EDITOR'S THANKS AND DEDICATION

It was indeed my pleasure and a great honor to have been associated with the Lightning Class Yearbook for the past two years. This year, as in years past, we hope you continue to enjoy reading the feature articles as well as the District and Fleet reports.

We encourage your participation in this book and urge you to submit articles and pictures. The success of our publication really depends on the cooperation of all Lightning sailors. This is your class, so why not participate.

I want to thank this year's assistant editor, Lal Burridge, who really spent a great deal of time and effort editing the District and Fleet reports. I am certain this task was more difficult and time-consuming than he expected and Lal really has done a tremendous job.

Also, my thanks to Mary Huntsman for her many photographs; the time she spends taking and printing them for us is quite incredible.

Without doubt, the yearbook could not be published without the super assistance of Helen Limbaugh and the staff at I.L.C.A. Headquarters. To these, as well as to all those who contributed, I say, many, many thanks.

As we page through this yearbook, we read the names of the champions, the winners, the skippers; we read of their many accomplishments. They receive the praise, the credit, the accolades (and this is rightly so). But who helped them achieve all this? Who put up with their antics, their tactics (good or bad), their judgments (also good or bad), their foresight and hindsight, etc.?

The group to whom so much is owed and so little is given merits our commendation. For that reason, we dedicate this 1981 yearbook to the unsung heroes of sailing, "our crews".

These people are with us through sun, rain, storm, wind (or lack thereof) and their efforts are the bulwark on which we skippers rely for the strength, courage and hard work so necessary for the success of any boat. During the heat of competition, we are apt to use the crews as sounding boards for our own failings. We tend to remember their errors and forget their accomplishments. An ideal crew must have nerves of steel, a will of iron and a skin as thick as lead. They must remember all the finer points of sailing and immediately forget the ravings and rantings of the skipper during a close race.

Therefore, to all the crews of all the Lightnings in all the fleets, we dedicate this book and at last give them the thanks and appreciation which they so richly deserve.

PRESIDENT'S MESSAGE

The Lightning Class is again looking forward to another challenging and, hopefully, rewarding year.

We are always directed to look forward, not back, and to be humble, not proud. I admit that I am sentimental. I like to look at old pictures, past yearbooks and out of date regatta results. I like to sit back and reflect on the enjoyment my family and I have had in the Lightning Class over the years. And I believe it is good for all of us to take a look back once in awhile and just see where we've been and where we have come from. It is my belief that if we don't do this periodically we take for granted what has required years and years of hard work and determination by our members in past years to attain.

We are now enjoying the fruits of many dedicated and talented members who committed themselves to making our Class organization the strongest in the world, our boat one of the most respected one-designs, our Association home office the most efficient, our officers the most earnest and dedicated, our members the most cooperative and friendly of any membership in the world, and our sailors the toughest, best and fairest anywhere. To date I am proud to say all of these goals have been accomplished.

We, the present and future members, are now charged and entrusted with the responsibility of maintaining these standards — all of these standards. This we must do.

A handwritten signature in cursive script, reading "George V. Fisher".

George V. Fisher, President
International Lightning Class Association

Officers of the International Lightning Class Association

PRESIDENT — George Fisher

George has been a member of the Class for thirty-three years. His first boat was No. 721, fully equipped with rope halyards, belaying pins and all that tricky stuff.

The whole Fisher family has been active in Lightnings. His two boys, Greg and Matt, have been racing Lightnings since about the time they could walk. George's greatest thrill in sailing was when his two boys were first and second in the North Americans in 1977. He says there is no topper to that. His daughter, Gayle, has crewed for George over the years when he could pull her off her horse.

George has been Chief Measurer, Association's legal counsel, District Commodore, Fleet Captain and Commodore of the Buckeye Lake Yacht Club.

George would like to thank his wife, Marty, for her assistance and understanding in this activity. He also wishes to express his appreciation to his law partners, whom he visits periodically between regattas, for their understanding.

SECRETARY — Djoerd Hoekstra

Shortly after moving to America from the Netherlands — where he had raced a number of other one-design classes — Djoerd crewed on a Lightning at Little Egg Harbor and became an addict. He has been an I.L.C.A. member since 1964 when he bought Lightning 7529 and he is now sailing his fourth boat.

His wife Frances, who had never before been on a boat, ably crewed for many years, but recently oldest son Roel has begun to take her place.

Djoerd is a member of Fleet 228 at the Riverton Yacht Club in Riverton, N.J. He has been active in the Central Atlantic District, serving as Treasurer, Secretary and Commodore, and edited the 1976 Yearbook.

He is Manager of Commercial Development for the Pennwalt Corporation in Philadelphia, Pa.

CHIEF MEASURER & VICE

PRESIDENT — Paul A. Huntsman, Jr.

Sandy has been racing Lightnings at the Monmouth Boat Club, Red Bank, New Jersey — Fleet 70 — since 1959. In 1981 he will be sailing his 11th Lightning.

During the years he has served as Fleet Captain, twice District Commodore of the Metropolitan District, and as a Class Vice President, he has served two years on the Junior Committee and two years as Assistant Measurer.

Throughout the years both his children, Karin and Jack and his wife Mary have been active sailors and enthusiasts.

Sandy is an English teacher.

TREASURER — David W. White

Dave started sailing Lightnings at age 5 or 6 on his Dad's boat #755 on Skaneateles Lake, but didn't start racing until age 17 in the same boat. Later he acquired numbers 8555, 10555, 12233 and now sails 10196. He is a member of Fleet 471 and sails in the New England District. Previously he sailed in the Metropolitan and Central New York Districts.

Dave's work for the Class has included: Assistant Editor and Editor of the Year Book. Two years on the Budget Committee, and Chairman of the 40th Anniversary Regatta. Last Year Dave organized his own company called, Benefit Services, Inc., which left him little time for sailing. He hopes to have more time in '81 to spend with his boat and family.

THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

FORMER I.L.C.A. JUNIOR CHAMPION CAPTURES THE NORTH AMERICANS

By Happy Mark

My Crew: *Joni Palmer*, 5' 2", 120 lbs., sailing experience 15 years, North American Women's Collegiate top sailor.

Fritz Dusel, 6' 4", 190 lbs., sailing experience 10 years, third in Lake Erie Districts.

That was the crew in the "Yo Yo". One thing we had on our boat that many people do not have was a super experienced crew. Joni Palmer has crewed with many top sailors including this year's Lightning Mid-Winter Champion and the Southern Circuit Champion. She was a great asset to our boat during this year's North American Championship. Fritz Dusel may not have the same experience that Joni has but what he lacks in experience he more than compensates with his enthusiasm and drive. Fritz turned out to be a very important factor on our boat this year. His roll tacking ability, his height, strength and weight continually proved to be truly beneficial in the conditions at San Diego. Myself, I have been sailing Lightnings since I was five years old, crewing for my father and notables such as Bill Shore, Jack Mueller, Bruce Goldsmith and many others.

This North American Championship was the qualifier for the 1981 Worlds. Our intentions were to just qualify for the Worlds. We figured that if we could consistently do well in each race we could easily make the top 15 and qualify for Chile. We had not mentioned anything on our trip out from Buffalo about winning, we just did not think that we would be able to do that. We continually talked about doing well in each race and just qualifying for the Worlds and giving a respectable showing. After arriving at San Diego we started working on the boat which took about a day. We went sailing and learned a few things about Mission Bay; it is very, very lumpy and there are large holes that you cannot sail through. We tuned and worked on the boat and finally we were ready for the qualifying races. At this point, I had been working on a new way of tuning the spar and setting up the sails. We tried it a little bit during the practice race and we had good speed so decided to go with it. In the qualifying races we had excellent speed, winning the first two races, leading in the third, only to hit a mark and lose a five minute lead. We learned our lesson during that race and I believe we finished third qualifier behind the great Tom Allen and Manfred Kauffman from South America.

Going into the Championship series we were a little bit nervous as I had not skippered in a Championship series for over three years. As I recall the first race, the wind was blowing 10-12 out of the south and the seas were fairly flat. At the start, the wind shifted 15 degrees to the left and we were able to reach over many boats and get the leeward end start with Dick Halligan close behind us. As soon as possible we tacked over to port and went up the weather leg. Jed Dodge came out of the right hand corner to round the mark first with us second and I believe Halligan was third followed by Dave Curtis and Fisher. We were very surprised to be in second place and I was quite nervous as was my crew. We continually worked on Jed who was still in first and found that we were a little bit faster off the wind. We held our position of second place around the leeward mark. As we started the second weather leg we found that we were

pointing higher and going a little bit faster which enabled us to gain the lead. I'll tell you, if you have never been in first place in a North American race, you don't know what nervous is. I was surprised that no one protested me for sculling, my hand was moving back and forth so fast we couldn't control the boat. As I remember, we opened our lead over Jed with several other boats getting closer. I believe it was Jody Lutz in second; with Jed in third; Dave Curtis, a super Lightning sailor from Marblehead, Massachusetts, was fourth; and Manfred Kauffman from South America was fifth. The excitement on our boat as we crossed the finish line was tremendous. I had never finished in the top five in any Championship race and I do not know if Joni or Fritz ever sailed in a Championship race.

The second race was much like the first. The wind was blowing about the same. Now all of a sudden we decided we had to get conservative since we won the first race; a little early but we decided to do it anyhow. I remember we started close to Jim Crane and Glenn Darden. Conservative, hah, there we were with the current North American and World Champion and we went for it. Again, our speed off the line and our hitting the first shift was a super asset to us. This was something that we did all week; never really stuck it out to a corner, had good speed off the line and good starts. We were second at the weather mark with Matt Burrige leading, Dick Halligan in third and Neville in fourth. Again going downwind we found we were a little faster than the lead boat; however, we decided to hold back and wait for them to make a mistake and then capitalize on that mistake. Well, it happened as Matt went around the mark. He turned the boat very fast and did not give his crew enough time to get the spinnaker around thus putting the spinnaker through the fore triangle. This enabled us to get into first place once again. We opened up our lead over Matt with Neville and Halligan staying in third and fourth. We rounded the leeward mark and headed up wind. With our boat speed up wind we were able to open up. As I remember, the race did not change too much after that. At the finish we took our second victory of the day, Matt held onto second, Jim Neville with his two sisters, Candy and Cherie, was third and Dick Halligan with his son and daughter was fourth. So after the first day we were looking pretty fat and boy was I nervous. We had two points; Dave Curtis with nine; Neville with 10; Dick Halligan with 12.

Sailing out for the third race the wind was not quite as nice as it was on the first day; it had shifted around to about 240 degrees which is about standard for that time of year in San Diego. We rounded the weather mark about fifth or so with Tom Allen leading. I think Darden, Curtis, MacDonald were the others at the weather mark. This race was a little more of a parade as everybody stuck very close together on the leeward leg and going up wind. During the second weather leg we started to notice that the current on the left side of the course was a little bit stronger than on the right, so with everybody going to the left we broke off and went to the right. We rounded the second weather mark second, gaining three boats which made me feel pretty smart, but I think we were a little more lucky than smart. By this time

Tom Allen had a huge lead on the fleet; we were second; Darden third; and I believe MacDonald fourth. Starting the last weather leg the wind had dropped to about 5 or 6 and the seas had come up out of the west. I remembered that the people with whom I was staying in San Diego telling us that when the wind dies it usually goes to the right so we thought we would take the opportunity and we broke away to the right with most of the boats going to the left. Glenn Darden bought a big left, he went all the way to the left corner, while we went medium right corner. Our speed in this race really convinced us that we had something extra—and that was going a little bit faster. We gained to within two boat lengths of Tom and, at this point, I thought it would be really neat if we had three firsts. Well, Tom was a little bit too much of a veteran so we were not able to catch him. Glenn Darden came in from the left corner and almost caught Tom. We were third. Dave Curtis sailed a real good race and came in fourth Jaime Fernandez finishing fifth. So after three races we were still leading with five points; Dave Curtis was second with 13; Tom Allen had moved up to third with 17; and there was a tie for fourth between Dick Halligan with 20 and Jim Neville with 20.

The fourth race was sailed immediately following the third. I do not remember this race too much because we had a terrible start and we went to the wrong side of course early; two things that you do not want to do in a North American race. As I recall, Matt Fisher and Jim Crane fought for this race; we were roughly 30th around the weather mark. All I do remember is that we worked really hard and made it to 10th on a leeward leg. At this point I got very greedy, shot a corner on the last leg, and finished 21st. After four races in the Championship series believe it or not there was a four way tie for first place. We were on top with 1, 1, 3, 21; Matt Fisher was next with 12, 8, 7, 1; Jim Neville had 7, 3, 10, 6; and Tom Allen had 6, 10, 1, 9. We were very happy that we had the 21st to throw out.

As I remember the fifth race, the wind was out of the west almost 270 degrees and I remembered that the people at Mission Bay said that when the wind comes out of the west you go to the right. We had an excellent start and broke to the right corner. We probably would not have gone this far to the right except that our competition somewhat followed us and were definitely behind us. At that point we thought that if we could win or do well we would have a very good position in the North American series. Ronny Blair beat us to the right corner and rounded the weather mark first with us second, Fisher, I believe, was third and I do not remember who was fourth and fifth. We did have speed again going downwind. We waited and waited and finally were able to catch Ronny Blair going up the beat. We decided we had to sail the race in the middle of the course to win. This got a little more difficult as the race continued because Fisher established a solid second place with Curtis continually working on third. Jim Crane had moved up to fourth and you never shy away from covering Jim Crane with Bill Buckles moving into fifth. We sailed around the course once again and we opened another large lead. At the finish, we captured another first, boy was I excited; Matt Fisher, second; Dave Curtis, third; Jim Crane, fourth; and Buckles, fifth.

Well, if you do not know what sleepless nights are, I'll tell you what a sleepless night is. Entering the last race we had a 10 point lead with a throw out over Curtis. We had a total of

six; Curtis had 16; Matt Fisher had 18. I respect these two guys a great deal. I also respect our host's floors because I wound up walking around them about six times that night. So off to the last race we went. I remember the wind was about 250 degrees, not a whole lot of it either, maybe 7 or 8 knots. We thought we would have a good start, sail the middle of the course and try to get to the first mark in the top 10. As it turned out, I had a bad start but we did stick to our game plan and stayed in the middle of the course. With our speed and continually working hard we were able to round the windward mark fifth. Curtis had rounded 11th and Fisher was somewhere around 20th. At this point I said to my crew we only have six miles to sail and we can do it. We continually worked at being very conservative; staying away from any possible incident that could occur, luffing the spinnaker at the jibe, taking the spinnaker down early, sticking to the middle of the course. Anything we could do to sail conservatively we did. As we continued to sail I kept feeling pressure from the fleet; I turned around and saw that Curtis had moved up and Fisher was making his comeback. If you have sailed against these guys you know what kind of speed they can develop and you know their intensity; you have to respect both of them. We continued in roughly fifth or sixth place and just sailed conservatively. We never tried to win the race; all we needed was to stay in front of Curtis and Fisher. With all the excitement rounding the last leeward mark I got smacked in the head with the spinnaker pole and Joni had to sail the boat for about 100 yards or so while I was dunking my head in the water to get my senses back. As soon as I got my hand back on the tiller we started talking about shifts and things and we decided that we should go for first place. At that point we started to work the shifts to the right and continually worked and worked and worked. At this time we thought we had won the North Americans and we thought that maybe another first or second would really look nice on the scoreboard. Well, we almost did it. Halligan came in late from the left side and he was able to beat us by a boat length and a half. As we crossed the finish line in second place we were extremely happy with this last race. But it was amazing that we won the Championship and the exuberance on the boat was probably the most that you will ever see in a Lightning North American Championship. Going out there with hopes of finishing in the top ten and winning it with finishes of 1, 1, 3, 1, 2 was an extreme pleasure for us. That night we went home and it hit us that we had won the North Americans. That night at the banquet we received our trophy for first place in the North Americans and it was really a special treat to see the other Champions receive their trophies. Now I would be the Champion for the Lightning Class. It is a real honor especially since the Lightning was the first boat that I sailed and raced.

I have to thank my crew, Joni Palmer and Fritz Dusel, for just a fantastic job. As I recall the week, we never had a crew mixup, the spinnaker went up all the time, we jibed beautifully, the roll tacks were fantastic and the continuing desire on the boat was extreme. I truly think that these two can match the top crew in the Lightning class at anytime on the race course.

It is a real pleasure to win the North American Championship and it gives me a lot of pride in the fact that we have done this. We look forward to sailing in the 1981 Championship and hopefully we can take home the gold again.

THE PRESIDENTS' CUP OR THERE AND BACK WITH THE KC KIDS

by Ross Bailey

Well, it all started back in Thunder Bay in the middle of June when I picked up a bare hull. After a hectic month of working on the boat every night until midnight or later and after a stormy Districts, we headed for Vancouver and the Canadian Open. The first three Canadian boats in Vancouver would qualify for the Worlds, so we were keen. I did not realize how keen until my crew, Blair Sandberg and brother Gordie, made the 2000 mile drive in 36 hours, with me almost a passenger.

We happily placed third in Vancouver and so headed south for San Diego with light hearts. It seems the whole west coast know they live in lotus land, and certainly never flag in preaching its joys. But we felt ourselves quick learners and by this point were quite "laid back" as well.

The mountains are spectacular and the coast is fascinating, but the Redwoods truly are giants. Here we really did turn into tourists and loved every minute of it. When a full logging truck passes you carrying only one log, it is a humbling experience, but rather sad too.

After testing the Pacific waters in Northern California and finding them no warmer than home, we headed straight for Southern California. We did not know how wise this was until we hit our first beach. Well! One almost forgot to be laid back.

And then we were in San Diego and at the Mission Bay Yacht Club. These people were so good to us and were so helpful with absolutely everything that we really were tempted to stay. The regatta that these people put on was outstanding and we would like to thank the Mission Bay Yacht Club for all of their hard work.

Things had been so rushed ever since getting the boat, that we had never even cleaned the bottom, so as our first order of business we flipped the boat and gave it a proper going over.

Measuring followed, with no real hitches, right down to our whistle. Have you ever tried to buy a whistle on a Sunday morning in a strange town? We had also been trying a different mainsheeting system but were ruled illegal after the practice race and so had to change back.

We went out to watch the last race of the Women's and Junior North Americans and got our first taste of the San Diego swell, mixed with chop, and very light airs. I am never seasick and, thanks to those pills that Gordie was wise enough to get, I continue never to be seasick.

In a special article in the North American race schedule and later at a special clinic to brief visitors on the local conditions, we were all told to go right. We took this very much to heart, despite warnings from old yearbooks and other articles that the left was best.

Consequently, during the practice race, we were not looking too good at all, but thanks to many boats dropping out, we did improve. It is somewhat disquieting when returning

to shore to hear the inevitable question and answers — "How did you do? . . . Oh, third; oh, second; oh, fifth." We almost stopped asking.

The first day of qualifiers we got a 19th and 20th and were now feeling very bad indeed. Shunning all human contact, we went out for an excellent dinner and decided just to relax. Surely things would get better. Indeed they did; although we could not qualify for the North American Fleet, we were comfortably placed in the Presidents' Cup Fleet and decided then and there to crank up and see how we could do.

The big swells, combined with chop and lack of wind, made sailing in San Diego very difficult. Two crew hiking to leeward for a whole race is not easy and we envied the lighter crews. We could not seem to get the hang of it at first, and found that if we tried pointing with the others we would die, but if we footed off we were not really moving faster and were losing to leeward. Finally, by playing virtually every wave very much as a team and taking advantage of what they would let us do, we were able to get the boat moving and were quite confident in our speed.

Downwind we felt very fast and Blair did a superb job of chute flying. In fact, in the first race we got into a terrible long luffing match simply because I thought we could pass the boat ahead. We never did get by and lost four boats to boot. We stopped doing things like that.

The first day of the Presidents' Cup races gave us a sixth and a second, leaving us tied with Dennis Torgeson from Oregon and a point behind Richard Guinan from Texas and Luis Herman from Chile.

The second day looked like more of the same and by now we were hardly even considering the right side. We never did

figure it out, but even right at the weather mark, you could take terrible headings to get to the left for the last 100 yards, and would probably gain three boats.

We ended up third in the morning, were feeling good, and, to top it off, we finally got some wind in the afternoon. We had watched this wind carefully as it came in and knew that the right was finally favoured, but were chicken to use it. The Texans and two other boats (Kirk Johnson and Thomas Allen I believe) did go right and were at least a half a leg ahead by the weather mark. We could not believe it. However, the Chileans were behind us for some consolation and then the wind started to die. We all struggled up the second beat in very shifty winds and an awful slop. The first three boats were so far ahead that they were almost finished the second reach with the rest of us still on the first. But it was getting quite late and so to have us in before dark, the Race Committee kindly ended the race at the jibe mark. It was very nice to get in before the blue fleet who finished their whole race.

During breakfast before the fifth race, Larry MacDonald from Hamilton pointed out that a Canadian flag was now flying on the club flag staff. Well then we felt very North American again and decided to try a little harder. With a throwout we had 10 points, the Chileans, nine, and the Texans, eight. Our plan was simple. Cover these two boats and hopefully beat them. The fifth race finally brought some wind and at least for the first beat the right side was favoured. The Texans went right which was fine and Herman from Chile went up the middle which was okay. However, in the heavier airs the Texans were not as fast and so we rounded the weather mark just ahead of the Chileans with Guinan from Texas a little back. But at the jibe mark the tiller somehow hooked on the spinnaker sheet. I could not figure out what was happening as we rounded up into the mark. Well, we hit the mark and, by the time we had sorted

things out, were about 15th and not looking good. There was lots of wind for this race, though, and we were starting to go upwind. By the second weather mark we were back past the Texans and about four boats behind the Chileans. As luck would have it, they had a bad jibe and were buried by the boats behind. We worked very hard to have a good jibe and then hiked and hiked and hiked. With our extra weight, we were able to pass all of the group with the Chileans in it and so ended up sixth. We felt quite lucky.

However, with a throwout, we were still tied for second with Herman of Chile, a point behind the Texans. Again, our plan was to cover these two boats. It was a light air race and very frustrating as we gave up shifts to stay with these two boats. Then to top things off, going up the second beat we seemed very slow and the Chileans seemed to be working out from us. Gordie went back to check the rudder and the next thing we heard was a mad scrambling and he had fallen off the boat. Great! However, he had hold of the spinnaker sheet but was pulling the wrong end and was pulling the spinnaker into the water too. Finally we got him back in and sorted out only to be told that no, there weren't any weeds on the rudder!!

Now things were looking bad as the Chileans had passed us and the Texans were closing and were going to opposite sides of the course. We forgot everything and went all the way left. That was the way to go, we got past the Chileans again, were able to hold the two of them until the end of the race, and so win the Presidents' Cup.

However, as we crossed the line, I was told in no uncertain terms that I was sure lucky to have such a super crew and could not have done it without them. Well, I would like to thank the Race Committee and the Mission Bay Yacht Club for a really fine and fun regatta. However, I would also like to say that I agree completely with Blair and Gordie. I would like to thank them most of all.

GOVERNORS' CUP

by Randy Ruhlman

After weeks of planning for our long trip across the country, there I sat at home in an Ohio downpour, with my crew 50 miles away, waiting to leave for California. A broken down motorhome in my driveway began to make me wonder why I was going to all this trouble to go sailing. Making do where possible, I decided to give the trip a final try. Two days and 2500 miles later, the Ohio storms and 110 degree Texas heat behind, my crew and I stood on the porch of Mission Bay Yacht Club. The atmosphere was one of excitement and good cheer as friends gathered around with the cocktails and tortilla chips in abundance. Awaiting the opening ceremony of this 1980 North American Championship, I realized that the troublesome trip was going to be well worth the effort. And, so it was.

The people of Mission Bay Yacht Club and Fleet 194 made this North American's one of the most enjoyable regattas that I have attended. The committees in charge of everything from social activities to the racing itself were extremely well organized. It was a pleasure to sail at Mission Bay and I look forward to going back some day.

With the qualifiers over, the Governors' Cup was ready to begin. It was obvious from the past two days that the series would consist of light, but steady winds and a fair amount of swell. Sacrificing some pointing and maintaining boat speed was crucial.

Race 1

With winds blowing approximately 5-10 from the southwest and a substantial swell, the fleet managed to be very anxious and aggressive on the starting line and avoided a recall on this first race. With a square line, the fleet spread out, half tacking over to port heading out in the ocean, the other half heading up the shore. Starting mid-line, we decided to play the compass and the swell up the middle and avoid any unnecessary tacking. We soon found ourselves alone in the middle with both halves of the fleet converging from the corners. The middle paid off and we rounded the weather mark first, followed closely by Peter Huston, Lance Drewes, Ira Johnson and Sam Anderson. Our 545 pounds of crew weight now took its toll as Huston and Drewes

passed us by before the jibe. After the jibe, Johnson also passed us with Anderson close behind. Superior downwind speed put Huston in the lead at the leeward mark followed by Drewes, Johnson, Ruhlman and Anderson. With Huston covering Drewes on the right side of the course, we managed to play the compass up the left side and work free from Johnson's lee. At the weather mark it was Ruhlman, Johnson, Huston, Drewes and Anderson. Managing to hold our lead this time and battling with Drewes and Huston up the last leg, we finished first with Huston, Drewes, Johnson and Anderson following.

Race II

The conditions of the first race prevailed with the wind shifting slightly to the left side of the course. With most of the fleet playing the left side, boat speed and clear air were very important. After changing positions all the way up the weather leg, we rounded the weather mark first, followed by Drewes, Bruce Arnold and Huston. Again, the downwind legs took their toll and by the leeward mark it was Drewes, Huston, Arnold and Ruhlman. Positions remained very close on the second time around. As we headed up the last weather leg, the wind began to freshen and shift to the south. Taking advantage of this shift, we tacked to starboard and moved left early in the leg. Those who continued right soon saw what was happening and tried to get back to the left. The shift became drastic halfway up the leg and we found ourselves overstanding the finish line. Drewes, covering the fleet from the middle, managed to hold his lead with Ruhlman, second; Bruce Arnold, third; and Mark McBride and Peter Huston, fourth and fifth.

Race III

On this day, the wind was very light, approximately 3-8, from the west. Easing our sails to get more drive through the swell, we paid close attention to weight balance and maintaining good boat speed. Huston led from the start. The fleet remained tightly grouped up the first leg with Huston rounding first, followed by Ruhlman and Drewes and a tight pack. Shifts of wind led to juggling positions. At the leeward

mark it was Huston stretching his lead, followed by Drewes, Johnson and Ruhlman. The wind picked up slightly the second time around and the fleet spread out. At the finish, it was Huston, first, well ahead, followed by Ruhlman, Johnson, Drewes and Gail Norstrom.

Race IV

Even with the wind extremely light, the committee was able to get a second race off this day. As this fourth race began, the three fleets were only a leg apart. Like Race III, the fleet stayed together. Footing as much as possible without sacrificing too much pointing, we managed to make our way to the weather mark first with George Blumel, Ira Johnson and Drewes bunched ahead of the remaining fleet. During the downwind legs, the wind began to die from the back of the fleet forward, speeding the fleet far apart. At the leeward mark it was Ruhlman, Johnson and Blumel with the rest of the fleet nearly becalmed. As it was late in the afternoon, the committee shortened the course to 5 legs. On the second weather leg, the front four covered each other closely while Huston, playing a hunch on the late day windshifts, headed out in the ocean alone. It paid off. At the weather mark it was Ruhlman, Huston, Drewes, Blumel and Johnson. After fighting off a nerve-racking charge by Hus-

ton, at the finish it was Ruhlman followed immediately by Huston, Blumel, Drewes and Johnson.

Race V

Wind at last. Blowing from the west, the wind picked up to 10-15 this day. Being used to the light air and dealing with a very favored line, the fleet was recalled twice before getting off to a good start. As the race began, the wind clocked more to the west leaving the boats starting high on the line needing just one tack to the weather mark. At the weather mark, it was Ruhlman, Arnold, Johnson and Drewes. After some real nice planing reaches, the fleet again spread out. This divided fleet, combined with a still favored weather leg, led to very little changing of positions for the rest of the race. At the finish, it was Ruhlman, Arnold, Johnson, Drewes and Blumel.

Race VI

This day found us repairing a broken deck from the day before and preparing for our long trip home. On the course, the wind was good again and the battle to hold positions found Gail Norstrom winning, followed by Alan Hunt, Ken White, Blumel and Johnson.

In spite of all the problems, the experience was well worth it.

NORTH AMERICAN RUNNER-UP SPEAKS OUT ON MECHANICS

by Dave Curtis

I was asked to write about the importance of and the method I use for psyching myself up at big regattas. Since I do not place much importance on psyching, I decided to change the subject and write about something that I believe is much more important: boat and crew preparation.

Boat preparation is very straight forward and simple. If there is anything that needs to be done to your boat, do it. Sand and fair the hull. Keep the weight near 700 lbs. Modernize your hardware so that everything works easily, and the important controls can be made while hiking out (backstay, cunningham, vang, main and jib sheets).

Crew preparation is not as easy to perfect as boat preparation. If you have an open hand, you start by lining up the best crews you can find. When selecting crews, ability is not the only concern. Strength, weight, experience and compatibility are all major factors to consider.

Some skippers prefer to have one large crew and one smallish crew. This setup usually puts a lot of pressure on the large crew and gives him most of the responsibilities. I prefer to sail at 450 lbs. with two equal sized crews. Since I always sail with different crews, I have not yet had time to work out a perfect job description for each crew, but there are several important functions that each crew should perform.

Since a Lightning is extremely sensitive to angle of heel, the crew must be on their toes (literally and figuratively) all the time. You have to decide which crew will move off the rail first as the wind dies. If both crews are on the seats, set up a routine for sailing through puffs. I prefer to have the jibman be off the rail most of the time, if conditions warrant, and let the middle crew perform the balancing act. I have always been one to make the adjustments to backstay, vang and cunningham on all the boats I sail. My Lightning is set up the same way. This is particularly important to me for two reasons; with different crews it is difficult to quickly train someone in sail trimming, and also, since the crews usually hike harder than drivers, I don't like to interrupt their efforts with something I can do easily.

One of the things that really throws sailors for a loop is spinnaker work in heavy air. The people who usually run into trouble are the ones who are apprehensive about flying the chute. Before we start a race, we always make sure the spinnaker is ready to go up, all packed, both sheets and halyard hooked on.

We store the pole on the boom so it is easier to get it forward. Before we stored the pole on the boom, we kept it along side the centerboard trunk, aft of the thwart, for easy access.

While approaching the weather mark, always try to make your last 2-3 boatlengths on starboard tack (if it is a port rounding). This allows you to have the pole set as you round the mark. The next most important thing is to get the spinnaker up and the jib down—fast. On my boat I hoist, which lets the forward man drop the jib and the middle man pulls the guy aft and cleats it. Now the middle crew assumes control of the spinnaker while the forward crew raises the centerboard and balances the boat. Another job of the forward crew is to clean up everything in anticipation of the next mark or upcoming spinnaker drop, if everything is

ready and your crew knows the procedure, now you can spend an extra 15-20 seconds when you're near the mark either trying to establish an overlap or break one at the last second.

The windward takedown is commonplace nowadays, but it still must be done properly. After the jib is set and you're ready to take down the chute, first remove the pole. After the pole is in the boat, you should still be flying the chute. The next step is to let the spinnaker sheet run free. The ratchet block should be turned to free spin first, if possible. As the forward crew pulls the spinnaker in to weather of the windward shroud, the spinnaker halyard should be cast off. As the spinnaker is pulled in, it should be stuffed between the seat and deck. Remember neatness does not count but speed does.

While going to weather, it is crucial to have the crews' eyes working all the time. One of them should be on the compass and always aware of the lifts and headers. This is especially important when you round the leeward mark and need to know when you are lifted or headed. The other crew, or sometimes both, should also look around to see what the wind is doing: flat spots, puffs, lifts, etc.

The last thing for the crew to do is to figure out the favored end of the finish line. Now that you have all my secrets, I'll see you at the finish line.

Odds are, the Carson Lightning you buy this year will still be winning races when the 1991 Yearbook is published!

The Carson Lightning is competitive when delivered, and will remain so indefinitely. It comes with a guarantee that it will not gain weight due to water absorption for at least ten years. In fact, we don't expect that it will ever gain weight.

How do we do it?

The boat is inherently fast, because we build the hull with the former Lippincott mold. This is essentially the same mold as the one that built the greatest of the Lippincott Lightnings during the early '70s. (Look around and you will see that most of these boats are still winning races.) The only real difference is in the interior. We have redesigned the seat tanks, the forward bulkhead, and eliminated the teak floor boards. Gone also is the lip around the edge of the cockpit that has tortured the back of so many hiking thighs. The cockpit is roomy, comfortable and efficient.

The boat will last because of our quality molding techniques.

- All glass is hand laid-up cloth and roving. No chopper gun is ever used.
- All foam is high strength, high density polyurethane (6 lbs/cu ft!). It is formed and cured in sheets before it is installed in the boat. No foam gun is ever used.
- The foam is evenly and surely bonded to the outer hull by vacuum bagging the entire mold as the bonding resin sets.

The result is the stiffest, hardest, most durable hull that can be built using fiberglass.

What more could you ask for in a boat? You could ask for good rigging.

The Carson Lightning comes with the best. It is personally rigged by Jim Carson and Paul Gelenitis who **know** that you do not want to rebuild the boat after the first heavy-air race. So the boat is put together to stay together.

In addition, all controls are led to the optimum location for convenience and efficiency while racing. It is a clean layout that benefits from more than 30 years experience in racing Lightnings.

The following items are **standard equipment**:

- 100% ball bearing blocks
- two Elvstrom bailers
- polished stainless steel centerboard
- mahogany and spruce rudder w/glass coating
- extra strong tiller w/extension
- four padded hiking straps
- Harken mainsheet swivel with hexiratchet block
- jib downhaul and variluff control
- boom w/mainsheet internally rigged
- adjustable topping lift
- compass
- spinnaker gear, pockets and hexiratchet blocks
- Barber hauls — opposite deck controlled
- 6 to 1 deck controlled boom vang
- 3 to 1 adjustable main outhaul
- 4 to 1 Cunningham — deck controlled
- 12 to 1 adjustable backstay — deck controlled
- color-coded control lines and sheets
- Astro (hard rubber) mast blocks
- lifting bridle

For those interested in a long lasting Lightning for day sailing only, we also offer the same, quality hull with less elaborate rigging.

Is there anybody in the class who doesn't know the name Jim Carson? For those who don't, Jim has been a winning Lightning skipper for the past 28 years who has twice taken the runner-up spot in the North Americans. He is a past President of the Class, a past Chief Measurer (three terms), and a life member. Jim is a graduate engineer, currently in charge of engineering at DuPont's Marshall Labs. Perhaps most

important, he is totally committed to the Lightning Class and to quality, durable boats.

SECOND WORLD YOUTH CHAMPIONSHIP

by Ian Jones
(and a little help from Jody)

The top skippers and crew from eleven countries conversed on the Buffalo Canoe Club, Pt. Abino, Ontario for five days of terrific racing. At stake, was the right to claim the I.L.C.A. World Youth Championship. Returning to defend his championship was Stephen Craig from the United States; also returning was runner-up, Hugo Castro, from Argentina. These two had to be considered the favorites.

The first race was started in light winds out of the northwest. Otavio Machado De Almeida from Brazil had the best start and was immediately gone so the race was for second place. Hector Sabogal from Peru and Felipe Cubillos Sigall from Chile were dueling over second. We were not having a particularly good race but we were able to keep gaining and at the last leeward mark we rounded about fifth. The last leg was a one tack beat. We were able to use exceptionally good boat speed to sail under two boats to finish third. Sabogal was second and Sigall was fourth. We were pleased with our race because of our comeback.

The second race was started in moderate air out of the northwest with thunderstorms all around the area. Before the race, we noticed a storm on the right side of the course, so we decided to keep to the right. This did not help us at all during the first leg because we rounded the first mark about twelfth. Hugo Castro was sailing well and was in first place. Almeida and Craig were also up in the front. We still could not get anything going throughout the race and were now thinking about the drop race. Going up the last leg the storm was still on the right side. We sailed towards the storm as the air began to die. The air started to fill in but it had shifted 180 degrees. We popped our chute but looked in bad shape with the fleet. However, the winds hit 30 knots and boats began to capsize "left and right". To make the finish line we had to jibe. The big decision was whether to jibe with the chute up or take it down. We went for the gold. We were then able to charge over the finish line just ahead of Castro and Gordon Anderson of Canada to take the gun. We were very pleased with the race and the position it put us in for the regatta. Almeida had capsized so he had his throw-out. Racing for the day was canceled due to the numerous casualties.

