Recap from Team Hayden:

We spent the weekend thinking of Bill Mauk and all the times the three of us have sailed with him. He once took 8 of us from the FSU Sailing Team on his Etchells. There was always enough room on his boat to introduce young people to one design sailing. Bill was relentless in his pursuit to keep improving. His insights, competitiveness, and story telling will be greatly missed.

We had nice breeze on Saturday for 5 races at the Lightning New Years Skegs and Kegs Florida District Championship Winter Series Regatta. Relatively small oscillations in a breeze that built throughout the day, about 6-10 kts. Sunday was very light and we did not sail. We are really hoping for more boats to race against at the Southern Circuit.

Side Note: It's great to see Past President Paul Gelenitis back in a Lightning! Hoping to see more of Team Gelenitis out on the water this summer!
