

INTERNATIONAL LIGHTNING CLASS ASSOCIATION

1990

AM

TEAMWORK.

In sailing, teamwork is key to performance. Without it, your race can turn quickly to chaos. From the time the starting gun sounds until you cross the finish line, you know how important it is to have your team working together to achieve your racing goals and sail your very best. Sure, it takes time in the boat adjusting to a myriad of sailing conditions and keeping a close eye on your competition.

At North Sails, we couldn't produce race winning sails without our teamwork approach. We are committed to producing the highest quality Lightning Sails on the market today. Just as you fine-tune your boat and change gears when necessary to gain an extra boat length or get on the inside of a crucial mark rounding, we are constantly evaluating sail designs, cloth selection and better construction techniques to give you the very best sails for the conditions you race in. Which is one of the reasons why the winners of every major Lightning Regatta in 1988 and 1989 chose North Sails as part of their team.

We are proud of our involvement with the Lightning Class. We look forward to working together with you to create a winning team for 1990.

DEDICATION

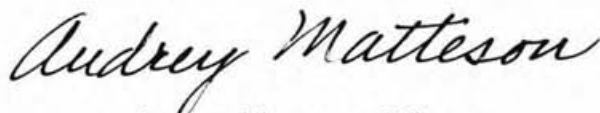

I would like to dedicate the 1990 yearbook to the fleets of the International Lightning Class Association, those organizations of like-minded people all over the "Lightning" world. In this 51st year it seems proper to focus on an awareness of the importance of fleets in the "big picture" of racing Lightning Class sailboats. Fleets were where the class began. There are now, as there were fifty years ago, fleet members who actively promote and support the sailing and racing of the Lightning Class sailboat and the ILCA. They search for, welcome, teach, and encourage new members. They enjoy the fun, camaraderie, and humor, as well as the challenge, of racing at all levels—fleet, district, national, and international—but they are especially active in their fleets. I have seen this unity of thought and effort and in my sailing travels all over North America, Europe, and in conversations with South American sailors. There are many, many who inspire me, as I am sure they inspire you.

I would like to thank all the ILCA members who encouraged and assisted me this year. And a special thanks I give to those who made contributions to this yearbook of articles or pictures. I would like to recognize the following "photographers" who made this yearbook so interesting. Their pictures are great, and of those submitted, few were not used. Thanks again.

Jane Allen, Buffalo Canoe Club
Esther Callahan, Pontiac Yacht Club
Janette Conaway, Valley Lightning Fleet
Crit Currie, Delta Sailing Association
Jim Davis, North Cape Yacht Club
Ardis Good, Dallas Corinthian Fleet
Garth Gustafson, Chicago Corinthian Yacht Club
Hank Hodgson, Devil's Lake Yacht Club
Derek Lepper, Royal St. Laurence Yacht Club
Sandy McRanie, St. Petersburg Yacht Club
Fay Regan, Biscayne Bay Lightning Fleet
Kay Starr, Sylvania, Ohio
Jack Tibbs, Devil's Lake Yacht Club
David Watt, Gull Lake Yacht Club

We can now look forward to our 52nd year. At this time next year I hope we can say that our fleets are stronger, our members are more active, and we have had more fun. Please don't hesitate to share your enjoyment with us through the yearbook. It is an inspiration to new, old, and prospective members alike.

I am looking forward to seeing you soon.

Audrey Matteson, Editor

PRESIDENT'S MESSAGE

The Lightning Class is now in its 50's and has developed certain maturity in the boat, its organization and its membership.

We now have second, third and even fourth generation Lightning sailors in the Class. That has much to say for the boat and organization and as the saying goes, "the best is yet to come".

Looking at the past, I have seen many people in my district and throughout the ILCA who have had that Lightning dedication for many years. Looking to the future, these sailors and our new members will keep the Class growing. Here's to the past, but more importantly, to the future.

A handwritten signature in black ink, appearing to read "Jack Tibbs". The signature is fluid and cursive, with a large initial "J" and a stylized "T".

Jack Tibbs, President

International Lightning Class Association

Officers of the International Lightning Class Association

PRESIDENT — Jack Tibbs

Jack has been a member of I.L.C.A. since 1967 and during that period has sailed ten Lightnings, currently the RED boat 14301.

He has served Fleet 31 as both Secretary, and Fleet Captain, the Michigan District as Secretary and District Commodore and as Vice President, Secretary, Treasurer and Year Book Editor for I.L.C.A. He was Commodore of Devils Lake Yacht Club and is currently the Executive Secretary of that club.

The Tibbs family have all been involved in Lightning activity, Joe, Beth and Jane have all crewed and tried their hand at skippering. Chris is involved in Race Committee work at DLYC.

Jack is the owner of Tibbs Pavilion IGA, a supermarket at Devils Lake.

CHIEF MEASURER — Carl Clipp

Carl started racing Lightnings in 1974 at Leatherlips Yacht Club on a skinny little river in Columbus, Ohio. Carl and his wife Charita have since gone thru five Lightnings and two vans travelling around Ohio and the Midwest.

He has served as both Secretary and Fleet Captain for Fleet 27; Secretary and District Commodore of the Ohio District, and Vice President and Year Book Editor for the I.L.C.A. He was Co-Chairman for the 1989 North Americans held at North Cape Yacht Club.

Carl's current hobbies, aside from sailing, include acting as the Vice President of Henderson Aerial Surveys.

TREASURER — Fisk Hayden

Fisk started sailing the Family Lightning 1906 on Sodus Bay (New York) in 1946 and sailed his first North Americans (International Championship) in 1955 in New Orleans.

After many years of active Lightning sailing in the Central New York District, he moved to Central Florida where he has served as Florida District Commodore and Class Vice-President in addition to serving as Southern Circuit Chairman. He is currently Secretary of Fleet 461, Lake Eustis, Florida. He resides in Fern Park, Florida with wife Jean, and daughter Susan.

His son Steve is an active Lightning sailor and a member of the Florida State University Sailing Team.

Fisk is the owner of the Florida Vending Service.

SECRETARY — Michael Huffman

Mike began sailing at the Buffalo Canoe Club in 1965. His folks raced Lightnings; he and brother Bill sailed an Albacore until Tom Fallon requisitioned Mike to complete a Lightning crew. Soon his Dad was sharing the helm on the family's boat. Mike skippered in his first NA's in 1974.

After a school break, Mike moved to Chicago and joined Fleet 5. He has been sailing around the Midwest and has attended two World Championships.

Mike is a newly-wed and his bride Meg is already figuring out ways to improve their results. Mike is a trader on the Chicago Board Options Exchange.

**Honorary Commodore
ROBERT C. WARDWELL** of Richmond, Virginia, I.L.C.A. Member since 1973. Director of Business Development, James River Paper Corp. Wife Carol.

**Ass't Measurer & VP
WILLIAM P. CLAUSEN III** of Philadelphia, Pennsylvania, I.L.C.A. Member since 1951. Coach & Chemistry Teacher West Philadelphia High School. Wife Mary Anne.

**Ass't Measurer & V.P.
CHRISTOPHER "KIP" HAMBLET** of Keene, New Hampshire, I.L.C.A. member since 1981. Sales, Bridgewater Motor Works.

Vice President
GEORGE S. ANDREADIS of Athens, Greece, I.L.C.A. member since 1955. Economic Advisor, Commercial Trading and Discount Co., Ltd. Wife Anna.

Vice President
BRUCE GOLDSMITH of Manitou Beach, Michigan, I.L.C.A. member since 1962. Investment Broker, A. G. Edwards & Sons, Inc. Wife Sherry.

Vice President
W. S. BACHMAN, JR. of Pasadena, Maryland, I.L.C.A. member since 1953. Importing-Distribution, Rhineland Tankards. Wife Carol.

Vice President
BRUCE B. ARNOLD of Albany, California, I.L.C.A. member since 1974. Architect, Johnson-Arnold-Close Architects, Inc. Wife Sue.

Vice President
ROBERT H. MATHERS of Livonia, Michigan, I.L.C.A. member since 1965. Teacher. Wife Sara.

Vice President
MATT FISHER of Westerville, Ohio, I.L.C.A. member since 1966. Project Manager, Ross Laboratories. Wife Lisa.

Vice President
RUSSEL C. SCRIM of Dorval, Quebec, I.L.C.A. member since 1960. Chairman Beaver Construction Group Ltd. Wife Betty.

Vice President
BRUCE W. WATTERS of St. Petersburg, Florida, I.L.C.A. member since 1977. Retail jeweler, Bruce Watters, Inc. Wife Patricia.

Vice President
LUIS ALFONSO BRYCE of Lima, Peru, I.L.C.A. member since 1975. Regional Manager, South America, Goulds Pumps, Inc. Wife Blanca.

Vice President
CRIT CURRIE of Memphis, Tennessee, I.L.C.A. member since 1955. Real Estate, Crit Currie & Company. Wife Eleanor.

Vice President
SIMEON COXE of Annapolis, Maryland, I.L.C.A. member since 1984. Vice President-Art Director, F. H. & C. Advertising, Inc. Wife Kathy.

Vice President
ROBERT E. HARKRIDER, JR. of Augusta, Georgia, I.L.C.A. member since 1984. CPA, Robert E. Harkrider, Jr., CPA PC. Wife Sharon.

Vice President
FRANCISCO SOLA, JR. of Guayaquil, Ecuador, I.L.C.A. member since 1956. Advertising Executive-Banker Norlop Thomson JWT. Wife Cecilia.

Vice President
DONALD R. BARRETT of West Granby, Connecticut, I.L.C.A. member since 1976. Regional Manager, Citrus Hills Investment Properties. Wife Donna.

Vice President
DENIS R. CLEMENCE of Niteroi, Brazil, I.L.C.A. member since 1968. President, Equipatec Engineering & Commerce, Ltd. Wife Maria.

Vice President
GEORGES PETER, M.D. of Barrington, Rhode Island, I.L.C.A. member since 1956. Physician (Pediatrician in Academic Medicine), Brown University (Rhode Island Hospital). Wife Carolyn.

Vice President
CHRISTOPH LUTHY of Schwerzenbach, Switzerland, I.L.C.A. member since 1964. Chemist, F. Hoffman-La Roche & Co. Wife Dominique.

Vice President
R. G. (LAL) BURRIDGE of St. Louis, Missouri, I.L.C.A. member since 1967. Lawyer in firm of Anderson, Gilbert, & Garvin. Wife Patricia.

Vice President
JOHN WITHERS LYON of San Diego, California, I.L.C.A. member since 1980. Self Employed. Wife Lynette.

Vice President
LARRY MACDONALD of Hamilton, Ontario, Canada, I.L.C.A. member since 1962. Mechanical Contractor with John A. MacDonald Plumbing & Heating Ltd. Wife Betty.

Vice President
NELSON S. SCHMITT of Sao Paulo, Brazil. I.L.C.A. member since 1972. Director Niagara S.A. Com. e. Ind. Wife Susy.

Vice President
JOHN B. WASKOM III of Dallas, Texas. I.L.C.A. member since 1961. Investor. Wife Mildred (Millie).

Vice President
JOHN DE BENEDETTI of Portland, Oregon. I.L.C.A. member since 1959. Manager Steinbart & Company. Wife Mary Kay.

Vice President
J. THOMAS DORAN of Oswego, New York. I.L.C.A. member since 1982. Teacher, Oswego City School District. Wife Deborah.

Vice President
JUDITH J. WALKER of Synder, New York. I.L.C.A. member since 1967. Medical Microbiologist/Biochemist.

Vice President
FAY REGAN of Coconut Grove, Florida. I.L.C.A. member since 1978. Permit Manager Claude Neon Signs.

Vice President
NANDO DE AMICIS of Verona, Italy. I.L.C.A. member since 1964. Retired. Wife Licia.

Vice President
HARTT NISONEN of Jarvenpaa, Finland. I.L.C.A. member since 1971. Owner, Lightboats, H. Nisonen. Wife Leena.

Vice President
DR. JOHN H. ESSER of Milwaukee, Wisconsin. I.L.C.A. member since 1953. Physician. Wife Sue.

Vice President
Paul F. Gelenitis of Kearny, New Jersey. I.L.C.A. member since 1975. Partner in law firm Gelenitis & McGuire. Wife Terri.

Vice President
FERNANDO DE LA CONCHA A. of Bogota, Colombia. I.L.C.A. member since 1969. Civil Engineer, De la Concha Andrade Cia. Ltda. Wife Pamela.

Vice President
DAVID H. WATT of Kalamazoo, Michigan. I.L.C.A. member since 1976. Commercial Construction, Wolverine Building, Inc., Grand Rapids, Michigan.

Vice President
OLIVALDO BORDINO of Olivos, Argentina. I.L.C.A. member since 1959. President Top Finish SRI. Wife Elisa.

Vice President
MANUEL GONZALEZ MAS of Santiago, Chile. I.L.C.A. member since 1972. Business Administration, Fundo Mansel. Wife Maria Loreto.

THE CHAMPIONS

The first National Championships were held when the first boat was publicly less than eight months old. Nineteen boats participated, John Barnes won with three firsts.

In 1945, the Championship was renamed International; there being thirty some boats in "foreign" countries.

In 1961, the first Lightning World Championship was held and that year the Internationals were renamed once again, this time to the North American Championships.

Footnote:

Deep South Regatta sailed at Savannah Yacht Club, Savannah, Georgia.

Trophies: Deep South Regatta Perpetual Trophy, deeded by the Savannah Yacht Club, retired by winner of it three times. (R)

August A. Busch, Jr. Trophy, deeded to S.Y.C.C. for the Lightning Regatta.

Winter Lightning Championship sailed at St. Petersburg Yacht Club, St. Petersburg, Florida.

Trophies: Wally Bishop Trophy, presented by Mrs. Wally Bishop.

I.L.C.A. Past Presidents Trophy, deeded by Past Presidents of I.L.C.A. to I.L.C.A. for the winner of combined Savannah and St. Petersburg.

Midwinter Championship sailed at Coral Reef Yacht Club, Miami, Florida

Trophies: Regal Cup, deeded to I.L.C.A. by a Miami Company.

Alex Carlin Trophies, presented by Alex Carlin for the Miami-St. Petersburg (Special Formula). Retired to top skippers' Yacht Club after nine years.

Buffalo Canoe Club received the trophy in 1969. The second Trophy was retired, after the 1978 Regatta, to Tom Allen for the Buffalo Canoe Club. The third and last trophy was retired in 1988 to the Buffalo Canoe Club.

A new Trophy was then inaugurated by Alex's wife Ethel in his memory.

I.L.C.A. Southern Circuit Champion, presented by I.L.C.A. for the winner of combined Savannah, St. Petersburg, and Miami. No. retirement.

Welcome Back, Lightning

by David Watt

Fifty years after the Lightning made its debut at the 1939 New York Boat Show, two Lightnings returned to the Big Apple and were on display at the Jacob K. Javits Convention Center during the 79th New York International Boat Show, January 12-22, 1989. The opportunity to be a part of the show came at the invitation of the National Marine Manufacturers Association, the sanctioning body for the event.

In recognition of the Lightning 50th Anniversary, and to promote the sport of small boat sailing, the NMMA came to ILCA and requested that Lightning number 1, and a new boat be displayed. Although there was not a lot of time to make all the arrangements, in the true spirit of the Lightning Class, volunteers stepped forward to help make it all happen very smoothly. We had a prime location right in the lobby area of the Javits Center where everyone entering the show, and many people just passing through the building, could stop and see the boats, talk with active Lightning sailors, and pick up literature about the Class.

It is amazing the number of people who have had some contact with Lightnings over the years. Remarks like "My father built one of these when I was a kid", "I grew up sailing Lightnings with my family" and "Boy, do I remember some great times sailing Lightnings" were common from many of the visitors at the display. Everyone was glad to see the Lightnings there and many asked for more information about active fleets in the area.

The Class received a great deal of publicity and hopefully some new members as a result of the display. There were two articles in *The New York Times* and a host of other articles in newspapers in and around the New York area. The opening day, ABC-TV interviewed us at the display and included the spot on the evening news. Subsequent to the show several sailing publications wrote about the Lightning display and VIA, the magazine of the New York-New Jersey Port Authority featured a full color photograph of the display for the cover of their March issue.

At last count there were some sixty inquiries which could be attributed to the Class presence at the New York Boat Show. Each of these received a response from Class Headquarters with additional information about Lightnings and Fleet contacts in the local area.

Later in the Spring, *Small Boat Journal* featured the Lightning in an article about their choice of the ten all-time classic designs. And in September *American Sailor* chose the Lightning for their "Focus on One-Design". The article included a portion on the history and current activities of the class and a page devoted to boat speed and tuning contributed by Greg Fisher.

But as I said at the beginning, all this would not have been possible without the spirit of cooperation which Lightning sailors are known for. I want to acknowledge several who made major contributions to the success of this event. First, to Jack Ryan, who has cared for Number 1 for some twenty years and drove several thousand miles to bring her from Peoria, Illinois to New York and back. Jack also stayed at the display throughout the entire show. Second, to Crit Currie, who volunteered his boat to fill the second spot at the display and didn't even know his boat had gone to the Big Apple until someone called and asked if he was interested in selling it. Crit said "What boat?", and they said the one on display in New York.

And a big thank you to Ron Wulff of the Awosting Yacht Squadron, Fleet 95, who stepped in and organized so many of the New Jersey sailors who manned the display. Ron also provided housing for Jack Ryan and prepared some great Lightning memorabilia for visitors to see. Thanks also to Brad Read, who drove from Newport to spend a day at the show, and to Ched Proctor, who volunteered to pack up and pick up Crit's boat at the close of the show. If you haven't towed a Lightning through the heart of New York, it is something like the jibe mark at Skaneateles, except the other drivers aren't your friends.

Finally, a big thanks to all the Lightning sailors who gave a day of their time to be at the show and help promote the Lightning Class.

The 51st year got off to a great start!!!

Fertilizing The Grass Roots

by Brad Read

One Design Class Racing has its roots in local clubs which get together 10-15 boats for a Saturday afternoon series. One hundred-boat North American championships are not just spontaneously generated out of resin, fiberglass, and sailcloth. How is it that certain classes tend to thrive when others dwindle into oblivion? Local or Fleet activity must be a widespread and dominant part of the class activity. We'll hit some of the main reasons why some fleets thrive while others fail, with great, and not so great, ways to bolster your fleets.

One Designs which dominate their clubs:

Certain clubs get together and decide what boats they will sail next. They hash out which design has all the requirements which they as sailors want in their boats. The Clearwater Yacht Club, for example, held tryouts, and invited representatives from two different one design classes, comparing and contrasting the sailing abilities of the different one designs. The tryout method could work well if and when the decision is made, the group can get a purchase of 5-10 boats right away.

In Montreal, the supply of boats is provided by existing sailors who buy and sell their boats quickly, specifically to increase participation in the fleet. Russ Scrim of the Royal St. Lawrence Yacht Club has used this method to help many young sailors get started by supplying these reasonably priced Lightnings. His effort has bolstered the fleet's numbers and enthusiasm greatly. Tony McBride, who quite possibly has the highest traveling mileage in the class, does the same type of service with his fleet. Funneling the sailors in the clubs toward your class by supplying used boats and sails, increases both the numbers, and the visibility of your fleet.

Some fleets even get militant about their used boats. When I was starting up an Interclub frostbite fleet in Newport, I gave the Rochester Yacht Club I.C. Fleet a call and asked for a list of used boats. I was flatly, (but considerably) rejected on the grounds that the used boats do not get sold outside their fleet. A captive audience, I suppose!

Fleet activity is kept alive by a number of different means. The end which all of us should be striving for is Fun! This utilitarian philosophy should be aimed at both on, and off the water activities. Schedules for fleet activities should be constant. Incorporate the schedules to accommodate as many people as possible. In the fleets I've been racing in, the trend toward week night sailing has been beneficial to just about everyone. My personal opinion is that the "Beer Can Series" racing held on a particular night has become the single most popular sailboat racing format. The benefits to the people involved are enormous. By keeping weekends free, you can keep the people with families active. Those boats which travel frequently are still kept active in the fleet because they can qualify for fleet standings. Those who were afraid to travel before are more apt to go to a weekend regatta and see what this traveling thing is all about. As you switch to the nightly format, you'll find that you will be getting better sailing by more enthused people. A schedule which works for many Beer Can Series is as follows:

5:00 — People start showing up and putting boats in the water. Many people trade off weeks putting boats in the water, i.e. Fred put Sally's boat in last week after he put his own in and it is Sally's turn to put Fred's boat in the water. The warning gun is at 6:20 so most people have left the dock by 6:00. Race Committee, God bless their souls, have **got** to make a point of firing the guns off at 6:20 or whatever time you decide the first race is. People will get lackadaisical if they know the Committee will wait. The best case scenario for the committee is to have a plethora of marks from which to choose a course. This involves getting permission from the local authorities for permanent race marks which are spread out to accommodate prominent breeze directions. If you can make the Race Committee's job manageable from one boat with three people, keeping a regular race committee will be much easier.

6:20 — The race committee is on station with the starting mark set. The course letters are up signifying the course. The race is under way and finishes in 45 minutes. As the fleet finishes, code flag #2 is up signifying a second race. Immediately after the last finisher has finished, the starting sequence for Race #2 is underway. Afterward, people race to the hoist and to the awaiting function.

Function Schedule:

How do you get the people in the fleet to be a more cohesive group? Functions. By good organization and planning, you are able to address a number of different issues with a Race Committee/Function Schedule. Split your fleet up into teams. These two to three boat teams will be responsible for a function every night after sailing. In our fleet there are parties which range from pizza bashes to the "Shore Sails Bowling Night". After racing, everyone meets at the local alley, and by the end of the night some of the rowdier members of the fleet have convinced themselves that the more air time the ball gets down the lane, the more pins you can knock down. Lots of laughs are important for fleet camaraderie.

Your schedule of functions can coincide with Race Committee duty. Allow the group that is in control of the evening's social agenda help out on race committee. Have them at the pin end of the starting line, or run a crash/tow boat. Besides the obvious help that this gives the R.C., it allows them more time before and after racing to get organized. For Lightnings you should have at least two crash-tow boats which are available to use every race day or night. If you are lucky enough to have a permanent race committee, then sit back and observe and let them show you how it's done. Race Committees are the backbone of the fleet. Make their life easier and your racing will be much more organized.

Other fleet functions should include a Winter Awards Dinner and a Spring tune and rigging session. Inviting in a "rock star" can be fun. It gives the group some new ideas and a reason to get together. The Awards Dinner is very important. It gives the fleet something to look forward to during the cold months, and also is a great opportunity to bring new people into the fold. We've incorporated an MVP award to the most improved qualifier from the previous season. By

having a local business sponsor the award, you could make it a fairly big deal. Our J/24 Fleet (I know, those uncomfortable bruise machines that take way too many people to sail) has the Shore Sails MVP Award. The awards dinner is usually provided by one of the local taverns at a very reasonable price. This keeps the cost down for members.

Most Fleets take pride in the regional events which they host. Whether it's the districts or a yearly event such as Oswego's Michelob Classic, fleets should really work hard to put their best foot forward, and succeed. Race Committee should be boosted for these occasions, supplying many tow/crash boats. Functions should be innovative, and all fleets which host regattas should consider a babysitting service. There are certainly a lot of little ones cruising around these regattas.

Run your fleet like you would your company. Every fleet should have a Commodore, Treasurer, Secretary and various other departments to make it run smoothly. Keep in touch with your members through a monthly newsletter. Introduce new members, give standings of boats and sell ads to local businesses. Make them interesting.

There is absolutely no worse crime than driving new fleet members away through intimidation on the water or the land. If a new person who is in the boat for the first race tries to cross when he or she really shouldn't, let him or her go and maybe talk to them a little later. Screaming and yelling at new guys makes the screamer and the screamer both look like jerks. Fleet racing is Fun first, competition second. If we can get the fleet to stay excited, it will continue to expand. The Lightning has a great reputation as a local racer. The builders, sailmakers and sailors are truly lucky to have as great an hierarchy as we do. Keep the grass roots going and we'll have 500 boats at the 60th Anniversary.

Dwight's Ten Commandments of Fleet Sailing or How One Fleet Grew

by Dwight Gertz

The Squam Lake Lightning Fleet began its 1984 season with three active boats. The 1989 season ended with eleven boats racing and one new boat on order. Most of this growth is undoubtedly the result of just plain good luck. Some of the things we did might be irrelevant or downright wrong for other fleets. But, in a period when so many fleets are wrestling with the problem of fostering growth, the experience at Squam might be instructive. Without the knowledge or consent of my fellow fleet members, I would propose the following ten commandments for fleet growth.

1. *Ban the Rule Book* The rules of sailing are incredibly intimidating to newcomers and are written to deal with the complicated situations which arise when the real pros tangle. To sail the course, have fun, and learn, you need to know port-starboard and windward-leeward. Everything else can be learned later. If you are good enough to know more rules than that you should be good enough to graciously yield to beginners and make it up later in the race with your boatspeed. We have not had a protest in a fleet race in five years and I hope that we never do. Fouls are rare and the friendly atmosphere encourages beginners.

2. *Sail Short, Simple Courses* Once around a triangle is enough distance to separate the winners from the losers. Short races keep the new skippers closer to the action, give everybody lots of second chances, and allow neophyte crews to reorganize between races.

3. *Be Kind to Crews* Get as many interested crews as possible out sailing with the better skippers to see how much fun it can be. The third crew member doesn't really have anything to do so that position can be used to expose people to the sport while letting them gradually do more and more. Five of our skippers spent some time crewing before getting their own boats out racing. Encourage crews to swap around. A really good skipper shouldn't mind showing the ropes to newcomers. Maintain a list of potential crew members and share it with all the owners.

4. *Never Let a Boat Leave the Lake* If a local Lightning owner is selling his boat, try hard to find a buyer who will join the fleet. If none is immediately available, buy the boat yourself and hold it until a buyer materializes. While you are waiting, it will make a great loaner boat for visitors or prospects. You can probably get most of your money back when you sell. One of our "new" boats was kept on the lake this way.

5. *Never Let a Boat Sit Idle* There are good competitive Lightnings sitting in garages and swinging on moorings all over America. Sometimes people just need some help in order to come out sailing. Three of our new members already owned good boats, but needed to be invited to join us. One had bought the boat "cold turkey" and needed a little help getting ready to race, another needed help getting better sails, a third just needed to be asked a few times until he felt ready to say yes.

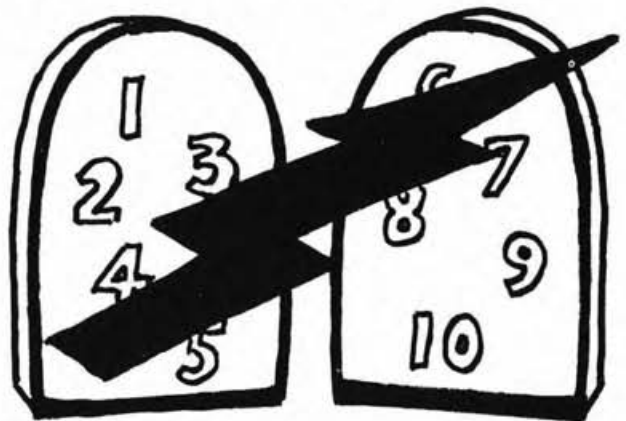

6. *Participation Begins at Home* Participation in racing has to be convenient. Unrigging, rigging, trailering, finding accommodations, taking the whole weekend off, finding crews who can do the same, sailing in unfamiliar waters, dealing with incomprehensible new courses and race committee procedures, and getting in the way of other sailors who are out for blood all add up to more hassle factor than most people can cope with. A sailor should be able to eat lunch at home, drive or walk down to the boat, sail two or three races, and be home in time for cocktails. The regatta circuit offers exciting competition and an enjoyable way of life for a large group of sailors, but a much larger group is willing to sail only if it is easy to do. This may require some tough tradeoffs, but I feel that our fleet has grown because none of us travels during the fleet series.

7. *Anybody Who Sails Is Your Friend* One of our best sources of new skippers and crews has been the sponsorship of handicap races for any kind of sailboat. People get out on the water, they see the Lightning sailors having fun and some of them eventually become crews or boat owners.

8. *Keep It Simple, Cheap and Informal* Good sailors come from an astonishingly wide variety of backgrounds, lifestyles, and economic conditions. Fleet social events should be designed to make everyone feel welcome. We tripled attendance at our annual dinner when we moved it from a restaurant to a pot luck affair at a fleet member's house.

9. *If a Boat Is Sailing, Don't Sweat the Details* If somebody wants to sail with two people or four or wants to leave his outboard hanging on the transom, welcome him/her.

10. *Don't Take Anything Seriously* Absolutely nothing that happens in a fleet race is important enough to get angry about. Foster an environment where every sailor feels that the other sailors are genuinely glad that he showed up that day. Sail over yourself and welcome every other boat personally. In the long run, it is better to sail in a large, happy fleet, than win in a small, nasty fleet.

Fifty Years on Greenwood Lake

by Roy Sengstacken

Charter members of Fleet 95, Awosting Yacht Squadron, in 1939 were Ed Wiley, Otto Ruprecht, and John Baker. I imagine some of them may have traveled up to Skaneateles with AYS guru Feron Moore (or was it Ed Tompkins, another early Commodore type?) to get approval to start a racing fleet on Greenwood Lake. The first three Lightnings had numbers in the nineties.

Awosting already had well organized fleets of Stars and Snipes. By comparison the Lightning neophytes were not exactly sophisticated racers. Mr. Ruprecht even trolled for bass occasionally on downwind legs. Yearbook reports by fleet secretaries over the next seventeen years do not indicate that Otto or, eventually, son-in-law Dave Fitting, ever won a series. Everybody loves to see 99 show up on the starting line.

One time over cocktails Dr. Baker enlisted my mother, Ruth Sengstacken, to crew for him. He had a jolly sense of humor during cocktail hour, but he was a curmudgeon on the boat. Racing was damn serious stuff. Her first mistake was dropping the jib halyard shackle bolt overboard. The man tended to coach in a very strident voice. Mom never went in a race again.

Ed Wiley was Fleet Captain in 1946. The next year son Ted led the Lightning fleet. He won the Commodore and Championship Series and the big Labor Day Race. Ted and sister, Ruth Wiley Post kept *Lively Lady* on the fleet roster through 1957, but they only raced sporadically. Ted finally showed up in the only Finn on Greenwood Lake.

My father, Dr. Royal S. Sr. sailed 124 during the war years. Brother Jack and I had been Snipe sailors only. Home on military leave, I got to skipper 124 once. I was way back, behind Mr. Ruprecht as we started the last windward leg. "Now the trick is," said my father, "you just have to tack a lot." "But I think we are on the right slant," I said. "No matter. See him looking back all the time? Otto gets real nervous," said Pop. So I started tacking all the time. Otto kept covering, but losing ground. Finally he went for a fake tack in the headed direction and we salvaged a small victory, in the middle of the fleet.

By 1946 Fleet 95 had 12 boats, including Capt. A.C. Howell in 700, Ken Macksey in 762, and Horace Sylvester in 827. Four digit boat number owners were Dave Palma, John Rusman, Evan Moore (who later became brother Jack's regular crew), and Dr. Sengstacken. Since I was about to leave for Europe for seven years, I was allowed to skipper a lot that summer. I tell this in order to say that I won eight races in a row and crewed my father to three more before departing. Then brother Jack took the tiller and won the Championship Series. Mr. Sylvester had been scourge of the lake for two or three years. We noticed that when Horace tacked the rest of the fleet seemed to follow behind him.

John Rusman always steered from the low side. Years later this became known as the Ronnie Wulff style. Difference is that John hardly ever upset. In fact, for the next ten or twelve years John was Champ four times and Runner-Up three more. During the same post-war years we began to hear a lot from Chet Howell, spelling his father, the Captain;

also Jack Sengstacken, now sailing 762; and Bill Horton, another former Sniper. They won everything Rusman didn't.

In 1947 Fleet 95 invited five boats from the Hi-Tor Fleet at Sony Point on the Hudson River to a regatta. They brought three man crews and spinnakers. Our isolated Greenwood Lake fleet had always sailed two in a boat and no spinnaker, because of the narrow lake and nearby mountains. I don't know who won or anything, but I heard everybody had fun—they agreed to do it again real soon. However for the next 18 years there were no more regattas and Awosting did not change its local sailing rules.

The saga of Lightning 762: after Ken Macksey and Jack Sengstacken came Elliot Sharp (1955), spouse Dorcas Sharp (1958), Dick Davis (1960), and finally Ron Wulff (1967) for seven more seasons. 762 won the Champoinship for Dick Davis in 1964, plus many series in the early sixties. Dick and 762 starred as the aggrieved parties in a West Milford Township court case after a young woman motorboat driver smashed into the side of the venerable boat near the starting line. "What else could I do?" she asked the judge. "There were sailboats in every direction." Old 762 later carried Ron Wulff to a few Class B championships, dualing with Ole Olsen, primarily.

Bill Horton was Champion four times. In the late fifties he was clearly the ace of Fleet 95, except occasionally when Chet Howell or one of the Sengstacken boys got a foot in the door. We had mixed feelings when Dr. Bill went over to the Star fleet.

In 1956 a high-spirited sailor and occasional bon vivant named Hank Holterhof joined in the fun, sailing the old Sylvester boat, 827. By coincidence there was an infestation of secret weapons on the race course, including cow bells, fog horns, and police whistles. Psychological warfare? Personally, I did not approve of using that stuff, except when I was ahead. Or nearly ahead. I don't recall whether such devices were a factor in winning the championship that year.

The AYS Lightning Fleet had 20 members in 1956 and 1957, the high water mark to date. Additional worthies in that group included Ken Britting, Bill Summerbell, Ben Fortman, Pete Peterson, Charlie Reinauer, Orman Gove, and Dr. Moscarella. (Don't forget their crews, says wife and crew Carolyn.)

On Greenwood Lake in the early sixties the Lightning fleet continued in relative isolation: two person crews, whiskerpoles instead of spinnakers, and all boats wet sailed from moorings. Every winter the serious boats got another coat of copper/bronze bottom paint. And a couple of times a summer an energetic skipper (don't forget the crew) would tip his boat over on the beach and scrub the bottom with some special soap (Fels Naptha?) and Scotchbrite. Most boats were second-hand wooden Lippincotts.

The marathon Labor Day Race in 1962 was reported as a "miserable drifter in which only two skippers endured: Jack and Roy Sengstacken." People were beginning to suspect a case of sibling rivalry, I guess.

More noteworthy new faces in the sixties:

Harry Ash — 1963 champ and talented basement boatbuilder.

Milt Titon — great tennis player.

John Pier — great dentist.

John Winter — great venture capitalist.

Dorc Sharp — great fisher lady.

Bill Fass — In the 1969 Labor Day Race he beat all the "A" Fleet hot shots in his wooden 3102, *Sea Duce*. (Bill and Flo were the first non-Awosting resident fleet members. Some isolation!)

Plus all their crews, don't forget.

A crew to remember is Bob Howell. He helped win many trophies for father Chet. In 1965 grandson Bob won the Capt. Howell Trophy for the Post Labor Day Race, with dad Chet crewing.

On the theory that you can't overdo a good thing, we repeated the 1947 Invitational Regatta in 1966. Ten salt water boats came over from the Hi-Tor Fleet in Stony Point. Spinnakers were optional but I don't think any of us tried it. We did run at least one triangle course, along with our regular windward-leeward route. In the key race I got lucky when the visitors' spinnakers blew back in their faces. They got too close to Fox Island. We did not tell them everything about our lake. Walter Tripp of the visitors was second and brother Jack third.

Frank Collins came up from Delaware Bay that year with a new fiberglass boat, and another layer of our isolation peeled away. After he won our Championship Series six of us decided to hell with that. During the off-season we placed a mass order for state-of-the art Lippincotts, including spinnaker rigs.

Somewhere in the same time frame I remember talking briefly to racer and sailmaker Bob Seidleman at the annual

Winter Meeting of the combined Metropolitan and Central Atlantic Districts. Me: "Can a boat be competitive these days without a back stay downhaul?" Seidelman: "No." So I got one of those high tech suckers, too. That lovely mast bender became a great security blanket.

Over the next eight years Jack S. and Roy S. each won four Fleet Championships. Chet Howell and I were each Runner-up three times and Jack twice. I cannot resist adding modestly that Carolyn and I might have done better except that I was out of action with broken bones in 1971. Jack's super year was 1968; he collected a record string of blue pennants, missing only one series all season, and the Captain Howell Race which Chet won.

During the same period, 1967 through 1975, all remaining wooden boats sailed in "B" class. I think both groups started the same time and sailed the same courses, alternating linear and triangle routes. Most boats now carried three people and spinnakers.

More new faces:

Ron Wulff — Who can picture Ron as a new face? He took over 762 and soon led the "B" Fleet, off and on. "Off" means he upset a lot.

Ted Miller — He bought 827 from Dottie Holterhof.

Walter Lane — A good idea man and a nice new boat.

Ole Olsen — Very hard to beat in light air.

Bruce and Martha Hanover — Flashes of brilliance but a very noisy boat.

Nick and Jeanette Santoto — Challenged "B" leaders in 1328, the former Rusman boat.

Bob Stengstacken — Labor Day '72 winner with parents Roy and Carolyn crewing.

In 1970 the Awosting September Series evolved into an annual regatta open to all seven fleets in the Metropolitan

District. The Wallenpaupack and Mohawk fleets coordinated open regattas on the succeeding weekends. Three years later all three mountain lake regattas became the Short Circuit, sponsored by the Met District. By then we were getting over thirty boats at the Greenwood Lake portion of the Circuit. Meanwhile our fleet was being invited to the three weekend Mid-Hudson Circuit at Nyack, Stony Point and Chelsea. Several boats also went to the District Championships and even to things called The Last Blast, at Stony Point, and the National Sweepstakes, at Monmouth. Very few were gung-ho enough for the real season stretchers at Monmouth: The Long Johns in April, and Fall Has Fell in October.

We got to know some fine people and good sailors, including: from Lake Mohawk, the Bierman, Graham, and Wagner families, John Marks, and Larry Kenny; from Lake Wallenpaupack, John and Joan Rowley, Franz Schneider, Joe Marks, and Henry Fretz; the Monmouth, the Huntsman, Corr, and Schwartz families; from Stony Point, George and Barbara Bitler, Mark Lewis, the Tripps, and Paul Krick; from Nyack, Gary and Joan Hurban, and Tom DeStasio and the *Madam Blue* crew; and from Chelsea, Bill Gordon and a couple of others whose names I was sure not to forget.

I did not forget the piano playing sailor and joker, Stan Moldowsky. At Wallenpaupack Regatta trophy time one year he started a long speech about a repulsive old crinkly tin tray he found that was too smelly to take in the house. Therefore he was awarding it to me for being such a good sport whenever Jack S. beat me. (Or something creative like that.) Next season at the Mohawk awards ceremony I said I had forgotten all about that cruddy tray after tossing it into our back yard pig pen last fall. Until a pig happened to throw it out in disgust a few days ago. And since Carolyn said get rid of it, I now awarded it to Ronnie and Judy Beard as consolation for waiting the longest in the water for the regatta rescue boat. This temporary tradition persisted for several years with no discernable improvement.

In 1976 Fleet 95 re-consolidated the A and B groups, and also did away with the Championship Series. Instead, each skipper's 12 best home club finishes would determine the champion. This was great for anybody who might miss a Championship Series race, but lousy for anybody out there regatta hopping several weekends during the season.

Also in that year Nick Santoro bought brother Jack's 9704, the boat in which Marcy Lippincott scored fourth in the "Worlds" in 1966. Jack and Bob Howell moved to the head of the Sunfish fleet.

Chet Howell won three of the next four Fleet Championships and went out on a high note. Carolyn and I also retired from the Lightning fleet after 1979. We won the last few club races that season but I'll just whisper my real conceit: in the whole decade of inter-club regattas throughout the District no Fleet 95 skipper ever beat us more than once.

Son Bob became primary resident skipper of our 12045, a former Sandy Huntsman and Emil Krahulik boat. Bob also signed up our steady crew, his sister Andrea (not to be forgotten).

1981 was the great year enjoyed by everybody's good friend Ole Olsen. Seven straight wins, two series and the Fleet Championship. Crewing was daughter Nancy O. and brother Jack's daughter, Nancy S. Ole died just before the next racing season started.

Fleet 95's boat roster listed a *Murphy's Law* from 1981 to 1985, but the yearbooks do not mention any sailing activity by owner Dan Murphy. However the 1986 yearbook substitutes the boat name *Cracklin Rose* and welcomes "newcomer Murphy to the fleet." Could this be the slowest start ever recorded in the annals of Lightning racing?

Nick Santoro set a noteworthy record: Fleet Champion five consecutive years before heading South in 1987. Wife Jeanette and daughter Alyce helped keep *Eight Ball* out in front. Bob Sengstacken was right behind the *Eight Ball* all those years, except for Ron Wulff in 1983. Ron's personal best record that particular season was in not upsetting, not even once.

There was some ferment elsewhere in the fleet. Herb Dickert and Jim Cosmas had joined in 1976, followed by Walt Johnson and Lou Van Hoff. Despite much teeth gnashing and high pitched instructions to crews and enemy boats, Herb and Walt and Lou really did their best sailing in the off-seasons, bareboat chartering on distant waters. Jim Cosmas' main accomplishment for years was relieving the Santoro family a couple of times as Fleet Secretary. Then suddenly in 1987 Cosmas won a couple of series and even the Fleet Championship. Another anomaly that same year: Bob's brother John Sengstacken showed up from Connecticut and got second in the Whiskerpole Regatta.

More normal conditions prevailed in '88 and '89 when Ron Wulff and Bob S. alternated as Champ and Runner up. It has also become normal for Rich and Gail Miner from the Mohawk fleet, to dominate Awosting's Whiskerpole extravaganza. The Miners won the last three in a row, taking over the visiting star role from previous frequent victors Bob Graham, Tom Bierman, and Sandy Huntsman.

Keeping Important Things "Between the Ditches"

by Crit Currie, sailing 11900, Commodore, DSA, '90
"Second Oldest Rat in the Barn"

Traveling up north racing my Lightning in the Masters and the North Americans every summer is not as important as our Memphis Lightning Fleet 274 and Delta Sailing Association. They are experiencing the greatest growth ever, and that's been since 1955. Our paid I.L.C.A. owners almost doubled from last year. Our total number of Lightnings is now pushing 35, just about one for every year.

We all work at it. It's fun — new, unknown, younger players to sail against, rather than the same old bunch you've memorized so well. A good number of our skippers race with only one crew, which gets even more boats in the races. We've got so many "rookies", the more experienced

"regulars" often crew for their own crew. This levels the playing field somewhat and makes it a bit more even. Everyone takes his turn at race committee. We do mail out the standings most every week, thanks to our able Fleet Captain, Bill Baxter, Jr.

We don't do much of anything else but race every Saturday and Sunday at 2 p.m., have a couple of beers, and go home. Most years we have a convivial type party-party so we can see what we all look like cleaned up and not in our sailing clothes.

I'm not sure all of this is the way to produce "blue fleet" sailors, but it does produce loyal, enthusiastic, dues paying Lightning sailors. The following correspondence might illustrate one of the reasons for our success and fun.

Letter from Mr. "X" to Delta Sailing Association:

June 17, 1989

Subject: Club membership

Please cancel my membership for good! By imposing such high rates and expulsion rules on non-racing boats you have made it very clear that I am not wanted. I pretty much felt that way last year anyway.

If I was at "your dock" when the racing boats wanted it, I was told, "Get out of the way!" I guess the motto should be, "If you don't race, don't bother." You sure made a believer out of me. Thank You."

Letter to Mr. "X":

July 6, 1989

Dear Mr. "X",

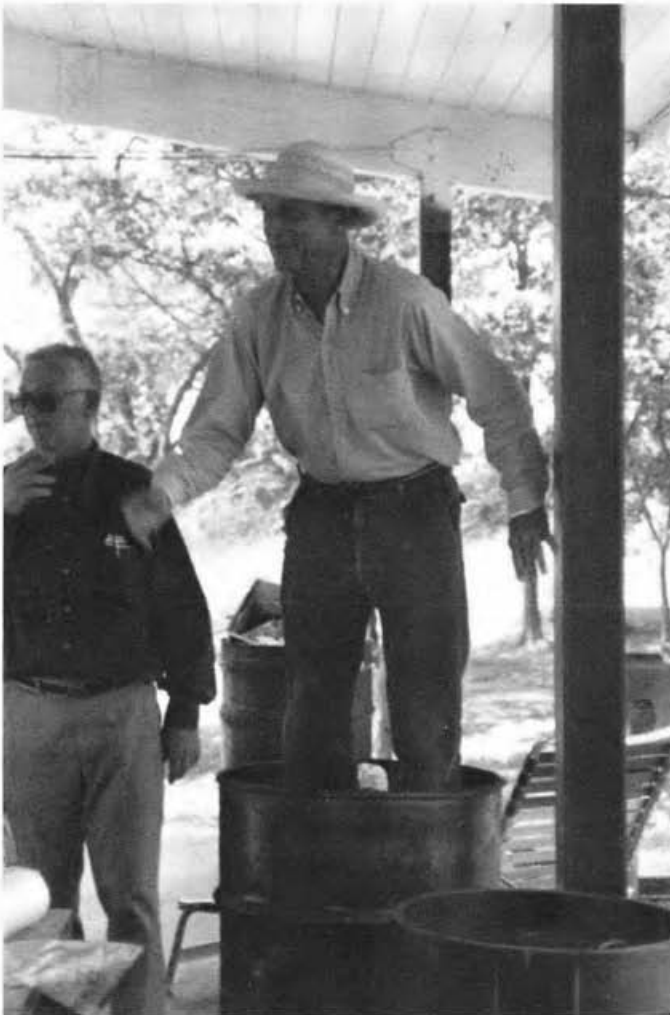

Our Treasurer passed your membership cancellation on to me. I'm sorry you feel as you do about Delta.

I do not apologize for our single-mindedness about our one-design Olympic style racing. Most informed sailors in the area, in and out of Delta, would agree that our clear and sometimes relentless understanding of our narrow purpose is the reason we are celebrating our fortieth anniversary this year. If we weren't racing, there would be no sailing club at Hernando Point, and no parking at Arkabutla at any price. Of that I am convinced. Our fees for all categories are a bargain.

Your truly,

David Dixon
Commodore
Delta Sailing Association"

And Mr. Dixon is a Thistle sailor!

A Boat + A Lake + Sailors = Fleet 31

by Jack Tibbs

This article is an accumulation of trivia concerning the combination of a boat, a piece of real estate and boating people interacting over the course of some 50 years.

Just over 50 years ago a sailing enthusiast named John Barnes had an idea for a new boat suitable for racing, day sailing and that could be built by a home craftsman. He approached the idea to two young naval architects, Sparkman and Stephens, who designed the boat to his specifications. In the summer of 1938, Lightning 1 was launched at Skaneateles Lake, N.Y. — ingredient #1 was born.

The boat was exhibited at the New York boat show and the Class was organized at that time with a Constitution and Racing Rules. Then, an amateur builder's book was published by Yachting Magazine and by the end of 1940 there were 400 registered boats. The class boat was an immediate success and many boats were built at home and by a new company, The Skaneateles Boat Company, located at that lake.