The third race was started in light wind again out of the northwest. Carlos Navarro-Mulanovich of Peru and Almeida had the best starts and rounded the weather mark in that order. We rounded third and Olaf Dyck of Ecuador was fourth. Positions remained the same until the last leg when Almeida caught Navarro-Mulanovich to take his second bullet. Dyck caught us to finish third; we were fourth just in front of Castro who had been charging toward the finish line.

The fourth race was started with the same wind conditions. Almeida again had a good start and rounded the weather mark first. We were second and Andrew Hunter of Canada was third. There was not much action in this race; positions did not change alot. At the finish, it was Almeida, first; Jones, second; Sergio Graldi of Italy, third. At the end of four races, the positions were: Jones, 10 points; Almeida, 16; Navarro-Mulanovich, 25; Castro, 27; with a race to drop, it was very close.

The fifth race began in moderate air out of the north. Mark Hallman of the United States and Castro sailed a very good weather leg to round first and second. Almeida was about fifth and we were ninth. We went high on the first reach and passed about four boats including Almeida. During the next weather leg we got caught on the wrong side and lost Almeida and three other boats. Going up the last weather leg we did not gain and finished ninth. Hallman continued to sail an excellent race to finish first with Castro in second, Sigall in third, Craig in fourth, and Almeida in fifth. After five races, the standings were: Jones, 19 points; Almeida, 21 points; and Castro, 29 points.

The throw-out race was very important in determining the standings. We had to beat Almeida by at least two boats or Almeida could not finish better than thirteenth. With Almeida sailing as well as he was, we decided to go after him and try to prevent him from finishing better than thirteenth. At the start, we got under Almeida and forced him over the line along with ourselves. As we were returning to restart, we fouled Castro. We did our 720° and were still in good shape because Almeida had not heard his number called. After he did go back, we covered him and kept forcing him to the wrong side of the course. At the finish, we had enough boats in front of us to give us the Championship. Steve Craig put it all together to win the last race by a large margin. Messina finished second and Navarro-Mulanovich took third.

The final standings were: Jones, first; Almeida, second; Castro, third; Navarro-Mulanovich, fourth; and Craig, fifth.

I would like to thank everyone at the Buffalo Canoe Club for running a great regatta including Jack Swanson, the Regatta Chairman, and the team of MacDonald — Bryant, the Regatta Repairers. They did a great job! Also, I would like to send along a thank you to my crew of Kevin Robinson of Towawanda, New York and Jody Lutz of Brick Town, New Jersey. These two did an outstanding job and kept me going throughout this tough regatta.

I.L.C.A. JUNIOR CHAMPIONSHIP

by Jody Lutz

This year's Junior North American Championship was held August 4 through 8 at the Mission Bay Yacht Club. The turnout for this event was considerably less than past years, but the competition was as good as ever. The measurement which was done extremely fast was headed by Charlie Got-schalk under the regatta chairman, Myron Lyon. Myron and the rest of his committees are to be commended for a job well done.

The tune-up race held on Tuesday in light winds out of the northwest was won by the local entrant, Ian Bower.

The first and second championship races began on Wednesday in moderate winds out of the northwest. We started in the middle of the line and had a fair start. Tom Allen, Jr. had a good start along with Ian Bower. At the weather mark it was Allen, first; Lutz, second; and Bower, third. Positions remained the same until the next weather leg when we caught Allen and rounded first; Allen, second; and Ian Jones, the newly crowned World Youth Champion, third. At the drop mark we had some trouble and could not get our board down. That enabled Allen to get inside us and cover us to the finish to take the gun. We were second and Ian Jones, charging fast, took third.

Winds picked up a touch for the second race. Jones had an excellent start and rounded the weather mark first. Kevin Corr sailed a good leg and rounded second; we were third. Jones lengthened his lead to the jibe mark; we were able to get over Corr and gain on Jones. We got by Jones on the next weather leg to round first with Jones second. Positions held the same until the last leg. Jones, able to break our cover, motored by us to take his first bullet. We finished second with Bower, third. At the end of the first day, Lutz and Jones were tied for first with four points and Allen was third with five points.

The third race was started in light wind out of the northwest. Ian Jones had the best start and sailed left along with Steve Craig and ourselves. Jones tacked to consolidate just before the lay line. We continued a little farther with Craig and then tacked. We got air along with Craig and Jones did not. Craig rounded first with us, second, and Jones, third. On the next weather leg we were able to work out on Craig to

round the weather mark first, with Craig, second, and Jones, third. The positions remained the same to the finish.

The fourth race was started in the same wind. Jones went to the right side after the start and rounded the weather mark first. We were second and Kevin Corr, third. Positions remained the same at the drop mark. Jones lengthened his lead on us on the next weather leg; then he just covered us to the finish to take his second bullet. We were second and Corr, third.

Going into the last two races, we were leading with seven points, Jones had eight points, and Bower had 16 points. If we could put a boat between us and Jones in the fifth race, we could clinch the regatta. The wind was light out of the west-northwest. The leeward end of the line was favored and we had the best start at the pin. Jones did not have a good start and had to tack away. The wind went further left after the start and there was not much of a weather leg. We rounded first, Craig was second, and Jones, third. Positions remained the same at the drop mark. At the start of the next weather leg, it looked as though you could fetch the weather mark. Jones, knowing he had to catch Craig, tried to sail under him, but the air did not cooperate. We just kept sailing and opened up a huge lead between ourselves and Craig. Jones, losing ground by trying to sail under Craig, rounded sixth. We continued to the finish keeping our eye on Jones to see if he could catch the needed boats. We won the race by a big margin with Craig in second and Bower in third. Jones finished sixth which enabled us to clinch the championship.

The last race was started in a little bit more air. We started at the pin and sailed left. Ira Johnson sailed an excellent weather leg and rounded the weather mark first. We were second and Allen was third. We got by Johnson at the jibe mark and went on to our third bullet on the shortened course. Johnson finished second and Allen took third.

The final results were: Lutz, 7 points; Jones, 12 points; Allen, 16 points; Craig, 19 points, Bower, 19 points.

I would just like to thank the Mission Bay Yacht Club for running a great regatta. I would also like to thank my crew of Russ Schon and Stuart Challoner. They did a fantastic job!

Look at the record. We're proud to say that presently every major Lightning Class Championship has been won by a great crew and their Shore Sails. In addition, this year again more District winning skippers won with Shore sails than all other brands combined.

We at Shore are proud of our outstanding victory record, but we're dedicated to more than just winning World Championships. Our boat tuning and sail trimming guides (standard with every Shore sail) is a compilation of the fastest, most accurate techniques used on the race course today.

The best is even better. That's incredible!

Jay Lutz, (left) will work with Bill Shore in the development of even faster Lightning sails.

THE I.L.C.A. WOMEN'S CHAMPIONSHIP

By Brenda Allen

After a very adventurous trip with my family through parts of the United States and Canada, we arrived in sunny San Diego eager to sail in the Women's Championship. The Mission Bay Yacht Club was well prepared to handle the boats, measuring and launching, as well as parking a few larger "Motor Homes". We settled into the easy California pace without much trouble.

While the field of contestants was small, it looked good. Cherie Neville, the defending champion, was good all the time. Judy Walker was great with some air and Lee Cochran was the local girl and an excellent Thistle sailor. Sue Simm from Tennessee was known to be improving all the time.

We had to sail far out to the race course and usually tried to test our speed beating out the gap. The first day turned out to be the most wind we had in our series, maybe 8 to 10 with some chop and big swells. We went to the left after the start and Cherie tacked to port. We were first to the weather mark with Lee and Judy close behind. The reaches were very tight; we held our spinnaker all the way with my crew doing a great job. This gave us a good lead which we held to the finish. Judy finished second with Cherie, third.

The second race, on the same day, had a little lighter air and was not quite so tight on the reaches. We finished first with Cherie taking second and Judy, third.

The next day had little lighter winds and not so much chop. This time we went right and Cherie went left, our big mistake of the day, as Cheri beat us to the weather mark. We worked hard on the reach and did gain some distance but never quite enough to get an overlap. Cherie finished first, we took second with Lee, who seemed to be getting better with each race, taking third.

It was a hot afternoon so Jane and I had a short dip while Mom got us back down to the start for race number four. I think Lee was first to the weather mark in this race then maybe Sue, with us right on her tail, then Cherie. (this order could have been slightly different). We did some maneuvering on the spinnaker legs and then a good weather leg put us in front. Cherie worked up to second with Lee finishing third.

After four races, we were in first with Cherie, second, and Judy, third, with Lee one point behind. That night we all relaxed at the barbeque on the terrace of the club.

During the last race on Friday, the winds were very light and shifty. The committee attempted the start several times only to have the wind shift. (The race committee did an excellent job of running races.) We finally started after the

Junior's had finished one triangle. We started out to the left side of the course and then, for some reason, I went to the right. Every time I tried to get back it looked so bad I would tack again. When we finally did get to the weather mark, we were fourth. Sue had a nice lead and Cherie and Sue were in front of me by quite a bit. During the second beat we got it together and pulled up to second behind Cherie. The wind became lighter as we closed in on Cherie cutting her lead in half on the reach. At the leeward mark, we were not far behind. She gave us a loose cover. Going to weather, we managed to edge pass her at one point, enough, so we tacked, crossed her bow, only to have her beat us at the finish. It was an exciting regatta and a thrill to win the championship.

I want to thank my Mom and sister Jane for crewing with me; they did a super job. I was a little tough on them at times but it was "all in the family". I also want to thank the Mission Bay Yacht Club for hosting this event. Of course, nothing could have been done without all the people to do the work. My thanks to Wanda Poindexter, Myron Lyon and all the others who helped make it such a success.

Next year I hope to defend my title at Cedar Point and look forward to seeing many of the same gals but also hope there will be some new faces.

THE PRESIDENT OF THE LIGHTNING CLASS RIDES HIS ——— DOWN THE GRAND CANYON ON A MULE NAMED SUG

by Donald Delorme

Each year when we take a major trip we try to get in some sightseeing. When I first started sailing and traveling, we were usually so rushed that after the Regattas we got in the car and shot back as fast as we could. Recently we have been trying to see more and more of the country, as we travel about it, and have been doing better and better. This year Wanda outdid herself. She decided that the best thing to see on the way back from California was the Grand Canyon. Very early in the game she wrote and got reservations for the mule ride down, staying overnight and the mule ride back out in the morning. Would I go? Sure, what the heck. If they will drive the bus to California, I will go down the mule ride.

I did not know what a mule was. I thought a mule was a burro, a little tiny thing I sat on and would drag my feet on the ground. Also, I had no idea how sensational the Grand Canyon is, but more later.

After we finished with the trophy presentation and shook hands with all our good friends in California, we drove almost out of state that night. The next morning we got up and drove through the low lands of Arizona to the Grand Canyon where we met Wanda's sister, who had flown out for the sole purpose of doing this. I was obviously overwhelmed with the size of this Grand Canyon not realizing it was over 200 miles long and up to 20 miles wide at its widest place, plus a mile and a half deep in most areas with the Colorado River rolling through it.

The area has been developed superbly with great care being taken not to be over developed. We had a very nice dinner at one of the two or three hotels there and got to bed early for our ride down the Grand Canyon.

After jogging in the morning, we arrived at the mule staging area with all our proper gear. One just does not arrive with improper gear; one must have a hat, certain type, must stay on head; personal belongings in a small plastic bag; and a little money. I almost fell over when I saw the size of these animals. They were bigger than a horse and did not look as bright as a basset hound. They had a lot of trouble convincing several of them they should let someone get on their back. As we waited, terrified, for our turn, one articulate lady was starting down with a previous group. They get you all on the mules and then they just start right over the edge of a cliff on a sort-of-a-path which is the way the thing goes. As she went over the edge she broke up the world by screaming "Holy----" and then another word which loosely translates to poop. We watched them descend down the Grand Canyon as our eyes bulged bigger and our hearts thumped harder and faster. They finally took our group in, we were the last, and they assigned us our mules. They asked everybody how much they weighed, why I don't know, because they gave the biggest one to 135 lb. me. In any event, they said, "You take that big black one over there." I heard the mule-tenders talking amongst themselves and they said,

"That sure is a big mule, Old Sug," and one said, "Yep, it's at least 30 hands high," at least I think that's what I heard him say. By now, you know I do not know much about mules. I am now one longways up in the sky. They got everybody else loaded on these mules and our mules start off down the Grand Canyon which is just about as mountain as anything you'd want to see.

My mule, who not only is the biggest, is also the stupidest. It does not seem to care about the beautiful sights of the Grand Canyon. It does not care about staying in line behind the other mules. All it wants to do is eat little shrubs, bushes and trees. I spend most of my time on the way down and on the way up trying to keep his head following the back end of the mule in front.

The ride down is absolutely spectacular. About 90% of the time you are riding on clear, open paths and 10% of the time you are hanging off cliffs with sheer drops of 1,000 or 10,000 feet, they seem, below. They keep telling us how surefooted these mules are. If mine is so surefooted, why does it keep stumbling all the time? I keep looking for the carcasses of the people that have fallen off the cliff and the mules also. Fortunately, for me, I don't see any. The view of the rocks and down the canyon is absolutely spectacular and also the view of the rim which is rapidly disappearing is similarly spectacular with the beautiful sky and sun. Our leader is a native named Bill. He said we could call him anything but a ranger and then he wouldn't tell me why. We stop about half way down and had lunch. I kiss the ground. It is getting quite warm now as you get down into the canyon. He explains to us that there will be several places on the way where it may get very hot. One they call the furnace. He doesn't have to tell me when we get there. We ride down along the Colorado River which is just beautiful and I feel happy and relieved that we're there. Then they take us right back up, about half way up over the worst bunch of cliffs I ever saw, and then down through a tunnel. Unfortunately my mule is 30 hands high and the tunnel is only 28. I have to kiss the mule's neck all the way through the dingbat tunnel scraping my butt on the tunnel roof which is just plain rock. We go across a bridge, which mules do not like, which is not good. If you are riding on a mule that is not happy, it does not take long to know you are unhappy also. We survive that and we get down to the base camp where we are going to stay for the night.

It's unbelievable, like going back 100 years in time. We have these little cabins that have been there since the turn of the century and a hunting lodge where Theodore Roosevelt stayed. They have all these pictures and books that these old folks signed. We had a super dinner and had a few minutes of comradarie with the people that rode down all feeling we have accomplished something great like flying over the

ocean ourselves, even though we just hung on to the back of a mule. We even met a member of the House of Parliament from London. The Honorable Kenneth Warren and his family with whom we enjoyed a glass of wine in the evening.

I slept very well that night between sleeping and praying that we get up there safely the next morning. In the morning, I jogged around in the bottom of the canyon in just an unbelievably beautiful atmosphere. We left very early in the morning to get the mules out before it got hot and the way out is almost straight up. It was something like $9\frac{1}{2}$ miles the way we came down and $6\frac{1}{2}$ miles the way we went up.

The mules, sensing that the thing would be over, were quite anxious to climb back out, and they do this very easily. The way back out had a couple of turns around cliffs that even scared them. We were back up to the top by 11 o'clock and we spent the day walking along the rim enjoying the view of the canyon. We saw some other Lightnings in the parking lot and realized that the Buckles and the Curries must be enjoying the canyon somewhere. The next morning I flew back to Washington and Wanda and Don took off with the bus.

I can hardly wait for the next long trip to see what is in store for us in the way of sightseeing. I am not much for recommending tour sights since I know nothing about being a tourist, but I'll guarantee you if you ever get a chance to see the Grand Canyon either ride down it on a mule or plan to hike down it. It will be one of the most spectacular things you have ever done.

THE XXVI SOUTH AMERICAN CHAMPIONSHIP

By Fernando de la Concha

The 1980 South American Championship, sponsored by Club Nautico del Muna, was sailed in Colombia on Lake Tomine, 40 miles north of the capital Bogota. With the organization of its enthusiastic members, it turned out to be a great success. However, it was mainly due to the hard work and collaboration of the Commodore of the District, Garry Jackson, who went through the difficult task of convincing many Colombian sailors to buy new fiberglass Lightnings. It was quite a chore because our sailors have to buy boats at an exceedingly high price, due to the Colombian taxes. Thus, with our wood Lightning fleet and our 12 new fiberglass boats, we were able to offer our lake, club, and houses for the XXVI SOUTH AMERICAN CHAMPIONSHIP.

Lake Tomine is an artificial lake between two small mountain chains at 2,600 meters above sea level; it is ten miles long and one and a half miles wide. Its winds change very much both in intensity and in direction making it very important to keep the six eyes very open.

My crew was Andy Newman and Miguel Cano who both had crewed for me many times in the Snipe. We practiced very much and made a super team.

At the practice race, we knew who our rivals would be and we watched for them: Paco Sola and Dieter Dyck from Ecuador; Manuel and Alberto Gonzalez from Chile, and Andres Lisocki from our country. After the first two practice races, all of these boats were fighting for first place but nobody was able to finish. We checked our speed and pointing ability and were very happy with the results.

First Race (Wind 10 to 15 m.p.h.) Tuesday

After a tight start, the fleet spread out in order to play the shifts. At the weather mark it was Dyck, Sola, the two Gonzalez, Lisocki and ourselves. The first reach was very tight and everybody was in problems with the spy (spinnaker). We went a little high just after the mark and hoisted the spy; we held the boat and went to second place. Dieter, who did not fly the spy, got first at the jibe mark and Paco was third. On the second windward leg we passed Dieter and Paco did too; but then on the next weather leg, Dieter caught and passed us. Therefore, at the finish it was Dieter, first; second, we; third, Paco; fourth, Andres; and fifth Manuel Gonzalez.

Second Race (Wind 10 to 12 m.p.h.)

After a nice start, Manuel Gonzalez got the lead and won the race. Second was Paco; third, Dieter; and fourth, ourselves. Two races were sailed on the first day.

Third Race (Wind 5 to 8 m.p.h.) Wednesday

With very little wind and after postponing the race several times, we finally started in the afternoon. Alberto Gonzalez, who was sailing very well, got the lead and won the race. Second was Dieter; fourth, Paco; fifth, Claudio Abramowitz from Brazil; and sixth we.

Fourth Race (Wind 2 to 8 m.p.h.) Thursday

Due to the lack of wind, the course was moved north where the wind was a little better. At the first mark we rounded first; second was Paco; third was Mauricio Martinez of Ecuador; and fourth was Dieter. At the second reach the wind changed to the left so the leg was a beat and Paco passed us. The third leg was a close reach and the position did not change. Finally, just near the mark the wind died and the fleet got close; then the wind came from the back and that leg was a run. We stayed on the right side of the course and the other boats moved to the left to get free air. Again, the wind changed to the right and it was now a reach that put

us once more in first place. At the mark all of the fleet was there together and it was very crowded. We finished first; second went to Mauricio Martinez who sailed a very good race; third was Paco; fourth was Uscategui; and fifth was Alberto Gonzalez. At this stage of the championship, Paco had 72 points, we had 71, Dieter had 70, and Alberto and Manuel Gonzalez both had 64 points.

Fifth Race (Wind 0 to 5 m.p.h.) Friday

With very little wind, Claudio Abramowitz got in first at the weather mark; Juan Santos of Ecuador was second; third was Jorge Uscategui; we were fourth; and fifth was Andres. The wind died at the reach mark; the third leg was a beat with very little wind; the next leg was a run; and all the fleet got together at the mark. Juan Santos, Lisocki, and Pacini stayed clear of the fleet and went ahead. Lisocki finished first; Santos, second; Pacini, third; Claudio, fourth; Uscategui, fifth. We were sixth; Dieter finished ninth; and Paco was tenth.

Sixth Race (Wind 5 to 8 m.p.h.) Friday

Immediately after the finishing of the fifth race, the committee set the line and hoisted the flag. We had a nice start. Paco was over the line and had to go back. After a good windward leg we were first with Pascuchi from Argentina in second; Abramowitz in third; Dieter in fourth; and Pacini in fifth. The same positions were maintained until the second windward leg when Paco took fourth after going to the right side and playing the right shifts. On the third windward leg Pascuchi and Claudio went to the left side and we stayed on the right side because Paco and Dieter had gone there. Claudio and Pascuchi got a nice shift and passed us. The last beat was a tacking duel among Pascuchi, Paco, and us. The three boats finished very close making it a tremendously exciting windward leg. Claudio took first; Pascuchi was second; we were third; and Paco took fourth.

We finished tied in points with Paco. We won the championship because of our finishes. The regatta was a big success and the Lightning Class grew very much after some dead years.

I want to sincerely thank all the foreign sailors who came to our country and club to sail with us and all of the Colombian people who worked so hard in the championship, especially Mr. Garry Jackson who made possible this regatta. I hope to see everybody again at the XXVII SOUTH AMERICAN CHAMPIONSHIP.

COLOMBIA DISTRICT COMMODORE REPORTS ON THE SOUTH AMERICAN LIGHTNING CHAMPIONSHIP

By Garry Jackson

This Championship really began in Peru when Eduardo Colmenares, our Vice Commodore, and a participant in the last South Americans who was carried away by the splendor of the sun, sea, sails, sand and competition and suggested that Colombia would like to host the 1980 South Americans. On Eduardo's return to Colombia his advice of acceptance was met with cheers of jubilation and frowns of doubt.

Colombia had not been host to an important international event in Lightnings for ten years. The Colombian Federation of Yachting was and is broke and could offer no financial assistance; rather suggesting that the whole idea was beyond our means and should be quickly forgotten. The largest fleet of Lightnings was in Tomine, close to Bogota on a lake 8000 ft. high with the strangest winds. The fleet consisted of six good wooden boats, 15 mediocre boats and three glass boats which particularly enthusiastic sailors had imported in the past year.

Thus after careful consideration and soul searching the conclusion was reached that with no money, insufficient and inadequate boats, and a funny lake as the most probable site, acceptance by Colombia for the South Americans was crazy. However, if the Lightning fleet accepted their incapacity to organize this event, this would mean at best stagnation and at worst a slow and terrible death.

Thanks to the guts of the Board members of the Club Nautico del Muna and the enthusiasm of the Lightning sailors, the snowball began to roll terminating in a South American Championship. It did have its mistakes and failures and also its fun and competition, but most importantly, after the event we have a rejuvenated fleet of more than 30 boats, more than half of which are glass, a new enthusiasm for sailing and a definite desire to participate in more international happenings. As a special message to any Club that has a Lightning rotting on a trailer, or hasn't seen a new boat in the water in the past year, organize a good regatta with

outside competition and just see what it does for your Fleet and your Club.

Crit Currie from Memphis came down to Colombia to help with the total organization of the race itself and to him and his wife Eleonor, a special thanks for all their assistance.

Crews arrived from Argentina, Brazil, Chile and Ecuador and the serious business of beating the pants off everybody began. Dieter Dyck who knows Colombia's secret weapon, namely the strange winds of Lake Tomine, showed everyone what sailing was all about with Paco Sola as his shadow. For the first half of the week Ecuador was the whole story with these two crews always up at the front but close behind were Colombia and Chile with De la Concha and Gonzalez. On Thursday, De la Concha was first, placing him among the first three with Dyck and Sola and virtually no difference between the leaders. Sleepless nights for all as Friday was the last and decisive race.

All the effort and training that has come before was now dedicated to this one race where none of the first positions was yet defined. There beating up the windward leg in first place was Colombia with Fernando de la Concha, behind him was Pascuchi from Argentina and Abramowitz from Brazil. It looked as though the race was in the bag as Paco Sola and Dieter Dyck were fourth and fifth. However, De la Concha must cover his most dangerous competition and in doing so Pascuchi and Abramowitz slip by. Now Brazil was in the lead; Argentina, second; Colombia, third; and Ecuador, fourth; and Sola closed in. At the line it was first, Abramowitz; second, Pascuchi; third by a hairy inch, De la Concha; then Sola; and Dyck.

Celebration of the victory was interrupted to advise that first place was tied with equal points between Fernando de la Concha and Paco Sola. However, due to a first place and more wins Fernando is declared South American Champion.

CANADIAN OPEN CHAMPIONSHIP OR MAC DONALD STRIKES AGAIN

By Larry MacDonald

The Canadian Open Championship was held on the west coast for the first time in 1980. The Lightning Fleet of the Kitsalana Yacht Club in Vancouver organized a great regatta. Boats from Montreal, Thunder Bay, Toronto and Hamilton travelled across Canada to attend and joined the local District boats from Oregon and British Columbia.

The races were held on English Bay in moderate winds of various directions. Larry MacDonald, Jr. and Dave Sprague dominated the field. MacDonald was the winner with four firsts and a second. Sprague was second with four seconds and a first. Larry MacDonald, Jr., Dave Sprague and Ross Bailey, who finished third, qualified to represent Canada at the next World Championship.

The host fleet showed everyone their great western hospitality at the "Salmon Bar-B-Cue" on Friday night. Saturday night was another supper and entertainment at "Frank Baker's Attic."

The Canadian Lightning Fleet looks forward to seeing you at the 1981 Canadian Open at Thornbury, Ontario.

XXVIII EUROPEAN CHAMPIONSHIP

Translation of an article written by Y. D. Spichiger for the local newspaper:

For the third time in his sailing life, Jean-Claude DuPasquier has won the XXVIII European Championship of the Lightning Class. But this time he did not get the cup so easily. The runner-up, an Italian fellow, Crucitti, ended up with only one point less.

This championship was held from the 30th of June to the 6th of July in Neuchatel (French speaking part of Switzerland). There were 27 competitors who represented three countries: Finland, Italy and Switzerland. Greece was missing.

At the first race, the 27 boats were on the starting line. But three of them were disqualified because of an early start: Adam, Schar and Wyler (all Swiss boats). Soon after the beginning of the race, the wind was very strong and the Italian, Crucitti, took first place but was finally passed by one of his compatriots, Coccoloni, who had just won the Italian Championship. The Swiss skippers Despland, DuPasquier and Monnier followed.

In the afternoon was the second race. The westerly wind blew more strongly, reaching force 5. As it was blowing in the length of the lake, the waves started to deepen and they were hard to "negotiate", even by the skippers used to the sea. This time Crucitti won, catching DuPasquier and Despland during the last run. Coccoloni took fifth place. Now it was an exciting fight between Switzerland and Italy.

On Wednesday, Despland won the third race thanks to a fresh westerly wind ahead of DuPasquier and Crucitti. But in the middle of this cold and rainy day, the race committee decided to offer the competitors half a day break. Not all

skippers agreed with this decision. Some of them, well placed, preferred to go on, but others were happy to get some rest and repair their damaged boats.

Thursday morning, the fourth race was held in a southerly wind, which is quite unusual for the lake of Neuchatel. Then it slightly shifted to the west. The options were not easy to take on the first leg. We saw a fantastic fight during two turns between DuPasquier, Monnier and Merola. The boats were running parallel, controlling each other, often tacking to clear out. At the very end of the race, DuPasquier took first place in front of Monnier.

The fifth race was the luckiest because it was sailed with a very shifty northerly wind, called in Neuchatel the "Joran". Nevertheless, Crucitti got along quite well and stayed ahead during the whole race, even though DuPasquier, who had a better start, was vainly trying to defeat him. Behind him were Monnier in third, Lambelet in fourth, and Despland in fifth.

The fifth race was the last race of the championship because the wind stopped on Friday, on Saturday evening it was not regular enough, and on Sunday morning it was raining without any puff of wind.

The final results were calculated according to the I.L.C.A. rules, i.e. the worst result was not taken off because only five races could be sailed, and all five were counted. The winning crew was Jean-Claude DuPasquier with Yann DuPasquier and Joel Von Allmen in front of the Italians, Crucitti with Messina and Arcuri. The difference was only one point. We will hear again of this speedy boat since the next championship will be held in Marsala, Sicily.

Personal notes on the Championship by the winning skipper, Jean-Claude DuPasquier:

The team of Claude Lambelet, Jean-Pierre Monnier and myself had a hard time but we were very enthusiastic in organizing this championship at our sailing club. We were sorry not to get more pleasant weather especially for some of the Finnish sailors and their families who preferred the outdoor life and camped under tents or in caravans near the harbour. We congratulate them for their big resistance! They came by bus. Their four boats were carried by a huge truck (see the picture).

The other sailors and guests were welcome in private homes; an action which seems to have been appreciated by both our friends and the Neuchatel families. English and French were the languages of communication.

The evening parties were various. First the Lightning class was officially welcomed by the State government in the castle of Neuchatel. Then, our friends from the fleet of Morat invited us to a rainy but lively garden-party with the traditional "racelette", accompanied, among others, by a player on the accordeon. The three organizers led their guests into an old cellar for a buffet-party. "La grande fete de la voile", an annual festival of the sailing club which mixed both the Lightning sailors and the members of the club. We had a barbecue and a tremendous pop music band also performed songs of the different countries represented. After a game called the "American Sale", the Finnish won a big ham they brought back home — unless they ate it before!

I am happy to note that some new young crews entered the Lightning Class and I hope they will stay in the series because at least in Switzerland, there is a lack of new crews. But for the moment, the "veterans" are not ready to retire and are looking forward to meeting again in Sicily. Long live the Lightning Class spirit!

THE "PSYC" OF SAILBOAT RACING

by Jay Lutz

When I was asked if I would write an article on this topic, I thought to myself, "What do I know about the "psyc" of sailboat racing?" All I do is hop into a boat, trim the sails, and go!" Then I started to think about it. Why are the same people winning regatta after regatta? Is it because of their preparation? Their crew work? Is it their boat? Is it their sails? Are they just better sailors? Why is it, no matter what type of wind you have in a regatta, the same sailors are always up at the top?

I'm sure all these things help a person win, but not one factor helps you win as much as what's in your head. There are probably ten boats in every North American competition that have good enough preparation and sailing abilities to win the championship, but only one person can win and that's the person who is psychologically ready.

Different types of people need different types of "psyching themselves up". Some need to be bold and brash, wanting people around to be awed by their undaunted fear. This not

only "psychs" the opponents out, but also builds an inner confidence in the skipper himself that puts him above the rest.

Other skippers degrade themselves, stating that preparation was nil and that they anticipate they will not be a threat in the regatta. That's when they lull the competition into not regarding them as a threat and — WAM — they go and have 3 bullets to win the series.

Crew "psych" is another important ingredient for a winning boat. The crew should always add input to the skipper's ears, whether he listens or not is another story, but at least he knows the crew is there to sail.

Having good preparation in boat and crew is one of the best "psych jobs" for the skipper there is in racing. When his worries are only getting good starts, concentrating on sailing a good race and winning, it gives him the advantage of psychologically attacking his opponents and the inevitable winning of the war on the race course.

1980 was an exciting and interesting year in our area. The season started early in January with participation in the XXVI South American Championship. We sent two crews to Bogota, Colombia: Roberto Ricoveri, Rolando Turrado, Hugo Arazi, and Javier Pascuchi, his wife Maria and Angel Vila.

After this we worked very hard in the Junior activities. Hugo Castro with crew Gabriel Coca and Pablo Montes won the trials and was sailing in the second World Youth Championship with Angel Vila as coach, and he took the third place. In late July Roberto Ricoveri, Rolando Turrado and Hugo Arazi were in the United States and sailing successfully at the North Americans. They took fourth place in the President's Cup.

Fleet 202 and the Club Nautico Olivos was the host of this year's District Championship. This event was also the trials for the XXVII South American Championship to be held at Salinas, Ecuador in April 26, 1981. We had a very close competition, with boats from all Districts' fleets. We now look forward to a good season in 1981.

District Junior Champion	Otavio M. Almeida

Fleets: Sao Paulo (147), Florianopolis (162), Niteroi (351), Pernambuco (373), Brasilia (375), Guanabara (401), Guarapiranga (462)

Last year Brazil brought home the Gold from the Pan American games with Mario Backup. In 1980 Otavio Machado de Almeida almost did the same in the Junior World Championships. Otavio and his crew were runners-up, only two points behind Ian Jones. In this year's Senior Nationals he placed a very honorable 8th, and first in the Junior category. We shall be hearing more and more of him as his experience grows.

The 1980 Nationals were held in Sao Paulo in March. With lots of rain and light winds, the winner was Claudio Bieckark. Manfred Kaufman was second, Mario Backup third, Robert Backup fourth and Valerio Soares fifth. Due to Bieckark's commitment to the Olympic Team (where he took a fourth in Finns), he couldn't compete in the North Americans.

In the North American qualifiers Manfred Kaufman was brilliant, taking three firsts and a throw-out second. But in the final series Manfred had trouble with choppy seas and could only finish 14th in the Blue Fleet.

Brazil was also in Bogota for the South Americans with two crews. Claudio Abramowitz and Alzyr Faria couldn't get used to the crazy winds and only managed to place fourth and 18th, respectively.

At our last General Meeting two measures were approved that will be giving new growth to our class in Brazil. Approval for the class to purchase its own extrusion die for aluminum spars and to sell spars at cost. Secondly, approval was given for the class to get local builders interested in making a Brazilian fiberglass Lightning by financing the mould. As of this moment, we are very near this dream, as contributions from present and future Lightning sailors are coming in for the project. It is our goal to be able to arrive at the next World's, in Chile, with totally Brazilian made boats.

CALIFORNIA DISTRICT

District Commodore	Mark Patty
District Secretary	Quintin Foster
District Measurer	Charlie Gotschalk
District Champion	Dick Brewer
District Runner-Up	Myron Lyon

Fleets: Santa Monica Bay (102); Mission Bay (194); San Francisco Bay (372).

The highlight of the California District was the North Americans hosted by Mission Bay Yacht Club. It has been sixteen years since they were held on the West Coast, and most of the skippers were looking forward to an opportunity to sail against those revered Eastern sailors.

The first district-wide competition is always the California Circuit. This year, Jay Lutz joined us and ran away with the circuit. Jay took two of the three races held in Santa Monica Bay in Los Angeles; ground down Max Rosenberg in the modified marathon out of San Diego Bay, and took two of the three races held in San Diego Bay. Following Lutz were Max Rosenberg, Warren Gross, Peter Huston and Al Poindexter. Midway through the circuit, Warren Gross took delivery of his new boat and promptly won the first race in which he sailed it. Bill Buckles, who had delivered Warren's boat, joined us for the San Diego Bay series taking a fourth.

All interest then focused on the District and qualification for the North Americans. The winds ranged from 0 to 30 on the first day, then settled down for the second day. After five heavily contested races, one of the district's really "nice guys" emerged with his first major regatta win - Dick Brewer. Dick was followed by Myron Lyon, Warren Gross, Max Rosenberg and Charlie Gotschalk.

From the Districts, it was up to Klanath Falls for the Pacific Coast Championships. Unfortunately, we did not turn out a large California contingent; only a few boats from San Francisco made the trip. But, what we lacked in quantity was made up by quality as our District Commodore, Mark Patty, showed the Pacific Northwest District how to sail and kept the Pacific Coast Championship trophy in California.

Then the highlight! The North Americans! The apprehensive California sailors were awaiting the East Coast sailors, and wondering if we could squeeze one boat into the Blue Fleet. The combination of chop, swells and light air was old hat to the "locals" as we placed four boats in the Championship Fleet - Myron Lyon, Mark Patty, Warren Gross and Dick Brewer. Not only was Myron our top finisher with a 21, but he wrapped up a year of extremely hard work as Chairman of the North Americans with a well run North American Championship. Although we won no silver in the Blue Fleet, Kirk Johnson sailed to a fifth in the President's Cup while Peter Huston, fourth, and Bruce Arnold, fifth, took home trophies from the Governor's Cup.

The final event for the district is the Billie Bowell Memorial Regatta held on a reservoir north of Santa Barbara. This is one of the perennial favorite regattas of the sailors in this district. The winds are always good (except the second day of racing this year), the camping is always fun and old friendships are once again renewed. And, to top it all off, we sail fresh water for a change. Saturday's races were typical with winds from the north, over the dam, at a steady 12-15. However, Sunday brought very shifty and extremely light air - a rare scene at Cachuma Lake. Charlie Gotschalk managed to survive the fleet spreading and compressing several times and won his first Billie Boswell Memorial Regatta.

