlen's *Quakers* finished second in a close fight with the Streep-Hyndman boat. The Roth boat at times showed some real speed and was involved in a few nice finishes along with the Hyndman-Phillip's boat.

This year's fleet representative in our club's Vice Commodore's Cup was Carl Reitingner. He won over all the other club fleet champions in Mariners, showing that the Lightning Fleet can still hang in there with the other Heavys.

We had excellent participation in outside regattas. Following is a listing of these regattas:

Red Dragon Memorial Day — 12872, second; 12873, Middle of Fleet. C.A.D. Districts — 12872, sixteenth. N. J. States — 12872; 12873; 11235, Middle of Fleet. Surf City — 12872, second; 12873, fifth. Red Dragon Fall — 12872, second.

Looking back over this year's activities, Fleet 173 has been working towards getting better fleet representation at major regattas. This coming year we must work to increase Fleet size and Fleet participation because the numbers will bring out the enjoyment of the Class.

### SHREVEPORT FLEET (175)

Southern District

Sailing on Cross Lake, Shreveport, Louisiana

Fleet Captain ..... David McCary  
Fleet Secretary/Treasurer ..... Mark Moore  
Fleet Champion ..... John Butcher  
Runner-Up ..... Marcus Millican

Boat No.	Boat Name	Skipper
4158	Moriah	David McCary
4747	.....	Michael Kidda
6116	Hunga	Larry Lashley
8099	.....	Joe Cutcher
11081	Mullett	Henry C. Coutret
11385	Buglet	John Butcher
11562	Mahi Mahi	James & George Mills
11725	.....	Michael Kidda
12699	Cooter Poo III	Marshall H. Walker
12836	.....	David Moore
12839	Knee Deep II	Larry Pledger
13040	Gray Ghost	Marcus Millican

The year was full of good competitive sailing. Our sailing enthusiasm was increased by seminars on sail trim and the racing rules. We formed a committee to inspect boats, (just to keep us honest), and one to promote fleet activity with new crews. The fleet now has a new fleet trophy to be awarded to the Fleet Champion and Runner-up. Holiday-In-Dixie Regatta was great this year with 19 Lightnings among the 97 boats registered. Nine fleets participated. Fleet 175 hosted the Gulf Yachting Association Lightning Championships in June. In September Fleet 175 lost a cherished member, the late George Mills, Fleet Captain 78-79. George did a fine job and we look forward to this year as David McCary moves from Secretary/Treasurer to Fleet Captain. Mark Moore is our new Secretary/Treasurer.

### GREAT SOUTH BAY FLEET (178)

Long Island District

Sailing on Great South Bay at Amityville, New York

Fleet Captain ..... Frank Marinaccio  
Fleet Secretary ..... James T. McCarthy

Boat No.	Boat Name	Skipper
24	.....	Bob David
4220	Maggie	Joseph P. Conway
7948	Trilogy	John A. Davidson
8780	Friendly Lady	Alan Hoffberg
9670	.....	Angelo DiMartino
9804	.....	Richard Miller
10260	.....	Frank H. Atkinson
10283	Dionipus	Arlene Goldsmith
10724	Mistress	Bob David
11486	.....	James T. McCarthy
11530	Ay, Caramba!	Tom Green
11774	.....	Alan Pearlman
11775	Matthew 20:16	Cathie L. & Joseph E. Geraghty, Jr.
11852	Endeavor	Christopher, Mike & Neil Gargiulo
12042	Cookie Monster	Frank Marinaccio
12656	The Sting	Stanley Stiansen
12987	Know-A-Bung-A	Charles A. Ford
.....	.....	Richard D. Kopka

High winds and choppy seas greeted the fleet for the first three races of the spring warm-up series. Our season began on May 6th and continued until December 2nd. Some of the best sailing conditions prevailed during the Fall Frostbite Series when temperatures reached into the sixties and the sky was filled with sunshine.

During the year, three new Lightning skippers joined our fleet and entered competition for the first time. Excitement, fun and fellowship are just some of the reasons why sailing a Lightning with Fleet 178 is a truly rewarding experience.

The Club sponsored a U.S.Y.R.U. racing clinic in June. During the three day clinic, it was obvious that this was time well spent. Take Bill Weiss, for example, Bill established himself as the fleet's number one torpedo by crashing into Charlie Ford and setting off a chain reaction that caused one

Fleet 178 Skippers, McCarthy, Davidson, and Gargiulo.

most to be destroyed and a Mariner to receive an unexpected port hole! Who said this isn't a contact sport?

The fleet's competitive spirit was always present throughout the year and brought about, in no small way, by the fine sailing of Frank Marinaccio, our Fleet Captain, Frank Atkinson, Tom Green and Mike Gargiulo.

The Long Island District Championship was held on Shinnecock Bay at South Hampton. Tom Green placed first, winning the Districts. Mike Gargiulo and Frank Marinaccio placed third and fourth, respectively. Tom and Mike went on to the North Americans, where Tom qualified for the Blue Fleet.

Frank Marinaccio won the Warm-Up, the Spring and Fall Forstbite Series, as well as Race Week. He also went on to win invitationals hosted by Babylon, Bay Shore, Narrasketuck and Unqua.

Frank Atkinson won the Bellport, Long Island and Sayville Invitationals, as well as the Fall Series. Frank also received a special Sportsman Award for placing fifth in a race at Babylon, despite a mast which was broken off at the spreaders.

The year would not have been complete without the Clam Bake & Lobster Party (and a roast suckling pig), both being a huge success.

This year's sailing is now over and part of the fleet's history. Hopefully, the fleet will continue to grow in both spirit and membership and the good times of last year will be exceeded by an even better season next year.

**CONNEAUT LAKE YACHT CLUB (180)**  
**Lake Erie District**  
**Sailing on Conneaut Lake, Pennsylvania**

Commodore ..... Charles Good  
 Fleet Captain ..... Ronald (Skip) Ragghianti  
 Fleet Secretary ..... Donna Good  
 Fleet Champion ..... Bob Lilly  
 Runner-Up ..... Skip Ragghianti

Boat No.	Boat Name	Skipper
7171	Ol' Blue	Dr. Duane & Charles Good
9427	Whirlwind	John N. Shaffer
10941	Stormy	Dr. John Hanek
10063	.....	Bob Lilly
11563	.....	John E. Shaffer
11747	Heid Aweigh III	Charles & Dr. Duane Good
13372	.....	Skipper Ragghianti

The 1979 Sailing season of Fleet 180 was a very rewarding one for the Lightning sailors who competed through three series of action-packed races. The Spring Series started May 27 and was a surprising success with eight out of ten boats coming out to compete. The honors went to John Shaffer, first; Bob Lilly, second; Skip Ragghianti, third; Ed Shaffer and Mark Prather tied for fourth. Charlie Good and Dr. Good tied for fifth; and Dr. Hanek sixth. It was a close series of races.

The Summer Championship Series consisted of 22 races with only one cancellation due to lack of wind. After 20 races, the first three boats were a mere point apart. When it was over, the Master of the Lake and Fleet Champion for many years came out of a double tie breaker to keep his title; Bob Lilly, first; Skip Ragghianti, second; Mark Prather, third.

The Labor Day Series was a total of four races. The first three were in 15 to 18 mph winds with the last race a drifter 0 to 2. It was the hardest race of the whole season taking 4½ hours from start to finish with Skip Ragghianti, first; Bob Lilly, second; Mark Prather, third.

This season's Upside Down Trophy was awarded to our Southern Circuit, Dunkirk, N.Y., Pennsylvania Governors Cup representative. This award didn't come easy. He took it away from Mark Prather after having his second upset of the season while sailing on a spinnaker reach in a 15 to 18 mph blow. The winner is our one and only famous Dr. Good.

Our social activities began with a Spring dinner at the Conneaut Lake Hotel. In July, a picnic was held at Ed Shaffer's and on Labor Day a picnic was held by our Commodore Chuck Good with plenty of home-cooked treats. Everyone will agree that the summer produced lots of friendship and good sport for all. We are truly looking forward to next season.

Close Fleet 180 competition on Conneaut Lake.

The Sheboygan Fleet got off to a great start with our guest Bruce Goldsmith. After racing, Bruce joined us in a discussion of sail trim and tactics out on the race course.

Two evenings a week Fleet 187 raced around new marks. It soon became evident the fleet would chase either Ric Larson or Mike Radwick around the course. Based on a greater number of first place finishes Ric Larson is 1979 Fleet Champion. Each of the other skippers did manage to finish third at least once to stay near the two leaders. The new skippers and crews promise to be much improved next year.

The Sheboygan Yacht Club hosted the Brotz Regatta the last weekend in July with 21 boats participating. A rare no wind Saturday on Lake Michigan forced three races to be sailed back to back on Sunday. Light wind and a current caused many boats in the middle of the fleet to hit the windward mark and reround several times.

Our out of town friends took home all the silver. The first five places were Gordon Ettie, Dr. John Esser, Bob Smither, Greg Florian, and Matt Burridge.

The Sheboygan Lightning Fleet invites all of you to sample great brats and beer during next year's Brotz Regatta.

Fleet 189 added only one boat to its roster in '79 from '78; however, fleet racing for the first two thirds of the season was very competitive, well attended, with some surprises.

The season began with a brief meeting and party in February at the Hosman's. There, the former captain offered the group the '79 officer nominations selected by the '79 nomination committee (which means that Gerard selected some names one morning in the shower). The results one sees (presented) above.

Racing began on a windy and rainy Memorial Day Monday. Six boats crossed the line and very soon, last year's Fleet Champion and Runner-up, John Collins and Don Humphrey respectively, exchanged the lead several times over the Olympic course. The Humphrey boat sported a 6 boat lead over Collins approximately 30 lengths from the finish, when suddenly the MRA stake boat cut in front of the Humphrey boat flying signals indicating they were one end of the finish (apparently the committee boat was dragging anchor and instructed the stake boat to create a new line). The Humphrey boat crossed the "new" finish line in first, then hesitated for a brief (and cherished) moment, before tacking for the original finish line. There, Collins slipped into a first place finish at the original pin, complete with a gun. Confused, both competitors screamed bloody murder (in more common graphic words) at the Race Committee. The entire matter was settled later at the "round table"; the race was thrown out under rule 68.5b.

Several weeks later, with winds gusting up to 25 knots, all of six boats converged on the windward mark with the chance of rounding first. Larry Fretts, Collins' excellent crew for many previous years, sliced his new boat around the mark first with Humphrey, Collins, and Hosman close behind. The entire race remained close among Fretts, Collins, and Hosman while the Humphrey boat had a taste of salt water, a whole boat full! Fretts

prevailed ending Collins' long streak of Saturday victories.

Marblehead Race Week (91st Annual) found three visiting Lightnings battling nine local entries for the silver. Our local hero/foe John Collins and New England District Commodore, Dr. Georges Peter, exchanged first place finishes through the first six (of seven) races. Lurking close behind the two favorites, however, was Gerard Hosman, who consistently racked up second place finishes and surprised the entire fleet with a first place finish in race seven, good enough to capture second place overall. Of course, Collins took first and Peter finished a close third behind Hosman. The Humphreys hosted a fleet cookout for 24 on Saturday evening during the event.

The August Series was somewhat slow; the fleet averaged four on the line versus six in June and July out of the nine registered.

Summarizing the '79 season, Collins was in his familiar first place position, followed by Humphrey, Jr., Fretts, and Hosman. When Bernard Burke was not finding split Quasars (*Time Magazine* 8/1/79), he was nailing down fifth place, followed by Warren Sawyer, who purchased 6655 from Bob Gauthier in mid-season and has pleased everyone with consistent racing tightening up the fleet.

The balance of the fleet was composed of Fred Juden, Charlie Pace, and Charles Berg, the new addition to the fleet who comes in with years of offshore experience (i.e., Newport to Bermuda '79) and is swiftly mastering one design racing.

The fleet will hold a dinner party in November and all members are looking forward to an exciting 1980 season with high anticipation of increased fleet membership. Hear that CH; read and weep Georges Peter.

**NORTH EAST RIVER FLEET (192)**  
**Dixie District**  
**Sailing on North Chesapeake Bay of**

Fleet Captain ..... Bruce Hardy  
 Fleet Secretary ..... Victor Wareham  
 Fleet Champion ..... Bruce Hardy  
 Runner-Up ..... Carl Slocum/Tom Clark  
 Spring Series Winner ..... Bruce Hardy  
 Fan Series Winner ..... Bruce Hardy

Boat No.	Boat Name	Skipper
10025	Sundown	Richard B. (Tom) Thompson, Jr.
10420	.....	Clifford H. Matson, Jr.
10852	.....	Victor G. Wareham
13282	Marmalade	Victor M. Solomon
13399	.....	Clifford H. Matson, Jr.
.....	.....	Robert S. Crowder, Jr.
Life Member	.....	Charles Trayford III

The 1979 season showed continued improvement in Lightning sailing at Havre de Grace. To start the year off, we were happy to welcome three transfer skippers: the partnership of Carl Slocum and Tom Clark from Rehoboth Bay and Fred Eng from Detroit. Later in the season further expansion was made when Cliff Matson acquired a second boat, a new one from the Pan Am Games, and Tom Clark broke away from his partnership and got a boat of his own.

A covered dish supper and fleet meeting with all families attending was held in February and gave us all an opportunity to get acquainted with the new members.

The Spring Series of seven races sailed on four days, in generally light air, was taken by Bruce Hardy who just barely edged out Vic Solomon.

The Dixie District Junior Championship hosted by Fleet 192 and UCYC was held on June 30 - July 1. Ron Grotheer put together a great series to take this ninth annual race. Skippers Howard Edson, Davey Racine, and Ted Ganley took the next places in that order and our own Mark Wareham, with crew Tom Webster and Doug Frazie, were a constant threat to the leaders.

Thanks to Bob Crowder, who was the Dixie District's top finisher in the Atlantic Coast Championship last year, Fleet 192 received the opportunity to host this year's event on July 28 - 29. Race Committee Chairman Ray Krieger along with ample assistance from other members of UCYC ran this three-race Championship. Joe Friebele of Severn River won the regatta which featured trophies with the UCYC burgee. Jay Lutz of Metedeconk River was second and Don Delorme of Severn River was third. Victor Solomon's seventh was the highest local finish. Fred Eng, Bruce Hardy, Vic Wareham, and Tom Clark finished solidly in the middle of the 26 boat fleet.

Fred Eng organized a popular steak dinner on Saturday night. A number of our visitors complimented us on a very well run and enjoyable regatta.

The Fleet Championship Series August 4-5 began on a light and fluky day with Fred Eng in control of the other five boats participating.

Fred was unable to return the second day and this gave Bruce Hardy a chance to overcome Tom Thomson's two year grip on the trophy. Fleet newcomers Carl Slocum and Tom Clark edged into the runner-up position.

The Fall Series started off with a blow-out the first day. Those two cancelled races were not made up and persistence with the remaining six allowed Bruce Hardy to retain the Wallace E. McKee Memorial tray for a second year.

Fred Eng, Tom Clark, and Bruce Hardy journeyed to the team race with the Susquehanna Fleet. Fred Bush of Fleet 253 played the shifts perfectly to sail away with both races and enable their team to stay ahead another year in this annual event.

Vic Wareham (10852) starts in the Atlantic Coast Championships just behind ILCA President Dr. Don Delorme.

### MISSION BAY FLEET (194)

#### California District

Based on Mission Bay, San Diego, California

Fleet Captain ..... Al Poindexter  
 Fleet Secretary ..... Kirk Johnson  
 Fleet Treasurer ..... Fred Knauer  
 Fleet Champion ..... Al Poindexter  
 Runner-Up ..... Kirk Johnson  
 1979 Regatta Champion ..... Myron Lyon

Boat No.	Boat Name	Skipper
8627	Fastenuf	Hank Fastenau
9172	U-3	Bernard & Warren Gross
11625	Now	Fred Knauer
11662	Tangerine	Charles Gotschalk
11735	Nameless Terror	Myron C. Lyon
11965	Gone With the Wind	Jerry Boyle
13116	Batu II	Richard Brewer

13187	Afternoon Delight	Al Poindexter
13188	.....	Kirk A. Johnson
Life Member	.....	Alan Raffee
Life Member	.....	Al Coha

Our season began January 7 with the Frostbite Series (a misnomer, since we never have frost) and continued through November 25, the end of the Fall Series. We take December off for Christmas, skiing, parties, and boat repair.

Besides a very busy club racing schedule, our fleet not only participated in, but dominated Lightning Regattas up and down the coast winning every one we entered. For example:

California Lightning Districts - Myron Lyon  
 Pacific Coast Championships - Charles Gotschalk  
 Billie Boswell Memorial Regatta - Warren Gross  
 Hurricane Gulch Regatta - Al Poindexter  
 Coronado Yacht Club Spring Regatta - Kirk Johnson  
 California Circuit - Myron Lyon  
 Bowen Memorial Regatta - Myron Lyon

Our fleet is fortunate to have Fred Knauer, sailing his 23rd year in a Lightning, as a dedicated member. He not only keeps up with all race results, without which this report would not be possible, but his interest and enthusiasm are inspiring. During his first year as Fleet Captain (1958), he donated two trophies to the fleet — one for outstanding skipper of the year in club races and one for outstanding skipper of the year in open regattas. The first was won this year by our Fleet Captain, Al Poindexter, and the latter, for the second consecutive year, was won by Myron Lyon. Myron sold the last of four new Lightnings before the season was over leaving himself without a boat to sail, but it was too late for any of us to catch up with his outstanding regatta score.