The next ingredient was a chance sighting of a Lightning sitting in a boat yard in Detroit by a young sailor from Devil's Lake. Barney Crittenden purchased the boat for \$450 and brought it to Devil's Lake. This Lightning, 22, was the first Lightning west of Buffalo, N.Y.

The next happening, and this is covered by other articles in this yearbook, involved people coming together to form a club and purchasing the property that is known as Devil's Lake Yacht Club.

With Barney Crittenden and Lightning 22, *Arrow III*, as the base, Fleet 31 is formed in 1940 and starts to actively sail in 1941. The other members of the group were Willis Porter, 299, H.G. Kruger, 317, and Bill Girkens, 480.

The class is developing fast in the Midwest and Fleet 31 is chartered in 1941 along with many fleets in Michigan, Ohio, Illinois, and Indiana. The Michigan, Ohio, Indiana district becomes an entity and many of the original hot Lightning sailors come from this area.

During the formation years of Fleet 31 the sailors that made the boats go fast were Barney and Jack Beal. The first organized District Championship is sailed in South Haven and Barney in 22 is the winner. The second championship is sailed at DLYC the following year, with Tom Sifert winning the Championship. Limited national competition is held during the war years. (1942,43,44) due to gas rationing. Host clubs provided the boats and they were assigned by drawing lots.

In 1944 DLYC has its first annual "This Ones for Fun" regatta. This regatta, now in the 47th year, is the oldest continuing Lightning invitational regatta in the world.

1945 saw an influx of new members and boats. Some of the sailors were Howard Rankin, Al Goldsmith, Dave Spitznagle, N. Robrbach, C. DeMerritt, W. Cornelius, and Tom Moine. Jack Beal bought 840 and wins the Fleet Championship.

The first Race Committee Chairman was John Oberst, who passed away suddenly in 1944. The fleet, as a memorial, purchased a trophy that was sailed for each year during the 4th of July holiday. That trophy has now been retired and in 1974 a new trophy, named for Doc Bryner replaced the Oberst Trophy. Doc Bryner was a very active club and fleet

member during the 50's and 60's, and added a zest to all the fleet activities. Other race committees during the early years were Maurice "Pappy" Crowe and Homer Marsh.

Lightning 2183, *Idiot's Delight*, has a 41 year history on Devil's Lake. First owned by Dr. Lowell Blanchard and family, it went through numerous owners and is still sailed on the lake.

1947 was the year of the "Big Blow" during the regatta. This is covered in another article in the book. Also, in this year, Barney presented a trophy to the fleet in memory of his father, C. P. Crittenden, who was an ardent Lark sailor, to be awarded to the Fleet Champion each year.

In 1948 the Lightning Class started its Winter Championship at St. Petersburg Yacht Club. This series is still sailed today and participation is sometimes up to 80 boats. Also in this year, Commodore Jack Gould donated a trophy to encourage early participation on Devil's Lake. This trophy is still presented to the winner of the Memorial Day series each year.

1948 brought forth a new young sailor. Bruce Goldsmith was the youngest sailor ever to become the National Nipper Champion. Bruce continued on in his sailing career in the Lightning, becoming the North American Champion in 1967,73,74 and 75. He also won the "Worlds" in 1969 and again in 1973. Bruce was also victorious in the PanAm games in 1967. He has also been a National Champion in the Rebel and Thistle classes of sailboats.

In 1949, Barney was elected to the post of Michigan District Lightning Commodore. A perpetual trophy was donated by DLYC to the Michigan district to be awarded to its District Champion. George Maludy won the Devil's Lake regatta that year.

The year 1950 saw young sailor Dave Spitznagle with crew Phil Joslin and Shirley Joslin winning all the trophies, including our regatta. Dave, with his crew, started in the fleet in 1946 and won championships in 1946, 1949 and 1950.

By 1953 the Lightning Class has grown to 220 fleets and 5300 boats. Barney Crittenden was elected Chief Measurer of the Lightning Class.

In 1954 Barney became President of the Lightning Class. The Michigan, Ohio and Indiana districts were reorganized and Michigan became a district of its own. Keith Whitehouse was the Fleet Champion in 1956, and new members of Fleet 31 included Doc Bryner, Carl Benz and Ken Kennedy.

1958-59 was the start of the Nuoffer years and Lightning production from the Beecher Street Boat Works. The first fiberglass Lightning, XFG-7, was sailed at Devil's Lake by Bill Girkens. The first "Dock Party" was started by the fleet to finance additions to the dock and Jack Beal was elected to the post of Michigan District Commodore.

By 1960 the fleet had grown to 22 registered boats. Bill Nuoffer and the fleet installed a new flagstaff with a jack staff. This flagstaff has been moved several times, but is still in use by the club.

In 1961 Kathy Kennedy became our first and only woman Fleet Champion. The fleet now has fiberglass boats and some of the wood boat owners are wondering how this could happen. Our new Race Committee is Helen Crittenden and Art Kunkle. The Lightning Class sailed its first World

Championship in Connecticut and Tom Allen from the Buffalo Canoe Club was the winner.

The Lightning became an International Class in 1963 with 9000 boats and 370 fleets in Canada, South America and Europe. Fleet 31 purchased a boat to be used as the race committee boat, the beginning of the *Mother Hen*. Barney started his R.C. career. Bill Nuoffer started a fleet newsletter called *Tiller Topics*. Jack Beal was a new ILCA Vice President, and it was also the start of the Sipel years.

1965 was the year of the tornado. Activity was slow getting started that year due to damage to some of the boats and club facilities. Forest Houck, the Club Manager, donated an award to the fleet to be presented to the DLYC skipper with the highest finish in the annual regatta. The first year it was presented to the Benz family, Steve, Bill and Maudy. Barney sold 22 and is now the permanent race committee, a job that he continued until 1983. The cost of a new Lightning with sails is \$3000.

In 1967 there were 31 fleet members. The night race was reactivated as an annual event. George Sipel, Jim Sayre and Jack Beal went to the finals of the Prince of Wales cup which is a match race event. They were defeated by Bill Cox, a well known international sailor. With Bob Morse as General Chairman, DLYC hosted the 1968 Sunfish National Championship. At the annual regatta we had a total of 148 boats, 48 of which were Lightnings.

In 1968 we had a record 155 boats at our regatta, 55 of which were Lightnings.

In 1970 the *Mother Hen* is retired and laid to rest in Hudson. A new pontoon boat is commissioned for Race Committee duty.

By 1971 George Sipel and crew of Jim Sayre and Moose Rigdon have dominated the fleet racing, putting together nine straight Fleet 31 championships.

The domination has ended in 1972 and Merrill Bales wins the Fleet Championship. He sails with great consistency, never finishing less than 3rd all year. Junior Champions that year are Joe Tibbs and John Morse. Jack Beal gets a Purple Heart after being shot in the sail by Barney during the DLYC regatta. DLYC hosted the Sunfish nationals for the second time and Lyn Nuoffer with Beth Tibbs as crew wins the Doubles Championship.

In 1973 the Lightning Class is going through major changes in the mast design. George Sipel comes back and wins the Fleet championship in 1973 and 1974. Sailors from the Tri-state area are coming in droves to our regatta to sail Barney's famous figure eight courses and "all clear" starts. In 1973 DLYC adds another class of sailboats, the 470's. In 1979 the 470 Nationals are held at DLYC with 60 boats participating. The fleet continued racing until the early 80's.

Merrill Bales wins the DLYC regatta in 1974. He is the first winner from Fleet 31 since Jeff Moehl in 1964. In 1976 Merrill Bales is elected Michigan District Commodore. Hank Hodgson is the Fleet Champoin.

Hank Hodgson is the new Michigan District Champion in 1977, a first for Devil's Lake since Barney won it in the 40's. This regatta is hosted by Devil's Lake and held at North Cape Yacht Club. Jim Morse is the Junior Michigan District Champion. In 1979 the district retired the District Championship Trophy, dedicating a new trophy to George Sipel. Merrill Bales is the Fleet Champion.

1980 found Hank Hodgson, with crew of Karen Hodgson and Marinus VanOoyen District Champion at Saginaw Bay.

In 1981 Bruce Goldsmith returns to Devil's Lake. He is District Champion. Jim Sayre, Merrill Bales, Jack Tibbs, Bruce Goldsmith are the District Team Race Champions. Merrill is the Fleet 31 Champion.

In 1982 Jack Tibbs is the District Commodore and Vice President of the ILCA. George Sipel, Jr. is the Michigan District Junior Champion. Devil's Lake wins the Michigan Team Race again.

Bruce Goldsmith and George Sipel are Michigan District Champs again in 1983. Bruce is a new ILCA vice president.

In 1984 George Sipel, Jr. is the Junior District Champion, Merrill Bales is the Fleet Champion and Chris Tibbs takes over as Race Committee Chairman.

In 1985 Jack Tibbs is elected Treasurer of the ILCA. The North Americans are at Tawas Bay, MI. Hank Hodgson is the Michigan District Commodore. George Sipel and Bruce Goldsmith are Michigan Champions again.

Beth Tibbs is the Michigan Woman's Champion in 1986 and George Sipel win the Junior Championship for the 5th straight year. Jim Sayre is the Fleet Champion.

There are 24 Lightnings in the fleet in 1987. 14200 boats in the ILCA. Dan Norton is the new Fleet Champion. Hank Hodgson wins the DLYC regatta. The first fleet reunion is held with 80 past and present fleet members in attendance.

In 1988 Lightning Class celebrates it's 50th birthday with a party at Skaneateles Lake, NY, with 227 boats in attendance. Tibbs, Goldsmith and Paullin attended. Pete Paullin wins the Green Fleet. Barney passed away in May of this year. A new trophy case has been donated in his memory. Dan Norton is the Fleet Champion. The Devil's Lake team of Hodgson, Norton and Sipel are #1 at the Team Championship.

Dan Norton, for the 3rd year in a row is the Fleet Champion in 1989. Jack Tibbs is elected President of the ILCA for 1989-1990.

1989 Adams Cup

by Jody Swanson

This year the USYRU women's championship, the Adams Cup, was sailed in Lightnings. In recent years the event has been held in keelboats, but the rotation back to a centerboard boat brought together many familiar faces. The event drew an extremely talented field of competitors; with a roster that included many regulars in the class, some newcomers, and a couple Lightning sailors were brought out of retirement.

The Milwaukee Yacht club did an outstanding job of hosting this event. Every aspect of this regatta came together without a flaw. From the minute we arrived to the time we left all the competitors were treated with royalty status. Fun, food and entertainment were in abundance. The organizers even went as far as inviting John Blissbee to document all our embarrassing moments, only to reveal to the public in his annual sailing movie. Cheers to all the organizers, they did a great job of representing the Lightning Class as well as producing a first class regatta! Also, the race committee should be commended for running a great series.

The Adams Cup finals brings together one representative from each of the USYRU areas. Competitors are required to sail in club, quarter, and semi-final eliminations before reaching the finals. This year there was a strong showing from each of the ten areas.

The event consisted of a ten race, round robin series. With all brand new sails, boats of the same vintage, and a great tuning job by Mark Bryant. Finding a boat speed advantage was nearly impossible, not to mention frustrating. When was the last time you sailed in a ten boat fleet with everyone going the same speed. It tends to put a little added pressure on your tactics. Conservative, consistency and comeback were three key terms to know and remember.

The races saw action in winds anywhere from 0-15. In general, the series was mostly sailed in light to medium breeze. The race committee kept us on our toes with course variations ranging from triangles, windward/leewards to olympic. With four USYRU judges on the water the competitors were strongly encouraged to play fair. Protests were held to a minimum.

Day one action on the battlefield included races 1-3. A nice consistent, medium strength breeze dictated the days action. After one day of racing it became very apparent to everyone that the competition was tight and the series would be close. At the conclusion of the day the scoreboard was as follows: Sandy Schodel (D) 9, Karen Ballistar (K) 9 $\frac{3}{4}$, Betsy Alison (A) 10 $\frac{3}{4}$, Joni Palmer (J) 10 $\frac{3}{4}$.

The next day once again saw three races, but in an off-shore breeze. The day started in a manageable medium breeze, which gradually built to see our hiking straps and backstay getting a lot of exercise. The scoreboard after the second day of racing showed some re-arrangements. After paying for the cheap seats on the starting line in day one, the Area E representative, with a remarkable crew of Jill Swanson, and Kathryn Richie, decided to exercise the three key terms. They put a little extra emphasis on comeback. After six races the fleet stacked up as follows: Jody Swanson (E) 17 $\frac{1}{2}$, Betsy Alison (A) 20 $\frac{1}{2}$, Joni Palmer (J) 20 $\frac{3}{4}$, Karen B. (K) 22 $\frac{3}{4}$. After the completion of a little more than half the races, the series was still fair game for everyone.

The series was concluded with four races on the third day, Thursday. After the race committee and judges called a short on-the-water conference to discuss the threatening weather forecasted for Friday, the decision was made to complete the final race of the series on Thursday. The decision brought mixed emotions among the competitors.

Conditions on Thursday ranged from sun, clouds, rain, wind, calm, shifts to a steady breeze. Every condition imaginable, with the exception of snow, was experienced. Throughout the course of the day the race committee's patience was put to the test. After 2 $\frac{1}{2}$ hours of sun bathing on a mill pond, and many abandoned starts due to a persistently shifting wind, the sea breeze finally filled in. When competition resumed conservative racing and consistent finishes proved to be victorious.

When the final scores were posted the results were as follows:

Jody Swanson, Jill Swanson, Kathryn Ritchie (E), 28 $\frac{1}{4}$
Joni Palmer, Joyce Ferguson Spring, Marcia Rohan (J), 32 $\frac{1}{2}$
Betsy Alison, Bonnie Shore, Amy Hawkins (A), 44 $\frac{1}{4}$
Karen Balistreri, Vicky Matthews, Liz Merrifield (K), 46 $\frac{3}{4}$
Sandy Scheda, Gail Murphy Heausler, Penny Hall Roark (D), 48 $\frac{3}{4}$
Susan Lawser, Amy Lawser, Sarah Lawser (C), 49
Nina Cuccio, Wendy Lotz, Gisella Wagner Myerson (B), 66
Stephanie Wondollet, Sara Jane Makieksi, Melinda Green (G), 71
Ann McLean-Henderson, Karen Christiansen, Allison Parker (H), 73
Denise Mitrano, Linda Dianne McKee, Joanne Weberlein (F), 90.

The event was concluded with a wonderful banquet and trophy presentation. Elaborate trophies were awarded to the top three finishers, and many door prizes were given out compliments of all the sponsors.

Congratulations are in order for all competitors, as well as all the organizers!

1989 Canadian Open

Pointe Claire Yacht Club and Fleet 499 host the
1989 Canadian Open Lightning Championships

The regatta was marked by some very unusual weather, predominantly light easterly winds, some brilliant sailing by a local crew who revel in heavy air and an excellent turn-out of Canadian and Americans sailors.

After an exhaustive press campaign and direct-mail effort mounted by the host club and Lightning Fleet 499 the fleet was expected to top the 21 who showed up for the 1988 Open hosted by Royal St. Lawrence Yacht Club. This year 24 boats and crews arrived from as far afield as Brick, New Jersey (Jody Lutz) and Thunder Bay, Ontario (Ross Bailey).

Due to the conflict with the European and World Championships many of the familiar faces and past winners including Peter Hall, Tom Allen and Larry MacDonald were sadly missing. But their absence did nothing to detract from a first rate job of race management by Peter McBride and his team, nor the weather which was ideal for inland lake sailors. There were two races slated for Friday the 23rd of June, three on Saturday and one on Sunday.

Due to extremely light conditions the fleet was wisely kept on shore for a full three hours until the first signs of a breeze. Perhaps it was the long wait that raised adrenalin levels, or perhaps it was the current of the mighty St. Lawrence but in any event, there were a few general recalls before Race One got underway. Eddy Martin, who finished second in the 1987 "Worlds" was a big winner. In fact he was so far in front we wondered if he hadn't learned some big secret in his new Tornado that made conventional Lightning sailing truly obsolete. Ross Bailey was second followed by Jody Lutz, Bill Fastiggi and the downwind flyer, Dave Sprague. That was all the racing for Friday and we repaired to the bar for a few glasses of cleansing ale thoughtfully provided by Labatt.

Saturday we faced more of the same light weather from the east. Somehow the RC managed to get a race away in extremely light air and at the first mark Jay Mann, Trevor Bain and Perry Owen in *Ugly* took off with a huge lead. For dedicated heavy air sailors who specialize in hiking their innards out this was quite a coup. And surprisingly, even though they themselves were not expecting to do too well in the light stuff, they excelled, opening up larger and larger leads on each leg of the course.

Bill Fastiggi, sailing with Christie Wardwell and Doug Lessing, managed to hang in for a well-earned second place in extremely trying conditions and Bill Cohen, with George Deyett and Barb Buck, finished in third place.

The third race was a replay of Race Two with Jay Mann leading the fleet to the first mark, opening a huge lead and winning by plenty, followed by Dave Sprague, Jody Lutz and Ross Bailey in *Sparkie*.

On Saturday afternoon after a number of very aggressive false starts and general recalls the most interesting race of the series ensued. Initially the wind was very light and shifty, and the Saturday afternoon motor boat wake made conditions as miserable as they can possibly be in a Lightning. Eddy Martin leapt to an early lead and never relinquished it. Far from the horizon job in the first race, he won narrowly from Jay Mann, who made the greatest comeback since Lazarus. Then following Keith MacDonald, Ross Bailey and John Swanson. According to the mark boat report Jay

Mann rounded the last leeward mark at least in eighth position and immediately went hard left, close to the Pointe Claire shore. He was trailing the leaders by nearly two minutes at the time and his choice was to prove decisive to the outcome of the entire weekend's racing.

Asked later what made him choose to bang the corner so hard, Jay said, "There was wind in the bay beyond and we knew it was only a matter of time before it filled in between us and the mark." In any event Jay Mann and his *Ugly* crew went from eighth to second and it was the first time all on board realized the title was truly within grasp. Paul Elvstrom once said something like, "What can be seen, must be seen". Crewman and all around character, Perry "I wanna hike" Owen said later it was truly Jay's call that sent them left and "with a bit of luck we could win it".

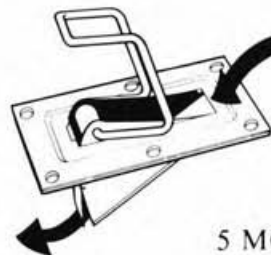

Race Five on Sunday morning was perhaps the biggest horizon job of the season. Again Jay Mann picked the right side of the course, crossed the start line on port tack after having to avoid a favoured pin end starting line melee and found himself almost laying the first mark. He proceeded to round the first mark in second place behind Sue MacDonald-Rogers. With a very light breeze to propel them up river against the current and in light and shifting wind they went on to record another win and a lock on the 1989 Canadian Open.

Worried about possibly fouling out, or in any way tempting fate, they elected to sit out the sixth and final race. The title was safely in the hands of three local sailors, and not a professional sailmaker, boatbuilder or outfitter among them.

"The fact that we won makes us very happy", said Perry Owen, "but that we are strictly amateurs shows us how far hard work, preparation and commitment can take you." Asked about the next goal in their '89 campaign, Perry mentioned the St. Lawrence River Districts which are the local qualifiers for the North Americans, to which they plan to send themselves with a real chance of hunting down some gaudy metal.

Second overall was Jody Lutz with crew Jody Swanson and Mike Montani, followed by Bill Fastiggi. Fourth was Ross Bailey and fifth, John Swanson.

So, until 1990, the local boys from Fleet 215 at the Royal St. Lawrence Yacht Club can claim bragging rights over all the Canadians. Another Fleet 215 member, Peter Hall, has just won the World Championship in Greece. This, following Eddy Martin's (with crew Perry Owen and Jay Mann — sound familiar?) second place at the last "Worlds" in Colombia, and Peter Hall's silver medal at the 1987 PanAm Games proves there's at least one yacht club around that is teaching the juniors well. At any rate the local boys were heroes and their victory was even more remarkable because Trevor Born had only just signed on and was, according to Jay Mann, "the lightest and quickest crew we ever had on the foredeck."

Certainly, sailboat racing on a long weekend isn't the worse way to spend three days, and for a couple of hours leading up to prize-giving and for the few after, there were three very happy sailors who couldn't think of any way to spend the time better. Congratulations are in order to this crew and keep an eye open for them at the NA's this year, because the boat they roll just might be yours.

snug, sound, **LIGHTNING** covers made by sailors for sailors

Covers for your sailboat are made of preshrunk duck Vivatex treated to repel water and resist mildew.

OR the new, durable 100% acrylic 'Sunbrella' fabric, water repellent and mildew resistant will withstand years of marine weather.

All are expertly sewn with strong, mildew-resistant Dacron thread and feature rustproof grommets. Same-day shipment direct from manufacturer.

COCKPIT COVER

Double stitched seams, heavy duty nylon zipper, adjustable mast collar. Strategically placed grommets for securing.

Pearl Gray Duck \$49.50
Sunbrella Acrylic \$65.50

COMBINATION DECK/COCKPIT COVER

Covers entire deck, includes adjustable Velcro closures for stays, nylon zipper, bow and stern vents, synthetic draw rope and adjustable mast collar.

Pearl Gray Duck \$161.95
Sunbrella Acrylic \$198.95

TRAILING/STORAGE COVERS

With nylon/Zipper

\$225.00

Zip away top for easy installation and access to cockpit. Reinforced patches at critical stress points and protruding deck fittings. Tie straps and D rings strategically placed for final securing. Center board area has reinforced drain holes.

MAST COVER

\$60.50

WOODEN MAST COVER

\$69.50

Protects all fittings and halyards. Dot fasteners and full length zipper for fast, easy closing. Red trailing flag included.

RUDDER COVER

\$18.50

Flannel lined, water & mildew canvas. Light weight and easy to store. Quick closing dot fasteners.

FREE repair kit (List price \$3.00) with any order of \$25.00 or more. Domestic shipping charges prepaid. Add local sales tax on New York shipments. Send check or money order and address to:

The 37th European Open Championship

by Nancy Bargar

I signed on in March to go to Greece with Tom Jr. For years I'd dreamed of going beyond a North Americans and this was my chance — the first time I was in a work situation that allowed for a summer vacation, and quite honestly, the first time I'd been asked.

We'd sailed together at spring and fall regattas and on the Circuit in the years since my brothers stopped skippering Lightnings. The Lightning class, unfortunately, is still in hiatus here on Chautauqua Lake where its aficionados remain in the childbearing mode.

As the date neared, I had some reservations about my physical and mental readiness for this challenge. After a pretty demanding season of cross country ski racing, I'd slacked off and homeowner chores had kept me from much aerobic activity in the spring.

Home seemed harder and harder to leave. At my age, peonies in bloom are something you don't want to miss in your backyard. We wait all year in western New York for our short summers and here I was taking off for two weeks. Doesn't sound like much, but factor in the preparation and the expense and you've got a mighty commitment. Even in our age of faxing and fetching messages, it's hard to be away for such a stretch.

Jill and I had sailed around each other for years, but I don't believe ever on the same boat. Together for the first time we were second to Tom Sr. at the Cornball Regatta down the street from my house two weeks before departing for Europe. That was helpful though not particularly promising given the competition we would face at the international level.

Tom had arrived in Athens a few days ahead of Jill and she was a day ahead of me. All in one place, we assessed the situation and rather quickly fell into our own particular method of attack.

Jill and I roomed together with Tom's sister, Jane. For several days we felt glued to the beds when we knew it was time to rise. Jet lag, I suppose. Basically, as Peter Hall noted in his article on the 'Worlds', the routine was free mornings, assembly for boat rigging and lunch at the yacht club, launching, and starting mid-afternoon.

Jill and I had our little rituals: filling used water bottles for on board dousing, packing colder ones for refreshment on the offwind legs; hosing ourselves from head to toe before casting off; selecting just the right sun protection factor for the day; switching from flip flops to shoes just after the gun sequence began.

We put the boat away at what you might call our normal stateside dinner hour, showered and made a plan for the evening with dinner around 10 and bed in the wee morning hours. Sundown meant comfort, not "bring a sweater." There was an outdoor cinema around the corner from the hotel where you simply found a lawn chair and enjoyed the movie as if you were in your backyard. Dining outside was the rule. One night the waiter set a table in the street which didn't seem unusual to the locals. We rehashed races on rooftops and balconies, danced dockside, and found an

Photo credit: Jane Allen

outdoor Dylan concert complete with riot control police.

We all have our own ways of prepping and relaxing and in all fairness, we know there is more than one way to win a sailboat race or two or three. Tom went through, I believe, eight fantasy books on this trip, preferring quiet time to much pre- and post-race social life. It seemed a little strange, but it worked for him.

To the victor of each race went the thrill of seeing his country's flag flying from the yardarm of the Yacht Club of Greece high above the harbor. The American flag honored our finishes three times that week.

You may be wondering how the sailing was. Well, I have enlisted the help of Jill and Tom in recounting the most important parts of the week, the tacks, the trims, and the tricks. The following is a synopsis.

Race One: 6/25 — 11th place

We started near the boat end of the line. Our start was less than stellar so we tacked to the left. After clearing our air we came back on to starboard and searched the damage. Urs Wyler had moved out on the fleet, moving a little faster than us, and everybody else also. Moving away from the pack with Urs was Alberto (Tito) Gonzalez, Peter Hall, and Ched Proctor. We moved around in the fleet between eighth and fifteenth, ending up in eleventh place. There was some place trading up front, but other than Matt Burrridge's drive to fourth on the last leg, we did not get to see exactly what happened. After the race we felt that we could get a little more speed by retuning for the conditions; so that night we did.

Race Two: 6/26 — 5th place; winds — 170 degrees, 10-12 mph

On the way out to race two the boat seemed to accelerate through the chop better. We hoped the retuning helped. The boat end was a little favored; so we tried for it. After a good start our speed seemed very good. By being a bit faster and playing the left side shifts we rounded in the top ten. Things stayed close throughout the race. We moved up to around third or fourth but lost Manuel Gonzalez and Marcello Attina to a large left side shift.

Race Three: 6/27 — 1st place; wind — 170 degrees, 10-12 mph

Going out to the third race the wind was in its familiar pattern shifting right on the way out to the race course until reaching 170. Hoping that the pattern of races one and two would hold, we started off the favored pin and went hard left. With good speed we were able to pull away from the pack and rounded the first mark third. Nicholas Dimoy and Christos Bonas from the Greek contingent were ahead. We slipped by Christos on the first reach; and stayed close enough to Nicholas to get him on the run. We covered the fleet up the last leg to secure the win and the rising of the US flag for the first time that week.

Race Four: 6/28 — 1st place; wind — 155-170 degrees, 10-12 mph

Same conditions once again. We had a good start in the middle, a little closer to the boat. Our speed put us out in front on the left and we were able to stay there for the whole race. The wind was much more unpredictable this race than the others. Urs Wyler who rounded second dropped to eighth before finishing sixth. George Andreadis rounded seventh moved to third and finished fourth. The most impressive move was from Tito Gonzalez, tenth to eleventh, then back to finish second!

Race Five: 6/29 — 12th place

On the way out to this race we talked about the points of the other boats. With a drop race; Allen-7, Read-9, Urs Wyler and Tito Gonzales-11. The pin was better. We tried but we were beat for the best start by Hartti Nisonen. After a good start we sailed poorly; concerned more with keeping Brad behind us than getting ahead of the pack. We rounded in the top ten. The rest of the race was sailed backwards to a twelfth place finish. Meanwhile Peter Hall led most of the way to a first.

Race Six: 6/30 — 1st place — 15:21; 17:23; 17:37; wind — 170 degrees; 10-12 mph

The scores going into the last race; Read-16, Allen, Hall and Wyler all with 18, Manuel Gonzalez-19, Proctor-21. All of us very close and all capable of winning. After our bad finish the day before we went back to sailing our own race; and let the others duel with each other. Once again, a good start and speed to get away from the pack. At the first mark we were in second just behind Ched. It was very close but we had just enough speed to slip by Ched on the second beat. After that we just loosely covered on the last two legs to finish first. The shock set in on the sail in. We were happy to see the American flag flying for our European Open Championship victory.

This was the first major championship I had ever had a hand in winning. What a feeling and what a start. Tom has gone on to win the North Americans, Jill, the Adams Cup

and the Rolex International Women's Keelboat Championships this year. I'm not surprised. The Allens and the Swansons are sort of a breed — we're talking generations of Lightning sailors.

The Allen family's association with speed in the sport is legendary. Jill's parents met on a Lightning, too. A Buffalo Canoe Club regatta seems a bit incomplete if the kids aren't all skippering. Jack Swanson wasn't a part of the race committee and Jean isn't supervising the patrol boats.

The wizard may have been with us for the Europeans — at least that must be what Tom hopes for when he names each of his boats *Gandalf* (and that's a lot of times when you're a builder). But if anyone were to ask me what made our effort work at this particular time and place I'd say an experienced skipper whose time had come and an experienced middle woman who has steered, who really knows how to fly the chute, and who can communicate vital information forward and aft.

The three of us were comfortable with our respective boat positions. There was also a closeness between Tom and me and between Jill and Tom that had been cultivated. They're both teasers. Jill's fun and she knows how to skillfully deliver constructive criticism. And Tom can laugh at himself. He doesn't care if he's the only one out there with a long sleeve shirt in 110 degrees... the only one to spend two weeks in Greece without getting a suntan.

Hats were key. I think Tom would sooner have lost a race than the hat he inherited from Grandfather Karl Smither. Some wonder how Tom can feel the wind on his neck with this Lawrence of Arabia style covering — he did OK, thank you. His fiancée, Lora, talked him into a new pair of prescription sunglasses for the occasion — the clip-ons were left behind.

Tom wants you to believe he only owns one pair of short pants and his long blue velours. But it was Jill's sister, Jody, who figured he was carrying the conservative approach just a bit too far so she had Jill hand deliver a "good luck, go fast gift": black and purple plaid flannel shorts. Thanks, Jody!

For those of you who have yet to make a "Europeans" or "Worlds", it's a good goal. As corny as it always sounds, we met super people and got to know our old sailing buddies better.

Tom enjoyed an extra day in Greece aboard the Andreadis' yacht. Jill spent an extra week touring in the islands. Happy and fit, I headed home, laden with pistachios, sponges, and a video. The grass had grown. The weeds had waited. And after more than 10,000 miles of travel I had a new appreciation for an old civilization and an inspired outlook on a favorite sport.

Greeks of the Yacht Club of Athens

ODE ON A GRECIAN WATER BOTTLE

(With sincere apologies to John Keats)

Thou cool and refreshing elixir
Bounty of a thousand springs
Dotting sun parched hillsides where
One uncap't tilting brings
Relief temporarily.

Thou mysterious plastic urn
With refreshment of Athenian rain
How can one consume in turn
Liter upon liter, o'er and again
And never have to pee?

15th World Championship - Greece

by Peter Hall

Four thousand years of sailing! Can you imagine tacking up-wind and identifying the weather mark as just to the left of the Acropolis in the background? How about starts at 3:30 p.m., dinner at 10 p.m., party, sleep at 2 a.m. up at 10 a.m. to complete tours of various museums, archeological sites, islands, etc. of and near Athens. Finally, can you imagine the hospitality, friendliness, and wildness of the Greeks? All that, and more. We really did enjoy ourselves.

Forty-five competitors from eight countries enjoyed intense competition in three light-air shifty races and in three medium to heavy air races. Elias Caronis deserves congratulations on superb race management and race committee work — and condolences for the excruciating pain he must have felt in dealing with “abnormal” shifty winds and weather systems. All the competitors appreciate and thank the Yacht Racing Club of Athens and Piraeus Sailing Club for organizing this event. A special thanks go to Anna and George Andreadis for their support, efforts, organizational skills, and their lawn party. The Regatta Office was most helpful and the computer results summarizing mark roundings and finishes were great fun and the cause of much conversation. Amazing recoveries and, yes, great falls were recorded — no lies, sailors.

The detailed results were listed in the August *Flashes*. Without boring you with the details, we were obviously pushed by Americans and South Americans. Matt Fisher, Ched Proctor, Brad Read and their great crews put in excellent, consistent results and finished second, third, and fourth respectively. George Andreadis of Greece showed good speed in the heavy wind and finished fifth. Manuel Gonzales, the past World Champion, struggled in races one and two but finished sixth overall. Had Tito Gonzales not met some back luck, he would have been right up there.

Incidentally, race one was actually resailed as the last race, so race two was the first race to be finished. The first day of sailing was abandoned due to wind craziness!

Thanks to great crew work from Mark Osterman and Al Boucher and some luck in hitting good wind shifts, we finished with a 1,24,2,1,4,8 for 16 points overall. Although work commitments, Canadian winter, and non-availability of the boat didn't lend itself to maximum preparation, we benefitted a great deal from the training at the European Championships. Mark, who had not sailed with us before, did a good job of integrating into our system.

After a number of recalls, the first race started in light northeasterly winds. The “big guns” went right early, we “sucked gas” and went left towards shore, and rounded the first mark sixth. On the second weather leg, Matt went right again to check out Colin Park's lift, and we snuck by. One leg later the wind came from offshore, and we won; Tito, second; Matt, third; and Mario Buckup, fourth.

Race two must have been fun for some people — for us it was unmitigated disaster. The computer sheets don't lie; twelfth to 39th on one leg — the doldrums were no fun! Ask Colin Park and Urs Wyler. I have no idea what really happened, but left was not the “right way”. Matt sailed well and won, followed by Marcello Attina and Tom Allen, Jr. The computer graphs of this race show tremendous free falls and come-backs. Congratulations to those who kept their heads.

Photo credit: Jane Allen

In race three the sea breeze from the left paid on the second weather leg, and some boats used spinnaker to approach the weather mark. In demonstrating his commitment to excellence, Brad and crew tacked with their spinnaker up! Not real easy, but funny. Manual won; we were second; Brad, third; and Mario, fourth.

Race four saw some good “Meltemi” winds, we benefitted from a good “left hander” on the second weather leg, and we lucked out and won. Tom Allen, Sr., demonstrated lots of speed and hiking in the wind to finish second, followed by two Italians, Gaetano Pellizzaro and Marcello. At this stage in the series, we were surprised to find ourselves with a good spread in points. Our strategy turned ultra conservative.

More “Meltemi” winds for race five, mark roundings were steady, and Tito won; Ched, second; Manual, third; and we were fourth. The last race in medium/heavy winds caused some excitement. We were in the sewer at the first mark (17th) and needed great crew work to claw our way back to eighth by the end of the first triangle. Brad won; Matt, second; and Tom, Sr., third.

Many of the well-known sailors (Melges) write about starting fast, rounding the first mark in the first five, and work to the front of the pack. In our case, in only two races did we reach the first mark in the top ten, and we were able to make a majority of our positions and points on the second weather leg. So much for the authors. Looking up the weather leg paid off a great deal more than shifting gears and maximizing our immediate speed. This time the Greek Gods were on our side.

For those I have not mentioned, I apologize and plead lack of space. You are all important in the success of our sport. We should all celebrate good sailing, fair sailing, and further developing sailing friendships in the panoramic setting of Piraeus/Athens. Everybody is a winner in this type of experience. Thank you Aristotle, Socrates, and all Greeks for providing us the opportunity to share your culture, philosophy, warm climate and life.

World Champions

1989 World Championship

by Matt Fisher
Runner-Up

The 15th Lightning World Championship was held at Pireaus, Greece from Sunday, July 2nd through Friday July 7th. The series consisted of six races with one throwout and one race scheduled for each day. Peter Hall of Montreal, Canada with his crew of Alain Boucher and Mark Osterman won the event with consistent sailing and by impressive 2-1 finishes in races 3 and 4.

The European Championship was held the previous week from June 23rd through June 30th in the same location and was open to all competitors. We chose to skip the Europeans and arrived on Thursday the 28th. With totally different wind conditions between the two events, we were happy that we did not sail in the Europeans.

The events were hosted by the Yacht Racing Club of Athens and the Pireaus Sailing Club in conjunction with the Hellenic Yachting Federation. There were 45 boats in the World Championship. Eight countries were represented with the breakdown as follows: Canada-2, US-13, Greece-6, Chile-2, Brazil-2, Italy-11, Switzerland-4, and Finland-5. The regatta was sailed in Phaleron Bay which is the body of water formed by Pireaus on the west and Athens on the north and east. The Bay lies basically north and south. The sailing area was almost five miles wide and opened out south to the Mediterranean. There was absolutely no current effect during the two regattas. On a relatively clear day one can see the Parthenon to the north and the beautiful island of Aegina about 15 miles directly south of the race course.

During the European Championship there were "typical" thermal conditions. Like clockwork, the wind would come in at 3:00 at 180 degrees and blow 10-15 mph. By 5-6:00 pm the wind would drift to 160-170 degrees making the left side of the beat favored 75 percent of the beat. We watched the last race as Tom Allen, Jr. and his crew of Nancy Bargar and Jill Swanson won the race and also the regatta over Ched Proctor, Manuel Gonzales, Brad Read, and Peter Hall, in that order.

Since most of the competitors sailed in the Europeans, there was no practice race. The Race Committee moved the starting time back to 3:30 p.m. for the World Championships to get, hopefully, the best punch out of the thermal.

First Race

On Sunday afternoon, between 12 and 3:00 p.m. the wind was blowing 12-18 out of the south. We had four general recalls and the first race started at about 4:00 pm with 8 mph of wind. Up the first beat the wind slowly died and went right. We bailed out from the left to round the first mark second behind Paul Gelenitis in drifting conditions. Half-way to the jibe mark the wind went about 120 degrees to the left with 12 mph of velocity. We rounded the jibe mark first and after several 30 degree shifts the Race Committee wisely (but unfortunately for us) called the race off.

The next day brought about nearly identical conditions as Sunday. Between 12 and 3:00 p.m. the wind blew 12-18 mph out of the thermal direction (south). After several recalls the wind went 45 degrees left and stayed. The RC started the race in about 15 mph heading toward the shores of Athens.

We played the shifts up the middle and rounded the first mark 3rd behind two Italian boats, Marcello Attina and Pietro Marino. We passed both downwind and rounded the leeward mark first with a one hundred yard lead over Attina, Tito Gonzales, and Peter Hall. We sailed conservatively up the second beat and lost Hall and Gonzales, who went hard left. On the dead downwind leg the wind went back right 45 degrees and picked up to 20 mph. Peter Hall won; Tito Gonzales was second; we were third; past Champion Mario Buckup, from Brazil, was fourth; Marcello Attina, fifth; and Brad Read made a strong comeback for a sixth.

Second Race

The second race started out similar to the two previous days. During the first beat the wind was 180 degrees and relatively steady. We sailed up the middle and rounded the mark first, with Ched Proctor second. On the first reach the wind went wild. It died, shifted 100 degrees, died again and then picked up out of the original direction at a steady 8 mph. Positions changes were astronomical, but we were able to at least stay in second. We passed Tom Allen, Jr., upwind and went on to win the race with a comfortable lead. At this point we lead with a 3-1. Our next competitor was Tom Allen, Jr., with a 10-2. The fast Marcello Attina of Italy and Tito Gonzales of Chile each had two excellent races but lost them due to DSQ's.

Third Race

The next day the locals were preaching that the coming day would be shifty because the "Mistral" was trying to come in. In Ohio we call the 100 degree wind changes that we experienced the first three days "shifty" so we really didn't know what to expect. The "Mistral" is possibly the largest thermal in the world. This is actually when North Africa creates a strong thermal condition that affects the entire Mediterranean. This Northerly is the prevailing wind in late summer but it has several days of battle with the local thermal until it wins. Unfortunately we raced during those days and the third race was a goofy one. The race started in a dying 8 mph breeze from the south. The wind went right at the start and we rounded about 12th. Most of our closest competitors were behind or near us (Hall, Gonzales, Read, Proctor and Buckup). On the second beat the wind went left 90 degrees and Hall and Gonzales each picked up about 12 boats to round 1 - 2. We dropped way back. Brad Read was third, Mario Buckup fourth, and Eric Larson, who sailed an excellent series, finished fifth. This race obviously scrambled up the series but also gave several of the leaders some very good throwouts.

Fourth Race

On Thursday the "Mistral" truly came in big at a strong 18-22 with some puffs up to 30. There were strong 25 degree shifts and the corners paid big dividends. At the end of the first leg Attina led, followed by Allen, Sr. and Gonzales. On the second beat we were eighth, with Proctor sixth and Hall 10th. We played the shifts up the middle to round seventh

but Peter Hall went aggressively left and won the race. We dropped back to 11th and Peter won. This was a massive point swing from which we and many of the other competitors never recovered. Tom Allen, Sr., was second (he is becoming quite the heavy air ace nowadays), the young Italian Gaetano Pellizzaro was third; Attina, fourth; and Class President, Bob Wardwell, fifth.

On Friday the RC was confident that the Northerly would be in all day so we started at 11 a.m. with two races back to back to complete the series. The wind was 15-20 mph for both races with 20 degree shifts. With Peter Hall in the lead we had decided to sail more aggressively. I think many of the other middle-of-the-beat sailors (Brad, Ched, Mario) had the same thing in mind. Unfortunately the first beat we were aggressively on the wrong side. Hall was fourth, Proctor second and at the first mark we were about 12th. Tito Gonzales won the race followed by Ched Proctor and Tito's brother Manuel. Tito, who crewed for his brother Manuel when they won the Cartagena 'Worlds' in '87 sailed a very impressive series. He and his crew unfortunately broke their rudder in the fourth race while he was in very good shape. He surely could have been second overall had that not happened and probably would have given Peter a good run for the championship. During the race we came back to sixth so now Hall had us by 13 going into the last race and we had four boats within five points for second.

Sixth Race

We pushed the line hard and worked our way out to what we thought was the favored left side. We salvaged our position with a good left hand shift at the end of the leg. Brad Read was first and we passed two boats at the mark for fourth while Peter Hall was in 17th. During the course of the race we worked our way up to first but Peter was in 6-9th place so our battle was more for second in the regatta. We

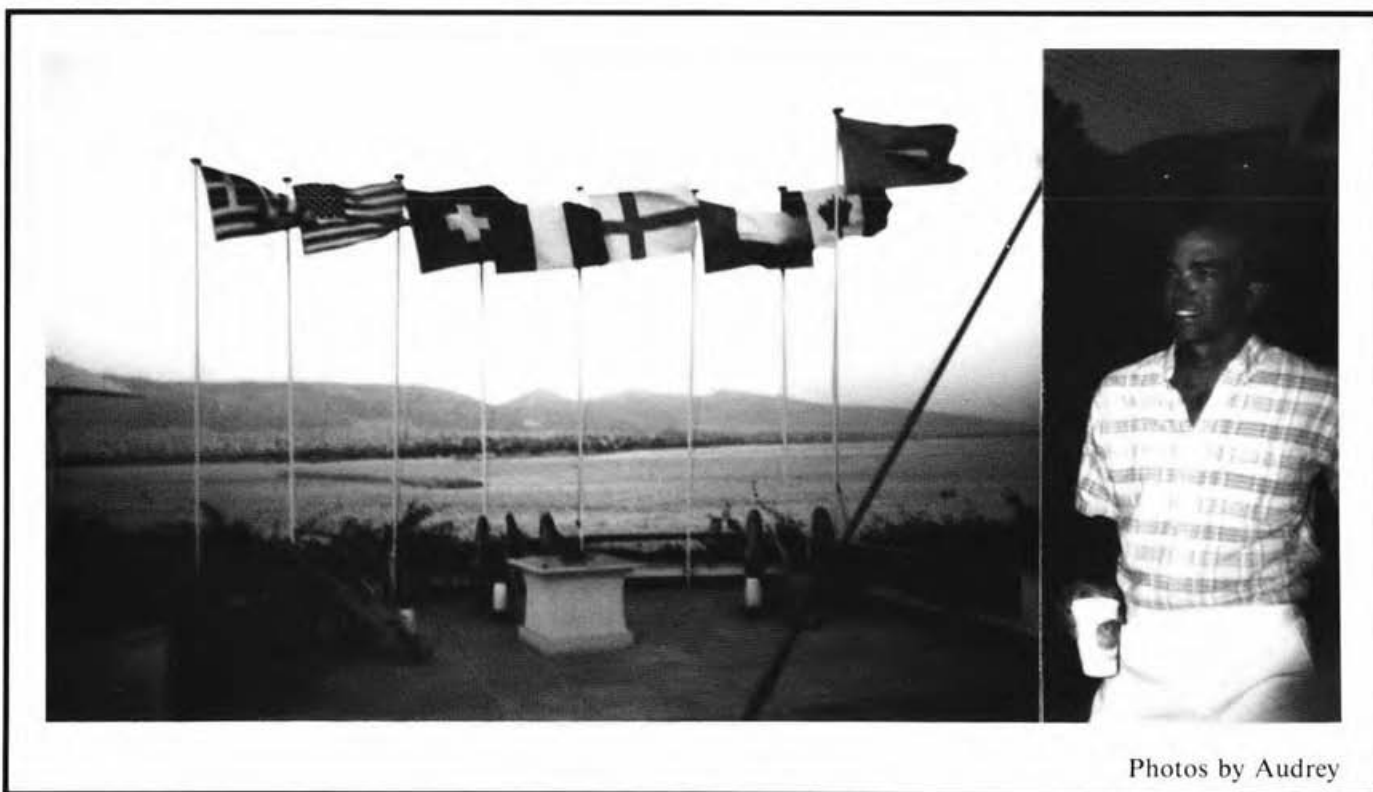

stayed with Ched Proctor who had worked his way up to fourth and we crossed the line second for a second overall. Peter Hall and his outstanding crew of Mark Osterman and Alain Boucher won the regatta with an impressive 16 points. My crew of my brother Greg and Joyce Ferguson were second with 23. Ched had 24, Brad 25, and George Andreadis sailed a consistent series to finish fifth.

The Lightning World Championship is a spectacular event. The level of talent in non-U.S. countries is at an all time high. I personally have not sailed at a "Worlds" outside the U.S. since 1975 and was very impressed. The Italians were strong, especially upwind in the medium air. Two-time European Champion Marcello Attina rounded the first weather mark in the top 3 in 4 races. The Chilean Gonzales brothers and, of course, Mario Buckup, Brazil also are very strong contenders and all could easily win the "Worlds" on the next trip.

Peter Hall sailed an aggressive series. Normally, he is a conservative sailor who relies on his speed and is content to string together five races in the top five. Peter hung out a little further and reaped high gains on many second weather legs. He truly earned the gold flash.

The Yacht Club of Athens and Piareaus Sailing Club organized a great event. For the non-sailors there was always a well planned day trip or cruise around the historic area. The facilities were first class and the races were very well run with many tough decisions made at the right time. Our hosts were very hospitable and other than enabling several taxi drivers to take early retirement the sights around the area were magnificent.

We should do whatever we can to enable the non-U.S. competitors to come to the next "Worlds". We have a lot of great talent and fun people in the Class. Good sailing Peter, Mark, and Alain!

1989 Junior North American Championship

by Sean Fidler

The 1989 Junior Championships were sailed at North Cape Yacht Club on August 7-11. Seventeen boats competed in the event which was sailed in moderate to light conditions about one mile off shore.

The crew, Chris Decker (middle), Eric Deeds (bowman), and I thought we should go a day early to practice. The sailing conditions were great! As a team we needed practice, since this was our first time sailing together. It blew 20-30 knots and turned out to be a wild ride. We felt our speed was good but when we got in, referred to the tuning guide and made some necessary adjustments. The next day we measured in and practiced some more then returned home for a good night's sleep.

