

WHAT TO EXPECT AT PYMATUNING YACHT CLUB

We are so excited to be hosting the 2021 Lightning NA WJM Championships, and look forward to providing a fun and memorable experience both on and off the water! Here's a little orientation to PYC for those of you who haven't visited us before....

PYC is an all-volunteer, family-oriented club located in Jamestown, PA, roughly equidistant from both Cleveland and Pittsburgh, from which we draw many of our members. The Club was founded in 1937, and has had an active Lightning fleet throughout its history, along with Thistles, Flying Scots, Lasers, J-22's, a Cruising fleet, and an active junior sailing program. We rent land from the PA State Park, which includes our clubhouse, drysail area and 100 camp (trailer) sites on the grounds. It's a unique place where families spend every weekend from April through October. The mission of our club is to actively support sailing and racing on Pymatuning Reservoir, and our entire club has come together to support the 2021 WJMs.

One of the beauties of our club is that it is relatively remote and peaceful, but that also means the selection of local restaurants and grocery stores is somewhat limited. Attached is a list of nearby restaurants and grocery stores so you can gauge your level of interest in eating on-site, which will be available each day, or doing your own thing.

Being an all-volunteer club, we do not have a full-time meal service or bar. All meals for the regatta will be catered, and those not included in registration **will need to be pre-ordered and prepaid**. A list of meals and prices is attached and listed on both the [Yacht Scoring event Page](#) and the [WJM Website](#). You can place your order on the Yacht Scoring event page – [Event Purchases](#). Post-race refreshments will be available each day, and you can purchase tickets for evening “social events” that will include beer and bar service.

Meals included in registration:

- Daily coffee and bagels
- Wednesday Welcome dinner
- Saturday banquet

Meals available to pre-purchase:

- Daily box lunches
- Thursday dinner
- Friday dinner

A couple of “don’ts” to be mindful of:

- Please don’t drive over 5 mph inside the gate. We have many, many small children who live at PYC throughout the summer, and we take their safety very seriously.
- We are sorry, but please don’t bring your pets to the event – pets are not allowed around the clubhouse, on the club lawn or drysail area. We’d hate to see your four-legged loved one tied up to a car all day long.
- Don’t forget to use a designated driver, as Uber/Lyft are not available in the area.

While we hope to have perfect sailing conditions for the entire event, it *is* inland lake sailing in August, so there will be on-shore entertainment in the event of race postponement. Volleyball, cornhole, ladder golf, CanBam, and bocci are featured events; please feel free to bring your game of choice. We have a large lawn area that can accommodate lots of activity in the event we need it.

Nonsailors are welcome to relax on the front lawn and watch the racing, and children can play and swim in our swimming area. Other local attractions include:

- Numerous local golf courses
- Pontoon boat and kayak rentals
- Linesville Spillway, a locally famous attraction because of the fish which you can read about [here](#)
- A number of nearby [wineries](#), and check out our own PYC member's winery [Deer Creek Wine](#) in Shippenville, PA (79 miles from PYC)
- A local brew house, [Mortals Key Brewing Company](#) (8 miles from PYC)
- [Buhl Mansion Spa](#) (25 miles from PYC)
- Cleveland, with the Rock 'n Roll Hall of Fame and many other attractions - check out the Cleveland Visitors Center [site](#) (about an hour from PYC)
- [Presque Isle State Park](#) in Erie, PA (about an hour from PYC)
- [Crawford County Visitors Guide](#) for a list of other local things-to-do

As mentioned above, the entire PYC family is involved in putting on this event, and is committed to making it enjoyable and memorable for all. A Concierge desk will be available throughout the event to answer any questions you have, and to help ensure that when it's all over you'll be anxious to come see us again! In the meantime, if you have any questions, please don't hesitate to reach out to us – we'll be happy to help!

Bertie Werley, Regatta Chair

Katie Werley, Publicity/Media Committee Chair