We said goodbye to John Sundsmo who moved to New York, but welcomed two new members to the fleet, Chuck Schwab and Jim Hoch, and watched with mixed emotions as young Mark Thompson put new mast and sails on his family's day sailing Lightning and prepares to race with us. We like gaining a new skipper, hate losing an available crew.

For our 1980 sailing season Kirk Johnson will be Fleet Captain, and as Secretary Chuck Schwab.

Our fleet is looking forward to hosting the North Americans this year. You can't beat San Diego in August, so come on out.

### SURF CITY (196)

#### Central Atlantic District

#### Sailing on Manahawkin Bay at Surf City, New Jersey

Fleet Captain ..... Frank Temme  
 Fleet Secretary ..... Les Hunton  
 Fleet Champion ..... Jack Elfman  
 Runner-Up ..... Frank Temme  
 Commodore Series ..... Tom Temme

Boat No.	Boat Name	Skipper
454	El Fid	Charles N. Howe
787	Jeanie	John H. Elfman
7733	Tori II	George A. Christie
10306	the Rebel	LCDR Charles C. Harris
10370	Blew Cheese	Les Hunton
10771	Warlock	Frank & Thomas F. Temme
11122	Punch	George Schmidt
11739	Dinah-Moe-Humm	Stephen Warren
11753	Escape II	Carl O. Berg
12454	El Fid	Charles N. Howe
12553	The Pink Panther	Glenn L. Weber, Jr.
13053	.....	Ralph Messersmith
13063	Rip City Express II	Jack Elfman
Life Member	.....	Howard J. Mullin

The 1979 season brought growth to Fleet 196 with the addition of Steve Warren and Peter Gray to our ranks. We also saw the return of former ILCA President Charlie Howe after a year's sabbatical. Steve, in particular, had no trouble adjusting to his Lightning as he took home silver in both the Championship and Commodore series.

The Surf City road show started out on the right foot at Monmouth's Long John Regatta. Jack Elfman outdistanced a fleet of 52 boats on the unpredictable Navesink, lapping most of the fleet in one race. As usual, the

folks in Red Bank threw one whale of a regatta and we'll be back again next spring.

Five Surf City Lightnings participated in the Central Atlantic Districts at Red Dragon with the final score being Delaware River 5, Surf City 0. Tom Temme briefly led in one race, but that was the only daylight seen all weekend. We were, however, among the leaders at the tapping of the keg. Jack Elfman competed in the Worlds in Dallas, and in spite of some mechanical problems came up with a respectable finish.

Our annual regatta was a "smashing" success as it followed on the heels of Hurricane David. The winds were consistently above 20 knots as Elfman and Glenn Reitingger staged their yearly run and gun shootout. Jack won it with three bullets, but the crash boats were the real heroes of the weekend. For the third year in a row Ed Serrill of Brant Beach suffered major damage through no fault of his own, but said he'd still return next year as he peered through the watermelon-sized hole on his port side. George Zabrycki of Lavalette also fell victim to the wind with a snapped mast. The "Go Get 'Um" award for the regatta went to Ralph Messersmith who, after re-enacting the Poseidon Adventure in each of the first two races, still went out in the third and had a good finish.

For the second year in a row Les "Captain Crunch" Hunton won the most improved skipper award, and Carl Berg was unanimously proclaimed Fleet Chaplain, two firsts for Fleet 196.

Order of places for the season were as follows: Commodore Series-Tom Temme, first; Steve Warren, second; Les Hunton, third. Championship Series-Jack Elfman, first; Frank Temme, second; Steve Warren, third.

Hoping everyone has a good winter.....

### CHAUTAUQUA FLEET (198)

#### Lake Erie District

Based on Lake Chautauqua,  
Chautauqua, New York

Fleet Captain .....Cherie Neville  
Fleet Champion .....Dave Ingram  
Runner-Up .....John Turney

Boat No.	Boat Name	Skipper
7766	Play Mor	Lewis Morgan
10556	.....	Paul Branch
10893	.....	Bob Park
10922	.....	James & Cherie Neville
11469	Rangy Lil	Tom & Dave Ingram
11619	O. B. Joyful	R. W. Cornell
11870	.....	Paul Branch
12601	Second Wind	J. Bailey
12778	Zonker	Clinton Wilder
12855	Julia	Jeffrey Digel
12910	Stinger	John C. Wallace, Jr. & Sr.
12947	Afternoon Delight	Doug, David Bargar
13222	.....	James D. & Cherie Neville
13368	.....	Kevin Dietly
.....	.....	Dr. Bruce MacMillan

Most of our racing crowd returned to sail this season including loyal commuters to the lake. Jim Neville with crew Candy Neville and Dave Bargar began this season by placing seventh in the Worlds on Lake Ray Hubbard, Texas. After a competitive July Championship Series, Chautauqua sent an enthusiastic seven boat contingent to the Lake Erie Districts at Sandy Beach. Considering the perils of the Niagara River and our lack of current sailing, the fleet sailed well. Cherie Neville won the Women's Districts; Dave Ingram and Doug Heussler qualified for the North Americans easily; Doug Bargar and Cherie Neville later qualified as boats decided not to venture to Cleveland.

Our August Championship Series was won by Jim Neville; Kevin Dietly placed second; the Digel craft was third. Both series consisted of fewer races than usual but that accommodated us for more regatta going.

Our finishes in the North Americans were very respectable. Doug Bargar, in Mr. Bill's boat, placed fourth in the Governors' Cup and Dave Ingram and Cherie Neville sailed in the Championship Flight. Cherie Neville also won the Women's Championships.

Enthusiasm and excitement for racing and its revelry certainly has not dwindled. The sailing on the lake was great enough to host the Lake Erie Districts.

...We're bound for California or bust!

### CLUB NAUTICO OLIVOS (206)

### ATWOOD YACHT CLUB (212)

#### Ohio District

Sailing on Atwood Lake at Dellroy, Ohio

Fleet Captain .....Dennis Kleidon  
Fleet Secretary ..... Rose Kleidon  
Fleet Champion ..... Nelson Caley  
Runner-Up ..... Mark McCain

Boat No.	Boat Name	Skipper
1983	Nereid	Henry Schaeffer
6886	Grey Fox	Carl W. Hummer
9350	Not-A-Loss	Eugene Muntean
9850	Ruth II	David B. Dutton
10311	Resolute II	Calvin Friar
10900	Four Winds V	James Cooper & Carolyn McCain
11508	Yellowjacket	Nelson Caley
11717	"HB"	Dick Waller
12044	North Star	Dennis Kleidon
12184	Blitz	Ferdinand V. Huber
12269	Long Shot	Joe Streb
12845	Grey Fox	Carl W. Hummer

Atwood Lake saw a solid season of Lightning sailing this summer. Nelson Caley won the Spring Series and took the Class Championship at the other end of the season. The Streb family scored three times, with Joe winning second place in Spring, Dick taking third in the Memorial Day Commodore Series, and Jack sailing to a first place in the Summer Series. Dennis Kleidon placed in every series with thirds in the Spring Series, Summer Series, and the Class Championship; and seconds in the Commodore Series and the Fall Series. Mark McCain began his career as a Lightning skipper with a second in the Class Championship and a first in the Fall Series. What a start! Carl Hummer captured third in the Fall Series.

The summer was dimmed by the death of our dear friend, Karl Rollius. A skipper who had won over 100 awards. Karl was a founder of Atwood Yacht Club and a past Commodore. In his honor, Fleet 212 established the

Atwood's Harvest Moon Regatta's Winners and Friends

Karl Rollius Memorial Trophy to be awarded for the most participation. The first award went to *North Star*, 12044, skippered by Dennis Kleidon. Friends of the Fleet will recognize that boat number and name as Karl's; Karl and Sophie sold their beloved *North Star* to the Kleidons in Fall, 1978.

So ends a bitter-sweet year for Fleet 212. We look forward once more for the spring's first starting gun. For the 1980 sailing season, our fleet's leadership has changed hands. Carolyn and Tom McCain will be Fleet Captain and Secretary.

**ROYAL ST. LAWRENCE YACHT CLUB (215)  
St. Lawrence Valley District**

**Sailing on Lake St. Louis at Montreal, Canada**

Fleet Captain ..... Dr. A. F. Cameron  
Fleet Secretary ..... Russel Scrim  
Fleet Champion ..... Dr. A. F. Cameron  
Runner-Up ..... George Layton

Boat No.	Boat Name	Skipper
5389	Kismet	Sam Woosey
7850	Windfall	F. E. Collins
9666	Mistarris	R. Taylor
11294	Hutch I	Alan Hutchison
12311	.....	Michel St. Pierre

12769	Caravelle	M. Brossard
12827	Sheila VIII	R. C. Scrim
13149	Linda	G. Layton
.....	.....	Dr. A. Cameron

The highlight of the year's activities for Fleet 215 was the staging of the Canadian Open for Lightnings in Montreal. This event was held on July 20, 21 and 22 on Lake St. Louis and involved 27 boats. As it happened the weather was ideal, winds were steady, and all in all the regatta was extremely successful. Because the Pan Am Games, the World Lightning Championship, and the North American Championship were in relatively close proximity as far as dates were concerned, participation in the Canadian Open was somewhat less — especially from South of the Border. However, the competition was keen. Larry MacDonald carried out the unprecedented accomplishment of winning every one of the five races — a fantastic performance although Dick Hallagan gave him quite a scare in the last race.

Dr. Archibald Cameron again was our Fleet Champion. We had a lot of good competition particularly from George Layton, Moe Jaques, and Russ Scrim, all of whom managed to turn out for most of the Tuesday night events and virtually all of the regatta. Unfortunately, participation by other members of the Fleet was somewhat less than what we would have liked. However, we are hopeful that we might persuade some of the sailors at our Club who have been participating in cruising sailing and so forth to come back to dinghy sailing and join the Lightning Fleet. A group of Lightning sailors have formed "Committee for the Preservation of Dinghy Sailing". We are starting a big promotion to convert some of the expe-

rienced sailors who have in recent years for one reason or another gone away from dinghys or perhaps not sailing at all, to bring them back into the fold and really have some exciting times again.

**SAGINAW BAY FLEET (216)**

**Michigan District**

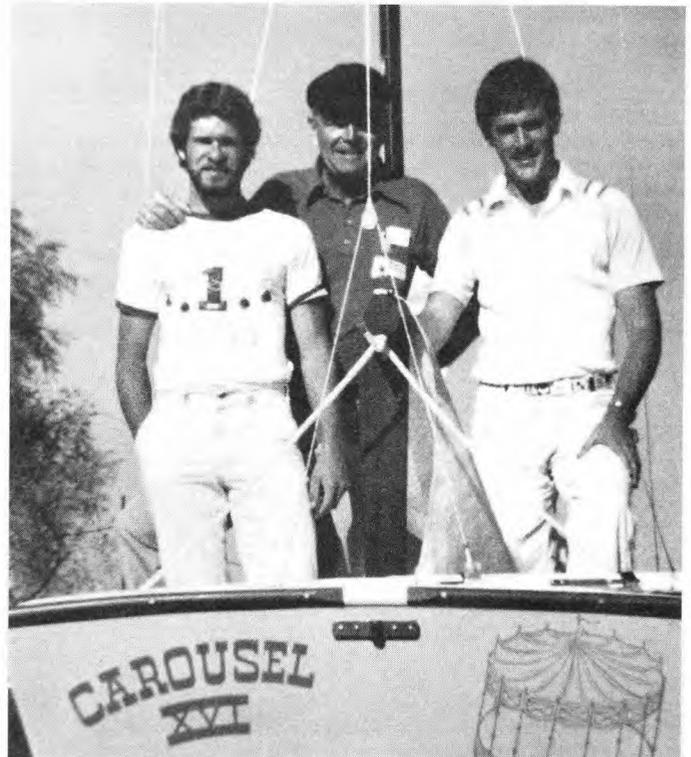

**Sailing on Saginaw Bay at Bay City, Michigan**

Fleet Captain ..... Bill Boice  
Fleet Secretary ..... Tom McNish  
Fleet Champion ..... Joe Dissette  
Runner-Up ..... Bill Boice

Boat No.	Boat Name	Skipper
6262	Tuit	Bob Kelsey
7169	Strider	Bill Stewart
7207	The Pope	Michael P. Pope
8784	.....	Ronald & Paulette Schieber
9903	Moxie	Dennis Bergevin
10366	Schuss Boomer	Jim Schofield
11164	Sauerkraut	Lee Klopfenstein
11797	Sully	Dr. Hugh Sulfridge
12024	Sas-Sea	Howard L. Nixon
12285	.....	Tom Burk
12533	Dr. Seuss II	Richard Burrow
12721	Sea Bee	Carl Hesse
12733	Carousel XII	Bill Boice
12871	Dandy Lion	Tom McNish
12933	Spirit of '76	Ed Woods
13074	.....	Bruce A. Shook
13133	.....	John E. Johnson
13293	.....	John E. Johnson
13385	.....	Jim Peters
13393	Carousel XVI	Joe Dissette

The weather for our scheduled Wednesday night races was less than ideal but it did not stop an excellent turnout of enthusiastic Lightning sailors. We averaged a total of 12 boats for each of our 13 races. Lee Klopfenstein won the series for the first time in his young sailing career. Lee did not necessarily have the fastest boat but his racing skills made up for any lack in boat

"Carousel XVI" with her championship crew. Jeff Warden, Joe Dissette Skipper & Scott Ioset.

speed. Bill Boice, our Fleet Captain, practically came out of nowhere to finish second. Bill's last four races of the season were a second, third, first, and fourth. In less than a month, Bill went from a fourth place position to his second place finish. Jim Schofield came in a solid third. Jim was off to his best start ever and had an excellent chance of winning it all. Unfortunately, he had some bad luck in the second half but managed to re-group in time to finish third. John Johnson, with his new Lightning, finished fourth. John received special recognition because he did not miss one single race this season—a perfect attendance record. Carl Hesse rounded out the top five. Carl would always turn a disappointing start to a finish very close to the leaders. All five skippers and their crews received a trophy at our year-end family picnic. Joe Dissette won the most Wednesday night races with a total of four. Due to an off season injury, Joe did not participate in the first four races. If he had, no doubt he would have finished in the top five.

We also have a Championship Series held on four Sundays. Joe Dissette won the series, Bill Boice finished second, followed by Lee Klopfenstein.

Again this year we enjoyed hosting the Michigan Junior Districts combined with our State Invitational. In the Junior Districts, there was a tie for first place between John Mathers and Brian Hussey, Jr. both from the Pontiac Yacht Club. Cameron Hesse from the Bay City Yacht Club came in third. The Seniors saw Bill McKinley from the Pontiac Yacht Club capture first place honors; followed by Hank Hodgson from Union Lake; Dave Furey from the Lake Fenton Sailing Club finished third; Joe Dissette and Jim Schofield, both from the Bay City Yacht Club, finished fourth and fifth respectively.

Here at the Bay City Yacht Club, we anticipate continued growth because of improved facilities and stressing our club object of maintaining a competitive and challenging spirit for all our members.

The Michigan Districts will be held here in 1980 with help from neighboring clubs. We are looking forward to this event and invite everyone from the Michigan District to attend.

### LAKE ZURICH (219)

Again, this season was one of the many and the few: the many that didn't show up and the few that did. This led to the very regrettable situation that for the second year we couldn't run a race on Lake Zurich due to the lack of participants.

On the other hand, there were a few boats with a fair amount of traveling all over Switzerland and even abroad. For one, there is our *Hot Chocolate* seen on any major race course during the '79 season. Her performance might have been disputable but her reputation for the happiest crew was established when winning a special award for being the "most original boat" at the Swiss Championships.

Coming on strong this season with an entirely facelifted *Argo* was Finn Andersen who did well in all District races and at the Swiss Championships.

Establishing his position as Runner-up was Ruedi Berger sailing well as usual at our Fleet Championships held on Lake Greifensee together with our friends from Fleet 309. Then there was Heiri Tobler still going strong with an old wooden boat during the Swiss Championships.

The best result, however was achieved by Hans Rahn with a 24th at the '79 Worlds in Dallas, thus proving that he is still the best of us under any conditions (especially in large fleets). His fourth at the Swiss Championships confirmed his present form reached with very little training.

The captain's wish for 1980 would be that the few get more and the many get less.

### HENDERSON HARBOR YACHT CLUB (225)

#### Central New York District

##### Sailing on Lake Ontario at Henderson Bay, Henderson Harbor, New York

Fleet Captain ..... Richard B. Stevens  
 Fleet Secretary ..... John H. Treadwell, II  
 Fleet Champion ..... Richard B. Stevens  
 Runner-Up ..... Edward F. Beadel

Boat No.	Boat Name	Skipper
5841	Zig-Zagger	R. B. Stevens
6602	.....	Len Phillips
9944	Footloose	Richard Grissinger
10709	Zelda	Dr. Harry McMillan
10712	May Day May Day	May P. Robinson & John Treadwell, II
12948	Anahata	Dr. Irwin Stone

This was an interesting year that went from near lost salvage to a growing success. With little or no apparent organization, the season seemed doomed to be canceled due to lack of interest. Not so! Returning to the club and providing the needed adrenalin was Rick Stevens. He mustered up three boats and we sailed the Appleblossom Race with Irwin Stone beating out Stevens and Grissinger in a drifter. The first Sunday Series race saw four boats participate, the next weekend there were five and so on — until we hit nine boats on the starting line with as many as 11 different Lightnings sailing during the season. It was refreshing to see the natural enthusiasm.

There were some new faces added to the fleet. Frank and Wink Beadel sailed with us for several weeks then took the plunge and joined up. Phil and Bob Hoffman Sr. bought Bob Doyle's boat — the Doyles making a move to Michigan.