Race 1 — The wind was light out of the SW. We managed a nice clear air start. After talking to the locals and learning that the thermal comes out of the SE, we decided to sail the left side of the course, hoping to gain some sort of advantage. Unfortunately the wind went slightly right and we reached the mark a disappointing 7th, behind Sipel who was faster out of the left corner. Then we simply fought back to third, while Vanderhorst passed Millar for the win.

Race 2 — The wind freshened to 10-15 knots out of the S-SW. At the start we won the favored pin-end. We finally tacked to cover the fleet who had begun to tack to the right side of the course. There were two boats that looked noticeably faster than the rest, one of which was Sipel. They were both ahead and to leeward and when they tacked they looked good, so we tacked, hoping to be faster or for a favorable lift to cross them later. We were slightly faster but a persistent shift was on their side. Finally, the wind came back enough for us to tack and barely cross on port. When across, we tacked to cover and had a five boat-length lead at the windward mark. We worked well as a team and Chris' excellent spinnaker trim opened up a ten boat-length lead at the jibe mark. By the leeward mark it was a comfortable fifteen boat-lengths. We covered for the win.

Race 3 — The wind was very light, 3-5 knots from the south. We started poorly, but had great speed. We were trying to stay in phase when Eric noticed a problem. Not only were we well back in the pack but, some boats behind and to the left of us were on a big lift. We tacked immediately hoping to find the shift before the leaders. At the windward mark the Masters' Fleet, who had started ahead of the Juniors, were arriving at the same time due to this massive shift. This made for an interesting mark rounding to say the least. We arrived in sixth place with Ned Roseberry in the lead. Sipel was just ahead and both Vanderhorst and Collins were behind. We barely held them off at the jibe mark. Collins jibed with Sipel to the inside. We just sailed off on starboard tack with the running spinnaker looking for position on Millar and Thomas. At the leeward mark we had an inside overlap on Millar and Thomas but Scott Collins, from Canada, poured it on from what seemed to be way back to gain inside rights on us. The course was shortened and with Masters everywhere it was a hard windward leg. We were happy to finish fourth with Roseberry hanging on for the win, followed by Collins, then Vanderhorst.

Photo credit: Jack Tibbs

Race 4 — We had a poor start and were forced off to the right. The leaders went further to the left and made out with a small lift and better wind velocity. We reached the weather mark a disappointing ninth. The reaches were trains and we rounded the bottom pin with no change. The second beat ended with again no change as we got out of phase close to the pin trying to get back in the race. The reaches ended with us glued to ninth as Millar would not let us pass without ending up in China. We had managed to close the gap with the boats ahead as we rounded. Vanderhorst was in second with Collins way in the lead. We needed a miracle to get back in the race. We needed to pass lots of boats, quickly. The leaders went left, Sipel and I went right, hard. We were both sailing fast in good air but I needed what we all have needed when you hit the corner, that wonderful little thing called a header. It came. Sipel tacked, I tacked to loosely cover. After we tacked, we were lifted further and were looking good. We crossed just ahead of what was the fifth place boat and again tacked to cover the boats we worked so hard to catch. Ned Roseberry was covering pretty lightly so we waited for a header and tacked away. He came back with us a little but tacked away to consolidate the other boats. Again a header and we were tacking for the finish knowing that Ned was coming back on a nice header. It was just enough so that we had to bear off a little and when he tacked we were able to beat him to the line, two boat lengths ahead. We were very excited to come back from eighth place to fourth in one very tricky leg. Collins won by a mile, followed by Vanderhorst and Tom Degan of Florida. After this exhausting day, Vanderhorst now lurked only one point behind in the standings.

Race 5 — We knew what we needed to do, beat Vanderhorst! At first it seemed as if we were off the hook and we wouldn't sail, but the wind came up with 40 min. (yes, I remembered it down to the minute!) left for the time limit.

The wind was 5-10 knots out of the East. We stayed near Vanderhorst before the start so we could be sure to start near him. At the gun, Vanderhorst was two boats to windward with Roseberry between us. We all were fast, but in about 1/4 mile Roseberry was pointing very high and began to pinch off Vanderhorst who was falling back. He tacked away to clear his air. We quickly tacked to cover. After a couple hundred yards we came to a five degree header and tacked to avoid giving up distance to Vanderhorst. He kept going. We then played the shifts up the left side of the course. We passed Roseberry and were looking good. Meanwhile, Vanderhorst was on his way back from the far right corner and looked good for a while but had less wind and we crossed him by fifty yards. We covered him tightly and tried to keep ahead of Roseberry and Millar as well. We succeeded and had a ten boat-length lead at the windward mark. The fleet went high down the reaches and we gained slightly by sailing low and fast. Up the second beat, we covered Vanderhorst loosely while trying to keep our lead. Roseberry was coming on until we finally got to the mark. We again were very fast down the reaches working as a team. After another perfect jibe, the course was shortened. Just one leg to the finish. My crew and I were silent until the finish. We had won. What a relief, it was over. The celebration began, immediately.

This year the Junior fleet had many excellent sailors, a few were: Ned Roseberry, winner last year in San Diego, Scott Collins, Greg Millar, Tom Starck, George Sipel, my long time competition and good friend from Michigan in his first

Junior Lightning Championship, and Sjoerd-Jan Vanderhorst, the Runner-Up. They all were capable of winning. We were proud to have won in that tough competition.

We want to thank North Cape for hosting an excellent regatta. Also, I want to thank my father, Bob Fidler, for his support and the Lightning Class for its support of Junior Sailing by the sponsorship of this Championship. This is something I will never forget. Special thanks are in order for Pontiac Yacht Club, home of the largest Lightning fleet in the world, with 70 Lightnings strong. My experience in sailing our club races the last six years was my training to prepare me to compete and to win. Finally, thanks to Greg Fisher for his special attention and help with detail and boat tuning.

SLICK STICK (FAST MAST)

When it comes to reliability, speed, and quality workmanship and parts, Bryant Performance Spars are unsurpassed. With all our energies devoted to Lightning spars and equipment, it is no wonder that we continue to build more spars than all other builders. Our products, our experience, and our advice is just a phone call away.

1989 Women's Lightning North American Championship

by Christine Kronich
Sheboygan Yacht Club

The 1989 Women's Lightning North American Championship was held August 8-11 in conjunction with the Master and Junior Championships at the North Cape Yacht Club on Lake Erie. Ten boats participated in the event which almost doubled the number of 1988 entries. Included were two past winners, Betsy Alison (1984) and Pam Tuttle (1986). Sailors came from both coasts, the Midwest and Canada to share a week of sunshine, camaraderie and great competition, all made possible by our hosts and friends of the Ohio and Michigan Districts and North Cape Yacht Club.

Wednesday morning brought the start of Race One with light winds out of the southwest consistently shifting to the south. The oscillating wind made compass reading and timing the shifts essential in working up the weather legs. The first boat to the windward mark in Race One was Christine Kronich from Sheboygan, Wisconsin, who managed to keep the lead for the rest of the race. Placing second and third in Race One were Susan Rogers and Betsy Alison, respectively. By Race Two, the wind had filled in out of the south but was still oscillating to the southeast. After a bad start Kronich went left for clean air while Alison sailed a lift on the right side of the course. When the two boats converged half-way up the weather leg Alison was in the lead. The two boats then split with Alison going back to the right and Kronich to the left. The wind oscillated to the left in the final quarter of the leg giving Kronich and her crew the lead at the weather mark which they held to the finish with Alison taking second place and Amy Hodgson placing third. Although the pace of the regatta was set in the first day with the Sheboygan boat getting a quick lead with two firsts, a battle was raging for the second through fifth positions. After day one Alison was in second place with five points, Rogers was in third with six points, Hodgson had eight points for fourth and Johnson had nine points for fifth.

Day two started with the leaders dropping their boat from the hoist back onto the trailer. Luckily no damage resulted, but they did not take it to be a good omen. The winds were still out of the south and lighter than in day one, but the sun was still shining making it another gorgeous day. As soon as the wind started to fill in the race committee started Race Three. The official word from someone on the race committee boat was that Kronich was not the last one over the starting line in the light winds but it was very close. About ten minutes after the race got underway, the wind filled in off the lake making the course from the starting pin to the weather mark a cracked off jib reach and the rest of the race a beatless parade around the buoys. The race committee shortened the course to four legs but did not stand a chance of giving the fleet a beat to the finish line with the clocking wind. Karen Johnson from Chicago and her crew, captured the first place flag with Judy Walker placing second, and Betsy Alison placing third.

Photo credit: Jack Tibbs

By the start of the fourth race the wind had settled down in the southeast but was still light. It was a tight race among the leaders with Kronich reaching the weather mark first closely followed by Alison. After six tough legs Kronich kept the lead to the finish followed by Alison, Rogers and Johnson. After two days of very competitive racing, Kronich was in first place with seven points, followed by Alison with 10 points and Johnson's first place finish in Race Three moved the Chicago boat from fifth into third place with 14 points.

Day three seemed almost hopeless as far as racing was concerned with no wind, postponements and the cancellation of the sixth race. However, all was not lost; there was still plenty of sun and swimmers which created a party-like atmosphere among the anchored fleets. At 2:30 p.m. the sun and the land finally did their thing and the sea breeze kicked in from the east so the race committee could start the fifth race 30 minutes before the cancellation time. Kronich and crew got a good start in clean air which aided in their fourth and final first place rounding of the weather mark which they held to the finish followed by Johnson in second and Rogers in third.

The Midwest District did very well at the Women's Championship taking first and third places overall. First place was won by Christine Kronich and crew Carolyn Kieffer and Christine Kieffer, all from Sheboygan, WI. Placing second overall was Betsy Alison of Newport, RI, and crew Bonnie Shore and Wendy Lotz. A very close third place was won by Karen Johnson of Chicago and her crew consisting of her mother, Edna Johnson, and Terrance Fox. Placing fourth was Susan Rogers, followed by Amy Hodgson in fifth place and Judy Walker in sixth place.

On behalf of the winning boat, I would like to thank the good people of North Cape Yacht Club, the Michigan District and the Ohio District for organizing and running a fantastic regatta. As newcomers to the Lightning Class we were greeted with a very warm welcome by everyone sailing during the Women/Junior/Masters week and the following week of the North American's. Our competitors' ability was only exceeded by their sportsmanship and hospitality.

Lastly, thanks must go to all of the people from our home town who made our presence at the regatta possible: our families, Dan Reichelsdorfer, owner of 13994 *Silent Movie* and Jerry Slavens, owner of 14234 *On the Rocks* more fondly known as *A Boat Called Wanda*. As newcomers to the Class we encourage more women to beg, borrow or steal boats and compete next year in New York during the 1990 Women's Championship — you will not be disappointed.

North American Masters Fleet Getting Bigger

by Dick Hallagan

Arriving at North Cape Yacht Club we were greeted by 20 entries from all over the U.S.A.; it was a great feeling to be a part of this regatta. This was the second year straight that the Masters had the largest numbers in the preliminary events in the N.A.'s. The whispers were "it's going to be light", and my crew Len Tiedemann and Dave Hallagan were looking lean and mean. We used my 17-year-old grey boat; these years added in to the age total put us way over the top (you do count the boat!).

The first race had a timing "snafu" so this exercise became a practice race. A light wind and a backing shift acquainted the fleet to Lake Erie in the summertime. John McIntosh (GA) did not celebrate his first as the race was thrown-out. The **First Race** was resailed the next day, Masters going first. Sherburne (TN), Dissette (MI), and Tibbs (MI) got inside on a big counter shift S to SE and disappeared out of sight, while the rest of us rapidly saw the Jr's. and Women catch up. Mac was on the outside and suffered a 14th. The **Second Race** was sailed late in the afternoon and the thermal had picked up to all of 10 to 12 mph. Joe Dissette liked these conditions and won a tight contest over Burrigge (MO). Meanwhile, Mac was a victim of "the spinnaker halyard stuck in the mast" nightmare, and had to take a DNF. This was not Mac's year again.

After two days, Dissette was looking very good with eight points; the next closest were Wilday (NY) — eight, Bull (NY) — nine, Sherburne (IN) — 10, Mathers (MI) — 11, and the writer — 11. I have sailed four of these regattas and the leader after two races has never won overall. What a jinks! The **Third Race** went like this. Hallagan (NY) needed a top start and got it from the middle of the line, while Dissette was all mixed up at the pin. Our first wish had come true. Our second wish was to have Mac up in the top, he was, "thank you". At the first mark it was Hallagan and Mac;

Photo credit: Jack Tibbs

things were looking good. Our third wish was that Dissette must stay in the back, and downwind he had only two or three boats behind him. Now we must hold Mathers upwind, but the covering strategy forced us to sail many knocks. We lost Mac and rounded the weather pin overlapped on Mathers, but a good spinnaker set allowed us to move out. The race was shortened to six legs, so the grey boat never had to go back upwind. Hallagan got his three wishes and the scorers found that 13 points would win, "thank you".

There were other boats from Ohio, Kentucky, Wisconsin, Virginia; it was a great turnout and excellent sailing. Thanks go to Bucky Powless (RC) for pulling things together. Thank you North Cape. Plan now to come to Newport Y.C. in Rochester, N.Y. next summer. See you then!

Qualifiers

Photos by Ardis

The 1989 NA's

by Bill Pictor

The July *Flashes* article announcing the 1989 North Americans promised, "fun, fine sailing, camaraderie and extensive experience in running major events." The North Cape Yacht Club delivered as advertised, along with fine weather and for us, in 14377, a North American Championship.

Our quest began with the crew assembling for the trip to Ohio at 2:30 a.m. Saturday. This was my first NA's with Tom, although I had been fortunate to sail previous championships with Lightning greats Ed Roseberry and Rick Hayden. Joining us in the middle was David Adams, Tom's proverbial crewmate of the past, who was enticed out of retirement for another chance at the ole mug.

We arrived mid-morning. Mike Huffman, who graciously lent us his new boat, had us parked in #88. We did our boat rigging and fitting between the Montreal group, keepers of the world's largest tool box, and the ever entertaining Chicago contingent. Most of Saturday was spent tinkering and tuning. We missed the practice race but felt the boat was well set up.

Sunday morning after the skippers meeting we joined the other 109 boats for the short sail out to the 'qualifiers'. Tom's strategy was to have good starts, stay out of trouble, sail conservatively and finish among the top ten.

The committee worked very hard to get four good races in despite shifty and uncooperative wind conditions. With one bad race dropped we did qualify for the blue fleet, more than ten places behind Jim Crane and Tom Allen, Sr., the "Arnold Palmer of Sailing". The four races did give us the opportunity to fine tune the boat and practice our team work. On Tuesday morning we were all starting over.

The first race had more breeze than any of the qualifiers. We tried to be aggressive and went for a boat end start. That got us called over early. After restarting, we headed left on a lift. It continued and increased. After one quick hitch we went back for more and came in on port tack lay line third! The next two legs were a parade with the top ten boats bow to transom. Crane, Park, Wardwell, Krawcheck and Tom, Sr., our closest competitors for the series, were all in line. The next beat we were forced left early, did not go back soon enough and lost three boats. The final leg saw Park and Wardwell catch us at the end and drop us to ninth. The qualifier leaders continued their trend, Crane, first and Allen, second.

Race two started in less wind and we rounded the put up mark fourth. The second reach was frustrating, with boats and wind all over the leg; Bob Wardwell went over us. We crossed the finish line seventh. Tom reminded the crew on

Photo credit: David Watt

the way in that, in this game, the idea was to sail forward and he with the most points does not win.

Wednesday morning saw moderate winds with a shift more towards the west. We rounded the first mark with familiar company, Krawcheck, Park, Crane, Wardwell, and Oldham. The first pack got a blast and pulled away from most of the fleet. The next two legs were close with one boat right behind the other. Mark Bryant was just off our stern. I was assigned to watch the wily competitor's every move. He's going up, now down, he's reaching for a cigarette, now he's scratching his ----. At the last take down we were leading and felt we wanted to favor the left side of the course.

Most of the competition went right towards the end of the leg and we were forced to split with John Oldham to cover the rest. For the last 50 yards first place was up for grabs. We were able to cross half a boat length ahead of John to take the gun. My first in a North Americans!

Race four began with Tom's suicide start. With ten seconds to go we were being forced behind the committee boat. Tom elected to sail around and in front of the bargers, duck the stern of the boat and harden up just as the gun went off. Dave and I were impressed!

We rounded the weather mark third, behind Krawcheck and Greg Fisher. The lead changed several times in the light and flukey conditions. The final results were Lenny, Greg and us.

The sail to shore was much happier after day two. We were satisfied with our light air speed and performance. We still hoped that some time during the regatta we could put our heavy air crew weight to good use.

In a word, race five was frustrating. We wanted to go right off the line, so we did, and watched the left side come in. The downwind legs were spent fixing a loose forestay and trying to get to free air. Upwind careful compass reading directed us to tack from 10° down to corresponding headers. After a course change for the last leg we worked the right side and ended 9th. Colin Park finished first, Jack Huntsman second, and Mark Bryant was third.

The mood on #88 was not exactly festive after race five, but we felt fortunate to salvage a ninth and a third in the standings. We were glad to be still in contention for the top.

Thursday evening while dining on "North Cape Cafe's" fine Mexican cuisine, we noticed more than the usual zephyr blowing through the tortilla chips. Before dessert was over we watched one boat, crew apparently still suffering from the effects of the lunar eclipse, go out for a quick and wild spinnaker drill. That night we went to sleep dreaming of wind and white caps.

The next morning the first glance through the royal purple curtains, out of our royal purple room at the Knights Inn, was disappointing. It looked like another beautiful day with only moderate breeze. The breakwater at the Club however, was wet for the first time all week and the wind speed indicator was showing 15+. Our dreams had come true and for the lighter crews, their nightmares were about to begin.

We left the dock early that day, anxious to try out our hiking muscles. Tom, after studying the different mathematical possibilities, felt we needed to finish 5th or better and ahead of Park and Wardwell, in order to win. Our strategy was to sail our own race, concentrate on finishing as well as we could and keeping an eye on the competitors.

After one general recall, we started near the boat and went right. That quickly proved to be an error, so we worked left

whenever we could, rounding the first mark 15th. The reach was tight, the most exciting and wet downwind leg we'd had all week. After the jibe we went high and managed to pick up a couple of places. At the take down, Colin who had gone low, was right by us. We had a bad rounding and Colin was able to get by us. We then engaged in a short tacking dull. He split off to the right and we favored the left side of the beat. Towards the end of the leg the wind picked up. We were able to put the beef out and the after burners on. By the put up we were seventh or eighth. The reach, which was again tight and wild, saw Tom lose his normally cool demeanor for the only time in the regatta. Unable to work around a seemingly slower competitor our Captain requested, "Get that */c# boat going or get out of the way!"

With the last leg of the race to go we had one boat to catch. "THE" Jody Swanson rounded just behind us shouting words of exhortation, "Go get'em, you guys" and "Hike harder, you bums!"

We tacked to clear our air and worked up the left side of the beat. With one quarter of the leg remaining we had picked up Lenny Krawcheck and hung on to finish fifth. A quick double check of the finishes confirmed our placement and the celebration began.

It was a thrill for me to sail with Tom and Dave on the winning yacht. They are fine gentlemen, both on and off the water. Congratulations to Colin Park, Bob Wardwell, Jim Crane, Lenny Krawcheck, Tom Allen Sr., and their crews for sailing an excellent series.

The North Cape Yacht Club and the Ohio District put on a great North Americans. I am sure the week was enjoyed by all sailors and spectators.

The Importance of Mental Preparation and Organization in Defending a National Title

by Colin and Karen Park

On Friday evening, August 11, I called Colin from North Cape and said...“Honey, what would you think about coming down here this weekend and sailing in the Nationals”? — Well, what he thought was that I was either crazy or joking, I could tell by his laughter! I quickly assured him that yes, I was serious, very serious. What followed went something like this:

Colin: We don't have a crew, I just saw Glenn (Hallett, our regular third) headed up north.

Karen: Got it covered, Kyle (Miltzer, my brother) is arriving from L.A. at 10:30 p.m. — remember?

C: Of course ... He has sailed with us a few times, that would work. But we don't have any sails less than 5 years old.

K: Oh yeah — I forgot.

C: Find us some sails and we can do it.

K: OK!!

C: We can't do this, we didn't pre-register.

K: I already took care of it. We're the reigning Champs — they want us here. Secretary Donna sent me to President Bob who sent me to Chairman Carl who sent me to Race Committee Chairman Bill. Carl and Bill finally agreed that our spot had been open anyway, so sure — if we can be down to “measure” in time.

C: Oh, Karen why are we doing this? You know we can't take any more time off the rest of the year?

K: Well, I was afraid this would happen if I came down here for the Masters. We've had a blast. The club is beautiful, the lake is beautiful, the weather is beautiful — the wind has been lacking a bit though, and the hospitality has been fabulous!

C: Well, OK — See you in a few hours.

This was not exactly what Colin expected to come home to after being in Washington, D.C for half a week. A nice relaxed Friday night spent frantically throwing our boat together! He called my father to let him know I was running “late” and wouldn't be picking the dog up on Friday — we didn't tell him it was a “week late”!

I spent the next half hour at North Cape arranging to buy a mainsail from Sue Rogers the next morning. I spent the next hour on the road trying to travel the first 20 miles of my 240+ mile trip home. It became very apparent that I was not going to be at the Saginaw airport at 10:30 to pick up my brother. I was close to Metro at 9:45 pm and I knew Kyle's plane took off at 9:55. So I parked the car and was running through the airport to his gate as the plane was boarding. I was scanning the line when Kyle tapped me on the shoulder — “I was just finishing a beer when I saw a blur tear by and noticed it was you”. Great. We jumped back in the car and headed north. “Kyle, what would you think about going sailing for the next week?” He laughed (I never realized I was such a comedian). “Well, I'm not exactly packed for it, but what the heck — it'll be fun.” OK — everything is set, so I think.

Photo credit: David Watt

When we get home Colin asks what we're doing for sails. I explain about the main.

C: That's good. What about a spinnaker?

K: A spinnaker? We've got a brand new one, we didn't even use it in Greece.

C: It's a dynac — we probably won't use it at North Cape either.

K: Oh.

C: Well, maybe we can take care of that. What about a jib?

K: A jib? ... We don't need a jib. I know we have a brand new one of those ... and it ... is in Ched's boat ... somewhere between Athens and Maryland. Oh #□/*.

C: Let's get to sleep and see what we can do about this in the morning.

Saturday morning at 7:00 am I was on the phone calling the hotels listed in the *Flashes* trying to find Jody Lutz. Got him third try — not bad for a list of over 20! We asked Jody if he had any extra suits of sails. He said he had some mains and jibs for sale but couldn't really help us with a spinnaker, unless we wanted to borrow his spare. Sounded great to us, so off we went.

We got to North Cape about an hour before registration was closed. We got checked through smoothly, and went out for the practice race. Things went smoothly enough and our boat speed was good; we figured on being able to end up in the top half of the top flight — a respectable defense. We stayed down with the intention of sailing again on Sunday and going home so Colin could go to work on Monday. We had the honor of being the defending Champions and therefore were not required to sail the Qualifying Series. It didn't take long for it to become apparent on Sunday that we were not going to get any sailing in. We spent some time working on the boat and headed home early. When we returned Monday evening it was very apparent that we had a slight edge over everyone — our frustration level was nowhere

near the breaking point! Congratulations to Jim Crane for pulling off what we understand was a tough series to race, let alone win!

Tuesday morning we were primed and ready for the races to begin. In race 1 the winds were 6-10 from the south and oscillating but the tendency was to the right — off shore. We were looking to be in pretty good shape — about fifth. Just before reaching the mark, both sides of the course came in very strong and we found ourselves to be back about twentieth. We slowly picked our way through the fleet and ended up seventh; Crane in first; Tom Allen, Sr., second; Tom Naesser, third; Jody Swanson, fourth; and Bob Wardwell, fifth. The afternoon race started in similar conditions with the wind a bit heavier, 8-12. Mark Bryant started out looking golden on the middle right. The wind shifted to the left and picked up to about 12-15 due to a thunderstorm in the distance. The shift put Colin Park and Lenny Krawcheck 1-2 around the first mark. The places changed a little bit, but finally went Lenny's way on a tight reach — you would be surprised how strong 12 knots feels on a tight reach with 395 pounds total crew weight! After a bit of a lapse of awareness of the rest of the fleet on the last leg, we both had sunk back a bit. John Oldham sailed a fine race to first; Krawcheck, second; Crane, third; Park, fourth; and Wardwell with another fifth. All in all a very good day for the Park boat; our sights were quickly adjusted from top half to top ten.

Wednesday morning we were ready to go again. We knew we would have fun sailing together but we were having a blast and things were going very smoothly. The third race started in a shifty northwesterly due to a front that had moved through the night before. There were odd sailing conditions with quartering waves on starboard tack. We had a terrible start, but correctly predicted the right side of the course, but we did not stay there long enough. We got too far left as the wind phased right and were about 25th at the windward mark. On the two reaches the wind began to fall apart and we salvaged a lot of places by riding the dying puffs low. At the leeward mark we had worked ourselves up to about seventh place and were able to maintain this position more or less (actually less) for the next time around to finish ninth. Tom Allen, Jr., won with John Oldham right behind him, Wardwell moved up to third this race, Mark Bryant fourth, and Allen, Sr., fifth.

Race four is a little hazy to us. The conditions were similar to Race three with a little more breeze. We do remember spending most of the race trading places back and forth with George Fisher as we watched his son Greg pull away from the both of us. We do remember staying the heck away from the left side of the course and our finish reflects it. Lenny won; Greg Fisher, second; Allen, Jr., third; Crane, fourth; and Park, fifth. At the end of the four races, counting four races, Allen, Jr., was first; Wardwell, second; and Park, third. Crane, Krawcheck, Oldham and Allen, Sr., were all right there but had already used up their throw out races.

Thursday morning showed us the steadiest breeze so far for our fifth race. At least that was the way it looked before the start and up the first leg! But alas, by the first mark the wind began to fade and rotate right to the thermal lake breeze. We got to the weather mark second just behind Jed Dodge and just ahead of Jody Lutz. On the second weather leg we took a hitch to the right outside of Dodge who tacked and sailed himself into a 40 degree header. From then on the wind was on the light side with the main action coming from

the lake affect. The reach turned into a light and frustrating dead run. This mixed up the places a bit, Mark Bryant sailed himself into the race, we were able to maintain our lead with Jody still in second. On the last beat we seemed to have a comfortable lead but quickly became quite anxious. Jack Huntsman was moving quickly from about eight positions back to eight boat lengths back — and gaining. He sailed through our lee, out the other side and came very close to nailing us at the finish. Park, first; Huntsman, second; Bryant, third; Lutz, fourth; and Dodge, fifth.

Thursday night was quite a shock, counting four of the five races we found ourselves in first place with one more to go. We were ahead of Wardwell by two points and Allen, Jr., by three. Since our throwout was a nine, Wardwell and Allen needed seven and six, or better, respectively for a shot at winning. Crane still had a mathematical chance at winning if he could win the last race and we were eighth or worse.

Friday showed us just what we did not want to see, a solid lake breeze of 15-18 with relatively large waves (remember the 395 pounds!). None of the four of us had very good starts, Crane was the best of the group with Wardwell at the back of us four. We went right with Wardwell expecting the lake breeze to swing the wind that way. Instead the breeze was a little stronger left. This put Crane about third, Allen about 10th, with us about 13th at the weather mark. Crane dropped back a bit downwind and we were able to pass Allen at the leeward mark. Tom pulled off a superb double tack right off the mark to get away from us. This forced us to decide which way to go. We opted for pushing him left again anticipating the wind would go right. **WRONG!!** It didn't. Tom rounded the weather mark about sixth with us about ten places behind him. On the last beat Tom picked up the places he needed and we took a big flier knowing we were looking at our throw out anyway. We went left, too far, it was almost a one tack beat and we overstood the line greatly letting another ten boats ahead of us.

Our congratulations to Tom and crew for a very fine series. Also to Bob Wardwell, Lenny Krawcheck and Jim Crane who also sailed tremendously.

Last year when we went to San Diego we knew:

— Four months ahead of time where we were going to stay, North Cape we had no place to stay.

— Eight months ahead who our crew was going to be, North Cape, we knew 12 hours ahead.

— We had sails purchased 14 months ahead, North Cape — one hour.

— We had a very fast boat and it was tuned to perfection, North Cape — our boat was three weeks old and Colin had only sailed it at two regattas. At San Diego we won by one point and at North Cape we lost by one point — who knows, maybe that's the point of being prepared.

We are very happy that we decided to attend the Nationals. We are ecstatic with our performance. We are proud to have represented the Michigan District in such an attempt at retaining the title. We are very grateful to those who really helped in our attendance, Jody Lutz selling us sails and putting on our numbers, the Lightning Class officers and personnel, Carl Clipp and Bill Rogge for helping make our processing run smoothly. (By the way how did we manage to get number 44 instead of 109?) And a special thanks to the North Cape Yacht Club for running a great week of sailing and entertainment — you made our Class feel very welcome.

1989 Presidents' Cup — A Family Affair

by Chris Vann

Barbara, Len and I are proud to be the winning crew of this year's Presidents' Cup series. We were lucky enough to have some consistent finishes, however, we found the beats at North Cape to be extremely challenging and emotionally draining. I don't think we were alone. Each day as we came off the water everyone was buzzing with stories of disappearing leads or fantastic comebacks. The nice part of this year's NA's was the atmosphere around the club. The tough conditions didn't dampen spirits and everyone was friendly on and off of the water. Hats off to competitors in each fleet and to our hosts at the North Cape Yacht Club ... from the shuttle busses to the race course, North Cape was a class act.

In reflecting on this years NA's we'd also like to comment on another strength of the Class — families. "The Lightning is a family boat," we often tell prospective Class members and new crews. By this we mean, the boat can be competitively sailed by a mixture of family members and as a result many families have been attracted to the Class. In fact, many families have grown with the Class. Our story is not unlike many others. We have three generations of active Lightning sailors. Len and I started as my Dad's crew thirty years ago in 'ole 374. Barbara joined in the fun during high school (and still married me!). Many of the instincts we used to sail well at North Cape, particularly working hard to achieve good boat speed in light (Long Island Sound) conditions were developed watching the skipper of 374 and 11603 ... Thanks Dad.

THE SERIES, RACE 1 — The wind was S/SW pulsing from 6-12 kts. on the first day of the series. The stronger "gusts" came from the right. We had a good start that turned into a great one as the only boat to weather was called over. Staying in phase as we went right paid off on the first leg. It quickly became a three boat race with us first, *Olivia*, then Tom Vickers clear of the pack on the first reach. *Olivia* picked us off on the second beat by going left as we covered the fleet to the right. Now a two boat race, we opened up on the fleet downwind only to lose it all in the last leg. The wind was oscillating 30°-40° as the thermal fought the SW. The middle was death. Dave Decker, Tom Vickers, Roberto Ricoveri and Don Barrett played the shifts to close and finish on our heels. Later we introduced ourselves to the crew of *Olivia* and made some new friends from Miami. We found the boat's name came with a story and that Carol Stout was her skipper.

RACE 2 — The next race with the wind oscillating from SW to SW at 5-10 kts. This was our torture race! We had ten boats to weather at the start. Thinking the thermal would fill to the left, this looked good. We rounded in eleventh as the SE teased us but never came in, sound familiar? Great spinnaker flying by Barb and good crew work during jibes and sets got us back in to the top five by the last drop mark. Torture is mild compared to that last leg, we finished thirteenth. It was Dave Decker's day, he sailed strong to his second third.

Photo credit: David Watt

Tony Packos helped us put the day in perspective as we enjoyed our first 'hots' and lots of cold beer to put the fire out. As we walked to the van that evening someone noticed a pretty impressive northerly was blowing in. We were looking forward to some air.

RACE 3 — Wednesday was Kip Hamblet's day at North Cape. The NW wind had abated. Conditions were much like Tuesday only from the N/NW. Gusts came off shore; there were shifty effects of the thermal and sizable holes in the middle. We sailed our throwout as Kip, Roberto, Don Barrett and Gerry Paoli sailed a great race.

RACE 4 — As the sun got higher the wind lightened. The NW gusts were all but gone. I started late at the windward end after at 720° at 30 seconds, whoops! We were farthest right and looked pretty deep until the end of the leg. We crossed the fleet on a private breeze from the NE and rounded second to Paul Revere. Kip was pretty far back in the pack at this time. We rolled Paul on the first reach. Paul out sailed us uphill and regained the lead. Kip was in overdrive and rounded on our stern in third. We got Paul again with a smooth jibe. Kip took the opening and followed us to the drop. Kip quickly got to the left and went on to win. Two bullets for the lake sailors from New Hampshire, great sailing.

That evening the Connecticut contingent went to the Portside Marketplace in Toledo to terrorize an innocent waitress at Shooter's. It was unanimous, we were all enjoying the trip to North Cape.

RACE 5 — Thursday was the second day of the northerly. The wind moved to the east and lightened. We worked the right side, thinking we were in tenth. The qualifiers and this series had developed us as a crew. We had become patient! We hung out there and luckily the NE shift came late in the leg. We were in it alone and crossed the fleet rounding first. The first reach was the toughest downwind leg of the week.

It became a dead downwind light air run. The fleet fanned out behind us. The boats on the wings looked great as little puffs would fill from each side. Don Barrett rounded a few boats back but lost a ton as the oxygen mask came down! Hank Hodgson showed us the way by being first to jibe to the inside and move on us. We jibed six times on that leg and built our lead. Bob Thompson, Geary Gaspord and Roberto had great speed in the very light air catching us by the drop. In first again and fading? Even with the course change the last leg was tough for anyone who didn't go right as the wind went further east. We were conservative and tried to cover both sides, salvaging a third and convincing ourselves we were never going to actually win a race.

That evening was highlighted by good, Mexican food, more cold beer and higher math discussions by the Results Board.

RACE 6 — Medium heavy NE wind with some nice gusts and choppy seas capped the week. We were in first by four

points and couldn't do worse than fourth overall. Our goal was to finish above tenth to secure a second and hopefully win. We had to keep an eye on Roberto, Djoerd Hoekstra and Gerry Paoli. Steve Hayden and Roberto were off to the races and going fast in the heavier conditions. With a super effort by Barb and Len keeping the boat flat we worked from eleventh to seventh. Steve was first from wire to wire and showed the Florida gang he knew what to do in wind. We thought Roberto's second was enough to give him the series. After the race Djoerd's crew realized there was a scoring error and that Roberto was unfortunately not the overall winner. Our seventh was more than enough to lock up the series and give us our first regatta win. I attribute this year's success to our crew work and a level of commitment we share as a family.

In concluding, we'd like to congratulate Tom Allen, Jr., and Joel Humphrey for their victories and we'd like to thank the Ohio District and North Cape Yacht Club for a well run memorable 1989 NA's.

The Governors' Cup

by Joel D. Humphrey, M.D.

On the morning of the second day of qualifying for the 51st Lightning North American Championships, a local newspaper reporter asked me how I liked sailing at North Cape Yacht Club as well as on Lake Erie. If I knew at that time what lie ahead, three shortened qualifying races, all with significant wind shifts, my comments certainly would have been somewhat different. Unable to foresee the future, I instead remarked how I felt the conditions at North Cape Yacht Club, which is actually in Monroe, Michigan, even though Toledo, Ohio, was considered the host city, were very similar to the conditions I am used to sailing under on Lake St. Clair, just north of Detroit. Both lakes are very shallow and tend to develop very rapid chop with increases in wind speed or waves with very narrow trough space if the wind picks up sufficient enough to cause persistent wave action. I seem to remember similar conditions occurring at the other end of Lake Erie at the Buffalo Canoe Club where I crewed for my brother in my first Lightning North Americans in 1982. I preferred the heavier winds of Buffalo, however, to what turned out to be a primarily light air regatta at North Cape.

As if the wind shifts in the qualifiers were not enough to deal with, I at one point had serious doubts that I would even be able to attend this year's North American Championships. Just two days prior to the regatta, I received a call informing me that the boat I had initially arranged to charter was no longer going to be available to me. Of course, two days into the regatta, what do I see waiting in line for the hoist in front of me but that that same Lightning being chartered by another lucky fellow. Fortunately, however, Bruce Finsilver of Pontiac Yacht Club was willing to allow me to charter his boat at the last minute and staved off what could have been a very serious disappointment. One practice race, a little bondo here, a little sanding there, a lot of bottom cleaning, retuning and water draining later, we thought we were ready to go. Little did I realize at that point, however, that one failed "double-check" in tuning would lead to such a drastic change in boat speed and confidence later on in the regatta.

I must comment here, that without my fantastic crew of Mark and Chris Whatley, I never could have accomplished what we eventually managed to do. Mark and I have sailed together on my *Express 27* for three years, as well as in two Lightning District Championships, but this was the first time that Mark's brother, Chris, had joined us. Chris and his wife, Christine, were nice enough to drive out from Rhode Island so that Chris could join Mark and I as our third, for what felt like a throw-back to our childhood days where the three of us grew up racing Lightnings in the New England District, possibly against each other, without even having known it at the time. These guys were not easy on me, however, as after our first bombed qualifier in the first race of the second day where I said, "Don't worry guys, we just got caught on the wrong side of the shift," they answered back, "Hey, Joel, the wind never shifts on a good sailor." Well, two more huge wind shifts later, it was welcome to the Governors' Cup and I had serious doubts as to whether I was a good sailor or not. It was nice to see that some other past

Photo credit: David Watt

"Blue Fleeters," including Bob Fidler, who eventually became the runner-up for the Governors' Cup, also had difficulties in the qualifiers which lead to a spreading out of some very talented sailors into all three fleets, Blue, Green and Yellow.

In her letter requesting an article on the Governors' Cup, Donna Foote suggested I just give the overall picture for the *Flashes*. Asking me to be brief is like asking Orson Welles to guard the twinkies; it just doesn't happen.

In the first race of the Governors' Cup, I still hadn't settled down into concentrating on the Lightning. I had been concerned about my family and friends who were watching the races from my *Express 27* that I had brought down from Lake St. Clair. As a result of that concern and lack of total concentration, I apparently — in the protest committee's opinion — tacked too close to Steve Thomas of Devil's Lake in the confusion of clearing the starting line and my fourth place finish was thrown out. Dan Reichelsdorfer went on to win the first race followed by Chandler Owen, John Werley, and in fifth place, Bob Fidler.

In the second race of the first day of the Governors' Cup, the winds were again light and we managed to salvage an eighth place finish after another horrendous start. Once off the water, I began wondering if things were ever going to gel before leaving this place. John Werley won the second race with Dick Pugh second followed by Joe McCloskey in third, Bob Harkrider in fourth and a consistent Bob Fidler in fifth again. At this point with the disqualification, I felt like I had tied one arm behind my back. OK, so now I was mad, too. It was also at this point, however, that one minor adjustment that I had failed to double-check, given all the confusion of setting up an unfamiliar boat, came to light. I knew that very instant things were going to change drastically with the correction. I had nightmares that evening and arrived at the boat early the next morning to measure our settings and, sure enough, we were way off. I told Mark about the nightmares and assured him this was going to make all the difference in the world, but he remained very skeptical. It could also have been that, at this point, the team finally gelled with Chris calling tactics, Mark doing sail trim and Joel keeping his head in the race, but I'm convinced that we had a drastic change in our boat speed.

Once again, I managed to get a mediocre start and went to what appeared to be the wrong side of the course on the first leg of the third race, rounding in twelfth. However, by

having isolated on one or two boats from the blue fleet and one boat that went right from our own fleet, we were convinced we had the windward leg figured out. We held our position for the first lap and on the second windward, it was up one third of the leg hard right and all the way in to the mark cutting our distance from the leader in half. At this point, we hoped no one else had figured out the windward leg and sure enough everyone kept going left, which we knew from the first windward leg was the wrong way to go. Once again, the winds were the same for the final windward leg of the third race and luckily no one covered us and, bingo, the gun, and the first feelings that we had finally gelled as a team. Bob Fidler, who tried to go right, but got forced to the middle by "Green Fleeters," finished second and Dan Reichelsdorfer in the third, with Bob Harkrider and Chandler Owen rounding out the top five.

With a new attitude, a good start finally, and Chris hitting the shifts on the nose and keeping us in phase for the entire race, we ended up leading, a moderately winded fourth race, wire to wire. We were very happy, as was Mike Brewer of Santa Monica, California, with his second place finish for we needed all the help we could get at this point with the DSQ staring us squarely in the face as our throw-out. Joe McCloskey finished third followed by John Werley in fourth and Bob Fidler once again in fifth.

At the start of the fifth race, it looked like we were in for another light air day, and a persistent clocking of the wind forced enough recalls from an unsquare line that we had to allow the blue fleet to go through before we could start the fifth race. Even with the boat favored at the start, however, we knew that if the wind continued to clock, the pin end would be favored which we all recognized from our experience in off-shore racing where this happens more frequently. Bob Fidler was the only other boat with us down by the pin, but at this point, we had our boat speed in high gear

and the chase was on as we again lead wire to wire for our third straight win. One or more boats protested the race committee in this race, for what specific reason I'm not sure, but the protests were disallowed and the race was left standing much to our delight as we were sailing without the advantage of a throw-out at this point. Going into the final race, it was clear that with throw-outs, it was down to a two-boat race between Bob Fidler and myself, with John Werley looking closely over our shoulders. We had eleven points with the throw-out, Bob had fourteen and John, seventeen. We did not have the luxury of using the final race as our throw-out, however, and Eric Fernando, one of Bob Fidler's crew, jokingly commented that maybe they should start inciting altercations from the minute we left the hoist.

On the final day, however, our prayers were answered. Heavy air finally rolled in and we knew at this point all we had to do was keep the boat out of the pond and the pond out of the boat, as well as not foul anyone. We decided to take a safe second-row start away from any competition, but noticed that Bob Fidler got too aggressive at the end of the line and was called over early giving us an additional head start. Evidently, Bob Harkrider likes the heavy winds too, as he, Scott Finkboner, Susan Rogers and ourselves battled it out for the top four with Bob eventually winning the race. We finished a conservative, but close second, for what we knew guaranteed us the cup. Susan finished the race third, followed by Scott in fourth, and Dan Reichelsdorfer in fifth with Bob Fidler only being able to recover to a tenth, which he promptly used as his throw-out for an overall total of nineteen points to our thirteen points and a Runner-Up finish in the Governors' Cup.

Much thanks for the hospitality of North Cape Yacht Club and congratulations to all who participated in a fun regatta and I hope to see everyone again next year when we all get a new chance at the qualifiers.

The Steketee Trophy

by Audrey Matteson

The Steketee Trophy is awarded to a Fleet rather than to an individual. It was deeded to the Class by Neal Steketee, printed of *Flashes* from 1944 until his death in 1972, on the eve of the twenty-fifth anniversary of the association of Steketee-Van Huis, Inc. of Holland, Michigan, and the ILCA. Among his words at that time, in addition to congratulating the Class for its growth and advancement, commending the able leadership and enthusiastic guidance of all its International officers, and paying tribute to the devotion and concern of Mrs. Helen Limbaugh, Executive Secretary of the Class, he added: "One final word — My continued wish for ILCA is that it will continue to grow. It is imperative that each district and fleet continue to feed to local news media publicity on their regattas and activities. They will be more than happy to publish these events. And don't fail also to send news to your Executive Secretary for publication in the *Flashes*. I hope that the "Neal Steketee Trophy" will play a small part in promoting the International Lightning Class Association, and be a constant reminder to each member, district, and fleet to help promote the continued growth of this fine Association."

The Trophy deed stated:

"The Neal Steketee Permanent Trophy will be awarded at the North American Championships to the North American Fleet who has been outstanding in furthering the purpose of the I.L.C.A. in promoting and developing racing in Lightnings.

Such things as maintaining entire fleet membership in good standing with I.L.C.A.; interesting new people in the sport; publishing the most interesting and best newsletter; conducting an outstandingly fine Regatta; insuring high activity in racing in its fleet; providing a top notch Junior sailing program; placing a high percentage of its Fleet in the Top Flight District and/or North American Championship; etc. The trophy will be placed in contention annually for one or a combination of the above or similar accomplishments, as determined and announced by the Executive Committee or a panel of judges appointed by the Executive Committee.

The trophy will be held by the Fleet until the next North Americans, but is to remain the property of I.L.C.A. who will have it properly engraved with the year, name, and number of the Fleet receiving the award."

Lake Fenton, Michigan, Fleet 53 was the first recipient when, according to the "Terms of 1969 Award", the trophy was awarded to the Fleet with the highest rating on percentage of I.L.C.A. membership of its Fleet in 1968 and in 1969 as of May 20, 1969, plus points for each additional I.L.C.A. member from May 20 to July 24, 1969.

The trophy was then awarded each year through 1977 to the fleet which had done the most to promote the Lightning Class. The 1970 award went to Fleet 274, Memphis, Tennessee, for their outstanding news coverage of the Fleet's activities in their newsletter, write ups and photographs as submitted for *Flashes* and as covered in local newspapers, especially the section in the colored magazine section of their newspaper, which is most unusual; also their continued ad in the classified section of the yellow pages. Fleet 274

Commodore Esther Callahan and Bob Mathers of the Pontiac Yacht Club recipients of the 1989 Steketee Trophy Award.
Photo credit — Hank Callahan

received the Steketee Trophy again in 1974 when it was judged the North American Fleet having the best program for showing Lightnings and for getting non-Lightning sailors into the Class. (I understand they were close again in 1989 and when you read Crit Currie's article in this issue, you'll see why.)

The 1971 award was also made on the basis of the portfolio of news coverage, *Flashes* and Yearbook coverage and newsletters which had been submitted for the competition and went to Washington, D.C. Fleet 50. In 1972 the "Terms of Award" called for the best overall growth rate, with several factors taken into consideration. And the best was shown by Fleet 229, Chinook Lightning Fleet, Pacific Northwest District, with honorable mention to second best, Fleet 227, Lake Bomoseen, New England District.

Unfortunately Class records of the recipients in 1973, '75, and '77 are not available. The trophy was in need of repair and it is possible it may not have been awarded those years.

The trophy was reinstituted in 1980-81 in conjunction with the membership drive which was then conducted to be awarded to the fleet which showed the greatest increase in its membership. It was awarded at that time to the Pontiac Yacht Club Fleet 54, Michigan District, who also received the trophy in 1982. Cedar Point Yacht Club Fleet 126, Connecticut/Rhode Island District showed the greatest increase in membership ending with a total of 32 active members in 1983 over 21 in 1982. The Fleet Captain was Guy Moulton and Fleet Secretary Edson White.

There was a tie for the Trophy in 1984 between the Lake Washington Fleet 132, Seattle, Washington and Columbia Fleet 283, both in the Pacific Northwest District. It was determined the Trophy would stay with Fleet 132, and Host Fleet for the 1984 North Americans.