The district officers for 1981 were elected at Cachuma. Quintin Foster will serve as District Commodore assisted by Al Poindexter, Secretary.

CENTRAL ATLANTIC DISTRICT

District Commodore	Bruce Kloss
District Secretary	Gary Swangler
District Measurer	James Carson
District Champion	James Carson
District Runner-Up	Jay Lutz

Fleets: Bay Head (3); Metedeconk River (34); Great Egg Harbor (99); Lavallette (104); Brant Beach (173); Surf City (196); Riverton (228); Barnegat Light (335); Red Dragon (357); Penn Manor (422); Ocean City (430)

The Central Atlantic District started 1980 with the traditional joint winter meeting held this year at Monmouth Boat Club. Sailing started for some of our skippers—including Jay Lutz, Jim Carson, Paul Gelenitis, and Djoerd Hoekstra—at the Southern Circuit. Jay also travelled all the way west and won the California Circuit (let the record show he won five of seven races sailed, too). Some of us shook out the cobwebs at Monmouth's wonderful Long John Regatta; others waited til Cedar Point's Early Bird. By the early part of June we were all stoked up and 30 crews, more or less, descended on Ocean City Yacht Club for the District Championship. John Parker, Jim Accardi and Don Gartland and the rest of their fleet were fabulous hosts, though it was a mite difficult sorting out the weather mark from the crowd of anchored motorboats busily fishing and cussing out the passing sailors. The fleet sailed three races on Saturday, but only two counted because a starting mark dragged. Then there was Sunday. Last year when Red Dragon Canoe Club held the districts there were no Sunday races because of an unfortunate lack of wind; this year the Wind Gods blew us right off the water. Jack Elfman went out and sailed around, but when that noted heavy weather hot-shot came back to the dock with his jib down, the rest of the fleet headed for their boats and started dropping masts for the trip home. The winner, was Jim Carson, and Jay Lutz was runner-up.

Central Atlantic District Fleets also were hosts in 1980 for the Atlantic Coast Championship regatta, held at Metedeconk River, and the New Jersey State Championship, held at Brant Beach. The home teams did pretty well, as members of the host fleets won both regattas. Jay Lutz took the Atlantic Coasts, and Glen Reitinger won the Jersey States.

August brought the North Americans. The district sent three boats all the way to San Diego—Carson and both Lutzes. All three qualified for the Blue Fleet, but they could have used some extra luck in the final series. Jody Lutz, brought home a prize, winning the Junior North American Championship, earning a candy-stripe Lightning emblem to match the one our brother Jay captured a few years ago.

In the fall, John Parker won the Gamma Trophy for best placing the regattas on the Delaware River. District sailors showed the flag at Cedar Point, Annapolis and Quantico. Jim Carson ended his season on an upbeat with a victory at Quantico.

So another season rolled around. District Commodore Buck Kloss gives way for 1981 to John Parker. When this sees print, we will be looking forward instead of backward. From Barnegat Bay to the Delaware River, the Central Atlantic District wishes all Lightning sailors fair winds and a fine new season.

CENTRAL CANADIAN DISTRICT

District Commodore & Measurer Ross Bailey
District Champion Ross Bailey
District Runner-Up Jim Cameron

Fleets: Zig Zag Yacht Club (277); Temple Reef Sailing Club (279); Royal Lake of the Woods Yacht Club (320).

Our district is quite large, being about 1000 miles across. Lightning sailors have historically been active in several locations throughout this area and individual activity seems to ebb and flow through the years.

While activity at Amethyst Harbour has diminished to a few cruising Lightnings, a very strong core exists in Thunder Bay and we expect excellent growth in the future. The western half of the district has seen interest die quite remarkably in the last few years, but certainly the Lightning is still well thought of there, if not organized.

A very bright spot is Loon Lake which once was a Lightning hot bed. Lou Walsh has always managed to outfox everyone on that Lake, no matter of what class. As Lightning interest on Loon undergoes a strong revival, Lou still outfoxes them.

Competition wise, areas within our district continue to become more organized with their race schedules. The exciting news though is the excellent results our sailors achieved while traveling. Ross Bailey won the President's Cup, and came third at the Canadian Opens in Vancouver. Porter Bailey and Jim Cameron also went to Vancouver and both placed very well. As we are an isolated district, traveling helps us immensely and also provides good times.

Our District Championships are held in two halves, the first half being at Lake of the Woods. Here the beautiful waters and warm temperatures provided Jim Cameron with a win in a hard fought regatta. The second half in Thunder Bay provided more wind and Ross Bailey was just able to

squeeze by Jim for a regatta win and the Districts.

Cruising Lightnings is also becoming more and more popular in our area. With the vast tracts of incredibly beautiful cruising grounds, one can hardly wonder why. Jack Arnold, Don Ellard and actually everyone look forward to more cruising next season.

We are all quite excited that the 1981 Canadian Summer Games will be sailed in Lightnings in Thunder Bay. This youth competition will not only push the class across Canada, but the subsequent sale of the boats will help our area's Lightning fleets considerably.

This year, although a somewhat hectic one, has been a good one, and we look forward to next.

CENTRAL NEW YORK DISTRICT

District Commodore Jed Dodge

Fleets: Skaneateles Country Club (1); Lake Delta Y.C. (4); Mayfield Y.C. (13); Pultneyville Y.C. (61); Newport Y.C. (77); Great Sodus Bay (108); Red Jacket (125); Willow Bank Y.C. (164); Henderson Harbor Y.C. (225); Keuka Y.C. (252); Brockport Y.C. (267); Galway Lake Y.C. (338); Thousand Islands Fleet (382); South Skaneateles Lightning Assoc. (439).

The 1980 sailing season was a successful one, even with attendance at some of the regattas down a bit. With better promotion and scheduling, the District hopes to achieve greater participation at its regattas.

Central New York is not especially noted for its heavy air sailing, and 1980 proved no exception. Despite the many light air races that aged many a skipper before his or her time, the same names usually found their way to the top. Dick Hallagan had another excellent year in, and out of the District, as did both Jed Dodge and Jim Pindell.

The opener of the season at Newport saw a great many visitors to our District from all points of the compass. The Lake Erie District in particular

was represented in force. The regatta ended with only two races counting, thus allowing a tie for first between Dick Hallagan and Jay Lutz to stand. Jay also earned the nickname "Lost Lutz" due to his unerring ability to locate marks that weekend.

Lake Delta saw a poor turnout of boats, but the Club did their usual superb job of hosting a fine regatta. Dick Hallagan, sailing a borrowed boat, barely edged out Jed Dodge for the win. Newport Yacht Club on Irondequoit Bay, hosted this year's District Championships. In another hard fought series Dick Hallagan nipped Jed Dodge for the crown in a variety of conditions that only Irondequoit Bay can serve up.

Cazenovia Lake hosted this year's L.S.L.S. Regatta. The five race series saw four races sailed on Saturday, the last three, back to back. If it hadn't been for the "beer fairy" appearing between the last two races, the long hot afternoon would have been much longer and hotter for most of the racers. Sunday's close saw Jed Dodge on top for the regatta, with Jim Pindell in the runner-up spot. A first time regatta winner with a familiar name was Jerry Dodge, youngest of the Dodge brothers, who captured the C.N.Y.Y.R.A. Lightning Championship at Skaneateles.

The Champagne Regatta at beautiful Keuka Lake heralded the return of a former C.N.Y. sailor, Bob Wardwell. Bob won the regatta in fine fashion with good sailing in every race. The Champagne Regatta was the last leg of our Triple Crown Series this year. The first two legs being held at Delta Lake and Cazenovia. Jim Pindell sailing close to the top in all three regattas, showed that consistency counts, by nosing out Dick Hallagan for the Crown. Jim proved sailing Lightnings (and sailing them well) is indeed a family affair, by winning the Triple Crown that his father Merle had won the year previous. Mike Fellows did a fine job in taking the third spot in the series.

Three of our sailors made the long journey to San Diego. Jed Dodge, Dick Hallagan, and Dick Tuttle all represented C.N.Y. in style. The three all sailed in the Championship flight, with each having their best finish ever. Jed Dodge finished 9th and Dick Hallagan finished in a tie for 3rd, only to end up 4th with the tie breaker. Congratulations to all three for a job well done.

1980 was a fine sailing season enjoyed by all. We hope to see all the familiar faces back again next year, and encourage new ones to come out and enjoy the fun.

CENTRAL STATES DISTRICT

District Commodore & Secretary Bob Florence, Jr.
District Measurer Fritz Toussaint
District Champion Bill Merillat
District Runner-Up Scott Hamilton

Fleets: Jayhawk (60); Odd Winds (296); Keystone (402); Perry (438).

The District year was, as always, exciting and jam packed with fun races and parties. This year Bill Merillat finally won, much to the astonishment of some skippers who thought that Bill was too old to compete anymore.

Many thanks to John Gall the 1980 District Commodore and to his wife Mary for a great regatta and party. His selection of a Race Committee from the Scow Fleet was a subject of doubt, but Crash Adams, Digger Cary and Captain Jack Hall did as usual, a great job.

CHILE DISTRICT

District Commodore Gerardo Polette P.
District Secretary Jaime Silva
District Jr. Commodore Juan Pablo Barahona
District Measurer Jaime Fernandez
District Champion Manuel Gonzalez M.
District Runner-Up Alberto Gonzalez M.
Junior Champion Felipe Cubillos
Junior Runner-Up Jorge Campos

Fleets: Yacht Club de Chile (317); Algarrobo (318); Capricornio (319); Hique Rillas (342); Pichidanguí (346); Club de Yates Pucon (482).

The 1979-1980 sailing season was very active and successful, especially at international events. Chile was represented this year in the South America Championship of Colombia, the North Americans at San Diego, California and the World Youth at Buffalo Canoe Club, Canada. This was possible thanks to the great help of our yachting Federation and enthusiastic support of its President and Lightning Class member Marco Montalbetti, as well as the excellent and increasing level of competition our District is achieving.

Our Championships have been sailed at Algarrobo, Higerillas, Recreo and Pucon. The winners of them and Runner-ups were as follows:

Victor Tapia Cup: Manuel Gonzalez, Rufino Melero; Favaro Cup: Manuel Gonzalez, Luis Herman; Lightning Cup: Manuel Gonzalez, Alberto Gonzalez; Agsa Cup: Cristian Barahona, Gerardo Polette.

At the South Americans held in Colombia, Chile was represented by Manuel Gonzalez and Alberto Gonzalez. Manuel Gonzalez was the Chilean with the best finish.

To the North Americans in San Diego went Manuel and Alberto Gonzalez, Jaime Fernandez and Luis Herman, Jr. with J. Pablo Barahona, Cristian Barahona; Pablo Gallyos, Fernando Gallyos, Tritan Aicardi, Juan Antonio Marino, Cristian Herman and Luis Herman as their crews. Manuel Gonzalez finished 17th, Jaime Fernandez 18th, and Alberto Gonzalez 20th. Luis Herman was second in the President's Cup.

Before the North Americans Juan Pablo Barahona sailed in the Youth North Americans as a crew of an American skipper. They finished second.

In the Youth Worlds held in Canada, Felipe Cubillos with Ronald McIntyre and Cristian Figari as crew obtained the fifth place. Jorge Campos with Marcelo Tapia and Juan Pablo Barahona as his crew also competed.

Due to ratification of next Worlds in Chile (January 1982) at Pucon, our Chairman, Hernan Barahona and class members are working hard to offer a great event.

For the sailing season 1980-1981 our commodore will continue to be Gerardo Polette, with Rufino Melero as Secretary and Jaime Santa Cruz as Treasurer.

CONNECTICUT—RHODE ISLAND DISTRICT

District Commodore John Cuccio
District Secretary Chris Vann
District Measurer Will Wendell
District Champion Bill Shore
District Runner-up Jim Crane

Fleets: Housatonic Boat Club (6); Black Rock Yacht Club (17); Niantic Bay Yacht Club (85); Cedar Point Yacht Club (126); Madison Beach Yacht Club (129); Noroton Yacht Club (134).

Cedar Point's Early Bird Regatta held on May 17-18, continued to be the most important and well attended season opener on the East Coast. Bill Shore showed the way to everybody. Jim Crane, who had borrowed Dick Thackaberry's boat, collided with John Verelli, who had borrowed John Cuccio's boat, just before the start of the first race and had to withdraw. The ironic and almost amusing aspect of this situation was that these were the only two borrowed boats and only collision in this regatta.

Not many Districts can boast champions of such caliber as Bill Shore and Jim Crane, but ours does. It means that the rest of us usually move automatically down two places. That's how it was the Districts held at Noroton on July 12-13, Bill, first, and Jim, second, but Cedar Point's Dick Thackaberry kept them alert by finishing a strong third, confirming that he has become one of the skippers to beat in our waters, and others.

July 19-20 saw a well run regatta for the Long Island Sound Championship at Madison Beach Yacht Club. David Peterson left everyone behind in his *Woody* (it must be made of balsa wood, has anyone weighed it lately?) using all his great ability and finesse. . . what a skipper! John Vann raced a terrific series and was first of the fiberglass boats for a second place, followed by Nancy Young, the First Lady of the Connecticut-Rhode Island District, always a top contender and a charming young lady (we like her husband George too. He's so quiet that none of us have been able to find out just how much help he is. Nancy says it's considerable). Nancy Young has just been elected Commodore of the Madison Beach Yacht Club. Our sincere congratulations go out to her.

Niantic Bay Yacht Club hosted the Governor's Cup (which weighs 50 pounds and is about 5 feet high. Some people have suggested that the winner should be made to carry this cup in his boat at the subsequent regatta, as a handicap) was won convincingly by Bob Pinnard in his newly purchased and refinished boat. The emotion of winning his first important regatta touched not only Bob and his family but all the participants. The applause was long, loud and spontaneous. Don Barrett was a strong second, ably assisted by his wife and brother, giving notice that they will be a factor to be reckoned with in our 1981 races. John Collins, always a strong contender, was third, complete with the green Irish Clover on his transom!

The Eastern U.S. Championship at Cedar Point on September 20-21, confirmed that Mark Bryant, fresh from winning the North Americans on the West Coast, is either the best Lightning skipper at this time or that he cheats a lot — his boat was certainly rigged with a lot of "tricks" and very suspicious! Dave Curtiss thought he was still at the Southern Circuit and came in second. Stu Nickerson, always terrific, but a little more quiet since he got married, finished third, with the apparent ease of a true champion.

Our District has been fortunate in having been selected for the 1981 North American Championship to be held at Cedar Point Yacht Club in Westport, CT from August 19th to 29th. We all believe that this important event will boost the interests of the Lightning Class on the East Coast. We all must increase our efforts to attract and maintain the enthusiasm of our young skippers, and the ones to come, in order to insure the continued success of the Lightning. The future lies in our Juniors; let's keep at them!

DIXIE DISTRICT

District Commodore David Racine
District Secretary Bill McShane
District Measurer Ron Buchanan
District Champion Don Delorme
District Runner-Up Rob Pratt
Junior Champion Ron Grotheer

Fleets: Washington (50); Indiana River (72); North East River (192); Susquehanna (253); Sassafras River (314); Rehoboth (325); Severn River (329); Marine Corps D & E Command (354); Smith Mountain Lake (377).

If you enjoy one or more of the following activities connected with Lightning sailing, you should try out the Dixie District next summer. You always have plenty of opportunities, since our season runs from mid-April through the Quantico Frostbite Regatta at the end of October. Here's a sample:

- (1) A peck on the cheek from Miss Azalea at the awards ceremony in Norfolk—the Azalea Festival Regatta in April.
- (2) Severn Sailing Association's No Gas Regatta, where the beer (not the gas) flows and the heavies shake out the cobwebs.
- (3) The Susquehanna Regatta where Bob Wardwell says, "The last shall be first."
- (4) Fleet 50's Potomac River events where you can go from vertical to horizontal in a flash if you get too close to jet plane backwash at National Airport.

Dixie District Regatta Trophy Presentation (left to right): Vickie Brennan; Rob Pratt, second in Districts; Linda Bachman; Steve Bachman, third in Districts; Ron Grotheer, first in Dixie Junior Championship; Don Delorme, first in Districts; Wanda Delorme; Bill Buchanan (behind Wanda).

- (5) The Upper Chesapeake Regatta where Fleet 192 puts on the best steak feast of the summer.
- (6) The Delaware Governor's Cup at Rehoboth—the finest sailing anywhere (except for a few days in 1978)—where Kitty Racine makes 20 reservations for crabs and beer and 47 people show up.
- (7) The Dixie Junior Championship, where our active bunch of juniors show that they certainly know how to enjoy themselves.
- (8) The District Championship, a three day, five race event where we get 30-40 boats each year.
- (9) The Atlantic Coasts, held every other year on the Chesapeake, where we do battle with the hot Jerseyites, particularly the Metedeconk Mashers.
- (10) Miles River on the picturesque Eastern Shore at St. Michaels, where the 100 year-old log canoes still compete.
- (11-25) More of the same activities, where you get to see Rehoboth, Annapolis, and Washington, D.C. several more times. Twenty-five weekends of racing!

If you want to sail Dixie in 1981 and compete against the best in Dixie as well as the top people from the rest of the East, plan on attending the following events at a minimum:

- (1) The Atlantic Coasts at Severn S.A. in Annapolis, to be held over the last weekend in July.
- (2) The Frigid Digit at Severn S.A. also, on the third weekend in October. We had 40 boats this year, including 15 people who sailed in the Blue Fleet in San Diego.
- (3) The Quantico Frostbite on the weekend right after the Digit, which has been going for 28 years and is going to regain its somewhat lost prominence—we promise!

These are the highlights of a typical season in Dixie. Competition is an important aspect of the weekends to be sure, but the pure relaxation and enjoyment are just as important, if not more so.

Regarding results, Bob Wardwell won several regattas; Don Delorme won the Districts and a couple of others; Steve Bachman won a couple (Don and Steve sailed in the Blue Fleet in San Diego); and Ron Buchanan, Fred Mertes, Rob Pratt, Joe Friebele, Dave Racine, Bill Buckley, and Bob Astrove each won a regatta (hope I haven't left anyone out).

Our active membership is at about 100, and the typical regatta draws 18-20 boats with a range from 10 to 40.

Come on down to Dixie sometime next season. We will guarantee you a good time and tough competition. See FLASHES for the 1981 schedule.

ECUADOR DISTRICT

District Commodore Dieter Dyck
 District Secretary Santiago Salem
 District Measurer Felipe Eljuri
 District Champion Dieter Dyck
 District Runner-Up Juan Santos, Jr.

Fleets: Guayaquil Yacht Club (272); Salinas Yacht Club (405); Armada del-Ecuador (411); Club Nautico San Pablo (447).

Highlights for 1980 were:

Paco Sola tied for the first place in 1980 South Americans held in Lake Tomine, Colombia, finally took the Runner-up title after breaking the tie according to the Rules. Dieter Dyck, who had a comfortable lead at the fourth race came in a close fourth. Other two Ecuadorians, Mauricio Martinez and Juan Santos finished also among the first ten.

Districts were held in Lake San Pablo where local Champ Dyck had an easy victory over Juan Santos.

The traditional National Championship, sponsored by the "Association Ecuatoriana de Yates" was held in Salinas Bay in early November. This time Juan Santos and Paco Sola tied in points with an unbreakable 1-1-1-2-2. Finally they sailed a match one leg race which was won by Sola who got his 15th National.

Salinas Yacht Club will be host for 1981 South Americans to be held April 26 - May 3, 1981.

Fleets: Helsinki (166); Kotka (298); Pori (306); Oulu (307); Raahe (308); Kemi (310); Jyväskylä (328); Pyhaselka (428); Tuusulanjärvi (456); Valkeakoski (468); Jamsa (469).

The Lightning Class seems to have some kind of future here in Finland. That may not be shown in the figures, i.e., number of boats, number of members of number of fleets, because these have not grown very rapidly; but, it is shown by the number of people, yacht clubs, different kind of organizations etc., who have asked us where to get a LIGHTNING. Unfortunately we can't help them very much at the moment, because we have only two boat builders who are interested in building Lightnings and both of them are making only hulls. To have a sailing Lightning you need besides the hull also a mast, a rudder, a centerboard and a set of sails to start with, and that seems to be the main problem of the Lightning Class in Finland. That makes the main task of the Finnish Class Organization to be getting a "Turn-Key" — Lightning into market.

Our season started with the Annual Meeting in October in Helsinki where District officials both new and re-elected were appointed, the site of the District Championships was named and the regattas for our Ranking Series were picked up from the national calendar of yachting events in 1980. During the winter we tried to activate the fleets sending them "Training Letters" with questions to be solved in fleet meetings and to arouse discussion about Lightnings and how to sail them. These "Letters" were quite nicely welcomed by the fleets and we are planning to continue this training method in the future. In March the Lightning was displayed in the Helsinki International Boat Show, through a slide show with a speaker telling the facts and figures of the Class. In late March we had the traditional "Training Seminar" which lasted over a weekend and presented several lectures by our top Lightning sailors.

The sailing season started in mid-May with the first of the Ranking Series regattas on Lake Tuusulanjärvi. There were more than twenty early birds trying to catch the worm and even if the weather wasn't too warm, the competition was hot. The rest of the Ranking Series regattas, which were spread all over the country, had satisfactory numbers of participants in each of them. The real top score of the season was the District Championship with 40 boats participating. That was the new record of the District. The host of this great event was Valkeakosken Purjehtijat (Valkeakoski Y.C.) and Valkeakoski Lightning Fleet 468. The District Champion Lasse Hammar of Oulu with his crew Harry Hammar and Simo Koski won the title for the fifth time and that is something. Congratulations!

One of the highlights of the season was the European Championship held in Neuchâtel, Switzerland in July. Five boats in a truck and one on a trailer headed for The Alps. The crews and the tourists with kids and gear were

packed in an air-conditioned coach and they followed the truck with the boats. The races were sailed in wet and windy conditions, i.e. rainy and stormy conditions which, seemed to be good enough for Jean-Claude DuPasquier, The Champion, but not for our team. The Finnish finishers were: 8th Osmo Savola, 13th Timo Patosuo, 14th Hartti Nisonen, 19th Ahti Immonen, 20th Leif Haglund and 27th Markku Paloma.

The last of the season's events was the 50th Anniversary of Raimo Aromaa, the Executive Director of Finnish Yachting Association and former District Secretary and Vice President of I.L.C.A. for many years. The unity of the Lightning Sailors made it possible for us to supply Raimo's boat *Mesaheila* with a new set of sails for his 30th District Championships in 1981.

FLORIDA DISTRICT

District Commodore Frank H. Atkinson, Jr.
District Secretary Tom Septemle
District Measurer Frank H. Atkinson, Jr.
District Champion James O. Pinion
District Runner-Up Jack Swenson

Fleets: Biscayne Bay Fleet (226); St. John's River Fleet (461); Old Port Yacht Club (447); Cedar (478).

1980 saw a year of interest in the Lightning in South Florida. We added two new fleets and hope to have one more by the printing of this article. With the addition of a fleet in Palm Beach and at Fort Meyers, we have seen the renewed enthusiasm in the Lightning has become contagious in other parts of South Florida. Lightnings were represented at regattas in Sarasota, Sanford, Jacksonville, and Miami. Those of us who have traveled around have found the people to be very receptive to the Lightning. We hope that next year will be a larger improvement, and give us the best year yet.

Florida was also represented at San Diego by Jim Pinion who made the Blue Flight. Nice going Jim. Jim did a horizon job on the rest of the District to take the Districts. No wonder, a new boat is nice to have. It's also nice to have the best sailing in the World in south Florida. Hope to see you all at the Southern Circuit. Don't forget the steak at Miami!

INDIANA DISTRICT

District Commodore Keith Swihact
District Secretary John F. Call
District Measurer Bob Carter
District Champion Bob Carter
District Runner-Up George Buckingham

Fleets: Wawasee Yacht Club (154); Indianapolis Sailing Club (270); Mississinewa Reservoir (420); Tippecanoe Lake Yacht Club (425); Muncie Sailing Club (460); Lake Monroe Sailing Association Lightning Fleet (464).

The Indiana District opened its sailing season as the first Regatta for the Northern Spring Circuit. This year was no exception with a turnout of outstanding skippers and crews. Always trying to improve, the sporty Bruce Goldsmith moved from a second place finish in '79 to the winners spot in 1980.

Following the opening of our Indiana sailing at Indianapolis we moved to Lake Wawasee for the Annual Hoosier Regatta. Again, Bruce Goldsmith improved his 1979 finish by winning his first Hoosier.

The District Championship was held at Lake Wawasee with Fleet (154) Lake Wawasee Yacht Club acting as the Host. After much delay due to weather, Bob Carter of Indianapolis Sailing Club won first place, with George Buckingham of the Host Fleet, second, followed by the out-going District Commodore Bill Hall of the Indianapolis Sailing Club.

We ended our sailing season in Indiana with the "Wanfinlapimpu." This regatta has been switched from Mississinewa Lake to Lake Wawasee. Winning this first event at Wawasee was John Call of Lake Wawasee; Gordon Ettie, second; George Buckingham, third.

Chuck Medlock attended the North Americans in San Diego this year qualifying in the Blue (Championship) Fleet.

We from the Indiana District wish to thank each of you who attended and supported our Regattas. We look forward to 1981, and extend to each of you a welcome. See you at the Open!

ITALIAN DISTRICT

District Commodore Luigi Merola
District Secretary Nando De Amicis
District Champion Lio Coccoloni

Fleets: Marivela (235); Garda (249); Lega Navale Anzio (312); Flotta degli Estensi (355); Flotta del Faro (390); Marsala (449); Trasimeno (453); del Conero (466); Flotta del Lario (467).

A lot of news for the Italian District in the 1980s. Three new fleets were established: Fleet 476 at Lido del Savio on Adriatic Sea; Fleet 479 at Bracciano on Bracciano Lake near Rome, and Fleet 480 at Palermo in Sicily.

Six Italian boats took part in the European Championship at Neuchatel in Switzerland.

Roberto Crucitti of the Fleet 449 was a very close runner-up, Lio Coccoloni was third and Luigi Merola was seventh. This was a formidable performance for the District. At last the district's sailors obtained a good result at the Europeans.

Two young Italian skippers with their crews took part in the World Youth Championship at Buffalo Canoe Club in Canada. The District is very happy to announce that Sergio Messina of Fleet 449 obtained a wonderful eighth place (10th, 10th, 11th, 3rd, 10th, 2nd) and Sergio Galdi of Fleet 249 was 18th. For the young Italian sailors this was an unforgettable experience.

Twenty boats took part in the Italian Championship at Anzio on the Tirrenian Sea. Lio Coccoloni of the Italian Navy was the new Italian Champion. Lio is an old friend and was the District Champion in 1969. His re-entry in the class was very much appreciated by all the Lightning sailors. In the meanwhile Coccoloni was Italian Champion in Solings in 1970 and 1972 and 9th in the Soling Worlds in 1973.

Next year the European Championship will be organized by Fleet 449 at Marsala in Sicily from 20th to 26th of July, followed by the Italian Championship from 20th to 26th of July, followed by the Italian Championship from the 28th of July.

The District invites all the Lightning people at Marsala.

The Pellegrini family's nice new entry.

LAKE ERIE DISTRICT

District Commodore Mark Bryant
 District Secretary Judy Walker
 District Measurer Bill Potter
 District Champion Larry MacDonald
 District Runner-Up Jim Neville

Fleets: Buffalo Canoe Club (12); Chautauqua Lake Y.C. (19); Silver Lake Y.C. (47); Niagara Sailing Club (59); Sandy Beach Y.C. (78); Buffalo Y.C. (81); Cuba Lake Y.C. (115); Royal Hamilton Y.C. (118); Toronto Bay (146); Conneaut Bay (180); Chautauqua Y.C. (198); Dunkirk Harbor (311); London (347); Parkway Sailing Club (406); Lake Arthur L. F. (441); Lake Glendale Y.C. (444).

Well, the season is over and the Lake Erie District has 4 champions to boast of: Mark Bryant won the North Americans, Larry MacDonald the

Canadian Open, Ian Jones the World Youth and Brenda Allen the Women's North Americans. This is quite an accomplishment and helped make the whole District stronger. (We had several boats in the top ten at the N.A.'s.)

The Buffalo Canoe Club hosted the World Youth and the entire District helped out loaning the boats necessary for the round robin and putting together a pot luck dinner for all of the contestants and committee members. The regatta was a great success and produced a local champ.

The Districts were held at the B.C.C. in conjunction with the World Youth. It was a hard fought series with Larry MacDonald winner and Jim Neville second.

The annual LED-Central New York Challenge was held at Newport Yacht Club (C.N.Y.) and Silver Lake of the LED. This is a fun series and promotes a friendly rivalry between the neighboring Districts. The individual winner was Dick Hallagan followed by Jed Dodge.

However, the team title went to the LED.

The fall series started with a different twist this year, starting in Toronto instead of Dunkirk. This worked well, bringing out many of the Canadian boats to join the fun. Sandy Beach and Silver Lake completed the circuit as usual. The fall champion is Tom Allen, runner up Matt Bryant Jr.

The stories of racing and partying would fill a book, but we'll save them for some other time. The only losers were those who stayed home.

METROPOLITAN DISTRICT

District Commodore Denis Farley
 District Secretary William C. Gordon
 District Measurer Denis Farley
 District Champion Sandy Huntsman
 District Runner-Up Denis Farley

Fleets: Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Red Bank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

The 1980 sailing season in the Metropolitan District, under the capable leadership of District Commodore George Bitler and District Secretary Denis Farley got under way with the Monmouth Boat Club's Annual Long John Regatta on April 26 and 27. As usual, competition was excellent as many of the best sailors in the area and in the class were on the river. Dave Curtis of the Marblehead (Mass.) Lightning Fleet took first place out of 52 boats with firsts in two out of three races. Mark Beaton of Metedeconk River Yacht Club took second place honors, and Jay Lutz of Newport (and Metedeconk) took third.

The next major event on the calendar brought everyone to the Hudson River for the Mid-Hudson Circuit. Consisting of three three-race regattas at Nyack, High Tor and Chelsea, this circuit is sailed on weekends in June and early July. While many Hudson River one-design fleets found attendance down at regattas this year, the Lightning regattas were relatively well attended. Hudson River competition improved significantly with both the addition of new sailors and the continued improvement of old hands. After a hard fought series, Chuck Tripp of High Tor took first place in the Mid-Hudson Circuit, followed, one-quarter point behind, by Bill Gordon of Chelsea. Ben Hunter, also of Chelsea, took third. Rod Johnson and Howie Rinehart of Nyack showed greatly improved performance and will bear close watching next season. Long time Hudson River Champion Tom DeStasio, who hails from the same section of New York as Rip Van Winkle, apparently slept through the season, not launching *Madame Blue* until after Labor Day.

The District Championship was held at Minisceongo Yacht Club, home of the High Tor Fleet. Sandy Huntsman of Red Bank won the Championship in conditions ranging from very light to heavy. Denis Farley, also of Monmouth Boat Club was runner-up with Jim Schwartz, Chuck Tripp and John Schneider rounding out the top five.

The Junior Championship was held at Monmouth Boat Club in mid-June with Larry Colantuono of the host club the winner.

Four boats from the Metropolitan District made the long journey to San Diego for the North American Championship. Chuck Tripp and John Schneider made the Championship Flight, while Sandy Huntsman and Jim Schwartz raced in the President's Cup. Kevin Corr represented our District, sailing to sixth place in the Junior North Americans.

The Short Circuit, our District's fall regatta series, this year included races at Greenwood Lake, Lake Mohawk and a new one-day regatta at Monmouth Boat Club. Short Circuit winner this year was Tom Bierman of Lake Mohawk. Bob Graham, also of Lake Mohawk, was second. The one-day format was tried as a way to encourage more sailors to participate and appears to have been a success with 24 boats turning out for three good races. We'll look forward to the "Fall Has Fell" Regatta again next year.

Compliments
of
Lake Erie District

While Red Bank this year managed to steal the honor of holding the season's last regatta, the High Tor Last Blast Invitational Regatta, held the first weekend in October was hard to beat. This regatta always consists of some of the best racing in the District combined with great food, great people and a great party. It continues to be one of our favorites.

MICHIGAN DISTRICT

District Commodore James S. McCoy
 District Secretary Tim Vander Meulen
 District Measurer Bob Knop
 District Champion Henry Hodgson
 District Runner-Up Rick Frank
 Junior Champion John Mathers
 Junior Runner-Up Mark Hussey, Jr.

Fleets: South Haven (30); Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Tawas Bay Yacht Club (152); Saginaw Bay (216); Grand Traverse Yacht Club (326); Pentwater (340); Douglas Lake (374); Lansing Sail Club (387); Neahtawanta Yacht Club (403); Union Lake Yacht Club (458); Clark Lake Sail Club (475).

Situation: The 1980 North American Championships are going to be held in a beautiful corner of the world with a promise of great facilities, steady breezes, and of course the usual great people and great racing.

Problem: San Diego is so far away, requiring major time, money, and logistical solutions, that very few District members are expected to make the trip (only 1 boat actually did).

Solution: Make 1980 a rebuilding year for the Michigan District, intensify local racing, encourage regatta participation, and plan the best Michigan District Championship Regatta ever.

Outcome: Success! Our District Regatta was the best ever with 46 Michigan Lightnings participating in our largest championship since 1945, overall regatta participation was excellent, and our local racing intensified dramatically with examples such as Pontiac where only 1.5 points separated the top 5 boats in their championship series. Membership in the Pontiac Club also increased substantially, enough to win an award from the ILCA for the most new members of any fleet in 1980, as it did at Clark Lake where a new fleet was started earlier this year. Things looked so good in our District that we even managed to convince Bruce and Sherry Goldsmith to join us.

Lake Lansing once again got our season underway with a 3-race, 17-Lightning, heavy air regatta on their partially dredged lake. Henry Hodgson (Union Lake) showed that he was the boat to beat and was followed by Clarence Holman III in second and Jim McCoy in third.

Union Lake was next with more heavy air. Clarence Holman III managed to keep his boat upright and held on for the victory.

Our only disappointment of the year came at Crescent Sail Club as the Southern heat wave forced all the air on Lake St. Clair elsewhere on Saturday (we have to blame someone!) and fog in for the Sunday races. Crescent plans to have at least 3 or 4 extra races next year just to make up for this year's cancellations!

The annual District Team Races were once again hosted by defending champion Lake Fenton. This year however, Pontiac bested the seven competing, 4-boat teams by compiling a 5-1 record for the series.

Gull Lake provided the final tune-up for our Districts with an excellent 3-race series. Tom Jungjohann (Douglas Lake) led this 25-boat contest and was followed by Henry Hodgson in second and local Carl Engels in third. Unfortunately, the 3rd Annual Gull Lake Soccer Championship could not be played because of sore muscles. It will return next year!

Our District Championships were hosted by Pontiac Yacht Club at the Saginaw Bay Lightning Club in Bay City. Tim VanderMeulen began the series very strong with two bullets on the first day, but couldn't hold on as Henry Hodgson's consistency took the series. Henry became the second recipient of the George Sipple Memorial Trophy and was followed by Rick Frank (Pontiac), Clarence Holman III (Pontiac), Vander Meulen (Gull Lake), and Joe Disette (Saginaw Bay) to round out the top five.

Pontiac also hosted the Junior District Championships this year and saw 6 boats participate in a 4-race series. John Mathers was a repeat winner from last year and was followed by Mark Hussey in second and David Kastura in third.

Last year's circuit newcomer Douglas Lake hosted its second annual event, this year for 17 boats. Henry Hodgson led the way and was followed by local Dave Peters and Bill McKinley (Pontiac.)

Commodore Jim McCoy won this year's Grand Traverse regatta while Henry Hodgson, after backing his newly refurbished Lightning into the dock, gave in to the enemy, bought a stink-pot (Boston Whaler), and proceeded to buzz every boat on the horizon. Grand Traverse is eagerly (?) awaiting next year and our well controlled (?) group when they host our 1981 Districts.

A near record 44 boats turned out for Pontiac Yacht Club's White Cap Regatta. Localite Wally Smith held the troops to win with two other locals, Bob Mathers and Les Kastura brining up second and third.