There were 12 Sunday Series races with the best eight races counting towards the Championship. With six firsts and a pair of seconds, Rick Stevens in that antique of his won first place. The Beadel boat had a chance to win as well, but settled for second, and Len Montague got *May Day's* new oval in time for the last two races, and nosed out Grissinger and Stone for third place. It was a varied season with the potential of a different winner each race and that fact adds up to an exciting summer. Why, when Harry McMillan **voluntarily** sails a race—you know it was a super season!

Len Montague called up his memories of a few decades ago and got the Skipper Series going after a lapse of 10 years. Five skippers and crews duelled five races with Montague, third; Stevens, second; and stealing the show, having not sailed all year, was John Northrop who successfully **defended** his trophy.

Stoney Island blew very hard and even though Stevens lost his rudder on the way out managed to eke out a gratifying win over Charles Stone. Finnertys had rudder problems as well, and were forced to withdraw — for an honorary third. And the season's finale was the Frostbite. Sailed in light air it was won by John Northrop in *Zig-Zagger*, second was Frank Beadel, with Len Montague taking third. Here's looking forward to an even better 1980.

### BISCAYNE BAY LIGHTNING FLEET (226)

#### Florida District

##### Sailing on Biscayne Bay at Coconut Grove, Miami, Florida

Fleet Captain ..... Alan R. Westcott  
 Fleet Secretary ..... Fay A. Regan

13307	.....	George L. Freeland
13408	.....	Jon Wodka
.....	.....	Mike Alexander
Life Member	.....	Charlie Beedle

Despite a pretty bad scare from Hurricane David, Fleet 226 is looking good and growing fast. We continue to be the action boat in One-Designs on Biscayne Bay and welcomed many new members and boats this year to the wonderful world of sailing Lightnings. Jon and Sandra Wodka (13408) are getting their act together and should be a real threat next season. Mike Alexander bought 13307 from the Freelands and is showing us the way home already and Buzz Labbee in 12050 should be on the line soon. We also welcomed Tom September and Kathi Gross to our ranks and they should have boats soon. Bob Warren joined us with 13109. Mike and Judy D'Agostino got tired of cruising, missed Lightnings so much, they have joined the Fleet and are looking for a boat to buy.

With deep sadness, we report the death of 18-year-old Christopher Young in a boating accident in the Bahamas in July. Chris was an active member of Fleet 226 and crewed in the Sears Cup Finals, the Lightnings Juniors and Nationals in 1978, and many other major Regattas. To honor his memory, the Fleet will have a perpetual trophy for the two most valuable crew members in the Fleet. The Chris Young Memorial Trophy will be kept at the Coconut Grove Sailing Club and keeper trophies will be presented to the winners at the annual Fleet awards in December.

The Fleet again hosted the "Down Home in the Tropics" Dinner at Coconut Grove Sailing Club for the Miami Mid-Winter Lightning Sailors. It was a great success and special thanks go to Phyllis & Al Alman, Margaret Ronald, Dorothy Sands, Jim Pinion, Linda & Jim Tripp, Gabrielle and Greg Hargrett, Betty and Charlie Beedle, Lois & Alan Westcott, Frank Atkinson, and Fay Regan. Everyone helped, but these people really got it off the ground.

One-Designs race one weekend each month, sponsored by the five local yacht clubs (Coconut Grove Sailing Club, Coral Reef, Biscayne Bay, Key Biscayne, and Miami Yacht Clubs) which comprise the Biscayne Bay Yacht Racing Association. The BBYRA 1979 Lightning Championship was won by Jim Alman in 11085, with Frank Atkinson, Jr. as runner-up in 9975.

On October 12th we held a Fleet dinner and meeting and were entertained by Leora's demonstration of belly-dancing from the mid-East by way of Skidmore College. (Leora sails a sunfish). Alan Westcott was unanimously elected Fleet Captain for 1979-80 and everyone is pleased that "Big Al" will take over and keep Lightnings truckin' on the Bay. Jim Sapp (proud owner of 2073) did a grand job arranging the dinner and entertainment and may be in danger of being shanghaied as "program director" for the Fleet on a permanent basis.

As winner of the CGSC Annual Regatta, Frank Atkinson's nearest competitor had double his points (6 for Frank and 12¼ for Jim Pinion) on low point system. After Jim was Mike Alexander with 14 points; Jon Wodka with 23, and Ken Watcens with 24 points.

Honorary Members		Betty & Dale Allen

Fleet 228, sailed at Riverton Yacht Club on the New Jersey side of the Delaware River near Philadelphia, took a bit of a breather this year after hosting the Central Atlantic Districts last year. Still, our active members put in some hard days on the river in a schedule that runs from the first weekend of May to the last weekend of October. We were glad to see our friends from other fleets at the New Jersey Governor's Cup in June and at the annual Riverton Lightning Regatta in September. Thanks too for the hospitality and good racing we found when we hitched up our trailers and visited Havre De Grace for the Atlantic Coasts, Lavallette for the Jersey States, Susquehanna for the Pennsylvania Governor's Cup, and, of course, our sister Delaware Valley fleets at Penn Manor and Red Dragon. We're glad to be a part of the three-regatta Gamma Trophy Series with RDCC and PMSA, which was won again this year by Greg Funari of Red Dragon. Looking ahead to next year, Riverton Fleet 228 would like to invite South Jersey and Philadelphia area sailors to visit us and take up the challenge of the Delaware's tides. See you on the line.

**CHINOOK LIGHTNING FLEET (229)**  
**Pacific Northwest District**  
**Sailing on Fern Ridge Reservoir, Eugene, Oregon**

Fleet Captain	.....	Jan Gilhousen
Fleet Secretary	.....	Grace Mergen
Fleet Champion	.....	Ralph Mergen
Runner-Up	.....	Mark McBride

Boat No.	Boat Name	Skipper
4359	Batchelor Button	Ralph Batchelor
8778	Reflections	Jan Igor Gilhousen
9226	The Great Pumpkin	Ralph Mergen
9819	Aquarius	Dr. Donald Brinton
11404	Green Eggs-and-Ham	Dr. A. Morrie Craig
11429	.....	Michael & Beth Gerot
12650	Liahona	Richard Masker
12675	.....	George McBride

Fern Ridge is the finest Lake in Oregon on which to sail. So why does it not have the largest, most active Fleet? Good question say the Fleet members. One answer might be that Jack and Nan Culver have gone. They retired last year and moved to Orcas Island in Puget Sound. Jack and Nan promoted the Lightning and their presence is certainly missed.

Although small, the fleet was active. Ralph Mergen, George and Mark McBride took Ralph's boat on the Southern California Circuit in April. The Fleet hosted the Memorial Day Regatta which attracted 20 Lightnings as well as hosting the Barber Series, Harvest Regatta and Lightning Team races. Verson Pandian and Ralph Mergen traveled most of the Circuit.

Fleet racing honors went to Mark McBride who won the Opening Day Regatta and the Lowe Cup and to Ralph Mergen who won the Fleet Championship.

1979 was a good year; 1980 will be even better. The Fleet made a commitment to promote the Lightning, so 1980 will be a growing year.

**FLOTTA DI MARIVELA (Italian Navy) (235)**  
**Italian District**

Fleet Captain ..... C.A. Piero Bernotti  
 Fleet Secretary ..... C.C. Ettore De Angelis  
 Fleet Champion ..... C.V. Luigi Merola  
 Runner-Up ..... C.C. Lino Leuci

Boat No.	Boat Name	Skipper

**FLOTTA DEL GARDA (249)**  
**Italian District**

**Sailing on Garda Lake at North Italy**

Fleet Captain ..... Orazio Tessari  
 Fleet Secretary ..... Luigi Tezza  
 Fleet Champion ..... Nando De Amicis  
 Runner-Up ..... Salvatore Tremante

Boat No.	Boat Name	Skipper
8620	Finalmente	Eugenio Ambrosini
8763	"Sindbad"	Nando De Amicis
9171	Paomass	Salvatore Belgenio
9564	.....	Pietro Marcio
9787	Sturm	Luigi Venturi
10092	.....	Vincenzo Butteri
10513	.....	Giuseppe Nardini
10523	Giovanna	Adriano Gobetti
10782	Nereide	Orazio Tessari
12903	.....	Marco Peduzzi
13068	Sistiana	Giovanni Rizzieri
13120	.....	Lino Tusetto
13264	Excelsior	CIGA Hotels, Enrico Luigi
13345	.....	Colavito Salvatore Tremante

The Fleet took part in the Italian Championship at Trasimeno Lake with 8763 skippered by Nando De Amicis and with 8620 skippered by Salvatore Tremante. Nando placed 10th and Salvatore 13th.

The new boat 13345 purchased by Salvatore Tremante is a wonderful boat from Gianni Pellegrino of Marsala. Salvatore with Luigi Tezza and Paolo Benetti took part in September in the last three regattas of the District at Gravedona, at Trasimeno Lake, and at Anzio on Tirrenian Sea. The results are satisfactory, but in all probability, there will be a better performance for this skipper and his crew in 1980.

Next year, Fleet 249 will be organizing one regatta at Garda Lake.

**HALLWILER AND SEMPACHERSEE FLEET (250)**  
**Switzerland District**  
**Sailing on Lake of Sempach and Hallwil,**  
**Sursee, Switzerland**

Fleet Captain ..... Christoph Luthy  
 Fleet Secretary ..... Heidi Kunzle  
 Fleet Champion ..... Rudolf Herzog

Boat No.	Boat Name	Skipper
8768	Csardas	Heinrich Leimgrubler
9034	Fair Lady	Peter Taschler
9247	.....	Willi Schmid
9503	Quand Meme II	Thomas Huber
9781	Thetis	Peter Buhl
10999	Barato	Bruno Kunzle
12306	White Star	Edgar Merz
12317	Skippy	Paul Hofer
12320	Quand Meme III	Hans A. Luthy & Christoph Luthy
12571	Joy III	Ruedi Herzog
13099	Domi-Nike	Christoph Luthy

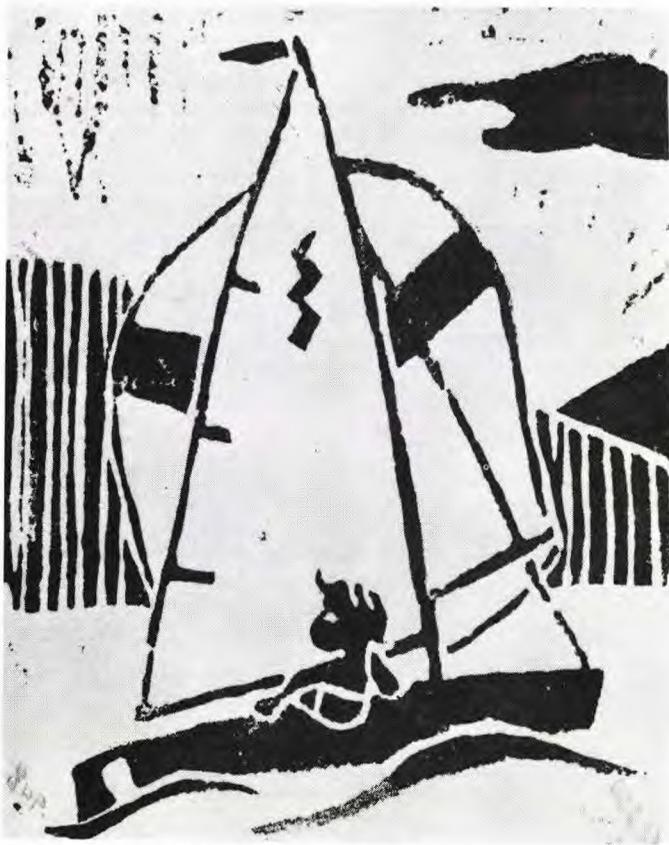

*Close competition at the windward mark in 18-20 knot wind.*

Fleet 250 welcomed the remaining few active sailors from Lake of Biel (Fleet 268), and Lake of Luzern (Fleet 281) which have become inactive during the last two years.

There was not too much racing on our five lakes located in the central part of Switzerland. However, most of us spent some great days on and beside the warm summer water. At the Spring Regatta held in Sempach, 13 boats waited two days for wind and after three short legs, Luthu-Bell Challenge Trophy went to J. C. DuPasquier of Fleet 169. The Fleet Championship sailed in Hallwil was captured by Ruedi Herzog beating five boats. At Sempach Lake Luthy and Merz did very well sailing in some handicap regattas finishing with one first, two seconds and one third.

The Third Midwinter European Championship was sailed far south of here in Marsala, Sicily. Our national team consisting of Christoph Luthy, Dominique Luthy, and Peter Taschler attended and took home the Runner-up honors.

Christoph Luthy, Rolf Moser, and our old friend Stan Starkey from the Californian Fleet 372 took part at the great and very windy World Championship in Dallas, Texas. This new team really never had any trouble flying the spinnaker and planeing on the two legs, but they had a lot of problems with steering and pointing going upwind toward the finish line finishing 39th overall. They hopefully learned, "Do not ever again put new sails on a foreign boat with a different mast and then sail a Championship abroad!"

...Future skipper of *Domi-Nike* — Anne Florence.

The European Championship was held in Helsinki and Ruedi Herzog attended. Reudi, with crew Christoph and Kathy, almost finished second but did finish seventh. Reudi learned next time not to start too early, like he did in the fourth race.

The last event was the Swiss Championship in Fallanden in October and was well organized by Fleet 309. *Joy III* finished sixth and *Domi-Nike* finished 11th over 30 boats. During the races on October 6, Christoph Luthy became the father of the youngest Fleet member, Anne Florence. So, grandfather Hans had to finish the racing.

For 1980, Fleet 250 will organize and host the Seventh Swiss Championship which will be held on May 15-18 on Lake Sempach. We hope for a good west wind and a great number of participating boats.

### KEUKA LAKE FLEET (252)

#### Central New York District

#### Sailing on Keuka Lake, Hammondsport, New York

Fleet Captain ..... Galen Powers  
 Vice Captain ..... Fred Schaaf  
 Fleet Secretary/Treasurer ..... John Smolik  
 Fleet Champion ..... Fred Schaaf  
 Runner-Up ..... R. Eckstrom

Boat No.	Boat Name	Skipper
280	Jennie	Art Lofgren
7312	Serendipity	Peter A. Gamba
9249	Jamp	Dr. Pat Patrizio
10888	Katy-D	Harmon Dunathon
11539	More Grief	Larry Korner
11901	.....	Bill Brown
12125	Cop-Out	Ray Marier
12711	7-11	R. Kimball Leiser
12743	.....	Galen Powers
12885	Jennie	Fred Schaaf
13124	Scudder	Dick & Rick Eckstrom
13252	Bea First	Gerald A. Levine

The 1979 season opened mid-May with the increasingly familiar, almost traditional, single boat regatta through the parking lot of the Corning Country Club; followed by a "Oh, yes! I do remember you" get-reacquainted dinner which this year included a vital get-reeducated talk by Dick "Up, Up" Hallagan.

Then, in almost too-rapid succession, a windless, one-race Memorial Day "Series" won by *Scudder*; a more solid victory by *Scudder* in the seven-race June series; a clear first for *Jennie* in the four-race July 4th cluster; another triumph for *Scudder* on Labor Day; and a first first for *Bea First* in September. The Season Trophy, a tough, breath-takingly close contest, went to *Jennie* (25 points) with *Scudder* (26¼ plus) and *Seven-Eleven* (26¼ minus) directly on Fred's transom.

In 1979, we were especially pleased to welcome the Rathmanns back from their "sailing sabbatical", and particularly delighted by the spirited manner in which Ray Marier put 12125 back into action.

The highlight of the sailing year, overshadowing even the excitement of the 43-boat Champagne Regatta, was the Ladies' Regatta held along with the Annual Picnic on that breezy September Saturday afternoon. Such enthusiasm we have never before seen! Skippers Amy ("Don't tell me when to tack, Dad!") Dunathon, Cal Eckstrom, Lisa Korner, Lisa Leiser, Sarah Leiser, Carolyn Levine, Betty Powers, and Darlene Smolik were superb indeed! *Scudder* seemed particularly pleased with her all-woman crew. We look forward to more of such occasions — and to a promising 1980 season overall.

### SUSQUEHANNA YACHT CLUB (253)

#### Dixie District

#### Sailing on Susquehanna River at Long Level, Pennsylvania

Fleet Captain ..... Starling Mikell, Jr.  
 Fleet Secretary ..... Fred Bush  
 Fleet Champion ..... Starling Mikell, Jr.

Boat No.	Boat Name	Skipper
9474	Nemesis	Barry L. Dunwoody
9897	.....	Dr. Charles Doland
10302	Rainbow IV	Edwin Schwoebli
10391	Jack Tar	Mel Gardner
10442	.....	Mike Filepas
11062	Panique	William Reis
11865	Sacre Bleu	Tomas Johnstone
12137	Eleison	Fred Bush
12923	.....	Henry P. Anstadt
12941	Deb-Star	Starling Mikell, Jr.
.....	.....	Charles Cockerham

Fleet 253 had another good year on the Susquehanna and, while our racing numbers dwindle a bit, our enthusiasm remains high as we face our usual challenge — Can anybody beat Mike?

For those who aren't familiar with our Fleet, Mike is Starling Mikell Jr., our perennial Fleet Champion. He was a bit slow warming up this year and Dick Henle skippering *Fort Knox* (a golden oldie?) won the Spring Series with Mike second. But then Mike went on to take both the Summer and Fall Series to win the Fleet Championship and the Gene Frey Memorial Trophy that goes with it. Barry Dunwoody proved that green boats go fast by taking second in the Summer Series, and Dick Rose started putting it all together and took second in the Fall.