Pontiac Yacht Club Fleet 54 under the leadership of Fleet Captain, Louis Nickels and Fleet Secretary, Jim Bowers again won the trophy as they went from 49 to 59 members in 1985. Runner-up that year was Devil's Lake Yacht Club Fleet 31, Michigan District, led by Captain Bruce Goldsmith and Secretary Jack Tibbs, showing an increase from 15 members in 1984 to 23 in 1985. In 1986 the Willow Bank Yacht Club Fleet 164, Central New York District, Alister Thomson, Secretary, was awarded the trophy for an increase from 15 to 21 members. There were five fleets with increases of four members each for Runners-up honors: Fleets 1, 152, 215, 314, and 484.

Lavallette Yacht Club Fleet 104, Central Atlantic District, increased their membership from seven members to twenty-one in 1987 and the trophy was presented to Fleet Captain, Chris Larsen and Fleet Secretary, Bill Dacosta. Runner-up in 1987 was again Devil's Lake Yacht Club Fleet 31, going from 21 to 26, according to Fleet Captain, Bill Rogge and Fleet Secretary, Jack Tibbs.

In the anniversary year 1988 the trophy was awarded for the best coverage of the 50th Anniversary and it was fitting it should go to Skaneateles Country Club Fleet 1. Fleet Secretary was Anne Roth Hueber and Fleet Captain was Frank Haas. President Anne Allen wanted a Service Award to go

to the Fleet with increased membership for 1988 and the award went to Mission Bay Fleet 194, San Diego, increased by 15 members.

The Steketee Trophy is an impressive one, rather large, and has caused some anxious moments. In 1974 the trophy was delivered to CYC in a locked box — without the key! During the presentation in 1972 the trophy was being displayed on a huge metal case. The Fleet representative reluctantly accepted the trophy, thinking that he had to pack the metal case home 3000 miles in his boat. (It was an ice chest, not the packing case!)

At the time when Neal Steketee deeded the trophy to the Class it was designated for North America only since shipping this trophy overseas was impractical. In 1980, a special award was presented to the overseas fleet which was credited with the greatest increase of dues paid owner memberships. The recipient of the award, a brass tray, was Fleet 249 Flotte del Garda, in Italy. Records indicate the award was to be presented annually to the European or South American Fleet which best furthered the Lightning Class, however there is nothing available which indicates the award was presented following the initial presentation. Vice President Nando De Amicis has been contacted about whether or not Fleet 249 has the tray at their Club.

It has been suggested that Fleets in Europe and South America would like to participate in competition for an award. If there is widespread interest, and if the award from 1980 or other trophies are made available, terms of award could be set up.

Pontiac Yacht Club Fleet 54, 1989 Steketee Trophy winner.

Mr. Lightning of Michigan

by Esther N. Callahan

He is "Mr. Lightning of Michigan", although he does not think of himself in that context. He promotes, teaches, recruits and supports the Class.

Serving on the membership committee for Pontiac Yacht Club for many years he has managed to bring in at least one new member a year himself. He encourages new members to participate in club activities, finds places for them to crew, and helps to educate them about the Lightning Class. One of his most recent recruits sailed with him for a year, then bought his own boat. In addition, the son joined junior sailing and promises to be a good sailor in his own right.

The Steketee Trophy has been awarded to Pontiac Yacht Club four times due principally to this man's efforts. He personally contacts all boat owners and encourages their participation in the Lightning Class Association. A total of 68 Pontiac Yacht Club boats were registered with the Class this past year.

The "Team Races" at Lake Fenton have always been a favorite of this skipper. He organizes at least one and sometimes up to three teams to participate in the Lake Fenton Team Regatta.

His Lightning was a family boat from the start. Both his son and daughter crewed with him when they were young.

His son John went on to skipper, participating in the Michigan Juniors and buying back one of this father's Lightnings, which he titled *Born Again*. John also taught sailing at Pontiac Yacht Club for several summers. Father and son have participated for many years in the annual Crescent Sail Club Father's Day Regatta.

Ask any of his crew — past or present — he appreciates their importance to his success. He recognizes them at regattas, plans for their comfort and rewards their efforts at the Annual Banquet.

Selling tickets for Class raffles or other memorabilia and serving on the Lightning Class Governing Board are a few of his "Class" activities. In addition he is always encouraging boat owners to promote Class participation.

He has either skippered or crewed in the majority of "North Americans" held in the last twenty years. This past year for the first time he also skippered in the North American Masters and finished second.

He exemplifies the term a "gentlemen's sport", always sailing fair, but to win, and with respect for the rules.

Although many do not know his name or recognize his face — they know *Evergreen* — and the man at the helm is Bob Mathers, "Mr. Lightning of Michigan!"

Ethics in Sailing

by Cully A. Cobb, Jr., M.D.

Crit Currie and Audrey Matteson caught me in a weak moment after the Bluenose Regatta and extracted an agreement to say a few words on this topic for the younger (read faster) generation. I speak from the survival position of three score years and ten; and the Lightning racing posture of two score and counting!

I have made fast, though not especially frequent, friends all over the place and among three generations of Lightning sailors in these years. Experience and friendships gained in the excitement and at times stress of small boat racing have to do with sharing moments of highest emotion, along with times of relaxation and marvelling at the wonders of nature. No one understands the elements as sailors do and no other sport is as finely tuned to the vagaries of the wind; sometimes soft, sometimes smashing, but always changing, always new.

If this is sounding like a sermon, that's what it is! The sailboat racing is something serious. No missionary is more zealous than a sailing partisan, especially one of the Lightning stripe.

We owe the sport, therefore, our best in effort, intellect and character. And mostly they are all there.

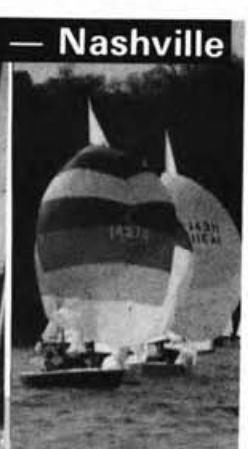

Sailing is a permanent learning process and any neurologist can tell you all about learning. As the brain nerves pick up myelin (insulation), in the first couple of years, suddenly there is memory. Instantly follows learning. The brain of a five year old is like fly paper. Any knowledge sticks if it passes near: the ability to talk, comprehend, add another spoken language, read, learn to shoot baskets, sail a boat. In late teens the flypaper begins to harden. Knowledge is added by grasping and clutching, not just passing by! One of the great things about sailing is that old and young can compete together (if not equally). There are enough overlapping variables so that a sailor of forty years and one of twenty-five feel like peers, and the camaraderie extends a lot further still. This is the mission thing, there is more to all this than boat speed alone.

There is really no more to be said about ethics. If this sport is to have the deep meaning we want it to have we can only give it our best. Our best of honor, fairness, fellowship. If the beauty of nature can be enhanced by a fleet of sailboats, it is our duty to see that mankind, God's greatest creation, in this case sailors, accept the responsibility to further enhance the scene with human virtues deserving the lineage from the sportsmen of Corinth. It should be the fairest of sports, both ways, and it is our duty to make it so.

ARGENTINA DISTRICT

| | |
|--------------------------|------------------------|
| District Commodore | Osvaldo Bordino |
| District Secretary | Liliana B. de Schenone |
| District Measurer | Mario Abinzano |
| District Champion | Osvaldo Bordino |
| District Runner-Up | Javier Pascuchi |

Fleets: Olivos (206), Club Universitario de Buenos Aires (446).

One year smashed for hyper inflation in our country, brought us to one of our poorest seasons.

Despite this situation, we've increased the number of class members and raced two championships with seven boats each.

Now we are next to begin the District Championship — Campeonato Argentino — and hope to get at least 10 good boats and skippers.

Osvaldo Bordino raced the South Americans finishing in 5th position, and so does Robert Ricoveri in the Presidents' Cup with same position in the NA's.

We hope to improve this situation for next year, next to Pan Americans.

BRAZIL DISTRICT

| | |
|--------------------------|---------------------------------------|
| District Commodore | Michael A. Norris |
| District Secretary | Christina Norris |
| District Measurers | Oscar Weckerle & Nelson S. Schmitt |
| District Champion | Claudio Biekarck |
| Runner-Up | Mario Buckup |

Fleets: Sao Paulo (147); Guanabara (401); Guarapiranga (462).

The Brazilian District sponsored the XXXV South American Championship and the IX Naval Schools South American Championship which was held in the city of Ilhabela during the month of April.

The tropic atmosphere with beaches, palm trees, sun and plenty of wind were the right ingredients for an enjoyable and competitive regatta.

We had civil and naval crews from Argentina, Chile, Ecuador and Peru. The naval crews which have recently regained racing together with the civil crews, brought new enthusiasm to the championship.

We are very enthusiastic with sailing conditions and the general environment of Ilhabela and therefore are offering the location for the next world championship in South America.

Two crews represented Brazil in the European and World Championship in Greece and brought back many lessons and ideas on boat handling and championship organization.

The boat building in Brazil is already paying off since several young crews have recently joined the class and are planning to give the Youth World's a try.

Maintenance of our Pan-American status has been very important for us, since several sailors are looking at the Lightning as a good and relatively low cost boat to try to qualify for the Pan Am's, this is the first step to try to retain these sailors in the class.

CENTRAL NEW YORK DISTRICT

| | |
|--------------------------|---------------|
| District Commodore | Tom Doran |
| District Secretary | Dan J. Koretz |
| District Measurer | John Barnes |
| District Champion | Kirk Reynolds |
| District Runner-Up | Dan Fien |

Fleets: Skaneateles Country Club (1); Lake Delta (4); Crescent Yacht Club (9); Newport Yacht Club (77); Willow Bank Yacht Club (164); Henderson Harbor Yacht Club (225); Keuka Yacht Club (252); Galway Lake Yacht Club (338); Ithaca Yacht Club (484); Port Oswego Fleet (485); Selkirk Fleet (498).

"It's easy to get there from here", were the key words heard in Central New York this summer.

All eight active CNY fleets are located within a relatively compact geographic area, so it was the rare traveler indeed who needed to spend much time on the road en-route to one of our six regattas.

With the obstacle of distance largely neutralized, three of our 1989 regattas drew more than 30 entries and all were well attended. Additionally, the level of competition improved. Twelve skippers tasted victory in district races this year compared with a mere five in all of 1988.

Good regatta attendance can have its down side though; the motivated crews tend to focus on regattas rather than club racing. In fleets where two or three boats missing from the starting line affects the success of an entire racing series, this problem is surely as old as one design racing itself.

After a dismal 1988 club racing season, Oswego Fleet 485 decided to shoot a corner and change fleet races from Saturday to Tuesday nights. Bingo! The 14 member fleet reported EVERY boat out several times, and averaged eight to nine starters through the summer series, up from three to four last year. If you wonder how this could happen, ask yourself, what did I do on Tuesday nights last summer? Can't remember? Case rested. On Tuesday skippers didn't have any trouble finding willing crew, and the travelers were able to scratch the itch twice a week instead of once. As a bonus, the after-sail parties were better attended in their new twilight time slot.

Elsewhere, Central New York's long established fleets "kept on keepin' on". Fleet 77, our largest, worked on learning to love powerboat wakes and lake rollers. Fleet 164, Cazenovia, held its usual successful Sunday series. Fleet 225, Henderson Harbor, conducted its colorfully named racing events once more — say, just what is the "Picksly Ramble" guys? Everyone had something new and exciting to talk about too. For Newport it was being named to host the upcoming 1990 North Americans; in Cazenovia it was Dave Bull dumping the "sub" and ordering a light new coat ("No More Bullship", Dave?); and in Henderson it was the emergence of the first traveling HHYC skipper of the 80's — Jack Jones.

The comeback story of the summer took place at Keuka Yacht Club, home of the fabulous Champagne Regatta. Fleet 252 rebounded emphatically after several off seasons, gaining several new members and experiencing a major increase in participation and enthusiasm.

Oh yeah, the regattas. Fleet 77's Newport Invitational opened our season as is the tradition in CNY. Thirty-three teams enjoyed the stimulating early season double challenge. To win at Newport, a crew must sail well not only Saturday on the open water of Lake Ontario but also beneath the towering bluffs of narrow Irondequoit Bay where Sunday's races are sailed.

Dick Hallagan got the first of his four CNY victories by virtue of his consistency. His winning point total included two sixth places in the five race event but almost everyone else had at least one race in double digits. Tri-skippers Bram Palm, Peter Hallagan, and Jean Palm (team "Round Robin"), finished second overall after taking strutting rights into Saturday night's dinner party.

The top five was rounded out by 1987 North American Champion Larry MacDonald, 1987 North American runner-up Jed Dodge, and about-to-be 1989 North American Champion Tom Allen Jr. Takes your breath away, doesn't it fellow guppies!

Two weekends later 25 crews snuck over to Willow Bank Yacht Club for our district's best kept secret — The Cazenovia Invitational. The lake is tiny, the winds unforecastable, and everyone has an equally frustrating time of it. Year after year they go away earnestly swearing they'll never come back. Yet somehow this regatta has charm and personality and tests skills as no other. The hard core sailors wouldn't miss it for anything.

Since Saturday's winds were in the 15 knot range, A#1 Race Committeeman Art Dieffendorf went ahead and banged off four races in anticipation of a possible return to normal Sunday. After the evening steak dinner and associated goings on, participants were greeted by an anomaly Sunday morning; the light air didn't develop and race five was also sailed in stiff breezes. Hallagan grimly refused to yield the slightest hint of satisfaction to the watching perpetrators as he discovered his Mainsail installed backwards and neatly rolled and secured to the boom Sunday morning. On the water he couldn't be touched again and won with 7.5 points. Jedder Dodge was next followed by the torrid Don Barter. Dave Bull and George Sereno were fourth and fifth.

Ithaca Yacht Club hosted the 1989 CNY District Championship Regatta. Through the efforts of Jessie Miller and others, the club put on a fine event which also was blessed with great winds.

For many of the newer skippers this was the first regatta they had ever sailed where top amateur Dick Hallagan was not present (Worlds).

Sailmaker Kirk Reynolds filled in for Dick very nicely, winning the first and last races of the series and holding off sailmaker Chip Evald by two points overall. Oswego amateurs Joe McCloskey, Art Tirrell and Clay Murphy were third, fourth and fifth. McCloskey won race three for his first CNY District victory. Encore, Joe!

The gray boat was back for the ELYC Regatta held at Henderson Harbor YC on the eastern end of Lake Ontario July 23-24 and in usual form as well. Dick "try a little of this Ouzo fellas" Hallagan put together three deuces and two bullets to win by more than ten points over Class President Bob Wardwell. Kirk Reynolds teamed up with Bill Wilson for third, and Jed Dodge hung on for fourth.

The 1989 Michelob Lightning Classic was held August 5-6 at Oswego YC. Put simply, this was a good regatta. Entries from seven states and Canada joined with Lake Erie and CNY boats to form a 60 boat fleet, up eight from 1988.

Team "Round Robin" won Saturday's only race in a dying westerly to forge an early lead. Sunday's breezes were more reliable until race three which began with a 30 degree veer just after the start. Boats that started to the right were rewarded with a dandy lead. Once again the Palm/ Palm/ Hallagan team was well positioned and won the regatta with Edson White second, Chip Evald third, Jed Dodge fourth and Bob Wardwell fifth. This regatta is becoming established as a top regional lead-in to the annual North Americans and is now beginning to rival the largest one design regattas sailed anywhere.

Last on the district agenda was the Dulles Cup Regatta established by revamped Fleet 9 in 1988. Dick Hallagan made it four wins for the season. Others in the top five were Clay Murphy (2), Dave Bull (3), Jack Jones (4) and Landy Atkinson (5).

Around the District there were numerous signs of vitality. Central New York grabbed back the CNY/LED Challenge crown by the sheer force of numbers. The Challenge uses a convoluted scoring system which only Judy Walker of LED seems to understand. But that's all right. As long as LED keeps naming the Silver Lake Harvest Regatta as it's event, there's no way we'll ever lose again. Our guys like that one better than theirs do!

We mentioned that the competition got better this summer. Names like Barter, Beuchner, Carnes, Finn, Gocker, Kuhns, Mastro, Raham, Thompson and White all showed up in the top half of the fleet at many events to challenge those with an edge in experience. The top sailors have been put on notice; in '90, it'll be "same game, NEW winner!"

FLORIDA DISTRICT

District Commodore Eamonn DeLisser
District Secretary William Meyer
District Measurer Eamonn DeLisser
Assistant Measurer Dave White
District Champion Steve Hayden
District Runner-Up Fisk Hayden

Fleets: Biscayne Bay (226); Lake Eustis/North Florida (461); Suncoast (502), Clearwater (504).

The Florida District 1989 year showed growth with the addition of Fleet 504 sailing out of the Clearwater Yacht Club. It was also a year in which regatta participation increased, and a year that showed some high levels of sailing from the former middle and back of the pack sailors. Among the notable improving skippers are Ed Cabassa and Enrique Torruella sailing *Top Gun*, Carol Stout sailing *Olivia*, Clark Higgs sailing boat 13285, and Bill Meyer sailing *Fired-Up*.

Nineteen Lightnings competed in the districts hosted by Fleet 502 at the Davis Island Yacht Club. Steve Hayden, Fisk Hayden, and Eamonn DeLisser showed us once again why the top Florida sailors are among the best in the Class. Eamonn DeLisser, Clark Higgs, and Carol Stout competed in the North Americans in the Presidents' Cup Fleet, and all had strong individual races in the series.

The Adams Cup was hotly contested by seven outstanding teams of women from sailing clubs around the State, with Sandy Scheda and crews Gail Hauesler and Penny Hall of Suncoast Fleet 502 advancing to the finals and placing fifth overall. At the end of their first day of racing they were in first place, and a mishap in the heavy air of the next day dropped the 379 lb. team back in the standings, but we are certainly proud of them and all our women Adams Cup Competitors.

The Triple Crown is a three Regatta series held at Coconut Grove, Davis Island, and a third Regatta set by vote at the annual Meeting. This year the series ended at the Red Lobster Regatta in Sanford. The results of the last

regatta were held for weeks before the participants knew where they stood, and the Florida sailors were furious with the race management at the "Red Lobster". The paper trail finally revealed the Triple Crown overall winners: first, Eamonn DeLisser; second, Kevin Downey; third, Cabassa/Tourrella; fourth, Bill Meyer; fifth, Carol Stout.

There are several regattas that Northern sailors can thaw out in the winter months aside from the Midwinters held in March. In the first week of February, the Ft. Myers Sailing Club hosts the Edison Pageant of Light Regatta. The second week is the Melbourne Fun and Sail Regatta, and the third week is the Washington's Day Regatta at Lake Eustis. The Sarasota Sailing club even has a regatta in January. Call 813-886-1962 (allow 2 rings only) for information on Florida District sailing events, and join in the year round fun of Florida Lightning sailing.

INDIANA DISTRICT

District Commodore Greg Miles
District Secretary Susan Calder
District Champion George Buckingham
District Runner-Up Brad Wagon

Fleets: Wawasee Yacht Club (154); Indianapolis Sailing Club (270).

The Indiana District apprehensively awaited the 1989 sailing season hoping that the drought would come to an end. To everyone's relief water levels were restored at both lakes (How soon we forget the over eight-foot deficit at Indianapolis' Geist Reservoir last fall!).

With the water level up and fair winds and cold temperatures the sailing started at Geist in early April. The Indiana Open was hosted on May 6-7 with at least one unexpected surprise—SNOW! Many of us awoke in disbelief as we tried to convince our out-of-town guests that it surely wouldn't accumulate. Although the turn out was lighter than usual (only 16 boats) due to the weather conditions the competition was tough and participants travelled from Michigan, Ohio, Illinois and Missouri. Strong winds caused Hank Hodgson and Karl Suter to capsize on Saturday during and between the three races sailed. On Sunday the winds diminished to light and shifty and the race committee (Chairman Paul Dovey) had to scramble to provide two more relatively fair triangular courses. The usual steak dinner prepared by the Y-Flyer Fleet was superb and the Casino Party provided a fun night of "gambling" and an auction for sailing related equipment to cap off the evening's entertainment. After five races, congratulations were extended to Bruce Goldsmith, first and John McCree, second. The top five was rounded out with three Indiana District members—Wagon, Suter, and Whalen.

The Indiana District Championship Regatta was planned at Lake Wawasee on June 24-25, but someone forgot to schedule the wind. We spent a frustrating weekend watching the motor boaters, swimming off the dock and playing volleyball. Karl Suter was elected District Commodore Saturday evening at the annual meeting and out-going Commodore, Doug Schmahl was applauded for this two years of leadership. To everyone's dismay and disappointment the regatta had to be rescheduled as a one day event on July 16. Unfortunately, we should have scheduled prayers and wind dances on the preceding Saturday. Fifteen boats turned out for the dismal conditions and patience and light air expertise became the determining factors. Many were continually disappointed by motor boat wakes and their backwards movement. After two races the series was concluded and top honors went to George Buckingham, first, Brad Wagon, second; and Alan Fox, third.

A few weeks later, three Indiana boats represented our District in the North Americans at North Cape Yacht Club. Thanks to Brad Wagon, Karl Suter, Greg Miles and their crews for their dedication and perseverance. We hope that their interest will spark even more participation in the future.

Wawasee Yacht Club, Fleet 154 sailed their usual season Memorial Day through Labor Day and hosted the ever popular Hoosier Regatta on October 7-8. No one was disappointed when we were greeted with winds of 10-20 mph on Saturday. Nineteen boats from across the Midwest sailed three Olympic courses the first day with past North American Champion Colin Park and John McCree dueling for first except for an unfortunate incident which caused John to remove himself from one race. On Sunday, it looked as if we would have to abandon the remaining races, but long-time WYC member Paul Penn assured us that fair winds would fill in from the northwest by 11:00 a.m. Two more races were sailed under near perfect conditions with previous winner Colin Park again on top of the fleet. Remaining silver was presented to Bill Faude, second; Steve Thomas, third; Dave Stix, fourth; and Karl Suter, fifth.

A late season district meeting was held at the Hoosier Regatta to elect a

CONGRATULATIONS TO.....

Tom Allen IV and crew David Adams and Bill Pictor—1989 North American Champions

DISTRICT JUNIOR CHAMPIONS
Gretchen Jehle, Greg Millar, Frank Ernst

WOMEN'S DISTRICT CHAMPIONS
Susan Rogers (R) with Crew.

To confirm regatta dates, please contact District Secretary, Judy Walker at home 716-839-3552 or work 716-893-1100.

new District Commodore—congratulations to Greg Miles. Best wishes to the Suters as they leave us to transfer to Atlanta, Georgia.

In closing, the district would like to welcome our new members and encourage our "old" members to continue to promote Lightning sailing in Indiana. Congratulations to Fleet Champions Karl Suter (270) and George Buckingham (154). We would like to invite you to join us for some Hoosier Hospitality in Indianapolis on May 5-6 for the Indiana Open and again in October for the Hoosier Regatta.

ITALIAN DISTRICT

| | |
|--------------------------|--------------------|
| District Commodore | Luigi Merola |
| District Secretary | Sergio Rustichelli |
| District Measurer | Gianni Battisti |
| District Champion | Marcello Attina |
| District Runner-Up | Giuseppe Alagna |

Fleets: Garda (249); Marsala (449); Trasimeno (453); Flotta Del Conero (466); Flotta Del Savio (476); and Bracciano (479).

The past 1989 sailing season has been a very active and busy one for our Italian District.

Many Italian boats participated in the major championships in our area. Marcello Attina won the Italian District Championship at Lido del Savio. Italy was well represented in the European Championship in Athens where Marcello had the best finish with second place. Marcello also paced the Italian District with a fourteenth place finish in the World Championship which followed the Europeans in Greece.

We look forward to next year's season and continued success in the Italian District.

Italian Lightning leaders all together: Sergio Rustichelli, Secretary; Luigi Merola, Commodore; Paolo Rosi, Italian Sail Federation.

LONG ISLAND DISTRICT

| | |
|--------------------------|-----------------|
| District Commodore | Richard Warren |
| District Secretary | Thom Hering |
| District Measurer | Gary Sortino |
| District Champion | McCann Brothers |
| District Runner-up | Thom Hering |

Fleets: Little Neck Bay Fleet (55), Hewlett Bay (58); Great South Bay Fleet (178); South Hampton Yacht Club (431).

The Long Island District is pleased to report another season of excellent sailing conditions and good participation. This was the second year of the L.I. Circuit Series, which had proven to be a successful idea. It is based on four District regattas on Long Island with cumulative scorekeeping (Cox/Sprague), determining the L.I.C.S. Champion at season's end. Anyone attending our regatta's is entered into the scoring system, but, must have sailed in at least 51% of the races to qualify for the championship.

The 1989 season tallied 32 different boats/skippers entered in the series, with Tim Rumph as the champ, and Thom Hering as runner-up. A special thanks goes to Lowell Copeland, our District scorekeeper and resident computer king.

The season kicked off with the Southampton Spring Invitational in early June, with Southampton Yacht Club displaying it's usual warm hospitality with host names like Glanz, Warren, Rumph, etc. But the best part of the weekend were the conditions and competition. The winner was Judy Lutz and Tim Rumph was the runner-up.

The second District event was at Babylon Yacht Club for the annual Firecracker Regatta. This is certainly our most colorful gathering with 10 different one-design classes sharing the same courses in a well organized event with excellent race management. Top honors here went to the McCann boys.

The L.I. Districts has always been the peak of our season. Kudos go to Bill Weiss and Doug Meyhoefer for doing a super job at race committee, who continually monitored slight wind changes and adjusted the courses accordingly.

A special thanks also go to the Pearlman's for their annual district banquet, where everyone was treated to tubesteaks, filet hamburgers and salad. Next year the Pearlman's have already promised us filet mignons and three pound Maine lobsters!

On the water at the Districts, consistency was the name of the game. After blowing the start of the first race the McCanns fought back from DFL and finished second to Thom Hering. They went on to sweep the remaining three races to win the second District Championship in as many years. The Hering boat was runner-up with Bob Shewan winning in the protest room to secure third. Many thanks to our host club, Long Island Y.C.

Bayshore Race Week would have been a more difficult regatta for the Hering boat to win if only Adam Kohler had set his alarm clock. After missing the first start by about 15 minutes, Kohler went on to prove he "has arrived" in his new navy blue boat. 1990 will see Adam winning his share of races on Long Island.

The final District Regatta of the season has grown to be the most popular with boats outside Long Island...the Southampton Fall Classic, held the first weekend in October. With almost twenty-five boats the fleet was very fast. After a relatively light air day on Saturday, Sunday filled in with a typical L.I. 15 knot southerly by 10 A.M. The top three boats rounded out like this: 1st place - John Oldham; 2nd place - Chris Vann; 3rd place - Reiting Brothers.

For those of you who have never had the privilege of sailing the South Shore of Long Island, it is among the best conditions on the East Coast bar none. A typical day delivers a southerly of 15 knots, 5 degree shifts, and wide open deep water.

Lightning sailors have an open invitation to attend any of our regattas. Look for our ad in *Flashes* for the Southampton Spring Regatta in early June.

METROPOLITAN DISTRICT

| | |
|--------------------------|-----------------|
| District Commodore | Mark Schneider |
| District Secretary | Ralph Wilson |
| District Measurer | Franz Schneider |
| District Champion | Jack Huntsman |
| District Runner-Up | Sandy Huntsman |

Fleets: North Shrewsbury (11); Paupack (16); Lake Mohawk (25); Chelsea (39); High Tor (41); Red Bank (70); Nyack (75); Awosting (95); Harvey's Lake (350).

It was a good year for our district, a small district consisting of rivers and lakes. The fleet races were fun, and the regattas were a special treat for all.

As Commodore of this district what I enjoyed most this year was the participation of all the fleet members in their local races. Even if they are young in the sport, they are showing that competitive edge!

Regarding invitational regattas, our district held its share of events this year, drawing boats from the Ohio, Central New York, CT/RI, Dixie, and C.A.D. districts. It started with the Long John Regatta at Monmouth, and ended with the Last Blast Regatta at Chelsea.

Highlights were our District Championship, and the Atlantic Coast Championships. The Districts consisted of a few less boats then last year but the competition was strong. Jack Huntsman took the honors, followed by Sandy Huntsman, and Mark Schneider. With four good races, an excellent party, and okay weather, the regatta was a success.

The Atlantic Coast Championship regatta was held at a new location to Lightnings — Atlantic Highlands, New Jersey on the sound protected by Sandy Hook National Park (what a course, excellent for national regattas!). Mother nature did not provide us with the winds we all hoped for but the regatta was a success. We all had a great time thanks to our hosts Monmouth Boat club.

The Metropolitan District had a good 1989 and are looking forward to an even better 1990. We offer the greatest combination of every type of sailing, lakes, rivers, and plenty of diversity to keep you interested for a long, long time. Come join us for our regattas and our local fleet races — look for details in future issues of *Flashes*.

Michigan District 1990 Regatta Schedule

The Michigan District congratulates Colin Park (14384), Winner of the 1988 North Americans and Runner-Up in the 1989 N.A.'s, also winner of the 1989 Joe Strueland traveling trophy. Sean Fidler (below center with crew), Winner of the '89 Junior N.A.'s. Joe Disette for finishing 4th in the Masters. Amy Hodgson, 1st in the Michigan Womens and 5th in the Women's N.A.'s. George Sipel, Michigan Junior Champion, John McCree, Michigan District Champion.

SAIL

! MICHIGAN! SAIL MICHIGAN!

Michigan District Champion John McCree with crew, wife Robin and Greg Bull.

MICHIGAN

| | |
|--------------------------|------------------|
| District Commodore | Colin Park |
| District Secretary | Phyllis Callahan |
| District Measurer | Tom Vickers |
| District Champion | John McCree |
| District Runner-Up | Dan Norton |

Fleets: Devils Lake (31); Crescent Sail Club (51); Lake Fenton (53); Pontiac Yacht Club (54); Higgins Lake (110); Gull Lake Yacht Club (137); Macataw Bay (204); Saginaw Bay (216); Grand Traverse Yacht Club (326); Pentwater (340); Douglas Lake (374); Lansing Sail Club (387).

Lightning sailing in the Michigan District was highlighted by good sailing against many fine sailors. Michigan was well represented at the North Americans, with Mike Dow, Dan Norton and Sean Fidler qualifying in Blue Fleet for the first time, to join Bruce Goldsmith, Garry Demarest and Colin Park. Colin later gave us all a chance to second guess his strategy, as if we each had the opportunity to let a second North American championship slip away in the last race. Sean Fidler put together a good series to win the Juniors. Joe Disette led the Masters until a tough third race. Bob Mathers was second in the Master's, 1, 2 in the Governors' fleet. Dave Decker enjoyed a good first day in the Presidents' fleet, but lost the handle.

The season started with the increasingly popular Devil's Lake spring tune-up. The name of the regatta, the rules of the game, and the guest celebrity change each year, but the fun's the same. Steve Thomas and sons Mike and Bill devised a winning strategy, taking the short course with a new skipper at the helm every other race.

The Mathers team survived to win the Father's Day Trophy at Crescent YC. George Sipel gave away a great race by slamming a death roll into the leeward mark, estimated at 6.4 on the Richter scale.

The Lake Fenton Team regatta remains a one-of-a-kind. The new three-boat format seemed to make all teams competitive, with the Bay City team somehow overcoming the absence of Colin Park to out-drift the local perennial winners to take the abbreviated series by tie-breaker. Clark and Ruth Howell deftly distracted the opponents, while Jim Schofield sailed through the fleet in the last race to carry the team.

Tawas did a great job putting together a last minute show. Bill Seaman didn't let on that he was the first of a crowd of Lightning sailors expecting a regatta until Friday night at the club bar. The locals reacted as you might expect from a club capable of hosting the North Americans, hustling up an RC and several local boats with just a few midnight calls. Those who didn't travel because the mis-informed club bartender might have denied all rumors that a regatta was scheduled, missed a weekend of perfect sailing and fine regatta management that is the hallmark of Tawas Bay.

The District Championship on Saginaw Bay drew 40 boats and many familiar faces, but turned into a playground for the youngsters. George Sipel and Sean Fidler dominated the early races, while Dan Norton slayed the fleet to win the last three races. John McCree was the only "veteran" able to pace the young hot shots, somehow staying out of trouble in all five races to win the series.

Amy Hodgson won the Women's Districts at Devil's Lake. George Sipel squeaked by Sean Fidler to win the Junior Districts.

Traverse City still gets "those who have strayed from the fold" off their J/24's to entertain those of us who make it up there. Young Tom showed us what race committee work is all about, singlehandedly raising flags, firing the shotgun, and calling Colin Park and Bill Seaman over early, with time

to motor in to pick up a sandwich before scoring the finishes.

The Higgins Lake folks made the tow over to Treasure Island worthwhile, with fine racing—in wind!! Sunday brought a rare howling northerly to the lake-of-many-drifters. We humored the RC by considering the possibility of a race, but those wearing all the warm clothes in the van were preoccupied with plans to get the boats off the anchor lines and back to the mainland with minimum numbness and maximum dryness.

We enjoyed a textbook fall series, sailing between T-storms at Pontiac, in a cool but quickly clearing drizzle at Devil's Lake, and an Indian Summer complete with geese checking out their autopilots, rustling fall colors, and acorns dropping into the boats as we put them away to end the season at Gull Lake. Sean Fidler capped a fine season by holding off Greg Fisher to win the White Cap trophy; Colin Park made a comeback in the last race to take the Devil's Lake trophy away from John McCree, and then added insult to injury by repeating at Gull Lake, with Karen Park and John's fine crew Greg Bull taking turns at the helm.

MIDWEST DISTRICT

| | |
|--------------------------|----------------|
| District Commodore | Bill Faude |
| District Secretary | Vernal Equinox |
| District Measurer | Mike Huffman |
| District Champion | Andy Dillon |
| District Runner-Up | Bill Faude |

Fleets: Chicago Corinthian (5); Milwaukee Yacht Club (69); Green Bay (112); Lake Davenport (167); Sheboygan (187); Lake Geneva (345); Manitowoc (393); Fond Du Lac (442).

The Midwest District started 1989 with its annual meeting at the Milwaukee Yacht Club. Brad Read from Shore Sails gave a seminar. District Commodore Bill Faude led a discussion about race management and the scheduling of our district's regattas.

Our first on-water encounter was in June on Lake Winnebago. Host Mike Elmergreen ran the races, leaving Tryg Jacobson free to sail with Mike Huffman on Bill Faude's boat. They won four out of five races, then Elmo and Sue hosted the sailors at their Fond Du Lac retreat.

The Evans at Green Bay was cancelled due to low water in the launching area. Lake Michigan continues to drop so we have to find another way to sail in Green Bay — or get wheels for our boats.

The P & T was held the weekend after the fourth of July. Mr. Faude won on his home waters, becoming the favorite for the District Championship two weeks hence. Jacobson was second.

At this time word reached the states regarding the World Championships in Athens. Bob Smith, Ric Larson and their crews were representing our district and Ric finished a strong seventh place, we're all proud of Ric, Mary and Matt.

Back to Milwaukee for the Districts. Strong winds meant strong finishes on Friday for Mr. Faude, but the wind lightened as the weekend went on. It was Andy Dillon with brother John and Ian Nickerson as crew who finished on top, sailing a very consistent series. They were the first boat from Milwaukee Y.C. to win the Districts since 1969! Two through five were: Faude, Jacobson, Brian Phelan and Geary Gaspord.

Paul Wurtzebach won the Brotz regatta at Sheboygan. Matt Burrridge travelled from St. Louis to take second and Jacobson was third.

The district sent seven boats to the North Americans; Faude, Reichelsdorfer, Gaspord, Adrian Irving, Carey Long, Chris Kronich and Hans Graf (whose dad Chris sailed in the Masters). The real story was in the Women's Championship. Karen Johnson, long-time maven of the Chicago fleet took a close third. Mom and Terrence Fox crewed, and to top that Christine Kronich of Sheboygan with Carolyn and Christine Kieffer won in their first attempt at the Women's North Americans. Our district has its first North American champ in many years!

The Adams Cup, the USYRU — sponsored national women's championship was held in Lightnings this year. Chicago Corinthian hosted the regional eliminations. Milwaukee's Karen Balistreri, Dana Cady and Liz Merrifield finished first out of seven boats.

The finals were held in Milwaukee at the end of August. The top four boats were sailed by regular Lightning sailors. A team from Buffalo won and Karen, with Vickie Matthews filling in for Dana, finished a close fourth. Vernal wishes he could have been there to watch these vixens do their things.

Both events were sailed in boats borrowed from Sheboygan, Milwaukee and Chicago sailors. Thanks guys, and to everyone else who helped make the Adams a success.

The Red Flannels was a blustery affair. Wurtzebach of the home fleet won it; visitors Burrridge and Steve Thomas followed. Wurtzebach's

clinched his first LMSRF Lake Michigan championship, a three regatta series.

The Polar Bear at Davenport was also won by a local. Doug Steffenson bested Gene Matthews and Long to end our district's season.

The Midwest District is going strong with new boats and sailors appearing each year. With Commodore Faude's term coming to an end, it's time to look ahead to continue our progress.

Mississippi Valley District

Regatta Schedule

| | | |
|-----------------------|--------------------------|--------------------------|
| The Tennessean | Harbor Island, Nashville | April (To Be Determined) |
| The Hernando DeSoto | Lake Arkabutla, Memphis | May 19 and 20 |
| District Championship | Lake Carlyle, Carlyle IL | June 8, 9 and 10 |
| Intercity | Lake Decatur, Decatur IL | June 16 and 17 |
| Junior Championship | To Be Determined | To Be Determined |
| The Cotton Pickin' | Lake Arkabutla, Memphis | September 29 and 30 |
| The Impromptu | Lake Carlyle, Carlyle IL | October 6 and 7 |
| The Bluenose | Harbor Island, Nashville | November 3 and 4 |

MISSISSIPPI VALLEY DISTRICT

| | |
|--------------------------|-----------------|
| District Commodore | Terry Burke |
| District Secretary | Lynn Jones |
| District Measurer | Terry Burke |
| District Champion | Matt Burridge |
| District Runner-Up | Jim Ward |
| District Junior Champion | Peter McDonnell |

Fleets: Decatur (74); Harbor Island (262); Carlyle Sailing Association (266); Memphis (274); Valley Sailing Association (486).

Sailing conditions across the Mississippi Valley were excellent this year as compared with the past recent years. Activity within the district at both the fleet and regatta levels was at an all time high. Nineteen boats started out the year in Memphis at the Hernando DeSoto. Warren Lewis from Dallas won this event that had more than the usual amount of excitement when a squall line hit the race course during the second race. The sailors got soaked but managed to survive the storm and continue this successful event.

The District Championships occur early in the Mississippi Valley and thus this year's event was held on June 9-11 at Harbor Island Yacht Club, Nashville, Tennessee. We hold our Districts early because traditionally there are light winds across the district during July when most districts hold their championships. Of course this year, there was hardly a whisper of a breeze on the weekend of the Districts and late June and July showed some

of the best winds of the summer. This year's Districts was a two-race event. Saturday dawned with Old Hickory Lake "flat as a pancake". We decided to hold our district meeting while we waited for a breeze to appear. Finally in the afternoon, a light shifty breeze came up long enough for two short races. Saturday night's dinner was held in the great Nashville tradition. Saturday had all the racing there was to be because on Sunday the wind never came up. All the past District Commodores present gathered on Sunday and proclaimed the two-race regatta as meaningful. The top five in order were Matt Burridge, Jim Ward, Chan Owen, Bill Baxter, and Terry Burke.

The next weekend brought the Intercity Regatta at Lake Decatur. This regatta draws boats from throughout the midwest generally highlighted by a great party on Saturday night. This year's highlight was final race finishes: Gerry Paoli had three bullets, Matt Burridge had three seconds, and of course Greg Florian had three thirds.

At the Districts, many of the younger sailors got together and determined that there was enough interest to hold a Junior Championship in July at Arkabutla Lake (Memphis fleet). Seven boats representing three fleets gathered on July 15-16. Five races were held in light but steady breeze. The top three skippers were Peter McDonnell, Jim Renschen and Stacy Heisler.

North Cape had successes from the district including Gerry Paoli's third place finish in the President's Cup, Don Sherburne's third and Lal Burridge's seventh place in the Masters'.

The 6th annual Muddy Rudder was held on September 9-10. Nineteen boats came to enjoy five races on the scenic Mississippi river at Alton Lake.

Rick Conaway became the first local member to win the regatta (come to next year's regatta on September 8-9). Memphis fleet's Cotton Pickin' Regatta was held on September 23-24 with good strong winds on both days. Bill Hofmeister was the winner followed by Cully Ward and Crit Currie. Carlyle's Impromptu Regatta was held on the following weekend which brought 21 Lightnings and 4 Finns to Lake Carlyle. Races were tight in light winds. Auggie Paoli won followed closely by Cully Ward and Matt Burridge.

There probably is no better way to finish off a sailing season than sailing with some of the best at Nashville's Bluenose Regatta held this year on November 4-5. Nearly sixty boats showed up for one or more exciting events of the year. Racing conditions were great on Saturday and Sunday's sailing was in nearly blasting conditions that created a grave yard at the jibe marks. This year's event was won by Mark Bryant followed by Greg Fisher and Brad Read.

Well it is now at a season's end. It was a successful year. We are working to make next year even better.

NEW ENGLAND DISTRICT

| | |
|--------------------|------------------|
| District Commodore | Patrick MacQueen |
| District Secretary | Curtis Felix |
| District Measurer | Don Brush |
| District Champion | Bruce Atkinson |
| District Runner-Up | Curt Felix |
| Junior Champion | Josh Adams |
| Junior Runner-Up | Chris Wright |

Fleets: Centerboard Yacht Club (14); Newburyport (121); Spofford Yacht Club (145); Annisquam Yacht Club (151); Marblehead Harbor (189); Bomoseen Lake Y.C. (227); Massabesic Yacht Club (273); Chequesset (280); Lake Champlain (301); Squam Lake (332); Androscoggin Lightning Fleet (450); Bow Lake Lightning Fleet (493).

As is tradition, 1989 started off with the Champlain Regatta at Mallet's Bay. This was won by a Canadian fellow by the name of Peter Hall from Montreal. Lot of nerve beating up on us like that. Local Don Brush was second and Stu Nickerson third. Next followed the Maple Syrup at a blustery Bomoseen. George Deyett took the Jug at this beautiful regatta with Curt Felix and Bruce Atkinson second and third, respectively. We were all expecting a new arrival, but it was not to be. Baby girl 'Sidney' decided to do it her way and took her good ol' time in presenting herself to Ray and Toni Harrington. Congratulations!

Provincetown out on the tip of the Cape was the first leg of our district's new New England District Lightning Circuit Championship. Stu Nickerson won this event with Kip Hamblet second and Eric Cutting third. P-town is worth the trip for the hospitality alone not to mention the great sailing. The second leg of the Circuit Championship was next with quite a few stories coming back about the changing places going on all over the lake. Again wiley sailor George Deyett came out on top with John Hughes

and Jeff Wright second and third.

The New England Districts were held at Annisquam in Gloucester, Mass. The air was on the light and variable side but the competition was great. Bruce Atkinson became our District Champion in the end beating Curt Felix out in a tie-breaker. Congratulations Bruce and Curt! We then had a three way tie for third between Eric Cutting, Georges Peter, and Kip Hamblet. It took several rounds with the ILCA rules and great scholarship to break this one. It was done though leaving Eric, Georges, and Kip in that order.

We have combined our Juniors and Master's championships which were held at Massabesic. Saturday was fairly blustery while Sunday was lighter. Josh Adams of Wellfleet did a superb job in becoming the Junior's Champ with Chris Wright of Bomoseen and Michelle Deyett of Massabesic second and third. The Senior's Champ was Ray Harrington Sr. with Ray Jr. and Toni as crew. Sidney waited patiently on shore. Walter Colantuono and Norm Deyett rounded out second and third.

The tune-up for the North Americans was the Wellfleet regatta. This regatta marked by heavy air was won by co-skippers Christy Jones and Stu Nickerson with John Hughes and C.B. Currier second and third. The North Americans at North Cape were well represented by district sailors Don Brush, Curt Felix, Bill Fastiggi, and Kip Hamblet.

The last leg of our Circuit Championship was held at Squam Lake. In heavy air on Saturday and lighter air on Sunday, John Hughes, Eve, Shelley, and Brian (4?) proved their consistent mettle winning both the regatta and the Circuit Championship having garnered a fourth at P-town and a second at Androscoggin. Congratulations to the Hughes for being the first with the consistency to stop this series.

The Massabesic regatta was held with all the usual flair but a little lacking in air. Only one race could be mustered and that was a drifter. District Champ Bruce Atkinson won that and the regatta. Ray Harrington took second and Brian Hughes third.

As always the season finale was held at Spofford Lake. Because of 'Hugo' attendance was down, but those who had faith were treated to good (but not hurricane) air on both days, not to mention the chicken 'n ribs. Stranger Stu Nickerson took his trophy again with Don Brush and Kip Hamblet second and third. As usual the season went too quickly, but we can look forward to a brand new season next year.

OHIO DISTRICT

District Commodore Bertie Werley
District Secretary Jake Rider
District Measurer Ralph Powless
District Champion Greg Fisher
District Runner-Up Dick Pugh

Fleets: Indiana Lake (23); Leatherlips (27); Turkeyfoot (33); Pymatuning (36); Buckeye Lake (43); Rocky River (71); Mansfield (150); Atwood Lake (212); Cowan Lake (303); Hoover (353); St. Marys (400).

The Ohio District had one of its most exciting seasons ever, not only with its district regattas, but also as the hosts of the 1989 NA's.

Our season began in early February with our winter meeting, graciously hosted by Greg Fisher at the Fisher Sails loft. Special thanks to Karl Ericson who provided the "How It's Done" Tour before hand. Planning for the NA's dominated the agenda, as we began finalizing the tricky coordination effort required to host the NA's on a district-wide basis. Members young and old contributed to the meeting (including young Ryan, actively contributing to the demise of the deli lunch!)

One of the Ohio District's greatest strengths is the closeness of its members. As a district, we believed that it was time for us to step forward and "take a turn" at hosting the NA's. We also felt that hosting the NA's would be a good experience for us by boosting interest and participation and allowing some of our members who'd never been to a North American Championship the chance to be a part of it all.

The North Americans was, therefore, a truly district-wide event, with members of nearly all of our yacht clubs actively participating in the planning, execution and competition of the event. Coming together from literally all corners of the state (and Pennsylvania!), each club pitched in and shared in the work, the fun and the learning experience that comes with hosting an event of this kind.

When all was said and done, 47 boats competed in the Womens/Masters/Juniors, and 110 boats competed in the North Americans. Key to the success of it all, along with the dedication of the members of our District, was the extraordinary effort put forth by North Cape Yacht Club. Bill Rogge, Skip McCullough, Mike Comer and their

*NEW ENGLAND LIGHTNING CIRCUIT CHAMPIONSHIP

many co-workers from North Cape were marvelous hosts and wonderful workers.

Special thanks go to many folks . . . some very familiar names and some not so familiar. The Powless Family, the Pugh Family, the Fisher Families, the Clippes, the Werleys, the Colliers, the Jestels, the Caleys, the Frymiers and many more all deserve a special vote of thanks.