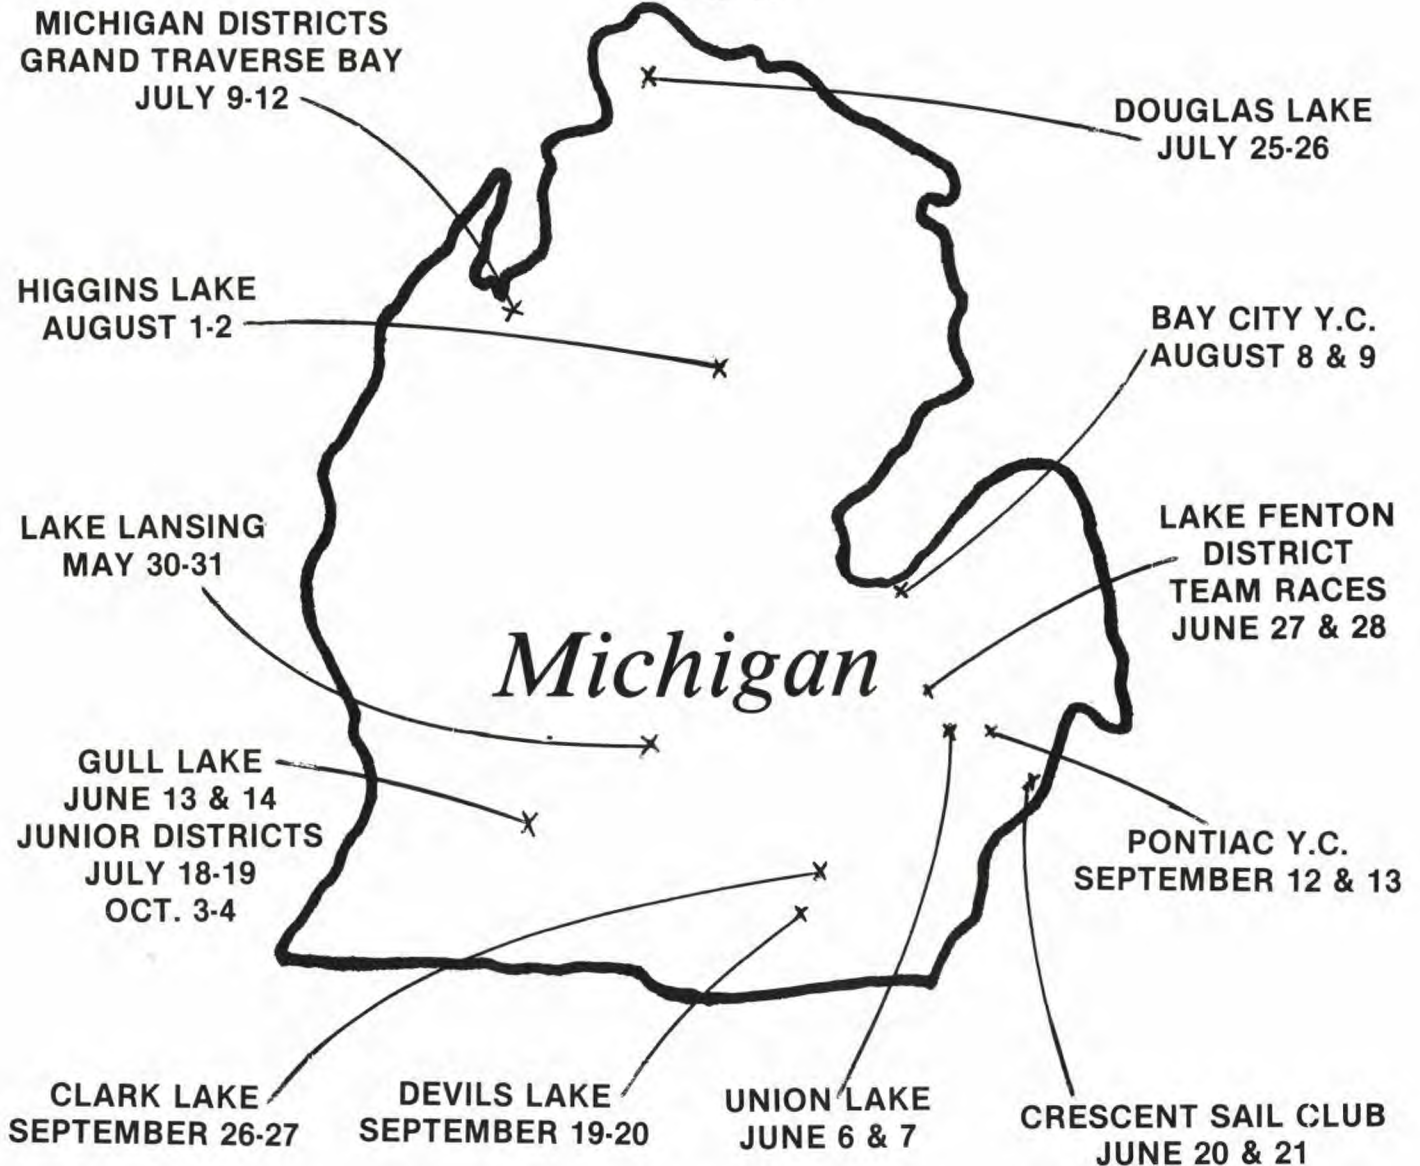

The world's longest, continuously running regatta continued at Devil's Lake with Bruce Goldsmith showing the horizon to the rest of the fleet in the final race. He was followed by Gary Demarest (welcome back!) in second and Henry Hodgson in third.

Clark Lake completed our season by providing a valuable lesson in how to hike in the puffs and how to rest in the lulls. In case anyone forgot these basics, the wind reminded everyone about every 15 seconds. Bruce Goldsmith again showed everyone how it was done and was followed by Tom Jungjohann in second and Bill McKinley in third.

Special congratulations go once again to Henry Hodgson who repeated as winner of the George Steuland Trophy. This trophy is awarded each year for the best overall performance on the Michigan Circuit.

Interest in the Michigan District is at an all time high. Everyone is looking forward to the North American Championships in Connecticut. Come join us as we make next year's season even better!

Fleets: Chicago Corinthian (5); Burnham Park (56); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393).

This year's regatta season got off to a great start with 28 Lightnings on the starting line at the Evans Regatta in Green Bay. That number was soon reduced to 25 when three boats tangled their masts. A good time was had by all.

All boats were re-rigged in time for the following regatta in Lake Geneva. First place went to John Esser, second to Byron Roe and third to Jim Robinson.

The next regatta was in Lake Geneva where Bruce Goldsmith took advantage of the excellent sailing conditions to capture first place with four consecutive firsts over the 26 boat fleet. Second place went to Gordon Ettie and third to a returning favorite from Decatur, Greg Florian.

The P & T Regatta was scheduled next in Milwaukee with 21 boats competing in the light and variable winds. First place was won by Rick Larson. While Gordon Ettie was away for the summer at school he gave his boat to the kids and they placed respectably well, pulling off a second. John Esser was third.

Many left their boats at the Milwaukee Yacht Club for the Districts which were held the following week. Again there was light to no wind for the first races with wind and seas to make up for it in the last races. This year saw Bruce Goldsmith and girls with a comfortable lead for first. Derek Ettie used his knowledge from Dad and experience from many summers of racing on Long Island Sound to finish second. Bob Smither was third.

Ronnie (no protests this regatta) Blair was fourth, and John Esser was fifth. We then sent Ron Blair, Bob and Gail Norstrom as our district representatives to the North Americans. David Blair went to the Junior NA's.

This year the Brotz regatta provided just about everything in weather except for snow. Saturday's races saw fog, rain, cold temperatures and plenty of wind, while Sunday provided sun, warmer temperatures and dying wind. But, John Esser came away the winner through it all, with Dan Olson from Decatur (in Dad's boat) second, while John Morley borrowed Mary Whalen's boat and took third.

While our representatives were heading to San Diego, others were competing in the Hobbleman in Chicago. This was mainly a fleet regatta. Rodger Seitz was victorious over Dennis Burke and Fred House was third.

The Ice Breaker, which is normally held in the beginning of June, was switched to mid-August this year because they usually get fogged out. For a pleasant change they were able to get in three races. Rick Larson and Ron Schaper changed position from last year so Rick won, Ron was second and Karl Miller was third.

It was then back to Chicago for the Red Flannels where Gordon Ettie reigned victorious as he limped across the finish line with consistent second place finishes. In the brisk winds, which were a bit much for six boats who managed to capsize or have equipment failure, Lal Burridge from Carlyle held together for second place. Fred House and Ron Blair tied for third with Fred getting the nod.

To wind up the season several traveled to Davenport on the Mississippi and battled the current and fluky winds. Jim Flick showed his local knowledge winning the tie over Hank Hodgson from Michigan. Greg Florian of Decatur was third. Not enough wind combined with a strong current cancelled races on Sunday.

The Lake Michigan Championship comprising of the Districts and three other Regattas was won this year by John Esser, with Gene Matthews, second, and Dennis Burke, third.

It seemed that many more locals were out for their own regattas this year which was great, however, fleet racing was down. Let's keep up the enthusiasm and get out there for both the fleet races and regattas next season.

1980 was generally a year of good weather over most of the District. It was a drought year for much of the mid-west, and we saw very little rain. The winds were better than they have been the last few summers, in that the summer doldrums were not insurmountable.

Regatta attendance was generally a bit down over the District. Each fleet in the District had a Regatta, with Memphis holding their Hernando Desoto on May 3rd and 4th, Decatur holding their Inter City June 21st and 22nd. Going into the Fall, Carlyle had its Impromptu over Labor Day and Nashville continued the grand Bluenose tradition November 1st and 2nd. We believe the reason for lessened regatta attendance is the increased cost through gasoline, lodging, food, etc., and the distances necessary to travel over a fairly wide-spread district. Fleet activities seemed healthy and while there is always some ebb and flow of membership up and down, on the whole, all fleets seemed to be prospering.

The remaining regatta was of course, The District Championships which were held June 13, 14, and 15 at Carlyle, just 50 miles east of St. Louis. Lake Carlyle is a relatively open lake for the mid-west, in that it is approximately 12 miles long by 3½ miles wide. Traditionally, the District Championships have been blessed with wind and this year was no exception. We measured the boats on the 13th, Friday. We raced four races in moderate to heavy winds Saturday. Sunday morning found a 25 mile an hour wind with gusts over 30, and we raced two more races for a five race plus one

throw-out series. Matthew Burrige of Carlyle Sailing Association, iced down the District Championship again with two bullets on Sunday in the heavy going. Greg Florian of Decatur, was Runner-up in the second spot. Brad Currie, of Memphis, was third. Todd Sternman of Decatur, was fourth and Mitch Bohnenkamp of Carlyle Sailing Association was fifth. Don Sherburne of Harbor Island Yacht Club, Nashville, was sixth. It was interesting to note, that the first four are all the new generation of Lightning sailors and the first four were all encompassed within three points in the final standings. Don Sherburne attained the sixth spot in spite of a DNF and a DSQ. Mitch Bohnenkamp was fifth in spite of the cares and responsibilities of running the regatta, as the outgoing District Commodore. On the Saturday night of the Districts we held our annual District Meeting, dinner and ya-hoo session. We also elected officers at that time. The Vice-Commodore, Bill Baxter, of Memphis, moved up to become the new District Commodore, and Bob Ohlsen of Decatur, was elected as a new Vice Commodore. The announcement was made that the 1981 districts will be the same weekend of June, 1981, at Kentucky Lake. The even-year-Lake Carlyle, odd-year-Kentucky Lake, has become somewhat of a tradition in our District for the District Championship.

Only two boats made the long haul out to San Diego for the North Americans. Matthew Burrige and Brad Currie. Matt Burrige, with his father, Lal Burrige, and friend David Jones crewing, qualified in the Blue Fleet and finished 8th in the Blue Fleet. Brad Currie, of Memphis, had some problems in the early going, but did some fine racing and had good finishes in the President's Cup, finishing 8th. Those who made the trip to San Diego, came back to regale the rest of us with Sea Stories and Tales of marvelous hospitality at Mission Bay Yacht Club.

The 1980 season is now closed. Our planning of the 1981 season, is beginning. We hope to continue the trend of strengthening the fleet racing in each of the fleets in the district. Hopefully, we can do something to encourage more participation in the district's various regattas, as we would love to see you and have you sail upon our waters.

Fleets: Centerboard Yacht Club (14); Merrimac River Fleet (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake S.C. (227); Harrasseket Yacht Club (224); Massebesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Pontoosuc (417); Androscoggin Lightning Fleet (450); Granite Lake (457); Casco Bay Lightning Fleet (471).

The New England District opened the circuit at Newburyport, Mass. June 14-15th. Probably the most pleasant weather of the season agreed with Dave Curtis, Dick Hale, John Collins and Len Pratt who finished in that order.

This year's Vermont-New Hampshire Championship on Lake Bomoseen saw the twenty boat fleet unable to get a race off Saturday, while Sunday's light air affair saw the one race go to defending Champion Don Brush, Jr. with Ed Zeimer, Jim Leamy and Tom Heilman rounding out the first four. It was pleasant for the District to be back on this pretty lake after several years away.

The Wind Gods were too kind for the liking of some as a cold front moved across Casco Bay, Friday night, producing 20 knot plus winds and a few swims for the unwary in the Maine Championships. Hale Wolcove sailed good races to best Don Brush, Jr., Georges Peter and Stu Nickerson. The members of the Centerboard Yacht Club make our visit with good fellowship, food and arrangements.

Our Districts were held at Marblehead, Mass. this year, and a special thanks goes to the members of fleet 385 for everything that made for a perfect three days of sailing. Locals Dave Curtis and John Collins were locked in a close duel up to the final race. The rest of us all lacked consistency. Our congratulations to Dave Curtis for winning the Championship with John Collins, Stu Nickerson, Hale Wolcove, Don Brush, Jr., and Dick Hale completing the silverware winners.

August 9-10th featured 25 knot plus winds and trouble for the Lightning insurance companies. Ann Brush in the absence of Don (in San Diego) took a quick dip before the first race — then proceeded to take two very convincing wins while drying out. Sunday's no air saw a lot of the Lightnings finish before the J-24's (hee-hee) but it wasn't Ann's day. The finals: Kurt Kling, over Peter Hubbard, Ann Brush, and John Hughes.

Does the wind have to blow so hard so often?? Wellfleet's great party, Dick Hale's submarine act, Kurt Kling nosed out local Stu Nickerson and C. H. Ritt in borrowed Georges Peter's boat finishing a nice third. Alex Webb and John Hughes finished out the top five.

The District salutes Dave Curtis in sailing to a second in the North Americans in San Diego. He went on to finish second at Cedar Point fall regatta over 67 boats.

Sometimes we get to expect to read the names of the same Lightning sailors, but sometimes a fresh new name appears on the scene. September 6 & 7 at the Connecticut Governor's Cup sailed in Niantic Conn., Bob Pinard bested some very good competition in capturing the Cup. The same weekend saw Dave Fitch the close winner over the combination Steve Fram — Al Lavender boat with Dick Hale and Russ Cavanaugh just behind at Lake Massabesic.

Our season wound up with thirty boats at Lake Spofford enjoying near perfect conditions (yes, there were seven capsizes!!) Jay Lutz (crew Shore and Shore), Stu Nickerson, Dick Hallagan, John Hughes and Dick Hale won prizes but that all seemed incidental to the fellowship and comradeship of all!!

Dave Fitch has been elected District Commodore ably assisted by Dick Hale as Secretary-Treasurer. The administrative thrust will be to promote Junior racing in Lightnings — this is where our future will be made!!

OHIO DISTRICT

District Commodore Carl Clipp
 District Secretary Dr. John P. Borland
 District Measurer .. Ralph (Bucky) Powless
 District Champion Jim Dressel
 District Runner-Up Matt Fisher

Fleets: Indian Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Toledo (42); Buckeye Lake (43); Rocky River (71); Mansfield (150); Northeast (207); Atwood Lake (212); Cowan Lake (303); Hoover (353); St. Mary's (400).

The 1980 season got underway with our annual winter meeting hosted by Atwood Lake Fleet 212 at the beautiful Atwood Lake Lodge. The meeting was chaired by Jack Mueller and Jim Crane presented a very worthwhile seminar for the group.

The racing season began at Pymatuning Yacht Club on May 10 & 11 with Fleet 36 sponsored a seminar and regatta. Chuck Maltbie, Seminar Chairman, called upon Bruce Goldsmith to share his talents at a lecture on Friday evening and a sail-shape demonstration Saturday morning. This was followed by two mini-races for the seminar participants. The three race regatta held Saturday afternoon and Sunday was sailed in heavy air with Bruce Goldsmith winning the series, Jack Mueller placing second, and Hank Hodgson, third.

The Great Lakes Championship was held the following weekend at North Cape Yacht Club. The races were sailed in heavy air and rain. Jack Mueller was first, with Bruce Goldsmith, second; and Bill Buckles, third.

Heavy air reduced the St. Marys 400 to one race. Ron Sehulster won with Dick Pugh, second; and Mark Wilkins, third.

Leatherlips Yacht Club held the Windshift Regatta June 14 & 15. Dick Pugh came out on top followed by Warren Schieser and Ron Sehulster.

District racing returned to Pymatuning for the Fleet 36, July 4th Regatta. Twenty-six boats turned out for the three-race series which found Chuck Maltbie the winner; Don Courtsal, second; and Jed Dodge, third.

The Ohio District Championships were hosted by Buckeye Lake Fleet 43 on July 11, 12, & 13. The five-race series found the host fleet capturing the first four portions: Jim Dressel, first; Matt Fisher, second; Willie Petersilge, third; and George Fisher, fourth. Jack Mueller from Cleveland Yacht Club was fifth.

1981 OHIO DISTRICT REGATTA SCHEDULE

DISTRICT SEMINAR & REGATTA	— Pymatuning	—	May 9 - 10
GREAT LAKES CHAMPIONSHIP	— North Cape Y. C.	—	May 16 - 17
ST. MARY'S 400	— St. Mary's Boat Club	—	May 30 - 31
WINDSHIFT REGATTA	— Leatherlips Y. C.	—	June 6 - 7
INDEPENDENCE DAY REGATTA	— Pymatuning Y. C.	—	July 4 - 5
OHIO DISTRICT CHAMPIONSHIP	— To Be Announced	—	
C. Y. C. REGATTA	— Cleveland Y. C.	—	July 25 - 26
HARVEST MOON REGATTA	— Atwood Lake Y. C.	—	September 12 - 13
SANDUSKY FALL INVITATIONAL	— Sandusky Sailing Club	—	September 19 - 20
SNOW BALL REGATTA	— Buckeye Lake Y. C.	—	October 10 - 11
FALL IN REGATTA	Cowan Lake Sailing Club	—	October 17 - 18

The Harvest Moon Regatta was sailed in light air at Atwood Lake. Jack Mueller was the winner; Bill Buckles, second; Carl Clipp, third; Dick Brown, fourth; and Tom Varley, Jr., fifth.

The Columbus Mayor's Cup is an intra-city regatta between Hoover Yacht Club, Buckeye Yacht Club, and Leatherlips Yacht Club. The heavy air series was won by Dan Dressel for the second year in a row. Our District Commodore, Carl Clipp was second, and Scott Savage, third.

The Ohio Governor's Cup is based on finishes at the St. Marys 400, Leatherlips Windshift, and the Cowan Lake Fall-In Regatta. Dick Pugh won the series, with Mike Hien placing second, and Carl Clipp, third.

Buckeye Lake's Annual Snowball Regatta was held October 11 and 12. Heavy air reduced the series to three excellent races. The twenty-seven boat fleet raced together, but awards were given for previously declared competition in blue and white fleets. The blue fleet was won by Mark Bryant with three firsts. Jim Dressel placed second and Chuck Maltie was third, with George Fisher, fourth, and Tom Allen, fifth. The white fleet was won by Dan Dressel, Jack Borland, second; and Carl Clipp, third.

The final regatta of the season was sailed at Cowan Lake on October 18th and 19th. Jack Mueller was first; with his dad, Papa John, capturing second; and Dick Pugh, third.

PERU DISTRICT

District Commodore Dr. Hector Sabogal H.
District Secretary Dr. Carlos Navarro, M.D.
District Champion (1979) Dr. Jose Barreda-Moller
District Runner-Up . Carlos Navarro-Mulanovich
District Youth Champion Carlos Navarro-Mulanovich

Fleets: Club Regatas Lima (261); Yacht Club Ancon (464); Yacht Club Peruano (265); Universitario de Regatas (424); Peruvian Naval School (452).

Aside from the usual fleet activities which as in previous years gathers them together in the same locations, namely Callao, Ancon and Chorrillos, the only important championship that can be reported up until the present

printing is the 1980 District Youth Championship, which again this year was won by Hector Sabogal Valazza, his sisters Gisella and Lorena as crews.

This year Hector managed to win 5 out of the six races plus a third place on the first race (his throw-out race) so it was not as emotional a finish as last years competition. The final results were as follows:

1st — Hector Sabogal V., Lorena and Gisella Sabogal V. — 5 points. 2nd — Carlos Navarro-Mulanovich, Antonio Fortunio and Enrique Ocampo 11 points. 3rd — Augusto Navarro-Mulanovich, Bruno Levaggi T. and Javier Calligos 13 points. 4th — Miguel Chavez, Carlos and Jorge Villalobos — 17 points. 5th — Emilio Levaggi T., Enrique and Alfredo Conterno — 22 points. 6th. Cadet AP Gonzalo Rios — 47 points. 7th — Cadet AP Fernando Cerdan — 57 points.

SOUTHEASTERN DISTRICT

District Champion Tom Waters
District Runner-Up Lenny Krawcheck

Fleets: Savannah (127); Clark Hill (257); Lake Murray (341); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Wateree (459); Waccamaw (463); Wake (481).

Turned out to be a good year down this way under Commodore Harry Hintz — a small but steady group made the circuit of 9 regattas, with a good District Championship at Charleston. 20 eager skippers, none of whom were able to go to the NA's.

Sixteen skippers qualified for the circuit — and our families still stuck pretty much together. The smallest regatta was High Rock (Triad) with 13 and a tie -24- for the largest at Lake Murray and Lake Hartwell, both of which are centrally located. Tom Waters recaptured the circuit trophy, with Will Sloger, Lenny Krawcheck, John McIntosh, and Sputter Howard following in that order.

Our big problem seems to be getting sailors who sail only in their own regatta out on the road. They don't know what fun they are missing. We are losing the St. John's River fleet back to Florida where Lightning activity is picking up, but we have a new Fleet — Wake — in North Carolina. We welcome them and are looking forward to a year of good sailing in '81.

SWISS DISTRICT

District Commodore Christoph Luthy
 District Secretary Ernst Schar
 District Measurers Urs Wihler & Oscar Weber
 District Champion Urs Schar
 District Runner-Up Gilbert Despland

Fleets: Lac de Neuchatel (169); Zuerichsee (219); Sempachersee (250); Greifensee (309); Murtensee (358).

For the Swiss District 1980 was again a good sailing season, although seldom more than 10 boats took part at the different Fleet Championships and the four District Regattas, the latter ones, held at Sempach, Grandson Murten and Fallanden were counted for the annual trophy 'Kami-Kaze-Cup', which again was won by Urs Wyler followed by H. P. Schmid, Ch. Luthy and Urs Schar.

In Spring our new Junior Team: Urs Schar, and Thomas and Stefan Schärer surprisingly won the Swiss Championship on the lake of Sempach winning over G. Despland; J. C. DuPasquier, and H. K. Rahn. Because of this good result the Swiss District sent this team to the second World Youth Championship at Buffalo. There they finished 10th place in the final standings.

The Swiss District finally had to organize the 28th European Championship. 27 boats from Finland, Italy and Switzerland met at Neuchatel. With one low point in front of Roberto Crucitt, Jean-Claude DuPasquier won this title for the third time. It was very close.

We are looking forward to a good sailing year, although we are aware of having some problems: The last new boat built in Switzerland was three years ago, although we have a quite competitive boat in the EURO-Lightning; it became hard to get more young sailors joining our class, as they get surfboards today. Without this we will probably no longer have the opportunity to be a national A-class representative in the USY anymore. But, a hard core of the founders of the Swiss District in the early fifties such as Claude Lambelet, Hans Luthy and Oscar Weber still are taking care of the good spirit in the Swiss Lightning Class. Today, we are up in the second and third Lightning sailor generation and we all believe in sailing a modern and interesting boat — the Lightning.

The former District Commodore was Urs Wyler. The Vice President for the Swiss District still is Hans-Konrad Rahn.

Lightning sailing at Bay Head Yacht Club continued to show a revitalization during the summer of 1980. The Adams family, led by Tay and Bob, campaigned actively on both the state and national level while participating actively in the Barnegat Bay Yacht Racing Association Summer Series. Jim Simpson and Bobby O'Brien also sailed in key reginal races held in home waters.

A hopeful sign was the resurgence of Lightning racing in the Bay Head Yacht Club. Several Sunday races were held. Among the juniors there is evidence of increased interest in Lightning sailing, particularly among children of established Lightning skippers. This, plus the appearance of a new boat or two bodes well for Lightning sailing in 1981.

To the casual observer, the 1980 sailing season at Chicago Corinthian Yacht Club appeared to be the same as any other.

The Fleet Championship series was sailed by an active cadre of 10-15 boats, and the other series attracted about the normal, or slightly above-normal turnout. While Bill Crowell, Bill Marting and Bud Wilson were lost to other fleets, four newcomers, Vince Camarda, Tom Considine, Jim Jackson, and Richard Stearns joined the "happy" throng. The weather didn't cooperate very well with twelve races of thirty-two scheduled blown or fogged out. However, the social hours so common at CCYC helped soothe the mental anguish of non-racing dates.

So, then, if everything is so normal, what is this undercurrent, this black spectre in certain sailor's dreams, those resigned looks! Perhaps a brief look at the secret inner thoughts, laments, vendettas of certain fleet members of Fleet 5 will tell us what is *really* going on.

"DAMN YOU GORDON ETTIE!!! DAMN YOU!!!" --- hissed Fred House to himself. "By one point he wins the Fleet Championship. By one point! It just isn't fair! I sailed well. That one lousy race when I let Dick Hinze and Roger Seitz get to the lifted side first. Next year I'll be Fleet Champion, just wait 'til next year. Maybe he'll go to school for two months. Of course if he does, Derrick will just win! Next year!" To a lesser extent, similar dark thoughts cross the minds of third and fourth-place winners. Dick Hinze and Roger Seitz, who were within one point of each other. "Next year!" Bill Wynn who took fifth place is, however, all smiles. He just collects his fifth-place silver with characteristic modesty.

"Fred House, back under your rock!" broods John Walter. All I had for competition in last year's Moonbeam (Wednesday night series) was that turkey Norstrom! Now Fred gets his new boat and he's out every bloody night. Look at this --- six first for House. And when he doesn't win, Tom Hennessey does. Thank God *he* only shows up half the time! However, Tom was a strong third. Maybe a new boat. Next year."

"And they said the Old Grey Fox couldn't do it again. Four bullets. Count 'em," muttered Dick Hinze to himself (his normal speech pattern), reflecting upon winning the Corinthian Series. "True, young Dennis Burke gave a game show with a second place finish and if Roger Seitz (third) or Fred House (fourth) had shown up more, I would have had some small problem. However, they didn't and I prevailed. I would have won anyway! They thought they were so smart. Just wait 'til Next Year."

"Z Boat, Z Boat," cheered the Lady Zamzows collectively, and Bill Zamzow individually. "First place silver in the Ding Dong!!! Buck Wynn was tough, *but remember the last race*. Me first, him second. Love it! — Love it! — Love it!" Bill Wynn brooded silently to himself. "Purple boats do sink. Next year." Cy Touff just looked at the standings and tried to think of the spot to put his third-place trophy.

Dark thoughts? Evil plans? Well, maybe for now. Meanwhile, all winter long the "go fasts" are improved, books read, hulls polished, and sails bought. But as soon as our mild Chicago winter breaks in July or August, they'll be at it again ----- "DAMN YOU GORDON ETTIE!!! DAMN YOU!!!"

Things got underway in spring with a Fleet 12 Party and election, hosted by Mat and Chris Georger. Officers for the year were Mat Georger, Treasurer; Paul Niederlander, Secretary; and Bob Dobmeier, Fleet Captain. Plans were discussed for a very busy season of races and regattas.

The schedule this year was unusual due to the many regattas and the North Americans being on the West Coast. The Eby Series was consolidated on an experimental basis to one weekend. The major "heavy racing" was completed by mid July. The Hussey and Lightning Championship Series were raced over three day weekends and were like mini regattas. Eighteen boats contended for the Club Championship held over the 4th of July weekend. Stu Anderson is the Fleet Champion.

Jeff Batt was a regular on the race course this year. Both Jeff and his crew Mike Brock have ordered new Allen Lightnings for next season. There's enthusiasm! The Swanson Family were all sailing, John, Jody, and Jill all had a lot of stick time. We missed Eddie Roseberry who was sidelined with an eye injury most of the season.

The Wednesday night series was popular again this year. Jan Shoemaker, Don Masterson, and Jeff Batt were regulars. Jill Swanson won the Meyers Memorial, Bob Fretz was second, and Mat Georger was third. The Mother Carey (Ladies) Series had a real thrill this year. The finish of the first race coincided perfectly with 130 cruising boats rounding the same mark in the Mayor's Cup. When all was said and done, Susie Fretz took top honors, followed by Peggy Roberts and Bobby Barlow.

Fleet 12 sponsored the Lake Erie Districts which attracted 42 boats. Fleet 12, Buffalo Canoe Clubbers, dominated the Juniors, Ladies, and District! Tommy Allen, Jr. of the BCC took top honors in the Juniors followed by Andy Hunter and Ian Jones. The Ladies' race was a real contest with Cherie Neville just nosing out Brenda Allen for first place, while Judy Walker came in third.

Lake Erie District Champion is Larry McDonald, BCC. Jim Neville was second and Tom Allen was third. A number of Fleet 12 members packed up and went to the North Americans, namely, Larry McDonald, Jr., Tom Allen, Sr., and Jr., Mark Bryant, and Stu Anderson. A guy named Mark Bryant came back with all the silver as North American Champion!

Fleet 12 was active during the Youth Worlds; it was run excellently by Jack Swanson. Fleet 12 sponsored a traditional hot dog roast for the foreign contestants. Members of the fleet donated their Lightnings, time, and talents to make the Youth Worlds a great success. And, it was won by Ian Jones of the BBC.

In summary, Fleet 12 has the reigning North American Champion, Mark Bryant; the reigning Ladies' North American Champion, Brenda Allen; the Youth World Champion, Ian Jones; and the Canadian Open and District Champion, Larry McDonald, Jr. We're tough!

1980 will be known as the year the Paupack Fleet grew to 15 boats and the year of the 900 pound Lightning. There's no way that it will come back in style. Our Fleet Captain, after weighing his boat in June had to contend alternately with rage and depression. Luckily this was a great summer for wind on Saturdays and the racing was exciting.

After five years of leading the pack John Rowley had to settle for a close runner-up spot. His misfortunes rivalled the 900 pound boat discovery. His rudder broke on the starting line in our first race and his mast went through the bottom in his last race, causing him to cancel out our last two races. Stan and John have wrung out their crying towels and are dreaming up new excuses for next year when they will return with a new boat (Stan) and a new bottom (John).

We crowned a new Fleet Champion this year, Franz Schneider! Franz had been a regular visitor to the Poconos and raced with us many times. This year Franz and Sheila bought a beautiful house on the Lake and raced every week. They have a "Gung-Ho" racing family and either Kathy, Suzie, Carolyn or even Mark, when he's not winning with his *Comet* elsewhere, can be found on one or another boat on the line. In fact, when Joe Mark visited his son Josh in Wisconsin one week this summer Mark skippered Joe's boat. Those two firsts look good on Joe's record. Franz brought an element of sharp competition to the fleet and even Henry Fretz, when he wasn't racing his one-tonner had to view the transoms of four or five of the fleet. George Madel sailed some excellent races and finished the season in third place. An age-old battle raged in the 4th spot and Joe Mark regained his supremacy over Stan Moldawsky (same excuse here gain; 900 pounds is a mental hazard. I wonder what excuse I'll use next year, perhaps senility). Heinz Kornmann had his boat moving well most of the summer, making for interesting sailing in the middle of the fleet. Heinz always threatened to break out of the middle and often challenged the leaders.

What was new for us this year was the presence of Chuck Roland, Les Rosencrance, Howard Harsh, Jerry Eagen, and Ron Regis in their debut as Lightning skippers. Chuck, Les, and Howard were "baptized" in our heavy weather but they provided good competition as the season progressed.

Mid-season we invited Lake Mohawk sailors up for the second time, just for the sport of it. Tom Bierman and Bob Graham took the two races (same as last year), and although we had a fun time, we're thinking that next year we'll simply mail them the champagne and tell them not to bother. We enjoy the friendship and the racing and count on five or six boats to join us again.

Our Paupack Invitational Regatta held in September brought out 17 boats and some beautiful, moderate breezes. Djoerd Hoekstra from River-ton collected the winner's trophies, with Franz Schneider of the host club finishing a strong second. George Madel ran off with the third prize, and Pat Corr of the Monmouth Boat Club finished fourth. We had a great party with lots of good food and dancing. We also celebrated a first in the fleet. Davey Coutts met Jane Sullivan on Stan's boat in 1979 when both crewed. They married in August of 1980 and plan to continue to crew until they birth their own Lightning. The Bard of Lake Wallenpaupack, Joe Mark waxed (or waned) poetical commemorating the occasion properly.

Thus ended a successful sailing season on beautiful Lake Wallenpaupack. Howard Harsh assumes the role of Fleet Captain for 1981 and is planning an exciting program.

This was a rare season for weather. We lost three whole weekends due to no wind, or too much wind.

Our season opened with the traditional Memorial Day race to Long Point and return. Chuck Hodges had the best start and continued to improve his position till he crossed the finish line. Ed Burger and Jim McDonnell fought it out for second and third place, respectively.

June 14th and 15th was the 17th annual Cornball Regatta, 20 boats gathered from eleven clubs in three states and Canada. Jim Crane from Noroton, Conn., was the winner. Cal Schmiede of the Niagara Sailing Club and Ron Cochrane of the National YC in Toronto were second and third. The wind never did exceed 3 MPH.

The Fourth of July series was wiped out by bad weather, but Labor Day was fine for an uphill beat to Long Point and ended in a close spinnaker reach to the finish. Jim McDonnell moved out fast at the start but had a tough time holding the lead as Ed Burger in second place and Chuck Hodger in third closed in on him at the finish.

Throughout the season we have a combined handicap series with the Thistle Fleet and the Flying Scot Fleet. This year the Lightning Fleet won three of the top four positions. Congratulations to Chuck Hodger, Ed Burger and Jim McDonnell who finished in first, second and fourth places.

Chuck Hodges left no doubt who was Fleet Champion, as he captured the High Point Series for the season. In addition, he almost won the Club Championship, in Snipes, except for an equipment failure. Nice going, Chuck—and crew.

Lake Mohawk Lightning Fleet completed another successful season in 1980. This was the year the wind blew with more races being cancelled because of high wind than no wind.

Two of our fleet members, Bob Graham and Bob Tomassetti ventured south to Florida for the Southern Circuit. Both report having a great time, and hope to do it again.

The Spring Series at Lake Mohawk was won by Bob Graham, with Tom Bierman, second, and Rich Miner a close third.

Tom Bierman found the summer winds to his liking, and was first in the Summer Series. Bob Graham was second, with Ron Beard, third. Fourth place was a tie between Rich Miner and Bob Tomassetti.

The Fall Series and the Metropolitan District Short Circuit kept our sailors busy most weekends. Tom Bierman cleaned up the first leg of the circuit by winning all three races at Greenwood Lake. Tom was able to get home early enough on Sunday to win the second race at Mohawk. The second leg of the Short Circuit was held at Lake Mohawk. Bob Graham was first this time, with Kerry Klinger of Nyack, second, followed by Tom Bierman. The third leg of the circuit was sailed at Monmouth Boat Club. Dennis Farley had a hot day and won. Tom Bierman's fourth place finish gave him the victory as the overall SHORT CIRCUIT CHAMPION.

The results of the Fall Series were: Bob Graham, first; Tom Bierman, second, and Ron Beard, third. Bob Graham was the overall Fleet Champion.