Mike also sailed a nifty one-one-two to win the Susquehanna Yacht Club's Annual Memorial Day Regatta with Sassafras River visitors Bill McShane and Al Mast taking second and third. Fred Bush won the club's July 4th Regatta and veteran Ed Schwoebli was the Labor Day Regatta winner with Henry Anstadt, second.

The Fleet hosted the Pennsylvania Governor's Cup Regatta for the 14th consecutive year but the trophy wound up going back to the Central Atlantic District (as it usually does) when Djoerd Hoekstra of Riverton won it for the second year in a row. Mast and McShane and an assortment of SYC skippers tried to keep the trophy in Dixie to no avail.

Fleet 253 skippers did a bit better in our annual team race against Fleet 192 from Havre de Grace, Maryland. Bush, aided by his super Franklin and Marshall College crew, sparked the SYC team with a pair of firsts, as we retained the cup for another year.

Visitors are always welcome at SYC's Sunday afternoon races. The competition is friendly, the scenery beautiful, and most of the time we even have wind.

**CLARK'S HILL LIGHTNING FLEET (257)**  
**Southeastern District**  
**Sailing on Clark Hill Reservoir, Clark Hill, Georgia**

Fleet Secretary . . . . . Mary Robinson

Boat No.	Boat Name	Skipper
2381	.....	Gil Klemann
7947	.....	John J. Klemann III
10150	Kiwi II	Ted Kelker
10152	.....	Frank Stafford
10810	.....	Dr. Thomas N. Nosek
10992	.....	Alan Claxton
11095	Scalawag	Gil Klemann
11679	Liberty	Bonnie Moultrie
.....	.....	Kevin Robinson, M.D.

Our 1979 season commenced with the ASC Lightning Regatta, April 21-22, and ended with the Halloween Regatta, Oct. 13-14.

The wind on Clark Hill broke the traditional "all or nothing" to hold between 6 to 15 knots for most of our Sunday afternoon races. Some good tactical racing resulted with many firsts and seconds decided by a matter of inches. The old pro, Ted Kelker, proved again that sailing time triumphs by winning the Fleet Championship.

The over-all helmsmanship of the fleet was improving weekly since most of our skippers have sailed in Lightnings less than two seasons. We are very excited by the continued growth of our fleet from three boats in '77 to nine boats in '79. And next season, we hope to add three more boats.

What all this should be telling the Southeastern District Lightning skippers is that there's easy silver to be won in Augusta — but not for long. So come sail with us early in the 1980 season.

*Carlos Navarro-Mulanovich with his crew Antonio Fortunic-Oliveira and Augusto Navarro-Mulanovich sail 13114 as the Peruvian National Champions.*

**HARBOR ISLAND YACHT CLUB (262)**  
**Mississippi Valley District**  
**Sailing on Old Hickory Lake at Nashville, Tenn.**

Fleet Captain . . . . . Chuck Konesky  
 Fleet Secretary . . . . . Robert D. Garth  
 Fleet Champion . . . . . Dr. Cully Cobb  
 Runner-Up . . . . . Walter England

13208	Accelerando	Dr. Donald W. Sherburne
13210	Hyperbole	Dr. Cully A. Cobb, Jr.
Life Member	.....	Ross H. Bryan
Life Member	.....	Barney E. Mead, II

The 1979 season was another series of hotly contested Sunday afternoon races in a wide variety of wind conditions on Nashville's Old Hickory Lake. Dr. Cully Cobb secured the Fleet Championship with Walter England and Chuck Konesky winning second and third positions respectively.

In addition to our regular fleet series, we held the Annual Bluenose Regatta on November 3 - 4. Once again, the Bluenose was well attended by the "Big Guns" of Lightning racing with 46 boats in total. The top five positions which received trophies were won by Jim Carson, Greg Fisher, David Erwin, Don Delorme and Bob Wardwell, in that order.

**YACHT CLUB PERUANO (265)**  
**Peru District**  
**Sailing at La Puma, Callao, Peru**

Fleet Captain . . . . . Dr. Hector Sabogal  
 Fleet Secretary . . . . . Dr. Carlos Navarro  
 Fleet Champion . . . . . Carlos Navarro, Jr.

Boat No.	Boat Name	Skipper
11611	Calato	Carlos Navarro, Jr.
12514	Piscis	Miguel Chaves
12517	Givelohe	Hector Sabogal, H.
12796	Alcari	Carlos Arteaga
13114 & 13367	.....	Carlos Navarro, M.D.

This year, our Fleet is very proud to have received the Distinguished Service Award from the ILCA because it was the site of the First World Youth Championship. Coincidentally, it happened at the same time that our Club was celebrating its 40th anniversary. Originally, the Club was located within the confines of the Port of Callao, the main port of Peru, but it was relocated to its present site in La Punta about 10 years ago. At the time of the move, most of the Lightning sailors moved to the Club Universitario de Regatas which became fleet 424, but, at present, the reverse process is taking place and currently we have several sailors interested in coming back to our ranks. This is probably due to the fact that Lightning activities are at its best in years in our Fleet and also that the facilities are better. Recently a new hoist was installed in the Club not only to serve the Lightning sailors but other small craft as well; also the pier facilities have been improved and expanded. It should be mentioned that were it not for the great effort of our Fleet Captain this would never have taken place. Also he has given his boat to his young son, Hector Sabogal V., who is currently sailing with his sister Gisella Sabogal V. and Lorena Sabogal. We hope to see Hector Sabogal, Senior get another boat soon and form a new crew with the many available young sailors in the Club who are eager to sail. Carlos Navarro, Jr., with his brother Augusto and Antonio Fortunic-Oliveira, is our current National Champion and thus our Fleet Champion. Our Secretary, Carlos Navarro, Senior, is currently sailing as a crew together with his wife Elvira and are tutoring their youth crew member Emilio Levaggi-Tocci as skipper. He is participating at the Youth Nationals this year and it is hoped that his father will get him a boat in the near future. Enrique Conterno is beginning to realize the advantage of sailing with his

sons, but we hope next year he will let his boys use his boat for the Youth races or, better yet, get them another boat.

As is customary, all of our racing activities are done in conjunction with the other Fleets of our District. However, as we grow more with the increase of youth activities we hope to have some racing scheduled apart from the District, especially more youth racing and tutoring (lectures and practice). Hopefully, this trend will be followed by other Fleets in our District.

We are now making plans to go to the next South American Championship to be held in Colombia early next year and hope some of our sailors will qualify for that regatta.

The 1979 sailing season started slowly with the opening of the harbor being delayed by high water. However, once the season began activity within Fleet 266 was intense. To get everyone off on the right foot, a two day USYRU racing clinic was held early in June to sharpen the "killer" instincts of the racing skippers. After many starts, mark roundings, spinnaker jibes, and much yelling by our instructor, Ed Barid of St. Petersburg, Florida, everyone was ready to meet the challenge of our District Regatta the following weekend.

Nine boats made the trip to Kentucky Lake to participate in the Mississippi Valley District Lightning Championship, each intent upon putting all the newly acquired tactics learned the weekend before to good use. When the spray cleared, a new champion was crowned. Matt Burrige of Fleet 266 had done it! With his crew of Lindsay Dibler and Matt's dad, Lal, he was able to show the other 26 boats the "how to's" of winning when it really counts.

Another honor garnered by Fleet 266 at the Districts was the election of Mitchel Bohnenkamp as Mississippi Valley District Commodore. All the members of our fleet will be supporting Mitch during his term of office. We know he will do his best to make our District number one in the Lightning Class.

Fleet 266 will host the 1980 Mississippi Valley District Championship at our club in June of 1980. Plans are already in process to insure a successful event for all the anticipated participants. Be sure to be there for some super

*When the dust settled Matt Burrige emerged the Champion. Matt (center) with crew Lindsey Dibler (left) and Father Lal.*

competition and good times.

This year we have seen more and more of our junior sailors taking their turn at the helm during our club races — a most encouraging sight and one which ensures the continuation of our Lightning Fleet. The only trouble is they have no respect for our veteran skippers whom they keep surpassing. Keep up the good work, kids!

Our impromptu Lightning Regatta, held Labor Day weekend, is an opportunity for a lot of fun and some excellent charcoal grilled bratwurst. It is really hard to decide which is better, racing or the brats and beer. So consider this an open invitation to all Lightning sailors for the Labor Day weekend in 1980.

As this report is being written the outcome of our fall series is undecided. However, the results of our Spring Series are Lal Burrige, first; and Stu Bernstein, second; Summer Series, Lal Burrige, first; and Don Zerban, second; Championship Series, John Folwell, first; and Matt Burrige, second. Nice Going Guys!

Although our sailing season is practically finished for 1979, plans are already being made to insure that 1980 will provide us with another fine season of Lightning sailing. Fleet 266 is always ready to welcome other sailors to the waters of Carlyle Lake. Be sure to come sail with us!

**BROCKPORT YACHT CLUB (267)**

**Central New York District**

**Sailing on Lake Ontario at Brockport, New York**

Fleet Captain ..... Allan Waugh  
 Fleet Secretary ..... Frederick C. Burch  
 Fleet Champion ..... Allan Waugh  
 Runner-Up ..... Ray Nelson

Boat No.	Boat Name	Skipper

12852	.....	Thomas, Eric & Sean Grape

Fleet 267 had a very good sailing season on Lake Ontario in 1979. This year we had a larger and more enthusiastic Fleet at B.Y.C. than we have had in years.

Ray Nelson left our racing fleet several times to attend some of the Central New York District regattas. He did quite well and ended up with a commendable third place in the District Championship.

We were sorry to see Tom Grape sell his boat at the end of the season and will miss sailing with him and his family. We are glad to welcome Dave Smalley who bought Tom's boat and Ken Lindsay as new members of our Fleet. We are all looking forward to another good year in 1980.

Carter and Crew did it again! Won our Fleet Championship, that is, for the second year in a row. Not only the Championship but both Spring and Fall Series were dominated by Bob Carter and his peerless crew, Dave Brown and son, Dave Jr. Our sincere congratulations to all three for a great job! Now if we can just get Dave to buy his own Lightning and break up the team maybe the rest of us will have a chance. On the other hand, it might mean two boats instead of one doing the horizon jobs!

This has been an unusual season for Fleet 270 with several of its staunch members being transferred out of the area and being sorely missed for both their friendship and their competitive spirit. The Fleet has been fortunate, however, to have gained several new members who are rapidly becoming seasoned sailors.

Even the weather has been unusual, often being marked by either high

winds or dead calms on Sunday afternoons when we normally expect nature to cooperate by providing at least a drifter! In spite of that, we managed to have some exceptionally good races with some good times ashore as well.

This year, the Fleet voted to change the method of selecting the fleet champion. We agreed to use the results of six major regattas (with one throw-out) as a better measurer of consistent seamanship and racing skill. The six regattas include four Indianapolis Sailing Club Regattas, the Indiana Open, and the Indiana District Championship. Participation was excellent with twenty-one boats in the running.

Congratulations are also in order to Bill Hall who was re-elected District Commodore for a second term and his wife Pat who was elected District Secretary.

Race time at Geist Reservoir for Fleet 270.  
"Hope we can keep this lead!"

After losing 50 percent of our top 10 boats a year or so ago, we seemed to have made up the difference. Barry Cochran, a hot Snipe sailor from Clearwater, sets the "younger bunch" on fire. So we have a "new generation" coming up fast. Also, we are glad to get Jim Bryant back in action. McNeil Ayres has just bought a new Lightning, 13450, and most everyone now has new sails. This coming year ought to really be tough and fun.

We had a very successful Hernando De Soto Regatta the first weekend in May for Lightnings only. I'm sure we'll keep polishing that apple, so you-all come this year!!!!

Also remember we have a 100 fleet races a year — every Saturday and Sunday at 2 P.M. So come visit us with your Lightning. "We'll have a regatta for you!"

11361	Havoc II	Robert M. Campbell
11751	Scruples	A. Preston Moore
12841	.....	Dwight W. Webb
12886	.....	H. William, David W. & John E. Oliver
.....	.....	Stuart Nickerson

In 1979, Stu Nickerson raced throughout the season with the Chequessett Fleet. It can come as no surprise that he won the Season Series and many of the shorter Series. What is remarkable is that he had such a close challenge from Anne and Tim Dickey, last year's winners. In the Wellfleet Regatta, these two led the rest of the local boats with Stuart finishing second and the Dickey's a close fourth.

Other boats that did well at one time or another include Stafford Frazier, always consistent although with fewer top finishes than in other years; Bob Campbell, back in the fleet with Jack Burwell's old boat, sailing many good races; David Jones, winner of one of the short weekend series, during his few weeks at Wellfleet; Curt Felix, moving faster all the time in Jim Crane's former boat although suffering all kinds of disasters, including a broken mast; Bill Webb, with three firsts but many bad and missed races; the Ruykhavers, particularly when sailing the Smith boat, winning several races and well up in others. New to the Fleet was Bob Wallace in Bill Oliver's older boat. Bob kept at it with a determination that promises early success, as did Harvey Geiger in his new boat.

Next year, the Fleet should expand again with several new skippers expressing interest and, one hopes, with Bill Oliver back sailing fulltime.

It was a good year, although there was a constant damper on activities involving travel because of the gasoline shortage.

We started the year's activities with the boat show adding a slide presentation using the boat's sails as the screen. With some help from some super action pictures we got quite a few names of interested people. We followed up with a party in March and a demonstration day in April for everyone who signed up at the boat show.

We sponsored a well attended District Mid-Winter Meeting in February with Jack Mueller leading the seminar on tactics and boat repair.

We had another low water spring with the associated problems at Vancouver Lake. Our June Regatta had to be moved to Yale Lake, but we have fond expectations that the government will start dredging Vancouver Lake this coming year.

Although there was a reduction in the traveling done by the fleet members, John Benedetti and Dennis Torgeson did travel to California for the Pacific Coast Championship. Dennis also went on the California Circuit finishing third overall.

We finished the sailing year with races on the Columbia River and with another win in the District Team Races.

The new officers for the 1980 sailing season will be John Sanford as Fleet Captain, Dave Hickman, Secretary and Sally Hickman, Treasurer.

Fleet Champion Osmo Savola and crew discussing strategy before the start.

**KOTKA LIGHTNING FLEET (298)**

Boat No.	Boat Name	Skipper
12352	Bella	Osmo Savola
12479	Melanie	Antero Westerlund & Mayatta Westerlund

Osmo Savola and crew sailing Bella in Finland District Championship.

This season has been our best ever. We had the honor of having the 1979 Finland District Championship Regatta on our home waters and we had the pleasure to have Keijo Suonsaari join us with the good, old *Cinderella* he bought from Juhani Haila. This year *Cinderella* had to be rigged with an old mast and worn-out sails, so that her speed is expected to improve next year with better equipment.

The District Championship Regatta was organized by the Yacht Club of Kotka, assisted by one Jury boat from Hamina. The number of participants was the biggest ever (36), but it was not a problem for the well-prepared Regatta Organization. The measurements ran smoothly without major problems. Most of the newer boats weighed very near the minimum, while some of the older ones were nearly 100 Kg. overweight.

The Regatta was run in moderate to heavy winds up to 14 meters/second. The waves were not big as the race area was largely protected from the prevailing eastern and north-eastern winds by large islands. The weather was cloudy and rainy with a heavy thunderstorm just after returning from the fourth race. All boats were already safely moored, so that there were no damages.

The third race was a catastrophe for two ex-Champions, Lasse Hammar and Antti Ruuskanen, who both capsized and could not finish. Lasse sailed quickly to the club house for dry clothing and recovered to take a second in the fourth race; but Antti had some repairs to do and could not make even the fourth start. So he was out of the Championship fight with a DNF and a DNS. His other results were sixth, second, and seventh.

Pentti Puupera showed his superiority in heavy winds having it wrapped up already after four races with finishes 2-1-1-3 and a safe lead of 11 points to Heikki Kirjavainen and 22 points to Ahti Immonen. After four races, Lasse Hammar was seventh and had 38 points more than Pentti, but had a DNF to throw out. Pentti went on to win ever the fifth race and Lasse's second place lifted him to the Runner-up position with finishes 1-6-DNF-2-2. Heikki Kirjavainen was third (3-8-3-4-10); Ahti Immonen, fourth (13-3-6-7-8); Kari Maenpaa, fifth (4-20-DSQ-1-3); and Hartti Nisonen, sixth (14-4-DSQ-5-9). Of our fleet, Osmo Savola was 24th; Antero Westerlund, 25th; and Keijo Suonsaari, 36th. We wish to thank the Organization Committee and the Yacht Club of Kotka for a well conducted regatta and all the 33 visiting skippers and their crews for fine racing. Especially, we were happy to see Rudi Fluhmann from Switzerland sailing with us on Kotka waters.

This season was the first one in many years with an official Lightning Eastern Gulf of Finland Championship Series, as three boats participating is the minimum required. Osmo Savola won all starts except the last one. There were four regattas and twelve starts. Osmo also traveled to several Ranking regattas.

For the next season we already have a fourth Lightning in our fleet, but it has not yet been rigged for racing. We welcome you all to our regattas, one of which we hope to be a Ranking event. See you next summer!

The 1979 sailing season at Malletts Bay opened without some key Lightning racers who had moved out of the District. However, despite the loss in boats, Fleet 301 had an active local racing season and made its strength known in District regattas.

The perennially powerful team of Don and Ann Brush remained dominant, winning the Fleet and District Championships. At the National and International levels, the Brush's took a ninth in the North Americans and fifth in the Worlds.

The highlight of the 1979 Lightning season on Mallett's Bay was the New England District Championship. Mother Nature showed her fickle side for this event, as racing was cancelled during the first two days due to lack of wind, while the third day brought winds of 15-25 miles per hour.