Also, thanks to the club members who continue, year after year, to sponsor and support our district regattas. The Governors' Cup Series, made up of Pymatuning's Spring Classic, St. Mary's Thundermug, Leatherlips' Windshift, Atwood Lake's Harvest Moon and Cowan Lake's Fall-In, is the five-regatta circuit which is the lion's share of our District schedule. Congratulations to this year's Governor's Cup Trophy winner Tom Varley. In addition, the CYC Lightning fleet continues to build, and this past year's CYC regatta was complete with a pig roast! Put-In-Bay's Race Week Steeplechase offered a true cliff-hanger — after five hours of racing, the winning margin of John Mueller over Ken Irwin was less than one boat length! And the traditional Snowball Regatta at Buckeye Lake rounds out our season of sailing.

Our District Championship was held this year at Pymatuning Yacht Club. Congratulations to our District Champion this year, Greg Fisher, followed by Dick Pugh, George Fisher, David Werley and Robert Thompson. Also congratulations to John Werley, this year's winner of our Sportsmanship Trophy. A special note of thanks to Rob Ruhlman (GT Sails) and Greg Fisher (Fisher Sails), who provided high tech duffle bags and a Lightning jib, respectively, as raffle give-aways for the participants. Keep that in mind, Ohio Sailors, as you're planning your regatta traveling schedule for next year!

This season offered the very best of Lightning sailing experiences — strong local racing, a warm and friendly regatta circuit offering all varieties of wind and water, and a memorable learning experience with the North Americans, both on and off the water. Hopefully we'll remember all we learned next season . . . And don't forget — Rochester in 1990!

PACIFIC NORTHWEST DISTRICT

|--------------------|--------------|
| District Commodore | Bruce Deitz |
| District Measurer | Dave Hickman |
| District Champion | Eric Lindahl |
| District Runner-Up | Bruce Dietz |
| Circuit Champion | Bob Bazett |
| Circuit Runner-Up | Bruce Deitz |

Fleets: Maple Bay (64); Chinook (229); Columbia (283); Okanagan (368), Seattle (132).

All roads don't lead to Seattle, but for the last several years the Seattle Circuit Regatta (the Seattle Corinthian Yacht Club's Annual Fleet Championship Regatta) has been the showdown regatta of the year. This year was no exception — going into the regatta (the last circuit regatta of the year) four skippers were tied for first, all with three points: Gerry Neuburger, with a first at Kitsilano and a second at Klamath Falls; Verson Pandian, with a first at Klamath Falls and a second at his home Regatta in Eugene; Bob Bazett with a first at the Kelowna Regatta and a second at Kitsilano; and Bruce Deitz, with a first in Eugene and a second at Vancouver Lake. Others trailing by just a point or two were Lisa Parshley, John DeBenedett, and Phil Parshley. Unlike the past few years the weather was terrible, rain and no wind, but the race committee did manage to get one race off which was won by Phil Parshley followed by Bob Bazett giving Bob the circuit trophy. The final standings were: Bob Bazett - five; Bruce Deitz - six; Gerry Neuburger - seven; Phil Parshley — seven; Lisa Parshley — eight.

The Districts were sailed in Seattle this year in conjunction with Seattle Corinthian's Summer Olympic Regatta. The CYC race committee was extremely cooperative, ensuring that we started well behind, or in front of, other fleets so that we were not impacted. They also stayed on station for a sixth race on Sunday to ensure that we would have a throw-out. Racing was extremely close. Going into the last race any of the following skippers had a

*Sailing 3 of 4 qualifies for Ohio Governor's Cup Series

shot at winning — Eric Lindahl, Phillip Parshley, John DeBenedetti, and Bruce Deitz. Eric Lindahl sailed very consistently to win his fourth Districts in the last eight years.

Dave Hickman, John DeBenedetti, and Bruce Deitz travelled to San Francisco Bay's Richmond Yacht Club for the Pacific Coast Championships last September. All skippers and crew heartily praised RYC's race committee and the efforts of the San Francisco Bay fleet, particularly Bruce and Sue Arnold, for putting on a fantastic regatta. We all went expecting at least 15 knots of wind and sunshine. We got the 15 knots and more on Sunday, but no sunshine. We, of course, were accused of bringing the rain with us and more than one of us wishes there had been a throw-out...

SOUTHEASTERN DISTRICT

| | |
|--------------------------|------------------|
| District Commodore | Clayton Rumble |
| District Secretary | Timothy Hagen |
| District Measurer | Bill Sloger, Jr. |
| District Champion | Will Sloger |
| District Runner-Up | Lenny Krawcheck |

Fleets: Savannah (127); Clark Hill (257); Lake Lanier (348); Catawba (365); Lake Hartwell (391); Triad (415); Greater Charleston (429); Palmetto (440); Waccamaw (463); Wake (481); Tennessee Valley (500).

The 1989 Southeastern District circuit was comprised of 12 regattas held at various clubs in our three state district from April through October, some of which are Lightning only invitationals, the others being multi-class regattas. This year nine boats qualified for the season championship by sailing in at least six regattas. In order of finish they are: Lenny Krawcheck, Bill and Will Sloger, Bob Harkrider, Clay Rumble, Gil Klemann, John Pelosi, Tom Hudgens, Tim Hagen, and Bob Wilkins. Through Commodore Clay Rumble's help the district was able to raise additional funds from advertising in our district newsletter, *The Spinnaker Sheet* (a special thank you to all advertisers that helped us), which provided us to present beautiful trophies to skipper and crew for this years qualifiers.

In keeping with Southeastern District tradition, the Augusta Sailing Club was proud to host our first regatta on April 22-23. Sixteen boats arrived for what turned out to be a beautiful weekend to renew our sailing spirits. Light to moderate winds all weekend provided us a great opportunity to get back in the swing of things. Lenny Krawcheck sailed a consistent four race series and took the accolades in this first district event.

The following week the Knoxville fleet sailed their Dutch Treat Regatta in which the Lightnings teamed up with Windmills. The weekend turned out to be a very enjoyable one with eight to fifteen knot winds and a steak dinner and keg party Saturday night. Jonathon Lange finished first showing that local knowledge does provide an edge.

On May 6-7 district sailors found out what heavy air sailing was all about. High Rock Lake was located in the middle of a tornado that passed through North Carolina that weekend. Saturday, as we ventured our way out to the starting line, the racing was cancelled due to tornado watches in the area. Some of the fleet made it back to the dock while other had to hide in coves waiting for the storm to pass over. Sunday's racing was sailed in much lighter(?) conditions, but it still provided planing conditions on main and jib alone. When the scores were finally totalled up, local sailor Gordon Kellog took home the honors.

The Western Carolina Open was held the following week bringing nice winds on Saturday, but ghosting conditions on Sunday. Bob Harkrider claimed two wins that weekend; first being crowned the new champion of our unofficial bowling tournament held annually at Hartwell Lake (in which can provide some hilarious entertainment and great laughs, especially if you are bowling with Bennie Moultrie), and secondly winning the regatta with his consistent finishes.

Following a short layoff, fourteen boats showed up to attend the Bottoms Up Regatta at Lake Murray, our annual event with the Thistles. With a couple of great starts in the regatta, Will Sloger came up as a winner in the moderate winds that we were provided over the two days.

Our District Championship was held the following week, June 9-11 in the fishing village of Oriental, NC. The regatta was sponsored by the Raleigh fleet who once again did a wonderful job, on and off the water. Twenty-one boats came to compete for the district title, only to find Friday's racing cancelled due to 40 mph winds. Friday then turned into one big Lightning

party with plenty of beer drinking, story telling, more boat preparation and tuning, and frisbee football games. Saturday we awoke to conditions that were near perfect; 10 to 12 mph with smooth seas. As the day progressed it became evident that the right side was favored. Will Sloger obviously figured this out to claim two bullets and a second to lead the championship after the day's racing. Our final day brought heavier winds and great planing conditions. Lenny Krawcheck put up a strong challenge by finishing with two bullets for himself, but it was Sloger who sailed two consistent races to win the District Championship by a single point.

The following week we went back to lake sailing at the Governor's Cup in Raleigh, NC. This weekend was an exciting one for district sailors. We learned how to sail a Lightning both on and off the water. Greg and Matt Fishes were on hand to conduct a racing clinic the day before. The two brothers, with Matt skippering, then went out and took three bullets to win the regatta.

Ten Lightnings attended the Beaufort Open ready to try and tame the tricky tides of the river. Light breezes and incoming tides make for some frustrating sailing, but Lenny Krawcheck handled it well finishing first.

Charleston, S.C. was the sight of our next regatta, the SAYRA Inshore Championship. Only five boats were in attendance for this regatta as most of us were attending the nuptials for Sharon and Bob Harkrider. (Congratulations to you both!) The weekend provided great sailing conditions with steady 12 to 15 mph winds and long championship courses. Lenny Krawcheck used his home town knowledge and was able to capture first place.

The month of August arrived which meant North Americans. The Southeastern District sent six boats this year and had some of the best results ever. Lenny Krawcheck sailed a great series, which included finishes of a first and second, to finish fifth in the Championship fleet. John McIntosh also made the Championship fleet after a "tough-luck" Masters regatta. Congratulations to you both for sailing a fine regatta.

The stronger fall winds brought our District circuit back and seventeen boats arrived at Waccamaw for the Lightning Invitational. For the second year in a row light air was the norm all weekend long which allowed us to only get two races in. Will Sloger showed us his light air techniques to win the regatta with two first place finishes.

The following week was the Columbia regatta. After a mix up in the regatta dates was settled only five boats showed up for what turned out to be one of our best weekends with nice steady breezes and great race committee work. Lenny Krawcheck showed us the way around the race course finishing first.

As usual our last chance for glory was in the Atlanta Cup regatta. This years regatta was sailed in very heavy rain on both Saturday and Sunday. Fortunately there was enough wind that was steady in both velocity and direction to provide for some exciting tactical racing. For the second year in a row it was worth the long trip Fisk Hayden made from Orlando as he won another Atlanta Cup.

Well, even though we are trying to get over our post district circuit blues, the new season is only a short while away. Our newly elected district officers, Commodore John Pelosi and Secretary/Treasurer Clay Rumble promise us even more fun for the 1990 season. So make a commitment to come out to a handful of regatta, you'll be glad you did. Look for the Southeastern District schedule in future issues of *Flashes*.

Crowded leeward mark action in a Southeastern District circuit regatta.

SOUTHERN DISTRICT

District Commodore Cal Herman
 District Secretary Roger Evans
 District Measurer John "Buck" Ballatin
 District Champion Larry Frost
 Runner-Up John A. "Buck" Ballatin

Fleets: Mobile Bay (135); Shreveport Yacht Club (175); New Orleans Yacht Club (209).

The 1989 season began with a very successful Sugar Bowl Regatta on New Year's weekend in New Orleans.

The area Lightning's met for the first time in a number of years on Lake Charles, LA for the Contrahand Days Regatta where everyone enjoyed a festive Cochon De Lait (that's a pig roast for all y'all north of the bayou's). Everyone had a great time.

The Districts were held at Southern Yacht Club in New Orleans. Larry Frost walked away with a convincing victory leaving the real contest for the runner up position.

The Sugar Bowl Regatta will again be held New Year's Eve weekend, December 30-31. Call Cal Herman 1-800-535-9747 for more info!!

The winning team at the European Championship: (l to r) Walter Durr, Beat Gasser, and skipper Urs Wyler.

SWISS DISTRICT

District Commodore Gilbert Despland
 District Secretaries Kathy Herzog/Stephan Scharer
 District Measurer Urs Wyler
 District Champion Urs Wyler
 District Runner-Up Christoph Luthy

Fleets: Lac de Neuchatel (169); Sempachersee/ Hall-Wilersee (250); Greifensee (309); Murtensee (358).

The highest point of this season for our District is the victory of Urs Wyler and his crew at the European Championships in Athens. Congratulations!

This year there was no Swiss participation at the traditional Winter Championship at Marsala. It's a shame, we hope that we will have a revival of youth for 1990. We started our season in April at Beinwil on the Lake of Hallwil. Only six boats participated in the four race series with very shifty winds. Urs Wyler was the winner with Hasu Schmid in second. This was followed by the Swiss District Championships held on Lake of Sempach. The conditions were very good and we were able to sail six races in only two days. Unfortunately, only seven boats attended the regatta. Urs Wyler was once again victorious, placing ahead of Luthy and Scharer. The event was topped off with a wonderful awards banquet. In June we had the Pfauencup on Lake Murten. Eight boats sailed two races with Wyler first and Scharer second.

During the summer, four of our representatives went to Athens to participate in the European and World Championships, which was raced in Phaleron Bay. With a super series Urs Wyler with his crew, Walter Durr and Beat Gasser, won the European Championship. The other boats did not finish among the leaders, but enjoyed it very much.

In autumn we had very nice weather in Switzerland, but just no wind. We

therefore couldn't sail "Criterium Aventureum" and the "Fonduregatta" at Nuenburh. In Fallanden on Lake Greiffensee we have only three boats. The general meeting from Fleet 309, resulted in a decision to dissolve this fleet. This seems to be the problem for our district, the activity is going more and more down. We have no builder in our country, so nobody buys new Lightnings.

We invite you all to La Neuveville on the Lake of Biene July 7-14 for the European Championship of 1990. Come one and all, the atmosphere will be great.

TEXAS DISTRICT

District Commodore John B. Waskom, III
 District Secretary Janelle Garrett
 District Measurer Dr. Sylvan Newman
 District Champion Warren Lewis
 District Runner-Up Rick Tears

Fleets: Dallas Corinthian (35); Rush Creek Yacht Club (435).

The news for the 1989 year for the Texas District was highlighted by our District Regatta in June. The winds were very shifty all weekend, but we had more air than usual for the summer. Warren Lewis and crew Kurt Schuler and Suzie Thompson won the five race regatta as reported in the August *Flashes*.

Fleet 35 had four boats go to the Holiday In Dixie Regatta in Shreveport, and Ralph Bilnoski from Fleet 35 took the first place trophy. Warren Lewis from Fleet 435 took home the first place trophy again at the Memphis Regatta in May.

An important event for us was the Adams Cup (USYRU Women) eliminations. The Texas Yachting Association races were held in June at Rush Creek YC and Fleet 435 provided assistance in rigging, repairing broken equipment in the 25 mph winds, and in race duty. Then in July the Area F eliminations were also sailed at RCYC in our boats.

Fleet 35 and 435 will report more detail on their activities in their separate reports.

Oswego, NY - August 1989

1989 MICHELOB LIGHTNING CLASSIC - 60 Boats -

Oswego Yacht Club, on Lake Ontario at Oswego New York, hosted the best attended Lightning Class regatta held in the United States in 1989. Excluding official Lightning Class Championship events, the sixty boat turnout marked the 2nd consecutive year the Michelob Lightning Classic has been the best attended U.S. regatta.

Crews from Canada, Pennsylvania, New Jersey, New Hampshire, Vermont, Connecticut, Ohio and Massachusetts joined New Yorkers from the CNY and Lake Erie Districts to form the large fleet.

With the 1990 North Americans scheduled to be sailed on Lake Ontario at nearby (one hour) Rochester, NY beginning the week after the 1990 Michelob Classic, Classic organizers are hoping to attract new competitors to Oswego to join the existing fleet in a competitive tuneup that will be sailed in almost identical open water conditions.

| | | Robert J. Buzbee |

Fleet 5 had another successful season this year. Our fleet is growing and is fortunate to have a competitive and enthusiastic group of hard cores who guarantee close club racing and excellent regatta participation. Our new fleet members this year are Carey Long and Dave Styx. Welcome!

Our traditional three series were hard fought and showed close fleet racing. The Corinthian Series was won by Paul Wurtzebach (11703), followed by Geary Gaspord (14287), and Bill "Buck" Wynn (14065). Our Summer Series winner was Steve Brugge (10930) closely followed by Dick Hinze (11446), and a resurgent Tom Hennessy (10443). The Fleet Championship Series this year was won by the wiley Dick Hinze, with Steve Brugge taking the silver and Geary Gaspord capturing the bronze. Congratulations everyone!

Chicago was ably represented in the North Americans this year by Geary Gaspord, Adrian Irving, and Carey Long. Kudos to Karen Johnson and Terrance Fox for finishing third in the Women's North Americans. Special congratulations to Mikje and Meg Huffman on the occasion of their marriage and Mike's appointment to Class Secretary.

The Chicago Red Flannels Regatta again lived up to its reputation for late season unpredictability. High winds and five foot seas forced the cancellation of Saturday's races. We managed to get in three races on Sunday which saw Chicago's own Paul Wurtzebach battling Matt Burridge for line honors and the coveted pair of Red Flannels. Steve Thomas from Devils Lake and Dan Moriarty from St. Louis tied for third while newcomer Dave Styx sailing his first Lightning Regatta nailed down fourth place. Dan Reichelsdorfer from Sheboygan came in fifth followed by Gene Matthews from Lake Geneva.

We are looking forward to another successful season in 1990 which will be our 50th anniversary in Chicago. See you all in the Spring.

NORTH SHREWSBURY RIVER FLEET (11) Metropolitan District

Fleet Captain Jon Schwartz
Fleet Secretary Mary Huntsman

Our Lightning sailors had an active year on Abino Bay with ten crews on the starting line for the Club Championship and five crews competing in the junior races. The highlight of our season was the Lake Erie District Championship Regatta, which the BCC hosted chaired by Regatta Chairman, Ed Roseberry Jr. Fleet 12 sailors enjoyed great success in international and world competition this year. Tom Allen, Jr. captured the six race North American Championship at the North Cape Yacht Club near Toledo with Dave Adams and Bill Pictor as crew. Tom Allen Sr. finished sixth, Jody Swanson, eleventh, and Dave Starck, eighteenth. Dick Aubrecht finished well in the Governor's Cup Consolation Regatta. Tom Allen Jr. also won the Lightning European Championship held in June in Athens, Greece with Jill Swanson and Nancy Bargar as crew. The Lightning World Championship was sailed in Athens the following week. Tom Allen Jr. finished ninth and Tom Allen Sr. 10th. Jody Swanson's fantastic year started with a first place finish at our District Lightning Championship in July. After this series, Jody, with crew Jill Swanson and Kathryn Ritchie, won the Adams Cup U.S.Y.R.U. Women's Championship sailed in Lightnings at the Milwaukee Yacht Club in August. After this impressive performance, Jody journeyed to Newport, Rhode Island, where she decisively won the Women's International Keelboat Championships sailed in J-24's, with three first place finishes in the seven race series. The best women sailors in the world competed, including many past Olympians. Jody's crew consisted of Jill Swanson, Kim Cannon, Brenda Allen Crane, Debbie Hopkins and Kiki Couch. We are proud to have some of the world's best sailors race and train with us on Abino Bay.

Fleet participation increased at the Club, with Warren Emblidge III and Sam de Castro competing in most of the junior and senior races. Tom Ward and Dick Aubrecht also participated in most fleet races and always helped promote Lightning activities at the BCC. Tom Starck won the Junior Lightning Championship and Ned Roseberry captured the Junior Tom Francemont Series. Greg Millar won the Junior District Championship, followed by Tom Starck and Ned Roseberry. Emblidge/deCastro, Kate Ward, Kathy Tocke and Pat Buckley also skippered. Our juniors also fared well in national competition. Defending Champion, Ned Roseberry, with crew Matt Sanders and Josh Murphy, finished fourth at the Junior North American Championship's at the North Cape Yacht Club in August. Greg Millar, with Gretchen Jehle and Frank Ernst crewing, finished fifth, and Tom Starck, with Jim Starck and Martha Wilson finished sixth. Warren Emblidge, with crew of Sam deCastro and Jake Frank, and Kate Ward with crew of Amy Tillou and Mimi May also represented our club in the 17 boat fleet. Ned and Greg will be representing the United States at the 1990 Lightning Junior World Youth Championship which the BCC will host in July. Greg Millar, with crew Gretchen Jehle and Frank Ernst, was the Club's Sear's Cub representative this year finishing fourth at the Area E Eliminations hosted by the Bayview Yacht Club in Detroit. Other series winners were Eby — Dick Aubrecht; Hussey — Tom Allen, Jr.; Meyers Memorial — Ed Roseberry, Jr.; Fleet 12 — Dick Aubrecht. Our thanks to Ed Roseberry Jr., Fleet Captain, and Jill Swanson, Secretary, for her timely mailings and Tom Allen, Jr. Treasurer.

BLACK ROCK YACHT CLUB (17)
Connecticut/Rhode Island District
Sailing on Long Island Sound at
Bridgeport, Connecticut

Fleet Captain Jim Nelson
 Fleet Secretary Sue Franke
 Fleet Champion Vaughan Lee
 Runner-Up Jim Nelson

| Boat No. | Boat Name | Skipper |
|----------|-----------------|-----------------|
| 11674 | | Susan Franke |
| 11874 | Fiddler's Green | James S. Nelson |
| 12739 | Arago | Ralph B. Sperry |
| | | Vaughn Lee |

Our little fleet hung in there for another terrific season. We scheduled seen races for each half for a total of fourteen (not including the Districts). **They were all sailed!**

Skipper Vaughan Lee and crew (Vera Lee and Warren Kolb) sailed *Sail On*, 11674, to make a clean sweep — 1st first half, 1st second half, and 1st for the season, ending up as Fleet Champion. Skipper Jim Nelson and crew (Howard Lewis and Peter Franke) sailed *Fiddlers Green*, 11874, to 2nd for the first half, second half, and season. Skipper Ralph Sperry and crew (Marion Adolphson and various third crew) were 3rd for first half, second half and season in *Arago*, Boat 12739.

The big event this year for Fleet 17, Black Rock Yacht Club, was hosting the Connecticut-Rhode Island Districts, July 8-9. Twenty-six boats competed, mostly from Fleet 126, Cedar Point, and Fleet 85, Niantic Bay. Four races were completed in good weather, except Saturday's first race which was a horror show since the wind shifted to every point of the compass. This race, however, was completed. The Regatta Race Committee, headed by Joe Ziehl and Will Waldron, did a superb job. Remarkably, there were no protests during the entire regatta. The final results of the Districts are most probably contained in the Connecticut/Rhode Island District report located elsewhere in the Yearbook and are not repeated here. However, a note of interest is that Jim Crane and crew, who took first in the Districts, went on to place fourth at the 1989 North Americans. When accepting the District First Place trophy, Jim related that the first Districts he sailed in at age 16, was hosted by Fleet 17, Black Rock Yacht Club, and that he capsized. The outdoor buffet on the club deck was enjoyed by all who came to the Districts.

We're hoping to pick up a couple more boats in the fleet for next season.

CHAUTAUQUA LAKE YACHT CLUB (19)
Lake Erie District
Sailing on Lake Chautauqua, Lakewood, New York

Fleet Captain Ralph Erickson
 Fleet Secretary Jim McDonnell
 Fleet Champion Ralph Erickson

| Boat No. | Boat Name | Skipper |
|----------|------------|----------------------|
| 456 | | Amy Beisel |
| 9332 | Blue Mac's | J. J. McDonnell |
| 10273 | Duck | Gordon S. Black, Jr. |
| 13055 | Tika | Ralph L. Erickson |

Local racing this year was either in high winds or no winds. Memorial Day races were totally becalmed but the Cornball Regatta made up for it with 20 knots and higher gusts. The Allen family stole the show with Tom Sr. first, Tom Jr. second, and Jim Neville in third.

In August, two boats and four skippers journeyed out to the North Cape Yacht Club for the North American Women's Championship and the Masters. Amy Beisel made a good showing in the Women's, but didn't bring home the silver. In naval history it is well known that the quickest way to sink a ship is to put two skippers on the bridge; we had three. Needless to say, we did not win but we learned a lot. They are still telling hilarious stories about their escapades.

The Labor Day Long Race was once again in the windy category. It was a down-wind start with spinnakers popping with the starting gun and continuing through the turbulence under the bridge. It was nip and tuck all the way between Jim McDonnell and Doug Reid. Then, as the winds increased to 20-25 knots, Jim and his heavyweights edged out Doug at the finish. Doug is new to the fleet this year, but he is one tough competitor. Welcome aboard, Doug.

INDIAN LAKE YACHT CLUB (23)
Ohio District
Sailing on Indian Lake, Russells Point, Ohio

LAKE MOHAWK YACHT CLUB (25)
Metropolitan District
Sailing on Lake Mohawk, Sparta, New Jersey

Fleet Captain Bob Graham
 Fleet Secretary Pat Graham
 Fleet Champion Bob Graham
 Runner-Up Larry Kenny

| Boat No. | Boat Name | Skipper |
|----------|------------------|----------------------|
| 9387 | | George Daher |
| 9984 | Cumulo Nimbus | Robert G. Watters |
| 11448 | Tomato Sloop | Donald T. Okner |
| 13211 | Windfall | Richard Miner |
| 13373 | The Great Escape | William M. Beveridge |
| 13381 | Dreamer | Perry L. Anderson |
| 13820 | | Lawrence W. Kenny |
| 14061 | | Robert H. Graham |

The 1989 season was a successful one for Fleet 25. We started later than normal on Memorial Day weekend, giving everyone time to get their boats in racing condition.

Larry Kenny started the year where he left off by winning the Spring Series. Second place went to Bob Graham with Perry Anderson, third. Gene Bacrenrodt, who did not miss a race, finished fourth.

Rich Miner did not sail in our Spring Series, but did sail some regattas on the Hudson River where he cleaned up the silver.

Our Fall Series saw Bob Graham take back the Fall Championship and sneak by Larry for the Fleet Championship. Rich Miner came in second followed by Larry Kenny. Fourth, fifth and sixth went to Anderson, Okner

and Barren Rodt, respectively.

Hurricane Hugo and our regatta turned out to be the same day. Not letting a little storm bother us, we put the boats in the water and raced. First went to Bob Graham; Rich Miner, second; Larry Kenny, third; Perry Anderson, fourth; and Bill Beveridge, fifth.

The year saw showing improvement. We hope the Fleet will continue to grow in 1990.

LEATHERLIPS YACHT CLUB (27)

Ohio District

Sailing on O'Shaughnessy Reservoir Columbus (Powell), Ohio

Fleet Captain Sam Fairchild
Fleet Secretary Paul Howald
Fleet Champion Tom Jungiohann
Runner-Up Tom Varley

| Boat No. | Boat Name | Skipper |
|----------|-----------------------|-----------------------|
| 8234 | | Ralph D. Powless |
| 11133 | | P. Thomas Jungiohann |
| 11982 | Gone With The Wind | George Hodge |
| 12797 | Ketch-Up | Samuel Fairchild |
| 12895 | Thumper | Paul Howald |
| 13152 | | Caldwell B. Richeson |
| 13979 | Afterburner | Thomas H. Varley, Jr. |
| 14104 | | Carl R. Clipp |

Fleet 27 had another fun year of sailing in the shifting winds of O'Shaughnessy Reservoir. Our annual Windshift Regatta was very successful with 14 boats on the line. George Fisher took first place, Carl Clipp second, and Tom Varley third. Not only did the skippers and crew work hard on the race course, but the women did an outstanding job with the pancake breakfasts and steak dinner.

The highlight of the summer was co-hosting, with the Ohio District, the 1989 North Americans at North Cape Y.C. It was a great experience for our participants; Tom Jungiohann, Tom Varley and Carl Clipp as well as for those of us who just assisted. We were proud to have one of the organizers, Carl Clipp, as a member of our fleet, and presented him and his wife, Charita, a plaque of appreciation at our annual clam bake.

The 1989 sailing season was another in the fine tradition of Fleet 31 at the Devils Lake Yacht Club. Under the leadership of Capt'n Bob, many fleet members made contributions to our success. The fleet continues to grow, hosting a total membership of 36. Good racing, good sportsmanship, and good fun ruled the day for the entire summer.

The season got off to a great start with Bruce Goldsmith's annual "Spring Thing" Tune-up Regatta with helpful hints on tuning, trimming, and tactics supplied by Greg Fisher.

Our Thursday night novice series increased in popularity with increased participation from our youngsters who sailed with some of the old salts who went along as teachers.

Our Sunday series was well attended often with a dozen skippers or more at the starting line and even more gathered at the bar following the races. In the final analysis, none of this was necessary when Dan Norton and Merrill Bales successfully defended their Fleet Champion and Runner-Up status for the 1989 season followed by George Sipel and Steve Thomas.

Many of the familiar fleet members made their presence felt as winners throughout the year in special event races. Jeff Maludy won the Stay at Home Series, George Sipel the Memorial Day Series, Bruce Goldsmith the 4th of July Series and Jeff Clemes the Captain Series. Hank Hodgson won both the Labor Day and the Commodore Series.

The Barry N. Crittenden trophy case was completed this year and is a beautiful addition to the club. This will be a lasting memorial to this former ILCA President, many time club champion, and all around good guy!

Like every other year, the summer wore on and the wind died as it grew hotter, giving the junior sailors an excuse to sharpen up their pool game.

By July, the fleet was preparing for the North Americans and qualified nine boats, including one junior, one women's, and one master's. Fleet 31's own Bill Roggie served as general chairperson for the 1989 North American Championship at North Cape and what a job he did!

The year ended with a bang (some rain too) as Fleet 31 again hosted the "This One's for Fun" Fall Regatta, the oldest Lightning regatta now in its 47th year. Next year is the golden anniversary of our yacht club. Plan now to join us for our spring and fall regattas.

| 14029 | | Craig J. Dooren |
| 14180 | Hot Fuzzy | James G. Carson |
| 14341 | | Jody Lotz |

The 1989 summer sailing season has a "back to the future" look at Metedeconk as a champion of the '50's and '60's came back to win the Lightning Championship at Metedeconk. In a series characterized by rain, rain, rain, west winds and generally unfavorable sailing conditions, it was not surprising that Jim Carson used his old man river knowledge to emerge victorious. Jim beat back the efforts of defending champion Keith Taboada, and comfortably led the rest of the fleet including Richard Thomas, Dave Ruiter, and Craig Dooren. Former ILCA President Djoerd Hoekstra sailed the first few races and fared quite well. Keith did win the overall Club Championship, (sailoff for the champions of all the club fleets), for the second year in a row. Jim continued his comeback story as he also won the Barnegat Bay Yacht Racing Championship, a title he had not won in a number of years after winning multiple strings through the past three decades.

Metedeconk sailors embarked on the road to many regattas and came home with stories of enjoyable times, but, unfortunately, not too much success on the race course. Jim Carson and Jody Lutz made appearances on the Southern Circuit, with Jody gaining a fifth in Miami for the Larry MacDonald sailing team. Once the summer began, a series of near misses plagued Metedeconk sailors. Keith Taboada was winning the first race in Rehoboth when his mast broke; Jody Lutz came in short in the Canadian Open, finishing second; Jody took second in the Central Atlantic Districts, losing by two points to John Faus, who made a spirited comeback in the final race after being over the starting line early. Jody was the only Metedeconk sailor in the top five at the Districts, but Keith Taboada, Dave Ruiter and Jim Carson were all in the top ten. Craig Dooren won the second race by a wide margin, a great thrill for a young sailor. Jody did have some success in New England, finishing fifth at Cedar Point and winning the Spring Southhampton Regatta. Jim and Jody went on to the North Americans with Jody finishing in the teens and Jim sailing in the Presidents Cup. Phil Kinzel sailed the Junior North Americans, but did not fare as well as in previous years. Paul Gelenitis went to Greece for the World Championship, had a wonderful time and finished in the teens.

Local fleet participation was down, except for junior sailing which continued to generate strong interest at Metedeconk. Todd Pearce won the Junior Club Championship which is contested annually in Lightnings. Dave Ruiter, led by a second generation of sailing Ruiters, daughter Stephanie, won the fall series. There are great expectations for the coming season as fleet member Paul Gelenitis will become Central Atlantic District Commodore and long time Lightning class friend, Mimi Dimon, will become Commodore of the Metedeconk River Yacht Club, Mimi is the first woman Commodore at MRYC, as even Metedeconk is moving with the times. As we break into the '90's, let's hope that these leaders will help bring back some of the past glory of Metedeconk.

DALLAS CORINTHIAN FLEET CLUB (35)

Texas District

Sailing on White Rock Lake at Dallas, Texas

| | | |
|-----------------|-------|--------------------|
| Fleet Captain | | Gay Griffith Means |
| Fleet Secretary | | Ardis Good |
| Fleet Champion | | Joel Good |
| Runner-Up | | Ralph Bilnoski |

| Boat No. | Boat Name | Skipper |
|----------|------------|---|
| 6116 | | Gay Griffith Means |
| 10275 | | Larry S. Williamson |
| 10811 | | Joel Good |
| 10959 | Hard Tack | John B. Waskom, III & John B. Waskom, IV |
| 10987 | Boom Boom | Gay Griffith Means |
| 11118 | Roadrunner | Ralph Bilnoski |
| 11311 | | Rodney L. Wallace |
| 13228 | Mai Toi | Lonny Baugh |
| 13644 | | Ignatius Urbanek |
| 13722 | | Merritt H. Nielsen |

The 1989 season started out with the normal fleet activities of mark refurbishment and race equipment repair. This year marked the opening of

the Waskom boat works, cleverly disguised as a new three car garage for John and family. To date it has simultaneously contained two Lightnings in the inverted hull position, along with three masts and two booms undergoing repair and refurbishment by various members of Fleet 35. During the racing season when all boats are on the lake it also serves its secondary purpose (primary according to Judy Waskom) of providing covered parking for the new family station wagon.

Four boats packed up early in the season and headed for the Holiday in Dixie Regatta in Shreveport. This event marked the debut of 11311 which has been in restoration for the last two years by Rodney Wallace. All of the parts did indeed go back in place, and the bright red hull prompted discussion of the little known port starboard reflective sunblinding rule, by several of the Lightning competitors. Lightning sailors were again hosted by Gay and Richard Means to a traditional Louisiana crawfish boil. The fleet returned to White Rock full of crawfish and carrying a little silver, as Ralph Bilnoski and Joel Good finished first and third respectively in the regatta.

This year the championship series was punctuated by some very close racing. After 18 races Good and Bilnoski were tied on points, and the fleet's tie breaking procedure had to be pressed into service for the first time in many years. Larry Williamson rounded out the top three with some very nifty work late in the season.

Again the highlight of our fall sailing was the State Fair Regatta hosted by the local Rebel fleet in early October. This year nine Lightnings were in attendance, and with some very favorable sailing conditions the outcome with a winner take all shoot out going into the last race. The eventual outcome showed the following scattering of trophies among the participants; First, Joe Hunt — Fleet 175 Shreveport; Second, Ralph Bilnoski — Fleet 35 White Rock; Third Kurt Schuler — Fleet 435 Rush Creek. We look forward to increased participation in this event in 1990.

This year Fleet 35 experienced a rise of participation in our fall series, which averaged seven boats on the line for every race. After 14 races, conducted in some of the best fall weather in years the series was ultimately decided with Joel Good finishing in first and John Waskom IV and Merritt tied on points for second and third.

The fleet goes into the winter wishing all of our Lightning friends a happy holiday season and looking forward to new and renewed acquaintances in 1990.

The year began early for Fleet 36 with the annual winter meeting of the Ohio District at Fisher Sails in Columbus during February. This was the year in which the Ohio District Fleets were to host the North American Championships, and with District Commodore, Bertie Werley, being a member of Fleet 36, we had a number of "volunteers" represented at the meeting. Bertie and Carl Clipp of Fleet 27 had been laying all of the groundwork with Bill Rogge of North Cape Yacht Club and now it was time to form committees and enlist "volunteers" to work out all of the details of the regatta. It seemed difficult to understand the urgency because the North Americans were still over six months away. As it turned out, those six months seemed to pass as if it were six weeks.

During the lulls in North American preparation we were able to find time to conduct some normal Fleet activities. The season began at Pymatuning on the final weekend of April with our annual "Work Weekend" to open the club and get ready for some serious sailing.

The Spring Series was to begin the following weekend, the first Saturday of May. Saturday arrived and those of us brave enough to venture out were greeted by some of the worst May weather imaginable. There was a combination of snow and rain driven by 15 to 20 MPH winds from the northwest creating a wind chill that seemed to be around 10 degrees. All the while I was setting up the boat I just kept telling myself, "It really is May!! It really is May!!" Needless to say, that first weekend was pretty much a bust. The Spring Series did finally get under way two weeks later continuing through the end of May. Don Courtsal finished first, Victor Maras was second, and John Swartz took third.

The second weekend of May not only brought Mother's Day, but also our annual Spring Classic Regatta. The weather had brightened enough that we had about seventeen boats show for the weekend. Matt Fisher was kind enough to come up from Columbus and use our Fleet as a brush fleet for his assault on the Worlds. Matt won the Regatta easily using his brother Greg's boat, as his was already on the way to Greece. We were happy to play such an integral part in Matt's success in Athens. Congratulations Matt. A special thanks to Terry and Irene Patrick for Chairing the regatta and to "The Three Amigos" for another fine job as Race Committee.

The month of June brought improving weather, the beginning of our Saturday/Sunday summer series, and the Ohio District Championship to Pymatuning. Jack Borland began the series with his Districts crew and captured the first weekend with a couple of bullets. That great start and some good consistent finishes would enable Jack to finish the series first on Saturdays and second on Sundays. Victor Maras was able to maintain the consistency he had in the Spring series and finished second in the Saturday series. David Werley and Herb Jestel were able to string together some good finishes and were third overall for the Saturday and Sunday series respectively. Even though defending Fleet Champion Rob Ruhlman spent

most of his summer racing J-24's and forty-footers on Lake Erie, he was able to spend enough time in the Lightning to capture first in the Sunday series.

Fleet 36 hosted the Ohio District Championships late in June and we had a turn out of about 25 boats representing almost every fleet in the District. The two-day event scheduled three sets of back-to-back races beginning Saturday morning. The wind, however, did not cooperate with the schedule and it was late Saturday afternoon before we ever got out on the race course. Patience and persistence did finally payoff and we got the regatta sailed. Greg Fisher swept to victory with Dick Pugh of Cowan Lake finishing second. Greg's dad, George, sailed consistently and was third. David Werley took the top Fleet honors and was fourth overall. Jack Borland carried his Summer Series momentum to a fifth place overall, good enough for first in the "B" fleet. Sorry Jack, now you are always an "A" fletcher!!!

The Independence Day Regatta was much of the same, little to no wind and with the threat of storms always present. Brothers John and Scot Werley swapped first and fourth place finishes in the only two races sailed to take the top honors. Scot got out ahead of everybody by half a mile in a craphoot on Saturday winning the shortened race by half a leg. John was best able to maintain his sanity on Sunday winning in a breeze that was zero to five when it was good. John won the tie breaker by virtue of having his first place in the second race. Two-time defending champion, Don Courtsal was third, 1/4 point behind.

August arrived and brought with it the North Americans. Bertie was by this time almost a complete basketcase. All of the plans that looked so good on paper were now put into action. All volunteers were given final notice of their tasks to be performed and their places to be. Fleet 36 had great participation both on and off the water. Some came for a day, others for a week, some for both weeks. Some sailed the first week and worked the second, some worked the first and sailed the second. All-in-all, a good time was had by everyone involved.

On the water, we were represented by seven boats over the two weeks. Leslie Frymier crewed on the second place boat at Juniors, while Herb Jestel, Bill Weihe, and Tom Sankey sailed to a tenth in the Masters. The second week, Rob Ruhlman and Matt Frymier represented Fleet 36 in the Championship fleet. Lightning newcomer, Robert Thompson sailed in the President's Cup, while Jack Borland and John Werley competed in the Governor's Cup. Congratulations go to Matt for finishing in the top 10 of the qualifiers in only his second North Americans to Robert for making the Green Fleet in his first attempt at the North Americans and to John, also in first attempt, for finishing third in the Yellow Fleet.

The Fall Series was our most hotly contested series of the summer with the final results coming down to the last race of the series. Having registered as a "team", Bertie Werley was able to step in to sail the last race while husband/teammate, John, recovered from an appendectomy. Racing in less than desirable conditions, Bertie was able to recover from being down almost 3/4 of a mile to win the race on the last leg. That win allowed John and Bertie to win the Fall series. Sailing for the first time with a steady crew for an entire series, Scot Werley finished second for his first ever "Series" trophy. The always consistent Jack Borland was able to finish the series third.

The overall championship of Fleet 36 was also determined on the final weekend of the year. Using high point scoring to determine the champion, it is better to do well in the large fleets of June and July. By sailing the final race of the year John and Bertie Werley were able to qualify for the championship and go home the winners. Jack Borland, sailing almost all the races of the summer was able to throwout the most and finished second. Someday Jack is going to win this championship. It's only a matter of time!!! Sailing well in early part of the year allowed Victor Maras to finish third overall, his best finish ever. Herb Jestel also had good early results and consistent finishes to place fourth overall. Good things come to those who wait, Vic and Herb, congratulations!!! Fifth overall in the championship was Don Courtsal, who always seems to be among the leaders.

It seems hard to believe that 1989 has come and gone so quickly. Some of the events we will remember most vividly: Matt announces his arrival on the national scene with "the" spinnaker and a qualifying series to always remember. Victor loses an entire crew from his boat without every having to do a man overboard drill. Robert switches from Thistles to Lightnings. Scot meets Karen. John has a slight tummy ache. Jack and Anne buy a new van. New boats for Bill and Marian and Tom and Pam. We coin a new sailing term —Lennyism—. Did we sail the entire season without a capsized?!!

| 14324 | | Don Williams |

We had 10 of our 17 boats take part in the racing activities this season, with an average of seven on the starting line per race. We continued our two shorter races every other Sunday, which kept the boats closer together and allowed time for house painting and hiking in the woods.

The season started in February with a party hosted by Vivian and Ed Garber. The actual sailing season started by the Williams capsizing their brand new boat in the chilling water of early spring.

The annual club regatta attracted 12 Lightnings from up and down the river, and a great time was had by all, both on and off the water. We revived the "Old Salts" Regatta where the Lightning Fleet furnished the boats and crew and former Lightning skippers took the helm for a fun afternoon with good sailing followed by excellent food. We had five boats and the winner was Steve Schwark. The boats and five visiting ones made up the fleet. The

first race was in light air and strong tide. After a hardy lunch, we watched the smoke from the power plant go straight up in nil next to no wind for two hours. About 3:30 the wind picked up and we had a second race in wind from 5 to 20. The winner was the McCann team followed by the Connell's from Long Island. The steak dinner was cooked exactly the way everyone wanted it as they cooked their own.

Of the seven boats that raced on a regular basis five boats took a first place at least once. Richard Owen prevailed and finished best overall. The standings were as follows: A Series - Richard Owen, first; Frank Newman, second; B,C,D Series - Richard Owen, first; Don Williams, second.

Mr. Dependable was Jerry Cavagnol who may not have been in the front of the fleet, but was always trying and has improved a great deal.

Finally, one thing we all learned this year is when the boat behind you says "Ready About", you should look back before you cover.

I.L.C.A. ADDRESSING SERVICE

Most of the Fleet and District Officers listed in this Year Book held office during the calendar year 1989. Names and addresses of current officers may be obtained from I.L.C.A. Headquarters.

Some of the Members listed in the Registry of Lightning OWNERS have moved since the Registry was prepared. Current addresses may be obtained from I.L.C.A. Headquarters.

We offer addressing service to Fleets, Districts, and Yacht Clubs. We will address labels at 10¢ per name for any District. Additional charge is made for the amount of postage required to mail them to you. Names available are those of Lightning owners who are in good standing for 1989 and 1990.

This service is also available to Lightning builders and sailmakers at 15¢ per name and to others at 20¢ per name.

Contact I.L.C.A. Headquarters, 808 High Street, Worthington, Ohio 43085, giving sufficient lead time.

| 14261 | Red, White & Blue | John Riley |

The year started out fast, then slipped into the doldrums as the year wore on. Fifteen skippers sailed in one or more of the thirty-five races making up the Fleet Championship. Frank Gallagher won again, with help from crew Ben Bates, who drove in several of the fall races. Reed Barrett was close

Leesylvania State Park — April 1989. We launch 'em the old fashion way.

throughout the season to take second, with Bob Astrove in third.

In 1990, Fleet 50 will continue to develop its new facility at Leesylvania State Park (about five miles north of Quantico), under the direction of Jim Dillard and the State Park System. We hope to be sailing there on a permanent basis in a few years as development continues. It's a beautiful place to sail — much wider and less current than Quantico used to have. Hope to see you there in April of 1990, our Annual "Potomac Cup" Regatta.

CRESCENT SAIL YACHT CLUB (51)

Michigan District

Based on Lake St. Clair

Grosse Pointe Farms, Michigan

Fleet Captain Craig Hupp
Fleet Secretary Robert Brower
Fleet Champion Tom Vickers
Runner-Up Craig Hupp

| Boat No. | Boat Name | Skipper |

The Crescent fleet had another excellent season. Wind conditions were all or nothing, either light air out 90 degree wind shifts or wind over 20+. Wind conditions were typified by our Father's Day Regatta where the second race on Saturday started in a 30 knot rain squall and finished in a dead calm. The debate after the race was which condition was worse, at the start or at the finish. Tom Vickers continued his recent string of fleet championships. Mike Williams continued a less desirable trend. In 1988 he acquired "porthole" after a collision in Skaneateles; this year he got the duct tape out for hull repairs after the Father's Day Regatta. A fund raising appeal for foam bumpers for Mike has been started.

| 14343 | | David Nickels |

This summer had a lot of pleasant weather, but not much wind. Our club season had more cancelled races this year than ever before. In hosting the Michigan District team Championships for 21 years, for the first time we were only able to sail three races, and all of those were drifters. We had competitors from Wisconsin and Chicago, and we hope they'll return next year for better wind. A new name was added to the perpetual trophy list of champions, as Saginaw Bay was undefeated in the three races and beat Lake Fenton (also unbeaten) on points. Our officers for 1990 are David Nickels, Fleet Captain and David Swierenga, Secretary.

Boats and babies boomed this year. For the first time in our club history we reached an incredible 68 Lightnings! Needless to say, the dock committee worked feverishly and somehow found dock and drysail space for all.

Onshore, the husbands and wives were busy making new sailors. Bonnie Nickels, Nancy Hess, Sandy Lorion, and Elaine Vitullo had fine babies. Gerry and Debbie Clixby adopted a son. Meghan Harris, Judy Grueber, Denise Horton, Tina Mitchell, and Nancy Padilla also got started. That represents approximately 10% of the membership.

In spite of the babies and participation in all the Michigan regattas, we managed to average 14 boats on the starting line. Wednesday nights continued to be the most popular series with several 25 boat races.

With a season stretching from early May to mid-October, 59 scheduled races, plus six club regattas, many of us just didn't have the energy to make all the races. Just when you start thinking you've had enough sailing, September comes. The fall series tempts us with some of the finest sailing conditions. Our last Sunday and Wednesday races brought out 12 die-hards. The last Wednesday race finished in complete darkness under a bright full moon.

At the age of 20, Sean Fiddler continued his quest to become one of the top Michigan sailors. A first place finish in both the Wednesday and Sunday overall, third in the Michigan Districts, first in the Junior North Americans, first in our Whitecap Regatta and winner of the Michigan High Point Trophy were added to his pile of awards.

Don Rau, Wally Smith and Charlie Hess also had good years.

Fleet 60's 1989 season was characterized by a prolonged drought — it seemed as though it would never rain — and by an occasional dearth of competitors. Although the turnout was sometimes spotty, a solid nucleus carried on, and a total of ten skippers sailed at least some of the races. The drought, of course, caused low lake levels, and almost everyone experienced the aggravation of running aground, usually near the southerly windward mark or near the start. We all learned to sail with a bit of slack in our centerboard preventers. Near the end of the season, rain finally restored the lake to its normal level.