This year saw more swimming than normal at the lake. Mike Venus, after years of coming close, finally figured out how to turn his Lightning over, and started getting good at it by the fall. Other turtle awards go to Jim Wavle, Bob Waters, Don Plotner and Bob Tomassetti.

We're hoping that we will get Jim Wavle back next year and are looking forward to an active season in 1981.

This year saw a few more new faces and boats race in our fleet as Dick Brown (from the East) and Harry Robertson (from Indian Lake) joined us. Traveling to such regattas as St. Mary's, the Districts, Hoover, Harvest Moon, Snow Ball, and the Fall-In were Carl Clipp, Ron Schulster, Dick Brown, George Hodge, Harry Robertson, Sam Fairchild, and Paul Howald. Some of these stalwart travelers finished in the money here and there, but there was nothing to brag about. In any event we all had fun, which is what the Class is all about, isn't it? We again hosted a very successful Windshift Regatta in June, with the usual good food and good times.

We are proud as grog of Carl Clipp who is our District Commodore this year, and Ron Schulster and Carl who are Commodore and Vice Commodore of Leatherlips Yacht Club, respectively.

We closed the season with an excellent Lobster Bash attended by some forty sailors, including some of our good friends from Buckeye Lake. New officers were elected, and plans made for the next year.

Metedeconk River Yacht Club was once again well represented on the Lightning schedule with Jim Carson and Jay Lutz leading the way and with other members following close behind.

The Southern Circuit started things off with Jim Carson, Paul Gelenitis and Jay Lutz traveling the entire circuit. Jay finished a strong third winning the combined Savannah/St. Pete Trophy. Jay continued the following month in the California Circuit by winning six out of eight races, taking the California Circuit Championship back to the east coast. The next regatta attended by fleet members was the Long John. Mark Beaton sailed a strong series and finished second, Jay Lutz, third, and Paul Gelenitis, sixth. The following weekend Jay and Jody Lutz traveled to the midwest to sail in the Indiana open. Jay finished second and Jody, fifth.

Once gain, the Districts were held in early June, with a Metedeconk contingent of four in the top five. Jim Carson sailed very well to finish first and District Champion. Jay Lutz, Runner-up, Jody Lutz, third and Mark Beaton, fifth.

The Atlantic Coast Championship, held at Metedeconk, saw our Jay Lutz come out on top convincingly. Next up was the long trip out to San Diego for the North Americans. Jody Lutz trailered out early to sail in and win the Junior North Americans. Our congratulations to him for capturing the Championship and claiming the candy stripe insignia. As for the North American Championship, well, three of our sailors qualified for the Blue Fleet, but none can claim too much fame. Let's just say Jim Carson and Jay and Jody Lutz qualified for the Worlds in Chile!

The Eastern U.S. Championship began the fall regattas with Jay Lutz taking fourth and Jim Carson, seventh. A majority of our fleet sailed in the Surf City Regatta which could have been called "The Metedeconk Regatta." Jay and Jody Lutz co-skipped to victory, with Paul Gelenitis, second, Mark Beaton, third, and Dave Ruiter, fifth. Although many of our fleet members sailed in the Frigid Digit, none with too much success. The following weekend at Quantico was a different story, however, Jim Carson showed the way to victory with Mark Beaton and Jay Lutz a close second and third respectively. Jim Carson and Paul Gelenitis co-skipped their way to the combined trophy for the two regattas.

While Fleet 34 traveled extensively during the year there was plenty of action at home. Paul and Betsey Gelenitis won the Fleet Championships with Charles and Wendy Thrower finishing a close second. Paul Gelenitis easily defended his overall Club Championship, and Keith Taboada became the new Junior Club Champion.

With new fleet members joining every day and young crew graduating to skippers the 1981 season for Fleet 34 looks brighter than ever.

After a short period in the doldrums, Fleet 35 is alive and well. Two of our fleet members have traded their wooden boats for newer boats. We have prospects for at least one, and possibly two new fleet members.

We did not have a full racing season last year, but with the prospect of at least five evenly matched boats, we are looking forward to an early start next year.

Racing activity at Fleet 36 got underway with a seminar conducted by Bruce Goldsmith on May 9, 1980, and a Shakedown Regatta, the second leg of the Northern Spring Circuit, on May 10 and 11. To give added credibility to his seminar instruction, Bruce placed first in the regatta followed by Jack Mueller and Hank Hodgson.

Our Spring Series from May 17 thru June 15 was won by Pymatuning Yacht Club Commodore Jack Borland, with junior skipper Charlie Courtsal, second, and John Swartz, third.

Lightning winners in PYC's annual Independence Day Regatta on July 5 and 6 were our own Chuck Maltbie and Don Courtsal, 1st and 2nd, followed by guest Jed Dodge in 3rd place.

Our Championship Series ran from June 21 thru August 31 (excluding three weekends for Districts and North Americans). The top five finishers

respectively were Chuck Maltbie, Don Courtsal, Jack Borland, Al Caldwell, and John Swartz.

Fleet 36 skippers participating in the Ohio Districts at Buckeye Lake were Jeff Borland, Herb Jestel, Chuck Maltbie, Jim Martuccio, Jr., Randy Ruhlman, Rob Ruhlman, and junior skipper Marc Snelson. Randy Ruhlman and Herb Jestel subsequently made the long trip to the North American's at Mission Bay. Both sailed in the Governor's Flight which Randy Ruhlman won.

Our Fall Series of seven races was won by junior skipper Dave Werley followed closely by Al Caldwell and Jack Borland.

The Fleet 36 social season was active and a thoroughly enjoyable one. It began with a covered dish dinner in May, followed by a wine and cheese taster in June (wine from our own Lud Lekson's home winery), another covered dish dinner in August, and our annual, fantastic, corn roast in September. Fleet 36 also entertained the entire Pymatuning Yacht Club on August 31 with a cocktail party, covered dish dinner, and live music for dancing and pleasant listening.

As this account is submitted to meet an October 29 deadline, our 1980 activities are still to be completed. Trophy presentation night, including cocktails and dinner is scheduled for Saturday, November 8 at the home of Fleet Captain Bill and Marian Weihe in Murrysville, Pa. A 10:00 a.m. brunch the following morning at the home of fleet members John and Marge Swartz, also of Murrysville, will be the wind up to a highly successful and rewarding season.

Fleet 39 saw an average of six boats on the line for 16 series races from early May to late October. Competition was keen as the Fleet Championship was wrested from four-time winner Will Gordon by Ben Hunter in *Irish Mist*. Steve Schwark placed third overall.

Will Gordon was the A Series with four firsts. Ben Hunter was second. Hunter and Gordon tied for first in the B Series. In the C Series Hunter took first and Steve Schwark second place. The D Series with some "hiking and planning" races was won by Ben Hunter with Will Gordon taking second.

Jim Van Fleet captured the Mini Series. Will Gordon won the Single Handed Trophy. Bill Heaney sailing Will Gordon's *Blue Chips* took the Skipper-Crew title with Bill Penney in Steve Schwark's *Toy Boat* taking second.

The 1980 season saw Fleet 39 members Will Gordon and Ben Hunter take first and second in the Chelsea Open and second and third, respectively, in the Mid-Hudson circuit. Will Gordon also won the Hudson River Yacht Racing Association Lightning Championship.

Fleet 39 boats competed at Nyack, Grassy Point, and Ossining as well as Red Bank and Barnegat Bay. The sailing skills of those travelers were enhanced by the experience. More Fleet 39 sailors can be expected to follow this example in the coming year.

Some extra fine sweet corn was added to the Clambake menu, and five alarm chili warmed chilled bones at the End of Season Supper at Will Gordon's house.

Wind and sun abounded on the Hudson this summer. Dickie (Chuck) Tripp helped fill in the ranks this spring with a first in the Spring Series, a top five finish in the Districts, and a 15th place in the Blue Fleet in the North Americans. Fleet 41 is duly proud of its first Blue Fleet skipper. It is our understanding that Tripp's finish was among the best this year for a rookie in the North Americans. He might be a rookie in the North Americans, but there are still a few in the local fleet who remember finishing behind Dickie when he was barely in high school in a boat that was held together with little more than a prayer and a bucket.

Bill Meyer, sailing with crews Kathy Moran and son Billy placed second in both the Spring and Fall Series, and edged out the Bitler/Lewis syndicate by less than a one place finish over the 20 race series to win the Fleet Championship. Alternate skippers George Bitler and Mark Lewis were runner-up for the year, and winners of the Fall Series. Eric Schreck, with crews Eric Jr. and Eddie earned one of his first "Tin Pots" with a third at the Shattemuc Regatta, and making a strong charge in the Fall Series to challenge the leaders.

Nick and Beth Mazzeo are gaining a reputation for sailing fast, and have pulled at least one horizon job when they get it pointed in the right direction.

Dennis Szokolay is our hard luck sailor who is out to set a record for broken masts and other damages. Dennis is a former Hungarian freedom fighter who sometimes sees "Red" on the course, and has many stories to tell off the course.

Our Race Committee of Al Phelps, Walt Tripp, and other members of the cruising fleet did a magnificent job of running the Districts and local races. Thanks to them and the many others that have helped make our regattas a big success this year.

Tom Allen accepts 1st place trophy at our annual Harvest Regatta from Commodore Lora Grinder and Vice Commodore Peter Bone.

Our 1980 season provided us with a wide variety of conditions, from a couple of blow-outs early in the year to a month of drifters in August. Through all the conditions, the competition remained tight all year long.

In our first scheduled races, five short tune-up races on May 18, only Mark Dadd was ready to brave the cold winds of a threatening storm and the races were cancelled.

Memorial day weekend again provided strong winds and three good races. The series was close, and came down to the last race, which was won by Bill Neal. He took home the Jane VanArsdale Memorial Trophy for the series.

The Bill Humphrey Memorial Trophy was won by Mark Grinder and consisted of six races sailed on two weekends. A good indication of the competition on this lake is that after four races in this series, only one point separated the first four boats.

The Ed Neal Memorial Trophy was won by Todd Jones over the Fourth of July in fairly light, shift winds. Again, the finishes were close.

We held a fun race on July 27 for The Bucket, featuring a LeMans start. Amid confusion and laughter, we all pushed off from the shore and put up sails after the starting gun. Todd Jones won this one, and we all had some laughs about the race at the Bloody Mary lunch which followed.

Bill Neal won the Benedict Memorial Trophy over Labor Day weekend in his *Sea Adler* (6983) the oldest boat on the lake.

Our Stay-At-Home Series was won by Doug Bliss and Most Improved Skipper was Todd Jones.

Our boats travelled to quite a few regattas this year, and along with some great finishes, we also managed to keep things pretty lively after the races. Bill Neal won the Mid Neal Brown trophy for Best Away finishes. We should note here that one of our skippers, Peter Bone, crewed for Jim Crane in San Diego, finishing 7th.

The Jacob Hofstead Trophy for Most Valuable Crew this year was won by Lora Grinder.

Our annual Harvest Regatta was held Sept. 13-14. The competition was excellent with the top boats from Lake Erie and Central New York Districts here. We were plagued by very light, if any, wind on Saturday, but everyone seemed to enjoy our cocktail party and buffet that night. We always look forward to hosting our friends at this regatta, and this year it

was a real honor to award first place to Tom Allen. Of the Silver Lake boats, Mark Grinder led the fleet at 7th overall and won the C.L. VanArsdale Trophy.

The Club Championship Series, consisting of races spanning July and August, was won this year by Todd Jones, who had an excellent season with his brothers Peter and Kevin as crew. Our congratulations to him.

Once again, our season opened with a visiting "heavy," Jay Lutz, stopping by on the way to the Southern Circuit to give us a warm up seminar at Mike and Carol Arnold's home on the Potomac. Thank's again to Jay, Mike, and Carol.

Our season progressed routinely with our Spring Regatta, Spring Series and many out of town regattas keeping us busy. We were gearing up to hold our District Championship in July when it happened---THE STORM!!!

June 17, Fathers Day, our annual sailing picnic to the Arnold's. It's a nice break in the middle of a hot summer. A lot of people drove to the picnic, but only three boats sailed down. We did have Angus Phillips, a reporter with the Washington Post sailing with us though. He was going to write an article on Lightnings to promote the upcoming Districts. The picnic was fine, Angus got lots of info, and we started sailing home. The storm came in quick with about 50-60 mph winds. Like they say — don't mess with Mother Nature. Final score: two broken masts, a broken rudder, and an uprooted tree on/in the Arnold's roof. Angus scrapped his original (wet) notes and wrote a very exciting disaster article.

Our Districts finally came around and Mother Nature gave us a little bit of everything — it was quite the summer for storms. The good guys don't seem to mind though. We let his highness, President Dr. Don Delorme win the Districts followed by Rob Pratt and Steve Bachman. We congratulate them and our own Dieteer Grotheer who finished a very respectable fourth.

The summer storms blew by and we settled down to some serious fall racing on the Potomac and around the Dixie District. Frank Gallagher cleaned up in the Spring Regatta and held on in the Walter Collier Regatta in the fall to win the overall Fleet Championship.

We ended our sailing season at Quantico, where we had the great race-that-wasn't on Saturday. Confused? Well, so was the protest committee on Saturday night. Sunday dawned with heavy air. The Jersey boys really showed us how in three great races.

At this writing we're in the middle of planning our annual meeting and annual banquet to wrap up 1980 and elect officers for 1981. Hope 1980 was as exciting for you as it was for us.

We had generally good winds this year, in contrast with last year's drifters, which made for some exciting racing. Regrettably, our perennial champion, Herm Nickels, did not sail his Lightning this year, and we missed him. However, son George was back after an absence of two or three years, and welcome indeed. The competition was perhaps the closest we have ever had. Dave Furey led for most of the season, but never by a lot. George Nickels, maybe a bit rusty a first, came on strong at the end, and won both the Sunday and Wednesday Series.

Our November 8th banquet will be highlighted this year with our "Mortgage Burning." Hallelujah.

The Pontiac Yacht Club opened its 1980 season with the Annual Bug Out Regatta, May 5. Lauren Bowler won, which was just the start for a very successful season for Lauren. Out of the '80 race schedule, eight races were cancelled, and we averaged 14 boats per race.

Lauren went on to win the Club Championship, Spring Nite-Owl, Sunday Summer and Summer Nite-Owl (A Fleet), Sunday Sno-Ball, Sunday Overall and Wednesday Overall. Other winners were: Clarence Holman, III — Commodore Regatta, John Mathers — Challenge Regatta, Bob Sturgill — Club B Champion, Bill McKinley — Spring Sunday Series, Ed Stack — B Fleet Sunday Summer, Ed Dziuba — B Fleet Summer Nite-Owl, Jack Critchfield — Wednesday Die-Hard, Wally Smith — PYC White Cap and John Mathers — Jr. Michigan High Point.

Special awards were the Ray Ransom Award — Ray Pfaff and Jim Grant, Clarence Holman Award (Most Improved) — Jack Critchfield, Good Sportsmanship Award — John Mathers, Michigan High Point Trophy — Rick Frank, and the George Bery Award (Persistence) — Dick Beaubien.

Match racing was introduced one weekend this year. It provided a new type of tactical sailing which was both fun and educational. The Club Championship was particularly competitive this year, with only 1½ point separating first from fifth place. The annual White Cap Regatta hosted 37 boats this year; apparently the home lake advantage was evident with nine of the first ten places won by Pontiac Yacht Club members.

Winter seems to be coming early this fall, and our last season race was cancelled due to high winds and cold weather. Maybe this means Spring will come sooner; let's hope so.

Fritz Dusel was anything but "on the fritz" in 1980 as he walked away with two of the three Lightning series at the Niagara Sailing Club before the ink had dried on his membership application. Fritz, a recent transfer from the "big club down the river," indicated his intentions were serious from the onset with a close win over Calvin Schmiede in the Bowen Lightning Class Championship early in the season. Judy Walker was third. The results of

the extended Wardell Series proved that Mr. Dusel was no flash in the pan, as he again beat Cal and Judy. Cal got his act together for the final series, the Blake Memorial, to win going away.

The oldest regatta in the Lake Erie District, our Niagara River Lightning Championship, saw popular Stu Anderson emerge victorious for what must be at least the tenth time. Stu's consistent finishes of 2, 1, 1, 2, and 3 solidified his claim to the title of "River Rat Extraordinaire." Rounding out the top five were Larry MacDonald, Fritz Dusel, Dave Sprague and Matt Bryant, Jr.

Away from home base, highlights of the 1980 season included Cal Schmiede's impressive second in the Central New York Championships and Fritz Dusel's excellent showing at the North Americans where he crewed for brother-in-law Mark Bryant aboard the winning boat.

All-in-all, it was a good year. Here's hoping we see you at the River Championships in 1981.

The 1980 season has been another great sailing year for Fleet 60.

Bill Merillat was crowned Fleet Champion as well as District Champion. But, the whole year was sparked by the great sailing of all skippers. Many new faces were in the winner's circle for a change. We are looking forward to next year and to the new skippers and boats as our fleet continues to grow.

This year the Lightning Fleet at Maple Bay has grown to seven fiberglass boats which consistently turn out for club racing. Our season starts the end of April with the Sail Stretch Series and runs through October when we finish the Fall Series. In between, we have longer races to Burial Island, North Reef, the race around Saltspring Island and regular series which are held in the bay, racing around marker buoys.

George Blumel still leads the pack overall but almost every skipper has had the satisfaction of winning at least one race, so the competition is keen.

We've started the odd Wednesday night get together to help each other with boat rigging, discuss out of town racing, before and after, racing tips and general Lightning talk. The big plan this year is to promote an International Lightning race around Saltspring Island. This has been a club race for many years and we hope to start sharing the 45 mile, sometimes overnight race with other Lightning sailors who might include it in a holiday trip to Vancouver Island next summer.

This has been a good year for all of us. We now have facilities for dryland sailing right at the Yacht Club. Now that we have learned to get our boats on the hoist and into the water in a reasonable length of time, we are able to concentrate on better racing technique and we are really improving.

We owe a special thanks to George Blumel, whose love of the sport is gaining us many interested people, who eventually will be joining our ranks.

Fleet 69 made its presence known at Milwaukee Yacht Club at the beginning of our season by sponsoring the Commissioning Ceremony. This is the traditional opening of the Milwaukee Yacht Club sailing season, and takes place on Memorial Day Weekend.

Our racing season begins with the Lightning Fleet sponsoring the Marine Handicap for all boats in the Yacht Club. This was the beginning of an exciting, event filled summer. In addition to sailing a 20 race season series, Fleet 69 hosted their 35th Annual P&T regatta, and conducted the District Championships for the Midwest District. Both of these invitational regattas drew over 20 boats.

Our season series presented its usual excitement with the Fleet Championship not decided until the final races. Four points separated the first place and third place boat. Dean Cady is our Fleet Champion with John Esser in second place-I (that's right one) point out, Byron Roe was in third.

Fleet 69 is looking forward to the '81 season with the excitement of possible new members on the horizon. We expect a better than ever year in '81 with more boats in our fleet and on the line for every race. We now take advantage of the winter months to plot and plan.

Fleet 70 experienced its usual active season with a large number of fleet races interspersed with regattas and various local events. 1980 was exceptional, however, in that the weather was so cooperative that every scheduled race was sailed, albeit not always under the most ideal conditions.

The Spring Series, which began in mid-April and was open to boats from other fleets, was won by Sandy Huntsman. This was particularly satisfying to Sandy since it was about the only Fleet 70 prize that had thus far eluded him.

The Long John Regatta in late April again drew the usual large contingent of boats. Dave Curtis from Marblehead, Mass., took top honors by sailing extremely well under highly variable conditions while Mark Beaton of Mantoloking, N. J. nailed down second place.

Consistently good sailing over the long Summer Series enabled the Walt Colantuono/Charlie Altreuter combo to emerge victorious over the rest of the field. Denis Farley was the runner-up for that series. The Fall Series, however, saw Bill Ewing jump out to an early lead with an impressive string of wins. As the season progressed, John Brewster closed the gap, but was unable to overtake him and John was runner-up.

The holiday regattas at Monmouth Boat Club are always popular with the Lightning sailors. This year the Memorial Day Regatta was won by Denis Farley with Bob Hutchinson in the runner-up slot. The Memorial Day regatta saw Sandy Huntsman emerge victorious with Denis close behind in second while the Labor Day Regatta was won convincingly by Bill Ewing with Sandy Huntsman as runner-up.

The Atwater Trophy, awarded to the skipper with the best overall record in the three holiday regattas was awarded to Denis Farley. The overall Fleet Championship, which includes the three season series as well as holiday

regattas went to Bill Ewing.

In addition to all the above, Fleet 70 hosted two other regattas. The first was the Metropolitan District Junior Championships which was won by Larry Colantuono and the other was the Fall Has Fell Regatta which was won by Denis Farley. Both of these events were held for the first time in 1980 and were enthusiastically sailed by the participants. We hope that both regattas will attract additional participants next year.

So now, as we hibernate, Fleet 70 is looking forward to another super season which will also include the hosting of the 1981 Metropolitan District Championships.

Lighting sailing activity continues strong for Fleet 74, Decatur, Illinois. The 1980 sailing season was a good one with newer members upgrading boats, and trying to compete with the "old hands." The newcomers are finding the "old hands" to be tough competition. The "old hands" are representing themselves well and this year won two of the top five spots in the Mississippi Valley District.

Fleet Champion, as determined by the Summer Sunday Series, was Greg Florian. He edged out Todd Sternaman by 0.3 of one point. Greg and Todd were followed closely by Lloyd Irish, Parke Boyer and Bob Buckles. The Fall Series was won by Todd Sternaman followed by Roger Grohne, Vince Daube and Parke Boyer.

Several other events were held through the year, including a team race regatta won by Ed Cave, Don Johnson and Jim Lackman. This event proved popular and will probably become an annual event.

Memorial Day was celebrated by sailing in the lower basin and attending a large party hosted by Bart and Sandy Cole. A Handicap Regatta was held pitting Lightning sailors against many others in the Decatur Yacht Club. Three of the top four places were taken by Lightning sailors Lloyd Irish, Roger Grohne and Bart Cole. Our annual Decatur Yacht Club Regatta and 4th of July initiation of new members rounded out our active year.

The number of participating boats and the quality of the competition kept building throughout the 1980 season at Nyack.

Fleet 75 held 25 races in its regular racing schedule consisting of the Spring, Summer and Fall Series. The vitality of the Fleet is evidenced by the growing participation in our racing program: an average of more than six boats starting in the Spring Series; more than nine in the Summer Series; and nearly 14 in the Fall. Nineteen different Nyack boats were represented

at one time or another on the line during the regular racing season.

New members of the Fleet include the brother and sister team of George and Nancy Conk; Mary Lynn and Milton Ellis; Jeane and Eric LeVesque; and Shirley and Irwin Kwartler. The Kwartler boat, at times with the assist of son Jed, finished third in the Fall Series.

In keeping with the Fleet's concern for sharing knowledge with less experienced members, a training session on boat speed and boat handling techniques was held one weekend, with about five participating boats.

The Nyack Lightning Fleet's flagship event is the Magnus Pedersen Regatta, which is held annually in June and is open to Lightning skippers from other clubs. This fact must be well known, because all four trophies awarded in this year's 19-boat event went to various hot boats from out-of-town. Congratulations to winner Dick Tripp from The High Tor Lightning Fleet 41, and to Bill Gordon of Chelsea's Fleet 39, second; Tom Green of Great South Bay's Fleet 178, third; and Bob Sengstacken of the Awosting Fleet 95, fourth. Come back next year, everyone, so we can get our licks in, and also to enjoy the Saturday evening steak dinner.

Honors for winning the Spring Series went to Fleet Captain Howie Rinehart, followed by Gary and Joan Hurban in second place. Third place went to Stephanie and Bill Mayo, their first silverware at Nyack. The Summer Series and Fleet Championship was won by veteran Gary Hurban. Runner-up for both was Rod Johnson in his now highly competitive older boat 7616. Third was Howie Rinehart. Special recognition goes to Gary K. Hurban, the veteran's son, as the winner of the Fall Series. Second again was Rod Johnson. Irwin Kwartler, as mentioned, finished third.

For Lightning devotees, it is great to see the quality of Lightning sailing continue to improve in the Lower Hudson Valley. We look forward to picking up next spring where we left off in October.

Activities at Newport Yacht Club got off to an early start this year with several winter work parties out on the ice. Power poles were set through the ice for eight new dock slips. Membership has been steadily growing and now stands at 37 boats.

Sunday races were very competitive this year with 55 races sailed in the championship series. There was an average of over 13 boats per race for the season. That's a pretty good turn out considering the sometimes less than favorable weather in Rochester.

The Championship trophy was won by 15 year old Peter Hallagan, a new member this year. After taking fourth in the spring series, and being away to regattas most of the summer, he came back with 9 bullets in 10 races in the fall series. Right behind Peter was Steve Sahs, sailing *Reunion* to second place overall. Steve also took first place in both the spring and summer series. Tony Orlen finished third in the Championship series, followed by Ed Howe in fourth, and John "Doc" McIntosh, fifth.

Special series winners were: Al Hamilton, Burns Hanna Handicap; Donna Durbin, Powder Puff; Steve Baker, Crew series; Dick Doherty, Single Handed; Barbara Platt, Missal; George Sereno, Most Improved; Bob Jamison, "B" Fleet; and Larry Stephans took home the Tip Over trophy.

Newport had two special weekends this year. We warmed up with our annual Newport Invitational regatta in early June. Later we hosted the Central N.Y. District Championships. Both events were a tremendous success.

New officers for 1981 will be George Sereno, Fleet Captain, and Bob LaDuca, Secretary/Treasurer.

Due to lack of boats actually at the club, we were unable to have our weekly club races. Hensel never brought his boat over to Sandy Beach even to dry sail. We lost four Lightnings from our fleet to sales and transfers. However we will be back in the future because of younger sailors coming of age.

On September 20-21 we hosted the 23rd annual "Haul Out" Regatta at Sandy Beach. This is a board-boat affair and there were a total of 60 boats. The Lightning Class had 16 entries. Winners in the Haul Out were Tom Allen, #13311, first; Stu Anderson, #11702, second and Ron Cochrane, #13180, from National Yacht Club, Toronto Ontario, third.

The Sandy Beach Haul Out Regatta is the third leg of the annual Fall Northern Series. First leg was at Silver Lake Fleet 47. Second leg was at National Y.C., Toronto. The trophy winners of the Fall Northern Series were: first, Tom Allen of B.C.C. Fleet 12; second, Matt Bryant #10006 of B.C.C.; third, Stu Anderson also of B.C.C. Fleet 12. This was a remarkable sweep by Fleet 12.

The 1980 season was an exciting one for the NBYC lightning sailors both at home and away. Most of the old familiar faces with some new reinforcements kept the starting line crowded and a great place to be on a summer day.

Our Fleet Champion was Nelson Hoffman for the second consecutive year. We discovered that it is all due to a secret tobacco fired motor which silently puffs away. Runner-up and always finishing near the front, despite roof leaks and trips to California, was the Vann boat with its cast of family members. There is rumor that that blue boat has developed too many captains and will spawn at least one new boat in the fleet next season. Woody managed to coax the Petersons out frequently enough to capture third and to show that she remains a winner. Don Barrett hammered out some problems and nailed down a few victories to sneak into fourth place.

Once again our Governor's Cup Regatta was a huge success with Spofford's Bob Pinnard taking that beautiful and petite trophy home for a year. The Weather Gods, some very helpful club members, and a couple of beef cattle got together for the best sailing and steak dinner to be had in the land. We hope for an even better turn out next year.

Away from home Fleet 85 also let her presence be known. The Long Island Sound Championship almost became the Niantic Bay Yacht Club Championship with David Peterson, first; Vann, second; and Hoffman, fourth. David also captured a sixth at CPYC's Early Bird, fourth at the Districts, and tenth at CPYC's East Coast Championship.

Everywhere in our district the most frequently overheard conversation

seemed to center around one event, next year's North American Championship to be held at Cedar Point, and the fact that everyone will be trying to qualify. The competition should be intense, and we at Niantic Bay will be trying our best.

The 1980 sailing season was an active one at Higgins Lake with several new Lightnings racing this year. Our location on Treasure Island continues to be a great sailing attraction and the Higgins Lake Boat Club clubhouse works beautifully for our many parties. The season began on the 4th of July with a Firecracker Regatta. Mike Dow, Jr. was first, followed by Fred Krauss skippering Orman Barstow's boat.

On the second and third of August, we had our Annual Regatta with many catamarans present and a solid Lightning Fleet of 17 boats. The five race series was won by Brian Hussey of Union Lake. Hank Hodgson was second, also from Union Lake. Third and fourth were won by local boats, which shows our growing competitiveness with Mike Dow, Jr., third and Fred Krauss, fourth.

The season of racing every Saturday was dominated by Gary Cutler in third place, Fred Krauss, second place and Mike Dow, Jr., first place.

The season closed on Labor Day weekend with our traditional Labor Day Regatta. Mike Dow, Jr. was finally eliminated by going off to college, so Fred Krauss became our Fleet Champion sailing Mike's old boat which he had just acquired. John Dent was Runner-Up and Gary Cutler was third. We are very pleased with the additional interest in our Lightning Fleet and look forward to an even finer 1981 Season. Come and sail with us and enjoy Michigan's finest!

The 1980 season was off to an early start for the Green Bay Sailing Club. Bruce Goldsmith found time in February for a one day seminar and a little socializing. The turnout was excellent and we hope to do it again in 1981.

By the time May rolled around, we had 26 Lightnings registered, of which 18 actively participated, and in the end, we saw a new skipper, Brian Phelan, walk away with the honors. Jim Robinson and Dave Roznowski, second and third respectively, put in an excellent showing. Another new skipper, Gary Marshall, also showed his expertise, and we'll be keeping our eye on him next year.

In addition to our 32 regular races we sponsored five regattas and a number of social events. The Evans Regatta, a qualifier for the Midwest Districts, was very successful with 28 boats participating. G.B.S.C. sailors put up a good fight but it wasn't quite enough as John Esser of Milwaukee took first place. A new race was named for the man who has devoted much time and energy to sailboat racing, Frank Vandersteen. This Race was held in conjunction with the Chancellor's Cup and both were open to Centerboard and Multi Hull classes. Lightning sailor Jim Robinson took first in centerboard for both races. Also a first was the Women at the Helm Race in which only women skippers qualified. The race was completed in near drifting conditions with Barb Patz, Dianne Van Beek, and Mari Vandenberg taking the first three places. The season came to a close with the Walter Masse Race in which John Evans finished first in both corrected and actual time.

The main social event of the year was our annual 4th of July Pig Roast. The agenda included Tech Dinghy racing, frisbee, volleyball, and pleasant conversation, after which everyone indulged in as much beer and roast pig as they could handle. The day was concluded with a moonlight sail across the bay to watch the fireworks.

All in all it was a very successful year, and 1981 promises to be just as good, as we already have two new Lightning owners. A special thanks goes to Pat Berndt, Doug Olson, and Betsy Whitton, who will be stepping down as officers, for the time and energy they devoted to this organization.

Fleet champion Brian Phelan leads pack at drop mark.

Cuba Lake Fleet 115 added two new boats to its Lightning Class this past summer. Welcomed were Mike Kane and Pete Chicola. Both are enthusiastic, competitive sailors.

We had great sailing weather at Cuba Lake with no rain and fairly good winds. One of the highlights of our summer season was the Moonlight sail. A great time was had by all.

Plans are underway to renew the Three Lakes Regatta next year. We are hoping for a good turnout and steady winds.

Fleet 121's sailing season has come and gone, but the great memories will linger. The season started quickly, with the Fleet hosting the 1981 State of Massachusetts Championships in June. The Regatta was won by Marblehead's Dave Curtis.

Fleet 121's Championship Series was divided into two series. The Spring series was won by 1978, 1979 Fleet Champion Al DeBernardi. On the CB they call him "Fat Albert", on the Race Course "Fast Albert". The Fall Series was won by Steve Fram winning all but one race in the series. In the match race to decide the over-all Champion, DeBernardi prevailed, to make it three years in a row. (Albert, the rest of the fleet is closing the gap!)

The Twilight Series was won by wooden boat purist, Grant Pendill. Grant seems to be the only Fleet member who can sail consistently when the sun is setting.

Some Fleet members traveled far and wide in 1980. Red Bank, Cedar Point, and most of the New England District Schedule were visited by 121's crews this year. The most road success came when Steve Fram and Al Lavender co-skipped #13456 to 2nd Place in the Annual Massabesic Race Weekend, losing to Dave Fitch by 3/4 point.

1981 looks promising for Fleet 121, with some new Lightnings taking part, and a couple others coming out of mothballs. Come start your 1981 season early at one of New England's first regattas in June. Perhaps your name will be added to the list of Newburyport winners which include Shore, Curtis, Brush,

Racing in 1980 began for some of us at scenic Red Bank. While we did not win any hardware, it was rumored that we won the party. Racing in earnest for Fleet 126 began at the annual Early Bird Regatta. Forty boats sailed and we were pleased to see so many of our North East Coast neighbors in attendance. Winds were tricky, but somehow a skipper named Bill Shore managed to figure them out and take home another trophy for his trophy room.

Winds were warm and as a rule pretty steady this summer. We had a lot of practice in heavy air and some good "ray days." Fleet 126 welcomed some new members. Alan Chaplin, John Dymont, Guy Moulton, Brice Porter and Bill Payet were all new faces who became old friends as the year went on.

Memorial Day saw our first regatta weekend and Johnny Cuccio won the Vice Commodore's Cup. Wildman Willets was second, Dick Thackaberry was third.

The Fourth of July saw Dick "AMOK" Thackaberry winning the series followed closely by Dick Price who left us all in the dust in the first race. Bill Gutzwiller was third.

Our Districts were held at Noroton this year, home club of Jim Crane. Cedar Point sent ten boats. Ours may be the only district where we have to sail against two past North American Champions, but there we all were racing against not only Jim Crane, but also the infamous Bill Shore. The wind BLEW! and we had to work hard just to keep afloat. (Some of us

didn't make it!). Bill Shore won followed by Jim Crane. Dick Thackaberry was third and is to be congratulated for keeping up with Bill and Jim throughout the series. At one point they were the only three flying chutes and were "miles" ahead of the pack. Dick's super-crew Adam Lewis had a lot to do with that victory and was one tired lad at the end of the weekend.

Fleet 126 sailors Cuccio, Willets, Moulton and Titsworth traveled to Madison Beach for the Long Island Sound Championships. Phil Griffin and John Cuccio attended the Governor's Cup at Niantic.

Labor Day weekend came all too soon and was won by Dave Fagin, who after a long absence proved he hadn't forgotten a thing. Jack Lewis took second and Bud Titsworth with a midair crew switch before the last race came in third.

The Fleet Champion was Dick Thackaberry who won by a large margin, winning over half the races he sailed. Congratulations to the super team of Thack-Lewis-Thack who really had their act together.

Jack Lewis was runner-up edging out Johnny Cucci by less than .001 of a point in the last race of the season. After Johnny, fourth place was taken by Bud Titsworth who showed us some super sailing. Alan and Glenn Bemus were fifth overall.

The Climax of the year came in September as we hosted our annual fall regatta. Sixty-one boats showed up. Do you suppose they heard that we were to host the North Americans next year, and came to check us out? Mike Willets did a great job as Regatta Chairman, Kathy Moulton fed us all well and our super efficient race committee Ted Fontilieu did a fantastic job of getting off four superb races. Mark Bryant, current North American Champion walked away with the top honors and even shared some of his secrets with us at a post race seminar. Dave Curtiss was second; our old friend Stu Nickerson, third; Jay Lutz was fourth, and Don Brush, fifth.

Spofford capped off the season. It was a great party as usual and this year we even had wind. Dick Thackaberry would up fifth overall.

Thanks to Fleet Captain Will Wendell and all fleet members, wives, and crews for making 1980 a great year.

We are now all hard at work under the direction of John Cuccio planning for the 1981 North Americans. We are very excited to be the host club and hope to see you all there in August '81!

Again, after two years, our fleet has been riddled with a poor turnout for our local series racing. But, we did host: Another well attended Deep South Regatta consisting of 54 boats; a Lightning Invitational; and our members also participated in various South Eastern District Regattas.

Our Deep South Regatta and our Invitational would not have been successful without our very efficient Race Committee which was headed up this year by John McIntosh, Jr., thanks goes to you all!