Three races were held during the final day, in what were rather strenuous conditions, especially when compared with the indolence of the previous two days.

Of the eight representatives from New England at the North Americans, four were from Fleet 301: Don Brush, Peter Hubbard, Randy Rowland, and Jim Russell made the trek to Cleveland.

As the Lake is getting ready to freeze and the first snow has already fallen, Vermont Lightning sailors are getting ready for winter sports. But it won't be long until we will be itching to get our boats in the water the day after the ice melts and the 1980 season begins.

Action during the New England District Championship on Malletts Bay-  
... Will 13232 tack in time?

### OULU LIGHTNING FLEET (307)

#### Finland District

#### Sailing on Gulf of Bothnia at Oulu, Finland

Fleet Captain . . . . . Harry Hammar  
Fleet Secretary . . . . . Simo Koski  
Fleet Champion . . . . . Lasse Hammar  
Runner-Up . . . . . Markku Paloma

Boat No.	Boat Name	Skipper
9436	Rio-Rita II	Lasse Hammar
12918	Kikka II	Markku Paloma
13137	Hattiwatti	Ilmo Hassinen

In July at the Finnish Championship, *Rio-Rita II* and *Kikka II* started our season. As usual, the weather was rainy, but sometimes there were some good winds. The beginning was promising because Lasse Hammar won the first race but capsized in the third race at the gybe mark. The skippers of our fleet sailed with old routine and the results show their skill. The final position was for *Rio-Rita II*, second; and for *Kikka II*, eighth.

After the Finnish Championship, we had some days to rest before the European Championship, which was organized by the Finnish Yacht Club in Helsinki. All three boats of our fleet participated in it. The weather was rainy, of course, but also calm. After a few races it was quite clear that Jean-Claude DuPasquier from Switzerland would be the winner. Before the last race there were five boats which had a chance to get a medal and *Rio-Rita II* was one of them. Lasse Hammar sailed well in his *Rio-Rita II* in the last race and succeeded in getting the third position in the final results. Markku Paloma with his *Kikka II* was 15th and Ilmo Hassinen was 41st. There were 46 participators in the European Championship.

7185	Onnetar	Simo Haggstrom
10059	Wilma	Martti Raisanen
12585	Turso	Taimo Huusko
12913	Viri II	Jari Perkkio
12994	Mister X	Jouko Lahtinen
12995	Pohjan-Akka	Aulis Naykki
13134	Viiwi	Heikki Ulen

The well known fellows from Kemi: Aulis Naykki, Kalervo Naykki, and Sven Nyberg and, of course, Pohjan Akka.

Photo Credit — Juhani Hedberg

Our Fleet sailed diligently in 1979 with five or six boats competing regularly in races while the rest sailed for fun.

Fleet Captain Heikki Ulen in *Viiwi* set an example for our Lightning sailors and won the Spring Regatta.

*Mister X* (Jouko Lehtinen, Markku Mustonen, and Timo Huhtakangas) won for the third consecutive year the Kemi Fleet Championship. Aulis Naykka in *Pohjan Akka* was second just like the last two summers. *Viiwi*, *Wilma* (Martti Raisanen), *Nano Nano* (Hannu Pekkala), and *Viri II* (Jari Perkkio) also participated.

In July, five Lightnings traveled to South Finland. They took part at first in the Finnish Championship Race at Kotka. *Pohjan Akka* was the best of our team finishing seventh; *Mister X* was 11th; *Viiwi*, 13th; *Wilma*, 27th, and *Nano Nano*, 30th. Then, our boys and their families drove by car trailing their boats to Helsinki. There, the best Lightning sailors of the old continent assembled in the European Championship Race. The week was full of beautiful experiences on the sea and at the parties by night. *Pohjan Akka* (A. Naykka) was 14th out of 42 boats. The others succeeded passably. Thanks, Kotka and Helsinki Fleets!

At home, the representative boats divided the prizes with one another in the distance races and training races. Olli Juahola and *Irene* (28 years old) showed that an old Lightning goes well and does well.

In September during the Autumn Regatta, Pentti Puupera (Finnish Champion 1979) made a visit from Helsinki, borrowed *Nano Nano* (owned by H. Pekkala), and was awarded the first prize. His crew was Veikko Miettinen (Fleet Captain in Jyvaskyla and Mikko Pekkala from Kemi. Second went to *Pohjan Akka* (A. Naykki); third to *Wilma* (M. Raisanen);

fourth to (Kari Anttila); and *Viiwi* (H. Ulen) took fifth.

So we hope that in the next summer when we will celebrate the 75th Anniversary of Kemi Yacht Club (KePS) all of our old and new Lightnings will sail together to the starting lines!

12964	Redoubtable	James T. Elliott, Jr.
13043	.....	Dr. Kirk & Kirk Williams, Jr.
13056	Squeeze Me	Bill McShane

The 1979 racing season on the Sassafras saw a little more distribution of the honors than has been the case in recent years, although the "same old names" keep cropping up as usual.

Al Mast won the Early Series, with Flo Williams, the first serious distaff skipper since Sally Stevens, one of the club's founders, finishing second. Scott Ingram, our resident Jack-of-all-trades, finished third.

The Summer Bay Race was also won by Al Mast. Ted Ganley showed the OM how to do it by placing second and Bob Horne was third.

The Late Series featured Bill McShane, with Al Mast, second; and Jim Ganley regained the helm to finish third.

The Fall Bay Race was also won by McShane, while Jim Hopkins edged out father Tom for second.

A word about the Fleet Champion and Runner-Up is probably in order here. In spite of sailing actively "off-campus," Al Mast demonstrated that

his sailing ability (or is it the good crew?) is not to be lightly taken. His record in 12 races was: five firsts, four seconds, one third, and two fourths. Bill McShane (whose crew isn't that bad, either) did almost as well in 10 races: three firsts, four seconds, two thirds, and a fifth.

Special trophies were awarded as follows: Walbert Cup — Al Mast; Buss Neff Cup — Jim Hopkins; Skipper's Cup — Bob Horne; and Commodore's Cup — Bill McShane. The two Matlack Trophies were won by Bill Winter and Jim Murphy, while Bob Horne won the Taylor Cup. The Stardust Trophy went to Scott Ingram, who had an admirable season.

The Butt Award this year went to Jim Elliott. It wasn't good enough for Jim to have his wife and number one crew, Caroline, take swimming lessons all last winter — he had to show off her new-found abilities while capsizing during a race. The unique situation he selected for this demonstration was what won him the trophy: sailing downwind, spinnaker flying, at the back of the fleet, with a 0-1 (Beaufort) gale blowing!!

Murphy's Mug once again went to Kirk Williams, Jr., with Jack Gregg and Jim Murphy finishing second and third in that separate series.

Our junior race program also included some new names with the old rivalries. The L-Fleet Early Series went to Howard Edson, Dave Horne, and Ted Ganley, while the Late Series went to Ganley, Edson, and Horne. The B-Fleet was dominated by Sally Edson, who won both Series, being joined by Tiff Williams and Mark Kutz in the Early and by Kutz and Mark Drazek in the Late.

The aforementioned "off-campus" sailing once again saw Fleet 314 fairly represented on foreign shores. Al Mast sailed at Norfolk-Azalea (1), Annapolis No-Gas, Susquehanna Memorial Day (3), Havre de Grace (1), DE Governor's Cup, Dixie Districts (5), Atlantic Coast Champs, MD Governor's Cup (3), Rehoboth Fall (1), and PA Governor's Cup (2).

Bill McShane was also quite active, sailing at the SSA No-Gas, Susquehanna (2), SSA Spring II, DE Governor's Cup, Dixie Districts, ACC, MD Governor's Cup (2), Rehoboth Fall, PA Governor's Cup (4), SSA Frigid Digit, and Quantico Frost Bite.

Tom Hopkins sailed at the SSA Spring II, was out of action for most of the summer, but came back to place ninth at the MD Governor's Cup. Jim and Leigh Hopkins, Scott Ingram, and Jim Ganley were our other ambassadors during the season.

Once again our juniors competed in the Junior Dixie Districts at Havre de Grace. Howard Edson, with Dave Gunnels and Dave Horne as crew, finished second again and Ted Ganley, with Dave Borden and Pat Mahoney, improved on last year's fourth place finish with a third.

That's about all, except for one observation: If all the buoys in our lives were numbered as we expected to find them, where would be the challenge? A winner compares new information with old and adjusts his course toward the finish line — a loser fails to adjust when he finds himself sailing upstream and then bends the rules to cover his mistake.

See y'all in the spring.

Brothers Alberto and Manuel brush racing.

11597	Espirit	Bill Wainwright
11899	Pisces	Dave Racine
12050	.....	Jacob Zimmerman

The 1979 season began in May with two races every Sunday. As it turned out, this series, which consisted of three boats, was an excellent series of match racing between Fred Mertes and Dave Racine with Bernie Hedges bringing up the rear in third.

Between the end of the Spring Series and the beginning of the Summer Series, the Lightning sailors at R.B.S.A. took time out to host the Delaware Governor's Cup. This year we had a good turnout with 23 boats sailing in the regatta. Steve Bachman was first with Bill Buckley in second and Joe Friebele in third.

Fleet Champion Sandy Blumenfeld and crew showing the others their winning form.

Photo Credit — J. Babel

marina, threw up the spinnaker, and sailed about 150 yards before flipping. It as fun while it lasted! As a result, the rest of the races were abandoned and we stood with Saturday's finishes with Al Mast in first, Don Delorme in second, and Steve Bachman in third.

Have a good winter and hope to see you all in Rehoboth next year for the Governor's Cup and the Fall Regatta.

**GRAND TRAVERSE YACHT CLUB (326)**  
**Michigan District**  
**Sailing on Grand Traverse Bay at**  
**Traverse City, Michigan**

Fleet Captain . . . . . Sandy Blumenfeld  
 Fleet Secretary . . . . . Bill Lebeake  
 Fleet Champion . . . . . Sandy Blumenfeld  
 Runner-Up . . . . . Patrick Tobin

Boat No.	Boat Name	Skipper
9921	Alacrity	Bill Babel
10429	Huvna	Dick Thirby
10803	C-Bo	Jeff & Ted Jones
11107	Classic Case	Craig S. Horvath
11256	Marikate	George Brown
11344	Bitschene	Don W. Mitchell
11467	4 Sail 4	Gordon Cornwell
11551	Merlin	Joe Manseau
11794	Blind Faith	Patrick Tobin
12189	Go Blue	Bill Howard
12930	P.M.P.	Sandy Blumenfeld

The participation was great, the competition keen, and the weather co-operative for our 23rd Annual Fleet Championship Series. The summer-long 22 race schedule provided us with plenty of races and with eight throw-outs and with plenty of chances to regroup.

Regulars Craig Horvath, Pat Tobin, and Sandy Blumenfeld fought it out to season's end with Sandy's *Pig Meat Pie* rooting its way to first overall. Tobin with *Blind Faith* was second and Craig *Classic Case* Horvath was third. Don Mitchell finished fourth just barely edging out George Brown who finished fifth. If only George's daughter Katherine could have kept her father away from the tiller, they may have found themselves a little higher in the standings.

Other regulars on the race course this summer, included Hugo Trepte, Dave Dykstra, Jim McGlothlin, Bill Howard, Jeff Jones, Reno Bertoia, and Gloria Van Epps. Past Fleet Champ, Ken Lindsay, provided excellent committee work as did Dick Babel and John McGuffin. Alice Lindsay did a fine job keeping everyone on the bay informed.

Sandy Blumenfeld said he felt fortunate winning the series thus having his name added to the illustrious roster including such sailing greats as Gordon Cornwell, Ken Lindsay, Bill Babel, Tom Babel, Jim Babel, and Don Mitchell. *Pig Meat* also squealed with delight in 1977 when first capturing the coveted silver bowl.

Next season should prove to be exciting with some fleet rule changes in the making. For instance, one new rule for next year makes it impossible for anyone with a blue decked boat to protest the action of other racers on the course no matter what the actions may be. 1979 was terrific and now we can look forward to 1980 and another interesting racing season.

**SEVERN RIVER FLEET (329)**  
**Dixie District**  
**Sailing on Chesapeake Bay at Annapolis, Maryland**

Fleet Captain . . . . . Rob Pratt  
 Fleet Treasurer . . . . . Warren Cooper  
 Fleet Secretary . . . . . Bob Astrove  
 Fleet Lieutenant . . . . . Chris Kuhn  
 Fleet Champion . . . . . Steve Bachman  
 Runner-Up . . . . . Joe Friebele

10048	.....	Thomas Burgher
10800	High Hopes	Donald R. Hope
11036	Think Fast	Dr. Donald P. Delorme
11204	Steppin' Out	Steve Bachman
11288	Bon Joy	Rob Pratt

The fleet seemed to build itself back up for the Summer Series with seven to eight boats racing every week. The juniors from the sailing school were out in full force this summer, usually racing both of the club Lightnings. We were glad to see the kids out there and hope to see them back on the race course next summer. Dave Racine turned his boat over to son Davey for the Series and decided to crew instead. Davey and Fred tied for first in the Series with Bernie Hedges next in line.

Our racing season traditionally ends the third weekend in September with the Fall Regatta. We managed to get one race in on Saturday with the intention of racing two races on Sunday. The weather decided to change overnight and Sunday dawned with rough seas and winds gusting up to 40 MPH. With the exception of Fred Mertes, all skippers decided to wait for the wind to lessen. Needless to say, Fred and faithful crew sailed out of the

Joe Friebele and his crew in Lightning Bug on their way to the Fleet Championship.

11754	Harvard Square	Paul I Grinberg
11767	.....	Milton N. Kabler
11792	Ill	Dr. Edwin M. Ortiz
11911	.....	Myron Jonsberg, Jr.
12099	.....	Dr. James Gilbert
12159	Fritzie	Robert Astrove
12470	Lightning Bug	E. Joseph Friebele
12752	Ya	William H. Buckley
12772	Clarissa Marie	H. Warren Cooper
12911	Swamp Fox	Dr. James Gilbert
13209	Not to worry	Christopher B. Kuhn
.....	.....	Dr. Edwin M. Ortiz

Fleet 329 had another good year — we ran seven regattas, but were rather inhospitable in that our members Steve Bachman and Joe Friebele each won three of them and Don Delorme won the other. We innovated a "B" Division in the SSA Annual Regatta and Paul Grinberg won that.

Fleet 329 Regattas: \*Spring — 1st - Bachman; 2nd - Friebele; 3rd - Astrove; 4th - Buckley; 5th - W. Hopkins. No-Gas — 1st - Friebele; 2nd - Delorme; 3rd - Astrove; 4th - Schneider; 5th - Bush. \*SSA Annual "A" Div. 1st - Delorme; 2nd - Bachman; 3rd - Friebele; 4th - Kuhn; 5th - Hope. "B" Div. — 1st - Grinberg; 2nd - Cooper; 3rd - Matthews; 4th - Burgher. \*Maryland Governor's Cup — 1st - Bachman; 2nd - McShane; 3rd - Mast; 4th - Astrove. \*SSA Fall — 1st - Bachman; 2nd - Friebele; 3rd - Astrove; 4th - Kuhn; 5th - Buckley, P. Frigid Digit — 1st - Friebele; 2nd - Hutchison; 3rd - Lutz; 4th - Carson; 5th - Delorme/Bachman. Dixie Districts — 1st - Friebele; 2nd - Delorme; 3rd - Buckley, W; 4th - Bachman; 5th - Mast.

\*These regattas determine the Fleet Championship which was won by Bachman with 5.0 points. Joe Friebele was second with 6.6 points.

We lost Guy Moulton, our Treasurer, who moved away but the ball was picked up by Chris Kuhn. Mike Gellner also dropped out of our Fleet, but we picked up three new members — Jim and Mary Bielfield (9655), Alex Humphrey (11767), and Doug and Eileen Perley (10475). In addition, Bert Cooper has moved into the skipper ranks on 12772.

We had an active winter season with sailing seminars at various members homes and with excellent Fleet 50 participation. Mike Arnold of Fleet 50 hosted a seminar at which Bill Shore talked. One of our seminars was snowed out by our "Washington's Birthday Blizzard" but we recouped later.

Our skippers fared well at other regattas also as Don Delorme took third at Savannah, ninth at St. Pete, and 11th at Miami, for a fifth overall in the Southern Circuit. He also won the toilet paper wrapping for bus and boat at Sanford! Don also took a fourth in the Long John Regatta and third in the Atlantic Coast Championships. In addition, he was elected President of ILCA for 1980 — congratulations Don!

Steve Bachman, with his nine-year-old daughter, Linda, crewing for him took fifth in the Atlantic Coast Championships and third in the Fleet 50 President's Cup Regatta on the Potomac — you may have read Linda's entertaining account of the latter race in the November *Flashes*!

The Atlantic Coast Championship was won by Joe Friebele and, in addition, he won the Chesapeake Bay Yacht Racing Association High-Point Trophy for 1979, succeeding 1978 winner Don Delorme, who came in second.

We experimented with dividing the fleet into A and B Divisions for the annual regatta in order to give the sailors of lesser experience an opportunity to compete with others in the same category. No one who ranked above mid-fleet in 1978 standings could compete in the B-Division, but anyone who elected to participate with the A-Division could. Comments from the B-Division sailors were favorable, although they would have preferred to start with the A-Division as originally planned, instead of separately. Experiments of this sort can do a lot to stimulate the novice skippers!

Among our members' activities in ILCA is the election of Steve Bachman as Secretary for Dixie District for 1980 — he has been doing a lot to stimulate Lightning sailing and organized a tune-up weekend this year for our fleet. We feel he will contribute a great deal to the District.