Competition for the top spot in the Sunday Series was typically close, and this year Bill Pooler emerged as the winner. Bill has been tantalizingly close in past seasons, and this year he finally edged out Rob Exon. But Rob didn't drop far — sailing in his usual smooth style he finished in the runner-up position. In addition, Art Jones got *Woodstock* going again and made a good accounting, and Rob Davis rejoined the fray with a new boat. Ed Schraeder sailed a full season and experienced his first dunking for being the leading Lightning one weekend, and Marc Bassett joined the fleet and sailed with promising skill.

With the low lake level it was a year of improvisation in setting courses. However, one of the best impromptu acts of the year took place during a Sunday race and wasn't related to shallow water. Bill Pooler led several other Lightnings, all with spinnakers flying, into the leeward mark — except there was no leeward mark. It had apparently been dragged off somewhere. However, there was a group of buoys nearby, designating the water-skiing area, so Bill just picked one, brought his yacht up onto the wind around it, and took off. It seemed like such a logical thing to do that everyone else followed suit, no one protested, and we counted the race, which was a close one all the way.

Fleet 60 will enter its fifth decade during 1990, and has every reason to expect many more successful seasons.

|-------|---------------|---------------------|
| 14204 | | Robert Franke |
| 14208 | Catch Christy | Walter C. Nickerson |

The past year was full of challenging sailing with 24 races run out of 30 scheduled season series races. With only one weekend blown out and another fogged out, we managed to have excellent Lake Michigan breezes. Our fleet averaged six out of fourteen boats on the line in each race with many boats gone on the race regatta circuit.

Late May brought the 1989 race season with the Commissioning Ceremony, arranged by the Lightning Fleet and attended by most of the MYC membership for its dinner, dancing, and recognition of the 25 year plus members. The first regatta of the season is our Marine Handicap sailing under the Portsmouth Handicap Rule. Two sections are started: centerboards made up of 470, Lightnings, etc. and keelboats made up of Solings, Ensigns and MORC's. The Lightning Fleet made a clean sweep with Karen Balistreri in first, John Esser in second, and Bob Franke in third. The other regatta sailed under the Handicap Rule was the Little Mackinac with another Lightning sweep with Peter Mahnke in first, John Esser in second, and Karen Balistreri in third.

The P & T Regatta which counts toward the Midwest District Lake Michigan Championship was held July 8-9. Milwaukee was finally represented in the winners circle after many years with Bill Faude in first, Tryg Jacobson of Sheboygan in second, Dan Reichelsdorfer of Sheboygan in third, John Esser in fourth, and Karen Balistreri in fifth.

The Midwest District Championship was held in Milwaukee the week after the P & T, with Andrew and John Dillon of Milwaukee in first, Bill Faude in second, Tryg Jacobson in third, Bill Phelan of Green Bay in fourth, and G. Gaspard of Chicago in fifth. It's great to see the Dillons place a Milwaukee first in the Districts. Bill Faude went on to represent Milwaukee at the North American Championships.

The light airs of August gave us the Commodore's Regatta with Karen Balistreri in first, Bob Franke in second, and John Esser in third. In the Labor Day Regatta it was Byron Roe in first, John Esser in second and Bob Franke in third.

This makes the third year in a row for our lady skipper, Karen Balistreri, as Fleet Champion. Gosh it was close; four points separated Karen's 306 points and Byron Roe, Runnerup. She accomplished this while making the regatta circuit to train for the Adams Cup. Karen and her great crew of Liz Merrifield and Vicki Matthews succeeded in placing first in our regional and went on to a fourth in the national finals of the Adams.

Maybe this is the reason John Esser is selling old faithful 10350, *Sans Souci III*, for a new Lightning race machine IV.

We would like to greet some new members who joined the fleet this year: Ron Darling, Bob Franke and Ed McGuinnis. Franke had a terrific first year in the fleet placing in the silver in three Regattas and fourth for the season. It is also apropos that we recognize Norm Knauer and family for hanging in there to place sixth while Al Rieselbach finished fifth for the season.

While some of us have our thoughts on snow and moguls now that winter is here, others are busy plotting new boats, sails and other weapons to battle with in 1990. See you on Lake Michigan and on the slopes.

RED BANK ON THE SHREWSBURG (70) Metropolitan District Sailing on the North Shrewsbury River at Red Bank, New Jersey

Fleet Captain Ralph Wilson
Fleet Vice Captain Frank Mergenthaler
Fleet Secretary Mary Huntsman
Fleet Treasurer Pat F. Corr

For those involved, this year has been hectic. We hosted the Long John Metropolitan Districts, and the Atlantic Coast Championships which was held in Sandy Hook Bay. Ralph Wilson was regatta chairman for the Long John, and Jack Huntsman was Chairman for the Atlantic Coasts. Thanks to Mary, Pat, Mary, Pat, Pat, Jack, Pam, Frank, Bill, Jack, Denis, Hutch, Lester, Dave, Judy, Liz, Wally, Tom, Charlie, Bob, Bob, Brenda, Holly, Jon, Rob, and Aldrich. We ran some breakfast, some lunch, and will run a cocktail party for the Club. If anyone wants to know where we were, we were also sailing away, sometimes winning and always having a great time. See everyone at the Long John next year, contact Frank.

Johnny and Lauren at race break.

drifters and rig-busters.

Top honors as Fleet Champion went to John Mueller. Close aboard were Walter Sellars and Don Friswold. May Urso was able to put in several meaningful appearances in spite of the demands made on her time by her research in Nuclear Radiology.

Don Friswold and Jan have acquired a new crew, Robert John, born August 21, 1989. Don says he sleeps all night already. Let's hope this is not indicative of his spinnaker work later!

Fleet 71 has been very pleased to have the benefit of Steve Mueller's renewed interest in sailing Lightnings. He is already manifesting the "go fast" ability so typical of the Mueller's sailing technique.

Unfortunately many of us did not get far from home during the summer. John Mueller did the Districts and the Masters. The Steeple Chase was attended by Don Friswold, Steve and John Mueller, and Walter Sellars sailing, or as was the case this year, drifting from Sandusky to Put-in-Bay.

Undoubtedly the high point of the season for CYC Fleet 71 was the fall regatta at Cowan Lake. Sandwiched in between Hugo and a cold front the Cowan Lake Regatta was one of those delightful Indian Summer events: sailing in 10-12 mph winds on flat water with golden sunshine and surrounded by a melange of glorious fall colors. This is indeed "ne plus ultra".

So now we shuffle off to Buffalo to have the wounds and lacerations inflicted on *Newfie* during the summer headed by Tommy Allen at Allen Boat Co.

| 13832 | Avanti | William G. Cook |

The dual for Fleet Championship this year was even closer than last, with only 1.65 points separating Dick and Kathy at the end. Congratulations Dick! Good Sailing! Third and fourth were close too. After 20 years of crewing, Joan finally kicked Gary out and took over the helm, finishing fourth, behind Bill (don't let me sail down current in no wind) Cook. Not bad for her first year as a skipper. The view is a little different from back there — eh Joanie? As usual boats from Nyack traveled all over. We did the usual regatta circuit, including Redbank, Surf City, Wallenpaupack, and Chelsea. Elissa, Joan, and Annette also went to the Adam's Cup semi's, and Elissa, Annette and Christine Hall went on to the Women's Championships in Michigan. Unfortunately, Elissa kept on going and moved out to San Francisco. Then Annette moved to Annapolis. We'll miss them both.

Back at Nyack, Dave and Frank finally figured out what that round thing with the numbers was for, and got Howie up in the front of the fleet. Bill Mann took his boat out, and with Rod (two Lightnings in the backyard) Johnson showing him how it's done, won his first race. He was out every weekend after that. Gary only put the spinnaker up sideways once. Dick's crew; Mike Lucas and son are looking to jump ship and get their own boat. We just hope they make the right decision and get a Lightning! Kathy and Paul signed on new crew Jody Divine. Now we just have to teach her to drink beer like a Lightning sailor! Thanks to all the crews, and everyone connected with Fleet 75 — we had a fun year.

Nyack hosts the Metropolitan Districts this spring and everyone is welcome. The Magnus Pederson Regatta is the first weekend in June for practice, and this spring we're due for plenty of wind. Come and enjoy with us, sailing on the Majestic Hudson.

The gang at Fleet 75.

NEWPORT YACHT CLUB (77) Central New York District Sailing on Irondequoit Bay, Rochester, NY

| 14298 | Lucy Too | Mark Sertl |

The Newport Yacht Club experienced a good year. We increased our fleet membership. We changed our scoring system to high point, allowed a flexible number of crew and got more on water participation. We were the major group at a special one day sailing event that concluded with the largest party ever held at Newport. We were selected as the host for the 1990 Lightning North American Championships. We were recognized in the United States Congressional Record. 23 of our 31 Lightnings raced 325 boat/races.

Barry Gombert, Phil Lange, Larry Weinstein and Dick Leonardo joined the fleet, and were active sailors. Dick earned the tip over trophy for one of the most complete tip over's ever.

Allen Hamilton, who has sailed Lightnings for more than 40 years, is now an honorary member of Newport. He is a gentleman sailor on and off the water. Congratulations!

The town of Irondequoit celebrated 150 years with a Irondequoit Sesquicentennial Yacht Race. (Newport is located in the town which is a northern suburb of Rochester.) More than 65 boats, (we think, the fog was so thick) of all sizes, 13 to 45 feet, participated in a one day race. Never before have the four Irondequoit clubs, Genesee, Newport, RYC and RCC, combined for a sailing event. With Irondequoit Bay now open to the lake, all boats decked out in colored flags arrived at Newport for the largest and greatest party in our club's history.

The U.S. congressional record recognized the town of Irondequoit on the occasion of its sesquicentennial celebration. Mentioned in Mr. D'Amato's announcement, referring to the boating activity stated; "In fact the Newport Yacht Club boasts the second largest Lightning sailboat fleet in the United States". We may not be second, but we're close.

This will be a special year as we will host the Lightning North American Championships, Masters, Womans and Juniors on August 14-24th. Our Newport Invitational regatta in June should be well attended by sailors wishing to experience the local lake and bay conditions in preparation for the North Americans.

This year's 14th annual Invitational had 33 boats, 5 races, great steak dinner, good weather, and we lost \$50. Nine of our boats traveled to regattas. Dick Hallagan traveled to regattas throughout the eastern U.S. and to the Worlds in Athens, Greece. Others who traveled were Landy Atkinson, Jim Gocker, Phil Goldberg, Dan Koretz, Alan McReynolds, Barb Platt, George Sereno, and Neal Smith. See the Central N.Y. District article for more details.

At home we sailed 41 races. Bob Jamison sailed 33 of them and took second in the championship series. George Sereno who surfed on the power boat wakes, was our champ. Dick Doherty was third, Hallagan fourth, and Steve Sah's fifth. During the season two handicap series are held. Barb Platt won the Burns Hanna and Howard Stickney won the Missal series. Andy Smith was first in a single handed series. Spring, summer, and fall series trophies were won by the following skippers: George Sereno, first, summer and fourth spring; Dick Hallagan, first in the spring and fall series; Neal Smith, second spring; Steve Sah's, third spring; Bob Jamison, third summer and fourth fall; Dick Doherty, second, summer and third fall; David Jungjohann, fourth summer; and Alan McReynolds, second fall.

We look forward to the 1990 season. It should be a good one. Save your vacation for August and attend the Lightning North American Championships.

Fleet 85's season started in February with a fleet ski trip to Vermont, which was followed by a smaller contingent of us making a cruising trip in the British Virgin Islands (to practice "stealth" activities). The annual meeting, held at the Pig Mansion, took place in March. Dave Dickerson retired after three productive years as Fleet Captain and passed the proverbial baton to Gary Davis.

The actual sailing started with four boats travelling to the Early Bird at Cedar Point Yacht Club. This was followed by a first in our District, the Junior Regatta. This regatta was open to local youth sailors in the area. Fleet 85 skippers provided the boats (and also crewed), the kids did the rest. Tim Healy won that regatta with Jessie Andrews second and Heidi Dickerson third. The next major regatta was the Volvo in Newport, R.I. where John Oldham and Chris Vann came in first and second. This has been a well-attended event in the past; however, there were only six Lightnings this year (four from Niantic Bay). Hopefully, the New England and CT/RI schedules can be rearranged to accommodate this great regatta. The District Championship at Black Rock Yacht Club followed. Five NBYC boats attended that event. Despite flukey winds, four races were sailed. The top NBYC boat was John Oldham with a third.

The highlight of the season was the North Americans. John Oldham, with crew Jim Gannon and Maria White, came in eighth in the Blue fleet while Chris "the Mig" Vann won the President's Cup. Crewing for Chris were his wife Barbara and brother Lenny. Don Barrett, with wife Donna crewing, also qualified for the President's Cup.

The NBYC Governor's Cup, sailed in September, was won by David Peck and Nina Cuccio. Phil Lotz, by virtue of coming in second, had to relinquish the four-foot-tall silver hat stand that had become a permanent fixture in their house. We are sure Wendy hated to see it go. Gary Davis, sailing an outstanding series, captured third. The last regatta attended by NBYC boats was the Southampton Regatta in Long Island. John Oldham and Chris Vann stole the show taking first and second respectively.

Back at home, John Oldham continued his dominance by winning all three holiday regattas. Gary Davis and Chris Vann came in second and third in the Memorial Day Series, Don Barrett and Chris Vann came in second and third in the Independence Day Series, and newcomer Kevin Farrar and Chris Vann came in second and third in the Labor Day Series. The season series championship was won by Dave Dickerson, followed by Franz Edson and Kevin Farrar.

It was a good year for NBYC. Our fleet of sailors not only improved but grew. Bill Sebestyn and Les O'Brien, who got some new sails, really started moving. Ward Woodruff, sailing with his wife, children, and assorted neighborhood kids, joined our fleet as did Kevin Farrar. Kevin, a local big boat sailor and sailmaker, brings a new level of competition to our fleet. The fitting end to our season was the wedding of Dave Peck, a long time NBYC sailor, and Nina Cuccio, a member of the Cedar Point family. We wish them both the best of luck.

SPRAY BEACH YACHT CLUB (91)

| 12045 | Shark! | Robert Sengstacken |
| 12923 | Dr. Pepper | Charles McNear |
| | Tradition | Dave Wiley |

No matter what you read in this space last year, you all knew in your hearts that the real Fleet Champion was:

*****BOB SENGSTACKEN*****

It was unfortunate that it took a year for him to get worldwide Lightning recognition for his feat, considering the cliffhanger that the season ended with and the difficult weather, sailing conditions, and competition that he had to overcome to obtain the fleet championship.

This year we celebrated the start of the next half century of the Lightning design and the close of the first half century of Lightning sailing on Greenwood Lake. Starting with a brand new design and inside of one year to have upwards of seven boats sailing on the lake is quite an impressive feat. We are extremely lucky to be able to look back and see that instantly the Lightning was recognized for the class boat we all know that it is and also to be able to thank those early sailors who started us on a sailing course in Lightnings.

An added plus in this historical year is that we were lucky enough to have Roy Sengstacken agree to write the Greenwood Lake Lightning history which will appear elsewhere in this yearbook.

The fleet has increased in boat ownership. Chuck McNear was the first, followed by George Welkey. At the end of the season, Dave Mahon treated us to a tour of a 1946 built Lightning and then jumped into a glass boat. The addition of three new boats, the strong possibility of one more and the hint of a fifth will hopefully put to rest the fears expressed about the future of small boat sailing and racing.

The sailing season was able to be completed without any race cancellations due to lack of wind. The percent of the number of boats racing to that available was low in the early part of the season, however it did increase toward the end.

Our Labor Day race did provide us with tests for sailing in extremely changeable conditions as some boats were selected by the 'wind gods' to do a quick 180 while the boat alongside was undisturbed. As the race winner Bob Sengstacken and runner-up Ron Wulff were doing a "horizon job" on the rest of the fleet, the battle for third place turned into a four boat finish which was to be decided by where the wind would fill in from first.

This summer we were treated to a new method of gathering in fish by use of a spinnaker. When Jim Cosmas felt that the students might not have fully appreciated the finer points of his demonstration, he quite willingly did it again. Most of us who witnessed the instruction have forgotten the finer points and are eagerly awaiting a refresher course.

After Labor Day, we had our 20th Annual Whiskerpole Regatta chaired by Ron Wulff. The normal three races were reduced to two because of light winds. Unfortunately, the local fleet was "picked on" by the outsiders but all ended well by having a great buffet on the boathouse pavilion deck, doing an "Amtrak" job on Roy Sengstacken, and firing corks into the air to wish Happy Birthday to the Cracklin' Rose, 30 years young.

The Yacht Squadron has again been promoting Wednesday night races run under the PHRF rules and the Lightning fleet has participated. This coming year, the number of races has increased with the possibility, due to its acceptance, that a new race class might be started under those conditions. Our Lightning fleet is helping out in the startup of this potential class, the fruits of which will only be realized when the weather breaks and the water turns soft.

In honor of our 50th Anniversary, we selected Ron Wulff as "tee" shirt chairman who did an outstanding job in designing, developing, and getting gold color shirts on as many backs as possible, all without the use of a gun. The fact that he had the height, weight and reach on everybody had nothing to do with it whatsoever.

In last year's winter meeting of the Metropolitan District, our fleet had a great turnout and a chance to meet members from other fleets, swap lies, and extend invitations.

Bob Sengstacken did pick up on these and went to other regattas including the District Championship. Ron Wulff travelled to St. Pete and was able to get a crew position in the Masters. He tells a great tale of a spectacular log jam finish, as never seen before and as anyone who has served on race committees will hope, never to be part of.

Since the snow and the ice has come earlier than in many years, we consider it a good omen and look for an early spring.

SANTA MONICA BAY LIGHTNING FLEET (102)

California District

Sailing on Santa Monica Bay at King Harbor

Fleet Captain/Secretary Wendell Harter
Fleet Champion Wendell Harter
Runner-Up Bert Winther

| Boat No. | Boat Name | Skipper |
|----------|----------------------|------------------------------|
| 11373 | | Mike Boswell & Fred Chandler |
| 13117 | Well Greased | Bert Winther |
| 13186 | Paddlin' Madelyn III | Wendell W. Harter |
| 14206 | | Bruce Yaeger |
| | | H. Quintin Foster, Jr. |

The 1989 season was a year of anomalies in race events. Because Mike Boswell's boat was still not repaired from last year's storm damage, we had but three boats from our fleet in sailing condition.

Wendell Harter was the only one who trailed to events away from our home club, King Harbor Yacht Club, Redondo Beach. These events included the California Circuit, which was held in San Diego; the Olympic Class Regatta, held in Long Beach; the California Districts, which were held in the High Sierra's at Huntington Lake; and the Bowen Memorial Lightning Regatta at Mission Bay YC. Wendell was the winner of the latter regatta.

Fleet 102 normally sponsors two Lightning regattas at Lake Cachuma each year, but this year the water was so low that we had to cancel. We put on a substitute regatta at King Harbor Yacht Club on August 26-27. Mark Patty joined us from the San Francisco area and four boats came from San Diego to constitute a fleet of six boats. The first three finishers were John Lyon, Scott Finkboner, and Kirk Johnson, respectively, all from MBYC.

The other Lightning invitational held at KHYC was the Hurricane Gulch Lightning Regatta, October 7-8. Eight boats participated. Mark Bryant won the five race series, followed by Larry Swearingen, Kurt Mayol, and Kirk Johnson. Since Wendell had a conflicting engagement, he invited a young KHYC skipper, Kurt Mayol, to sail *Paddlin' Madelyn*. Kurt placed well even though he unintentionally dropped his mainsail and didn't start in one of the five races. We would like him involved in more of our Fleet 102 events.

Our traditional fleet Christmas party was again held at the home of Mike and Maida Boswell, concluding the year's activities. Hopefully next year Mike will have his boat ready to sail, Bert Winther's work schedule will allow him to sail more often, and Bruce Yaeger will be more into the swing of racing.

LAVALLETTE YACHT CLUB (104)

Central Atlantic District

Sailing at Barnegat Bay, New Jersey

Fleet Captain Chris Larsen
Fleet Secretary Bill Dacosta
Fleet Champion Bob Morrow
Runner-Up Michael Plosica

| Boat No. | Boat Name | Skipper |
|----------|-------------|---------------------------------|
| 9250 | Puck | Donald A. Cooper |
| 9539 | Sundance | Dr. Anthony Ventimiglia |
| 10633 | | Don Drescher |
| 10771 | Mach I | Matthew Morrow |
| 10988 | At Last | Barbara G. Mann |
| 11122 | Punch | William A. Scott |
| 12598 | | Eugene Ventimiglia |
| 12957 | Elusive | William E. Dacosta |
| 13053 | | Chris Larsen |
| 13710 | Fuzzy Blues | Robert F. & Lawrence R. Hoffman |
| 13782 | Men At Work | Dr. Robert T. Morrow |
| 13955 | | Dr. Anthony Ventimiglia |

The summer of 1989! This was the year that fleet 104 really began to spread its wings, particularly from the standpoint of individual participation. We had a total of fifteen different skippers over the summer race season, plus forty three sailing enthusiasts who crewed in one or more races, for a total of fifty eight people who were "gung-ho" about Lightnings.

It was encouraging to note that of the fifteen skippers four of them, who were under age 20, had the opportunity to skipper a boat owned by others and in most of those cases the entire crew were "juniors."

We were happy to have Patti and John Applegate join us with their family boat 9885. They bring to our fleet, a lot of past racing experience in other classes, such as Lasers and E Scows.

Another interesting aspect of all this increased participation was a shuffling around of several of our traditional teams of long standing. For instance, George and Bobbie Schreyer have crewed for Chris Larsen for at least the past eight years, but this year, George yielded his spot to Chris Larsen, Jr. and moved over to Bob Morrow's boat to crew with his daughter, Meredith (Schreyer). Bob's brother Matt now races his own Lightning. It is appropriate to note at this point that Meredith was the Junior Commodore at the Lavallette Yacht Club and is also an accomplished Blue Jay skipper.

Weather wise, the season wasn't too bad. We only had to wear foul weather gear for one race, one other however was called off due to a severe storm.

The skippers for the top five boats were pretty close after the first four races, with a different boat winning each race. This helped to keep the competition exciting through most of the season. Bob Morrow however had it sewed up by the next to the last race. The balance of the standings were as follows: second, Mike Plosica in 10988 with Barbara and Dave Mann crewing when business permitted, when they were away, however, David and Tim Farinetta filled in capably; third, Anthony Ventimiglia, 13955 with brother Gene and Gene Jr.; fourth, Bob Hoffman, 13710 with sons Larry and Tom; fifth, Bill Dacosta, 12957 with Walter Krueger, Joan and Susan Young; sixth, Bill Scott, 11122 with Charlie Hueschkel and Tori Rittenhouse; seventh, Patti and John Applegate, 9885 with Caryn Smith; eighth, Ron Totams, 12250 Greg Barrow and Bobbie DeHoff; ninth, Chris Larsen 13035 with son Chris and Bobbie Schreyer; tenth, Don Cooper, 9250 Karen Totams and Pete DeHoff; eleventh, Mike Farren, 11119 friends; and twelfth, Don Drescher, 10633 and sons.

To wind up the season, there was the Annual Commodore's race on Labor Day, won by Barbara Mann. To kick off our fall series we had a big picnic and cook out for all the skippers, crews, families, and race committee at the ocean front home of Bob Hoffman. Lorrane Morrow and Bobbie Schreyer were in charge of all arrangements and food. The weather cooperated and attendance topped the 70 mark. A good time was had by all.

One of the year's highlights took place on October 8 when Ched Proctor and Jody Lutz spent the day with our fleet giving us on hands instruction setting up the boats, tuning, and sailing them. Our sailors made many notes and were thoroughly appreciative of such an unselfish giving of time not to mention the many sailing tips. This is what makes the Lightning people so great and we're proud to be a small part of it.

With momentum building, we now look forward to an even bigger and better 1990. Happy sailing!

HIGGINS LAKE FLEET (110)

Michigan District

Sailing on Higgins Lake at Roscommon, Michigan

Fleet Captain & Secretary John Dent
Fleet Champion Alan Krauss
Runner-Up John Dent

| Boat No. | Boat Name | Skipper |
|-------------|-------------|----------------------------------|
| 2138 | | Scott Carman & Steven E. Randall |
| 9102 | Bohica | Peter B. Morley, Jr. |
| 12104 | | Stan Dent |
| 12784 | Pacemaker | John N. Dent |
| 13493 | | Mike Dow |
| 13999 | | Scott Carman & Steven E. Randall |
| 14009 | Serendipity | Mike Dow |
| Life Member | | Dr. Floyd R. Arnold |

The Higgins Lake Boat Club season got under way over the 4th of July weekend with our Annual Firecracker Regatta. This local event was a very casual and easy-going affair, as was our entire season. Weekend races were open to anyone who wished to participate with our seasoned sailors more than willing to help out any newcomers who may have needed it. Crew's races were also held giving a crew member the chance to take the helm. On Labor Day weekend our season concluded with the Annual Property Owner's Regatta.

On August 5-6, our Invitational Regatta was held with many of our old friends returning to Higgins Lake. Saturday was a beautiful day with a nice breeze blowing for one of the best days of sailing we can remember. Sunday however, gave us the other side of sailing with winds and waves so severe racing was cancelled with regrets from no one. Saturday's racing left Tom Vickers of Crescent Sail Club in fourth place; Mike Dow of Higgins Lake and of Traverse City finished in third place; John McRee of Bay City had to settle for second place as Colin Park, also from Bay City, once again dominated the racing.

Our Annual Awards Banquet was held on Labor Day weekend. Alan Krauss finished third in our Firecracker Regatta, with John Dent in second place, and Bo Whittelsey taking top honors. Ric Blamer finished third in our overall season standings, with John Dent in second place, and Alan Krauss coming out on top. John Dent finished third in the Property Owner's Regatta, while Stan Dent finished in second place and Alan Krauss Again took the top award.

GREEN BAY SAILING CLUB, INC. (112)

Midwest District

Sailing on Green Bay at Green Bay, Wisconsin

Fleet Captain Michael Kulkoski
Fleet Secretary Katherine Kulkoski
Fleet Treasurer Rich Osczowski
Fleet Champions ... Charley Nitka/Brian Phelan
Runner-Up John Evans

| Boat No. | Boat Name | Skipper |
|----------|---------------|---------------------|
| 7002 | Imprudent | Vincent F. Sherrick |
| 10680 | Smoke | Douglas Olson |
| 11188 | Zulu Warrior | Michael B. Kulkoski |
| 11931 | Hearty | Gordon A. Valentine |
| 13486 | | Patrick Ford |
| 13568 | | Bill Dean |
| 13817 | | David M. Roznowski |
| 13818 | Silent Scream | Brian Phelan |
| 14193 | B-Kaz | Dr. Bruce Bressler |

This year was marked by extreme low water conditions, which eventually resulted in cancelling the annual Evans Regatta. The club's facility was finally dredged in late June and we enjoyed excellent sailing in the months of July and August.

The results of our fleet championship were as follows: first - Charley Nitka/Brian Phelan, boat 13818; second - John Evans, boat 13376; third - Doug Olson, boat 10680; fourth - Michael Kulkoski, boat 11188; fifth - Vern Heyrman, boat 13225.

The season ending "handicap race", also known as the Walter Massey Memorial, was sailed in light wind conditions and glass smooth water. Patrick Ford sailed a well-rounded race, with the assistance of his father and sister as crew, and posted a dramatic come-from-behind victory.

The fleet was again competently managed by the race committee of Tom Phelan, Bill Hayes, Jane Stounard, and Charlie Walter.

CUBA LAKE YACHT CLUB (115)

Lake Erie District

Sailing on Cuba Lake at Cuba, New York

| 13792 | | Thomas Hagan |
| 13871 | | John Cuccio |
| 13987 | | Robert G. Neubert |
| 14067 | Nemesis | Davis S. Smith |
| 14137 | Stardust | Toby Beth Lambert |
| 14161 | | Edson N. White |
| 14176 | | Ched Proctor |
| 14190 | | Philip Lotz |
| 14217 | TNT | C. Dayton Titsworth |
| 14219 | | Richard Thackaberry, D.V.M. |
| 14238 | | Kjell A. Heitman |
| 14289 | Ciao | Nina Cuccio |
| 14360 | | Timothy Naeser |

Fleet 126 sailing on infamous Long Island Sound at the mouth of the scenic Saugatuck River began its 1989 season with the memorable Early Bird Regatta. Unfortunately, the regatta was memorable for its lack of wind. (This usually does not happen in May!) With only one day of racing, the top five were Jody Swanson, Peter Hall, Jim Crane, Johnny Cuccio and Jody Lutz. Thanks to Regatta Chairman Neil Hayes for putting together the nuts and bolts of the weekend.

Prior to our club's official racing season, Ched Proctor, Phil Lotz, Barb White, Gisele Meyerson, and Tom Ingram travelled to the Long John Regatta at Red Bank, New Jersey. Ched placed second, Phil and Barb did a little early season swimming, and Gisele used the occasion to practice her single handed sailing skills. An interesting weekend!

We must again congratulate Ched Proctor for his outstanding performance on the Southern Circuit. Ched placed first overall, with a third in Savannah, second at St. Petersburg, and second at Miami. Ched was also named one of the country's "11 Hottest Racers" by *Sailing World*. We are indeed fortunate to have Ched at Cedar Point. His presence, not to mention his seminars, has undoubtedly raised the level of competition in our fleet.

Memorial Day marked the official start of the racing season. Top honors were taken by Phil Lotz, Commodore Dick Thackaberry was second, and Johnny Cuccio was third.

In June, Cedar Point hosted the Queens Cup. Dick Thackaberry was race committee for this woman's regatta, and we are pleased to report that first place was taken by Nina Cuccio, ably assisted by Wendy Lotz and Gisele Meyerson. The Cuccio team went on to the semifinals at Niantic where they also emerged victorious. At the finals, held in Milwaukee, the girls placed seventh. Fleet 126 is proud of its ladies!

The Districts were sailed at Black Rock Yacht Club on a beautiful July weekend. Sadly, it was a perfect weekend for golf. Fleet members broiled under the hot sun, and after a frustrating weekend did manage to take second through fourth place. (Hats off to Jim and Brenda Crane for taking top honors.) Husband and wife teams all, we congratulate Edson and Barb White, (second); Neil and Carol Hayes, (third); and Phil and Wendy Lotz, fourth. Fourteen boats were on the line for the July 4th regatta. Tim Naeser sailing his "barely out of the package" brand new boat won convincingly with a 1-1-2 series. Phil Lotz was second and Johnny Cuccio was third.

Barb and Edson White then travelled to Oswego, New York for the Michelob Regatta where they placed second. Quite an accomplishment in a field of 60 boats!

Several of our fleet members journeyed to Ohio for the North Americans.

Phil Lotz, Tom Ingram, Jim Naeser, and Jim DeCesare made the trip. Phil placed 12th overall.

The Labor Day weekend brought a windy end to our club weekends. Phil and Wendy Lotz topped the 15 boat fleet followed by Johnny Cuccio and Tim Naeser.

The Governor's Cup was sailed at Niantic the following weekend. First place went to the team of Nina Cuccio and Dave Peck, now Mr. and Mrs. Peck. We wish them much happiness in the years to come and hope that we will see them often on the race course.

We are pleased to report that Phil Lotz is the CPYC Lightning Fleet Champion for 1989. Sailing with his wife Wendy, Phil was a consistent winner throughout the season. Phil and Wendy also placed second at the Governors' Cup in Niantic. Edson and Barb White, often sailing with pick-up crew were second. Tim Naeser and his shiny white boat was third. Johnny Cuccio sailed a very consistent season to place fourth. Tom Ingram, our ever popular Regatta Chairman, was fifth.

The Fall Classic and Lobster Bake was to put a marvellous finish on Fleet 126's season. Mother Nature, however, had other ideas. Saturday's 40 knot winds were followed by Sunday's absolute calm. It was not possible to sail a race. The Lobster Bake went on as scheduled and we would like to thank all those who attended for their cheerful acceptance of our sad situation. Please come back to CPYC; this can't happen again!

All in all, we had a great year at Cedar Point. The fleet welcomed new members Bruce Byers (who took our wonderful fleet photo!), Jim DeCesare (king of the New York cheesecake and cocktail party host extraordinaire!), and Jody Lutz (where are you Jody?). We are pleased that members who are raising families still found the time to race. We look forward to a wonderful crop of sailors when the Lotz, Richardson, Proctor and Meyerson boys (yes, all boys!) come of age. We are grateful that some of the "old timers" are still sailing their Lightnings (yes, Dick and Bud, we mean you!) even if their sons are helping them along. We appreciate the continued support of the entire Cuccio family. Where would we be without you? What will we do without Nina? And Kjell can always be counted on in heavy air and at regatta registration. We acknowledge the newlyweds in the fleet — Barb and Edson, Neil and Carol, Dave and Debbie, Bruce and Ellen, and our bachelors Tim, Tom I, Neil, Dave, Tom H., Jim, and Steve.

The fleet is diverse, but we have the love of sailing and our most able fleet captain Fergus (and first lady Sara) to keep us all sailing in the right direction. We look forward to 1990! Come sail with us!

The evergrowing family at Cedar Point.

SEATTLE LIGHTNING FLEET (132)
Pacific Northwest District
Sailing on Shilshole Bay at Seattle, Washington

Fleet Captain Phil Wong
 Fleet Secretary Alan Hunt
 Fleet Champion Bruce Deitz
 Runner-Up Eric Lindahl

| Boat No. | Boat Name | Skipper |
|----------|---------------------------|--------------|
| 10384 | Dandelion Break | Philip Wong |
| 11457 | No Problem | Pam Hsu |
| 11636 | Are We Having Fun Yet? | Alan F. Hunt |
| 11873 | Osprey | Bill Taylor |
| 13242 | Over Easy | Eric Lindahl |

| 13680 | Scarecrow | Tom Foulds |
| 14040 | Sail Tough or Go Home | Bruce Deitz |
| 14246 | | Tom Anderson |

Well, we had kind of a slow start this year. "The Dunk" was honeymooning in Australia for the first month of the season (which starts at Seattle Corinthian Yacht Club's Opening Day Regatta on the first weekend in May). He took a raft of well deserved stuff for a lousy job of planning and prioritizing...He mumbled something about two houses and not knowing where to live when he should have been worrying about when and where to sail...

Alan Hunt was involved in a major car accident the week before the season started and was out all season. We are looking forward to his recovery and return to the racing scene — he was missed by all.

And Pam Hsu didn't get it in gear until Memorial Day in Eugene. If memory serves correctly, she nailed down her crew an hour or two before the seven hour drive to Southern Oregon. As usual, most of the fleet went to Eugene and had a great time. Deitz's car broke down so he left it down there — it was a good thing he decided not to wait until Tuesday to get it fixed and go home — it wasn't ready until Friday...

Tom Foulds did a number locally this season — he keeps getting better and better and will soon be hammering us on the circuit too.

We hosted the Districts this year. The weather wasn't all that great but what the heck, Seattle isn't known for its sunshine now is it? We got six races off for a throw-out and considering that there were about 100 boats on the water we really lucked out — CYC's race committee did a great job of keeping us clear of other fleets. Seattle finished one-two this year with Eric Lidahl finishing first and Bruce Deitz second in one of the most hotly contested Districts in a long time — any of four (and maybe even five) boats had a shot at it going into the last race.

Tom Anderson took the plunge at the PCCs in San Francisco and bought a new boat. After doing his darnedest to double deck it back to Seattle, he finally gave up and left it there temporarily. There's nothing quite like spending your vacation on Interstate 5 is there Tom?

We finished the season a little slow at our own circuit regatta in October. After several years of good steady wind, this year we sailed out in the fog to a one race regatta.

SPOFFORD LAKE FLEET (145)
New England District
Sailing on Lake Spofford
at Spofford, New Hampshire

Fleet Captain Fred Turner
 Fleet Secretary Patrick MacQueen
 Fleet Champion Kip Hamblet
 Runner-Up Patrick MacQueen

| Boat No. | Boat Name | Skipper |
|-------------|----------------|----------------------------------|
| 11210 | Smurfing Along | Frederick Turner, Jr. |
| 11323 | Escape | Patrick MacQueen |
| 11346 | L.I.T.F.L. | Fred H. & Christopher B. Hamblet |
| 12370 | The Tool | Alexander Gemmell |
| 13835 | Three Cheers | David H. & Thomas Fitch |
| Life Member | | Leonard Pratt |

Spofford 1989 started a little slow. Kip Hamblet was the first to venture out onto the water travelling to Mallet's Bay on Champlain. As usual he represented us well coming in fourth. Pat MacQueen was next on the road attending the Maple Leaf Classic on Lake Bomoseen, Vermont. He and his regular crew, son Aaron and Jeremy Marsette managed a fourth in medium to heavy conditions. This regatta was great fun. Kip Hamblet followed the next week to Provincetown where he took second.

Road travel bit into the fleet sailing at Spofford quite a bit this year. The first real Spofford sailing was the first leg of the Fleet Championship held over the Fourth of July weekend.

The New England Districts in mid-July were held at Annisquam, Massachusetts. Kip, Pat and Peter Abell made the trip. Peter is a newcomer to the Spofford Lightning Fleet having sailed Snipes, Sunfish, and Comets heretofore at Spofford.. This was Peter's first Lightning regatta in his new boat. Alex Gemmell, not being able to put together crew for his own boat crewed for Peter. The only finish here worthy of note was Kip's fifth (last man out in a three way tie for third).

After the Districts, the Juniors and Masters were next on the program. Alex Gemmell took his boat to Massabesic for the Masters. He had his Dad Jack Gemmell sail while he and Dennis Freshee crewed. Alex has developed another fine Lightning crew in Dennis, and of course his Dad is a long time

Sunfish and Snipe hotshot from way back. The weather was a bit blustery though and the trio decided Saturday was enough.

Aaron MacQueen with sister Amy and Jeremy Marsette had a similar experience with the Juniors at Massabesic the same weekend capsizing to windward while beating in the first race. Even though this put them out of the running they sailed very well throughout the regatta.

Next on the schedule was a beautiful regatta at Squam (Golden Pond) Lake. Not to be outdone by son Aaron, Pat MacQueen put himself out of the running by showing the rest of the fleet how quickly and easily a Lightning under spinnaker can death-roll to windward. Amy who crewed only twice this year, is beginning to think that a Lightning is a submarine. She says she likes it though.

All this excitement was tempered a bit at the regular Massabesic and Cedar Point regattas. Although we counted one drifter at Massabesic, no real wind materialized on either Saturday or Sunday. At Cedar Point in Westport, Connecticut, it blew so hard that nobody went out all day. On Sunday it had blown itself out completely and no race could be sailed the entire weekend.

Usually, 'iffy' winds are reserved for Spofford, the season finale. This year fate was kinder and we were blessed with plenty of wind both days. Attendance was off though because of fears that Hurricane Hugo would circle back in. It didn't, and those who didn't attend missed a great weekend. The racing was great as were the chick 'n ribs. Stu Nickerson surprised everyone and won with Don Brush second. Spofford sailors Kip Hamblet and Pat MacQueen took third and fourth respectively.

Now to pick up again on the Fleet Championship. We had decided early on that we had to get in six races with one throwout. Over Labor Day we only got five races in so we had to wait for the weekend after the Spofford Regatta to finish off the still fairly wide open competition. The Fitch Family, who have their name inscribed already a significant number of times on the fleet trophy were in the lead by appointment going into this last race. Family constraints (too much partying among the younger set) kept them from sailing the final race. Of the six original contestants, only Alex Gemmell, Kip Hamblet and Pat MacQueen got their boats out. Kip's victory in this race means that his name will be the first on the new Sophie K. Hamblet Memorial Trophy. Congratulations Kip!

This recap would not be complete without recognizing and giving a special thanks to Bud Hamblet and Fred Turner for running our races so sharply, and to Carol Turner for her support particularly with the Spofford regatta, and to all the other fleets and club members who helped out with our events.

SAO PAULO FLEET (147)

Brazil District

Sailing on Lake Guarapiranga at Sao Paulo, Brazil

Fleet Captain Peter Zacher
Fleet Secretary Peter Zacher
Fleet Champion Claudio Biekarc
Runner-Up Marcelo Fuchs

| Boat No. | Boat Name | Skipper |
|----------|------------|-----------------------|
| 11041 | Flamingo | Antonio F. Villianeve |
| 11710 | Irema | Dietmar Heydenreich |
| 12472 | Xiriania | Hugo Richter |
| 12524 | Foxfire | Karin Thielemann |
| 14167 | Star Rider | Mark Brown |
| | | Bill Batjer |

The Brazilian National Championship followed by the South Americans, which included active participation from Chile, Argentina, Peru and Ecuador, was held on the picturesque island of Ilha Bela, located approximately 120 km from Sao Paulo. After much ado about borrowed trailers, freshly packed bearings, somewhat suspect tires, endless road documents and a longer than normal wait for the ferry boat from the mainland city of Sai Sebastiao, you enter an island paradise that you will not soon forget.

The 32nd Brazilian Lightning Championships comprising of six races over four days (March 22-25) saw winds clocked at 20-28 knots during the entire period, mostly northeasterlies with the exception of a southerly on the second day.

Results from the Brazilian Championships for Fleet 147 sailors were as follows: first, Claudio Biekarc; third Marcelo Fuchs; fourth, Dietmar Heydenreich. The South American Championship was won by Claudio Biekarc. Sailing in the World Championship, representing our fleet was boat 11710 with Dietmar Heydenreich, Peter Zacher, and Mario Czaschke, finishing in 26th place.

Windward leg action at the Brazilian National Championship.

MANSFIELD SAILING CLUB (150)

Ohio District

Sailing on Clearfork Reservoir at Lexington (Mansfield), Ohio

Fleet Captain Bernard L. Dillon
Fleet Secretary Don Walter
Fleet Champion Bernard L. Dillon
Runner-Up David J. Ireland

| Boat No. | Boat Name | Skipper |
|----------|-----------|-------------------|
| 6944 | | Chandler Stevens |
| 10047 | Merrimax | Donald C. Walter |
| 12439 | Prosit | Edward E. Brennan |
| 13907 | Air Life | Edward E. Brennan |

No Report.

ANNISQUAM YACHT CLUB (151)

New England District

Sailing on Ipswich Bay at Annisquam, Massachusetts

Fleet Captain Georges Peter, M.D.
Fleet Secretary Allison Peter

| Boat No. | Boat Name | Skipper |
|----------|-----------|---------------------|
| 13886 | Mouelte | Georges Peter, M.D. |
| 14198 | | Brad Read |
| 14296 | | Brad Read |
| 14388 | | Brad Read |

In 1989, Fleet 151 again sponsored the New England District Championships. In a close battle with Curt Felix, Bruce Atkinson triumphed in a light air regatta in which seven races had to be sailed in order to have five that counted. Former (now retired) Fleet Champion Dick Mechem (1968 and 1970) aided by many former Annisquam Lightning sailors, including Ben Smith, George Mechem, and Linette French, was R.C. Chairman and made the most of sometimes trying and often a typical Ipswich Bay conditions. Current Fleet 151 sailor Georges Peter tied for third, but lost the tie-breaker, so finished fourth. The other member of the Fleet, Brad Read, represented Annisquam well with a fourth in the 1989 Worlds in Greece and second in the Southern Circuit.

WAWASEE YACHT CLUB (154) **Indiana District** **Sailing on Lake Wawasee at Syracuse, Indiana**

Fleet Captain Alan Fox
 Fleet Secretary Virgil Snyder
 Fleet Champion George Buckingham
 Runner-Up Karl Suter

| Boat No. | Boat Name | Skipper |
|----------|---------------|----------------------|
| 5259 | | Douglas F. Willis |
| 8686 | | Douglas F. Willis |
| 10134 | Popper | Stephen C. Miller |
| 13001 | Why Us | John R. Nixon |
| 13502 | | Dr. Kenneth N. Wood |
| 13721 | | George E. Buckingham |
| 13851 | | Virgil L. Snyder |
| 13860 | One Last Gasp | John R. Nixon |
| 13895 | Brandywine II | Douglas A. Schmahl |
| 13975 | Divine Wind | Alan Fox |
| 14125 | | Karl Suter |

This past summer was one in which about half of our race days were spent standing on the dock and talking about the good old days when we had wind. It was a good summer anyway, even if the wind wouldn't cooperate on the right days.

Our Memorial Day Series was won by Karl Suter, with George Buckingham second, and "Clan" Schmahl third. The Independence Day Series was won by Brad Wagon, with Karl Suter second and "Clan" Schmahl third. Ending the season was the Labor Day Series, which was won by George Buckingham, with Brad Wagon second and Karl Suter third.

At the award ceremonies George Buckingham was the Season Champion. Karl Suter was second, Brad Wagon third, and Alan Fox fourth. The Cynthia Cup was won by Alan Fox and Pam Fox received the women's award. Greg Miller received the youth award. The Commodore's Cup award was won by "Clan" Schmahl, with Steve Miller second and Gordon Medlock third. The Hoosier Regatta was held on October 7-8, with 19 boats attending from Ohio, Michigan, Illinois, and Indiana. Colin Park was first with his crew of Karen Park, his wife, and Greg Bull. Bill Faude finished second, Steve Thomas third, David Stix fourth, and Karl Suter fifth. We had great wind and everyone enjoyed themselves with good friends sitting in front of a roaring fire with a cup of hot cider.

Alan Fox will be Commodore in 1990. John Call will be Vice-Commodore, Virgil Snyder-Secretary, and Doug Schmahl-Treasurer. Welcome to new members Karl Suter and Casey Call.

WILLOW BANK YACHT CLUB (164) **Central New York District** **Sailing on Cazenovia Lake at Cazenovia, New York**

Fleet Captain Dave Bull
 Fleet Secretary Alister Thomson
 Fleet Champion Dick Tuttle
 Runner-Up Don Barter/Alister Thomson

| Boat No. | Boat Name | Skipper |
|----------|------------------|------------------------------------|
| 736 | Huntress | W. Craig Thayer |
| 9334 | Inevitable | Houghton Carr, Jr. |
| 10370 | | W. Craig Thayer |
| 10679 | Tape Duck | Richard P. Tuttle |
| 10705 | Allegro | John B. Rudd |
| 10816 | | Joseph Seltzer |
| 11650 | Reddy Too | Pamela L. Tuttle |
| 11853 | Andiamo | Jeffrey A. Bassin, D.M.D. |
| 12004 | White Lightning | Donald B. Barter & Alister Thomson |
| 12646 | Natty Dread | Nathaniel Dain |
| 13052 | Full Deck | Steve Burrell |
| 13369 | Ceann Soule | Geoffrey Roth |
| 13601 | Prince Charming | Michael H. Brock |
| 13933 | Trivial Pursuit | Chip Sinn |
| 14369 | No More Bullship | David K. Bull |
| | | James W. Hole |

It is now the fifth season, the season of the ducks. The ducks are always here, but now the lake is all theirs. Step outside with me, crunch through the snow to the bank. Be still. The hill behind, coated with sound reflecting snow, forms a dish, a big ear. We are standing in the middle. Listen carefully. Those ducks just by the shore right in front of us, you can hear them. They're talking with each other. Sit down with me on this stair and listen. They're talking about the sailing they watched last summer.