Our sailors did get together during the Labor Day weekend to compete for our cherished Lightning Cup. The results were as follows: Bert Berry ended up our Fleet Champion with Chip Ogletree, second, and Jimmy Nettles, third.

Another award winner was, Kelley Oetgen, who was unanimously chosen as this year's recipient of our "Crew of the Year" Trophy. Kelley has sailed Lightnings for approximately six years and has competed in the 1978 Women's North Americans held at the Metedeconk Yacht Club and the 1979 North Americans held at the Cleveland Yachting Club. With her excellent participation and superb enthusiams, she well deserves the award; Congratulations Kelley!

This year's Stubbs Trophy recipient was Don Heyel. He soundly earned this award due to his enthusiastic and unselfish cooperation while assisting the Race Committee during the year. Congratulations Mr. Heyel!

In closing, thanks also go to Randy Brooks and Sydney Oetgen for being our Fleet Captain and Secretary for this year.

1980 was a tremendous year for the Madison Beach Club Lightning Fleet. Competition and enthusiasm were greater than ever—as evidenced by the close competition for series championships and in regional regattas. Nancy Young managed to regain the title of Club Champion from Dick Grant, last year's Champion, but it wasn't that easy. David Deephouse, Jay Jackson, Dick Grant and Mike Sulzbach were close behind her.

Enthusiasm is increasing at a phenomenal rate. Our junior sailing program has generated a lot of interest and in the process, some excellent (potential Lightning) sailors. Jay Renahan and his brother, Peter won the Blue Jay North American Championship. Our sailing team raced well against local competitors, and we are developing a new midjet team for next season. Dick Grant's "home movies" of the 1980 season were shown over Labor Day weekend—and were proof of our fantastic season.

Next year promises to be even better. Madison Beach Club is hosting the Connecticut-Rhode Island Districts. We're expecting a large fleet and some excellent competition. An added bonus: Madison is just a short sail from

Westport: the site of the 1981 North American Championship. Come sail with us!

Locating the North Americans on the West Coast had a big impact on the Seattle Fleet this year. "Frantic to Sail" was the unofficial fleet motto. From May through August most of us spent two weekends a month sailing out-of-town while trying to keep up with local racing on Thursday nights. Bruce Deitz won the most Regattas for Seattle, taking top honors in Vancouver, B. C. (July 12-13) and Seattle (Oct. 25-26). Both Regattas were PIYA and Lightning Circuit Regattas. The Seattle Race doubled as the Fleet Championship, so Bruce wears that crown, also. With consistently good finishes in Circuit Racing, chances are excellent that he will take home the overall PIYA Circuit Trophy — won by Seattle sailors since 1974. (We like, the Marines, are a small but quality group.) Unfortunately Bruce went for a swim in the middle of the District Championships. Except for this little diversion, Bruce would be a cinch to win the overall Lightning Circuit Trophy, also.

Alan Hunt and team have gotten their act together and won their first trophy on the circuit: Alan took fifth place in the Klamath Falls PIYA (July 5-6). He later won second place in the Seattle PIYA Regatta, earning him the title of Fleet Champion Runner-up. A warning to the Northwest District: Alan now counts his finishes from the FRONT end of the fleet.

Greg "Count" Zettler has seen some ups and downs this year. He gave his crew surprise swimming lessons during the first and largest PIYA Circuit Regatta (Eugene, Ore.) during Memorial weekend. The season could only get better after that opener. Greg later won the Districts (June 21-23) for the third time since 1974, and managed a fifth place in the Canadian Opens in Vancouver, B. C. (Aug. 1-3). The Count was our top Northwest District qualifier in the San Diego North Americans (at 19th), but then got chewed alive by all the good guys in the Blue Fleet—a mixed blessing.

In its second year located on salty Puget Sound (Seattle), Fleet 132 is obviously alive and growing. We welcomed two new skippers into the fleet, Ken "Dunk" Dunkelberg and Pete Robinson. Realistically, we expect to see three or four additional Lightning owners join the ranks next season. All this growth (we started two years ago with three sailors!) is due to the efforts of Fleet Captain Alan Hunt. A good worker deserves a reward; he will probably be re-elected.

GULL LAKE YACHT CLUB (137)

13236	Tony Peschiera
13279	Cyxobeu	Tim VanderMeulen
13379	Coming Home	Dan Chappell
13449	Carter Brooks

Fleet 137 enjoyed another excellent year of fun filled sailing on Gull Lake, Michigan. Races are scheduled every Saturday and Sunday from Memorial Day to Labor Day. Carl Engels once again took the Season Championship. Tim Vandermeulen was this year's Runner-up in a battle for second that was in question until he passed Jack Engels on the last tack of the last beat of the last race of the season.

The first ten places in the fleet standings this year were: Carl/Jim Engels, first; Tim Vandermeulen, second; Jack Engels, third; Dan Chappell, fourth; Tim Stewart, fifth; Carter Brooks, sixth; Bill Patten, seventh; Mike Rathbun, eighth; Matt Howard, ninth; Tom Merritt, tenth.

We welcomed three new sailors to the fleet this year. Don Albert, Bill Weston and Jakob Voss. All three are interested in racing and moving up through the fleet. There were two new boats in the fleet this year, they belong to Carter Brooks and Dan Chappell.

Bill Patten was our most improved Skipper moving from 12th place last year to 7th this year. Carter Brooks also made a big jump up in the standings this year.

Our annual regatta was held in July, like last year, good winds blew and we were again able to feature a few capsizes at the gybe mark. Tom Jungjohann won the regatta. The best for Fleet 137 were Carl Engels in third, Tim Vandermeulen in sixth, Dan Chappell in seventh, and Matt Howard in tenth place. There were 25 boats this year.

Gull Lake sent six boats to the District Championships this year. Tim Vandermeulen won three races and ended up fourth overall. Carl Engels also cracked the top ten with an eighth overall.

On the social side our annual spring meeting was held at the Engels' house. The annual regatta picnic was put on in fine style at the Harrisons' house. The sail to breakfast was put on by Mike and Bonnie Rathbun at their home—rain provided this year's excuse for driving and not sailing.

Next season promises to be another good one for Fleet 137—under the guidance of Fleet Captain Mike Rathbun and Secretary Fred Harrison we hope to put on two regattas next year. Come and enjoy one of the finest lakes in the midwest with us.

There seems to be a trend in Hawaii away from the medium sized centerboarder toward either the small, high performances centerboarder or the large ocean racer. Us "in-betweens" are fighting for survival for we still feel that the Lightning is the finest boat of her type in the world.

Way back in January of 1980, we had a Grand Season's Kickoff Party at Chuck and Maggie Gustin's which got us off to a roaring start, and the wind did continue to roar all through the winter until April. None of the Winter and Early Spring Series were raced and we didn't sail our first series until May 4th, when Bob Edmondson sailed off with the honors and the Woodbury Bowl. By the way, Woody, where are you?

From June on, the weather improved rapidly and the hardware was pretty evenly divided between Chuck Gustin and Dave Fergusson with Fran Vaughan finally getting her act together to take all firsts to win the District Eliminations.

Two new aluminum Masts, three aluminum booms and two new suits of sail blossomed on the boats of Dave Ferguson, Mickey Meierdiercks and Fran Vaughan in September and we all had our teeth set for the October 12th series, but RATS! the wind blew like stink and two red rags were flying from the yacht club mast and the races were cancelled. What a let down!

Never mind, they'll still work next year.

As of this writing we're looking forward to two more 1980 series and a whole new ball game for 1981 with lots of hot participation and a new boat or two on the starting line.

Happiness is a Hot Lightning!

Fleet Champion Bob Pinard and crew, sons David and Brian, pictured with the Connecticut Governor's Trophy.

Tom Fitch sailed his new Sunfish to a 1st place in SYC's Junior Championship. He was hotly pursued by Dave Pinard and light air magician Andy Gale. Tommy Thompson, last year's Fleet Captain, was absent from Spofford Lake this year. Thompson, who heads up Bill Shore's loft in the Virgin Islands, has it tough these days dividing his time between Newport and Charlotte Amalie. Staunch home guardian Fred Turner took over as Fleet Captain from Thompson. Rebuilding the fleet and local sailing are two formidable challenges Fleet 145 will be addressing under Turner's direction. Ginny Gilson, SYC's Sailing Instructor and Race Committee, became a fleet member and part owner of Lightning 8339. Welcome aboard Ginny. *Bon Joy*, Len and Rob Pratt's boat, stayed south this summer. Len

sailed with the Aeron team at most New England regatta's.

The Fitch's returned from a taste of Great Lakes "big boat" cruising to place third in the Fleet Championship Series and first at Massabesic's Fall regatta. Their win was the second year in a row the Fitch's won top honors at Massabesic. Congratulations to Tom Fitch who, sailing *Three Cheers*, was the top Spofford finisher at this year's Spofford Regatta. "Fast Fred" Hamblet, with son Kip aboard, notched the runner-up spot in the hotly contested Fleet Championship Series. Bob and David Pinard, Hamblet's 1979 crew, with son Brian adding 68 pounds of hiking power, edged out their former skipper to become this year's Fleet Champions. The Pinard's also sailed their newly acquired *Boat from Sparta* to a first in the 1980 Connecticut Governor's Cup.

Thirty boats attended one of Spofford's best regattas in recent years where Jay Lutz took first followed by Stu Nickerson, second, and last year's winner Dick Hallagan, third.

Come sail with us next year—we guarantee a great time for all!

Toronto Fleet 146 had another active year, as usual, starting with the Boat Show in February, followed by a well attended Seminar with guest speakers, Tom Allen and Larry MacDonald.

The Fleet Champion was co-owner combination Bob Elliott and Patrick Nolan, provided with able crews by their First Mates, Irene and Jackie. The runner-up in 1980 was Dave Roost, always a great contributor to the class in Toronto.

The Juvenile Championship has become a year after year success. We offer for many youth sailors, the only opportunity to: race lightnings; understand the stability and resources of the class, and the people that sail this great boat. Eighteen entries participated in the 1980 event from as far away as Halifax, Thunder Bay, Quebec City, Kingston and Hamilton. 1981 will see the seventh running of this event by the Toronto fleet.

The Ontario Open, hosted by (it seems) a one man yacht club, Prentice Smith, at the Reef on Georgian Bay has become so successful that the Canadian Open will be hosted there in 1981. This year's event was captured by Mike Volmer of Hamilton with Ron Cochrane runner-up.

The Hurrell Shaker became the first of a fall series of races which moved to Silver Lake and on to Sandy Beach. The Toronto Hurrell Shaker leg had 25 starters and was gratefully attended by our American friends. Tom Allen trailed into the last race, but ended with a win.

This year we had the National Championship in Guarapiranga at our Club—Yacht Club Santo Amaro, Sao Paulo. The Champion is a new member in our clan Claudio Birkarck. We also had the 50th Birthday of the Yacht Club Santo Amaro. Two-hundred boats from ten different classes participated in these races. The champion in the Lightning Class was Claudio Abramowitz. In this year we also held the Junior Races, and the Champion was Ofavio M. Almeida, of the participating 12 boats.

In our fleet we have two races in which the skippers are women. This was a great success, with ten boats. The Champion was Miss Maila Flesch.

In 1981, the National Championship will be in Florianopolis, Santa Cabarina. We hope to participate from our fleet with ten boats. We send a program from the 50th Birthday of our Yacht Club, Santo Amaro, where there participated 200 boats from Rio de Janeiro, Santa Catarina, Rio Grande do Sel, Minas Gerais Pemaubuco and Sao Paulo.

The lovely breezes still blow on Tawas Bay.

Fleet 152 was invisible in 1980, but we will rise again when we finally budge the big boaters off their sterns and budgets. In the meantime, One-Design sailing at Tawas Bay Yacht Club is only a victim and a memory.

Here's hoping for better days.

This was the season of the "Big Boat," weddings, and an unusual amount of little or no sailing on race days. Our season got underway early in April when Bruce Baiden's future son-in-law decided to sail beautiful Lake Wawasee in his new 30 foot Catalina equipped with Amish running lights imported from Grabill, Indiana. After some humorous weekends and numerous "war stories," our actual racing season began on Memorial Day weekend. George Buckingham picked up where he left off the previous year by taking first place followed by Dick Boenger and John Call. This trend prevailed much of the time.

The beginning of summer left little time for practice and tuning as the second week of June we hosted the 26th Hoosier Regatta. The 23 boats and crews participatin found the weather anything but ideal. The winds were light and fluky on Saturday and the rains came on Sunday. Gordon Ettie put on a ski show and Bruce Goldsmith gave a practical demonstration on how to beach a lightning in preparation for later sailing, thereby giving more time to volleyball—at 3:00 a.m. Bruce recovered sufficiently to take home another first place. The following weekend the Indiana Districts took place at Wawasee and Bob Carter of Indianapolis took first. Chuck Medlock of Wawasee qualified and later made the long trip to San Diego where he achieved a W.Y.C. first by qualifying for the Championship Fleet in the North Americans.

After the hectic June the yacht club settled down to the season's sailing, but with just about as much cooperation from the weather. The winds were

either high and gusty or nonexistent. Our July 4 series was a repeat of Memorial Day. George placed first with Chuck Medlock a close second and John Call rounded up third. By the middle of the season George had the lid on first place, but second and third place were hotly contested by Dick Boerger, John Call, and Chuck Medlock. The Labor Day series, which ended our racing season, saw a shift in that Dick Boerger finished first followed by George and Doug Schmahl. Poor Chuck had to go back to school and missed all the fun. For the season George Buckingham again retained his Championship (six straight) followed by John Call, who had a tough time going the "right" direction at the marks, and Dick Boerger who moved into third place. Our Commodore's Cup was won by Dick Galmeyer with Ray Gans second and Bob Troutman in third.

All in all it was a fun and eventful summer. Bruce and Gloria Baiden's daughter Julie married Andy VanDerPlaats Jr., and Jack Gibson married the former Ann Singer. Lee Witwer was named the outstanding yacht club woman and to top all things Bruce Baiden got his boat back from the repair shop in time to put it away for the winter. It even came equipped with a new "twisty" mast that we're all going to keep our eye on. We again thank our race committee of Paul Penn, Barb Medlock, and Lee Witwer who again gave so much of their time. We hope to see all of you at Lake Wawasee next year. Good luck and good sailing.

"BOOM. . . ALL CLEAR!" And so began the 25th point race of the season for Fleet 164 sailing on picturesque Cazenovia Lake. On the surface, what appeared a normal enough start actually belied the intense drama that characterized this 1980 Summer Series grand finale. For this one race would determine the order of the top three boats for the entire year. It is

fitting that a year filled with exciting competition should see the final event begin with the top two boats (Penfield and Helmer-Sinn) in a dead heat on total points, and the third (Tuttle) a mere 1½ points behind. "BOOM. . . 12587, OVER!" After several early lead changes, in typically shifty breezes, Dr. Jeff Penfield emerged with his sixth victory of the year and the overall Fleet Championship. Dick Tuttle managed to put one boat (Jim Hole playing the spoiler) between himself and Tadd Helmer to grab second place, silver by ½ point. Congratulations to Jeff and Kathy (who won it without a steady third crew) and to Dick, Pam and Leslie (it looks like Dick has found a pretty good third crew member.)

Thrills and excitement were not limited to the end of the year however. Cazenovia's shifting winds and surprise storms provided the settings that saw: Milt Rubenstein spend the first half of the season getting *Full Deck* in order without son Jeff aboard, and then finish the year strong with four seconds in his last five races as an indication of his 1981 plans; Tadd Helmer entertain his competitors with a unique version of the Flying Wallendas substituting mast for high-wire and lake for netting. His dive with spinnaker full was rated a very high degree of difficulty, and scored a near perfect "10" by all the judges. 1980 also saw Ron and Pam Kokot win their first race, only to find the salutary finish cannon not working. Ron accepted the pathetic whistle in place of the stately victory boom, but promised to come back next year to seek the proper first place reward. Ron credits a lot of his improved results to Ned Cabaniss, who taught him that battens have a fat and skinny end for a reason! Dave Bull, Fleet 164 Captain, proved early in the year that *BULLSHIP* sails much better with mast pointing up than down. Were it not for the hulk of Art Diefendorf standing by, Dave and crew might have made it all the way to Lake Meadows. . . Turtled! Jim Hole stole the show for 1980 by appearing under full sail (in full color) on the front page of Syracuse's Herald-Journal. The accompanying article "Cavorting on Cazenovia Lake" told of "eager sailors giving their all. . ." and how "such maneuvers are advised only for experienced sailors. . . with life preservers at hand. . ." Jim always could spin a good yarn!

Mid July saw Fleet 164 host the second leg of the Central New York District's Triple Crown—The L.S.L.S. Regatta. Sodus Bay's Jed Dodge barely nipped ex-Willow Bank Yacht Club sailor Jim Pindell (with Jeff Budrow aboard) in a hotly contested series, while Jeff Penfield grabbed fourth place silver (missing third by ¼ point). The first day of the event saw absolutely superb weather and prompted a real test of stamina, as the race committee strung four exciting races together. All participants agreed Fleet 164 and WBYC upheld their tradition by offering a super organized, professional and, most important, highly enjoyable regatta weekend, topped off by Saturday's Delmonico steak roast and disco entertainment. Many thanks to Art Diefendorf (Finn sailor extraordinaire) for a fine job as Race Committee Chairman.

Fleet 164 continued to be well represented in District Regattas this summer. Most notably, in the District Championship, where Jeff Penfield finished a strong third, followed by Dick Tuttle in seventh. Dick went off to San Diego, and qualified for the Championship Fleet at the North Americans. He said his biggest thrill yet in Lightning racing was during the qualifiers, looking back on the second spinnaker run to see three former World Champions behind him! In other events, the Helmer-Sinn combo was all set for a high finish in the Keuka Champagne Regatta's final race until Janet decided on a mid-race swim. She claims it was a sudden wind shift at the jibe mark, but one has to wonder given the nature of this traditional "bubbly" series.

The club's annual Labor Day festivities proved exciting with a good turnout of Lightning sailors for these season ending races. Caroline Penfield (with Kathy and Janet Barter aboard) won the Crewettes Trophy event, and Dick Tuttle prevailed in the Lightning Charter Member's Cup Race.

In the "Coming and Going" department, Fleet 164's size remained stable, but not without some personnel changes. Last year's Fleet Champion Dave Guinther moved on to new employment in New Jersey, leaving *K & T* behind. (Don Barter was quick to take ownership of this proven racing machine.) We wish Dave and Jane well, along with Norm and Dorothy Washburn, who've joined the growing list of ex-WBYC dingy sailors taking early retirement at a big boat mooring in Henderson Harbor. And lastly, Tom McAuliffe left us for the big boats in Boston's salty harbor. Meanwhile, Jeff Bassin became active in the meticulously cared for Washburn boat, and John and Sandy Tarrant joined us late in the year. These ex-Ensign racers from Boston will be trying their skills in a Lightning next Spring.

And now, as we look out over the ice covered lake and the occasional wind swept dot of a die-hard ice boater, Fleet 164 anxiously awaits the start of the 1981 sailing season with one objective. . . to make it an even more successful summer than our super 1980!

The problem of Helsinki Fleet is the low fleet activity. The active sailors travel around and get good results from major regattas while the unactive ones often seem to be totally forgotten. Attempts have been made to improve the activity in Helsinki but a lot more work has to be done. Well, from the bad points to the good points. Although there were no ranking regattas in Helsinki our sailors enjoyed many good races. Ahti Immonen began the season in January in Sicily. Some of us also visited Neuchatel in Switzerland. The best result from the Europeans was Ahti Immonen's 19th place.

Mike Aromaa with his brother Kimmo and Leena Laitinen from Tuusula participated in the Junior Worlds in Buffalo. In the Junior Regatta held in Tuusula there were two boats from Helsinki. We are looking forward to having new junior crews too.

In the Finnish Championships we had six boats from our fleet. The best result was the third place reached by Kari Maenpaa.

Our Fleet Championships were held in August with only four boats participating. Kari Maenpaa won the title of the Fleet Champion. Most of us ended the season in September in the Tuusula Autumn Regatta. During the winter officers for 1981 will be elected and we hope that we'll have better activity next year.

1980 was a good year for Lake Davenport Sailing Club. We had the best Polar Bear Regatta ever, with 12 local boats and 5 out-of-town boats. The out-of-towners were put up in the homes of the local sailors.

1980 also saw improvement in the sailing expertise of Henry Strieder and Reed Doughty. Chuck Nelson is threatening to become the next fleet champion with his new set of sails.

We're all looking forward to 1981 and hopefully to the addition of 2 or 3 new boats.

This season was different because we had the honor to organize the European Championship. Due to that we had a great activity compared with the last few years.

This Championship was a big success and the specialised and local newspaper gave changing comments but full of praise. Our fleet's members finished well because of the 29 crew engaged, 4 of them were in the top ten and even one with the title of European Champion. Our members traveled a lot during this season. They went in Marsala, Venise, Trasimeno.

As usual we have closed this season with our fleet Championship on the 25th and 26th October. On Friday we had a strong wind and snowy rain on the mountains around us, we got very anxious. But on Saturday the rain had almost gone and the wind was light and dizzy so we had the first race. Sunday was nice and sunny with a fine breeze, we had two races.

On the first race Schaer had a good start following by Monier, but at the end of the race Lambelet came from behind to put a bit of order and finished first. On the second race the Swiss Champion Schaer showed us his capacities. The third and the last one gave the occasion to the European Champion to finish first too.

Final Results:

1st and Fleet Champion Lambelet, 4,5 pts., 1, 2, 3; 2nd Monnier 6,1 pts., 2, 3, 2; 3rd DuPasquier 7,9 pts., 3, 5, 1; 4th Schaer 8 pts., 4, 1, 4; 5th Despland 14 pts., 5, 4, 5.

Corinne and Jean-Claude DuPasquier have had the pleasure to welcome their new crew Guillaume. We are giving them our best felicitations and wishes.

Fleet 175 had a good sailing year. The Annual Holiday in Dixie Regatta was a big success with the Lightnings having the largest fleet turn out. The racing is starting to get very competitive. We had as many as eight boats on the line for our local fleet regattas. There was a good turn out for our 4th of July Race and the party that followed.

We have a new member to welcome to the fleet, he is Mr. Al Otto.

Mike Kidda was elected the new Fleet Captain, and James Mills is Secretary for 1981.

In 1980, Fleet 178 scheduled its longest season series, ever. Forty-five qualifying races were scheduled for the Fleet Championship.

The season started with an unfortunate "bang", as the new kid in the fleet contracted a severe case of "bumper-boat." The fleet is thankful to Divine Providence that he has apparently been cured.

The Spring Series belonged to Atkinson in his new, self-rigged *Ifontlyda*. The Summer Series was a close-fought duel between Atkinson and Marinaccio, the 1979 champion, but Atkinson prevailed. Marinaccio took the Fall Series in a blitz, but it was just too little, too late to overcome Atkinson's earlier lead. Along the way, Frank Atkinson added "Queen of the Bay" honors by winning the Great South Bay Yacht Racing Association's all-comers handicap race on corrected time.

In the spring, the fleet planned, promoted, and carried-off two days of open-house to introduce new or prospective sailors to the Lightning, the fleet, and the club. We gained, thereby, a new boat owner, several crew members, and several new members for the club.

The annual lobster-party was a roaring success, and the club Commodore graced us with his traditional tribulation-marred arrival. Tom Tyler rescued the madding throng from a fate worse than something-or-other at the finish.

The 1980 sailing season started with our Spring series of four races scheduled to begin May 25th. The first two races were in stiff breezes, catching the early skippers a little stale from six months of winter lay-off. Skip Ragghianti upset in the first race, and Charlie Good broke his rudder. In the second race, Bob Lilly upset, and Dr. Good broke down. The next two races were rained out. John Schaffer unofficially won the two race series with two second places.

The Summer Championship had 22 races scheduled. Six of them were cancelled due to weather conditions. The sixteen races that were held in all types of wind conditions put the skippers through as many changes in their feelings. Just to mention a few incidents; there was the time Charlie Good had the lead by a mile and went the wrong way on an Olympic leg, but came back to win. Gary Titzel took the lead on the beats and reaches in one race, but gave it back on the spinnaker runs because he didn't fly his. Bob Lilly was late for a start at a critical time in the series. Sue Shaffer lead the first weather leg of the fun race until 9727 looked like the Titanic going down. Some of these happenings are what builds better sailors, good sportsmanship and friends.

The Labor Day Series consisted of four races loaded with thrills, spills and good times.

Our social activities began with a Spring dinner at the Conneaut Lake Hotel. In July, Mark & Carol Prather held a picnic at their Summer home on the lake's edge. The Labor Day picnic and award giving ceremony was held by Dr. Hanek and Charlie Brown.

This year a new Fleet Champion emerged in the overall series. Skip Ragghianti was awarded first place, Bob Lilly, second and Charlie Good, third.

We are expecting the 1981 season to be competitive and exciting as ever.

Light breezes, heavy competition on Conneaut Lake.

Some say great sailboat racers are born with a certain "touch", others say it is a totally learned skill whose results are due to hard work. Both on and off the race course, either way, John Collins has combined the best of both worlds. This past year, as well as those within recent memory, John swept to victory in every series fleet race he participated in. It's not like he has not had any competition either. Fleet 189 is tightening up its ranks. Old hands like Larry Fretts, Rick Humphrey, and Gerard Hausman are pushing John in every race. Gone are the days of the Collins "horizon-job."

The addition of Hale Walcoff to several of our series races made things even more interesting. Hale brings with him the experience and know-how of a top sailor in the Lightning Class. His ability to sail those heavy weather windward legs with tremendous success has driven the rest of the fleet towards improvement including our sailing guru himself, John Collins.

If fleet 189 was awarding a trophy for the "Most Improved", it would certainly go to Bernard Burke. Bernard took a second in this year's Marblehead Race week, with Collins taking first). Sailing like a man possessed, Bernard showed us all toward the end of the season what he could do given a few tips on sail trim, and a regular crew. He has served notice that he will no longer be sailing in the "second fleet" come Spring '81.

This year we hosted the New England District Championships. The entire fleet did an outstanding job of coordinating all aspects of the three-day event. Twenty-three entries from around New England enjoyed competitive sailing, sun, fair starting lines, and warm hospitality. At the end of the five race series Fleet 189 posted three out of five top finishers. Dave Curtis was first, John Collins, second, and Hale Walcoff finished fifth. To add to that great showing, Rick Humphrey finished tenth, and Larry Fretts managed to salvage a second in the last race after having missed two races due to business.

Half of the boats in Fleet 189 spent a great deal of time journeying to the many regattas held in New England. Newburyport hosted us at their State of Massachusetts Regatta in June, which was won by Dave Curtis with John Collins finishing in third place. Lake Champlain sponsored its regatta in mid-August, which was an experience that few of us will ever forget. Heavy winds were the highlight of the weekend resulting in capsizes, unavoidable collisions, and loss of rigging. September saw Collins and Fretts taking second and sixth respectively at Niantic's Governors Cup.

Cedar Point drew five eager competitors from the fleet with promises of an '81 North American preview. Dave Curtis placed second, with John Collins, taking eighth place in an extremely competitive flotilla of 62 boats.

As always we finished the season by celebrating with our friends at Spofford Lake (Oh yea, we brought out boats to race.) Dave Curtis continues to make his mark in the Lightning class by placing second in the North American Championships. The many victories he has posted in the short year in which he made his return to the class are too numerous to list. It is sufficient to say Dave is a top world class sailor and Marblehead is proud of him. Wouldn't it be just perfect if Dave trades in his Etchells 22 so that he and Collins could be on the same starting line each week.

In any event next year portends to be even better. Word has it that some 'hot names in New England racing may be joining us. People like Dick Hale, Georges Peter, C. H. Ritt, and Russ Cavanaugh could contribute to an already revitalized fleet. We can't wait!

Tom Clark and Fred Bennett relaxing in a race on the Susquehanna River.

The 1980 season started on a sad note as four former members were not able to return. We lost Bob Crowder to a C&C 29, Tom Webster to a Chrysler 22 and Victor Solomon & Tom Thompson to new jobs.

We decided at our winter meeting to change the format for our club races in order to accommodate the various schedule conflicts. We sailed all of our club events, except the Club Championship, for points toward a Season Series. The 16 race series was won by Tom Clark.

Our annual regatta was a success, with the weather cooperating beautifully on Saturday. Sunday was a day to sharpen your heavy weather skills as the average wind was above 25 with measured gusts just over 45 miles per hour. Bob Wardwell of Fleet 253 showed us all the short way home.

The Fleet Championship was won by Fred Eng who exhibited some fine sailing, winning all the races, which included coming from dead last after one lap to win one of them.

Next year we plan a less ambitious local schedule in hopes of increasing participation.

A fleet report this year is not really necessary, because you already know what we were doing in 1980. We were preparing to host the North Americans, then hosting them in August, and, finally, recovering from hosting them. From the reactions we got during the North Americans, and since then by letter and phone, the event went off successfully. We not only have new champions, but many additional people now appreciative of the southern California life style. It was a pleasure to have you out here. We deeply appreciate the help we got from MBYC, its other fleets and members, as well as other California Lightning fleets. The details of all the racing are set out in articles elsewhere in this yearbook. At least this time we had some pretty nice racing conditions in the ocean — not like the windless wonders of 1961 and 1964.

Warren Gross won the Knauer Trophy as the outstanding Lightning skipper in 1980 in regattas. He last won it in 1976. He got off to a good start early in the season by winning the very windy (up to 30-40) SCYA Midwinters and also coming in 3rd overall in the week long Southern California Circuit, which was won by Jay Lutz.

Dick Brewer pulled a surprise by winning his first major regatta ever — our District Championship. Charlie Gotschalk won the Billie Boswell Memorial Regatta at Lake Cachuma (some drifting in this one). Al Poindexter came on strong at the end of the season to win the Bowen Memorial and Hurricane Gulch regattas, each with 3 straight firsts! Al ranks second to Gross in the trophy standings, topping Fleet Captain Kirk Johnson by one point.

In our many Club races, which go on from January through November, there was a great duel all year between Poindexter and Johnson. As of this writing, the result, as the media say, is too close to call. Poindexter is leading 186½ to Johnson's 172, but there is still one series of 3 races left (appropriately named "The Last Chance Regatta"), and there is a mathematical chance that Johnson might pull it out. Tune in next year, folks, for

the results.

We have elected Charlie Gotschalk as next year's Fleet Captain, Sam Anderson as secretary, with Fred Knauer continuing to hold the money bags and to write all our articles.

If any of you are free, plan to join us during the week before Easter for the Southern California Circuit. It starts on Palm Sunday at King Harbor Yacht Club in Redondo Beach, and moves on from there. Satisfaction guaranteed.

Temme, Warren & Hunton, practicing starts.

If anything can be said of the 1980 racing season at the Surf City Yacht Club, the one sure fact is that the weather was truly amazing. Although the prevailing southeasterlies were noticeably absent for most of the summer, there was not one weekend raindrop for the entire season. A new format of more races on shorter courses allowed us to schedule 44 races, of which only four were cancelled due to heavy air.

Our fleet's road show was not quite as active as in recent years, but some good performances resulted nonetheless. Jack Elfman opened the season on a good note by taking second place at the Cedar Point Early Bird with his "new" vintage Lippincott #10599. Surf City sailors also fared well at the New Jersey State Championship with Ralph Messersmith, second, and

Steve Warren, sixth. Steve was the only fleet sailor to travel to San Diego for the North Americans, where he participated as a crew for Jim Swartz of the Monmouth Boat Club.

Fleet 196 hosted a new event this year as the Manahawkin Bay Cup was sailed in delightful weather at the end of September. The Regatta drew a small but very talented fleet with Jay Lutz winning followed by Paul Gelenitis and Mark Beaton. We hope to run this event each year in September.

The Surf City Yacht Club Annual Regatta in early September was won by Tim Robinson, one of our own young skippers who has a very bright future ahead. Tim also placed second in this year's Junior Districts.

The Lightning and Comet sailors got out of the water long enough to put together a County Music and Beer Bash on the weekend of the Mariner Class North Americans which was hosted by Surf City. Regarded by many as the season's best party, we are considering attempting more of this in the future.

Locally, Jack Elfman repeated as the Fleet Champion for the umpteenth time by a nose over Fran Temme. The Most Improved Skipper Award went to Ellen Cox, a good young sailor under the tutelage of George Schmidt, our resident sailmaker and rip-repairer.

Our fleet wishes to thank all those who helped run our races this year, especially Patti Elfman, Debbie Hunton and Peter Clifford who bailed us out on numerous occasions.

We would like to wish everyone a prosperous winter and we'll see you again when the first white shape goes up in the spring.

Summer 1980 brought gorgeous weather to Chautauqua Lake, home of Fleet 198. Our commuters from Buffalo, Cleveland, Pittsburgh, and Hartford make the trek to the lake to match wits with the locals over the usual 5-9 mile long courses. The social events were not neglected; the fleet tested the capacity of the Digel and Ingram front porches on several occasions.

Some changes were made. Jon Oram returned from two years of exile in the Michigan District with the Bat-boat. The Park brothers attempted to disguise #10893, which had obliterated the previous Bargar boat, with new blue gelcoat, spars, and sails, fooling nobody. Commodore Dave Bargar got a new boat.

The Fleet Championship was decided in the July or Sample Trophy Series of 9 races with 2 throwouts. Jim Neville dominated this with wins in every race sailed, so the action centered on runner-up honors. Dave Hill, a Sample grandson, sailed consistently well to take second, nosing out Jono Oram, third. Bargar followed in fourth place.

Ignoring history, we staged the annual folly of a morning race on July 4th. The usual lack of air caused abandonment on the very first leg with the leaders drifting through the C-Scows, exchanging pleasantries. Maybe we can save the medals for next year.

The fleet sent five boats to the Districts at the Buffalo Canoe Club, where Neville came in second to a hot Larry MacDonald. Jim, his sister Cherie, and Doug Heussler represented us at San Diego; their achievements are

celebrated on other pages. We're proud of them.

The 10-race, 2-throwout August Series provided the closest racing of all. Dave Hill started fast, challenged strongly by Kevin Dietly, John Wallace, and Oram. Hill was consistent, and Oram uncharacteristically fast in light air. Dietly almost always went the right way on the first beat, and after six races looked golden with three bullets. Then he promptly tanked a pair of long races won by Oram. Finally, the varsity returned from the West Coast, Bargar got hot with new rags, and Ingram notched a victory thoroughly to shake up the standings. The leaders wound up discarding the last two races and Oram took the series by a point over Hill with Dietly third.

The Labor Day Series trophies were also sent to Box 22, Prendergast Point, as Neville defeated the money-green, Bargar boat and the algae-green, Ingram craft. We closed the season with the best party of all, celebrating the marriage of Debbie Turney and Marty Digel. Summer, hurry back!

Fleet 198 Skippers relaxing in the clubhouse. From left: Doug Bargar, John Turney, Mary Bailey, Jeff Digel, Jono Oram, Dave Hill (rear), Chris Grant, Marty Digel (rear), Dave Ingram, Chuck Ferguson, and Kevin Dietly. Next year we show the crews.

After 31 years of competitive racing, we again accomplished another great year at Atwood. It seems that the great Nelson Caley and able crew of Polly and Dean took a lot of the top honors. They were the Lightning Club Champions as well as first in the Spring Series, fourth in the Summer Series, first in the Fall Series and first in the Commodore's Series. Dean was also first in the Crew Race.

The runner-up in the championship series was Dennis Kleidon and able crew Rose Kleidon who also obtained third in the Spring Series, second in the Summer Series, second in the Fall Series and fourth in the Commodore's Series. One of our newer racing skippers, Mike Partridge, with his Mother and two young crew members, ended up third in the Championship with a sixth in the Summer Series and a fourth in the Fall Series. His young son Scott ended up second in the Crew Race.

Our old faithful Joe Streb with his son Jack and son-in-law Dick Stayer finished as follows: Joe second for the Spring Series and second in the Commodore's Series. Jack was first for the Summer Series and Dick was third for the Fall Series.

One of our long time members of the fleet, with a brand new boat, Carl Hummer started out the Summer Series with a third place, a fifth in the Fall Series and a fourth in the Championship.

The Karl Rollius Memorial Trophy for the boat with the most participation during the year went to Nelson "racing machine."