We closed our 1979 activities with our Annual Meeting on 18 November attended by 14 of our 20 members, at which we charged our new officers under Fleet Captain Rob Pratt, to lead us to even bigger and better regattas next year! Our tentative schedule is in the accompanying ad — it won't be final until sometime after the first of the year, pending SSA and CBYRA scheduling, but there were no changes necessary in last year's tentative schedule. SO-O-O plan to sail with us on the Chesapeake next year — we offer good competition and (usually) (sometimes) (strike out one) good weather, and always good food, drinks, and fellowship — put our regattas on your calendar!!!

## SQUAM LAKES LIGHTNING FLEET (332)

### New England District

#### Sailing on Big Squam Lake at Holderness, New Hampshire

Fleet Captain ..... David D. Closson  
 Fleet Secretary ..... Crecia C. Closson  
 Fleet Champion ..... Robert Ayotte  
 Runner-Up ..... Allan Whatley

Boat No.	Boat Name	Skipper
8241	Go-Mo-Shun	David Closson
10479	.....	Richard McClure
10732	Tern II	John Bennett
10818	Pequod	Dr. Donald P. Todd
10857	Mutiny	Robert Custance
12173	Omega	Allan Whatley, Jr.
12266	Wind Witch	L. B. Flint
12858	Huntress 3	Rev. Parkman D. Howe
12859	.....	John S. Russell, Jr.
13101	Super Shuttle	Robert Ayotte
.....	.....	Robert Wherland

The old saying here in New England goes, "If you don't like the weather, just wait a minute." Well, we waited several minutes and several hours while hosting the New Hampshire-Vermont Regatta. That weatherman upstairs would not cooperate. All we had was one race, a drifter with a huge traffic jam in slow motion. The rest of the time was an exercise in swimming. It was a pity; all those beautiful Lightnings ready and eager to race, but the winds would not cooperate. Congratulations to Don Brush for slipping through in first place. It seems to be a habit with him.

A special thanks to our Regatta Chairman, Bob Ayotte, and to our Fleet Secretary, Crecia Closson, for all their extra efforts.

Fleet 332 is happy to have a new member, Dick McClure, who is an excellent sailor. Welcome aboard, Dick. Unfortunately for him (or fortunately for us) he was too busy sailing off the Lake to qualify for some hardware. We are sure he would have been in the money if he had raced on Squam more often.

Light airs prevailed throughout the entire season. Evidently to Bob Ayotte and his *Super Shuttle*, the airs were super because he managed to acquire four firsts, a couple of seconds, and one third giving him first place honors. In second place, close behind him in his usual competitive style, was Allan Whatley who also won the "Pop" Closson Trophy for the second year in a row. For the third year in a row, "Mr. Consistency" himself, Parky Howe, piloting a new boat, a former Bob Wherland boat, won third spot. We have a different name taking fourth place this year, which was a first for him, "Dead-Eye" Bert Flint. Following him in fifth place was Dave Closson and in sixth, Bob Custance. Due to circumstances beyond their control Dick McClure, Don Todd, John Bennett, and Jack Russell did not qualify. We should do something about that next year.

Let's hope that next season we will have fewer drifters.

## GALWAY LAKE LIGHTNING FLEET (338)

### Central New York District

#### Sailing on Galway Lake at Galway, New York

Fleet Captain ..... Harold Hansen  
 Fleet Secretary ..... Walter Nial  
 Fleet Champion ..... James Millard  
 Runner-Up ..... Walter Nial

Boat No.	Boat Name	Skipper
5155	Cawley Flower	Cornell C. Cawley, Jr.
6515	Restless	Richard B. Millard
7073	The Jodi-Bee	Fred Lyngard
7809	.....	James R. Buhrmaster
9241	Gal Aweigh	Norman O. Hanson
9844	.....	Maurice H. Gardner
11323	.....	R. James Millard
11519	.....	Dale H. Brown & Walter Nial
12115	.....	James Dickson
12246	.....	Richard McGuire
12573	.....	Kenneth E. Burhmaster

Jim Millard and his expert crew, Nell Burrows, and brother, Doug Millard, captured it all this year. They succeeded in winning the three race Opening Series Trophy with impressive wins. However, the battle for the

Season Championship was nip and tuck between the winning skipper Jim Millard and Walt Nial. The two boats were tied going into the last race. In the final race Walt jumped off to an early lead which he and his crew were able to maintain until the last yard when Jim Millard's boat went ahead to win in a photo finish.

The "Vintage" Trophy contest for the best of the wooden boats again provided plenty of excitement. Harold Hansen sailing *Rocky* proved his consistency and earned the title of best of the wooden boats.

The annual Race Week was held in July with four visitors from Great Sacandaga Lake coming to Galway Lake for the evening races. The weather was not in our favor and two races had to be cancelled. Rob Klug and Rick Klug from Sacandaga again showed their skill by winning the Visitors' Trophy, but Dale Brown really made them work for it this year.

In general the weather was the best in many years and all enjoyed the fine sailing and rivalry not only between the Lightnings but also with the Snipes which started ten minutes before the Lightnings and with the Flying Dutchmen.

## PENTWATER LIGHTNING FLEET (340)

### Michigan District

#### Sailing on Lake Pentwater at Pentwater, Michigan

Fleet Captain ..... Jim March  
 Fleet Secretary ..... Bill & Gail Bluhm

Boat No.	Boat Name	Skipper
9259	Took	Mary Ann Bates
9412	Alethia	Douglas S. Basler
10071	Wiki-Wiki	Peter Northrup
10606	Willi Waw II	Don Lambrix
11134	Frantic	Milford M. Miller
12104	.....	James March
12177	.....	Chris Cowles
12371	Greased	Cliff Dibelka
12372	.....	John Scott

The Pentwater Yacht Club Lightning Fleet 340 sailed two races on Pentwater Lake every Sunday starting June 17 and the final race on August 19. The number of boats racing varied from a low of three to a maximum of seven.

The season was divided into two halves with the winner of both being Christine Cowles and crew with Don Lambrix and crew second. Jim March and crew third in the first half and Doug Basler and crew third the second half.

It was an enjoyable season and Lightning Fleet 340 is looking forward to an even better season in 1980.

### I.L.C.A. Official Pocket Patch

13144	.....	Bob Novak
13225	Free Spirit	Gene Matthews
13235	.....	Paul Palmer
13309	.....	Bruce Goldsmith

The report from Lake Geneva this season is short but, unfortunately, not sweet. For the first time, due to a dearth of contests and contestants, there is no fleet champion. There is no runner-up, no series winner, no awards banquet. Ironically, this occurs at a time when Fleet 345's roster includes the current Midwest District Commodore, a past multiple North American and World Champion and a young lady who finished in the top ten at this year's ILCA Women's North Americans.

Strangely enough, the Club hosted another fine Oxie Memorial Regatta this summer. Attendance was good, the five races well run, and, although the locals could muster only four entries, visitors had a good time and were unaware that the group was in trouble.

Previous annual reports have indicated a growing problem with the supply of active racers. The club operates from a public park and is at the mercy of city policy which decrees that dropped moorings shall go to a waiting list of residents. Attrition has taken its toll and there has been little opportunity to recruit replacements.

Now for the good news.

Some members have put the idle weekends to good use on other waters. District Commodore Gene Matthews traveled to Milwaukee's P & T where he finished first, then to Green Bay's Evans for another win, and to Davenport's Polar Bear for a fourth.

Vicki Matthews, who crewed extensively for Bruce Goldsmith in the summer's campaigns, used his boat for an eighth place overall in the Women's North Americans, finishing first in one of the races.

Bob Novak had a fourth in the Indiana Open at Indianapolis, and a third at Davenport.

And Bruce Goldsmith capped a busy season with second place at the North Americans. He had a first at Savannah and a sixth overall in the Southern Circuit. He won the Indiana Northern Spring Circuit; was first at the Snowball at Buckeye Lake, Ohio; and won Davenport's Polar Bear. He had seconds at the Midwest Districts; at Lake Geneva's Oxie and at Pontiac, Michigan's BIG White Cap. Sherry Schiche and Vicki Matthews assisted Bruce in most of these efforts.

Young Jay Matteson, who regatta-hopped extensively last year and competed at ILCA's Junior meet, is away at college and inactive on the sailing scene.

A meeting is scheduled in November to discuss and act on the future of Lake Geneva Sailing Club and Fleet 345.

Loyal and hopeful Wisconsinites have a saying... "The Pack will be back!"

Also Fleet 345?

12849	Eh La Bas	Reginald Brooks
12935	.....	Kenneth Wallace
13421	.....	Thomas M. Barnett

Excitement has been the watch word of the 1979 racing season. It started as if it were going to be a repeat of the previous season which was dominated by our current Fleet Champion, Sputter Howard. However, toward the end of the season, Ken Wallace fought back to make it close. Many races were close and hotly contested. One race was so close, in fact, that Dick Williams

and Ken Wallace tied for first and Sputter Howard came in third only three feet behind. Wow! You can't ask for closer racing than that. Eventually, Sputter pulled out the Spring Series. The Fall Series has seen Ken Wallace take control and is leading in this series. At the time of the writing of this article for the Year Book deadline, four races remained in the Fall Series and the race for the overall Fleet Championship between Ken and Sputter is too close to guess who will come out on top. Third place in the fleet is also hotly contested. Dick Williams took third in the Spring Series, but Tom Barnett has come on strong in the Fall Series with a boat fresh out of the mold. The race for the 1979 silver at Fleet 348 is still very tight.

1979 has been a good year for recruiting Lightning skippers to replace those who have moved out of the Atlanta area. Seven owners have joined Fleet 348, two are second generation Lightning sailors. Bob White, son of a former club and Fleet 348 member, has joined us at the Lake Lanier Sailing Club. Cliff Haughey, son of the gentleman who designed the Lightning for Sparkman and Stephens, has brought a restored wooden Lightning to Fleet 348. Chuck Fatheree, John King, and David Welchel, new Lightning owners have also joined Fleet 348. Bob Proffitt and David Pitts, co-owners of boat 9568, also came on board in 1979.

The Atlanta Cup held on October 6-7 was won by Bob Wardwell who came out of the Mississippi Valley District and Chattanooga, Tennessee to take the Cup from Southeast District skippers. While participation was off from last year, as it has been all around the District in 1979, boats came from many Southeast District cities and three other Districts: the Southern, Florida, and the afore mentioned Mississippi Valley District. The weather cooperated nicely with winds mostly between 25 and 30 mph, and occasionally as low as 15 mph.

Fleet 348 is looking forward to 1980 and good racing on Lake Lanier.

13113	Mirage	Tom Varley, Jr. & Sr.
13250	.....	Jim Dressel
.....	.....	Dr. Charles H. Wolfgang

Congratulations are in order for Warren Schieser who won the Club Championship for the second year in a row. Warren's crew, his wife Jane and Kurt Finney, pulled all the right strings to keep them out in front most of the season as Warren won the Spring and Summer Series. Warren also took a second in the Harvest Moon Regatta at Atwood Lake. There were not enough races sailed in the Fall Series to establish positions.

Tom Varley won his share of races this year and ended up the season with a second in both the Spring and Summer Series. Unfortunately for us, Tom took a position in Chicago and will be relocating there, but, hopefully, we will see the Varley family racing again next year.

The Schwartz's took a third in the Spring Series, a fourth in the Summer Series, and closed the season out with a Labor Day weekend victory. Jim and Mary were transferred to the Philadelphia area where a sailing club there will gain some active sailors.

While Ed Whiteman was always waiting around for the leaders to make a mistake, he took fourth in the Spring Series, third in the Summer Series, and placed third in the Mayor's Cup competition. The Rogers' took a fifth in the Spring Series even while enjoying their family cruiser on Lake Erie. Bill McCarthy took a fifth in the Summer Series and swept the 4th of July weekend races.

It was always good to see the fleet at the starting line especially during the Summer Series when the fleet participation averaged better than 50 percent. We are already anticipating next season, looking forward to sailing with our new members.

Lightning folks are "in" to more than just racing. You'd better believe it! Because our attendance at Hoover Yacht Club social events and our excellent racing activity topped all the other fleets at Hoover, the Lightnings won the All-Club Participation Contest. Good for us!

When we weren't racing or keeping pace with club affairs, we managed to meet about once a month for a Lightning party or brunch or dinner "on the town" or moonlight sail or whatever. Thanks to all those who helped arrange these gatherings. And- we'll be doing the same routine during 1980!

### MARINE CORPS D & E COMMAND (354)

#### (Quantico Yacht Club)

#### Dixie District

#### Sailing on the Potomac River at Quantico, Virginia

Fleet Captain . . . . . John Morgenstern  
 Fleet Secretary . . . . . John Morgenstern  
 Fleet Champion . . . . . John Morgenstern  
 Runner-Up . . . . . Terry Traywick

Boat No.	Boat Name	Skipper
9772	Montezuma	Terry N. Traywick
10979	Morningstar	John Morgenstern
11087	Spirit	Bernard M. Sisson
10544	Leatherneck	Marine Corps, Michael N. Shahan

Fleet 354 got off to a bad start this season. On Easter Sunday, in gusts of 35 MPH, one boat overturned and later was declared a total loss. A second

boat broke a mast, then found 1000 gallons of crude oil which had drifted to the shore line causing the boat to be beached.

Only two boats traveled to a number of regattas and the only silver was brought home by John Morgenstern from the Smith Mountain Invitational. (If you have never sailed there you should try it — it's beautiful.)

Members of Fleet 354 were busy this year as we continued to conduct sailing classes in the five workable Marine Corps Lightnings. A total of 85 new Lightning sailors received their sailing permits and we hope, in this way, to do our part in maintaining a strong Lightning Class.

The 27th Annual Frostbite Regatta was sponsored by the Marine Corps Base and hosted by the Quantico Yacht Club. We were sad that only 25 boats showed; however, we feel that if participants tell their friends of this year's event with plenty of beer, snacks, and a steamship round dinner, followed by a tremendous party in our club until 4 a.m., next year we may come back to "Class" for good.

A new trophy was started this year; it is the Dr. James Gilbert Perpetual Trophy for the sailor in 10th place. This year, we presented the trophy to Doc Gilbert since we recognized that he has attended 26 of the 27 Regattas at Quantico and the year he missed, because of a heart attack, his boat nevertheless was entered and raced.

Race committee Woody Woodbury, Kitty Racine, and Rusky Arcuni did an outstanding job. Following the three races, in light-to-fair winds with much tide, the silver went to: Jay Lutz, first; Dave Ruiter, second, Don Delorme third; Jim Carson, fourth; and Dick Hallagan, fifth. The Fred Slovak Memorial Trophy for Middle of the Fleet went to Terry Traywick of the Quantico Yacht Club.

12637	Waggu	Rudolf, Urs, & Peter Wyler
12638	Snovsen	Ernst Ruch
12639	Andy	Heinz Thuler
12951	Santa Fiamma	R. Fluhmann & M. Divernois
12952	Noa IV	Peter Bernasconi

For our fleet this year's activities were centered around two regattas, the Pfauencup and the Criterium-Aventicum.

Pfauencup. Good wind conditions allowed good sailing in four races of the "Pfauencup". The large number of participants in this regatta made it one of the best in the country. In addition, the raclette evening, which was transferred from Mr. and Mrs. Divernois residence to the SCM clubhouse, due to the cool weather, was another factor in making the occasion such a success.

*Tight competition at the windward mark at the "Pfaucup."*

Criterion-Aventicum. Our Fleet Championship took place again at the Criterion-Aventicum. With winds between four and six and beautiful weather conditions, our fleet participated in four races. The Wyler-Wyler team clearly dominated the Championship ahead of the Schmid-Buchsacher-Hofer and Bernasconi-Kipfer-Baumgartner team.

Six boats participated in the Swiss Championship on Lake Greifen, thanks to the effort of E. Schar and U. Wyler. A masterly achievement was done by the Scharer brother, obtaining ninth place. The Wyler-Wyler team in second place and Schmid-Buchsacher-Hofer team in fifth place also did well in regard to the very difficult wind conditions. First and Swiss Championship for 1979 is Adam-Pfister-Koller team.

It is certainly worth mentioning, that the Fleet Champion, Urs Wyler, also was the winner of the Year's Championship, this happening for the fourth time since 1973.

9533	Lanakila	K. K. Maltman
9782	Vishnu	Robert Bazett
9853	Frolic	James MacDonnell
9856	.....	Doug Gillett

**OKANAGAN LIGHTNING FLEET (368)**  
**Pacific Northwest District**  
**Sailing on Okanagan Lake at**  
**Kelowna, British Columbia, Canada**

Fleet Captain ..... Robert Bazett  
 Fleet Secretary ..... Doug Gillett  
 Fleet Champion ..... Robert Bazett  
 Runner-Up ..... Doug Gillett

<b>Boat No.</b>	<b>Boat Name</b>	<b>Skipper</b>
9267	.....	Alf Puder
9532	Cataquil	Roger Triance

The 1979 sailing season was a very eventful one for Fleet 368. At the beginning of May a group of dinghy sailors, including several from the Lightning Fleet, opened the Central Okanagan Sailing Association. This facility provides the first dry land moorage in our areas.

In out of town racing action, three of our members returned home with hardware. Our most successful skipper was Neil MacGibbon who seemed to spend the whole sailing season traveling to the various events. Neil managed to bring home three firsts and two thirds for his efforts. Jim MacDonnell justly won the top rookie award at the Pacific Northwest Districts and Robert Bazett managed a second place finish at the Lake Chelan Regatta.

Our Fleet Champion was decided on the basis of a five race Regatta held in mid-September. Unfortunately, only three races could be sailed due to the light winds. The final results showed Robert Bazett to be the winner with Doug Gillett as runner-up.