You can tell that they are happy with last summer's Lightning racing. Hear that chirp in their quack? Listen closely and hear them saying it is their cousin who won! He won the Willow Bank Yacht Club summer series. He was the champ of all of 1989. Wow! After a few months these ducks are still giddy with the shrill of their cousin's victory. And who is their cousin? He is the blue hulled, white winged variety with sticky metallic cloth covering his rub rails, a duck well known in upstate New York — the *Tape Duck*!

He had to beat out all those other tough sailors, especially *White Lightning* whom he narrowly edged out. *White Lightning* is a very strong competitor with an extraordinary capable crew. This boat, the previous summer, won a very large regatta of over 100 boats on Skaneateles Lake and this year place third in the Cazenovia Invitational behind two strong blue fleet sailors, Hallagan and Dodge. Any time you beat *White Lightning* you are sailing well. *Tape Duck's* cousins are proud.

I can tell you more of what happened last summer at Willow Bank — stuff the ducks don't seem to know. For example one of the other strong competitors was Dave Bull. He finished fourth in the Cay Invitational which, by the way, will not be held in 1990 — Instead Cay will host the Districts which is only open to Central New York Sailors. Dave's fleet racing, however, was interrupted by being "between boats" for some of the summer. His old number of 13369 is increased by exactly 1,000 and *Bullship* becomes *No More Bullship* — perhaps an apt name for the new boat but certainly not for the skipper. Dave did manage runner-up in the Central New York Triple Crown, second in the Dulles Cup and third at the Polar Bear out in Davenport, Iowa. And ask him; he'll tell you how he might have won the Masters in August!

Also Craig Thayer was a little less active at the club this year. He started his new business, Fabri Craft. He makes boat covers, rudder/mast covers, hiking straps. Now Willow Bank can boast a "Professional" in its membership!

John Sills was absent most of the summer working in the financial markets in London, England. He was heard quacking, "wait til next year." John Rudd, Jeff Bassin, and Mike Brock travelled to Cazenovia's shores somewhat sporadically this summer. But each time they were intent on scaring our friend *Tape Duck* and his newbies *White Lightning*.

And the Sinn family weren't the threat this year as some years. Tadd is too much the family man. Chip worked weekends this summer and Chad is becoming a golfer. Once we saw father Dick out there with a tiller in his hand. Now we know why he always crews! But in the whole of the Lightning Class Janet Sinn has to rank as one of the very best crew amongst grandmothers she just needs to find a skipper.

In the coming back department we note Steve Burrell. Steve is a great heavy air middle crew. He can bench press seven tons and he can keep a Lightning flat in a gale. He also likes to skipper and he did more of that this year with his regular crew members not all of whom are human. Late in August Steve gained his first bullet which pleased him very much. On Labor Day weekend at a free-for-all start he acquired a porthole which did not please him very much.

The most significant occurrence this summer regards the future of Fleet 164. It was the addition of three new, young members. Our Fleet Captain refers to them as the junior fleet because of their youth and tyro status and also for their activity and enthusiasm and also, as is the case with many junior fleets, from this group may emerge one or more stars. So note the names of Nat Dain, Mark Jenner and Geoff Roth. By the way, Mark won the Jack Tuttle Trophy which is awarded on the basis of participation and performance.

On Labor Day weekend the fleet sponsors a couple of trophy races. The crewettes race found a record (we think) seven boats at the start. Holly Thomson sailed *White Lightning* like greased Lightning and won back the elegant silver tea service.

Saturday morning's Charter Member's Cup race turned into a rematch of the summer's tight series. *White Lightning* had never happened to win this cup though he's good enough to have won several times. He vowed not to be denied this year. *Tape Duck's* skipper crewed on the winning boat in the original cup race 40 years ago and he skippered to numerous victories over the years. He wanted to repeat. The intensity level on these two boats was a couple of notches higher than usual. Early in the first beat the race became the two boat race expected. The lead changed a couple of times in the first leg. At the windward mark *Tape Duck* overtook *White Lightning* again. They stayed close down the reach. As the two length circle approached,

White Lightning rode a wave into an inside overlap for the turn. *Tape Duck*, intent on keeping his half length lead coming away from the mark, nailed a perfect jibe. Then, a gust. The skipper pointed down hard and then that awful sound — Crack! With the tiller now loose in his hand, *Tape Duck* rounded up and Glub — Glub — Glub. *White Lightning* coasts through the last five legs for the now easily earned line honors and an overdue victory in this annual event.

Now it's been fun talking about Lightning sailing and listening to the ducks quack about their cousin. But it's a little cold sitting on these snow covered steps and besides it's time to go inside and pop something into the oven. Shush — don't mention what it is. The ducks may hear you. Let's not spoil their day.

HELSINKI LIGHTING FLEET (166)

Finland District

Sailing at Gulf of Finland, Helsinki, Finland

Fleet Captain Kari Maenpaa
Fleet Secretary Noora Maenpaa

| Boat No. | Boat Name | Skipper |

LAKE DAVENPORT LIGHTNING FLEET (167)

Midwest District

Sailing on the Mississippi River at Davenport, Iowa

Fleet Captain Pat Goff
Fleet Secretary Bobbie Goff
Fleet Champion Mike Steffenson
Runner-Up Ken Jensen

| Boat No. | Boat Name | Skipper |
|----------|-------------|---------------------------|
| 6033 | Kasara | Wesley L. Johnson |
| 8520 | Maine-Eac | Patrick J. Goff |
| 10232 | | Charles E. White |
| 11456 | Clam Digger | Don L. Johnson |
| 12688 | Clockwork | Steven Schulte |
| 12817 | Peripatetic | Donovan D. Stiegel, M.D. |
| 13202 | Moxie | Henry L. Strieder |
| 13430 | Second Wind | William F. Quaintance |
| 13901 | 4XO Kazoom | Ken Jensen |
| 13991 | Bodacious | Ron Taber |
| 14015 | Hot Flash | Michael & Doug Steffenson |

It was one of the best of all years lately for sailors on the Mississippi River. There were no spring (or fall!) floods so our races began on schedule.

The Lightning fleet hosted the Memorial Day party to begin the new season with over 80 club members attending. Mike Steffenson was the winner for this weekend series.

The weather and winds continued to support our sailing efforts for the Summer Series with Mike Steffenson winning first place, Ken Jensen was second, Ron Taber third, Bill Quaintance fourth, Reed Doughty fifth, and Don Johnson sixth. The Commodore Series was won by Mike Steffenson followed by Bill Quaintance, Ken Jensen, Reed Doughty, and Ron Taber.

Mike continued his winning ways and took first place in the Fall Series, Ken Jensen was second, Bill Quaintance was third and Ron Taber fourth. He also won the Fourth of July Series and the Founders Day Series. Ken Jensen caught Mike resting on the tiller and took first place in the Labor Day Series. The Lightning fleet hosted the party that weekend and with good food, good friends, and good weather, it was very successful.

The last major event of our sailing season is the Polar Bear Regatta held the last weekend of September. There were over 70 boats from the three fleets of C's, MC's and Lightnings. Saturday was a beautiful, sunny day, but alas, no wind so the races were cancelled. The traditional barbeque dinner that evening was well attended. Then Sunday, everything came together and after two exciting races, Mike Steffenson was first, followed closely by Gene Matthews of Lake Geneva, Dave Bull of Willow Bank, Doug Olsen from Green Bay and Bill Quaintance. The Mayor's Trophy was awarded to Ron Taber.

A cold and sunny day saw the Steffenson family out for their 20th year of a traditional Thanksgiving Day sail. This year Ken Jensen and family members joined them. Ron Taber with Bill Wundrum, our local newsman, were there to capture it all in print. Docking with a 1/2" coating of ice, it was time for their traditional champagne toast to finally close the season.

We're all looking forward now to warmer temperatures and good winds for 1990.

Lake Davenport Sailing Club's beautiful new club house.

LAKE OF NEUCHÂTEL FLEET (169)

Switzerland District

Based on Lac de Neuchâtel, Switzerland

Fleet Captain Jean-Pierre Monnier
Fleet Secretary Annika Vuithier-Lambelet

| Boat No. | Boat Name | Skipper |
|----------|-----------|-----------------------|
| 11858 | Gargantua | Pierre Grandguillaume |
| 11859 | Pinocchio | Hans Muhlbach |
| 12860 | Garoupa | Claude Lambelet |
| 13066 | Sarcelle | Jean-Pierre Monnier |
| 13840 | Chiloe | Gilbert Despland |

This year was not a very good one for our fleet. Our friend Gilbert Despland was sick for a long time and as he is one of the big shots of our fleet, we missed him a lot. We are now glad that all is again under control.

The 36th District Championship was sailed on Lake Sempach in April. *Garoupa* the only boat from our fleet and finished fifth.

In June, *Garoupa* skipper Claude Lambelet with Annika Vuithier-Lambelet and Jean-Pierre Monnier as crew participated in the Italian Championship at Lido di Salvio. They came back to Switzerland very, very glad as they finished second.

The *Regate Fondue*, unfortunately, could not be sailed. Lightnings, crews, friends, girls, boys, wine, cheese, bread, garlic, and the earthenware fondue-dish were present; but the wind was completely missing during the weekend.

We are already thinking of the next European Championship in La Neuveville, Switzerland.

BRANT BEACH YACHT CLUB (173)
Central Atlantic District
Sailing on Little Egg Harbor
at Branch Beach, New Jersey

Fleet Captain Glenn Reiting
 Fleet Secretary Carl Reiting
 Fleet Champion Dave Coward/

SHEBOYGAN LIGHTNING FLEET (187)
Midwest District

Sailing on Lake Michigan at Sheboygan, Wisconsin

Fleet Captain Chris Graf
 Fleet Secretary/Treasurer Jon Moulton
 Fleet Champion Dan Reichelsdorfer
 Runner-Up Jerry Slavens

| Boat No. | Boat Name | Skipper |
|----------|---------------|-------------------------------------|
| 10034 | | Hans C. Graf |
| 12389 | Sosomee | Dr. Jonathon Moulton |
| 13565 | Rumple Teazer | Vytas Kerpe, M.D. |
| 13862 | Sensation | Eric R. Larson |
| 13872 | | Tom Atkins |
| 13930 | John 3:16 | Tryg Jacobson & Stuart Spiller, Jr. |
| 13994 | Silent Movie | Daniel Reichelsdorfer |
| 14007 | 007 | Hans C. & Chris Graf |
| 14142 | | Jason & Richard Bemis |
| 14234 | On the Rocks | Jerry Slavens |
| 14380 | Cimarron | Tryg Jacobson |
| | | Herbert Kohler |

Continued growth and participation was enjoyed by Fleet 187 in 1989. Fleet racing on Monday and Wednesday evenings easily saw upwards of ten boats on the starting line.

District Regattas were well attended by our Fleet. Our Annual Brotz Regatta brought boats from as far away as St. Louis with Matt and Lal Burridge both placing in the top ten.

The Fleet June Series, predominately heavy air, was won by Dan Reichelsdorfer with Hans Graf second and Jerry Slavens third.

The July Series, a mixture of light and heavy air, was again won by Dan Reichelsdorfer, with Hans Graf second and Tryg Jacobson, with the newest boat in the fleet, placing third.

The August Last Chance Series saw drifting conditions, mixed with some of the heaviest air sailing the Club has ever seen. Jerry Slavens placing first, Vito Kerpe second and Tom Atkins third.

In July, Rick Larson participated in the Worlds in Greece placing a respectable seventh overall.

Chris Kronich captured first place in the Women's N.A.'s and went on to place 19th in the Presidents' Cup. The N.A.'s were also attended by Dan Reichelsdorfer (Fifth in Governors' Cup) and Hans Graf (25th in the Presidents' Cup). Dan also completed the Southern Circuit capturing 18th overall to roundout a very busy and rewarding year.

We look forward to seeing everyone for the Brotz.

MARBLEHEAD LIGHTNING FLEET (189)

SURF CITY (196)

Central Atlantic District

Sailing on Manahawkin Bay at Surf City, New Jersey

Fleet Captain Fran Temme
Fleet Secretary Rich Warren
Fleet Treasurer Tim Robinson
Fleet Champion Rich Warren
Runner-Up Tim Robinson

| Boat No. | Boat Name | Skipper |
|-------------|---------------------|--------------------------------------|
| 12209 | Scrap Metal | Richard M. Warren & Randall Swartley |
| 12454 | Streak-In | Charles N. Howe |
| 14068 | Punch Too | George Schmidt |
| 14139 | Rip City Express II | Jack Elfman |
| 14224 | No Excuses | Ralph Messersmith |
| 14300 | | Randall Swartley |
| Life Member | | Howard Mullin |

The members and friends of Fleet 196 enjoyed another season of sailing and friendly competition on Lower Barnegat Bay. Both of our season long club series were decided in the final race. In the Commodore Series (Saturdays), Fran Temme, in *Triple Threat*, edged Randy Swartley by a fraction of a point for the second straight year. Randy was sailing his brand new *Altered States*, boat (14300) which he won in the ILCA raffle! Following in third was George Schmidt with yet another young co-skipper, the rapidly improving Elizabeth Freeman. George does a great job bringing new talent into the fleet — we should all take a lesson. Rich Warren won the Championship Series (Sundays) by managing to place a boat between himself and Tim Robinson in the final race. Jack Elfman placed third, handicapped by too many DNS's (Holly's wedding, Amy to college in Florida, crash with PHRFer before start!).

The Surf City Y.C. was pleased to host the 1989 Central Atlantic Districts. In fickle conditions uncommon to the Jersey Shore, John Faus, from neighboring Barnegat Light Y.C., sailed to an impressive win over a fleet of 23 boats. The locals were led by Jack Elfman and Ralph Messersmith with fourth and fifth place finishes respectively.

One of the highlights of the summer is always the Long Beach Island Y.R.A. Championship. This year the regatta was held at Brant Beach Y.C. on the hottest day of the summer. Seventeen boats from the five Island clubs struggled in very light conditions with SCYC's Jack Elfman and the Rich Warren/Randy Swartley team scoring a one-two sweep. A couple of weeks later, the results were identical at the Little Egg Harbor Y.C. Regatta. The conditions were a little fickle on Saturday, but Sunday saw a taste of the famous LEH seabreeze which should make this regatta more of a mid-summer attraction (remember the '85 Worlds?).

The Surf City Y.C.'s 41st Annual Regatta was sailed under ideal conditions which made the eight boat turnout a little disappointing. We understand, however, that everyone gears up for the Manahawkin Bay Cup two weeks later (mistake!). Glen Reiting of Brant Beach sailed a beautiful series (1-2-2) to win by two points over SCYC's Ralph Messersmith with the Warren/Swartley team trailing. It was a mistake to miss this one because the Manahawkin Bay Cup was blown out for the first time in eleven years by the effects of Hugo. We guarantee our usual great weather for next year!

If you would like to join us for a weekend during 1990, please contact Rich Warren at 609-597-4436 for information and possible housing.

| 14175 | Lilliboner | Jay Mann |
| 14354 | | Scott Collins |

For Lightning Fleet 215, 1989 was another great year. There was tremendous enthusiasm and participation as well as new Lightning owners. Competition is very keen. The highlight of our season's activity, of course, was the World Championship won in Greece by Peter Hall, Alain Boucher, and Mark Osterman. Considering the fact that Peter had spent a good deal of the sailing season in Thailand, their results are particularly commendable. We and the Lightning Class in general have not seen the last of Peter Hall as he has ordered a new boat for 1990.

Speaking about championships, Jay Mann and Perry Owen won the Canadian Championship which was staged by our sister Fleet 499 at the Pointe Claire Yacht Club. Again, an outstanding performance — congratulations to Jay, Perry and Trevor Bain. We would also like to mention the

Junior Lightning crew of Anthony Staples, Scott Collins, and Sean Staniford who were third in the North American Junior Championship at Toledo. So, it is apparent that we have some talent coming along to take up the cudgel for future years.

The Fleet Championship was won by Jay Mann and Perry Owen and they went on to win the Club Championship at the end of the season, again, congratulations!

1989 Fleet 216 Champion Joe Dissette with his super crew Jim Schofield and John McCree at the North American Master Championship's award banquet.

SAGINAW BAY FLEET (216)
Michigan District
Sailing on Saginaw Bay at Bay City, Michigan

Fleet Captain Bob Hafford
 Fleet Secretary Mike Olgaard
 Fleet Champion Joe Dissette
 Runner-Up John McCree

| Boat No. | Boat Name | Skipper |
|----------|--------------|------------------------------|
| 5437 | | Terry Hart |
| 7153 | Megs | George F. Ascherl, Jr., M.D. |
| 11164 | Red Oak | Robert K. Hafford |
| 12721 | | John K. Herreshoff |
| 12731 | Shuss Bommer | James J. Schofield |
| 13236 | | Terry Hart |
| 13293 | | Keith Allman |
| 13385 | Halycon | James Peters |
| 14003 | | Warren Treptow |
| 14022 | Teko | John E. Johnson |
| 14023 | Sleeper | John McCree |
| 14048 | | Blair & Guy Moulthrop |
| 14103 | High Voltage | Clark Howell, Jr. |
| 14133 | Gun Smoke | Michael Olgaard |
| 14323 | | John McCree |
| 14333 | | Joseph C. Dissette |
| 14384 | | Colin Park |

Fleet 216 started the 1989 sailing season by welcoming several new members, John Herreshoff, Clyde Dan and the Moulthrop brothers, Blair and Guy.

Once again, Joe Dissette and his able crew of Jon Lauderbach and Greg Bull were successful in again winning the Fleet Championship. That wasn't the only win for Joe this year, Joe sailed in the Masters at the North Americans this year and finished fourth; his crew was Jim Schofield and John McCree. Congratulations Joe on a most successful year. Jon Lauderbach who crews with Joe on our Wednesday night series joined up with Skipper Sean Fidler and Jon Bennett and placed a respectable 23 in the Top Fleet for their first time at the North Americans. Congratulations boys!

The annual Team Races were held June 24-25 at Lake Fenton. Representing Fleet 216 was Skipper John McCree with his crew of Robin McCree and Glen Hallet, Skipper Jim Schofield and his crew of Kim Shotwell and John Waechter, and Skipper Clark Howell and his crew of Ruthie Howell and Dave Hart. After two days of some lovely light air sailing on Lake Fenton our team came away with the first place team trophy. Congratulations Skippers and Crew for brining the Team Trophy home to Fleet 216 for the first time ever! What a great way to end a beautiful weekend.

Fleet 216 was honored to host the Michigan Districts this year which was

won by our own John McCree and his crew, Robin McCree and Greg Bull. There were 40 boats in attendance for the Michigan Districts at BCYC. Although the weather was uncooperative for the Districts, with the first day the course being shortened and the fleet just getting in when we were hit by one of the Bay's famous lightning storms and the second day a lack of any wind, everyone had a good time. Colin and Karen Park graciously consented to chairing the race committee and set the courses for the Districts and manned the committee boat. Thanks Colin and Karen for a great job! Colin also sailed in the North Americans as the defending Champion and placed second this year. Congratulations Colin and Karen.

Fleet 216 finished out the year with their annual awards night after the last race of the season. Joe Disette and his crew won the Fleet Championship; in second place was John McCree with his crew of Robin McCree and Dave Corcoran; third place went to Jim Schofield and his crew of Kim Shotwell and John Waechter; fourth place was won by Clark Howell and his crew of Ruthie Howell and Dave Hart; fifth was won by Dr. Bob Hafford and his crew of Karen Smith and Su Schmerheim. And least we forget, and I am sure that some of us would like to, the Ruben-Clamso Capsize trophy was awarded by the last winner, Warren Treptow, to none other than Joe Shotwell. It seems that Joe took out Terry Hart's boat for him on a Wednesday night so that Terry would not be penalized for not sailing that night, guess we had a little more wind than Joe could handle, you guessed it, Joe turtled the boat. Anybody need a skipper next year while they are on vacation, I've heard Joe is available.

Everyone had a great time this summer sailing and we are all looking forward to seeing old friends and making new ones during next year's sailing season.

HENDERSON HARBOR YACHT CLUB (225) Central New York District Sailing on Lake Ontario at Henderson Bay Henderson Harbor, New York

Fleet Captain Richard C. Grissinger
Fleet Secretary Irwin K. Stone, M.D.
Fleet Champion Jack Jones
Runner-Up Richard C. Grissinger

| Boat No. | Boat Name | Skipper |
|----------|--------------|---------------------------|
| 9944 | Impulse | Stephen J. Duflo |
| 10707 | Vikingen | David J. Parker |
| 10709 | Zelda | Harry T. McMillan, D.V.M. |
| 10712 | May Day | Leonard A. Montague |
| | May Day | Jack & Jay Jones |
| 13232 | | Gerald A. Bezner, D.V.M. |
| 13353 | | Irwin K. Stone, M.D. |
| 14094 | Anasazi | John H. Treadwell, II |
| 14192 | Hendershore | Richard Grissinger |
| 14254 | Footloose II | |

The May Robinson Memorial Trophy has been dedicated to perpetuate the memory of this stellar Lightning sailor who did so much to promote racing and to advance the Lightning class. The trophy is a carved replica of a Lightning under full sail and is awarded to the Lightning skipper with the maximum participation in fleet racing for the season. The first winner of the trophy is Jack Jones whose crew was Jay and JoAnn Jones.

Fleet 225 hosted the ELYC District Regatta July 22-23 with 22 boats hailing from an area bounded by Montreal and Virginia. The series was won by Dick Hallagan, followed by Bob Wardwell and Kirk Reynolds/Bill Wilson. All enjoyed a London broil dinner as part of the event.

Again we enjoyed a full racing schedule this season. The Apple Blossom Race started the competition June 11 with Jack Jones the winner, followed by Dick Grissinger. The Spring Series was taken by the same duo in the same order.

The Barnes Memorial Trophy was captured by Jack Jones, pursued by Joan Woods and Jerry Bezner. The Commodore's Cup was awarded to Jack Jones, with Jerry Bezner and Dick Grissinger in subsequent finishes.

John Treadwell triumphed in the Pickslay Ramble, with Dick Grissinger next.

Jack Jones carried off top honors in the Stony Island Race, leading Dick Grissinger and Harry McMillan.

Flying colors for the Sunday Series was given to Jack Jones, with Grissinger and Bezner following.

The Thursday Series raised the "frustration index" of many skippers because of constantly shifting winds of variable intensities. Dick Grissinger was apparently the most tranquil, finishing ahead of Irwin Stone and Jack Jones.

Jack Jones bested Grissinger and Bezner in that order in the Fall Series.

The season came to an abrupt and unscheduled conclusion because of Hurricane Hugo, forcing the cancellation of the annual Frostbite Race.

Jack Jones contended at Cazenovia, at Chaumont for the Dulles Cup, placing fourth, and at Oswego for the Michelob Lightning Classic, placing thirteenth.

The annual Lightning Chicken Barbecue was one of the social highlights of the club again, a much looked-for event on the calendars of all club members.

Two dinner/business meetings were held for skippers, crews, and spouses. Rick and Sally Stevens hosted the spring meeting. Daughters Allison and Elizabeth were competent assistants. Harry and Harriett McMillan entertained the fleet for the fall meeting, concluding a memorable season.

A little tweak here... A little tweak there ...

BISCAYNE BAY LIGHTNING FLEET (226) Florida District Sailing on Biscayne Bay at Coconut Grove, Miami, Florida

Fleet Captain Jeff Shaw

| 14212 | | Alexandra & Jeff Shaw |
| | | Reid Hutchinson |
| | | James Nolan |

Fleet 226 sailing year begins and ends in October, so instead of waiting until the Christmas party to present the awards, the fleet opted for a Halloween costume party at the Nolan's house. Paul and Jean Messina pulled a last minute costume switch so Paul arrived dressed as a cat complete with spike heels and tail. Also present were an angel, the devil, a Shore Sail Bay, Elvira, a mad scientist, Dennis Conner, and a couple of Greeks or Romans depending on the printing on the sheets.

Bill Caterham and Florida Fay came up with a great fund raising campaign for the Fleet and the Lightning Class. They designed a logo that was printed on squeeze water bottles. 400 water bottles were ordered and every bottle sold, the fleet donated \$.25 to the Lightning Class.

Alix Shaw did a stupendous job completely selling out of T-Shirts this year. She'll have a fresh batch waiting for you when you arrive at this year's mid-winters.

As always all the fleet members pitched in for the Annual Steak dinner. Over 120 steaks were shared with our friends from up north who joined us for the "Annual Steak Dinner" at the Coconut Grove Sailing Club.

It's been a busy year of sailing with an average of fifteen boats at every month's bay race. Ed Cabassa and Enrique Torruella sailed *Top Gun* to first place, Eamonn deLisser in *Main Squeeze* took second, and *Booby Trap* with Florida Fay and the "Booby Boys" took third.

Thanks to Jeff Shaw, Fleet Captain, who worked out all the details, the fleet travelled to Key Largo for the Firecracker Regatta held at the Upper Keys Sailing Club over Fourth of July Weekend. Following a seminar the races started in the afternoon under overcast skies. As the Lightning fleet rounded the weather mark a squall blew through with winds about 25 knots and gusts that the clubhouse clocked at 40. After the jibe *Main Squeeze* set the chute and took off on a screaming plane only to come to a soggy halt when the spinnaker block tore out of the deck. Eamonn deLisser, Heidi deLisser and Richard Shellow (aka Mullot-head) were able to bring the boat back up only to have it flip again when the tiller extension broke. The race was eventually abandoned and everyone limped back to the club for a delicious dinner and plenty of beer. The D.J. got the crowd dancing and Carol Stout really got into the music but unfortunately her knee didn't, putting her on the sidelines for Sunday's races. Three races were sailed on Sunday under light winds and sunny skies.

Four boats from the Fleet travelled to Michigan to take part in the North Americans. In the Juniors, Tommy Degan in *Booby Trap*, renamed *Booby Boys* for the regatta, took ninth place with Andy, Couriel and Eric Annis and Phil Torres with David Renton, and Ryan Neve in *Rum Runner* finished 12th. In the North Americans Carol Stout with April Richards and Fred Hutchinson in *Olivia* finished 9th in the President's Fleet after winning their first race and Eamonn deLisser, Heidi deLisser and Richard Shellow in *Main Squeeze* finished 14th also in the President's fleet.

As we start a new sailing year we think of our friends in the cold north and look forward to sailing them and the steak dinner when you come to sunny Miami in March.

Fleet 226 Champions; Eamonn deLisser, second (L), and one-half of the first place boat, Ed Cabassa (R).

BOMOSEEN YACHT CLUB FLEET (227) New England District

Sailing on Lake Bomoseen, Vermont

Fleet Captain/Secretary . Raymond P. Harrington, Jr.
Fleet Champion Ray Harrington
Runner-Up Jim Leamy

| Boat No. | Boat Name | Skipper |
|----------|-----------|---------------|
| 10480 | Grendel | Trip Westcott |

| | | |
|-------|----------|--------------------------------------|
| 10773 | | Tom Rothfuss |
| 11393 | Stag Too | David T. Stagg |
| 12359 | Queen B | Bruce K. Belden |
| 13382 | Tango | Christopher H. Howe |
| 13484 | Si Ergo | Hans Malz |
| 13859 | | William Cohen & Alan Keyes |
| 14056 | | Raymond & Raymond P. Harrington, Jr. |

The Bomoseen Lightning Fleet held 20 races during the 1989 sailing season. Fleet attendance at the races were exceptional as there were no fewer than eight boats gathered at the starting line for any given race. Fleet 227 welcomed newcomer, Bill Cohen, and his able foredeck crew person, Barbara Buck, to the fleet. Bill finished the season in third place, the envy of us back fleet bridesmaids.

If there is one thing the Bomoseen Fleet can do well, besides sailing, it is throwing a party. The Invitational Maple Leaf Classic was held in early June, and 16 boats attended. Five races were held in heavy winds. Spinnaker poles were snapped, and spinnakers were being blown out. Bruce Atkinson survived to win the Regatta. Incidentally, Bruce has pulled up anchor from his Long Island fleet and will be an official member of 227 next year.

Ray Harrington is Fleet Champion and Jim Leamy was a close second. Christopher Howe was chosen fleet member of the year, and Tom Rothfuss was elected Fleet Captain for the 1990 sailing season. We are all looking forward to a great year in 1990 and hope you will join us.

CHINOOK LIGHTNING FLEET (229) Pacific Northwest District Sailing on Fern Ridge Reservoir, Eugene, Oregon

HALLWILERSEE/SEMPACHERSEE FLEET (250) Switzerland District Sailing on Lake of Sempach and Hallwil, Switzerland

Fleet Captain/Secretary Christoph Luthy
Fleet Champion Urs Wyler (Fleet 358)
Runner-Up Christoph Luthy

| Boat No. | Boat Name | Skipper |
|----------|----------------|---------------------------|
| 9034 | Fair Lady | Peter Taschler |
| 10463 | You Never Know | Hubert K. Stocker |
| 12571 | Joy III | Rudolf Herzog |
| 13099 | Domi-Nike | Christoph & Hans A. Luthy |

The sailing season began as usual in April with a nice sunny weekend with slight to moderate winds from east on the lake of Hallwil. There were six boats in attendance and we sailed four races. The Winner was Wyler before Schmid and Luthy; Kathi Herzog's girl-crew was sixth. As in the years before Ruedi and Greti Herzog invited all for the Saturday night dinner in the clubhouse. Many thanks of us all to the Herzog family!

One week later the Swiss District Championship was held on the lake of Sempach. As in 1954 the first Swiss District Championship was organized by the Yachting Club of Sempach and the just founded Fleet 250, therefore it was the right time to celebrate the 35th anniversary with such an event. Regrettably only seven boats took part. But again we had beautiful weather and wonderful wind from the east. Three races were sailed on Saturday and another three races on Sunday. Because of the good weather conditions, all the skippers decided to finish the series in two days to have a free day on Monday. The new (and old) District Champion was Urs Wyler and his crew. Christoph Luthy, Silvio Merz, and Hanspeter Briker were runners-up. The Saturday night dinner was combined with a short excursion to the battlefield site of the Battle of Sempach in 1386. After the Sunday races all sailors met together again for a great barbeque-party, which was best organized by our (inactive) fleet members Bruno and Heidi Kunzle. Thank you! This was the active part of the fleet history 1989 ending on May 1. Later on Christoph Luthy took his boat on the lake of Greifensee for sailing with his family. So did others, and there was no big racing activity throughout this year inside Fleet 250. Though we are looking with enthusiasm into the new sailing season, 1990.

| 14221 | Prime Time | Richard Pitbladdo |
| 14256 | | James Staunton |
| 14368 | | Michael N. Kalinich |

The 1989 season has been one of the best the fleet has had in recent years. It was marked by expansion of the fleet, great racing and the benefits of sailing on Keuka Lake, in our unbiased opinion, the most beautiful of the Finger Lakes.

The season started with good sailing after an exceptionally wet spring that left us with high water for the first few weeks. We had fine weather for

the Memorial Day series and proceeded through the June series with good winds and some of the best competition we have had in many years. The improvement in the fleet was obvious with many boats moving up into the race leaders in any given race. The fleet expanded so we often had 10 to 12 boats at the line on any Sunday race. Myron White, a new Lightning sailor, but an old hand on Stars, learned the intricacies of the spinnaker with remarkable success. The season series was blessed with reasonable winds and we had very few races called for no air. The Fleet Champion was Tom Buechner and crew. They once again proved that teamwork wins.

This year we did not hold the Champagne Regatta because of a busy District schedule. We hosted the CNYRA Regatta instead. It was a great success with Dick Hallagan winning the Lightning series.

Jim Staunton was the Fleet Captain this year and did a fine job. We had a very enjoyable year and Jim gets a lot of the credit. John Mastro is next years Captain and will have lots of work to do. We will be holding the Champagne Regatta next July and invite all to the return of the "CHAMPAGNE."

SUSQUEHANNA YACHT CLUB (253) **Dixie District** **Sailing on Susquehanna River** **at Long Level, Pennsylvania**

This year has been a static year for Clark's Hill Lightning Fleet 257, sailing out of the Augusta Sailing Club, on recently renamed Lake Strom Thurmond (ex Clark's Hill Lake). We had up to four boats on the circuit at any given event, with three boats going to North Cape to the North American Championships. One boat was a junior team from Bob Harkrider's junior training program. On the other hand we lost one very active member to job relocation. If we could get all competitive boats out, we could field a home fleet of eleven on the water. We have several new young boat owners that will be more active, and hopefully some of the fleet will upgrade to newer boats.

The fleet championships were won by Bob Harkrider, with Bennie Moultrie second. Next year we are going to get them....

Fleet 266 had a successful racing season in 1989 with about 12 boats racing weekly. Good breezes, active participation, and four new members made for competitive racing. We also had several boats actively racing in out-of-town regattas. Matt and Lal Burrridge, along with Dan Moriarty, went to the World Championships in Greece. Matt brought home a seventh!

Gerry Paoli, Susie Albert, and Rob Zerban, along with Lal Burrridge and Bernie Frerker sailed in the North Americans. Gerry came home with a respectable third in the Presidents' Cup. Lal also sailed in the Masters coming home with a seventh.

Ched Proctor and Greg Fisher visited our club on two individual occasions. They conducted sailing seminars for skippers and their crew covering basic sailing skills, racing tactics, and crew work.

In early October, we held our twentieth annual Impromptu Regatta. CSA had a nice turnout with twenty-one Lightnings and also four Finns that was a nice addition. Winds were light, but the evening activities soon made us forget about that. Standings were: Auggie Paoli, first; Cully Ward, second; Matt Burrridge, third; Terry Burke, fourth; Don Sherburne, fifth.

Being the oldest Lightning skipper in our fleet, at age seventy, Auggie Paoli is still a very competitive racer and a hard one to beat on the course. He usually crosses the finish line in the top three. Which goes to show that age really is just a state of mind.

We would like to recognize a Lightning marriage in heaven. Matt Burrridge and Kathy Grohne, both second generation Lightning sailors were married in December 1989.

We ended the season at Carlyle with great winds and perfect weather. The season championship was decided by the final race. Matt and Auggie were neck to neck in the standings; whomever finished ahead would win. They changed positions three times in the race with Matt pulling out ahead at the finish. Dan Moriarty ended up third for the season.

A person could not have asked for a better send-off for the year. See everyone at the lake next year.

Matt Burrridge showing his stuff as Fleet 266 Champion.

Nineteen Eighty-Nine was a fun sailing year at the lake, especially when there was wind. Spring, summer and fall series were well attended with usually six plus boats on the line every Sunday. As usual there were lots of Deyetts sailing and winning but Drew Gillett managed to win the spring series while Norm won the summer series and George the fall. In August, Lake Massabesic Yacht Club hosted the Junior and Masters District championships. The Junior's was won by Josh Adams of Wellfleet, with Chris Wright of Bomoosen in second. The Master's was won by Ray Harrington, Sr. of Lake Bomoosen. The traditional Lake Massabesic September District Regatta was won by Ray Harrington, Jr. who managed to complete the race within the time limit under mostly becalmed conditions.

Fleet 274's big news this year was Growth, with a capital G! The nine new sailors who joined the fleet this year are the largest number to join in one year in the fleet's history, including the initial hard core group of pioneers who formed the fleet and established Lightning sailing in the Mid-South 35 years ago. The delightful situation got to the point at

one time during the summer where fleet dean and ILCA vice president, Crit Currie, had to scramble to find a boat to keep on hand "just in case" someone wanted to buy one.

The role call of new skippers includes Ralph Gusmus, Paul McClure, Bill Veeder, Mark Hinrichs, Tom EMch, John Howe, George Adams, Robert Milner, and Bob Towery. Several of the new members have done very well on the race course; Tom Emch, who spent many years as crew sailing Lightnings in Ohio, has made the switch to skipper with ease and challenged the fleet leaders immediately. Ralph Gusmus, with little previous experience, learned quickly and did well, managing to spread his enthusiasm to son Lee as well. Fleet 274's growth was good enough to earn us the runner-up spot for the annual Steketee Trophy given out at the annual meeting, and we continued to grow after that point.

This will also be remembered as the year that the water in Arkabutla Lake started out high and went higher, exceeding flood stage in July. Although it created some problems, the water level allowed us to sail a full April to October season.

Our main event, the Hernando DeSota Regatta, was held May 20-21 with a thunderstorm Saturday morning to start things off with more excitement than we needed. After that rough beginning, the weather cooperated and the race committee, headed by Eleanor Currie, got in five races. For the second year in a row Warren Lewis, of Dallas, won the event. Fleet 274 had a lot of cheer about when its own Larry Jenkins came in second, Jim Ward and Don Sherburne of Nashville finished third and fourth, while Crit Currie finished fifth in the 19 boat fleet. Fleet Captain Bill Baxter, III mustered help from all quarters to put on a successful event.

Our fall classic, the Cotton Pickin' Regatta, held in conjunction with our sister Thistle Fleet 72 on September 23-24, attracted a near-similar fleet of 18 Lightnings and lots of great competition. In 15-25 mph winds all weekend, the fleet had plenty of air to test their skills and the gamble of flying a spinnaker carried a cold, wet penalty for those numerous boats that lost, and great gains for those who could hang on. A new name from Nashville, Bill Hofmeister, showed up on the winner's trophy, with Cully Ward second and Fleet 274's Crit Currie third. Don Sherburne and Brad Currie were fourth and fifth.

For the first time in several years, the Mississippi Valley Junior District Championships were held this year, primarily due to the interest of Cecile Baxter and other juniors in the District. The event was hosted by Delta Sailing Association and Fleet 274 on July 15-16 at Arkabutla Lake and drew a respectable fleet of seven boats. With a lot of help from father Bill and brother Bill and Mom (Barbara), Cecile put together a successful event that all were proud of. We hope this will get the Junior Districts going again and encourage some very good young sailors. The winner of this event, with a convincing five first place finishes, was Fleet 274 sailor Peter McDonnell, who brought many years of sailing experience and several trips to the North Americans as skipper and crew to bear on the rest of the fleet.

Needless to say, we're sure you'll hear more about Peter in the Lightning world. Jim Renschen of St. Louis and Stacy Heisler from Carlyle came in second and third, respectively. Congratulations to all who participated and made it happen.

Due to the great water conditions all year, we conducted a three-season race program. Final standings for each series: Spring Series — first, Bill Baxter, III; second, Crit Currie; third, Brody Sharpe; Summer Series — first, Bill Baxter; second (tie), Dan Daniel and Brody Sharpe; Fall Series — first, Bill Baxter; second, Brody Sharpe; third, Crit Currie.

Team Wellfleet

The Chequesset Yacht & Country Club started the 1989 season with a face lift. With thanks especially to Curt and Bob Felix and Stafford Frazier, the boathouse was standing tall for the season's openers.

The enthusiasm was high, and the competition intense. A special thanks goes to Dick Currier on the Race Committee, who set challenging courses for the varying wind conditions we had this season. There were regularly six boats on the line; a few less than previous years as the Ruykhaver boat and the Jones boat were not racing this season. Good Luck to boat 11249, as Dave Jones moves to the Midwest to sail with the Carlyle Sailing Association.

We all keep chipping away at the "rock" (Stu Nickerson), and congratulate Curt Felix for winning the season series, along with the Commodore Cup, the Frazier Trophy, the Saturday Series, and July Series. Stafford Frazier captured runner-up for the season, in addition to winning the Coffee Cup and the Sunday Series. Other winners include Stu Nickerson, who won the Tea Cup, the Fox Cup, and the prized Cutting Memorial Cup; and C. B. Currier wrapped up the August Series. Clearly, the awards were spread out a bit more this year!

The Wellfleet fleet was well represented with five boats at the Districts in Annisquam this year. The wind conditions, or lack thereof made for challenging racing. Curt Felix came home with a second, and Eric and Robert Cutting made out with a third. Good Show! Curt went on to the North Americans qualifying in the Blue Fleet.

The Wellfleet Regatta was blessed with a typical heavy southwesterly which blew all weekend. Stu Nickerson with his lightest crew ever sailed to a

victory with three firsts. C.B. Currier also sailed very consistently and came out with a third.

In July, Wellfleet hosted the Prosser Cup, a Women's Southeastern MA Regional Qualifier. A round robin rotation was sailed with seven boats. Lightning racing was forfeited one Saturday for Laser races. A heavenly Northeasterly blew and Stu Nickerson cleaned up hands down. The event continues to encourage seniors and juniors alike.

Three Wellfleet boats traveled to Annapolis for the Frigid Digit. With a very competitive fleet Stu Nickerson placed second.

We look forward to the 1990's as Wellfleet continues to grow, building the junior program, and encouraging the growth of the Lightning fleet!

| 14288 | | Philip F. & Philip P. Parshley |

Another great year for the Wind Warriors at Vancouver Lake Sailing Club with great club racing as well as road trips for our more notorious fleet members.

Jerry and Sandy Neuburger and their van hit the road in April going south to the California Circuit, returning with a second at Coronado. The van, obviously preferring a sunnier climate then our northwest weather, did not.

John DeBenedetti traveled to Kelona and took second, and at the always enjoyable Memorial Day Regatta in Eugene we had Philip Parshly Jr., Lisa Parshly, and Jerry Neuburger taking third, fourth, and fifth.

Great weather and moderate winds greeted sailors for the VLSC Regatta, and our home court advantage was shown. Lisa Parshly grabbed first; Bruce Ditzel, from Seattle, second; John D. was third; and Jerry was fourth. Local news coverage hailed our "warriors of the wind" but failed to ask John why he forgot the beer.

As summer breezed along Jerry and Sandy stopped off at Kitzlano to take a first and then rolled down to Klamath Falls to capture second. Phil Jr. and John D. grabbed third and fourth at the District Championships. Sandy also provided us with the summers most intriguing mystery in "The Case of the Missing Blue Fleece Jacket", later solved by a honeymooning Lisa Parshly. And Allen Weber (helped by a crew trying hard to be nice) took first place at the Emerald Regatta. Dave Hickman and John D. went to the Pacific Coast Championships in San Francisco where Dave took first and second in two races, finishing fourth overall.

The district team races ended in a down to the last race finish between the Seattle fleet and ourselves where we just bearily squeaked out a win. As always, we had a great time, and are looking forward to another great season of racing next year.

| 14265 | | Dr. James V. & Ted Ganley |

This year's sailing story was pretty much monopolized by three skippers. The *other* three were: Tom Hopkins, who finished third in the Summer Bay Race; Howard Edson, who finished second in the Fall Bay Race; and Bob Horne, who came from behind to finish third to Howard.

The first of the Big Three, Al Mast, finished second in the Early Series, first in the Late Series, and won the Summer Bay Race, as well as the Skippers Cup and the Matlack Trophy. Ted Ganley finished first in the Early Series, second in the Later Series, and won the Walbert and Buss Neff cups. Scott Ingram, after not having sailed regularly for several seasons, hopped in his boat and finished third in both Early and Late Series, second in the Summer Bay Race, first in the Fall Bay Race, and won the Commodore's Trophy.

Oh yes, Jim Elliott won the Butt Trophy, for another sterling performance!

The 1989 season was not a good one for the Lightning fleet at RSBA; fleet activities dropped off with participation by the remaining members off even more. The sport is going through some changes and we will have to find better ways to recruit new members and make the sport more interesting and palatable.

Two major Lightning regattas were held at RBSA with two lesser regattas and the fleet championship held in between.

The season got underway in early June with the 23rd running of the Delaware Governor's Cup. Three fleet boats took part in this 18 boat fleet. For RBSA, Barry Pierce was 10th, Dave Racine eighth and Fred Mertes with crew of Bill Ljungquist and Carol Mertes taking second. First place was Jack Elfman of Surf City, New Jersey, third was Phil Grotheer of Annapolis, fourth was Jim Alman of Norfolk and fourth was Buck Buchanan of Washington.

RBSA sent three boats to the 41st Dixie District Championship at Susquehanna Yacht Club near York, PA. This turned out to be a three day no race non-event. Well we'll just have to wait until 1990 to start the District's fifth decade.

Next we were back to good old RSBA and the second annual 25th Anniversary Regatta. This event will be held each year to celebrate the RBSA's birthday and its involvement with Lightning Class sailing. Fred Mertes and crew were first with Bernie Hedges second and Dave Racine third.

The next event was the hosting of the "Yachting" portion of the First State Games. This event was sailed in Lightnings with RBSA sailor's Bernie Hedges taking the bronze and Fred Mertes the gold.

The fleet championship was held over three different weekends. Six boats competed with Bernie Hedges taking third place, Chris Raubacher second and Fred Mertes first.

The final 1989 event for Lightning Fleet 325 was the hosting of the Robert Purnell Memorial Regatta. This regatta is named for former fleet member and winner of the first Dixie District Championship in 1949. Fifteen boats competed with RBSA sailors Bernie Hedges taking ninth, Dave Racine eighth and Fred Mertes in first for the second time in two years. Second place went to Keith Taboada of Brick Town, New Jersey and third to Don Delorme of Annapolis. This event also marked the change of the guard for Fleet 325, with Carol Mertes taking over the duties of Fleet Captain from Drew Woodall. We've got a lot of work to get the fleet back on track and growing in the '90's.

See you on the water in 1990.

Fleet 329 Champion Mike Denning with Robin Turner and Mark Gritto, crew.

This year our humble surroundings were selected to be the site of the 1991 Worlds and, needless to say, Fleet 329 is excited about the prospect. Work has begun already, two years in advance, to create an atmosphere of world class competition (as well as world class fun) for our future guests.

As to the local racing, this year's Frigid Digit was truly that— toes and fingers got rather chilly as 40 Lightnings from all over the country mixed it up in brisk air and rough Chesapeake Bay. Matt Fisher won with Stu Nickerson second and Brad Read third. Earlier in the year Brad Read won the No Gas regatta, Mike Denning won the SSA Spring regatta and the Annual as well. Joe Friebele won the SSA Fall and Simeon Coxé won the Maryland Governor's Cup. There were some new faces in our fleet this year and we look forward to increased growth and good sailing for next year. Come visit us!

SQUAM LAKE LIGHTNING FLEET (332)
New England District
Sailing on Big Squam Lake at
Holderness, New Hampshire

Fleet Captain Wally Ackley
 Fleet Secretary Peter Adams
 Fleet Champion Dwight Gertz
 Runner-Up Robert Ayotte

| Boat No. | Boat Name | Skipper |
|----------|------------|------------------|
| 5615 | | Peter Adams |
| 10555 | Jumbo | Dwight Gertz |

| 12859 | | Jack Russell |
| 12886 | | Tim Montgomery |
| 13101 | Super Shuttle | Robert Ayotte |
| | | Virginia C. Welles |

Fleet Champions Dwight Gertz and Ginny Wells.

The "Welcome Lightnings" banner, presented to the fleet last year, symbolized our racing philosophy—to be compatible while being competitive, or, for others, to be competitive while being compatible. But, whichever tack the skippers sailed, the result was a season of good races and good times. We look forward to 1990 with twelve active boats, up from nine in 1988 and seven in 1987.

The traditional Memorial Day Week-End business meeting set in motion a very active sailing season for the fleet. The race dates were increased from six to ten, starting on July 4th Week-End and running through Labor Day Week-End. As a means of sharing the competitive fruits, encouraging participation and ensuring that all the trophies are polished each year, we adopted the policy that the Winner of the Fleet Championship cup would be ineligible to hold the other cups. Dick Blair arrived with the comforting news that the race markers had survived the winter stored in his garage. After several trips to the doughnuts and coffee table, the assembled managed to "ooch" their personal craft back to the chairs and adjourn the meeting.