So ends a very good year for our Fleet, with the anticipation of another one; we only hope that the winter is short and we are back on the course again. Our newly elected Fleet Captain and Secretary are Carl and Evelyn Hummer.

This year's Harvest Moon Regatta on September 6th and 7th was a tremendous success with Jack Mueller from Cleveland Yachting Club first. Bill Buckles from Cleveland Yachting Club was second. Carl Clipp from Leatherlips was third. We had 119 boats in total which included six classes. Hope you all can attend next year.

The 1980 sailing season was the best we have had in years. While the number of boats participating ran at only six for most of our races, on the other hand, the number rarely fell below four on any occasion and the competition was extremely keen. The interest and dedication of the Lightning Fleet clearly attracted attention around our Club this year and we are working hard towards involving some of the other dinghy sailors whose fleets are no longer active. In addition, there are a good number of sailors who for one reason or another have graduated up to the cruising class

boats, but miss the competition atmosphere that exists in our group. Consequently, we hope that next season we will be adding a number of experienced competitive sailors to our fleet.

Competition for the Club Championship went right down to the wire with George Layton and Russel Scrim battling it out to the last race of the season. Russel Scrim was the ultimate winner and went on to the Club's Championship competition where he placed second. All in all, very good racing and tremendous fellowship.

Right to left: Fleet Champion Joe Dissette with stalwart crew Jeff Worden and Scott Ioset.

Because of our improved facilities and our club objective of maintaining a competitive and challenging spirit for all our Lightning sailors, we enjoyed an excellent turn out of enthusiastic sailors for each of our Wednesday Night Championship and Sunday Races. We also had a tremendous amount of cooperation with the weatherman, as only one of our 16 scheduled Wednesday Night races were cancelled due to unfavorable weather conditions.

We experienced some bad news as well as some good news. First the bad.

Bill Boice, last year's Fleet Captain and Runner-up, was transferred out of the area and therefore was unable to sail with us this year. Bill's efforts in the past were one of the reasons why we are a successful club today. For the good news, Joe Disette has recovered from an off season injury of two years ago and sailed in 100% of this year's races. However, this was not good news for Joe's competition. Joe used his sailing ability and experience to fight off some tough competition and capture first place honors for both our Wednesday Night Championship and Sunday Afternoon Series.

Jim Schofield repainted his *Schuss Boomer* and improved last year's performance by finishing second in the Wednesday Night and Sunday series. Jim was unanimously voted in as Bill's replacement as our Fleet Captain. Lee Klopfenstein dropped from first last year to third this year. Lee is anxiously awaiting for next year to begin so he can recapture his title. Tom McNish who stands six feet four inches tall and weighs in at about 220 pounds, took advantage of the strong prevailing winds that were present for the majority of the races and placed fourth for the Wednesday Night races and third overall for the Sunday Afternoon Races. Rounding off the top five positions is Jim McCluskey. This is Jim's first year in sailing on the Saginaw Bay and a fifth place finish is not a bad way to start out.

A total of 24 trophies were presented to the skippers and their crew for the top five finishers for our Wednesday Night Championship Series and the top three finishers for our Sunday Afternoon Series. The trophies were presented at our annual family picnic.

The Bay City Yacht Club co-hosted the 1980 Michigan District with the Pontiac Yacht Club. A total of 46 Lightnings participated in this four day event. The largest number of boats competing in the Michigan District in recent history. Hank Hodgins from Union Lake captured first place honors. From our fleet, Joe Disette won the preliminary race and was two points out of second going into the last race. Joe did not do as well as he would like to have done in the last race, but still finished a respectable fifth overall. Jim Schofield did quite well in several of the races, finishing in the top one-third.

There were some new faces added to our roster this year. They were Gary Harvey, Jim Roberge and Jim McCluskey. Next year we have some new faces planning on sailing with us. They are George Ascherl, Tom and Cathy Caterino, Gordon Lee, Bruce and Leslie Vickey, Bruce and Sue Shook and Neil Horning. An addition of nine active sailors in two years. DON'T YOU JUST LOVE IT. Welcome aboard and lots of luck next year.

If you enjoyed the facilities and sailing conditions of the 1980 Michigan District or missed the district but enjoy open water sailing plan on attending our 1981 Invitational Regatta. Hope to see you there.

1980 a great sailing year — two in a row!

Under the direction of our 1980 Fleet Captain, Rick Stevens, the Fleet sailed through a highly successful season, beginning with, of all things, a spring organizational meeting. The first race was the Appleblossom, with Rick Stevens winning over Frank Beadel. Four boats sailed in EBC, hosted by Henderson Harbor Yacht Club: Rick Stevens, first; Frank Beadel, second; Irwin Stone, third. The H.H.Y.C. — Thousand Islands trophy was put back into service and reinscribed for use in the Commodore's Cup, with the following results: Rick Stevens, first; Charles Stone, second; Irwin Stone, third.

The Sunday Series was sailed all year long in delightful weather. Planned for each Sunday's race were two races, and, amazingly, none were rained, blown, or drifted out. With the best 8 races counting out of a possible 16, there were plenty of throw-outs. Participation was excellent, with as many as 12 boats getting involved through the course of the year. The oldest — but prettiest — hull in the fleet won again: Rick Stevens, first; Frank Beadel, second; Len Montague, third; Irwin Stone, fourth; Phil Hoffman, fifth.

The above top five finishers qualified for the Skipper Series, with John Condino filling in for Beadel, and Charles Stone sailing for Hoffman. The weather accommodated nicely as the five skippers and crews sailed five races in five different boats. And, continuing his winning ways, taking four out of five firsts, was once again — Rick Stevens. The remaining finishes were: Leonard Montague, second; Charles Stone, third; Irwin Stone, fourth; John Condino, fifth.

The fleet was very appreciative to Helen Jewell for donating a fine new trophy on behalf of her brother, John Barnes, to be used for the Stoney Island Race. The first winner of the John Barnes Plaque was Rick Stevens, followed by Irwin Stone in the second, and Claudia Maurer third. The final race was sailed in late September, the Frostbite. Five boats races, and it was one gorgeous day. And again: Rick Stevens, first; Frank Beadel, second; and Len Montague, third.

Odds 'n Ends: Didn't see too much of Dick Grissinger, too busy working on his apartment; same for the Finnertys, busy playing lacross; Harry McMillan sailed 3 Sundays this year; *Blitzen* has been sold again, and just might be back in the fleet, (pursued by a mysterious periscope!) Phil Hoffman certainly showed vast improvement this year — wish Lenny would. And how about Irwin's flashing start during the Commodore's Cup! What did Wardy say? Did you see what Claudia did — those Maurers really *can* sail. Rick mothballed *Zig-Zagger* and bought *Blue Northern* (10705); Dick Ciliberti certainly hasn't forgotten how to take a boat to weather; and would you believe John Northrop is a Father! And a welcome also to Allison Booth Stevens. Finally, and correct me if I'm wrong, but its never been done in my memory, and that is no one has ever won everything in one year....but in 1980, Rick Stevens and his professional crew of John and Sara Treadwell, took it all.

Chris Young Memorial Award Winners: Freddy Hutchinson; Mike Pearl; Reed Hutchinson; (Not shown; John Rinehart).

Winter days on Biscayne Bay;
It's what we all have chosen.
For many may get downright cold
But none of us are frozen.

We know how lucky we are to have Biscayne Bay as our year-round playground — While many of our friends in the northern provinces are dragging out the mothballs, we're kicking off the start of a new season. Marked by the Coconut Grove Sailing Club's Annual Regatta, a prestigious event to begin with, the Lightning Class opener is the most fiercely contested. The "Psyche Jobs" develop weeks before the actual confrontation. A special tribute to a young Lightning sailor, no longer among us and sorely missed, the *Chris Young Memorial Award* is presented to the top Lightning sailors at this regatta. Awarded the first time in 1979 to our Current Fleet Champion, "Fast" Frank Atkinson, this coveted prize has found a home this year with the "C. D. Bunche", a group of Chris's closest friends and fellow sailors. Skippers Mike "Hot Dog" Pearl, "Faster Freddy" Hutchinson and "Speed" Reid Hutchinson along with crew John Rinehart suffered the fleet to watch their stern all weekend as they each chalked up a first place on Saturday, October 4. A first and a third on Sunday was plenty good enough. "Fast Frank", wit "Florida Fay" Regan and "Iron Man" McGonagle aboard was runner up with 11½ points and "Kamikazi Kathi", sailing with Knute "The Pup" Young and Magnus Liljedahl was hot on his heels with 12 points for third.

Guiding our fleet the 1980 season, "Florida Fay" and Alan Westcott, Fleet Secretary and Fleet Captain, welcomed several new members including Reid Hutchinson, Fred Deutsch and his #12050, *Mr. Toad's Wild Ride*, Clint Hamilton and his #10886, *Erehwon* and Rick Pellicchia, owner of #12035. With the large number of young sailors, soon to be growing out of their prams and Lasers, we expect even more growth this year.

A lot of our boats have been traveling this year. "Tex" Pinion, Jon

Wodka, Clint Hamilton, Alan Westcott, Mike Pearl and Frank Atkinson all have represented the fleet in other areas including Ft. Meyers, Sarasota, Jacksonville, Orlando, Annapolis and even San Diego, where Jim Pinion, sailing with Eric "Meatball" Stibitz and Randy "Skillet" Clee represented us in the Blue flight. We encourage skippers to participate in as many out of town regattas as possible and we are proud of those who make the extra effort.

In April, the Coconut Grove Sailing Club hosted the 1980 District Championships, and the conditions prevailing — next to nothing to 25 knots of air — proved to be a challenge to the most experienced of the sailors at every turn. Once the dust had settled, Jim Pinion and his hot *Jalapeno* had emerged victorious. Palm Beach sailors, Jack Swenson, Ken Watrous and Steve Martyack ended up with second place and Frank Atkinson, with Fay Regan and Terry Frimmet aboard sailed consistent races to third.

As far as our "Social Season" is concerned, the party seems an endless one, whether it's after a race or anytime there are 2 or more of us in the clubhouse. However, there are a couple of highlights...The annual Christmas awards party in December is one jewel in the crown of our party schedule with a sumptuous holiday buffet, chinese auction, and of course the prizes. Special awards such as the "Golden Bucket", "Silver Sponge" and "Bronze Bottle", though not exactly coveted, are awarded nonetheless to the most deserving.

Our now famous "Down Home in the Tropics" Midwinter bash and barbecue, held annually for the Miami leg of the Southern Circuit, was an incredible success this year, and is THE PARTY not to be missed: Steaks and fixin's, beer and wine and a whole lot of warm, happy sailors. You're ALL invited in 1981 so come on down!

Raymond Harrington, Jr., ably won the 1980 Fleet Championship; he also won firsts in the three major series—Memorial Day, Stowell (July 4th) and Bellerose (Labor Day) Series. Second overall for the season was Jim Leamy; third, Dave Stagg. Newcomer Bruce Beldon was fourth. Bill Potter captured the award for best performance by a wooden boat.

The Vermont-New Hampshire Championship was hosted by Bill and Jean Potter. Saturday the keg 'o beer and steaks helped ease the frustration with the lack of winds. The 21 boat fleet raced Sunday. Don Brush of Lake Champlain Fleet 301 won the event.

This year the fleet welcomed newcomers Fred Bagley and Trip Westcott.

We thank all our Lightning friends for a good season of sailing. We look forward to an even more challenging 1981 season with Bruce Belden as fleet captain.

At the top of this report is Steve Perkel's reward for two years as a very hard working Fleet Captain: the Fleet Runner-up. In his effort to set a good example for everybody else, Steve was on the line for so many races in our long May to October season that he compiled the best score for the full year, even though he didn't win any individual series. He has also been a good-natured, generous leader and a fine friend to all the members of Fleet 228.

Our season really started last winter at a fleet party and planning session at Steve's house. Once the weather broke, we started our Spring Series, eventually won by Djoerd Hoekstra. Allen Crew was the victor in a Wednesday Night Series and Tom Donlan won the Fall Series. What, you may ask, happened to summer? Well, there was this storm, see?...In the middle of June, a violent thunderstorm ripped through Philadelphia and the Delaware Valley. At Riverton, several boats were blown off their trailers, including five Lightnings. Some, including two Lightnings, were blown right off the club pier into the water! It was a major disaster for the fleet. Thankfully, there was no permanent damage done beyond the loss of a few masts, but getting everything repaired put a damper on summer racing, which normally is our slow, vacation-filled period anyway.

Our fleet returned to the lists in the fall in time to host our annual Fall Regatta. John Parker of Ocean City came to conquer, especially in the third race to break a three-way tie for the lead. Tom Donlan was second for the regatta and Hugh Hutchinson was third. John's victory also gave him the Gamma Trophy, awarded this year for the best combined score in the Riverton Regatta and the Red Dragon Canoe Club regatta two weeks earlier. For John, the victory was especially sweet, for he and his wife Carol had crewed for Bill Clausen during Bill's three Gamma Trophy wins. Bill, unfortunately, had to pass up the Riverton regatta because of a conflict with his work. We hope to see him, and our other sailing friends at our fall regatta and our Governor's Cup Regatta in June next year. It would give us a chance to repay the hospitality many of them have shown us when we visited their regattas.

This year, we want to thank Red Bank, Cedar Point, Niantic, Nyack, Ocean City, Metedeconk, Brant Beach, Susquehanna, Annapolis and all Lightning sailors everywhere.

In spring I got the job of the fleet chief from Christoph Luthy. I would thank him for the work he did.

The sailing season 80 is now over and I will shortly summarize the past year, without mentioning the results of the competitions.

For some members the sailing season began already in winter in Marsala. Two crews (Taschler/Bossard) found the way to Sicily and passed there unforgettable days. It was very windy and unusually cold. Because it was too windy there were only two competitions. The results (7th and 10th) were quite good for sailors who aren't very familiar with the sea.

Also at the beginning of the year we met in Engelberg (Jochpass) for skiing. About 10 members enjoyed the snow and the very good food. It was the spring competition that gave the famous Luthy-Bell again back to family Luthy. Very good Christoph. After the struggles of the water we went skittling for the whole evening.

The Swiss-Championship which was this year on our lake, was a real success. We couldn't profit from our home advantage, the winner was the young crew from Urs Schaer. We congratulate Heidi and Bruno looked for our good health. Also I would thank Gret and Ruedi Herzog for the "Gulasch-soup" served in the Clubhaus of the sailing club Hallwil.

The greatest event was the European Championship on the lake of Neuenburg. The representatives of our fleets (Herzog, Merz, Luthy jun.) proved that they can also sail with much wind and waves.

The night-competition was ending with a thunderstorm and a hard wind (5) which caused some problems. Luthy jun., Herzog, Luthy sen. Merz, Schmid were at the start. The break off was also for the indefatigable seniors Luthy and Herzog.

As a whole our fleet organized quite a lot this year. Unfortunately the number of the members starting in competitions became smaller. Edgar Merz sold his *White Star* and we lost a very active boat. But we hope to see the family Merz from time to time as crew on a Lightning.

I would thank all the fleet members for the very good friendship, and I wish you a good, enjoyable and windy sailing season 1981.

May though September is just not a long enough sailing season. It is all we have though. Quality must surely be our substitute for quantity and 1980 was no exception. The sailing was great!

In May the leaves come out on the trees and the Lightnings come out of the barns, garages, and Fairground sheds. Then a short trail to the Yacht Club on Keuka's West shore. Another season is about to begin.

The trailer is parked and now a wistful gaze over the water. Memories flood together with anticipation of the new season. It is all we have though. Quality must surely be our substitute for quantity and 1980 was no exception. The sailing was great!

In May the leaves come out on the trees and the Lightnings come out of the barns, garages, and Fairground sheds. Then a short trail to the Yacht Club on Keuka's West shore. Another season is about to begin.

The trailer is parked and now a wistful gaze over the water. Memories flood together with anticipation of the new season. There is the bluff splitting the lake into its two upper legs. It catches the eye, but, also the wind. When was the last time you sailed 360 ° close hauled under full sail? Speculating, will the Bluff's winds provide an edge or cost a finishing place during the upcoming season.

Glancing left and then right you check the North and South legs of the Lake unchanged since glacial times one is continually discovering something different about the shoreline. During virtually every race the debate rages in your head: to go inshore, or to stay out in the middle? Come on Sunday! Can't wait to make the choice!

Back on shore it's time to step the mast, check the shrouds, a little tighter on the port side. That sure doesn't look the same as the mast rake last year. Well, a 15 minute launching takes two hours, but finally we're away into a new season.

1980 was abnormally normal. No turtles or even a good swamping. We greeted the new season with a dinner at the Yacht Club. The program about the Southern Circuit was of special interest because two of our own fleet competed; The Leisers and the Dunathans.

1980 marks the inauguration of the George Kalinich Memorial Trophy. George had been a valued member of our Fleet for many years. Fred Schaaf has the honor of being the first on the Trophy for his season win. It was a tight race with Schaaf's *Jennie* edging out Eckstrom's *Scudder* by only 1 1/4 points.

Scudder swept to victories in the Memorial Day, June, and July 4th Series. *Seven-Eleven* captured the Labor Day Trophy and *Katy-D* ended the year with sufficient wins to take home the September Series.

1980 was another year of growth for Fleet 257 thanks to the enthusiasm of all Lightning sailors led by Fleet Captain William Jackson. We have grown from three boats in 1977 to our present 12 with another three anticipated by the spring. The sight of all those Lightnings on the water with spinnakers flying has attracted other sailors, young and old, to our class.

The racing season began with Gil Klemann and William Jackson taking crews to the Savannah races of the Southern Circuit. Hosting the ASC Lightning Regatta in April got the rest of our fleet out on the water. The winds of Clark's Hill were good to us this year. Ted Kelker and Gil Klemann led the fleet around the course for the majority of the weekend races. The Fleet Championship series was won by Gil Klemann followed by William Jackson, Bruce Saunders, Tom Nosek, Bennie Moultrie, Graeme Addie, and Dick Baxter. We look forward to another active year of racing in 1981, which will include our hosting of the District Championships.

The 1980 season was once again very competitive with the Fleet Champion determined by the last race of the season. This Fleet has consistently close finishes and congratulations go to Jack Caldwell and his Race Committee for keeping us straight, and the races running smoothly.

The 1980 Annual Bluenose Regatta on November 1-2 attracted 34 boats from as far away as Michigan and New Jersey. The winning skipper, David Pritchard, was from Newport Beach, California. Five races were sailed with 17 different skippers finishing at least fifth in one or more races. The top five places were taken by: David Pritchard; Don Sherburne; Bruce Goldsmith; Hank Hodgson, and Greg Florian in that order.

Editor's Note: The hospitality was fantastic also.

Mother Nature was good to the sailors at Lake Carlyle Illinois this year. The harbor was opened in early May with no flooding to contend with. The Spring Series winner was Lal Burrige followed by John Folwell and Glenn Hegel, they making the best use of the good wind that prevailed.

June brought the Mississippi Valley Districts to the lake. The weekend was opened by Fleet 266 hospitality, delicious bratwurst and cold beer to welcome the other sailors from the District to Carlyle Sailing Association. On Saturday the weather was perfect for sailing, which also proved to be an exhausting day with four competitive races for the 18 boats. After the banquet and business meeting Saturday evening, the sailors separated into smaller groups to contemplate on the days races and to prepare for those on Sunday. Other groups went out seeking the night life of Carlyle and the surrounding communities. For Sunday, whoever was in charge of the wind must have placed a double order. The wind was strong and had gusts to about 30 knots. Several of the boats competing elected not to sail in the last race and used it as a "throw out" rather than try equipment and crew in such weather. When the points were totaled Carlyle's super sailor Matt Burrige was awarded first, followed by Decatur's Greg Florian, Memphis' Brad Currie, Decatur's Todd Sternaman, and Carlyle's Mitch Bohnenkamp.

The summer doldrums never seemed to happen. Although there were some very hot and humid days a breeze seemed always to be present. The honors for the Summer Series went to Lal Burrige with Don Zerban and John Folwell following.

In July the fleet participated in a "moon light sail" which ironically started at noon with an estimated time race. Each skipper would estimate the time it would take to sail to an island several miles up the lake. The boat which arrived closest to the time stated without the aid of a watch would win the race. At the island there was plenty of cold beer and soda waiting all participants.

August meant the North Americans. This year it was a long trip to San Diego for District Champion Matt Burrige, his father Lal and David Jones. But the trip was worth it. Matt finished 8th in the North American Championships with the good, consistent sailing which makes him hard to beat no matter what water he is on. Fleet 266 congratulates both Matt and crew for a job well done.

Fleet 266's next event was the annual Impromptu Regatta, held Labor Day weekend. Fleet 74 from Decatur sent worthy representatives to the races who not only added to the good times of the occasion, but they took away all the trophies.

The Whale of a Sail Regatta followed the Impromptu in just two weeks. This is a multi class regatta which draws several hundred boats of many different types. John Bohnenkamp and Denny Heisler tied for first place in the event.

As fall closed in both the racing sailors and day sailors enjoyed their boats on what is often considered one of the best inland sailing lakes in the country, Carlyle Lake. Lal Burrige took the first place honors for the Fall Series with John Folwell and young Scott Zerban following.

Our Championship Series is the second race on Sunday all season long, whereas the Spring, Summer and Fall Series are the first race on Sunday during the appropriate periods. This year our Fleet Champion was Matt Burrige. John Folwell was second, and Don Zerban was third.

While we never reached our potential number of boats at the starting line in 1980, Fleet 267 did enjoy what was probably the keenest competition in its history. The lead changed hands several times in most of the races, and often as late as the last half mile. Ray Nelson started off in the back end of the fleet in the first three races, but improved enough as the season progressed to win the Fleet Championship. The winner was anybody's guess until mid-August. Al Waugh found the Club's long distance races for the Gordon Cup particularly to his liking, winning that series with a convincing first place on Labor Day.

Our 1980 season started with our annual awards party in January hosted by Bill Higgins and family. In March as the snow began to melt, Bruce Goldsmith gave a seminar on tactics by taking us mentally around the race course. In April an on the water tune up session was held by Bob Carter and Dave Brown. In May we hosted the Indiana Open which is the first leg of the Northern Spring Circuit. As in the past the Open drew many top sailors, including Larry MacDonald, Jay and Jody Lutz, Jack Mueller, Bruce Goldsmith and Mark Bryant. This year's Open was conducted by Ken McGinity and Bob Martin.

1980 saw the loss of several good sailors due to job transfers, but also a larger gain of new members with competitive boats and lots of determination. New shipper Don Wilson did so well he was given the traditional

dunking after his first win.

Not all of Fleet 270's time was spent racing. The social calendar included monthly after-the-race picnics held by Fleet Captain Bob Kinsey, a hayride by our song leader Bill Higgins, and a "Lemans" party by Hank and Sandy Levandowski which was part foot race, part sailing, and some cheating.

Congratulations to Bob Carter and Dave and David Brown on the Fleet Championship, a team that is hard to beat regardless of which one is skippering.

The Keystone Fleet of the Mississippi Valley District had a great year for growth. We are definitely with the E.R.S.er's with that great San Diego T.V. personality and Lightning skipper — Susan Simms bought Lightning 9230. That started us for the year! Then Bill Butler, this years national advertising executive for the Lightning Class, with his four man syndicate bought #10977. Then Susan and Dan Daniels bought 10049. Then Max Shelton bought a new preowned #12397 so we all have to see Max's transom much too often. Then Mike Hicks upped and bought #10619. Then Tom V. Barber son of a Lightning owner bought a new boat. Then Jim Adkins bought #6604. Then Dave Wark bought #13555. Then Brad Currie talked his father out of his #11999 for the N.A.'s. So that's why I'm now sailing, new to me, a "beautiful" purple #11900 which I'm sure no one will try to buy. All of our fleets egos took a bruising when those Texas guys sent a young (too young to drive)! up here in May to the annual Tennessee-Texas shoot out. And we "let" John McGowan clean our plow! But come back young fella, you're very welcome. All in all a great year, plenty water and wind and Lightning's. The last, the most important! You Lightning fellows come see us. We race 4 races every weekend, March through October.

Activities for Fleet 279 started while the snow was still thick on the ground with Thursday evening coffee-potters at the club. The garage was fixed up by Don Ellard and the boys and no matter what the temperature outside, we could work on our boats inside.

The first event of the season, the Kam River Slush Cup, nearly lived up to its name as the day was cold, wet and miserable. However, five intrepid crews, albeit well fortified, braved the elements and any stray ice flows, only to find that it wasn't that bad after all; maybe fun. Porter Bailey looked like he had things wrapped up, but got a little over enthusiastic the last race and so let brother Ross claim the hardware—an old galvanized bucket filled with ice and a bottle of your favourite refreshment.

Getting into the major summer races, Jim Cameron, with a variety of crews, was showing us all his transom and won the Early Bird Regatta, the Minaki Trophy for the first half of the Districts, the Crystal Trophy, a long distance race around beautiful Caribou Island, the Loon Lake Open, and the Hargan Trophy for the season's first half. We have many names for Jim, which probably shouldn't be mentioned here, but one thing is certain and that is, he's fast.

As the summer progressed, we welcomed some new talent to the fleet, namely Bill Kruse, Ken Boyes, and Jim Mikulinski, who should all prove to be keen sailors and competitors. There is good interest in Lightnings locally, and we welcome these new boats and anticipate more newcomers next year.

Jack Arnold has been concentrating more on cruising his Lightning the last year or so, but won the 25 mile Temple Reef Trophy race to Amethyst Harbour to show us how it is done. The whole race was a beat against strong, blustery east winds and quite a test of seamanship.

Meanwhile, Ross Bailey, now with a new boat, was starting to get organized and managed to win the Prettie Trophy for the second half of the Districts, and with it, the overall Districts, the Frostbite windup regatta and the Paterson Trophy for the season's high points.

Three crews, Jim Cameron, Porter Bailey and Ross Bailey travelled to Vancouver for the Canadian Opens and all did quite well, reflecting the rising caliber of our local sailors. Ross Bailey and crew also travelled onto San Diego for the North Americans and came home the winners of the President's Cup!

The 1981 Canadian Summer Games will be held in Thunder Bay, with Lightnings and Lasers being the boats used for the sailing. The whole fleet is quite excited about this event and are looking forward to an excellent season in general.

From little Lightning sailors, big Lightning sailors grow—History: Temple Reef Lightning Fleet picnic on Lambert Island during the '50's."

After giving up their Fleet Championship to Stuart Nickerson in 1979, this year Anne and Tim Dickey came back to win not only the Championship, but all other major series, July and August included.

The Dickeyes were as difficult to beat as they have been for the last few years, sailing particularly well in July, but other crews did have their moments. Stuart Nickerson, back on the circuit in a new boat, which seemed to fly despite soggy foam, won the Coffee Cup, the Frazier Trophy, and many additional races, but could not compete enough to qualify for the longer series. David Jones' series performance was interrupted by his trip to San Diego to crew for Matt Burrridge in the North Americans, (where they finished eighth in the Blue Fleet), but when at Wellfleet he was formidable, winning both the Fox and Cutting Cups. Bill Webb, in and out much of the season, had one good weekend, taking the Tea Cup. Other skippers also had their days: Stafford Frazier as usual; Jon Ruykhaver; Curt Felix; and Peter Schifffenhaus among others. Four or five boats trailed to Cedar Point in the fall. Interest seems high and the Fleet promises to grow.

Wellfleet is known for its winds, but the Wellfleet Regatta in 1980 was almost wiped out by too much of this good thing. Only one race could be sailed, far down the bay on Sunday. Kurt Kling won, with his brother-in-law, Stuart Nickerson, second; Charles Ritt, third; and Alex and Patrick Webb, fourth.

Kotka Lightning Fleet 298 Race Courses.

We started this year with two new boats and one new skipper: Matti joined us with his *California*, and Osmo bought the 1979 District Cham-

pion boat (former *Olga*). *Bella I* is still waiting for a new skipper and had to spend most of the summer at the dock.

Our racing activities started in May, when we had 10 visiting boats racing in one of the District's ranking regattas on our waters. Osmo was third. One race had to be cancelled due to a fog.

Six Finnish boats travelled to Switzerland for the European Championship. The trip was made by bus and the boats were transported in a truck. Osmo had arranged the trip and was also the best Finnish entry and placed 8th. In the Finland Districts Osmo won one start, but the other starts were no success. Osmo was 17th and Keijo Sunonsaari 40th. In the District's Ranking series Osmo did better and was 4th, our fleet's highest ranking ever. The Fleet Championship was raced for in several local regattas: Osmo won all starts. Keijo Sunonsaari became the Runner-Up and Antero Westerlund was third.

The summer of 1980 brought another season of exciting Lightning racing to the shores of Malletts Bay on Lake Champlain. Stepped-up Race Committee efforts resulted in most of the competition taking place in the open waters of the Outer Malletts Bay, a change for the better over the flukier airs of the Inner Bay.

The season got off to an early start with tune-up races on May 26. The "Series A" races were run during the month of June. Don Brush emerged victorious from this series, with second and third places going to Peter Hubbard and Dave Young, respectively.

The "Series B" races occupied the month of July. During this round it was John Hughes who captured top honors. Again, Peter Hubbard and Dave Young were second and third. In fourth place, Tom Heilman showed that hard work pays off as he posted his best finishes to date.

In District competition, Fleet 301 members were represented in the State of Maine Championship at the Centerboard Yacht Club, the Lake Bomoseen New Hampshire-Vermont Championship (won by Don Brush), The New England District Championship at Marblehead, the Wellfleet Regatta, and the perennial good-time regatta at Spofford, New Hampshire. The Malletts Bay Boat Club's Race Week was part of the District Schedule this year. High winds during this competition whittled the competitors down from 20 starters to seven finishers on the first day. The second day was sailed in light air, and local sailor Peter Hubbard emerged victorious in the final race to take the regatta away from Ann Brush.

Other Fleet 301 member accomplishments were: Ed Ziemer won the Thursday evening mid-week series run by the Malletts Bay Boat Club. Ed won despite the fact that these events are raced under Portsmouth numbers, which greatly handicaps lightnings! Janice Lange won the end-of-the-season Chiott Regatta; Peter Hubbard won the Fleet Championship based

on his overall summer performance; the Most Improved Skipper award went to Tom Heilman; and the Emerson Trophy for contribution to the Fleet went to the Leonard Family.

Fleet 301 is looking forward to hosting the New England District Championship in 1981. Ann Brush will take over as Fleet Captain and Randy Rowland as Fleet Secretary for the year 1981. Competition will be fierce for 1981 with the North American Championship being sailed next door on Long Island Sound.

Eleven boats this year is the largest Fleet 303 has been in several years. We welcome the newcomers and hope to develop an active schedule for next year.

Once again Fleet 303 hosted the annual "Fall In" Regatta. What a success, another beautiful weekend with lots of wind and sun. (Not bad for October 18 & 19). Seventeen boats turned out this year and all had a great time. The spaghetti and wine were great and so were the people who attended. This regatta was best summed up by Jack Mueller when he said, "This regatta is the best kept secret, if word ever gets out, we would have fifty boats here." Don't tell anyone.

This year's Fleet Champion was Ken Irwin with Ray Beck as Runner-up. Dick Pugh waltzed away with The Ohio Governor's Cup once again. See you in 1981.

This season has been quite favorable for sailing. Weather has been mostly sunny and winds light. I'm sorry if you don't like light winds. The best news I'd like to tell is the new boat in our fleet, which is owned by Lasse Hammar and she seems to be as good as the old wooden *Rio-Rita II*. Markku Paloma took part in the European Championship in Switzerland. Weathers in Switzerland have always been difficult for Finns and this season was no exception. The best Finn was 8th and the position for Markku Paloma was 27th. The Finnish Championship was held in Valkeakoski in quite a small lake. There were altogether 40 boats and most of them were sailed by young and eager crewmen. The Finnish Championship began with tune up race which is also a race between fleets. Our fleet was second in this race. The competition was this time very hard. Before the last race three skippers had possibility to get the trophy of the champion. Lasse Hammar with his brand new *Rio-Rita IV* gave no possibility for other skippers and won the last race. This was for his the fifth Finnish Championship. His positions were 9,1,10,1,1. Markku Paloma by his *Kikka II* was 12th.

KEMI FLEET (310) Finald District Sailing on Gulf of Bothnia, Kemi Finland

Fleet Captain Heikki Ulen
Fleet Secretary Juhani Hedberg
Fleet Champion Aulis Naykki
Runner-Up Kari Anttila

Boat No.	Boat Name	Skipper
4328	Irene	Erkki Leskio
12913	Desiree	Kari Anttila
12994	Mr. X	Jouko Lehtinen
12995	Pohjan-Akka	Aulis Naykki
13129	Nano-Nano	Mikko Pekkala
13134	Viivi	Heikki Ulen

In this season our fleet celebrated the 30th anniversary of the first Lightning in Kemi. Old *Leena* 4012 sails no more, but *Irene* 4328 (built in 1951) has been with the younger boats on the holiday-cruises. And so, the message of Lightning goes on yet!

The old and experienced skippers have been almost unconquered and so *Pohjan Akka* (Aulis Naykki), *Viivi* (Heikki Ulen) and *Wilma* (Martti Raisanen) have got the finest and esteemed prizes and trophies. But, the young boys and their boats, *Desiree* (Kari Anttila), *Veera* (Mauri Jestila) and *Nano Nano* (Mikko Pekkala), made known that they will be expert entrants in the next summers. We had in all about 30 starts at home. And, the summer was hot and beautiful.

In the 75th Annual Regatta of Kemi Yacht Club we sailed three days and were one of the parties with songs and memories at the fine camp-fire later in the evenings.

Our Fleet Champion is again Aulis Naykki his crewmen: brother-Kalervo, and Kari Uurtimo. Runner-Up is Kari Anttila.

Six boats participated in the Finnish Championship Races in Valkeakoski. Our success was fair but the races gave us very much to think about in our winter-training.

Our lightnings sailed in Oulu Regatta, too. There we were heroes in all three days. Famous *Rio-Rita* was on the dock and so it was easy for us to win Oulu Fleet.

While the summer was fine, our sailors were a little tired from sailing because many boats had to go without crewman during the season. So we must make known: New sailors forward! Let us believe after all that the new summer will wake up all lively sailors and our Lightnings will sail again on Gulf of Bothnia and Kemi. Hopeful future!

Runner-Up of Kemi Fleet, Kari Anttila & Co. and his brick-colored *Desiree*, #12913 waiting for the starting signal.

As somebody once said to the queen — "Milady, there was no second!" This summer's season consisted mainly of everyone trying to beat Al Mast (and usually coming up short). All in all, our *Bald Bullet* took eight of the sixteen series races, including three of the four special trophy races, as well as the Summer Bay Race.

Other successful competitors included Tom Hopkins (Walbert Cup, one series race, the Matlack Cup, and the Stardust Trophy), Bill Winter (two series races), Jim and Ted Ganley (three series races), Scott Ingram (one series race), Bill McShane (Fall Bay Race), and Leigh Hopkins (Taylor Cup). Our madcap gunner and faithful Race Committee chairman, Steve Miller, took the Butt Award in recognition of his histrionics when the starting cannon failed to fire.

Our wandering windjammers had their usual successful season representing Fleet 314 around the District. The highlight of the season for our District Commodore, Bill McShane, came when he, his family, and crew — Dave Horne and Howard Edson — went to San Diego for the NA's. Besides having a great time, they didn't do too poorly, either, finishing 10th for the President's Cup. They all brought back wonderful memories of the trip, and reports of the matchless hospitality shown by their hosts. Lightning sailors are the greatest!

REHOBOTH BAY SAILING ASSOCIATION (325)

The 1980 season at Rehoboth featured the best weather and wind that we have seen in years. Not once were we rained out, thanks to the drought, and only twice did we not sail. This, however, was because of heavy winds. We enjoyed the typical seas breezes and flat water that has become a trademark of Rehoboth Bay.

We got off to a slow start in our Spring Series with only three boats racing, but the competition was still pretty keen with Fred Mertes taking first, Dave Racine, second, and Bernie Hedges, third. During the summer we raced two series and had four to six boats racing every Sunday. The results were the same in both series: Fred Mertes, first; Dave Racine, second; Bernie Hedges, third. Sounds like a broken record doesn't it? It is except for the fact that this Dave Racine was Dave Racine Jr., who took the tiller from his Dad during the summer. The series were pretty close between Fred and Dave, especially in the first summer series, which went right to the last race before the winner was determined. Fred's excellent sailing brought him the Turner Hastings Trophy, symbolic of the Fleet Championship, for the fourth straight year. The rest of us hope that the string ends there, but I am sure Fred will have something to say about that.