The 1980 sailing season is shaping up to be a very busy one. For the first time, both the Canadian and North American Championships are to be held on the West Coast. Hopefully, these events will help to promote the Lightning Class in our area.

## SAN FRANCISCO BAY AREA FLEET (372)

### California District

#### Sailing on San Francisco Bay, California

Fleet Captain ..... Bruce Hanover  
 Fleet Secretary ..... Mark Patty  
 Fleet Champion ..... Mark Patty  
 Runner-Up ..... Bruce Arnold

Boat No.	Boat Name	Skipper
8736	Pangloss	Doug Moler & Sarah Collins
9169	Genie II	Bill Hole
10481	Sweet Okole	Bob Smith
10809	Thunder Chicken	Jack McCarthy
11511	Peppermint Patty	Bruce B. Arnold
11514	Molly	Samuel T. D. Anderson, M.D.
11744	Ko Kru	Dan Milligan
13243	Raggedy Ann III	Mark D. Patty
13246	.....	Bill Hole

The San Francisco Fleet has a year round sailing schedule, although the bulk of the activity seemed to come in the late summer this year.

Mark Patty won the Richmond Winter Series which is sailed on the first Sunday of each month, November through March. The "real" season opens in mid-March with the Lake Merced Regatta, kicking off our heavy trail-and-sail schedule. This year, Jack McCarthy won the opener, which also is an excellent tune up for the California Circuit.

Returning from the good time on the California Circuit and with varying degrees of success, gaps in the schedule were closed with some local, informal regattas at Half Moon Bay and Lake Del Valle. Bill Hole won the Half Moon Bay event; Bruce and Heidi Brown were awarded the Starkey Perpetual for Del Valle. Heidi crewed on the first place boat and Bruce crewed on the second place boat and that seemed to fit the deed of gift.

The Pacific Coast Championships were hosted on San Francisco Bay by Richmond Yacht Club again this year. We were at maximum gasoline crisis at the time (the \$1.00 a gallon prices were something new) so participation was down. But all the hotshots showed and both Districts were well represented. In truly hospitable fashion, we allowed the visitors four of the top five positions: the Championship was won in a runaway by Charlie Gotschalk from San Diego; Dennis Torgeson from Portland and Ken White from Klamath Falls finished second and third. Our own Mark Patty finished fourth followed by Myron Lyon of San Diego. The racing conditions featured something of everything except for a fifth race that was cancelled due to not enough of anything. The Richmond Yacht Club effort was as impeccable as always.

Once the season had wound its course through the regular regattas at Santa Cruz, Clear Lake, Inverness, Richmond, Palo Alto, Monterey, and Alameda, Mark Patty with crew Stan Starkey and Heidi Brown emerged as Fleet Champion. Bruce Arnold with wife Sue, and alternating sons, Rand and Kevin as crew, pushed hard at the end of the season and finished second in Fleet standings. Stan Starkey went to Texas for the Worlds as crew for his Swiss friend, Christoph Luthy. Unfortunately, their teaming wasn't as successful as the year before when they placed second in the Europeans. Bruce and Martha Hanover went to Texas and decided to stay there! Rush Creek's gain is certainly our loss as we wish them the best of luck. The Arnolds and the Smiths remodeled their houses, while the Pattys manufactured their first born, Scott.

## DOUGLAS LAKE LIGHTNING FLEET (374)

### Michigan District

#### Sailing on Douglas Lake at Cheboygan County, Michigan

Fleet Captain ..... Earl Peters  
 Fleet Secretary ..... Linda Orlow  
 Fleet Champion ..... Tom Orlow  
 Runner-Up ..... Bud Osgood

Boat No.	Boat Name	Skipper
9394	Spirit	Manley Osgood
9663	Daddy-O II	Maurice Olsaver
10198	Mer Sea	John G. Young
12178	Jaclyn	John E. Schulte
12754	Shrub	David O. Peters
12755	Spirit	Garry Demarest & Jeffrey Prince
13015	Don Quixote II	Howard Eddy
13123	Mod-Mid	Earl J. & Richard J. Peters
13174	Deliverance	Tom L. Orlow
13176	.....	John Johns & Terry Timm

This was another good year for Fleet 374. As usual, the sailing conditions were ideal. We enjoy a relatively large body of water with consistent winds and a relatively underpopulated lake. If ever there were a "Lightning Lake", this is it. Our only problem is our collective inability to take our lake home with us as most of us spend our winters elsewhere.

We are proud of our fleet in terms of the contributions and accomplishments of our members. This year, for the first time, we held our First Invitational Regatta, July 7-8. It was a fun four-race series with perfect sailing conditions and an enjoyable dinner Saturday night. We all enjoyed an interesting report of the Worlds from our Race Committee Chairman and ILCA President Dave Peters. We have all benefited in our own fleet and as a class from Dave's dedication to Lightnings. Our congratulations to Les Kastura who won our Regatta and Rick Peters for a strong second place finish. We are planning to hold it again next year and encourage you to join us. In terms of other accomplishments, three Fleet 374 members qualified for the North Americans in Cleveland this year. They were John Johns, Garry Demarest, and Dave Peters. John Johns was the 1979 Michigan District Champion. Tom Orlow won the boat-for-boat race from Cheboygan to Bois Bland Island against a field of 13-36 footers.

We are always interested in promoting the class and local participation. This year we welcome Jack Schulte of Detroit and his fine crew, daughters Laura and Linda.

Rick Peters won the Labor Day Trophy and Jack Young was runner up for that award

In summary, it was a great season of good sailing, good competition, and fun. We hope many of you will be with us for our regatta next summer and if you are in the area vacationing stop and visit and sail!

## BRASILIA (375)

### Brazil District

#### Sailing on Lago de Brasilia

Fleet Captain ..... Mario Brandao Cavalcanti  
 Fleet Secretary ..... Ralph de Vasconcellos Rosa  
 Fleet Treasurer ..... Walter Reinicke  
 Fleet Champion ..... Walter Reinicke  
 Runner-Up ..... Mario Brandao Cavalcanti

## LANSING SAILING CLUB FLEET (387)

### Michigan District

#### Sailing on Lake Lansing at Haslett, Michigan

Fleet Captain ..... Robert MacDonald  
 Fleet Secretary ..... Jeanette MacDonald  
 Fleet Champion ..... Robert Hill  
 Runner-Up ..... William Celio

Boat No.	Boat Name	Skipper
3618	Big Mac	Robert MacDonald
5885	Red Baroness	Raymond Yerkie
8250	.....	Max R. Hoffman, Jr.
11488	Diligence	Robert Hill
12328	.....	William J. Celio

This year's Tune-up Regatta was the first regatta of the Southern Michigan Circuit. Hank Hodgson took first and Bob Knop second. There was a three-way tie for third among Mike Dow, David Furey, and Jack Tibbs. Mike Harvey was the best from the local fleet coming in ninth.

We have managed to sail around the dredge that has been working all summer to deepen the lake.

The Labor Day Regatta was fun because most of the Lightnings in the club were there. The results were marred by protests and appeals. However, it was a good season overall.

**LAKE HARTWELL FLEET (391)**

**Southeastern District**

**Sailing on Lake Hartwell, Anderson, South Carolina**

Fleet Secretary ..... Jim Marlow

**MANITOWOC LIGHTNING FLEET (393)**  
**Midwest District**  
**Sailing on Lake Michigan at Manitowoc, Michigan**

Fleet Captain ..... Ron Schaper  
 Fleet Secretary ..... Bob Waid  
 Fleet Champion ..... Ron Schaper  
 Runner-Up ..... Karl Miller

Boat No.	Boat Name	Skipper
2326	Inheritance	Walter C. Arndt
9763	Circa	Billie E. Williamson
9823	Hunky Dory	Robert A. Waid
10632	Jaws	Ronald Schaper
12179	Captain-C	David Wilhelm
12380	Flatus	Karl M. Miller

The summer of '79 marked another great season of racing on Lake Michigan for Fleet 393. Perennial Fleet Champion, Ron Schaper, with crew Tom Bennin and George Perry, did it again this year. It was close though. Karl Miller, with crew John Chadie and Kurt Miller, gave him a run for the silver right down to the last race.

The season opened with our own Icebreaker Regatta. Although lightly attended due to the uncertain weather on Lake Michigan in early June, the racing was close. Rick Larson from Sheboygan did his usual number on us and took first but Ron Schaper and Bob Waid were right on his rudder taking second and third respectively. Ron was so excited he armed himself with a fresh roll of duct tape and took fourth in the Evans Regatta on Green Bay two weeks later.

*Manitowoc's Champs checking the water. Ready for the Icebreaker?*

Racing in Fleet 393 is growing both in quality and quantity. Any one of the five crews in the fleet is capable of winning any race and we expect to add three new boats for 1980. There are enough war stories to keep the arguments flying around the yacht club all winter, but everyone is anxious for the ice to go off the big pond so we can get back on the field of battle.

**ST. MARYS LIGHTNING FLEET (400)**  
Ohio District  
**Sailing on Grand Lake St. Marys, St. Marys, Ohio**

Fleet Captain ..... Addis Katterheinrich  
Fleet Secretary ..... Dr. Robert Wilkins  
Fleet Champion ..... Phil Cornett  
Runner-Up ..... Addis Katterheinrich

Boat No.	Boat Name	Skipper
6142	Indescribable	Steve Schieltz
9393	Follow Me	John Tilton
9884	Sandbagger	Bob Kruger
11515	.....	Roger Henkener
11777	.....	Dr. Robert Wilkins
12296	.....	Addis Katterheinrich
12620	.....	Philip M. Cornett
13412	.....	David Slabodnick

Our club races Portsmouth Handicap with all classes, however Lightnings almost dominated the top places of both series.

Results of series one: Cornett first; Katterheinrich, second; Tilton, third.  
Results of series two: Wilkins, first; Cornett, second; Kruger, third.

In addition to our club series, we held our annual Thundermug Regatta. The top four were: Jim Dressel, Addis Katterheinrich, Mark Wilkins, Ron Schulster.

We also hosted the Ohio District Championships, the results to be found elsewhere in the yearbook. However the top five were: Willy Petersilge, Bill Buckles, Rob Ruhlman, George Fisher and Jim Dressel.

The Fleet wishes to thank all those who helped to make our regattas a success.

Fleet Secretary ..... Donald A. Boon

Boat No.	Boat Name	Skipper
5148	Evenlode	Donald A. Boon
6808	Cluthia II	Alan Stouffer
8033	Valium V	R. Filsinger
10125	.....	Graham Misner
10200	Brig-o-Don	D. Glenny
12300	Puffin	D. Smith

A season of "good" sailing weather on the Upper Niagara River was detrimental to the Lightning Fleet Championship series. With only one scheduled club race cancelled by inclement weather, the socially active Lightning sailors were too busy to be able to participate in a sufficient number of races to be able to meet the 60 percent requirement qualifying them for a Fleet Championship.

Des Smith won the final club handicap race of the season which earned him the Molson Award for winning the Commodore's Regatta. He finished ahead of 14 other boats, all Albacores and Fireballs.

Two Lightnings qualified for the Club Handicap Series, Des Smith finishing in a tie for sixth, while Dieter Weinmann ended the season in ninth place.

The annual Fleet meeting, which was a pool party at the Glenny's, and a Powder Puff race, followed by a spaghetti supper, which was sponsored by the Fleet, were both social successes, with the latter event being a financial one as well.

Six boats participated in the racing this year with three different boats winning at least one race; this made for some exciting and interesting matches. We hope it is an omen of better and more racing in 1980.

**TRIAD LIGHTNING FLEET (415)**  
Southeastern District

**Sailing on High Rock Lake at  
Lexington, North Carolina**

Fleet Captain ..... Kenneth Lawder  
Fleet Secretary ..... Henry M. Boone  
Fleet Champion ..... Corky Gray  
Runner-Up ..... Henry M. Boone

Boat No.	Boat Name	Skipper
4582	Galadviel	Stephen M. Murphy

12776	Donnybrook	Clayton "Corky" Gray
12281	.....	Sam Boone
13140	.....	Henry M. Boone

Fleet 415 has had a building year with many of our good skippers having opted to sail the very active Southeastern District circuit. However, our winds were good this year and several new sailors are helping to improve our competition.

Our season started in April with eight Lightnings on line. As usual, Corky Gray led the pack with Len Lawder and his family pushing for second place, followed by Henry Boone and Ralph Mills.

In contrast, our second week-end of racing brought howling winds which kept most of the boats on shore. Henry Boone finding the winds too strong for a green crew sailed to win on main alone while others went swimming.

All in all, it was an up-and-down year with the fleet having some weak and some strong showings. Nevertheless, we are looking for a strong build-up for next year from our new sailors.

12709	Second Wynd	Henry "Pete" Russell
13145	.....	Harold L. Hintz
13258	Schmoo	Leonard Krawcheck

This year the Greater Charleston Lightning Fleet showed great success. Lenny Krawcheck placed 1st in the Southeastern Districts at Camden. He was followed by fleet member Pete Russell in 3rd place. Lenny also captured the Southeastern District Circuit Championship. George Scarborough of the Charleston Fleet finished 3rd.

Pete Russell sailed in Dallas in the Worlds and finished 22nd, while

Lenny Krawcheck placed 23rd in the Blue Fleet of the North Americans.

The Second Annual Ice Breaker Regatta was a great way for skippers to warm up for the Deep South. Jeff Boyd of Canada won the event, which is held the weekend before Savannah.

Our Lightning Invitational in August was sailed in light wind. Sputter Howard won the regatta with consistent finishes of third, fifth, and seventh.

The Charleston Fleet has sponsored a special trophy. It is determined by finishes in our two open regattas and our invitational. The three events decide our Fleet Champion as well as stimulate fleet interest. George Scarborough won this first year and was followed by Pete Russell. Competition for the fleet trophy will be greater in 1980 with the addition of new skippers, Fred Martschink, Saul Krawcheck, and Jack Deas.

The Charleston Fleet extends our invitation to everyone interested in our Ice Breaker regatta and we look forward to hosting the 1980 Southeastern Districts.

Fleet 440 continues to be blessed with a wonderful sailing environment. 1979 provided us with moderate weather, fine breezes, and excellent competition. Our excellent location in the geographic center of the Southeastern District allows us easy access to all of the Lightning Regattas. Our climate permitted us to begin our season in early March following the Deep South and continued on through November culminating with the recognition of our new Fleet Champion, Wayne Catoe.

Numerous activities included fourteen fleet races, an invitational regatta, a fleet recruiting day, and a Lightning training weekend. Using the techniques brought to our club by USYRU Instructor, Dave Perry, we conducted a Friday through Sunday training session which provided learning for even our most experienced sailors. Our training weekend is now a permanent activity on our annual schedule.

An even more exciting activity was our first recruiting day to entice sailors to buy a Lightning. Paul Rodesiler began the day with a lecture-demonstration on the positive aspects of the Lightning over other boats. We raised all sails and conducted maneuvers on dry land. Twenty non-Lightning sailors participated. We then took our recruits on the water to give them a real-life experience. The winds were blowing about eighteen knots — great weather for novices. Our best sailor, due to a communication error, turtled his boat. He re-couped immediately by demonstrating how to right a Lightning and sail it dry to the amazement of his novice crew. Now we all know why Don Babb is our best sailor.

Southeastern District representation continued at a high level with members attending every District regatta. Our club hosted the 1979 SARYA Championship. We are pleased to congratulate Wilburn Brewer (11412) for winning second place out of eleven clubs represented with Lightnings.

We continued our active emphasis on growth, resulting in the addition of Bill Malin, Bill George, Chuck Minges, and Bondy Long to our fleet. Stan Jacques, our 1979 Fleet Captain, moved to Texas and, before he left, he recruited a new fleet member. We also have prospects for additional growth this winter and plan to concentrate on the acquisition of quality equipment for our prospective members.

Finally, we would like to sign off with an invitation to our Lightning Invitational in early May, 1980. Plan to shed the gray and cold of winter and join us next spring for a refreshing dose of Carolina wind and sunshine.

## LAKE ARTHUR FLEET (441)

### Lake Erie District

#### Sailing on Lake Arthur at New Castle, Pennsylvania

Fleet Captain ..... David Knapp

Boat No.	Boat Name	Skipper
4582	.....	Steve Murphey
10081	C'Est La Vie	David R. Weill, III
10241	Red Baron	J. Richard Porter
10339	Landler	David V. Knapp

After several years of inactivity our fleet is moving ahead again.

Our spring series started in early May and featured the Moraine Sailing Club's Spring Invitational Regatta. The Lightning Class was represented by six boats (six more than last year). Marshall Sansbury won the regatta which had mild temperatures and plenty of breeze. Our summer series gave us plenty of light air experience but the fall sailing was worth waiting for. We had a long beautiful indian summer in the Pittsburgh area and had ideal sailing conditions almost every weekend of September and October. Our fleet was well represented at the Sailing Club's Awards Banquet in November.

We're planning on more activity next year and always welcome visitors and new friends.

12557	Elsie	Ernesto Martinez
12768	.....	Dr. Ricardo Crespo

Fleet 447 was very active this year. Four crews participated early this year at the Regatta between Club Nautico del Muna and Club Nautico San Pablo held at Lake Pomine near Bogota. We enjoyed the hospitality very much, but had to contend ourselves with places sixth to ninth.

The next event was our Fleet Championship in April, which served at the same time for qualifying for the Annual Regatta between Ecuador and Peru, which this year happened to be at the San Pablo. A report was published in the July *Flashes*.