The expansion of the sailing season into July was rewarded with favorable winds giving new skippers and crews some needed experience sailing with veterans or in their own boats. Bob Ayotte showed the way finishing first in the July series.

Each year the Fleet sponsors the "Around the Lake Race" for all sailing craft on the lake with the proceeds donated to the Loon Preservation Committee. This year, the main success was financial as the wind refused to blow, the mist refused to lift and even a thunderstorm produced no useful propellants. A Hobie Cat, skippered by Charles Smylie, finally crossed the finish line much to the relief of the race committee, Jeff Fair and his son. Bob Ayotte, having jettisoned a crewman at the dock or in the lake, won the Custance Cup as the first Lightning to drift past the committee boat.

Our Annual Regatta, on August 26 and 27, took on added significance as the third leg of the New England Lightning Circuit Championship. With up to 30 knot gusts of clear, crisp, Canadian air blowing, there was plenty of excitement for everyone. After five bruising races, punctuated by capsizes and overstressed equipment, John Hughes of Salem, N.H. won the Regatta and the New England Cup. Dwight Gertz finished second in the Regatta and third in the Circuit (in one leg) while, George Deyette of Massabesic Yacht Club captured third in the Regatta and second in the Circuit. We appreciate the cooperative efforts of Norm Deyette of Massabesic for enlisting four boats and the services of John and Judy Ingeroski as the Race Committee. They provided clear and firm guidance on the water and at the scorers' table. The fleet especially appreciates the use of fleet member Marty Riels' Sailing Center, Olde Colonial Eagle Motel, in Holderness, N.H., as Regatta Headquarters. The Saturday night cookout, under the tent set up

by Peter Adams, provided warmth around the hot coals and hamburgers to order on the spatula of Chief Chef, Ted Ackley.

The last three races of the year determined the winner of the Closson Cup. With two races completed on a gusting, sun-setting Labor Day Sunday, the boats regrouped at the finish line and responded to the committee's flag for a spinnaker start, two leg race. Fleet Champion Dwight Gertz managed to nudge his bow over the line first in all three races. Only one point each separated the next three: Tim Montgomery, Dave Closson and Jack Russell, earning Tim a year's possession of the Closson Cup.

Race committee volunteers are precious! We thank Clarence MacCarthy, Eric Kemp, Chick Ackley, "Boo" Ayotte, Kathy Strehle, Terry & Crecia Closson, John Bennet and Bruce and Nancy Montgomery.

We wrapped up the season with our annual potluck dinner in the Captain's Quarters. With skippers, crew, family and stalwart friends gathered to enjoy favorite dishes, we reminisced over races won and lost, honored our Fleet Champion and Cup Winners, reelected our Officers and stepped into the future to elect Dan Kemp Captain for the 1991 season.

BARNEGAT LIGHT YACHT CLUB (335) LIGHTNING FLEET Central Atlantic District Sailing at Harvey Cedars, New Jersey

Fleet Captain Paul B. Wood
Fleet Secretary C. Lawrence Murphy
Fleet Champion Bill Clarke
Runner-Up John Faus

| Boat No. | Boat Name | Skipper |
|----------|-------------|-------------------------------------|
| 10526 | Talisman | Paul B. Wood |
| 11189 | Battoe | William Clarke |
| 13007 | Thunderball | David C. Faus |
| 13876 | | David C. Faus & Stephen Benjamin |
| 13900 | Mis Mar Ker | C. Lawrence Murphy |

Another year of rainy, windy weekends and then other ones of no wind. Our annual regatta, joined by Surf City, was one of the highlights. 20-25 mph winds, three boats over but lots of fun. Paul Wood with his imported pro crew straight from the North Americans, Eamon deLisser and Heidy Wood deLisser took first for our fleet, with Jack Elfman of Surf City, first over all. Bill Clarke and his steady crew took second by staying in the pack and kept plugging away. Heavy seas and a disillusioned crew caused the fleet secretary to head for home after the second race.

Fleet summer series finished with Clarke, first; Faus, second; and Wood third. No major happening other than not a lot of races.

GALWAY LAKE LIGHTNING FLEET (338) Central New York District Sailing on Galway Lake at Galway, New York

Fleet Captain Jim Dickson
Fleet Secretary James Millard
Fleet Champion James Millard
Runner-Up Maury Gardner

| Boat No. | Boat Name | Skipper |
|----------|-----------|------------------------|
| 7123 | Rocky | Harold B. Hansen |
| 11519 | | Dale H. Brown |
| 12115 | | James Dickson |
| 12573 | | Kenneth E. Buhrmaster |
| 13655 | Huggie | R. James Millard |
| | | Cornell C. Cawley, Jr. |

The season started slowly with only Jim Millard and Maury Gardner out for many of the July races, with Harold Hansen making an occasional third. As the horses began to appear at Saratoga in August, the other Lightnings finally arrived on the starting line.

Good breezes in August allowed Jim Millard to zig-zag around the growing milfoil patches to take first place with Maury sailing consistently for second place, especially when Dale Brown was his crew.

The lake is being drained this winter with the hope of freezing out the weeds. If the water returns, the fleet will welcome multiple year Snipe fleet winner John Kurkosz as a new Lightning owner. Hopefully, John's fleet change will attract other top lake sailor in other classes to move to the Lightning fleet in future years.

LAKE LANIER LIGHTNING FLEET (348) Southeastern District Sailing on Lake Lanier, Lanier Sailing Club at Flowery Branch, Georgia

Fleet Captain Thomas W. Wynn
Fleet Secretary Sue Headlee
Fleet Champion Ken Wallace
Runner-Up Chad Headlee

| Boat No. | Boat Name | Skipper |
|----------|------------|----------------------|
| 9420 | | Marty Headlee |
| 9570 | Ariel | William L. Pulgram |
| 10111 | "Lord Jim" | Robert Schindel |
| 12849 | En La Bas | Reg Brooks |
| 12935 | Lemon Pie | Ken Wallace |
| 13729 | | Thomas W. Wynn |
| | | John Brian Johnstone |

Lightning Fleet 348's sailing season started with a pre-season party to get everyone ready for the upcoming season. Highlights of the party included showing a video documentary about the Lightning Class and Shore Sails Tuning Guide. It was something to see a room full of Lightning sailors writing down all those critical tuning guidelines on cocktail napkins. Fortunately, this situation was relieved when the written summary that came with the tape was distributed.

Our Spring Racing Series was sailed in typical spring weather. Ken Wallace took first place followed by Greg Mix and Reg Brooks. The summer series was won by Chad Headlee followed by Ken Wallace and Tom Wynn.

With Ken Wallace and Chad Headlee tied, it was decided to use the Atlanta Cup as a tiebreaker in determining fleet champion. Ken Wallace eventually emerged as our fleet champion after the Headlee boat capsized in the first race of the Atlanta Cup.

As fleet champion, Ken represented the Lightning Fleet by competing against the other fleet champions from our club. This year the event was held in Snipes and Ken doesn't want to talk about how he finished.

The 1989 Atlanta cup was held the last weekend in September and attracted 21 boats. One word could be used to describe the weather—RAIN! And just when everyone thought it couldn't possibly rain any harder, it would. Despite the weather, three races were started with Fisk Hayden taking first place followed by John McIntosh, Andrew Addie, John Pelosi, and Bennie Moultrie.

It's always exciting to see a young sailor emerge as a true contender in yacht racing. And this year special congratulations are extended to Chad Headlee and his performance during the year. Not only did Chad win our summer series, he also competed in the Sears Cup Semi-final which was held in Clearwater, Florida. The only problem is — who gets to sail his dad's boat next year?

Lightning Fleet 348 is looking forward to the 1990 racing season and the potential of several new boats joining our fleet.

| 13161 | Black Hausi | Urs Schar |
| 13692 | Milan | Hans-Peter Schmid |
| 13790 | Meltemi | Urs Wyler |

The European and Swiss District Champions: Urs Wyler, Walter Durr, and Beat Gasser (r. to l.)

We started the new season with our ski weekend at Gron, in the Bernese Oberland. There was not enough snow for skiing, so we had much time for small-talks, drinking, and eating.

At the first of April we had our general meeting. We selected Stefan Scharer as new Fleet Captain and Regula Baumgartner as new Fleet Secretary. Thanks to Hanspeter Schmid and Res Hofer for doing her job for five very good years.

The "Pfauencup" was our greatest event of the season. We had eight Lightnings and could sail two races on Saturday. Unfortunately we had no wind on Sunday, but we enjoyed the spring weather. Saturday evening we organized a "Raclette" (a Swiss cheese speciality), for the other competitors of this race, in the clubhouse from our sailing club. The winner of the regatta was Urs Wyler, second was Stefan Scharer.

In September we had our Fleet Championship at "Criterium Aventicum". There was absolutely no wind, so we enjoyed the soup and the sausages on Saturday evening.

We are happy to have Urs Wyler, Walter Durr, and Beat Gasser, the Swiss District Champion and the European Champion in our fleet.

OKANAGAN LIGHTNING FLEET (368)

Pacific Northwest District

Sailing on Okanagan Lake at Kelowna, British Columbia, Canada

Fleet Captain/Secretary Bob Bazett
Fleet Champion Robert Bazett
Runner-Up Neil MacGibbon

|----------|--------------|--------------------|
| 10658 | Firedance | A. Grant MacKinnon |
| 12158 | | Neil MacGibbon |
| 13477 | White Shadow | Robert Bazett |

A successful 1989 sailing season has drawn to a close for the members of Fleet 368. Our season is officially kicked off in the month of May, which is when our club hosts its annual Springtime Regatta. For the first time in several years, we actually had a Lightning Fleet on the starting line. Not only did we have a fleet, we also had a very competitive one! A total of five races were sailed with local sailor Robert Bazett, emerging as the eventual winner. John DeBenedetti, who made the long trek from Portland, Oregon, was a close second, and another local sailor, Neil MacGibbon, picking up third place.

Although our season saw cooler and wetter weather than normal, there was a silver lining, as our Tuesday night sailing series had better winds than normal. These club races drew a consistent four Lightnings to the start line which provided us with some close and exciting races.

We look forward to the 1990 sailing season as another Lightning has recently been added to our Fleet. This new addition is being sailed by a keen competitor which should result in even more exciting club racing. Also, the addition of two newer Lightnings in our neighboring Province of Alberta (the first in many years), may eventually lead to some inter-provincial rivalry.

SAN FRANCISCO BAY AREA FLEET (372)

| 14267 | Fubar | Larry Koster |
| 14310 | Tsunami | Tom Rasmussen |

The 1989 sailing season for the Lightning fleet of the Lansing Sailing Club will be remembered for the lack of wind. Courses were shortened, boats drifted, sailors baked. Often the most exciting part of a race day happened after the boats crossed the finish line and the crew could paddle. Our fleet leaders managed to capture air that no one else could find to finish ahead of the fleet.

Starting line action in one of many Lansing Sailing Club's light air regattas.

| 14138 | | Richard Warren |
| 14339 | | Tim Rumph |
| | | Chris Wiecks |

The Southampton Yacht Club sails out of Southampton, Long Island, New York. Racing at Southampton takes place in a two-mile expanse of Shinnecock Bay, located immediately adjacent to the Atlantic Ocean. Steady southwesterly breezes off of the Atlantic Ocean provide for good racing conditions, allowing for some exciting and competitive sailing during the 1989 season.

Fleet 431 started the sailing season with the Annual Flag Raising Ceremony on June 17th, with the first race of the Championship Series taking place that afternoon. Throughout much of the season, seven to eight boats raced during the Championship Series, making the racing for 1989 competitive and fun. The Wednesday Night Series started on June 21st, with the usual enthusiastic group of younger sailors at the club. A pot-luck supper always followed the Wednesday night racing, which provided for a nice way to break up the work week for many of the members of the club.

After the entire racing season, Richard Warren (14138) sailed to finish just ahead of last year's Champion Kent Rydberg in *Beaujolais* (14033) and John Halsey in *Windy Too* (11071) to take first place for the 1989 Championship Series. Kent Rydberg edged out John Halsey in the last race of the season to take the Runner-Up position. The Wednesday Night Special

Series racing was the most competitive it has been in years, with between eight to eleven boats racing. In a tightly contested race, John Halsey showed off his sailing expertise by winning first place for the season. Richard Warren finished second.

The Early Season Trophy was won by Kent Rydberg, with both the Time Allowance Trophy and the Late Season Trophy being taken by the newest skipper in the fleet, Jim Ledogar. Jim sailing in *Hurricane* (12123) showed that he will be a contender next season!

The Independence Day Cup Races held in early July were won by Hugh Halsey, II, M.D., edging out Richard Warren in the final race of the series. After three races comprising the Labor Day Series Regatta at SYC, Timothy Rumph sailing his new Lightning *Seahorse* (14399), made his way to the winner's circle with First Place. Kent Rydberg held off the rest of the fleet to take Runner-Up.

The Southampton Yacht Club hosted several other regattas during 1989. The Southampton Spring Classic regatta held on the first weekend of June found 14-15 sailors from Southampton, Long Island, Connecticut, and New Jersey competing on Shinnecock Bay. With 15 to 20 knot breezes from the southwest, Jody Lutz from Connecticut took first place, with Timothy Rumph beating the rest of the fleet for Runner-Up. The Fall Classic, held at the end of September, saw some hot sailors from the Northeast visit Southampton. Good weather conditions brought 17 boats to the starting line. Onshore, a great barbeque including the traditional Southampton Indian Clambake and bonfire rounded out the Saturday evening festivities. John Oldham of Nyantic Yacht Club, CT took first place after two days of close racing, just edging out Chris Vann also of Nyantic, CT. Glenn Reiting of Brant Beach Yacht Club, NJ took third place overall.

Skipper Timothy Rumph, with his wife Susan and Paul Kryzenski as crew, represented the Southampton Yacht Club in the 1989 Lightning Worlds, held in Greece. Sailing in their fast new white Lightning, they finished 20th in this tough competition. Congratulations on a great finish!

Southampton was also represented in the Adam's Cup by Skipper Ellen Irving, Susan Rumph, Meghan Farrell and Gail Moriarty, which was hosted at Southampton. Following a good finish at Southampton by Skipper Ellen Irving, the SYC team went to the Semi-Finals at Nyantic Yacht Club, Connecticut.

To support area-wide sailing, SYC hosted the Area B Sears Cup Semi-Finals, with junior sailors travelling from as far away as Upstate New York and Connecticut. Commodore Michael Irving put in a tremendous effort to make this event a huge success! While on the first day of racing high winds and squalls caused broken masts, booms and torn spinnakers in the Lasers, 420's and Lightnings, quick repairs and replacements allowed for the racing to resume the following day. Those on the spectator boats, crash boats or on the RC boat were treated to exciting, fast and close racing by these hot junior sailors.

The Southampton Yacht Club Junior Sailing Program also was a great success during 1989, under the instruction of Chris Weicks, Nick Leonard and Alice Santoro. Seventeen sailors entered in this program, with Dillon Stott winning the Best Overall Sailor Award, Kathy Farrell winning the Most Persistent Award, and Greg Saloy winning the Most Enthusiastic Award.

We hope that 1990 will bring another exciting and successful season to the Southampton Yacht Club. Come and join us in 1990!

| 14089 | | Devry W. Garrett |
| | | Jennifer Gandy |

..... Don R. Johnson
Life Member John Schneider

The 1989 season began with our Annual Meeting, and the following awards were presented for the 1988 calendar year:

Fleet Champion — Devry Garrett; S.R. Newman Award for out of town regattas — Warren Lewis; Eileen Guinan Memorial Award for most help to fleet — Sylvan Newman; Outstanding Crew — John Morse; Handicap Trophy — Richard Guinan; Most Improved Skipper — Bill Keating; Spring Series Champion — Devry Garrett; Summer Series Champion — Devry Garrett; Fall Series Champion — Warren Lewis.

The fleet hosted our first annual Springfest Regatta on April 29-30 at Rush Creek, and it was a great success. The winds were good, the weather was warm, and we had a good turnout.

In June and July Rush Creek YC hosted the Texas and Area F eliminations for Adams Cup in Lightnings. The Rush Creek team of Jennifer Gandy, Janelle Garrett, and Rebecca Guinan did their best, but the overpowering winds and being 175 pounds light did them in, and the Houston YC team went on to the finals.

PALMETTO LIGHTNING FLEET (440) **Southeastern District** **Sailing on Lake Murray at** **Columbia, South Carolina**

Fleet Captain Edward M. Colie, III
Fleet Secretary Bill George
Fleet Champion Bill George
Runner-Up Ed Colie

| Boat No. | Boat Name | Skipper |
|----------|-----------|----------------------|
| 12705 | Windance | Bill George |
| 12712 | | Edward M. Colie, III |

1989 was one of those years wherein every three steps forward we made were matched with two back.

The local Lightning Fleet had two great events on Lake Murrury, which helped us "recruit" more Lightnings.

Although Fleet 440 Boatwain, Ed "JIB" Colie did capture both the Fleet Championship and the Commodore's Service Award, Fleet 440 Captain Bill George was put out of commission with an injured back and Doctors' orders of no hiking, no twisting, or rapid movement. This left things for Bob Moore (11905) and Sam Finklea (1881) to come in and challenge the "JIB" and his crew of sons Ward (aged 10) and Dayton (aged 14), also another Lightning of Bob Stone (9367). Since the fall, Fleet 440 bid adieu to 11905 (Bob Moore) and 9367 (Bob Stone) but the South Carolina Chief Deputy Attorney General Joe Shine acquired a Lightning and promises to make the 1990 season more challenging, also another Attorney, Charles Henshaw, is bringing (11482) back to rejoin the fleet, and the Sessions family will be joining us also.

So the 1990 Bottoms Up Regatta and the Lightning / Y-Flyer will be even more lively, also look for 12712 to hit the circuit, as the "crew" sons Dayton and Ward (backed up by wife Karen), have become competitive.

FOND DU LAC LIGHTNING FLEET (442) **Midwest District** **Sailing on Lake Winnebago at** **Fond du Lac, Wisconsin**

Fleet Captain Jim Kalmbacher
Fleet Secretary Mike Elmergreen
Fleet Champion Mike Elmergreen
Runners-Up ... Jeff Johnson & Jim Kalmbacher

| Boat No. | Boat Name | Skipper |
|----------|-----------|--------------------|
| 13280 | Fan-T-Sea | Tom Drews |
| 13580 | Splurge | Jeffrey P. Johnson |
| | | Jim Kalmbacher |
| 13617 | Escape | Mike Elmergreen |

The Fond du Lac fleet had a very nice season again in 1989. We still race with a mixed fleet under the Portsmouth Handicap System, but the Lightnings are doing quite well.

The season started with the Lighthouse Regatta on June 3-4. We attracted 15 Lightnings from throughout the district and ran all five races. Mike Huffman from Chicago won by a wide margin. He was followed by

Dan Reichelsdorfer of Sheboygan, Karen Balestreri of Milwaukee, Brian Phelan of Green Bay, and Mike Blackwood of Chicago.

The Tuesday night series saw Lightnings sweep the top three places. Mike Elmergreen won it followed by a close race for second and third with Jeff Johnson/Jim Kalmbacher beating out Tom Drews by six tenths of a point. The Holiday series was also won by Mike Elmergreen with Tom Drews taking second and a Laser taking third.

We are still optimistic about the growth of Lightnings in our area and will continue to promote the class.

CLUB UNIVERSITARIO DE BUENOS AIRES (446) **Argentina District** **Sailing on Waters of Rio De La Plata** **Buenos Aires, Argentina**

Fleet Captain Carlos Luis Schenone

| Boat No. | Boat Name | Skipper |
|----------|-------------|-----------------------------------|
| 7768 | Flamingo II | Heraldo Tramaglia |
| 9200 | Allegretto | Carlos L. Schenone |
| 12747 | | Mario Abinzano & Roberto Ricoveri |
| 13409 | Flamingo IV | Heraldo Tramaglia |

No Report.

SAN PABLO FLEET (447) **Ecuador District**

Sailing on Lago San Pablo at Quito, Ecuador

Fleet Captain Mauricio Martinez
Fleet Secretary Marco Ordonez
Fleet Champion Jaime Martinez
Runner-Up Mauricio Martinez

| Boat No. | Boat Name | Skipper |
|----------|-------------|------------------------|
| 11365 | Samuel | Olaf Dyck |
| 12566 | Alster | Ricardo Zeller |
| 13444 | Pinta Brava | Inq. Mauricio Martinez |

Fleet 447 had a very active year. Two main events were hosted in lake San Pablo. The Ecuadorian Districts were held in May with a record of 18 boats, 10 of them coming from the Salinas and Guayaquil fleets. Jaime Martinez with his wife Patricia and Gustavo Cordovez took home the first place silver, followed by Mauricio Martinez and Miguel Plaza.

Lars Dyck sailing with his sons, took the second place in the June Regattas in Salinas.

Finally, in November 2-5, our fleet hosted the annual Muna-San Pablo Regatta, named after the two fleets from Colombia and Ecuador, with 16 Lightnings starting, four of them from Club Nautico del Muna Colombia. After an initial delay due to a late arrival of the Colombian crews, six very close races were held. Andres Lisocki, with his son Felipe and Juan Carlos Uscategui, continued to demonstrate their skills and perseverance, capturing first place with one point over Mauricio Martinez with his son Mauricio Jr. and Ernesto Martinez.

MARSALA LIGHTNING FLEET (449) **Italian District**

Fleet Captain Giovanni Pellegrino
Fleet Secretary Giuseppe Valenti
Fleet Champions Marcelo Attina & Pasquale Vitaggio
Runner-Up Vito Tripoli

| Boat No. | Boat Name | Skipper |
|----------|--------------|-----------------------------------|
| 11244 | Lampedusa | Marco Caronna |
| 11325 | Joker | Angelo Giacalone |
| 12027 | Wind | Francesco Figuccia |
| 12537 | Luktor | Ranieri Gambina |
| 13345 | Antares | Giuseppe Valenti & Antonio Marino |
| 13349 | Ho! Hell | Vito Pernice |
| 13402 | Rainbow | Pietro Marino |
| 13481 | Wanted III | Marcello Attina & Vito Tripoli |
| 13557 | Americaff | Pietro Zerilli |
| 13706 | Lily-Boy-Ten | Giuseppe Alagna & Marcello Maggio |
| 14102 | | Robert Crucitti |

14197 Wind IV Giovanni Pellegrino
14361 Marcello Attina

Our fleet's 1989 season has been a very active year. Although our boats are all wooden, "De Vita a Pellaopumo", our skippers and crews have participated at the most important regattas in Italy and Europe.

We had a strong showing at the European Lightning Championships with our team of Marcello Attina, Dario Nania, and Fabio Spano placing second; Vito Tripoli, Franco Parrinello, and Giuseppe Alagna, third; and Giuseppe Alagna, Pulletto Bernadetto, and Giovanni Pulizzi finishing in sixteenth. We followed the European Championship with five boats competing in the World's in Greece. Once again Marcello Attina and crew had the best finish, placing fourteenth followed by Giuseppe Alagna, twenty-fourth; Pietro Marino, twenty-fifth; Vito Pernice, twenty-seventh; and Vito Tripoli, twenty-eighth.

We are looking forward to another fun year in 1990.

Members of our fleet at the 1989 Italian District Championships.

TUUSULANJARVI LIGHTNING FLEET (456)

Finland District

Sailing on Lake Tuusulanjarvi, Finland

Fleet Captain Antero Punttila
Fleet Secretary Timo Evila
Fleet Champion Leo Korhonen
Runner-Up Jaako Herttua

| Boat No. | Boat Name | Skipper |
|----------|-----------|------------------|
| 5552 | | Jorma Lehtonen |
| 12429 | Maruzella | Antero Punttila |
| 12757 | | Veijo Meisalo |
| 12907 | Lizi | Leo Korhonen |
| 13098 | Vipunen | Lauri Hamalainen |
| 13130 | | Matti Torkkeli |
| 13413 | Amarillo | Pertti Pyy |
| 13562 | Amanda | Hannu Hanskala |
| 14179 | | Tuomo Kauhanen |
| 14274 | | Hartti Nisonen |
| 14331 | | Pentti Laitinen |

On the Rocks Regatta opened traditionally the '89 sailing season on the Lake Tuusulanjarvi. In spite of a warm spring there were only three early birds in the Lightning class. Leo Korhonen won with Antero Punttila second and Pentti Laitinen third.

The Europeans and Worlds in Athens were the big events of the year also for our fleet. Three out of six Finnish boats were from Tuusulanjarvi. Tricky winds and troubled waters of Saronic Gulf, or the Greek Gods, were not on our side and the best from our fleet, Hartti Nisonen finished 20th in the Europeans and 34th in the Worlds. Leo Korhonen was 29th and 42nd, respectively. Tuomo Kauhanen came 34th in the Europeans, but preferred big boat pressure sailing during the Worlds and lent his boat, *Tinto*, to Larry McDonald, who did very well and finished in sixteenth.

The District Championship was sailed on our home waters in Tuusula. Twenty four boats participated, eight from our fleet. Hartti Nisonen took home the championship by three wins in a row and one third place finish. Leo Korhonen was seventh, Pertti Pyy 11th, Pentti Laitinen 15th and Tuomo Kauhanen 16th, but Hannu Hanskala and Antero Punttila established a new cold water swimming club with notable loss in results. Everybody enjoyed, however, great summer weather, variable winds, well organized races, and pleasurable social programs, crowned by Mama Tuusula's lovely hat party. Many thanks to the race organizers.

A qualification series of the biannual Lake Tuusulanjarvi Cup was sailed also this summer and Hartti Nisonen will be the challenger against the defender Pertti Pyy next summer in the finals. The season finale, as always, was the September Regatta. The weekend included four races in low wind — no wind conditions for six Lightnings and a hundred smaller boats. Saku Vento in Amarillo placed first, but Leo Korhonen won the combined Fleet Champion with newcomer Jaakko Herttua second. We welcomed hard working Jaakko hearty to join the 456 fleet. Can't wait for next summer!

FLOTTA DEL CONERO (466)
Italian District
Sailing on Adriatic Sea at Numana, Ancona,
Falconara and Senigallia

Fleet Captain Bruno Roccheggiani
 Fleet Secretary Renzo Bozzi
 Fleet Champion Bruno Roccheggiani
 Runner-Up Roberto Brugia

| Boat No. | Boat Name | Skipper |
|----------|-----------|--------------------|
| 13346 | Bibir | Bruno Roccheggiani |
| 13414 | | Roberto Brugia |

The Conero Fleet (Ancona, Italy) can't boast of a huge number of boats. Its long suit is a desire to ensure an active class and for its two active boats to

place well in the national regattas.

Bruno Roccheggiani and Roberto Brugia are the helmsmen and flag-bearers of Fleet 466. To them goes the credit of being committed enough in the years preceding the Worlds in Athens to place one of the boats in fifth position in a 16-month-long series of selection trials held throughout Italy. *Bibir*, with Roccheggiani-Heckman-Bozzi aboard, didn't finish at the top in the 1989 Worlds, managing only 30th. However, this team of true amateurs found the satisfaction in racing the World's courses neck and neck to the finish with professionals of the sport more than gratifying for the sacrifice of honoring, with continuous presense, every appointment of the national calendar. Wishing all good things for the Conero Fleet!!!

Bibir ready to leave towards World Championship held in Athens.

Fleet 481's most memorable event of 1989 occurred in June when Matt Fisher, with Lisa and Greg as crew, captured the Carolina Sailing Club Governor's Cup, marking the first time in the 32-year history of this event that it has been won by a Lightning. The Governor's Cup is a very special trophy awarded to the skipper who beats the most boats in a class during this weekend regatta which attracted more than 200 boats from a variety of classes.

The Fleet has 23 owner members, making it the largest fleet in the Southeastern District, and 23 crew members. We began the year by hosting a display at the local Boat Show, as part of our efforts to attract new members. We followed that with a couple educational/entertaining evenings. The "chalk talk" given by Tom Hudgens and assisted by Gordon Kellogg, both strong skippers, was particularly well received. Ched Proctor conducted an on-the-water clinic in March, as he returned victorious from the Southern Circuit. In June, the Fishers conducted a racing clinic the day before the Governor's Cup Regatta.

Southeastern District participation was good. John Pelosi had the best fleet showing, with a sixth place in the district races for the year. The Fleet sponsored the Southeastern District Championships in Oriental, North Carolina. Repeating our 1987 performance, we once again received rave reviews for the two most important things under our control — the race committee and the socials. Forty knot winds cancelled the first day of the three-day regatta, in which twenty-one boats participated, but the wind the remaining two days cooperated much better.

Kent Mullikin was our Fleet Champion for the second year in a row. The race for Runner-Up was close, with Michael Rees edging out Billy Dixon by only two points. John Pelosi and Grant Wolslagel rounded out the top five.

Each October, the fleet sponsors the Borderline Regatta. Thirty-five boats raced in this year's event, with sailors, boatbuilders and sailmakers coming from as far away as New York, Connecticut, Ohio and Georgia. Although Saturday's wind made for a long, slow race, the day ended on a high note with a delectable dinner and a great band that had many people on the dance floor.

It has been a good year for Fleet 481. (Well, maybe not for the Vitek's, whose boat was destroyed early in the season by an errant driver, as they were trailing it to a regatta. The replacement boat wasn't ready until late in the season.) Our Fleet continues to grow, and in 1990 we'll celebrate the Fleet's 10th anniversary. Y'all are invited to sail with us in the Borderline Regatta the fourth weekend in October.

Matt Fisher captures the Carolina Sailing Club Governor's Cup.

With Lake Ontario, the world's seventh largest body of temperate fresh water, but a stone's throw from our launching site, the 1989 racing season found us as often as not sailing within the triangular confines of tiny Oswego Harbor.

Ironie, yes, but a positive move was needed to rekindle flagging interest after a dismal 1988. When combined with a change of sailing time from weekends to Tuesday evenings, the move resulted in an upsurge of participation for our spring and summer series.

Another significant development that took place here this summer had its beginnings in 1988 when Bram Palm and Jean Hallagan got married. The union combined lots of one design experience with more one design experience and Fleet 485 became the beneficiary when Bram and Jean came to sail with their brand new Allen this spring. More on them later.

Anyway, participation was way up this year. After all, we had thought, who won't be able to find crew on a Tuesday night? As it turned out the only problem we had was wind — unless you happen to like light air.

We began our season on Memorial Weekend with the two-day Mayor's Cup Regatta. Art Tirrell won this one for the second year in a row in fresh winds. Art made it two in a row when he won the Michelob Open two weeks later in a local regatta shortened to one race by high winds.

The beginning of the Tuesday night series June 6 saw the onset of a cycle of light air race nights. Bram and Jean Palm swapped weeks as skipper and quickly served notice they'd be a factor by winning four of the seven June races. They then kept the heat on and took the spring, summer and fall series handily. Not missing a single race, they each steered enough of the 22 races completed by the fleet to qualify for the fleet championship. Bram had a slight edge and became our champ. Jean was close behind in second and became runner-up.

Jim Finn found new resolve in 1989. Putting together a strong, experienced team and showing surprising determination Jim cemented second place in the summer series behind the Palms with a string of three bullets in stiff late July winds, and earned the hard-fought runner-up slot in the fall series as well.

Around the fleet, Joe McCloskey bought boat 14140, married his middle crew Ellen Fitzgibbons, finished third in the Districts and won his first ever race in a District regatta. Ed Taverni got rid of his egg carton and bought boat 14034. He then got faster fast, nailing a fifth in the final race of the 60 boat Michelob Classic as well as improving his fleet finishes. Franny Watts went much better after he quit trying to make his North tuning guide work on his 25-year old Lippy. Bob "Walt" Finn had enough good moments to add up to overall improvement and will be looking to continue the trend next season. Bill Pirillo made quantum improvements this season moving up four positions in the final fleet standings. Art Tirrell threw a dozen different crew members at the fleet in a vain attempt to fight off his light air slumps.

Among the several newcomers, aggressive, enthusiastic David Raham joined up and did well considering the level of competition. Jeff Germain steered this season after two summers as crew. The improvement in his confidence level was encouraging to see. Mark Purcell brought his boat down from Watertown and sailed the summer series, winning a race or two in the process. Clay Murphy and Pam Tuttle brought Pam's boat to town

making another great addition to the fleet. Clay was this year's winner at the Lake Wallenpaupuck Fall Regatta. Jed Dodge came in from Sodus several times to sail or crew and had so much fun he's now threatening to bring his boat over and do the whole series next summer.

District Commodore Tom Doran had an off season due to a slow-healing back injury. He was just starting to heat up in September when he suffered a second injury and was out for the season.

The Michelob Lightning Classic amazed us again. We had budgeted for 40 entries this year but allowed for expansion on the up side. We got it, 60 boats signed up this year. The starting line was siple awesome. Could the class be returning to the days when 100 boats showed up for a regatta? Bram and Jean Palm picked up Peter Hallagan for their third for the Classic and became the first Oswego boat to win the Classic. Congratulations team Round Robin!

Muddy Rudder Winner Rick Conaway with crew Dan Rygelski and Dave Nick.

VALLEY LIGHTNING FLEET (486) **Mississippi Valley District** **Sailing on Alton Lake at Machens, Missouri**

Fleet Captain Rick Conaway
 Fleet Secretary Bryan Uhlmansiek
 Fleet Champion Rick Conaway

| 14088 | Fascination | Richard Conway |

We had another year of sailing and partying on the Mississippi at Alton Lake. No floods and no current make for good sailing. We can thank the drought and the Corps of Engineers for both. Lock and Dam 26 has kept Alton Pool steady as she goes for three years. Fleet 486 located at Valley Sailing Association actively races on Sundays and Wednesday nights. All Lightnings can join us for the Governor's Cup and Muddy Rudder Regattas later in the year.

One highlight of the year was the Muddy Rudder. For the first time the first place trophy stayed home as Rick Conaway edged out Larry Jenkins of Memphis for first place. Other visitors included last years winners Herb and Jack Golterman of Carlyle and Bob Ohlsen of Decatur. The sailing was best described as challenging after a big storm front moved through on Friday leaving us with light air and some surprising current. We hope all our friends can join us again in '90.

Congratulations go to Fran Renschen for winning the Governor's Cup. Fran cruised his way through some extremely light air to take two bullets in three races. The last two races were canceled when we got more fog than wind.

We hasten to welcome new Fleet 486 members William Foell Jr., Mike

Sepp, and Robert Minelli. With good luck and the right atmosphere the fleet will enjoy some real competition in the future.

14292 James E. Richards

ACULEO LAKE FLEET (490) Chile District Sailing at Aculeo Lake, Champa, Paine

Fleet Captain Manuel Gonzalez B.
Fleet Secretary Manuel Gonzalez M.
Fleet Champion Manuel Gonzalez

| Boat No. | Boat Name | Skipper |
|----------|--------------|----------------------|
| 11011 | Ojo De Lince | Alberto Gonzalez Mas |
| 13396 | | Manuel Gonzalez Mas |
| 14307 | | Manuel Gonzalez M. |

During the second week of January we held at Aculeo Lake, the fleet championship. With ten boats and four races we enjoyed a great regatta. The fleet is growing and we have more members interested in racing with our fleet colors.

The next championship will be the South Americans trials, so we are expecting a big regatta.

TOHICKON CREEK LIGHTNING FLEET (491) Central Atlantic District Sailing on Lake Nockamixon at Quakertown, Pa.

SELKIRK LIGHTNING FLEET (498) Central New York District Sailing on Lake Ontario at Pulaski, New York

Fleet Captain Joseph Cummiskey
Fleet Secretary Corrine Cummiskey
Fleet Champion Herbert E. Clark

| Boat No. | Boat Name | Skipper |
|----------|-----------------|------------------------------|
| 6926 | | Herbert E. Clark |
| 7961 | Cirrus | Emil F. Weisenburger |
| 9424 | | David Rahm |
| 11370 | | Herbert E. & Donald C. Clark |
| 13939 | Rolling Thunder | Joe Cummiskey |

The summer of 1989 brought an undefeated season at Selkirk to our fleet champion, Herb Clark and his crew, which usually includes his lovely wife Pat Clark at the foredeck.

Fred Weisenburger and his wife Chris often sailed *Cirrus* (a blue beauty of a Lightning) during the week, due to Fred's busy weekend schedule of work and volunteer fireman.

Peg and Skip Hodge enjoyed their lovely wooden *Frontenac* with it's updated oval mast. They also have a busy schedule with work and their adorable daughter, Kelsey, and Skip's attention to being Chief of the Lacoma Fire Department.

Joe Cummiskey had the misfortune of having his *Rolling Thunder* involved in a "t-bone" collision at the Mayor's Cup in Oswego during the last race on Sunday, May 28th. The repair was not completed until August. In the meantime, due to a torn calf muscle resulting from a softball injury in July, Joe was off the Lightning circuit for the season.

Also sailing from Selkirk at the Mayor's Cup were John Clark and Corrine Cummiskey in *Rolling Thunder* with Joe; Herb Lapham and Pat Clark sailed with Dan "Airplane" and Peg Hodge alternate days. Our other casualty that weekend was the loss overboard of John Clark's wallet. Despite our misfortunes, a good time was had by all.

Don Clark, whose winter residence is in Florida, enjoyed sailing the Southern circuit in St. Petersburg and Savannah with his brother Herb Clark and their nephew David Rahm, a sailmaker with Reynolds' Sails of Skaneateles. Loretta Switzer, a forest ranger in Truxton and Herb's sister-in-law, helped with the practice runs.

Although our traveling was not as frequent as the previous year, our fleet's enthusiasm remains high. We are looking forward to the summer of 1990 and a return to a heavier racing schedule both at Selkirk and on the road again. We are excited about the North Americans being so close at Rochester Yacht Club, and we hope to participate both in racing and in volunteer work.

POINTE CLAIRE YACHT CLUB (499) St. Lawrence Valley District Sailing on Lake St. Louis in Quebec, Canada

Fleet Captain R. A. (Tony) McBride
Fleet Secretary Timothy Harris
Fleet Champion Tony McBride

| Boat No. | Boat Name | Skipper |
|----------|--------------|----------------------|
| 13150 | Bumble Bee | David Browne |
| 13519 | Ooroo | Timothy G. Harris |
| 13577 | Krista Too | Adrian D. Niderost |
| 13603 | Isle of Skye | Gordon Worley |
| 14200 | | R. A. (Tony) McBride |

Fleet 499 hosted the 1989 Canadian Open Lightning Championship. 24 boats from Quebec, Ontario, New Jersey, Vermont, Connecticut, New York, and Massachusetts attended a three-day very light air regatta, won by Jay Mann from the Royal St. Lawrence Yacht Club.

Tony McBride made it to the first fleet at the North Americans and surprised a few veterans with his boat speed; unfortunately Tony and crew Andrew Shea and Bill Lewis were not rewarded with a better overall finish

due to committing the eightly deadly sin, "choosing the wrong side". Tony and his strong leadership has been unable to promote successfully the class at our club, but has met with a great deal of success. At nearby Hudson Yacht Club, where in 1990 we expect some J-24 sailors to hang up the keelboats and step up to the Lightning. If this happens, it's a near "done-deal", then soon we expect three active fleets within 15 miles, a tribute to the class and the foresight of the guys who sail 'em.

So far, heavy winds and 'Hugo' have kept us off the lake for our fleet championships — but that's all that we expect, since in five years we've only ever finished one fleet race and that was in a drifter. Fleet grown is stagnant, but we continue to prospect among our Fireballer's and 505 owners in the hope that our fleet will increase.

THE SUNCOAST FLEET (502) Florida District Sailing on Tampa Bay at Tampa, Florida

Fleet Captain Bill Meyer, III
Fleet Secretary Dave White
Fleet Champion Bill Meyer, III
Runner-Up Dave White

| Boat No. | Boat Name | Skipper |
|----------|------------------|---------------------|
| 10744 | Owl | Jeffrey R. Stall |
| 12396 | | David E. White, III |
| 13010 | Strikes Twice | Albert London |
| 13063 | Rip City Express | Gary Marshall |
| 13285 | | Clark T. Higgs |

| | | |
|-------|----------|-----------------------------|
| 14006 | Fired-Up | William H. III & Gail Meyer |
| 14209 | | Earl Mabie |
| | | Leslie Fischer |

Suncoast Fleet 502 hosted the Florida Districts in April this year, and all agree it was a fantastic success. Clark Higgs and Bill Meyer placed in the top ten with respective fourth and seventh place finishes. Clark Higgs with co-skipper Robbie Brown placed 16th at the Lightning Midwinters in St. Pete. Gary Marshall also sailed St. Pete with his brother and Pat Gallagher, but forgot his whistle and got a DSQ. Bill Meyer sailed St. Pete and distinguished himself by being the 22nd boat in the last race followed closely by about 20 boats scored at 23.

In the 28 race summer series, Dave White sailing with Chris Myers and either Clark Higgs or Sandy Scheda won the second seven race sequence giving the overall series winner, Bill Meyer, sailing with regular crews Carl Raish and wife Gail, tough competition throughout the year.

Clark Higgs represented Fleet 502 at the North Americans and qualified for the President's Cup. We also noted strong performances at the Sarasota Sailing Squadron by Leslie Fischer and Dave White.

Fleet 502 was represented by two Adams Cup teams at the State level including Leslie Fischer and Sandy Scheda. Congratulations to Sandy Scheda and crews Gail Hauesler and Penny Hall who went on to place fifth overall in the Adams Cup finals.

The Thanksgiving Regatta hosted by the Davis Island Yacht Club is open to all who may want to join us work off the holiday food and drink. The first race starts at 12:30 on Saturday, so you will have plenty of time to travel. Call Bill Meyer at 813-886-1962 for information (Allow 2 rings only). Camping on grounds is permitted, and although the place is beautiful, the club is never formal. Beer drinking Lightning sailors in bathing suits, tee-shirts, and bare feet are especially welcome at Suncoast Fleet's sailing events.

LOUISVILLE LIGHTNING FLEET (503) Mississippi Valley District Sailing on the Ohio River near Louisville, KY

Fleet Secretary Robert Whalen

| Boat No. | Boat Name | Skipper |
|----------|-----------|----------------|
| 9842 | | Gerard Barber |
| 9902 | | Mitchell Hobbs |
| 13207 | | Robert Whalen |

CLEARWATER LIGHTNING FLEET (504) Florida District Sailing on Gulf of Mexico near Clearwater, FL

Fleet Captain/Secretary Michael C. Carroll
Fleet Champion Michael Carroll & Bob McCann
Runner-Up Bruce Kendall & Marc Bershaw

| Boat No. | Boat Name | Fleet |
|----------|--------------|--------------------|
| 12991 | | George Ewell, Jr. |
| 13665 | | Charles C. Harris |
| 14084 | | Michael C. Carroll |
| 14349 | First Strike | Bruce T. Kendall |

The first year of the Clearwater Yacht Club's Lightning Fleet was an exciting and active one. Under the able leadership of Norb Zebny and with the untiring assistance from Clark Higgs (Suncoast Fleet 502) we got off to a quick start. The first year's events included a spring and fall series. In addition, the boats served as one of three classes in the USYRU/Rolex Jr. Sailing Area D Championships hosted by the Clearwater Yacht Club in July. In October, there was a separate Lightning division in the Third Annual Carlisle Classic. In terms of away games, boats from our fleet participated in the Sarasota Sailing Squadron's Labor Day Regatta and in the Davis Island Yacht Club's Thanksgiving Day Regatta. We look forward to participating in the Southern Circuit in March. Most of us have been big boat sailors racing under PHRF, one-design sailing is a pleasant and exhilarating change. Bruce Kendall (former skipper with Jim Kilroy's KIALOA syndicate) has taught us something about match racing, but we are learning fast!

Registry of Associate Members

(As of December 29, 1989)

Associate members are those who may be boat owners but do not actively participate in various regattas, crew, or individuals who are interested in receiving Class publications. Fleet affiliation is indicated (if any) by number in parenthesis following name, and boat number is indicated if Associate is an owner.

Registry of Lightning Owners (Active & Life Members)

(Corrected to December 15, 1989)

Life members are indicated by the letter "L". Where a boat number is not shown it is understood that a boat is on order. Fleet affiliation is indicated by number in parenthesis following name. Where there is no Fleet affiliation the name is followed by (U).

"A"

Registry of Lightning Boats

(Corrected to December 15, 1989)

You will note that the address of the owner is omitted. This you will find under the alphabetical listing if the owner was an I.L.C.A. member in good standing last year. Fleet affiliation is denoted by the figure in parenthesis following the owner's name. If the name is followed by (U), this signifies the owner is unaffiliated. "Lost Boat" denotes present owner is unknown. Where boat number is followed by an asterisk, it means that there is an approved Measurement Certificate on file for this boat. All boats not so marked do not have Measurement Certificates on file.

| Boat No. | Owner-Fleet | Boat No. | Owner-Fleet | Boat No. | Owner-Fleet | Boat No. | Owner-Fleet |
|----------|---|----------|----------------------------------|----------|--|----------|---|
| 1* | John C. Ryan (U) | 90* | Raymond Creekmore (463) | 181* | Lost Boat | 269* | Robert Bayley & Phillip L. Weaver (241) |
| 2* | E. H. Goranson, Jr. (U) | 91* | Boat Destroyed | 182* | Barbara & Elliott Smith (U) | 270* | Stanley B. & Jonathan D. Gomburg (U) |
| 3 | Richard T. Berndt (119) | 92* | Cliff Lennon (U) | 183* | Marshall L. Gorr & Donald Kistler (U) | 271* | U.S. Builder |

NA Memories

Lightning Sail "Beaux" Arts, Are You Here?

FOUR TIMES AS FAST

Brad Read

*"Because of our consistently fast boatspeed,
we can concentrate on winning tactics."*

Brad won the 50th Anniversary Regatta and was 4th in both the 1989 Worlds and Europeans. He is always available at regattas to answer any sail trimming or tactical questions, or is available for fleet seminars. Call Brad at Shore Sails Rhode Island.

*"We guarantee the highest standard
of quality in the industry."*

Besty is a three-time Rolex Yachtswoman of the Year and is possibly the winningest crew in the Lightning class. She began her Lightning career as a junior at Metedeconk YC in New Jersey, going on to win the Women's Championship as skipper in 1984. Betsy personally oversees construction of each Shore Lightning sail.

Betsy Alison

Mark Bryant

*"It's nice to come back to a suit of
sails that are easy to trim."*

Mark has won two North American titles and is consistently in the top ten. He is one of the most knowledgeable Lightning sailors in the class. After trying another sail-maker for two seasons, he came back to Shore to revive his upwind and downwind speed. Since the change, Mark and his crew have won both the Bluenose and Sugar Bowl Regattas. Talk to Mark at any regatta; he'll be happy to tell you why he came back to Shore.

*"Through intense sail testing, we are able
to ensure that you're getting the fastest
suit of sails on the market."*

A two-time World Champion and six-time North American Champion, Bill has been on the cutting edge of Lightning sail design for more than 20 years. He coached Lynne Jewell and Allison Jolly to a gold medal in the 470 class in the 1988 Olympics. Now he is utilizing his coaching techniques in Shore Lightning tuning sessions, refining sail shapes and developing our 1990 light air jib.