On June 20th and 21st we hosted our annual Delaware Governor's Cup Regatta. This was the first year that Governor Pete DuPont was unable to attend since he has been in office. He was represented at the trophy presentation, however, by Delaware Secretary of State Glen Kenton. We hope to see the Governor next year. We had a large turnout of 27 boats. The weather was nice, but the wind was a bit shift. Steve Bachman took the cup again for the second year in a row, with Sandy Huntsman, second, and Don Delorme, third. The best the local fleet could do was a seventh by Dave Racine. On Saturday night we had a cocktail party to help the good sailors celebrate and the unlucky sailors forget.

In July, R.B.S.A. hosted the Junior Districts. Although there was a small turnout of five boats, the racing was spirited with Ron Grotheer taking first and our own Dave Racine Jr., third.

We finished the year with the annual Fall Regatta on September 20th and 21st. The weather was uncommonly good and the seabreeze was especially

cooperative. Once again we had a larger than usual turnout of 18 boats. It also looked as though Steve Bachman would once again walk away with the honors. This was not to be though, as he was overtaken by Rob Pratt, who finished first overall, and our own Fred Mertes who finished second. Steve did manage to hang on for third.

We expect a banner year in 1981 and hope that you can come to Rehoboth and enjoy the best sailing in the East.

GRAND TRAVERSE YACHT CLUB (326)

11794	Blind Faith	Patrick Tobin
12930	Pigmeat Pie	Sandy Blumenfeld
.....	Dick Thirlby

Sailing an underweight boat with oversized sails Sandy Blumenfeld once again lucked his way through the 1980 racing season to repeat as our Fleet Champion. Sandy's the only sailor we know who has to mark his extra ballast port and starboard so that he'll know where to reinstall it for measurements. All kidding aside, Sandy's repeat performance as Fleet Champion can only be attributed to pure luck.

Our Runner-Up for the second year was Pat Tobin. The only reason Pat was unable to overtake, Sandy for the Championship was that he had extreme difficulty negotiating the race course while listening to his favorite song on his portable tape player. Pat, don't you think that playing "Hail To The Victors" over and over again can be a little bit boring for the rest of us?

During 1980 we had no new members to our Bottoms Up Club. Rather than taking this as an indication of improved sailing skill, we strongly suspect that this is caused primarily by a fear of tipping over the liquid refreshment while racing. The closest that anyone came to capsizing this year was when George Brown stepped on the gunnel of his boat while at the dock and just managed to swamp it rather than totally capsize it.

Our Landlubber Of The Year for 1980 goes to Bill Howard. Bill's only appearance at the club as far as anyone could tell was when he dropped his boat off in the Spring. We're certain, however, that Bill will be back racing with us again next year since we have taken steps to impound his boat.

1980 saw two of our sailors attend the Michigan District Championships. Their performance was less than desired, however, that's to be expected when they have to sail at a full 700 pounds. Speaking of the Districts, 1981 will see our fleet as the host for the Michigan Districts at which time we're sure that the local boats will show those downstaters how it should be done.

The following are several miscellaneous trivial events which occurred during our 1980 season:

Gene Tang sprained his wrist while opening a Stroh's during the fourth leg of the third race of our Invitational Regatta;

Joe Manseau's two sons consistently outsailed him in the 1980 season;

As Race Committee Chairman, Ken Lindsay shook his head in disbelief sixty-three times at the tactics used on the race course;

Hugo Trepte once again demonstrated the correct procedure for filling the spinnaker inside the forestay every weekend;

After three years of wondering, we finally found out that Ken May's boat would not dissolve when put in the water;

Craig Horvath missed the Mid-Winter Fleet Meeting and consequently got stuck with writing this report.

1980 was another great year for fleet 329, sailing out of Annapolis, Maryland. We now have 19 boats, with Doug Perley and Lee Fentress joining this year. More importantly, our fleet was very active this year with 15 to 20 boats on the line in almost every race.

Our year began in January with a series of seminars led by our Blue Fleeters. These meetings are held annually with fleet 50 members from Washington. In March, at our final session, Jay Lutz gave a great talk on "how he does it."

Rob Pratt did a super job as Fleet Captain. In addition to his normal functions, he organized a USYRU weekend racing seminar at Severn. It was an intensive three day course with both classroom and on-the-water instruction. Looking back, all this pre-season activity really paid off. Our racing was the closest we can remember, and we're getting more boats on the line.

We hosted seven regattas this summer, and most of our members went to a number of away races. We can't remember a lot of specifics about the year, but on the whole we had a lot of good racing, some good parties, and a damn good time.

The No-Gas Regatta saw 19 boats, in a five race series. Bob Astrove won, without winning a single race. Second went to Don Delorme, with Steve Bachman, third, and Joe Friebele, fourth.

Don Delorme came back to his winning ways in the SSA Spring Regatta with 18 boats. Steve Bachman was second; Bob Wardell, third.

The Annual Regatta sailed a week after the Districts was won by Bill Buckley. John Richardson was second. Rob Pratt, third, and Doug Perley, a first year skipper, finished fourth.

Over the last weekend in August Bob Wardwell returned to steal the Maryland Governor's Cup. Joe Friebele finished a close second, and Al Mast, third. Nineteen boats sailed with two outsiders taking home the prizes.

Severn's Fall Regatta was won by Don Delorme. Joe Friebele was second, again, and Steve Bachman, third.

The Frigid Didget was held two weeks later, with 38 boats showing up. Saturday we sailed two races in high winds with six boats capsizing. Sunday we didn't have wind, and couldn't complete a four leg, shortened course. Basing the results on only two races left a tie for first place. A coin toss decided the winner, Bob Wardwell. Mark Bryant was left in second place, and Jack Elfman finished third. The best local finisher was Steve Bachman in tenth.

329 Sailors did well in away regattas this year. Steve Bachman won the Heart Fund Regatta, and the Delaware Governor's Cup, while Rob Pratt won the Rehoboth Fall Regatta. At the District Championships Severn finished 1, 2, 3, with Don Delorme, Rob Pratt, and Steve Bachman. Delorme and Bachman each went out to the North Americans in San Diego, and both finished in the Blue Fleet.

We've already started making plans for next year. Another series of seminars is in the works, and we have a fleet 50-329 banquet in December. We are looking for a few new members for next year, and think our fleet will be stronger than ever.

To permit test borings at the dam on Galway Lake the level of the water was reduced about seven to eight feet. The result was that the level of the water was too low for safe Lightning racing and no races were held by Fleet #338. The Galway Lake Campers' Association is negotiating for purchase

of the lake and intends to make dam and spillway modifications. The expectation is that the water will be high enough for sailing in 1981.

Due to lack of entries only two races were sailed this year; the first was won by Bob Novak, Gene Matthews, Bill Connor. The next race on July 4 was won by Vickie Matthews, Bob Novak, Gene Matthews. To get in more racing several members took to the road, traveling to regattas in the Midwest and Indiana districts and also the Southern Circuit.

With much help from our big boat fleet and ex-Lightning sailors we were again able to host our annual Oxie regatta, which was a great success. The wind, weather and few power boaters provided excellent racing conditions for the 26 starters. Our own Bruce Goldsmith won with Gordon Ettie of Chicago, second, and Greg Florian of Decatur was third. Members of the club were able to house many of the participants and also provided an excellent hor d'oeuvre party after the races on Saturday.

Much socializing took place this year off the race course at Matthews'. The potluck dinners were well attended, hopefully next season's socializing will be as good on the race course as well as off.

1980 was a good year for Larry Minshall and crew as they won three major club championships. They also participated in several out-of-town regattas and while their names did not appear in the winning circle they enjoyed the good competition and made a lot of new friends.

We are looking forward to 1981 and hope to have at least six boats racing every weekend, now that Dave Rosner is back and Graham Laing has promised to be out.

All boats are very competitive and any one putting it all together can win. Fanshawe Lake is part of and adjoins an excellent Provincial Park that offers A-1 camping facilities whether you tent or trailer.

Considering these facilities why not plan to attend one or both of our open regattas. Junebug — June 13 & 14; Pumpkin — October 10-11-12.

By popular request the Pumpkin may be reduced to two days — watch for our bulletins.

Lightning sailing at Hoover Reservoir this year was not what it has been in the past, but was enjoyed by those of us who sailed.

The Fleet Champion this year was Tom Varley, Jr., and he did this as a first year member of Fleet 353. Tom also won the Holiday Series and finished fourth in the Club Championship. Ed Whiteman was Runner-up to the Fleet Champion, with Steve Richter, third, Warren Schieser, fourth place, and Joe Barron, fifth. A different method was used this year to select a Fleet Champion. The entire season was totaled and not divided into series. This was due largely to waning participation.

This year's Mayor's Cup, held at Hoover Yacht Club, was a success with good weather, delicious food and five great races with a turn-out of 13 boats. The regatta was won again by Dan Dressel from Buckeye Lake Yacht Club.

This has been a quiet year for the Red Dragon Fleet. Most of our members have been daysailing on the Delaware, some going as far as 15 miles up and down the river. Bucky Kloss and David Pittman have been the only members traveling to other regattas.

We had sunny weather and fair winds at our Fall Regatta. First place went to Jack Parker from Ocean City, second to Bill Clausen from Great Egg Harbor, and third to Tom Donlin from Riverton Yacht Club.

For our Fleet the last year was sportingly and socially very successful. At the beginning of the year, skipper H. P. Schmid and his crew sailed a very good result. They won the Winter European-Champion title from Marsala.

The ski weekend we organized was shared by 20 persons this year. Also the bowling night was a success.

Our fleet also sailed good results on the different Championships and races. The team we had put together in view of the Junior World Championship was at the first so surprised by winning the title as Swiss-Champions. Also the other teams obtained a good result. I am sure that the participation of the Swiss-Champion at the Junior World-Championship was qualified. They finished a good 10th place from 20 competitors.

The negative point of this season was the Pfauencup. Only eight crews participated at this race. The Winners were one more time H. P. Schmid, Res Hofer and Beat Buchschacher.

The Fleet Championship took place again at the Criterium Aventicum. Unfortunately we sailed only one race because of no wind. The Wyler crew dominated the Championship ahead of our Junior Team of Schar, Scharer and Scharer.

Racing for Fleet 365 gets underway at Catawba Yacht Club on Lake Wylie in the middle of March and continues until the middle of November. We have two series, Spring which goes from March until the end of June, and the Fall series which runs from July until the middle of November. As of this writing the winner of the Fall series has not been determined, but it looks like Geary Angermeier might do it again.

In addition to the regular series, Catawba Yacht Club has instituted another series of races called the *Dutchess* Series. These are usually 10 separate races other than our bi-weekly races. Neal Broome was the first winner of the *Dutchess* Races in 1979 and Geary Angermeier is the 1980 winner. As we believe it to be unique, there follows the establishment of the *Dutchess* Series:

"DUCHESS"

Lightning Class Sloop #2040

Built at Charlotte, NC, 1945-46, by Connally Guerrant and launched at Catawba Yacht Club June 1, 1946. She was the first Lightning to sail on "The River". Her keel, frames, transom, center-board trunk and trim were mahogany. The planking was juniper (boat cedar). Decks were canvas over plywood. Mast and boom were of Sitka spruce, Tangs, chain-plates, etc. were hand made of Phosphor bronze plate. The original sails were of long fibered Egyptian cotton with leather corners and Italian hemp bolt ropes. Her hull was painted dark blue, decks were Jamaica buff.

Owners were:

1946 to 1953 — Connally Cuerrant
 1953 to 1964 — Commander Harry M. Hewson

1964 to 1978 — Richard K. Sims

Due to disuse and lack of maintenance she became water-logged and in 1978 she was sold to William E. Ingle who took off fittings and usable parts and gave her a "Viking Funeral" on the beach at Catawba Yacht Club. She had been a successful racing contender for the first 18 years of her 32 year life.

In 1979 an annual program of races to be known as "The DUCHESS Races" has been established. All rules, requirements and provisions pertaining to this series of races are to be laid down each year by the Race Committee of Catawba Yacht Club. The rules are to be published prior to the start of the racing season. A suitable award will be made to the winner of the annual series and an engraved plate recording the winner will be affixed to this transom and displayed permanently in the Catawba Yacht Club.

For Fleet 368 the sailing season gets underway with the Blossom Time Regatta which is held in mid-May. This years event attracted ten Lightnings with George Blumel of Maple Bay going home with the first place trophy for the third consecutive year. The second and third spots were captured by locals Robert Bazett and Neil MacGibbon.

Unfortunately, following Blossom Time the fleets local activity was cut to a minimum due to boat ownership changes, houses being built and the generally poor sailing weather. This is not to say that the fleet was inactive. During the spring, four Lightning owners joined together to form two complete crews in an effort to qualify for a berth in the North American Championships. The qualifying races were held in Portland, Oregon which is just to the south of the active volcano — Mount Saint Helen's. I'm sure that "Father Lightning", John Benedetti, arranged for its untimely activity just to keep us northerners out of the picture. However, perseverance paid off as both local boats qualified, making this the first year in which any boat from our fleet had qualified for the North American Championships.

The month of August was full of racing activity for the two local representatives. The trip to San Diego started off with a short stop over in Vancouver, B.C. for the Canadian National Championships before proceeding. Fortunately, neither boat was disillusioned about their chances of winning the North Americans so we could relax (?) and enjoy the hospitality San Diego had to offer. The skippers and crews of both boats wish to thank the hosts of the Canadian Nationals and the North Americans for providing good racing.

Next year our fleet members will have to stay closer to home and work on building our fleet.

Fleet 372 enjoyed one of it's best years ever (don't we say that every year?). This year, as the other best years, we had high hopes of a regular ten boat starting line, and as in the past, we didn't. At least we managed to cure the probation placed on us by our Small Boat Racing Association...again!

Our local regatta schedule opened in early March at San Francisco Yacht Club and was the beginning of a closely contested Fleet Championship that would wind through the year at various San Francisco Bay yacht clubs, on lakes and on the Pacific Ocean.

The California Circuit left our fleet's contenders almost empty handed with Mark Patty leading our contingent of Bill Hole and Bruce Arnold to nowhere. But win or not, the Circuit in Southern California remains one of the highlights of our fleet calendar for a guaranteed great time.

Like every other fleet on the Pacific coast, the big story for us was the North American Championships coming west. So naturally the usually somewhat blasé District Championships really counted for something big. Never in California racing have the first eight places in the Districts had a total point spread of six points! Despair had struck our fleet. We had been hammered by the SoCal fleets; Mark Patty was highest at eighth. The trophy presentation was followed by pledging additional class memberships to increase our district quota. With some relief, Patty, Arnold, and Hole would all go to the North Americans.

After driving 500 miles south to the Districts, three days later six boats drove 400 miles north to the Pacific Coast Championships at Klamath Falls, Oregon. Vowing two years ago at the PCC that the Northwest District would be punished for taking away his fifth place trophy, Mark Patty dealt his entitled blow. Mark, young Kevin Arnold, and Ian Bower combined to bring the Pacific Coast Championship home to Fleet 372. The rest of our fleet did quite well as we strove again to establish ourselves as the west coast powerhouse after the blitzing we received at the Districts.

Finally, the North Americans. For Bruce Arnold and Mark Patty it was their first; for Bill Hole it had been a while, but he knew the ropes. Mark qualified in the Blue Fleet, Bill qualified in the Green Fleet and Bruce in the "Red" Fleet. Mark finished down, down in The Blue, Bill down, down in the Green, but Bruce did a fifth in the Governor's Cup. It was a great time, and the returning combatants could tell stories long and tall.

The Fleet Championship was decided at the last regatta of the year; what will be remembered as the "mini Fastnet," Inverness Yacht Club. It was breezy even by our standards at the start of the first race. But working out the long bay, sustained blasts approaching 40 began annihilating the fleet of Lasers, FJ, 420, 505, Int 14, Contenders and Fireballs. The 14's literally exploded, none of the other classes could even stay up. Bruce Arnold had only an outside chance to catch Patty in the standings but could not finish. Patty was the only Lightning of a total of five boats that did finish. No one was hurt as Inverness has superior crash boat assistance; but the equipment toll would only delight any rigger as half a rig was the uniform of the day. Bill Hole turtled, stuck his mast and shattered it (winning the spectacular capsized award for the year), his son, Billy, broke a rudder and Bob Smith broke a boom at the vang.

Doug Moler overloaded his mast the weekend before Inverness. So as we look forward to winter sailing, things seem bleak. But come February everyone will be back together and with new members, the Millers and Gipsmans, we will get a ten boat line and that will be the best year ever.

Our lake is a beautiful 3,300 acre hideaway for most of our fleet members as they lead busier lives elsewhere. While relaxing racing has become an integral part of our summer, this year we hosted our second annual regatta and were very pleased with a larger, very competitive fleet of 17. We had good racing, good wind and are hopeful for more sun in '81. Our dinner at the camp was well attended and seemed successful. Concluding the four race series we presented framed Lightning silhouettes to skippers Hodgson, Peters, McKinley, Holman and Militzer with framed flashes for their crew. We are especially appreciative of our fleet members for their help.

Our season trophy—the OOPY trophy—which is named for its founders Osgood, Olsaver, Peters and Young was won by Tom Orlow with Howard Eddy as runner up. The Labor Day Series was swept by the Peters brothers-Dave and Rick.

Tom Orlow again won the Cheboygan to Bois Blanc Race. It showed again that a Lightning can successfully prove itself on a boat for boat basis against larger designs—including a C&C 35!

Hoping for a good but speedy winter. . .

Hot summer days and a low lake level contributed to very light activity this year, although we did add one new boat to our fleet. The hot weather did let up, however, for our annual VISA Invitational Regatta on October 4th and 5th. The weather was cool, the winds were moderate (5-10 knots), and everyone had a ball. The steak supper Saturday night was the best ever.

For the early birds, who are planning their schedule for 1981, the Invitational is always on the first weekend in October. See you there!

13176	Murphy's Law	Ronald Schaper

Fleet 393 continued its steady growth in 1980 with the addition of two Lightnings to the fleet, bringing the total to seven. Bob Grall purchased a late model Nichols & Holman early in the season and has been training daughters Pam and Chris (or have they been training him). Either way it looks like Bob's Lightning will give the old pro's a run for their money in 1981. The Sea Explorer Ship has also acquired a very fast Lightning and will be fielding a crew next season. A hearty welcome aboard to both boats. We're sure they'll enjoy the competition and fellowship of Lightning sailing.

Fleet 393 again sponsored its Icebreaker Regatta for the Mid-West District. Eight boats participated in the three race series with Rick Larson, perennial winner from Sheboygan, taking top honors, followed by Ron Schaper, second and Karl Miller, third. Thanks to the efforts of Frank Vanderstien, Committee Chairman, Frank Petran, Bob Grall, and crews of committee boats, the racing was excellent.

Fleet Races were held every Wednesday night and Saturday afternoons from Memorial Day to Labor Day with a special series on Labor Day. Fleet Champion for the 1980 season was Ron Schaper with a little help from his crew Tom Bennin and Bob Kiorowz.

Thanks to Bob Waid and crew Nick Benzinger and Casey Holmes, the entire fleet had oval spars this year and the racing was intense. We're all looking forward to spring and the 1981 season.

This year Lightning Fleet 429 hosted the third Annual Ice Breaker Regatta and The Southeastern District Championship.

The Ice Breaker, held each year the weekend before the Deep South, was iced out this year. All sailors participating had a great time at the party Saturday evening. Maybe next year the weather will cooperate with Fleet 429.

The Districts were a success. All 22 boats enjoyed the excellent races. Tom Waters from Orangeburg was the champion.

Even though we had no fleet races, Lenny Krawcheck, who sailed in all Southeastern District Regattas, placed higher than any other fleet member

and should be considered our champion.

Fleet 429 will miss Les Hall, a former Lightning sailor. Les was an active sailor who drowned in Charleston during the Prince of Wales Regatta.

We hope 1981 will be even brighter and more active than 1980.

Fleet 430 was honored to commence its season by hosting the Central Atlantic District Championship in early June. Jim Carson of Metedeconk River #34 was the overall winner of the shortened regatta. Sunday's races had to be cancelled due to overpowering wind conditions.

It was no surprise that John Parker became the Fleet Champion at Ocean City this summer. This was mainly due to his sailing the Sunday Series this spring at Red Bank, NJ. He also extended his success by winning the Gamma Series title this fall on the Delaware River. John's crew for the summer was Henry Backed, his wife Eleanor or his sister Carol. Jim Accardi, Don Gartland and Allison Weir finished a close second this year having won the Fleet Championship last summer. Third place went to Kavle, Emily Henderson and various third crews. Chappy Hopkin an experienced crew but first time skipper in the Lightning Fleet placed fourth. His crew was his wife Sandra and Brownie Baer.

Gidge Glenn teamed with his brother Jim and mother Peaches showed moments of brilliance while competing this summer. Kevin Robinson sailed with us whenever possible. We also welcomed a new member Pete Murray from the Red Dragon Yacht Club. Pete also showed signs of steady improvement during the course of the summer.

Fleet 430 also had three club regattas this summer, The Flag Officers', The America's Cup, and The Club Regatta. Jack Lefort won the America's Cup. Chappy Hopkin won the Club Regatta while Brownie Baer was victorious in the Flag Officers'.

Fleet 430 continues to grow and looks forward to another season of fun filled competitive sailing next year.

The 1980 sailing season was a very eventful one for Fleet 449. Five crews went in Anzio for the Italian Championship and Roberto Crucitti finished third and Gianni Pellegrino fifth.

White Cloud, the new Marvellous wood boat, with crew Crucitti, Messina, Arcuri was second in the 28° European Championship in Neuchatel and won the silver targett of the Princess Ira Furstenberg in the Capo Boeo's Cup Regatta.

Piero Marino and his crew Filippo Sata and Enzo Linares won the Fleet Championship.

The 3rd Winter European Championship was won by Schmid who came to Sicily with seven Swiss crew. The wind was very strong and only two races took place.

Segio Messina, Benedetto Allotta and Maurizio Timineri, went to Buffalo for the World Youth Championship; they were lucky and finished eighth. Now all the people are working to prepare for the next European Championship that will take place in Marsala on the third week of July; we are waiting for you to sail on the blue wave of the Mediterranean Sea...and drink the lovely Marsala wine.

For the Fleet 453, 1980 has been a not very interesting year, in fact we had three important regattas only: those of spring, September and the Moratti Trophy. In the spring's regatta (10-11 of May) many boats and crews have taken part from the whole of Italy: the races have been three of which, one with light wind, two with strong wind. Pellegrini won, with De Regis second and Vivani third. The National Regatta of September (20-21 Sept.) has failed unhappily owing to the time: for absence of wind it hasn't been possible to race, with great disappointment of the present crews.

The Moratti Trophy, Championship of the Fleet 453, was won for the third consecutive time by De Regis, Rustichelli and Rossi with 12297 *Gargantua*. At Passignano on the Trasimeno Lake (20 September) The Italian District Meeting of the Lightning Class has been very important, here the formalities of the races of selection for the World Championship of 1983 have been chosen. The fleet 453 wishes a good wind for 1981.

The 1980 season has been full of action in our Fleet. In the wintertime we had monthly meetings, in which everybody was busy learning the theory of sailing, discussing sailing experiences and planning the next season and regattas.

We got two more boats to our Fleet in the beginning of the sailing season in May. In the very first regatta, "On The Rocks," sailed Tuomo Kauhanen and his crew with a brand new boat, which got her name, *Pii*, ceremoniously before the first race.

The first official Junior District Championship was held in June on our Lake. And we are looking forward to seeing the same five teams and many more at the Junior Championship Regatta 1981 at the Tuusulanjarvi Lake.

Asterix-Hartti Nisonen skipper and crew Heikki Kirjavainen and Antero Nummela travelled almost 4000 km to participate in the European Championship in Neuchatel, Switzerland.

We sent 11 boats and 11 junior crew members to the Finland District Championship Regatta, which was held in Valkeakoski. One boat, *Punkku*, was crewed completely by juniors: Saku Vento, Pekka Hamalainen and Panu Greis. Their final position was 14th, which was well done among 41 boats.

As a whole, our Fleet succeeded very well in the Districts, V.P. Pertti Pyy finished second after losing the Championship in the last race, just to mention one.

Several boats have taken part in the regattas around Finland and one of our crew members, Miss Leena Laitinen travelled to Buffalo to crew the Finnish team in the World Youth Championship.

During the next winter we will meet on the first Tuesday of the month at 7 p.m. to learn the mysteries of sailing. All sailors are welcome to join us at Krapinhovi mansion.

Growth and enthusiasm have been our theme for 1980. The Fleet, which alternately sails on the St. John's River and Lake Eustis now has 14 members, a 100% growth. Our members live throughout northeastern Florida from Jacksonville to Orlando. The distance has not proven to be an obstacle to our enthusiastic sailors.

This year, in addition to our series races, our Fleet has participated in numerous local regattas including the famous Mug Race, Dixie Regatta, Mt. Dora and The Mayor's Cup.

Our Fleet Championship was held in Eustis, Florida again this year. The winds were very light the first day and moderately heavy the second day, a true test of all sailing skills. Our new Fleet Champion is Fisk Hayden, a new arrival to our area, and a welcome addition to our fleet. The Runner-up was Tully Patrowitz in a borrowed boat, with borrowed sails and shanghaied crew—unbelievable!

During the coming year we foresee even more growth. We will continue our series races. Our schedule also includes active participation in seven large N. E. Florida regattas as well as a Florida series of races with other fleets in the state and the Southern Circuit. Lightning sailors moving from the cold north are welcome to join our warm year-round sailing in N. E. Florida.

Overall it has been a quiet season. Winds for the most part were favorable and made the fleet races very close, all season, with the results as noted: Fleet Champion—Charles B. Andrews; Runner-up—Robert G. Ames. A spectacular capsized caused by a loose guy brought mixed emotions. The recovery and sail out were so efficient that no one, except those involved, even knew that anything had happened.

The highlight of the year has to be the Lightning Districts held in early September. We had 19 boats on the line. A beautiful sight. Results have been published in the Flashes.

I'd like to take this opportunity to thank all the Ladies of our Fleet for their invaluable help. We could not have a successful regatta without them.

This year our Fleet has worked hard, not only for its growth, but also for the growth of Lightning class in Italy. In fact, we have at present only four good boats, nevertheless two of these have participated in all the competition in the national Lightning calendar and they have obtained good results.

In June we organized the Second Adriatic Sea Championship which had good success because the victory was subordinated to the participation in two series of regattas: the first at Lido del Savio with Fleet 476; the second at Falconara with Fleet 466.

The boats that have participated in all the regattas were, in final position:

		Fleet	Points

Luigi Pellegrini was our inspiration as fleet leader at home and abroad in some important events of the season. At the Winter European Championship in Marsala he started fairly badly because of sea-sickness which the crew, that is to say his children, suffered from. He won in Springtime on Lake Trasimeno. He triumphed again grandly in Gravedona, where our fleet made a hit at the De Marzi International Trophy with Pellegrini first in both the races, Motti, fourth and Grisotti, fifth. This regatta was sailed on dry and shining days, the 5th and 6th of September, by 14 Swiss and Italian boats. The Italian District got the silver cup thanks to our skippers. Saturday's first race featured a strong southern breeze over 19-20 knots so that the leeward mark began to shift. The shifting was fairly slow and none of the skippers noticed it during the last weather leg, nor did Committee before the start of the second leg. The boats were rounding the windmark when all the marks were nearly set in a row. The Committee realized too late to enforce I.Y.R.U. rule 9.1 (a) and nevertheless didn't cancel the race. Grisotti and Roccheggiani protested against the Committee, and this race was canceled at the hearing. In any case Pellegrini had finished second in that race. He was the ruler of the whole regatta. The banquet was served up in the night at Crotte Eden beside Live River, by the landlord, an excellent cook and painter. On Sunday only one race was sailed in wonderful conditions of weather and wind. Pellegrini won again followed by Weilenmann. This chap had been taking the silver medal since 1977, that is to say since the trophy institution. We wish him success for next year.

During the season Motti won again the Fleet Championship and was fifth at De Lorenzo Trophy in Venice, third at Crociera Alto Lario, second at A.V.A.L. Championship, in spite of the heavy handicap laid to the

Lightning class after the amazing victory of Grisotti last year.

In the annual meeting of Italian District it was decided that in 1982 the Italian Championship will be sailed in Gravedona. We make appointment with all Lightning sailors for the dress rehearsal next September.

The major occasion in the Valkeakoski Sailing Club program this year was the Finnish Lightning Championship in early August, authorized in December 1979. The organization of this started from the Commodore, Ismo Kuusisalo, and involved a ladder of delegation through Juhani Saares as Race Supervisor and other members as course setters. The installation of pontoon moorings during the late winter made it possible to moor craft during the Championship rather than beach them.

Pertti Jalonen supervised the weighing-in of the 42 competitors, assisted by Veikko Ylarakkola, and the races took place on the open and clean waters above Valkeakoski—thirst quenchable direct from the surface!

Valkeakoski was represented by three Lightnings, 12481, *Sea Horse II* skippered by Pertti Jalonen, 12482, *Immu*, by Anssi Tuomi, and 12992, *Janita*, by Aimo Jokiniemi. The team races were won by SPS, skippers Antti Ruuskanen and Leif Haglund, with Valkeakoski's Pertti Jalonen and Anssi Tuomi in 13th place. They were run in feeble winds and pouring rain, compensated for by the evening's meeting and party.

The Finnish Lightning Championship was won by Oulu Sailing Club's Laase Hammar in his new boat (12 points). Pertti Pyy from Tuusula came second (14 points) and Kari Maenpaa of HSK, with 19 points, was third. Valkeakoski's own representatives were 24th (Aimo Jokiniemi in *Janita*, 12992), 33rd (Pertti Jalonen in *Sea Horse II*, 12481) and 36th (Anssi Tuomi in *Immu*, 12482).

During the summer five races for the Club Championship were run on Lake Mallavesi. The Championship was won by Aimo Jokiniemi in *Janita*. On 5th and 6th July during the Mallavesi Festival six Lightnings competed, victory going to Pertti Pyy in *Amarillo*, 13413; this race was also run in the weak winds which were typical of this summer.

One boat from Valkeakoski, Aimo Jokiniemi's *Janita* crewed by Tuula Jokiniemi and Hannele Tayranen, took part in the Pajanne race, the longest inland race in Europe, and came in 6th. The lake is some 75 miles away and took 18 hours to reach.

Next year in association with the Mallavesi Festival, Valkeakoski will

apply for ranking races for the Lightning. Other Lightning events forthcoming will include the Vehoniemi event and the Toijala Race, so all Lightning sailors are welcome to visit Valkeakoski in summer 1981 and add more colour to Lake Mallasvesi.

The sailing season started in the middle of May. The main happenings of the fleet were Paijanne Regatta and Finnish championship race. Also some of the members participated in the ranking race.

In the end of May *Aku-Samuli* and *Mimosa* took part in the Kotka Spring Regatta. *Aku-Samuli*, *Lola* and *Mimosa* participated in the Great Sailing Regatta of Tampere in June.

The Paijanne Regatta was held in June, which is the biggest regatta in Europe on the inland waters. It is 60 nautical miles long and there were over 200 boats participating. From Jamsa Fleet the participants were *Nina*, *Minnehaha*, *Aku-Samuli*, *Lola* and *Mimosa*. *Mimosa* was the second and *Aku-Samuli* the third in Lightning class.

Aku-Samuli and *Lola* raced in Finnish championship race in Valkeakoski and *Aku-Samuli* in Jyväskylä in Autumn Regatta.

During the summer we sailed many training races and had pleasure sails all round on the lake Paijanne.

The boats were put away for winter in September to await the next sailing season.

While bad weather and drifter conditions frustrated our attempts to conduct more races, Fleet 475, in its first season, managed to get off seven races, in winds varying from 2 to 20.

The major goal of the fleet was simple to meet and sail with other Lightning sailors on the lake, in the hopes of putting together something a little more organized next season. The 1981 season does look more promising. Tim Karasek has sold 5858 to Mike Mitchell, one of his crew members, and purchased a newer boat. Bob Cooper will be sailing a newer boat next season as well. So the fleet appears to be growing slowly, both in members and in newer boats and equipment.

Our members were represented in other Michigan District races. Jim Spurr sailed 6228 at Gull Lake, Traverse City, and Devils Lake, while Tim Karasek sailed at Traverse City and at Devils Lake as well. Spurr, Karasek, and Cooper also sailed the Clark Lake Invitational, where Lightning participation nearly doubled over 1979.

While spring is a long way off, plans have already begun for organizing something a little more regular for next summer, and as it looks now, it will be tougher for *Sundance* to repeat this season's performance.

To celebrate the foundation of the Fleet and introduce the Lightning to Bracciano Lake Sailors, the Lightning Fleet included itself in 1980 Golden Ribbon Competition; a classic sailing regatta of this lake, to which no less than 150 boats participated last October.

Among Lightnings coming from different fleets, the winning crew were: Pellegrini, Pellegrini, Pellegrini, Fleet 467; then followed: De Regis, Col-tella, De Regis, Fleet 453; Battisti, Giardina, Sassetti, Fleet 479; Rosi, De Giorgi, Pellegrini, Fleet 453; Scarpocchi, Scarpocchi, Rossi, Fleet 453.

In consideration of the increasing interest caused by the Lightning Class of Bracciano Lake Area (which numbers a good 10,000 sailors in population) we rely on Class changes to increase the number of new boats of our rising Fleet, and let's hope 1981 be the year of number and quality rise.

This was a year of recruiting for newly formed Fleet 481 and our successes were beyond our expectations. We started out in the early spring with two boats in the Raleigh area, and are now finishing up the season with ten boats. Most of the boats in the fleet have been newly acquired this year, with skippers new to the Lightning Class.

Grimsley Hobbs has been working all season on refinishing his wooden boat, just in time for our cool November weather. Donald Bland has been having a mysterious new finish applied to his *Mahogany Mistress*, guaranteed to free its skipper of maintenance headaches for at least ten years. John Pelosi's undaunted enthusiasm for racing was evident when he showed up for regattas with trusty #451, twenty year old sails, and makeshift spinnaker rigging. Bob Forsman and his wife, Jennifer have perhaps been the busiest of the wooden boat owners, totally dismantling and rebuilding their boat. We fully expect them to have this boat in mint condition and ready to race first thing next spring. *Tabasco* was a welcome addition to the fleet and we're delighted it's been blessed with the enthusiasm and racing experience of Rick Ferguson.

Several of our boats represented the fleet at nearby regattas. The annual Governor's Cup Invitational Regatta took place in June on Kerr Lake. The air was very light and Tom Hudgens showed the other Lightnings the way to the finish line. Some of us also attended the Oriental Sailing Social in July where five Lightnings from the boy's sailing Camp Seagull helped stiffen up the competition. Michael Rees learned how easy it is to capsize a boat during the second race. But it was worth it with his father crewing for him for the first time.

We also attended the Waccamaw Lightning Regatta in September. Some of the best sailors in the district attend this regatta. Tom Hudgens won the third race and came away with a fourth place overall. The Waccamaw Indian Summer Regatta was more hospitable in terms of good wind, but Grant Wolslagel had major problems after getting his mast stuck into the shallow mud during the first race.

Our fall social event at the end of October was initially hampered by rain and high winds, but the weather did become more cooperative, resulting in some of the best sailing we've experienced in a Lightning. Many thanks to Tom Omohundro for his fine job as social chairman.

We have an active winter planned with fleet activities to include boat repairing and informal lectures on various aspects of sailing. We'll also be teaching Dave Danielson something about priorities.

We expect to have ten active boats to begin the spring season with next year, and hope to have another successful year in 1981, recruiting new boats and skippers to the fleet.

Fleet 481 - Close competition at Kerr Lake (Hudgens, Rees, Ferguson).

Registry of Lightning Boats

(Corrected to December 5, 1980)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner's address is unknown.

Where boat number is followed by an asterisk, it means that there is an approved measurement certificate on file for this boat. All boats not so marked do not have measurement certificates on file.