Activities started again after holidays with qualifiers for the next event, again Club Nautico del Muna-Club Nautico San Pablo, held at Lake San Pablo during the first week of November. This time Andres Lisocki took first back to Bogota; second was Lars Dyck followed by Martinez, Ramsurer, and Crespo all from San Pablo. From December 6-9, the District Championship will be sailed at San Pablo.

Dieter Dyck participated in the South American Championship in Ancon, Peru, and the Dunlop Regatta at Vina del Mar, Chile.

13414	.....	Roberto Crucitti
.....	.....	Alfonso Pastorino

This year, as in the past, we have had many important regattas in which many boats and crews have taken part. Among the most important we have to remember is the Campionato Siculo-Calabro which was won by De Vita and the Capo Boeo's Cup won by De Vita. Perhaps the most interesting race was the Winter Criterium in which our Swiss friends participated and succeeded in getting the first positions. Our fleet this year is going to be modernized and new boats are almost ready for the new competitions.

Robert Crucitti participated in the Worlds in Dallas.

### ANDROSCOGGIN LIGHTNING FLEET (450)

#### New England District

#### Sailing on Lake Androscoggin at Wayne, Maine

Fleet Captain ..... Bob Foster  
 Fleet Secretary ..... Clinton P. Carhart  
 Fleet Champion ..... George Place, Jr.  
 Runner-Up ..... Bob & Lynn Foster

Boat No.	Boat Name	Skipper
67	Nuclear Phyllis	Richard Hoddinott
70	.....	Stefan M. Pakulski
82	Slain Lat	Clinton Carhart
7896	Mirage	Bob Foster
9980	Countess II	Peter J. Leadley, M.D.
10830	.....	Charles M. Jackson
12194	Phoebe	George Place

The Androscoggin Fleet out of Wayne, Maine had a total of 11 races this summer with five or six boats, out of a seven-fleet total competing each week. George Place in *Phoebe* retained his Fleet Championship for another

year, with Fleet Captain Bob Foster as runner-up again. They are hard to beat, but we all keep trying. In one race Carhart in *Slain-Lat* picked up two places by a short cut behind a rock ledge, with the opponents claiming he unfairly used local knowledge. At least, that was the beer talk afterwards!! Poor weather caused three weeks of cancellations but we made them up by having five races the last two weekend. Clint Carhart was out of action in July with a bad back but managed a tie for fourth overall thanks to a fair showing in the Labor Day sails. All in all, it was a good season.

It ended on a sad note on Labor Day Weekend when *Slain-Lat* began to leak badly after some tight sailing, and when she was hauled, severe rot was discovered along one chine with three ribs gone as well. The cost of repairs is prohibitive, so #82 is laid to rest. (ILCA please note.) There is a possibility of a bare hull being available, so with 82's mast and fittings, *Slain-Lat II* may be sailing in 1980. We all hope so.

### FLOTTA DEL TRASIMENO (453)

#### Italian District

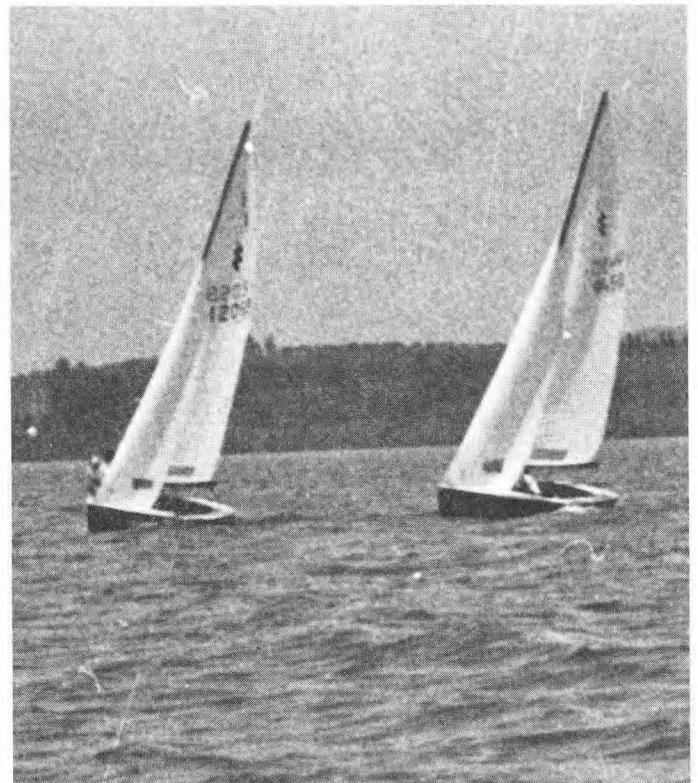

#### Sailing on Trasimeno Lake, Italy

Fleet Captain ..... Paolo Rosi  
 Fleet Secretary ..... Fabio Nicchiarelli  
 Fleet Champion ..... Franco De Regis  
 Runner-Up ..... Sauro Sarpocchi

Boat No.	Boat Name	Skipper
8621	Lilian	Paolo Nebbiai
9953	Fifi	Paolo Barbacci
10916	Corsaro Biondo	Sauro Sarpocchi
11244	Winy I	Paolo Barbacci & Francesco Coscia
12059	Arecnames	Fabio Nicchiarelli
12297	Gargantua	Franco & Massimo De Regis
12968	.....	Mauro Salvetti
13061	Lola	Mauro Salvetti
13062	Winy 2	Paolo Rosi

For Fleet 453, 1979 has been a very binding but also a very interesting and pleasant year.

From April 23-27, we hosted the Italian Championship which was splen-

Fabio Nicchiarelli in 12059 takes the lead.

didly organized by Club Velico Trasimeno. For the adverse atmospheric conditions, the regatta was very pressing as crews and boats had to work very hard.

Merola — Lo Sardo — Lo Sardo won the Championship, but the level of improvement of the mid-fleet was remarkable.

Franco De Regis, Sergio Rustichelli, and Stefano Rosi are the Champions of Fleet 453; they gained the Moratti Trophy and took fifth place at the Italian's (a very good result!).

13098	Vipunen	Lauri Hamalainen
.....	.....	Jarmo Maenpaa
13413	.....	Pertti Pyy

The past year has been full of action for Fleet 456. During the winter we

B-Champion, Heikki Kirjavainen, with his crew at the Europeans.

Photo Credit — Martti Kirjavainen

had our monthly meetings full of sailing theory and happy time together. In March, Ritva and Pertti Pyy took a flight to Florida after they had been looking at our sailing water covered by two feet of ice and three feet of snow for three months. They sailed the Mid-Winters at Savannah, Sanford, and St. Petersburg, and their crew was the Laitinen family.

Our biggest regatta, On the Rocks, was hosted in the middle of May and between the races we had a very successful grill party.

Pertti Pyy and Hartti Nisonen represented the Finnish District in the Worlds. But most of our skippers aimed at the Finnish and European Championships held in Kotka and Helsinki, not far from our sailing water. In the Districts, *Punkku* and *V.I.P.* took gold in the team race and *Punkku* skippered by Heikki Kirjavainen was third in the personal competition, an excellent result for a team sailing Lightning for their first season. In the Europeans, Fleet 456 had 12 boats among the 46 total. I suppose that it is a record in its class! The best was again *Punkku* at sixth place. *Asterix* skippered by Hartti Nisonen was tenth. Our Fleet also organized maybe the most tasteful evening party during the European Championships.

We have gotten three new hulls during the past season, the last one from America is the newest one for the family Pyy.

Well, we have had a very busy time and now we are collecting energy for next season.

### GRANITE LAKE FLEET (457)

New England District

Sailing on Granite Lake at Keene, New Hampshire

### UNION LAKE YACHT CLUB LIGHTNING FLEET (458)

#### Michigan District

#### Sailing on Union Lake at Union Lake, Michigan

Fleet Commodore	.....	Fred Paski
Fleet Secretary	.....	Carol Hachlinski
Fleet Champion	.....	Fred Paski

Boat No.	Boat Name	Skipper
2884	For Sail	Don Farmer
10388	The Red Baron	Ray Aird
11090	Turtle IV	Henry Hodgson, Jr.
11216	.....	Dale Mahrle
12288	Brian's Song II	Brian Hussey
12534	Go Blue	John Crawford
12645	Luff Affair	Ron Sievertson
12891	Rainbow Sunday	Ralph Waibel
12927	.....	Erwin Schwarze
12928	Limelighter	Fred Paski
13397	.....	Brian Hussey

We had a very successful season with a change in our format. We were hosts for a Michigan District Invitational Regatta for the FIRST time in our 10 year history. The turnout was a very good 17 boats, not bad for a first time regatta. The winds were very cooperative especially for the second day with gusts up to 35-40 mph. There were not too many chutes flying, but Henry Hodgson came flying thru to take first prize.

Our Club Championship was sailed during the 4th of July holidays and the winner was our Commodore, Fred Paski.

Two special regattas were sponsored by The Little Brown Jug Tavern and Magoo's Tavern. The Brown Jug Regatta was sailed in August and was won by Dale Mahrle. The Magoo's Regatta was sailed during Labor Day weekend and the winner was Brian Hussey. A good time was had by all at both regattas, particularly the beer drinkers. Fleet 458 is looking forward to hosting their second Michigan District Invitational during 1980 and we extend a cordial welcome to all Lightning skippers and crew.

### WATEREE LIGHTNING FLEET (459)

#### Southeastern District

#### Sailing on Wateree Lake at Camden, South Carolina

Fleet Captain	.....	Hal Storey
Fleet Secretary	.....	Robert Rowan
Fleet Champion	.....	Hal Storey
Runner-Up	.....	Robert Rowan

Boat No.	Boat Name	Skipper
10516	Lucky Strike	Harold J. Storey
10599	Lightning Bug	Frank W. Oglesby
11553	Nan-Sea	Samuel J. Cheek
11821	Iron Butterfly	Robert A. Rowan
11914	Seven C's	William Canniff
12742	Gail Wind	William S. Marshall

This year Fleet 459 was privileged to host the Southeastern Districts on June 8-10, for twenty-two Lightnings. A different skipper won each of the four races. The quality of the competition is demonstrated by the fact that nine of the top ten competitors are former North American Championship sailors, and the tenth won last year's Atlanta Cup. Lenny Krawcheck, from Charleston, took top honors, closely followed by Sam Cheek. Bill Marshall, with ninth, was our other top ten representative. We initiated a special trophy this year for the boat placing highest with a non-oval mast. Bill Canniff, finishing seventeenth, won it.

The majority of our sailing has been done at home this year, primarily in club handicap races. We did muster a Lightning fleet for the First Annual Wateree Sailing Club Fall Intraclub Regatta. Hal Storey placed first, Bob Rowan second, and Bill Canniff third.

Two of our tigers will be missing next year. Bill Marshall moved and joined the Lake Murray Club, and Frank Oglesby "graduated" to a San Juan 21.

We anticipate sailing in Sunday club races through most of the winter, and joining the Lightning Circuit for the Deep South next spring.

### NORTH FLORIDA LIGHTNING FLEET (461)

#### Southeastern District

#### Sailing on St. John's River at Jacksonville, Florida

Fleet Secretary	.....	Clifford Spohr
-----------------	-------	----------------

### LAKE WACCAMAW LIGHTNING FLEET (463)

#### Southeastern District

#### Sailing at Lake Waccamaw, N.C.

Fleet Captain	.....	Vivian Hollinshed
Fleet Secretary	.....	Bob Ames
Fleet Champion	.....	Charles Andrews
Runner-Up	.....	Vivian Hollinshed

Boat No.	Boat Name	Skipper
5564	Spiritus	Steve Small
11898	.....	Tom Hollinshed, Jr.
12798	Esperanza II	Robert G. Ames
12936	Lulu	Charles B. Andrews
13451	.....	Robert G. Ames

It has been a rather quiet summer sailing-wise. Due to the press of business and other things, I was unable to make more than two races. However, another old friend did not get into the water at all — that makes three seasons.

The highlight of the season was again our Annual District Lightning Regatta — highlights of which can be read in the *Flashes*.

We hope 1980 will be a better sailing season for Fleet 463.

**LAKE MONROE SAILING ASSOCIATION  
LIGHTNING FLEET (464)**

**Indiana District**

**Sailing on Lake Monroe at Bloomington, Indiana**

Fleet Secretary . . . . . Joe Mihelick

Boat No.	Boat Name	Skipper

**FLOTTA DEL CONERO (466)**

**Italian District**

**Sailing on Adriatic Sea at Numana, Ancona,  
Falconara and Senigallia**

Fleet Captain . . . . . Lino Moroni  
Fleet Secretary . . . . . Renzo Bozzi  
Fleet Champion . . . . . Alberto Vivani  
Runner-up . . . . . Bruno Roccheggiani

Boat No.	Boat Name	Skipper
9308	Agata	Bruno Roccheggiani & Andriano Pelonara
9602	Kandahar	Fausto Gherlantini
12427	Julia III	Alberto Vivani & Elvio Moroni
13346	.....	Bruno Roccheggiani

the Lightning. Other Lightnings are coming to sail at Falconara and new skippers want to buy the Lightning. These things have contributed to the success of Conero Fleet. We have two crews at the highest and best positions at National level. They are Vivani and Roccheggiani.

In June 1979, the Fleet organized the First Middle Adriatic Trophy Regatta. Sailing would be done on the sea in front of the beaches of Falconara (near Ancona). The attendance was great, 21 boats, even though we had a few problems running the races (wind, rough sea). Vivani - Moroni - Armeni (Falconara) won this regatta followed by DeRegis - Nicchiarelli - Rustichelli (Trasimeno Lake), Poeti - Massaccesi - Massaccesi (Senigallia), Roccheggiani - Bozzi - Favi (Falconara), Scarpocchi - Scarpocchi - Roberti (Trasimeno Lake).

We hope 1980 will be a wonderful year for this young Fleet.

**FLOTTA DEL LARIO (467)**

**Italian District**

**Sailing at Gravedona on Lake of Como  
North Italy**

Fleet Captain . . . . . Luigi Guicciardi  
Fleet Secretary . . . . . Luca Grisotti  
Fleet Champion . . . . . Claudio Motti  
Runner-Up . . . . . Luca Grisotti

Boat No.	Boat Name	Skipper
8618	Teresa	Renato Peona
8619	Cecilia	Carlo Lampugnani
8702	Lolita	Luigi Guicciardi
9450	Larus	Claudio Motti
9676	Mazzagallo	Ambrogi Dell'Era
12904	Molana 2d	Luca Grisotti
13348	Lady White Tina	Luigi Pellegrini

*The beaches of Falconara near Ancona.*

This year has been a very fine year for the Conero Fleet. In fact, we have seen a radical transformation. The new direction has provided to change the interests of the fleet members.

The Conero Fleet is becoming more representative among the other fleets in Italy. Young boys who use other boats are beginning to take interest in

This year, for the first time, two of our fleet boats, with many supporters, attended the Italian Championship in Trasimeno. This was a very cold and windy spring — so the heroes, in spite of a certain reputation of being scouts and skiers, had many shivers. Nevertheless, Motti finished ninth and Grisotti finished eleventh. Both were pleased and raced to the hot baths.

Our season burst out like the thunderstorms of early evening in the beginning of August. Luca Grisotti astonished the crowd by winning the "Domaso Cup" with over 65 boats participating and within the time allowance. Shortly afterwards, no less than three of our skippers, Grisotti, Pellegrini, and Motti placed in the huge fleet of 92 boats at Gravedona. These boats had come to Gravedona from all over to compete in the "Menotti Cup", another handicap. Motti was not content with winning the Fleet Championship, as he did last year; now he possesses the "Tolometti Cup" winning over 25 boats and also sailed under handicap. This cup was donated five years ago to the club for its Championship.

Let us now come to the "highlight" of our season, the "De Marzi Trophy" Regatta sailed annually between the Swiss and the Italians. As night-fall began on the evening of August 30, our friends from Trasimeno, Ancona, Garda, Zurich, and surrounding areas began to fill the Caffè Centrale, our usual meeting place.

It was dawn when De Regis reached the small harbor and by one o'clock the next day all of the 14 contestants were ready and on the starting line. A fantastic breeze blew from the south during the whole series resulting in pleasant 19 to 20 knot winds. Vivani won both races which were sailed back to back.

In the evening a merry gang of sailors met at Ristotante Pescatori where we enjoyed the fishes of the Lake and the wines of Valtellina. Following our dining we gathered at the club to view the film, "Quarant'anni". This film was produced last year by ourselves. The guests were very fond of the beautiful pictures and enjoyed the "gags" too.

The next day Vivani repeated his victory. He is a clever and skillful skipper and his heavy and tall crew is at the top in our European competition. However, we did see many good sailors: the terrific Motti's and Roccheggiani's and Nicchiarelli winning back ground made a great sensation. Vivani was the winner over Weilenmann, Roccheggiani and Motti. His victory this year was more important than the one of the Italian District because of the short weight of the Swiss team.

At the trophy presentation, our dear friend Schraner promised that he would spread the good news of Gravedona among the Swiss Mountains. In fact, they cannot help loving this village, this wind and these people.

**VALKEAKOSKI LIGHTNING FLEET (468)**

# Registry of Lightning Boats

(Corrected to January 16, 1980)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner's address is unknown.

Where boat number is followed by an asterisk, it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.

Boat No.	Owner-Fleet	Boat No.	Owner-Fleet	Boat No.	Owner-Fleet
1*	John C. Ryan (266)	90*	Raymond Creekmore (463)	181*	Lost Boat
2*	E. H. Goranson, Jr. (U)	91*	Michael J. Corcoran (U)	182*	Barbara & Elliott Smith (U)
3	Richard T. Berndt (119)	92*	Cliff Lennon (U)	183*	Marshall L. Gorr & Donald Kistler (444)
